2. Bledsoe is not a licensed practitioner in Nevada.
3. Bledsoe retained Frank P. Respondent.

NEVADA STATE BOARD OF
MEDICAL EXAMINERS

By: 

FIRST AMENDED COMPLAINT

The Investigative Committee (IC)¹ of the Nevada State Board of Medical Examiners (Board), by and through Robert Kilroy, J.D., General Counsel and attorney for the IC, having a reasonable basis to believe that Frank P. Silver, M.D. (Respondent), violated the provisions of Nevada Revised Statutes (NRS) Chapter 630 and the Nevada Administrative Code (NAC) Chapter 630 (collectively Medical Practice Act), hereby issues its First Amended Complaint (Complaint), stating the IC's charges and allegations as follows:

Respondent's Licensure Status

1. Respondent is currently licensed in active status (License No. 2641), and has been licensed by the Board since August 8, 1972. Respondent is a medical doctor specializing in gynecology and infertility. At all times alleged herein, Respondent was licensed in an active status by the Board pursuant to the provisions of the Medical Practice Act.

Statement of Nevada Law Applicable to "Medical Spas" and "Medical Doctors"

Delegating Practitioners, Medical Assistants, and the Unlicensed Practice of Medicine

2. Pursuant to NRS 630.400(1)(d), it is unlawful for any person to practice medicine without being licensed by the Board under NRS Chapter 630, or by another medical professional licensing board pursuant to NRS Chapters 631 to 637, inclusive, 639, or 640.

///

¹ The Investigative Committee of the Nevada State Board of Medical Examiners, at the time this formal Complaint was authorized for filing, was composed of Board members Wayne Hardwick, M.D., Chairman, Mr. M. Neil Duxbury and Aury Nagy, M.D.

3. Pursuant to NRS 630.020, the “practice of medicine” means either (1) to diagnose, treat, correct, prevent or prescribe for any human disease, ailment, injury, infirmity, deformity or other condition, physical or mental, by any means or instrumentality, including, but not limited to, the performance of an autopsy, or (2) to apply principles or techniques of medical science in the diagnosis or the prevention of any such conditions, or (3) to perform any of the acts described in subsections (1) and (2) by using equipment that transfers information concerning the medical condition of the patient electronically, telephonically or by fiber optics, including, without limitation, through telehealth, from within or outside this State or the United States, or (4) to offer, undertake, attempt to do or hold oneself out as able to do any of the acts described in subsections (1) and (2).

4. Pursuant to NRS 630.305(1)(e), a Nevada physician or physician assistant (practitioner) may not aid, assist, employ or advise, directly or indirectly, any unlicensed person to engage in the practice of medicine contrary to the provisions of the Medical Practice Act, and doing so is grounds for initiating disciplinary action or denying licensure.

5. Pursuant to the Medical Practice Act, the only means by which a practitioner may lawfully aid, assist, employ or advise, directly or indirectly, an unlicensed person to engage in the practice of medicine is by delegating specific tasks to an adequately supervised and trained “medical assistant.” Pursuant to NRS 630.0129, a “medical assistant” means a person who (a) performs clinical tasks under the supervision of a physician or physician assistant; and (b) does not hold a license, certificate or registration issued by a professional licensing or regulatory board in this State to perform such clinical tasks; and the term does not include a person who performs only administrative, clerical, executive or other nonclinical tasks.

6. Pursuant to NRS 630.306(1)(r), a practitioner must supervise adequately a medical assistant, and failing to do so is grounds for initiating disciplinary action or denying licensure.

7. Pursuant to NAC 630.830, a delegating practitioner is professionally responsible for the safety and performance of each task which is delegated to a medical assistant. Pursuant to NAC 630.810(1), a delegating practitioner may not delegate tasks to a medical assistant unless: (a) the delegating practitioner knows that the medical assistant possesses the knowledge, skill and

1 training to perform the task safely and properly; (b) the medical assistant is not required to be
 2 certified or licensed to perform that task; (c) the medical assistant is employed by the delegating
 3 practitioner or the medical assistant and the delegating practitioner are employed by the same
 4 employer; and (d) the employer of the medical assistant has complied with the requirements of
 5 subsection 2 as they relate to the task.

6 8. Pursuant to NAC 630.820, a delegating practitioner may not supervise remotely a
 7 medical assistant, except in a specific case of emergency in a rural area.²

8 9. Except as otherwise provided in NAC 630.820, pursuant to NAC 630.810, if a
 9 medical assistant is delegated a task which involves an "invasive procedure,"³ the delegating
 10 practitioner must be immediately available to exercise oversight in person while the medical
 11 assistant performs the task.

12 10. The term "medical director" is not recognized or defined under any Nevada law or
 13 regulation pertaining to the professional conduct and responsibility of licensed medical
 14 professionals, and no law authorizes so-called "medical directors" to violate or circumvent the
 15 aforementioned statutes and regulations of the Medical Practice Act.

16 11. Accordingly, pursuant to NRS 630.400(1)(d), NRS 630.305(1)(e), and
 17 NRS 630.0129, and NAC 630.800 to NAC 630.840:

18 a. If a practitioner, whether by serving as a so-called "medical director" or by
 19 some other relationship or circumstance, aids, assists, employs or advises, directly or
 20 indirectly, any unlicensed person to engage in the practice of medicine, then the practitioner
 21 may lawfully do so only by delegating tasks to an adequately supervised, competent and properly
 22 trained medical assistant.

23
 24 ² Remote supervision of a medical assistant is prohibited unless: (a) the patient is located in a rural area; (b)
 25 the delegating practitioner is physically located a significant distance from the location where the task is to be
 26 performed; (c) the delegating practitioner determines that the exigent needs of the patient require immediate attention;
 27 (d) the patient and the delegating practitioner previously established a practitioner-patient relationship; and (e) the
 delegating practitioner is immediately available by telephone or other means of instant communication during the
 performance of the task by the medical assistant. As used in NAC 630.820, "rural area" means any area in this State
 other than Carson City or the City of Elko, Henderson, Reno, Sparks, Las Vegas or North Las Vegas.

28 ³ The Medical Practice Act does not define "invasive procedure," however, NAC 449.9733, pertaining to
 Medical Facilities, defines "invasive procedure" as "a medical procedure involving entry into the human body by
 puncture or incision or by insertion of an instrument,"

b. If a practitioner, whether by serving as a so-called "medical director" or by some other relationship or circumstance, aids, assists, employs or advises, directly or indirectly, any unlicensed person to engage in the practice of medicine, and if the practitioner has not done so by delegating specific tasks to an adequately supervised, competent and properly trained medical assistant, then: (1) that unlicensed person has violated NRS 630.400(1)(d), by practicing medicine without a license; and (2) that practitioner has violated NRS 630.305(1)(e), and is subject to discipline for aiding and assisting the unlicensed practice of medicine.

c. If a practitioner delegates a medical task to a medical assistant, whether by serving as a so-called "medical director" or by some other relationship or circumstance, then the practitioner remains professionally responsible for the safety and performance of each task, and remains professionally responsible for ensuring that the proper employment relationships exist, that the medical assistant is properly knowledgeable, trained and skilled, that the medical assistant is adequately supervised, and that the practitioner is nearby to supervise the specific medical tasks delegated, and, if it is an invasive medical task, then he or she must be immediately available to exercise oversight in person while the medical assistant performs the task.

d. If a practitioner delegates a medical task to a medical assistant, whether by serving as a so-called "medical director" or by some other relationship or circumstance, and if the practitioner fails to adequately supervise that medical assistant as required under the circumstances, then that physician or physician assistant has violated NRS 630.306(1)(r), and is subject to discipline for failing to adequately supervise a medical assistant.

Cosmetologists, "Medical Spas," "Medical Estheticians," & Unlicensed Practice of Medicine

12. Pursuant to NRS 644A.030, a licensed "cosmetologist" is not authorized by such license to practice medicine in any way. Rather, a licensed cosmetologist is authorized to perform only non-medical, cosmetological services, such as cleansing, stimulating or massaging the scalp or cleansing or beautifying the hair by the use of cosmetic preparations, antiseptics, tonics, lotions or creams, cutting, trimming or shaping the hair, removing hair by the use of electrolysis, depilatories, waxing, or sugaring, except for the permanent removal of hair with needles,

manicuring nails, massaging the skin, giving facials, and other miscellaneous non-medical, cosmetological services. Likewise, pursuant to NRS 644A.065, a licensed "esthetician" is not authorized to practice medicine in any way. Instead, pursuant to NRS 644A.075, a licensed esthetician is licensed to engage in "[b]eautifying, massaging, cleansing or stimulating the skin of the human body by the use of cosmetic preparations, antiseptics, tonics, lotions or creams or any device, electrical or otherwise, for the care of the skin," "[a]pplying cosmetics, eyelash extensions or eyelashes to any person, tinting eyelashes and eyebrows, eyelash perming and lightening hair on the body," and "[r]emoving superfluous hair from the body of any person by the use of depilatories, waxing, tweezers or sugaring."

13. Pursuant to NAC 644A.790 a cosmetologist and esthetician is further explicitly prohibited from performing "invasive procedures," which is defined as "an act that affects the structure or function of the skin other than the uppermost layers of the skin," and which for the sake of regulating the practice of cosmetologists and estheticians includes, without limitation, (a) the application of electricity for the sole purpose of contracting a muscle, (b) the application of a topical lotion, cream or other substance which affects anything other than the uppermost layers of the skin, (c) the penetration of the skin by needles, and (d) the abrasion of the skin below the uppermost layers of the skin.

14. There is no such license as "medical esthetician"⁴ or "medical cosmetologist" authorized by any Nevada law or issued by any Nevada sanctioned professional licensing body. The term "medical esthetician" is not recognized or defined under any Nevada law or regulation pertaining to the professional conduct and responsibility of licensed medical professionals, and no law authorizes cosmetologists or estheticians to violate or circumvent the aforementioned statutes and regulations of the Nevada Medical Practice Act by referring to themselves as "medical estheticians" or "medical cosmetologists."⁵

///

⁴ Esthetician is sometimes spelled "aesthetician." Nevada law in NRS Chapter 644A refers to "esthetician," and, accordingly, this spelling is used throughout this Complaint.

⁵ In fact, use of the title "medical esthetician" or "medical cosmetologist" by individuals licensed by the Nevada State Board of Cosmetology (NSBC) is prohibited in Nevada. It is grounds for disciplinary action by the NSBC if a licensee uses the term "expert," "advanced," or "medical" in connection with the description of his or her practice. See NAC 644A.870(2).

1 15. Accordingly, a Nevada licensed cosmetologist or esthetician may not practice
2 medicine in any way, or perform invasive medical procedures or medical services of any kind,
3 except as a "medical assistant" to a Nevada licensed medical professional, i.e., either as the
4 medical assistant of a Nevada licensed physician or physician assistant pursuant to
5 NRS 630.0129, et. seq., and NAC 630.800 to NAC 630.830, as described above, or similarly as
6 another type of professional "assistant," "hygienist," "technician," or other such designation,
7 who is delegated tasks by and under the direct supervision of another medical professional
8 who is duly licensed pursuant to NRS Chapters 631 to 637, inclusive, 639, or 640.

9 16. If a cosmetologist or esthetician practices or purports to practice medicine in any
10 way, unless he or she acts as a medical assistant and is delegated tasks and is properly
11 supervised by a professional medical practitioner, then he or she is violating
12 NRS 630.400(1)(d) by practicing medicine without a license.

13 **Nevada Pharmacy Laws Regarding Dangerous Drugs and Hypodermic Devices**

14 17. NRS 630.306(1)(b)(3) provides that engaging in conduct that violates a regulation
15 adopted by the Nevada State Board of Pharmacy (Pharmacy Board) is grounds for initiating
16 disciplinary action against a licensee.

17 18. Pursuant to NRS 454.201, a "dangerous drug" is "any drug, other than a controlled
18 substance, unsafe for self-medication or unsupervised use, and includes, the following, (1) any
19 drug which has been approved by the Food and Drug Administration for general distribution and
20 bears the legend: 'Rx Only'; (2) procaine hydrochloride with preservatives and stabilizers
21 (Gerovital H3) in injectable doses and amygdalin (laetrile) which have been licensed by the State
22 Board of Health for manufacture in this State but have not been approved as drugs by the Food
23 and Drug Administration; or (3) any drug which, pursuant to the Board's regulations, may be sold
24 only by prescription because the Board has found those drugs to be dangerous to public health or
25 safety."

26 ///

27 ///

28 ///

1 19. Pursuant to NRS 454.316 and NRS 454.321, it is unlawful to possess, dispense or
2 furnish a dangerous drug except when furnished to the person by a pharmacist pursuant to a legal
3 prescription or by a practitioner.

4 20. Pursuant to NRS 454.009, a "hypodermic" device is "any syringe, needle,
5 instrument, device or implement intended or capable of being adapted for the purpose of
6 administering drugs by subcutaneous, intramuscular or intravenous injection."

7 21. Pursuant to NRS 454.510, it is unlawful for any person to have in his or her
8 possession or under his or her control any hypodermic device (that is restricted by federal law to
9 sale by or on the order of a physician), unless the person has acquired possession of such device in
10 accordance with the provisions of NRS 454.480 to NRS 454.530, inclusive, that is, by sale
11 from a licensed pharmacist, on the prescription of a physician or other practitioner, which
12 prescription is filled as required by NRS 639.236, and may be refilled as authorized by the
13 prescriber.

14 22. Accordingly, pursuant to NRS 454.009, NRS 454.201, NRS 454.316, NRS 454.321
15 and NRS 454.510, a Nevada licensed cosmetologist and/or aesthetician is not permitted by
16 Nevada law to possess, control, access, prescribe, administer, and/or dispense dangerous drugs or
17 hypodermic devices, except as a medical assistant under the direct supervision of a Nevada
18 licensed physician, physician assistant, or other licensed medical professional, and then only if
19 otherwise permitted and in compliance with laws of regulating pharmacies and pharmaceuticals.

20 23. NAC 639.742(1) provides that a practitioner who wishes to dispense
21 dangerous drugs must apply to the Pharmacy Board for a certificate of registration to dispense
22 dangerous drugs. A practitioner must submit a separate application for each site of practice,
23 including, without limitation, telepharmacy, remote site or satellite consultation site, from which
24 the practitioner wishes to dispense dangerous drugs.

25 24. NAC 639.742(2) provides that if a facility from which the practitioner intends to
26 dispense dangerous drugs is not wholly owned and operated by the practitioner, the owner or
27 owners of the facility must also submit an application to the Pharmacy Board for a license to do
28 so.

25. NAC 639.742(3) provides, in pertinent part, that a dispensing practitioner and, if applicable, the owner or owners of the facility, shall ensure that:

- (a) All drugs are ordered by the dispensing practitioner;
- (b) All drugs are received and accounted for by the dispensing practitioner;
- (c) All drugs are stored in a secure, locked room or cabinet to which the dispensing practitioner has the only key or lock combination;
- (d) All drugs are dispensed in accordance with NAC 639.745.⁶
- (e) No prescription is dispensed to a patient unless the dispensing practitioner is on-site at the facility;
- (f) All drugs are dispensed only to the patient personally at the facility;
- (g) The price of each drug dispensed to a patient is separately itemized on any bill or statement provided to the patient.
- (h) All drugs are dispensed only for medically necessary purposes and according to prevailing standards of care for practitioners practicing in the specialty claimed or practiced by the dispensing practitioner; and

⁶ NAC 639.745 Duties of certain practitioners concerning dispensing of controlled substances and dangerous drugs. (NRS 639.070, 639.072) 1. Each practitioner who is registered with the Board to dispense controlled substances and dangerous drugs, including, without limitation, a dispensing practitioner, and who dispenses such products for use by the practitioner's patients outside his or her presence shall: (a) Keep complete, accurate and readily retrievable records of each controlled substance and dangerous drug purchased and dispensed. The record for each such product dispensed to a patient must include: (1) The name of the patient and, if not readily available from the practitioner's records, the patient's address; (2) The name, strength and quantity of the prescribed controlled substance or dangerous drug; (3) The directions for use; (4) The date the prescription was issued; and (5) A unique identifying number. (b) Maintain a separate file for the records concerning the purchase of each controlled substance listed in schedule II and a separate file for the records concerning the dispensing of each controlled substance listed in schedule II. Each prescription for a controlled substance or dangerous drug must be maintained in a separate file pursuant to the requirements set forth in NAC 453.480. (c) Keep all controlled substances and dangerous drugs in a locked storage area. Access to the storage area must be restricted to the persons described in NRS 453.375. (d) Ensure that each package or container, in which a controlled substance is dispensed, except samples in the manufacturer's packages, is clearly labeled pursuant to the requirements set forth in NRS 639.2801. (e) Ensure that the package or container in which a controlled substance or dangerous drug is dispensed complies with all state and federal packaging requirements. (f) Be deemed to be a pharmacy as that term is used in NAC 639.926 and shall comply with that section. 2. A practitioner may dispense dangerous drugs or controlled substances only after the patient has been informed by the practitioner that the patient may request a written prescription and have it filled at another location of the patient's choosing. 3. A record regarding the dispensing of a controlled substance or dangerous drug made and kept pursuant to this section must be maintained on paper or in a computer. If the record is: (a) Maintained on paper, the record must: (1) Include all the information required to be on the prescription pursuant to NRS 639.2353 and NAC 453.440; (2) Set forth on the front of the prescription a certification initialed and dated by the patient that the patient has been informed by the practitioner in accordance with subsection 2 and that the patient has agreed to have the practitioner dispense the controlled substance or dangerous drug; and (3) Be serially numbered and kept in numerical order in a single file for all dispensing practitioners, including, without limitation, physician assistants and advanced practice registered nurses, practicing at the same location. Respondent's Medical Directorship of Sandra Bledsoe

31. At all relevant times alleged herein, Respondent was an OB/GYN in Las Vegas, Nevada.

32. On or about July 15, 2015, Respondent entered into an agreement (Agreement) with an individual identified as Sandra Bledsoe (Bledsoe). This Agreement allowed Bledsoe to inject Botox, Juvaderm and B12 Vitamin Complex to cosmetic clients, and Respondent acted as supervising physician/Medical Director for VIP Faces, located at 1900 East Desert Inn Road, Las Vegas, Nevada 89169, which was located within the offices of the Desert Inn Women's Clinic. Desert Inn Medical Center owned and operated Desert Inn Women's Clinic at that time. This Agreement provided VIP Faces would pay Desert Inn Medical Center one thousand dollars (\$1,000.00) per month for utilization of two rooms for VIP Faces to perform cosmetic injections using Botox and Juvederm. Also, VIP Faces agreed to refer to Respondent weight loss patients if requested by the client. As Medical Director of VIP Faces, Respondent would examine some, but not all, of VIP Faces clients.

33. On February 24, 2016, the Board's investigators and investigators from the Pharmacy Board inspected VIP Faces located at 1900 E. Desert Inn Road, Las Vegas, NV. Bledsoe was not present during this inspection. However, Respondent was present and stated the following: that he was the supervising physician/Medical Director of VIP Faces, which was owned by Bledsoe, whom he had known for about a year. Unlike his other OB-GYN patients, Respondent did not have a physician-patient relationship with Bledsoe's VIP Faces cosmetic patients. Respondent also stated that he did not examine Bledsoe's cosmetic patients and saw them as they came out of VIP Faces rooms. Respondent did not establish a bona-fide medical relationship with Bledsoe's clients unless they requested other medical care, such as weight loss or gynecology. If a client requested a weight-loss program, then Respondent would examine the patient and prescribe Phentermine as part of their weight loss program. Inspectors found in a refrigerator one used vial of Botox one hundred (100) units with approximately fifty (50) units remaining and two more unopened boxes of Botox units. Respondent admitted that he allowed Bledsoe to act like a medical assistant in ordering products from drug makers Allergan and

1 McKesson utilizing Respondent's DEA number, but did not know exactly how much Bledsoe was
2 ordering for VIP Faces' use or her own personal use.

3 34. Bledsoe routinely injected clients with Botox, and Juvederm without Respondent's
4 medical supervision, and without Respondent's medical orders or instructions. Bledsoe also
5 injected B-12 vitamin for clients after approval by Respondent. VIP Faces held itself out to the
6 public as a "medical spa" "specializing" in injectable cosmetic procedures and "medical" weight-
7 loss.

8 35. Respondent was not a manager, agent, officer or employee of VIP Faces.

9 36. Respondent had no ownership or member interest in VIP Faces, but he had a
10 contractual authority, pursuant to the aforementioned Agreement. Respondent had a statutory duty
11 to manage the medical-related affairs of VIP Faces in compliance with the Medical Practice Act.

12 37. Neither Bledsoe nor other independent contractors of VIP Faces were employed by
13 Respondent during the time Respondent served as Medical Director of VIP Faces.

14 38. At all times relevant to the facts alleged herein, neither Bledsoe, nor her
15 independent contractors of VIP Faces were licensed by any Nevada professional licensing board
16 pursuant to NRS chapters 630 to 637, inclusive, 639 or 640 or licensed to practice medicine in the
17 State of Nevada.

18 39. Other than Respondent as Medical Director no person in any way affiliated with
19 VIP Faces held a medical license issued by the Nevada Medical Board.

20 40. Bledsoe was neither a Nevada licensed cosmetologist nor a Nevada licensed
21 esthetician.

22 41. During Respondent's supervision as Medical Director pursuant to the Agreement,
23 VIP Faces' records failed to indicate that Respondent adequately supervised, contacted or
24 consulted Bledsoe.

25 42. Respondent has been licensed in active status (License No. PD00433) by the
26 Pharmacy Board since September 12, 2013, to dispense prescription drugs at the following
27 location: 1900 E. Desert Inn Road, Suite B, Las Vegas, Nevada 89169.

28 ///

1 43. Respondent prescribed prescription-strength Botox; the aforementioned drugs and
2 hypodermic devices are available only by prescription, and are dangerous drugs as defined by
3 NRS 454.201. However, Respondent failed to supervise the amounts ordered and received by VIP
4 Faces, as Bledsoe solely controlled their possession.

5 44. As a result, Respondent, negligently through his lack of supervision, provided the
6 aforementioned dangerous drugs and hypodermic devices in the sole possession, custody and
7 control to Bledsoe.

8 45. During Respondent's agreement as Medical Director of VIP Faces, Bledsoe
9 provided medical treatment, and/or prescriptions, and/or administered dangerous drugs, and/or
10 utilized hypodermic devices, to VIP Faces' patients.

11 46. During Respondent's supervision pursuant to the Agreement, the conduct by
12 Bledsoe constitutes the practice of medicine in Nevada.

13 47. During Respondent's supervision pursuant to the Agreement on the date of
14 inspection, VIP Faces' medical records contained no entries for patient history, notes, examination
15 findings, procedures performed, or therapeutic procedures performed by Respondent, unless the
16 patient was referred by VIP Faces for weight loss or other gynecological procedures.

17 48. During Respondent's supervision pursuant to the Agreement, Bledsoe at her
18 discretion, ordered Botox and Juvederm prescribed by Respondent for utilization at VIP Faces
19 without adequate supervision by Respondent.

20 49. Botox and Juvederm were stored in a secure, locked room or cabinet to which
21 the Respondent and Bledsoe had access to. Respondent did not supervise Bledsoe's access to
22 these dangerous drugs and/or hypodermic devices.

23 50. Botox is introduced hypodermically, that is, subcutaneously.

24 51. During Respondent's supervision as Medical Director pursuant to the Agreement,
25 Bledsoe injected the aforementioned dangerous drugs and utilized hypodermic devices without a
26 dispensing license as required by the Pharmacy Board.

27 52. During Respondent's supervision as Medical Director pursuant to the Agreement,
28 Respondent was not always present when Bledsoe injected the aforementioned dangerous drugs.

53. During Respondent's supervision as Medical Director pursuant to the Agreement, Respondent neither received personally nor accounted for personally the dangerous drugs and/or hypodermic devices utilized for injections administered by Bledsoe.

a. The dangerous drugs and the use of hypodermic devices were not dispensed in accordance with NAC 639.745. Respondent did not have a bona-fide therapeutic relationship with some of the VIP Faces patients at issue.

b. Respondent personally did not inject the drugs dispensed in VIP Faces' two rooms, Respondent failed to assure through supervision that they were dispensed only for medically necessary purposes and according to prevailing standards of care, nor did he assure that a certificate for each dispensing technician employed at the facility was displayed in the room or cabinet in which drugs were stored.

54. Respondent failed to adequately supervise Bledsoe to ensure that she possessed the knowledge, skill, and training to perform injections on clients and/or patients safely and properly.

If such a hearing results in a finding of a violation of this Order by Respondent, the Board may impose additional discipline upon Respondent consistent with the provisions of NRS Chapter 453 and/or Chapter 639.

11. General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on June 2, 2021. Dear Ms. Bledsoe:

The Nevada State Board of Pharmacy (Board) has determined that from approximately July 15, 2015, to at least February 14, 2016, in the course of your ownership and operation of VIP Faces, located at 1900 East Desert Inn Road in Las Vegas, you engaged in unlicensed activity and fraudulently representing yourself to be a practitioner as follows:

1. You and/or the staff of VIP Faces unlawfully purchased, accessed, stored, possessed, administered, furnished and/or dispensed dangerous drugs, specifically performing cosmetic injections of Botox, Juvaderm and B12 Vitamin Complex, to patients who had not been examined by a practitioner.

3. You and/or the staff of VIP Faces unlawfully counseled patients regarding their medical treatment, including the administration of dangerous drugs.
4. You engaged in the unlawful use of Frank P. Silver, MD's authority as a licensed practitioner to purchase, possess and store an unsecured stock of dangerous drugs at VIP Faces, and failed to properly segregate and/or dispose of adulterated and/or expired dangerous drugs.

This constitutes a violation of state law, including, without limitation, NRS 454.213(1), NRS 454.221, NRS 454.316, NRS 454.321, NRS 454.356; NRS 639.100(1), NRS 639.281(1), NRS 639.282(1)(d), NAC 639.601(1) and/or NAC 639.898(1).

This notice shall serve as a CITATION pursuant to NRS 639.2895(2) for unlicensed activity. I. Procedural Background.

Each case was filed on July 23, 2021. Each Complaint sets a hearing date of September 1, 2021, at 9:00 a.m. *See* Statements to The Respondent of Hearing, each file stamped July 23, 2021.

On August 3, 2021, the parties communicated regarding a potential stipulated continuance of these hearings, which would allow Respondent adequate time and due process to prepare a defense, given the extensive nature of the present actions, which cover seven causes of action and range from various allegations over a six-year period.

Counsel for Petitioner responded that he would not agree to stipulate a continuance because the matter was previously continued from an initial July 14, 2021, hearing date. *See* Exhibit A - E-mail correspondence regarding continuance. Counsel also complained that he was not inclined to continue the matter because, on his view, Respondent had failed to provide requested information to the Board during the course of the investigation.

II. Legal Argument.

Pursuant to NAC 639.120, governing the conduct of disciplinary hearings under the Nevada State Board of Pharmacy, provides that "the person presiding at the hearing may grant a continuance only upon: (a) A joint stipulation of the parties; (b) The existence of an emergency condition; or (c) A written request filed at least 5 days before the date of the hearing and actually served upon the other parties at least 1 day before the date of the hearing."

1 Furthermore, "[a] continuance based on a written request pursuant to paragraph (c) may
2 be granted only upon a showing of good cause which term must be narrowly construed. A party
3 requesting a continuance must appear on the date of the hearing and be prepared to proceed
4 unless the request has been made pursuant to a joint stipulation."

5 Good cause for a continuance here exists for several reasons. First, the rule clearly
6 contemplates that a stipulated continuance would be appropriate in many cases, especially when
7 there has been no prior continuance. Counsel for Petitioner claims that this matter was initially
8 set July 14, 2021, and has already been continued. It is on this basis Petitioner objects to a
9 continuance of the September 1, 2021, hearing date.

10 However, the Board can see that both Complaints against Respondent were filed July
11 23, 2021. It is thus impossible that there was ever a July 14, 2021, hearing scheduled in this
12 case, and there has been no prior continuance. In fact, the rules governing this proceeding a
13 particular form of Notice, which was only provided to Respondent in the July 23, 2021, filings.
14 Respondent did not (and could not have) had notice for any alleged July 14, 2021, setting. As
15 such, Petitioner's basis for objecting to the requested continuance is without merit.

16 In addition to there being no merit to the reasoning behind objecting to the continuance,
17 Respondent would be severely prejudiced if the continuance is not denied. First, Respondent is
18 facing concurrent accusations in three different case numbers. In total, there are seven separate
19 causes of action. The allegations span a period of over six years. The Statement and Notice was
20 filed on July 23, 2021, and the hearing set for September 1, 2021. This provides Respondent
21 approximately 37 days to prepare to face accusations in three case numbers, seven causes of
22 action, and allegations spanning a period of years. These allegations involve the management
23 of two separate businesses, located in two different cities. Simply put, 37 days is a totally
24 insufficient time to prepare a defense given the scope of the allegations.

25 Respondent has constitutional due process rights in this administrative proceeding.
26 *Natchez v. State*, 102 Nev. 247, 252-53 (Nev. 1986). These rights include a fair and impartial
27 tribunal. *Id.* Most importantly:

1 "This court has held that, in the context of administrative pleadings, due
 2 process requirements of notice are satisfied where the parties are sufficiently apprised
 3 of the nature of the proceedings so that there is no unfair surprise. We explained that
 4 it is the opportunity to prepare a defense that defines due process."

5 *Dutchess Bus. Servs. v. State, Bd. of Pharm*, 124 Nev. 701, 712 (Nev. 2008)(emphasis added).

6 Respondent's due process rights can only be given via a continuance of the present
 7 hearing setting. As such, this constitutes good cause for a continuance. Respondent requires
 8 additional time to: (1) investigate the claims against her; (2) obtain evidence in her defense; (3)
 9 locate and secure the attendance of witnesses; (4) file and litigate pre-hearing motions in
 10 advance of the hearing; (5) seek to exclude inadmissible evidence the Board may seek to offer
 11 at the time of the hearing; and (6) have a fair opportunity to consult with counsel in advance of
 12 the hearing. Given the scope of the allegations, noted above, it is not possible that Respondent
 13 can complete these six steps in a period of 37 days from the Notice to the date of the hearing.

14 For these reasons, Respondent respectfully requests that this Motion to Continue be
 15 granted, and that a new hearing date be set approximately ninety (90) days beyond the date of
 16 September 1, 2021.

NEVADA STATE BOARD OF PHARMACY,

Petitioner,

v.

SANDRA BLEDSOE, D/B/A VIP FACES,

Respondent.

Case No. 21-042-S

**OPPOSITION TO RESPONDENT'S
MOTION FOR CONTINUANCE**

The Nevada State Board of Pharmacy (Board), by and through counsel prosecuting this matter, Brett Kandt, General Counsel, files this opposition to Respondent Sandra Bledsoe's Pre-Hearing Motion for Continuance filed August 16, 2021. This opposition is based upon the following points and authorities and the pleadings on file herein.

MEMORANDUM OF POINTS AND AUTHORITIES

I. FACTUAL AND PROCEDURAL BACKGROUND

On or about May 3, 2021, pursuant to NRS 639.2895 a Citation and Fine was served upon Respondent, alleging numerous violations of Nevada law arising from unlicensed practice in her ownership and operation of VIP Faces in Las Vegas from approximately July 15, 2015, to at least February 14, 2016. On or about June 2, 2021, Bledsoe appealed the Citation and Fine.

On June 4, 2021, counsel met and conferred via telephone on a hearing date in this matter, at which time counsel for Respondent requested that the hearing be noticed for September 1, 2021, rather than for the next meeting of the Board on July 14, 2021. The parties stipulated that the hearing would be noticed for September 1, 2021, and Board counsel subsequently confirmed that stipulation in correspondence to Respondent's counsel. *See Exhibit 1 - Declaration of Brett Kandt at ¶ 2 and Exhibit 2. The Statement to Respondent and Notice of Hearing was served on Respondent pursuant to NRS 233B.121(1) on or about July 23, 2021.*

To date Respondent has made no discovery request for production of evidence or witnesses in this matter. *See Exhibit 1 - Declaration of Brett Kandt at ¶ 3.*

II. LEGAL STANDARD

This appeal hearing challenging Respondent's Citation and Fine for unlicensed practice at VIP Faces is governed by NRS 233B.121-.126, *inclusive*.¹ "In a contested case, all parties must be afforded an opportunity for hearing after reasonable notice." NRS 233B.121(1). Courts have deemed "good cause" for a continuance to mean "a substantial reason; one that affords a legal excuse." *Price v. State*, 409 P.3d 889 (Nev. 2017) (citations omitted).

III. ARGUMENT

Respondent's Motion must be denied since Respondent cannot demonstrate good cause for a continuance or that she has not been accorded all necessary due process guarantees of fundamental fairness, including the opportunity to prepare a defense. *Dutchess Business Services, Inc. v. Nevada State Bd. of Pharmacy*, 124 Nev. 701, 711-15, 191 P.3d 1159, 1166-69 (2008). Respondent requested a hearing on September 1st rather than July 14th.

Respondent has made no discovery request for production of evidence or witnesses. Furthermore, as detailed in the Statement to Respondent and Notice of Hearing, the Citation and Fine are predicated on the following:

1. The Nevada State Board of Medical Examiners (NSBME) order entered in Case No. 20-4041-1, imposing discipline on Frank P. Silver, MD, as supervising physician and medical director of VIP Faces, related to his failure to adequately supervise Respondent in the operation of VIP Faces. *See Exhibit 3.*

¹ Respondent cites NAC 639.120 as the legal basis for a continuance, which governs disciplinary hearings of licensees before the Board and does not apply to this proceeding. Nevertheless, a continuance may be granted to the extent necessary to accord a respondent due process in a contested case. *See, e.g., Jones v. State ex rel. Wyo. DOT*, 991 P.2d 1251 (Wyo. 1999).

2. The Nevada State Board of Pharmacy Order entered in Case No. 21-001-CS-S, imposing discipline on Dr. Silver, related to Respondent's unlawful use of Silver's authority as a licensed practitioner to operate VIP Faces and to purchase, access, store, possess, administer, furnish and/or dispense dangerous drugs. *See Exhibit 4.*

The Board may take judicial notice of these administrative findings and actions in Respondent's appeal under the rule of administrative res judicata. *See Britton v. N. Las Vegas*, 106 Nev. 690, 799 P.2d 568 (1990) (apply principles of issue preclusion to the fact finding of administrative bodies acting in a judicial capacity). Consequently, Respondent cannot maintain that she has been denied the opportunity to prepare a defense or otherwise show good cause for a continuance at this juncture.

IV. CONCLUSION

For the foregoing reasons, the prosecution respectfully requests that the Board deny Respondent's Pre-Hearing Motion for Continuance and proceed with a hearing on September 1, 2021.

RESPECTFULLY SUBMITTED this 20th day of August, 2021.

FIRST AMENDED COMPLAINT

The Investigative Committee (IC)¹ of the Nevada State Board of Medical Examiners (Board), by and through Robert Kilroy, J.D., General Counsel and attorney for the IC, having a reasonable basis to believe that Frank P. Silver, M.D. (Respondent), violated the provisions of Nevada Revised Statutes (NRS) Chapter 630 and the Nevada Administrative Code (NAC) Chapter 630 (collectively Medical Practice Act), hereby issues its First Amended Complaint (Complaint), stating the IC's charges and allegations as follows:

Respondent's Licensure Status

1. Respondent is currently licensed in active status (License No. 2641), and has been licensed by the Board since August 8, 1972. Respondent is a medical doctor specializing in gynecology and infertility. At all times alleged herein, Respondent was licensed in an active status by the Board pursuant to the provisions of the Medical Practice Act.

Statement of Nevada Law Applicable to "Medical Spas" and "Medical Doctors"

Delegating Practitioners, Medical Assistants, and the Unlicensed Practice of Medicine

2. Pursuant to NRS 630.400(1)(d), it is unlawful for any person to practice medicine without being licensed by the Board under NRS Chapter 630, or by another medical professional licensing board pursuant to NRS Chapters 631 to 637, inclusive, 639, or 640.

///

¹ The Investigative Committee of the Nevada State Board of Medical Examiners, at the time this formal Complaint was authorized for filing, was composed of Board members Wayne Hardwick, M.D., Chairman, Mr. M. Neil Duxbury and Aury Nagy, M.D.

3. Pursuant to NRS 630.020, the "practice of medicine" means either (1) to diagnose, treat, correct, prevent or prescribe for any human disease, ailment, injury, infirmity, deformity or other condition, physical or mental, by any means or instrumentality, including, but not limited to, the performance of an autopsy, or (2) to apply principles or techniques of medical science in the diagnosis or the prevention of any such conditions, or (3) to perform any of the acts described in subsections (1) and (2) by using equipment that transfers information concerning the medical condition of the patient electronically, telephonically or by fiber optics, including, without limitation, through telehealth, from within or outside this State or the United States, or (4) to offer, undertake, attempt to do or hold oneself out as able to do any of the acts described in subsections (1) and (2).

4. Pursuant to NRS 630.305(1)(e), a Nevada physician or physician assistant (practitioner) may not aid, assist, employ or advise, directly or indirectly, any unlicensed person to engage in the practice of medicine contrary to the provisions of the Medical Practice Act, and doing so is grounds for initiating disciplinary action or denying licensure.

5. Pursuant to the Medical Practice Act, the only means by which a practitioner may lawfully aid, assist, employ or advise, directly or indirectly, an unlicensed person to engage in the practice of medicine is by delegating specific tasks to an adequately supervised and trained "medical assistant." Pursuant to NRS 630.0129, a "medical assistant" means a person who (a) performs clinical tasks under the supervision of a physician or physician assistant; and (b) does not hold a license, certificate or registration issued by a professional licensing or regulatory board in this State to perform such clinical tasks; and the term does not include a person who performs only administrative, clerical, executive or other nonclinical tasks.

6. Pursuant to NRS 630.306(1)(r), a practitioner must supervise adequately a medical assistant, and failing to do so is grounds for initiating disciplinary action or denying licensure.

7. Pursuant to NAC 630.830, a delegating practitioner is professionally responsible for the safety and performance of each task which is delegated to a medical assistant. Pursuant to NAC 630.810(1), a delegating practitioner may not delegate tasks to a medical assistant unless: (a) the delegating practitioner knows that the medical assistant possesses the knowledge, skill and

1 training to perform the task safely and properly; (b) the medical assistant is not required to be
2 certified or licensed to perform that task; (c) the medical assistant is employed by the delegating
3 practitioner or the medical assistant and the delegating practitioner are employed by the same
4 employer; and (d) the employer of the medical assistant has complied with the requirements of
5 subsection 2 as they relate to the task.

6 8. Pursuant to NAC 630.820, a delegating practitioner may not supervise remotely a
7 medical assistant, except in a specific case of emergency in a rural area.²

8 9. Except as otherwise provided in NAC 630.820, pursuant to NAC 630.810, if a
9 medical assistant is delegated a task which involves an "invasive procedure,"³ the delegating
10 practitioner must be immediately available to exercise oversight in person while the medical
11 assistant performs the task.

12 10. The term "medical director" is not recognized or defined under any Nevada law or
13 regulation pertaining to the professional conduct and responsibility of licensed medical
14 professionals, and no law authorizes so-called "medical directors" to violate or circumvent the
15 aforementioned statutes and regulations of the Medical Practice Act.

16 11. Accordingly, pursuant to NRS 630.400(1)(d), NRS 630.305(1)(e), and
17 NRS 630.0129, and NAC 630.800 to NAC 630.840:

18 a. If a practitioner, whether by serving as a so-called "medical director" or by
19 some other relationship or circumstance, aids, assists, employs or advises, directly or
20 indirectly, any unlicensed person to engage in the practice of medicine, then the practitioner
21 may lawfully do so only by delegating tasks to an adequately supervised, competent and properly
22 trained medical assistant.

23
24 ² Remote supervision of a medical assistant is prohibited unless: (a) the patient is located in a rural area; (b)
25 the delegating practitioner is physically located a significant distance from the location where the task is to be
26 performed; (c) the delegating practitioner determines that the exigent needs of the patient require immediate attention;
27 (d) the patient and the delegating practitioner previously established a practitioner-patient relationship; and (e) the
delegating practitioner is immediately available by telephone or other means of instant communication during the
performance of the task by the medical assistant. As used in NAC 630.820, "rural area" means any area in this State
other than Carson City or the City of Elko, Henderson, Reno, Sparks, Las Vegas or North Las Vegas.

28 ³ The Medical Practice Act does not define "invasive procedure," however, NAC 449.9733, pertaining to
Medical Facilities, defines "invasive procedure" as "a medical procedure involving entry into the human body by
puncture or incision or by insertion of an instrument,"

b. If a practitioner, whether by serving as a so-called "medical director" or by some other relationship or circumstance, aids, assists, employs or advises, directly or indirectly, any unlicensed person to engage in the practice of medicine, and if the practitioner has not done so by delegating specific tasks to an adequately supervised, competent and properly trained medical assistant, then: (1) that unlicensed person has violated NRS 630.400(1)(d), by practicing medicine without a license; and (2) that practitioner has violated NRS 630.305(1)(e), and is subject to discipline for aiding and assisting the unlicensed practice of medicine.

c. If a practitioner delegates a medical task to a medical assistant, whether by serving as a so-called "medical director" or by some other relationship or circumstance, then the practitioner remains professionally responsible for the safety and performance of each task, and remains professionally responsible for ensuring that the proper employment relationships exist, that the medical assistant is properly knowledgeable, trained and skilled, that the medical assistant is adequately supervised, and that the practitioner is nearby to supervise the specific medical tasks delegated, and, if it is an invasive medical task, then he or she must be immediately available to exercise oversight in person while the medical assistant performs the task.

d. If a practitioner delegates a medical task to a medical assistant, whether by serving as a so-called "medical director" or by some other relationship or circumstance, and if the practitioner fails to adequately supervise that medical assistant as required under the circumstances, then that physician or physician assistant has violated NRS 630.306(1)(r), and is subject to discipline for failing to adequately supervise a medical assistant.

Cosmetologists, "Medical Spas," "Medical Estheticians," & Unlicensed Practice of Medicine

12. Pursuant to NRS 644A.030, a licensed "cosmetologist" is not authorized by such license to practice medicine in any way. Rather, a licensed cosmetologist is authorized to perform only non-medical, cosmetological services, such as cleansing, stimulating or massaging the scalp or cleansing or beautifying the hair by the use of cosmetic preparations, antiseptics, tonics, lotions or creams, cutting, trimming or shaping the hair, removing hair by the use of electrolysis, depilatories, waxing, or sugaring, except for the permanent removal of hair with needles,

manicuring nails, massaging the skin, giving facials, and other miscellaneous non-medical, cosmetological services. Likewise, pursuant to NRS 644A.065, a licensed "esthetician" is not authorized to practice medicine in any way. Instead, pursuant to NRS 644A.075, a licensed esthetician is licensed to engage in "[b]eautifying, massaging, cleansing or stimulating the skin of the human body by the use of cosmetic preparations, antiseptics, tonics, lotions or creams or any device, electrical or otherwise, for the care of the skin," "[a]pplying cosmetics, eyelash extensions or eyelashes to any person, tinting eyelashes and eyebrows, eyelash perming and lightening hair on the body," and "[r]emoving superfluous hair from the body of any person by the use of depilatories, waxing, tweezers or sugaring."

13. Pursuant to NAC 644A.790 a cosmetologist and esthetician is further explicitly prohibited from performing "invasive procedures," which is defined as "an act that affects the structure or function of the skin other than the uppermost layers of the skin," and which for the sake of regulating the practice of cosmetologists and estheticians includes, without limitation, (a) the application of electricity for the sole purpose of contracting a muscle, (b) the application of a topical lotion, cream or other substance which affects anything other than the uppermost layers of the skin, (c) the penetration of the skin by needles, and (d) the abrasion of the skin below the uppermost layers of the skin.

14. There is no such license as "medical esthetician"⁴ or "medical cosmetologist" authorized by any Nevada law or issued by any Nevada sanctioned professional licensing body. The term "medical esthetician" is not recognized or defined under any Nevada law or regulation pertaining to the professional conduct and responsibility of licensed medical professionals, and no law authorizes cosmetologists or estheticians to violate or circumvent the aforementioned statutes and regulations of the Nevada Medical Practice Act by referring to themselves as "medical estheticians" or "medical cosmetologists."⁵

///

⁴ Esthetician is sometimes spelled "aesthetician." Nevada law in NRS Chapter 644A refers to "esthetician," and, accordingly, this spelling is used throughout this Complaint.

⁵ In fact, use of the title "medical esthetician" or "medical cosmetologist" by individuals licensed by the Nevada State Board of Cosmetology (NSBC) is prohibited in Nevada. It is grounds for disciplinary action by the NSBC if a licensee uses the term "expert," "advanced," or "medical" in connection with the description of his or her practice. See NAC 644A.870(2).

1 15. Accordingly, a Nevada licensed cosmetologist or esthetician may not practice
2 medicine in any way, or perform invasive medical procedures or medical services of any kind,
3 except as a "medical assistant" to a Nevada licensed medical professional, i.e., either as the
4 medical assistant of a Nevada licensed physician or physician assistant pursuant to
5 NRS 630.0129, et. seq., and NAC 630.800 to NAC 630.830, as described above, or similarly as
6 another type of professional "assistant," "hygienist," "technician," or other such designation,
7 who is delegated tasks by and under the direct supervision of another medical professional
8 who is duly licensed pursuant to NRS Chapters 631 to 637, inclusive, 639, or 640.

9 16. If a cosmetologist or esthetician practices or purports to practice medicine in any
10 way, unless he or she acts as a medical assistant and is delegated tasks and is properly
11 supervised by a professional medical practitioner, then he or she is violating
12 NRS 630.400(1)(d) by practicing medicine without a license.

13 **Nevada Pharmacy Laws Regarding Dangerous Drugs and Hypodermic Devices**

14 17. NRS 630.306(1)(b)(3) provides that engaging in conduct that violates a regulation
15 adopted by the Nevada State Board of Pharmacy (Pharmacy Board) is grounds for initiating
16 disciplinary action against a licensee.

17 18. Pursuant to NRS 454.201, a "dangerous drug" is "any drug, other than a controlled
18 substance, unsafe for self-medication or unsupervised use, and includes, the following, (1) any
19 drug which has been approved by the Food and Drug Administration for general distribution and
20 bears the legend: 'Rx Only'; (2) procaine hydrochloride with preservatives and stabilizers
21 (Gerovital H3) in injectable doses and amygdalin (laetrile) which have been licensed by the State
22 Board of Health for manufacture in this State but have not been approved as drugs by the Food
23 and Drug Administration; or (3) any drug which, pursuant to the Board's regulations, may be sold
24 only by prescription because the Board has found those drugs to be dangerous to public health or
25 safety."

26 ///

27 ///

28 ///

1 19. Pursuant to NRS 454.316 and NRS 454.321, it is unlawful to possess, dispense or
2 furnish a dangerous drug except when furnished to the person by a pharmacist pursuant to a legal
3 prescription or by a practitioner.

4 20. Pursuant to NRS 454.009, a "hypodermic" device is "any syringe, needle,
5 instrument, device or implement intended or capable of being adapted for the purpose of
6 administering drugs by subcutaneous, intramuscular or intravenous injection."

7 21. Pursuant to NRS 454.510, it is unlawful for any person to have in his or her
8 possession or under his or her control any hypodermic device (that is restricted by federal law to
9 sale by or on the order of a physician), unless the person has acquired possession of such device in
10 accordance with the provisions of NRS 454.480 to NRS 454.530, inclusive, that is, by sale
11 from a licensed pharmacist, on the prescription of a physician or other practitioner, which
12 prescription is filled as required by NRS 639.236, and may be refilled as authorized by the
13 prescriber.

14 22. Accordingly, pursuant to NRS 454.009, NRS 454.201, NRS 454.316, NRS 454.321
15 and NRS 454.510, a Nevada licensed cosmetologist and/or aesthetician is not permitted by
16 Nevada law to possess, control, access, prescribe, administer, and/or dispense dangerous drugs or
17 hypodermic devices, except as a medical assistant under the direct supervision of a Nevada
18 licensed physician, physician assistant, or other licensed medical professional, and then only if
19 otherwise permitted and in compliance with laws of regulating pharmacies and pharmaceuticals.

20 23. NAC 639.742(1) provides that a practitioner who wishes to dispense
21 dangerous drugs must apply to the Pharmacy Board for a certificate of registration to dispense
22 dangerous drugs. A practitioner must submit a separate application for each site of practice,
23 including, without limitation, telepharmacy, remote site or satellite consultation site, from which
24 the practitioner wishes to dispense dangerous drugs.

25 24. NAC 639.742(2) provides that if a facility from which the practitioner intends to
26 dispense dangerous drugs is not wholly owned and operated by the practitioner, the owner or
27 owners of the facility must also submit an application to the Pharmacy Board for a license to do
28 so.

25. NAC 639.742(3) provides, in pertinent part, that a dispensing practitioner and, if applicable, the owner or owners of the facility, shall ensure that:

- (a) All drugs are ordered by the dispensing practitioner;
- (b) All drugs are received and accounted for by the dispensing practitioner;
- (c) All drugs are stored in a secure, locked room or cabinet to which the dispensing practitioner has the only key or lock combination;
- (d) All drugs are dispensed in accordance with NAC 639.745.⁶
- (e) No prescription is dispensed to a patient unless the dispensing practitioner is on-site at the facility;
- (f) All drugs are dispensed only to the patient personally at the facility;
- (g) The price of each drug dispensed to a patient is separately itemized on any bill or statement provided to the patient.
- (h) All drugs are dispensed only for medically necessary purposes and according to prevailing standards of care for practitioners practicing in the specialty claimed or practiced by the dispensing practitioner; and

⁶ NAC 639.745 Duties of certain practitioners concerning dispensing of controlled substances and dangerous drugs. (NRS 639.070, 639.0727) 1. Each practitioner who is registered with the Board to dispense controlled substances and dangerous drugs, including, without limitation, a dispensing practitioner, and who dispenses such products for use by the practitioner's patients outside his or her presence shall: (a) Keep complete, accurate and readily retrievable records of each controlled substance and dangerous drug purchased and dispensed. The record for each such product dispensed to a patient must include: (1) The name of the patient and, if not readily available from the practitioner's records, the patient's address; (2) The name, strength and quantity of the prescribed controlled substance or dangerous drug; (3) The directions for use; (4) The date the prescription was issued; and (5) A unique identifying number. (b) Maintain a separate file for the records concerning the purchase of each controlled substance listed in schedule II and a separate file for the records concerning the dispensing of each controlled substance listed in schedule II. Each prescription for a controlled substance or dangerous drug must be maintained in a separate file pursuant to the requirements set forth in NAC 453.480. (c) Keep all controlled substances and dangerous drugs in a locked storage area. Access to the storage area must be restricted to the persons described in NRS 453.375. (d) Ensure that each package or container, in which a controlled substance is dispensed, except samples in the manufacturer's packages, is clearly labeled pursuant to the requirements set forth in NRS 639.2801. (e) Ensure that the package or container in which a controlled substance or dangerous drug is dispensed complies with all state and federal packaging requirements. (f) Be deemed to be a pharmacy as that term is used in NAC 639.926 and shall comply with that section. 2. A practitioner may dispense dangerous drugs or controlled substances only after the patient has been informed by the practitioner that the patient may request a written prescription and have it filled at another location of the patient's choosing. 3. A record regarding the dispensing of a controlled substance or dangerous drug made and kept pursuant to this section must be maintained on paper or in a computer. If the record is: (a) Maintained on paper, the record must: (1) Include all the information required to be on the prescription pursuant to NRS 639.2353 and NAC 453.440; (2) Set forth on the front of the prescription a certification initialed and dated by the patient that the patient has been informed by the practitioner in accordance with subsection 2 and that the patient has agreed to have the practitioner dispense the controlled substance or dangerous drug; and (3) Be serially numbered and kept in numerical order in a single file for all dispensing practitioners, including, without limitation, physician assistants and advanced practice registered nurses, practicing at the same location. (a) Maintained in a computer, the record must: (1) Include all the information required to be on the prescription pursuant to NRS 639.2353 and NAC 453.440; (2) Contain a certification, either in the computer or a separate paper document, initialed and dated by the patient that the patient has been informed by the practitioner in accordance with subsection 2 and that the patient has agreed to have the practitioner dispense the controlled substance or dangerous drug; and (3) Be searchable for any item required by paragraph (a) of subsection 1 to be included in the record.

Respondent's Medical Directorship of Sandra Bledsoe

31. At all relevant times alleged herein, Respondent was an OB/GYN in Las Vegas, Nevada.

32. On or about July 15, 2015, Respondent entered into an agreement (Agreement) with an individual identified as Sandra Bledsoe (Bledsoe). This Agreement allowed Bledsoe to inject Botox, Juvaderm and B12 Vitamin Complex to cosmetic clients, and Respondent acted as supervising physician/Medical Director for VIP Faces, located at 1900 East Desert Inn Road, Las Vegas, Nevada 89169, which was located within the offices of the Desert Inn Women's Clinic. Desert Inn Medical Center owned and operated Desert Inn Women's Clinic at that time. This Agreement provided VIP Faces would pay Desert Inn Medical Center one thousand dollars (\$1,000.00) per month for utilization of two rooms for VIP Faces to perform cosmetic injections using Botox and Juvederm. Also, VIP Faces agreed to refer to Respondent weight loss patients if requested by the client. As Medical Director of VIP Faces, Respondent would examine some, but not all, of VIP Faces clients.

33. On February 24, 2016, the Board's investigators and investigators from the Pharmacy Board inspected VIP Faces located at 1900 E. Desert Inn Road, Las Vegas, NV. Bledsoe was not present during this inspection. However, Respondent was present and stated the following: that he was the supervising physician/Medical Director of VIP Faces, which was owned by Bledsoe, whom he had known for about a year. Unlike his other OB-GYN patients, Respondent did not have a physician-patient relationship with Bledsoe's VIP Faces cosmetic patients. Respondent also stated that he did not examine Bledsoe's cosmetic patients and saw them as they came out of VIP Faces rooms. Respondent did not establish a bona-fide medical relationship with Bledsoe's clients unless they requested other medical care, such as weight loss or gynecology. If a client requested a weight-loss program, then Respondent would examine the patient and prescribe Phentermine as part of their weight loss program. Inspectors found in a refrigerator one used vial of Botox one hundred (100) units with approximately fifty (50) units remaining and two more unopened boxes of Botox units. Respondent admitted that he allowed Bledsoe to act like a medical assistant in ordering products from drug makers Allergan and

1 McKesson utilizing Respondent's DEA number, but did not know exactly how much Bledsoe was
2 ordering for VIP Faces' use or her own personal use.

3 34. Bledsoe routinely injected clients with Botox, and Juvederm without Respondent's
4 medical supervision, and without Respondent's medical orders or instructions. Bledsoe also
5 injected B-12 vitamin for clients after approval by Respondent. VIP Faces held itself out to the
6 public as a "medical spa" "specializing" in injectable cosmetic procedures and "medical" weight-
7 loss.

8 35. Respondent was not a manager, agent, officer or employee of VIP Faces.

9 36. Respondent had no ownership or member interest in VIP Faces, but he had a
10 contractual authority, pursuant to the aforementioned Agreement. Respondent had a statutory duty
11 to manage the medical-related affairs of VIP Faces in compliance with the Medical Practice Act.

12 37. Neither Bledsoe nor other independent contractors of VIP Faces were employed by
13 Respondent during the time Respondent served as Medical Director of VIP Faces.

14 38. At all times relevant to the facts alleged herein, neither Bledsoe, nor her
15 independent contractors of VIP Faces were licensed by any Nevada professional licensing board
16 pursuant to NRS chapters 630 to 637, inclusive, 639 or 640 or licensed to practice medicine in the
17 State of Nevada.

18 39. Other than Respondent as Medical Director no person in any way affiliated with
19 VIP Faces held a medical license issued by the Nevada Medical Board.

20 40. Bledsoe was neither a Nevada licensed cosmetologist nor a Nevada licensed
21 esthetician.

22 41. During Respondent's supervision as Medical Director pursuant to the Agreement,
23 VIP Faces' records failed to indicate that Respondent adequately supervised, contacted or
24 consulted Bledsoe.

25 42. Respondent has been licensed in active status (License No. PD00433) by the
26 Pharmacy Board since September 12, 2013, to dispense prescription drugs at the following
27 location: 1900 E. Desert Inn Road, Suite B, Las Vegas, Nevada 89169.

28 ///

1 43. Respondent prescribed prescription-strength Botox; the aforementioned drugs and
2 hypodermic devices are available only by prescription, and are dangerous drugs as defined by
3 NRS 454.201. However, Respondent failed to supervise the amounts ordered and received by VIP
4 Faces, as Bledsoe solely controlled their possession.

5 44. As a result, Respondent, negligently through his lack of supervision, provided the
6 aforementioned dangerous drugs and hypodermic devices in the sole possession, custody and
7 control to Bledsoe.

8 45. During Respondent's agreement as Medical Director of VIP Faces, Bledsoe
9 provided medical treatment, and/or prescriptions, and/or administered dangerous drugs, and/or
10 utilized hypodermic devices, to VIP Faces' patients.

11 46. During Respondent's supervision pursuant to the Agreement, the conduct by
12 Bledsoe constitutes the practice of medicine in Nevada.

13 47. During Respondent's supervision pursuant to the Agreement on the date of
14 inspection, VIP Faces' medical records contained no entries for patient history, notes, examination
15 findings, procedures performed, or therapeutic procedures performed by Respondent, unless the
16 patient was referred by VIP Faces for weight loss or other gynological procedures.

17 48. During Respondent's supervision pursuant to the Agreement, Bledsoe at her
18 discretion, ordered Botox and Juvederm prescribed by Respondent for utilization at VIP Faces
19 without adequate supervision by Respondent.

20 49. Botox and Juvederm were stored in a secure, locked room or cabinet to which
21 the Respondent and Bledsoe had access to. Respondent did not supervise Bledsoe's access to
22 these dangerous drugs and/or hypodermic devices.

23 50. Botox is introduced hypodermically, that is, subcutaneously.

24 51. During Respondent's supervision as Medical Director pursuant to the Agreement,
25 Bledsoe injected the aforementioned dangerous drugs and utilized hypodermic devices without a
26 dispensing license as required by the Pharmacy Board.

27 52. During Respondent's supervision as Medical Director pursuant to the Agreement,
28 Respondent was not always present when Bledsoe injected the aforementioned dangerous drugs.

53. During Respondent's supervision as Medical Director pursuant to the Agreement, Respondent neither received personally nor accounted for personally the dangerous drugs and/or hypodermic devices utilized for injections administered by Bledsoe.

a. The dangerous drugs and the use of hypodermic devices were not dispensed in accordance with NAC 639.745. Respondent did not have a bona-fide therapeutic relationship with some of the VIP Faces patients at issue.

b. Respondent personally did not inject the drugs dispensed in VIP Faces' two rooms, Respondent failed to assure through supervision that they were dispensed only for medically necessary purposes and according to prevailing standards of care, nor did he assure that a certificate for each dispensing technician employed at the facility was displayed in the room or cabinet in which drugs were stored.

54. Respondent failed to adequately supervise Bledsoe to ensure that she possessed the knowledge, skill, and training to perform injections on clients and/or patients safely and properly.

COUNT I

NRS 630.306(1)(r): Failure to Adequately Supervise

55. All of the allegations in the above paragraphs are hereby incorporated as if fully set forth herein.

56. NRS 630.306(1)(r) provides that a failure to supervise adequately a medical assistant pursuant to the regulations of the Board is an act that constitutes grounds for initiating disciplinary action against a licensee.

57. By the conduct described herein, Respondent failed to supervise adequately, or supervise properly Bledsoe, and any contractors of VIP Faces in their performance of medical tasks as Medical Director pursuant to the Agreement.

58. By reason of the foregoing, Respondent is subject to discipline by the Nevada State Board of Medical Examiners as provided in NRS 630.352.

2. On or about February 28, 2021, Respondent filed an Answer and Notice of Defense to the Accusation.
3. Respondent is fully aware of the right to seek the advice of counsel in this matter and obtained the advice of counsel prior to entering into this Stipulation.
4. Respondent is aware of his right to a hearing on the matters alleged in the Accusation, his right to reconsideration, his right to appeal and any and all other rights which may be accorded to him pursuant to NRS Chapter 233B (Nevada Administrative Procedure Act), NRS Chapter 622A (Administrative Procedure Before Certain Regulatory Bodies), and NRS Chapter 639 (Nevada Pharmacy Act).

6. Respondent acknowledges that Board staff prosecuting this case could present such evidence at an administrative hearing which may be sufficient to establish a factual basis for the violations alleged therein, *to wit*, that:

A. On or about November 17, 2020, the Nevada State Board of Medical Examiners (NSBME) entered an order in Case No. 20-4041-1, and imposed discipline on Respondent's License No. 2641 to practice medicine for violations of NRS 630.306(1)(r) and NRS 630.306(1)(b)(3);

B. Respondent at times failed to put into practice policies and procedures within VIP Faces to ensure that dangerous drugs, *to wit*, cosmetic injectables, were purchased, accessed, stored, possessed, administered, furnished and/or dispensed to patients in compliance with NRS 454.213(1), NRS 454.221 and/or NRS 454.316; and

C. Respondent engaged in conduct contrary to the public interest as defined in NAC 639.945(1).

7. Respondent has not any professional affiliation nor engaged in professional practice with VIP Faces for over three years.

8. Those violations are plead with particularity in the Accusation, and are grounds for action pursuant to NRS 453.241(1) and NRS 639.255.

9. In order to resolve this matter without incurring any further costs or the expense associated with a hearing, and without Respondent admitting to the allegations in the Accusation,

the Board and Respondent Frank P. Silver, MD, Certificate of Registration Nos. CS04120 and PD00433, stipulate to the following:

A. Respondent shall pay a fine of Three-Thousand Dollars (\$3000.00) payable by *cashier's check* or *certified check* or *money order* made payable to "State of Nevada, Office of the Treasurer," to be received by the Board's Reno office located at 985 Damonte Ranch Parkway – Suite 206, Reno, Nevada 89521, within thirty (30) days of the effective date of this Order;

B. Respondent shall pay One-Thousand Dollars (\$1000.00) to partially reimburse the Board for recoverable attorney's fees and costs incurred in investigating and prosecuting this matter, payable by *cashier's check* or *certified check* or *money order* made payable to "Nevada State Board of Pharmacy," to be received by the Board's Reno office located at 985 Damonte Ranch Parkway – Suite 206, Reno, Nevada 89521, within thirty (30) days of the effective date of this Order;

C. Respondent shall establish policies and procedures within his practice to ensure that:

i. A bona fide relationship between the patient and the practitioner ordering a cosmetic injectable exists before the medication is ordered or administered;

ii. The practitioner who examines the patient and orders a cosmetic injectable maintains exclusive possession and control of the medication until after he or she creates a patient-specific and medication-specific order for the administration of the medication;

iii. To the extent a cosmetic injectable called for in an order is put into the control and possession of anyone other than a practitioner, the ordering practitioner personally gives control and possession of the medication to the non-practitioner and only gives the non-practitioner the specific medication in the specific quantity needed to fill the order; and

iv. All cosmetic injectables are kept in a locked storage area with access restricted to authorized persons.

D. Respondent shall comply with all federal and state statutes and regulations regarding cosmetic injectables.

10. Any failure by Respondent to comply with the terms of this Order may result in issuance by the Executive Secretary of an order to show cause pursuant to NAC 639.965 directing that Respondent to appear before the Board at the next regularly-scheduled meeting for a show cause hearing. If such a hearing results in a finding of a violation of this Order by Respondent, the Board may impose additional discipline upon Respondent consistent with the provisions of NRS Chapter 453 and/or Chapter 639.

11. General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on June 2, 2021. Respondent will appear at the meeting to answer questions from the Board Members and/or Board Staff. The Board Members and Staff may discuss and deliberate regarding this Stipulation, even if Respondent is not present at the meeting.

12. The Board has discretion to accept this Stipulation, but it is not obligated to do so. If this Stipulation is approved by the Board it shall be a public record pursuant to NRS 622.330.

13. If the Board rejects any part or all of this Stipulation, and unless they reach an alternative agreement on the record during the hearing, the parties agree that a full hearing on the merits of this matter shall be heard by the Board. The terms herein may not be used or referred to in a full hearing on the merits of this matter.

14. Subject to the approval of this Stipulation by the Board, the Board and Respondent agree to release each other from any and all additional claims arising from the facts set forth in the Accusation on file herein, whether known or unknown that might otherwise have existed on or before the effective date of this Order.

Respondent has fully considered the charges and allegations set forth in the *Notice of Intended Action and Accusation* in this matter, and the terms of this Stipulation, and has freely and voluntarily agreed to the terms set forth herein, and waived certain rights, as stated herein.

v.

SANDRA BLEDSOE, D/B/A REVENGE MD,

Respondent.

Case Nos. 21-042-B-S/21-042-C-S

**STATEMENT TO THE
RESPONDENT AND
NOTICE OF HEARING**

TO THE RESPONDENT ABOVE-NAMED: PLEASE TAKE NOTICE THAT:

Pursuant to the authority and jurisdiction conferred upon the Nevada State Board of Pharmacy (Board) by NRS 639.2895 and NRS 233B.121-.126, *inclusive*, on or about May 18, 2021, a Cease and Desist/Citation and Fine was served upon Respondent Sandra Bledsoe (Bledsoe) at Revenge MD in Henderson, and a separate Cease and Desist/Citation and Fine was served upon Bledsoe at Revenge MD in Reno, alleging violations of Nevada law as set forth herein.

FACTUAL ALLEGATIONS

1. Bledsoe owns and operates Revenge MD, with locations at 2405 W. Horizon Ridge Pkwy #100 in Henderson (Henderson location), 10605 Double R Blvd. in Reno (Reno location), and online at www.revengemd.com.
2. Bledsoe is not a licensed practitioner in Nevada.
3. In the course of operating both Revenge MD locations, Bledsoe unlawfully purchases, stores, possesses, administers, furnishes and/or dispenses dangerous drugs, specifically cosmetic injectable fillers including, without limitation, Restylane Kysee, Restylane Lidocaine, Restylane Lyft, Juvederm Voluma with Lidocaine and/or and Liporase, and controlled substances, specifically Phentermine, to patients who have not been examined by a practitioner.

4. In the course of operating both Revenge MD locations, Bledsoe unlawfully provides on-site medical treatment to patients, including the administration of dangerous drugs through cosmetic injections, without direct practitioner supervision. This constitutes a violation of state law, including, without limitation, NRS 200.840(1), NRS 454.213(1), NRS 454.221(1), 454.311(1); NRS 454.316(1), NRS 454.321, NRS 454.356; NRS 639.100(1); NRS 639.281(1) and/or NRS 639.285.

5. In the course of operating both Revenge MD locations, Bledsoe unlawfully engages in the business of shipping, receiving, storing and distributing prescription drug products into and within Nevada without a license to engage in business as a wholesaler. This constitutes a violation of federal and State law, including, without limitation, 21 U.S. Code § 353(e)(1), 21 CFR Part 205, NRS 639.100, NRS 639.233, NRS 639.288 and NAC 639.585-.607.

6. Some of the drug products involved are intended for distribution in foreign markets and are not approved for marketing, distribution or use in the U.S. This constitutes a violation of federal law, including, without limitation, 21 U.S.C. § 331 and 21 U.S.C. § 355(a), and consequently a violation of NRS 454.351(1) and NRS 585.490.

7. Controlled substances and dangerous drugs at both Revenge MD locations were not kept in a locked storage area with access restricted to authorized persons, and Bledsoe failed to properly store, label, segregate and/or dispose of adulterated and/or expired drugs. Bledsoe permitted, without limitation, the following: opened, undated multi-dose injectables to be used for treatment of patients, vials of expired drugs for treatment of patients, unlabeled compounded drug products (no beyond use date nor information as to origin) for treatment of patients, and pre-drawn, unlabeled syringes with unknown substances for treatment of patients.

8. Bledsoe has refused to make requested records available in the course of the Board's investigation, including complete and accurate invoices and records of the sale and disposition of the drug products, and complete and accurate practitioner records.

9. On or about June 2, 2021, Bledsoe appealed both the Cease and Desist/Citation and Fine served upon the Henderson location and the Cease and Desist/Citation and Fine served upon the Reno location, and requested a hearing before the Board.

MOTION TO CONTINUE HEARING

COMES NOW, Respondent, SANDRA BLEDSOE D/B/A REVENGE MD, by and through her attorney of record, BRET O. WHIPPLE, ESQ., of JUSTICE LAW CENTER, and hereby files this MOTION TO CONTINUE HEARING. This motion is made based upon the following memorandum of points and authorities.

MEMORANDUM OF POINTS AND AUTHORITIES.

I. Procedural Background.

The Nevada State Board of Pharmacy ("the Board") has submitted a Cease and Desist/Citation and Fine alleging violations of Nevada law upon Respondent, Case No. 21-042-S. This case makes allegations of conduct ranging from July 2015 through February 2016. This first case alleges one cause of action. Respondent concurrently faces separate allegations in Cases 21-042-B-S and 21-042-C-S. Those cases involve allegations, including six (6) different causes of action.

Each case was filed on July 23, 2021. Each Complaint sets a hearing date of September 1, 2021, at 9:00 a.m. *See* Statements to The Respondent of Hearing, each file stamped July 23, 2021.

On August 3, 2021, the parties communicated regarding a potential stipulated continuance of these hearings, which would allow Respondent adequate time and due process to prepare a defense, given the extensive nature of the present actions, which cover seven causes of action and range from various allegations over a six-year period.

Counsel for Petitioner responded that he would not agree to stipulate a continuance because the matter was previously continued from an initial July 14, 2021, hearing date. *See* Exhibit A - E-mail correspondence regarding continuance. Counsel also complained that he was not inclined to continue the matter because, on his view, Respondent had failed to provide requested information to the Board during the course of the investigation.

II. Legal Argument.

Pursuant to NAC 639.120, governing the conduct of disciplinary hearings under the Nevada State Board of Pharmacy, provides that "the person presiding at the hearing may grant a continuance only upon: (a) A joint stipulation of the parties; (b) The existence of an emergency condition; or (c) A written request filed at least 5 days before the date of the hearing and actually served upon the other parties at least 1 day before the date of the hearing."

1 Furthermore, "[a] continuance based on a written request pursuant to paragraph (c) may
2 be granted only upon a showing of good cause which term must be narrowly construed. A party
3 requesting a continuance must appear on the date of the hearing and be prepared to proceed
4 unless the request has been made pursuant to a joint stipulation."

5 Good cause for a continuance here exists for several reasons. First, the rule clearly
6 contemplates that a stipulated continuance would be appropriate in many cases, especially when
7 there has been no prior continuance. Counsel for Petitioner claims that this matter was initially
8 set July 14, 2021, and has already been continued. It is on this basis Petitioner objects to a
9 continuance of the September 1, 2021, hearing date.

10 However, the Board can see that both Complaints against Respondent were filed July
11 23, 2021. It is thus impossible that there was ever a July 14, 2021, hearing scheduled in this
12 case, and there has been no prior continuance. In fact, the rules governing this proceeding a
13 particular form of Notice, which was only provided to Respondent in the July 23, 2021, filings.
14 Respondent did not (and could not have) had notice for any alleged July 14, 2021, setting. As
15 such, Petitioner's basis for objecting to the requested continuance is without merit.

16 In addition to there being no merit to the reasoning behind objecting to the continuance,
17 Respondent would be severely prejudiced if the continuance is not denied. First, Respondent is
18 facing concurrent accusations in three different case numbers. In total, there are seven separate
19 causes of action. The allegations span a period of over six years. The Statement and Notice was
20 filed on July 23, 2021, and the hearing set for September 1, 2021. This provides Respondent
21 approximately 37 days to prepare to face accusations in three case numbers, seven causes of
22 action, and allegations spanning a period of years. These allegations involve the management
23 of two separate businesses, located in two different cities. Simply put, 37 days is a totally
24 insufficient time to prepare a defense given the scope of the allegations.

25 Respondent has constitutional due process rights in this administrative proceeding.
26 *Natchez v. State*, 102 Nev. 247, 252-53 (Nev. 1986). These rights include a fair and impartial
27 tribunal. *Id.* Most importantly:

"This court has held that, in the context of administrative pleadings, due process requirements of notice are satisfied where the parties are sufficiently apprised of the nature of the proceedings so that there is no unfair surprise. We explained that it is the opportunity to prepare a defense that defines due process."

Dutchess Bus. Servs. v. State, Bd. of Pharm, 124 Nev. 701, 712 (Nev. 2008)(emphasis added).

Respondent's due process rights can only be given via a continuance of the present hearing setting. As such, this constitutes good cause for a continuance. Respondent requires additional time to: (1) investigate the claims against her; (2) obtain evidence in her defense; (3) locate and secure the attendance of witnesses; (4) file and litigate pre-hearing motions in advance of the hearing; (5) seek to exclude inadmissible evidence the Board may seek to offer at the time of the hearing; and (6) have a fair opportunity to consult with counsel in advance of the hearing. Given the scope of the allegations, noted above, it is not possible that Respondent can complete these six steps in a period of 37 days from the Notice to the date of the hearing.

For these reasons, Respondent respectfully requests that this Motion to Continue be granted, and that a new hearing date be set approximately ninety (90) days beyond the date of September 1, 2021.

NEVADA STATE BOARD OF PHARMACY,

Petitioner,

v.

SANDRA BLEDSOE, D/B/A REVENGE MD,

Respondent.

Case Nos. 21-042-B-S/21-042-C-S

**OPPOSITION TO RESPONDENT'S
MOTION FOR CONTINUANCE**

The Nevada State Board of Pharmacy (Board), by and through counsel prosecuting this matter, Brett Kandt, General Counsel, files this opposition to Respondent Sandra Bledsoe's Pre-Hearing Motion for Continuance filed August 16, 2021. This opposition is based upon the following points and authorities and the pleadings on file herein.

MEMORANDUM OF POINTS AND AUTHORITIES

I. FACTUAL AND PROCEDURAL BACKGROUND

On or about May 18, 2021, pursuant to NRS 639.2895 a Cease and Desist/Citation and Fine was served upon Respondent at Revenge MD in Henderson, and a separate Cease and Desist/Citation and Fine was served upon Respondent at Revenge MD in Reno, alleging numerous violations of Nevada law arising from unlicensed practice. On or about June 2, 2021, Bledsoe appealed both the Cease and Desist/Citation and Fine served upon the Henderson Revenge MD location (Case No. 21-042-B-S) and the Cease and Desist/Citation and Fine served upon the Reno Revenge MD location (Case No. 21-042-C-S), and requested a joint hearing before the Board on both.

On June 4, 2021, counsel met and conferred via telephone on a hearing date in this matter, at which time counsel for Respondent requested that the hearing be noticed for September 1, 2021, rather than for the next meeting of the Board on July 14, 2021. The parties stipulated that the hearing would be noticed for September 1, 2021, and Board counsel

subsequently confirmed that stipulation in correspondence to Respondent's counsel. *See Exhibit 1* - Declaration of Brett Kandt at ¶ 2 and *Exhibit 2*. The Statement to Respondent and Notice of Hearing was served on Respondent pursuant to NRS 233B.121(1) on or about July 23, 2021.

To date Respondent has made no discovery request for production of evidence or witnesses in this matter. *See Exhibit 1* - Declaration of Brett Kandt at ¶ 3. On April 21, May 24 and June 14, 2021, Board investigator Dena M. McClish requested that Respondent produce records and responses in the course of the Board investigation of this matter. *See Exhibit 3* - Declaration of Dena M. McClish at ¶ 2 and *Exhibit 4*. Respondent provided a limited response on May 19, 2021. *See Exhibit 3* - Declaration of Dena M. McClish at ¶ 3 and *Exhibit 5*. Otherwise, Respondent has failed to respond to those requests or otherwise cooperate in the course of this investigation. *See Exhibit 3* - Declaration of Dena M. McClish at ¶ 3.

II. LEGAL STANDARD

This appeal hearing challenging Respondent's Cease and Desist/Citation and Fine for unlicensed practice at both the Henderson and Reno locations of Revenge MD is governed by NRS 233B.121-.126, *inclusive*.¹ "In a contested case, all parties must be afforded an opportunity for hearing after reasonable notice." NRS 233B.121(1). Courts have deemed "good cause" for a continuance to mean "a substantial reason; one that affords a legal excuse." *Price v. State*, 409 P.3d 889 (Nev. 2017) (citations omitted).

¹ Respondent cites NAC 639.120 as the legal basis for a continuance, which governs disciplinary hearings of licensees before the Board and does not apply to this proceeding. Nevertheless, a continuance may be granted to the extent necessary to accord a respondent due process in a contested case. *See, e.g., Jones v. State ex rel. Wyo. DOT*, 991 P.2d 1251 (Wyo. 1999).

III. ARGUMENT

Respondent's Motion must be denied since Respondent cannot demonstrate good cause for a continuance or that she has not been accorded all necessary due process guarantees of fundamental fairness, including the opportunity to prepare a defense. *Dutchess Business Services, Inc. v. Nevada State Bd. of Pharmacy*, 124 Nev. 701, 711-15, 191 P.3d 1159, 1166-69 (2008). Respondent requested a hearing on September 1st rather than July 14th. Respondent has made no discovery request for production of evidence or witnesses. With the exception of her limited response on May 19, 2021, Respondent has failed to respond to the Board's investigation requests or otherwise cooperate in the course of this investigation. Consequently, Respondent cannot maintain that she has been denied the opportunity to prepare a defense or otherwise show good cause for a continuance at this juncture.

IV. CONCLUSION

For the foregoing reasons, the prosecution respectfully requests that the Board deny Respondent's Pre-Hearing Motion for Continuance and proceed with a hearing on September 1, 2021.

RESPECTFULLY SUBMITTED this 20th day of August, 2021.

Re: Nevada Board of Pharmacy Investigative Case 21-042

Dear Ms. Bledsoe and the Medical Director of Revenge MD,

As you are aware, the Nevada State Board of Pharmacy (Board) has received multiple complaints regarding violations and unsafe practices at Revenge MD in both the Reno and Henderson, NV locations. The Board has a case open to investigate the matter. I am writing to request that you respond to the allegation(s) and findings below and provide copies of certain documents and information relevant to the Board's investigation.

The complaints indicated that Botox, Botox alternatives, and fillers are being purchased from Canada or other foreign countries (unapproved for use in the U.S.) and are being administered to patients. Additionally, single use Botox vials are being used for multiple patients and invasive procedures such as micro-needling are being performed by non-medical persons (cosmetologist) without a practitioner being present or a practitioner's evaluation.

In response to this information, the Nevada Board of Pharmacy with the assistance the Nevada Board of Nursing performed a site inspection of both facilities and found the following violations:

- 1) Multiple dangerous drugs obtained from overseas locations (unapproved for use in the United States) were found to include but not limited to:
Liporase (appearing to be from Korea)
Various Restylane products
Juvederm Voluma with lidocaine (manufactured in Russia)
- 2) Unauthorized personnel (non-medical) had independent possession and access to both dangerous drugs and controlled substances.
- 3) Multiple vials of expired dangerous drugs were observed in treatment rooms, readily available for administration (not quarantined to prevent use).
- 4) Multiple vials of expired medication (Myers cocktail) were observed stored in the medication refrigerator readily available for administration (not quarantined to prevent use).

Exhibit 4

- 5) Multiple vials of multi-dose dangerous drugs were observed in treatments rooms that had been punctured with no date indicating when the vial was initially punctured nor expiration of the opened vial.
- 6) Containers of compounded dangerous drugs creams were being used without the proper labeling (no beyond use date, and no information as to origin compounding pharmacy or manufacturer)
- 7) Patient specific medications (some prescribed to staff) were found in patient treatment rooms, available for general patient use.
- 8) Patient specific controlled substances (phentermine) were found unsecured on an open shelf accessible to non-medical personnel without a licensed practitioner's presence.
- 9) Medication labeled as "Physician sample – not for resale" (Xeomin) is stored with examples of the same medication that are purchased in the marketplace. Staff was unaware medication labeled as "physician samples" cannot be sold/charged to clients.
- 10) Pre-drawn, unlabeled syringes with unknown substances were found at both locations.

In response to these allegations and findings, please provide the following:

- 1) Purchase receipts/invoices and/or orders for all medications purchased from any locations outside of the U.S. in the last calendar year.
- 2) A copy of orders/invoices for all dangerous drugs and controlled substances from 10/01/2020 – present (for both locations).
- 3) A copy of all medical director and/or primary practitioner contracts and/or employment agreements from 04/01/2019 – present.
- 4) A schedule, agreement, or other documentation showing the primary practitioner present at both locations from 03/07/2021 – 04/07/2021.
- 5) A written response to each allegation and finding from both the owner and medical director(s) or responsible practitioner(s)

Please provide the information referenced above and a written response to the foregoing allegations within 14 calendar days of receipt of this request. Include with your response any records or other information you believe will help the Board make a determination in this case. **Any written statement must include your handwritten signature attesting that it is true and accurate.**

PETITION TO MODIFY ORDER OF REINSTATEMENT FILED ON JULY 31, 2020

COMES NOW Petitioner Craig Weingrow, M.D. ("Weingrow") by and through his counsel, Jeffrey B. Setness of the law firm of Fabian VanCott and hereby petitions the Nevada State Board of Pharmacy ("Board") for an order modifying the Order of Reinstatement filed on July 31, 2020, to permit Weingrow to prescribe, order, possess, and administer testosterone pellets based upon the following:

I. INTRODUCTION

On July 31, 2020, in the case of *Nevada State Board of Pharmacy v. Craig Weingrow, M.D., et al*, Case No. 17-066-CS-S, the Nevada State Board of Pharmacy filed its Order of Reinstatement which states, in pertinent part, as follows:

1. Weingrow may only prescribe the controlled substances listed-in Exhibit 2 submitted in support of his petition (copy attached).
2. Weingrow shall report his controlled substance prescribing every quarter to Board staff.
3. Weingrow shall appear before the Board for prior authorization to make any amendments to the list of controlled substances he may prescribe.

A copy of the Order of Reinstatement is attached as Exhibit 1. It should be noted that the existing Order of Reinstatement permits Dr. Weingrow to prescribe Testosterone Cypionate, which is a Schedule III substance.

Weingrow respectfully files this Petition requesting an order modifying the Order of Reinstatement filed on July 31, 2020, to permit Weingrow to:

1. Prescribe testosterone pellets, which are also a Schedule III substance like Testosterone Cypionate;
2. Order testosterone pellets from a FDA Registered 503B Outsourcing Facility;
3. Possess the testosterone pellets utilizing the security procedures mandated by the Drug Enforcement Administration; and
4. Administer the testosterone pellets to patients.

II. BACKGROUND

A. Prescribing and Ordering of Testosterone Pellets

Weingrow has been in contact with Evexias Medical Centers which are located in Southlake, Texas; Rockwall, Texas; and Denver, Colorado regarding the EvexiPEL Hormone Pellet Therapy. Documents regarding the EvexiPEL Hormone Pellet Therapy are attached as Exhibit 2. The Hormone Pellet Therapy FAQ's on the EvexiPEL website states that "EvexiPEL uses proprietary pellets from our partner pharmacy FarmaKeio and FarmaKeio Outsourcing a 503B FDA Registered Manufacturing Facility." Excerpts from the Hormone Pellet Therapy FAQ's are attached as Exhibit 3.

FarmaKeio is an FDA Registered 503B Outsourcing Facility, which is licensed in a number of states including Nevada. See Exhibit 4.

Weingrow is willing to agree to prescribe and order only those quantities of testosterone pellets sufficient to meet the needs of his existing patients.

B. Possession and Storage of Testosterone Pellets

Weingrow is willing to agree to possess and store the testosterone pellets in compliance with the security requirements set forth in Title 21, Code of Federal Regulations, § 1301.72(b).

III. CONCLUSION

Dr. Weingrow respectfully requests that the Board amend its Order of Reinstatement dated July 31, 2020 to permit Weingrow to prescribe, order, possess, and administer testosterone pellets as set forth above.

A unique, integrated approach to hormone balance and optimum health

If you're considering bio-identical hormone replacement therapy (BHRT) with pellets, you may think all pellet therapy providers offer the same solutions.

While thousands of healthcare providers do offer subcutaneous BHRT with pellets—most don't take an integrated, functional medicine approach to patient care.

**EXHIBIT 2** —

How is the EvexiPEL® Hormone Pellet Therapy different?

The EvexiPEL Hormone Pellet Therapy method was developed by EVEXIAS founder Dr. Terri DeNeui, DNP, APRN, ACNP-BC, after more than a decade of treating patients with hormone imbalance and teaching hundreds of medical practitioners in the science, discovery and clinical processes pertaining to bio-identical hormone replacement therapy via pellet implants.

While some practitioners prescribe BHRT with pellets to treat the symptoms of hormone imbalance, Dr. DeNeui's EvexiPEL® Hormone Pellet Therapy method relies on uncovering the root cause of the patient's hormone imbalance or health issue.

Over the years, Dr. DeNeui, discovered that hormone imbalance is but one factor that contributes to patients' health struggles. Understanding that all of our body systems work together, she found that addressing all systems as a whole produces the best outcomes.

Once EvexiPEL® practitioners identify the root cause of the patient's health concerns, EVEXIAS®' experts in hormone optimization, functional medicine, nutrition and mental health work as a team to help ensure patients experience optimum results.

Experience superior pellet therapy with EvexiPEL's® proprietary pellet formulation

Not only has Dr. DeNeui developed a superior method for providing pellet therapy, she also worked with a team of experts at Farmakeio—a leading compounding pharmacy in the U.S.—to create a proprietary pellet formulation to help improve patient comfort, convenience and outcomes.

Put into practice at EVEXIAS® Medical Centers—one of the largest pellet therapy providers in the country—the EvexiPEL® Pellet Formulation continues to yield the

- **Reduced scar tissue, resulting in far fewer pellet extrusions**, which decreases the need for additional office visits to deal with complications.
- **Far fewer boosts required in new patients**, which amounts to a more effective and convenient treatment for patients—and fewer office visits.
- **Quicker absorption of hormones for patients**, who report more comprehensive symptom relief sooner than with other compounded pellets.
- **More consistent absorption over time**, which helps ensure longer lasting therapeutic results.
- **Increased patient satisfaction**. Always a top priority at EVEXIAS!

Whether you seek treatment directly from an integrated, functional medicine practitioner at EVEXIAS Medical Centers in the Dallas and Fort Worth metroplex or a practitioner certified in the EvexiPEL® Hormone Pellet Therapy method, you can feel confident that your health is in good hands.

The EvexiPEL® method doesn't start OR stop with pellet therapy

It's important to note that EvexiPEL® Hormone Pellet Therapy is NOT a one-size-fits-all solution. Every patient comes to us with unique health needs and varying degrees of hormone imbalance—something we address through our collaborative patient-practitioner approach (collaboration is a key aspect of functional medicine).

Along with undergoing lab and diagnostic tests, patients can expect to spend plenty of quality time reviewing their health history and concerns with their practitioner. Since physical, mental, and environmental factors can all have an impact on total

- Health history (physical and mental).
- Family's health history (genetics often influence health).
- Lifestyle—diet, exercise, sleep and other habits like tobacco, alcohol and drug use.
- Home and work environments.
- Exposure to environmental and emotional toxins.
- Current medication usage, including any supplements.
- Social activities and interactions.

Integrated treatment plans also address gut health, DNA and toxicity issues

Based on the patient's unique needs, treatment may involve bio-identical hormone replacement therapy with pellets (dosage customized for each patient), along with other therapies that help promote total body health. The practitioner may prescribe therapy to address issues related to:

Gut health: Research has shown direct connections between gut health and inflammation, autoimmune disorders, mental health and more. In addition, a healthy gut helps us metabolize hormones efficiently. If the practitioner finds that poor gut health (unbalanced gut microbiome, leaky gut, etc.) is contributing to the patient's health issues, she may prescribe gut health therapy, including a detox program, probiotics, IV nutrients, supplements or other therapies to restore gut health.

DNA: Recent research revealed that how we metabolize hormones is hardwired in our DNA. During the exam, the practitioner will inquire whether patients have a family history of hormone imbalance or difficulty metabolizing hormones. If so, treatment plans can be modified accordingly.

Toxicity: Practitioners will also ask patients about toxins they're exposed to in their

SHOULD PATIENTS PLAN FOR ANY DOWNTIME FOLLOWING PELLET THERAPY?

Patients should take it easy and avoid strenuous exercise for a few days following the procedure – 72 hours for women and 4 to 5 days for men. This helps ensure the tiny incision heals properly and can prevent extrusion of the pellet from under the skin.

With EvexiPEL, patients report healing faster than when they used other pellet therapies. EvexiPEL uses proprietary pellets from our partner pharmacy FarmaKeio and FarmaKeio Outsourcing a 503B FDA Registered Manufacturing Facility. Not only do you heal faster with these pellets, you bruise less and have less downtime.

The key in this pellet formulation is that it reduces inflammation and therefore speeds up the healing process with less likelihood of the body rejecting the pellets as is common with most pellets providers can obtain at just about any pharmacy.

I have completed the required pharmacy tech, direct hitter E-Learnings with great scores, at 90% and above. This letter is written for an explanation of Criminal Charges I recieved going on 8 years, dated Aug 2013.

my charge was based off of Carson City, NV, Carson County. I have no documents to show, it was so long ago, I'm unable to acquire them. the charge was: Misdemeanor Possession Not to be entered into interstate commerce.

I completed all requirments of the court. and still remain in counseling. Reference to be added.

I truly hope this doesn't affect your decision in accepting my application. Please feel free to contact Jacque as a professional reference, I have given verbal consent.

To whom it may concern,

My name is Clinton Rickman, and in November of 2016 I was arrested for trafficking a controlled substance. My former girlfriend had asked me to help her deliver narcotics from California to Nevada, and I made the mistake of saying yes. This is the first and only time I've ever gotten in trouble with the law. Since my arrest I have been clean, completed drug and alcohol counseling, and have complied with my probationary terms. I am also an active member of Narcotics Anonymous. My restitution and Court fees are paid in full and I'm due to expire from probation in September. Thank you for taking the time to read this and consider my application.

Sincerely,

Clinton Rickman

RE: Bayink-Raine Falter's ("Falter") APRN prescribe application for dangerous drugs

Dear Mr. Falter,

The Nevada State Board of Pharmacy ("Pharmacy Board") considered your application for an APRN prescribe registration for dangerous drugs at the Board meeting on April 15, 2021. The Pharmacy Board approved your application with the condition that you continue to comply with the Board of Nursing Monitoring Agreement dated April 30, 2018 ("Nursing Board Agreement"), incorporated by reference, including, but not limited to:

1. ABSTINENCE AND DRUG TESTING

You shall abstain from the use of alcohol and all mood-altering drugs and controlled substances except when legally prescribed by a treating practitioner who is knowledgeable about the disease of addiction and your history. This treatment must be reported to the Nursing Board, in writing, within seven (7) days, accompanied by documentation from the practitioner regarding the medical treatment and all other methods of alternative treatment having been tried first. The Nursing Board may require additional testing and reporting until you document sobriety after periods of prescribed drug use.

You shall register with the Nursing Board approved drug-screening program and submit to random urine, blood or other tests for drugs of abuse and/or alcohol on the day requested by the drug testing company, his counselor, or representative of the Nursing Board. These tests shall occur no less than twenty-four (24) times per year and shall be treated as forensic specimens by a Nursing Board-approved laboratory. You shall cause test results to be provided to the requesting party and the Nursing Board. Any confirmed positive finding shall be reported immediately to the Nursing Board. Changes in frequency of tests may be approved by the Compliance Coordinator and the Director of Nursing Practice.

These reports must be submitted no later than the last day of March, June, September and December. The Executive Director or the Compliance Coordinator and the Director of Nursing Practice may evaluate and approve or deny changes in the frequency of reporting. You shall:

- a. Attend a minimum of two (2) meetings per week of Alcoholics Anonymous (AA) or Narcotics Anonymous (NA) and shall submit documentation of all meetings attended whether working or not. The Compliance Coordinator will evaluate consideration for alternative recovery support groups;
- b. Cause your AA or NA sponsor to submit reports addressing your progress in recovery on forms provided by the Nursing Board whether working or not;
- c. Attend weekly meeting of a Nursing Board-approved Nurse Support Group and submit documentation of all meetings attended whether working or not;

3. FINANCIAL RESPONSIBILITY

You shall be financially responsible for all requirements of the Nursing Board Agreement and reporting to the Nursing Board.

Please notify the Pharmacy Board when the terms of the Nursing Board Agreement are completed or terminated. NOTICE OF SEIZURE

The above-described property was seized by the Drug Enforcement Administration (DEA) for forfeiture pursuant to Title 21, United States Code (U.S.C.), Section 881, because the property was used or acquired as a result of a violation of the Controlled Substances Act (Title 21, U.S.C., Sections 801 et seq.). The seizure date and place, as well as other pertinent information regarding the property are listed above.

Pursuant to Title 18, U.S.C., Section 983 and Title 19, U.S.C., Sections 1602-1619, procedures to administratively forfeit this property are underway. You may petition the DEA for return of the property or your interest in the property (remission or mitigation), and/or you may contest the seizure and forfeiture of the property in Federal court. You should review the following procedures very carefully.

TO REQUEST REMISSION OR MITIGATION OF FORFEITURE

If you want to request the remission (pardon) or mitigation of the forfeiture, you must file a petition for remission or mitigation with the Forfeiture Counsel of the DEA within thirty (30) days of your receipt of this notice. The petition must include proof of your

interest in the property and state the facts and circumstances which you believe justify remission or mitigation. The regulations governing the petition process are set forth in Title 28, Code of Federal Regulations, Part 9.

TO CONTEST THE FORFEITURE

In addition to, or in lieu of petitioning for remission or mitigation, you may contest the forfeiture of the seized property in UNITED STATES DISTRICT COURT. To do so, you must file a claim with the Forfeiture Counsel of the DEA by November 7, 2008. The claim need not be made in any particular form (Title 18, U.S.C., Section 983(a)(2)(D)). The claim shall identify the specific property being claimed; state the claimant's interest in such property; and be made under oath, subject to penalty of perjury (Title 18, U.S.C., Section 983(a)(2)(C)). A frivolous claim may subject the claimant to a civil fine in an amount equal to ten (10) percent of the value of the forfeited property, but in no event will the fine be less than \$250 or greater than \$5,000 (Title 18, U.S.C., Section 983(h)). Upon the filing of a claim under Title 18, U.S.C., Section 983(a), a claimant may request, pursuant to Section 983(f), release of the seized property during the pendency of

the forfeiture proceeding due to hardship. Requests must be sent to the Forfeiture Counsel of the DEA. The following property is not eligible for hardship release: contraband, currency, or other monetary instruments or electronic funds unless the property constitutes the assets of a legitimate business which has been seized; property to be used as evidence of a violation of the law; property, by reason of design or other characteristic, particularly suited for use in illegal activities; and property likely to be used to commit additional criminal acts if returned to the claimant. If you wish to contest the forfeiture of the asset, you must comply with the procedures set forth herein. Your failure to do so will result in the termination of your interest in the asset, and may preclude your contesting the forfeiture of the asset in any judicial proceeding - either civil or criminal - even if such a proceeding has already been commenced or is commenced in the future.

RE:

Dear Sir or Madam:

The years between 2003-2005 were a difficult and tumultuous time in my life. In the face of a failing marriage during the time of my allergy/immunology fellowship in Madison, WI, I demonstrated a pattern of behavior that I regret. I take full responsibility for that behavior. I used drugs and alcohol outside the workplace to inappropriately cope with my personal failings. I repeatedly acted out in anger.

In June 2004 I was convicted of non-criminal traffic violations including operating while intoxicated in the Village of Shorewood hills near Madison, WI. Dane County Case No. 2003 CF2738 involved my ex-wife and my stepson. I have no excuses for acting out physically with my ex-wife and my stepson. The drunken bar fight that led to Dane County Case No. 2005 CF1259 continued a pattern of inappropriate coping and acting out at that time. I have lived every day since that time to be an example of good behavior.

During a period of performing laboratory bench research to fulfill the requirements of my NIH funded allergy and immunology fellowship, I used cocaine and marijuana on two separate weekend/off-duty occasions accompanying heavy drinking at the end of January 2005 and February 2005. On March 7, 2005, an investigator from the Wisconsin Medical Board came to my workplace at the University of Wisconsin Hospital and Clinics and stated the board was contacted by my mother-in-law regarding my substance use. I consented to hair and urine samples; the hair was positive for cocaine and the urine was positive for THC. I was subsequently dismissed from The University of Wisconsin School of Medicine and Public Health allergy and immunology fellowship training program before completing the program on June 5, 2015. On July 20, 2005, the Wisconsin Medical Examining Board (MEB) suspended my temporary educational permit (TEP) for a five-year period and granted a stay for a three-month period (conditioned upon compliance with conditions and limitations including treatment and monitoring) and ordered that I could reapply for consecutive three-month extensions of the stay while compliant with order **LS0507201MED**. In August 2005, the MEB issued a limited medical license (48534-20) subject to the same conditions and limitations imposed on the TEP. Upon full compliance with the MEB order without additional concerns, the restrictions were removed and a full, unrestricted medical license granted effective July 21, 2010.

Due to my actions in Wisconsin, I violated Arizona Revised Statutes §32-1401(27)(f) (“habitual intemperance in the use of alcohol or habitual substance abuse”), §32-1401(27)(d) (“committing a felony, whether or not involving moral turpitude...”), §32-1401(27)(o) (“action that is taken against a doctor of medicine by another licensing or regulatory jurisdiction...”), and §32-1401(27)(g) (“using controlled substances except if prescribed by another physician for use during a prescribed course of treatment.” On December 4, 2008, I entered into the consent agreement **MD-05-0351A** with the Arizona Medical Board for stayed revocation of my medical license (29914). I was placed on five years’ probation, effective July 20, 2005, to run concurrently with the WI MEB order. Probation was terminated and full, unrestricted license instated August 31, 2010.

On January 9, 2007, I was notified that my enrollment application to participate in the Medicare program was denied because per Code of Federal Regulations 42 §424.530(a)(3)(i)(A), within the past ten years (September 8, 2005), I was convicted of a “felony offense that CMS has determined to be detrimental to the best interests of the program and its beneficiaries.” I requested reconsideration of that initial determination. On April 16, 2017, a contractor Hearing Officer found that I was properly denied enrollment. I appealed that decision to the Department of Health and Human Services Department Appeals Board. However, CMS’ decision to deny my request to enroll was affirmed on October 30, 2007 by Administrative Law Judge Corolyn Cozad Hughes. A new enrollment application for Medicare was submitted on August 20, 2015 and approved on October 6, 2015. I currently have no restrictions for Medicare participation.

Although I would not wish a similar course on anyone, I had personal growth that made me a better father, citizen, and physician. Through that process, I was given the opportunity to improve my coping skills beyond using alcohol or drugs as an escape and move past anger that I harbored regarding events during my childhood and failed marriage. It should be noted that patient care and safety were never impacted. I was never intoxicated at work and was always professional with my patients and colleagues. I have had sole custody of my daughter since 2005 who is now a Sophomore at the University of Oklahoma. I was monitored for 5 years by the Wisconsin Medical Examining Board, concurrent with the Arizona Medical Examining Board and the Wisconsin Department of Corrections—this included intensive outpatient treatment and random drug monitoring no less than 104 times per year. The University of Wisconsin had confidence in me and supported a return to complete allergy and immunology subspecialty training in 2011 after leaving that program in 2005 when the disclosed events occurred. During that training period, I had additional monitoring that was uneventful. In 2012, I started a new allergy service line in addition to the general practice that was required by the Wisconsin Office of Rural Health’s loan repayment grant that I completed January 2015.

From May 2016-June 2021, I practiced allergy/immunology full-time in Oklahoma. Due to my prior history of criminal convictions and medical board actions in WI and AZ, on May 13, 2016 the Oklahoma Department of Narcotics and Dangerous Drugs (OBNDD) placed my initial prescribing license #52111 on probation for 1 year that was completed without incident (case SCH No. 2016-09). My federal DEA registration #BB7675436 has never been sanctioned and is currently unrestricted. Oklahoma medical license #31873 was granted without restrictions in 2016. During my time practicing in OK, I was recognized by patients, peers, and my employer for my dedication to practicing excellent, compassionate care. I was the vice-president that

current practice and the Oklahoma Allergy and Asthma Society vice-president. I have been married to current wife since 2016 and have 2 stepsons and my daughter full-time. We are very involved with our church community.

A full, unrestricted Nevada medical license #21151 was granted on June 8, 2021. I will start practicing allergy and immunology at Allergy and Asthma Associates in Sparks, NV on July 6, 2021.

Please do not hesitate to contact me with any additional questions or requests for additional information.

Sincerely yours,

RE: controlled substance application affirmative response regarding criminal charges and convictions

Dear Board Members:

I submitted my controlled substance application with an affirmative response regarding prior criminal charges and convictions. Please see the following regarding the conviction:

1. June 14, 2004: Village of Shorewood Hills, Wisconsin, Municipal Court traffic citations for operating a motor vehicle while intoxicated (1st offense) and speeding (See Attachment 1).

In April, 2004, I was arrested and issued three (civil) traffic citations by the Village of Shorewood Hills Police Department. The citations were issued for speeding, operating with a prohibited alcohol concentration and for operating while intoxicated (1st offense). A .13 blood alcohol concentration was recorded by police. The citations were resolved in June 2004, when the Municipal Court entered a no contest plea on my behalf for the operating while intoxicated citation and the speeding citation. The citation for prohibited alcohol concentration was dismissed. The court ordered that I pay a fine (inclusive of costs) of approximately \$1,100; that my operating privilege be suspended for a period of 6 months; and that I undergo a mandatory alcohol assessment. The assessment and follow-up class in Group Dynamics at Madison Area Technical College (MATC) were fulfilled through the Dane County Mental Health Center. The fines were paid in full. My operating privileges were restored in December 2004.

Sincerely yours,

RE: Controlled Substance Application – criminal convictions

Dear Board Members:

I submitted my Nevada State Board of Pharmacy controlled substance application with an affirmative response regarding prior criminal charges and convictions. Please see the following regarding the convictions:

1. September 8, 2005: Dane County Court, Madison, WI. Wisconsin Statute § 948.03(3)(a), recklessly causing great bodily harm to a child;
2. September 8, 2005: Dane County Court, Madison, WI. Wis. Stat. § 940.19(1), battery.

On December 2, 2003, the Dane County District Attorney's Office filed a criminal complaint against me alleging four criminal violations (Dane County Case No. 2003 CF 2738):

1. Physical abuse of a child in violation of Wis. Stat. § 948.03(2)(a);
2. Misdemeanor battery in violation of Wis. Stat. § 940.19(1);
3. Intimidate victim/dissuade reporting in violation of Wis. Stat. § 940.44(1); and
4. Disorderly conduct in violation of Wis. Stat. § 947.01.

The conduct at issue in these criminal charges occurred on or about September 26, 2003.

My early, formative years were spent growing up in Las Vegas. My mother was an ice-skating showgirl on the Strip and my father was in sales. My parent's relationship was abusive. I witnessed them abusing each other, including an incident as a young child I observed my father running over my mother in his car in front of our house. I also was witness to several failed suicide attempts by my mother before I was a teenager. After my parent's divorce when I was nine years old, I lived with my mother for a few years before she moved out of the country with a boyfriend. The relationship with my mother was non-traditional. She introduced me to alcohol and drugs at a very early age. Although I was never a daily user of alcohol or drugs, substance use was the only way I knew how to cope with celebrations or disappointments—I was a binge abuser. Similarly, anger was the only way I knew how to act out. I never had counseling or self-help until I hit bottom as noted below.

I met my ex-wife, Elizabeth, in 2000. Upon significant reflection, Elizabeth had many similarities to my mother. She had mental health issues of her own, including borderline personality disorder and bipolar disorder. I thought I could save her. We enabled each other. The relationship was extremely volatile. When I moved to Arizona to pursue residency training

in internal medicine, Elizabeth eventually followed me there. I became attached to Elizabeth's children, Chance and Ashtyn. Elizabeth became pregnant with our daughter, Isabelle, who was born in 2002. When we moved to Wisconsin in 2003 for the allergy and immunology fellowship at the University of Wisconsin, Elizabeth and I had married and I was optimistic. Unfortunately, Elizabeth's mental health took a significant turn for the worse and her dependence on substances escalated. Elizabeth liked me as a person that would be her partner in abusing substances. When I did not participate in those activities, we argued about it. When I did participate in those activities we argued. The relationship became even more volatile.

In the fall of 2003, I came home to Elizabeth and our three children after work. Everything was in complete disarray. The children were dirty, hungry, and needed help with homework. I went into our basement and found 18-month-old Isabelle holding sharp scissors and her brother, Chance down the hall. I called to Chance and asked him why his toddler sister had sharp scissors. I became angered and tried to slap Chance who ducked, tripped, and fell on the ground. When he was on the ground, I kicked him. After that incident, I knew I needed help. I started seeing a psychiatrist who started me on fluoxetine. Fluoxetine initially made me feel very fatigued. About a week after starting fluoxetine, I fell asleep on a weekend afternoon. I woke up and did not know where Elizabeth and the children were located. I eventually found them at a neighbor's home. Elizabeth was intoxicated and the kids were running wild. I took the kids home and Elizabeth followed me there to confront me. That argument became physical and I pushed her when Isabelle was close by. The police were called. Before the police were going to leave the house, Elizabeth told them that I had kicked Chance the previous week. I was arrested and charged with the above criminal violations.

On June 8, 2004, I appeared before the Honorable Gerald C. Nichol and, pursuant to a plea agreement, entered guilty pleas to counts one and two. Adjudication on counts one and two was withheld. Counts three and four were dismissed. The plea agreement with respect to counts one and two provided that, upon a guilty plea and acceptance of responsibility for the conduct, the parties would make a joint recommendation to withhold adjudication and refer me for participation in the Dane County District Attorneys Deferred Prosecution Program. Upon successful completion of the program, count one was to be dismissed and, with respect to count two, adjudication was to have been entered. Payment of a fine with respect to this count was the disposition proposed at the time. A contract with the Deferred Prosecution Unit was submitted to the court on July 12, 2004. The contract was set to expire on June 22, 2006.

By letter of June 1, 2005, the Deferred Prosecution Unit revoked the deferred prosecution contract due to my conduct as described separately that led to criminal of a separate battery charge.

On September 8, 2005, I appeared before Judge Steven Ebert for adjudication and sentencing. At the hearing I withdrew my guilty plea, entered on June 8, 2004, to the charge of intentionally causing great bodily harm to a child. In its place, I pleaded guilty to a violation of Wis. Stat. § 948.03(3)(a), recklessly causing great bodily harm to a child. Judge Ebert entered adjudication of guilt to the new charge and to count 2 (battery in violation of Wis. Stat. § 940.19(1)). As to both counts, sentence was withheld and I was placed on probation. As to the reckless injury charge, I was placed on probation for a period of four years; as to the battery, I was placed on probation for a period of two years, both to run concurrent to another.

Conditions of probation included: no contact with Elizabeth Bellak except as permitted through the family court, juvenile court and the agent's discretion; no physical discipline of a child; random urinalysis at the agent's discretion; alcohol and other drug treatment at the

agent's discretion; and restitution (with respect to 2005CF1259). Additionally, if I were able to secure employment out of state, both the Court and the State are on record as having no objection to the transfer of probation, should that be requested in the future.

I successfully completed my terms of probation and I was discharged by the Wisconsin Department of Corrections on September 8, 2009.

Sincerely yours,

RE: controlled substance application affirmative response

Dear Board Members:

I submitted my controlled substance application with an affirmative response regarding prior criminal charges and convictions.

On December 9, 2004, the Dane County District Attorney's Office filed a two count Criminal Complaint against me (Dane County Case No. 2004 CF 2696). This Complaint alleged that on November 26, 2004, I engaged in:

1. Bail jumping in violation of Wis. Stat. § 946.49(1)(b); and
2. Disorderly conduct in violation of Wis. Stat. § 947.01.

On November 26, 2004, Elizabeth and I argued about her wanting to go "shopping" with the children. Elizabeth had a history and prior arrests for shoplifting. She had used the children in the past to help her hid her shoplifting activity. We did not have money for shopping and I was concerned that Elizabeth would be shoplifting with the kids. I initially told her that she could not take the car to do this. The argument escalated and I called the police. My landlord happened to be in our home doing maintenance and witnessed the argument. Elizabeth and I gave different accounts of the incident. On April 29, 2005, those charges were dismissed.

Sincerely yours,

Jason M. Bellak, MD

RE: controlled substance application affirmative response for criminal charges and convictions

Dear Board Members:

I submitted my controlled substance application with an affirmative response regarding prior criminal charges and convictions. Please see the following regarding the conviction:

1. September 8, 2005: Dane County Court, Madison, WI. Wis. Stat. § 940.19(1), battery.

On June 6, 2005, the Dane County District Attorney's Office filed a three count Criminal Complaint against me (Dane County Case No. 2005 CF 1259). The Complaint alleged that on May 15, 2005, I engaged in:

1. Bail jumping in violation of Wis. Stat. § 946.49(1)(b);
2. Misdemeanor battery in violation of Wis. Stat. § 940.19(1); and
3. Disorderly conduct in violation of Wis. Stat. § 947.01.

On May 15, I learned that a very close friend had died. I turned to alcohol to dull my grief. While out drinking with a friend, I acted offensively towards a women. When confronted by the women's significant other, a physical altercation occurred and I punched him. Until that point, I had not addressed my problem drinking. I subsequently enrolled in rehabilitation.

By letter of June 1, 2005, the Deferred Prosecution Unit revoked the deferred prosecution contract for Dane County Case No. 2003 CF 2738 due to my conduct.

On September 8, 2005, I pled no contest to the charge of misdemeanor battery. The charges of bail jumping and disorderly conduct were dismissed. Sentence was withheld and I was placed on probation for a period of two years concurrent to probation in case number 2003 CF 2738. Conditions of probation are the same as for Dane County Case No. 2003 CF 2738. I successfully completed my terms of probation and I was discharged by the Wisconsin Department of Corrections on September 8, 2009.

FACTS: Your complainant is a court officer with the Village of Shorewood Hills Police Department and for this complaint is replying on a report submitted by Village of Shorewood Hills Police Officer Denzer, Sgt. Wood, and Dane County Sheriff's Office Detective Mary Butler.

Officer Denzer reports that on October 12, 2003, at approximately 7:15 p.m., the officer was dispatched to 833 Burbank Place, in the Village of Shorewood Hills, Dane County, Wisconsin, in reference to two 911 hang up calls. At that location, Officer Denzer met with a female who identified herself with a Wisconsin photo driver's license as Elizabeth Bellak. Officer Denzer could tell that she was upset and appeared to have been crying. She stated, "My husband got mad at me. He pushed me and I fell into our daughter". Elizabeth identified her husband as Jason M. Bellak, birth date 04/07/72. Officer Denzer asked her if the incident caused her pain and she replied, "Yes". She further stated, "This has been going on for a long time. It has got to stop". Officer Denzer asked her if she had any bruises or marks from the incident. She pointed to her face and the officer observed redness on her left cheek, it appeared swollen.

Officer Denzer reports Elizabeth asked her son, C.R.L., birth date 04/28/94, age nine, to describe his black eye. C.R.L. stated, "My dad kicked me in the eye". He stated that he believed it occurred approximately one to two weeks ago, on or about September 26, 2003. Officer Denzer observed a black mark that was fading around his left eye. The officer asked C.R.L. to describe to him how he got the black eye. He stated that his dad,

Jason, was helping him with his homework. He advised he was not doing well and that Jason was also angry with him because he had not put the scissors and screwdriver where they belonged. He reports that his dad then went downstairs to find his sister, I.B.B., birth date 04/16/02, age one. He reports that Jason pushed him, which caused him to collide with his sister. C.R.L. reports that his father then kicked him in the eye.

Sgt. Wood made contact with Elizabeth regarding the incident on October 12, 2003. Elizabeth explained that Jason was feeling sick due to starting some medication. She reports that due to Jason feeling ill, she went to a neighbor's residence with the children so that he could rest. She advised that Jason was upset with her for not being home. She stated Jason told her that he felt she had left him when he was sick and that she wasn't being a good wife. Elizabeth stated she was in the kitchen with Jason and her youngest daughter, I.B.B., when Jason grabbed her by the front of the shirt. She reports that Jason pulled up on the shirt and then pushed her backwards, causing her to fall onto her daughter. After Jason made sure that their daughter was not injured, she reports he again confronted her in the hallway, at which time he grabbed her face with his hand and squeezed. She reports Jason then pushed her backwards, causing her to fall onto her head. She stated that when she fell onto her head, it caused her pain without her consent. Sgt. Wood reports that Elizabeth stated that the pain was still severe at the time of the interview with her on October 13, 2003. She rated the pain a six of a possible ten.

Elizabeth stated she told Jason she was no longer going to tolerate him abusing her and attempted to call the police. She stated that Jason prevented her from getting to the phone by pushing her away from it and standing in her way. A short time later she reports that Jason allowed her to get to the phone and she called the police.

Detective Mary Butler made contact with Elizabeth's other daughter, A.T.L., birth date 02/09/97, age six. Detective Butler asked A.T.L. if she remembers any other time when her mom hurt her dad or her dad hurt her mom while they had been in the new house. She stated, "Yes". She advised it was the time that her dad went to jail. Detective Butler reports this was on or about September 26, 2003. Detective Butler asked her what she remembered about that night. A.T.L. stated that her dad, Jason, threw her mom on the floor, on her sister, I.B.B. She further stated that her dad then threw her mom in the hallway.

Detective Butler then made contact with C.R.L., who stated that before his dad Jason hit him, he told him he needed to put the stuff away. He stated that his dad then smacked him in the head and he knocked down his one year old sister. When Detective Butler asked if C.R.L. could show him how his dad had hit him, he used his right hand and hit himself on the right side of the head with an open hand. When Detective Butler asked if it was an open or closed hand, C.R.L. stated it was an open hand. After he was hit, C.R.L. stated that he fell down and hit his one year old sister with his foot accidentally. C.R.L. stated that he landed on his back with his arm behind his head, blocking his head. C.R.L. stated that his dad then kicked him in the head because he got mad that his one year old sister got knocked down. C.R.L. stated that his dad's foot was coming toward his

head. He advised that his dad was carrying his one year old sister when Jason kicked him in the eye. Detective Butler asked which leg Jason used and C.R.L. advised it was his right leg. Detective Butler asked C.R.L. if he started crying when he was on the ground and he stated that he did and his dad told him not to do it again or he would do it harder. Detective Butler drew a face and asked C.R.L. to mark where his dad kicked him. C.R.L. then drew a mark near the left eye. He also showed the detective where the bruise was, describing it as being above the eye on the eyelid. Detective Butler asked C.R.L. when this was and he stated it was three weeks ago, on or about September 26, 2003. Detective Butler asked C.R.L. if he remembered what part of the foot his dad kicked him with. He showed the detective the upper portion of the bottom of his foot, indicating this is what his dad used when he kicked him.

Sgt. Wood made contact with Jason Bellak, who stated he slapped C.R.L. on the top of the head with an open hand "pretty hard" and C.R.L. fell to the ground. He stated that he then kicked at C.R.L. with a bare foot, hitting him in his arm. Jason stated that he thought C.R.L. landed on some laundry and not the concrete floor. He reports that C.R.L. was crying and Elizabeth came down, at which time he went upstairs. Jason reports that Elizabeth told him that C.R.L. had a black eye. Jason stated that he did not apologize at that time because he was upset with himself for hitting and kicking C.R.L., he was still upset with C.R.L. about the screwdriver and scissors, and he did not want to fight with Elizabeth. Jason told Sgt. Wood that he feels that Elizabeth needs direction, which she dislikes.

Jason stated, "She was behind me, calling me as asshole", referring to Elizabeth. Jason stated he decided that Elizabeth could leave because her behavior was escalating and he threw keys at her. Jason stated he threw them for her to catch but she did not catch them. Jason stated he then turned toward the inside of the house to come inside and let go of the screen door. Jason stated he did not slam the door shut. Jason stated he did not close the front door yet when the coat rack fell and hit the back of his head. Jason stated the coat rack was pushed by Elizabeth and hit him, causing him to fall to the ground on his knees. Jason stated Elizabeth also physically pushed him, as well as pushing the coat rack onto him. Jason stated that when he got up, "I pushed her back, she was screaming, and I told her to just leave". Jason stated, "She hit me twice". Jason stated that he was struck with a closed fist once in the area of his left temple and also was struck in the mouth with a closed fist, which he claimed caused his lip to split and bleed. Officer Overland observed Jason's lip and it appeared to be dry and cracked but not swollen, nor did Officer Overland observe any blood on the lower lip. Officer Overland reports that Jason stated that after he was punched in the mouth he probably was "trying to keep her away from me". Jason denied ever grabbing Elizabeth's scarf, but stated he did put both of his hands up towards her neck. Jason demonstrated this for Officer Overland. Jason admitted that he had thrown orange juice on Elizabeth the previous evening because she was smoking in the house.

Your complainant reports the above-described events occurred within Dane County, Wisconsin.

MADISON, on or about May 15, 2005, cause bodily harm to Matthew J. Arens, by an act done with intent to cause bodily harm to that person, without that person's consent and with knowledge that the person so harmed did not give consent; contrary to Section 940.19(1) of the Wisconsin Statutes, a Class A misdemeanor; and upon conviction may be fined not more than Ten Thousand Dollars (\$10,000), imprisoned not more than nine (9) months or both.

AND AS A THIRD AND SEPARATE OFFENSE, THE ABOVE-NAMED DEFENDANT(S) IN DANE COUNTY, WISCONSIN DID, at the CITY OF MADISON, on or about May 15, 2005, engage in violent or otherwise disorderly conduct under circumstances in which such conduct tended to cause or provoke a disturbance; contrary to Section 947.01 of the Wisconsin Statutes, a Class B misdemeanor; and upon conviction may be fined not more than One Thousand Dollars (\$1,000), imprisoned not more than ninety (90) days or both.

FACTS: Your complainant has reviewed the files of the Dane County Circuit Court, which files he has in the past reviewed and found to be truthful and reliable. Your complainant reports that files in Dane County case #03CF2738, regarding State of Wisconsin vs. Jason M. Bellak, show that on or about December 2, 2003, Bellak was charged in the Dane County Circuit Court with at least one felony offense. Bellak appeared for an initial appearance on December 8, 2003, in front of Dane County Circuit Court Commissioner David Flesch, who released Bellak from custody under Chapter 969 of the Wisconsin Statutes on a signature bond signed by Bellak. One of the conditions of bond ordered by Commissioner Flesch was the requirement that the defendant commit no crimes if released on bond. Your complainant reports that on or about January 13, 2004, Bellak waived his right to a preliminary hearing in front of Dane County Circuit Court Commissioner Todd E. Meurer and was bound over for further proceedings. An information was filed, charging Bellak with at least one felony offense. Bellak was arraigned in front of Commissioner Meurer and Commissioner Meurer continued the defendant's bail. Your complainant reports that on or about June 8, 2004, Bellak entered a plea to at least one felony charge in front of Judge Gerald C. Nichol of the Dane County Circuit Court. Adjudication was withheld and Bellak was instead referred to the Dane County District Attorney's Office First Offender's Program. Bellak remained on bond while in that program. Your complainant reports to the best of his knowledge, on May 15, 2005, the above-described bail condition remained in effect and the above-described case remained pending.

City of Madison Police Officer Carrie Hemming reports that on May 15, 2005, at approximately 1:25 a.m., she was dispatched to 212 State Street, in the City of Madison, Dane County, Wisconsin, also known as Paul's Club, for a report of a disturbance. Upon arrival, Officer Hemming reports she made contact with a woman who identified herself as Jacquelyn Arens. Arens stated that she had been walking past a booth that a person, later identified as Jason Bellak, was seated in. Bellak reached out and lifted up Arens' mini-skirt, exposing her buttocks. Arens stated she said something to Bellak to the effect

of, "what are you doing?". She then went back to the friend she was with and told her husband, Matthew Arens, what had happened. Jacquelyn Arens stated she was upset and disturbed by Bellak's behavior. Jacquelyn stated that her husband, Matthew Arens, went over to Bellak's booth and confronted him. Jacquelyn stated she saw Bellak stand up and punch Matthew in the face. Jacquelyn stated she did not see Matthew do anything physically confrontational or violent toward Bellak prior to being struck. Jacquelyn stated that Bellak then stood up and began to leave the bar.

Officer Hemming reports she spoke to Matthew Arens. Matthew stated that his wife Jacquelyn came up to him and told him that Bellak had lifted up her skirt as she walked past. Matthew stated he was upset and went over to Bellak and said, "Don't ever fucking do that to my wife again. That's unacceptable". Matthew stated that as soon as he finished saying this, Bellak stood up and punched him in the face. Matthew then stepped backwards because of this punch to his face. Matthew stated the punch did cause him to feel pain and caused two cuts on his lip. Officer Hemming observed the cuts and noted they both appeared to be less than one centimeter long. Matthew complained of having pain in his nose. Matthew stated he was a doctor and believed that his nose might be broken but he did not want any medical treatment that evening. Matthew indicated he would seek medical treatment later. Matthew stated that his front tooth also felt as if it was loose. Matthew stated after Bellak struck him, Bellak went towards the front door and left the bar. Your complainant reports that Matthew Arens did not give Bellak consent to cause him pain or injure him in any way.

Your complainant reports the above-described events occurred within Dane County, Wisconsin.

****THIS COMPLAINT IS BASED ON** the information and belief of your complainant, who is a Detective for the City of Madison Police Department, and who learned of the above offense from the reports of City of Madison Police Officer(s) Carrie Hemming, which report(s) your complainant believes to be truthful and reliable inasmuch as they were prepared during the course of the officer(s) official duties.

Further, your complainant believes the information furnished by Jacquelyn Arens and Matthew Arens to be truthful and reliable inasmuch as they are citizen informant(s) and witnessed the events described.

PROCEDURAL HISTORY

The prosecutor and Respondent in this matter agreed to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board. The Board has now reviewed this Stipulation, and approves it.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

Respondent practices allergy and immunology medicine, and is certified by the American Board of Internal Medicine. He is also licensed in Arizona.

2. Respondent did, on 3/7/05, report for work with unprescribed Schedule I controlled substances in his body.

CONCLUSIONS OF LAW

A. The Wisconsin Medical Examining Board has jurisdiction to act in this matter pursuant to §448.02(3), Wis. Stats. and is authorized to enter into the attached Stipulation pursuant to §227.44(5), Wis. Stats.

B. The conduct described in paragraph 2, above, violated §961.38(5), Wis. Stats., § Med 10.02(2)(i), (r), and (z), Wis. Adm. Code. Such conduct constitutes unprofessional conduct within the meaning of the Code and statutes.

c. Upon a showing by Respondent of successful compliance for a period of five years of active practice with the terms of this order and upon a showing that Respondent has made satisfactory restitution for any losses caused by the conduct described above and compliance with all other terms of this Order, the Board may grant a petition by Respondent for return of a full permit. (See ¶25, below.)

d. The applications for stays of suspension, and all required reports under this Order, shall be due on the date designated by the Department Monitor, and each three months thereafter, for the period that this Order remains in effect. Respondent shall in addition refrain from the consumption of over-the-counter medications or other substances which may mask consumption of controlled substances or of alcohol, or which may create false positive screening results, or which may interfere with Respondent's treatment and rehabilitation. Respondent shall report all medications and drugs, over-the-counter or prescription, taken by Respondent to the Supervising Health Care Provider within 24 hours of ingestion or administration, and shall identify the person or persons who prescribed, dispensed, administered or ordered said medications or drugs. Dated: November 4, 2008

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.
2. Respondent is the holder of license number 29814 for the practice of allopathic medicine in the State of Arizona.
3. On September 26, 2003, and October 12, 2003, Respondent was involved in two domestic violence incidents in Madison, Wisconsin. As a result, on September 8, 2005, Respondent pled guilty and was convicted of one count of Felony Child Abuse and one count of Misdemeanor Battery involving Respondent's stepson and ex-wife, respectively. Respondent was placed on four years criminal probation with the Wisconsin Department of Corrections for the Child Abuse charge and two years probation for the Battery charge. Respondent has complied thus far with his criminal probation in the Child Abuse matter and has successfully completed his probation for the Battery charge.
4. On April 24, 2004, Respondent was arrested in Shorewood Hills, Wisconsin for traffic violations including Operating While Intoxicated. Respondent's blood alcohol content while driving was 0.13. Respondent did not contest the Operating While Intoxicated charges and was thus found guilty, fined, and his driver's license suspended. Respondent complied with the terms of this non-criminal ordinance violation and his Wisconsin driver's license was reinstated.
5. On March 7, 2005, in Madison, Wisconsin, while working as a medical laboratory researcher, under a Wisconsin temporary educational permit to practice medicine, Respondent was asked to provide urine and hair samples to a Wisconsin Medical Examining Board ("Wisconsin Board") investigator. Respondent complied. The

No. 8192 P. 6

1 subsequent analysis of Respondent's samples revealed THC (a metabolite of
2 marijuana) in his urine and evidence of cocaine in his hair sample.

3 6. On May 15, 2005, in Madison, Wisconsin, Respondent was arrested after he struck
4 a patron at a bar while intoxicated with alcohol. Respondent pled guilty and was
5 convicted of Misdemeanor Battery on September 8, 2005. He has since
6 successfully completed two years criminal probation in Wisconsin for the offense.

7 7. On July 20, 2005, Respondent and the Wisconsin Board entered into a stipulation
8 finding Respondent had committed unprofessional conduct by reporting for work
9 with Schedule 1 controlled substance(s) in his body on March 7, 2005 (see
10 paragraph 5). The stipulation suspended Respondent's license, but stayed the
11 suspension and required him to complete drug and alcohol treatment, rehabilitation
12 and monitoring for five years, including an initial, intensive outpatient program.

13 8. On August 23, 2005, the Wisconsin Board granted Respondent a "limited license"
14 to practice medicine. As described, *supra*, the license is suspended for five years,
15 but the suspension is stayed pending Respondent's continued participation in drug
16 and alcohol abuse monitoring and treatment.

17 9. Respondent has been employed in Wisconsin as an internal medicine physician at
18 a rural practice since September, 2006.

19 10. Respondent admits to the acts described above.

20 **CONCLUSIONS OF LAW**

21 1. The Board possesses jurisdiction over the subject matter hereof and over
22 Respondent.

23 2. The conduct and circumstances described above constitute unprofessional conduct
24 pursuant to A.R.S. § 32-1401(27)(f) ("Habitual intemperance in the use of alcohol
25 or habitual substance abuse.")

No. 8192 P. 7

- 1 3. The conduct and circumstances described above constitute unprofessional
2 conduct pursuant to A.R.S. § 32-1401(27)(d) ("committing a felony, whether or
3 not involving moral turpitude, or a misdemeanor involving moral turpitude. In
4 either case, conviction by any court of competent jurisdiction or a plea of no
5 contest is conclusive evidence of the commission.")
- 6 4. The conduct and circumstances described above constitute unprofessional
7 conduct pursuant to A.R.S. § 32-1401(27)(e) ("action that is taken against a
8 doctor of medicine by another licensing or regulatory jurisdiction due to that
9 doctor's mental or physical inability to engage safely in the practice of
10 medicine, the doctor's medical incompetence or for unprofessional conduct
11 as defined by that jurisdiction and that corresponds directly or indirectly to an
12 act of unprofessional conduct prescribed by this paragraph. The action taken
13 may include refusing, denying, revoking or suspending a license by that
14 jurisdiction or a surrendering of a license to that jurisdiction, otherwise
15 limiting, restricting or monitoring a licensee by that jurisdiction or placing a
16 licensee on probation by that jurisdiction.")
- 17 5. The conduct and circumstances described above constitute unprofessional
18 conduct pursuant to A.R.S. § 32-1401(27)(g) ("using controlled substances

20 of treatment.")

ORDER

- 21 1. IT IS HEREBY ORDERED revoking License Number 29814, previously issued to
22 Jason M. Bellak, M.D. for the practice of allopathic medicine in the State of Arizona;
23 however, this revocation is stayed with the following conditions:
- 24 A. Respondent is placed on 5 years probation, effective July 20, 2005, to run
25 concurrently with the Wisconsin Board Order.

- 1 B. Respondent shall comply with all terms of his Wisconsin Board Order and
2 Wisconsin criminal probation.
- 3 C. Respondent shall obey all state, federal and local laws, and all rules
4 governing the practice of medicine in Arizona.
- 5 D. Respondent shall notify the Board immediately if he violates, or is being
6 investigated for violating any terms of his Wisconsin Board or criminal probation.
- 7 E. Should the Board discover that Respondent may have violated any of these
8 terms of probation, *supra*, the Board may initiate proceedings by either holding a
9 formal interview before the Board or by referring the matter for a formal hearing
10 at the Office of Administrative Hearings.
- 11 F. If, at the conclusion of either a formal interview or a formal hearing, the
12 Board determines Respondent has violated his probation, his license will be
13 revoked.
- 14 2. In the event Respondent should leave Wisconsin to reside or practice outside the
15 State or for any reason should Respondent stop practicing medicine in Wisconsin,
16 Respondent shall notify the Executive Director in writing within ten days of departure, or
17 the dates of non-practice. Non-practice is defined as any period of time exceeding thirty
18 days during which Respondent is not engaging in the practice of medicine.
- 19 3. If Respondent plans to return to Arizona to practice medicine, he shall provide the
20 Executive Director ten days advance notice, in writing.
- 21 4. If an investigation involving an alleged violation of Respondent's probation is
22 initiated but not resolved prior to the termination of his probation, Respondent's probation
23 shall extend until the matter is resolved.
- 24 5. This Order is the final disposition of case number MD-05-0351A.

Dr. Bellak,

This email is to confirm that I have reviewed the case file in this matter and the PMP reviews that you submitted. Based on the Stipulation and Order dated May 13, 2016, the one year probation of your OBN registration is complete.

You have no further probation obligations in this matter and may consider your OBN registration valid without restriction. In addition, I have asked the question and there is no provision for another submission to the NPDB to show the probation complete.

The original submission identified the probation as one year in length.

Finally, your current registration expires 10.31.18.

If you have any further questions, please call me.

RE: BME CASE#:19-242-D-S

Dear J. David Wuest,

Please find below my responses to the Factual Allegations cited in your letter.

The line items are all true, except the following:

Item 3:

I am indeed not registered with the Board to prescribe any controlled substances. I did not prescribe unlawfully under another practitioner's credentials. I was attending to patients in my preceptorship role as prescribed by the Nevada Medical Board. In essence, I was operating as a medical student or physician assistant-a very common role in the medical field. The steps involved are as follows; you take a history, conduct a physical, discuss tests needed and prescriptions recommended; then your precepting physician approves and then he/she authorizes prescriptions. I followed this exact blueprint throughout my 15-month long preceptorship.

Item 8:

I was never employed by Dr. Addo-Quaye. I was doing my preceptorship in his clinic for no pay. My role in his clinic was exactly as explained in Item 3.

Item 10:

I did write a few handwritten prescriptions (usually due to patient's choice or convenience). These were ALWAYS for non-controlled substances eg. Losartan for hypertension, citalopram for depression.

Item 11:

There was absolutely no collusion of any sort. All patients were seen per the normal bona fide therapeutic relationship with patients. I did not represent myself as a practitioner entitled to write prescriptions for controlled substances. I was merely an "apprentice" conducting the usual history and physicals on patients and then conferring with Dr. Addo-Quaye who then makes the final decision as to what to prescribe-and then sent the medications to the pharmacy.

I sincerely hope these responses clear the air regarding the allegations.

Respectfully,

Dear Victor Ronald Bruce:

RE: OI File Number H-14-4-2941-9

As a result of your conviction in the United States District Court, District of Nevada, the Department of Health and Human Services is required to exclude you from eligibility to participate in any capacity in the Medicare, Medicaid, and all Federal health care programs as defined in section 1128B(f) of the Social Security Act (Act). Section 1128(a) of the Act (42 U.S.C. 1320a-7(a)) authorizes the imposition of this exclusion, which will be in addition to any sanction an individual Federal or State agency may impose under its own authority.

The scope of an exclusion is broad and, if implemented, would have a significant effect on your ability to work in the health care field. If this exclusion is imposed, it would significantly limit your ability to work in the health care field in the United States. No payment would be made by any Federal health care program (such as Medicare, Medicaid, Veterans Administration, TRICARE, etc.) for any items or services you furnish, order, or prescribe in any capacity. For example, you would be prohibited from submitting or causing claims to be submitted to any Federal health care programs for any items or services you provide in any capacity and you would be prohibited from being employed in any capacity to provide any items or services which are billed to a Federal health care program. Such items or services could include administrative, clerical, and other activities that do not directly involve patient care or the provision of any health care related services. Generally speaking, you could not be employed by a hospital, nursing home or other provider or supplier that participates in Federal health care.

You should be aware that an exclusion would not affect your rights or the rights of your family members to collect benefits to which you or they may be entitled as a beneficiary under any Federal program such as Medicare, Medicaid, or Social Security. You may find more information regarding exclusions on the Office of Inspector General's (OIG) website, including Frequently Asked Questions and the Special Advisory Bulletin about the Effect of Exclusion.

To access this site, go to <http://oig.hhs.gov>, click on EXCLUSIONS DATABASE, and then choose the item you would like to access.

Page 2 – Victor Ronald Bruce

You may be eligible for a waiver if an exclusion is implemented under section 1128(a)(1), (a)(3), or (a)(4) of the Act or any combination of exclusion authorities thereof. However, there is no provision for granting a waiver for an exclusion implemented under section 1128(a)(2), whether that authority is used alone or in combination with any of the aforementioned exclusion authorities. The OIG may only waive an exclusion if the person or entity is the sole community practitioner or the sole source of essential specialized services in a community (42 CFR 1001.1801(b)). Such a request must be made in writing to the OIG by the person directly responsible for administering the Federal or State health care program for which the waiver is being requested. (The waiver provision of the Act (section 1128(c)) was amended by section 949 of the Medicare Prescription Drug Improvement and Modernization Act.)

As provided in section 1128(c)(3)(B) of the Act, the minimum period of program exclusion shall be at least 5 years and, if aggravating circumstances warrant, the period may be increased. You have 30 days from the date of this letter to submit any information and supporting documentation you want the OIG to consider before it makes a final determination regarding your exclusion. Please send documentation to support your response to this office at the above address. If you do not submit documentation within 30 days, the OIG will make its decision based on currently available information. Once the OIG has made its determination, the OIG will send you a letter notifying of its decision and, if an exclusion is imposed, of the effective date and length of the exclusion, as well as your appeal rights.

Sincerely,

Peter Clark

Dear Victor Ronald Bruce:

RE: OI File Number H-14-42941-9

This is to notify you that you are being excluded from participation in any capacity in the Medicare, Medicaid, and all Federal health care programs as defined in section 1128B(f) of the Social Security Act (Act) for a minimum period of 10 years. The scope of this exclusion is broad and has a significant effect on your ability to work in the health care field. This action is being taken under section 1128(a)(4) of the Act (42 U.S.C. 1320a-7(a)) and is effective 20 days from the date of this letter. This exclusion is due to your felony conviction as defined in section 1128(i) (42 U.S.C. 1320a-7(i)), in the United States District Court, District of Nevada, of a criminal offense related to the unlawful manufacture, distribution, prescription, or dispensing of a controlled substance as defined under Federal or State law. This applies to any individual or entity that is, or has ever been, a health care practitioner, provider, or supplier; holds a direct or indirect ownership or control interest (as defined in section 1124(a)(3) of the Act) in an entity that is a health care provider or supplier or is, or has ever been, an officer, director, agent or managing employee (as defined in section 1126(b) of the Act) of such an entity; or is, or has ever been, employed in any capacity in the health care industry.

This exclusion will affect your ability to claim payment from these programs for items or services that you render; it will NOT affect your right to collect benefits under any Federal health care program such as Medicare, Medicaid or Social Security. You may find more information regarding exclusions on the OIG's website, including Frequently Asked Questions and the Special Advisory Bulletin about the Effect of Exclusion. To access this site, go to <http://oig.hhs.gov>, click on EXCLUSIONS DATABASE, then choose the item you would like to access.

Section 1128(c)(3)(B) of the Act provides that the minimum period of exclusion shall be not less than 5 years. Your period of exclusion is greater than that because our records contain evidence of the following circumstances:

1. The sentence imposed by the court included incarceration. The court sentenced you to 46 months of imprisonment.

Victor Ronald Bruce, M.D., #48790-048

2. The individual or entity was convicted of other offenses besides those which formed the basis for exclusion, or has been the subject of any other adverse action by any Federal, State, or local government agency or board, if the adverse action is based on the same set of circumstances that serves as the basis for imposition of the exclusion. The Nevada State Board of Medical Examiners revoked your medical doctor license.

A detailed explanation of the authority for this exclusion, its effect, and your appeal rights is enclosed and is incorporated as part of this notice by specific reference. You should read this document carefully, act upon it as necessary, and retain it for future reference.

REINSTATEMENT IS NOT AUTOMATIC. You must apply to the OIG and be granted reinstatement. Obtaining a provider number from a Medicare contractor, a State agency, or a Federal health care program does not reinstate your eligibility to participate in those programs.

Sincerely,

Thomas J. Sowinski

* **Follow-up to Mr. Sedar's August 4, 2021, letter**

* **Supplement/amendment to Dr. Bruce's Controlled Substance Application**

* **Notice of Appearance of Counsel**

* **Additional documents/information regarding the judgment in a criminal case from 2014**

As noted in Dr. Bruce's initial explanation to his "Yes" answers to questions 2, 3, and 4 of Section 5 of the CSA (see **Exhibit 2**), on October 23, 2014, in the matter of United States of America v. Victor Bruce, MD, in the United States District Court, District of Nevada, Case No. 2: 13-cr-0041-APG-CWH, the Court entered its Judgment in a Criminal Case, adjudging Dr. Bruce guilty of violating 21 USC §§ 846, 841(a)(1) and (b)(1)(C), conspiracy to distribute oxycodone, and sentencing him to forty-six (46) months of imprisonment, among other sanctions. See **Exhibit 3**, copy of *Judgment in a Criminal Case* filed 10-23-2014.

In light of the criminal action, as noted in Dr. Bruce's initial explanation (**Exhibit 2**), the Nevada State Board of Medical Examiners (the "Medical Board") and Dr. Bruce, on December 8, 2014, entered into a *Settlement Agreement* (**Exhibit 4**) wherein it was agreed that Dr. Bruce's medical license would be revoked. The December 8, 2014, *Settlement Agreement* also provide, in part:

WHEREAS, a *Judgment in a Criminal Case* was filed on October 23, 2014, in the matter of United States of America v. Victor Bruce, MD, United States District Court, District of Nevada, Case No. 2:13-cr-0041-APG-CWH, wherein it notes Respondent has plead guilty to count (1) of the Indictment and adjudicated guilty of 21 USC §§ 846, 841(a)(1) and (b)(1)(C), conspiracy to distribute oxycodone. The *Judgment in a Criminal Case* also, in part, sentences Respondent to forty-six (46) months of imprisonment, requires Respondent to surrender for service of sentence before 12 p.m. on January 16, 2015, and upon release from imprisonment, sets forth supervised release for three (3) years, subject to certain conditions. Respondent provided the Board with timely notice of the *Judgment in a Criminal Case*. It is important to note Respondent has taken full responsible for issuing controlled substances on more than one occasion to patients not of record and

Respondent has cooperated with Federal authority in every manner during this investigation. Respondent prior to this incident has no prior criminal background. Respondent has no prior patient complaints or any prior Board actions.

Id., **Exhibit 4**, Medical Board *Settlement Agreement* filed December 8, 2014, at 2:7-19.

Following Dr. Bruce's release from incarceration, he submitted to the Medical Board an application for licensure and preceptor plan. After an appearance by Dr. Bruce and Bernard Kofi Addo-Quaye, MD (Dr. Bruce's preceptor) before the Medical Board at a public meeting on September 7, 2018, the Medical board issued Dr. Bruce an "Active-Restricted" license to practice medicine for the express purpose of permitting him to participate in a preceptorship with Dr. Addo-Quaye, whereby Dr. Addo-Quaye was to supervise the medical activities of Dr. Bruce and to report to the Medical Board regarding Dr. Bruce's competence to practice medicine. The Medical Board ordered Respondent to complete a one (1) year preceptorship with Dr. Addo-Quaye, and explicitly restricted Respondent from prescribing controlled substances for a minimum of twenty-four (24) months or until his probation period lapses, whichever is greater, and subject to prior approval of the Medical Board.¹

Dr. Bruce complied with all the requirements of the *Settlement Agreement* filed December 8, 2014, in Case No. 14-12252-1 (see **Exhibit 4**). In addition, attached is a copy of the May 17, 2021, letter from the United States District Court, District of Nevada, Probation Department, advising that Dr. Bruce has completed his supervision term relative to the criminal case. See **Exhibit 5**.

Accordingly, the Medical Board filed on June 16, 2021, an *Order Removing Conditions from License* which, in part, ordered "all conditions and restrictions be removed

¹ These matters are noted in the *First Amended Complaint* filed November 23, 2020 (**Exhibit 8**), at 2:7-16, ¶5. See further discussion below.

from Dr. Bruce's license to practice medicine in the State of Nevada and, thereby, Dr. Bruce has an unrestricted license." See **Exhibit 6**.

* **Pharmacy Board's Cease and Desist/Citation: Unlicensed Practice (Case No. 19-242-S) dated July 21, 2020**

As noted above, question 3 of the CSA asks, in part, "[h]ave you been the subject of a board citation...." As to the same, the Pharmacy Board is aware of its own records. Notwithstanding, and out of an abundance of caution, Dr. Bruce received a letter dated July 21, 2020, from Courtney K. Lee, General Counsel, on behalf of the Pharmacy Board regarding a *Cease and Desist/Citation: Unlicensed Practice (Case No. 19-242-S)*. On July 27, 2020, Dr. Bruce, through the undersigned, timely sought an appeal and requested a hearing before the Pharmacy Board regarding the Citation ("Appeal Request").

Following on said Appeal Request, the Pharmacy Board filed on August 3, 2020, a *Statement to the Respondent and Notice of Hearing* (Case No. 19-242-D-S), in the matter captioned Nevada State Board of Pharmacy, Petitioner v. Victor Bruce, MD., Respondent before the Pharmacy Board ("Statement"). The Statement sets the hearing before the Pharmacy Board for September 2, 2020, at 9:00 a.m.

Via letter dated August 11, 2020, Dr. Bruce submitted to the Pharmacy Board his demand/application for a more definite and detailed statement and request for production of documents and information. In response to the demand, the Pharmacy Board, through counsel, provided certain documents on August 14, 2020, and on August 15, 2020, provided a list of witnesses. The Pharmacy Board provided supplemental documents on August 21, 2020. Dr. Bruce provided documents on August 31, 2020. Pharmacy Board counsel and counsel for Dr. Bruce mutually agreed to continue the hearing on Citation from September 2, 2020, at 9:00 a.m. to October 14, 2020 at 9:00 a.m.

The Pharmacy and Dr. Bruce arrived at a mutually agreeable resolution regarding the Citation/Statement in that Dr. Bruce would acknowledge he would pay the Citation's

fine amount, that Dr. Bruce would make no admission of a specific violation in relation to the payment of a fine amount, and Dr. Bruce would withdrawal his appeal to be heard in front of the Board. Accordingly, Dr. Bruce's appeal was withdrawn/vacated from the Board's October 14, 2020, hearing agenda. See Exhibit 7, Payment Agreement regarding Pharmacy Board Case No. 19-242. The same further notes, in part:

WHEREAS, the parties further agree to the following:

- * Dr. Bruce's general acknowledgement and payment of the fine is not an admission of liability;
- * No signed "acknowledgement" is needed;
- * Payment of the fine does not constitute discipline; and
- * The general acknowledgment and payment of the fine is akin to a settlement where there is no admission of liability.

See Exhibit 7, Payment Agreement, at pg. 1.

* **Nevada State Board of Medical Examiners, Case No. 20-12252-1, captioned *In the Matter of Charges and Complaint Against Victor Ronald Bruce, M.D., Respondent***

The Nevada State Board of Medical Examiners (the "Medical Board"), apparently after receiving information from the Pharmacy Board relative to the just discussed Pharmacy Board Citation, addressed such matters with Dr. Bruce via its Case No. 20-12252-1. The Medical Board's operative complaint was the First Amended Complaint filed November 23, 2020. See Exhibit 8, copy of Medical Board's First Amended Complaint. The First Amended Complaint contained one count. In part, it alleged:

1. Respondent is a medical doctor currently licensed in active-restricted status by the Board pursuant to Chapter 630 of the Nevada Revised Statutes (NRS) and Chapter 630 of the Nevada Administrative Code (NAC)

2. Bernard Kofi Addo-Quaye, M.D. (Addo-Quaye) was at all times relative to this Amended Complaint a licensed medical doctor holding an active license to practice medicine in the State of Nevada (License No. 9413). Addo-Quaye was originally licensed by the Board on June 13, 2000.

3. On October 23, 2014, in the matter of United States of America v. Victor Bruce, MD, United States District Court, District of Nevada, Case No. 2: 13-cr-0041-APG-CWH, the Court entered its Judgment in a Criminal Case, adjudging Respondent guilty of violating 21 USC §§ 846, 841(a)(1) and (b)(1)(C), conspiracy to distribute oxycodone, and sentencing him to forty-six (46) months of imprisonment, among other sanctions.

4. On December 31, 2014, the Board revoked Respondent's former license to practice medicine (License No. 8652) pursuant to a Settlement Agreement and Order entered by the Board on December 8, 2014.

5. Following Respondent's release from incarceration, Respondent submitted to the Board an application for licensure and preceptor plan. After an appearance by Respondent and Addo-Quaye before the Board at a public meeting on September 7, 2018, and good case appearing, the Board issued Respondent an "Active-Restricted" license to practice medicine for the express purpose of permitting him to participate in a preceptorship with Addo-Quaye, whereby Addo-Quaye was to supervise the medical activities of Respondent and report to the Board regarding Respondent's competence to practice medicine. 6. Addo-Quaye held, at all times relative to this Amended Complaint, a controlled substance registration, Certificate of Registration No. CS10103, issued by the Nevada State Board of Pharmacy (Pharmacy Board).

7. Respondent, at all times relative to this Amended Complaint, did not hold a controlled substance registration, or any other kind of license to prescribe controlled substances, issued by the Pharmacy Board.

8. Addo-Quaye, at all times relative to this Amended Complaint, was the proprietor of "Bernard Addo-Quaye, MD PC," dba "TruCare Medical Center" ("TruCare"). TruCare is located at 2290 McDaniel Street, Suite 2A, North Las Vegas, Nevada 89030.

13. NRS 630.306(1)(b)(3) provides that engaging in conduct that violates a provision of chapter 639 of NRS, or a regulation adopted by the State Board of Pharmacy pursuant thereto, that is applicable to a licensee who is a practitioner, as defined in NRS 639.0125, is grounds for initiating discipline against a licensee.

14. The Nevada State Board of Pharmacy adopted NAC 454.060, which sets forth requirements for written prescriptions for dangerous drugs. NAC 454.060 incorporates and includes the prescription requirements of NRS 454.223. In part, NRS 454.223(2)(a) provides:

2. A written prescription must contain:
 - (a) The name of the practitioner, the signature of the practitioner if the prescription was not transmitted orally and the address of the practitioner if not immediately available to the pharmacist;

15. Respondent violated NAC 454.060 in that, as Addo-Quaye's preceptee, and while Addo-Quaye was out of the country from September 1, 2019, to September 20, 2019, Respondent prescribed dangerous drugs by using Addo-Quaye's blank prescription pads having Addo-Quaye's name pre-printed on the prescription forms. Respondent failed to cross-out Addo-Quaye's name on the prescription forms and write in his own name prior to Respondent signing his own name on the prescription for dangerous drugs, in violation of NAC 454.060, a regulation of the State Board of Pharmacy, because the above-referenced prescription did not contain Respondent's name (although it did contain Respondent's signature), as required by NRS 454,223(2)(a) which is incorporated by NAC 454.060, a regulation adopted by the State Board of Pharmacy.

16. By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

See Exhibit 8, Medical Board's First Amended Complaint filed 11-23-2020, at 1:17 to 4:2.

Dr. Bruce and the Medical Board resolved case No. 20-12252-1 via a *Settlement Agreement* filed December 4, 2020. See Exhibit 9. In part, same provides:

4. Acknowledgement of Reasonable Basis to Proceed. As of the time of entering into this Settlement Agreement, the allegations of the Complaint remain unproven. Respondent acknowledges that the IC believes it has a reasonable basis to allege that Respondent engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. The IC acknowledges that Respondent is not admitting that the IC's claims/counts as alleged in the Complaint have merit and Respondent is agreeing to resolve this matter to avoid the costs of hearing and potential subsequent litigation. Respondent asserts that if these matters were to proceed to hearing, he has evidence, witnesses, expert witness(es) and defenses to the count/claim alleged in the Complaint, but for the purposes of resolving these matters and for no other purpose, Respondent waives the presentation of evidence, witnesses, expert witnesses, and defenses in order to effectuate this Agreement.

5. Consent to Entry of Order. In order to resolve the Complaint pending against Respondent, Respondent hereby agrees that the Board may issue an order finding that Respondent engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. Accordingly, the following terms and conditions are hereby agreed upon:

a. Respondent admits to Count I of the Complaint, one (1) violation of NRS 630.306(1)(b)(3), Violation of Statutes and Regulations of the Nevada State Board of Pharmacy.

b. Respondent shall pay a fine of five hundred dollars (\$500.00) within sixty (60) days of the Board's acceptance, adoption and approval of this Agreement.

c. Respondent will pay the costs and expenses incurred in the investigation and prosecution of the above-referenced matter within sixty (60) days of the Board's acceptance, adoption and approval of this Agreement, in the amount of two thousand eighty-four dollars and eighteen cents (\$2,084.18).

d. Respondent shall undergo an independent peer review examination to assess his current clinical competency to practice medicine, with the evaluation to be completed within ninety (90) days of the Board's acceptance, adoption and approval of this Agreement. The examination shall be conducted pursuant to and in accord with NRS 630.318. The examination shall be conducted by a peer reviewer approved by the Board in advance of the examination. The peer reviewer shall, within thirty (30) days of the completion of the examination, render an opinion and report to the Board regarding whether Respondent is competent to practice medicine with an unrestricted license, noting any concerns or deficiencies and areas of necessary improvement. The peer review and report shall be performed at Respondent's sole expense.

e. Upon completion of the terms and conditions set forth in paragraph 5(b)-(d) above, Respondent shall petition the Board for an unrestricted license, and appear at a public meeting where the Board shall review the record presented and render a determination on that petition in good faith.

Explanation for question 24

On December 13, 2013, I was arrested at my clinic (Swanlake Medical Center) by US Marshalls and DEA agents and charged with "conspiracy to distribute oxycodone". I was charged with having written some oxycodone prescriptions for various patients that were filled and diverted for sale on the streets.

In September 2014, I was sentenced in federal court to serve 46 months in Taft Correctional Institute, California. I had to shut down my then 16-year old practice and turned myself in to serve my sentence January 16, 2015.

I had my original medical licensure in Nevada since 1998 (license number 8652). I practiced successfully in Nevada until December 2014. That license was revoked December 31, 2014.

I completed my sentence in Federal prison camp May 18, 2018. I went to a NV Medical Board hearing September 7, 2018, at which time they approved my application for re-licensure. They gave me a new license 18273 with restrictions of "no controlled substance prescriptions" for 24 months. I was also required to have a preceptor for 1 year. Dr. Bernard Adoo-quaye was approved to provide said preceptorship for the required duration.

I completed every step as required and at the NV Medical Board hearing June 4, 2021, they issued me an active, unrestricted license to practice medicine in the state of Nevada. I have attached a copy.

Thank you.

Signed:.....

Victor R. Bruce, M.D.

3 Respondent is represented by above-identified legal counsel in this matter and has had

1 sufficient evidence to bring additional allegations against Respondent, but does not concede or
 2 admit to such allegations, which he expressly denies, and which, but for his desire to reach this

 17 substantial evidence that Respondent has materially breached any of the terms and conditions of
 18 this Agreement, including but not limited to Respondent violating the prohibition of prescribing
 19 any Schedule II, III, IV or V controlled substances, or should Respondent violate any of the terms
 20 of his current release until he surrenders to the Federal Bureau of Prisons on January 16, 2015.
 21 Respondent agrees the IC, without any further hearing or action by the Board, shall issue an Order
 22 Revoking Respondent's license to practice medicine in the State of Nevada. Respondent waives
 23 any right to seek judicial review (state or federal) to reinstate his revoked license pending his
 24 release from incarceration.

25
 26
 27 ¹ All admissions made by Respondent are solely for final disposition of this matter and any subsequent related
 28 administrative proceedings or civil litigation involving the Board and Respondent. Therefore, said admissions by
 Respondent are not intended or made for any other use, such as in the context of another state or federal government
 regulatory agency proceeding, state or federal civil or criminal court proceeding, or any other state or federal court

13 of probation and Respondents' completion of the three (3) years of probation the IC shall, without
14 any further action of the Board, authorize an Order reinstating Respondent's license to the status
15 of good standing without restriction. If, during the term of Respondent's probation, the IC

23 hearing.

24
25 f. Pursuant to NRS 630.353(4)(a), Respondent agrees he shall submit to the
26 Board any and all documentation regarding any of the terms and conditions of parole and
27 probation related to the case of United States of America v. Victor Bruce, MD, United States

MEDICAL EXAMINERS**

FIRST AMENDED COMPLAINT

The Investigative Committee (IC)¹ of the Nevada State Board of Medical Examiners (Board), by and through Aaron Bart Fricke, Esq., Senior Deputy General Counsel and attorney for the IC, having a reasonable basis to believe that Victor Ronald Bruce, M.D. (Respondent), violated the provisions of Nevada Revised Statutes (NRS) Chapter 630 and the Nevada Administrative Code (NAC) Chapter 630 (collectively Medical Practice Act), hereby issues its First Amended Complaint (Amended Complaint), stating the IC's charges and allegations as follows:

1. Respondent is a medical doctor currently licensed in active-restricted status by the Board pursuant to Chapter 630 of the Nevada Revised Statutes (NRS) and Chapter 630 of the Nevada Administrative Code (NAC) (collectively, the Medical Practice Act). His license was originally issued on September 7, 2018 (License No. 18273).

2. Bernard Kofi Addo-Quaye, M.D. (Addo-Quaye) was at all times relative to this Amended Complaint a licensed medical doctor holding an active license to practice medicine in the State of Nevada (License No. 9413). Addo-Quaye was originally licensed by the Board on June 13, 2000.

3. On October 23, 2014, in the matter of United States of America v. Victor Bruce, MD, United States District Court, District of Nevada, Case No. 2: 13-cr-0041-APG-CWH, the Court

¹ The Investigative Committee of the Nevada State Board of Medical Examiners, at the time this formal Amended Complaint was authorized for filing, was composed of Board members Victor M. Muro, M.D., Chairman, Ms. April Mastroluca, and Weldon Havins, M.D., J.D.

1 entered its Judgment in a Criminal Case, adjudging Respondent guilty of violating 21 USC §§
2 846, 841(a)(1) and (b)(1)(C), conspiracy to distribute oxycodone, and sentencing him to forty-six
3 (46) months of imprisonment, among other sanctions.

4 4. On December 31, 2014, the Board revoked Respondent's former license to practice
5 medicine (License No. 8652) pursuant to a Settlement Agreement and Order entered by the Board
6 on December 8, 2014.

7 5. Following Respondent's release from incarceration, Respondent submitted to the
8 Board an application for licensure and preceptor plan. After an appearance by Respondent and
9 Addo-Quaye before the Board at a public meeting on September 7, 2018, and good case
10 appearing, the Board issued Respondent an "Active-Restricted" license to practice medicine for
11 the express purpose of permitting him to participate in a preceptorship with Addo-Quaye, whereby
12 Addo-Quaye was to supervise the medical activities of Respondent and report to the Board
13 regarding Respondent's competence to practice medicine. The Board ordered Respondent to
14 complete a one (1) year preceptorship with Addo-Quaye, and explicitly restricted Respondent
15 from prescribing controlled substances for a minimum of twenty-four (24) months or until his
16 probation period lapses, whichever is greater, and subject to prior approval of the Board.

17 6. Addo-Quaye held, at all times relative to this Amended Complaint, a controlled
18 substance registration, Certificate of Registration No. CS10103, issued by the Nevada State Board
19 of Pharmacy (Pharmacy Board).

20 7. Respondent, at all times relative to this Amended Complaint, did not hold a
21 controlled substance registration, or any other kind of license to prescribe controlled substances,
22 issued by the Pharmacy Board.

23 8. Addo-Quaye, at all times relative to this Amended Complaint, was the proprietor of
24 "Bernard Addo-Quaye, MD PC," dba "TruCare Medical Center" ("TruCare"). TruCare is located
25 at 2290 McDaniel Street, Suite 2A, North Las Vegas, Nevada 89030.

26 9. Respondent was engaged as a preceptee of Addo-Quaye at TruCare from
27 September 2018 to present.

28 ///

10. Addo-Quaye was out of the country from September 1, 2019, to September 20, 2019.

COUNT I

NRS 630.306(1)(b)(3)

(Violation of Statutes and Regulations of the Nevada State Board of Pharmacy)

11. All of the allegations contained in Paragraphs 1-10 above are hereby incorporated by reference as though fully set forth herein.

12. Respondent is a practitioner as defined by NRS 639.0125(1), as a physician, who holds a license to practice medicine in the State of Nevada.

13. NRS 630.306(1)(b)(3) provides that engaging in conduct that violates a provision of chapter 639 of NRS, or a regulation adopted by the State Board of Pharmacy pursuant thereto, that is applicable to a licensee who is a practitioner, as defined in NRS 639.0125, is grounds for initiating discipline against a licensee.

14. The Nevada State Board of Pharmacy adopted NAC 454.060, which sets forth requirements for written prescriptions for dangerous drugs. NAC 454.060 incorporates and includes the prescription requirements of NRS 454.223. In part, NRS 454.223(2)(a) provides:

2. A written prescription must contain:
 - (a) The name of the practitioner, the signature of the practitioner if the prescription was not transmitted orally and the address of the practitioner if not immediately available to the pharmacist;

15. Respondent violated NAC 454.060 in that, as Addo-Quaye's preceptee, and while Addo-Quaye was out of the country from September 1, 2019, to September 20, 2019, Respondent prescribed dangerous drugs by using Addo-Quaye's blank prescription pads having Addo-Quaye's name pre-printed on the prescription forms. Respondent failed to cross-out Addo-Quaye's name on the prescription forms and write in his own name prior to Respondent signing his own name on the prescription for dangerous drugs, in violation of NAC 454.060, a regulation of the State Board of Pharmacy, because the above-referenced prescription did not contain Respondent's name (although it did contain Respondent's signature), as required by NRS 454.223(2)(a) which is incorporated by NAC 454.060, a regulation adopted by the State Board of Pharmacy.

16. By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

WHEREFORE, the IC prays:

1. That the Board give Respondent notice of the charges herein against him and give him notice that he may file an answer to the Amended Complaint herein as set forth in NRS 630.339(2) within twenty (20) days of service of the Amended Complaint;

2. That the Board set a time and place for a formal hearing after holding an Early Case Conference pursuant to NRS 630.339(3);

3. That the Board determine what sanctions to impose if it finds and concludes that there has been a violation or violations of the Medical Practice Act committed by Respondent;

4 evidence, witnesses, expert witness(es) and defenses to the count/claim alleged in the Complaint,

24 or by reason of, this investigation, this Agreement or the administration of the case referenced
25 herein.

In 2013, the FDA visited an out of town clinic in Kirksville, MO where my previous group practices. We keep and deliver IV medications, including scheduled drugs at that facility. I was made aware that our nurses were not keeping required records for some of those drugs, namely, versed. We also handle morphine for administration in the clinic. The findings details lapses in adequate record keeping, and it is important to note that there was no evidence of diversion or misuse of any of the controlled substances, but the nurses were not properly educated to make note of the other scheduled drugs, besides the schedule II narcotics - for which there were no deficiencies.

After a complete investigation, my FDA and BNDD certificates were placed on probation for two years. The State Board of Healing Arts for Missouri also discussed possible action against my license, but in the end, no public action was EVER taken against my license. I did receive a "Letter of Concern" which I have also included. At no time was my license in any way censured or reprimanded.

Sincerely,

SETTLEMENT AGREEMENT

I

Come now Mark Vellek, M.D. and the Missouri Department of Health and Senior Services', Bureau of Narcotics and Dangerous Drugs (hereinafter the Bureau) and enter into this Agreement for the purpose of resolving the question of whether Dr. Vellek's Missouri Controlled Substances Registration should be disciplined.

The parties understand that this Agreement is in lieu of a trial-type hearing of the Bureau's charges against Dr. Vellek at the Administrative Hearing Commission where he would have the right to appear and be represented by legal counsel; the right to have all charges proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending and, subsequently, the right to a disciplinary hearing before the Bureau, at which time evidence in mitigation of discipline may be presented; and the right to a claim for attorney's fees and expenses if Dr. Vellek were a prevailing party. Being aware of these rights, the parties knowingly and voluntarily waive each and every one of these rights and agree to abide by the terms of this document, in lieu of proceedings before the Administrative Hearing Commission.

Dr. Vellek acknowledges that he is aware that he may, at the time this Agreement becomes effective, or within 15 days thereafter, submit this Agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties constitute grounds for discipline of Dr. Vellek's Missouri Controlled Substance Registration.

Dr. Vellek acknowledges that he has been informed of his right to consult legal counsel in this matter.

II

Dr. Vellek and the Bureau stipulate to the following facts:

1. The Bureau of Narcotics and Dangerous Drugs is a bureau within the Missouri Department of Health and Senior Services, an agency of the State of Missouri.
2. Dr. Vellek is registered by the Bureau to stock, prescribe, dispense and administer controlled substances under Missouri Controlled Substances Registration number 1364577091 at a practice location of 603 West Pierce Street, Kirksville, MO 63501.
3. On October 7, 2008, an investigator for the Bureau visited the Kirksville practice where Dr. Vellek is the physician responsible for the controlled substances to conduct an inspection of controlled substance record keeping

and security. Dr. Vellek was cited for several violations, primarily relating to failure to maintain complete and current controlled substance records.

4. Dr. Vellek received a Letter of Censure from the Bureau on November 5, 2008, for the above violations.
5. On or about March 29, 2013, Bureau Administrator Michael Boeger received information regarding activity involving the Kirksville office, a subsidiary of Vellek's Columbia-based practice.
6. On May 2, 2013, Bureau Investigator Andrew Hayden went to 603 West Pierce, Kirksville to conduct an inspection of controlled substance record keeping and security. At the time of Investigator Hayden's inspection Dr. Vellek had already learned of certain violations and had implemented corrective measures. Dr. Vellek was responsible to:
 - Purchase and stock all controlled substances for the George Rea Cancer Treatment Center.
 - Receive Schedule II drugs on DEA transfer forms from the pharmacy in Columbia.
 - Receive other scheduled drugs from distributors.
7. Dr. Vellek was stocking the following controlled substances: morphine, Demerol™, hydromorphone, midazolam, diazepam, lorazepam and depo-testosterone.
8. Immediately following the inspection, Investigator Hayden interviewed Christine Thomas regarding the results of the inspection. Nurse Thomas provided the following information:
 - She had received a phone call from the Columbia pharmacy immediately following the Bureau's inspection at their location;
 - The pharmacy informed her of the violations they received and advised her to complete an annual inventory, create a file for invoices, and create an administration log;
 - Except for the Schedule II controlled substances administration log, none of these required records were being maintained previous to the instructions from the pharmacy. This practice location had just begun keeping the records in the form required by the Bureau a few weeks prior to Investigator Hayden's visit; however, the records were stored and available; and
 - She was now placed in charge of the record keeping for Dr. Vellek and was given a Power of Attorney.
9. While visiting the Kirksville office, Investigator Hayden obtained a copy of Dr. Vellek's last annual inventory and completed an initial inspection sheet to document how the records were being kept on the day of the inspection. He found them compliant; however, the comments section of the inspection sheet

noted that the practice did not maintain complete records for the previous year.

10. Dr. Vellek began maintaining receipt records as required by law after being informed by a pharmacy. Dr. Vellek did not have immediate access to receipt records for controlled substances for the prior two years and therefore did not maintain controlled substance receipt records as required.
11. Section 195.050.6, RSMo. 2000, states:

Every person registered to manufacture, distribute or dispense controlled substances under sections 195.005 to 195.425 shall keep records and inventories of all such drugs in conformance with the record keeping and inventory requirements of federal law, and in accordance with any additional regulations of the department of health and senior services.
12. Regulation 19 CSR 30-1.042(3), states:

Annual Inventory Date. After the initial inventory is taken, the registrant shall take a new inventory of all stocks of controlled substances on hand at least once a year. The annual inventory may be taken on any date that is within one year of the previous annual inventory date.
13. Regulation 19 CSR 30-1.048(1) states:
 - (1) Each individual practitioner, institutional practitioner and pharmacy shall maintain records with the following information for each controlled substance received, maintained, dispensed or disposed:
 - (A) The name of the substance;
 - (B) Each finished form (for example, ten milligram (10 mg) tablet or ten milligram (10mg) concentration per fluid ounce or milliliter) and the number of units or volume of finished form in each commercial container (for example, 100 tablet bottle or three milliliter (3 ml) vial);
 - (C) The number of commercial containers of each finished form received from other persons, including the date of and number of containers in each receipt and the name, address and registration number of the person from whom the containers were received;
 - (D) The number of units or volume of the finished form dispensed including the name and address of the person to whom it was dispensed, the date of dispensing, the number of units or volume dispensed and the written or typewritten name or initials of the individual who dispensed or administered the substance;
 - (E) The number of units or volume of the finished forms, commercial containers, or both, disposed of in any other manner by the registrant, including the date and manner of disposal and the quantity of the substance in finished form disposed.

14. Dr. Vellek began maintaining a controlled substance inventory as required for all controlled substances after being informed by a pharmacy that was required. Dr. Vellek did not maintain annual inventories as required.
15. Dr. Vellek did not maintain a separate administration and dispensing log to document the use of Schedule III-V controlled substances as required; however, he did so for Schedule II controlled substances. For Schedule III-V controlled substances, Dr. Vellek did not maintain a separate log to document the date, patient name, address, drug name, strength, form, and quantity, and names or initials to identify staff conducting activities. Dr. Vellek began maintaining records as required by law after being advised to do so by a pharmacist.
16. Regulation 19 CSR 30-1.044(1) states:

Every registrant required to keep records shall maintain on a current basis a complete and accurate record of each such substance manufactured, imported, received, sold, delivered, exported or otherwise disposed of by him/her.
17. Dr. Vellek did not maintain complete and current controlled substance records as required by law.
18. Not maintaining current controlled substance records such as receipt records, inventories, and dispensing logs made it impossible to conduct an audit of controlled substances to verify their accountability.
19. Regulation 19 CSR 30-1.031(1) states in material part:

All registrants shall provide effective controls to guard against the diversion or theft of controlled substances.
19. Section 195.040, RSMo. 2000, states in material part:
7. A registration to manufacture, distribute, or dispense a controlled substance may be suspended or revoked by the department of health and senior services upon a finding that the registrant:

* * *
(4) Has violated any federal controlled substances statute or regulation, or any provision of sections 195.005 to 195.425 or regulation promulgated pursuant to sections 195.005 to 195.425.

III

Dr. Vellek and the Bureau stipulate to the following conclusions of law:

1. The Bureau of Narcotics and Dangerous Drugs is a bureau within the Missouri Department of Health and Senior Services created and established pursuant to section 192.005, RSMo. 2000 for the purpose of administering, executing and enforcing the provisions of Chapter 195, RSMo., the "Comprehensive Drug Control Act of 1989."
2. Dr. Vellek did not maintain controlled substance receipt records as required in violation of Section 195.050.6, RSMo. 2000 and 19 CSR 30-1.048(1).
3. Dr. Vellek did not maintain annual inventories as required in violation of Section 195.050.6, RSMo. 2000 and 19 CSR 30-1.042(3).
4. For Schedule III-V controlled substances, Dr. Vellek did not maintain a separate administration and dispensing log to document their use as required in violation of Section 195.050.6, RSMo. 2000 and 19 CSR 30-1.048.
5. Dr. Vellek did not maintain complete and current controlled substances records as required by law in violation of Section 195.050.6, RSMo. 2000 and 19 CSR 30-1.044(1).
6. Incomplete records prevented an audit from being conducted to verify the accountability for all controlled substances, in violation of Regulation 19 CSR 30-1.031(1).
7. Cause exists to discipline Dr. Vellek's Missouri Controlled Substances Registration pursuant to Section 195.040.7, RSMo. 2000.

IV

In light of the foregoing stipulation of facts the Bureau shall continue to grant Dr. Vellek a registration, under probation, under the following terms:

1. Dr. Vellek understands that should he relocate his current primary registered practice location, the controlled substance registration will terminate immediately, and he may not conduct activities with controlled substances until he has been issued a new certificate of registration for the new practice location.
2. Dr. Vellek shall apply for Missouri Controlled Substance Registrations and professional licenses in a timely fashion and shall be current in his registrations at all times, including the reporting of any change in his practice address.

3. Violation of any term of this Settlement Agreement by Dr. Vellek is sufficient basis for the Bureau to pursue a new and additional action against his controlled substances registration or deny a pending application for a controlled substances registration, after Dr. Vellek has been afforded due process and a conference with the Bureau.
4. Copies of this Settlement Agreement shall be forwarded by the Bureau to the Missouri State Board of Registration for the Healing Arts and to the Federal Drug Enforcement Administration (DEA) in accordance with Section 195.190, RSMo. 2000.
5. The conditions of this Settlement Agreement shall be in effect for two years from the date of execution of this Settlement Agreement. At the end of one year Dr. Vellek may write the Bureau and ask to have this Agreement terminated early.
6. Dr. Vellek may continue to prescribe controlled substances and also administer controlled substances from the stock of another authorized registrant.
7. Dr. Vellek shall not order, purchase, accept, or stock controlled substances, including samples for dispensing. Should unsolicited samples of controlled substances be received via mail or common carrier, the Bureau shall be notified immediately after receipt of said samples by Dr. Vellek for proper disposal.
8. All controlled substances in Dr. Vellek's possession shall be transferred to the possession of another authorized registrant within 30 days of the date of the execution of this Settlement Agreement.
9. Dr. Vellek shall not violate any provision of Chapter 195 of the Revised Statutes of Missouri nor any regulation promulgated thereunder or the federal Controlled Substances Act 21 U.S.C. 801—966 and its federal regulations 21 CFR 1300—1399.
10. All costs and expenses incurred by Dr. Vellek in complying with this Settlement Agreement shall be the sole responsibility of Dr. Vellek, and shall in no way be the obligation of the Missouri Department of Health and Senior Services.

Re: 2013-006668

Dear Dr. Vellek:

The Missouri State Board of Registration for the Healing Arts ("Board") at its June 2014, Conference Call reviewed the documentation submitted by the Missouri Department of Health and Senior Services, Bureau of Narcotics and Dangerous Drugs (BNDD).

~~Following that review, the Board has directed me to withdraw the previously proposed settlement agreement and to inform you via this private Letter of Concern that your failure to maintain adequate records, including the failure to keep an annual inventory and to keep invoices for controlled substances received which led to probation of your BNDD registration for a period of two (2) years is of concern to the Board.~~

This letter is not a public record pursuant to Section 334.001, RSMo, and, as such, will not be disclosed except as allowed by statute. This letter does not constitute a disciplinary action.

Sincerely,

Connie Clarkston

Vermont Board of Pharmacy

Attached you will find Allivet's disciplinary actions by date. Please see below for consolidated explanations for each action.

1. Oregon – 2008-0097 12/09/08
 - i. The Case with the state of Oregon was opened on Dec 9th 2008, and settled with a consent order dated Feb 18th 2009. There was a civil fine of \$750 due to Allivet shipping to Oregon in early 2008 without an out of state license. This was an unintentional oversight as Allivet was a new pharmacy and was in the process of obtaining all licenses. Allivet has an active license and is in good standing with the state of Oregon.
2. Indiana – 2011 IBP 0053 09/28/11
 - i. The order from the state of Indiana dated Sept 28th 2011 was to stop shipping to Indiana while Allivet's application was in process, which was submitted many months prior. Allivet received its Out of State Pharmacy license from the state of Indiana in Dec 2011, which was within 60 days of the order. There have not been disciplinary actions or sanctions against our pharmacy from the Indiana Board of Pharmacy. Allivet has an active license and is in good standing with the state of Indiana.
3. Colorado – CO-2013-534 12/19/13
 - i. Isoxsuprine is a vital and staple medication which was on manufacturer backorder in 2011 at the time of the incident. Allivet had the product in stock in preparation of such situations where these medications might become scarce to pet owners. In 2011, we were contacted by a vet urgently requiring this medicine for his pet owners in Colorado. Allivet felt the need to help the Doctor, in order to enable him to continue to serve the equine community in Colorado. Allivet was fined \$1,100 by Colorado for dispensing medication without a wholesale license. This was a on-time situation and Allivet does not sell any products via wholesale regardless of the circumstances. Allivet has an active license and is in good standing with the state of Colorado.

4. Alabama – AL-2015-001 10/10/15
 - i. This case is due to a misunderstanding between the Board and Allivet. Alabama passed a law requiring all nonresident pharmacies to have an Alabama licensed PIC on staff. Allivet submitted an application for its PIC to be licensed in Alabama on November 10, 2014. A phone call was made to the Board when the Board was to meet with the PIC in person, scheduled for February 24, 2015, which was after the Renewal period of 12/31/2014. The conversation consisted of inquiring if the pharmacy license could be extended while the PIC was waiting for the Board meeting. Susan Alverson, Executive Secretary at the Board, confirmed the license would remain in good standing. Allivet continued to monitor the Board website which showed the license as Active with an expiration date of 12/31/2016. Allivet continued to ship under the presumptions mentioned herein. Later, the Board asked Allivet if it shipped into the state between 12/31/2014 and 02/24/2015. Allivet's response was we did ship into the state as we were under the understanding we were allowed to do so. However, Alabama decided to fine Allivet \$500 for shipping into the state without a license. Allivet has an active license and is in good standing with the state of Alabama.
5. Arkansas – AR-2015-049 10/13/15
 - i. Allivet has systems in place to ensure prescription items are not shipped into states where it does not hold active licenses. There was a glitch in our system, which has been repaired, which allowed orders placed over the phone to be processed. Allivet has an active license and is in good standing with the state of Arkansas.

| 3. Arkansas – AR-2015-049 | 10/13/15 |

ii. Action II:

Allivet did not report change of location to the Board. In late 2008 Allivet changed locations from 8001 W 26th Ave to 480 West 83rd Street. Allivet failed to report the change of location within 30 days. This was an unintentional oversight as Allivet had just opened its pharmacy in 2007. At the following renewal date, Allivet noted the new address and did so every year after for the next 10 years. Florida, Allivet's home state, has inspected the new location multiple times since the move. Allivet has an active license and is in good standing with the state of Michigan.

| 3. Indiana – 2011 IBP 0053 | 09/28/11 |

ii. Action II:

In early 2016, Texas enacted a new law requiring non-resident pharmacies to have a Texas licensed pharmacist on staff. As soon as Allivet learned of this new requirement, we submitted one of our pharmacists to be licensed in Texas. Unfortunately, the pharmacist licensing process took longer than expected. Allivet believed that if it had a pharmacist licensed in Texas prior to the next Texas renewal date it would be compliant. As of May 2017, Allivet had a Texas licensed pharmacist on its staff and Allivet's renewal application in Texas was approved prior to expiration. However, because Allivet did not have a Texas licensed pharmacist on staff as of September 2016, it was disciplined by the Texas Board of Pharmacy. Allivet has an active license and is in good standing with the state of Texas.

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE NON-RESIDENT PRESCRIPTION DRUG OUTLET REGISTRATION IN THE STATE OF COLORADO OF ALLIVET PHARMACY, REGISTRATION NO. OSP 5887,

Respondent Pharmacy.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Allivet Pharmacy ("Respondent Pharmacy") to resolve all matters pertaining to Board Case Number 2013-534, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Pharmacy, its registration as a non-resident prescription drug outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to provisions of the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2012).
2. Respondent Pharmacy was originally registered in the State of Colorado on or about May 10, 2010, being issued registration number OSP 5887, and has been so registered at all times relevant to this disciplinary action.
3. Respondent Pharmacy's address of record with the Board and current location is 480 West 83rd Street, Hialeah, Florida 33014.
4. Respondent Pharmacy admits these findings and hereby waives any further proof in this or any other proceeding before the Board regarding the following facts.
5. On or about May 3, 2011, May 18, 2011 and June 5, 2011, Respondent Pharmacy distributed a prescription drug to an individual practitioner in Colorado without a valid, patient-specific prescription order.
6. Respondent Pharmacy admits that its conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board Rules and provides grounds for disciplinary action against Respondent Pharmacy's Colorado registration as a prescription drug outlet:

Colorado Revised Statutes

12-42.5-123. Unprofessional conduct - grounds for discipline.

(1) The board may suspend, revoke, refuse to renew, or otherwise discipline any license or registration issued by it, after a hearing held in accordance with the provisions of this section, upon proof that the licensee or registrant:

(c) Has violated:

(I) Any of the provisions of this Article, including commission of an act declared unlawful in section 12-42.5-126;

(III) Any state or federal law pertaining to drugs.

(k) Has failed to meet generally accepted standards of pharmacy practice.

12-42.5-124. Disciplinary actions. (1) The board may deny or discipline an applicant, licensee, or registrant when the board determines that the applicant, licensee, or registrant has engaged in activities that are grounds for discipline.

12-42.5-130. Nonresident prescription drug outlet--registration

(2) The registration requirements of this section apply only to a nonresident prescription drug outlet that only ships, mails, or delivers, in any manner, drugs and devices into this state pursuant to a prescription order.

7. The Board finds and concludes, and Respondent Pharmacy agrees, that based upon Respondent Pharmacy's above-described violations of the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act and relevant rules and regulations, the following discipline is just and appropriate under the circumstances.

DISPOSITION

8. **Fine with Surcharge.** Pursuant to §12-42.5-124(5)(a)(I), C.R.S., Respondent Pharmacy shall pay a fine of One Thousand Dollars and No Cents (\$1,000.00) Respondent Pharmacy understands and acknowledges that, pursuant to §24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies shall impose an additional surcharge of 10% of this fine. Respondent Pharmacy shall therefore pay a total amount of One Thousand One Hundred Dollars and No Cents (\$1,100.00). The total amount shall be payable to the State of Colorado and shall be remitted in one lump sum to be included when Respondent Pharmacy submits this signed Final Agency Order to the Board.

Respondent Pharmacy acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under §12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of its registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Pharmacy to comply with all terms and conditions of this Final Agency Order.
12. **Discharge.** Discharge from the requirements of this Final Agency Order must be requested in writing by Respondent Pharmacy. The Board will consider any request for discharge during the ordinary course of business and may require independent verification prior to release. Dear Pharmacist Manager

The Colorado State Board of Pharmacy ("Board") reviewed the above-referenced complaint. CONSENT ORDER

The Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation ("Department"), by attorney Paula McGee, and Respondent Agropec Trading, LLC, DBA Allivet ("Respondent") agree to the following:

STIPULATIONS

Respondent holds Illinois pharmacy license no. 054.020270 pursuant to the Pharmacy Practice Act, 225 ILCS 85/et seq. ("Act"), which is presently in active status. Respondent non-resident pharmacy is located in Florida and dispenses veterinary prescription medication to consumers. Respondent pharmacy was previously owned by a single owner prior to a change of ownership in 2017. In January of 2019, the Department received a self-report of prior sister-state discipline not previously disclosed to the Department under prior ownership. In February of 2019, the Department received Respondent's application for a change of address. The Act at 225 ILCS 85/30(a)(8) and (24) sets forth that the Department may refuse to issue or renew, or may revoke a license, or may suspend, place on probation, fine, or take any disciplinary or non-disciplinary action as the Department may deem proper, including fines not to exceed \$10,000.00 per violation, with regard to any licensee for adverse action taken by another state or jurisdiction that is the same or substantially equivalent to those set forth in the Act and failing to report within sixty (60) days to the Department any adverse final action taken against a pharmacy by another licensing jurisdiction in any other state for acts or conduct similar to acts or conduct that would constitute grounds for discipline under the Act.

In January of 2019, Respondent disclosed to the Department the following sister-state disciplines: (1) On or about February 18, 2009, Respondent was fined \$750.00 by the Board of Pharmacy of the State of

Oregon due to shipping to the state in early 2008 without an active license in Oregon case no. 2008-0097. Respondent was in the process of obtaining state licenses at the time, and the action resulted from an unintentional oversight. Respondent has had no subsequent disciplinary history in Oregon; (2.) On or about September 28, 2011, the Indiana Board of Pharmacy ordered Respondent, at the time pending application approval for a non-resident pharmacy license, to cease and desist shipping to Indiana without an active license in Indiana case no. 2011 IBP 0053. Within sixty (60) days of the Indiana Order, Respondent received an Indiana license and has had no subsequent disciplinary history in Indiana; (3.) On or about December 19, 2013, Respondent was fined \$1,100.00 by the State Board of Pharmacy of the State of Colorado due to dispensing without a wholesale license in Colorado case no. CO-2013-534. Respondent shipped a medication to a veterinarian in Colorado in 2011 who had been unable to obtain the medication from the manufacturer due to back-order. Respondent does not sell any products via wholesale and thus was a one-time occurrence; (4.) On or about October 10, 2015, Respondent was fined \$500.00 by the Alabama State Board of Pharmacy due to shipping to the state without a valid license in Alabama case no. AL-2015-001. In 2014, Respondent submitted an application for its pharmacist-in-charge ("PIC") to be licensed in Alabama, due to a new law requiring all non-resident pharmacies have an Alabama licensed PIC on staff. Respondent mistakenly believed they could continue to ship to Alabama while the application was pending; (5.) On or about October 13, 2015, Respondent was fined \$5,000.00 by the Arkansas State Board of Pharmacy due to shipping to the state without a valid license in Arkansas case no. AR-2015-049; (6.) On or about February 28, 2017, Respondent was disciplined in Alabama due to the sister-state actions in Oregon and Indiana in Alabama case no. 16-I.-0130; (7.) On or about May 18, 2017, Respondent was disciplined in Alabama due to the sister-state action in Arkansas in Alabama case no. 17-L-0050; (8.) On or about June 25, 2018, Respondent was disciplined by the Michigan Board of Pharmacy due to the sister-state actions in Oregon, Alabama, and Arkansas, and for having failed to report a change of location to Michigan within thirty (30) days in 2008 in Michigan case no. 53-17-148216; (9.) On or about July 9, 2018, Respondent was disciplined by the Texas State Board of Pharmacy due to the sister-state actions in Oregon, Colorado, and Indiana, and for failing to have a Texas-licensed pharmacist on staff. In 2016, Respondent submitted an application for its pharmacist to be licensed in Texas, upon a new requirement that

all non-resident pharmacies have a Texas licensed pharmacist on staff, however Respondent did not have a Texas-licensed pharmacist on staff as of September of 2016 and was fined \$4,000.00 in Texas case no. K-17-031; and (10.) On or about August 13, 2018, Respondent was disciplined in Colorado due to the sister-state action in Arkansas in Colorado case no. 2018-6062.

For the purposes of this Consent Order, Respondent admits the following: (1.) Adverse action was taken against Respondent relating to the practice of pharmacy in the states of Oregon, Indiana, Colorado, Alabama, Arkansas, Michigan, and Texas; (2) No other adverse final actions, other than those set forth in this Consent Order, have been taken against Respondent in any jurisdiction; and (3.) Respondent failed to report within sixty (60) days the adverse final actions set forth in this Consent Order. Respondent's actions and/or omissions constitute grounds for discipline under the Act, 225 ILCS 85/30(a)(8) and (24). Pursuant to 68 IAC 1130.300(b), the following factors are considered in mitigation: (1) Respondent is currently in good standing in all states where Respondent is licensed; (2) Respondent's lack of disciplinary history by the Department; (3.) The age of the underlying offenses, (3) Respondent's self-report to the Department and demonstration of accountability under new ownership; and (4.) Respondent's small size and specialized pharmacy services Respondent provides to Illinois consumers

Respondent admits that the information recited herein is accurate and complete. At all times material to the matter set forth in this Consent Order, the Department had jurisdiction over the subject matter and the parties herein. Respondent has been advised of the right to have any allegation(s) reduced to written charges, to a hearing where the Department bears the burden to prove its allegations by clear and convincing evidence, the right to contest any charges brought and present mitigating evidence, the right to an attorney, and the right to administrative review of any order resulting from a hearing. Respondent knowingly waives each of these rights, as well as any right to administrative review of this Consent Order. Such waiver ceases if this Consent Order is rejected by the State Board of Pharmacy ("Board") or Director. Respondent acknowledges that Respondent has entered into this Consent Order freely and of Respondent's own will without threat or coercion by the Department or any person and has not relied upon any representation made by or on behalf of the Department other than those specifically included herein. Respondent acknowledges that the Department attorney may be

requested to communicate with the Board or Director in furtherance of the approval of this Consent Order. Respondent has been informed that this Consent Order will be presented to the Director. If this Consent Order is not approved, Respondent waives any right to raise any prejudice resulting from the Director's consideration of this Consent Order. Respondent understands that this Consent Order is not effective unless and until it is adopted by the Director. A copy of any original signature(s) shall be given the full force and effect of an original signature(s) affixed to this Consent Order.

Respondent and the Department agree, in order to resolve this matter, that Respondent be permitted to enter into a Consent Order with the Department, providing for the imposition of disciplinary measures which are fair and equitable in the circumstances and which are consistent with the best interests of the people of the State of Illinois.

CONDITIONS

Wherefore, the Department, by attorney Paula McGee, and Respondent agree.

- A. Respondent's Illinois pharmacy license no. 054.020270 shall be reprimanded.
- B. Respondent shall pay a fine of five thousand dollars (\$5,000.00) within sixty (60) days of the effective date of this Consent Order. The fine shall be paid by personal check, cashier's check, or personal money order. In the notation portion of the check, this Case No. 2019-03078 and license no. 054.020270 shall be noted. Said check shall be made payable to:

Illinois Department of Financial and Professional Regulation
 SSC – ACCOUNTS Receivable Section - Fines
 P.O. Box 7086
 Springfield, IL 62791
- C. Failure by Respondent to comply fully with the terms and conditions of this Consent Order shall be grounds for the Director of the Illinois Department of Financial and Professional Regulation to issue an Order mandating the immediate and automatic indefinite suspension of Respondent's pharmacy license. Respondent may file an appropriate Petition within thirty (30) days from date the order was entered to contest the underlying factual basis of the indefinite suspension. Respondent shall be

afforded a hearing on the merits following the filing of the Petition. Respondent waives any statute of limitations defense in any hearing on the suspension.

- D. This Consent Order is a public disciplinary action and will be reported to all applicable public indexes, including the National Association of Boards of Pharmacy. This Consent Order will be available to the general public.
- E. This Consent Order shall become effective upon the Director's signature, as dated below.

Hi Ron,

I am just waiting on the toll-free #, permanent email, and business phone # which you said it was still pending, per our initial conversation. Also one other piece of information I am missing is a list of all officers and directors, sorry I forgot to mention this earlier. Please note at this time the July meeting hasn't been set yet, I can't move forward until everything is completed.

SUMMARY

My career has encompassed three distinct areas of pharmacy practice:

General retail pharmacy practice including large retail stores and medical centers along with two sub-specialties;

- Psychiatric and Mental Health
- Hospice and Palliative Care/End of Life Care/Pain Management

EMPLOYMENT HISTORY

06/2003-
10/2013

Nathan Adelson Hospice, 4141 Swenson Street, Las Vegas NV

Director of Pharmacy Services (4/07-10/13) Staff pharmacist (6/03-4/07)

This position required oversight of the two in-patient pharmacies located in the acute care units of Nathan Adelson Hospice totaling 38 beds as well as coordinating pharmacy services provided by our contracted pharmacy for approximately 400 homecare patients.

Responsibilities included processing daily patient orders, consulting with the medical and nursing staff, sterile product preparation and administration, education for staff members in the proper dosing of narcotic analgesics and other aspects of end of life pharmacy care.

Supervision and hiring of staff at both locations, attending weekly IDG meetings and participation in monthly Operations and quarterly QAPI meetings was required.

Other key aspects of this position included preparation of a medication formulary, updating and maintaining a Policy and Procedures Manual, purchasing, inventory control, and evaluating new products for formulary inclusion through P and T committee participation.

Policy and Procedures for Nevada Application

a) Normal delivery Protocols and times:

All approved prescription items will be delivered using the method of shipment chosen by the customer. All cold ship items are shipped next day air using UPS Next Day Air.

Pharmacy will also be equipped with refrigerator used to store temperature sensitive products like insulin or other products requiring refrigeration.

- In the event that that pharmacy refrigerator fails, all refrigerated items will be transported to the warehouse refrigeration unit and categorized into a separate section until the necessary repairs are made or a replacement unit is installed.
- In the event that electric power is cut off for any length of time that will hinder the storage of temperature restricted products, a gas generator will be used to power the refrigeration units and, if needed, specified air control (AC) areas of the pharmacy and/or warehouse.
- All products requiring refrigeration will be shipped by express overnight service, and packed in an insulated Styrofoam box, with minimum of 3 lbs of ice packs, to insure the safe arrival of the temperature sensitive medications.
- Any product compromised during the shipping process, as deemed by the PIC after being made aware by the customer, will be replaced for the customer and a return label will be provided so that the damaged product is returned.

b, c, d) Shipment delay

Delay in shipment due to stock issues

- If the shipment of the prescription item is delayed beyond normal delivery times due to lack of stock or backorder, the customer is immediately informed of this delay and is given the option of transferring the item to another prescription or advised to visit their veterinarian for an interim dosage. Once the item is back in stock, the customer has the option to have the package sent overnight.

Lost Packages

- Packages shipped ground by the USPS or FedEx are considered lost after 7 business days of shipment with no updated tracking information.
- Packages shipped by FedEx Express 2day or overnight, are guaranteed to be delivered in that time frame and are considered lost after the day it is scheduled to be delivered.

If a package is considered lost, the Customer Service Representative will:

1. Initiate and investigation with the appropriate carrier, documenting the investigation number and noting the circumstances in detail on the order.
2. After the investigation is complete, if it is determined that the customer does not have the package, a replacement will be sent out.
3. A follow up will be done with the carrier two weeks after the start of the investigation. If the package has already been reshipped and it is determined that the initial order was found and also delivered, the customer service representative is responsible for contacting the customer and ensuring that the package returns. If the package has been reshipped and the initial order was found but has still not been delivered, the customer service representative is responsible for providing the carrier with instructions to have to package returned to sender.

If the customer does not wish to wait until the completion of the investigation for the package to be reshipped, he/she has the option to pay for another order to be shipped. We will later refund or credit if needed, according to the results of the investigation. **If the item in question requires a prescription, reshipment will be done pending veterinary approval.**

Damaged Packages

If a package is considered damaged, the customer service representative will:

1. File a claim with the appropriate carrier if the damages occurred during transit.
2. Place an order for the reshipment of the product.
3. Forward claim information to Accounting Department to follow up on funds being returned.

If the product itself is damaged and considered unusable for risk of endangering the health of the pet, a replacement order will be sent with a return label to receive the damaged product back. The shipping department manager and /or pharmacist will determine if the product is to be disposed of appropriately or if it will be returned to the manufacturer for additional investigation.

Nevada Board of Pharmacy

Attached you will find Agropec Trading LLC dba Allivet disciplinary actions by date. Please see below for consolidated explanations for each action.

1. Oregon – 2008-0097 12/09/08
 - i. The Case with the state of Oregon was opened on Dec 9th 2008, and settled with a consent order dated Feb 18th 2009. There was a civil fine of \$750 due to Allivet shipping to Oregon in early 2008 without an out of state license. This was an unintentional oversight as Allivet was a new pharmacy and was in the process of obtaining all licenses. Allivet has an active license and is in good standing with the state of Oregon.

2. Indiana – 2011 IBP 0053 09/28/11
 - i. The order from the state of Indiana dated Sept 28th 2011 was to stop shipping to Indiana while Allivet's application was in process, which was submitted many months prior. Allivet received its Out of State Pharmacy license from the state of Indiana in Dec 2011, which was within 60 days of the order. There have not been disciplinary actions or sanctions against our pharmacy from the Indiana Board of Pharmacy. Allivet has an active license and is in good standing with the state of Indiana.

3. Colorado – CO-2013-534 12/19/13
 - i. Isoxsuprine is a vital and staple medication which was on manufacturer backorder in 2011 at the time of the incident. Allivet had the product in stock in preparation of such situations where these medications might become scarce to pet owners. In 2011, we were contacted by a vet urgently requiring this medicine for his pet owners in Colorado. Allivet felt the need to help the Doctor, in order to enable him to continue to serve the equine community in Colorado. Allivet was fined \$1,100 by Colorado for dispensing medication without a wholesale license. This was a one-time situation and Allivet does not sell any products via wholesale regardless of the circumstances. Allivet has an active license and is in good standing with the state of Colorado.

4. Alabama – AL-2015-001 10/10/15
 - i. This case is due to a misunderstanding between the Board and Allivet. Alabama passed a law requiring all nonresident pharmacies to have an Alabama licensed PIC on staff. Allivet submitted an application for its PIC to be licensed in Alabama on November 10, 2014. A phone call was made to the Board when the Board was to meet with the PIC in person, scheduled for February 24, 2015, which was after the Renewal period of 12/31/2014. The conversation consisted of inquiring if the pharmacy license could be extended while the PIC was waiting for the Board meeting. Susan Alverson, Executive Secretary at the Board, confirmed the license would remain in good standing. Allivet continued to monitor the Board website which showed the license as Active with an expiration date of 12/31/2016. Allivet continued to ship under the presumptions mentioned herein. Later, the Board asked Allivet if it shipped into the state between 12/31/2014 and 02/24/2015. Allivet's response was we did ship into the state as we were under the understanding we were allowed to do so. However, Alabama decided to fine Allivet \$500 for shipping into the state without a license. Allivet has an active license and is in good standing with the state of Alabama.
5. Arkansas – AR-2015-049 10/13/15
 - i. Allivet has systems in place to ensure prescription items are not shipped into states where it does not hold active licenses. There was a glitch in our system, which has been repaired, which allowed orders placed over the phone to be processed. Allivet has an active license and is in good standing with the state of Arkansas.

6. Alabama – 16-L-0130 02/28/17
 - i. This action was a derivative action referencing the following disciplinary actions:
 1. Oregon – 2008-0097 12/09/08
 2. Indiana – 2011 IBP 0053 09/28/11
7. Alabama – 17-L-0050 05/18/17
 - i. This action was a derivative action referencing the following disciplinary action:
 - I. Arkansas – AR-2015-049 10/13/15

8. Michigan – 53-17-148216 06/25/18 (PENDING ORDER)

i. Action I:

This action was a derivative action referencing the following disciplinary actions:

|---------------------------|----------|
| 1. Oregon – 2008-0097 | 12/09/08 |
| 2. Alabama – AL-2015-001 | 10/10/15 |
| 3. Arkansas – AR-2015-049 | 10/13/15 |

ii. Action II:

Allivet did not report change of location to the Board. In late 2008 Allivet changed locations from 8001 W 26th Ave to 480 West 83rd Street. Allivet failed to report the change of location within 30 days. This was an unintentional oversight as Allivet had just opened its pharmacy in 2007. At the following renewal date, Allivet noted the new address and did so every year after for the next 10 years. Florida, Allivet's home state, has inspected the new location multiple times since the move. Allivet has an active license and is in good standing with the state of Michigan.

9. Texas – K-17-031 07/09/18

i. Action I:

This action was a derivative action referencing the following disciplinary actions:

| 2. Colorado – CO-2013-534 | 12/19/13 |
| 3. Indiana – 2011 IBP 0053 | 09/28/11 |

ii. Action II:

In early 2016, Texas enacted a new law requiring non-resident pharmacies to have a Texas licensed pharmacist on staff. As soon as Allivet learned of this new requirement, we submitted one of our pharmacists to be licensed in Texas. Unfortunately, the pharmacist licensing process took longer than expected. Allivet believed that if it had a pharmacist licensed in Texas prior to the next Texas renewal date it would be compliant. As of May 2017, Allivet had a Texas licensed pharmacist on its staff and Allivet's renewal application in Texas was approved prior to expiration. However, because Allivet did not have a Texas licensed pharmacist on staff as of September 2016, it was disciplined by the Texas Board of Pharmacy. Allivet has an active license and is in good standing with the state of Texas.

State Board of Pharmacy

Attached you will find Allivet's disciplinary actions by date. Please see below for consolidated explanations for each action.

1. Oregon — 2008-0097

12/09/08

- i. The Case with the state of Oregon was opened on Dec 9th 2008, and settled with a consent order dated Feb 18th 2009. There was a civil fine of \$750 due to Allivet shipping to Oregon in early 2008 without an out of state license. This was an unintentional oversight as Allivet was a new pharmacy and was in the process of obtaining all licenses. Allivet has an active license and is in good standing with the state of Oregon.

2. Indiana — 2011 IBP 0053

09/28/11

- i. The order from the state of Indiana dated Sept 28th 2011 was to stop shipping to Indiana while Allivet's application was in process, which was submitted many months prior. Allivet received its Out of State Pharmacy license from the state of Indiana in Dec 2011, which was within 60 days of the order. There have not been disciplinary actions or sanctions against our pharmacy from the Indiana Board of Pharmacy. Allivet has an active license and is in good standing with the state of Indiana.

3. Colorado — CO-2013-534

12/19/13

- i. Isoxsuprine is a vital and staple medication which was on manufacturer backorder in 2011 at the time of the incident. Allivet had the product in stock in preparation of such situations where these medications might become scarce to pet owners. In 2011, we were contacted by a vet urgently requiring this medicine for his pet owners in Colorado. Allivet felt the need to help the Doctor, in order to enable him to continue to serve the equine community in Colorado. Allivet was fined \$1,100 by Colorado for dispensing medication without a wholesale license. This was a one-time situation and Allivet does not sell any products via wholesale regardless of the circumstances. Allivet has an active license and is in good standing with the state of Colorado.

4. Alabama – AL-2015-001

10/10/15

- i. This case is due to a misunderstanding between the Board and Allivet. Alabama passed a law requiring all nonresident pharmacies to have an Alabama licensed PIC on staff. Allivet submitted an application for its PIC to be licensed in Alabama on November 10, 2014. A phone call was made to the Board when the Board was to meet with the PIC in person, scheduled for February 24, 2015, which was after the Renewal period of 12/31/2014. The conversation consisted of inquiring if the pharmacy license could be extended while the PIC was waiting for the Board meeting. Susan Alverson, Executive Secretary at the Board, confirmed the license would remain in good standing. Allivet continued to monitor the Board website which showed the license as Active with an expiration date of 12/31/2016. Allivet continued to ship under the presumptions mentioned herein. Later, the Board asked Allivet if it shipped into the state between 12/31/2014 and 02/24/2015. Allivet's response was we did ship into the state as we were under the understanding we were allowed to do so. However, Alabama decided to fine Allivet \$500 for shipping into the state without a license. Allivet has an active license and is in good standing with the state of Alabama.

5. Arkansas – AR-2015-049

10/13/15

- i. Allivet has systems in place to ensure prescription items are not shipped into states where it does not hold active licenses. There was a glitch in our system, which has been repaired, which allowed orders placed over the phone to be processed. Allivet has an active license and is in good standing with the state of Arkansas.

ii. Action II:

Allivet did not report change of location to the Board. In late 2008 Allivet changed locations from 8001 W 26th Ave to 480 West 83rd Street. Allivet failed to report the change of location within 30 days. This was an unintentional oversight as Allivet had just opened its pharmacy in 2007. At the following renewal date, Allivet noted the new address and did so every year after for the next 10 years. Florida, Allivet's home state, has inspected the new location multiple times since the move. Allivet has an active license and is in good standing with the state of Michigan.

ii. Action II:

In early 2016, Texas enacted a new law requiring non-resident pharmacies to have a Texas licensed pharmacist on staff. As soon as Allivet learned of this new requirement, we submitted one of our pharmacists to be licensed in Texas. Unfortunately, the pharmacist licensing process took longer than expected. Allivet believed that if it had a pharmacist licensed in Texas prior to the next Texas renewal date it would be compliant. As of May 2017, Allivet had a Texas licensed pharmacist on its staff and Allivet's renewal application in Texas was approved prior to expiration. However, because Allivet did not have a Texas licensed pharmacist on staff as of September 2016, it was disciplined by the Texas Board of Pharmacy. Allivet has an active license and is in good standing with the state of Texas.

The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Pharmacy to comply with all terms and conditions of this Final Agency Order.
12. **Discharge.** Discharge from the requirements of this Final Agency Order must be requested in writing by Respondent Pharmacy. The Board will consider any request for discharge during the ordinary course of business and may require independent verification prior to release. AGROPEC TRADING, LLC, DBA ALLIVET,
License No. 054.020270,

Respondent.

Case No. 2019-03078

CONSENT ORDER

The Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation ("Department"), by attorney Paula McGee, and Respondent Agropec Trading, LLC, DBA Allivet ("Respondent") agree to the following:

STIPULATIONS

Respondent holds Illinois pharmacy license no. 054 020270 pursuant to the Pharmacy Practice Act, 225 ILCS 85/et seq. ("Act"), which is presently in active status. Respondent non-resident pharmacy is located in Florida and dispenses veterinary prescription medication to consumers. Respondent pharmacy was previously owned by a single owner prior to a change of ownership in 2017. In January of 2019, the Department received a self-report of prior sister-state discipline not previously disclosed to the Department under prior ownership. In February of 2019, the Department received Respondent's application for a change of address. The Act at 225 ILCS 85/30(a)(8) and (24) sets forth that the Department may refuse to issue or renew, or may revoke a license, or may suspend, place on probation, fine, or take any disciplinary or non-disciplinary action as the Department may deem proper, including fines not to exceed \$10,000.00 per violation, with regard to any licensee for adverse action taken by another state or jurisdiction that is the same or substantially equivalent to those set forth in the Act and failing to report within sixty (60) days to the Department any adverse final action taken against a pharmacy by another licensing jurisdiction in any other state for acts or conduct similar to acts or conduct that would constitute grounds for discipline under the Act.

In January of 2019, Respondent disclosed to the Department the following sister-state disciplines: (1.) On or about February 18, 2009, Respondent was fined \$750.00 by the Board of Pharmacy of the State of

Oregon due to shipping to the state in early 2008 without an active license in Oregon case no. 2008-0097. Respondent was in the process of obtaining state licenses at the time, and the action resulted from an unintentional oversight. Respondent has had no subsequent disciplinary history in Oregon; (2.) On or about September 28, 2011, the Indiana Board of Pharmacy ordered Respondent, at the time pending application approval for a non-resident pharmacy license, to cease and desist shipping to Indiana without an active license in Indiana case no. 2011 IBP 0053. Within sixty (60) days of the Indiana Order, Respondent received an Indiana license and has had no subsequent disciplinary history in Indiana; (3.) On or about December 19, 2013, Respondent was fined \$1,100.00 by the State Board of Pharmacy of the State of Colorado due to dispensing without a wholesale license in Colorado case no. CO-2013-534. Respondent shipped a medication to a veterinarian in Colorado in 2011 who had been unable to obtain the medication from the manufacturer due to back-order. Respondent does not sell any products via wholesale and this was a one-time occurrence; (4.) On or about October 10, 2015, Respondent was fined \$500.00 by the Alabama State Board of Pharmacy due to shipping to the state without a valid license in Alabama case no. AL-2015-001. In 2014, Respondent submitted an application for its pharmacist-in-charge ("PIC") to be licensed in Alabama, due to a new law requiring all non-resident pharmacies have an Alabama licensed PIC on staff. Respondent mistakenly believed they could continue to ship to Alabama while the application was pending; (5.) On or about October 13, 2015, Respondent was fined \$5,000.00 by the Arkansas State Board of Pharmacy due to shipping to the state without a valid license in Arkansas case no. AR-2015-049; (6.) On or about February 28, 2017, Respondent was disciplined in Alabama due to the sister-state actions in Oregon and Indiana in Alabama case no. 16-I.-0130; (7.) On or about May 18, 2017, Respondent was disciplined in Alabama due to the sister-state action in Arkansas in Alabama case no. 17-L-0050; (8.) On or about June 25, 2018, Respondent was disciplined by the Michigan Board of Pharmacy due to the sister-state actions in Oregon, Alabama, and Arkansas, and for having failed to report a change of location to Michigan within thirty (30) days in 2008 in Michigan case no. 53-17-148216; (9.) On or about July 9, 2018, Respondent was disciplined by the Texas State Board of Pharmacy due to the sister-state actions in Oregon, Colorado, and Indiana, and for failing to have a Texas-licensed pharmacist on staff. In 2016, Respondent submitted an application for its pharmacist to be licensed in Texas, upon a new requirement that

all non-resident pharmacies have a Texas licensed pharmacist on staff, however Respondent did not have a Texas-licensed pharmacist on staff as of September of 2016 and was fined \$4,000.00 in Texas case no. K-17-031; and (10.) On or about August 13, 2018, Respondent was disciplined in Colorado due to the sister-state action in Arkansas in Colorado case no. 2018-6062.

For the purposes of this Consent Order, Respondent admits the following: (1.) Adverse action was taken against Respondent relating to the practice of pharmacy in the states of Oregon, Indiana, Colorado, Alabama, Arkansas, Michigan, and Texas; (2) No other adverse final actions, other than those set forth in this Consent Order, have been taken against Respondent in any jurisdiction; and (3.) Respondent failed to report within sixty (60) days the adverse final actions set forth in this Consent Order. Respondent's actions and/or omissions constitute grounds for discipline under the Act, 225 ILCS 85/30(a)(8) and (24). Pursuant to 68 IAC 1130.300(b), the following factors are considered in mitigation: (1.) Respondent is currently in good standing in all states where Respondent is licensed; (2.) Respondent's lack of disciplinary history by the Department; (3.) The age of the underlying offenses; (3) Respondent's self-report to the Department and demonstration of accountability under new ownership; and (4.) Respondent's small size and specialized pharmacy services Respondent provides to Illinois consumers.

Respondent admits that the information recited herein is accurate and complete. At all times material to the matter set forth in this Consent Order, the Department had jurisdiction over the subject matter and the parties herein. Respondent has been advised of the right to have any allegation(s) reduced to written charges, to a hearing where the Department bears the burden to prove its allegations by clear and convincing evidence, the right to contest any charges brought and present mitigating evidence, the right to an attorney, and the right to administrative review of any order resulting from a hearing. Respondent knowingly waives each of these rights, as well as any right to administrative review of this Consent Order. Such waiver ceases if this Consent Order is rejected by the State Board of Pharmacy ("Board") or Director. Respondent acknowledges that Respondent has entered into this Consent Order freely and of Respondent's own will without threat or coercion by the Department or any person and has not relied upon any representation made by or on behalf of the Department other than those specifically included herein. Respondent acknowledges that the Department attorney may be

requested to communicate with the Board or Director in furtherance of the approval of this Consent Order. Respondent has been informed that this Consent Order will be presented to the Director. If this Consent Order is not approved, Respondent waives any right to raise any prejudice resulting from the Director's consideration of this Consent Order. Respondent understands that this Consent Order is not effective unless and until it is adopted by the Director. A copy of any original signature(s) shall be given the full force and effect of an original signature(s) affixed to this Consent Order.

Respondent and the Department agree, in order to resolve this matter, that Respondent be permitted to enter into a Consent Order with the Department, providing for the imposition of disciplinary measures which are fair and equitable in the circumstances and which are consistent with the best interests of the people of the State of Illinois.

CONDITIONS

Wherefore, the Department, by attorney Paula McGee, and Respondent agree.

- A. Respondent's Illinois pharmacy license no. 054 020270 shall be reprimanded.
- B. Respondent shall pay a fine of five thousand dollars (\$5,000.00) within sixty (60) days of the effective date of this Consent Order. CONSENT ORDER

The Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation ("Department"), by attorney Paula McGee and Respondent Agropec Trading, LLC, DBA Allivet ("Respondent") agree to the following:

STIPULATIONS

Respondent holds Illinois pharmacy license no. 054.020270 pursuant to the Pharmacy Practice Act, 225 ILCS 85/et seq. ("Act"), which is presently in active status. Respondent non-resident pharmacy is located in Florida and dispenses veterinary prescription medication to consumers. Respondent pharmacy was previously owned by a single owner prior to a change of ownership in 2017. In January of 2019, the Department received a self-report of prior sister-state discipline not previously disclosed to the Department under prior ownership. In February of 2019, the Department received Respondent's application for a change of address. The Act at 225 ILCS 85/30(a)(8) and (24) sets forth that the Department may refuse to issue or renew, or may revoke a license, or may suspend, place on probation, fine, or take any disciplinary or non-disciplinary action as the Department may deem proper, including fines not to exceed \$10,000.00 per violation, with regard to any licensee for adverse action taken by another state or jurisdiction that is the same or substantially equivalent to those set forth in the Act and failing to report within sixty (60) days to the Department any adverse final action taken against a pharmacy by another licensing jurisdiction in any other state for acts or conduct similar to acts or conduct that would constitute grounds for discipline under the Act.

In January of 2019, Respondent disclosed to the Department the following sister-state disciplines: (1.) On or about February 18, 2009, Respondent was fined \$750.00 by the Board of Pharmacy of the State of

Oregon due to shipping to the state in early 2008 without an active license in Oregon case no. 2008-0097. Respondent was in the process of obtaining state licenses at the time, and the action resulted from an unintentional oversight. Respondent has had no subsequent disciplinary history in Oregon; (2.) On or about September 28, 2011, the Indiana Board of Pharmacy ordered Respondent, at the time pending application approval for a non-resident pharmacy license, to cease and desist shipping to Indiana without an active license in Indiana case no. 2011 IBP 0053. Within sixty (60) days of the Indiana Order, Respondent received an Indiana license and has had no subsequent disciplinary history in Indiana; (3.) On or about December 19, 2013, Respondent was fined \$1,100.00 by the State Board of Pharmacy of the State of Colorado due to dispensing without a wholesale license in Colorado case no. CO-2013-534. Respondent shipped a medication to a veterinarian in Colorado in 2011 who had been unable to obtain the medication from the manufacturer due to back-order. Respondent does not sell any products via wholesale and this was a one-time occurrence; (4.) On or about October 10, 2015, Respondent was fined \$500.00 by the Alabama State Board of Pharmacy due to shipping to the state without a valid license in Alabama case no. AL-2015-001. In 2014, Respondent submitted an application for its pharmacist-in-charge ("PIC") to be licensed in Alabama, due to a new law requiring all non-resident pharmacies have an Alabama licensed PIC on staff. Respondent mistakenly believed they could continue to ship to Alabama while the application was pending; (5.) On or about October 13, 2015, Respondent was fined \$5,000.00 by the Arkansas State Board of Pharmacy due to shipping to the state without a valid license in Arkansas case no. AR-2015-049; (6.) On or about February 28, 2017, Respondent was disciplined in Alabama due to the sister-state actions in Oregon and Indiana in Alabama case no. 16-L-0130; (7.) On or about May 18, 2017, Respondent was disciplined in Alabama due to the sister-state action in Arkansas in Alabama case no. 17-L-0050; (8.) On or about June 25, 2018, Respondent was disciplined by the Michigan Board of Pharmacy due to the sister-state actions in Oregon, Alabama, and Arkansas, and for having failed to report a change of location to Michigan within thirty (30) days in 2008 in Michigan case no. 53-17-148216; (9.) On or about July 9, 2018, Respondent was disciplined by the Texas State Board of Pharmacy due to the sister-state actions in Oregon, Colorado, and Indiana, and for failing to have a Texas-licensed pharmacist on staff. In 2016, Respondent submitted an application for its pharmacist to be licensed in Texas, upon a new requirement that

all non-resident pharmacies have a Texas licensed pharmacist on staff, however Respondent did not have a Texas-licensed pharmacist on staff as of September of 2016 and was fined \$4,000.00 in Texas case no. K-17-031; and (10.) On or about August 13, 2018, Respondent was disciplined in Colorado due to the sister-state action in Arkansas in Colorado case no. 2018-6062.

For the purposes of this Consent Order, Respondent admits the following: (1.) Adverse action was taken against Respondent relating to the practice of pharmacy in the states of Oregon, Indiana, Colorado, Alabama, Arkansas, Michigan, and Texas; (2) No other adverse final actions, other than those set forth in this Consent Order, have been taken against Respondent in any jurisdiction; and (3.) Respondent failed to report within sixty (60) days the adverse final actions set forth in this Consent Order. Respondent's actions and/or omissions constitute grounds for discipline under the Act, 225 ILCS 85/30(a)(8) and (24). Pursuant to 68 IAC 1130.300(b), the following factors are considered in mitigation: (1) Respondent is currently in good standing in all states where Respondent is licensed; (2) Respondent's lack of disciplinary history by the Department; (3.) The age of the underlying offenses; (3) Respondent's self-report to the Department and demonstration of accountability under new ownership; and (4.) Respondent's small size and specialized pharmacy services Respondent provides to Illinois consumers.

Respondent admits that the information recited herein is accurate and complete. At all times material to the matter set forth in this Consent Order, the Department had jurisdiction over the subject matter and the parties herein. Respondent has been advised of the right to have any allegation(s) reduced to written charges, to a hearing where the Department bears the burden to prove its allegations by clear and convincing evidence, the right to contest any charges brought and present mitigating evidence, the right to an attorney, and the right to administrative review of any order resulting from a hearing. Respondent knowingly waives each of these rights, as well as any right to administrative review of this Consent Order. Such waiver ceases if this Consent Order is rejected by the State Board of Pharmacy ("Board") or Director. Respondent acknowledges that Respondent has entered into this Consent Order freely and of Respondent's own will without threat or coercion by the Department or any person and has not relied upon any representation made by or on behalf of the Department other than those specifically included herein. Respondent acknowledges that the Department attorney may be

requested to communicate with the Board or Director in furtherance of the approval of this Consent Order. Respondent has been informed that this Consent Order will be presented to the Director. If this Consent Order is not approved, Respondent waives any right to raise any prejudice resulting from the Director's consideration of this Consent Order. Respondent understands that this Consent Order is not effective unless and until it is adopted by the Director. A copy of any original signature(s) shall be given the full force and effect of an original signature(s) affixed to this Consent Order.

Respondent and the Department agree, in order to resolve this matter, that Respondent be permitted to enter into a Consent Order with the Department, providing for the imposition of disciplinary measures which are fair and equitable in the circumstances and which are consistent with the best interests of the people of the State of Illinois.

CONDITIONS

Wherefore, the Department, by attorney Paula McGee, and Respondent agree.

- A. Respondent's Illinois pharmacy license no. 054 020270 shall be reprimanded
- B. Respondent shall pay a fine of five thousand dollars (\$5,000.00) within sixty (60) days of the effective date of this Consent Order. The fine shall be paid by personal check, cashier's check, or personal money order. In the notation portion of the check, this Case No. 2019-03078 and license no 054.020270 shall be noted. Said check shall be made payable to:

- C. Failure by Respondent to comply fully with the terms and conditions of this Consent Order shall be grounds for the Director of the Illinois Department of Financial and Professional Regulation to issue an Order mandating the immediate and automatic indefinite suspension of Respondent's pharmacy license. Respondent may file an appropriate Petition within thirty (30) days from date the order was entered to contest the underlying factual basis of the indefinite suspension. Respondent shall be

afforded a hearing on the merits following the filing of the Petition. Respondent waives any statute of limitations defense in any hearing on the suspension.

A. UNCONTESTED FACTS:

1. At all relevant times herein, Respondent was permitted by the Board of Pharmacy (hereinafter the "Board") as a pharmacy under Miscellaneous Permit Number PMP 1534. The permit was issued on or about September 20, 2018. The permit will forfeit or expire on or about December 31, 2019.

2. Respondent's mailing address for purposes of this action is 480 West 83rd Street, Hialeah, Florida 33014.

3. RICO alleges that Respondent was disciplined by the Texas State Board of Pharmacy on November 6, 2018 via *Agreed Board Order #K-17-031* (hereinafter "Texas

Order"). Attached as Exhibit "1" is a copy of the Texas Order.

4. RICO alleges that Respondent failed to timely notify the Board of the Texas Order within thirty (30) days.

5. RICO also alleges that Respondent was disciplined by the Michigan Board of Pharmacy via *Consent Order* (hereinafter "Michigan Order") which became effective thirty (30) days from April 10, 2019. Attached as Exhibit "2" is a copy of the Michigan Order.

6. RICO alleges that Respondent failed to timely notify the Board of the Michigan Order within thirty (30) days.

7. The foregoing allegations, if proven at an administrative hearing before the Board, would constitute violations of the following statute(s) and/or rule(s): Hawaii Revised Statutes ("HRS") § 436B-19(13) (revocation, suspension, or other disciplinary action by another state or federal agency against a licensee for any reasons provided by the licensing laws or this section) and HRS § 436B-19(15) (failure to report in writing to the licensing authority any disciplinary decision issued against the licensee within thirty days of the disciplinary decision).

8. The Board has jurisdiction over the subject matter herein and over the parties hereto.

B. REPRESENTATIONS BY RESPONDENT:

1. Respondent is fully aware that Respondent has the right to be represented by an attorney and voluntarily waives that right.

2. Respondent enters into this Settlement Agreement freely, knowingly, voluntarily, and under no coercion or duress.

3. Respondent is aware of the right to have a hearing to adjudicate the issues in the case. Pursuant to HRS § 91-9(d), Respondent freely, knowingly, and voluntarily waives the right to a hearing and agrees to dispose of this case in accordance with the terms and conditions of this Settlement Agreement.

4. Respondent represents that Exhibits "1" and "2" are true and accurate copies of the disciplinary decisions issued by the Texas Board of Pharmacy and the Michigan Board of Pharmacy respectively.

5. Respondent being at all times relevant herein permitted as a pharmacy by the Board acknowledges that Respondent is subject to penalties including but not limited to, revocation, suspension or limitation of the permit and administrative fines, if the foregoing allegations are proven at hearing.

6. Respondent does not admit to violating any law or rule, but acknowledges that RICO has sufficient cause to file a Petition for Disciplinary Action against Respondent's permit.

7. Respondent enters into this Settlement Agreement as a compromise of the claims and to conserve on the expenses of proceeding with an administrative hearing on this matter.

8. Respondent agrees that this Settlement Agreement is intended to resolve the issues raised in RICO's investigation in RICO Case No. PHA 2019-79-L.

9. Respondent understands that this Settlement Agreement may be subject to reporting requirements.

10. Respondent understands this Settlement Agreement is public record pursuant to Hawaii Revised Statutes Chapter 92F.

C. TERMS OF SETTLEMENT:

1. Administrative Fine. Respondent agrees to pay a fine in the amount of TWO THOUSAND AND NO/100 DOLLARS (\$2,000.00). Payment shall be made by cashier's check or money order made payable to "DCCA - Compliance Resolution Fund" and mailed to the Regulated Industries Complaints Office, Attn: Marc T. Nakamura, Esq., 235 S. Beretania Street, 9th Floor, Honolulu, Hawaii 96813. Payment of the fine shall be due at the time this Settlement Agreement is returned to RICO.

2. Failure to Comply with Settlement Agreement. If Respondent fails to fully and timely comply with the terms of this Settlement Agreement as set forth in paragraph(s) C.1 above, Respondent's permit shall be automatically revoked upon RICO's filing of an affidavit with the Board attesting to such failure. In case of such revocation, Respondent shall turn in all indicia of the permit to the Executive Officer of the Board within ten (10) days after receipt of notice of the revocation. In case of such revocation, Respondent understands Respondent cannot apply for a new permit until the expiration of at least five (5) years after the effective date of the revocation. Respondent understands that if Respondent desires to become permitted again, Respondent must apply to the Board for a new permit pursuant to and subject to HRS §§ 92-17, 436B-21, and all other applicable laws and rules in effect at the time.

3. Possible Further Sanction. The Board, at its discretion, may pursue additional disciplinary action as provided by law to include further fines and other sanctions as the Board may deem appropriate if Respondent violates any provision of the statutes or rules governing the conduct of pharmacies in the State of Hawaii, or if Respondent fails to abide by the terms of this Settlement Agreement.

4. Approval of the Board. Respondent agrees that, except for the representations, agreements and covenants contained in Paragraphs C.5, C.6, C.7 and C. 8 below, this Settlement Agreement shall not be binding on any of the parties unless and until it is approved by the Board.

5. No Objection if Board Fails to Approve. If the Board does not approve this Settlement Agreement, does not issue an order pursuant thereto, or does not approve a lesser remedy, but instead an administrative hearing is conducted against Respondent in the Board's usual and customary fashion pursuant to the Administrative Procedure Act, Respondent agrees that neither Respondent nor any attorney that Respondent may retain, will raise as an objection in any administrative proceeding or in any judicial action, to the Board's proceeding against Respondent on the basis that the Board has become disqualified to consider the case because of its review and consideration of this Settlement Agreement.
6. Any Ambiguities Shall be Construed to Protect the Consuming Public. It is agreed that any ambiguity in this Settlement Agreement is to be read in the manner that most completely protects the interests of the consuming public.

Other than the matters specifically stated in this Settlement Agreement, neither RICO nor anyone acting on its behalf has made any representation of fact, opinion or promise to Respondent to induce entry into this Settlement Agreement, and Respondent is not relying upon any statement, representation or opinion or promise made by RICO or any of its agents, employees, representatives or attorneys concerning the nature, extent or duration of exposure to legal liability arising from the subject matter of this Settlement Agreement or concerning any other matter.
8. Complete Agreement. This Settlement Agreement is a complete settlement of the rights, responsibilities and liabilities of the parties hereto with respect to the subject matter hereof; contains the entire agreement of the parties; and may only be modified, changed or amended by written instrument duly executed by all parties hereto.

- (2) On or about September 28, 2011, the Indiana Board of Pharmacy entered a Cease and Desist Order against Allivet (operating in Indiana as Allivet Pharmacy). State Board of Pharmacy

Attached you will find Allivet's disciplinary actions by date. Please see below for consolidated explanations for each action.

1. Oregon – 2008-0097 12/09/08

- i. The Case with the state of Oregon was opened on Dec 9th 2008, and settled with a consent order dated Feb 18th 2009. There was a civil fine of \$750 due to Allivet shipping to Oregon in early 2008 without an out of state license. This was an unintentional oversight as Allivet was a new pharmacy and was in the process of obtaining all licenses. Allivet has an active license and is in good standing with the state of Oregon.

2. Indiana – 2011 IBP 0053 09/28/11

- i. The order from the state of Indiana dated Sept 28th 2011 was to stop shipping to ~~Indiana while Allivet's application was in process, which was submitted many months prior.~~ Allivet received its Out of State Pharmacy license from the state of Indiana in Dec 2011, which was within 60 days of the order. There have not been disciplinary actions or sanctions against our pharmacy from the Indiana Board of Pharmacy. Allivet has an active license and is in good standing with the state of Indiana.

3. Colorado – CO-2013-534 12/19/13

- i. Isoxsuprine is a vital and staple medication which was on manufacturer backorder in 2011 at the time of the incident. Allivet had the product in stock in preparation of such situations where these medications might become scarce to pet owners. In 2011, we were contacted by a vet urgently requiring this medicine for his pet owners in Colorado. Allivet felt the need to help the Doctor, in order to enable him to continue to serve the equine community in Colorado. Allivet was fined \$1,100 by Colorado for dispensing medication without a wholesale license. This was a one-time situation and Allivet does not sell any products via wholesale regardless of the circumstances. Allivet has an active license and is in good standing with the state of Colorado.

SUMMARY OF DISCIPLINARY ACTIONS

The following is a list of all disciplinary actions taken against Summit Pharmacy. All actions have previously been disclosed in full. If you require copies of these actions again, please let us know.

- **ALABAMA**

- Alabama license was obtained 10/19/2011
- We were not dispensing controlled substances, and not submitting “zero reports” to the Alabama Prescription Monitoring Program
- We didn’t realize the zero reports were required
- Fined \$1,000 in Mid 2012

- **HAWAII**

- On 2013 license renewal application we disclosed Alabama discipline
- Hawaii has no record of us disclosing the Alabama discipline within the 30 day reporting period required by law, and we have no record that we did.
- Hawaii in 2015 filed disciplinary action for not reporting discipline in a timely manner.
- Fined \$1,500

- **FLORIDA**

- Florida received disclosure of disciplinary action against summit from Alabama
- The Alabama fine was for something that would be a violation if it had been done in Florida, and therefore it is also a violation to be fined by another board of pharmacy for the action.
- Florida imposed disciplinary action in November of 2016 against Summit for being fined by Alabama.
- Fined \$250 + \$1,359.89 in administrative costs

- **MICHIGAN**

- It is against Michigan pharmacy law for a license to be disciplined by any other professional board.
- Michigan fined Summit in December of 2016 for being disciplined by Alabama.
- Fined \$1,000.

- **TEXAS**

- Renewal application 2012: marked box indicating no disciplinary actions within 36 months of application date.
- No renewal needed in 2013
- Renewal application 2014: marked box indicating no disciplinary actions within 36 months of application date.
- Both of the above statements were incorrect. We are unsure why these were answered incorrectly, but believe it to have been an accidental oversight.
- Texas initiated disciplinary procedures against Summit for incorrect statements on renewal applications.
- Texas assessed an administrative penalty of \$2,000 in May of 2018

Buyer and the Sellers are at times referred to individually in this Agreement as a “**Party**” and collectively as the “**Parties**.”

RECITALS

WHEREAS, the Sellers collectively own 592.5 shares of the outstanding capital stock (the “**Shares**”) of Summit Pharmacy, Inc. (the “**Company**”) and Buyer owns 397.5 shares of the outstanding capital stock of the Company.

WHEREAS, each Seller owns the number of Shares set forth opposite his or its name set forth on Exhibit A hereto.

WHEREAS, each Seller wishes to sell, and Buyer has agreed to purchase all of such Seller’s Shares to become a One Hundred percent (100%) shareholder of the Company pursuant to the terms and conditions hereinafter set forth.

AGREEMENT

NOW THEREFORE, in consideration of the premises and the mutual promises herein made, and in consideration of the representations, warranties, and covenants herein contained, the Parties hereby agree as follows:

ARTICLE I DEFINITIONS

Unless otherwise defined herein, capitalized terms used in this Agreement are defined in Exhibit B.

ARTICLE II PURCHASE AND SALE

2.1 Purchase and Sale of the Stock. On the terms and subject to the conditions of this Agreement, at Closing, each Seller will sell, transfer and convey to Buyer, and Buyer will acquire, the Shares owned by such Seller, free and clear of all Encumbrances.

2.2 Purchase Price. Subject to the terms and conditions of this Agreement, the aggregate purchase price (the “**Purchase Price**”) for the Shares shall be \$5,705,074.44 US, plus the Earn Out Payment (if any). The Purchase Price shall be payable to the Sellers pro rata based on the number of Shares owned by each Seller as shown on Exhibit A hereto (such pro rata portion for each Seller is referred to as the “**Pro Rata Portion**”) as follows:

(a) Buyer shall pay each Seller his or its Pro Rata Portion of \$2,712,650.20 US, less amounts withheld for PPP Escrow Deposit Responsibilities per Section 4.18 herein and Schedule 4.18(d), (payment schedule for each Seller is described in Schedule 2.2(a) (the “**Earnest Payment Schedule**”)) within two days of execution of this Agreement (which payment will be treated as an advance payment of the Purchase Price) (the “**Earnest Payment**”); *provided, however*, that such Earnest Payment shall be subject to forfeiture, as provided in Section 8.2(b) herein;

(b) Buyer shall pay each Seller his or its Pro Rata Portion of an additional \$2,992,424.24 US on the Closing Date (the “**Closing Payment**”) (payment schedule for each Seller is described in Schedule 2.2(b) (the “**Closing Payment Schedule**”)), which Closing Payment (and Purchase Price) shall be increased by 72.25609756% of any difference favorable to the Company between a settlement amount to Harris Legome that extinguishes all liabilities to Harris Legome before Closing Date and accrued amounts owed between Company and Harris Legome at the time of settlement; and

(c) Buyer shall pay each Seller his or its Pro Rata Portion of the first \$2,890,243.90 US (the “**Earn Out Payment**”) that Buyer or its successor or assignee is entitled to receive in the form of any contingent earnout payment to be paid by the purchaser of Company to Buyer (or its successor or assignee) based on the successful achievement of certain financial results or financial targets by the Company’s business after a Change of Control (the “**Contingent Earnout**”), but only if such Change of Control occurs within three (3) years after the Closing Date. Buyer shall make the Earn Out Payment to each Seller within one week of Buyer’s (or its successor’s or assignee’s) receipt of any such contingent earnout payment, but each Seller’s right to receive and retain his or its portion of any Earn Out Payment is contingent upon Jonathan Morton not resigning as an employee of the Company or being fired for Cause for three years subsequent to the Closing Date. For each year subsequent to the Closing Date that Jonathan Morton does not resign as an employee of the Company or is not fired for Cause, one-third of each Seller’s right to receive and retain his or its portion of Earn Out Payment shall vest according to the vesting schedule described in Schedule 2.2(c) (the “**Earn Out Payment Schedule**”). For the avoidance of doubt, (i) Jonathan Morton shall not be considered to have resigned if the Company or any of its Affiliates terminates his employment other than for Cause; (ii) Buyer (or its successor or assignee) shall have the sole and absolute discretion to approve all of the terms and conditions of any Change of Control transaction, including the terms and conditions of any Contingent Earnout; (iii) Sellers’ Earn Out Payment is based solely on such Contingent Earnout and Sellers are not entitled to any other portion of the consideration that is paid to Buyer (or its successor or assignee) in connection with any Change of Control, and (iv) in the event any Seller were to receive any Earn Out Payment to which it is not entitled under this Agreement, such Seller shall refund to Buyer (or its successor or assignee) such Earn Out Payment within one week of Seller’s receipt of notice from Buyer (or its successor or assignee).

2.3 Right to Setoff. Buyer shall have the right to withhold and set off against any amount otherwise due to be paid pursuant to Section 2.2 the amount of any Losses to which any Buyer Indemnitees are entitled under Article IX.

4.16 Broker's Fees. Except as set forth on Schedule 4.16, neither Seller nor anyone acting on its behalf has incurred or will incur a liability or obligation to pay fees or commissions to a broker, finder or agent with respect to the transactions contemplated by this Agreement or any other Transaction Document for which Buyer or its Affiliates could be or become liable. In the event the PPP Loan is forgiven, such forgiveness will comply with the applicable law in all respects. Without limiting the generality of the foregoing, prior to the Closing the Company has:

(b) The execution, delivery and performance by Buyer of the Transaction Documents to which it is a party and the consummation by Buyer of the transactions contemplated thereby will not (i) contravene the Organizational Document of Buyer or result in a breach of, or constitute a default under, any Contract to which Buyer is a party or by which its assets are bound or affected or (ii) violate a Law or Order.

5.3 No Third-Party Approval or Consent. Except for the Regulatory Approvals, no consent, authorization, order or approval of, or filing or registration with, any Governmental Authority or other person is required for the execution and delivery by Buyer of this Agreement and any other agreements provided herein, and the consummation by Buyer of the transactions contemplated by this Agreement and such other agreements.

5.4 No Broker's Fees. Neither Buyer nor anyone acting on its behalf has incurred or will incur a liability or obligation to pay fees or commissions to a broker, finder or agent with respect to the transactions contemplated by this Agreement or any other Transaction Document for which Seller could become liable. ARTICLE VI COVENANTS AND AGREEMENTS

The applicable Parties hereby covenant and agree as follows:

6.1 Conduct Pending Closing.

(a) From the Effective Date until Closing, the Company will conduct its operations and affairs diligently and only in the Ordinary Course of Business, except for actions taken with Buyer's prior written consent necessary to prepare for the consummation of the transactions contemplated by this Agreement. The Company will exercise its commercially reasonable efforts to preserve intact the present business organization, including completing all applicable renewals and revalidations, personnel and goodwill of the Company and to comply with applicable Laws.

(b) Until Closing, the Company will not, and will cause their respective Affiliates and Representatives not to, directly or indirectly: (i) take an action that could interfere with or prevent the timely consummation of the transactions contemplated by this Agreement or another Transaction Document; or (ii) except for actions taken with Buyer's prior written consent necessary for the consummation of the transactions contemplated by this Agreement, take an action that would constitute a Restricted Event or that would be inconsistent with a representation, warranty, covenant or agreement set forth in this Agreement, as if such representation, warranty, covenant or agreement were made both before and after such action.

(c) Buyer shall prepare and submit all applicable notices and change of ownership applications related to the Governmental Authorizations with each applicable Governmental Authority necessary to continue to operate the Business in the same manner as the Company prior to Closing. The Company shall fully cooperate with Buyer and provide any documents or information required for Buyer to complete such submissions; *provided, however*, that the Company will have an opportunity to review such applications (which may be redacted to protect confidential or proprietary information, as determined by Buyer in its sole discretion) in advance of filing and will be afforded reasonable access to all communications with Governmental Authorities related to such applications and related consents, notices and approvals (which may also be redacted to protect confidential or proprietary information as determined by Buyer in its sole discretion).

6.2 Access and Investigation by Buyer. From the date of this Agreement to execution of this Agreement, the Company will: (a) provide Buyer and its Representatives full and free access to the Company's Books and Records, Contracts, Governmental Authorizations, and Representatives; (b) promptly provide to Buyer and its Representatives copies of any information and documents relating to the Company, Contracts, or Governmental Authorizations, as Buyer or its Representatives may reasonably request; and (c) permit Buyer and its Representatives to visit and inspect any of the premises used in connection with the Business, including, without limitation, the Leased Real Property. With the prior consent of the Company, Buyer and its Representatives will be given access to the employees and suppliers of the Company as designated by Buyer pursuant to an agreed upon protocol and format. Buyer and its Representatives will conduct themselves with respect to the access described in clause (a) above in a manner that does not unreasonably interfere with the normal operations of the Business.

6.3 Reasonable Efforts; Notices.

(a) Each Party will use its reasonable efforts to fulfill, or cause to be fulfilled, the conditions required to be fulfilled by it or him to bring about the timely consummation of the transactions contemplated by this Agreement and the other Transaction Documents. Each Party will give prompt notice to the other Parties of the occurrence of any event or the failure of any event to occur that might preclude or interfere with the satisfaction of any condition precedent to the obligations of a Party under this Agreement or the timely consummation of the transactions contemplated by this Agreement or the other Transaction Documents. Without limiting the generality of the foregoing, the Company will promptly notify Buyer of any fact or circumstance that could constitute a breach of any of the representations and warranties in Article IV; *provided, however*, that any such notification will not be deemed to be part of the Disclosure Schedule for purposes of this Agreement, will not be deemed to modify or cure any breach of a representation or warranty in Article IV or limit in any way Buyer's rights or remedies with respect to any such breach.

(b) Each Party will use reasonable efforts to promptly make all filings and submissions required by Law, and promptly provide any additional information requested from any Governmental Authority with respect to filings or submissions. Each Party will promptly inform the other Parties of any communication, and any proposed understanding, undertaking or

agreement, with a Governmental Authority in connection with any filing or submission related to the transactions contemplated by this Agreement.

(c) Notwithstanding Section 6.3(b) or any other provision of this Agreement to the contrary, (i) the Company will not without Buyer's prior written consent, commit to any divestiture transaction or agree to any restriction on the Business, (ii) Buyer will not be required to contest or otherwise resist any administrative or judicial action or proceeding, including any proceeding by a private party, challenging any of the transactions contemplated by this Agreement as violating any antitrust or competition Law, and (iii) Buyer will not be required to offer, accept or agree (A) to dispose or hold separate any part of the Business or any other business, assets, operations or product lines of Buyer, (B) not to compete in any geographic area or line of business, or (C) to restrict the manner in which, or whether, Buyer or any of its Affiliates may carry on the Business.

6.4 Public Announcements. Following Closing, any public announcement concerning this Agreement and the transactions contemplated by this Agreement by the Company or any of their respective Affiliates or Representatives will be subject to the prior written approval of Buyer. Prior to Closing, no Party will make any such public announcement except as required by Law without the consent of the other Parties, such consent not to be unreasonably withheld, conditioned or delayed.

6.5 Further Assurances; Cooperation. Following Closing: (a) each Party will take such additional actions, execute and deliver such additional documents and do such other acts and things as another Party may reasonably request for the purpose of carrying out and documenting the intent of this Agreement and the other Transaction Documents and (b) each Seller, and will cause their respective Affiliates not to, directly or indirectly, make or publish a negative or disparaging comment or remark regarding the Company, Buyer or its Affiliates. Further, each Party shall provide each other with such cooperation and information as either of them reasonably may request of the other in filing any Tax Return or in connection with any audit or other proceeding in respect of Taxes of the Company.

6.6 Restrictive Covenants.

(a) Non-Solicitation. During the period beginning on the Closing Date and ending three (3) years after the Closing Date, each Seller will not, and will cause their respective Affiliates not to, individually or as an agent or employee of or as a consultant for or otherwise on behalf of or in conjunction with any individual or entity, directly or indirectly, in any capacity whatsoever, (i) solicit for hire, induce, recruit, or otherwise encourage or entitle to leave his/her employment with the Company an employee of the Company who is or was employed by the Company during the Seller's services to or ownership of the Company, except pursuant to a general solicitation which is not directed specifically to any such employee, (ii) encourage, induce, seek to encourage or induce, or assist another Person to encourage, induce or seek to encourage or induce the Company's Customers to cease or adversely change its, his or her business relationship or dealings with the Company, or the Company's Prospective Customers to forgo doing business with the Company or request that such Prospective Customer do business with any Competing Business, or (iii) in any way deliberately interfere with the relationship between the Company and

an employee, agent, independent contractor, customer, supplier or creditor of, or another Person having a business relationship with, the Company.

(b) Confidentiality. From the Effective Date of this Agreement and forever afterward, each Seller will not, and will cause their respective Affiliates not to, directly or indirectly, use or disclose to another Person any proprietary, secret or confidential information of or relating to the Company, other than such information that: (i) enters the public domain through no fault of such Seller, or any of their Affiliates; or (ii) is required by legal process or other applicable Law to be disclosed. If a Seller, or any of their respective Affiliates is required by legal process or other applicable Law to disclose such information, then such Seller (or, if applicable, their respective Affiliate) will provide the Company notice thereof a reasonable time before complying with the disclosure requirement so that the Company may seek an appropriate protective order, and such Seller (as applicable) will (and, if applicable, will cause its Affiliates to) cooperate with the efforts of the Company to obtain the protective order.

(c) Breach of Covenants. In the event of any breach or violation by a Seller of any of the covenants set forth in this Section 6.6, the time period of such covenant will be tolled until such breach or violation is resolved. If a court of competent jurisdiction finds that the time period of any of the foregoing covenants is too lengthy, the restrictive time period will be deemed to be the longest period as is permissible under applicable Law. It is the Parties' intent, and a critical inducement to the Parties entering into this Agreement and the Transaction Documents and consummating the transactions contemplated hereby and thereby, and thus the Parties agree that the time period of the covenants set forth in this Agreement are reasonable and necessary. If a Seller breaches or Threatens to breach any of the foregoing covenants, the Company will be entitled to: (i) seek specific performance and any other requested injunctive and other equitable relief in any court of competent jurisdiction, without the requirement of posting a bond or other security or proving the lack or inadequacy of a remedy at Law, in addition to other rights and remedies that may be available under applicable Law or otherwise.

(d) Non-Compete. Each Seller agrees that within the Geographical Limit for a period of three (3) years following the Closing Date, he or it shall not, directly or indirectly, in any manner whatsoever, including in any individual or representative capacity, engage, own, manage, operate, control, aid, or assist another in the operation, organization or promotion of, be employed by, participate in, advise, or engage in any manner with the ownership, management, operation, or control of any business, which has a place of business or regularly conducts business in the Geographical Limit and is a Competing Business; provided, however, that he may hold, directly or indirectly, solely as an investment, not more than one percent (1%) of the outstanding securities of any person or entity which is listed on any national securities exchange or regularly traded in the over-the-counter market notwithstanding the fact that such person or entity is engaged in a business competitive with the Company.

(e) Definitions. For purposes of this Agreement, the terms listed below shall have the following meanings:

i. "Geographical Limit" means each of the states in the United States including Alabama; Alaska; Arizona; Arkansas; California; Colorado; Connecticut; Delaware;

Florida; Georgia; Hawaii; Idaho; Illinois; Indiana; Iowa; Kansas; Kentucky; Louisiana; Maine; Maryland; Massachusetts; Michigan; Minnesota; Mississippi; Missouri; Montana; Nebraska; Nevada; New Hampshire; New Jersey; New Mexico; New York; North Carolina; North Dakota; Ohio; Oklahoma; Oregon; Pennsylvania; Rhode Island; South Carolina; South Dakota; Tennessee; Texas; Utah; Vermont; Virginia; Washington; West Virginia; Wisconsin; and Wyoming. In the event a court of competent jurisdiction determines that the Geographic Limit as defined above is too broad to be enforceable, the parties agree that the Geographic Limit shall mean each of the counties in each of the states identified above in which the Company has marketed to and/or sold products or provided services within the 18-month period prior to the Closing.

ii. "Competing Business" means any individual or entity that provides services or products competitive with the Company's Business in any state or county within the Geographical Limit. For purposes of whether such individual or entity is a "Competitive Business" herein, such individual or entity must operate a pharmacy that primarily services (defined below) customers or patients with workers' compensation related injuries. The term "primarily services" is defined as a pharmacy that derives 33% or more of gross annual revenues from products and/or services to customers or patients seeking such products and/or services due in whole or in part to workers' compensation related injuries.

iii. "Customer" means any person or entity that both: (a) received services and/or products from the Company; and (b) with whom Seller had contact, or with whom Seller had indirect contact via Seller's responsibility with the Company over others who had contact with such person or entity within the 12 month period prior to the Closing. Customer shall also mean any person or entity about whom Seller had confidential information or access to such confidential information at any time during Seller's ownership of or services to the Company, provided such information is confidential or treated as confidential by the Company.

iv. "Prospective Customer" means any person or entity who both (i) has been directly solicited to become a customer of the Company, and (ii) about whom Seller has knowledge of such solicitation, within the 12-month period prior to the Closing.

6.7 Interim Financials. As promptly as practicable following each calendar month between the date of this Agreement and the Closing Date, the Company will deliver to Buyer periodic financial reports in the form that is consistent with the Financial Statements concerning the Company and, if available, unaudited statements of the financial position of the Company as of the last day of such calendar month and statements of income of the Company for the calendar month then ended. The Company hereby covenants that such interim statements (a) will present fairly the financial condition of the Company as of their respective dates and the related results of their respective operations for the respective calendar month then ended, and (b) will be prepared on a basis consistent with prior interim periods.

6.8 No Solicitation of Other Bids.

(a) Each Seller shall not, and shall not authorize or permit any of its Affiliates (including the Company) or any of its or their Representatives to, directly or indirectly, (i) encourage, solicit, initiate, facilitate or continue inquiries regarding an Acquisition Proposal; (ii)

enter into discussions or negotiations with, or provide any information to, any Person concerning a possible Acquisition Proposal; or (iii) enter into any agreements or other instruments (whether or not binding) regarding an Acquisition Proposal. Each Seller shall immediately cease and cause to be terminated, and shall cause its Affiliates and all of its and their Representatives to immediately cease and cause to be terminated, all existing discussions or negotiations with any Persons conducted heretofore with respect to, or that could lead to, an Acquisition Proposal. For purposes hereof, "**Acquisition Proposal**" shall mean any inquiry, proposal or offer from any Person (other than Buyer or any of its Affiliates) concerning (i) a merger, consolidation, liquidation, recapitalization, share exchange or other business combination transaction involving the Company; (ii) the issuance or acquisition of capital stock or other equity securities of the Company; or (iii) the sale, lease, exchange or other disposition of any significant portion of the Company's properties or assets.

(b) In addition to the other obligations under this Section 6.8, the Company shall promptly (and in any event within three (3) Business Days after receipt thereof by the Company or its Representatives) advise Buyer in writing of any Acquisition Proposal, any request for information with respect to any Acquisition Proposal, or any inquiry with respect to or which could reasonably be expected to result in an Acquisition Proposal, the material terms and conditions of such request, Acquisition Proposal or inquiry, and the identity of the Person making the same.

(c) Each Seller agrees that the rights and remedies for noncompliance with this Section 6.8 shall include having such provision specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed that any such breach or threatened breach may cause irreparable injury to Buyer and that money damages would not provide an adequate remedy to Buyer.

6.9 Employment Agreement and Resignations.

(a) Upon execution of this Agreement, Jonathan Morton shall execute and deliver a Company employment agreement acceptable to the Company (the "**Employment Agreement**"). Pursuant to the Employment Agreement, Seller shareholder Jonathan Morton will agree to full-time employment for three (3) years following the Closing Date of this Agreement, provided Buyer elects to continue Jonathan Morton's employment for such time. Notwithstanding the foregoing three-year period of anticipated employment, the employment of Jonathan Morton shall be at-will and is terminable by Buyer or Jonathan Morton at any time, with or without notice, and with or without reason throughout the duration of this three-year period.

(b) Sellers to the extent within their control shall deliver to Buyer written resignations, effective as of the Closing Date, of the officers and directors of the Company requested by Buyer at least five (5) days prior to the Closing.

6.10 Vehicles. Sellers shall deliver to Buyer payoff certificates for each of the vehicles listed on Schedule 6.10 and the parties will work together to cause the Company to transfer title in such vehicles to Sellers.

6.11 PPP Loan.

(a) The PPP Loan will not be paid off at the Closing and will remain outstanding until it is either forgiven in accordance with the provisions of the CARES Act and/or paid in full after the Closing pursuant to this Section 6.11.

(b) Prior to and after the Closing, Buyer and the Company, on the one hand, and the Sellers, on the other hand, will reasonably cooperate in good faith with respect to all communications and proceedings with the PPP Lender and the SBA regarding the PPP Loan and the Company's loan forgiveness application, including the SBA's and PPP Lender's review of the PPP Loan application and the certifications made in connection therewith; the Company's eligibility to participate in the Paycheck Protection Program under the CARES Act, together with any regulations and guidance promulgated thereunder; the amounts borrowed under the PPP Loan; the use of the PPP Loan proceeds; and the forgiveness of any PPP Loan proceeds. Such cooperation and assistance shall include, without limitation, (i) the retention of any documentation related to the PPP Loan for at least six (6) years after the date the PPP Loan is forgiven or repaid in full, (ii) the delivery of any such documentation, upon request, and (iii) the cooperation and assistance with responses to the SBA's and the PPP Lender's questions and document requests in connection with the PPP Loan. Buyer and the Company will engage in good faith efforts to obtain forgiveness of all principal and interest owed to the PPP Lender under the PPP Loan, if and to the extent that such forgiveness is permitted by the CARES Act.

(c) If any amount of the principal or interest owed to the PPP Lender under the PPP Loan is not forgiven (such amount, the "**Unforgiven Amount**") after the Company has made commercially reasonable efforts permitted by the CARES Act to obtain forgiveness of the PPP Loan in accordance with the CARES Act, then (i) the Company shall cause to be released to the PPP Lender from the PPP Loan escrow account an amount of cash equal to the Unforgiven Amount and (ii) any remaining amount deposited in the PPP Loan escrow account shall be released to Buyer and the Sellers pursuant to Section 6.11(e); *provided, however*, that in the event the remaining amount deposited in the PPP Loan escrow account is insufficient to cover the Unforgiven Amount (the remaining outstanding amount, the "**PPP Shortfall**"), then the Company shall provide the Sellers and Buyer prompt written notice thereof and Sellers shall promptly pay in accordance with their Pro Rata Portion an amount equal to 72.25609756% of the PPP Shortfall to the Company and Buyer shall promptly pay an amount equal to 27.74390244% of the PPP Shortfall to the Company, in each case by wire transfer of immediately available funds to an account or accounts designated in writing by the Company prior to such payment date, and the Company will pay the PPP Shortfall to the PPP Lender to satisfy and discharge the PPP Loan.

(d) If all principal and interest owed to the PPP Lender under the PPP Loan is forgiven in its entirety, then the entire amount deposited in the PPP Loan escrow account shall be released to Buyer and Sellers pursuant to Section 6.11(e).

(e) Any amount deposited in the PPP Loan escrow account that remains following forgiveness of the PPP Loan and/or payment of the Unforgiven Amount in accordance with this Section 6.11 shall be promptly released to Buyer and Sellers as follows: (A)

72.25609756% to the Sellers with the amount provided to each Seller based on each Seller's Pro Rata Portion and (B) 27.74390244% to Buyer.

(f) Without duplicating the effect of any adjustment described in this Section 6.11 and any adjustment described in Section 2.2, for purposes of this Agreement, the Unforgiven Amount shall be deemed additional Indebtedness of the Company as of the Closing Date, and any amount released to Sellers shall be treated as an adjustment to the Purchase Price for Tax purposes, unless otherwise required by Law.

6.12 Tax Matters.

(a) Buyer agrees to give written notice to Sellers of the receipt of any written notice by the Company which involves the assertion of any claim, or the commencement of any Action, in respect of which an indemnity may be sought by Buyer for any Pre-Closing Taxes (a "**Tax Claim**"); provided, that failure to comply with this provision shall not affect Buyer's right to indemnification hereunder, except and only to the extent that a Seller forfeits rights or defenses by reason of such failure. Buyer shall control the contest or resolution of any Tax Claim; provided, however, that Buyer shall obtain the prior written consent of Sellers (which consent shall not be unreasonably withheld or delayed) before entering into any settlement of a claim or ceasing to defend such claim; and, provided further, that Sellers shall be entitled to participate in the defense of such claim and to employ counsel of such Sellers' choice for such purpose, the fees and expenses of which separate counsel shall be borne solely by Sellers.

(b) Notwithstanding anything to the contrary in this Agreement, Sellers acknowledge and agree that the Buyer or the Company following the Closing shall be entitled to pursue a process (including voluntary disclosure to, and settlements with the relevant Governmental Authority, and/or the filing of Tax Returns and amended Tax Returns with the relevant Governmental Authority in connection therewith) that it in good faith believes is appropriate to ensure that the Company has complied with its Tax Return filing and Tax payment obligations, whether such obligations relate to Pre-Closing Tax Periods or Straddle Periods. Sellers shall not be responsible for any payments or expenses relating to or resulting from Buyer pursuing such a process (whether as a result of an assessment, a settlement or otherwise) unless Buyer shall have obtained the prior written consent of Sellers (which consent shall not be unreasonably withheld or delayed) to pursue such a process.

(c) The provisions of this Section 6.12 shall survive the Closing Date.

(d) To the extent of any inconsistencies between the provisions of this Section 6.12 and Article XI, the provisions of this Section 6.12 shall control.

ARTICLE VII CONDITIONS TO OBLIGATION TO CLOSE

7.1 Conditions to Obligation of Buyer. Buyer's obligation to consummate the transactions contemplated by this Agreement and the other Transaction Documents and to take the other actions required to be taken by Buyer at Closing is subject to the satisfaction, at or before

Closing, as applicable, of each of the following conditions (any of which may be waived in writing by Buyer in its sole discretion, in whole or in part):

ARTICLE VIII TERMINATION

8.1 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by the mutual written consent of each Seller and Buyer;

(b) by Buyer by written notice to each Seller if (i) Buyer is not then in material breach of any provision of this Agreement and there has been a material breach, a material

inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by a Seller pursuant to this Agreement that would give rise to the failure of any of the conditions specified in Article VII and such breach, inaccuracy or failure has not been cured by such Seller within ten (10) days of such Seller's receipt of written notice of such breach from Buyer; or (ii) any of the conditions set forth in Section 7.1 shall not have been, or if it becomes apparent that any of such conditions will not be, fulfilled within ninety (90) days following the Effective Date unless such failure shall be due to the failure of Buyer to perform or comply with any of the covenants, agreements or conditions hereof to be performed or complied with by it prior to the Closing;

(c) by a Seller by written notice to Buyer if (i) such Seller is not then in material breach of any provision of this Agreement and there has been a breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by Buyer pursuant to this Agreement that would give rise to the failure of any of the conditions specified in Article VII and such breach, inaccuracy or failure has not been cured by Buyer within ten (10) days of Buyer's receipt of written notice of such breach from such Seller; or (ii) any of the conditions set forth in Section 7.2 shall not have been, or if it becomes apparent that any of such conditions will not be, fulfilled within ninety (90) days following the Effective Date unless such failure shall be due to the failure of any Seller to perform or comply with any of the covenants, agreements or conditions hereof to be performed or complied with by him or it prior to the Closing; or

(d) by Buyer or Seller in the event that (i) there shall be any Law that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited or (ii) any Governmental Authority shall have issued a Governmental Order restraining or enjoining the transactions contemplated by this Agreement, and such Governmental Order shall have become final and non-appealable.

8.2 Effect of Termination.

(a) Continued Effect. In the event of the termination of this Agreement in accordance with this Article VIII, this Agreement shall forthwith become void and there shall be no liability on the part of any Party hereto except:

(i) as set forth in this Article VIII, Section 6.6(b) and Article X hereof;
and

(ii) that nothing herein shall relieve any Party hereto from liability for any willful breach of any provision hereof or fraud.

(b) Return of Earnest Payment. In the event of the termination of this Agreement in accordance with Sections 8.1(a), (b), or (d), each Seller shall remit to Buyer an amount equal to the Earnest Payment received by such Seller by a wire transfer of immediately available funds to an account designated by Buyer. ARTICLE IX INDEMNIFICATION

9.1 Survival. Subject to the limitations and other provisions of this Agreement, the representations and warranties contained herein shall survive the Closing and shall remain in full force and effect for a period of eighteen (18) months after the Closing Date; provided, that (i) the representations and warranties in Sections 4.1, 4.8(a), 4.11(a), 4.16, 5.1, 5.2 and 5.4 (the “**Fundamental Representations**”) shall survive indefinitely; and (ii) the representations and warranties in Sections 4.4, 4.7 and 4.15 (the “**Regulatory Representations**”) shall survive for the full period of the applicable statute of limitations plus sixty (60) days (giving effect to any waiver, mitigation or extension thereof). All covenants and agreements of the Parties contained herein shall survive the Closing and shall remain in full force and effect until the date explicitly specified therein or, if not so specified, until the latest date permitted by applicable Law. No claims for indemnification for breaches of representations, warranties or covenants shall be made under this Article IX after the expiration of the applicable survival period. Notwithstanding the foregoing, any claims asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice from the non-breaching party to the breaching party prior to the expiration date of the applicable survival period shall not thereafter be barred by the expiration of the relevant representation or warranty and such claims shall survive until finally resolved.

9.2 Indemnification and Reimbursement by Seller.

(a) From and after the Closing, subject to the terms and conditions of this Article IX, each Seller, severally and not jointly, and in proportion to such Seller's Pro Rata Portion, will indemnify and hold harmless Buyer, its Affiliates (including the Company) and their respective Representatives (“**Buyer Indemnified Parties**”), and will reimburse Buyer Indemnified Parties, for 72.25609756% of all Losses arising from or relating to:

(i) any inaccuracy in or breach of any of the representations or warranties of the Sellers contained in this Agreement, the other Transaction Documents or in any certificate or instrument delivered by or on behalf of the Sellers pursuant to this Agreement, as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date);

(ii) any breach of or failure to perform any of such Seller's covenants or agreements in this Agreement, the other Transaction Documents or any certificate or instrument delivered by or on behalf of Seller pursuant to this Agreement, provided that notwithstanding anything to the contrary set forth herein, only the Seller who has breached or failed to perform such a covenant or agreement shall be liable for such breach or failure; and

(iii) any Seller Transaction Expenses.

In addition, from and after the Closing, subject to the terms and conditions of this Article IX, each Seller, severally and not jointly, and in proportion to such Seller's Pro Rata

Portion, will indemnify and hold harmless the Buyer Indemnified Parties, and will reimburse the Buyer Indemnified Parties, for 72.25609756% of all Losses arising from or relating to:

(v) Indebtedness of the Company outstanding as of the Closing (excluding the Buyer Indebtedness and the PPP Indebtedness, to the extent fully forgiven and any remaining escrowed funds distributed pursuant to Section 6.11);

(w) any incident in which Personal Data has been or may have been stolen or inappropriately assessed, or any other security breach on or prior to the Closing, provided if Buyer is to assert any claims for Losses under this clause (w), Buyer must assert such claims in good faith with reasonable specificity (to the extent known at such time) and in writing by notice to Sellers prior to the thirty-six (36) month anniversary of the Closing Date;

(x) any Proceeding or Order with respect to the Company that arose from or related to acts or omissions by the Company on or prior to the Closing, including the Proceedings listed on Schedule 4.10, provided if Buyer is to assert any claims for Losses under this clause (x), Buyer must assert such claims in good faith with reasonable specificity (to the extent known at such time) and in writing by notice to Sellers prior to the thirty-six (36) month anniversary of the Closing Date; and

(y) any Pre-Closing Taxes.

9.3 Indemnification and Reimbursement by Buyer. From and after the Closing, subject to the terms and conditions of this Article IX, Buyer will indemnify and hold harmless each Seller and their respective Affiliates and Representatives ("**Seller Indemnified Parties**"), and will reimburse Seller Indemnified Parties, for all Losses arising from or relating to:

(i) any inaccuracy in or breach of any of the representations or warranties of Buyer contained in this Agreement, the other Transaction Documents or in any certificate or instrument delivered by or on behalf of Buyer pursuant to this Agreement, as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date); and

(ii) any breach of or failure to perform any of such Buyer's covenants or agreements in this Agreement, the other Transaction Documents or any certificate or instrument delivered by or on behalf of Buyer pursuant to this Agreement.

9.4 Limitations.

(a) Deductible. Buyer Indemnified Parties shall not be entitled to recover for any Losses pursuant to Section 9.2(a)(i) unless and until such time as (i) the Losses in the aggregate for which Buyer Indemnified Parties are entitled to be indemnified hereunder exceed \$75,000 (the "**Deductible**"), at which time Buyer Indemnified Parties shall be entitled to recover all such Losses in excess of the Deductible, subject to the other limitations set forth in this Article IX. Seller Indemnified Parties shall not be entitled to recover for any Losses pursuant to Section 9.3(a)(i)

unless and until such time as the Losses in the aggregate for which Seller Indemnified Parties are entitled to be indemnified hereunder exceed the Deductible, at which time Seller Indemnified Parties shall be entitled to recover all such Losses in excess of the Deductible, subject to the other limitations set forth in this Article IX. Notwithstanding the foregoing, the limitations set forth in this Section 9.4(a) shall not apply to Losses based upon, arising out of, with respect to or by reason of any inaccuracy or breach of any Fundamental Representation. For purposes of this Article IX and for purposes of determining the amount of Losses but not whether the representation or warranty was accurate or breached, any inaccuracy in or breach of any representation or warranty shall be determined without regard to any materiality, Material Adverse Effect or other similar qualification contained in or otherwise applicable to such representation or warranty.

(b) Method of Recovery. With respect to any Losses Buyer Indemnified Parties are entitled to recover under this Article IX, Buyer Indemnified Parties shall seek payment first as an offset to any Earn Out Payments.

(c) Mitigation. Each Loss for which Buyer Indemnified Parties or Seller Indemnified Parties are entitled to be indemnified hereunder shall be reduced by (i) the amount of any insurance proceeds which the Company or Buyer Indemnified Parties recover with respect to such Loss and (ii) any indemnity, contribution or other similar payment which the Company or Buyer Indemnified Parties receive from any third party with respect to such Loss. Buyer Indemnified Parties shall use their commercially reasonable efforts to mitigate any Losses for which they seek indemnity hereunder and to use their commercially reasonable efforts to pursue and to obtain the maximum amounts and payments referred to in the immediately preceding sentence.

(d) Knowledge. The representations, warranties and covenants of the Indemnifying Party, and the Indemnified Party's right to indemnification with respect thereto, shall not be affected or deemed waived by reason of any investigation made by or on behalf of the Indemnified Party (including by any of its Representatives) or by reason of the fact that the Indemnified Party or any of its Representatives knew or should have known that any such representation or warranty is, was or might be inaccurate or by reason of the Indemnified Party's waiver of any condition set forth in Section 7.1 or Section 7.2, as the case may be.

(e) Cap. The aggregate amount of all Losses for which Seller shall be liable to Buyer Indemnified Parties pursuant to Sections 9.2(a)(i), 9(w) and 9(x) shall not exceed such Seller's Pro Rata Portion of the Purchase Price. The aggregate amount of all Losses for which Buyer shall be liable to Seller Indemnified Parties pursuant to Section 9.3(a)(i) shall not exceed the Purchase Price.

(f) Fraud. None of the foregoing provisions shall be applicable to limit any remedies that any Buyer Indemnified Party may have against any Seller for fraud, intentional misrepresentation in bad faith or willful misconduct committed by such Seller, *provided* that only the Seller committing such fraud, misrepresentation or misconduct shall be liable for such.

9.4 Indemnification Procedures. The Buyer Indemnified Party or Seller Indemnified Parties, as applicable, making a claim under this Article IX is referred to as the "**Indemnified**

Party", and the Party against whom such claims are asserted under this Article IX is referred to as the "**Indemnifying Party**."

(a) Third-Party Claims. If any Indemnified Party receives notice of the assertion or commencement of any Action made or brought by any Person who is not a party to this Agreement or an Affiliate of a Party to this Agreement or a Representative of the foregoing (a "**Third-Party Claim**") against such Indemnified Party with respect to which the Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than thirty (30) calendar days after receipt of such notice of such Third-Party Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Third-Party Claim in reasonable detail the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have the right to participate in, or by giving written notice to the Indemnified Party, to assume the defense of any Third Party Claim at the Indemnifying Party's expense and by the Indemnifying Party's own counsel, and the Indemnified Party shall cooperate in good faith in such defense; *provided, that* if the Indemnifying Party is a Seller, the Buyer Indemnified Party shall have the right to, and such Seller Indemnifying Party shall not have the right to, defend or direct the defense of any such Third Party Claim: (i) that is asserted directly by or on behalf of a Person that is a customer or supplier; (ii) involving criminal allegations; (iii) involving Pre-Closing Taxes; (iv) where potential liability exceeds the cap set forth in Section 9.3(e); (v) that seeks an injunction, non-monetary or other equitable relief against the Indemnified Party; or (vi) any other Third-Party Claim for which Buyer elects to assume the defense by providing written notice to Seller, *provided that* upon Buyer's election under this Section 9.4(a)(vi), Buyer agrees to assume and be liable for all Losses arising from such Third-Party Claim and Sellers shall have no further liability for such Losses arising from such Third-Party Claim. In the event that the Indemnifying Party assumes the defense of any Third Party Claim, subject to Section 9.4(b) it shall have the right to take such action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third Party Claim in the name and on behalf of the Indemnified Party. The Indemnified Party shall have the right to participate in the defense of any Third Party Claim with counsel selected by it subject to the Indemnifying Party's right to control the defense thereof. The fees and disbursements of such counsel shall be at the expense of the Indemnified Party, *provided, that* if in the reasonable opinion of counsel to the Indemnified Party, (A) there are legal defenses available to an Indemnified Party that are different from or additional to those available to the Indemnifying Party; or (B) there exists a conflict of interest between the Indemnifying Party and the Indemnified Party that cannot be waived, the Indemnifying Party shall be liable for the reasonable fees and expenses of counsel to the Indemnified Party in each jurisdiction for which the Indemnified Party determines counsel is required. If the Indemnifying Party elects not to compromise or defend such Third Party Claim, fails to promptly notify the Indemnified Party in writing of its election to defend as provided in this Agreement, or fails to diligently prosecute the defense of such Third Party Claim, the Indemnified Party may, subject to Section 9.4(b), pay, compromise, defend such Third Party Claim and seek indemnification for any and all Losses based upon, arising from or relating to such Third Party Claim. The Sellers and Buyer shall cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including making available to the defending

party, management employees of the non-defending party as may be reasonably necessary for the preparation of the defense of such Third Party Claim. The Indemnified Party and the Indemnifying Party shall use their reasonable best efforts to avoid production of confidential information (consistent with applicable Law), and to cause all communications among employees, counsel and others representing any party to a Third-Party Claim to be made so as to preserve any applicable attorney-client or work-product privileges.

(b) Settlement of Third-Party Claims. Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not enter into settlement of any Third Party Claim without the prior written consent of the Indemnified Party, except as provided in this Section 9.4(b). If a firm offer is made to settle a Third Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Indemnified Party and provides, in customary form, for the unconditional release of each Indemnified Party from all liabilities and obligations in connection with such Third Party Claim and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party shall give written notice to that effect to the Indemnified Party. If the Indemnified Party fails to consent to such firm offer within ten days after its receipt of such notice, the Indemnified Party may continue to contest or defend such Third Party Claim and in such event, the maximum liability of the Indemnifying Party as to such Third Party Claim shall not exceed the amount of such settlement offer. If the Indemnified Party fails to consent to such firm offer and also fails to assume defense of such Third Party Claim, the Indemnifying Party may settle the Third Party Claim upon the terms set forth in such firm offer to settle such Third Party Claim. If the Indemnified Party has assumed the defense pursuant to Section 9.4(a), it shall not agree to any settlement without the written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed).

(c) Direct Claims. Any Action by an Indemnified Party on account of a Loss which does not result from a Third-Party Claim (a "**Direct Claim**") shall be asserted by the Indemnified Party giving the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than thirty (30) days after the Indemnified Party becomes aware of such Direct Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Direct Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have thirty (30) days after its receipt of such notice to respond in writing to such Direct Claim. The Indemnified Party shall allow the Indemnifying Party and its professional advisors to investigate the matter or circumstance alleged to give rise to the Direct Claim, and whether and to what extent any amount is payable in respect of the Direct Claim and the Indemnified Party shall assist the Indemnifying Party's investigation by giving such information and assistance (including access to Company's premises and personnel and the right to examine and copy any accounts, documents or records) as the Indemnifying Party or any of its professional advisors may reasonably request. If the Indemnifying Party does not so respond within such thirty (30) day period, the Indemnifying Party shall be deemed to have rejected such claim, in which case the Indemnified Party shall be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

9.5 Tax Treatment of Indemnification Payments. All indemnification payments made under this Agreement shall be treated by the Parties as an adjustment to the Purchase Price for Tax purposes, unless otherwise required by Law.

9.6 Payments. Once a Loss is agreed to by the Indemnifying Party or finally adjudicated to be payable pursuant to this Article IX, the Indemnifying Party shall satisfy its obligations within fifteen (15) Business Days of such final, non-appealable adjudication by wire transfer of immediately available funds. The Parties hereto agree that should an Indemnifying Party not make full payment of any such obligations within such fifteen (15) Business Day period, any amount payable shall accrue interest from and including the date of agreement of the Indemnifying Party or final, non-appealable adjudication to and including the date such payment has been made at a rate per annum equal to ten percent (10%). Such interest shall be calculated daily on the basis of a 365-day year and the actual number of days elapsed, without compounding.

9.7 Exclusive Remedy. Any liability for indemnification hereunder shall be determined without duplication of recovery by reason of the state of facts giving rise to such liability constituting a breach of more than one representation, warranty, covenant or agreement. Subject to Sections 6.6, 6.8, 9.3(f), and 10.11, the parties acknowledge and agree that , the sole and exclusive remedy of the Buyer Indemnified Parties and the Seller Indemnified Parties with respect to any breach of, or inaccuracy in, a representation, or warranty contained in this Agreement, any certificate delivered at the Closing, or any breach of any covenant or agreement in this Agreement, or for any other claim pursuant to this Agreement or arising from or related to the transactions contemplated hereby, shall be pursuant to the indemnification provisions set forth this Article IX.

ARTICLE X MISCELLANEOUS

10.1 Expenses. Except as otherwise expressly provided herein, all costs and expenses, including, without limitation, fees and disbursements of counsel, finders, brokers, representatives, financial advisors and accountants, incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the Party incurring such costs and expenses, whether or not the Closing shall have occurred.

I was among several defendants who were sued by a mother and her son for contributing to his long-standing history of drug abuse. He had been served by the pharmacy occasionally on about 6 visits over the period of a year. He was under pain management with a local physician. He sued several pharmacies, including mine, and the PIC at each location. His attorney had just won a similar case in another county and had solicited for patients in the area to file similar complaints. The plaintiff had numerous rehabilitation failures and had expressed suicidal tendencies that occurred long before he had visited our pharmacy. The lawsuit was frivolous and was settled for <\$3000. The plaintiff's attorney had personally been arrested for drug-related offenses - under the influence and possession with the intent to distribute.

Provide explanation below:

In late 2012 on the heels of the NECC debacle, the CO Board of Pharmacy requested an affidavit that attested we were not sending "office use" compounds into their state. We supplied the affidavit well within the time limit (with proof of receipt) and were subsequently informed that it had not been received and we would now have to supply ALL dispensing history into CO. We did so, and were then cited for distributing prescription goods with prescription orders. In reality, we had packaged and sold prescription goods to a licensed physician for dispensing/administration to her own patients in office and had recorded them using serial numbered labels for easy tracking. None of these were dispensed for profit and none were controlled substances. We provided less than 5% of the total doses dispensed by the pharmacy that year. They considered it wholesaling without a permit. The original fine was reduced to \$6000, which we paid. We subsequently did not renew our permit. I consider it an egregious failure of clerical duty on the part of the CO Board of Pharmacy. We could have chosen to relegate our permit when the demand for information beyond the original affidavit arrived but complied with the demands anyway. I still do not believe we did anything disallowed by regulation.

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE NON-RESIDENT PRESCRIPTION DRUG OUTLET REGISTRATION IN THE STATE OF COLORADO OF WESTCLIFF COMPOUNDING PHARMACY, REGISTRATION NO. OSP 5969,

Respondent Pharmacy .

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Westcliff Compounding Pharmacy ("Respondent Pharmacy") to resolve all matters pertaining to Board Case Number 2013-575, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Pharmacy, its registration as a non-resident prescription drug outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to provisions of the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2012).
2. Respondent Pharmacy was originally registered in the State of Colorado on or about July 11, 2011, being issued registration # OSP 5969, and has been so registered at all times relevant to this disciplinary action.
3. Respondent Pharmacy's address of record with the Board and current location is 1901 Westcliff Drive, Suite 3 A, Newport Beach, California 92660.
4. Respondent Pharmacy admits these findings and hereby waives any further proof in this or any other proceeding before the Board regarding the following facts.
5. Between March 1, 2011 and March 1, 2013, Respondent Pharmacy distributed 909 prescription drugs into Colorado without prescription orders.
6. Respondent Pharmacy admits that its conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board Rules and provides grounds for disciplinary action against Respondent Pharmacy's Colorado registration as a prescription drug outlet:

Colorado Revised Statutes

12-42.5-123. Unprofessional conduct - grounds for discipline.

(1) The board may suspend, revoke, refuse to renew, or otherwise discipline any license or registration issued by it, after a hearing held in accordance with the provisions of this section, upon proof that the licensee or registrant:

(c) Has violated:

(I) Any of the provisions of this Article, including commission of an act declared unlawful in section 12-42.5-126;

(II) The lawful rules of the board; or

(III) Any state or federal law pertaining to drugs.

(k) Has failed to meet generally accepted standards of pharmacy practice.

12-42.5-124. Disciplinary actions. (1) The board may deny or discipline an applicant, licensee, or registrant when the board determines that the applicant, licensee, or registrant has engaged in activities that are grounds for discipline.

12-42.5-130. Nonresident prescription drug outlet--registration

(2) The registration requirements of this section apply only to a nonresident prescription drug outlet that only ships, mails, or delivers, in any manner, drugs and devices into this state pursuant to a prescription order.

12-42.5-303. Wholesaler license requirements

(1)(a) A wholesaler that resides in this state must be licensed by the board. A wholesaler that does not reside in this state must be licensed in this state prior to engaging in the wholesale distribution of prescription drugs in this state. The board shall exempt a manufacturer and that manufacturer's third-party logistics providers to the extent involving that manufacturer's drugs under contract from any licensing qualifications and other requirements, including the requirements in subparagraphs (VI) and (VII) of paragraph (a) of subsection (3) of this section, subsections (4) to (6) of this section, and section 12-42.5-304, to the extent the requirements are not required by federal law or regulation, unless the particular requirements are deemed necessary and appropriate following rule-making by the board.

7. The Board finds and concludes, and Respondent Pharmacy agrees, that based upon Respondent Pharmacy's above-described violations of the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act and relevant rules and regulations, the following discipline is just and appropriate under the circumstances.

DISPOSITION

8. **Fine with Surcharge.** Pursuant to §12-42.5-124(5)(I), C.R.S., Respondent Pharmacy shall pay a fine of Six Thousand Dollars and No Cents (\$6,000.00). Respondent Pharmacy understands and acknowledges that, pursuant to §24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies shall impose an additional surcharge of 10% of this fine. Respondent Pharmacy shall therefore pay a total amount of Six Thousand Six Hundred Dollars and No Cents (\$6,600.00). The total amount shall be payable to the State of Colorado and shall be remitted in one lump sum to be included when Respondent Pharmacy submits this signed Final Agency Order to the Board.
9. **Compliance.** Respondent Pharmacy shall only dispense and deliver prescriptions into Colorado pursuant to valid, patient-specific prescription orders.
10. **Other Requirements.** Through its undersigned Authorized Representative, Respondent Pharmacy acknowledges and agrees that, as a condition of this Final Agency Order, Respondent Pharmacy shall:
 - a. promptly pay all its own fees and costs associated with this Final Agency Order;
 - b. comply fully with this Final Agency Order; and
 - c. comply fully with the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act, all Board rules and regulations, and any other state and federal laws and regulations related to pharmaceuticals and pharmacists in the State of Colorado.
11. **Violations.** Time is of the essence to this Final Agency Order. It is the responsibility of Respondent Pharmacy to take all appropriate steps to comply fully with this Final Agency Order. Respondent Pharmacy acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under §12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of its registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Pharmacy to comply with all terms and conditions of this Final Agency Order.

12. **Discharge.** Discharge from the requirements of this Final Agency Order must be requested in writing by Respondent Pharmacy. The Board will consider any request for discharge during the ordinary course of business and may require independent verification prior to release. In any request for discharge it shall be Respondent Pharmacy's sole responsibility to establish, through written and other documentation, that Respondent Pharmacy has met all terms and conditions of this Final Agency Order. Respondent Pharmacy's probation shall continue until formally discharged by the Board or its designated authority.
13. **Advisements and Waivers.** Through its undersigned Authorized Representative, Respondent Pharmacy enters into this Final Agency Order freely and voluntarily, after having the opportunity to consult with legal counsel and/or choosing not to do so. Respondent Pharmacy acknowledges its understanding that it has the following rights:
- a. To have a formal notice of hearing and charges served upon it;
 - b. To respond to said formal notice of charges;
 - c. to have a formal disciplinary hearing pursuant to §§12-42.5-123 and 12-42.5-124, C.R.S.; and
 - d. To appeal this Board order.
- Respondent Pharmacy freely **waives** these rights, and acknowledges that such waiver is made voluntarily in consideration for Board's limiting the action taken against it to the sanctions imposed herein.
14. **Acknowledgments.** The undersigned Authorized Representative of Respondent Pharmacy has read this Final Agency Order in its entirety and acknowledges, after having the opportunity to consult with legal counsel and/or choosing not to do so, that Respondent Pharmacy understands the legal consequences and agrees that none of the terms or conditions herein is unconscionable. Respondent Pharmacy is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Pharmacy further acknowledges that it is not entering into this Final Agency Order under any duress.
15. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties in this case. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.
16. **Public Record.** Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.

17. **Board Order.** This Final Agency Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative.
18. **Effective Date.** This Final Agency Order shall become effective upon (a) mailing by first-class mail to Respondent Pharmacy at Respondent Pharmacy's address of record with the Board, or (b) service by electronic means on Respondent Pharmacy. Respondent Pharmacy hereby consents to service by electronic means if Respondent Pharmacy has an electronic address on file with the Board.

Dear Ms. Rose:

This law firm has been retained by Westcliff Compounding Pharmacy and Mike Pavlovich ("the Pharmacy") to assist in responding to your Expedited Settlement letter dated June 13, 2013 ("the Letter"). Please include this office in any future correspondence regarding this matter.

While we appreciate your offer for an expedited settlement process, we believe there is no cause, preponderance nor probable, to reasonably believe the Pharmacy violated any laws. Rather, it appears a good faith effort by the Pharmacy to fully disclose all of its activities to the Board, perhaps coupled with clerical/semantic mishaps and lack of communication, may have been inappropriately used by the Board to arrive at its legal conclusion that the Pharmacy acted unlawfully. For the reasons below, we respectfully and urgently ask that you and the Board reconsider the allegations against the Pharmacy and drop the matter altogether.

The single factual basis for the entire allegation in the Letter is "the Board found that between March 1, 2011 and March 1, 2013 the pharmacy distributed 909 prescription drugs into Colorado without prescription orders." To then reach the legal conclusion that the Pharmacy violated any laws and order that the Pharmacy pay nearly \$1,000,000 without at least an informal opportunity to discuss the matter and resolve misunderstandings, is not only arbitrary and capricious, but fails to offer even the most rudimentary procedural due process.

In fact, the Pharmacy was engaged in no more than the lawful practice of providing medications to licensed practitioners for administration to their patients.

Article 42.5 of the Colorado Revised Statutes (2012), § 12-42.5-102(42)(b) states that "[w]holesale distribution' does not include: (VI) The sale of minimal quantities of prescription drugs by retail pharmacies to licensed practitioners for office use. . ." Given the lack of definition of what constitutes "minimal quantities," we should look to the bright line rule offered within § 12-42.5-118(6)(b): "The rules must limit the amount of drugs a pharmacist may compound to no more than ten percent of the total number of drug dosage units dispensed and distributed on an annual basis by the outlet." Because the Pharmacy has always operated well below this threshold, and because all prescription drugs were sold exclusively to licensed practitioners for administration to their own patients, and not for resale, we believe the

Pharmacy has followed all laws and regulations.

It should further be noted that none of the merchandise transferred to the licensed physician were controlled substances, nor considered drugs for diversion. The vast majority were antibiotic, or non-steroidal anti-inflammatory in nature, intended for acute administration only.

My client has made diligent, good faith efforts to operate in Colorado in an open and transparent manner, and will continue to do so. We firmly believe the Pharmacy acted lawfully at all times, and we urgently request that you reconsider this matter and ultimately dismiss it.

I look forward to your prompt response. I am available for further discussion - please email and/or call me at your convenience.

Dear Ms. Rose:

As per our Wednesday, August 7, 2013, telephone conversation, Mike Pavlovich, PharmD, owner and pharmacist in charge (PIC) of Westcliff Compounding Pharmacy (Westcliff), has retained Baer Law Firm as Colorado legal counsel to assist in responding to Colorado State Board of Pharmacy (Board) Complaint No. 2013-575. On behalf of Westcliff and Dr. Pavlovich, I would like to thank you for your assistance on this matter as I understand Dr. Pavlovich, through a California attorney, Dr. Tony Park, has already submitted a response and/or counteroffer to the Board that was ultimately denied. It is my intention to quickly and concisely respond to the Board's stipulation and fine of \$999,900. I would also like to thank the Board for allowing Dr. Pavlovich to submit an additional response and propose a new counteroffer that may be more acceptable to the Board. Finally, we believe there is a crucial document, my client's signed and dated affidavit, that was inadvertently lost or misplaced prior to January 17, 2013. We are asking the Board to review the following facts and documents as the disappearance of my client's affidavit after its timely January 10, 2013, submission resulted in my client having to turn over confidential prescription records and face a potential fine of nearly one million dollars.

To begin, I would like the Board to take note that the "Colorado.gov" online calendar lists the final 'agenda deadline submission' for the September 2013 Colorado State Board of Pharmacy Meeting as Monday, August 26, 2013. Please see attached "Exhibit A." However, in speaking to you, I was informed that the actual deadline for submission is Friday, August 16, 2013. The reason for the change in submission deadline is unclear and may be a moot point, but as my client is faced with a nearly one million dollar fine, an extra ten days is crucial with regards to document collection and review and in drafting a persuasive Board response. In addition, if a practitioner was solely relying on the "Colorado.gov" online calendar for information, a crucial

deadline could have easily been missed. Ultimately, as we are all aware, names, dates, times and time frames for document submission are crucial in the real world, and many times critical in the legal field.

In conclusion, I hope the Board will take note of the fact that an additional ten days was not afforded to my client in responding to the Boards stipulation and fine. We hope this discrepancy can be addressed in the future so all parties are well informed as to agenda deadline submissions.

Westcliff Pharmacy and Dr. Mike Pavlovich

As a background, Dr. Pavlovich has been the PIC of Westcliff since 2011 and has over 24 years of pharmacist experience. His name appears on the June 14, 2011, Colorado application for registration – non-resident prescription drug outlet (OSP). Dr. Pavlovich remains very active in the pharmacy profession in a variety of roles. He is an adjunct clinical professor at numerous schools of pharmacy and continues to educate pharmacists and pharmacy students on a variety of compounding issues including, but not limited to: elegant preparation of dosage forms, specialized equipment, product acquisition, drug information, sterile and non-sterile techniques and relevant regulation.

At Westcliff, Dr. Pavlovich specializes in compounding, sports medicine and chronic pain management. He has worked as a volunteer pharmacist for Team USA, where he coordinated packaging and delivery of all pharmaceuticals utilized by the United States Olympic Committee Medical Staff and athletes during the 2008 Summer Olympic Games in Beijing, China. Dr. Pavlovich continues to work closely with the USOC and numerous National Governing Boards of elite level and professional sports. He has consulted for all major professional sports leagues, including the National Football League, Major League Baseball, the National Hockey League and National Basketball Association. His role as pharmacist is to assist the team medical staffs with their pharmaceutical needs, develop formularies, and to ensure the teams are in full regulatory compliance. Dr. Pavlovich also regularly consults with the National Association of Boards of Pharmacy, the Food and Drug Administration, the Drug Enforcement Agency and other state and federal government agencies, including state boards of pharmacy, to proactively address pharmacy compliance issues. Finally, Dr. Pavlovich received the American Pharmacists Association Academy of Pharmacy Practice and Management Distinguished Achievement Award in Specialized Pharmacy Practice, which recognizes the achievements of an individual who has made a significant contribution or sustained contributions to the provisions of pharmaceutical care within specialized pharmacy practice.

All In all, Dr. Pavlovich is the consummate pharmacy professional. He takes enormous pride in being a proactive member of the pharmacy profession. He embraces every chance to educate current pharmacists, future pharmacists, physicians and patients on the changing pharmacy profession and strives to achieve excellence and perfection in the area of compounding.

Dr. Pavlovich is requesting that the Board thoroughly review the facts presented in this Board response as there appear to be a major clerical error or omission that should be strongly considered prior to having Dr. Pavlovich sign any Board stipulation or agree to any Board fine.

Dr. Pavlovich submits and respectfully requests that the Board consider the facts as follows:

FACTS OF CASE 2013 – 575 WESTCLIFF COMPOUNDING PHARMACY

OCTOBER and NOVEMBER 2012

In October 2012, an outbreak of fungal meningitis was reported in the United States. The United States Centers for Disease Control and Prevention traced the outbreak to fungal contamination to medication that was packaged by the New England Compounding Center (NECC). This horrific incident brought national attention to compounding pharmacies, the sterility and regulation of compounded products and the potential risks associated with compounded medications. In response, the National Association of Boards of Pharmacy (NABP) launched a nationwide program to identify and inspect compounding pharmacies as it was determined that many states (1) did not know which pharmacies engaged in compounding, (2) did not know whether pharmacies shipped compounded medications across state lines, and (3) did not know which pharmacies manufactured large quantities of compounded medications. Around the same time, the United States House of Representatives and United States Senate began analyzing the regulatory issues associated with compounding pharmacies and are working on the Pharmaceutical Quality, Security and Accountability Act.

DECEMBER 2012

In December mid-late 2012, the Board reached out to all of the nonresident pharmacies registered in Colorado and reiterated that nonresident pharmacies may not distribute prescription drugs into Colorado. Please see attached "Exhibit B". The Board noted that Colorado law only allows nonresident pharmacies to dispense a prescription for a patient and ship that furnished prescription to Colorado and that nonresident pharmacies may not distribute drugs, compounded or otherwise, into Colorado. Furthermore, each nonresident pharmacy was informed that if a pharmacy wishes to distribute drugs into Colorado, the nonresident pharmacy must register as a wholesaler in its state of residence and then obtain a registration in Colorado as an Out-of-State Wholesaler. Finally, the Board directed each nonresident pharmacy to sign an affidavit to confirm that the nonresident pharmacy is aware of Colorado law and that the nonresident pharmacy will not be distributing drugs into Colorado in violation of Colorado law. Per the Board's request, the affidavits were to be signed and returned to the Board at their letterhead address or emailed to DORA_pharmacyboard@state.co.us no later than January 17, 2013.

Dr. Pavlovich received this letter on or about December 30, 2012.

JANUARY 2013

On January 10, 2013 at 15:18, Dr. Pavlovich signed and dated the affidavit ("**Exhibit C**") and scanned in a copy to his computer. The scanned document was titled: **IMG20130110_15182322**, reflecting the date (1/10/2013 and time, 15:18). Moments later, Dr. Pavlovich, uploaded his signed and dated affidavit to the Westcliff's public email account, info@westcliffcompounding.com. Moments later at 15:20 on Thursday, January, 10, 2013, Dr. Pavlovich emailed the attached affidavit to the appropriate email as requested by the Board: DORA_pharmacyboard@state.co.us.

Dr. Pavlovich timely responded to the Board's request a full week in advance. Dr. Pavlovich received no formal confirmation response or receipt from the Board, nor did he receive any return email from the Board indicating that his email was addressed incorrectly or got bounced back.

Ultimately, Dr. Pavlovich reasonably determined that his email was sent appropriately and delivered to the Board as no facts indicated otherwise. Therefore, Dr. Pavlovich's email and the attached affidavit should be deemed delivered and accepted by the Board.

MARCH 2013.

On March 5, 2013, the Board contacted Westcliff ("**Exhibit D**") stating that since the affidavit was not received by the Board by its January 17, 2013, deadline, the Board initiated a complaint against Westcliff for failing to comply with the December 18, 2012, request. The Board requested a record detailing the dispensation and/or distribution of all prescription drugs and controlled substances from Westcliff to the State of Colorado between March 1, 2011 through March 1, 2013.

After receiving the Board's letter and learning, for the first time, that his affidavit was not received, Mr. Pavlovich immediately contacted the Board, but was only informed that the Board did not receive his affidavit and would not accept the original affidavit at that time, and he would have to submit the requested documentation. No other offers to explore the incident were offered and his requests were essentially ignored.

On March 21, 2013, at 11:00am, Dr. Pavlovich responded via email to Board representative, Jean Rowcliffe ("**Exhibit E**"). In this email Dr. Pavlovich also noted how "thoroughly surprised" he was that Ms. Rowcliffe or the Board's office "did not receive the document" that he "had faxed to your attention on January 10th." This March 2013 email was deemed delivered and accepted by the Board after sending as no other facts indicated otherwise.

On March 22, 2013, at 9:51 am PDT, Ms. Rowcliffe emailed Dr. Pavlovich back that she had received the requested Westcliff prescription documentation.

JUNE 2013

On June 13, 2013, the Board indicated that the Board had reviewed the prescription data that was submitted in March 2013 and found reasonable cause that Westcliff violated sections 12-42.5-123(1)(c) and (k), 12-42.5-130(2) and 12-42.5-303(1)(a), C.R.S. Based on its findings, the Board determined that Westcliff distributed 909 prescription drugs into Colorado without prescription orders and fined Westcliff in the amount of \$909,000 (\$1,000 for each occurrence) plus the statutorily mandated surcharge of 10% for a total fine of \$999,900.

On June 19, 2013, California Attorney, Tony Park, then representing Westcliff and Dr. Pavlovich, responded to the Board's June 13, 2013, Expedited Settlement letter in time for the matter to be heard at the July 2013 Board Meeting.

JULY 2013

On July 25, 2013, Attorney Park was informed by you via email that the Board rejected his counteroffer as the referenced statutes in Mr. Park's response were not applicable in this case. Mr. Park was informed that Westcliff could ("Exhibit F"):

1. Accept the Board's settlement offer of \$999,900; or
2. Relinquish its nonresident pharmacy registration in lieu of paying the fine (although this would still be considered a discipline); or
3. Propose another resolution

AUGUST 2013

Dr. Pavlovich decided he would best be served by retaining an attorney with greater experience in Colorado and contacted Baer Law Firm to inquire about Colorado specific pharmacy laws as related to his present case.

WESTCLIFF REQUEST FOR RELIEF

The facts of the Westcliff case, i.e. the error related to the missing Westcliff affidavit, need to be fully inspected, analyzed and addressed prior to finalizing any stipulation and fine against Westcliff.

Therefore, Dr. Pavlovich respectfully requests that the Board take all the referenced facts into consideration, especially all matters related to the emailed affidavit submission from January 10, 2013. The facts and attached "**Exhibit B**" show that Dr. Pavlovich responded to the Board's request in a timely fashion and well before the January 17, 2013, Board deadline. In addition, his March 2013 email response to Ms. Rowcliffe reference him submitting the January 10, 2013, affidavit.

Being that Dr. Pavlovich responded to the affidavit in a timely manner. Westcliff:

1. Should not have received the Board's March 5, 2013 letter;
2. A formal complaint should not have been initiated against Westcliff;
3. Westcliff should not have had to turn over all of its confidential prescription information;
4. Westcliff should not have been fined.

This obviously is an unfortunate situation where there appears to be a critical clerical, documentation, communication and/or procedural error that must be addressed as the resulting fine due to the Board not receiving Dr. Pavlovich's application resulted in a nearly one million dollar fine.

While there appear to be no Article 42.5 sections that could readily resolve this issue, one may have to look closely at Universal Commercial Code (UCC) and how the UCC addresses receipt and deliver of emails.

All in all, Dr. Pavlovich is requesting that Westcliff be treated like every other nonresident pharmacy that timely submitted their signed affidavits. It is our understanding that Board initiated complaints and later fines if applicable to only those pharmacies that did not return the requested affidavits in a timely fashion. As stated previously, the facts clearly show Dr. Pavlovich submitted the affidavit in a timely fashion and it remains unclear if the Board has had other issues with the electronic submission, i.e. email, or if the Board has also issued fines against other nonresident pharmacies that timely submitted their affidavits.

Now as the result of a clerical error of monumental proportions, Dr. Pavlovich's confidential list of prescriptions has been thoroughly reviewed by the Board and whether the Board determines the aforementioned facts to be relevant or not, Dr. Pavlovich wishes to address and correct the present situation. Dr. Pavlovich acknowledges and thanks the Board for bringing the critical Board issue(s) to his attention and strives to promptly correct his practice of sending non-patient specific prescriptions into the State of Colorado. He is fully aware and acknowledges that Westcliff will only dispense/deliver prescription drugs or controlled substances into Colorado pursuant ONLY to valid, patient specific prescription orders, as clearly stated in the updated Non-Resident Prescription Drug Outlet (OSP) application from December 2012. As legal counsel, I have also reviewed the Colorado Pharmacy Rules and Regulations (3 CCR 719-1), specifically 3.00.20, which states: **"The pharmacist may not dispense a prescription drug or a controlled substance to a practitioner based on an order that does not list a specific patient. A prescription order for 'office use' is not a valid order."**

WESTCLIFF COUNTEROFFER / PROPOSALS FOR RELIEF

Dr. Pavlovich's intent has always been to follow Colorado pharmacy laws and always be in full compliance with all applicable laws, not only in Colorado, but in each state where Westcliff is registered as a nonresident pharmacy. Dr. Pavlovich takes the actions of the Board very seriously and acknowledges that his

past pharmacy practices are not in-line with current Colorado pharmacy laws. Dr. Pavlovich would also like to ensure the Board that since Westcliff's initial licensure, no controlled substances have been shipped to Colorado and Westcliff has been in full compliance with Colorado's Prescription Drug Monitoring Program's regulations and requirements.

As such, Dr. Pavlovich respectfully requests the Board consider the following proposals:

1. That the Board reduce its fine against Westcliff to the amount of **zero dollars** as Westcliff has been full and forthright in its dealings with the Board, even in instances where such dealings may not have been warranted. The Board will issue a **confidential letter of concern** and Dr. Pavlovich as PIC will accept the confidential letter of concern and immediately correct his nonresident pharmacy practices to fully comply with the Colorado laws in that all prescription drugs and controlled substances shipped into Colorado by nonresident pharmacies be pursuant to valid, patient-specific prescription orders.

Under the terms of this agreement, Dr. Pavlovich agrees to submit biannual or quarterly, or at reasonable time decided upon by the Board, dispensation and/or distribution records of all prescription drugs and controlled substances to the State of Colorado for a period of two years starting October 1, 2013 and ending September 30, 2015. Dr Pavlovich acknowledges the disciplinary actions under 12-42.5-125, specifically 12-42.5-124(5)(a) and understands that future violations and/or penalties may be more severe.

In the alternative, if the Board deems the above proposal to be unacceptable, Dr. Pavlovich respectfully requests the Board consider the following:

2. That the Board reduce its fine against Westcliff to the amount of **zero dollars** as Westcliff has been full and forthright in its dealings with the Board, even in instances where such dealings may not have been warranted. The Board will issue a **letter of admonition** and Westcliff and Dr. Pavlovich will accept the letter of admonition and immediately correct his nonresident pharmacy practices to fully comply with the Colorado laws in that all prescription drugs and controlled substances shipped into Colorado by nonresident pharmacies be pursuant to valid, patient-specific prescription orders.

Under the terms of this agreement, Dr. Pavlovich agrees to submit biannual or quarterly, or at reasonable time decided upon by the Board, dispensation and/or distribution records of all prescription drugs and controlled substances to the State of Colorado for a period of two years starting October 1, 2013 and ending September 30, 2015. Dr Pavlovich acknowledges

the disciplinary actions under 12-42.5-125, specifically 12-42.5-124(5)(a) and understands that future violations and/or penalties may be more severe.

In the alternative, if the Board deems the above proposal to be unacceptable, Dr. Pavlovich respectfully requests the Board consider the following:

3. Westcliff agrees to relinquish its Colorado nonresident pharmacy license (OSP 5969) in lieu of paying the Board's fine of \$999,900 as even the request for reduction of the fine per statute to \$500.00 per occurrence, resulting in a fine of \$499,950, is quite unreasonable in this case where an obvious Board clerical error or omission resulted in the Board's request for confidential and private prescription data of United States Olympic athletes.

Again, on behalf of Dr. Pavlovich, we would like to thank you for taking the time to thoroughly review the facts of the case. We believe we have presented all the facts needed for the Board to make an educated decision.

Sincerely,

John Paul Baer, PharmD, JD

Basically, the State of Hawaii piling on using "sister state" regulation to cite us for the discipline that occurred in Colorado. Despite being licensed in Hawaii for four years, we never sent a single prescription there. No drugs were ever shipped, no patient injuries ever occurred and no complaints were ever made against us. The information pertaining to the Colorado citation was included with our first renewal and was several days late in reaching the Board's attention, although it was disclosed roughly 45 days after the stipulation in Colorado was finalized. It took almost 22 months for the Hawaii Board to issue a disciplinary action after we had disclosed it.

Although Respondent believes that it supplied this information well before its deadline, Respondent feels that Respondent was compelled to comply. Respondent believes that Respondent was engaged in no more than the lawful practice of providing FDA-approved medications to licensed practitioners for administration to their patients, and not for resale. Respondent asserts that none of the merchandise transferred to the licensed physician were controlled substances, nor considered drugs for diversion. The vast majority were either antibiotics or NSAIDs, or intended for acute administration only.

6. Respondent represents that with respect to the subject matter of the Colorado Order, there was no intent to willingly subvert the law. An honest mistake was made, and Respondent pledges such a mistake will never again be made. Respondent represents that no harm to any individual was incurred.

8. Respondent asserts that it disclosed the Colorado Order to the Board when Respondent completed its renewal application, dated December 17, 2013, 43 days after the issuance of the Colorado Order.

Beretania Street, 9th Floor, Honolulu, Hawaii 96813. Payment of the fine shall be due at the time this Settlement Agreement is returned to RICO.

2. Failure to Comply with Settlement Agreement. If Respondent fails to fully and timely comply with the terms of this Settlement Agreement as set forth in paragraph(s) C.1 above, Respondent's permit shall be automatically revoked upon RICO's filing of an affidavit with the Board attesting to such failure. In case of such revocation, Respondent shall turn in all indicia of the permit to the Executive Officer of the Board within ten (10) days after receipt of notice of the revocation. If the Board does not approve this Settlement Agreement, does not issue an order pursuant thereto, or does not approve a lesser remedy, but instead an administrative hearing is conducted against Respondent in the Board's usual and customary fashion pursuant to the Administrative Procedure Act, Respondent agrees that neither Respondent nor any attorney that Respondent may retain, will raise as an objection in any administrative proceeding or in any judicial action, to the Board's proceeding against Respondent on the basis that the Board has become disqualified to consider the case because of its review and consideration of this Settlement Agreement.

6. Any Ambiguities Shall be Construed to Protect the Consuming Public. It is agreed that any ambiguity in this Settlement Agreement is to be read in the manner that most completely protects the interests of the consuming public.

7. No Reliance on Representations by RICO. Provide explanation below:

Basically, the State of Michigan enforcing their "sister state" regulation to cite us for the discipline that occurred in Colorado. No patient injuries ever occurred and no complaints were ever made against us. The information pertaining to the Colorado citation was included with our first renewal. It took more than a year for the Michigan Board to issue an administrative complaint after we had disclosed it. In fact, during the conference call with Board staff, it was stated that the action was "because of what happened with NECC". When I objected and explained that we had never sent any sterile product into Michigan, and there had been no patient complaints or injuries, she said "How do I know you haven't shipped into Michigan?" I was stunned. I tried to cancel my site permit immediately, but there was no process for that, even when my personal pharmacist permit expired (and was not renewed) and we could not legally operate in Michigan. We paid the small fine and closed the issue.

Nevada State Board of Pharmacy
Women's International Pharmacy, Inc.
Change of Ownership Application

The Applicant, Women's International Pharmacy, Inc. located in Youngtown, Arizona, has no disciplinary history to report. However, Women's International Pharmacy, Inc. also operates a pharmacy in Madison, Wisconsin and, out of an abundance of caution, we disclose the following information in response to the above-referenced question.

In 1995, Women's International Pharmacy, Inc. of Madison, Wisconsin ("*Women's-Wisconsin*") entered into the attached Stipulation to resolve a disciplinary proceeding before the Wisconsin Pharmacy Examining Board. The Stipulation imposed certain limitations on Women's-Wisconsin's resident pharmacy license, however, those limitations were removed sixteen years ago, in 2004, after a showing of good cause. Women's-Wisconsin has operated under an unrestricted resident license since that time and without further discipline by any state board of pharmacy or federal authority. The Stipulation is attached for your reference.

In addition, Women's International Pharmacy, Inc. of Youngtown, Arizona operates a second separately licensed pharmacy operation at the Youngtown, Arizona facility ("*Women's Arizona – Second Location*"). The license held by this entity are not part of the change of ownership transaction and will be closed out as of the close of the transaction. Women's Arizona – Second Location was notified of a complaint by the California Board of Pharmacy on August 26, 2014. Women's Arizona – Second Location responded to their requests for information. A non-disciplinary citation and fine were issued on October 27, 2015. Women's Arizona – Second Location met with the California Board of Pharmacy to discuss the citation and fine via an informal office conference on February 9, 2016. The citation and fine were affirmed.

IN THE MATTER OF DISCIPLINARY
PROCEEDINGS AGAINST
WALLACE L. SIMONS, R.Ph.,
WOMEN'S INTERNATIONAL
PHARMACY, INC.
RESPONDENTS

STIPULATION
88 PHM 25, 90 PHM 70
90 PHM 70a, 94 PHM 66
94 PHM 111

It is hereby stipulated between the above Respondents and the undersigned prosecuting attorney for the Division of Enforcement of the Department of Regulation and Licensing, as follows:

1. This Stipulation is entered into as a result of a pending investigation of Respondents by the Division of Enforcement and a hearing in process. The parties consent to the resolution of the above files by agreement and without a conclusion of the ongoing hearing on the formal complaint which has been issued in this matter, or a hearing in 90 PHM 70a, and without any issuance of any other complaints in the other above-named investigations which have been opened with respect to these respondents. This agreement does not resolve the allegations of 95 PHM 25.
2. Respondents understand that by signing this Stipulation, respondents waive the following rights with respect to disciplinary proceedings: the right to a statement of the allegations against respondents; a right to a hearing at which time the State has the burden of proving those allegations; the right to confront and cross-examine the witnesses against respondents; the right to call witnesses on respondents' behalf and to compel attendance of witnesses by subpoena; the right to testify personally; the right to file objections to any proposed decision and to present briefs or oral arguments to the officials who are to render the final decision; the right to petition for rehearing; and all other applicable rights afforded to respondents under the United States Constitution, the Wisconsin Constitution, the Wisconsin Statutes, and the Wisconsin Administrative Code, except as expressly reserved elsewhere herein.
3. Respondents are aware of respondents' right to seek legal representation and have obtained legal advice before signing this Stipulation.
4. Respondents assure the Board that they have at all times complied with ¶A of the Order, and that they will make every effort to ensure that Genesis Systems Corporation complies with ¶F of the Order but they do not legally control Genesis. Respondents also deny and do not agree that any violations have been committed intentionally or otherwise, except those admitted in the Answer to the Complaint in 88 PHM 25/90 PHM 70, but agree to the adoption of the attached Final Decision and Order by the Board. The parties consent to the entry of the attached Final Decision and Order without further notice, pleading, appearance or consent of the parties. Respondent waives all rights to any appeal of the Board's order, if adopted in the form as attached.
5. If the terms of this Stipulation are not acceptable to the Board, the parties shall not be bound by the contents of this Stipulation or the proposed Final Decision and Order, and the matter shall be returned to the Division of Enforcement for further proceedings, including the resumption of the currently ongoing hearings. In the event that this Stipulation is not accepted by the Board, the parties agree not to contend that the Board has been prejudiced or biased in any manner by the consideration of this attempted resolution.

Stipulation

6. The parties agree that an attorney for the Division of Enforcement may appear before the Board, in open or closed session, without the presence of Respondents or Respondents' attorney, for the purposes of speaking in support of this agreement and answering questions that the members of the Board and its staff may have in connection with their deliberations on the case. Respondents have the option of appearing with the prosecuting attorney at all open or closed sessions, and any appearance shall be preceded by timely notice.
7. The Board Advisor in this matter may participate freely in any deliberations of the Board regarding acceptance of this Stipulation and the proposed Final Order, and may relate to the Board any knowledge and views of the case acquired during the investigation, the panel session, the hearing and the settlement negotiations.
8. The Division of Enforcement joins respondents in recommending that the Board adopt this Stipulation and issue the attached Final Decision and Order.
9. Respondents are informed that should the Board adopt this stipulation, the board's final decision and order is a public record and will be published in the Monthly Disciplinary Report issued by the department. A summary of the order will be published in the Wisconsin Regulatory Digest issued semiannually by the Board. This is standard department procedure and in no way specially directed at respondents.
10. Respondents do not waive, and may pursue any rights to reimbursement for costs, attorneys' fees, or disbursements, from any state agency, and before any forum. Any such agency may defend such claims on any grounds available. This agreement also does not preclude respondents and their attorneys from pursuing any sanctions arising out of this hearing over which the Pharmacy Examining Board has no jurisdiction.
11. The Division and its prosecuting attorney assure respondents that there are no actual or tacit agreements or understandings with the FDA, DEA, or any other state or federal agency that after the entry of this Order, the FDA, DEA, or other agency will proceed against respondents in the Division's stead, i.e. the Division and its prosecuting attorney have no agreement or understanding with another agency to undermine the finality of this Stipulation and Final Decision and Order. Respondents understand that the FDA and DEA may be conducting their own investigations, and that to the extent that they or other agencies request the cooperation of the Division, such cooperation will be provided only in a manner similar to cooperation routinely provided in other cases.
12. Any patient records, without limit as to form, in any of the above-captioned files kept by the Department of Regulation & Licensing will be released under a public records request only in accordance with §146.82, Wis. Stats. The department will notify respondent of any requests to view or copy any of the file documents received from respondents upon receipt of the request, including the identity of the requestor if known, and at least 30 days before release of any records. This does not limit the department's obligation to comply with §19.35 et seq., Wis. Stats.
13. The parties agree that the wording "Reprinted for educational and promotional purposes..." is substantially similar to the wording set forth in ¶F of the Order.

IN THE MATTER OF DISCIPLINARY

RESPONDENTS

FINAL DECISION AND ORDER

88 PHM 25, 90 PHM 70
90 PHM 70a, 94 PHM 66
94 PHM 111

The parties to this action for the purposes of §227.53, Wis. Stats., are:

Wallace L. Simons, R.Ph.
3305 Leyton Lane
Madison, WI 53713

Women's International Pharmacy, Inc.
5708 Monona Drive

Department of Regulation and Licensing
Division of Enforcement
P.O. Box 8935
Madison, WI 53708-8935

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Respondent Wallace L. Simons (dob 7/10/40) is and was at all times relevant to the facts set forth herein a registered pharmacist licensed in the State of Wisconsin pursuant to license #7258. At all times material, respondent Simons was the managing pharmacist of co-respondent Women's International Pharmacy, which was at all times relevant to the facts set forth herein a pharmacy licensed in the State of Wisconsin pursuant to license #7091.

2. The Respondents are charged in 88 PHM 25 and 90 PHM 70 with exceeding the legal limits for compounding and thus being manufacturers, of making certain recordkeeping errors with respect to controlled substances dispensed by them and their staff, and dispensing in a manner inconsistent with state law and the Food Drug & Cosmetic Act. Respondents deny all these allegations, but desire to settle this matter solely to avoid the expenses and uncertainties of litigation.

Final Order

CONCLUSIONS OF LAW

3. The Wisconsin Pharmacy Examining Board has jurisdiction to act in this matter pursuant to §450.10, Wis. Stats. and is authorized to enter into the attached Stipulation pursuant to §227.44(5), Wis. Stats.

4. The Board concludes that respondents did in the past commit errors with respect to their dispensing of compounded testosterone prescriptions by failing to stamp some hard-copy prescriptions for controlled substances with a red "C" although they were combined with non-controlled substance records, failing to keep their hard copy prescription records in chronological order, and dispensing more than a 34 day supply at one time, all in violation of ch. Phar 8, Wis. Adm. Code. The Board has no evidence that such violations continued after June, 1993, when respondents adopted a new recordkeeping system.

5. The Board concludes that routinely dispensing large quantities of compounded drug products to practitioners (except as permitted in this Order) and respondents' providing compounded drug products to Health Pharmacies, Inc. in 1992-93, is not compounding for dispensing to a patient.

6. The Board concludes that if Women's International Pharmacy complies with this Final Decision and Order, its actions to be undertaken under this Order will be in conformance with applicable state and local laws regulating the practice of pharmacy, that it will be regularly engaged in dispensing prescription drugs upon the prescriptions of practitioners licensed to administer such drugs to patients under their care in the course of their professional practice, and that it will not be manufacturing under §450.01(13), Wis. Stats.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, that respondents are REPRIMANDED for their actions described in ¶4, above.

IT IS FURTHER ORDERED, that the licenses of Wallace L. Simons, R.Ph., to practice pharmacy, and of Women's International Pharmacy to be a pharmacy are LIMITED in that all compounding performed by either is limited to the following:

- A. No compounded drug or drug product shall be dispensed unless all active ingredients are legally obtainable in the United States and of USP or equivalent grade and all inactive ingredients are either food grade or customarily used in the profession.
- B. No prescription drug shall be dispensed except directly to a patient in the pharmacy or delivered to a patient's home by an agent of the pharmacist, including a common carrier or the US Postal Service, or pursuant to this Order.
- C. No compounded drug product shall be delivered, dispensed, or otherwise transferred to another pharmacy for dispensing to a patient unless respondent has informed that pharmacy that the portion of the medication container label showing the name, address and telephone number of Women's International Pharmacy must appear on the medication container dispensed to the patient, and Women's International Pharmacy makes and documents direct telephone contact with each patient to provide a consultation.

Final Order
Page 3

- D. No substance shall be delivered, dispensed, or otherwise transferred to a practitioner's office more than once unless the practitioner certifies in writing that in-office administration of the substance to the practitioner's patients is medically necessary, and the quantities of such substance are reasonable under the circumstances to provide only that amount of product which will carry the patient from the time the practitioner administers the drug until a prescription can be presented to, and dispensed by, a pharmacy for that patient. In the absence of other evidence, such a period of time shall be presumed to be ten calendar days. The form of such certification shall be approved by the Board or its designee, which approval shall not be unreasonably withheld. The amount, if any, to be charged by respondents for the above permitted transfer of office supplies is within respondents' discretion. Except as permitted above, respondents shall not provide any "office samples" or other free or reduced-price products to practitioners. Records of office supplies provided to practitioners shall be clearly distinguishable from prescription dispensing records, and shall be readily retrievable and verifiable.
- E. Respondents shall compound only the number or quantity of medication called for by the initial-fill quantities stated on the prescriptions respondents have actually received at the time the compounding is commenced, or on the basis of prescriptions respondents have received in the past 30 days. Respondents may, in the case of capsules, round that number up to the number of capsules held by the pharmacy's equipment. Respondents shall not accept, compound or dispense two or more prescriptions for the same formula to the same patient at the same time, in an effort to evade the limitations of this paragraph. All drug products shall be dispensed and labeled with "beyond use" dates of six months from the date of compounding or 25% of the time before the expiration date of any component used in the compounding, whichever is nearer: any medication which will not be so used shall be discarded. Respondents may use any other beyond-use date which can be supported by reasonable stability testing.
- F. Respondents shall not provide reprints, articles or other printed materials purporting to state that the active ingredients in respondents' products, or formulae similar to those used by respondents, are safe or effective unless those articles were published in refereed journals. Respondents shall not promote directly or through Genesis Systems Corporation or another, any particular formula or dosage of any drug or drug product which they compound, and shall advise and counsel Genesis Systems Corporation not to so promote. Upon request, respondents shall submit all promotional and informational materials in use at that time (and for the year preceeding the request) to the Board for review by the Board or its designee. Such submission is for informational purposes only. All material intended to be sent to practitioners or patients shall bear the date of printing after 12/1/95. All reprints of articles or similar materials shall bear the disclaimer: "Reprinted for promotional purposes by Genesis Systems Corporation for Women's International Pharmacy" or similar wording, after 12/1/95.
- G. Respondents shall provide to any requesting licensed pharmacy (or pharmacist) which a patient desires to use with respondents' complete ingredient list and formula for any prescription which it has compounded for that patient, and shall make no statement concerning price, difficulty, or other issue which could reasonably be interpreted as an attempt to discourage the patient-selected pharmacy or pharmacist from compounding the prescription. If, in the course of transmitting all information necessary to truthfully describe the compounding process, respondents accurately apprise the pharmacy or pharmacist of the complexity of the process, such a statement does not violate this paragraph.

RE: Women's International Pharmacy, Inc. [License No. PH01866]

To Whom It May Concern:

On behalf of the Applicant, Women's International Pharmacy, Inc. ("*Women's*"), please accept the attached Change of Ownership Application for review and approval. Also enclosed is a Money Order made out to the Nevada State Board of Pharmacy in the amount of \$500.

By way of background, Women's is a compounding pharmacy located in Youngtown, Arizona that compounds non-sterile medications intended for animal or human use. On or about **March 10, 2021**, Women's current owners will sell 100% of their equity interest in Women's to Belmar MidCo, Inc. As of March 10, 2021, Women's will have a new parent owner, Belmar Midco, Inc.

Thereafter, the current licensee – Pet Health Pharmacy, A Division of Women's International Pharmacy, Inc. – will further undergo a name change and operate solely as "Women's International Pharmacy, Inc." While Women's name and corporate officers will change as a result of this transaction, Women's FEIN, location, operations, and day-to-day management will remain unchanged.

For ease of reference, we have attached before and after organization structure charts demonstrating the nature of the change, as well as updated ownership information.
