**Provide explanation below:**

On the early morning hours of 03/01/1998 I had been out having drinks with some former classmates while visiting Indiana University when I made the mistake of operating a motor vehicle while impaired. While there was no personal or property damage related to this event, it did carry negative personal consequences. I plead guilty to the driving while intoxicated charge. I had my driver's license suspended, was on probation for a brief period, had to attend an alcohol education course, and complete approximately 35 hours of community service. Since that time I have not had any other alcohol related incidents.

**Provide explanation below:**

On October 21, 2020, PPLP entered into an agreement with the United States Department of Justice ("DOJ") to resolve DOJ's criminal and civil investigations of PPLP, including a criminal plea agreement (the "PPLP Plea Agreement"). Pursuant to the PPLP Plea Agreement, on November 24, 2020, PPLP pled guilty before the U.S. District Court for the District of New Jersey (the "NJ District Court") to three felony counts to resolve all potential criminal charges against PPLP and its subsidiaries and affiliates with respect to the production, sale, marketing and distribution of opioid products between May 2007 and the present.

While PPLP's guilty plea has been accepted by the NJ District Court, under the terms of the PPLP Plea Agreement, PPLP is not expected to be sentenced until approximately seven days before a plan of reorganization becomes effective in the bankruptcy cases of PPLP and its affiliates that are pending in the U.S. Bankruptcy Court for the Southern District of New York and jointly administered under the caption In re Purdue Pharma L.P. et al., Case No. 19-23649 (SHL) ("Plan"). The PPLP Plea Agreement also permits PPLP to withdraw its guilty plea in certain circumstances. A judgment of conviction will follow after PPLP's sentencing hearing.

A Plan was confirmed on September 17, 2021 (the "September Plan") by the bankruptcy court, however, on December 16, 2021, the U.S. District Court for the Southern District of New York ("SDNY") vacated the order confirming the September Plan. The SDNY order vacating the confirmation order was appealed to the U.S. Court of Appeals for the Second Circuit, (the "Second Circuit"), which on May 30, 2023 issued an order reversing the SDNY's order, affirming the bankruptcy court's approval of the Plan, and remanding to the SDNY for such further proceedings as may be required, consistent with the Second Circuit's decision. On August 10, 2023, the United States Supreme Court stayed the Second Circuit mandate and granted certiorari to review the Second Circuit opinion. On June 27, 2024, the Supreme Court rendered a decision that effectively prevents the September Plan from proceeding as provided thereunder. Consequently, as PPLP intends to negotiate a new plan of reorganization, the timing of sentencing and emergence remain unclear.

**Provide explanation below:**

A Preliminary Injunction is in effect with respect to Purdue Pharma L.P. ("PPLP") under the bankruptcy cases captioned In re Purdue Pharma et al., Case No. 19-23649 (the "Chapter 11 Cases") whereby, among other things, proceedings relating to PPLP's prescription opioid business, including any actions brought by a governmental agency, that were or could have been commenced prior to the Chapter 11 Cases have been enjoined.

Notwithstanding the foregoing, in April 2023, the State of Ohio Board of Pharmacy ("Ohio BOP") notified PPLP of a proposed disciplinary action ("Ohio Notice") which we believe is enjoined by the Preliminary Injunction because the Ohio Notice alleges substantially similar facts or causes of action as those alleged in proceedings that are already subject to the Preliminary Injunction. Therefore, we do not believe the Ohio Notice constitutes a pending action. Even if the Ohio Notice were not subject to the Preliminary Injunction, which we do not concede, the Ohio BOP has no basis for the Ohio Notice because it relies solely on PPLP's previously disclosed guilty plea which was entered pursuant to its October 2020 Plea Agreement with the U.S. Department of Justice, which provides that PPLP may withdraw its guilty plea if certain circumstances occur prior to consummation of its bankruptcy plan.

# PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. K13519031

Application/License No. _____

Purdue Pharmaceuticals L.P. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 4701 Wilson Drive, Wilson, NC 27893 (Address of Applicant/Principal), as PRINCIPAL, and Westchester Fire Insurance Company (Surety Company), a corporation organized under the laws of the state of Pennsylvania (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 436 Walnut Street, Philadelphia, PA 19106-3703 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on March 08, 2018 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 8th day of March, 2018.

Hi Maria,

To expand on the description of Michael Ronning's experience, Mr. Ronning is responsible for initiating and maintaining relationships with distribution partners which includes the monitoring and managing the sales and delivery of Purdue products through various channels, ensuring that distribution partners are adhering to contractual and compliance regulations and appropriately selling to the appropriate end customer.

Let me know if you need any other information.

Thank you,

Hi Emily,

In further review of the application, it was noted that the DR does not meet the qualifications related to the dispensing and/or distribution of, and/or recordkeeping. In section 7 it shows sales and marketing experience only, please advise.

Kind regards,

**Maria H.**

| US Dept. of Justice / Purdue Pharma L.P. | | | | |

| Purdue Pharma L.p. | | | | |

**Provide explanation below:**

On October 21, 2020, PPLP entered into an agreement with the United States Department of Justice ("DOJ") to resolve DOJ's criminal and civil investigations of PPLP, including a criminal plea agreement (the "PPLP Plea Agreement"). Pursuant to the PPLP Plea Agreement, on November 24, 2020, PPLP pled guilty before the U.S. District Court for the District of New Jersey (the "NJ District Court") to three felony counts to resolve all potential criminal charges against PPLP and its subsidiaries and affiliates with respect to the production, sale, marketing and distribution of opioid products between May 2007 and the present.

While PPLP's guilty plea has been accepted by the NJ District Court, under the terms of the PPLP Plea Agreement, PPLP is not expected to be sentenced until approximately seven days before a plan of reorganization becomes effective in the bankruptcy cases of PPLP and its affiliates that are pending in the U.S. Bankruptcy Court for the Southern District of New York and jointly administered under the caption In re Purdue Pharma L.P. et al., Case No. 19-23649 (SHL) ("Plan"). The PPLP Plea Agreement also permits PPLP to withdraw its guilty plea in certain circumstances. A judgment of conviction will follow after PPLP's sentencing hearing.

A Plan was confirmed on September 17, 2021 (the "September Plan") by the bankruptcy court, however, on December 16, 2021, the U.S. District Court for the Southern District of New York ("SDNY") vacated the order confirming the September Plan. The SDNY order vacating the confirmation order was appealed to the U.S. Court of Appeals for the Second Circuit, (the "Second Circuit"), which on May 30, 2023 issued an order reversing the SDNY's order, affirming the bankruptcy court's approval of the Plan, and remanding to the SDNY for such further proceedings as may be required, consistent with the Second Circuit's decision. On August 10, 2023, the United States Supreme Court stayed the Second Circuit mandate and granted certiorari to review the Second Circuit opinion. On June 27, 2024, the Supreme Court rendered a decision that effectively prevents the September Plan from proceeding as provided thereunder. Consequently, as PPLP intends to negotiate a new plan of reorganization, the timing of sentencing and emergence remain unclear.

**Provide explanation below:**

A Preliminary Injunction is in effect with respect to Purdue Pharma L.P. ("PPLP") under the bankruptcycases captioned In re Purdue Pharma et al., Case No. 19-23649 (the "Chapter 11 Cases") whereby, among other things, proceedings relating to PPLP's prescription opioid business, including any actions brought by a governmental agency, that were or could have been commenced prior to the Chapter 11Cases have been enjoined.

Notwithstanding the foregoing, in April 2023, the State of Ohio Board of Pharmacy ("Ohio BOP") notified PPLP of a proposed disciplinary action ("Ohio Notice") which we believe is enjoined by the Preliminary Injunction because the Ohio Notice alleges substantially similar facts or causes of action as those alleged in proceedings that are already subject to the Preliminary Injunction. Therefore, we do not believe the Ohio Notice constitutes a pending action. Even if the Ohio Notice were not subject to the Preliminary Injunction, which we do not concede, the Ohio BOP has no basis for the Ohio Notice because it relies solely on PPLP's previously disclosed guilty plea which was entered pursuant to its October 2020 Plea Agreement with the U.S. Department of Justice, which provides that PPLP may withdraw its guilty plea if certain circumstances occur prior to consummation of its bankruptcy plan.

## PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. B150062677

Application/License No. _____

Revelation Wholesale LLC (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 497 State Road 436 Ste 115, Casselberry, FL 32707-4905 (Address of Applicant/Principal), as PRINCIPAL, and Old Republic Surety Company (Surety Company), a corporation organized under the laws of the state of Wisconsin (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 18500 W Corporate Dr, Ste 170, Brookfield, WI 53045 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on 12/23/2024 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statue (NRS) 639.515 and Nevada Administrative Code (NAC) 639.5937 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $25,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 23rd day of December, 20 24.

Date

June 7th ,2000,1 was charged with scheme to defraud, a 3rd degree felony filed in Orange County, Florida. Case number 82000CF007906000AOX. Statute 817.034.4a3. This was the result of multiple returned checks and check kiting. I was unaware that this was a felony and at a point at the end of 1999 trying to provide the basics for my family as I was the only one employed and I thought that once I received my tax refund and work bonus, I would be able to clear everything up. I voluntarily turned myself in and was processed through the Orange County Jail and bailed out.

Through counsel with my attorney on November 29th, 2000, a final plea of Nolo Contendre was entered and Adjudication was Withheld. The court ordered restitution along with community service, and probation with Orange County Sheriff's office case number 329805 was completed by March/April 2002.

No other criminal charges or activity

On August 6th, 2019, I met with the Florida Board of Pharmacy to discuss this charge in order to obtain my registered pharmacy technician license. They approved my license since the charge was in 2000 and no other charges or activity since.

## PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 0754159

Application/License No. _____

Rising Pharma Holdings, Inc. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 650 Randolph Road, Somerset, NJ 08873 (Address of Applicant/Principal), as PRINCIPAL, and International Fidelity Insurance Company (Surety Company), a corporation organized under the laws of the state of New Jersey (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 1 Riverfront Plaza, Suite 920, Newark, NJ 07102 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on June 19, 2019 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 19th day of June, 2019.

Dear Ventec Life Systems, Inc DBA React Health,

Thank you for contacting the Washington State Pharmacy Quality Assurance Commission (commission). The purpose of this letter is to state that a manufacturer does not need to be licensed by the commission to manufacture medical devices without a drug component in the state of Washington. Also, entities that are not licensed by the commission are not subject to inspection by the commission's pharmacist inspectors.

Your company has attested that as of January 7, 2024, it does not manufacture medical devices that contain drugs.

It is incumbent upon an entity's staff to ensure they are aware of and in compliance with any changes that impact whether this entity needs to obtain a license from the commission in the future.

Sincerely,

Washington State Pharmacy Quality Assurance Commission staff

## PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 39BSBJG7580

Application/License No. _____

Ventec Life Systems, Inc (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 22002 26th Ave SE, Bothell, WA 98021 (Address of Applicant/Principal), as PRINCIPAL, and Hartford Fire Insurance Company (Surety Company), a corporation organized under the laws of the state of Connecticut (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is One Hartford Plaza, Hartford, CT 06155-0001 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on October 1, 2024 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statue (NRS) 639.515 and Nevada Administrative Code (NAC) 639.5937 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $25,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 2nd day of October, 2024.

Hi Maria,

To expand on the description of Michael Ronning's experience, Mr. Ronning is responsible for initiating and maintaining relationships with distribution partners which includes the monitoring and managing the sales and delivery of Purdue products through various channels, ensuring that distribution partners are adhering to contractual and compliance regulations and appropriately selling to the appropriate end customer.

Let me know if you need any other information.

Thank you,

Emily

I received a response from Rebecca on my SLS email account. I am sharing it below.

*Good Morning*

*Thank you for your inquiry. A permit is not required from our office to distribute OTC drugs or products regulated as a device that does not contain prescription drugs. A permit is typically required for the distribution of prescription drugs. The OTC manufacturer permit is only issued to establishments located in the state of Florida.*

# DIVISION OF DRUGS, DEVICES AND COSMETICS – FAQS

## Drugs, Devices & Cosmetics FAQs

To obtain an interpretation of statute or rule from an agency requires the submission of a Petition for Declaratory Statement that is authorized by Chapter 120, Florida Statutes and an agency cannot provide an informal legal opinion. The responses to the frequently asked questions are not intended to be legal opinions or statements of agency policy and you are strongly encouraged to seek the guidance of a regulatory consultant to assist you regarding the interpretation and application of Florida Statutes and rules.

- What is a "drug", "device", or "cosmetic"?

Refer to Section 499.003, Florida Statutes: http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=0400-0499/0499/Sections/0499.003.html (http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=0400-0499/0499/Sections/0499.003.html) Please note that "drug" specifically includes active pharmaceutical ingredient (API). Also, "devices" that contain "drugs" are classified as drugs if any of the principal intended purposes is achieved through chemical action.

- What is "distributing"?

Understanding this term is critical to avoid violating Chapter 499, Florida Statutes. Florida law defines "distributing" or "distribution" to implicate both physical possession and legal title or ownership. The term means to sell; offer to sell; give away; transfer, whether by passage of title, physical movement, or both; deliver; or offer to deliver. For example, a broker of a prescription drug wholesale transaction may require a permit under Florida law. The term excludes, however, certain administrative activities.

My company distributes medical convenience kits and other "combination products" to customers in Florida. Do we need a permit?

Possibly. Florida law contains no exemption for "combination products" containing prescription drugs. As such, medical convenience kits that contain prescription drugs are generally regulated as prescription drugs. For a definition of Combination Products check out: http://www.fda.gov/CombinationProducts/AboutCombinationProducts/ucm1183 (http://www.fda.gov/CombinationProducts/AboutCombinationProducts/ucm1183 Unless you are the "manufacturer" of all the prescription drugs contained in the combination product, a (Nonresident) Prescription Drug Manufacturer permit may not provide appropriate licensure under Chapter 499, Florida Statutes.

My company's administrative office does not handle any prescription drugs. Do we still need to get a permit for that location?

Possibly. Corporate offices, sales centers, call centers, etc. sometimes engage in activity constituting a sale, or an offer to sell or to deliver. See the definition of "distributing", above.

My company is relocating its operation. Do we need to apply for a new permit?

Possibly. A permit issued under Chapter 499, Florida Statutes is only valid for the establishment for which the permit was originally issued. Changing establishments requires a new permit application (probably a change of physical location application)- before the move. An "establishment" is a place of business at one general physical location that may extend to one or more contiguous suites, units, floors, or buildings operated and controlled exclusively by entities under common operation and control. Where multiple buildings are under common exclusive ownership, operation, and control, an intervening thoroughfare does not affect the contiguous nature of the buildings. For purposes of permitting, each suite, unit, floor, or building must be identified in the most recent permit application.

My company is undergoing a change of ownership. Do we need to (re)apply?

devices-and-cosmetics/cancer-drug-donation-program/)

Complaints (https://www.myfloridalicense.com/datamart/complaintDBPR.do?load=true?from=loginPage)

Resources (https://www2.myfloridalicense.com/drugs-devices-and-cosmetics/resources/)

Possibly. Permits issued under Chapter 499, Florida Statutes are specific to the original holder, and may not be bought, sold, traded, leased or otherwise transferred. Further, an application for a new permit is required when a majority of the ownership or controlling interest of a permitted establishment is transferred or assigned or when a lessee agrees to undertake or provide services to the extent that legal liability for operation of the establishment will rest with the lessee. The application for the new permit must be made before the date of the sale, transfer, assignment, or lease. Please review Rule 61N-1.001(2)(e), F.A.C. Common types of ownership changes:

| Transaction Description | New Permit (Generally) Required? |
|---|---|
| Change of ownership of the establishment (often in the form of an asset sale). | Yes |
| Change of ownership of the permittee (often in the form of a stock sale) | Yes |
| Merger or acquisition where permittee DOES NOT survive the transaction | Yes |
| Merger or acquisition where permittee survives the transaction, and controlling interest in the permittee has not changed | Usually No |
| Change of ownership of the permittee's parent entity | Usually No |
| Change of ownership of the permittee's "grandparent" entity | Almost Never |

**Rule 61N-1.001(2)(e), F.A.C.:**

(e) "Change in Ownership" – means that there has been a transfer or assignment of a majority of the direct ownership or controlling interest of a permitted establishment or that a lessee of a permitted establishment agrees to or becomes legally liable for the operation of the establishment. A transfer or assignment of a majority of direct ownership or controlling interest of a permitted establishment occurs where an event or other transaction occurs and the result of such event or transaction is that more than 50% of the ownership interest or controlling interest of the permitted establishment resides with a person who prior to the event or transaction did not own or control more than a 50% ownership interest in the permitted establishment. A change in the permitted establishment's federal identification number or the taxpayer identification number is indicative of a change in ownership but is not dispositive; a change of ownership could occur where the federal identification number or the taxpayer identification number does not change. For a publicly traded corporation, the changing of officers or directors is not a change in ownership nor is the change in ownership of a parent company provided that such change does not result in more than a 50% change in the ownership or controlling interest of any permitted establishment.

My company is a prescription drug wholesale distributor (in-state or out-of-state). Our Certified Designated Representative (CDR) just quit. What do we do?

Notify the department within 10 business days from the CDR's separation. Your company may continue to distribute prescription drugs in or into Florida during that 10-business day-period. After that period expires, however, your company must either (a) engage a replacement CDR and notify the department of same or (b) cease prescription drug distributions in or into Florida.

My company manufactures and/or distributes active pharmaceutical ingredient ("API") to customers in Florida. Do we need a permit?

All APIs are "drugs" under Chapter 499, Florida Statutes, and an API is a "prescription drug" if substantially all finished dosage forms in which it may be lawfully dispensed or administered in this state are also prescription drugs. As

such, manufacturing or repackaging an API in Florida requires a permit. Distributing an API in or into Florida **may** require a permit – regardless of where the API is manufactured or by whom.

Are there any exceptions to the licensing requirements under Chapter 499, Florida Statutes?

Here are some exceptions:

- *Intracompany Transfers to Florida-Located Prescription Drug Wholesale Distributor Permittees.* An out-of-state prescription drug wholesale distributor permit is not required for an intracompany sale or transfer of a prescription drug from an out-of-state establishment that is duly licensed as a prescription drug wholesale distributor, in its state of residence, to a licensed prescription drug wholesale distributor in this state, if both wholesale distributors conduct wholesale distributions of prescription drugs under *the same business name*.
- *Research & Development.*
  - An unlicensed nonresident manufacturer may distribute (i) a prescription drug active pharmaceutical ingredient (API – not a finished dosage form), (ii) that it manufactures, (iii) to a prescription drug manufacturer permitted in this state, and (iv) in limited quantities intended for research and development and not for resale, or human use other than lawful clinical trials and biostudies authorized and regulated by federal law.
  - A permit is not required to distribute limited quantities of a prescription drug that has not been repackaged from an establishment located in the United States to an establishment located in this state permitted as a prescription drug manufacturer for research and development or to a holder of a letter of exemption issued by the department for research, teaching, or testing. The prescription drug distributor must hold a valid prescription drug distribution license under the laws of the state where the transaction originates. The label must label prominently display the following statement: "Caution: Research, Teaching, or Testing Only – Not for Manufacturing, Compounding, or Resale."
- *API Distributions to Florida Prescription Drug Manufacturers for Production.* A permit is not required to distribute an API from an establishment located in the U.S. to an establishment located in this state permitted as a prescription drug manufacturer for use by the recipient in preparing, deriving, processing, producing, or fabricating a prescription drug finished dosage form at the establishment in this state where the product is received under an approved and otherwise valid New Drug Approval Application (NDA), Abbreviated New Drug Application (ANDA), New Animal Drug Application (NADA), or Therapeutic Biologic Application (also "Biologics License Application" or BLA), provided that the application, active pharmaceutical ingredient, or finished dosage form has not been withdrawn or removed from the market in this country for public health reasons. The API distributor must hold a valid prescription drug distribution license under the laws of the state where the transaction originates.
- *Pharmacies and Healthcare Practitioners.* Florida-licensed pharmacies operating in compliance with pharmacy practice standards defined in Chapter 465, Florida Statutes and rules adopted under that chapter are not "manufacturers" under Chapter 499, Florida Statutes and are therefore exempt from drug manufacturer permitting requirements. Lawful prescription drug dispensing and administration activities are likewise not "distribution" transactions subject to prescription drug distributor permitting requirements under Chapter 499, Florida Statutes.

Are there any special provisions under Chapter 499, Florida Statutes for research and development?

Yes, as follows:

- *Research & Development (Pre-Clinical).* A permit is not required for the manufacture and distribution of products that (i) are the subject of an FDA-approved investigational program **and** (ii) are not for clinical research or investigation (for actual use in or on humans or animals). The department recommends ensuring that the products are labeled accordingly to avoid confusion.
- *Research & Development (Clinical).*
  - An unlicensed nonresident manufacturer may distribute (i) a prescription drug active pharmaceutical ingredient (API – not a finished dosage form), (ii) that it manufactures, (iii) to a prescription drug manufacturer permitted in this state, and (iv) in limited quantities intended for research and development and not for resale,

or human use other than lawful clinical trials and biostudies authorized and regulated by federal law.

- A permit is not required to distribute limited quantities of a prescription drug that has not been repackaged from an establishment located in the United States to an establishment located in this state permitted as a prescription drug manufacturer for research and development or to a holder of a letter of exemption issued by the department for research, teaching, or testing. The prescription drug distributor must hold a valid prescription drug distribution license under the laws of the state where the transaction originates. The label must label prominently display the following statement: "Caution: Research, Teaching, or Testing Only – Not for Manufacturing, Compounding, or Resale."

- *Exemption Letters.* The department may issue exemption letters to qualified persons who use prescription drugs for lawful research, teaching, or testing, and not for resale.
- *Restricted Prescription Drug Distributor – Institutional Research Permit*

What does the Division of Drugs, Devices, and Cosmetics inspection authority cover? Does inspection authority include access to protected health information (subject to HIPAA)? Does inspection authority include photography?

Yes. Please review Ch. 499.051, Florida Statutes.

What if I am discovered to have operated without a permit?

You may be fined, subject to a civil penalty, an injunction, product seizure, referral to the State of Attorney's office for criminal prosecution and other actions.

Prescription drugs and medical gases already listed with FDA, do I need to do the same at the state level in FL? Who is required to list the RX drugs and medical gases with DBPR? Manufacturers, wholesale distributors, retail distributors?

Yes. All prescription drugs, including medical gases, and over- the- counter drugs, manufactured in Florida must be registered with the Department of Professional Regulation. Manufacturers are required to register/list the prescription drugs, medical gases and over- the- counter drugs with the Department of Business and Professional Regulation. Please review Ch. 499.015, Florida Statutes.

This bond term shall become effective on 10/02/2024 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 2nd day of October, 2024.

**Catalent CTS, LLC**
**Facility Disciplinary History**

1. South Carolina Board of Pharmacy

   On April 25, 2017, the Catalent CTS, LLC site located in Kansas City, MO paid a $5,000 fine to the South Carolina Board of Pharmacy in settlement of a matter involving the shipment of clinical trial product into South Carolina without a license.

2. Alabama Board of Pharmacy

   On July 25, 2017, the Catalent CTS, LLC site located in Kansas City, MO paid a $1,500 fine to the Alabama Board of Pharmacy in settlement of a matter involving the discipline from the South Carolina BOP regarding the shipment of clinical trial product into South Carolina without a license. According to the Alabama Board, a violation of any other state's licensing regulations (in this case, South Carolina's regulations) constitutes a violation of Alabama's regulations.

**BEFORE THE STATE BOARD OF PHARMACY**

| | |
|---|---|
| **In the Matter of:**<br><br>**Catalent CTS, LLC,**<br><br>**Applicant.** | **ORDER** |

This matter first came before the Nonresident Permit Subcommittee ("Committee"), appointed by the State Board of Pharmacy ("Board"), on April 25, 2017, for a hearing on the application of the above-named applicant ("Applicant") for a nonresident wholesaler/distributor/manufacturer permit. The Applicant appeared before the Committee through its designated representative, Terry Jackson, as well as its Associate General Counsel for Regulatory Matters, Robert Ciolek, Esquire. Applicant was represented by Jon Wallace, Esquire. At its June 14, 2017, meeting with a quorum present, the Board considered the Committee's recommendation and the transcript of the Committee's hearing. The Board adopted the Committee's recommendation that the application be approved, and the permit be issued subject to the prior payment of a civil penalty in the amount of Five Thousand and 00/100 ($5,000.00) Dollars for shipping into South Carolina without a permit. Since the hearing, Applicant has tendered the fine to the Board.

Applications of this type are governed by S.C. Code §§ 40-43-83, 40-43-86, 40-43-89 (2011, as amended), and/or Reg. 99-43, as amended.

## FINDINGS OF FACT

1. Applicant applied for a permit for its facility located in Kansas City, Missouri.

2. Applicant is a manufacturer of clinical supply materials.

3. Applicant's representative admitted that Applicant has previously shipped prescription drugs to South Carolina without first obtaining a permit from this Board.

4. Applicant otherwise meets the requirements for the Permit for which it applied.

## CONCLUSIONS OF LAW

In an application hearing, "(t)he applicant shall demonstrate to the satisfaction of the board that the applicant meets all requirements for the issuance of a license." S.C. Code Ann. § 40-1-130 (2011, as amended). Thus, the burden of proof in an application for licensure or certification is on the Applicant to provide full, complete, and accurate responses to all questions on the application

received 19 June 2017

and to demonstrate that it is qualified for the license sought.

S.C. Code Ann. §40-43-83(I)(2011) requires a permit for the sale or distribution of legend (prescription) drugs in this state, and expressly includes manufacturers within or without the state. S.C. Code Ann. § 40-43-89 (2011) requires a facility located outside of this State that distributes prescription drugs or devices in this State to have a permit issued by the Board prior to distribution. S.C. Code Ann. § 40-43-140(A)(3) states that facilities requiring permits may not operate unless a permit has been issued by the board. Pursuant to S.C. Code Ann. § 40-43-140(A)(1)(2011), the Board may suspend, revoke, deny, or refuse to renew the permit or impose disciplinary action authorized for violations of the Pharmacy Act. Pursuant to S.C. Code Ann. §§ 40-43-140(A)(2), a person who distributes or delivers drugs or devices in this State without a required permit is subject to a fine imposed by the Board not to exceed one thousand dollars for each offense, in addition to such other disciplinary action the Board may take.

Applicant has met the qualifications for the permit, but violated the Pharmacy Practice Act by regularly distributing prescription drugs or devices into this State without a permit. Therefore, the Board concludes that it is appropriate to issue the permit subject to the prior payment of a civil penalty in the amount of Five Thousand and 00/100 ($5,000.00) Dollars.

**NOW, THEREFORE, IT IS ORDERED THAT:**

The Application is approved, and the permit shall be issued subject to the prior payment of a civil penalty in the amount of Five Thousand and 00/100 ($5,000.00) Dollars, receipt of which is hereby acknowledged by the Board.

**AND IT IS SO ORDERED.**

**CONSENT ORDER**

**THIS MATTER** comes before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on a complaint against Catalent CTS, LLC (hereinafter referred to as "Catalent") relating to disciplinary action in the State of South Carolina.

Pursuant to Code of Alabama (1975) § 41-22-12(f) the parties, through counsel, have agreed to informally resolve this matter by the entry of this Consent Order, the terms of which are as follows:

1. The Board finds that Catalent has violated the provisions of the applicable Board Rule based upon the conduct set out above; however, the Board grants the application of Catalent for a Manufacturer/Wholesaler/Distributor permit for the location at 10245 Hickman Mills Drive, Kansas City, MO 64137 expressly contingent upon the payment of a fine in the amount of One Thousand Five Hundred and NO/100 Dollars ($1,500.00) within thirty (30) days from the effective date of the Consent Order, which is the date it is signed on behalf of the Board. This payment shall not be subject to discharge in bankruptcy nor shall Catalent attempt to discharge the same.

2. That Catalent expressly waives its rights pursuant to the Alabama Pharmacy Practice Act, the Alabama Administrative Procedures Act and the Alabama Uniform Controlled Substances Act, including but not limited to the Code of Alabama (1975), §34-23-34 and §34-23-92(12), Code of Alabama (1975), §41-22-12 and §40-22-

20 and Code of Alabama (1975), § 20-2-50 et seq., and including but not limited to a statement or notice of charges, the opportunity for a hearing before the Board in connection with any charges against it and any judicial review. Catalent further waives any objection to the attorney for the Board preparing, drafting or making this Order, including the waiver of any objection or right pursuant to Code of Alabama (1975), §41-22-18.

4. By execution of this Consent Order, Catalent hereby releases the Board, its members, agents, representatives, servants and employees from any and all liability, claims, damages, fees or expenses arising out of or made in connection with the matters relating to this Consent Order and complaint.

5. That Catalent agrees that any further violation of the Alabama Pharmacy Practice Act, the rules and regulations of the Alabama State Board of Pharmacy or any other applicable laws may, upon proof and hearing thereof, result in further disciplinary sanctions against its license.

6. That Catalent acknowledges, stipulates and agrees that it has read this Consent Order and that it fully understands the terms, conditions and contents of the same. Catalent acknowledges, stipulates and agrees that it voluntarily and of its own free will accepts the terms and conditions set out in this Consent Order and is executing this Consent Order freely and voluntarily without coercion, duress, or threats or pursuant to any promises and on the advice of its attorney.

**Subject:** **Notification of Pending Indirect Stock Transfer Involving Licensee**

Dear Sir/Madam:

We are writing to provide notice of an upcoming indirect stock transfer involving Catalent entities, which hold manufacturer, distributor and/or other licenses or registrations issued by your office ("Licensee").

Catalent, Inc., a publicly traded corporation, is currently the ultimate parent owner of Licensee, which is positioned three or more levels below Catalent, Inc. in the corporate ownership structure. Pursuant to a merger agreement executed on February 5, 2024, 100% of the equity in Catalent, Inc. is expected to be obtained by Creek Parent, Inc., a subsidiary of Novo Holdings A/S. Following closing of the transaction, Novo Holdings A/S will be the new ultimate parent owner of Licensee and Novo Holdings A/S will be positioned six levels above Catalent, Inc. and nine or more levels above Licensee in the new corporate ownership structure. The transaction is currently expected to close at or around the end of November 2024, subject to the satisfaction of customary closing conditions.

Importantly, the anticipated transaction will not change Licensee's EIN, "doing business as" name, or address, or the services and/or products Licensee currently provides. In addition, Licensee's day-to-day operations and key management are expected to remain the same. All parties to the transaction maintain a strong commitment to continued quality assurance and regulatory compliance in the operation of this facility.

Thank you for your attention to this matter. Please do not hesitate to contact us if you have any questions.

Yours sincerely,

Joseph Ferraro

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 19th day of October, 2022.

## EXPLANATORY NOTE

Catalent, Inc. (the "Company") is filing this Amendment No. 1 ("Amendment No. 1") to its Annual Report on Form 10-K for the fiscal year ended June 30, 2024 as filed with the Securities Exchange Commission (the "SEC") on September 6, 2024 (the "Original Form 10-K"), to provide the information required by Part III of Form 10-K. This information was previously omitted from the Original Form 10-K in reliance on the General Instructions to Form 10-K, which permits the information in Part III to be incorporated in Form 10-K by reference from the registrant's definitive proxy statement or included in an amendment to Form 10-K, in either case filed with the SEC no later than 120 days after the end of the fiscal year.

Pursuant to Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), this Amendment No. 1 also contains new certifications pursuant to Sections 302 and 906 of the Sarbanes-Oxley Act of 2002, which are being filed and furnished, respectively, as exhibits to this Amendment No. 1 under Item 15 of Part IV. Because this Amendment No. 1 does not contain or amend any disclosure with respect to Items 307 and 308 of Regulation S-K under the Exchange Act, paragraphs 4 and 5 of the Section 302 certifications have been omitted. As a result, Item 15 of Part IV has been amended to reflect the filing and furnishing of these new certifications, and to reflect the filing of compensatory agreements relating to individuals who became a named executive officer for the first time.

Except as otherwise expressly noted herein, this Amendment No. 1 does not modify or update in any way the financial position, results of operations, cash flows, or other information contained or incorporated in, including the exhibits thereto, the Original Form 10-K, nor does it reflect events occurring after the filing of the Original Form 10-K. Accordingly, this Amendment No. 1 should be read in conjunction with the Original Form 10-K and with our other filings made with the SEC subsequent to the filing of the Original Annual Report.

In this Amendment No. 1, we provide our website address, www.catalent.com, to disclose that certain information is available on our website. Information contained on, or that can be accessed through, our website is not incorporated by reference into this Amendment No. 1, and references to our website address in this Amendment No. 1 are inactive textual references only.

**Delinquent Section 16(a) Reports**

Section 16(a) of the Exchange Act requires our directors, executive officers, and beneficial owners of 10% or more of our shares of common stock to file reports with the SEC about their ownership of and transactions in our common stock. Based solely on our review of reports filed with the SEC and written representations from our executive officers and directors, we believe that all reports required to be filed under Section 16(a) during fiscal 2024 were timely filed, except for one Form 4 filed on July 7, 2023 for director J. Martin Carroll to report the grant of restricted stock units on July 1, 2023.

**Insider Trading Arrangements and Policies**

We have adopted an Insider Trading Policy governing the purchase, sale, and/or other dispositions of our securities by our directors, officers and employees, as well as by Catalent itself, that we believe is reasonably designed to promote compliance with insider trading laws, rules and regulations, and NYSE listing standards. The foregoing summary of the Insider Trading Policy does not purport to be complete and is qualified in its entirety by reference to the full text of the Insider Trading Policy attached to the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2024 (the "2024 Annual Report") as Exhibit 19.1 and incorporated herein by reference.

**Standards of Business Conduct**

Our Board and all of our employees, including our CEO, principal financial officer, principal accounting officer, and all other executive officers are required to abide by our Standards of Business Conduct to ensure that our business is conducted in a consistently legal and ethical manner. A copy of our Standards of Business Conduct can be found on our website at investor.catalent.com/corporate-governance. We will disclose on our website any future amendment to, or waiver from, provisions of our Standards of Business Conduct affecting our directors or executive officers as and to the extent required under applicable SEC and NYSE rules.

**Director Nomination Process**

The Nominating and Corporate Governance Committee (the "Nominating Committee") considers and recommends the annual slate of director nominees for approval by our Board. The Nominating Committee considers a number of factors and principles in making its recommendations, including the following:

- individual qualifications, including strength of character, mature judgment, familiarity with our business and industry, independence of thought, an ability to work collegially, and all other factors it considers appropriate, which may include age, gender, and ethnic and racial background

- existing commitments to other businesses or any other board of directors (or similar body)
- potential conflicts of interest with other pursuits
- legal considerations, such as antitrust issues
- corporate governance background
- varied and relevant career experience
- relevant technical skills and education
- relevant business or government acumen
- financial and accounting background
- executive compensation background
- the size, composition, and combined expertise of the existing Board

Although our Board and Nominating Committee consider diversity of viewpoints, background, and experiences when identifying and reviewing candidates for our Board, our Board does not have a separate diversity policy. In identifying and evaluating prospective director candidates, the Nominating Committee may seek referrals and assistance from other members of our Board, management, shareholders, and other sources, including third-party search consultants. The Nominating Committee uses the same criteria for evaluating candidates regardless of the source of the referral. When considering director candidates, the Nominating Committee seeks individuals with backgrounds and qualities that, when combined with those of our incumbent directors, provide a blend of skills and experiences to further enhance our Board's effectiveness.

Shareholders may nominate directors for election by following the provisions set forth in our bylaws concerning such matters. The Nominating Committee, in accordance with our Governance Guidelines, will consider the qualifications of any nominee proposed by one or more shareholders in the same manner in which it evaluates any other candidate.

**Audit Committee and Audit Committee Financial Expert**

The members of the Audit Committee are Jack Stahl (Chair), Rolf Classon, Gregory T. Lucier and Michelle R. Ryan. All members of the Audit Committee are "independent" in accordance with the NYSE listing standards and SEC rules applicable to boards of directors in general and audit committee members in particular. Our Board has determined that each member of the Audit Committee qualifies as an "audit committee financial expert" as defined in SEC rules.

## ITEM 11. EXECUTIVE COMPENSATION

### Executive Summary

Our executive compensation program is intended to attract, motivate, retain, and reward our leadership in a manner that will align their interests with those of our shareholders on an annual and long-term basis and promote sustainable shareholder value creation. We believe attracting, motivating, retaining, and rewarding superior talent is needed to maintain and improve our performance and shareholder returns. We therefore seek to maintain a competitive program that ties a significant portion of executive pay to our financial and stock price performance.

The following is a summary of important aspects of our executive compensation program.

**Balanced mix of pay components and incentives.** Our compensation program targets a market-based mix of cash and equity compensation, and of short- and long-term incentives. The principal elements of our program are base salary; performance-based annual bonus; and long-term equity awards, split 67/33 between performance-contingent (PSUs and stock options) and time-vested (RSUs).

**Pay for Performance.** We emphasize pay-for-performance to align executive compensation with our business strategy. Approximately 90% of the target total direct compensation of our CEO in 2024 was variable or performance-based.

**Share Retention.** Our Compensation and Leadership Committee (the "Compensation Committee") has established stock ownership guidelines directing our executive officers to hold a multiple of annual salary in the form of shares of common stock in order to align management and shareholder interests.

**Pledging and Hedging.** Our executives are prohibited from pledging our shares (absent our General Counsel's permission, which has never been granted) or hedging against the economic risk of such ownership.

**Use of Independent Consultant.** The Compensation Committee has engaged an independent, third-party consultant, Frederic W. Cook & Co., Inc. ("FW Cook"), to assist it in designing our compensation program and making compensation decisions.

**Clawback/Forfeiture Provisions.** The terms of our long-term, equity-based awards and our short-term, cash-based award plan allow us in certain circumstances to "claw back" shares and cash received pursuant to such awards or, in the case of the equity-based awards, to require the repayment of all gains realized on the vesting or exercise of such awards.

**Compensation Peer Group.** The Compensation Committee uses a group of peer companies, selected with the assistance of FW Cook to be aligned with corporate governance best practices, to benchmark target total direct compensation levels, other executive compensation-related programs and policies, and benefit packages.

**Shareholder Say-on-Pay.** At the 2023 Annual Meeting of Shareholders held in January 2024, our shareholders voted 97.31% in favor of our say-on-pay proposal, demonstrating their concurrence that our executive compensation program reflects a strong pay-for-performance orientation. In fiscal 2024, the Compensation Committee considered the outcome of the shareholder advisory vote when making decisions relating to the compensation of our named executive officers ("NEOs") and our executive compensation program and policies.

**Overview of 2024 Executive Compensation**

## 2024 COMPENSATION CONSIDERATIONS

In fiscal 2024, we remained steadfast in our commitment to attract, motivate, retain, and reward our leadership team, and implemented strategic adjustments to our compensation programs to further enhance the flexibility and accountability of our leadership team. We revised the fiscal 2024 management incentive plan ("MIP") for our executive leadership team ("ELT"), including our NEOs, by (1) eliminating the 30% individual performance factor, (2) increasing the business performance factor weighting to 100%, and (3) introducing an individual performance modifier for MIP payment adjustments (i) for the ELT, based on our CEO's recommendations, and (ii) for each of the CEO and Executive Chair, based on the Compensation Committee's evaluation of his contributions. Additionally, we introduced Free Cash Flow, as defined below, as a third performance metric for determining the business performance factor of the MIP for NEOs and certain employees with the business performance factor based on our consolidated financial results.

For fiscal 2024, the business performance factor payout percentage was initially determined to be 69% of target. With respect to the three performance metrics used to determine such business performance factor, our fiscal 2024 financial performance resulted in Budget-Based Revenue being up by 1.4%, Budget-Based EBITDA missing target at 9.4%, and Free Cash Flow below target resulting in a 0% payout (all three terms as defined below). As a result, the business performance-based compensation determined for and paid out in fiscal 2024 was below the target.

However, in light of certain qualitative and quantitative considerations presented by management, the Compensation Committee adjusted the business performance factor payout percentage from 69% to 93% of target for the entire Company. These qualitative and quantitative considerations included management:

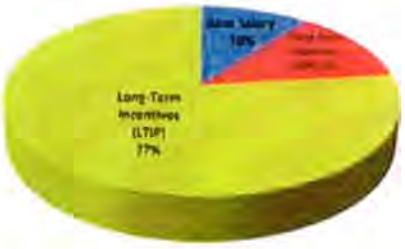
1. Successfully delivering the signing of a transformational deal with Novo Holdings, adding significant value to shareholders and setting up Catalent for a stronger, more secure future;
2. Remediating regulatory inspection deficiencies, correcting operations at our Bloomington and BWI sites, and exiting the year returning toward normalized margins;
3. Improving financial reporting and controls, including on-time filing of financials, remediating material weaknesses, increasing control robustness, and navigating a mid-year change in audit firm;
4. Successfully delivering Free Cash Flow objectives;
5. Making significant progress on difficult restructuring initiatives; and
6. Upgrading critical leadership roles for retention purposes across the executive and senior leadership teams.

Additionally, our financial performance in fiscal 2024 resulted in materially lower payouts under the long-term incentive program compared to fiscal 2023 payouts. Our Relative Return PSUs, as described below, for the fiscal 2022-2024 performance period had a 0% payout, and our Adjusted EPS PSUs, as described below, for the same period vested at 0%. Similarly, the values of time-vested RSUs at their vesting in early fiscal 2025 were materially lower than their values at the time of their grant due to the decline in our stock price compared to early fiscal 2022 when they were awarded. As of the end of fiscal 2024, outstanding PSUs aligned to the fiscal 2023-2025 performance period are tracking meaningfully below target, while the fiscal 2024-2026 performance period PSUs are tracking above target.

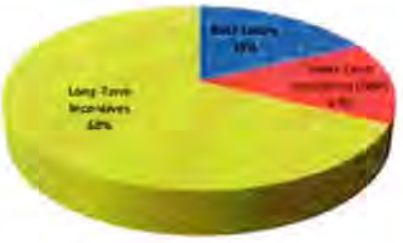
## EXECUTIVE PAY MIX FOR 2024

The majority of target total direct compensation for our NEOs during fiscal 2024 consisted of variable pay elements. The Compensation Committee believes this allocation aligns with our pay-for-performance compensation philosophy of motivating our NEOs to achieve our performance objectives in the short-term and to grow the business to create sustainable value for our shareholders in the long term.

CEO Direct Compensation Pay Mix[1]



Other NEOs Direct Compensation Pay Mix[1][2]



(1) Does not include other compensation, pension values and nonqualified deferred compensation earnings, which are shown in the Summary Compensation Table below. Mr. Maselli's LTIP target remained at $5,500,000; however, he received a one-time increase in his long-term incentives which resulted in an LTIP target value of $6,875,000 for fiscal 2024, which is represented in the chart above.

(2) Per the terms of Mr. Masanovich's offer letter, his initial LTIP target is $5,000,000, which is represented in the chart above. In fiscal 2025, Mr. Masanovich's LTIP target will be $2,500,000. Mr. Hopson's LTIP target is $450,000; however, he received a one-time increase in his long-term incentives to recognize his role as Interim CFO resulting in an LTIP target value of $650,000 for fiscal 2024, which is represented in the chart above.

**Our Executive Compensation Program**

**OUR COMPENSATION PHILOSOPHY AND PRINCIPLES**

Our executive compensation program ties pay delivery to the successful execution of our overall business goals and adherence to our core values, which we believe best serves the interests of our shareholders. We believe that attracting, motivating, retaining, and rewarding superior executive talent is a key to delivering attractive shareholder returns, and that an appropriately structured executive compensation program is critical to that end, with each element supporting the achievement of our compensation philosophy.

Our executives must be of a caliber and level of experience necessary to manage our complex, global business effectively. Given the long-cycle nature of most of our businesses, the complexity and highly regulated nature of our operations, and the competitive nature of our industry, it is especially important for us to retain our executive talent to ensure continuity of management. We seek to implement this philosophy by following three key principles:

• ***Competitive compensation.*** Providing a competitive compensation opportunity that enables us to attract, motivate, retain, and reward superior executive talent.

• ***Alignment with shareholder interests.*** Aligning our executives' interests with our shareholders' through equity compensation, short- and long-term absolute and relative performance metrics and share retention guidelines.

• ***Linking compensation to performance.*** Fostering a pay-for-performance philosophy by tying a significant portion of pay to financial and stock-price performance as well as other goals that support the creation of sustainable long-term shareholder value.

**Summary**

I believe that engineers can change the world. As a results driven engineering manager with a strong emphasis on teamwork, I enjoy working on difficult collaborative projects with tight timelines and delivering creative results. "Engineering problems are under-defined, there are many solutions, good, bad and indifferent. The art is to arrive at a good solution. This is a creative activity, involving imagination, intuition and deliberate choice." My goal is to lead a team to work with various stakeholders to come up with the best solutions for the business.

# PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. SUR0073830

Application/License No. _____

CATALENT PHARMA SOLUTIONS, LLC (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 10360 Drummond Road Philadelphia, PA 19154 (Address of Applicant/Principal), as PRINCIPAL, and ARGONAUT INSURANCE COMPANY (Surety Company), a corporation organized under the laws of the state of IL (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is P.O. Box 469011 San Antonio, TX 78246 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on April 29, 2022 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statue (NRS) 639.515 and Nevada Administrative Code (NAC) 639.5937 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $25,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 29th day of April, 2022.

Explanations of Disciplinary Actions
Catalent Pharma Solutions, LLC

Catalent Pharma Solutions, LLC has resolved alleged violations with the Florida Department of Business & Professional Regulation, the Alabama Board of Pharmacy and the South Carolina Board of Pharmacy. Catalent Pharma Solutions, LLC has since rectified the situation in all 3 jurisdictions and has not been disciplined since.

**PLEASE NOTE THAT NONE OF THE DISCIPLINARY ACTIONS DESCRIBED BELOW RELATE TO THE CATALENT SITE THAT IS THE SUBJECT OF THIS APPLICATION, WHICH IS LOCATED AT 10360 DRUMMOND ROAD, PHILADELPHIA, PA 19154**

1. Florida Department of Business & Professional Regulation – ST PETERSBURG
   Catalent Pharma Solutions, LLC, St. Petersburg, FL

   In August 2014, the Catalent Pharma Solutions, LLC site in Saint Petersburg, FL, resolved alleged violations of Chapter 499 of the Florida Statutes with the Florida Department of Business & Professional Regulation pursuant to a Settlement Agreement and Final Order. The Settlement Agreement does not constitute discipline against the facility's Florida permits. See Florida Department of Business & Professional Regulation Case No. 2014-008409.

2. Alabama Board of Pharmacy – ST PETERSBURG
   Catalent Pharma Solutions, LLC, St. Petersburg, FL

   On June 27, 2017, the Catalent Pharma Solutions, LLC site located in St Petersburg, FL paid a $6,000.00 fine to the Alabama Board of Pharmacy in settlement of a matter involving the discipline received from the Florida BOP. According to the Alabama Board, a violation of any other state's licensing regulations (in this case, Florida's regulations) constitutes a violation of Alabama's regulations.

3. Alabama Board of Pharmacy – PHILADELPHIA
   Catalent Pharma Solutions, LLC, Philadelphia, PA

   On July 25, 2017, the Catalent Pharma Solutions, LLC site located in Philadelphia, PA (Red Lion Road) paid a $1,500 fine to the Alabama Board of Pharmacy in settlement of a matter involving the discipline from the South Carolina BOP regarding the shipment of clinical trial product into South Carolina without a license. According to the Alabama Board, a violation of any other state's licensing regulations (in this case, South Carolina's regulations) constitutes a violation of Alabama's regulations.

4. South Carolina Board of Pharmacy – PHILADELPHIA
   Catalent Pharma Solutions, LLC, Philadelphia, PA

   On April 25, 2017, the Catalent Pharma Solutions, LLC site located in Philadelphia, PA (Red Lion Road) paid a $5,000 fine to the South Carolina Board of Pharmacy in settlement of a matter involving the shipment of clinical trial product into South Carolina without a license.

## CONSENT ORDER

**THIS MATTER** comes before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on a complaint against Catalent Pharma Solutions, LLC (hereinafter referred to as "Catalent") relating to disciplinary action in the State of South Carolina.

Pursuant to Code of Alabama (1975) § 41-22-12(f) the parties, through counsel, have agreed to informally resolve this matter by the entry of this Consent Order, the terms of which are as follows:

1. The Board finds that Catalent has violated the provisions of the applicable Board Rule based upon the conduct set out above; however, the Board grants the application of Catalent for a Manufacturer/Wholesaler/Distributor permit for the location at 3031 Red Lion Road, Philadelphia, PA 19114 expressly contingent upon the payment of a fine in the amount of One Thousand Five Hundred and NO/100 Dollars ($1,500.00) within thirty (30) days from the effective date of the Consent Order, which is the date it is signed on behalf of the Board. This payment shall not be subject to discharge in bankruptcy nor shall Catalent attempt to discharge the same.

2. That Catalent expressly waives its rights pursuant to the Alabama Pharmacy Practice Act, the Alabama Administrative Procedures Act and the Alabama Uniform Controlled Substances Act, including but not limited to the Code of Alabama

(1975), §34-23-34 and §34-23-92(12), Code of Alabama (1975), §41-22-12 and §40-22-20 and Code of Alabama (1975), § 20-2-50 et seq., and including but not limited to a statement or notice of charges, the opportunity for a hearing before the Board in connection with any charges against it and any judicial review. Catalent further waives any objection to the attorney for the Board preparing, drafting or making this Order, including the waiver of any objection or right pursuant to Code of Alabama (1975), §41-22-18.

4. By execution of this Consent Order, Catalent hereby releases the Board, its members, agents, representatives, servants and employees from any and all liability, claims, damages, fees or expenses arising out of or made in connection with the matters relating to this Consent Order and complaint.

5. That Catalent agrees that any further violation of the Alabama Pharmacy Practice Act, the rules and regulations of the Alabama State Board of Pharmacy or any other applicable laws may, upon proof and hearing thereof, result in further disciplinary sanctions against its license.

6. That Catalent acknowledges, stipulates and agrees that it has read this Consent Order and that it fully understands the terms, conditions and contents of the same. Catalent acknowledges, stipulates and agrees that it voluntarily and of its own free will accepts the terms and conditions set out in this Consent Order and is executing this Consent Order freely and voluntarily without coercion, duress, or threats or pursuant to any promises and on the advice of its attorney.

## CONSENT ORDER

**THIS MATTER** comes before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on a complaint against Catalent Pharma Solutions, LLC (hereinafter referred to as "Catalent") which resulted in the filing of a Statement of Charges and Notice of Hearing ("Statement") alleging violations of the Alabama Pharmacy Practice Act. These allegations with particularity are set out in the Statement, which is attached hereto as **Exhibit "A."**

Prior to a hearing in this cause, and pursuant to Code of Alabama (1975) §41-22-12(f), the Board through its counsel and Catalent, through its counsel, engaged in negotiations and as a result, the matters at issue were resolved informally by the parties who agreed to the entry of this Consent Order which includes the following terms:

1. The Board finds that Catalent has violated the provisions of the applicable Board Rule based upon the conduct set out in the Statement; however, the Board grants the application of Catalent for a Manufacturer/Wholesaler/Distributor permit for the location at 2725 Scherer Drive North, St. Petersburg, Florida 33716 expressly contingent upon the payment of a fine in the amount of Six Thousand and NO/100 Dollars ($6,000.00) within thirty (30) days from the effective date of the Consent Order, which is the date it is signed on behalf of the Board. This payment shall not be subject

to discharge in bankruptcy nor shall Catalent attempt to discharge the same.

2. Catalent expressly waives its rights pursuant to the Alabama Pharmacy Practice Act, the Alabama Administrative Procedures Act and the Alabama Uniform Controlled Substances Act, including but not limited to the Code of Alabama (1975), §34-23-34 and §34-23-92(12), Code of Alabama (1975), §41-22-12 and §40-22-20 and Code of Alabama (1975), § 20-2-50 et seq., and including but not limited to the opportunity for a hearing before the Board in connection with any charges against it and any judicial review. Catalent further waives any objection to the attorney for the Board preparing, drafting or making this Order, including the waiver of any objection or right pursuant to Code of Alabama (1975), §41-22-18.

3. That Catalent agrees that any future violation of the Alabama Pharmacy Practice Act, the rules and regulations of the Alabama State Board of Pharmacy or any other applicable laws may, upon proof and hearing thereof, result in further disciplinary sanctions against its license.

4. By execution of this Consent Order, Catalent hereby releases the Board, its members, agents, representatives, servants and employees from any and all liability, claims, damages, fees or expenses arising out of or made in connection with the matters relating to this Consent Order and Statement.

5. Catalent acknowledges and agrees that it has read this Consent Order and that it fully understands the terms, conditions and contents of the same. Catalent acknowledges and agrees that it voluntarily and of its own free will accepts the terms and conditions set out in this Consent Order and is signing this Consent Order on the advice of its attorney.

Pursuant to the provisions of Code of Alabama (1975), § 34-23-32, § 34-23-32.1 and § 34-23-92 (12), and Code of Alabama (1975), § 41-22-12, you are hereby notified and required to appear before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on June 27th, 2017 at 1:00 p.m., at the Board office located at 111 Village Parkway, Birmingham, Alabama 35243 and from time to time thereafter as may be required by the Board for the purpose of a hearing to determine whether the 2015/2016 Manufacturer/Wholesaler/Distributor Application for New Permit should be granted based upon any or all of the following:

1. Board Rule 680-X-2.23 is entitled Drug Manufacturers, Wholesale Distributors.

2. Board Rule 680-X-2.23(I)(3) mandates the Board to consider, at a minimum, certain factors to include:

(a) The applicant's past experience in the manufacturing or distribution of drugs, including controlled substances (Board Rule 680-X-2.23(I)(3)(iii)).

(b) Compliance with licensing requirements under previously granted

licenses (680-X-2.23(3)(vi)).

(c) Any other factors or qualifications the Board considers relevant to and consistent with public health and safety (680-X-2.23(3)(vii)).

3. Board Rule 680-X-2.23(l)(4) provides the Board reserves the right to deny a license to an applicant if it determines that the granting of such would not be in the public interest.

4. Board Rule 680-X-2.23(k)(1) provides it shall be a violation of the Rule to operate in such a manner as to endanger the public health.

5. Board Rule 680-X-2.253(k)(2) provides that a violation of the Rule may be grounds for a refusal to issue the applicable permit and/or allows the imposition of a fine not to exceed One Thousand Dollars ($1,000.00) for each such violation.

6. Board Rule 680-X-2.23(k)(3) provides wholesale drug distributors shall operate in compliance with applicable State laws or regulations.

**COUNT ONE**

The Board alleges you have violated the above referenced provisions and/or it would not be in the public interest to grant you the referenced permit based upon the Final Order, Settlement Agreement and Notice of Violation attached hereto as Exhibit "A", or the purchase of an API, i.e. Tipranavir-BI from an unauthorized source located in Germany, that is a person not authorized under Florida law to distribute prescription drugs and/or including the same into a finished manufactured drug which was then shipped for distribution.

The Board alleges that each occurrence described herein is a separate and distinct violation or deficiency.

At the aforesaid time and place and from time to time thereafter as may be directed by the Board, you may be represented by an attorney, if you so desire, cross-examine all witnesses who testify against you and present such evidence in your own behalf in response to these charges as you consider necessary and appropriate.

## SETTLEMENT AGREEMENT

Pursuant to Section 120.57(4), Florida Statutes, the above-named parties hereby enter into this Settlement Agreement (this "agreement") as disposition of the alleged violations described in the Notice of Violation case number 2014-008409 (the "allegations"). The terms herein become effective upon rendition of the final order, which shall incorporate this agreement.

The State of Florida, Department of Business & Professional Regulation (hereafter, "Department") is charged with regulating Drugs, Devices, and Cosmetics pursuant to Section 20.165 and Chapter 499, Florida Statutes.

## STIPULATED FACTS

1. Catalent Pharma Solutions, LLC (hereafter, "Catalent" or "Respondent") is permitted by the Department as a prescription drug manufacturer, permit number 20:117; over the counter drug manufacturer, permit number 20:118; product registrant, permit number 06:1723; and as a diethyl ether purchaser, permit number 10:1300003.

2. Catalent address of record is 2725 Scherer Drive North, St. Petersburg, Florida 33716.

3. Catalent was issued a Notice of Violation on June 13, 2014, alleging that it committed certain violations of Chapter 499, Florida Statutes, and the administrative rules adopted pursuant thereto.

## CONCLUSIONS OF LAW

4. Catalent by and through its undersigned agent, admits that it is subject to the applicable provisions of Chapter 499, Florida Statutes, and the relevant jurisdiction of the Department.

5. Catalent admits that the allegations, if proved, would constitute violations of Chapter 499, Florida Statutes.

6. Catalent neither admits nor denies the allegations set forth in the Notice of Violation, but is entering into this settlement to resolve the issues raised by the Department.

## SETTLEMENT TERMS

7. Catalent agrees to immediately cease any practices that are in violation of Chapter 499, Florida Statutes.

8. **Catalent agrees to pay a settlement amount of SIX THOUSAND DOLLARS ($6,000.00). Payment of the settlement amount shall be made only by corporate check, cashier's check, or money order to the Professional Regulation Trust Fund, and shall be remitted to The Florida Department of Business & Professional Regulation, Division of Drugs, Devices and Cosmetics, 1940 North Monroe Street, Suite 26A, Tallahassee, Florida, 32399-1047, Attention: Janetta**

Sampson, Senior Legal Assistant. Catalent acknowledges that payment is enclosed with this agreement. The payment and execution of this agreement by Catalent are absolute conditions precedent to Petitioner's execution of this agreement.

9. Catalent affirms that the violations alleged in the Notice of Violation letter issued in case number 2014-008409, have been corrected.

10. The Department agrees that this agreement will not be deemed to constitute discipline against the permits within the meaning of Section 499.066, Florida Statutes, and Rule 61N-1.024, Florida Administrative Code, and that this agreement will not be considered in any future claim, action, or proceeding against Catalent Pharma Solutions, LLC by the Department. Nothing herein shall be construed to limit, restrict or otherwise affect the Department's rights to (i) inspect under Section 499.051, Florida Statutes, (ii) examine, sample, test, embargo, seize, detain, condemn or destroy any drug, device, or cosmetic in accordance with Sections 499.06, 499.0632, and 499.065, Florida Statutes, or (iii) seek injunctions and take any other action authorized by Section 499.066 and 499.0661, Florida Statutes, in the event of a public health emergency or any immediate and substantial threat, hazard or danger to public health.

**STANDARD PROVISIONS**

11. It is expressly understood that a violation of the terms of this Settlement Agreement shall be considered a violation of Chapter 499, Florida Statutes, for which disciplinary action may be taken.

12. The parties agree that this agreement will be incorporated into a final order that will be filed with the Department agency clerk and will be a public document. The final order will contain no material terms other than those in this agreement. The

final order shall operate to close case number 2014-008409. The final order shall be final disposition in this proceeding, and shall constitute final agency action with respect thereto.

13. Catalent expressly waives all further procedural steps and expressly waives all rights to seek judicial review of, or to otherwise challenge or contest the validity of this Settlement Agreement and the final order in which the agreement is incorporated.

14. Catalent waives the right to seek any attorney's fees or costs from the Department in connection with this proceeding.

15. This agreement may be executed in any number of counterparts including, without limitation, telecopies, and facsimile transmission copies, all of which together shall constitute a single document.

16. The parties agree that this agreement represents a fair, appropriate and reasonable resolution to, and final disposition of, all disputes and matters made subject hereof.

17. The terms and provisions of this agreement are severable, and if any term or provision is declared or deemed void, invalid, illegal or otherwise unenforceable, then all remaining terms and provisions shall remain in full force and effect.

18. It is expressly understood that this settlement agreement is subject to approval of the Division of Drugs, Devices, and Cosmetics, and has no force or effect until the Division accepts the settlement and adopts it in a final order.

19. The signatories hereto are vested with the authority to execute this agreement on behalf of their respective principals, and as duly designated representatives, to fully bind such principals.

Re: **Department of Business & Professional Regulation v. Catalent Pharma Solutions, LLC, Case Number 2014-008409**

Dear Sir/Madam:

On or about March 17, 2014 through March 19, 2014, the Department of Business & Business Professional Regulation, Drugs, Devices, and Cosmetics Division (hereafter "Department"), conducted an on-site inspection of Catalent Pharma Solutions, LLC (hereafter "Catalent") located 2725 Scherer Drive, St. Petersburg, Florida 33716. Catalent is permitted by the Department to operate as a prescription drug manufacturer, permit number 20:117; over the counter drug manufacturer, permit number 20:118; product registrant, permit number 08:1723, all of which expire on November 30, 2014, and as a diethyl ether purchaser, permit number 10:1300003, which expires on September 30, 2014.

During the on-site inspection, the Department determined that Catalent is a contract manufacturer for Boehringer Ingelheim, Binger Strabe 173, 55216 Ingelheim am, Rhein Germany (hereafter "BI-Germany"). Catalent received prescription drugs from BI-Germany for the manufacturing of finished dosage forms of the prescription drugs, BI-Germany is not permitted by the Department, and does not qualify for an exemption from licensure.

The Department determined that Catalent, received, shipped, manufactured and/or distributed prescription drug active pharmaceutical ingredient (API) from an

unauthorized source and failed to register and report the distribution of controlled substances.

The Department is authorized by Rule 61N-1.024(8), Florida Administrative Code, to issue a Notice of Violation for any alleged violations of Chapter 499, Florida Statutes, in order to facilitate the uncontested settlement of all issues related to a complaint or investigation. The Notice of Violation is to be done at the completion of the investigation and prior to filing of any Administrative Complaint. The Notice of Violation will advise the alleged violator of the statutory violation and provide a proposed penalty for settlement of the disciplinary matter related to a complaint.

The Department believes Catalent committed the following violations of Chapter 499, Florida Statutes and the administrative Rules promulgated pursuant thereto:

1. Section 499.005(14), Florida Statutes (2013); provides that the purchase or receipt of a prescription drug from a person that is not authorized under this chapter to distribute prescription drugs to that purchaser or recipient is unlawful.

During the on-site inspection, the Department obtained purchasing and receiving specification sheets for prescription drugs, and/or active pharmaceutical ingredients (API); Catalent received that identify the distributor as BI-Germany. Records show Catalent was in receipt of four shipments from BI-Germany as follows:

1. Item number OET 00308819-Tipranavir-BI, dated 11/1/13; lot number 7648849, supplier/manufacturer lot number 1044065, 200kg.

2. Item number OET 00309819-Tipranavir-BI, dated 11/1/13; lot number 7648845, supplier/manufacturer lot number 1043891, 20kg.

3. Item number OET 00309819-Tipranavir-BI, dated 11/1/13; lot number 7646848, supplier/manufacturer lot number 1043888, 60kg.

4. Item number OET 00308819-Tipranavir-BI, dated 9/12/13; lot number 7490105, supplier/manufacturer lot number 1043891, 280kg.

Because BI-Germany manufactured the prescription drug API Tipranavir, in Germany, and distributed it to Catalent, located in Florida, without having a permit to do so, Catalent received prescription drugs from an unauthorized source in violation of Section 499.005(14), Florida Statutes (2013).

**Range of Penalty per violation: An Administrative Complaint with a fine ranging from $1000 to $3000 per violation and up to permanent suspension or revocation of permit(s).**

**Fine assessed by the Department: $6,000**

2. Section 499.006(10), Florida Statutes, (2013), provides that a drug is adulterated that has been purchased, held, sold, or distributed at any time by a person not authorized under federal or state law to do so. Section 499.005(1), Florida Statute (2013), provides that the manufacture, repackaging, sale, delivery or holding or offering for sale of any drug that is adulterated or misbranded is unlawful.

Catalent informed the Department it receives the prescription drug API, Tipranavir, manufacturered by the unauthorized source BI-Germany. Catalent manufacturss the commercial prescription drug into a finished dosage form and ships it to Roxane Laboratories, Inc., located at 1809 Wilson Road, Columbus, Ohio 43228. Because BI-Germany, located in Germany, is not authorized to distribute prescription drugs into Florida, and Catalent manufacturered the unauthorized prescription drugs, Catalent caused them to become adulterated.

Catalent violated Section 499.005(1), Florida Statutes (2013), by manufacturing the adulterated prescription drug Tipranavir, on at least four occasions, received from BI-Germany, within the meaning of Section 499.006(10), Florida Statutes (2013).

**Range of Penalty per violation: An Administrative Complaint with a fine ranging from $1,000 to $3,000 per violation and up to permanent suspension or revocation of permits.**

**Fine assessed by the Department: $3,000**

3. Section 499.006(10), Florida Statutes (2013), provides that a drug is adulterated that has been purchased, held, sold, or distributed at any time by a person not authorized under federal or state law to do so. Section 499.005(4), Florida Statutes (2013), provides that the sale, distribution, purchase, trade, holding, or offering of any drug is unlawful.

Catalent distributed the adulterated prescription drug API Tipranavir, on at least four occasions, to Roxane Laboratories, in violation of Section 499.005(4), Florida Statutes (2013), within the meaning of Section 499.006(10), Florida Statutes (2013.

**Range of Penalty per violation: An Administrative Complaint with a fine ranging from $1000 to $3000 per violation and up to permanent suspension or revocation of permit(s).**

**Fine assessed by the Department: $3,000**

4. Section 499.0121(14), Florida Statutes (2013), provides:

(14) **DISTRIBUTION REPORTING.**—Each prescription drug wholesale distributor, out-of-state prescription drug wholesale distributor, retail pharmacy

drug wholesale distributor, manufacturer, or repackager that engages in the wholesale distribution of controlled substances as defined in s. 893.02 shall submit a report to the department of its receipts and distributions of controlled substances listed in Schedule II, Schedule III, Schedule IV, or Schedule V as provided in s. 893.03. Wholesale distributor facilities located within this state shall report all transactions involving controlled substances, and wholesale distributor facilities located outside this state shall report all distributions to entities located in this state. If the prescription drug wholesale distributor, out-of-state prescription drug wholesale distributor, retail pharmacy drug wholesale distributor, manufacturer, or repackager does not have any controlled substance distributions for the month, a report shall be sent indicating that no distributions occurred in the period. The report shall be submitted monthly by the 20th of the next month, in the electronic format used for controlled substance reporting to the Automation of Reports and Consolidated Orders System division of the federal Drug Enforcement Administration. Submission of electronic data must be made in a secured Internet environment that allows for manual or automated transmission. Upon successful transmission, an acknowledgment page must be displayed to confirm receipt. The report must contain the following information:

(a) The federal Drug Enforcement Administration registration number of the wholesale distributing location.

(b) The federal Drug Enforcement Administration registration number of the entity to which the drugs are distributed or from which the drugs are received.

(c) The transaction code that indicates the type of transaction.

(d) The National Drug Code identifier of the product and the quantity distributed or received.

(e) The Drug Enforcement Administration Form 222 number or Controlled Substance Ordering System identifier on all Schedule II transactions.

(f) The date of the transaction.

The department must share the reported data with the Department of Law Enforcement and local law enforcement agencies upon request and must monitor purchasing to identify purchasing levels that are inconsistent with the purchasing entity's clinical needs. The Department of Law Enforcement shall investigate purchases at levels that are inconsistent with the purchasing entity's clinical needs to determine whether violations of chapter 893 have occurred.

Catalent advised the Department they had registered to report controlled substances but failed to report in a timely matter since August of 2012.

Catalent violated Section 499.0121(14), Florida Statutes (2013), by failing to register and report the distribution of control substances monthly to the Department as required, from August 2012 through July 2013.

**Range of Penalty per violation: An Administrative Complaint with a fine ranging from $1000 to $3000 per violation and up to permanent suspension or revocation of permits.**

**Fine assessed by the Department: $3,000**

5. Section 499.0121, Florida Statutes (2013), provides:

(4) EXAMINATION OF MATERIALS AND RECORDS.—The department shall adopt rules that require keeping such records of prescription drugs as are necessary for the protection of the public health.

(c) The recordkeeping requirements in subsection (6) must be followed for all incoming and outgoing prescription drugs.

(6) RECORDKEEPING.—The department shall adopt rules that require keeping such records of prescription drugs as are necessary for the protection of the public health.

(a) Wholesale distributors must establish and maintain inventories and records of all transactions regarding the receipt and distribution or other disposition of prescription drugs. These records must provide a complete audit trail from receipt to sale or other disposition, be readily retrievable for inspection, and include, at a minimum, the following information:

2. The name, principal address, and state license, permit or registration number of the person authorized to purchase prescription drugs; [Emphasis supplied].

Rule 61N-1.012 provides:

(1)(a) Records to document the movement of drugs, devices or cosmetics must provide a complete audit trail from a person's receipt or acquisition to sale or other disposition of the product or component. A complete audit trail includes records which document each transaction or step in the receipt, manufacture, shipping, transfer, or other steps in the channel of trade of that person, whether or not physical possession or handling of the product or component occurs. At a minimum, records shall consist of invoices from the supplier or source which document acquisition of each product by the person and invoices of sale or other transfer by the person to the recipient. Retail sales transactions to the consumer of over-the-counter drugs, non-restricted devices, or cosmetics are exempt from the requirements of this rule. Additional recordkeeping is required for persons permitted by the department as further stated in this rule.

(b) A person engaged in the distribution of drugs, devices, or cosmetics is not required to maintain documentation from a common carrier that the designated recipient received the product shipped; however, the person must obtain such documentation from the common

carrier and make it available to the department upon specific request of the department.

(2) Any person engaged in the manufacture of prescription drugs, the wholesale distribution of prescription drugs, or otherwise receiving or distributing prescription drugs must maintain records as follows:

(a) For each step in the channel of trade, records containing the information required by Section 499.0121(6)(a), F.S., and the Florida permit or license number which authorizes the source to possess and transfer prescription drugs in or into Florida must appear on one document. If delivery of prescription drugs is made to a person other than the purchaser, the name, address or location where the prescription drugs are delivered, and the state license, permit or registration number for that location must be included also. [Emphasis supplied].

Invoices and packlists for the prescription drug API Tipranavir provided to Catalent from BI-Germany failed to contain Catalent's Florida permit number, in violation of Section 499.0121(4)(c), Florida Statutes (2013), within the meaning of Section 499.0121(6)(a)2., Florida Statutes (2013), and Rule 61N-1.012, Florida Administrative Code.

**Range of Penalty per violation: An Administrative Complaint with a fine ranging from $1,000 to $3,000 per violation and up to permanent suspension or revocation of permits.**

**Fine assessed by the Department: $1,000**

In order to resolve this matter, the Department proposes the following alternatives, either of which must be accomplished by your company within twenty-one (21) days of receipt of this letter:

1. If your company does not contest the findings in this letter, and further agrees to waive its right to an administrative hearing pursuant to Sections 120.569 and 120.57, Florida Statutes, the Department and Catalent Pharma Solutions, LLC may resolve this matter. If you agree to a resolution, please sign and date the enclosed Settlement. Return the following items to my attention, at the address on this letterhead:

(a) The original signed Stipulation,

(b) A corporate check, cashier's check, or money order for SIXTEEN THOUSAND DOLLARS. **($16,000.00) made payable to the Professional Regulation Trust Fund, and shall be remitted to The Florida Department of Business & Professional Regulation, Drugs, Devices and Cosmetics Division, 1940 North Monroe Street, Suite 26A, Tallahassee, Florida, 32399-1047, Attention: Janetta Sampson, Senior Legal Assistant.**

Upon receipt of the above-mentioned items, a final order incorporating the terms of the Stipulation will be entered.

2. However, if you believe circumstances exist that the Department should consider before concluding this investigation, you may provide the Department your rationale and evidence to support your position within twenty-one (21) days of receipt of this letter.

If the Department does not concur, or we are unable to reach a satisfactory resolution of this matter, the Department may initiate appropriate legal action after expiration of the above referenced 21-day time period given. Appropriate legal action may include:

(a) Filing and serving an administrative complaint for a hearing pursuant to Chapter 120, Florida Statutes (2011). This may result in the imposition of an administrative fine up to five thousand dollars ($5,000.00) per violation per day. Each day the violation continues constitutes a separate violation, and each such separate violation is subject to a separate fine. An Administrative Complaint also becomes a matter of public record.
(b) Revocation or suspension of the company permit.
(c) Seizure for destruction of adulterated or misbranded products.
(d) Seeking an injunction in Circuit Court to obtain compliance.
(e) Initiating any other remedy authorized by law.

If you have any questions regarding this matter, or need further assistance in this matter, please contact me at the address on this letterhead or by telephone at (850) 717-1803.

Sincerely,

Bert O. Moore
Senior Attorney

**SOUTH CAROLINA DEPARTMENT OF LABOR, LICENSING AND REGULATION**
**BEFORE THE STATE BOARD OF PHARMACY**

| | |
|---|---|
| **In the Matter of:**<br><br>**Catalent Pharma Solutions, LLC,**<br><br>**Applicant.** | **ORDER** |

This matter first came before the Nonresident Permit Subcommittee ("Committee"), appointed by the State Board of Pharmacy ("Board"), on April 25, 2017, for a hearing on the application of the above-named applicant ("Applicant") for a nonresident wholesaler/distributor/manufacturer permit. The Applicant appeared before the Committee through its designated representative, Terry Jackson, as well as its Associate General Counsel for Regulatory Matters, Robert Ciolek, Esquire. Applicant was represented by Jon Wallace, Esquire. At its June 14, 2017, meeting with a quorum present, the Board considered the Committee's recommendation and the transcript of the Committee's hearing. The Board adopted the Committee's recommendation that the application be approved, and the permit shall issued subject to the prior payment of a civil penalty in the amount of Five Thousand and 00/100 ($5,000.00) Dollars for shipping into South Carolina without a permit. Since the hearing, Applicant has tendered the fine to the Board.

Applications of this type are governed by S.C. Code §§ 40-43-83, 40-43-86, 40-43-89 (2011, as amended), and/or Reg. 99-43, as amended.

## FINDINGS OF FACT

1. Applicant applied for a permit for its facility located in Philadelphia, PA.

2. Applicant manufactures clinical supply materials.

3. Applicant's representative admitted that Applicant has previously shipped prescription drugs to South Carolina without first obtaining a permit from this Board.

4. Applicant otherwise meets the requirements for the Permit for which it applied.

## CONCLUSIONS OF LAW

In an application hearing, "(t)he applicant shall demonstrate to the satisfaction of the board that the applicant meets all requirements for the issuance of a license." S.C. Code Ann. § 40-1-130 (2011, as amended). Thus, the burden of proof in an application for licensure or certification is on the Applicant to provide full, complete, and accurate responses to all questions on the application

and to demonstrate that it is qualified for the license sought.

S.C. Code Ann. §40-43-83(I)(2011) requires a permit for the sale or distribution of legend (prescription) drugs in this state, and expressly includes manufacturers within or without the state. S.C. Code Ann. § 40-43-89 (2011) requires a facility located outside of this State that distributes prescription drugs or devices in this State to have a permit issued by the Board prior to distribution. S.C. Code Ann. § 40-43-140(A)(3) states that facilities requiring permits may not operate unless a permit has been issued by the board. Pursuant to S.C. Code Ann. § 40-43-140(A)(1)(2011), the Board may suspend, revoke, deny, or refuse to renew the permit or impose disciplinary action authorized for violations of the Pharmacy Act. Pursuant to S.C. Code Ann. §§ 40-43-140(A)(2), a person who distributes or delivers drugs or devices in this State without a required permit is subject to a fine imposed by the Board not to exceed one thousand dollars for each offense, in addition to such other disciplinary action the Board may take.

Applicant has met the qualifications for the permit, but violated the Pharmacy Practice Act by regularly distributing prescription drugs or devices into this State without a permit. Therefore, the Board concludes that it is appropriate to issue the permit subject to the prior payment of a civil penalty in the amount of Five Thousand and 00/100 ($5,000.00) Dollars.

**NOW, THEREFORE, IT IS ORDERED THAT:**

The Application is approved, and the permit shall be issued subject to the payment of a civil penalty in the amount of Five Thousand and 00/100 ($5,000.00) Dollars, receipt of which is hereby acknowledged by the Board.

**AND IT IS SO ORDERED.**

DEPARTMENT OF BUSINESS & PROFESSIONAL REGULATION

DEPARTMENT OF BUSINESS & PROFESSIONAL REGULATION,

Petitioner,

v. Case No.: 2014-008409

CATALENT PHARMA SOLUTIONS, LLC,

Respondent.

## SETTLEMENT AGREEMENT

Pursuant to Section 120.57(4), Florida Statutes, the above-named parties hereby enter into this Settlement Agreement (this "agreement") as disposition of the alleged violations described in the Notice of Violation case number 2014-008409 (the "allegations"). The terms herein become effective upon rendition of the final order, which shall incorporate this agreement.

The State of Florida, Department of Business & Professional Regulation (hereafter, "Department") is charged with regulating Drugs, Devices, and Cosmetics pursuant to Section 20.165 and Chapter 499, Florida Statutes.

## STIPULATED FACTS

1. Catalent Pharma Solutions, LLC (hereafter, "Catalent" or "Respondent") is permitted by the Department as a prescription drug manufacturer, permit number 20:117; over the counter drug manufacturer, permit number 20:118; product registrant, permit number 08:1723; and as a diethyl ether purchaser, permit number 10:1300003.

2. Catalent address of record is 2725 Scherer Drive North, St. Petersburg, Florida 33716.

3. Catalent was issued a Notice of Violation on June 13, 2014, alleging that it committed certain violations of Chapter 499, Florida Statutes, and the administrative rules adopted pursuant thereto.

## CONCLUSIONS OF LAW

4. Catalent by and through its undersigned agent, admits that it is subject to the applicable provisions of Chapter 499, Florida Statutes, and the relevant jurisdiction of the Department.

5. Catalent admits that the allegations, if proved, would constitute violations of Chapter 499, Florida Statutes.

6. Catalent neither admits nor denies the allegations set forth in the Notice of Violation, but is entering into this settlement to resolve the issues raised by the Department.

## SETTLEMENT TERMS

7. Catalent agrees to immediately cease any practices that are in violation of Chapter 499, Florida Statutes.

8. **Catalent agrees to pay a settlement amount of SIX THOUSAND DOLLARS ($6,000.00). Payment of the settlement amount shall be made only by corporate check, cashier's check, or money order to the Professional Regulation Trust Fund, and shall be remitted to The Florida Department of Business & Professional Regulation, Division of Drugs, Devices and Cosmetics, 1940 North Monroe Street, Suite 26A, Tallahassee, Florida, 32399-1047, Attention: Janetta**

**Sampson, Senior Legal Assistant.** Catalent acknowledges that payment is enclosed with this agreement. The payment and execution of this agreement by Catalent are absolute conditions precedent to Petitioner's execution of this agreement.

9. Catalent affirms that the violations alleged in the Notice of Violation letter issued in case number 2014-008409, have been corrected.

10. The Department agrees that this agreement will not be deemed to constitute discipline against the permits within the meaning of Section 499.066, Florida Statutes, and Rule 61N-1.024, Florida Administrative Code, and that this agreement will not be considered in any future claim, action, or proceeding against Catalent Pharma Solutions, LLC by the Department. Nothing herein shall be construed to limit, restrict or otherwise affect the Department's rights to (i) inspect under Section 499.051, Florida Statutes, (ii) examine, sample, test, embargo, seize, detain, condemn or destroy any drug, device, or cosmetic in accordance with Sections 499.06, 499.0632, and 499.065, Florida Statutes, or (iii) seek injunctions and take any other action authorized by Section 499.066 and 499.0661, Florida Statutes, in the event of a public health emergency or any immediate and substantial threat, hazard or danger to public health.

**STANDARD PROVISIONS**

11. It is expressly understood that a violation of the terms of this Settlement Agreement shall be considered a violation of Chapter 499, Florida Statutes, for which disciplinary action may be taken.

12. The parties agree that this agreement will be incorporated into a final order that will be filed with the Department agency clerk and will be a public document. The final order will contain no material terms other than those in this agreement. The

**final order shall operate to close case number 2014-008409. The final order shall be final disposition in this proceeding, and shall constitute final agency action with respect thereto.**

13. Catalent expressly waives all further procedural steps and expressly waives all rights to seek judicial review of, or to otherwise challenge or contest the validity of this Settlement Agreement and the final order in which the agreement is incorporated.

14. Catalent waives the right to seek any attorney's fees or costs from the Department in connection with this proceeding.

15. This agreement may be executed in any number of counterparts including, without limitation, telecopies, and facsimile transmission copies, all of which together shall constitute a single document.

16. The parties agree that this agreement represents a fair, appropriate and reasonable resolution to, and final disposition of, all disputes and matters made subject hereof.

17. The terms and provisions of this agreement are severable, and if any term or provision is declared or deemed void, invalid, illegal or otherwise unenforceable, then all remaining terms and provisions shall remain in full force and effect.

18. It is expressly understood that this settlement agreement is subject to approval of the Division of Drugs, Devices, and Cosmetics, and has no force or effect until the Division accepts the settlement and adopts it in a final order.

19. The signatories hereto are vested with the authority to execute this agreement on behalf of their respective principals, and as duly designated representatives, to fully bind such principals.

Yes, as we discussed, we distribute only our parent company's drugs (API's only), and those of Fine Chemicals Corp which is 100% owned by the same parent company (Aspen Oss B.V.). Now that you confirmed this letter is acceptable, we will Fedex our application to you today, including the $25K surety bond (notarized). Please let me know if you need anything else.

Thanks,
Jon

# COMPANY NAME CHANGE

On June 27, 2013, Merck Sharp & Dohme ("MSD") announced its intent to sell certain of its manufacturing operations to Aspen Pharmacare Holding ("Aspen"), in a transaction that was completed on October 1, 2013.

It is hereby confirmed that the name of the current approved drug substance manufacturer MSD, legal entity NV Organon, has been changed to Aspen Oss B.V. effective October 1, 2013. This name change is an administrative change and there are no more changes other than the change in name.

Specifications, test methods, manufacturing process, facilities, street addresses and personnel remain unchanged.

| Manufacturing Site | Name of Site Owner<br>Prior to 1 October 2013 | Name of Site Owner<br>Effective 1 October 2013 |
|---|---|---|
| Kloosterstraat 6, 5349 AB,<br>Oss, The Netherlands<br>(a.k.a. Moleneind) | N.V. Organon<br>FEI:3002806821<br>DUNS: 402157499 | Aspen Oss B.V.<br>FEI: 3010414279<br>DUNS: 491013870 |
| Veersemeer 4, 5347 JN,<br>Oss, The Netherlands<br>(a.k.a. Diosite) | N.V. Organon<br>FEI:3002806821<br>DUNS: 409664849 | Aspen Oss B.V.<br>FEI: 3010414279<br>DUNS: 491017488 |

Both FEI numbers listed in the table above reside at the same campus and have 2 distinct owners. The previous inspection report history for FEI 3002806821 does in fact apply to the newly created FEI 3010414279.

In addition to the above name change, on October 1, 2013 the US agent (formerly known as Organon API Inc.) had a name change to Aspen API Inc. As such, any new purchase orders should be made out to Aspen API Inc., 2136 S. Wolf Road, Des Plaines, IL 60018.

Hi Maria,

Thank you for trying to add us to the March meeting. That would avoid Nevada consumers having to wait for their medicines. You can find my resume on Linked In. URL: linkedin.com/in/jondfry

Resume summary:

- 2-1/2 years pharmaceutical distribution experience with Aspen API (FDA, DEA, CBP, Company Secretary and Treasurer, well over 6000 hours worked)
- 10 years medical devices experience (Corpak MedSystems)
- 5 years Food Industry experience (FDA & USDA)
- 30 years finance and manufacturing experience.
- MBA and CMA Certification

Kind regards,
Jon

## PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 015226350

Application/License No. _____

FUJIFILM Irvine Scientific, Inc. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 1830 East Warner Avenue, Santa Ana, CA 92705 (Address of Applicant/Principal), as PRINCIPAL, and Liberty Mutual Insurance Company (Surety Company), a corporation organized under the laws of the state of Massachusetts (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 175 Berkeley Street, Boston, MA 02116 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on January 22, 2025 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statue (NRS) 639.515 and Nevada Administrative Code (NAC) 639.5937 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $25,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

Posted February 20, 2020

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 22nd day of January, 2025.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

**ARTICLE IV – OFFICERS:** Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

**ARTICLE XIII – Execution of Contracts:** Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

**Certificate of Designation** – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

**Authorization** – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. ## WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 93-4705694. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and are opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.

## PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. TCS26921

Application/License No. _____

ADITUS PHARMA OHIO, LLC (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is

8946 Global Way, West Chester, OH 45069 (Address of Applicant/Principal), as PRINCIPAL, and Hudson Insurance Company (Surety Company), a corporation organized under the laws of the state of Delaware (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is

8777 N Gainey Center Dr Ste 240, Scottsdale, AZ 85258-2154 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on 07/17/2024 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.

(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.

(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.

(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.

(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.

(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.

(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 18th day of July, 20 24.

In Feb of 2013 Robert Highfill was involved in a pushing match at a public please in Salem New Hampshire. In the result of the this I was charged with disorderly and simple assault. I paid $500 cash in my Bond and as a result I forfeited my bond and didn't have to even go to court. Unfortunately, it now shows up on my record.

Thanks

To whom it may concern

In Feb of 2013 Robert Highfill was involved in a pushing match at a public please in Salem New Hampshire. In the result of the this I was charged with disorderly and simple assault. I paid $500 cash in my Bond and as a result I forfeited my bond and didn't have to even go to court. Unfortunately, it now shows up on my record.

Thanks

## PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 107941078

Application/License No. _____

AIM RX 3PL LLC (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 40F Cotters Ln, East Brunswick, NJ 08816 (Address of Applicant/Principal), as PRINCIPAL, and Travelers Casualty and Surety Company of America (Surety Company), a corporation organized under the laws of the state of Connecticut (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 1 Tower Square, Hartford, CT 06103 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on December 3, 2024 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 3rd day of December, 2024.

To: State Boards of Licensing

Dear Dir/Madam,

I am writing this letter to formally attest to my commuting schedule and regular presence at the facility located in East Brunswick, New Jersey, as an employee of AIM Rx3PL LLC. My current role requires me to commute to the East Brunswick facility from my residence in Newark, Delaware. My typical work schedule adheres to the operating business hours of the East Brunswick facility. I am consistently present at the facility during the workday and remain on-site until the close of business, with the exception of holidays, sick days, and any scheduled time off approved in accordance with company policy.

I understand the importance of my presence and dedication to my role at AIM Rx3PL LLC, and I am committed to fulfilling my responsibilities and contributing to the operations at our company. If you require any further verification or additional information regarding my commuting schedule or attendance, please do not hesitate to contact me at [redacted] or [redacted]@aimrx3pl.com.

Thank you for considering this attestation of my work schedule and commitment to my responsibilities at AIM Rx3PL LLC.

Sincerely,
Jinal Patel

## PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 800037107

Application/License No. _____

Blue Rabbit Veterinary LLC (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 405 Heron Drive, Suite 300, Swedesboro , NJ 08085 (Address of Applicant/Principal), as PRINCIPAL, and Atlantic Specialty Insurance Company (Surety Company), a corporation organized under the laws of the state of NY (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 605 Highway 169 North, Suite 800, Plymouth, MN 55441 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on April 3, 2024 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 3rd day of April, 2024.

## PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 107956911

Application/License No. _____

University of Utah dba Midvalley Central Distribution Pharmacy (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 6056 Fashion Square Drive, Suite 1220, Murray, UT 84107 (Address of Applicant/Principal), as PRINCIPAL, and Travelers Casualty and Surety Company of America (Surety Company), a corporation organized under the laws of the state of Connecticut (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is One Tower Square, Hartford CT, 06183-6014 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on April 1, 2024 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.

(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.

(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.

(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.

(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.

(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.

(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

Robert L. Raney, Senior Vice President

On this the **21st** day of **April**, **2021**, before me personally appeared **Robert L. Raney**, who acknowledged himself to be the Senior Vice President of each of the Companies, and that he, as such, being authorized so to do, executed the foregoing instrument for the purposes therein contained by signing on behalf of said Companies by himself as a duly authorized officer.

**IN WITNESS WHEREOF**, I hereunto set my hand and official seal.

My Commission expires the **30th** day of **June**, **2026**

_____
Anna P. Nowik, Notary Public

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of each of the Companies, which resolutions are now in full force and effect, reading as follows:

**RESOLVED**, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

**FURTHER RESOLVED**, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

**FURTHER RESOLVED**, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

**FURTHER RESOLVED**, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, **Kevin E. Hughes**, the undersigned, Assistant Secretary of each of the Companies, do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which remains in full force and effect.

Dated this **27th** day of **March** **2024**

## PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 107964804

Application/License No. _____

Renown Regional Medical Center (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 1155 Mill Street, Reno, NV 89502 (Address of Applicant/Principal), as PRINCIPAL, and Travelers Casualty and Surety Company of America (Surety Company), a corporation organized under the laws of the state of Connecticut (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is One Tower Square, Hartford, CT 06183 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on 11/1/2024 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 5th day of November, 2024.

**Initial each statement below to indicate you have read and agree with the following:**

AH I understand that as the managing pharmacist I am responsible for compliance by the pharmacy and its personnel with all state and federal laws and regulations relating to the operation of the pharmacy and the practice of pharmacy. I understand my license can be revoked or that I can be subject of disciplinary action if such laws or regulations are knowingly violated in the pharmacy in which I am the managing pharmacist.

AH I understand within 48 hours after I report for duty as the managing pharmacist, I shall complete an inventory of all controlled substances of the pharmacy pursuant to 21 CFR Part 1304 and maintain a copy of the inventory in the file at the pharmacy.

AH I understand that if I cease to be managing pharmacist of the above-named pharmacy, I will jointly, with the new managing pharmacist, take an inventory of all controlled substances.

AH I understand that as the managing pharmacist I must ensure that all loss or theft of controlled substances are reported on forms provided by the Nevada State Board of Pharmacy and Department of Public Safety within 10 days after the date of discovery of theft or loss. NRS 453.568. Federal regulations require that registrants notify the Field Division Office of the Administration in his area, in writing, of the theft or significant loss of any controlled substance, disposal receptacles or listed chemicals within one business day of discovery of such loss or theft. The registrant shall also complete and submit to the Field Division Office in his area, DEA Form 106 regarding the loss or theft (21 C.F.R. §1301.76(b) and 21 U.S.C. §830(b)(1)(C)).

AH I understand that as the managing pharmacist I must notify the Nevada State Board of Pharmacy of all employment changes of pharmacy staff within 10 days of the change. NAC 639.540

To: Nevada Board of Pharmacy

I am submitting my application for managing pharmacist of Dignity St. Rose Dominican Centennial Campus.

I have a pending investigation, Investigative Case 23-168 that was dated 06/20/2023. I have included both the letter from the Nevada Board of Pharmacy along with my written response back to the board. There was a misunderstanding from Summerlin Hospital about a pharmacy key to a pharmacy technician.

I had contacted Dena McClish (Investigator with the Nevada State Board of Pharmacy) on 04/02/2024 and she stated that the attorney is backed up and I would be notified about the case whenever it was reviewed. I have still yet to be notified.

I appeared via Zoom in front of the Board on 5/30/2024 where I was approved a waiver that granted myself to manage two (2) hospitals, Dignity Health – St. Rose Dominican North Las Vegas Campus (License: IB03706) and Dignity Health – St. Rose West Flamingo Campus (License: IB03728).

If you have any questions, please feel free to reach out to me.

Thank you,

Amber Houghland

**Re: Nevada Board of Pharmacy Investigative Case 23-168**

Dear RPh Houghland,

The Nevada State Board of Pharmacy (Board) was given information indicating that you violated pharmacy security policies and regulations. Specifically, it was reported that you provided the key to the CentRx Pharmacy in Summerlin Hospital to technician, Gail Missler, for purposes of entering the pharmacy early to process prescriptions prior to a pharmacist being present. The Board has a case open to investigate the matter. I am writing to request that you respond to the allegation(s) and provide information relevant to the Board's investigation.

1) Please provide a brief explanation as to how and why Ms. Missler or other technician(s) were granted independent access to the pharmacy.

2) Provide an approximate date range and number of times that Ms. Missler or any other technician was granted access to the pharmacy without a pharmacist being present.

3) Please clearly indicate if you were aware that these actions were in violation of Hospital and/or Pharmacy policies and procedures as well as Nevada Pharmacy regulations.

4) Please provide a brief summary of any corrective actions implemented.

Please provide the information referenced above and a written response to the foregoing allegation(s) within 14 calendar days of this request. Include with your response any records or other information you believe will help the Board make a determination in this case. **Any written statement must include your handwritten signature attesting that it is true and accurate.**

Please feel free to contact me with any questions. I can be reached at (702) 486-6420, Ext. 154.

**Nevada Board of Pharmacy Investigative Case 23-168**

Dena McClish,

First, I'd like to thank you for the opportunity to discuss the specifics of this investigation as there are inaccuracies in the investigation conducted by Summerlin Hospital. While a key was provided to Ms. Missler, the purposes are not accurately depicted. Below you will find responses to each bullet point included in your letter.

1) A key was provided to Ms. Missler for the sole purpose of providing a backup key to pharmacists covering my time off who do not bring a key with them, which happened on multiple occurrences. At no time were any technicians granted independent access into the pharmacy.
2) There were no instances where any technician was granted access to the pharmacy without a pharmacist being present.
3) I am aware that granting access to the pharmacy, with no pharmacist present, is a violation of Hospital, Pharmacy and Nevada Pharmacy regulations. The key was only used as a back up for when a pharmacist covering my time off did not have their key with them.
4) Corrective actions include removing the key from Ms. Missler and transferring it to the Inpatient Assistant Director. Prior to the hospital taking oversight of the pharmacy there was not a location/department to hold a back up key. I was also issued a "Final Written Warning" based on the results of Summerlin Hospital's investigation, which as I mentioned previously has inaccuracies. The basis of their findings seems to rely on clock in times. As a salaried pharmacist, I have never clocked into any time management system. It is also worth noting that in my 8+ years with this company I have never received any disciplinary actions and have always had clean inventories.

Again, thank you for the opportunity to discuss the particulars of this situation.

Thank you,

Amber Houghland

**Re: Managing Pharmacist Waiver Request: Dignity Health – St. Rose Dominican Centennial Campus**

Dear Nevada State Board of Pharmacy Licensing Department:

We are writing regarding NRS 639.220.3.(a), which states that a person may not act as managing pharmacist for more than one licensed pharmacy. A waiver may be granted by the Board to the managing pharmacist of a pharmacy located in a hospital with fewer than 100 beds.

We are requesting a waiver to allow Amber Houghland (License: 18986) the ability to manage three (3) hospitals:

- Dignity Health – St. Rose Dominican North Las Vegas Campus (License: IB03706)
- Dignity Health – St. Rose Dominican West Flamingo Campus (License: IB03728)
- Dignity Health – St. Rose Dominican Centennial Campus (***Application Pending*** – Anticipated Opening May 20th, 2025)

Previously, the Board approved a waiver that granted Amber Houghland (License: 18986) and Ashley Juan (License: 20392) the ability to manage two (2) hospitals each.

Each of our hospitals has eight (8) licensed inpatient beds, meeting the fewer than 100-bed requirement for the waiver. Approval of our waiver request would allow our hospitals to appoint managing pharmacists as follows:

- Dignity Health – St. Rose Dominican North Las Vegas Campus (License: IB03706)
  - Amber Houghland
- Dignity Health – St. Rose Dominican West Flamingo Campus (License: IB03728)
  - Amber Houghland
- Dignity Health – St. Rose Dominican Centennial Campus (***Application Pending***)
  - Amber Houghland
- Dignity Health – St. Rose Dominican Blue Diamond (License: IB03727)
  - Ashley Juan
- Dignity Health – St. Rose Dominican Saraha (License: IB03804)
  - Ashley Juan

Please let us know if there are any questions. We appreciate the Board's consideration of our request for approval of a waiver related to NRS 639.220.3.(a) for the Dignity Health – St. Rose Dominican hospitals listed above.

In regards to NRS 639.220.3.(a) which states that a person may not act as managing pharmacist for more one licensed pharmacy. A waiver may be granted by the Board to the managing pharmacist of a pharmacy located in a hospital with fewer than 100 beds.

I appeared (via Zoom) in front of the Nevada Board of Pharmacy on May 30, 2024 to request a waiver to allow myself (License # 18986) the ability to manage 2 hospitals pharmacies– Dignity Health – St. Rose Dominican North Las Vegas Campus (License # IB03706) and Dignity Health – St. Rose Dominican West Flamingo Campus (License # IB03728). Each hospital has 8 licensed inpatient beds, meeting the fewer than 100 bed requirement for the waiver.

The Nevada Board of Pharmacy granted the waiver on May 30, 2024 allowing myself to manage both locations.

## Affidavit for Pharmacy License

I, WASEEM SARWAR hereby certify that the assertions in this Affidavit are true and correct to the best of my knowledge and belief, and state as follows:

1. I am the PRESIDENT (title) for OMEGA SPECIALTY PHARMACY (name of Pharmacy) and in that capacity, I am authorized to speak on the Pharmacy's behalf.
2. I certify that upon licensure, the Pharmacy will not perform sterile compounding or ship sterile compounds into Nevada.
3. I understand and acknowledge that the Pharmacy and any of its staff members may be subject to discipline by the Board if the Pharmacy performs sterile compounding or ships any sterile compounds into Nevada without first obtaining written authorization from the Board to do so.
4. I certify that if the Pharmacy makes the decision to perform sterile compounding or to ship any sterile compounds into Nevada, the Pharmacy, through an authorized representative, will first notify the Board via a written request, and obtain written approval to perform sterile compounding or to ship any sterile compounds into Nevada.
5. I understand that if the Pharmacy seeks approval to perform sterile compounding or to ship any sterile compounds into Nevada, an authorized representative of the Pharmacy may be required to appear before the Board to answer questions before such approval is granted.

**Initial each statement below to indicate you have read and agree with the following:**

WS I understand that as the managing pharmacist I am responsible for compliance by the pharmacy and its personnel with all state and federal laws and regulations relating to the operation of the pharmacy and the practice of pharmacy. I understand my license can be revoked or that I can be subject of disciplinary action if such laws or regulations are knowingly violated in the pharmacy in which I am the managing pharmacist.

WS I understand within 48 hours after I report for duty as the managing pharmacist, I shall complete an inventory of all controlled substances of the pharmacy pursuant to 21 CFR Part 1304 and maintain a copy of the inventory in the file at the pharmacy.

WS I understand that if I cease to be managing pharmacist of the above-named pharmacy, I will jointly, with the new managing pharmacist, take an inventory of all controlled substances.

WS I understand that as the managing pharmacist I must ensure that all loss or theft of controlled substances are reported on forms provided by the Nevada State Board of Pharmacy and Department of Public Safety within 10 days after the date of discovery of theft or loss. NRS 453.568. Federal regulations require that registrants notify the Field Division Office of the Administration in his area, in writing, of the theft or significant loss of any controlled substance, disposal receptacles or listed chemicals within one business day of discovery of such loss or theft. The registrant shall also complete and submit to the Field Division Office in his area, DEA Form 106 regarding the loss or theft (21 C.F.R. §1301.76(b) and 21 U.S.C. §830(b)(1)(C)).

WS I understand that as the managing pharmacist I must notify the Nevada State Board of Pharmacy of all employment changes of pharmacy staff within 10 days of the change. NAC 639.540

We are in receipt of your pharmacy application. The required following documents were not included.

You have answered "yes" to one or more of the questions on page 2 of the application. A signed statement of explanation for each event and a copy of all documents that identify the circumstance or contain an order, agreement or other disposition for the event must be provided.

**Required toll-free telephone number.**

**NRS 639.23286 Pharmacy located outside Nevada: Substitution of drug; toll-free telephone service.** A pharmacy located outside Nevada that provides mail order service to a resident of Nevada:

1. May substitute a drug if the substitution is made in accordance with the provisions of the laws and regulations of the state or country in which the pharmacy is located.
2. Shall provide a toll-free telephone service for its customers to a pharmacist who has access to the records of the customers from Nevada. The telephone service must be available for not less than 5 days per week and for at least 40 hours per week. The telephone number must be disclosed on the label attached to each container of drugs dispensed to a resident of Nevada.

Submit a copy of your most recent pharmacy inspection from the regulatory or licensing authority of the state, territory or Federal agency in which the pharmacy is located.

Once received, we can continue the process of reviewing the application.

EVERWELL
SPECIALTY PHARMACY

May 25, 2023

To whom it may concern,

We are writing to inform you of a recent disciplinary action against our licensed pharmacy, Everwell Specialty Pharmacy, LLC ("***Everwell***") by the Colorado Department of Regulatory Affairs ("***DORA***").

On May 1, 2023, Everwell was sent a proposed Letter of Admonition ("***LOA***") by DORA. DORA alleged that Everwell failed to notify DORA within thirty (30) days of a reportable action in another state, in violation of DORA Rule 9.00.10(b) ("***Rule***"). Everwell had provided DORA with notice of the other action within thirty days, but DORA determined this notice was insufficient to satisfy the Rule and issued the proposed LOA. The LOA is attached herein as **Exhibit A**.

Pursuant to the LOA, and in compliance with C.R.S. 12-20-404(4), Everwell was given the option to either accept the LOA or vacate the LOA to initiate formal disciplinary proceedings within twenty (20) days after receipt of the letter – twenty (20) days after May 1, 2023. After consideration, Everwell has decided to accept the proposed LOA and is formally reporting it, in accordance with its obligations, by this letter.

We understand that this may raise concerns about Everwell's ability to maintain the highest standard of professionalism and ethical conduct as a licensed pharmacy. However, we want to assure you that Everwell has taken additional measures to ensure its continued compliance, including additional education and training, and is committed to learning from this experience. We are confident that Everwell will continue to provide high-quality care and service to its patients and will uphold the integrity of the pharmacy profession.

We appreciate your attention to this matter and are available to address any concerns or questions you may have.

Sincerely,

Everwell Specialty Pharmacy, LLC

Re: License Number: OSP.0005997
Case Number: 2023-1940

Dear: Pharmacist Manager,

The State Board of Pharmacy ("Board") has concluded its inquiry into the aforementioned matter. It was the Board's decision not to commence with formal proceedings against your professional license. However, the Board did determine disciplinary action in the form of this letter of admonition is warranted, pursuant to section 12-280-127(6), C.R.S.

Failing to notify the Board within 30 days of any disciplinary action against you in another state is a violation of Rule 9.00.10(b).

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Pharmacists, Pharmacy Business, and Pharmaceuticals Practice Act requirements and obligations for the practice of pharmacy or as a pharmacy technician in Colorado.

In accordance with section 12-20-404(4), C.R.S., the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Dmitry Kunin, Program Director, at the address listed below. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with section 12-20-404(4)(b)(II), C.R.S., and applicable rules.

A Letter of Admonition, when accepted, becomes a permanent, public portion of your record. It is not, however, a restriction on your practice as a professional pharmacist or pharmacy technician.

If you have further questions or concerns, please visit our website at dpo.colorado.gov or you can contact our office at dora_pharmacyboard@state.co.us or by calling (303) 894-7800.

Sincerely,

FOR THE COLORADO STATE BOARD OF PHARMACY

**Describe your initial and ongoing training for all personnel performing sterile compounding?**

All sterile staff are required to complete "Sole Source Academy" courses through Wolters Kluwer which are USP 797 focused ACPE accredited courses and pass a media fill and fingertip test before entering the cleanroom. The staff member will also attend a Live course for Sterile Compounding and Aseptic Technique to obtain a Certificate. The Sole Source courses are required on an annual basis and media fills/fingertip are preformed every 3 months with skill assessments.

**Describe the cleaning procedure for your primary and secondary engineering controls. Including the frequency of cleaning and the names of cleaning, disinfectant, sporicidal, and/or deactivation agents used?**

PEC Procedures

We use sterile water for cleaning, followed by sterile 70% isopropyl alcohol for disinfectant, then sterile Peridox as our sporicidal/deactivation and left to dwell for 10 mins. All cleaning steps are performed using a sterile, low-lint wipe inside the PEC and are allowed to dry before moving to the next step. Sterile 70% IPA is applied immediately to PEC/DCA before initiating compounding. During the compounding process sterile IPA is applied to all work surfaces at least every 30 minutes using a sterile low-lint wipes or when visibly soiled. We clean from back to front, with overlapping stokes, replacing the low-lint wipe with each part of the hood.

SEC Procedures

We clean with Peridox daily and follow with 70% isopropyl. Daily cleaning areas are all work surfaces, floors, counters, stools, pass throughs, high touch areas and equipment. Weekly cleans also use Peridox and isopropyl and are used on ceilings and walls and all daily cleaning areas. Cleaning is done from farthest away from the entry door and cleaned towards the entry. There are designated mops and mop heads for ceilings/walls and floors. Low lint mops are used for each. Monthly cleans cover weekly clean areas and also all racks/bins/etc.

## Nonsterile <795> Employee File Records Review

Select the PIC, designated person, a staff pharmacist that checks compounded preparations, and two to three compounding pharmacy technicians. *Do not record the employee name, list only their title or position.
From the drop-down List:
*Mark as "Yes" if the document is present in the records and the competency evaluation was conducted in compliance with USP <795> requirements.
*Mark as "No" if the document is present in the records but is not in compliance with USP <795> requirements.
*Mark as "Missing" if any part of the record is missing and explain in Notes column.
*Mark as "N/A" if the training does not apply (eg, long-term employee may not have initial training available). Document further in the Notes column.

| Glossary & References | USP <795> |
|---|---|
| Active Pharmaceutical Ingredient (API) | Any substance or mixture of substances intended to be used in the compounding of a preparation, thereby becoming the active ingredient in that preparation and furnishing pharmacological activity or other direct effect in the diagnosis, cure, mitigation, treatment, or prevention of disease in humans or animals or affecting the structure and function of the body. Also referred to as a bulk drug substance. A conventionally manufactured drug product is not an API but is typically manufactured from an API(s). |
| Added Substance | An ingredient that is necessary to compound a preparation but is not intended or expected to cause a pharmacologic response if administered alone in the amount or concentration contained in a single dose of the compounded preparation. The term is used synonymously with inactive ingredient, excipient, and pharmaceutical ingredient. |
| Administration | The preparation of a nonsterile pharmacologic or other therapeutic agent for ingesting, inserting, applying, or otherwise providing a nonsterile medication in its final form to a single patient. This includes crushing a tablet(s) or opening a capsule(s) to mix with food or liquids to facilitate patient dosing. |
| Alcohol-based hand rub | An alcohol-containing preparation (liquid, gel, or foam) designed for application to the hands of health care personnel to inactivate microorganisms and/or temporarily suppress their growth. Such preparations may contain one or more types of alcohol, other active ingredients, excipients, and humectants. |
| Assigned trainer | One or more individuals assigned by the designated person(s) to be responsible and accountable for directly providing the training, observation, and/or evaluation of personnel for the preparation of CNSPs. |
| Beyond-use date (BUD) | The date, or hour and date, after which a CNSP must not be used, stored, or transported. The date is determined from the date or time the preparation is compounded. |
| Biological Safety Cabinet (BSC) | A ventilated cabinet that may be used for compounding. These cabinets are divided into three general classes (Class I, Class II, and Class III). Class II BSCs are further divided into types (Type A1, Type A2, Type B1, Type B2, and Type C1). |
| Bulk drug substance | See the entry for Active Pharmaceutical Ingredient. |
| Certificate of analysis (COA) | A report from the supplier of a component, container, or closure that accompanies the supplier's material and contains the specifications and results of all analyses and a description of the material. |
| Cleaning | The process of removing substances (eg, organic and inorganic material) from objects and surfaces, normally accomplished by manually or mechanically using water with detergents or enzymatic products. |
| Cleaning agent | An agent, usually containing a surfactant, used for the removal of substances (eg, dirt, debris, microbes, and residual drugs or chemicals) from surfaces. |
| Closed-system processing device | A device designed to reduce the potential exposure to personnel or contamination of the facility or CNSPs. Examples include CVEs, BSCs, or single-use containment glove bags. |

| Glossary & References | USP <795> |
|---|---|
| Component | Any ingredient used in the compounding of a preparation, including any API, added substance, or conventionally manufactured product. |
| Compounded nonsterile preparation (CNSP) | A preparation not intended to be sterile that is created by combining, admixing, diluting, pooling, reconstituting other than as provided in the manufacturer's labeling, or otherwise altering a drug product or bulk drug substance. |
| Compounding | The process of combining, admixing, diluting, pooling, reconstituting other than as provided in the manufacturer's labeling, or otherwise altering a drug product or bulk drug substance to create a nonsterile preparation. |
| Compounding area | An area that is specifically designated for nonsterile compounding. |
| Compounding personnel | Personnel trained to compound or oversee compounding of preparations. |
| Compounding record (CR) | Documents the compounding of each CNSP. |
| Container closure system | Packaging system components that together contain and protect the dosage form. This includes primary packaging system components and secondary packaging system components if the latter are intended to provide additional protection. |
| Containment glove bag | A single-use disposable glove bag that is capable of containing airborne chemical particles. |
| Containment ventilated enclosure (CVE) | A full or partial enclosure that uses ventilation principles to capture, contain, and remove airborne contaminants through high-efficiency particulate air (HEPA) filtration and to prevent their release into the work environment. |
| Conventionally manufactured product | A pharmaceutical dosage form, usually the subject of an application approved by the applicable national regulatory agency, that is manufactured under current good manufacturing practice conditions. |
| Designated person(s) | One or more individuals assigned to be responsible and accountable for the performance and operation of the facility and personnel as related to the preparation of CNSPs. |
| FDA | US Food and Drug Administration |
| Formulation | The specific qualitative and quantitative composition of the final CNSP. |
| Hazardous Drug (HD) | Any drug identified by at least one of the following criteria: carcinogenicity, teratogenicity or developmental toxicity; reproductive toxicity in humans; organ toxicity at low dose in humans or animals; genotoxicity or new drugs that mimic existing HDs in structure or toxicity. See <800>. |
| Label | The part of the labeling on the immediate container. |
| Labeling | All labels and other written, printed, or graphic matter on the immediate container or on or inside any packaging system or wrapper in which the article is enclosed, except for any outer shipping container. |

| Glossary & References | USP <795> |
|---|---|
| Master formulation record (MFR) | A detailed record of procedures that describes how the CNSP is to be prepared. |
| Monograph | A quality documentary standard within USP–NF that articulates the quality expectations for a medicine including for its identity, strength, purity, and performance. It also describes the tests to validate that a medicine and its ingredients meet these criteria. |
| Oversight | The review, monitoring, and supervision of actions taken by personnel; bearing responsibility for those actions; and being available if and when needed for consultation, even if not physically present. |
| Preservative | A substance added to inhibit microbial growth. |
| Purified water | The minimal quality of source water for the production of Purified Water is drinking water whose attributes are prescribed by the US Environmental Protection Agency (EPA), the European Union, Japan, or the World Health Organization (WHO). This source water may be purified using unit operations that include deionization, distillation, ion exchange, reverse osmosis, filtration, or other suitable purification procedures. (See <1231>, 3.1.1 Purified Water.) |
| Quality Assurance (QA) | A system of procedures, activities, and oversight that ensures that the compounding process consistently meets quality standards. |
| Quality Control (QC) | The sampling, testing, and documentation of results that, taken together, ensure that specifications have been met for the CNSP. |
| Reconstitution | The process of adding a diluent to a conventionally manufactured product to prepare a solution or suspension. |
| Release inspection and testing | Visual inspection and testing performed to ensure that a preparation meets appropriate quality characteristics. |
| Sanitizing agent | An agent for reducing, on inanimate surfaces, the number of microorganisms (eg, 70% isopropyl alcohol). |
| SDS | Safety data sheet. |
| SOP | Standard operating procedure. |
| Specification | The tests, analytical methods, and acceptance criteria to which any components, CNSP, container closure system, equipment, or other material used in the compounding of CNSPs must conform to be considered acceptable for its intended use. |
| Stability | The extent to which a product or preparation retains physical and chemical properties and characteristics within specified limits throughout its expiration or BUD. |
| Verify | To confirm that a method, process, system, or equipment will perform as expected under the conditions of actual use. |
| Water activity ($a_w$) | A measure of the fraction of total water that is unbound and freely available to participate in chemical, biochemical, or physicochemical reactions or provide an environment that can support microbial growth. Note that $a_w$ is not water content. |

## Sterile Compounding Personnel Records Review

**Select personnel with compounding responsibilities for your records review; preferably select staff performing compounding duties at time of inspection or staff identified during CR review.**

**- Recommend also pulling supervising personnel file.**

**- Inspector can consider pulling non-compounder employee file ("Other") who cleans and stocks compounding area but who does not compound (Note: frequency of competency assessment will be defined by pharmacy SOPs).**

**Review** five (5) personnel files and document your observations. (For applicants seeking a Class E-S Non-Resident Sterile Compounding Inspection (Texas Sampling), review a total of 10 personnel records.)

- *Note: long-term employees may not have initial training available, if this is the case, you may select an alternative file. If an alternate file is not available, document length of service of long-term employee.

*Inspector Note: soybean casein digest medium and trypticase soy broth are the same media.*

## Inspector Instructions

1. Use the drop-down list and make the appropriate selection for the Employee Title, Personnel Function, and CSP Category Type for the files reviewed. *Do not record the employee name, only the title or position.
2. Review the selected files to verify that the required training and competency records are present in the personnel file and comply with USP <797> standards for training and demonstrated competency.
3. Select the appropriate response for each item reviewed.
-Select "Yes" if the document is present in the records and the competency evaluation was conducted in compliance USP <797> standards.
-Select "No" if the document is present but is not compliant with USP <797> standards (eg, incorrect frequency of test, GFT and surface sample was not conducted after media-fill, failed tests did not include a corrective action, etc). Document the area(s) of non-compliance in the notes column.
-Select "Missing" if the document is not present in the file.
-Select "N/A" if the training does not apply, eg, long-term employees may not have initial training available. Document further in the notes column.
4. Use the notes column to document any pertinent information.
5. Document in notes if initial aseptic manipulation competencies are present in files (*unless long-term employee).

## Aseptic Manipulation Competency (Section 2.3)

USP requirements:
1. Media-fill testing procedures simulate the most difficult compounding procedures encountered by personnel.
2. The pharmacy conducts media-fill testing as described in Box 2.
3. The final containers are incubated at 20°C-25°C and 30°C-35°C for a minimum of seven days at each temperature band.
4. Failure is indicated by visible turbidity or other visual manifestations of growth in the media in one or more container closure unit(s) on or before 14 days.
5. Immediately following the media-fill test, GFT is performed on both hands and inside of an ISO Class 5 PEC. Failure is indicated by visual observation of GFT results that exceed defined action levels. Action level after media-fill testing: >3 cfu/total from both hands.
6. Immediately following the GFT, a surface sample of the direct compounding area inside the PEC is performed in accordance with USP standards for surface sample monitoring and action levels. Action level ISO Class 5: >3 cfu/media device.
7. Failure in the media fill, GFT, or surface sampling constitutes an overall failure of the aseptic manipulation competency.
8. Documentation includes, at minimum:
-Name of the person evaluated
-Evaluation date and time
-Media and components used including manufacturer, expiration date, and lot number
-Starting temperature for each interval of incubation
-Dates of incubation
-Results (for GFT, the number of cfu per hand must be recorded and for surface samples, the number of cfu per sample must be recorded. Note: microbial identification of the cfu is not required for media-fill testing)
-Results of the evaluation and any corrective actions
-Name of the observer and personnel reading and documenting the results

| GLOSSARY USP <797> |
|---|
| **ACD:** Automated compounding device. |
| **ACPH:** Air changes per hour. |
| **Active pharmaceutical ingredient (API):** Any substance or mixture of substances intended to be used in the compounding of a preparation, thereby becoming the active ingredient in that preparation and furnishing pharmacological activity or other direct effect in the diagnosis, cure, mitigation, treatment, or prevention of disease in humans and animals or affecting the structure and function of the body. Also referred to as *Bulk drug substance*. A conventionally manufactured drug product is not an API but is typically manufactured from an API(s). |
| **Added substance:** An ingredient that is necessary to compound a preparation but is not intended or expected to cause a pharmacologic response if administered alone in the amount or concentration contained in a single dose of the compounded preparation. The term is used synonymously with the terms *inactive ingredient, excipient, and pharmaceutical ingredient.* |
| **Administration:** The direct application of a sterile product or preparation to a single patient by injecting, infusing, or otherwise providing a sterile product or preparation in its final form. |
| **Airlock:** A space with interlocked doors, constructed to maintain air pressure control when items move between two adjoining areas (generally with different air cleanliness standards). The intent of an airlock is to prevent ingress of particulate matter and microbial contamination from a lesser-controlled area. |
| **Alcohol-based hand rub:** An alcohol-containing preparation (liquid, gel, or foam) designed for application to the hands of health care personnel to inactivate microorganisms and/or temporarily suppress their growth. Such preparations may contain one or more types of alcohol, other active ingredients, excipients, and humectants. |
| **Allergenic extract compounding area (AECA):** A designated space, area, or room that is not required to be classified, with a visible perimeter that is suitable for preparation of allergenic extract prescription sets. |
| **Allergenic extract prescription set:** Combinations of licensed allergenic extracts that would be mixed and diluted to provide subcutaneous immunotherapy to an individual patient, even though these allergenic extract combinations are not specified in the approved BLAs for the licensed biological products. |
| **Allergenic extract:** A biological substance used for the diagnosis and/or treatment of allergic diseases such as allergic rhinitis, allergic sinusitis, allergic conjunctivitis, bee venom allergy, and food allergy. |
| **Anteroom:** An ISO Class 8 or cleaner room with fixed walls and doors where personnel hand hygiene, garbing procedures, and other activities that generate high particulate levels may be performed. The anteroom is the transition room between the unclassified area of the facility and the buffer room. |
| **Aseptic processing:** A method by which separate, sterile components (eg, drugs, containers, or closures) are brought together under conditions that maintain their sterility. The components can either be purchased as sterile or, when starting with nonsterile components, can be separately sterilized prior to combining (eg, by membrane filtration or by autoclave). |

| GLOSSARY USP <797> |
|---|
| **Aseptic technique:** A set of methods used to keep objects and areas free of microorganisms and thereby minimize infection risk to the patient. It is accomplished through practices that maintain the microbe count at an irreducible minimum. |
| **Assigned trainer:** One or more individuals assigned by the designated person(s) to be responsible and accountable for directly providing the training, observation, and/or evaluation of personnel for the preparation of CSPs. |
| **Batch:** More than one CSP prepared as described in the MFR in a single, discrete process, and expected to have uniform character and quality, within specified limits. |
| **Beyond-use date (BUD):** The date, or the hour and date, after which a CSP must not be used, stored, or transported. The date is determined from the date and time the preparation is compounded. |
| **Biological safety cabinet (BSC), Class II:** A ventilated cabinet with an open front and inward and downward unidirectional HEPA-filtered airflow and HEPA-filtered exhaust. A BSC used to prepare a CSP must be capable of providing an ISO Class 5 or better environment for preparation of the CSPs. |
| **Biological safety cabinet (BSC):** A ventilated cabinet that may be used for compounding. These cabinets are divided into three general classes (Class I, Class II, and Class III). Class II BSCs are further divided into types (Type A1, Type A2, Type B1, Type B2, and Type C1). |
| **BLA:** Biological license application. |
| **Blood components:** Any therapeutic constituent of blood separated by physical or mechanical means (eg, white cells, red cells, platelets, plasma, serum). It is not intended to include plasma-derived products (eg, albumin, coagulation factors, immunoglobulins) manufactured under an approved BLA or equivalent. |
| **BMBL:** Biosafety in Microbiological and Biomedical Laboratories. |
| **Buffer room:** An ISO Class 7 or cleaner room with fixed walls and doors where PEC(s) that generate and maintain an ISO Class 5 environment are physically located. The buffer room may only be accessed through the anteroom or another buffer room. |
| **Bulk drug substance:** See the entry for *Active pharmaceutical ingredient.* |
| **Category 1 CSP:** A CSP that is assigned a BUD of 12 hours or less at controlled room temperature or 24 hours or less refrigerated that is compounded in accordance with all applicable requirements for Category 1 CSPs in this chapter. |
| **Category 2 CSP:** A CSP that may be assigned a BUD of greater than 12 hours at controlled room temperature or greater than 24 hours refrigerated that is compounded in accordance with all applicable requirements for Category 2 CSPs in this chapter. |

| GLOSSARY USP <797> |
|---|
| **Category 3 CSP:** A CSP that may be assigned a BUD exceeding the limits in *Table 13* for Category 2 CSPs and is compounded in accordance with all applicable requirements for Category 3 CSPs in this chapter. |
| **CDC:** Centers for Disease Control and Prevention. |
| **Certificate of analysis (COA):** A report from the supplier of a component, container, or closure that accompanies the supplier's material and contains the specifications and results of all analyses and a description of the material. |
| **CFU:** Colony-forming units. |
| **Classified area:** An area that maintains an air quality classification based on the ISO standards required in this chapter (see also the definition for *ISO class).* |
| **Cleaning agent:** An agent, usually containing a surfactant, used for the removal of substances (eg, dirt, debris, microbes, and residual drugs or chemicals) from surfaces. |
| **Cleaning:** The process of removing substances (eg, organic and inorganic material) from objects and surfaces, normally accomplished by manually or mechanically using water with detergents or enzymatic products. |
| **Cleanroom suite:** A classified area that consists of both an anteroom and buffer room. |
| **Component:** Any ingredient used in the compounding of a preparation, including any active ingredient, added substance, or conventionally manufactured product. |
| **Compounded sterile preparation (CSP):** A preparation intended to be sterile that is created by combining, admixing, diluting, pooling, reconstituting, repackaging, or otherwise altering a drug product or bulk drug substance. |
| **Compounded stock solution:** A sterile mixture of components that is used to compound additional CSPs. |
| **Compounding area:** The area where compounding is occurring (ie, a cleanroom suite, inside the perimeter of the SCA, or AECA). |
| **Compounding aseptic containment isolator (CACI):** A type of RABS that uses HEPA filtration to provide an ISO Class 5 unidirectional air environment designed for the compounding of sterile HDs. |
| **Compounding aseptic isolator (CAI):** A type of RABS that uses HEPA filtration to provide an ISO Class 5 unidirectional air environment designed for compounding of sterile non-HDs. |

| GLOSSARY USP <797> |
|---|
| **Compounding record (CR):** Documents the compounding of each CSP. |
| **Compounding:** The process of combining, admixing, diluting, pooling, reconstituting, repackaging, or otherwise altering a drug product or bulk drug substance to create a sterile preparation. |
| **Container closure system:** Packaging components that together contain and protect the dosage form. This includes primary packaging components and secondary packaging components, if the latter are intended to provide additional protection. |
| **Containment glove bag:** A single-use disposable glove bag that is capable of containing airborne chemical particles. |
| **Containment ventilated enclosure (CVE):** A non-ISO classified full or partial enclosure that uses ventilation principles to capture, contain, and remove airborne contaminants through HEPA filtration and prevent their release into the work environment. |
| **Conventionally manufactured product:** A pharmaceutical dosage form, usually the subject of an application approved by the applicable national regulatory agency, that is manufactured under current good manufacturing practice conditions. |
| **Critical site:** A location that includes any component or fluid pathway surfaces (eg, vial septa, injection ports, and beakers) or openings (eg, opened ampules and needle hubs) that are exposed and at risk of direct contact with air (eg, ambient room or HEPA filtered), moisture (eg, oral and mucosal secretions), or touch contamination. |
| **Designated person(s):** One or more individuals assigned to be responsible and accountable for the performance and operation of the facility and personnel as related to the preparation of CSPs. |
| **Direct compounding area (DCA):** A critical area within the ISO Class 5 PEC where critical sites are exposed to unidirectional HEPA-filtered air, also known as first air. |
| **Disinfectant:** A chemical or physical agent used on inanimate surfaces and objects to destroy fungi, viruses, and bacteria. Sporicidal disinfectants are considered a special class of disinfectants that also are effective against bacterial and fungal spores. |
| **Dynamic airflow smoke pattern test:** A PEC test in which a visible source of smoke, which is neutrally buoyant, is used to observe air patterns within the unidirectional space (i.e., the DCA) under dynamic operating conditions (see the entry for *Dynamic operating conditions)*. This test is not appropriate for ISO Class 7 or ISO Class 8 cleanrooms that do not have unidirectional airflow (see the entry for *Visual smoke study)*. |
| **Dynamic operating conditions:** Conditions in the compounding area in which operating personnel are present and simulating or performing compounding. The conditions should reflect the largest number of personnel and highest complexity of compounding expected during routine operations as determined by the designated person(s). |

| GLOSSARY USP <797> |
|---|
| **ECV:** Endotoxin challenge vial. |
| **EPA:** US Environmental Protection Agency. |
| **Excipient:** See the entry for *Added substance*. |
| **FDA:** US Food and Drug Administration. |
| **Filter integrity test:** A test (eg, bubble point test) of the integrity of a sterilizing-grade filter performed after the filtration process to detect whether the integrity of the filter has been compromised. |
| **Final yield:** The total number of containers prepared at the end of the compounding process prior to release testing. |
| **First air:** The air exiting the HEPA filter in a unidirectional air stream. |
| **Formulation:** The specific qualitative and quantitative composition of the final CSP. |
| **Garb:** Items such as gloves, garments (eg, gowns), shoe covers, head and facial hair covers, masks, and other items designed to reduce particle shedding from personnel and minimize the risk of contamination of CSP(s). |
| **GFT:** Gloved fingertip and thumb testing. |
| **Hazardous drug (HD):** Any drug identified by at least one of the following six criteria: carcinogenicity, teratogenicity or developmental toxicity, reproductive toxicity in humans, organ toxicity at low dose in humans or animals, genotoxicity, or new drugs that mimic existing HDs in structure or toxicity. |
| **High-efficiency particulate air (HEPA) filtration:** Being, using, or containing a filter designed to remove 99.97% of airborne particles measuring 0.3-micron or greater in diameter passing through it. |
| **HVAC:** Heating, ventilation, and air conditioning. |
| **Integrated vertical laminar flow zone (IVLFZ):** A designated ISO Class 5 area serving as the PEC within an ISO Class 7 or cleaner buffer room. In the IVLFZ, unidirectional airflow is created by placing HEPA filters over the entire surface of the worktables and by effective placement of air returns. |
| **IPA:** Isopropyl alcohol. |

| GLOSSARY USP <797> |
|---|
| **ISO class:** An air-quality classification from the International Organization for Standardization. |
| **ISO:** International Organization for Standardization. |
| **Label:** The part of the labeling on the immediate container. |
| **Labeling:** All labels and other written, printed, or graphic matter on the immediate container or on or inside any packaging system or wrapper in which the article is enclosed, except any outer shipping container. |
| **Laminar airflow system (LAFS):** A device or zone within a buffer room that provides an ISO Class 5 or better air quality environment for sterile compounding. The system provides a unidirectional HEPA-filtered airflow. |
| **Laminar airflow workbench (LAFW):** A device that is a type of LAFS that provides an ISO Class 5 or better air quality environment for sterile compounding. The device provides a unidirectional HEPA-filtered airflow. |
| **Line of demarcation:** A visible line on the floor that separates the clean and dirty sides of the anteroom. |
| **Low-lint wiper:** A wiper exhibiting few, if any, fibers or other contamination, visible without magnification, which is separate from or easily removed from the wiper material in a dry condition. |
| **Master formulation record (MFR):** A detailed record of procedures that describes how the CSP is to be prepared. |
| **MEA:** Malt extract agar. |
| **Media-fill test:** A simulation used to qualify processes and personnel engaged in sterile compounding to ensure that the processes and personnel are able to prepare CSPs without contamination. |
| **Monograph:** A quality documentary standard within *USP–NF* that articulates the quality expectations for a medicine including for its identity, strength, purity, and performance. It also describes the tests to validate that a medicine and its ingredients meet these criteria. |
| **Multiple-dose container:** A container of sterile product for parenteral administration (eg, injection or infusion) that is designed to contain more than one dose of the sterile product. A multiple-dose container is usually required to meet the antimicrobial effectiveness testing criteria. See <659>Injection Packaging Systems, Multiple-dose container. |

| GLOSSARY USP <797> |
|---|
| **One-step disinfectant cleaner:** A product with an EPA-registered (or equivalent) claim that it can clean and disinfect a nonporous surface in the presence of light to moderate organic soiling without a separate cleaning step. |
| **Oversight:** The review, monitoring, and supervision of actions taken by personnel, bearing responsibility for those actions, and being available for consultation if and when needed, even if not physically present. |
| **Pass-through chamber:** An enclosure with sealed doors on both sides that should be interlocked. The pass-through chamber is positioned between two spaces for the purpose of minimizing particulate transfer while moving materials from one space to another. |
| **Perimeter:** A visible demarcation (such as a door, walls, or visible marking on the floor) that defines the SCA or AECA. |
| **Pharmaceutical isolator:** An enclosure that provides HEPA-filtered ISO Class 5 unidirectional air operated at a continuously higher pressure than its surrounding environment and is decontaminated using an automated system. It uses only decontaminated interfaces or rapid transfer ports for materials transfer. [Note—A CAI or CACI is not a pharmaceutical isolator.] |
| **Pharmacy bulk package:** A conventionally manufactured sterile product for parenteral use that contains many single doses intended for use in a pharmacy admixture program. A pharmacy bulk package may either be used to prepare admixtures for infusion or, through a sterile transfer device, for filling sterile containers. See <659>*Injection Packaging Systems, Pharmacy bulk package*. |
| **Positive-pressure room:** A room that is maintained at higher pressure than the adjacent spaces, and therefore the net airflow is out of the room. |
| **PPE:** Personal protective equipment. |
| **Preservative:** A substance added to inhibit microbial growth. |
| **Primary engineering control (PEC):** A device or zone that provides an ISO Class 5 air quality environment for sterile compounding. |
| **Probability of a nonsterile unit (PNSU):** The probability of an item being nonsterile after it has been exposed to a verified sterilization process. A PNSU value can only be applied to terminal sterilization. [Note—This is also called the sterility assurance level (SAL).] |
| **Pyrogen:** A substance that induces a febrile reaction in a patient. |
| **Quality assurance (QA):** A system of procedures, activities, and oversight that ensures that the compounding process consistently meets quality standards. |

| GLOSSARY USP <797> |
|---|
| **Quality control (QC):** The sampling, testing, and documentation of results that, taken together, ensure that specifications have been met before release of the CSP. |
| **Reconstitution:** The process of adding a diluent to a conventionally manufactured product to prepare a sterile solution or suspension. |
| **Release inspection and testing:** Visual inspection and testing performed to ensure that a preparation meets appropriate quality characteristics. |
| **Repackaging:** The act of removing a sterile product or preparation from its original primary container and placing it into another primary container, usually of smaller size without further manipulation. |
| **Restricted-access barrier system (RABS):** An enclosure that provides HEPA-filtered ISO Class 5 unidirectional air that allows for the ingress and/or egress of materials through defined openings that have been designed and validated to preclude the transfer of contamination, and that generally are not to be opened during operations. Examples of RABS include CAIs and CACIs. |
| **SDA:** Sabouraud dextrose agar. |
| **Secondary engineering control (SEC):** The area where the PEC is placed (eg, a cleanroom suite or an SCA). It incorporates specific design and operational parameters required to minimize the risk of contamination within the compounding area. |
| **Segregated compounding area (SCA):** A designated space, area, or room that is not required to be classified and is defined with a visible perimeter. The SCA must contain a PEC and is suitable for preparation of Category 1 CSPs only. |
| **Single-dose containers:** A container of sterile product for parenteral administration (eg, injection or infusion) that is designed for use with a single patient as a single injection/infusion. A single-dose container usually does not contain a preservative. See <659> Injection Packaging Systems, Single-dose container. |
| **SOP:** Standard operating procedure. |
| **Specification:** The tests, analytical methods, and acceptance criteria to which any component, CSP, container closure system, equipment, or other material used in compounding CSPs must conform to be considered acceptable for its intended use. |
| **Sporicidal disinfectant:** A chemical or physical agent that destroys bacterial and fungal spores when used in sufficient concentration for a specified contact time. It is expected to kill all vegetative microorganisms. |

| GLOSSARY USP <797> |
|---|
| **Stability:** The extent to which a product or preparation retains physical and chemical properties and characteristics within specified limits throughout its expiration or BUD. |
| **Sterility assurance level (SAL):** See the entry for *Probability of a nonsterile unit* (PNSU). |
| **Sterility:** The absence of viable microorganisms. |
| **Sterilization by filtration:** Passage of a gas or liquid through a sterilizing-grade membrane to yield filtrates that are sterile. |
