EXPEDITE LLC HOME STATE LICENSURE EXPLANATION

Expedite LLC's facility is located in the state of Georgia, but Expedite LLC is not licensed in Georgia as a home medical equipment provider. Pursuant to Georgia Board of Pharmacy Rule 480-7B-.02, the Georgia Board of Pharmacy does not require licensure of entities that provide home medical equipment/durable medical equipment to consumers unless those entities submit a claim for reimbursement by a third party. Expedite LLC does not submit claims for reimbursement by third parties and, therefore, is not eligible to obtain a Durable Medical Equipment Supplier License from the Georgia Board of Pharmacy. Expedite LLC's correspondence with the Georgia Board of Pharmacy about this is included below.

Re: Correspondence to the Board

Durable medical equipment supplier license; requirements; exemptions; rules and regulations.

Should you have any questions, please feel free to contact our office at (404) 651-8000.

Subject: Expedite LLC

Dear Tanja,

I hope this email finds you well. Thank you for all of your assistance with the Pharmacy Manufacturer and Wholesaler applications for my client, Expedite LLC. Those applications were both approved at the Board's September 12 meeting. Thank you again.

I write today because Expedite LLC, which distributes portable oxygen concentrators (POCs), is now attempting to satisfy the regulatory requirements of the pharmacy boards of the various states into which it plans to distribute POCs. Many of those boards require confirmation from the pharmacy board of an entity's home state (in this case, Georgia) of the entity's durable medical equipment (DME) Supplier licensure status in the home state. As you likely know, Georgia Pharmacy Board Rule 480-7B-.02 requires DME Supplier licensure only if a DME provider submits claims for reimbursement by a third party. (Expedite LLC does not submit claims for reimbursement by third parties and therefore has not sought a DME Supplier license from the Georgia Board of Pharmacy.) Some states' pharmacy boards also want to know whether a DME provider has been inspected in its home state.

So that Expedite LLC can accurately communicate its Georgia DME Supplier licensure status to other states' pharmacy boards, I respectfully request from the Georgia Board of Pharmacy a written statement, on Georgia Board of Pharmacy letterhead, in substantially the following form:

***

To Whom It May Concern

Re: Expedite LLC

Expedite LLC is not licensed in Georgia as a Durable Medical Equipment (DME) Supplier. Pursuant to Georgia Board of Pharmacy Rule 480-7B-.02, the Georgia Board of Pharmacy does not require DME Supplier licensure of entities that provide durable medical equipment to consumers unless those entities submit a claim for reimbursement by a third party. Furthermore, the Georgia Board of Pharmacy does not inspect DME providers that are not licensed as DME Suppliers by the Board.

***

I would be happy to work further with you or any member of your staff in any way necessary to process this request, including coming to the Board's offices in person if that would be helpful. I look forward to hearing back from you, and thank you once again for your assistance.

Best regards,
Dana

Re: The Home DME Company: Indirect Ownership Update for Rapid Respiratory Services, LLC d/b/a The Home DME Company (Medical Devices, Equipment & Gases License No. MP01379)

To Whom It May Concern:

We respectfully submit this letter to the Nevada State Board of Pharmacy ("Board") to notify you of a pending transaction that is expected to close on or before December 15, 2021 (the "Proposed Transaction"). Pursuant to the Proposed Transaction, Ulysses Buyer, LP will acquire 100% of the equity of U.S. Medical Management, LLC, the current owner of Rapid Respiratory Services, LLC (Medical Devices, Equipment & Gases License No. MP01379) ("Provider"). As a result, Ulysses Buyer, LP and its owners will become indirect owners of Provider. Organizational charts outlining Provider's current ownership structure and expected ownership structure following the Proposed Transaction are attached hereto as Attachment A. For purposes of clarity, the direct ownership of Provider will not change as a result of the Proposed Transaction.

Notwithstanding the Proposed Transaction, Provider will remain the operator of the medical devices, equipment and gases ("MDEG") supplier and will continue to be responsible for the management and operation of the business. Provider's federal Tax Identification Number (TIN) and NPI will not change as a result of the Proposed Transaction. Further, the parties to the Proposed Transaction do not expect any changes to Provider's day-to-day operations, staff, or the manner of operations under the MDEG business.

We understand that the Proposed Transaction described above and the resulting ownership structure reflected in Attachment A requires submission of a licensing application, attached hereto as Attachment B. We understand, based on communications with the Board, that submission of this application satisfies the applicable filing requirements relating the Proposed Transaction and that, following review and approval by the Board, a new license will be issued on or around the effective date of the change.

Kara A. Sandler vs. Scott R. Hymel	

Name of Business/Industry/Entity

Provide explanation below:

On October 13, 1998, I filed a claim (No. 98-30582) against Scott R. Hymel (the "Defendant") with the Small Claims Division of the First City Court, State of Louisiana. On June 16, 1998, I entered in an agreement with the Defendant whereby the Defendant agreed to sublet the apartment that I leased in New Orleans, Louisiana for one month. The Defendant breached our agreement by: (i) failing to pay all utilities per our agreement; (ii) failing to vacate the apartment for more than four weeks after the termination date of the agreement; and (iii) causing damage to the apartment. I filed this action after several attempts to resolve this matter with the defendant. On October 27, 1998 after the defendant failed to answer the complaint, I received a judgment in the amount of $1,012.89 plus interest and court costs. Please see attached Judgment.

Re: Notification of Administrative Fine

Date: September 7, 2021

To Whom It May Concern:

Dukal Corporation ("Dukal") is a New York-based FDA registered corporation. Pursuant to a Final Order dated December 8, 2020, which was received by Dukal on December 14, 2020, the Alabama Board of Pharmacy imposed an administrative fine of $4,000.00 against Dukal. A copy of that Final Order is enclosed herewith, and following is an explanation of the circumstances underlying that action.

Dukal Corporation was registered with the Alabama Board of Pharmacy for several years prior to and including 2019, but let its license lapse for 2020 because it did believe that it would be shipping product to or doing business in the state of Alabama during 2020. Despite that belief, Dukal made shipments of Silver Nitrate Applicators (applied topically and not ingested) to customers in Alabama on three occasions—in February, March, and April of 2020. Dukal made no other shipments to Alabama during the relevant time period.

The three Alabama shipments were made soon after Dukal changed its license registration services in December 2019 from one outside company to another third-party logistics ("3PL") company. This change in license registration service coincided with the COVID-19 pandemic, the strict requirements issued by the Governor of New York, and Dukal's implementation of steps to ensure the safety of its employees. These circumstances led to a failure of communication between key Dukal and 3PL personnel with respect to the plans for and authorization of these shipments, which resulted in Dukal's order procurement/fulfillment 3PL partner processing and shipping the shipments at issue without first obtaining approval or authorization for such shipments from Dukal's regulatory department. It was not until Dukal's full staff reconvened on site that it noticed the error.

Once Dukal realized that it had made shipments to Alabama, it applied to renew its license in Alabama, and voluntarily disclosed the shipments that were made during the time that the license had lapsed. The Alabama Board of Pharmacy allowed the renewal of Dukal's license, but maintained a disciplinary proceeding for the shipments made during the time the license had lapsed. During the disciplinary proceeding, Dukal asked for a deferral of the charges, but that request was not granted. Upon issuance of the Final Order, Dukal timely paid the administrative fine to the Alabama Board of Pharmacy. Dukal's license in Alabama remains active for 2021 (Permit No. 195317).

Dukal has taken measures to safeguard against future incidents, including retraining the procurement/fulfillment department to cross-reference applicable state licensures and registrations, and implementing system enhancements to its enterprise resource planning system to prevent orders from shipping to states where Dukal is not actively licensed. Additionally, Dukal submitted a Supplier Corrective Action Request to its 3PL, which has resulted in a root cause analysis as well as a Corrective/Preventive Action Plan that has been implemented.

FINAL ORDER

On November 17, 2020, this cause came before the Alabama State Board of Pharmacy (hereinafter also referred to as the "Board"), on a Complaint against Dukal Corporation (hereinafter also referred to as the "Respondent"). Evidence having been adduced thereon, the Board has determined that the following Findings of Fact and Conclusions of Law are supported by the preponderant weight of evidence and law.

Findings of Fact

1. The Respondent is a private label virtual distributor to which the Board issued permit number 195317.

2. The Respondent was notified of the charges on September 1, 2020. The Respondent was represented at the administrative hearing by counsel, Mr. Richard C. Perry, Esq. Mr. John Lamb, Vice President for International Operations for the Respondent attended the administrative hearing.

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges.

4. In a statement attached a return memorandum to the Board, the Respondent admitted it shipped prescription drugs in the State of Alabama without having first obtaining a current permit. (Board's Exhibit Three)

DocuSign Envelope ID: B634E2F5-7D41-4F03-8F72-D1A0662BF8AF

Conclusions of Law

1. The Alabama State Board of Pharmacy has jurisdiction in this cause pursuant to Code of Alabama (1975), § 34-23-32, Code of Alabama (1975), § 34-23-32.1, Code of Alabama (1975), § 34-23-34, Code of Alabama (1975),§ 34-23-92 (12), and Code of Alabama (1975), § 41-22-12.

2. The Respondent was properly notified of the charges; the Respondent was represented at the administrative hearing by counsel and a corporate representative attended the administrative hearing.

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges at the administrative hearing.

4. The Respondent's permit as a private label virtual distributor in the State of Alabama is due to have disciplinary sanctions imposed it that it is guilty of violating Code of Alabama (1975), § 34-23-32 by engaging in the distribution of prescription drugs into this State during 2020 without a valid or current permit to do so.

The Board finds that each instance of the above described conduct is a separate and distinct violation.

ORDER

In accordance with the foregoing Findings of Fact and Conclusions of Law, it is hereby ORDERED as follows:

1. The Respondent is ORDERED to pay to the Board an administrative fine of Four Thousand ($4,000.00) Dollars within thirty (30) days of this Final Order and future applications for renewal shall not be granted unless said fine has been paid; and

Designated Representative Application

Rev (04/22/2021)

An application for a license, or a licensee with a license, to conduct a pharmacy or to operate as a wholesaler shall designate at least one natural person to serve as the representative of the pharmacy or wholesaler. The Board will not issue or renew a license of an applicant or licensee that is required to designate a representative of a pharmacy or wholesaler unless the Board determines that the designated natural person meets the following qualifications per NAC 639.5005 (Pharmacy) or NAC 639.5935 (Wholesaler):

1. Is at least 21 years of age;
2. Has been employed for at least 6,000 hours in a pharmacy or with a wholesaler in a capacity related to the dispensing and distribution of, and recordkeeping related to, prescription drugs.

The designated representative of a pharmacy or a wholesaler:

1. Must be actively involved in and aware of the actual daily operations of the pharmacy or wholesaler;
2. Must be employed full-time in a managerial level position with the pharmacy or wholesaler;
3. Must be physically present at site of the pharmacy or at the facility of the wholesaler during regular business hours, except when the absence of the representative is authorized, including sick leaves, vacation leaves and other authorized absences; and
4. May serve in this representative capacity for only one pharmacy or wholesaler at a time

A pharmacy or wholesaler that is required to designate a natural person as its representative shall not open or operate the pharmacy or wholesaler unless that representative is actually employed full-time in the operation of the pharmacy or wholesaler and is physically present at the site of the pharmacy or wholesaler during regular working hours, not including sick leave, vacation leave and other authorized absences from work. If the natural person designated as the representative of a pharmacy leaves the employ of the pharmacy or wholesaler, thus leaving the pharmacy or wholesaler without a representative in violation of this section, the pharmacy or wholesaler shall:

1. Immediately cease conducting business until another qualified natural person is approved by the Board to serve as the representative of the pharmacy or wholesaler; and
2. Not later than 48 hours after that person leaves its employ, notify the Board that the person designated as the representative of the pharmacy or wholesaler has left the employ of the pharmacy or wholesaler.

Before a pharmacy or wholesaler, that is in violation of NAC 639.5005 (Pharmacy) or NAC 639.5935 (Wholesaler) because the natural person designated as the representative of the pharmacy or wholesaler left the employ of the pharmacy or wholesaler, may continue conducting business:

1. The pharmacy or wholesaler must designate, on a form provided by the Board, a new natural person to serve as the representative of the pharmacy; and
2. The Board must approve the natural person so designated.

On February 5, 2009, Mylan Pharmaceuticals Inc. ("Mylan") entered into a Stipulation and Final Agency Order with the Colorado Board of Pharmacy whereby Mylan agreed to pay a fine of $5,000.00 plus a $750.00 surcharge in connection with Mylan's distribution of prescription drugs into the State of Colorado without a Colorado Out-of-State Wholesaler License. Mylan did not previously register as an Out-of-State Wholesaler in Colorado because Mylan believed, in good faith, that as an FDA-registered prescription drug manufacturer, Mylan was subject to the statutory exemption for manufacturers provided in Colorado's Wholesaler Licensing Requirement Statute, C.R.S.§ 12-22-802(1).

On January 15, 2009, Mylan submitted an Out-of-State Wholesaler application to the Colorado Board of Pharmacy, which was initially denied as a result of the activity described above. Upon execution of the Stipulation and Final Agency Order, the Colorado Board of Pharmacy granted Mylan's Out-of-State Wholesaler application and fully resolved the above referenced matter.

The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Wholesaler Applicant to comply with all terms and conditions of this Final Agency Order.

13. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

14. **Public Record.** Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.

The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Wholesaler Applicant to comply with all terms and conditions of this Final Agency Order.

13. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

PART I

ITEM 1. Business

About Viatris

Viatris is a global healthcare company formed in November 2020 through the combination of Mylan and the Upjohn Business whose mission is to empower people worldwide to live healthier at every stage of life. By integrating the strengths of these two businesses, including our global workforce of approximately 45,000 employees and contractors, Viatris aims to deliver increased access to affordable, quality medicines for patients worldwide regardless of geography or circumstance. Viatris brings together industry leading commercial, R&D, regulatory, manufacturing, legal and medical expertise complemented by a strong commitment to quality and unparalleled geographic footprint to deliver high-quality medicines to patients in more than 165 countries and territories. Viatris' portfolio comprises more than 1,400 approved molecules across a wide range of key therapeutic areas, including globally recognized iconic and key brands, generic, complex generic and biosimilars. Viatris operates approximately 50 manufacturing sites worldwide that produce oral solid doses, injectables, complex dosage forms and APIs. Viatris is headquartered in the U.S., with global centers in Pittsburgh, Pennsylvania, Shanghai, China and Hyderabad, India.

On November 16, 2020, Viatris, formerly known as Upjohn, Mylan and Pfizer consummated the combination of Mylan with the Upjohn Business through a Reverse Morris Trust transaction. In accordance with the terms and conditions of the BCA and SDA, (1) Pfizer contributed the Upjohn Business to Viatris (the "Contribution"), so that the Upjohn Business was separated from the remainder of Pfizer's businesses (the "Separation"), (2) following the Separation, Pfizer distributed, on a pro rata basis (based on the number of shares of Pfizer common stock held by holders of Pfizer common stock as of the record date of November 13, 2020 (the "Record Date")), all of the shares of Viatris common stock held by Pfizer to Pfizer stockholders as of the Record Date (the "Distribution"), and (3) immediately following the Distribution, Viatris and Mylan engaged in a strategic business combination transaction (the "Combination" or the "Upjohn Combination"). In addition, pursuant to the SDA and immediately prior to the Distribution, Viatris made a cash payment to Pfizer equal to $12 billion as partial consideration for the Contribution. As a result of the Combination, Viatris holds the combined Upjohn Business and Mylan business. Upon completion of the Distribution and the Combination, holders of Pfizer's common stock as of the Record Date owned approximately 57% of the outstanding shares of Viatris common stock, and former Mylan shareholders owned approximately 43% of the outstanding shares of Viatris common stock, in each case on a fully diluted, as-converted and as-exercised basis. In connection with the Combination, on November 16, 2020, Mylan merged with and into Mylan II B.V., a company incorporated under the laws of the Netherlands and an indirect wholly owned subsidiary of Viatris, pursuant to and in accordance with the BCA. As a result of such merger, Mylan ceased to exist as a separate legal entity. In accordance with *ASC 805, Business Combinations*, Mylan is considered the accounting acquirer of the Upjohn Business and all historical financial information of the Company prior to November 16, 2020 represents Mylan's historical results and the Company's thereafter.

Prior to the Separation, the legacy Upjohn Business historically received support services from Pfizer. In connection with the Separation and Combination, Viatris entered into several agreements with Pfizer or its subsidiaries, including among others, transition services and the manufacturing and supply agreements, which in general provide for the performance of certain services or obligations by each of Pfizer and Viatris for the benefit of each other for initial transitional periods following the Combination. Following the transitional periods or upon Viatris' exit of the services prior to expiry of such periods, Viatris will need to absorb, replicate or outsource from other providers certain facilities, systems, infrastructure, and personnel to which it no longer has access under the transitional agreements. For additional information, see "Risk Factors – *Viatris could incur operational difficulties or losses if we are unable to obtain the same types and level of services and resources that historically have been provided to the legacy Upjohn Business by Pfizer, if Pfizer is unable to perform under the agreements entered into as part of the Combination or if we are required to make payments to Pfizer pursuant to indemnities agreed to as part of the Combination.*"

Unless otherwise indicated, industry data included in this Item 1 are sourced from IQVIA Holdings Inc. and are for the twelve months ended November 2020. Viatris product and other company data included in this Item 1 are from internal sources and are as of November 30, 2020 and do not reflect the impact of the global restructuring program.

Organization

Upjohn was incorporated in Delaware on February 14, 2019 as a wholly-owned subsidiary of Pfizer to operate the Upjohn Business. Effective as of November 16, 2020, Upjohn changed its name to "Viatris Inc." and became the parent entity of the combined Upjohn Business and Mylan business.

Rebecca,

As a follow-up question, what types of registrations/permits does a medical device manufacturer require with the state of Florida? We do not manufacture in Florida, but operate from within the state.

Thank you,
Alicia Bersey

OUR PURPOSE

NEXT SCIENCE®

Our primary purpose at Next Science is to heal patients and save lives by addressing the impacts of biofilms on human health, and to commercialise our XBIO technology platform for shareholders. We have a unique opportunity to change the trajectory of the war on infection by providing solutions that eliminate biofilms, and their incumbent bacteria, fungi and viruses.

JAMES

Vehicle Crash // **Knee Surgery**

THE ROAD TO RECOVERY

In July 2019, James, a 52-year-old runner and cycling enthusiast was involved in a multi-trauma motorcycle accident and suffered a compound tibial fracture. James had surgery on his leg and the fracture was treated by placement of a tibial nail and an additional plate. However, rather than healing properly, the wound oozed and bled for two months post-surgery.

James then underwent a second surgery, only to have the wound reopen again for another three months. Finally, James was diagnosed with a non-union, meaning the fracture did not heal and James would require further surgery using a graft of his own bones to try and fix the fracture. The non-union was a result of an underlying infection which stopped the bone from healing.

"I was terrified I would lose my life or my leg to the infection, so I did my own research and discovered Next Science's BACTISURE™ and SURGX® microbial gel."

In May 2020, James received his third surgery to replace all implants. Next Science's BACTISURE™ was used to wash out the surgery site and Intramedullary canal and SURGX® was used under the dressing to prevent bacteria from entering the skin. By August 2020, James was back to cycling and is slowly building up strength to start running his favourite marathons again.

*After experiencing firsthand the healing power of our BACTISURE™ and SURGX® Technology, James became a shareholder in Next Science.

MARY

Debilitating Stroke // **Unresponsive Pressure Ulcer**

HOPE AND HEALING

A 67-year-old woman suffered a debilitating stroke which left her hospitalized for many months undergoing treatment. During her hospital stay, she developed a pressure ulcer that would not respond to treatment. After being placed in four different treatment facilities, and exhausting all other healthcare options, the patient was sent home to be with her daughter on end-of-life care (hospice).

As the home healthcare worker assigned to this patient, Nurse Karlene went through the patient's history records and did a thorough assessment of her wound. She discovered that the patient had been living with this wound for more than two years and the wound did not respond to any of the previous antibacterial ointments that she was prescribed. Karlene, who had recently heard about Next Science's BLASTX® decided to give it a try as a last-ditch attempt to bring this patient overdue relief.

"BLASTX® was our last hope to heal this patient's stage 3 pressure ulcer. I was able to get the MD onboard for orders to implement treatment with BLASTX®. I am amazed how quickly BLASTX® healed this 2-year-old chronic wound," said Karlene.

In just 28 days, the patient saw an 86% wound reduction and went on to heal completely over time. But most importantly, her daughter no longer has to fear the idea of losing her mother at such a young age.

CASE STUDY

SURGX®

CASE STUDY

Podiatry

How SURGX® treatment helped prevent an amputation

A 51-year-old woman requested a second opinion when her physician recommended amputating her left lower extremity due to her toe appearing non-viable. She had an unresolving left malleolus venous statis ulcer and a left hallux wound with underlying osteomyelitis. Additionally, she faced major barriers to healing, including poor blood flow collateral to previous surgical attempts to reduce varicosities and recalcitrant bone infection in her left foot.

She was referred to Dr Anthony Iorio, DPM, MPH, Director of the Surgical Department at Metropolitan Hospital, Manhattan, NY, who ultimately helped to restore the healing trajectory and helped her avoid amputation with an enhanced treatment approach that included SURGX®. SURGX® is uniquely effective against biofilm as well as polymicrobial bacterial bioburden (Miller, 2015; Thomas, 2011). The presence of biofilm is considered ubiquitous in all diabetic ulcers and hard-to-heal chronic wounds (Atkin, 2019).

On 14 September 2020, the patient received a bone biopsy, left hallux resection with application of bone allograft and OSTEOSET®. SURGX® was applied to both dorsal and plantar wounds. Within 8 days after surgery, the patient saw a 33% reduction of hallux wound and a complete closure in 38 days. In less than two months, the venous statis ulcer healed completely. Developed for use in operative incision management, Dr Iorio's use of SURGX® in the post-operative environment demonstrates the value of SURGX® for any phase of surgical intervention.

XPERIENCE™

No Rinse Antimicrobial Solution

Once FDA cleared, XPERIENCE™ will be the only no rinse antimicrobial solution that helps prevent surgical site and post-operative infections. This non-toxic technology breaks the metallic bonds that holds biofilm together—destroying enveloped bacteria and defending against recolonization.

COMMUNITY INVOLVEMENT

At Next Science, we believe it is our responsibility to address the triple aim of healthcare: improving patient outcomes, improving population health and reducing healthcare costs. We achieve this by leveraging our innovative XBIO Technology to address a significant problem impacting both patients and healthcare – infection.

Infections are a key driver of morbidity, mortality and increased healthcare spending.[1] In the US alone, 17 million patients suffer from biofilm-related infections and the overall direct costs are an estimated $94 Billion.[2] Alongside infection rates and healthcare spending, antimicrobial resistance is also on the rise, but we are making strides in changing this trajectory.

Next Science's purpose to heal patients and save lives has never been more apparent – and needed – as our world continues its collective fight against the coronavirus.

#NextScienceHeals

During the early days of the COVID-19 pandemic, we recognized that we could make a difference. We moved quickly to set up a donation program to serve patients who were unable to get to wound care clinics that were temporarily shut down. We also worked directly with healthcare providers, like Hampton Ridge Healthcare and Rehabilitation, a nursing and rehabilitative care facility in Toms River, New Jersey, where we donated $300,000 worth of BLASTX®. This enabled caregivers to better treat patients suffering from chronic wounds.

We also supported our local community in Jacksonville, Florida, by donating another $300,000 worth of BLASTX® to the Save A Leg, Save A Life Foundation (SALSAL), a non-profit organization whose mission is to reduce lower extremity amputations and improve wound healing outcomes through evidence-based methodology and community outreach. SALSAL in turn gave BLASTX® to Volunteers in Medicine, a free healthcare clinic that provides outpatient primary and specialty medical services to Northeast Florida's working, low-income, uninsured adults.

Each day we make progress on improving our products and expanding our community outreach with organizations whose mission aligns with our purpose. The work that our non-profit, research and philanthropic partners perform is not easy, which is why it is essential that Next Science continue to support organizations who are making a difference in improving health outcomes for the people in their communities.

Dear Shareholders

In this 2020 Annual Report the company has provided an operational overview and audited financial results for our shareholders. The board and executive team remain incredibly excited by our purpose that underpins the opportunity that our strong and differentiated technology platform has for healing people and saving lives. We remain dedicated to making our suite of patented products available to doctors and patients all around the world.

Despite being a year of challenge and constraints on the development of our commercial revenue, especially for our key distribution partners, 2020 for Next Science was also a year of focused product development, regulatory achievements and preparation for our significant commercial product launch of XPERIENCE™ in mid-2021.

Our financial performance is a story in two parts. Like many peer group healthcare companies in the US, we had significantly reduced year-over-year (YOY) revenue in Q1, Q2 and Q3 due to the Covid-19 pandemic. As those restrictions were relaxed, however, we had a very strong rebound of revenue in Q4 through a strong 75% YOY growth for the quarter, well above the full-year revenue growth. We have been pleased to see the Q4 revenue run rate continue into the first half of 2021.

Against the backdrop of this extraordinary year of constraints, our Managing Director and our R&D team based in Jacksonville, Florida, maintained throughout 2020 a busy and productive workflow focused on our product development and regulatory approval priorities. We were pleased to finish the year with our highest potential product opportunity to date, XPERIENCE™, now in front of the US Food and Drug Administration (FDA) for approval. The H1 2021 approval timeline for XPERIENCE™ remains on track pending the anticipated clearance by the FDA. The planned launch of this unique "no rinse antimicrobial solution" provides a milestone opportunity for Next Science, marking what the board believes could be a significant pivot toward commercial revenues alongside a high-potential funnel of product research and development for our medium- and long-term journey.

As a board we understand that launching a high-potential product needs to be founded on leadership talent and bench strength. We invested heavily throughout 2020 in building our leadership bench strength and capability in the US. We recruited sales, marketing and commercial leadership. We invested in a senior HR capability to support our expanded organisation. We appointed additional clinical and research team members, restructured regulatory and built up our Clinical and Medical Advisory Boards so that we are well positioned to take XPERIENCE™ to market. Our commercial progress rests on expanding amongst the clinical community, the education, knowledge and advocacy of our patented XBIO Technology and demonstrating the impact that it offers the broader health system to significantly

7. CHAIRMAN'S LETTER

improve the standard of care for patients by eliminating surgical infection and the associated improvement on wound healing. The Board has appreciated the leadership shown by our senior executives Dr Matt Myntti and Dustin Haines in engaging with our expanded advisory boards throughout 2020.

A further achievement in the year was strengthening the Next Science balance sheet to support the future commercialisation of our products through a successful capital raising and a shareholder SPP offer. Both investor opportunities were over subscribed with the new funds fully banked by November 2020.

As we exited 2020 we undertook a recalibration of our distribution strategy for BLASTX® our antimicrobial wound gel. We decided to in-source our wound care market presence in the US. This, along with our surgical sales team, will expand our addressable market and provide Next Science with greater control of our product revenues over the coming years.

2020 year was quite a busy year for the Board due to the elevated risk issues relating to the Covid-19 pandemic and the preparation required to support the capital raising in the second half. This resulted in 20 board meetings during the year. I wish to thank each board member for their diligent contribution to the governance of Next Science. A special thank you to our US based board member Aileen Stockburger who has made an extraordinary effort to travel on a regular basis to our operations centre in Jacksonville to represent the board and retain a personal point of connection with our US team. As we move into 2021, we look forward to replacing video conference calls with face-to-face meetings along with the opportunity to directly engage our teams in the US.

Finally, I wish to congratulate our Managing Director Judith Mitchell for her tireless work in leading the organisation and building and expanding our executive team. I also extend on behalf of the board our appreciation for the tireless work of all our employees in the US and Australia. They have been able to maintain their focus and successfully move more of our product development portfolio through regulatory approvals in readiness for commercialisation.

Next Science enters 2021 with anticipation and excitement. The Next Science board and executive team are dedicated to expanding the market presence of our suite of patented products, that support our purpose of healing people and saving lives. We look forward to updating you on these plans at the forthcoming AGM on May 5th, 2021.

NEXT SCIENCE®
A Different Approach, Superior Results

443

2020 was a challenging but fruitful year for Next Science with significant progress made on further extending Next Science's proprietary XBIO technology into new product platforms with large market potential and increasing the clinical evidence base for our existing products. The organisation also invested in new US commercial leadership. We extended our capabilities to enable strong in-market execution to support key new product launches in 2021 and our existing product portfolio priorities.

COVID-19 impacted the uptake of several of Next Science's key platforms in 2020 with reduced access to health care professionals and the hospital channel. Throughout this period, the very strong support for Next Science's unique technologies and its ability to solve many of the challenging areas in surgical wound management and infection control and biofilm remained unchanged. Encouragingly, we are seeing positive signs of recovery. We look forward to 2021 being a year of more open access to our customers and sales channels to support further revenue growth. As we look across the Next Science business in 2020, we can examine our activities in three streams.

Partner Distributed Products – BACTISURE™ Wound Lavage and BLASTX® Antimicrobial Wound Gel

While revenue decreased 15% on prior year, the partnership programs were two different situations. Sales of BACTISURE™, through Zimmer Biomet, although impacted by COVID-19 particularly in Q2 and Q3, bounced back in Q4 and grew year over the year. We have strong forward orders through the first half of 2021.

Conversely, outpatient wound clinics (which are the sites of care that 3M KCI targeted with BLASTX®) were not considered an essential service and were closed for many months of 2020 due to COVID-19. Additionally, our partner 3M KCI sequestered its US Advanced Wound Care sales force at home from mid March until part way through December. The end result being a decline in sales for BLASTX®. In November we advised the market that 3M KCI and Next Science have agreed that the distribution of BLASTX® will return to Next Science. I am pleased to report this transition was finished by 1 April 2021 and the sales and marketing of BLASTX® is now being carried out by Next Science. By taking direct control of BLASTX® distribution we can target an expanded market opportunity and have greater ability to meet clients' specific needs.

New Product Development – XPERIENCE™ No Rinse Antimicrobial Solution

Our product development efforts were focused on our XPERIENCE™ No Rinse Antimicrobial Solution. The recommendation for use is as the last rinse in surgery prior to the closure of the surgical site. The product shows extensive effectiveness against a broad range of gram positive and gram negative bacteria, viruses and fungus like golden staph, e-coli, candida and coronavirus. At the same time, it combines the unique advantages of being active for 5 hours, non toxic and requires no change to current surgical protocol. It can be used as a replacement for the last rinse which is currently usually saline. We anticipate securing FDA clearance in H1 2021. The product is submitted for FDA clearance as a 510(k) Medical Device. We have completed extensive testing in the lab, in humans and in animals as per the FDA's request and now await their final review. Subject to FDA clearance, we expect to launch this product by the end of the first half of 2021. Successful commercial launch of XPERIENCE™ is the number one priority for the Company in 2021.

8. MANAGING DIRECTOR'S REPORT

Build up of the commercial organisation to support XPERIENCE™ No Rinse Antimicrobial Solution

To support this launch and ensure a strong marketing and sales program and that the necessary working capital was available for inventory build-up and related cash requirements, we successfully completed a $A15M capital raise in October that was a combination of institutional placements and a Shareholder Purchase Plan. We appreciate the support for our growth strategy from existing shareholders and we welcome new investors to the Company.

XPERIENCE™ No Rinse Antimicrobial Solution will be marketed and distributed by Next Science directly. Accordingly, we have built up the commercial infrastructure to support a direct to market operation including recruiting a Chief Commercial Officer (Mr Dustin Haines) based in Jacksonville, Florida, developed all of the marketing materials, marketing websites and ordering portals to support the product and built up and trained our surgical sales network – a combination of employees and contracted staff. We are confident in our ability to launch XPERIENCE™ despite impacted hospital processes and restrictions from COVID-19, as the sales network already has daily access to surgeons and other key health care professionals who will be key decision makers in new product adoption.

Outlook

We have a confident outlook for 2021. BACTISURE™ continues to grow market support – the product launched in Australia in Q4 of 2020 and has already launched in Europe in 2021.

Additionally, BLASTX® is now being distributed directly by Next Science with strategies for all four sites of care in Wound Care in the US (acute care, outpatient wound care, home health and long-term acute care). We will also take advantage of the CE Mark we received in December and we will make the product available through specialist distribution partners in Europe.

As we move to the second half of 2021, the focus of the business will primarily be on the execution of a successful XPERIENCE™ launch. Our first target market segment is the 5.4 million orthopaedic surgeries that take place annually in the US market. We will then tackle additional indications, specialty by specialty, as we grow our clinical evidence and market presence.

Despite COVID-19 restrictions, we increased the number of hospitals using XBIO products and increased our patient treatment base to over 150,000 people. With XPERIENCE™ and the return of BLASTX®, we expect that number will grow significantly across the year.

My sincere thanks to our customers, our research partners, our business partners, our employees and our board of directors. 2020 showed the value of resilience for all of us and we emerge a stronger, smarter and more motivated group, knowing the benefits our technologies can bring to healthcare and the difference we can make in people's lives. #NextScienceHeals

Revenues in the year to 31 December 2020 were impacted by the COVID-19 shutdown in the USA of elective medical procedures and closure of outpatient wound care clinics. Revenue recovered in the fourth quarter of 2020 and this run rate is expected to continue through the first half of 2021 based on the sales of existing products (excluding any additions from new product launches).

During the pandemic, Next Science set up a donations program to service patients who were unable to get to wound care clinics during the COVID-19 shut down. Over the longer term, Next Science expects the increase in awareness around the spread of viruses, infection and the role of biofilm to drive increased demand for its products.

In January 2020, Next Science's XPERIENCE™ No Rinse Antimicrobial Solution was submitted for regulatory approval to the FDA. Following the FDA's initial review and requested additional information, the dossier was resubmitted to the FDA in December 2020.

In March 2020, Next Science launched its Acne cream via online skincare direct marketer, tbh Skincare (www.tbhskincare.com) to consumers mainly based in Australia.

In April 2020, Next Science received CE Mark for BACTISURE™, authorising future sales in Europe through Next Science's distribution partner, Zimmer Biomet. Next Science also received notification from the US Environmental Protection Agency (EPA) that its Hospital Cleaner Surface Disinfectant had been accepted for registration with clearance for inclusion on the product labelling of a claim for effectiveness against biofilm. Commercial discussions regarding the licensing of this product are ongoing, although lower in priority to our human health product commercialisations.

In June 2020, Next Science received TGA approval for its BACTISURE™ product authorising future sales in Australia through Next Science's distribution partner, Zimmer Biomet.

On 24 September 2020, Next Science raised A$7,999,999 via a Placement at A$1.20 per share.

On 19 October 2020, Next Science raised A$5,000,000 via a Share Purchase Plan at A$1.18 per share.

On 18 November 2020, Next Science launched its Acne cleanser via online skincare direct marketer, tbh Skincare (www.tbhskincare.com) to consumers based in Australia, New Zealand, the UK and parts of Europe.

On 19 November 2020, Next Science raised A$2,000,000 via a Placement at A$1.20 per share, following shareholder approval at a general meeting held on 18 November 2020.

On 23 November 2020, Next Science announced to the ASX that the distribution agreement with 3M for BLASTX®, would not be renewed at the end of 2021. Discussions are progressing smoothly, and Next Science anticipates the transition will be complete prior to the end of the first half 2021. As a result of this, there has been a change in the time frame for recognition of the milestone payments received from 3M. The payments which previously would have been recognised as revenue over the period until the end of the contract period of 31 Dec 2021, will now be recognised as revenue over a shorter time period ending 1H 2021, when it is anticipated that the full transition of BLASTX® back to Next Science will be complete.

In the opinion of the Directors, other than the events previously stated, there were no further significant changes in the state of affairs of the Group that occurred during the financial year.

Review of operations

The loss for the Group for the financial year to 31 December 2020 after providing for income tax amounted to $11,912,004 (2019: $14,351,828).

Revenue decreased by 15% for the period, decreasing from $4,060,800 in the prior corresponding period to $3,440,975, primarily due to the impact of the COVID-19 pandemic.

Gross profit was $2,916,841 compared to $3,510,320 in the prior corresponding period. Gross margin as a percent of sales was 85% compared with 86% in the prior corresponding period.

Selling and distribution expenses were $5,670,684, a decrease of $615,216 compared with $6,285,900 in the prior corresponding period. In the prior year, $48,147 of the expenses related to IPO investor relations activity. The decrease in spend in 2020 mainly relates to a reduction in travel expenditure due to Covid travel restrictions as well as a reduction in headcount. Such reductions have been partially offset by increased partner marketing spend and increased donations and sampling efforts.

Administration expenses were $3,343,044, a decrease of $1,027,317 compared with $4,370,361 in the prior corresponding period. $129,310 of the reduction in the current period is related to reduced travel expenses in 2020 resulting from COVID-19. Prior period administration expenses included $312,106 related directly to IPO associated expenses and increases in compliance costs associated with becoming a listed entity and $273,798 of brokerage costs related to the issue of converting notes.

Research and development expenses were $6,434,414 an increase of $1,106,839 compared with $5,327,575 in the prior corresponding period, reflecting an increase in product development activity including associated product validation costs, regulatory spend and two additional staff appointments in the research and development department.

Finance expenses of $2,129,424 in the prior period are mainly attributable to interest expense recognised in the profit and loss on the converting notes, for the period prior to their conversion to ordinary shares on 8 April 2019.

Cash and cash equivalents at 31 December 2020 amounted to $8,100,416 compared to $6,556,808 at 31 December 2019. Term deposits at 31 December 2020 amounted to $7,238,986 compared to $10,353,797 at 31 December 2019.

Likely developments and expected results of operations

Further information about likely developments in the operations of the Group and the expected results of those operations in future financial years has not been included in this report because disclosure of the information would be likely to result in unreasonable prejudice to the Group.

Matters subsequent to the end of the financial year

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the directors of the Group, to affect significantly the operations of the Group, the results of those operations, or the state of affairs of the Group, in future financial years.

Environmental regulation

The Group's operations are not subject to significant environment regulations under either Commonwealth or State legislation. The Board believes that the Group has adequate systems in place for the management of its environmental requirements.

Government regulation

The Group is subject to varying degrees of governmental regulation in the countries in which operations are conducted, and the general trend is toward increasingly stringent regulation. In the US, the drug, device, diagnostics and cosmetic industries have long been subject to regulation by various federal and state agencies, primarily as to product safety, efficacy, manufacturing, advertising, labelling and safety reporting. The exercise of broad regulatory powers by the US Food and Drug Administration (the "FDA") results in increases in the amounts of testing and documentation required for FDA clearance of new drugs and devices and a corresponding increase in the expense of product introduction. Similar trends are also evident in major markets outside of the US.

The Group relies on global supply chains, and production and distribution processes that are complex and are subject to increasing regulatory requirements and lengthy regulatory approval processes that may affect sourcing, supply and pricing of materials used in the Group's products.

Remuneration governance

The Board established a Remuneration and Nomination Committee (**Committee**) in August 2018 to assist the Board in fulfilling its responsibilities to shareholders and other stakeholders in respect of remuneration policies and practices, succession planning, diversity policies and practices, performance evaluation processes and board composition including mix of skills.

During the financial year, on the recommendation of the Committee and in recognition of the close connection between culture, governance and remuneration highlighted by various stakeholders including the ASX Corporate Governance Council and Australian Securities and Investments Commission (ASIC), the Board:

i. extended the scope of the Committee's role to reviewing and overseeing Next Science's key people and organisational culture strategies, talent and succession and their alignment with Next Science's values, mission and strategy; and

The People, Culture and Remuneration Committee currently comprises of:

Daniel Spira (Chair)

The Charter requires the Committee to meet at least twice each year.

Non-Executive Directors' Remuneration

Each of the Non-Executive Directors have entered into appointment letters with Next Science confirming the terms of their appointment and their roles and responsibilities.

Under the Constitution, the Board decides the amount paid to each Non-Executive Director as remuneration for their services as a Director. However, under the ASX Listing Rules, the amount of fees paid to all Directors for their services (excluding, the salary of any Executive Director) must not exceed in aggregate in any financial year the amount fixed by the Company's shareholders in general meeting. This amount has been fixed initially in the Company's Constitution at A$750,000 per annum and may only be varied by ordinary resolution in general meeting.

The annual fee for Non-Executive Directors is AUD$90,000 per annum (inclusive of superannuation) and for the Chair is AUD$250,000 per annum (inclusive of superannuation). The Chair's fees reflect the additional responsibilities of the role particularly leading up to, and in the short-term after, admission to ASX. An additional fee of AUD$10,000 per annum is paid for performing the role of Chair of the Audit and Risk Committee and People, Culture and Remuneration Committee.

Employee incentive arrangements and link between performance and reward

Short-Term Incentive (STI) Plan for Executives

The Managing Director, CFO, CTO and COO were invited to participate in the Company's short-term incentive plan (STI Plan), effective from the Company's admission to the ASX in April 2019. The CCO was invited to participate in the STI plan following his appointment in June 2020. Participants of the plan, must be employed with the Company, or wholly owned subsidiary of the Company, for at least six months during the plan year and still be employed until after the announcement of the Group's results to the ASX following the relevant plan year. Participation is by invitation from the Board and is not automatic. Participants who resign or are terminated before the end of the plan year are not eligible for any payments under the Plan unless the Board determines otherwise in its sole discretion.

The STI plan objectives are to:

- reward executives for their contribution in ensuring that the Group achieves its annual financial performance targets;
- enhance the Group's opportunity to attract, motivate and retain high calibre and high performing executives; and
- link part of executive remuneration directly to the achievement of the Group and individual KPIs.

The making of any payment under the STI plan is subject to the achievement of three gateway hurdles; at least 90% of a base consolidated revenue target; 100% of a base consolidated EBITDA target; and an individual performance rating of a least 3 out of 5.

The maximum STI opportunity is 100% of Total Fixed Remuneration (TFR) for the Managing Director and 80% of TFR for the CFO, CTO, COO and CCO. To receive the maximum STI opportunity, executives must achieve performance targets for consolidated revenue, consolidated EBITDA and individual performance.

As a number of the members of the executive team already have significant security holdings in Next Science, all payments under the STI Plan will be paid in cash to ensure that STI opportunities operate as true incentives.

No STI payments were made in respect of the financial year ended 31 December 2020 (2019: Nil) as revenue and EBITDA targets were not achieved.

Employee incentive arrangements and link between performance and reward (cont.)

Long-Term Incentive (LTI) Plan for Executives

At the time of the Company's IPO in April 2019, the Board of the Company established a long -term incentive plan, to be paid by way of Performance Rights to eligible participants (LTI plan). The Managing Director, CFO, CTO, CCO and COO are entitled to participate in the LTI plan.

Subject to Group performance hurdles being achieved in the financial year ending 31 December 2021, and thereafter, the Managing Director will be granted performance rights worth 200% of her Total Fixed Remuneration (TFR) and the other participants in the LTI plan will be granted performance rights worth 150% of their TFR.

The number of Performance Rights granted will be based on the volume weighted average price (VWAP) of shares in the Company for the period 1 January until the day before the release on ASX of the Company's relevant preliminary full year results.

The vesting of Performance Rights issued under the LTI Plan is dependent on satisfaction of the following vesting conditions:

- if the compound total shareholder return (TSR) is less than 15% per annum, no Performance Right will vest;
- 50% of Performance Rights will vest if the compound annual TSR is at least 15% per annum; and
- 100% of Performance Rights will vest if the compound annual TSR is at least 30% per annum.

Subject to vesting conditions being satisfied, the Performance Rights will automatically convert to shares, on a one-for one basis, three years after the date on which they are granted. If the vesting conditions have not been satisfied by this date, the Performance Rights will automatically lapse. Participants must still be employed by the Company or a wholly owned subsidiary at the date of vesting.

There will be no Performance Rights issued in relation to the financial year ending 31 December 2020 (2019: Nil) due to targets not having been achieved. The LTI plan will operate in future years with grants based on the relevant revenue and/or other Group performance measures. It is not intended to change the size of the grant to participants or the vesting conditions.

In recognition of the CCO's extensive work in 2020 to prepare the Company for the launch of XPERIENCE™ in 2021, and to provide longer term upside opportunity to the CCO similar to that available to other key management personnel from the options awarded to them prior to the Company's admission to ASX, the Company granted the CCO USD$315,000 worth of performance rights in February 2021. The vesting of the performance rights is subject to continued tenure and the rights will vest over three years with 1/3 vesting in 1 year, 1/3 in 2 years and 1/3 in 3 years from the grant date.

Share Option Plan

Prior to the Company being admitted to the ASX, the Group established an Equity Incentive Plan (ECP) for US employees and an Employee Share Option Plan (ESOP) for Australian employees and directors (see note 28). With the exception of the Managing Director, Judith Mitchell, as described below, the only vesting condition applicable to the options granted under these earlier plans was that the individual be employed by the Company, or any wholly owned subsidiary of the Company at the vesting date.

There were no options over ordinary shares issued as compensation to KMP during the year ended 31 December 2020. All remaining options over ordinary shares granted to KMP in the previous years and their status are set out below:

15. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended 31 December 2020

1. Corporate Information

Next Science Limited (the "Company") is a company domiciled in Australia.

The Group is a for-profit entity and primarily involved in the research, development and commercialisation of technologies which solve bacterial related issues.

These consolidated financial statements comprise the Company and its subsidiaries (collectively the "Group" and individually "Group companies") for the year ended 31 December 2020 and comparative information for the year ended 31 December 2019.

2. Basis of Preparation

a. Statement of compliance

The consolidated financial statements are general purpose financial statements which have been prepared in accordance with accounting standards adopted by the Australian Accounting Standards Board ("AASB") and the Corporations Act 2001. The consolidated financial statements comply with International Financial Reporting Standards ("IFRS") adopted by the International Accounting Standards Board ("IASB").

The financial statements were approved by the Board of Directors and authorised for issue on 22nd February 2021.

b. Basis of measurement

The financial statements have been prepared on a historical cost basis.

c. Functional and presentation currency

The financial statements are presented in United States Dollars, which is the Group's presentation currency. Entities within the Group hold functional currencies of AUD or USD as appropriate to the individual entity.

d. Use of judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Group's accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

The key judgements, estimates and assumptions are discussed below:

Impairment of non-financial assets

The Group assesses impairment of non-financial assets at each reporting date by evaluating conditions specific to the Group and to the particular asset that may lead to impairment. If an impairment trigger exists at balance date, the recoverable amount of the asset is determined. This involves value-in-use calculations, which incorporate a number of key estimates and assumptions.

Recoverable amount being the net amount of discounted future cash flows materially exceeds the carrying value of non-current assets. The recoverable amount of these cash generating units, at balance date, was estimated based on its value in use.

Value in use for the cash-generating units ('CGU') was determined by discounting the future cashflows to be generated

d. Use of judgements and estimates (cont.)

from the CGUs and is based on the following key assumptions:

- Cashflows were projected based on forecast operating results over a 5 year period plus a terminal value.
- Average annual revenue growth rates agreed in revenue contracts with customers and approved budgets were used for revenue projections.
- Discount rate of 12% based on the weighted average cost of capital.

Estimation of useful lives of assets

The consolidated entity determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Leases

For the purpose of measuring the right-of-use asset lease term, duration is estimated. This requires judgement and is based on an assessment as to whether an option to extend or terminate a lease will be exercised. The Group must also consider each contract held to assess whether a contract includes a lease under AASB 16 and the incremental borrowing rate is estimated.

Recovery of deferred tax assets

Deferred tax assets for tax losses are only recognised if the Group considers it is probable that future taxable amounts will be available to utilise those tax losses against.

Management has considered all the facts and circumstances and believe there is no material uncertainty over the availability of the tax losses.

e. Comparative Amounts

The presentation of the consolidated statement of profit or loss and other comprehensive has been changed such that expenses are now classified based on their function, as this provides information that is more relevant to the Group. When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current year.

f. Going concern

The financial report has been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business for a period of at least twelve months from the date this financial report is approved.

For the financial year ended 31 December 2020, the Group incurred a loss of $11,912,004 and had net cash outflows from operations of $11,906,644. As at 31 December 2020, the Group had net current asset and net asset positions of $17,025,788 and $18,912,994 respectively.

15. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended 31 December 2020

The Group raised $25,052,313 (AUD $35 million) after successfully completing an Initial Public Offering ('IPO') in April 2019. The Group raised a further $10,631,274 (AUD $15 million) over the period September to November 2020 completing two Placements and a Share Purchase plan. As at 31 December 2020, the Group has cash and cash equivalents of $8,100,000 and term deposits of $7,238,986 which is expected to be sufficient to fund its operations and activities for a period of at least twelve months from the date of signing this financial report.

After considering the above, the Directors have concluded that the Group will be able to fulfil all obligations as and when they fall due for the foreseeable future, being at least twelve months from the date of signing this financial report.

3. Significant Accounting Policies

The Group has consistently applied the following accounting policies to all periods in these financial statements.

a. Parent entity information

In accordance with the Corporations Act 2001, these financial statements present the results of the Group only. Supplementary information about the parent entity is disclosed in note 25.

b. Basis of consolidation

i. Business combinations

The Group accounts for business combinations using the acquisition method when control is transferred to the Group, unless it is a combination involving entities or businesses under common control. The consideration transferred in the acquisition is generally measured at fair value, as are the identifiable net assets acquired. Any goodwill that arises is tested annually for impairment. Any gain on a bargain purchase is recognised in profit or loss immediately. Transaction costs are expensed as incurred, except if related to the issue of debt or equity securities.

Common control transactions record assets and liabilities acquired at their book value at the date of acquisition, rather than their fair value. The difference between the fair value of the consideration given and the carrying value of the assets and liabilities acquired is recognised as a common control reserve.

The consideration transferred does not include amounts related to the settlement of pre-existing relationships. Such amounts are generally recognised in profit or loss.

ii. Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

iii. Loss of control

When the Group loses control over a subsidiary, it derecognises the assets and liabilities of the subsidiary, and any related non-controlling interest and other components of equity. Any resulting gain or loss is recognised in profit or loss. Any interest retained in the former subsidiary is measured at fair value when control is lost.

b. Basis of consolidation (cont.)

iv. Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated. Unrealised gains arising from transactions with equity-accounted investees are eliminated against the investment to the extent of the Group's interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

c. Foreign currency

i. Foreign currency transactions

Transactions in foreign currencies are translated to the functional currency of the Group at exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Foreign currency differences are generally recognised in profit or loss and presented within finance costs.

ii. Foreign currency operations

The assets and liabilities of foreign operations, including goodwill and fair value adjustments arising on acquisition, are translated into the presentation currency at the exchange rates at the reporting date. The income and expenses of foreign operations are translated into the functional currency at the average exchange rates for the period, unless exchange rates fluctuated significantly during that period, in which case the exchange rates at the dates of the transaction are used.

Foreign currency differences are recognised in OCI and accumulated in the translation reserve.

d. Revenue from contracts with customers

Revenue from contracts with customers is recognised when a customer obtains control of the goods or services and when performance obligations have been satisfied assessing the following criteria:

i. Identification of distinct elements and separate performance obligations

In the case where the customer contract includes a sublicense and transfer of goods, the assessment must be made as to whether a separate performance obligation exists for each element. For current contracts held, whilst a license to specific IP has been given related to the Group's product, this only includes rights to distribute, not to use the IP to manufacture the product. Therefore, the licence transferred is not deemed to be a distinct element of the contract and only one performance obligation exists to transfer product to the distributor.

ii. Transfer of goods

Title and control pass to the distribution customer at the point when the Group fulfils its obligation to deliver and goods are available at the customer's premises.

As such, the performance obligation (including the license) transfers at the point in time when each good is delivered. Therefore, revenue is recognised at the point in time when the product is delivered. For product sold directly to hospitals, title and control pass when the product is delivered to the courier, with revenue being recognised at this point in time.

iii. Measurement of transaction price

Consideration of the contract can comprise a fixed element (upfront payment plus minimum annual purchase amounts) and variable elements (milestone payments).

Under AASB 15 the variable consideration is only included in the transaction price if it is 'highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur'.

In the case where milestone payments are received upon signing the contract and are not subject to regulatory approval, these amounts will be initially recognised as contract liabilities to be recognised over the life of the contract once product sales have commenced. However, where the milestone payments are subject to regulatory approval, for the variable consideration to be deemed 'most likely', this will only be included once regulatory approval has been received and recognised over the remaining life of the contract.

iv. Change in estimate

On 23rd November 2020, Next Science announced to the ASX that the distribution agreement with 3M for BLASTX®, would not be renewed at the end of 2021 and that BLASTX® would be transitioned back to Next Science in the first half of 2021. Discussions are progressing smoothly, and Next Science anticipates the transition will be complete prior to the end of the first half 2021.

As a result of this, there has been a change in the time frame for recognition of the performance obligation in relation to the milestone payments received from 3M. The milestone payments which previously would have been recognised as revenue over the period until the end of the contract period of 31 Dec 2021, will now be recognised as revenue over a shorter time period ending 1H 2021, when it is anticipated that the full transition of BLASTX® back to Next Science will be complete.

e. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

f. Finance income and finance costs

Finance income comprises interest income, dividend income and foreign currency gains. Interest income is recognised in profit or loss as it accrues using the effective interest method.

f. Finance income and finance costs (cont.)

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instruments to the gross carrying amount of the financial asset or the amortised cost of the financial asset.

In calculating income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit impaired) or to the amortised cost of the liability. However, for financial assets that have become credit impaired subsequent to initial recognition interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit impaired, then the calculation of interest income reverts to the gross basis.

Finance costs comprise interest expense on borrowings, lease liabilities and converting notes, foreign currency losses and impairment losses recognised on financial assets. Foreign exchange gains and losses on intercompany assets and liabilities that are not eliminated upon consolidation are recognised in OCI. Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in profit or loss using the effective interest method.

Interest expenses includes interest in relation to lease liabilities and is calculated based on the bank borrowing rate as appropriate for the lease contract, with a range of 5.4% to 5.5% on current leases held.

Foreign currency gains and losses are reported on a net basis as either finance income or finance cost depending on whether foreign currency movements are in a net gain or net loss position.

g. Income tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax also includes any tax liability arising from dividends.

Current tax assets and liabilities are offset only if certain criteria are met.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss, or on taxable temporary differences arising on the initial recognition of goodwill.

15. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended 31 December 2020

Deferred tax assets are recognised for unused tax losses, tax credits and deductible temporary differences, to the extent that it is probable that future taxable profits will be available against which they can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that could follow the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if certain criteria are met.

h. Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the Group's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the Group's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are always classified as non-current.

i. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. For the statement of cash flows presentation purposes, cash and cash equivalents also includes bank overdrafts, which are shown within borrowings in current liabilities on the statement of financial position.

j. Trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses.

j. Trade and other receivables (cont.)

Trade receivables are generally due for settlement within 30 days.

The Group has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance. To measure the expected credit losses, trade receivables have been grouped based on days overdue.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

k. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the first in, first out principle.

l. Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset. If significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the consolidated entity. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss. Any revaluation surplus reserve relating to the item disposed of is transferred directly to retained profits.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it is probable that the future economic benefits associated with the expenditure will flow to the Group

iii. Depreciation

Depreciation is calculated based on the cost of property, plant and equipment less their estimated residual values using the straight line basis over their estimated useful lives, and is generally recognised in profit or loss. Right-of-use assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Group will obtain ownership by the end of the lease term. Land is not depreciated.

The estimated useful lives of property, plant and equipment are as follows:

FIXED ASSET CLASS	USEFUL LIFE
Leasehold improvements	5-15 years
Plant and equipment	5 years
Furniture and fittings	5 years

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

m. Right-of-use assets

i. Recognition and measurement

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Group expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of-use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Group has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low value assets. Lease payments on these assets are expensed to profit or loss as incurred.

n. Intangibles

i. Recognition and measurement

Research and development expenditure

Expenditure on research activities is recognised in profit or loss as incurred. Development expenditure is capitalised only if development costs can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Group intends to and has sufficient resources to complete development and to use or sell the asset. Otherwise it is recognised in profit or loss as incurred. Subsequent to initial recognition, development expenditure is measured at cost less accumulated amortisation and any accumulated impairment losses.

Patents

Expenditure is capitalised in relation to patent application costs and amortised over the remaining life of the base patent as relevant. Costs will be no longer capitalised in the event that a patent application is no longer being pursued with any existing capitalised costs being impaired as an expense in the profit or loss.

Computer software

Computer software comprises computer application system software and licenses. Costs incurred in developing products or systems and costs incurred in acquiring software and licenses that will contribute to future period financial benefits through revenue generation and/or cost reduction are capitalised to computer software. Costs capitalised include external direct costs of materials and services, direct payroll and payroll related costs.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

iii. Amortisation

Amortisation is calculated based on the cost of intangible assets less their estimated residual values using the straight line method over their estimated useful lives, and is generally recognised in profit or loss.

iii. Amortisation (cont.)

The estimated useful lives of intangible assets are as follows:

Development expenditure	8 years
Computer software	2-3 years
Patents	8-15 years

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

Intangible assets, other than goodwill, have finite useful lives.

o. Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

p. Contract liabilities

Contract liabilities represent the consolidated entity's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the Group recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the Group has transferred the goods or services to the customer.

q. Leases

i. Definition of a new lease

The determination of whether a contract contains a lease is on the basis of whether the customer has the right to control the use of an identified asset for a period of time in exchange for consideration. The Group has applied this definition to all lease contracts currently held.

ii. Lessee accounting

For all contracts determined to constitute a lease, right-of-use assets and lease liabilities are recognised in the consolidated statement of financial position, initially measured at the present value of future lease payments. When measuring these lease liabilities, the Group discounted lease payments using the interest rate implicit in the lease contract.

Right-of-use assets are tested for impairment in accordance with AASB 136 Impairment of assets. Lease incentives, if relevant, are recognised as part of the measurement of the right-of-use assets and lease liabilities. Depreciation is expensed on right-of-use assets and interest on lease liabilities, both recognised in the consolidated statement of profit or loss.

For presentation purposes, the total amount of cash paid in relation to leases is separated into a principal portion (presented within financial activities) and interest on lease liabilities, both recognised in the consolidated statement of profit or loss.

15. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended 31 December 2020

For short-term leases (lease term of 12 months or less) and leases of low value assets, the Group has opted to recognise a lease expense on a straight line basis. This expense is presented within other expenses in the consolidated statement of profit or loss.

r. Provisions

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably and if it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as a finance cost.

s. Employee benefits

i. Short-term employee benefits

Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled within 12 months of the end of the financial year in which employees render the related service. Short-term employee benefits include salaries and wages plus related on costs such as payroll tax, superannuation and workers compensation insurance and are measured at the undiscounted amounts expected to be paid when the obligation is settled.

ii. Long-term employee benefits

Long-term employee benefits include employees' long service leave and annual leave entitlements not expected to be settled within 12 months of the end of the financial year in which employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, duration of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on corporate bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

iii. Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to employees' defined contribution plans are recognised as an expense as the related service is provided. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

iv. Share-based payment arrangements

The grant date fair value of options granted to employees (equity settled) is recognised as an employee expense, with a corresponding increase in equity, over the period in which the employees become entitled to the options. The amount recognised as an expense is adjusted to reflect the number of options for which the related service and non market performance conditions are expected to be met, such that the amount ultimately recognised is based on the number of options that meet the related service and non market performance conditions at the vesting date.

t. Financial instruments

i. Recognition and initial measurement

The Group initially recognises trade receivables issued on the date that they are originated. All other financial assets and financial liabilities are recognised initially on the trade date.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at amortised cost or fair value through profit or loss ("FVTPL").

Financial assets at amortised cost are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

iii. Derecognition

Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred or it neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control over the transferred asset. Any interest in transferred financial assets that is created or retained by the Group is recognised as a separate asset or liability.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

15. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended 31 December 2020

u. Impairment

The Group recognises loss allowances for expected credit losses ("ECL") on financial assets and contract assets. Loss allowances where relevant are measured at an amount equal to a 12 month ECL.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECL's, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward looking information.

The Group assumes that the credit risk on a financial asset has increased significantly if it is more than 90 days past due.

The Group considers a financial asset to be in default when the borrower is unlikely to pay its obligations to the Group in full or the financial asset is more than 130 days past due.

ECLs are a probability weighted estimate of credit losses and are measured as the present value of all cash shortfalls discounted at the effective interest rate. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Losses are recognised in profit or loss and reflected in an allowance account against loans and receivables. Interest on the impaired asset continues to be recognised. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

v. Share capital

Ordinary shares

Incremental costs directly attributable to the issue of ordinary shares, net of any tax effects, are recognised as a deduction from equity.

w. Converting notes

Converting notes issued by the Company were converted to ordinary shares in accordance with the terms detailed in Note 20.

The liability component of the converting notes is initially recognised at fair value. Any directly attributable transaction costs are allocated against the liability.

Subsequent to initial recognition, the liability component of a converting note is measured at amortised cost using the effective interest method.

Interest related to the financial liability is recognised in profit or loss. On conversion, the financial liability is reclassified to equity and no gain or loss is recognised.

x. Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous

x. Fair value measurement (cont.)

market to which the Group has access at that date. The fair value of a liability reflects its non-performance risk.

A number of the Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. When one is available, the Group measures the fair value using the quoted price in an active market. A market is regarded as 'active' if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

If there is no quoted price in an active market, then the Group uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs.

The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

y. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM"). The CODM is responsible for allocating resources and assessing performance of the operating segments.

i. Basic earnings per share

Basic earnings per share is calculated by dividing the profit or loss attributable to the owners of the Company excluding any costs of servicing equity other than ordinary shares, by the weighted average number of ordinary shares outstanding during the financial year, adjusted for bonus elements in ordinary shares issued during the financial year.

ii. Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential ordinary shares and the weighted average number of shares assumed to have been issued for no consideration in relation to dilutive potential ordinary shares.

aa. Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

33. Financial Risk Management

a. Overview

The Group's activities expose it to various financial risks including: credit risk, liquidity risk and market risk.

This note presents information about the Group's exposure to each of these risks, its objectives, policies and processes for measuring and managing risk.

33. Financial Risk Management (cont.)

b. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Group's risk management framework with advice from the Audit and Risk Committee (as detailed below). The Group's risk management policies have been established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its standards and procedures, aims to maintain an effective control environment in which all employees understand their roles and obligations.

Audit and Risk Committee

The purpose of the Audit and Risk Committee is to assist the Board with:

- oversight of financial reporting and internal and external audit functions;
- oversight of accounting, business, clinical and patient risk policies and practices;
- oversight of legal and regulatory compliance;
- oversight of internal control structure and risk management procedures;
- promoting a culture of compliance across the Group companies; and
- providing a forum of communication between the Board and the Company's external auditor, internal auditor (if any) and Company's management in relation to audit and risk matters.

The Audit and Risk Committee Charter has responsibility pursuant to its Charter for oversight of the Company's financial and risk management procedures. The Board currently considers these processes appropriate for the size and level of operations of the Company.

c. Credit risk

Cash and cash equivalents

The Group held cash and cash equivalents of USD $8,100,416 and USD $7,238,986 in term deposits at 31 December 2020 (2019: USD $6,556,808 in cash and USD $10,353,798 in term deposits). The cash and cash equivalents are held with credit worthy bank and financial counterparties. The ECL of each of these banks and counterparties are considered to be extremely low; accordingly any expected credit losses are deemed to be insignificant.

d. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation. The Group manages liquidity risk by monitoring net cash balances, actual and forecast operating cash flows.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted and include estimated interest payments and exclude the impact of netting agreements.

	LESS THAN 6 MONTHS	BETWEEN 1 AND 5 YEARS	TOTAL CONTRACTED AMOUNTS
In USD	$	$	$
As 31 December 2020			
Trade and other payables	1,064,365	–	1,064,365
As 31 December 2020			
Trade and other payables	1,076,672	–	1,076,672

The cash flows in the maturity analysis are not expected to occur significantly earlier or be for a significantly different amount than contractually disclosed above.

e. Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates, will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Interest rate risk

The Group is not exposed to any significant interest rate risk. There is minimal exposure to the impact of adverse changes in benchmark interest rates. The Group is exposed to variable interest rate risks at the reporting date on cash and short-term deposits. A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased or decreased profit after tax by $122,864 (2019: $166,849). This analysis assumes that all other variables, in particular foreign currency rates, remain constant.

Currency risk

Currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The source and nature of this risk arise from operations and translation risks. The Group's reporting currency is United States Dollars ("USD"). However, the international operations give rise to an exposure to changes in foreign exchange rates as amounts of expenditure are from Australia and denominated in currencies other than USD.

e. Market risk (cont.)

The carrying amounts of the Group's foreign currency denominated financial assets (trade and other receivables including accrued income) and financial liabilities (trade and other payables) at the reporting date were as follows:

	2020	2019
In USD	$	$
AUD financial assets converted to USD	**7,282,214**	3,160,154
AUD financial liabilities converted to USD	**(137,932)**	(229,180)
Net exposure in statement of financial position	**7,144,282**	2,930,974

A reasonably possible strengthening (weakening) of the Unites States Dollar against all other currencies at 31 December would have affected the measurement of financial instruments denominated in a foreign currency and affected profit or loss and equity by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

	% CHANGE	PROFIT BEFORE TAX STRENGTHEN	PROFIT BEFORE TAX WEAKEN	EQUITY STRENGTHEN	EQUITY WEAKEN
In USD	$	$	$	$	$
2020					
Australian Dollars	**10%**	**(714,428)**	**714,428**	**(714,428)**	**714,428**
2019					
Australian Dollars	10%	(293,097)	293,097	(293,097)	293,097

The percentage change is the expected overall volatility of the significant currencies, which is based on management's assessment of reasonable possible fluctuations taking into consideration movements over the last 12 months and the spot rate at each reporting date.

1. In the opinion of the directors of Next Science Limited (the "Company"):

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Report of the current period.

This matter was addressed in the context of our audit of the Financial Report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

Revenue recognition – USD 3,440,975

Refer to Note 5 to the Financial Report

The key audit matter	How the matter was addressed in our audit
We focused on revenue recognition as a key audit matter due to the significant audit effort required by us to test the Group's revenue given the: • Significance of revenue to the financial statements; • Varying terms and conditions within each customer contract such as product sales, advance deposits, true up payments and milestone payments. This increases the effort required by the audit team to evaluate the timing and measurement of revenue recognised by the Group, and associated contract liabilities; • Earlier termination of a key customer contract increasing the risk of error in the deferred revenue calculation; • Group has manual processes and controls which may increase the risk of bias in recognition of revenue at the end of the reporting period due to differing terms of trade and extended delivery periods of customer contracts.	Our procedures included: • Evaluated the appropriateness of the Group's revenue recognition policies against the requirements of AASB 15 *Revenue from Contracts with Customers*. • For a sample of transactions, across customer contracts including product sales, advance deposits, true up payments and milestone payments, we: o checked the terms and conditions of the customer contract for consistency to the Group's policy for timing and measurement of revenue recognition; o checked the amount, nature and date of revenue recognition through evaluation of the terms and conditions in the underlying customer contract, date of completion of freight forwarding services from underlying freight documents such as the waybill, underlying sales invoices and bank statement cash receipts. • For the calculation of deferred revenue, we checked the remaining life of the contract in the calculation of deferred revenue to the underlying key customer contract. • Selected a sample of revenue transactions across differing terms of trade and extended delivery periods for the last two weeks of the reporting period and the first two weeks of the next reporting period. For each sample selected, we checked the amount and timing of revenue recorded by the Group to the underlying customer contracts, sales invoice and to freight documents. • Assessed the disclosures in the financial report using our understanding obtained from our testing and against the requirements of the accounting standards.

Other Information

Other Information is financial and non-financial information in Next Science Limited's annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

The Other Information we obtained prior to the date of this Auditor's Report was the Directors' Report and Remuneration Report. The Our Purpose page, Overview, Chairman's Letter, Managing Director's Report, Our Journey page, Investor Information and Corporate Directory are expected to be made available to us after the date of the Auditor's Report.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not and will not express an audit opinion or any form of assurance conclusion thereon, with the exception of the Remuneration Report and our related assurance opinion.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- preparing the Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001*
- implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error
- assessing the Group and Company's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Group and Company or to cease operations, or have no realistic alternative but to do so.

KPMG

Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Report.

A further description of our responsibilities for the audit of the Financial Report is located at the *Auditing and Assurance Standards Board* website at: https://www.auasb.gov.au/admin/file/content102/c3/ar1_2020.pdf This description forms part of our Auditor's Report.

BLA APPROVAL

PharmaEssentia Corporation
c/o PharmaEssentia US, LLC
Attention: Craig Zimmerman, PhD
Vice President Medical and Drug Development
35 Corporate Drive, Suite 325
Burlington, MA 01803

Dear Dr. Zimmerman:

Please refer to your biologics license application (BLA) dated and received March 13, 2020, and your amendments, submitted under section 351(a) of the Public Health Service Act for Besremi (ropeginterferon alfa-2b-njft) injection, for subcutaneous use.

We acknowledge receipt of your resubmission dated May 13, 2021, which constituted a complete response to our March 12, 2021, action letter.

LICENSING

We are issuing Department of Health and Human Services U.S. License No. 2155 to PharmaEssentia Corporation, Taipei, Taiwan, under the provisions of section 351(a) of the Public Health Service Act controlling the manufacture and sale of biological products. The license authorizes you to introduce or deliver for introduction into interstate commerce, those products for which your company has demonstrated compliance with establishment and product standards.

Under this license, you are authorized to manufacture the product Besremi (ropeginterferon alfa-2b-njft). Besremi is indicated for the treatment of adults with polycythemia vera.

MANUFACTURING LOCATIONS

Under this license, you are approved to manufacture ropeginterferon alfa-2b-njft drug substance at PharmaEssentia Corporation (PEC) Taichung Plant in Taichung, Taiwan. The PEG-Acetal intermediate will be manufactured at PEC in Taipei, Taiwan. The final formulated drug product will be manufactured, filled, labeled, and packaged at PYRAMID Laboratories, Costa Mesa, CA. You may label your product with the proprietary name, Besremi, and market it as 500 mcg/mL in a 1.0 mL single-dose prefilled syringe.

DATING PERIOD

The dating period for Besremi shall be 24 months from the date of manufacture when stored at 5 ± 3 °C. The date of manufacture shall be defined as the date of final sterile filtration of the formulated drug product. The dating period for your drug substance shall be 12 months from the date of manufacture when stored at 5 ± 3 °C.

We have approved the stability protocol in your license application for the purpose of extending the expiration dating period of your drug product under 21 CFR 601.12.

FDA LOT RELEASE

You are not currently required to submit samples of future lots of Besremi to the Center for Drug Evaluation and Research (CDER) for release by the Director, CDER, under 21 CFR 610.2. We will continue to monitor compliance with 21 CFR 610.1, requiring completion of tests for conformity with standards applicable to each product prior to release of each lot.

Any changes in the manufacturing, testing, packaging, or labeling of Besremi, or in the manufacturing facilities, will require the submission of information to your BLA for our review and written approval, consistent with 21 CFR 601.12.

APPROVAL & LABELING

We have completed our review of this application, as amended. It is approved, effective on the date of this letter, for use as recommended in the enclosed agreed-upon labeling.

WAIVER OF ½ PAGE LENGTH REQUIREMENT FOR HIGHLIGHTS

We are waiving the requirements of 21 CFR 201.57(d)(8) regarding the length of Highlights of Prescribing Information. This waiver applies to all future supplements containing revised labeling unless we notify you otherwise.

CONTENT OF LABELING

As soon as possible, but no later than 14 days from the date of this letter, submit, via the FDA automated drug registration and listing system (eLIST), the content of labeling [21 CFR 601.14(b)] in structured product labeling (SPL) format.[1] Content of labeling must be identical to the enclosed labeling (Prescribing Information, Instructions for Use, and Medication Guide). Information on submitting SPL files using eLIST may be found

[1] See http://www.fda.gov/ForIndustry/DataStandards/StructuredProductLabeling/default.htm

in the guidance for industry *SPL Standard for Content of Labeling Technical Qs and As (October 2009)*.[2]

The SPL will be accessible via publicly available labeling repositories.

CARTON AND CONTAINER LABELING

Submit final printed carton and container labeling that are identical to the enclosed carton and container labeling, as soon as they are available, but no more than 30 days after they are printed. Please submit these labeling electronically according to the guidance for industry *Providing Regulatory Submissions in Electronic Format — Certain Human Pharmaceutical Product Applications and Related Submissions Using the eCTD Specifications*. For administrative purposes, designate this submission "**Final Printed Carton and Container Labeling for approved BLA 761166**." Approval of this submission by FDA is not required before the labeling is used.

ADVISORY COMMITTEE

Your application for Besremi was not referred to an FDA advisory committee because the application did not raise significant public health questions on the role of the biologic in the diagnosis, cure, mitigation, treatment, or prevention of a disease.

REQUIRED PEDIATRIC ASSESSMENTS

Under the Pediatric Research Equity Act (PREA) (21 U.S.C. 355c), all applications for new active ingredients (which includes new salts and new fixed combinations), new indications, new dosage forms, new dosing regimens, or new routes of administration are required to contain an assessment of the safety and effectiveness of the product for the claimed indication(s) in pediatric patients unless this requirement is waived, deferred, or inapplicable.

Because this drug product for this indication has an orphan drug designation, you are exempt from this requirement.

POSTMARKETING REQUIREMENTS UNDER 505(o)

Section 505(o)(3) of the Federal Food, Drug, and Cosmetic Act (FDCA) authorizes FDA to require holders of approved drug and biological product applications to conduct postmarketing studies and clinical trials for certain purposes, if FDA makes certain findings required by the statute.

---

[2] We update guidances periodically. For the most recent version of a guidance, check the FDA Guidance Documents Database at https://www.fda.gov/RegulatoryInformation/Guidances/default.htm.

We have determined that an analysis of spontaneous postmarketing adverse events reported under subsection 505(k)(1) of the FDCA will not be sufficient to assess a signal of a serious risk of hepatotoxicity, cardiovascular and thromboembolic events in patients with polycythemia vera treated with Besremi.

Furthermore, the active postmarket risk identification and analysis system as available under section 505(k)(3) of the FDCA will not be sufficient to assess these serious risk(s).

Therefore, based on appropriate scientific data, FDA has determined that you are required to conduct the following study:

4171-1 Complete Study EUPAS29462 "A Prospective, Multicenter, Non-interventional, Observational, Post-authorization Safety Study of Ropeginterferon alfa-2b in Polycythemia Vera Patients" to evaluate safety and tolerability during the titration and maintenance phase of Besremi administration in patients with Polycythemia Vera. Specific safety outcomes of interest include hepatotoxicity, cardiovascular and thromboembolic events in treated patients.

The timetable you submitted on November 12, 2021, states that you will conduct this study according to the following schedule:

Interim Report :	03/2022
Study Completion:	06/2023
Final Report Submission:	09/2023

FDA considers the term final to mean that the applicant has submitted a protocol, the FDA review team has sent comments to the applicant, and the protocol has been revised as needed to meet the goal of the study or clinical trial.

Submit clinical protocol(s) to your IND 119047 with a cross-reference letter to this BLA. Submit nonclinical and chemistry, manufacturing, and controls protocols and all final report(s) to your BLA. Prominently identify the submission with the following wording in bold capital letters at the top of the first page of the submission, as appropriate: **Required Postmarketing Protocol Under 505(o), Required Postmarketing Final Report Under 505(o), Required Postmarketing Correspondence Under 505(o).**

Section 505(o)(3)(E)(ii) of the FDCA requires you to report periodically on the status of any study or clinical trial required under this section. This section also requires you to periodically report to FDA on the status of any study or clinical trial otherwise undertaken to investigate a safety issue. Section 506B of the FDCA, as well as 21 CFR 601.70 requires you to report annually on the status of any postmarketing commitments or required studies or clinical trials.

FDA will consider the submission of your annual report under section 506B and 21 CFR 601.70 to satisfy the periodic reporting requirement under section 505(o)(3)(E)(ii) provided that you include the elements listed in 505(o) and 21 CFR 601.70. We remind you that to comply with 505(o), your annual report must also include a report on the status of any study or clinical trial otherwise undertaken to investigate a safety issue. Failure to submit an annual report for studies or clinical trials required under 505(o) on the date required will be considered a violation of FDCA section 505(o)(3)(E)(ii) and could result in enforcement action.

PROMOTIONAL MATERIALS

You may request advisory comments on proposed introductory advertising and promotional labeling. For information about submitting promotional materials, see the final guidance for industry *Providing Regulatory Submissions in Electronic and Non-Electronic Format-Promotional Labeling and Advertising Materials for Human Prescription Drugs.*[3]

You must submit final promotional materials and Prescribing Information, accompanied by a Form FDA 2253, at the time of initial dissemination or publication [21 CFR 314.81(b)(3)(i)]. Form FDA 2253 is available at FDA.gov.[4] Information and Instructions for completing the form can be found at FDA.gov.[5]

REPORTING REQUIREMENTS

We request that you conduct enhanced pharmacovigilance (EPV) and submit a report to the Agency for all U.S. cases of medication dosing errors associated with Besremi. Submit the EPV report to your BLA on a quarterly basis for 1 year from the marketing start date and then every 6 months for an additional 2 years, for a total of 3 years from the U.S. approval date.

For the purposes of this EPV, a medication dosing error is defined as a dose (suspected underdose or overdose) that was unintentionally administered or not administered (including near misses), regardless of whether an adverse event occurred.

The EPV report should include:

- The reporting interval and cumulative data relative to the U.S. approval date for Besremi.

- A summary of the cases along with a line listing of the cases in an Excel file format that includes patient demographics, narrative description, contributing factors for the error, adverse events, and outcome.

- A root cause analysis of any reported medication dosing errors.

- Your strategy and reporter suggestions to mitigate the reported medication dosing error(s).

- A medical literature review for case reports/case series of medication dosing errors associated with Besremi.

You must submit adverse experience reports under the adverse experience reporting requirements for licensed biological products (21 CFR 600.80).

Prominently identify all adverse experience reports as described in 21 CFR 600.80.

You must submit distribution reports under the distribution reporting requirements for licensed biological products (21 CFR 600.81).

You must submit reports of biological product deviations under 21 CFR 600.14. You should promptly identify and investigate all manufacturing deviations, including those associated with processing, testing, packing, labeling, storage, holding and distribution. If the deviation involves a distributed product, may affect the safety, purity, or potency of the product, and meets the other criteria in the regulation, you must submit a report on Form FDA 3486 to:

Food and Drug Administration
Center for Drug Evaluation and Research
Division of Compliance Risk Management and Surveillance

Re: USAntibiotics, LLC – Personal History Application

Dear Board Members:

I am writing to supplement the Personal History Application of USAntibiotics, LLC ("Company") and offer the following information related to litigation to the best of my current knowledge. I am writing as the Chief Financial Officer of the Company which was formed on March 15, 2021. As far as the Company, there is no active or pending litigation or other matters of which I am aware; this status exists because the Company is very recently formed. Additionally, I, individually, have not been a party to any active or pending litigation or other matters of which I am aware, nor have I in the past twenty (20) years. I serve as an executive officer of other companies which may be subject to normal business litigation from time to time, but none of these other entities are related to or involved with any type of pharmaceutical manufacturing or drug distribution activity. If you have further questions or concerns, please contact my legal counsel, Jay D. Mitchell, at 770-643-5530.

Sincerely,

Leslie Kurtz

Re: USAntibiotics, LLC – Personal History Application

Dear Board Members:

I am writing to supplement the Personal History Application of USAntibiotics, LLC ("Company") and offer the following information related to litigation to the best of my current knowledge. I am writing as the Chief Executive Officer of the Company which was formed on March 15, 2021. As far as the Company, there is no active or pending litigation or other matters of which I am aware; this status exists because the Company is very recently formed. Additionally, I, individually, have not been a party to any active or pending litigation or other matters of which I am aware, nor have I in the past twenty (20) years. I serve as an executive officer of other companies which may be subject to normal business litigation from time to time, but none of these other entities are related to or involved with any type of pharmaceutical manufacturing or drug distribution activity. If you have further questions or concerns, please contact my legal counsel, Jay D. Mitchell, at 770-643-5530.

Sincerely,

Richard L. Jackson

Re: U.S. FDA Drug Establishment Registration Certificate

Good Day,

We enclose the Certificate of Registration issued by Registrar Corp, verifying that your firm's drug establishment registration has been electronically submitted to FDA.

We advise that FDA has changed its requirement for annual registration. The Food and Drug Administration Safety and Innovation Act of 2012 ("FDASIA"), which was signed into law on July 9, 2012, requires that all registrants renew their Drug Establishment Registrations between October 1 and December 31 of each year. Your next renewal period will be October 1 to December 31, 2021. You will be sent documents to verify the accuracy of your information at that time.

Registrar Corp also will send you color copies of your certificate by email. You may wish to use the electronic version to forward copies of your company's certificates to your customers and suppliers so they are aware that your company has complied with FDA's registration requirements. Please note, however, that pursuant to 21 CFR § 207.77(a), "Registration of an establishment or listing of a drug does not denote approval of the establishment, the drug, or other drugs of the establishment, nor does it mean that a product may be legally marketed. Any representation that creates an impression of official approval or that a drug is approved or is legally marketable because of registration or listing is misleading and constitutes misbranding." This means that the enclosed certificate does not denote endorsement or approval by the U.S. FDA, and it should not be used to suggest such an inference.

As your Registrant Contact, Registrar Corp will continue to serve as a communications link between the U.S. FDA and your company for your electronic submissions. If we receive any correspondence from the U.S. FDA for your company regarding your electronic submissions, we will notify you by fax, email, or phone. In addition, we will be pleased to complete electronic submissions for any drug products not already listed with the U.S. FDA which you may introduce to market.

Please contact us if you have any questions or need additional help with FDA compliance.

Sincerely,

David Lennarz
President

Registrar Corp makes no other representations or warranties, nor does this certificate make any representations or warranties to any person or entity other than the named certificate holder, for whose sole benefit it is issued. Registrar Corp assumes no liability to any person or entity in connection with the foregoing. Registration of a drug establishment or drug wholesaler, or assignment of a registration number, or assignment of a NDC number does not in any way denote approval of the firm or its products by the U.S. Food and Drug Administration. Any representation that creates an impression of official approval because of registration or possession of registration number or NDC number is misleading and constitutes misbranding. ARTICLE I
THE TRANSACTION

1.01. Reorganization. On the terms and subject to the conditions set forth in this Agreement, at least seven (7) days prior to the Closing Date, the Owner Parties will consummate the Reorganization and will provide drafts of all documentation relating to the Reorganization to Parent reasonably in advance of the Closing Date and will consider Parent's comments, if any, on such documentation in good faith.

1.02. Debt Merger.

(a) On the terms and subject to the conditions set forth in this Agreement, at the Debt Merger Effective Time, at Parent's sole discretion, Debt Merger Sub shall be merged with and into LSL Holdings in accordance with the Delaware LLC Act, including Section 18-209 thereof (the "Debt Merger"), and the separate corporate existence of Debt Merger Sub shall thereupon cease and LSL Holdings shall be the surviving company in the Debt Merger (sometimes hereinafter referred to as the "Surviving Company").

(b) Debt Merger Effective Time. On the Closing Date (but prior to the Rollover Closing or the Sale Transaction Closing), at Parent's sole discretion, Parent, the Owner Parties and Debt Merger Sub shall cause a certificate of merger with respect the Debt Merger, in a form reasonably acceptable to Parent and the Owner Parties (the "Certificate of Merger"), to be executed, acknowledged and filed with the Secretary of State of the State of Delaware in accordance with the terms and conditions of the Delaware LLC Act and shall take all such other actions as may be required by Law to make the Debt Merger effective as promptly as practicable. The Debt Merger shall become effective at the time that the Certificate of Merger is accepted for filing by the Secretary of State of the State of Delaware or at such later date and time as is specified in the Certificate of Merger (such time and date being referred to herein as the "Debt Merger Effective Time").

(c) Effects of the Debt Merger.

(i) The Debt Merger shall have the effects set forth in this Agreement, the Certificate of Merger and the applicable provisions of the Delaware LLC Act. Without limiting the generality of the foregoing and subject thereto, by virtue of the Debt Merger and without further act or deed by any Party, at the Debt Merger Effective Time, all of the property, rights, privileges, immunities, powers and franchises of LSL Holdings and Debt Merger Sub shall vest in the Surviving Company, and all debts, liabilities, obligations and duties of the LSL Holdings and Debt Merger Sub shall become the debts, liabilities, obligations and duties of the Surviving Company.

(ii) Effect on Debt Merger Sub Units. At the Debt Merger Effective Time, each limited liability company interest in Debt Merger Sub issued and outstanding immediately prior to the Debt Merger Effective Time shall, by virtue of the Debt Merger and without any action on the part of the holder thereof, be canceled and nothing shall be issued in respect thereof.

(iii) Effect on LSL Holdings Units. At and immediately following the Debt Merger Effective Time, each limited liability company interest in LSL Holdings (each, a "LSL Holdings Unit") issued and outstanding immediately prior to the Debt Merger Effective Time shall, by virtue of the Debt Merger and without any action on the part of the holder thereof, be cancelled and converted into the right to receive one limited liability company interest in the Surviving Company.

(d) Certificate of Formation and Limited Liability Company Agreement of the Surviving Company. The certificate of formation of LSL Holdings as in effect immediately prior to the Debt Merger Effective Time shall be the certificate of formation of the Surviving Company (the "Surviving Company Charter"), until duly amended as provided in the Surviving Company Charter, the Surviving Company LLC Agreement or by applicable Law. The limited liability company agreement of LSL Holdings as in effect immediately prior to the Debt Merger Effective Time shall be the limited liability company agreement of the Surviving Company (the "Surviving Company LLC Agreement"), until duly amended as provided in the Surviving Company Charter, the Surviving Company LLC Agreement or by applicable Law.

(e) Officers of the Surviving Company. The officers of LSL Holdings as of immediately prior to the Debt Merger Effective Time shall be the officers of the Surviving Company, each to hold office in accordance with the Surviving Company Charter and Surviving Company LLC Agreement until their respective successors are duly elected or appointed and qualified or until their earlier death, resignation or removal.

1.03. Repayment of Funded Debt. Immediately following the consummation of the Debt Merger (the "Debt Merger Closing") and prior to the Rollover Closing and the Sale Transaction Closing, and contingent upon the occurrence of the Debt Merger Closing, LSL Holdings shall use the proceeds of the Debt Financing to repay the Funded Debt listed on Schedule 8.07(e) (the amount of such Funded Debt, the "Funded Debt Repayment Amount"), pursuant to the payoff letters delivered to the Buyer Parties pursuant to Section 8.07(e).

1.04. Distribution of Debt Proceeds. Immediately following the repayment of Funded Debt pursuant to Section 1.03 and prior to the Rollover Closing and the Sale Transaction Closing, and contingent upon the occurrence of the Debt Merger Closing, LSL Holdings shall distribute to its members in accordance with the Surviving Company Charter and Surviving Company LLC Agreement an amount in cash designated by Parent, at its sole discretion, not to exceed an amount equal to (a) the proceeds of the Debt Financing less (b) the Estimated LSL NY Cash Payment less (c) the Funded Debt Repayment Amount (such distribution, the "Distribution" and such amount, the "Distribution Amount"). To the extent that the distribution of the Distribution Amount *pro rata* to the holders of LSL Holdings Securities results in any Rollover Investor receiving more cash than the portion of the Estimated Cash Payment to which they would otherwise have been entitled if such Distribution had not occurred and the purchase price for the LSL Holdings Purchased Securities was equal to the Estimated LSL Holdings Cash Payment, such Rollover Investor shall be treated for U.S. federal Income Tax purposes (and any other applicable Tax purposes) as having acquired the LSL Holdings Purchased Securities attributable to such excess amount from the other holders of LSL Holdings Purchased Securities *pro rata* in a deemed exchange occurring as of immediately prior to the Distribution; provided that for purposes of this

sentence, "Estimated LSL Holdings Purchase Price" shall be read without giving effect the deduction of the Distribution Amount in clause (b) thereof.

1.05. Sale Transaction.

(a) Immediately following the Rollover Closing, in accordance with the terms and upon the conditions contained in this Agreement, LSL Seller shall sell, transfer, assign, convey and deliver to Buyer all right, title and interest in and to all of the LSL Holdings Purchased Securities, free and clear of all Liens and Restrictions (the "LSL Holdings Sale Transaction"). Immediately following the consummation of the LSL Holding Sale Transaction, (i) LSL Seller shall repay in full the Helffrich Promissory Note and (ii) LSL Holdings shall distribute to Buyer a portion of the proceeds of the Debt Financing (or in the event that there is no Debt Financing, cash) in an amount equal to the Estimated LSL NY Cash Payment.

(b) Immediately following the repayment of the Helffrich Promissory Note pursuant to Section 1.05(a), in accordance with the terms and upon the conditions contained in this Agreement, each LSL NY Seller shall sell, transfer, assign, convey and deliver to Buyer all right, title and interest in and to all of such Sellers' LSL NY Securities, free and clear of all Liens and Restrictions, which Buyer shall purchase using (i) first, the proceeds of the Debt Financing and (ii) second, to the extent the amount in clause (i) is less than the LSL NY Cash Payment, any other cash held by Buyer (together with the LSL Holdings Sale Transaction, the "Sale Transaction").

(c) In no event shall the sum of the Distribution Amount and the Estimated Cash Payment exceed the Estimated Purchase Price.

1.06. Sale Transaction Consideration. (a) The purchase price for the LSL Holdings Purchased Securities shall be an amount equal to the sum of LSL Holdings Cash Payment and the portion of the payment, if any, made to the Representative pursuant to Section 1.11 that is distributed by the Representative to the LSL Seller, and (b) the purchase price for the LSL NY Securities shall be an amount equal to the sum of the LSL NY Cash Payment (which payment shall be made using (i) first, the proceeds of the Debt Financing and (ii) second, to the extent the amount in clause (i) is less than the LSL NY Cash Payment, any other cash held by Buyer) and the portion of the payment, if any, made to the Representative pursuant to Section 1.11 that is distributed by the Representative to the LSL NY Sellers, in each case subject to adjustment as provided in this Article I.

1.07. Estimated Cash Payment. Not less than five (5) Business Days prior to the Closing Date, the Representative shall deliver to Buyer a statement which shall set forth a calculation of the Estimated Cash Payment and its components (the "Estimated Closing Statement"). After delivery of the Estimated Closing Statement and until the Closing, Buyer and its accountants and other representatives shall be permitted to (x) make inquiries of, and shall have access to, Representative, each Seller and each Target Company and their respective accountants and employees, in each case, who were involved in the preparation of the Estimated Closing Statement and (y) have access to accounting records and work papers of such persons, in each case of clauses (x) and (y), regarding questions concerning or disagreements with the Estimated Closing Statement arising in the course of their review thereof (subject to customary access letters or confidentiality agreements). If, in the two (2) Business Days following the delivery of the Estimated Closing

Statement, Buyer disagrees with any portion of the Estimated Closing Statement, Buyer and the Representative shall cooperate in good faith to resolve Buyer's disagreements and the Estimated Closing Statement shall be updated for any items so resolved (and such updated Estimated Closing Statement shall be deemed to be the Estimated Closing Statement regardless of when delivered). If Buyer and the Representative fail to resolve any of Buyer's disagreements, the Estimated Closing Statement and the calculation thereof as originally delivered by the Representative (together with any modifications agreed between Buyer and the Representative) shall be conclusive and binding upon Buyer for purposes of determining the Estimated Cash Payment for Closing.

1.08. Payments.

(a) Sale Transaction Closing Payments. At the Sale Transaction Closing, Buyer shall pay (or cause to be paid):

(i) to LSL Seller, the Estimated LSL Holdings Cash Payment;

(ii) to the LSL NY Sellers, their Pro Rata Percentage of the LSL NY Estimated Cash Payment (which shall, for the avoidance of doubt, occur following the payment to LSL Seller of the Estimated LSL Holdings Cash Payment in accordance with Section 1.05(a));

(iii) solely to the extent not already repaid pursuant to Section 1.03, the outstanding amount of all Funded Debt, if any, of LSL Holdings and its Subsidiaries (on a consolidated basis) and LSL NY, pursuant to the payoff letters delivered to the Buyer Parties pursuant to Section 8.07(e);

(iv) the non-compensatory portion of the Transaction Expenses Amount required to be paid at the Closing pursuant to the direction of the Representative;

(v) the Escrow Amount to the escrow account established to satisfy any purchase price adjustment in respect of the Final Cash Payment pursuant to the terms and conditions of this Agreement and the Escrow Agreement; and

(vi) the Representative Expense Fund to the Representative pursuant to the direction of the Representative.

(b) Cash Payment Adjustment. Within five (5) Business Days after the Cash Payment becomes final and binding in accordance with Section 1.09 below:

(i) if the Cash Payment is equal to the Estimated Cash Payment, then Buyer and the Representative shall deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to release the entire Escrow Amount to the Representative (on behalf of the Sellers) for further distribution by the Representative to the Sellers in accordance with their Pro Rata Percentages;

(ii) if the Cash Payment exceeds the Estimated Cash Payment, then (A) Buyer shall pay (or cause to be paid) such excess in cash to the Representative (on

behalf of the LSL Seller or the LSL NY Sellers, as applicable) and (B) Buyer and the Representative shall deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to release the Escrow Amount to the Representative (on behalf of the LSL Seller or the LSL NY Sellers, as applicable) for further distribution by the Representative to the LSL Seller or the LSL NY Sellers, as applicable, in accordance with such Sellers' Pro Rata Percentages; or

(iii) if the Estimated Cash Payment exceeds the Cash Payment (such amount, the "Excess Amount"), then Buyer and the Representative (on behalf of the LSL Seller or the LSL NY Sellers, as applicable) shall deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to release the Excess Amount from the Escrow Amount to Buyer, and if the Excess Amount is less than the Escrow Amount, such joint written instructions shall also instruct the Escrow Agent to release to the Representative (on behalf of the LSL Seller or the LSL NY Sellers, as applicable) the remaining Escrow Amount after payment of the Excess Amount to Buyer for further distribution by the Representative to the LSL Seller or the LSL NY Sellers, as applicable, in accordance with such Sellers' Pro Rata Percentages.

(c) Final Cash Payment. All payments to the Sellers or the Representative pursuant to this Section 1.08 shall be made by wire transfer of immediately available funds to an account or accounts (but not to exceed five accounts total) designated by the Representative in writing. All payments to Buyer pursuant to Section 1.08(b)(iii) shall be made by wire transfer of immediately available funds to an account or accounts designated by Buyer in writing. Buyer agrees that Sellers' maximum aggregate liability for any amounts payable to Buyer pursuant to this Section 1.08(b)(iii) shall be the Escrow Amount and, notwithstanding any other term of this Agreement, the Escrow Amount shall be Buyer's sole source of recovery for any adjustments to the Estimated Cash Payment or the Cash Payment (as finally determined in accordance with Section 1.09 below), even if the Estimated Cash Payment exceeds the Cash Payment (as finally determined in accordance with Section 1.09 below) by an amount that is greater than the amount of the Escrow Amount.

1.09. Cash Payment Determination. As promptly as possible, but in any event within ninety (90) days after the Closing Date, Buyer shall prepare and deliver to the Representative (a) a statement setting forth Buyer's good faith calculation of (i) the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (ii) the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (iii) the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Closing Date, and (iv) the Transaction Expenses Amount as of the Closing Date and, based on such amounts, the LSL Holdings Cash Payment and the LSL NY Cash Payment (the "Closing Statement") and (b) reasonable supporting detail for the information set forth in the Closing Statement. If Buyer does not deliver the Closing Statement within ninety (90) days after the Closing Date, the Representative may elect to either (x) deliver a Closing Statement to Buyer within an additional thirty (30) days thereafter (and the procedures below shall apply with Buyer and the Representative switching roles) or (y) designate the Estimated Cash Payment as the final Cash Payment (in which event "Final Cash Payment" shall mean the Estimated Cash Payment). If the Representative elects to prepare the Closing Statement in accordance with the

immediately preceding sentence, then all subsequent references in this Section 1.09 to Buyer, on the one hand, and the Representative, on the other hand, will be deemed to be references to the Representative, on the one hand, and Buyer, on the other hand, respectively. After delivery of the Closing Statement and throughout the period preceding the final determination of the Cash Payment in accordance with this Section 1.09, the Representative and its accountants shall be permitted to (x) make inquiries of, and shall have access to, Buyer and each Target Company and their respective accountants and employees, in each case, who were involved in the preparation of the Closing Statement and (y) have access to accounting records and work papers of such persons, in each case of clauses (x) and (y), regarding questions concerning or disagreements with the Closing Statement arising in the course of their review thereof (subject to customary access letters or confidentiality agreements). If the Representative has any objections to the Closing Statement, then the Representative shall deliver to Buyer a statement (an "Objection Statement") setting forth its disputes or objections (the "Objection Disputes") to the Closing Statement and, to the extent practical, the Representative's proposed resolution of each such Objection Dispute. If an Objection Statement is not delivered to Buyer within thirty (30) days after receipt of the Closing Statement by the Representative, then the Closing Statement as originally received by the Representative shall be final, binding and non-appealable by the Parties. If an Objection Statement is timely delivered, then Buyer and the Representative shall negotiate in good faith to resolve any Objection Disputes and set forth their agreement with respect thereto in writing, which written resolution shall be final and binding on the Parties. If Buyer and the Representative do not reach a final resolution with respect to all Objection Disputes within thirty (30) days after the delivery of the Objection Statement, the Representative and Buyer shall submit each unresolved Objection Dispute to Duff & Phelps (the "Independent Auditor") to resolve such unresolved Objection Disputes, in which case the Independent Auditor shall act as an expert and not as an arbitrator. In the event that Duff & Phelps refuses or is otherwise unable to act as the Independent Auditor, then Parent and the Representative shall cooperate in good faith to appoint a boutique specialty firm with an active practice area focused on post-mergers and acquisitions purchase price dispute resolution mutually agreeable to Parent and the Representative within ten (10) Business Days (in which event "Independent Auditor" shall mean such firm). Any retainer required by the Independent Auditor shall be paid fifty percent (50%) by Buyer and fifty percent (50%) by the Representative, subject to offset and reimbursement, if applicable, pursuant to the final allocation of the fees, costs and expenses of the Independent Auditor in accordance with this Section 1.09. The scope of the Independent Auditor's review shall be limited to the unresolved Objection Disputes and the Independent Auditor shall be instructed to (I) disregard all negotiations and settlement offers exchanged between Buyer and the Representative in the course of reaching, or attempting to reach, an agreement with respect to an Objection Dispute, (II) set forth a procedure to provide for prompt resolution of any unresolved Objection Disputes and (III) to make its determination in respect of the unresolved Objection Disputes within thirty (30) days following its retention. The Independent Auditor's determination of the unresolved Objection Disputes shall be treated as expert determinations or appraisals under Law of the State of Delaware and such expert determinations shall be final and binding upon the Parties and not subject to review by a court or other tribunal; provided, however, that no such determination with respect to any item reflected in the Objection Statement shall be any more favorable to Buyer than is set forth in the Closing Statement or any more favorable to the Representative than is proposed in the Objection Statement (to the extent it was practical for the Representative to propose a resolution in the Objection Statement) or in the written presentation provided by the Representative to the Independent

Auditor (to the extent it was not practical for the Representative to propose a resolution in the Objection Statement). If any unresolved Objection Disputes are submitted to the Independent Auditor, then, for purposes of this Section 1.09, the fees, costs and expenses of the Independent Auditor shall be borne by Buyer and the Representative in inverse proportion to the unresolved Objection Disputes that are decided by the Independent Auditor in favor of Buyer or the Representative, respectively (e.g., if there are $200,000 of disputed items to be determined by the Independent Auditor and the Independent Auditor determines that Buyer's claims prevail with respect to $125,000 and the Representative's claims prevail with respect to $75,000, then Buyer shall owe 37.5% of the Independent Auditor's fees, costs and expenses, and the Representative shall owe 62.5% of the Independent Auditor's fees, costs and expenses). The final Closing Statement, however determined pursuant to this Section 1.09, will produce each of (i) the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (ii) the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (iii) the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Closing Date, and (iv) the Transaction Expenses Amount as of the Closing Date and, based on such amounts, the LSL Holdings Cash Payment and the LSL NY Cash Payment (collectively, the "Final Cash Payment"). The process set forth in this Section 1.09 shall be the exclusive remedy of the Parties for any disputes related to items required to be reflected on the Closing Statement or included in the calculation of, with respect to each of (i) the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (ii) the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (iii) the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Closing Date, and (iv) the Transaction Expenses Amount as of the Closing Date, whether or not the underlying facts and circumstances constitute a breach of any representations or warranties.

1.10. Preparation of Closing Statement. The Closing Statement (and all calculations of the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis), the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis), the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis), and Transaction Expenses) shall be prepared and calculated in accordance with the Accounting Principles, except that the Closing Statement (and all calculations of such amounts) shall not include any purchase accounting arising out of the consummation of the transactions contemplated by this Agreement. Notwithstanding anything in this Agreement to the contrary, it is the intent of the Parties that no double counting shall occur with respect to amounts taken into account in the determination of the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis), the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis), the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis), and Transaction Expenses and this Agreement shall be interpreted consistent therewith.

1.11. Earnout.

(a) Additional Earnout Consideration. Subject to Section 1.11(b) and Section 1.11(c), as further consideration for the sale and transfer of the Purchased Securities to Buyer in accordance with the terms of this Agreement:

(i) Upon the occurrence of the First Earnout Milestone, Buyer shall pay (or cause to be paid) to the Representative an amount equal to the First Earnout Amount for further distribution by the Representative to the Sellers in accordance with such Sellers' Pro Rata Percentages.

(ii) Upon the occurrence of the Second Earnout Milestone, Buyer shall pay (or cause to be paid) to the Representative an amount equal to the Second Earnout Amount for further distribution by the Representative to the Sellers in accordance with such Sellers' Pro Rata Percentages.

(iii) Notwithstanding the foregoing, the amount of an Earnout Amount payable to the Representative shall be reduced by any advisory fees payable to UBS Securities LLC pursuant to the UBS Engagement Letter with respect to the applicable Earnout Amount (such fees, the "Earnout Financial Advisor Fees").

(iv) If (A) the First Earnout Milestone has not been achieved by the Parent Exit Date, and (B) such First Earnout Milestone would be achieved if (x) the definition of "Actual EBITDA" were deemed to be read to refer to "unaudited financial statements" in each instance where the term "Audited Financials" appears and (y) the definition of "Earnout Period" herein were deemed to be mean "a 12-calendar month period that ends on the date on which the Parent Exit Event first occurred", then the First Earnout Milestone will be deemed to have been achieved on the Parent Exit Date. If (I) the Second Earnout Milestone has not been achieved by the Parent Exit Date, and (II) such Second Earnout Milestone would be achieved if (1) the definition of "Actual EBITDA" were deemed to be read to refer to "unaudited financial statements" in each instance where the term "Audited Financials" appears and (2) the definition of "Earnout Period" herein were deemed to be mean "a 12-calendar month period that ends on the the date on which the Parent Exit Event first occurred", then the Second Earnout Milestone will be deemed to have been achieved on the Parent Exit Date. The provisions of Section 1.11(b) shall apply to the determination of whether the First Earnout Milestone or the Second Earnout Milestone will be deemed to have been achieved in accordance with this Section 1.11(a)(iv) (including with respect to the delivery of an Earnout Statement and the resolution of any objections thereto), *mutatis mutandis*.

(v) For the avoidance of doubt, (A) if there is no Earnout Period for which the First Earnout Milestone has been achieved, there shall be no additional amounts payable under this Section 1.11, (B) the First Earnout Milestone and Second Earnout Milestone may be achieved with respect to the same Earnout Period or in different Earnout Periods, (C) each Earnout Milestone shall occur only once, if at all, and (D) the aggregate amount payable under this Section 1.11 shall be limited to the sum of the First Earnout Amount and Second Earnout Amount (less any Earnout Financial Advisor Fees).

(b) Determination of Actual EBITDA.

(i) For each Earnout Period until both the First Earnout Amount and Second Earnout Amount have been paid in accordance with Section 1.11(a), as promptly as practicable, but in any event no later than thirty (30) calendar days following the receipt by Buyer from Buyer's outside auditing firm of the completed audited financial statements of the Target Companies and their Subsidiaries on a consolidated basis for such Earnout Period (the "Audited Financials"), Buyer shall deliver to the Representative (A) a copy of the applicable Audited Financials (if and to the extent the Representative is not already in possession thereof) and (B) a statement setting forth Buyer's good faith calculation of (I) the Actual EBITDA with respect to the applicable Earnout Period derived therefrom, (II) the First Target EBITDA (to the extent the First Earnout Amount has not yet been paid by Buyer) and the Second Target EBITDA, (III) the Earnout Financial Advisor Fees, if any, and (IV) any resulting aggregate amount payable pursuant to Section 1.11(a) (any such statement, an "Earnout Statement").

(ii) Upon receipt of the applicable Earnout Statement, the Representative and its representatives shall have the right during the succeeding thirty (30) day period (the "Earnout Review Period") to examine the Earnout Statement. Until the Earnout Statement has been finally determined pursuant to this Section 1.11(b), Buyer, the Representative and the Target Companies and their Subsidiaries shall afford one another and their respective representatives and advisors access upon reasonable notice and at reasonable times during normal business hours to the books and records used to prepare the applicable Audited Financials; provided, however, that the independent accountants of the Target Companies and their Subsidiaries shall not be obligated to make any working papers available to the Representative unless and until the Representative has signed a customary confidentiality and hold harmless agreement in favor of such independent accountants relating to such access to working papers in form and substance reasonably acceptable to such independent accountants. If the Representative objects to the calculation of Actual EBITDA, the First Target EBITDA or the Second Target EBITDA, as applicable, in the applicable Earnout Statement, then the Representative shall so notify Buyer in writing (any such notice, an "Earnout Disagreement Notice") on or before the last day of the Earnout Review Period. Any such Earnout Disagreement Notice shall set forth a written description in reasonable detail (with all reasonable supporting documentation with respect thereto) of the Representative's objection(s) and its good faith calculation of the applicable Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, after taking into account such objection(s). If no Earnout Disagreement Notice is delivered within the applicable Earnout Review Period, then the applicable Earnout Statement and Buyer's calculation of Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, therein shall be deemed to have been accepted by the Representative and the Sellers, and shall be final, conclusive, and binding on Buyer, the Representative and the Sellers, and not subject to further review or collateral attack.

(iii) If any Earnout Disagreement Notice is delivered in accordance with Section 1.11(b), then Buyer and the Representative shall attempt to resolve the objections set forth therein during the succeeding forty-five (45) day period through good faith discussions. The objections set forth in an Earnout Disagreement Notice that are resolved by Buyer and the Representative in accordance with this Section 1.11(b)(iii) are referred to as "Resolved Earnout Objections". The Resolved Earnout Objections shall be final, conclusive, and binding on Buyer, the Representative, and the Sellers and not subject to further review or collateral attack. The applicable Earnout Statement and the calculation of Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, therein shall be adjusted to reflect any Resolved Objections, and as so adjusted shall be final, conclusive, and binding on Buyer, the Representative, and the Sellers and not subject to further review or collateral attack, subject to the provisions of Section 1.11(b)(v) below.

(iv) If Buyer and the Representative are unable to resolve all the objections set forth in any Earnout Disagreement Notice within such forty-five (45) day period referred to in Section 1.11(b)(iii), then they shall jointly appoint a boutique specialty firm with an active practice area focused on post-mergers and acquisitions purchase price dispute resolution (the "Independent Earnout Expert") within five (5) days of the end of such forty-five (45) day period to resolve any remaining objections. The Independent Earnout Expert, acting as an expert and not as an arbitrator, shall review the objections set forth in any Earnout Disagreement Notice that are not Resolved Earnout Objections (collectively, the "Earnout Differences"). For the avoidance of doubt, the Independent Earnout Expert shall not review any accounts or make any determination with respect to any matter other than those matters specifically set forth in the applicable Earnout Disagreement Notice that are not Resolved Earnout Objections. The Independent Earnout Expert shall work in good faith to determine, within fifteen (15) Business Days of its appointment, based on the requirements set forth in this Section 1.11(b) and only with respect to the Earnout Differences, whether and to what extent the Earnout Statement and the calculation of Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, therein require adjustment; provided, however, that in no event shall any determination by the Independent Earnout Expert of any Earnout Difference result in an adjustment in excess of the higher, nor less than the lower, of the amounts advocated by Buyer and the Representative with respect to such Earnout Difference in the applicable Earnout Disagreement Notice. Buyer, the Representative and the Sellers shall cooperate in good faith with the Independent Earnout Expert and provide the Independent Earnout Expert with any information reasonably requested by it; provided, however, that the independent accountants of Buyer and the Representative shall not be obligated to make any working papers available to the Independent Earnout Expert unless and until the Independent Earnout Expert has signed a customary confidentiality and hold harmless agreement in favor of such independent accountant relating to such access to working papers in form and substance reasonably acceptable to such independent accountants. The Independent Earnout Expert's resolution of the Earnout Differences shall be final, conclusive, and binding upon Buyer, the Representative and the Sellers and not subject to further review or collateral attack for any reason

other than manifest error or fraud. The Earnout Differences resolved by the Independent Earnout Expert in accordance with this Section 1.11(b)(iv) are referred to as "Firm-Determined Earnout Differences". The applicable Earnout Statement and the calculation therein of Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, and any resulting payment due pursuant to Section 1.11(a) shall be adjusted to reflect any Firm-Determined Earnout Differences, and as so adjusted shall be final, conclusive, and binding on Buyer, the Representative and the Sellers and not subject to further review or collateral attack.

(v) With respect to any Earnout Statement, the fees and expenses of any Independent Earnout Expert shall be borne 50% by Buyer and 50% by the Representative.

(c) Conduct of Business during the Earnout Periods. The Parties (including the Representative on behalf of the Sellers) acknowledge and agree that: (i) the Buyer Parties, the Target Companies and their respective Affiliates shall have the right to operate their respective businesses in the sole discretion of the Buyer Parties, the Target Companies and their respective Affiliates, (ii) the Buyer Parties, the Target Companies and their respective Affiliates shall have no obligation to operate their businesses in order to maximize Actual EBITDA, minimize the First Target EBITDA or the Second Target EBITDA, achieve any Earnout Milestone or pay any Earnout Amount, (iii) the payment by the Buyer Parties, and the receipt by the Representative (and related distribution to Sellers), of the Earnout Amounts is speculative and subject to numerous factors outside the control of the Buyer Parties, the Target Companies and their respective Affiliates, (iv) there is no assurance that the Representative will receive any Earnout Amount (or that the Sellers will receive any distribution thereof from the Representative); (v) none of the Buyer Parties, the Target Companies or any of their respective Affiliates owe a fiduciary duty or express or implied duty to the Representative or the Sellers (and any such fiduciary duty is irrevocably waived by the Representative and the Sellers); (vi) the contingent right of the Representative to receive any Earnout Amount (and the contingent right of the Sellers to receive a distribution thereof from the Representative) is not an investment in the Buyer Parties, the Target Companies or their Affiliates and this Section 1.11 shall not entitle any the Representative or any of the Sellers to any rights as an equityholder of the Buyer Parties, the Target Companies or their Affiliates; (vii) the Parties intend the express provisions of this Agreement to govern all of their rights and obligations, if any, with respect to payment of any Earnout Amounts pursuant to this Section 1.11; (viii) nothing herein will prohibit the Buyer Parties, the Target Companies or their respective Affiliates from engaging in any business or opportunity either with or without the Buyer Parties, the Target Companies or their respective Affiliates or acquiring, entering into joint ventures, investing in, or otherwise cooperating with other Persons, including Persons that may have interests adverse to or otherwise compete, directly or indirectly, with the Target Companies and their Subsidiaries; (ix) none of the Buyer Parties, the Target Companies or their respective Affiliates is under any obligation to continue any aspect of the Target Companies and their Subsidiaries' businesses or to operate the Target Companies, their Subsidiaries or their respective businesses consistent with past practice; (x) none of the Representative (on behalf of itself or any Seller) or any of the Sellers shall have any right to claim or assert any lost Earnout Amount or other damages pursuant to this Agreement or otherwise, including this Section 1.11, as a result of any conduct, decisions or other actions or inactions of the Buyer Parties, the Target Companies or their respective Affiliates (other than a claim for breach of the payment obligations under this Section 1.11 to the extent any Earnout

Amount is payable hereunder and not paid when due and payable); (xi) nothing shall prohibit, prevent or otherwise restrict the Buyer Parties, the Target Companies or their respective Affiliates from incurring any Lien with respect to the Target Companies or their respective Affiliates, any equity interest therein or any asset thereof or otherwise restrict the secured party in whose favor such Lien is granted from enforcing its rights in respect of such Lien. Notwithstanding the foregoing or anything to the contrary herein, the Buyer Parties covenant and agree that during the Earnout Period, the Buyer Parties shall not take any action (including cause the Target Companies or their Subsidiaries to take any action) the principal purpose of which is to avoid and reduce the payment of any Earnout Amount. Notwithstanding anything to the contrary herein or otherwise, the sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) against the Buyer Parties, the Target Companies, the Parent Equityholders or their respective Affiliates for payment of any of the Earnout Amounts is to seek the payment from the Buyer Parties in accordance with this Section 1.11.

(d) Payment of Earnout. No later than the sixtieth (60^{th}) calendar day following the final determination of an applicable Earnout Statement in accordance with this Section 1.11 (such applicable sixtieth (60^{th}) calendar day, the "Earnout Payment Deadline"), if the Representative is entitled to payment under Section 1.11(a), Buyer shall pay (or cause to be paid) such payment. Any such payment in respect of this Section 1.11 shall be made by wire transfer of immediately available funds to such account as may be designated in writing at least two (2) Business Days prior to the applicable Earnout Payment Deadline by the Representative.

(e) The obligations of the Parties under this Section 1.11 shall cease and be of no further force and effect from and after the earliest to occur of (i) the Parent Exit Date and (ii) the date as of which an aggregate amount equal to the sum of the First Earnout Amount and the Second Earnout Amount has been paid hereunder.

1.12. Withholding. Each of Parent, Buyer and the Escrow Agent (and their Affiliates and agents) shall be entitled to deduct and withhold from any payments made pursuant to this Agreement such amounts as it is required to deduct and withhold with respect to the making of any such payment under any applicable Tax law. To the extent that amounts are so withheld, and paid to the proper Governmental Authority pursuant to any applicable Tax law, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to such holder in respect of which such deduction and withholding was made. Before making any deduction or withholding pursuant to this Section 1.12 from any payment by Buyer pursuant to this Agreement, Buyer shall use commercially reasonable efforts to give the Representative reasonable advance notice of any anticipated deduction or withholding and reasonably cooperate with the Representative in good faith to attempt to reduce any amounts that would otherwise be deducted and withheld pursuant to this Section 1.12.

1.13. Rollover. For the avoidance of doubt, no portion of the Estimated Cash Payment shall be payable to the Rollover Investors in respect of their LSL Holdings Units at the Closing. Notwithstanding the foregoing, each Rollover Investor will retain all of the rights of a holder of LSL Holdings Units as of the Closing to receive, following the Closing, the applicable Pro Rata Percentage of the amounts payable, if any, in respect of such LSL Holdings Units upon disbursement of the purchase price adjustment pursuant to the terms of Section 1.08(b).

ARTICLE II
THE CLOSING AND TRANSFER OF PURCHASED SECURITIES

2.01. Closing. The closing of the Sale Transaction (the "Sale Transaction Closing" and together with the Debt Merger Closing, the "Closing") shall take place at the offices of McDermott Will & Emery LLP in Miami, Florida, at 10:00 a.m. Eastern Standard Time, or via remote exchange of documents, on the later to occur of (x) the second (2nd) Business Day following the satisfaction or waiver of all conditions set forth in Article VIII and Article IX (other than conditions with respect to actions the respective Parties will take at the Closing itself or that by their nature or terms are to be satisfied at the Closing; provided that all such conditions are satisfied or (to the extent permitted by applicable Law) waived at the Closing) and (y) the date that is 45 days after the date of this Agreement (or, in the sole discretion of Parent, a shorter number of days elected by Parent in writing at least two Business Days prior to the Closing) or at such other time or place as may be mutually agreed upon by the Parties (the "Closing Date").

2.02. Closing Actions. At the Closing, (a) the Buyer Parties shall deliver the various certificates, instruments and documents referred to in Article IX, and (b) the Sellers will sell, assign, transfer and convey the Purchased Securities, free and clear of all Liens or Restrictions, and deliver the various certificates, instruments and documents referred to in Article VIII.

2.03. Post-Closing Contribution. Immediately following the Sale Transaction Closing, Buyer shall contribute all of its LSL NY Securities to LSL Holdings in exchange for the issuance by LSL Holdings to Buyer of LSL Holdings Units representing the aggregate value of the contributed LSL NY Securities.

ARTICLE III
REPRESENTATIONS AND WARRANTIES OF BUYER PARTIES AND OWNER PARTIES

3.01. Representations and Warranties of the Buyer Parties. Each of the Buyer Parties represents and warrants to the Target Companies and the Owner Parties that, as of the date hereof and as of the Closing Date:

(a) Status. Such Buyer Party is a limited liability company duly organized, validly existing and in good standing under the Laws of the State of Delaware.

(b) Power and Authority. Such Buyer Party has all requisite limited liability company power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. All limited liability company acts or proceedings required to be taken by such Buyer Party to authorize the execution and delivery of this Agreement and the performance of such Buyer Party's obligations hereunder have been properly taken.

(c) Enforceability. This Agreement has been duly authorized, executed and delivered by such Buyer Party and, assuming the due and valid authorization, execution and delivery of this Agreement by the other Parties, this Agreement constitutes the legal, valid and binding obligation of such Buyer Party, enforceable against it in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or

similar Laws affecting or relating to creditors' rights generally and general equitable principles (the "Bankruptcy and Equity Exceptions").

(d) No Violations; Consents and Approvals. The execution and delivery of this Agreement by such Buyer Party, and the consummation by it of the transactions contemplated hereby will not (i) violate any provision of the organizational documents of such Buyer Party, (ii) violate any material Law applicable to, binding upon or enforceable against such Buyer Party, (iii) result in any material breach of, or constitute a material default (or an event which would, with the passage of time or the giving of notice or both, constitute a material default) under, or give rise to a right of payment under or the right to terminate, amend, modify, abandon or accelerate, any Contract to which such Buyer Party is a party or bound, (iv) result in the creation or imposition of any Lien upon any of the material property or material assets of such Buyer Party or (v) other than compliance with the Hart-Scott-Rodino Act and those consents and approvals listed on Schedule 5.02, require the consent or approval of any Governmental Authority or any other Person, except, in the case of clauses (ii) through (v), for any violation (in the case of clause (ii)), any breach, default or right (in the case of clause (iii)), any Lien (in the case of clause (iv)) or any consent or approval for which the failure to obtain such consent or approval (in the case of clause (v)) has not had, and would not reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect.

(e) Brokers. Such Buyer Party has not incurred any obligation for any finder's or broker's or agent's fees or commissions or similar compensation in connection with the transactions contemplated hereby for which the Target Companies may be liable prior to the Closing.

(f) Financing.

(i) Buyer has delivered to the Owner Parties a true, correct, and complete copy of an executed commitment letter from Blackstone Tactical Opportunities Fund III – NQ L.P. and Blackstone Tactical Opportunities Fund III – NQ Lux SCSp (the "Equity Investors"), dated as of the date hereof (the "Equity Commitment Letter", and the commitments thereunder, the "Equity Financing Commitments") (A) providing that the Owner Parties are third party beneficiaries thereof entitled to specific performance and (B) pursuant to which the Equity Investors have committed to provide Buyer (directly or indirectly) with cash in the aggregate amount set forth therein, in each case of clauses (A) and (B), subject to the terms and conditions therein (the "Equity Financing" or the "Financing").

(ii) As of the date of this Agreement, the Equity Commitment Letter is in full force and effect and has not been withdrawn, rescinded, or terminated, or otherwise amended or modified in any respect and is a legal, valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto, enforceable in accordance with its terms, subject to the Bankruptcy and Equity Exceptions. Except for customary engagement letters or customary fee letters with respect to the Financing, there are no other agreements, side letters or arrangements relating to the Equity Financing Commitment that could affect the availability of the Financing or the timing of the Closing other than as expressly set forth in the

Equity Commitment Letter furnished to the Owner Parties pursuant to Section 3.01(f)(i) (none of which impairs or adversely affects the conditionality or enforceability of the Financing). As of the date of this Agreement, (x) Buyer is not in breach of any of the terms or conditions set forth in the Equity Commitment Letter, (y) no event has occurred that, with or without notice, lapse of time or both, would constitute a default or breach on the part of Buyer or any of its Affiliates under any term or condition of the Equity Commitment Letter and (z) Buyer does not have any reason to believe that it shall be unable to satisfy, on a timely basis, any term or condition to the availability or funding of the Financing to be satisfied by it contained in the Equity Commitment Letter, or that the Financing shall not be available in full to Buyer on the Closing Date. Assuming (a) the Financing is funded in accordance with the Equity Commitment Letter on the Closing Date and (b) the satisfaction of the conditions set forth in Article VIII, the aggregate proceeds from the Financing, when funded in accordance with the Equity Commitment Letter on the Closing Date, shall be sufficient for the payment of the Estimated Cash Payment (including the payment of amounts contemplated to be paid by Buyer pursuant to Section 1.08(a)), and the payment of all associated costs and expenses (including the Transaction Expenses and any such costs and expenses incurred by Buyer and related to this Agreement and the transactions contemplated hereby). Buyer has no reason to believe that, as of the date hereof, (x) any fact or occurrence exists that would constitute a default or breach, of a failure of any condition, under the Equity Commitment Letter or otherwise cause the Equity Commitment Letter to be ineffective or (y) any of the conditions to the Financing shall not be satisfied.

(iii) Notwithstanding anything to the contrary contained in this Agreement, the obligations of Buyer under this Agreement and the other agreements contemplated hereby to which Buyer is, or is specified to be, a party are not subject to any conditions regarding Buyer's, its Affiliates' or any other Person's ability to obtain financing for the consummation of the transactions contemplated by this Agreement (including, for the avoidance of doubt, the Equity Financing or any debt financing).

(iv) Concurrently with the execution of this Agreement, the Equity Investors or an Affiliate thereof (the "Guarantors") have duly executed a guaranty with respect to certain payment obligations of Buyer under this Agreement (the "Guaranty") and delivered to the Owner Parties a true, correct and complete copy thereof. As of the date of this Agreement, (w) the Guaranty is in full force and effect and constitutes the valid, binding obligation of the Guarantors enforceable against the Guarantors in accordance with its terms, (x) no event has occurred that, with or without notice, lapse of time or both, would constitute a default or breach on the part of the Guarantors under the Guaranty, (y) the Guaranty has not been withdrawn, rescinded, or terminated, or otherwise amended or modified in any respect (and no such withdrawal, rescission, termination, amendment or modification is contemplated) and (z) there is no fact, occurrence, circumstance or condition that would reasonably be expected to cause the Guaranty to terminate or be withdrawn, modified, repudiated or rescinded or to be or become ineffective.

(g) Due Diligence. Such Buyer Party has completed such investigations of the Target Companies and their Subsidiaries as it deems necessary and appropriate and has received information from the Owner Parties and the Target Companies and their Subsidiaries in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement.

(h) Investment Representation. Buyer is acquiring the Purchased Securities for its own account with the present intention of holding the Purchased Securities for investment purposes and not with a view to or for sale in connection with any public distribution of such securities in violation of any federal or state securities Laws. Buyer is an "accredited investor" as defined in Rule 501 of Regulation D promulgated by the Securities and Exchange Commission under the Securities Act. Buyer understands and acknowledges that (i) none of the Purchased Securities have been registered under the Securities Act or any state or foreign securities Laws, in reliance upon specific exemptions thereunder for transactions not involving any public offering, (ii) none of the Purchased Securities are traded or tradable on any securities exchange or over-the-counter, and (iii) the Purchased Securities may not be sold, transferred, offered for sale, pledged, hypothecated or otherwise disposed of unless such transfer, sale, assignment, pledge, hypothecation or other disposition is pursuant to the terms of an effective registration statement under the Securities Act and are registered under any applicable state or foreign securities Laws or pursuant to an exemption from registration under the Securities Act and any applicable state or foreign securities Laws.

(i) Non-Reliance; Independent Investigation. Such Buyer Party acknowledges and agrees that the representations and warranties made by the Owner Parties and the Target Companies in this Agreement (as qualified by the Disclosure Schedules) or in any ancillary agreement or certificate delivered under this Agreement supersede, replace and nullify in every respect the data set forth in any other document, material or statement, whether written or verbal, made available to such Buyer Party or any of its directors, officers, employees, Affiliates, controlling persons, agents or representatives. Except as expressly set forth in Section 3.02 or Article IV (as qualified by the Disclosure Schedules) or in any ancillary agreement or certificate delivered under this Agreement or in the case of fraud, such Buyer Party acknowledges and agrees that (i) no Owner Party or Target Company is making, nor has made, any promise, guaranty, covenant, representation or warranty, expressed or implied, at law or in equity, in respect of such Person's businesses, assets, liabilities, operations, prospects, or conditions (financial or otherwise), including with respect to merchantability or fitness for any particular purpose of any assets, the nature or extent of any liabilities, the prospects of the business, the effectiveness or the success of any operations, or the accuracy or completeness of any documents, projections, material or other information (financial or otherwise) regarding the Owner Parties or Target Companies furnished, or made available, to such Buyer Party and its representatives in any "data room" or in any other form in expectation of, or in connection with, the transactions contemplated hereby, or in respect of any other matter or thing whatsoever, (ii) no director, officer, employee, Affiliate, controlling person, agent, representative or employee of the Owner Parties or the Target Companies or any of their respective Affiliates has any authority, express or implied, to make any representations, warranties or agreements not specifically set forth in this Agreement and subject to the remedies herein provided, (iii) such Buyer Party specifically disclaims that it is relying, or has relied, upon any such other representations or warranties that may have been made by any Person, and acknowledges and agrees that the Owner Parties and the Target Companies have specifically

disclaimed, and do hereby specifically disclaim, any such other representation or warranty made by any Person (i.e., those not contained in Section 3.02, Article IV or any ancillary agreement or certificate delivered under this Agreement), and (iv) such Buyer Party has conducted, and is relying on, its own investigation of the Owner Parties and the Target Companies.

(j) Solvency. Assuming (a) the representations and warranties set forth in Section 3.02 and Article IV are true and correct in all material respects (without giving effect to any "Knowledge", "material" or "Material Adverse Effect" qualifications or exceptions) and (y) the estimates, projections and forecasts provided to the Buyer Parties have been prepared in good faith on assumptions that were and continue to be reasonable, immediately after giving effect to the transactions contemplated by this Agreement, Parent, the Target Companies and their respective Subsidiaries, taken as a whole, shall (i) be able to pay their respective debts as they become due; (ii) own property which has a fair saleable value greater than the amounts required to pay their respective debts (including a reasonable estimate of the amount of all contingent liabilities); and (iii) have adequate capital to carry on their respective businesses. No transfer of property is being made and no obligation is being incurred in connection with the transactions contemplated by this Agreement with the intent to hinder, delay or defraud either present or future creditors of Parent, Buyer and the Target Companies.

(k) Litigation. There are no actions, suits or proceedings pending or, to Buyer's actual knowledge, expressly threatened in writing against such Buyer Party, at law or in equity, or before or by any Governmental Authority, which reasonably would be expected to affect the legality, validity or enforceability of this Agreement or which has had or would reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect.

(l) NO OTHER REPRESENTATIONS AND WARRANTIES. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS SECTION 3.01, SUCH BUYER PARTY ACKNOWLEDGES ANDS AGREES THAT NONE OF THE OWNER PARTIES, THE TARGET COMPANIES, THEIR SUBSIDIARIES NOR ANY OTHER PERSON MAKES ANY REPRESENTATIONS OR WARRANTIES, WRITTEN OR VERBAL, STATUTORY, EXPRESS OR IMPLIED, WITH RESPECT TO THE TARGET COMPANIES, THEIR SUBSIDIARIES OR THEIR RESPECTIVE BUSINESS, OPERATIONS, ASSETS, STOCK, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE) OR PROSPECTS. EXCEPT IN THE CASE OF FRAUD, SUCH BUYER PARTY HEREBY EXPRESSLY WAIVES ANY CLAIMS AND CAUSES OF ACTION AND ANY OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED, AT COMMON LAW, BY STATUTE OR OTHERWISE IN EACH CASE RELATING TO THE ACCURACY, COMPLETENESS OR MATERIALITY OF ANY INFORMATION, DATA OR OTHER MATERIALS (WRITTEN OR VERBAL) HERETOFORE FURNISHED TO SUCH BUYER PARTY AND ITS REPRESENTATIVES BY OR ON BEHALF OF THE OWNER PARTIES, THE TARGET COMPANIES OR THEIR SUBSIDIARIES OTHER THAN THE REPRESENTATIONS AND WARRANTIES SET FORTH IN SECTION 3.02 OR Article IV (AS QUALIFIED BY THE DISCLOSURE SCHEDULES) OR SET FORTH IN ANY ANCILLARY AGREEMENT OR CERTIFICATE DELIVERED UNDER THIS AGREEMENT. WITHOUT LIMITING THE FOREGOING AND EXCEPT TO THE EXTENT EXPRESSLY ADDRESSED IN THE REPRESENTATIONS AND WARRANTIES SET FORTH IN SECTION 3.02 OR Article IV (AS QUALIFIED BY THE DISCLOSURE SCHEDULES) OR IN ANY

ANCILLARY AGREEMENT OR CERTIFICATE DELIVERED UNDER THIS AGREEMENT, NONE OF THE OWNER PARTIES, THE TARGET COMPANIES, THEIR SUBSIDIARIES NOR ANY OTHER PERSON IS MAKING ANY REPRESENTATION OR WARRANTY TO SUCH BUYER PARTY WITH RESPECT TO ANY FINANCIAL PROJECTION OR FORECAST RELATING TO THE BUSINESS, OPERATIONS, ASSETS, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE) OR PROSPECTS OF THE TARGET COMPANIES OR THEIR SUBSIDIARIES. EXCEPT IN THE CASE OF FRAUD, NONE OF THE OWNER PARTIES, THE TARGET COMPANIES, THEIR SUBSIDIARIES NOR ANY OTHER PERSON WILL HAVE OR BE SUBJECT TO ANY LIABILITY TO SUCH BUYER PARTY OR ANY OF ITS AFFILIATES OR EQUITY HOLDERS OR ANY OTHER PERSON RESULTING FROM THE DISTRIBUTION TO SUCH BUYER PARTY, OR ITS REPRESENTATIVES, OR SUCH BUYER PARTY'S OR ITS REPRESENTATIVE'S USE OF, ANY SUCH PROJECTION OR FORECAST AND ANY INFORMATION, DOCUMENT OR MATERIAL MADE AVAILABLE TO SUCH BUYER PARTY OR ITS REPRESENTATIVE'S OR THEIR RESPECTIVE AFFILIATES IN CERTAIN "DATA ROOMS," MANAGEMENT PRESENTATIONS OR ANY OTHER FORM IN EXPECTATION OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

3.02. Representations and Warranties of the Owner Parties. Each Owner Party represents and warrants to the Buyer Parties that, as of the date hereof and as of the Closing Date:

(a) Status. Section 3.02(a) of the Disclosure Schedule sets forth the legal form (if applicable) of such Owner Party and such Owner Party's jurisdiction of formation or organization (if applicable). Such Owner Party is duly organized, validly existing and in good standing under the laws of its respective jurisdiction of formation or organization (if applicable) listed opposite such Owner Party's name on Section 3.02(a) of the Disclosure Schedule.

(b) Power and Authority. Such Owner Party has all requisite limited liability company power, partnership power, trust power, or legal capacity, as applicable, and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. (c) Enforceability. This Agreement has been duly authorized, executed and delivered by such Owner Party. Assuming the due and valid authorization, execution and delivery of this Agreement by the other Parties, this Agreement constitutes the legal, valid and binding obligation of such Owner Party, enforceable against such Owner Party in accordance with its terms, except as enforceability may be limited by the Bankruptcy and Equity Exceptions.

(d) No Violations; Consents and Approvals. Except as set forth on Section 3.02(d) of the Disclosure Schedule, the execution and delivery of this Agreement by such Owner Party, and the consummation by such Owner Party of the transactions contemplated hereby will not (i) violate any provision of the organizational documents of such Owner Party, (ii) violate in any material respect any Law applicable to, binding upon or enforceable against such Owner Party, (iii) result in any material breach of, or constitute a material default (or an event which would, with

the passage of time or the giving of notice or both, constitute a material default) under, or give rise to a right of payment under or the right to terminate, amend, modify, abandon or accelerate, any Contract to which such Owner Party is a party or bound, (iv) result in the creation or imposition of any Lien upon any of Purchased Securities held (directly or indirectly) by such Owner Party or (v) other than compliance with the Hart-Scott-Rodino Act and those consents and approvals listed on Schedule 5.02, require the consent or approval of any Governmental Authority or any other Person, and those consents and approvals listed on Schedule 5.02, except, in the case of clauses (ii), (iii) and (v), for any violation (in the case of clause (ii)), any breach, default or right (in the case of clause (iii)) or any consent or approval for which the failure to obtain such consent or approval (in the case of clause (v)) would not reasonably be expected, individually or in the aggregate, to materially impair or materially delay such Owner Party's ability to perform its obligations hereunder.

(e) Brokers. Except as set forth on Section 3.02(e) of the Disclosure Schedule, such Owner Party has not incurred any obligation for any finder's or broker's or agent's fees or commissions or similar compensation in connection with the transactions contemplated hereby for which any Buyer Parties or any Target Company may be liable after the Closing other than to UBS Securities LLC. A true and correct copy of the Contract setting forth all arrangements and obligations with UBS Securities LLC (other than the fee amounts set forth therein, which have been redacted) has been made available to the Buyer Parties (such Contract, the "UBS Engagement Letter").

(f) Purchased Securities. Section 3.02(f)(ii) of the Disclosure Schedule sets forth the record and beneficial owner of the Purchased Securities as of the date hereof. Such Owner Party is not a party to any voting trust, proxy or other Contract with respect to the voting of any Purchased Securities.

(g) NO OTHER REPRESENTATIONS AND WARRANTIES. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS SECTION 3.02 OR Article IV (AS QUALIFIED BY THE DISCLOSURE SCHEDULES), OR SET FORTH IN ANY ANCILLARY AGREEMENT OR CERTIFICATE DELIVERED UNDER THIS AGREEMENT, NO OWNER PARTY NOR ANY OTHER PERSON MAKES ANY REPRESENTATIONS OR WARRANTIES, WRITTEN OR VERBAL, STATUTORY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY OWNER PARTY OR ITS BUSINESS, OPERATIONS, ASSETS, STOCK, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE) OR PROSPECTS. ANCILLARY AGREEMENT OR CERTIFICATE DELIVERED UNDER THIS AGREEMENT. WITHOUT LIMITING THE FOREGOING, NO OWNER PARTY NOR ANY OTHER PERSON IS MAKING ANY REPRESENTATION OR WARRANTY TO THE BUYER PARTIES WITH RESPECT TO ANY FINANCIAL PROJECTION OR FORECAST RELATING TO THE BUSINESS, OPERATIONS, ASSETS, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE) OR PROSPECTS OF ANY OWNER PARTY. EXCEPT IN THE CASE OF FRAUD, NO OWNER PARTY NOR ANY OTHER PERSON WILL HAVE OR BE SUBJECT TO ANY LIABILITY TO THE BUYER PARTIES OR ANY OF ITS AFFILIATES OR EQUITY HOLDERS OR ANY OTHER PERSON RESULTING FROM THE DISTRIBUTION TO THE BUYER PARTIES OR THEIR REPRESENTATIVES, OR THE BUYER PARTIES' OR THEIR REPRESENTATIVE'S USE OF, ANY SUCH PROJECTION OR FORECAST AND ANY INFORMATION, DOCUMENT OR MATERIAL MADE AVAILABLE TO THE BUYER PARTIES OR THEIR REPRESENTATIVE'S OR THEIR RESPECTIVE AFFILIATES IN CERTAIN "DATA ROOMS," MANAGEMENT PRESENTATIONS OR ANY OTHER FORM IN EXPECTATION OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

The Target Companies are legally qualified to transact business as foreign companies in all jurisdictions where the nature of their properties or the conduct of their business as now conducted require such qualification, except where the failure to be so qualified has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Target Companies have delivered to the Buyer Parties accurate and complete copies of the organizational documents of the Target Companies.

4.02. Power and Authority. The Target Companies have all limited liability company power and authority to execute and deliver this Agreement, to perform their obligations hereunder and to consummate the transactions contemplated hereby. 4.03. Enforceability. This Agreement has been duly authorized, executed and delivered by the Target Companies and, assuming the due and valid authorization, execution and delivery of this Agreement by the other Parties, this Agreement constitutes the legal, valid and binding obligation of the Target Companies, enforceable against it in accordance with its terms, except as enforceability may be limited by the Bankruptcy and Equity Exceptions.

4.04. Capitalization; Stock Ownership. Other than the Purchased Securities, there will be no other equity interests or other equity securities of the Target Companies issued or outstanding following the Reorganization. Except as contemplated by this Agreement (including with respect to the Reorganization) or as set forth on Section 4.04 of the Disclosure Schedule, there are no (x) outstanding rights, options, warrants, convertible securities, subscription rights, conversion rights, exchange rights, purchase rights or other rights or commitments relating to any equity interests of any Target Company, (y) Contracts, commitments, understandings or other agreements that require any Target Company to issue or sell (or make any payment in respect of the value of) any equity interests (or securities convertible into or exchangeable for equity interests) or to redeem or otherwise acquire any of its outstanding equity interests or (z) authorized or outstanding bonds, debentures, notes or other indebtedness the holders of which have the right to vote (or convertible into, exchangeable for, or evidencing the right to subscribe for or acquire securities having the right to vote) with the holders of the equity interests of any Target Company on any matter. The Purchased Securities will be free and clear of all Liens and Restrictions at Closing. No Target Company has violated any preemptive or other similar rights of any Person in connection with the issuance, repurchase or redemption of any of its equity interests.

4.05. Subsidiaries.

(a) Section 4.05(a)(i) of the Disclosure Schedule sets forth a true and complete list of each Subsidiary (if any) of each Target Company as of the Closing, together with the jurisdiction of organization or formation of each such Subsidiary. The capitalization of each such Subsidiary is as set forth on Section 4.05(a)(ii) of the Disclosure Schedule. A Target Company, or a Subsidiary of a Target Company, as applicable, is the record owner of all of the outstanding equity interests of the Subsidiary of a Target Company set forth opposite its name on Section 4.05(a)(ii) of the Disclosure Schedule, and all such equity interests are validly issued, fully paid and non-assessable (to the extent such concept is applicable to such equity interests). No Target Company nor any of its Subsidiaries owns or holds the right to acquire any stock, partnership interest, joint venture interest or other equity ownership interest in any other Person. There are no (A) outstanding rights, options, warrants, convertible securities, subscription rights, conversion rights, exchange rights, purchase rights or other rights or commitments relating to any equity interests of any Subsidiary of a Target Company, or Contracts, commitments, understandings or other agreements that require any Subsidiary of a Target Company to issue or sell (or make any payment in respect of the value of) any of its equity ownership interests (or securities convertible into or exchangeable for shares of their equity ownership interests), (B) preemptive rights or other similar rights in respect of any equity interests in any Subsidiary of a Target Company, (C) outstanding or authorized stock appreciation, phantom stock, profit participation, or other similar rights with respect to any

(b) Each of the Subsidiaries of the Target Companies is duly formed or organized, validly existing and in good standing (to the extent such concept is applicable) under the applicable laws of its jurisdiction of formation or organization. The Subsidiaries of the Target Companies have all requisite limited liability company or other applicable power and authority to own or lease its properties, rights and assets and to carry on their business as now being conducted. Such Subsidiaries are legally qualified to transact business as a foreign entity in all jurisdictions where the nature of their properties or the conduct of their business as now conducted requires such qualification, except where the failure to be so qualified has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(c) Each of LSL GP and LSL Holdings was formed solely for the purpose of effecting the transactions contemplated by this Agreement and has not engaged in any business or other activities or conducted any operations other than in connection with the transactions contemplated by this Agreement. Prior to giving effect to the Reorganization, neither LSL GP nor LSL Holdings have any Subsidiaries. At all times prior to the consummation of the Reorganization, neither LSL GP nor LSL Holdings has had any assets or liabilities (other than obligations pursuant to this Agreement).

(d) LSL has not engaged in any business or other activities or conducted any operations other than holding equity interests in LSL LLC and in connection with the transactions contemplated by this Agreement. At all times prior to the consummation of the Reorganization, LSL has not had any assets (other than its equity interests in LSL LLC) or liabilities (other than obligations pursuant to this Agreement).

4.06. No Violation; Consents and Approvals. The execution and delivery of this Agreement by the Target Companies does not, and the consummation by them of the transactions contemplated hereby will not violate, or result in a default under, any provision of the organizational documents of the Target Companies. Except as set forth on Section 4.06 of the Disclosure Schedule and except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect, the execution and delivery of this Agreement by the Target Companies does not, and the consummation by them of the transactions contemplated hereby will not (a) violate any Law applicable to, binding upon or enforceable against the Target Companies, (b) result in any breach of, or constitute a default (or an event which would, with the passage of time or the giving of notice or both, constitute a default) under, or give rise to a right of payment under or the right to terminate, amend, modify, abandon or accelerate, any Material Contract, (c) result in the creation or imposition of any Lien upon any of the property or assets of the any Target Company, or (d) other than compliance with the Hart-Scott-Rodino Act and those consents and approvals listed on Schedule 5.02, require the consent or approval of any Governmental Authority.

4.07. Financial Statements. Attached as Section 4.07 of the Disclosure Schedule are copies of (a) the audited combined balance sheets, statements of operations, statement of members' equity and statements of cash flows of the LSL Holdcos (other than LSL) and LSL LLC (such entities, collectively, the "LSL Opcos") as of and for the fiscal years ended December 31, 2018, December 31, 2019 and December 31, 2020 (collectively, the "Year-End Financial Statements") and (b) the unaudited combined balance sheet as of June 30, 2021 (the "Latest Balance Sheet") and the related income statement of the LSL Opcos for the six (6) month period ended June 30, 2021 (the "Interim Financial Statements" and collectively with the Year-End Financial Statements, the "Financial Statements"). The Financial Statements fairly present, in accordance with the past practice of the LSL Opcos, in all material respects the financial position of the LSL Opcos at each of the balance sheet dates and the results of operations for each of the periods covered thereby. The Financial Statements have been prepared in accordance with GAAP, in all material respects, as consistently applied by the LSL Opcos, except that the Interim Financial Statements do not contain footnote disclosures and other presentation items. All accounts receivable of the LSL Opcos constitute bona fide receivables resulting from the sale of inventory, vendor rebates or other services or other obligations in favor of the LSL Opcos as to which performance has been fully rendered. Each of the LSL Opcos maintain systems of internal accounting controls that are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP in all material respects. There are no material weaknesses or significant deficiencies (as such terms are defined in Regulation S-X) in any of the LSL Opcos' internal controls likely to adversely affect in any material respect such LSL Opco's ability to record, process, summarize and report financial information. Since January 1, 2018, there has not been any fraud, whether or not material, that involves management or other employees of any of the LSL Opcos who have a significant role in such LSL Opco's internal control over financial reporting.

The Buyer Parties, the Sellers, and the Target Companies shall promptly furnish to each other all information required for any application or other filing to be made by the other pursuant to any applicable Law in connection with the transactions contemplated by this Agreement. including (A) cooperating in all respects with each other in connection with any investigation or other inquiry, (B) keeping each party promptly informed of any material communication received by the other party or any of its Subsidiaries from any Governmental Authority, including the Federal Trade Commission or U.S. Department of Justice or similar foreign Governmental Authority, regarding any of the transactions contemplated hereby, (C) providing each party with a reasonable opportunity to (1) review all proposed communications by the other party with any Governmental Authority, (2) consult with the other party prior to any meeting or conference with any Governmental Authority, and (3) to the extent permitted by such Governmental Authority, permitting the other party to attend and participate in such meetings or conferences, and (D) providing such other information and assistance as the other party may reasonably request in connection with the foregoing.

(c) Other than as set forth in Section 5.03(d), the Parties' obligations in this Section 5.03 are cumulative, and a Party's obligations in any specific clause of this Section 5.03 shall not be interpreted to limit in any way the Parties' obligations in any other clause.

(d) Notwithstanding anything in this Section 5.03 or any other provision of this Agreement, nothing in this Agreement (including this Section 5.03) will require the Buyer Parties or any of its Affiliates to take or commit to take any action, including any action contemplated by Section 5.03(b), (1) unless such action is conditioned on the occurrence of the Closing or is only effective after the Closing or (2) with respect to any of the Buyer Parties' Affiliates (including Blackstone Inc. ("Blackstone") and any investment funds or investment vehicles Affiliated with, or managed or advised by Affiliates of, Blackstone or any portfolio company (as such term is commonly understood in the private equity industry) or investment of Blackstone or of any such investment fund or investment vehicle); or any interest therein, other than with respect to the Target Companies. 5.04. Conduct of the Business.

(a) From the date hereof until the Closing Date, except as set forth on Schedule 5.04(a) and except as otherwise expressly required by this Agreement, pursuant to the Reorganization, required by Law or consented to in writing by Parent (which consent will not be unreasonably withheld, delayed or conditioned), the Target Companies and their Subsidiaries shall each (i) use its commercially reasonable efforts to carry on its business in the ordinary course of business and substantially in the same manner as previously conducted, except any action reasonably taken in response to COVID-19 (including to comply with Laws resulting from or relating to COVID-19) shall not result in a violation of this clause (i), and (ii) not take any action that would result in a violation of Section 4.09 of this Agreement; provided, however, that, notwithstanding the foregoing clause (i) or (ii), the Target Companies and their Subsidiaries may use all available cash to repay any Funded Debt and Transaction Expenses prior to the Closing.

(b) Notwithstanding anything to the contrary in this Agreement, between the Measurement Time and the Closing, none of the Target Companies or their Subsidiaries shall take any action (or omit to take any action) with the purpose of modifying the Cash Amount or Working Capital (in each case as if such amounts were measured as of immediately prior to the Closing

rather than as of the Measurement Time) in order to increase the Cash Payment payable to Representative (or Sellers).

(c) Nothing in this Section 5.04 is intended to result in the Sellers, the Target Companies, or the Subsidiaries of the Target Companies ceding control to the Buyer Parties of the Target Companies' or the Subsidiaries of the Target Companies' basic ordinary course of business and commercial decisions prior to the Closing Date.

5.05. Access to Information. From the date hereof until the Closing Date, the Target Companies shall provide the Buyer Parties and their authorized agents and representatives reasonable access at reasonable times during normal business hours, and upon reasonable notice, to the executive officers, properties and books and records of the Target Companies and their Subsidiaries; provided that (a) such access shall be coordinated on reasonable advance notice, (b) such access shall be subject to the reasonable security measures and insurance requirements of each Target Company and their Subsidiaries and shall not unreasonably interfere with the operations of any Target Company or any Subsidiary of the Target Companies, (c) except for communications unrelated to the transactions contemplated by this Agreement or for general market diligence, which market diligence shall not reference the identities of the Buyer Parties or their Affiliates or solely the Target Companies or their Affiliates to the exclusion of other businesses in the applicable market, the Buyer Parties and their authorized agents and representatives shall not contact or otherwise communicate with the customers or suppliers of the Target Companies or their Subsidiaries unless, in each instance, approved in writing in advance by the Target Companies or the Representative and (d) nothing herein shall require the Sellers or the Target Companies to furnish to the Buyer Parties or provide the Buyer Parties with access to information that legal counsel for the Sellers or the Target Companies reasonably conclude may give rise to antitrust or competition Law issues or that is subject to attorney-client privilege; provided, that the Sellers and the Target Companies will reasonably cooperate with the Buyer Parties to attempt to find a way to allow disclosure of such information to the extent doing so would not (in the reasonable judgment of the Sellers and the Target Companies after consultation with counsel) reasonably be likely to violate any Law or result in the loss of any attorney-client privilege.

5.06. Exclusivity. During the period from the date hereof through the Closing Date or the earlier termination of this Agreement pursuant to Section 12.01, the Owner Parties and the Target Companies shall not, and shall direct their respective Affiliates, directors, officers, employees, investment bankers and other representatives not to, (a) solicit, initiate or knowingly encourage the initiation of any Acquisition Proposal or (b) participate in any discussions or negotiations with any third party regarding, or furnish to any third party any information in connection with, any Acquisition Proposal. In furtherance of the foregoing, promptly after the execution of this Agreement, the Target Companies shall request that each Person that received confidential information (other than the Buyer Parties and their representatives) in connection with any Acquisition Proposal return or destroy such information in accordance with the confidentiality agreement entered into by such Person.

5.07. Confidentiality Agreement. The Parties acknowledge and agree that as of the date hereof, and continuing through the Closing Date, the Parties and each of their respective Affiliates, employees and advisors are and remain bound to the confidentiality agreement executed on June

25, 2021 by the Parties (or on their behalf) (the "Confidentiality Agreement"); provided, further, that the Confidentiality Agreement is hereby amended to permit any investor, potential investor, funding source or insurer to be a "Representative" of a party or a party's Affiliates (without any further action or consent on the part of any Person).

5.08. Financing.

(a) Buyer acknowledges that it shall be fully responsible for obtaining the Equity Financing and shall take (or cause to be taken) all actions, and do (or cause to be done) all things, necessary, proper or advisable to obtain the Equity Financing, including taking all actions necessary to (i) maintain in effect the Equity Commitment Letter in accordance with the terms thereof, (ii) satisfy on a timely basis all conditions in such Equity Commitment Letter, (iii) consummate the Equity Financing at or prior to the Closing and (iv) fully enforce its rights under the Equity Commitment Letter. Prior to the Closing, Buyer shall not agree to, or permit, any amendment or modification of, or waiver under, the Equity Commitment Letter without the prior written consent of the Owner Parties.

(b) Buyer acknowledges and agrees that the obtaining of the Financing is not a condition to the Closing, and reaffirms its obligations under this Section 5.08.

5.09. Assistance with Financing.

(a) The Target Companies agree (and shall cause their Subsidiaries and their respective officers, directors, managers, employees, accountants, consultants, legal counsel, agents and other representatives) to use best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable and cooperate with the Buyer Parties in respect of all cooperation reasonably requested by any of the Buyer Parties and/or the Debt Financing Sources to the extent customary in connection with the arrangement of any potential debt financing for the transactions contemplated hereby that may be sought by the Buyer Parties or their Affiliates, including any potential debt financing of Debt Merger Sub (the "Debt Financing"), including (i) having senior management assist in preparation for and participation in a reasonable number of lender marketing meetings and calls and a reasonable number of other due diligence sessions with prospective lenders and ratings agencies in each case in connection with obtaining the Debt Financing, (ii) assisting with the preparation of customary materials for rating agency presentations, bank information memoranda, lender presentations, and similar documents in connection with the Debt Financing, including execution and delivery of customary representation and authorization letters in connection with bank information memoranda (authorizing the distribution of information to prospective lenders or investors and containing customary representations, including with respect to the presence or absence of material nonpublic information about the Target Companies and their Subsidiaries and regarding the accuracy of the information provided by, or with respect to, the Target Companies and their Subsidiaries), (iii) furnishing the Buyer Parties and the Debt Financing Sources as promptly as reasonably practicable with financial and other pertinent information regarding the Target Companies and their Subsidiaries as may be reasonably requested by the Buyer Parties to the extent available and customarily included in a bank information memorandum or lender presentation in connection with the arrangement of financings similar to the Debt Financing, including (x) the unaudited consolidated balance sheets of the Target Companies and their Subsidiaries as of the end of, and

the related consolidated statements of income and cash flows of the Target Companies and their Subsidiaries for, any fiscal quarter occurring after September 30, 2021 and ending forty-five (45) days prior to the Closing Date, (y) the audited consolidated balance sheets of the Target Companies and their Subsidiaries as of the end of, and the related consolidated statements of income and cash flows of the Target Companies and their Subsidiaries for the fiscal year ending December 31, 2021 if ending ninety (90) days prior to the Closing Date and (z) financial information necessary for the Buyer Parties to prepare a pro forma balance sheet and related pro forma statement of income for Target Companies as of and for the twelve (12)-month period ending on the last day of the most recently completed four-fiscal quarter period ended prior to the Closing; provided, that the such information shall not include, and the Buyer Parties shall be responsible for, any post-Closing or pro forma cost savings, synergies, capitalization, ownership, or other post-Closing pro forma adjustments desired to be incorporated into any information used in connection with the Debt Financing, (iv) providing such corporate resolutions, certificates and other documents (which may state that they are conditioned on the occurrence of the Closing) and customary corporate authorizations as may be reasonably requested by the Buyer Parties in connection with the Debt Financing (including a certificate of the chief financial officer of the Target Companies with respect to solvency matters as of the Closing on a pro forma basis), (v) obtaining such consents, approvals and authorizations which may be reasonably requested by the Buyer Parties in connection with the Debt Financing and collateral arrangements in connection therewith solely to the extent such consents, approvals or authorizations are conditions to the closing of the Debt Financing, (vi) providing pertinent and customary information regarding the Target Companies and their Subsidiaries, including information required under "know your customer", anti-money laundering rules and beneficial ownership rules and regulations, and other pertinent financial information and (vii) assisting in making arrangements for the pledge and perfection of liens (including the release, identification, grant or perfection of any liens on the assets of the Target Companies and any of their Subsidiary) and the providing of guarantees supporting the Debt Financing that are required for closing under the Debt Financing; provided, that, in each case of the foregoing clauses, (A) neither the Target Companies, nor any of their Subsidiaries nor any of their respective officers, directors, managers, employees, accountants, consultants, legal counsel, agents and other representatives shall be required to pay (or agree to pay) any commitment or other fee, provide any indemnities or incur any liability or enter into any agreement in connection with the Debt Financing (other than agreements entered into and liability incurred by the Target Companies and their Subsidiaries that only become effective upon the consummation of the Closing), (B) no personal liability shall be imposed on the officers, directors, managers, employees, accountants, consultants, legal counsel, agents or other representatives of the Target Companies or any of their Subsidiaries involved, and (C) the Target Company and their Subsidiaries and their respective officers and employees shall not be required to take any action that would unreasonably interfere with the operation of the business of the Target Companies and their Subsidiaries. The Target Companies and their Subsidiaries hereby consent to the use of their logos solely in connection with the Debt Financing.

(b) The Buyer Parties shall promptly, upon request by the Target Companies, reimburse the Target Companies, their Subsidiaries and their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives for all reasonable out-of-pocket and documented costs and expenses incurred by them in connection with the cooperation of the Target Companies, their Subsidiaries, and their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives contemplated by

this Section 5.09. The Buyer Parties shall indemnify, defend, and hold harmless the Target Companies, their Subsidiaries and their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives from and against any and all damages, liabilities, claims, actions or other actual losses arising in whole or in part out of actions or omissions undertaken by the Target Companies, their Subsidiaries and their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives pursuant to this Section 5.09; provided, that the Buyer Parties shall not have any obligation to indemnify and hold harmless any such party to the extent that any such damages, liabilities, claims, actions or other actual losses suffered or incurred arose from (A) information provided by the Target Companies, their Subsidiaries or their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives; or (B) the gross negligence, bad faith or willful misconduct by any of the Target Companies, their Subsidiaries or their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives.

Except as set forth on Schedule 5.10, the Owner Parties and the Target Companies shall, prior to the Closing, terminate or settle in full (without any payments by any Buyer Party or any Target Company or any of its Subsidiaries) all Related Party Arrangements, pursuant to documentation that is reasonably acceptable to Buyer such that as of the Closing, all such contracts, transactions, or other obligations or liabilities shall be of no further force or effect and without any liability to any Buyer Party or any Target Company or any of its Subsidiaries notwithstanding any terms thereof to the contrary.

ARTICLE VI
POST-CLOSING COVENANTS

The Parties agree as follows with respect to the period following the Closing:

6.01. Further Assurances. From and after the Closing, upon the reasonable request of the other Party and at such requesting Party's expense, each of the Buyer Parties, the Target Companies, the Owner Parties and the Representative shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, all such further documents and instruments and shall take, or cause to be taken, all such further actions as the requesting Party may reasonably deem necessary or desirable to evidence and effectuate the transactions contemplated by this Agreement.

6.02. Director and Officer Liability and Indemnification.

(a) For a period of six (6) years after the Closing, Parent shall not, and shall not permit the Target Companies or any of their Subsidiaries to, amend, repeal or modify any provision in the Target Companies' or any of their Subsidiaries' organizational documents relating to the exculpation or indemnification of any officers, directors or managers (unless required by Law), it being the intent of the Parties that the officers, directors and managers of the Target Companies and their Subsidiaries shall continue to be entitled to such exculpation and indemnification to the full extent of the Law (it being expressly agreed that the officers, directors and managers to whom this Section 6.02 applies shall be third party beneficiaries of this Section 6.02, each of whom may enforce the provisions of this Section 6.02). Parent shall pay all reasonable costs and expenses,

including attorney's fees that may be incurred by any such officer, director or manager in enforcing this Section 6.02.

(b) Parent shall, or shall cause the Target Companies and their Subsidiaries, as applicable, to, at Parent's expense, at the Closing obtain and fully pay for, and following the Closing, maintain in effect, a director and officer liability run-off policy, providing coverage for a coverage period of at least six (6) years from the Closing Date to the individuals who were officers, directors or managers of the Target Companies or their Subsidiaries prior to Closing, comparable to the coverage provided as of the date hereof under the policy or policies maintained by the Target Companies or their Subsidiaries, as applicable, for the benefit of such individuals; provided that Parent shall not be required to pay for such "tail" insurance policies an aggregate amount in excess of 250% of the last annual premium paid by the Target Companies for directors' and officer's liability insurance; provided, further, that if the aggregate cost of such "tail" insurance policies would exceed such amount, Parent shall only be required to obtain "tail" insurance policies with the greatest coverage available for a cost not exceeding such amount. Parent will not, and will cause the Target Companies and their Subsidiaries not to, cancel or change such insurance policies in any respect. Parent will make available to the Sellers and any officers, directors or managers covered under such policies, upon request, proof of compliance with this Section 6.02(b).

(c) In the event that all or substantially all of the equity or assets of the Target Companies or their Subsidiaries are sold, or the Target Companies or any of their Subsidiaries merges or otherwise combines with another Person, in each case whether in one transaction or a series of transactions, then Parent will cause the successors and assigns of the Target Companies or their Subsidiaries, as applicable, to assume the obligations set forth in this Section 6.02 (to the extent not assumed by operation of law). The provisions of this Section 6.02(c) will apply to all of the successors and assigns of the Target Companies and their Subsidiaries.

6.03. Access to Books and Records. From and after the Closing, Parent shall, and shall cause the Target Companies and their Subsidiaries to, provide the Owner Parties and its authorized representatives with reasonable access (for the purpose of examining and copying), during normal business hours, to the books and records of the Target Companies and their Subsidiaries with respect to periods prior to the Closing Date to the extent reasonably required for its accounting, Tax or legal defense needs. Nothing herein shall require the Buyer Parties, the Target Companies or their Subsidiaries to furnish to the Owner Parties or its authorized representatives with access to information that legal counsel for Parent or the Target Companies reasonably concludes may give rise to antitrust or competition Law issues or that is subject to attorney-client privilege; provided, that Parent and the Target Companies will reasonably cooperate with the Owner Parties to attempt to find a way to allow disclosure of such information to the extent doing so would not (in the reasonable judgment of Parent and the Target Companies after consultation with counsel) reasonably be likely to violate any Law or result in the loss of any attorney-client privilege. Unless otherwise consented to in writing by the Representative, Parent shall not permit the Target Companies or their Subsidiaries, for a period of seven (7) years following the Closing Date (or for such longer period that may be required under applicable Law), to destroy or otherwise dispose of any books and records of the Target Companies or their Subsidiaries, or any portions thereof, relating to periods prior to the Closing Date without first giving reasonable prior written notice to the Representative (on behalf of the Sellers) and offering to surrender to the Owner Parties such books and records or such portions thereof.

6.04. Employees; Benefits.

(a) Parent shall not, at any time prior to ninety (90) days after the Closing Date, effectuate a "mass layoff" as that term is defined in the WARN Act, affecting in whole or in part any persons who were employed by the Target Companies or any of their Subsidiaries immediately preceding the Closing Date, including those on vacation, leave of absence or disability (the "Company Employees") or any facility, site of employment or operating unit of the Target Companies or any of their Subsidiaries without complying fully with the requirements of the WARN Act.

(b) For all purposes under the employee benefit plans of Parent providing benefits after the Closing Date, each Company Employee shall be credited with his or her years of service with the Target Companies or the applicable Subsidiary of the Target Companies before the Closing Date, to the same extent as such Company Employee was entitled, before the Closing Date, to credit for such service under any similar Plans, except (x) to the extent such credit would result in a duplication of benefits or (y) for benefit accruals under any defined benefit pension plan or for purposes of qualifying for subsidized early retirement benefits. In addition, and without limiting the generality of the foregoing: (i) Parent shall use commercially reasonable efforts to cause each Company Employee to be immediately eligible to participate, without any waiting time, in any and all employee benefit plans sponsored by Parent and its Subsidiaries for the benefit of employees (such plans, collectively, the "New Plans") to the extent coverage under such New Plan replaces coverage under a comparable Plan in which such Company Employee participated immediately before the Closing Date (such Plans, collectively, the "Old Plans"), and (ii) for purposes of each New Plan providing medical, dental, pharmaceutical or vision benefits to any Company Employee, Parent shall use commercially reasonable efforts to cause all pre-existing condition exclusions and actively-at-work requirements of such New Plan to be waived for such Company Employee and his or her covered dependents, and Parent shall use commercially reasonable efforts to cause any eligible expenses incurred by such Company Employee and his or her covered dependents during the portion of the plan year of the Old Plan ending on the date such Company Employee's participation in the corresponding New Plan begins to be taken into account under such New Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Company Employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Plan.

(c) Before the Closing, the Target Companies shall use commercially reasonable efforts to seek, prior to the initiation of the approval by the stockholders described in the next sentence, from each Person to whom any payment or benefit is required or proposed to be made that could constitute "parachute payments" under Section 280G(b)(2) of the Code, a written agreement waiving such Person's right to receive or retain some or all of such payment or benefit (such amounts, the "Waived Benefits"), to the extent necessary so that all remaining payments and benefits applicable to such Person shall not be deemed a parachute payment, and accepting in substitution for the Waived Benefits, the right to receive the Waived Benefits only if approved by the stockholders in a manner that complies with Section 280G(b)(5) of the Code (the "280G Stockholder Vote"). Before the Closing, with respect to each "disqualified individual" (as defined in Section 280G(c) of the Code) (each, a "Disqualified Individual") from which the Target Companies have obtained any necessary waivers and consents, the Target Companies will take all necessary actions to submit for approval by the members of such Target Companies, in a manner

that satisfies Section 280G(b)(5) of the Code, the right of each such Disqualified Individual to receive or retain, as applicable, that portion of any payments and benefits (whether in cash or property or the vesting of property) that, together with any other payments and benefits the applicable Disqualified Individual may become entitled to receive that may be considered "parachute payments" under Section 280G(b)(2) of the Code ("Section 280G Payments"), exceeds 299% of such Disqualified Individual's "base amount" (as defined in Section 280G(b)(3) of the Code) such that the deduction of such Section 280G Payments will not be limited by the application of Section 280G(a) of the Code. The Target Companies shall make available to the Buyer Parties, prior to submission to the stockholders, copies of all documents prepared by the Target Companies in connection with this Section 6.04(c) for its review and comment and shall consider in good faith any reasonable comments thereon. Prior to the Closing, the Target Companies shall deliver to the Buyer Parties and their counsel evidence that an effective 280G Stockholder Vote was solicited and that either (i) the requisite number of stockholder votes was obtained and the Waived Benefits shall be made or retained or (ii) the requisite number of stockholder votes was not obtained and no Waived Benefits shall be made or retained.

(d) The provisions of this Section 6.04 are solely for the benefit of the Parties and no provision of this Section 6.04, express or implied, is intended or shall be construed to create any third party beneficiary or other rights in any current or former Company Employee (including any dependent or beneficiary thereof) in respect of the terms and conditions of employment with, or any benefits that may be provided by, Parent or any of its Subsidiaries.

6.05. Investment Intent of Buyer. Buyer will refrain from transferring or otherwise disposing of any of the Purchased Securities acquired by it, or any interest therein, in such manner as to violate the Securities Act or any applicable state or foreign securities Law regulating the disposition thereof. Buyer agrees that any certificates representing the Purchased Securities may bear legends to the effect that the Purchased Securities have not been registered under the Securities Act or such other state or foreign securities Laws, and that no interest therein may be transferred or otherwise disposed of in violation of the provisions thereof.

ARTICLE VII
TAX COVENANTS

7.01. Responsibility for Filing Income Tax Returns.

(a) Buyer shall prepare and file or cause to be prepared and filed all Tax Returns for the Target Companies and their Subsidiaries (other than Flow-Through Tax Returns for taxable periods ending on or before the Closing Date) that are filed after the Closing Date. Any such Tax Return described in the preceding sentence that is a Flow-Through Tax Return for any taxable period that includes (but does not end on) the Closing Date (a "Seller Review Return") shall be prepared, and all elections with respect to such Flow-Through Tax Returns shall be made, in a manner consistent with the prior practice of the Target Companies and their Subsidiaries, except as otherwise required by applicable Law. Buyer shall provide the Representative with completed drafts of any Seller Review Returns for Representative's review and comment at least twenty (20) days prior to the due date for filing thereof (or with respect to any such Tax Return that is due within twenty (20) days of Closing, as soon as reasonably practicable), and shall make such revisions to such Tax Returns as are reasonably requested by the Representative.

(b) The Representative shall be responsible for preparing and filing or causing to be prepared and filed, at its sole expense, all Flow-Through Tax Returns for the Target Companies and their Subsidiaries for taxable periods ending on or before the Closing Date that are filed after the Closing Date. The Representative shall provide Buyer with completed drafts of such Flow-Through Tax Returns for Buyer's review, comment at least twenty (20) days prior to the due date for filing thereof (or with respect to any such Tax Return that is due within twenty (20) days of Closing, as soon as reasonably practicable) and no such Tax Return shall be filed without the prior written consent of Buyer (not to be unreasonably withheld, conditioned or delayed).

(c) For the avoidance of doubt, all Transaction Tax Deductions shall be reflected as deductions in a taxable period (or portion thereof) ending on or before the Closing Date (assuming, for this purpose, that the safe harbor election provided for in IRS Revenue Procedure 2011-29 is made with respect to any Transaction Tax Deduction that constitutes a "success-based fee"), in each case, to the maximum extent permitted by applicable Law.

(d) The Target Companies and any applicable Subsidiaries of the Target Companies shall make an election under Section 754 of the Code (and any corresponding state and local elections) for the Tax year that includes the Closing Date.

7.02. Amendments, Elections, Etc. Without the consent of the Representative, which consent shall not be unreasonably withheld, conditioned or delayed, except as otherwise required by applicable Law, none of Buyer or any of its Affiliates shall (or shall cause or permit any other Person to) (a) file any Flow-Through Tax Return of a Target Company or any Subsidiary of a Target Company for a taxable period ending on or before the Closing Date other than in accordance with Section 7.01 or amend, re-file or otherwise modify any Flow-Through Tax Return relating in whole or in part to the Target Companies or any Subsidiary of the Target Companies with respect to any taxable period (or portion thereof) ending on or before the Closing Date, (b) make any Tax election or change any material Tax accounting method of the Target Companies or their Subsidiaries that has retroactive effect to any taxable period (or portion thereof) ending on or before the Closing Date or (c) file any ruling or request for a ruling with any Taxing Authority that relates to Taxes or Tax Returns of the Target Companies or any Subsidiary of the Target Companies for any taxable period (or portion thereof) ending on or before the Closing Date, in each case, (i) with respect to a Flow-Through Tax Return of the Target Companies or any Subsidiary of the Target Companies for a Pre-Closing Tax Period or (ii) to the extent such action would reasonably be expected to result in incremental Tax liability to the Sellers in respect of Covered Taxes for which the Sellers are responsible pursuant to Section 7.07.

7.03. Cooperation on Tax Matters. Buyer shall provide to the Representative, and the Representative shall provide to Buyer, such material documents and other relevant information, without charge (except for out-of-pocket costs in accordance with this Section 7.03) and in a reasonably timely fashion, as each may reasonably request of the other, in connection with the filing of Tax Returns pursuant to Section 7.01(a) and Section 7.01(b) and any audit, litigation or other proceeding with respect to Taxes imposed on the Target Companies or their Subsidiaries. Such cooperation shall include the retention and, upon the other Party's request, the provision of records and information that are reasonably relevant to any such audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Buyer agrees (A) to retain all

books and records with respect to Tax matters pertinent to the Target Companies and their Subsidiaries relating to any taxable period (or portion thereof) ending on or before the Closing Date, and to abide by all record retention arrangements entered into with any Taxing Authority with respect thereto, and (B) to give the Representative reasonable written notice and receive the consent of Representative, which consent shall not be unreasonably withheld, prior to transferring, destroying or discarding any such books and records. The party requesting such cooperation shall bear the reasonable out-of-pocket costs of the other party.

7.04. Transfer Taxes. Buyer will pay, or cause to be paid, one hundred percent (100%) of any stamp tax, real property transfer tax, stock transfer tax, or other similar Tax (collectively, the "Transfer Taxes") imposed on the Target Companies or their Subsidiaries, as a result of the sale of the Sellers' Purchased Securities. The Representative agrees to cooperate with Buyer in the filing of any Tax Returns with respect to Transfer Taxes, including promptly supplying any information in its possession that is reasonably necessary to complete such Tax Returns and the payment of such amounts due under this Section 7.04. The Representative shall be responsible for any Transfer Taxes resulting from the Reorganization.

7.05. Intended Tax Treatment; Allocation of Purchase Price. The Parties agree that for U.S. federal Income Tax purposes, it is intended that (i) Parent shall be treated as a continuation of LSL Holdings (or, if LSL Holdings is treated as a continuation of another LSL Holdco, of such LSL Holdco), (ii) if the acquisition of the Sellers' Purchased Securities is treated in whole or in part as an "assets-over form" merger under Treasury Regulation Section 1.708-1(c)(3), then any such Purchased Securities acquired for cash shall be treated as acquired through a sale of partnership interests for cash in accordance with Treasury Regulation Section 1.708-1(c)(4), and (iii) the sale of the Sellers' Purchased Securities shall be treated as a sale of partnership interests (such treatment, the "Intended Tax Treatment"). The Parties agree that the amounts paid pursuant to Section 1.08 (as adjusted pursuant to Section 1.09 and as increased by the amounts treated as assumed liabilities of the Target Companies and their Subsidiaries for federal Income Tax purposes and other amounts treated as taxable sale consideration for federal Income Tax purposes) shall be allocated among the assets of the Target Companies and their Subsidiaries for purposes of Sections 743, 751, 755 and 1060 of the Code in a manner consistent with the methodology set forth on Schedule 7.05 (the "Purchase Price Allocation Schedule"). Within ninety (90) days after the Closing Statement is finalized pursuant to Section 1.09, the Representative will provide Buyer with a draft allocation prepared in a manner consistent with the methodology set forth on Schedule 7.05 (the "Draft Purchase Price Allocation"). The Draft Purchase Price Allocation will be binding upon Buyer, the Target Companies and their Subsidiaries, and the Representative unless Buyer, within thirty (30) days of delivery of the Draft Purchase Price Allocation to Buyer, provides to the Representative written notice of its objection to the Draft Purchase Price Allocation and the reasons therefor, in which event Buyer and the Representative shall endeavor in good faith to agree upon an allocation schedule. If Buyer and the Representative cannot resolve such objection within thirty (30) days of Buyer's notice of objection, the items in question shall be resolved by the Independent Auditor in accordance with Section 1.09, it being understood that the Independent Auditor is to resolve any such items in question in accordance with the methodology set forth on Schedule 7.05. None of Buyer, the Target Companies or their Subsidiaries, nor the Owner Parties shall take a position for federal and all applicable state Income Tax purposes on any Tax Return, before any Taxing Authority or in any judicial proceeding that is inconsistent with the allocation as finally determined in accordance with this Section 7.05 (the "Final Purchase Price Allocation")

or the Intended Tax Treatment, in each case, unless specifically required pursuant to a determination within the meaning of Section 1313(a) of the Code by an applicable Taxing Authority. If the Final Cash Payment is adjusted pursuant to this Agreement, the Final Purchase Price Allocation shall be adjusted as appropriate and Buyer and the Representative shall cooperate in good faith in making any such adjustments.

7.06. Income Tax Contests.

(a) If Buyer, the Target Companies or any Subsidiary of the Target Companies, the Representative or any Owner Party receives notice of any deficiency, proposed adjustment, assessment, audit, examination, suit, dispute or other claim by a Taxing Authority with respect to Income Taxes of, or attributable to, the Target Companies or any of their Subsidiaries for a Pre-Closing Tax Period or Straddle Period with respect to a Flow-Through Tax Return (an "Income Tax Contest"), such party will notify (within thirty (30) days of the receipt of such notice) the other parties in writing of such Income Tax Contest; provided that failure to timely provide notice will not impact the responsibility of the Sellers or any other Owner Parties for any such Taxes except to the extent such failure actually and materially prejudices the Sellers or Owner Parties.

(b) The Representative shall have the right to control the proceedings in connection with an Income Tax Contest with respect to any taxable period ending on or before the Closing Date (such Income Tax Contest, a "Representative Income Tax Contest") at its sole expense; provided that (i) the Representative shall keep Buyer reasonably informed with respect to the status and progress of such Representative Income Tax Contest, (ii) Buyer may participate in the conduct of such Representative Income Tax Contest at its own expense, and (iii) the Representative may not settle or compromise such Representative Income Tax Contest without the prior written consent of Buyer, which consent shall not be unreasonably withheld or delayed. Buyer shall control any Income Tax Contest for a Straddle Period or which Representative does not timely elect to control (such Income Tax Contest, a "Buyer Income Tax Contest") at its sole expense; provided that (i) Buyer shall keep the Representative reasonably informed with respect to the status and progress of such Buyer Income Tax Contest, (ii) the Representative may participate in the conduct of such Buyer Income Tax Contest at its own expense, and (iii) Buyer may not settle or compromise such Buyer Income Tax Contest without the prior written consent of the Representative, which consent shall not be unreasonably withheld or delayed.

(c) To the maximum extent permitted by Law, the parties hereto agree that the Target Companies and their Subsidiaries, if applicable, shall make a timely election under Section 6226(a) of the Code with respect to any Pre-Closing Tax Period or Straddle Period of the Target Companies and their Subsidiaries, and the Representative and the Owner Parties shall cooperate with respect to the foregoing.

7.07. Covered Taxes.

(a) Indemnification for Covered Taxes. Each Seller shall jointly and severally indemnify, defend and hold harmless each of Parent, Buyer, the Target Companies, their Subsidiaries and their Affiliates (each hereinafter referred to individually as an "Indemnified Party" and collectively as the "Indemnified Parties") from and against any and all liabilities, losses, damages, claims, interest, awards, judgments, Taxes, penalties, costs, and expenses (including

The obligations of the Sellers pursuant to this Section 7.07 shall survive until the date that is thirty (30) days following the expiration of the statute of limitations for any Covered Taxes.

(b) VDA Process. (c) Covered Tax Claims. If, following the Closing, Buyer, the Target Companies or any Subsidiary of the Target Companies receives notice from a Governmental Authority that it is initiating an audit or litigation in respect of Covered Taxes for which the Sellers are responsible pursuant to this Agreement (a "Covered Tax Claim"), then Buyer shall, within thirty (30) days after receipt of such notice, give written notice to the Representative of such Covered Tax Claim; provided, however, that no delay on the part of Buyer in notifying the Representative will relieve any Seller from any obligation under this Section 7.07 except to the extent such failure actually and materially prejudices the Seller or Owner Parties. The Buyer shall control the defense of any Covered Tax Claim; provided that (i) Representative may participate in the conduct of such Covered Tax Claim at its own expense, and (ii) the Buyer may not settle or compromise such Covered Tax Claim without the prior written consent of the Representative, which consent shall not be unreasonably withheld or delayed.

ARTICLE XII
TERMINATION

12.01. Termination. This Agreement may be terminated at any time prior to the Closing Date:

(a) by mutual written consent of Parent and the Representative (on behalf of the Owner Parties);

(b) by Parent, if (i) there has been a material violation or material breach by the Target Companies or the Owner Parties of any covenant, representation or warranty contained in this Agreement, which has prevented or would prevent the satisfaction of any condition to the obligations of the Buyer Parties to complete the Closing and (A) such material violation or material breach has not been waived by the Buyer Parties; (B) Parent has provided written notice to the Representative of such material violation or material breach; and (C) the Target Companies or the Owner Parties, as the case may be, have not cured such material violation or material breach within twenty (20) Business Days after the Representative receives written notice thereof from Parent; or (ii) the transactions contemplated hereby have not been consummated by February 16, 2022 (the "End Date"), provided that if as of such date all of the conditions to Closing set forth in Article VIII other than the condition set forth in Section 8.06 are satisfied or would be satisfied if such date were the Closing Date, Parent shall have the option to extend the End Date for an additional

period of up to sixty (60) days; provided, however, Parent shall not be entitled to terminate this Agreement pursuant to this Section 12.01(b) if the Buyer Parties' breach of this Agreement has prevented the consummation of the transactions contemplated hereby to occur by the End Date;

(c) by the Representative (on behalf of the Owner Parties), if: (i) there has been a material violation or material breach by the Buyer Parties of any covenant, representation or warranty contained in this Agreement which has prevented or would prevent the satisfaction of any condition to the obligations of the Target Companies and the Owner Parties to complete the Closing and (A) such material violation or material breach has not been waived by the Representative; (B) the Representative has provided written notice to the Buyer Parties of such material violation or material breach; and (C) the Buyer Parties have not cured such material violation or material breach within twenty (20) Business Days after receiving written notice thereof from the Representative, or (ii) the transactions contemplated hereby have not been consummated by the End Date (as may be extended pursuant to Section 12.01(b)); provided, however, the Representative shall not be entitled to terminate this Agreement pursuant to this Section 12.01(c) if the Target Companies' or Owner Parties' breach of this Agreement has prevented the consummation of the transactions contemplated hereby to occur by the End Date; or

(d) by either Parent or the Representative (on behalf of the Owner Parties), if any Governmental Authority shall have enacted, promulgated, issued, entered or enforced any injunction, judgment, order or ruling permanently enjoining, or prohibiting the transactions contemplated by this Agreement, which shall have become final and non-appealable.

12.02. Effect of Termination. If any Party validly terminates this Agreement pursuant to Section 12.01, all rights and obligations of the Parties hereunder shall terminate without any liability of any Party to any other Party, except for this Article XII and Article XIII and pursuant to the Confidentiality Agreement, which each shall survive the termination of this Agreement as applicable and in accordance with their terms; provided, however, subject to Section 12.03, that the termination of this Agreement shall in no way limit any claim by a Party that another Party breached the terms of this Agreement prior to or in connection with such termination, including by failing to consummate the transactions contemplated by this Agreement, nor shall such termination limit the right of such non-breaching Party to seek specific performance and all other remedies available at law or equity.

12.03. Termination Fee.

(a) In the event that this Agreement is terminated:

(i) by the Representative (on behalf of the Owner Parties) pursuant to Section 12.01(c)(i);

(ii) by the Representative pursuant to Section 12.01(c)(ii) or Parent pursuant to Section 12.01(b)(ii) (if, at the time of or prior to such termination, the Representative (on behalf of the Owner Parties) could have terminated this Agreement pursuant to Section 12.01(c)(i)); or

(iii) by Parent pursuant to Section 12.01(b)(ii) or by the Representative pursuant to Section 12.01(c)(ii), if (x) all of the conditions set forth in Article VIII

to Parent's obligation to consummate the Closing have been satisfied (or with respect to conditions that relate to delivery of items to be delivered at the Closing and those conditions that by their nature are to be satisfied by actions taken at the Closing, are capable of being satisfied at such time), other than the condition set forth in Section 8.06, (y) all consents and approvals of the applicable state Governmental Authorities listed on Section 12.03(a)(iii) of the Disclosure Schedule necessary for the continued operation of the businesses of the Target Companies and their Subsidiaries in the applicable state jurisdiction relating thereto, or a written statement from the applicable state Governmental Authority thereof that such consent and approval is not necessary for continued operation of the businesses of the Target Companies and their Subsidiaries following the Closing, shall have been obtained, as reasonably determined by Parent and (z) there has not been a material violation or material breach by the Target Companies or the Owner Parties of any covenant, representation or warranty of such Parties contained in this Agreement, in each case of this clause (z), that was the proximate or direct cause of the failure of the condition set forth in Section 8.06 to be satisfied,

Buyer shall, promptly and in any event within five (5) Business Days after such termination, pay the Representative (on behalf of the Owner Parties), by wire transfer in immediately available funds, a non-refundable termination fee in an amount equal to $25,100,000 (the "Reverse Termination Fee").

(b) Notwithstanding anything to the contrary in this Agreement, in the event that this Agreement is terminated, Buyer shall not have any liability of any nature whatsoever to the Sellers with respect to any breach of this Agreement or the failure of the Closing to occur, other than the liability of Buyer to pay the Reverse Termination Fee to the extent payable pursuant to Section 12.03(a); provided, however, that the Confidentiality Agreement (and any rights and liabilities of the Parties thereunder) will survive any termination of this Agreement in accordance with its terms. The Parties acknowledge and agree that the Reverse Termination Fee is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate the Owner Parties in the circumstances in which the Reverse Termination Fee is payable for the efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated by this Agreement, which amount would otherwise be uncertain and incapable of accurate determination.

(c) Notwithstanding anything to the contrary in this Agreement, the Representative's right (on behalf of the Owner Parties) to terminate this Agreement and the Representative's right (on behalf of the Owner Parties) to receive the Reverse Termination Fee pursuant to this Section 12.03(a) shall be the sole and exclusive remedy of the Representative and the Owner Parties and their Affiliates for any loss suffered as a result of any breach of any covenant or agreement in this Agreement or the failure of the transactions contemplated by this Agreement to be consummated, in each case, in any circumstance in which the Representative or the Owner Parties are permitted to terminate this Agreement and receive the Reverse Termination Fee pursuant to Section 12.03(a), and Buyer shall have no further liability or obligation relating to or arising out of this Agreement or the transactions contemplated by this Agreement; provided, however, nothing in this Section 12.03(c) shall limit the ability of the Owner Parties to pursue a

grant of specific performance to the extent permitted by Section 13.10 prior to the termination of this Agreement.

(d) For the avoidance of doubt, (i) while the Representative or the Owner Parties may pursue a grant of specific performance to the extent permitted by Section 13.10, under no circumstances shall the Representative or the Owner Parties be permitted or entitled to receive both a grant of specific performance to require Buyer to consummate the Closing and payment of the Reverse Termination Fee and (ii) in no event shall the Representative or the Owner Parties be entitled to receive the Reverse Termination Fee more than once. Notwithstanding the foregoing, in the event this Agreement is terminated and the Reverse Termination Fee is paid, the Owner Parties and the Target Companies shall be entitled to receive any amounts reimbursable by Buyer pursuant to Section 5.09. Notwithstanding anything to the contrary set forth in this Agreement, each of the parties to this Agreement expressly acknowledges and agrees that under no circumstances shall (i) the maximum aggregate liability of the Buyer Parties (and the Guarantors in accordance with, and subject to the limitations in, the Guaranty) for all claims, actions or liabilities arising out of or related to this Agreement (including any breach of this Agreement, whether willful or material) and the transactions contemplated hereby (the "Transaction-Related Matters") exceed an amount equal to the Reverse Termination Fee (the "Cap"), (ii) any Person seek to recover any money damages against the Buyer Parties in excess of the Cap, (iii) any Person bring any proceeding or action or otherwise seek to recover any losses against any Buyer Financing Party or any Debt Financing Source or its representatives for any Transaction-Related Matter (other than against Buyer or against the Guarantors pursuant to, and subject to the terms of, the Guaranty) or (iv) any Buyer Financing Party or any Debt Financing Source or its representatives have any liability or obligation of any nature whatsoever to any Person for any Transaction-Related Matter (other than Buyer or the Guarantors pursuant to, and subject to the terms of, the Guaranty).

(e) The Parties acknowledge and agree that the agreements contained in this Section 12.03 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, neither Party would enter into this Agreement.

The Disclosure Schedule, Exhibits and Schedules constitute a part hereof as though set forth in full above.

13.03. Expenses. Except as otherwise provided herein, the Parties shall pay their own fees and expenses, including their own counsel fees, incurred in connection with this Agreement.

13.04. Amendment; Waiver. This Agreement may not be modified, amended, supplemented, canceled or discharged, except by written instrument executed by the Buyer Parties, the Owner Parties and the Representative; provided, that with respect to any waiver or amendment of this Section 13.04 and/or Section 13.17 (and any provision of this Agreement to the extent a waiver of such provision would modify the substance of any of the foregoing provisions) that is materially adverse to any Debt Financing Source, the prior written consent of such affected Debt Financing Source shall be required before any such waiver or amendment may become effective (such consent not to be unreasonably withheld, conditioned or delayed). No failure to exercise, and no delay in exercising, any right, power or privilege under this Agreement shall operate as a waiver, nor shall any single or partial exercise of any right, power or privilege hereunder preclude the exercise of any other right, power or privilege. Any waiver must be in writing and signed by or on behalf of the Party providing such waiver. No waiver of any breach of any provision shall be deemed to be a waiver of any preceding or succeeding breach of the same or any other provision, nor shall any waiver be implied from any course of dealing between the Parties. No extension of time for performance of any obligations or other acts hereunder or under any other agreement shall be deemed to be an extension of the time for performance of any other obligations or any other acts.

13.05. Binding Effect; Assignment. The rights and obligations of this Agreement shall bind and inure to the benefit of the Parties and their respective successors and assigns. Nothing expressed or implied herein or therein shall be construed to give any other person any legal or equitable rights hereunder, other than as provided in Section 6.02. Except as expressly provided herein, the rights, and obligations of this Agreement may not be assigned by the Parties without the prior written consent of the other Party; provided, that each of the Buyer Parties may assign any of its rights or obligations to one or more of its Affiliates, except no such assignment shall relieve such Buyer Party of its obligations under this Agreement except to the extent actually performed by its assignee(s); provided, further, each Buyer Party may collaterally assign any and all of its rights, but not its obligations, under this Agreement to any of its Debt Financing Sources.

13.06. Counterparts. This Agreement may be executed in any number of counterparts (including by means of electronically transmitted portable document format (pdf) signature pages), each of which shall be an original but all of which together shall constitute one and the same instrument.

13.07. Interpretation; Schedules. When a reference is made in this Agreement to an article, section, paragraph, clause, schedule or exhibit, such reference shall be deemed to be to this Agreement unless otherwise indicated. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." Words of one gender shall be held to include the other gender as the context requires. The word "or" shall not be exclusive. The words "herein," "hereof," "hereunder" or "hereby" and similar terms are to be deemed to refer to this Agreement as a whole and not to any specific section. The headings contained herein and on the Schedules are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement or the Schedules. Unless otherwise specified herein, references to any statute, listing rule, rule, standard, regulation or other law

include a reference to the corresponding rules and regulations and each of them as amended, modified, supplemented, consolidated, replaced or rewritten from time to time. The specification of any dollar amount in the representations and warranties contained in this Agreement or the inclusion of any specific item in the Schedules hereto is not intended to imply that such amounts, or higher or lower amounts, or the items so included, are or are not required to be disclosed, and neither Party shall use the fact of the setting of such amounts or the fact of the inclusion of any such item in the Schedules in any dispute or controversy with any Party as to whether any obligation, item or matter not described herein or included in a Schedule hereto is or is not required to be disclosed (including, without limitation, whether such amounts or items are required to be disclosed as material). The information contained in the Schedules hereto is disclosed solely for the purposes of this Agreement, and no information contained therein shall be deemed to be an admission by any Party to any third party of any matter whatsoever, including of any violation of Law or breach of any agreement. If the date specified for giving any notice or taking any action is not a Business Day (or if the period during which any notice is required to be given or any action taken expires on a date which is not a Business Day), then the date for giving such notice or taking such action (and the expiration date of such period during which notice is required to be given or action taken) shall be the next date which is a Business Day. 13.09. Forum Selection and Consent to Jurisdiction.

(a) Any suit, action or proceeding against the Buyer Parties, the Target Companies, the Owner Parties or the Representative arising out of, or with respect to, this Agreement or any judgment entered by any court in respect thereof shall be brought exclusively in the Delaware Court of Chancery (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or proceeding, in the United States District Court for the Southern District of New York) (together, the "Designated Courts"), and the Parties irrevocably and unconditionally submit to the exclusive jurisdiction of the Designated Courts for the purpose of any suit, action or proceeding. Each Party agrees that service of any process, summons, notice or document by U.S. registered mail addressed to such Party in accordance with Section 13.01 shall be effective service of process for any action, suit or proceeding brought against such Party

in any such court. The Buyer Parties hereby designates the individuals listed in Section 13.01(a) to whom notice may be given on behalf of the Buyer Parties as their true and lawful agent upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Target Companies, the Representative or any Owner Party. The Target Companies, the Representative and the Owner Parties hereby designate the individual(s) listed in Section 13.01(b) to whom notice may be given on behalf of the Target Companies, the Representative and the Owner Parties as their true and lawful agent upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Buyer Parties.

(b) In addition, each Party hereby (i) irrevocably waives, to the fullest extent permitted by Law, any objection which it may now or hereafter have to, or any defense of, the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any judgment entered by any of the Designated Courts, (ii) irrevocably waives any claim or defense that any suit, action or proceedings brought in the Designated Courts has been brought in an inconvenient forum, (iii) agrees that all claims with respect to any such action or proceeding shall be heard and determined in the Designated Courts and agrees not to commence any action or proceeding relating to this Agreement or the transactions contemplated hereby (whether based on contract, tort or other theory) except in such courts and (iv) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

(c) Notwithstanding the foregoing, each party hereto agrees that any action or proceeding of any kind or nature (whether based on contract, tort or other theory) against any Debt Financing Source relating to this Agreement, the Debt Financing or any of the transactions contemplated hereby shall be subject to the exclusive jurisdiction of the Supreme Court of the State of New York, County of New York, Borough of Manhattan or if under applicable Law exclusive jurisdiction is vested in Federal courts, the United States District Court for the Southern District of New York (and the appellate courts thereof). The parties hereto agree that any violation of this Section 13.09 shall constitute a material breach of this Agreement and shall constitute irreparable harm.

(d) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE OUT OF, OR WITH RESPECT TO, THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT (INCLUDING ANY ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM INVOLVING ANY DEBT FINANCING SOURCE AND THEIR RESPECTIVE AFFILIATES) (IN EACH CASE WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OR ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) EACH PARTY MAKES THIS WAIVER

VOLUNTARILY AND (IV) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS OF THIS SECTION 13.09. EITHER PARTY MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

13.10. Specific Performance. Each of the Parties agrees that this Agreement is intended to be legally binding and specifically enforceable pursuant to its terms and that the Buyer Parties, the Target Companies, the Owner Parties and the Representative would be irreparably harmed if any of the provisions of the Agreement are not performed in accordance with their specific terms and that monetary damages would not provide adequate remedy in such event. Accordingly, in addition to any other remedy to which a non-breaching Party may be entitled at Law, a non-breaching Party shall be entitled to injunctive relief without the posting of any bond or other security to prevent breaches of this Agreement and to specifically enforce the terms and provisions hereof. Each Party further waives any defense that a remedy at Law would be adequate in any action, suit or proceeding for specific performance or injunctive relief hereunder.

13.11. Arm's Length Negotiations; Drafting. Each Party herein expressly represents and warrants to the other Parties that before executing this Agreement, said Party has fully informed itself of the terms, contents, conditions and effects of this Agreement; said Party has relied solely and completely upon its own judgment in executing this Agreement; and said Party has had the opportunity to seek and has obtained the advice of counsel before executing this Agreement, which is the result of arm's length negotiations conducted by and among the Parties and their respective counsel. This Agreement shall be deemed drafted jointly by the Parties and nothing shall be construed against one Party or another as the drafting Party.

13.12. Confidentiality; Publicity. No Owner Party or its respective Affiliates, employees, agents and representatives shall disclose to any third party the existence of this Agreement or the subject matter or terms hereof without the prior consent of Parent; provided, however that the Owner Parties and their Affiliates shall be permitted to disclose such information (a) to their attorneys, advisors, representatives, members or investors who are reasonably required to receive such information, (b) in connection with enforcing their rights and fulfilling their obligations under this Agreement or any other agreement entered into in connection with this Agreement and (c) as may be requested or required pursuant to applicable Law. No press release or public announcement related to this Agreement or the transactions contemplated herein, or, prior to the Closing, any other announcement or communication to the employees, customers or suppliers of the Target Companies and their Subsidiaries, shall be issued or made by any Party without the joint approval of the Buyer Parties and the Sellers, unless required by Law (in the reasonable opinion of counsel) in which case Buyer and the Sellers shall have the right to review and reasonably approve such press release, announcement or communication prior to its issuance, distribution or publication. Notwithstanding the foregoing, nothing in this Agreement shall restrict the ability of (i) the Owner Parties or any of its Affiliates from communicating or disclosing the financial results achieved by Owner Parties and its Affiliates with respect to its beneficial interest in the Target Companies and their Subsidiaries, (ii) any Party or any of its Affiliates from communicating or disclosing a general description of the Target Companies and their Subsidiaries (including their financial performance), and the Owner Parties' and their Affiliates' investment

and role therein, to the current or prospective limited partners or other business affiliates of such Party or its Affiliates and their advisors in the ordinary course of business or (iii) the Buyer Parties and their Affiliates from communicating or disclosing any information relating to this Agreement to any third party in connection with the Buyer Parties' or their Affiliate(s)' normal fund raising, marketing, informational or reporting activities.

13.13. Made Available. The phrase "made available to the Buyer Parties" or similar phrases as used in this Agreement shall mean that the subject documents were either posted to the "Project Paradigm" data room hosted by Datasite or delivered to the Buyer Parties or their accountants, attorneys or other agents at least one (1) Business Day prior to the date of this Agreement.

13.14. Company Representation. Each of the Parties agree, on its own behalf and on behalf of its directors, managers, members, partners, equity holders, officers, employees and Affiliates, that, McDermott Will & Emery LLP may serve as counsel to the Owner Parties and their Affiliates (individually and collectively, the "Seller Group"), on the one hand, and the Target Companies, on the other hand, in connection with the negotiation, preparation, execution and delivery of this Agreement and the consummation of the transactions contemplated hereby, and that, following consummation of the transactions contemplated hereby, McDermott Will & Emery LLP (or any successor) may serve as counsel to the Seller Group or any director, manager, member, partner, equity holder, officer, employee or Affiliate of the Seller Group, in connection with any litigation, claim or obligation arising out of or relating to this Agreement or the transactions contemplated by this Agreement notwithstanding such representation or any continued representation of the Target Companies, and each of the Parties consents thereto and waives any conflict of interest arising therefrom, and each of such Parties shall cause any Affiliate thereof to consent to waive any conflict of interest arising from such representation. The Buyer Parties also further agree that, as to all communications subject to attorney-client privilege among McDermott Will & Emery LLP and the Owner Parties, the Target Companies and their Subsidiaries that relate to the transactions contemplated by this Agreement (including the negotiation, preparation, execution and delivery of this Agreement), the attorney-client privilege and the expectation of client confidence belongs to the Owner Parties and may be controlled by the Owner Parties and shall not pass to or be claimed by the Buyer Parties or any of their Affiliates and such communications would not be subject to disclosure to the Buyer Parties in connection with any process relating to a dispute arising under or in connection with, this Agreement or the transactions contemplated hereby. The Parties acknowledge that McDermott Will & Emery LLP has represented and performed services for the Owner Parties, the Target Companies and their Subsidiaries prior to the Closing and consent to the sharing by McDermott Will & Emery LLP (or any successor) with the Owner Parties of all information obtained during such past representation that McDermott Will & Emery LLP (or any successor) believes to be relevant to any future dispute or litigation with respect to this Agreement.

13.15. Severability. Whenever possible, each term or other provision of this Agreement shall be interpreted in such manner as to be effective, valid and enforceable under applicable law, but if any term or other provision of this Agreement is or becomes invalid, illegal or incapable of being enforced in any respect by any rule of Law or public policy, all other terms, conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in

any manner materially adverse to the any Party against which enforcement is being sought thereto; provided, that the economic and legal substance of the transactions contemplated by this Agreement shall be deemed to be affected in a manner materially adverse to the Parties hereto if Section 13.16 is invalid, void or incapable of being enforced. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Owner Parties and the Buyer Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the fullest extent possible.

13.16. No Recourse. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby may only be brought against, the entities that are expressly named as Parties hereto and then only with respect to the specific obligations set forth herein with respect to such Party. Except to the extent a named Party to this Agreement, (i) no past, present or future director, officer, employee, incorporator, member, partner, equityholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any named Party to this Agreement and (ii) no past, present or future director, officer, employee, incorporator, member, partner, equityholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of the Owner Parties, Target Companies or the Buyer Parties under this Agreement (whether for indemnification or otherwise) of or for any claim based on, arising out of, or related to this Agreement or the transactions contemplated hereby.

13.17. Designation of the Representative.

(a) Designation. Life Science Logistics Corporation, a Delaware corporation, is hereby designated by the Owner Parties and the Target Companies (collectively, "Designated Parties") to serve as the representative of the Designated Parties with respect to the matters expressly set forth in this Agreement and the Escrow Agreement to be performed by the Representative.

(b) Authority. The Representative is hereby irrevocably appointed as the agent, proxy and attorney-in-fact for each Designated Party for all purposes of this Agreement, the Escrow Agreement and any other agreement entered into in connection herewith (including the full power and authority on such Person's behalf) (i) to execute the Escrow Agreement and otherwise to consummate the transactions contemplated herein and therein, (ii) to pay the expenses incurred by such Person or the Representative in connection with the negotiation and performance of this Agreement, the Escrow Agreement and any other agreement entered into in connection herewith (whether incurred on or after the date hereof), (iii) to disburse any funds received hereunder or under the Escrow Agreement to each other Seller, (iv) to endorse and deliver any certificates or instruments representing the Purchased Securities and execute such further agreements or instruments of assignment as the Buyer Parties shall reasonably request or which the Representative shall consider necessary or proper to effectuate the transactions contemplated by this Agreement and the Escrow Agreement, all of which shall have the effect of binding the Owner Parties as if such Owner Parties had personally executed such agreement or instrument,

(v) to resolve any adjustments or issues relating to any component of the LSL Holdings Cash Payment or the LSL NY Cash Payment, as applicable, (vi) to receive notices and other deliverables hereunder on behalf of such Person, (vii) to execute and deliver on behalf of such Person any amendment or waiver hereto or to any other agreement contemplated hereunder, (viii) to take all other actions to be taken by or on behalf of such Person in connection herewith including under the Escrow Agreement, (ix) to dispute, compromise, settle and pay any claims made in connection with this Agreement or the Escrow Agreement and the transactions contemplated hereunder and thereunder, (x) to retain legal and other professional advisors on behalf of, and at the expense of the Sellers in connection with its actions hereunder, (xi) to dispense funds from the Escrow Amount (or direct the Escrow Agent to do so) to the Owner Parties pursuant to the terms of this Agreement and to retain from such funds an amount sufficient to satisfy the reasonable out-of-pocket expenses incurred by the Representative in fulfilling its obligations hereunder, (xii) to make any calculations required under this Agreement (including calculations with respect to the distribution of the LSL Holdings Cash Payment or the LSL NY Cash Payment, as applicable), and (xiii) to do each and every act and exercise any and all rights which such Person or the Owner Parties collectively are permitted or required to do or exercise under this Agreement or the Escrow Agreement. Each Designated Party agrees that such agency, proxy and attorney-in-fact and all authority granted hereunder are coupled with an interest, are therefore irrevocable without the consent of the Representative and shall survive the death, incapacity, bankruptcy, dissolution or liquidation of any Person. If, after the execution of this Agreement, any Designated Party dies, dissolves or liquidates or becomes incapacitated or incompetent, then the Representative is nevertheless authorized, empowered and directed to act in accordance with this Agreement as if that death, dissolution, liquidation, incapacity or incompetency had not occurred and regardless of notice thereof. All decisions and actions by the Representative (to the extent authorized by this Agreement) shall be binding upon all Designated Parties, and no Designated Party shall have the right to object, dissent, protest or otherwise contest the same.

(c) Authority; Indemnification. Each Designated Party agrees that the Buyer Parties shall be entitled to rely on any action taken by the Representative, on behalf of the Sellers, pursuant to this Section 13.17 (each, an "Authorized Action"), and that each Authorized Action shall be binding on each Designated Party as fully as if such Person had taken such Authorized Action. The Buyer Parties agrees that the Representative, as the Representative, shall have no liability to the Buyer Parties for any Authorized Action, except to the extent that such Authorized Action is found by a final order of a court of competent jurisdiction to have constituted fraud or willful misconduct. Each Designated Party hereby severally, for itself only and not jointly, agrees to indemnify and hold harmless the Representative against all expenses (including reasonable attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the Representative in connection with any action, suit or proceeding to which the Representative is made a party by reason of the fact it is or was acting as the Representative pursuant to the terms of this Agreement.

(d) Duties of the Representative. The Representative hereby accepts its obligations under this Agreement. The Representative shall have only the duties expressly stated in this Agreement and the Escrow Agreement, and shall have no other duty, express or implied. The Representative is not, by virtue of serving as Representative, a fiduciary of the Designated Parties or any other Person. The Representative, in its capacity as such, has no responsibility or liability for any representation, warranty or covenant of the Target Companies or their Subsidiaries.

(e) Exculpation. The Representative shall not be liable to any Designated Party for any action taken or omitted by it or any agent employed by it hereunder or under any other document entered into in connection herewith, except that the Representative shall not be relieved of any liability imposed by Law for fraud or willful misconduct. The Representative shall not be liable to the Designated Parties for any apportionment or distribution of payments made by the Representative in good faith, and, if any such apportionment or distribution is subsequently determined to have been made in error, the sole recourse of any Person to whom payment was due, but not made, shall be to recover from other Designated Parties any payment in excess of the amount to which they are determined to have been entitled. The Representative shall not be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement. Neither the Representative nor any agent employed by it shall incur any liability to any Designated Party by virtue of the failure or refusal of the Representative for any reason to consummate the transactions contemplated hereby or relating to the performance of its other duties hereunder, except for actions or omissions constituting fraud or willful misconduct.

(f) No Fees to or Compensation of the Representative. The Representative shall receive no compensation for service as such but shall receive reimbursement from, and be indemnified from, the Representative Expense Fund, by the Designated Parties for any and all expenses, charges and liabilities, including, but not limited to, reasonable attorneys' fees (collectively, the "Representative Expenses"), incurred by the Representative in the performance or discharge of its duties set forth in this Section 13.17. If the amount of the Representative Expense Fund is less than the Representative Expenses, each Designated Party shall be severally, for itself only and not jointly, responsible for paying the difference between (x) the Representative Expenses and (y) the Representative Expense Fund.

(g) Replacement of the Representative. If the Representative resigns or is otherwise unable or unwilling to serve in such capacity, then the Designated Parties will appoint a new Person to serve as the Representative and will provide prompt written notice thereof to the Buyer Parties. Until such notice is received, the Buyer Parties will be entitled to rely on the actions and statements of the previous Representative.

13.18. Debt Financing Sources. Notwithstanding anything in this Agreement to the contrary, each party hereto, on behalf of itself and each of its Affiliates, hereby: (i) agrees that any proceeding or action involving any Debt Financing Source arising out of or relating to this Agreement, the Debt Financing or any of the agreements entered into in connection with the Debt Financing or any of the transactions contemplated hereby or thereby or the performance of any services thereunder shall be subject to the exclusive jurisdiction of any federal or state court in the Borough of Manhattan, New York, New York, so long as such forum is and remains available, and any appellate court thereof and each party hereto irrevocably submits itself and its property with respect to any such proceeding or action to the exclusive jurisdiction of such court, and such proceeding or action (except to the extent relating to the interpretation of any provisions in this Agreement) shall be governed by the laws of the State of New York (without giving effect to any conflicts of law principles that would result in the application of the laws of another jurisdiction), (ii) agrees not to bring or support any proceeding or action of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any Debt Financing Source in any way arising out of or relating to, this Agreement, the Debt Financing or any of the trans

For purposes of this Section 13.17, "Debt Financing Sources" includes all officers, employees, consultants, accountants, agents and other representatives of the Debt Financing Sources.

STATE OF COLORADO

Case No. 2016-3687

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE NON-RESIDENT WHOLESALER REGISTRATION IN THE STATE OF COLORADO OF LIFESCIENCE LOGISTICS, REGISTRATION NO. WHO 7828,

Respondent Outlet.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and LifeScience Logistics ("Respondent Outlet") to resolve all matters pertaining to Board Case Number 2016-3687, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Outlet, its registration as a non-resident wholesaler outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2016).

2. Respondent Outlet was originally registered in the State of Colorado on or about June 29, 2011, being issued registration number WHO 7828, and has been so registered at all times relevant to this disciplinary action.

3. Respondent Outlet's address of record with the Board and current location is 1105 E Northfield Dr., Ste. 300-400, Brownsburg, IN 46112.

4. Respondent Outlet admits these findings and hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. Respondent Outlet failed to timely submit an application to the Board detailing a change in designated representative and fee. In this case, approximately 100 days transpired between November 16, 2015, the date the previous designated representative ceased the position, and February 29, 2016, the date the application and fee were received.

6. On or about July 19, 2016, the Board initiated a complaint against Respondent Outlet because of the delay of approximately 100 days in submitting an application detailing a change in designated representative and fee.

7. Respondent Outlet's conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board Regulations:

RE: Final order

Dear Lifescience Logistics LLC,

Enclosed you will find a FINAL ORDER resulting from your hearing before the Board. While the entire order is important, I particularly direct your attention to the portion of the Order setting forth the mandatory obligation of your payment of a fine and costs. As you will see, those amounts are due within a specified period of time from the date of the Final Order and not the date of this letter. The order also states that your renewal will not be processed until the fine has been paid. Permit # 195184 renewal has already been issued so it has been placed on administrative hold until fine is paid.

If the referenced fine and costs are not received by the Board within the prescribed period of time, or special arrangements have not been made with the Secretary of the Board, additional charges will be brought against you.

Sincerely,

Wendy Passmore

FINAL ORDER

On October 16, 2018 this cause came before the Alabama State Board of Pharmacy (hereinafter also referred to as the "Board") on a Complaint against Lifescience Logistics, LLC (hereinafter also referred to as the "Respondent"). Evidence having been adduced thereon, the Board has determined that the following Findings of Fact and Conclusions of Law are supported by the preponderant weight of evidence and law.

Findings of Facts

1. The Respondent is a Wholesale Distributor which the Board issued permit number 193417 and also a Third Party Logistics facility which the Board issued permit number 195184.

2. The Respondent was notified of the charges by certified mail at the address provided to the Board by the Respondent, however, the notice was returned by the United States Postal Service with the indication "return to sender insufficient address unable to forward". (Board's Exhibits One and Two)

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges.

4. The Respondent's facility is located at 1105 East Northfield Drive, Brownsburg,

Indiana 46112.

5 On April 30, 2018 the Board of Pharmacy, Department of Consumer Affairs, State of California, issued a Citation and Fine to the Respondent for failure to designate a new representative in charge for a period of four hundred and twenty-eight (428) days. (Board's Exhibit One "A").

Conclusions of Law

1. The Alabama State Board of Pharmacy has jurisdiction of this cause pursuant to Code of Alabama (1975), § 34-23-32, Code of Alabama (1975), § 34-23-32.1 , Code of Alabama (1975), § 34-23-92 (11) and (12), Code of Alabama (1975), § 41-22-12 and Board Rule 680-X-2.23.

2. The Respondent was properly notified of the charges, failed to appear, was not represented by counsel and did not contest the matter in any manner.

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges.

4. The Respondent's wholesale distributor permit and third party logistics permit in the state of Alabama are due to have disciplinary sanctions imposed in that it is guilty of violating Board Rule 680-X-2.23 (3) (k) (1) and Board Rule 680-X-2.23 (3) (k) (3) and it was not qualified to possess the permits, and/or its operation was not consistent with the public safety or endangers the public health of the citizens of this state based upon violating California law relating to non-resident wholesales as set out in the Citation and Fine entered by the California State Board of Pharmacy on April 30, 2018 and/or the failure to have a licensed designated representative in charge for Four Hundred Twenty-Eight (428) days as described in the referenced Citation and Fine.

ORDER

In accordance with the foregoing Findings of Fact and Conclusions of Law, it is hereby ORDERED as follows:

1. The Respondent shall pay the Board an administrative fine of One Thousand ($1,000.00) Dollars within thirty (30) days of the date of this Final Order and future applications for renewal shall not be granted unless said fine has been paid; and

2. Any future violations of this Order, the Alabama Pharmacy Practice Act, the laws that regulate the sale and/or dispensing of prescription or legend drugs and/or narcotics or any Rule of the Alabama State Board of Pharmacy or the pharmacy law or rules of the Board of Pharmacy of another state may, upon hearing and proof thereof, result in further disciplinary sanctions.

DONE and ORDERED, this 26 day of October 2018.

(vii) immediately following the effectiveness of the Initial Contributions and the Dissolution, each of the then-existing members of LSL Holdings (other than David Helffrich) will contribute a portion of their LSL Holdings Securities equal to the total number of LSL Holdings Securities held by them as of such time less the aggregate number of Rollover Securities (such contributed LSL Holdings Securities, the "LSL Holdings Purchased Securities" and together with the LSL NY Securities, collectively, the "Purchased Securities"), to LSL Seller in exchange for membership interests in LSL Seller having a value corresponding to the value of the membership interests contributed; and

(viii) immediately following the effectiveness of the Initial Contributions and the Dissolution, David Helffrich will contribute his LSL Holdings Securities to LSL Seller in exchange for a promissory note (the "Helffrich Promissory Note") having an aggregate principal amount equal to the value of the LSL Holdings Securities contributed by him; provided that, notwithstanding the forgoing, the principal amount of such Helffrich Promissory Note shall be no more than $2,000,000 (such contribution, together with the transactions described in clauses (i) through (vii) of this Recital, the "Reorganization");

WHEREAS, on the terms and subject to the conditions set forth in this Agreement, Buyer desires to purchase from Sellers, and the Owner Parties desire to cause Sellers to sell to Buyer, the Purchased Securities;

NOW, THEREFORE, in consideration of the mutual covenants, representations and warranties herein made, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE I
THE TRANSACTION

1.01. Reorganization. On the terms and subject to the conditions set forth in this Agreement, at least seven (7) days prior to the Closing Date, the Owner Parties will consummate the Reorganization and will provide drafts of all documentation relating to the Reorganization to Parent reasonably in advance of the Closing Date and will consider Parent's comments, if any, on such documentation in good faith.

1.02. Debt Merger.

(a) On the terms and subject to the conditions set forth in this Agreement, at the Debt Merger Effective Time, at Parent's sole discretion, Debt Merger Sub shall be merged with and into LSL Holdings in accordance with the Delaware LLC Act, including Section 18-209 thereof (the "Debt Merger"), and the separate corporate existence of Debt Merger Sub shall thereupon cease and LSL Holdings shall be the surviving company in the Debt Merger (sometimes hereinafter referred to as the "Surviving Company").

(b) Debt Merger Effective Time. On the Closing Date (but prior to the Rollover Closing or the Sale Transaction Closing), at Parent's sole discretion, Parent, the Owner Parties and Debt Merger Sub shall cause a certificate of merger with respect the Debt Merger, in a form reasonably acceptable to Parent and the Owner Parties (the "Certificate of Merger"), to be executed, acknowledged and filed with the Secretary of State of the State of Delaware in accordance with the terms and conditions of the Delaware LLC Act and shall take all such other actions as may be required by Law to make the Debt Merger effective as promptly as practicable. The Debt Merger shall become effective at the time that the Certificate of Merger is accepted for filing by the Secretary of State of the State of Delaware or at such later date and time as is specified in the Certificate of Merger (such time and date being referred to herein as the "Debt Merger Effective Time").

(c) Effects of the Debt Merger.

(i) The Debt Merger shall have the effects set forth in this Agreement, the Certificate of Merger and the applicable provisions of the Delaware LLC Act. Without limiting the generality of the foregoing and subject thereto, by virtue of the Debt Merger and without further act or deed by any Party, at the Debt Merger Effective Time, all of the property, rights, privileges, immunities, powers and franchises of LSL Holdings and Debt Merger Sub shall vest in the Surviving Company, and all debts, liabilities, obligations and duties of the LSL Holdings and Debt Merger Sub shall become the debts, liabilities, obligations and duties of the Surviving Company.

(ii) Effect on Debt Merger Sub Units. At the Debt Merger Effective Time, each limited liability company interest in Debt Merger Sub issued and outstanding immediately prior to the Debt Merger Effective Time shall, by virtue of the Debt Merger and without any action on the part of the holder thereof, be canceled and nothing shall be issued in respect thereof.

(iii) Effect on LSL Holdings Units. At and immediately following the Debt Merger Effective Time, each limited liability company interest in LSL Holdings (each, a "LSL Holdings Unit") issued and outstanding immediately prior to the Debt Merger Effective Time shall, by virtue of the Debt Merger and without any action on the part of the holder thereof, be cancelled and converted into the right to receive one limited liability company interest in the Surviving Company.

(d) Certificate of Formation and Limited Liability Company Agreement of the Surviving Company. The certificate of formation of LSL Holdings as in effect immediately prior to the Debt Merger Effective Time shall be the certificate of formation of the Surviving Company (the "Surviving Company Charter"), until duly amended as provided in the Surviving Company Charter, the Surviving Company LLC Agreement or by applicable Law. The limited liability company agreement of LSL Holdings as in effect immediately prior to the Debt Merger Effective Time shall be the limited liability company agreement of the Surviving Company (the "Surviving Company LLC Agreement"), until duly amended as provided in the Surviving Company Charter, the Surviving Company LLC Agreement or by applicable Law.

(e) Officers of the Surviving Company. The officers of LSL Holdings as of immediately prior to the Debt Merger Effective Time shall be the officers of the Surviving Company, each to hold office in accordance with the Surviving Company Charter and Surviving Company LLC Agreement until their respective successors are duly elected or appointed and qualified or until their earlier death, resignation or removal.

1.03. Repayment of Funded Debt. Immediately following the consummation of the Debt Merger (the "Debt Merger Closing") and prior to the Rollover Closing and the Sale Transaction Closing, and contingent upon the occurrence of the Debt Merger Closing, LSL Holdings shall use the proceeds of the Debt Financing to repay the Funded Debt listed on Schedule 8.07(e) (the amount of such Funded Debt, the "Funded Debt Repayment Amount"), pursuant to the payoff letters delivered to the Buyer Parties pursuant to Section 8.07(e).

1.04. Distribution of Debt Proceeds. Immediately following the repayment of Funded Debt pursuant to Section 1.03 and prior to the Rollover Closing and the Sale Transaction Closing, and contingent upon the occurrence of the Debt Merger Closing, LSL Holdings shall distribute to its members in accordance with the Surviving Company Charter and Surviving Company LLC Agreement an amount in cash designated by Parent, at its sole discretion, not to exceed an amount equal to (a) the proceeds of the Debt Financing less (b) the Estimated LSL NY Cash Payment less (c) the Funded Debt Repayment Amount (such distribution, the "Distribution" and such amount, the "Distribution Amount"). To the extent that the distribution of the Distribution Amount *pro rata* to the holders of LSL Holdings Securities results in any Rollover Investor receiving more cash than the portion of the Estimated Cash Payment to which they would otherwise have been entitled if such Distribution had not occurred and the purchase price for the LSL Holdings Purchased Securities was equal to the Estimated LSL Holdings Cash Payment, such Rollover Investor shall be treated for U.S. federal Income Tax purposes (and any other applicable Tax purposes) as having acquired the LSL Holdings Purchased Securities attributable to such excess amount from the other holders of LSL Holdings Purchased Securities *pro rata* in a deemed exchange occurring as of immediately prior to the Distribution; provided that for purposes of this

sentence, "Estimated LSL Holdings Purchase Price" shall be read without giving effect the deduction of the Distribution Amount in clause (b) thereof.

1.05. Sale Transaction.

(a) Immediately following the Rollover Closing, in accordance with the terms and upon the conditions contained in this Agreement, LSL Seller shall sell, transfer, assign, convey and deliver to Buyer all right, title and interest in and to all of the LSL Holdings Purchased Securities, free and clear of all Liens and Restrictions (the "LSL Holdings Sale Transaction"). Immediately following the consummation of the LSL Holding Sale Transaction, (i) LSL Seller shall repay in full the Helffrich Promissory Note and (ii) LSL Holdings shall distribute to Buyer a portion of the proceeds of the Debt Financing (or in the event that there is no Debt Financing, cash) in an amount equal to the Estimated LSL NY Cash Payment.

(b) Immediately following the repayment of the Helffrich Promissory Note pursuant to Section 1.05(a), in accordance with the terms and upon the conditions contained in this Agreement, each LSL NY Seller shall sell, transfer, assign, convey and deliver to Buyer all right, title and interest in and to all of such Sellers' LSL NY Securities, free and clear of all Liens and Restrictions, which Buyer shall purchase using (i) first, the proceeds of the Debt Financing and (ii) second, to the extent the amount in clause (i) is less than the LSL NY Cash Payment, any other cash held by Buyer (together with the LSL Holdings Sale Transaction, the "Sale Transaction").

(c) In no event shall the sum of the Distribution Amount and the Estimated Cash Payment exceed the Estimated Purchase Price.

1.06. Sale Transaction Consideration. (a) The purchase price for the LSL Holdings Purchased Securities shall be an amount equal to the sum of LSL Holdings Cash Payment and the portion of the payment, if any, made to the Representative pursuant to Section 1.11 that is distributed by the Representative to the LSL Seller, and (b) the purchase price for the LSL NY Securities shall be an amount equal to the sum of the LSL NY Cash Payment (which payment shall be made using (i) first, the proceeds of the Debt Financing and (ii) second, to the extent the amount in clause (i) is less than the LSL NY Cash Payment, any other cash held by Buyer) and the portion of the payment, if any, made to the Representative pursuant to Section 1.11 that is distributed by the Representative to the LSL NY Sellers, in each case subject to adjustment as provided in this Article I.

1.07. Estimated Cash Payment. Not less than five (5) Business Days prior to the Closing Date, the Representative shall deliver to Buyer a statement which shall set forth a calculation of the Estimated Cash Payment and its components (the "Estimated Closing Statement"). After delivery of the Estimated Closing Statement and until the Closing, Buyer and its accountants and other representatives shall be permitted to (x) make inquiries of, and shall have access to, Representative, each Seller and each Target Company and their respective accountants and employees, in each case, who were involved in the preparation of the Estimated Closing Statement and (y) have access to accounting records and work papers of such persons, in each case of clauses (x) and (y), regarding questions concerning or disagreements with the Estimated Closing Statement arising in the course of their review thereof (subject to customary access letters or confidentiality agreements). If, in the two (2) Business Days following the delivery of the Estimated Closing

Statement, Buyer disagrees with any portion of the Estimated Closing Statement, Buyer and the Representative shall cooperate in good faith to resolve Buyer's disagreements and the Estimated Closing Statement shall be updated for any items so resolved (and such updated Estimated Closing Statement shall be deemed to be the Estimated Closing Statement regardless of when delivered). If Buyer and the Representative fail to resolve any of Buyer's disagreements, the Estimated Closing Statement and the calculation thereof as originally delivered by the Representative (together with any modifications agreed between Buyer and the Representative) shall be conclusive and binding upon Buyer for purposes of determining the Estimated Cash Payment for Closing.

1.08. Payments.

(a) Sale Transaction Closing Payments. At the Sale Transaction Closing, Buyer shall pay (or cause to be paid):

(i) to LSL Seller, the Estimated LSL Holdings Cash Payment;

(ii) to the LSL NY Sellers, their Pro Rata Percentage of the LSL NY Estimated Cash Payment (which shall, for the avoidance of doubt, occur following the payment to LSL Seller of the Estimated LSL Holdings Cash Payment in accordance with Section 1.05(a));

(iii) solely to the extent not already repaid pursuant to Section 1.03, the outstanding amount of all Funded Debt, if any, of LSL Holdings and its Subsidiaries (on a consolidated basis) and LSL NY, pursuant to the payoff letters delivered to the Buyer Parties pursuant to Section 8.07(e);

(iv) the non-compensatory portion of the Transaction Expenses Amount required to be paid at the Closing pursuant to the direction of the Representative;

(v) the Escrow Amount to the escrow account established to satisfy any purchase price adjustment in respect of the Final Cash Payment pursuant to the terms and conditions of this Agreement and the Escrow Agreement; and

(vi) the Representative Expense Fund to the Representative pursuant to the direction of the Representative.

(b) Cash Payment Adjustment. Within five (5) Business Days after the Cash Payment becomes final and binding in accordance with Section 1.09 below:

(i) if the Cash Payment is equal to the Estimated Cash Payment, then Buyer and the Representative shall deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to release the entire Escrow Amount to the Representative (on behalf of the Sellers) for further distribution by the Representative to the Sellers in accordance with their Pro Rata Percentages;

(ii) if the Cash Payment exceeds the Estimated Cash Payment, then (A) Buyer shall pay (or cause to be paid) such excess in cash to the Representative (on

behalf of the LSL Seller or the LSL NY Sellers, as applicable) and (B) Buyer and the Representative shall deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to release the Escrow Amount to the Representative (on behalf of the LSL Seller or the LSL NY Sellers, as applicable) for further distribution by the Representative to the LSL Seller or the LSL NY Sellers, as applicable, in accordance with such Sellers' Pro Rata Percentages; or

(iii) if the Estimated Cash Payment exceeds the Cash Payment (such amount, the "Excess Amount"), then Buyer and the Representative (on behalf of the LSL Seller or the LSL NY Sellers, as applicable) shall deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to release the Excess Amount from the Escrow Amount to Buyer, and if the Excess Amount is less than the Escrow Amount, such joint written instructions shall also instruct the Escrow Agent to release to the Representative (on behalf of the LSL Seller or the LSL NY Sellers, as applicable) the remaining Escrow Amount after payment of the Excess Amount to Buyer for further distribution by the Representative to the LSL Seller or the LSL NY Sellers, as applicable, in accordance with such Sellers' Pro Rata Percentages.

(c) Final Cash Payment. All payments to the Sellers or the Representative pursuant to this Section 1.08 shall be made by wire transfer of immediately available funds to an account or accounts (but not to exceed five accounts total) designated by the Representative in writing. All payments to Buyer pursuant to Section 1.08(b)(iii) shall be made by wire transfer of immediately available funds to an account or accounts designated by Buyer in writing. Buyer agrees that Sellers' maximum aggregate liability for any amounts payable to Buyer pursuant to this Section 1.08(b)(iii) shall be the Escrow Amount and, notwithstanding any other term of this Agreement, the Escrow Amount shall be Buyer's sole source of recovery for any adjustments to the Estimated Cash Payment or the Cash Payment (as finally determined in accordance with Section 1.09 below), even if the Estimated Cash Payment exceeds the Cash Payment (as finally determined in accordance with Section 1.09 below) by an amount that is greater than the amount of the Escrow Amount.

1.09. Cash Payment Determination. As promptly as possible, but in any event within ninety (90) days after the Closing Date, Buyer shall prepare and deliver to the Representative (a) a statement setting forth Buyer's good faith calculation of (i) the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (ii) the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (iii) the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Closing Date, and (iv) the Transaction Expenses Amount as of the Closing Date and, based on such amounts, the LSL Holdings Cash Payment and the LSL NY Cash Payment (the "Closing Statement") and (b) reasonable supporting detail for the information set forth in the Closing Statement. If Buyer does not deliver the Closing Statement within ninety (90) days after the Closing Date, the Representative may elect to either (x) deliver a Closing Statement to Buyer within an additional thirty (30) days thereafter (and the procedures below shall apply with Buyer and the Representative switching roles) or (y) designate the Estimated Cash Payment as the final Cash Payment (in which event "Final Cash Payment" shall mean the Estimated Cash Payment). If the Representative elects to prepare the Closing Statement in accordance with the

immediately preceding sentence, then all subsequent references in this Section 1.09 to Buyer, on the one hand, and the Representative, on the other hand, will be deemed to be references to the Representative, on the one hand, and Buyer, on the other hand, respectively. After delivery of the Closing Statement and throughout the period preceding the final determination of the Cash Payment in accordance with this Section 1.09, the Representative and its accountants shall be permitted to (x) make inquiries of, and shall have access to, Buyer and each Target Company and their respective accountants and employees, in each case, who were involved in the preparation of the Closing Statement and (y) have access to accounting records and work papers of such persons, in each case of clauses (x) and (y), regarding questions concerning or disagreements with the Closing Statement arising in the course of their review thereof (subject to customary access letters or confidentiality agreements). If the Representative has any objections to the Closing Statement, then the Representative shall deliver to Buyer a statement (an "Objection Statement") setting forth its disputes or objections (the "Objection Disputes") to the Closing Statement and, to the extent practical, the Representative's proposed resolution of each such Objection Dispute. If an Objection Statement is not delivered to Buyer within thirty (30) days after receipt of the Closing Statement by the Representative, then the Closing Statement as originally received by the Representative shall be final, binding and non-appealable by the Parties. If an Objection Statement is timely delivered, then Buyer and the Representative shall negotiate in good faith to resolve any Objection Disputes and set forth their agreement with respect thereto in writing, which written resolution shall be final and binding on the Parties. If Buyer and the Representative do not reach a final resolution with respect to all Objection Disputes within thirty (30) days after the delivery of the Objection Statement, the Representative and Buyer shall submit each unresolved Objection Dispute to Duff & Phelps (the "Independent Auditor") to resolve such unresolved Objection Disputes, in which case the Independent Auditor shall act as an expert and not as an arbitrator. In the event that Duff & Phelps refuses or is otherwise unable to act as the Independent Auditor, then Parent and the Representative shall cooperate in good faith to appoint a boutique specialty firm with an active practice area focused on post-mergers and acquisitions purchase price dispute resolution mutually agreeable to Parent and the Representative within ten (10) Business Days (in which event "Independent Auditor" shall mean such firm). Any retainer required by the Independent Auditor shall be paid fifty percent (50%) by Buyer and fifty percent (50%) by the Representative, subject to offset and reimbursement, if applicable, pursuant to the final allocation of the fees, costs and expenses of the Independent Auditor in accordance with this Section 1.09. The scope of the Independent Auditor's review shall be limited to the unresolved Objection Disputes and the Independent Auditor shall be instructed to (I) disregard all negotiations and settlement offers exchanged between Buyer and the Representative in the course of reaching, or attempting to reach, an agreement with respect to an Objection Dispute, (II) set forth a procedure to provide for prompt resolution of any unresolved Objection Disputes and (III) to make its determination in respect of the unresolved Objection Disputes within thirty (30) days following its retention. The Independent Auditor's determination of the unresolved Objection Disputes shall be treated as expert determinations or appraisals under Law of the State of Delaware and such expert determinations shall be final and binding upon the Parties and not subject to review by a court or other tribunal; provided, however, that no such determination with respect to any item reflected in the Objection Statement shall be any more favorable to Buyer than is set forth in the Closing Statement or any more favorable to the Representative than is proposed in the Objection Statement (to the extent it was practical for the Representative to propose a resolution in the Objection Statement) or in the written presentation provided by the Representative to the Independent

Auditor (to the extent it was not practical for the Representative to propose a resolution in the Objection Statement). If any unresolved Objection Disputes are submitted to the Independent Auditor, then, for purposes of this Section 1.09, the fees, costs and expenses of the Independent Auditor shall be borne by Buyer and the Representative in inverse proportion to the unresolved Objection Disputes that are decided by the Independent Auditor in favor of Buyer or the Representative, respectively (e.g., if there are $200,000 of disputed items to be determined by the Independent Auditor and the Independent Auditor determines that Buyer's claims prevail with respect to $125,000 and the Representative's claims prevail with respect to $75,000, then Buyer shall owe 37.5% of the Independent Auditor's fees, costs and expenses, and the Representative shall owe 62.5% of the Independent Auditor's fees, costs and expenses). The final Closing Statement, however determined pursuant to this Section 1.09, will produce each of (i) the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (ii) the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (iii) the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Closing Date, and (iv) the Transaction Expenses Amount as of the Closing Date and, based on such amounts, the LSL Holdings Cash Payment and the LSL NY Cash Payment (collectively, the "Final Cash Payment"). The process set forth in this Section 1.09 shall be the exclusive remedy of the Parties for any disputes related to items required to be reflected on the Closing Statement or included in the calculation of, with respect to each of (i) the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (ii) the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Measurement Time, (iii) the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis) as of the Closing Date, and (iv) the Transaction Expenses Amount as of the Closing Date, whether or not the underlying facts and circumstances constitute a breach of any representations or warranties.

1.10. Preparation of Closing Statement. The Closing Statement (and all calculations of the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis), the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis), the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis), and Transaction Expenses) shall be prepared and calculated in accordance with the Accounting Principles, except that the Closing Statement (and all calculations of such amounts) shall not include any purchase accounting arising out of the consummation of the transactions contemplated by this Agreement. Notwithstanding anything in this Agreement to the contrary, it is the intent of the Parties that no double counting shall occur with respect to amounts taken into account in the determination of the Working Capital of the Target Companies and their Subsidiaries (on a consolidated basis), the Cash Amount of the Target Companies and their Subsidiaries (on a consolidated basis), the Funded Debt of the Target Companies and their Subsidiaries (on a consolidated basis), and Transaction Expenses and this Agreement shall be interpreted consistent therewith.

1.11. Earnout.

(a) Additional Earnout Consideration. Subject to Section 1.11(b) and Section 1.11(c), as further consideration for the sale and transfer of the Purchased Securities to Buyer in accordance with the terms of this Agreement:

(i) Upon the occurrence of the First Earnout Milestone, Buyer shall pay (or cause to be paid) to the Representative an amount equal to the First Earnout Amount for further distribution by the Representative to the Sellers in accordance with such Sellers' Pro Rata Percentages.

(ii) Upon the occurrence of the Second Earnout Milestone, Buyer shall pay (or cause to be paid) to the Representative an amount equal to the Second Earnout Amount for further distribution by the Representative to the Sellers in accordance with such Sellers' Pro Rata Percentages.

(iii) Notwithstanding the foregoing, the amount of an Earnout Amount payable to the Representative shall be reduced by any advisory fees payable to UBS Securities LLC pursuant to the UBS Engagement Letter with respect to the applicable Earnout Amount (such fees, the "Earnout Financial Advisor Fees").

(iv) If (A) the First Earnout Milestone has not been achieved by the Parent Exit Date, and (B) such First Earnout Milestone would be achieved if (x) the definition of "Actual EBITDA" were deemed to be read to refer to "unaudited financial statements" in each instance where the term "Audited Financials" appears and (y) the definition of "Earnout Period" herein were deemed to be mean "a 12-calendar month period that ends on the date on which the Parent Exit Event first occurred", then the First Earnout Milestone will be deemed to have been achieved on the Parent Exit Date. If (I) the Second Earnout Milestone has not been achieved by the Parent Exit Date, and (II) such Second Earnout Milestone would be achieved if (1) the definition of "Actual EBITDA" were deemed to be read to refer to "unaudited financial statements" in each instance where the term "Audited Financials" appears and (2) the definition of "Earnout Period" herein were deemed to be mean "a 12-calendar month period that ends on the the date on which the Parent Exit Event first occurred", then the Second Earnout Milestone will be deemed to have been achieved on the Parent Exit Date. The provisions of Section 1.11(b) shall apply to the determination of whether the First Earnout Milestone or the Second Earnout Milestone will be deemed to have been achieved in accordance with this Section 1.11(a)(iv) (including with respect to the delivery of an Earnout Statement and the resolution of any objections thereto), *mutatis mutandis*.

(v) For the avoidance of doubt, (A) if there is no Earnout Period for which the First Earnout Milestone has been achieved, there shall be no additional amounts payable under this Section 1.11, (B) the First Earnout Milestone and Second Earnout Milestone may be achieved with respect to the same Earnout Period or in different Earnout Periods, (C) each Earnout Milestone shall occur only once, if at all, and (D) the aggregate amount payable under this Section 1.11 shall be limited to the sum of the First Earnout Amount and Second Earnout Amount (less any Earnout Financial Advisor Fees).

(b) Determination of Actual EBITDA.

(i) For each Earnout Period until both the First Earnout Amount and Second Earnout Amount have been paid in accordance with Section 1.11(a), as promptly as practicable, but in any event no later than thirty (30) calendar days following the receipt by Buyer from Buyer's outside auditing firm of the completed audited financial statements of the Target Companies and their Subsidiaries on a consolidated basis for such Earnout Period (the "Audited Financials"), Buyer shall deliver to the Representative (A) a copy of the applicable Audited Financials (if and to the extent the Representative is not already in possession thereof) and (B) a statement setting forth Buyer's good faith calculation of (I) the Actual EBITDA with respect to the applicable Earnout Period derived therefrom, (II) the First Target EBITDA (to the extent the First Earnout Amount has not yet been paid by Buyer) and the Second Target EBITDA, (III) the Earnout Financial Advisor Fees, if any, and (IV) any resulting aggregate amount payable pursuant to Section 1.11(a) (any such statement, an "Earnout Statement").

(ii) Upon receipt of the applicable Earnout Statement, the Representative and its representatives shall have the right during the succeeding thirty (30) day period (the "Earnout Review Period") to examine the Earnout Statement. Until the Earnout Statement has been finally determined pursuant to this Section 1.11(b), Buyer, the Representative and the Target Companies and their Subsidiaries shall afford one another and their respective representatives and advisors access upon reasonable notice and at reasonable times during normal business hours to the books and records used to prepare the applicable Audited Financials; provided, however, that the independent accountants of the Target Companies and their Subsidiaries shall not be obligated to make any working papers available to the Representative unless and until the Representative has signed a customary confidentiality and hold harmless agreement in favor of such independent accountants relating to such access to working papers in form and substance reasonably acceptable to such independent accountants. If the Representative objects to the calculation of Actual EBITDA, the First Target EBITDA or the Second Target EBITDA, as applicable, in the applicable Earnout Statement, then the Representative shall so notify Buyer in writing (any such notice, an "Earnout Disagreement Notice") on or before the last day of the Earnout Review Period. Any such Earnout Disagreement Notice shall set forth a written description in reasonable detail (with all reasonable supporting documentation with respect thereto) of the Representative's objection(s) and its good faith calculation of the applicable Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, after taking into account such objection(s). If no Earnout Disagreement Notice is delivered within the applicable Earnout Review Period, then the applicable Earnout Statement and Buyer's calculation of Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, therein shall be deemed to have been accepted by the Representative and the Sellers, and shall be final, conclusive, and binding on Buyer, the Representative and the Sellers, and not subject to further review or collateral attack.

(iii) If any Earnout Disagreement Notice is delivered in accordance with Section 1.11(b), then Buyer and the Representative shall attempt to resolve the objections set forth therein during the succeeding forty-five (45) day period through good faith discussions. The objections set forth in an Earnout Disagreement Notice that are resolved by Buyer and the Representative in accordance with this Section 1.11(b)(iii) are referred to as "Resolved Earnout Objections". The Resolved Earnout Objections shall be final, conclusive, and binding on Buyer, the Representative, and the Sellers and not subject to further review or collateral attack. The applicable Earnout Statement and the calculation of Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, therein shall be adjusted to reflect any Resolved Objections, and as so adjusted shall be final, conclusive, and binding on Buyer, the Representative, and the Sellers and not subject to further review or collateral attack, subject to the provisions of Section 1.11(b)(v) below.

(iv) If Buyer and the Representative are unable to resolve all the objections set forth in any Earnout Disagreement Notice within such forty-five (45) day period referred to in Section 1.11(b)(iii), then they shall jointly appoint a boutique specialty firm with an active practice area focused on post-mergers and acquisitions purchase price dispute resolution (the "Independent Earnout Expert") within five (5) days of the end of such forty-five (45) day period to resolve any remaining objections. The Independent Earnout Expert, acting as an expert and not as an arbitrator, shall review the objections set forth in any Earnout Disagreement Notice that are not Resolved Earnout Objections (collectively, the "Earnout Differences"). For the avoidance of doubt, the Independent Earnout Expert shall not review any accounts or make any determination with respect to any matter other than those matters specifically set forth in the applicable Earnout Disagreement Notice that are not Resolved Earnout Objections. The Independent Earnout Expert shall work in good faith to determine, within fifteen (15) Business Days of its appointment, based on the requirements set forth in this Section 1.11(b) and only with respect to the Earnout Differences, whether and to what extent the Earnout Statement and the calculation of Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, therein require adjustment; provided, however, that in no event shall any determination by the Independent Earnout Expert of any Earnout Difference result in an adjustment in excess of the higher, nor less than the lower, of the amounts advocated by Buyer and the Representative with respect to such Earnout Difference in the applicable Earnout Disagreement Notice. Buyer, the Representative and the Sellers shall cooperate in good faith with the Independent Earnout Expert and provide the Independent Earnout Expert with any information reasonably requested by it; provided, however, that the independent accountants of Buyer and the Representative shall not be obligated to make any working papers available to the Independent Earnout Expert unless and until the Independent Earnout Expert has signed a customary confidentiality and hold harmless agreement in favor of such independent accountant relating to such access to working papers in form and substance reasonably acceptable to such independent accountants. The Independent Earnout Expert's resolution of the Earnout Differences shall be final, conclusive, and binding upon Buyer, the Representative and the Sellers and not subject to further review or collateral attack for any reason

other than manifest error or fraud. The Earnout Differences resolved by the Independent Earnout Expert in accordance with this Section 1.11(b)(iv) are referred to as "Firm-Determined Earnout Differences". The applicable Earnout Statement and the calculation therein of Actual EBITDA, First Target EBITDA or Second Target EBITDA, as applicable, and any resulting payment due pursuant to Section 1.11(a) shall be adjusted to reflect any Firm-Determined Earnout Differences, and as so adjusted shall be final, conclusive, and binding on Buyer, the Representative and the Sellers and not subject to further review or collateral attack.

(v) With respect to any Earnout Statement, the fees and expenses of any Independent Earnout Expert shall be borne 50% by Buyer and 50% by the Representative.

(c) Conduct of Business during the Earnout Periods. The Parties (including the Representative on behalf of the Sellers) acknowledge and agree that: (i) the Buyer Parties, the Target Companies and their respective Affiliates shall have the right to operate their respective businesses in the sole discretion of the Buyer Parties, the Target Companies and their respective Affiliates, (ii) the Buyer Parties, the Target Companies and their respective Affiliates shall have no obligation to operate their businesses in order to maximize Actual EBITDA, minimize the First Target EBITDA or the Second Target EBITDA, achieve any Earnout Milestone or pay any Earnout Amount, (iii) the payment by the Buyer Parties, and the receipt by the Representative (and related distribution to Sellers), of the Earnout Amounts is speculative and subject to numerous factors outside the control of the Buyer Parties, the Target Companies and their respective Affiliates, (iv) there is no assurance that the Representative will receive any Earnout Amount (or that the Sellers will receive any distribution thereof from the Representative), (v) none of the Buyer Parties, the Target Companies or any of their respective Affiliates owe a fiduciary duty or express or implied duty to the Representative or the Sellers (and any such fiduciary duty is irrevocably waived by the Representative and the Sellers); (vi) the contingent right of the Representative to receive any Earnout Amount (and the contingent right of the Sellers to receive a distribution thereof from the Representative) is not an investment in the Buyer Parties, the Target Companies or their Affiliates and this Section 1.11 shall not entitle any the Representative or any of the Sellers to any rights as an equityholder of the Buyer Parties, the Target Companies or their Affiliates; (vii) the Parties intend the express provisions of this Agreement to govern all of their rights and obligations, if any, with respect to payment of any Earnout Amounts pursuant to this Section 1.11; (viii) nothing herein will prohibit the Buyer Parties, the Target Companies or their respective Affiliates from engaging in any business or opportunity either with or without the Buyer Parties, the Target Companies or their respective Affiliates or acquiring, entering into joint ventures, investing in, or otherwise cooperating with other Persons, including Persons that may have interests adverse to or otherwise compete, directly or indirectly, with the Target Companies and their Subsidiaries; (ix) none of the Buyer Parties, the Target Companies or their respective Affiliates is under any obligation to continue any aspect of the Target Companies and their Subsidiaries' businesses or to operate the Target Companies, their Subsidiaries or their respective businesses consistent with past practice; (x) none of the Representative (on behalf of itself or any Seller) or any of the Sellers shall have any right to claim or assert any lost Earnout Amount or other damages pursuant to this Agreement or otherwise, including this Section 1.11, as a result of any conduct, decisions or other actions or inactions of the Buyer Parties, the Target Companies or their respective Affiliates (other than a claim for breach of the payment obligations under this Section 1.11 to the extent any Earnout

Amount is payable hereunder and not paid when due and payable); (xi) nothing shall prohibit, prevent or otherwise restrict the Buyer Parties, the Target Companies or their respective Affiliates from incurring any Lien with respect to the Target Companies or their respective Affiliates, any equity interest therein or any asset thereof or otherwise restrict the secured party in whose favor such Lien is granted from enforcing its rights in respect of such Lien. Notwithstanding the foregoing or anything to the contrary herein, the Buyer Parties covenant and agree that during the Earnout Period, the Buyer Parties shall not take any action (including cause the Target Companies or their Subsidiaries to take any action) the principal purpose of which is to avoid and reduce the payment of any Earnout Amount. Notwithstanding anything to the contrary herein or otherwise, the sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) against the Buyer Parties, the Target Companies, the Parent Equityholders or their respective Affiliates for payment of any of the Earnout Amounts is to seek the payment from the Buyer Parties in accordance with this Section 1.11.

(d) Payment of Earnout. No later than the sixtieth (60^{th}) calendar day following the final determination of an applicable Earnout Statement in accordance with this Section 1.11 (such applicable sixtieth (60^{th}) calendar day, the "Earnout Payment Deadline"), if the Representative is entitled to payment under Section 1.11(a), Buyer shall pay (or cause to be paid) such payment. Any such payment in respect of this Section 1.11 shall be made by wire transfer of immediately available funds to such account as may be designated in writing at least two (2) Business Days prior to the applicable Earnout Payment Deadline by the Representative.

(e) The obligations of the Parties under this Section 1.11 shall cease and be of no further force and effect from and after the earliest to occur of (i) the Parent Exit Date and (ii) the date as of which an aggregate amount equal to the sum of the First Earnout Amount and the Second Earnout Amount has been paid hereunder.

1.12. Withholding. Each of Parent, Buyer and the Escrow Agent (and their Affiliates and agents) shall be entitled to deduct and withhold from any payments made pursuant to this Agreement such amounts as it is required to deduct and withhold with respect to the making of any such payment under any applicable Tax law. To the extent that amounts are so withheld, and paid to the proper Governmental Authority pursuant to any applicable Tax law, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to such holder in respect of which such deduction and withholding was made. Before making any deduction or withholding pursuant to this Section 1.12 from any payment by Buyer pursuant to this Agreement, Buyer shall use commercially reasonable efforts to give the Representative reasonable advance notice of any anticipated deduction or withholding and reasonably cooperate with the Representative in good faith to attempt to reduce any amounts that would otherwise be deducted and withheld pursuant to this Section 1.12.

1.13. Rollover. For the avoidance of doubt, no portion of the Estimated Cash Payment shall be payable to the Rollover Investors in respect of their LSL Holdings Units at the Closing. Notwithstanding the foregoing, each Rollover Investor will retain all of the rights of a holder of LSL Holdings Units as of the Closing to receive, following the Closing, the applicable Pro Rata Percentage of the amounts payable, if any, in respect of such LSL Holdings Units upon disbursement of the purchase price adjustment pursuant to the terms of Section 1.08(b).

ARTICLE II
THE CLOSING AND TRANSFER OF PURCHASED SECURITIES

2.01. Closing. The closing of the Sale Transaction (the "Sale Transaction Closing" and together with the Debt Merger Closing, the "Closing") shall take place at the offices of McDermott Will & Emery LLP in Miami, Florida, at 10:00 a.m. Eastern Standard Time, or via remote exchange of documents, on the later to occur of (x) the second (2nd) Business Day following the satisfaction or waiver of all conditions set forth in Article VIII and Article IX (other than conditions with respect to actions the respective Parties will take at the Closing itself or that by their nature or terms are to be satisfied at the Closing; provided that all such conditions are satisfied or (to the extent permitted by applicable Law) waived at the Closing) and (y) the date that is 45 days after the date of this Agreement (or, in the sole discretion of Parent, a shorter number of days elected by Parent in writing at least two Business Days prior to the Closing) or at such other time or place as may be mutually agreed upon by the Parties (the "Closing Date").

2.02. Closing Actions. At the Closing, (a) the Buyer Parties shall deliver the various certificates, instruments and documents referred to in Article IX, and (b) the Sellers will sell, assign, transfer and convey the Purchased Securities, free and clear of all Liens or Restrictions, and deliver the various certificates, instruments and documents referred to in Article VIII.

2.03. Post-Closing Contribution. Immediately following the Sale Transaction Closing, Buyer shall contribute all of its LSL NY Securities to LSL Holdings in exchange for the issuance by LSL Holdings to Buyer of LSL Holdings Units representing the aggregate value of the contributed LSL NY Securities.

ARTICLE III
REPRESENTATIONS AND WARRANTIES OF BUYER PARTIES AND OWNER PARTIES

3.01. Representations and Warranties of the Buyer Parties. Each of the Buyer Parties represents and warrants to the Target Companies and the Owner Parties that, as of the date hereof and as of the Closing Date:

(a) Status. Such Buyer Party is a limited liability company duly organized, validly existing and in good standing under the Laws of the State of Delaware.

(b) Power and Authority. Such Buyer Party has all requisite limited liability company power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. All limited liability company acts or proceedings required to be taken by such Buyer Party to authorize the execution and delivery of this Agreement and the performance of such Buyer Party's obligations hereunder have been properly taken.

(c) Enforceability. This Agreement has been duly authorized, executed and delivered by such Buyer Party and, assuming the due and valid authorization, execution and delivery of this Agreement by the other Parties, this Agreement constitutes the legal, valid and binding obligation of such Buyer Party, enforceable against it in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or

similar Laws affecting or relating to creditors' rights generally and general equitable principles (the "Bankruptcy and Equity Exceptions").

(d) No Violations; Consents and Approvals. The execution and delivery of this Agreement by such Buyer Party, and the consummation by it of the transactions contemplated hereby will not (i) violate any provision of the organizational documents of such Buyer Party, (ii) violate any material Law applicable to, binding upon or enforceable against such Buyer Party, (iii) result in any material breach of, or constitute a material default (or an event which would, with the passage of time or the giving of notice or both, constitute a material default) under, or give rise to a right of payment under or the right to terminate, amend, modify, abandon or accelerate, any Contract to which such Buyer Party is a party or bound, (iv) result in the creation or imposition of any Lien upon any of the material property or material assets of such Buyer Party or (v) other than compliance with the Hart-Scott-Rodino Act and those consents and approvals listed on Schedule 5.02, require the consent or approval of any Governmental Authority or any other Person, except, in the case of clauses (ii) through (v), for any violation (in the case of clause (ii)), any breach, default or right (in the case of clause (iii)), any Lien (in the case of clause (iv)) or any consent or approval for which the failure to obtain such consent or approval (in the case of clause (v)) has not had, and would not reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect.

(e) Brokers. Such Buyer Party has not incurred any obligation for any finder's or broker's or agent's fees or commissions or similar compensation in connection with the transactions contemplated hereby for which the Target Companies may be liable prior to the Closing.

(f) Financing.

(i) Buyer has delivered to the Owner Parties a true, correct, and complete copy of an executed commitment letter from Blackstone Tactical Opportunities Fund III – NQ L.P. and Blackstone Tactical Opportunities Fund III – NQ Lux SCSp (the "Equity Investors"), dated as of the date hereof (the "Equity Commitment Letter", and the commitments thereunder, the "Equity Financing Commitments") (A) providing that the Owner Parties are third party beneficiaries thereof entitled to specific performance and (B) pursuant to which the Equity Investors have committed to provide Buyer (directly or indirectly) with cash in the aggregate amount set forth therein, in each case of clauses (A) and (B), subject to the terms and conditions therein (the "Equity Financing" or the "Financing").

(ii) As of the date of this Agreement, the Equity Commitment Letter is in full force and effect and has not been withdrawn, rescinded, or terminated, or otherwise amended or modified in any respect and is a legal, valid and binding obligation of Buyer and, to the knowledge of Buyer, the other parties thereto, enforceable in accordance with its terms, subject to the Bankruptcy and Equity Exceptions. Except for customary engagement letters or customary fee letters with respect to the Financing, there are no other agreements, side letters or arrangements relating to the Equity Financing Commitment that could affect the availability of the Financing or the timing of the Closing other than as expressly set forth in the

Equity Commitment Letter furnished to the Owner Parties pursuant to Section 3.01(f)(i) (none of which impairs or adversely affects the conditionality or enforceability of the Financing). As of the date of this Agreement, (x) Buyer is not in breach of any of the terms or conditions set forth in the Equity Commitment Letter, (y) no event has occurred that, with or without notice, lapse of time or both, would constitute a default or breach on the part of Buyer or any of its Affiliates under any term or condition of the Equity Commitment Letter and (z) Buyer does not have any reason to believe that it shall be unable to satisfy, on a timely basis, any term or condition to the availability or funding of the Financing to be satisfied by it contained in the Equity Commitment Letter, or that the Financing shall not be available in full to Buyer on the Closing Date. Assuming (a) the Financing is funded in accordance with the Equity Commitment Letter on the Closing Date and (b) the satisfaction of the conditions set forth in Article VIII, the aggregate proceeds from the Financing, when funded in accordance with the Equity Commitment Letter on the Closing Date, shall be sufficient for the payment of the Estimated Cash Payment (including the payment of amounts contemplated to be paid by Buyer pursuant to Section 1.08(a)), and the payment of all associated costs and expenses (including the Transaction Expenses and any such costs and expenses incurred by Buyer and related to this Agreement and the transactions contemplated hereby). Buyer has no reason to believe that, as of the date hereof, (x) any fact or occurrence exists that would constitute a default or breach, of a failure of any condition, under the Equity Commitment Letter or otherwise cause the Equity Commitment Letter to be ineffective or (y) any of the conditions to the Financing shall not be satisfied.

(iii) Notwithstanding anything to the contrary contained in this Agreement, the obligations of Buyer under this Agreement and the other agreements contemplated hereby to which Buyer is, or is specified to be, a party are not subject to any conditions regarding Buyer's, its Affiliates' or any other Person's ability to obtain financing for the consummation of the transactions contemplated by this Agreement (including, for the avoidance of doubt, the Equity Financing or any debt financing).

(iv) Concurrently with the execution of this Agreement, the Equity Investors or an Affiliate thereof (the "Guarantors") have duly executed a guaranty with respect to certain payment obligations of Buyer under this Agreement (the "Guaranty") and delivered to the Owner Parties a true, correct and complete copy thereof. As of the date of this Agreement, (w) the Guaranty is in full force and effect and constitutes the valid, binding obligation of the Guarantors enforceable against the Guarantors in accordance with its terms, (x) no event has occurred that, with or without notice, lapse of time or both, would constitute a default or breach on the part of the Guarantors under the Guaranty, (y) the Guaranty has not been withdrawn, rescinded, or terminated, or otherwise amended or modified in any respect (and no such withdrawal, rescission, termination, amendment or modification is contemplated) and (z) there is no fact, occurrence, circumstance or condition that would reasonably be expected to cause the Guaranty to terminate or be withdrawn, modified, repudiated or rescinded or to be or become ineffective.

(g) Due Diligence. Such Buyer Party has completed such investigations of the Target Companies and their Subsidiaries as it deems necessary and appropriate and has received information from the Owner Parties and the Target Companies and their Subsidiaries in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement.

(h) Investment Representation. Buyer is acquiring the Purchased Securities for its own account with the present intention of holding the Purchased Securities for investment purposes and not with a view to or for sale in connection with any public distribution of such securities in violation of any federal or state securities Laws. Buyer is an "accredited investor" as defined in Rule 501 of Regulation D promulgated by the Securities and Exchange Commission under the Securities Act. Buyer understands and acknowledges that (i) none of the Purchased Securities have been registered under the Securities Act or any state or foreign securities Laws, in reliance upon specific exemptions thereunder for transactions not involving any public offering, (ii) none of the Purchased Securities are traded or tradable on any securities exchange or over-the-counter, and (iii) the Purchased Securities may not be sold, transferred, offered for sale, pledged, hypothecated or otherwise disposed of unless such transfer, sale, assignment, pledge, hypothecation or other disposition is pursuant to the terms of an effective registration statement under the Securities Act and are registered under any applicable state or foreign securities Laws or pursuant to an exemption from registration under the Securities Act and any applicable state or foreign securities Laws.

(i) Non-Reliance; Independent Investigation. Such Buyer Party acknowledges and agrees that the representations and warranties made by the Owner Parties and the Target Companies in this Agreement (as qualified by the Disclosure Schedules) or in any ancillary agreement or certificate delivered under this Agreement supersede, replace and nullify in every respect the data set forth in any other document, material or statement, whether written or verbal, made available to such Buyer Party or any of its directors, officers, employees, Affiliates, controlling persons, agents or representatives. Except as expressly set forth in Section 3.02 or Article IV (as qualified by the Disclosure Schedules) or in any ancillary agreement or certificate delivered under this Agreement or in the case of fraud, such Buyer Party acknowledges and agrees that (i) no Owner Party or Target Company is making, nor has made, any promise, guaranty, covenant, representation or warranty, expressed or implied, at law or in equity, in respect of such Person's businesses, assets, liabilities, operations, prospects, or conditions (financial or otherwise), including with respect to merchantability or fitness for any particular purpose of any assets, the nature or extent of any liabilities, the prospects of the business, the effectiveness or the success of any operations, or the accuracy or completeness of any documents, projections, material or other information (financial or otherwise) regarding the Owner Parties or Target Companies furnished, or made available, to such Buyer Party and its representatives in any "data room" or in any other form in expectation of, or in connection with, the transactions contemplated hereby, or in respect of any other matter or thing whatsoever, (ii) no director, officer, employee, Affiliate, controlling person, agent, representative or employee of the Owner Parties or the Target Companies or any of their respective Affiliates has any authority, express or implied, to make any representations, warranties or agreements not specifically set forth in this Agreement and subject to the remedies herein provided, (iii) such Buyer Party specifically disclaims that it is relying, or has relied, upon any such other representations or warranties that may have been made by any Person, and acknowledges and agrees that the Owner Parties and the Target Companies have specifically

disclaimed, and do hereby specifically disclaim, any such other representation or warranty made by any Person (i.e., those not contained in Section 3.02, Article IV or any ancillary agreement or certificate delivered under this Agreement), and (iv) such Buyer Party has conducted, and is relying on, its own investigation of the Owner Parties and the Target Companies.

(j) Solvency. Assuming (a) the representations and warranties set forth in Section 3.02 and Article IV are true and correct in all material respects (without giving effect to any "Knowledge", "material" or "Material Adverse Effect" qualifications or exceptions) and (y) the estimates, projections and forecasts provided to the Buyer Parties have been prepared in good faith on assumptions that were and continue to be reasonable, immediately after giving effect to the transactions contemplated by this Agreement, Parent, the Target Companies and their respective Subsidiaries, taken as a whole, shall (i) be able to pay their respective debts as they become due; (ii) own property which has a fair saleable value greater than the amounts required to pay their respective debts (including a reasonable estimate of the amount of all contingent liabilities); and (iii) have adequate capital to carry on their respective businesses. No transfer of property is being made and no obligation is being incurred in connection with the transactions contemplated by this Agreement with the intent to hinder, delay or defraud either present or future creditors of Parent, Buyer and the Target Companies.

(k) Litigation. There are no actions, suits or proceedings pending or, to Buyer's actual knowledge, expressly threatened in writing against such Buyer Party, at law or in equity, or before or by any Governmental Authority, which reasonably would be expected to affect the legality, validity or enforceability of this Agreement or which has had or would reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect.

(l) NO OTHER REPRESENTATIONS AND WARRANTIES. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS SECTION 3.01, SUCH BUYER PARTY ACKNOWLEDGES ANDS AGREES THAT NONE OF THE OWNER PARTIES, THE TARGET COMPANIES, THEIR SUBSIDIARIES NOR ANY OTHER PERSON MAKES ANY REPRESENTATIONS OR WARRANTIES, WRITTEN OR VERBAL, STATUTORY, EXPRESS OR IMPLIED, WITH RESPECT TO THE TARGET COMPANIES, THEIR SUBSIDIARIES OR THEIR RESPECTIVE BUSINESS, OPERATIONS, ASSETS, STOCK, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE) OR PROSPECTS. EXCEPT IN THE CASE OF FRAUD, SUCH BUYER PARTY HEREBY EXPRESSLY WAIVES ANY CLAIMS AND CAUSES OF ACTION AND ANY OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED, AT COMMON LAW, BY STATUTE OR OTHERWISE IN EACH CASE RELATING TO THE ACCURACY, COMPLETENESS OR MATERIALITY OF ANY INFORMATION, DATA OR OTHER MATERIALS (WRITTEN OR VERBAL) HERETOFORE FURNISHED TO SUCH BUYER PARTY AND ITS REPRESENTATIVES BY OR ON BEHALF OF THE OWNER PARTIES, THE TARGET COMPANIES OR THEIR SUBSIDIARIES OTHER THAN THE REPRESENTATIONS AND WARRANTIES SET FORTH IN SECTION 3.02 OR Article IV (AS QUALIFIED BY THE DISCLOSURE SCHEDULES) OR SET FORTH IN ANY ANCILLARY AGREEMENT OR CERTIFICATE DELIVERED UNDER THIS AGREEMENT. WITHOUT LIMITING THE FOREGOING AND EXCEPT TO THE EXTENT EXPRESSLY ADDRESSED IN THE REPRESENTATIONS AND WARRANTIES SET FORTH IN SECTION 3.02 OR Article IV (AS QUALIFIED BY THE DISCLOSURE SCHEDULES) OR IN ANY

ANCILLARY AGREEMENT OR CERTIFICATE DELIVERED UNDER THIS AGREEMENT, NONE OF THE OWNER PARTIES, THE TARGET COMPANIES, THEIR SUBSIDIARIES NOR ANY OTHER PERSON IS MAKING ANY REPRESENTATION OR WARRANTY TO SUCH BUYER PARTY WITH RESPECT TO ANY FINANCIAL PROJECTION OR FORECAST RELATING TO THE BUSINESS, OPERATIONS, ASSETS, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE) OR PROSPECTS OF THE TARGET COMPANIES OR THEIR SUBSIDIARIES. EXCEPT IN THE CASE OF FRAUD, NONE OF THE OWNER PARTIES, THE TARGET COMPANIES, THEIR SUBSIDIARIES NOR ANY OTHER PERSON WILL HAVE OR BE SUBJECT TO ANY LIABILITY TO SUCH BUYER PARTY OR ANY OF ITS AFFILIATES OR EQUITY HOLDERS OR ANY OTHER PERSON RESULTING FROM THE DISTRIBUTION TO SUCH BUYER PARTY OR ITS REPRESENTATIVES, OR SUCH BUYER PARTY'S OR ITS REPRESENTATIVE'S USE OF, ANY SUCH PROJECTION OR FORECAST AND ANY INFORMATION, DOCUMENT OR MATERIAL MADE AVAILABLE TO SUCH BUYER PARTY OR ITS REPRESENTATIVE'S OR THEIR RESPECTIVE AFFILIATES IN CERTAIN "DATA ROOMS," MANAGEMENT PRESENTATIONS OR ANY OTHER FORM IN EXPECTATION OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

3.02. Representations and Warranties of the Owner Parties. Each Owner Party represents and warrants to the Buyer Parties that, as of the date hereof and as of the Closing Date:

(a) Status. Section 3.02(a) of the Disclosure Schedule sets forth the legal form (if applicable) of such Owner Party and such Owner Party's jurisdiction of formation or organization (if applicable). Such Owner Party is duly organized, validly existing and in good standing under the laws of its respective jurisdiction of formation or organization (if applicable) listed opposite such Owner Party's name on Section 3.02(a) of the Disclosure Schedule.

(b) Power and Authority. Such Owner Party has all requisite limited liability company power, partnership power, trust power, or legal capacity, as applicable, and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. All limited liability company acts, partnership acts, trust acts, or proceedings required to be taken by such Owner Party to authorize the execution and delivery of this Agreement and the performance of such Owner Party's obligations hereunder have been properly taken.

(c) Enforceability. This Agreement has been duly authorized, executed and delivered by such Owner Party. Assuming the due and valid authorization, execution and delivery of this Agreement by the other Parties, this Agreement constitutes the legal, valid and binding obligation of such Owner Party, enforceable against such Owner Party in accordance with its terms, except as enforceability may be limited by the Bankruptcy and Equity Exceptions.

(d) No Violations; Consents and Approvals. Except as set forth on Section 3.02(d) of the Disclosure Schedule, the execution and delivery of this Agreement by such Owner Party, and the consummation by such Owner Party of the transactions contemplated hereby will not (i) violate any provision of the organizational documents of such Owner Party, (ii) violate in any material respect any Law applicable to, binding upon or enforceable against such Owner Party, (iii) result in any material breach of, or constitute a material default (or an event which would, with

the passage of time or the giving of notice or both, constitute a material default) under, or give rise to a right of payment under or the right to terminate, amend, modify, abandon or accelerate, any Contract to which such Owner Party is a party or bound, (iv) result in the creation or imposition of any Lien upon any of Purchased Securities held (directly or indirectly) by such Owner Party or (v) other than compliance with the Hart-Scott-Rodino Act and those consents and approvals listed on Schedule 5.02, require the consent or approval of any Governmental Authority or any other Person, and those consents and approvals listed on Schedule 5.02, except, in the case of clauses (ii), (iii) and (v), for any violation (in the case of clause (ii)), any breach, default or right (in the case of clause (iii)) or any consent or approval for which the failure to obtain such consent or approval (in the case of clause (v)) would not reasonably be expected, individually or in the aggregate, to materially impair or materially delay such Owner Party's ability to perform its obligations hereunder.

(e) Brokers. Except as set forth on Section 3.02(e) of the Disclosure Schedule, such Owner Party has not incurred any obligation for any finder's or broker's or agent's fees or commissions or similar compensation in connection with the transactions contemplated hereby for which any Buyer Parties or any Target Company may be liable after the Closing other than to UBS Securities LLC. A true and correct copy of the Contract setting forth all arrangements and obligations with UBS Securities LLC (other than the fee amounts set forth therein, which have been redacted) has been made available to the Buyer Parties (such Contract, the "UBS Engagement Letter").

(f) Purchased Securities. Section 3.02(f)(ii) of the Disclosure Schedule sets forth the record and beneficial owner of the Purchased Securities as of the date hereof. Such Owner Party is not a party to any option, warrant, purchase right or other Contract or commitment that could require such Owner Party to (directly or indirectly) sell, transfer, or otherwise dispose of any Purchased Securities (other than this Agreement, including with respect to the Reorganization). Such Owner Party is not a party to any voting trust, proxy or other Contract with respect to the voting of any Purchased Securities.

(g) NO OTHER REPRESENTATIONS AND WARRANTIES. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS SECTION 3.02 OR Article IV (AS QUALIFIED BY THE DISCLOSURE SCHEDULES), OR SET FORTH IN ANY ANCILLARY AGREEMENT OR CERTIFICATE DELIVERED UNDER THIS AGREEMENT, NO OWNER PARTY NOR ANY OTHER PERSON MAKES ANY REPRESENTATIONS OR WARRANTIES, WRITTEN OR VERBAL, STATUTORY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY OWNER PARTY OR ITS BUSINESS, OPERATIONS, ASSETS, STOCK, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE) OR PROSPECTS. EXCEPT IN THE CASE OF FRAUD, THE BUYER PARTIES HEREBY EXPRESSLY WAIVES ANY CLAIMS AND CAUSES OF ACTION AND ANY OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED, AT COMMON LAW, BY STATUTE OR OTHERWISE IN EACH CASE RELATING TO THE ACCURACY, COMPLETENESS OR MATERIALITY OF ANY INFORMATION, DATA OR OTHER MATERIALS (WRITTEN OR VERBAL) HERETOFORE FURNISHED TO THE BUYER PARTIES AND THEIR RESPECTIVE REPRESENTATIVES BY OR ON BEHALF OF ANY OWNER PARTY OTHER THAN THE REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS SECTION 3.02 OR Article IV (AS QUALIFIED BY THE DISCLOSURE SCHEDULES) OR SET FORTH IN ANY

ANCILLARY AGREEMENT OR CERTIFICATE DELIVERED UNDER THIS AGREEMENT. WITHOUT LIMITING THE FOREGOING, NO OWNER PARTY NOR ANY OTHER PERSON IS MAKING ANY REPRESENTATION OR WARRANTY TO THE BUYER PARTIES WITH RESPECT TO ANY FINANCIAL PROJECTION OR FORECAST RELATING TO THE BUSINESS, OPERATIONS, ASSETS, LIABILITIES, CONDITION (FINANCIAL OR OTHERWISE) OR PROSPECTS OF ANY OWNER PARTY. EXCEPT IN THE CASE OF FRAUD, NO OWNER PARTY NOR ANY OTHER PERSON WILL HAVE OR BE SUBJECT TO ANY LIABILITY TO THE BUYER PARTIES OR ANY OF ITS AFFILIATES OR EQUITY HOLDERS OR ANY OTHER PERSON RESULTING FROM THE DISTRIBUTION TO THE BUYER PARTIES OR THEIR REPRESENTATIVES, OR THE BUYER PARTIES' OR THEIR REPRESENTATIVE'S USE OF, ANY SUCH PROJECTION OR FORECAST AND ANY INFORMATION, DOCUMENT OR MATERIAL MADE AVAILABLE TO THE BUYER PARTIES OR THEIR REPRESENTATIVE'S OR THEIR RESPECTIVE AFFILIATES IN CERTAIN "DATA ROOMS," MANAGEMENT PRESENTATIONS OR ANY OTHER FORM IN EXPECTATION OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF THE TARGET COMPANIES

The Target Companies hereby represent and warrant to the Buyer Parties that, as of the date hereof and as of the Closing Date (or such other time as expressly set forth herein):

4.01. Corporate Status. The Target Companies are limited liability companies duly organized, validly existing and in good standing under the laws of the State of Delaware. The Target Companies have all requisite limited liability company power and authority to own or lease their properties, rights and assets and to carry on their business as now being conducted. The Target Companies are legally qualified to transact business as foreign companies in all jurisdictions where the nature of their properties or the conduct of their business as now conducted require such qualification, except where the failure to be so qualified has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Target Companies have delivered to the Buyer Parties accurate and complete copies of the organizational documents of the Target Companies.

4.02. Power and Authority. The Target Companies have all limited liability company power and authority to execute and deliver this Agreement, to perform their obligations hereunder and to consummate the transactions contemplated hereby. All company acts or proceedings required to be taken by the Target Companies to authorize the execution and delivery of this Agreement and the performance of the Target Companies' obligations hereunder have been properly taken.

4.03. Enforceability. This Agreement has been duly authorized, executed and delivered by the Target Companies and, assuming the due and valid authorization, execution and delivery of this Agreement by the other Parties, this Agreement constitutes the legal, valid and binding obligation of the Target Companies, enforceable against it in accordance with its terms, except as enforceability may be limited by the Bankruptcy and Equity Exceptions.

4.04. Capitalization; Stock Ownership. Section 4.04 of the Disclosure Schedule sets forth the number of issued and outstanding equity interests and other equity securities of each Target Company as of the date hereof. All of the Purchased Securities are, and following the Reorganization will have been, duly authorized and validly issued, fully paid and non-assessable, issued in compliance with all applicable state and federal securities Laws. Other than the Purchased Securities, there will be no other equity interests or other equity securities of the Target Companies issued or outstanding following the Reorganization. Except as contemplated by this Agreement (including with respect to the Reorganization) or as set forth on Section 4.04 of the Disclosure Schedule, there are no (x) outstanding rights, options, warrants, convertible securities, subscription rights, conversion rights, exchange rights, purchase rights or other rights or commitments relating to any equity interests of any Target Company, (y) Contracts, commitments, understandings or other agreements that require any Target Company to issue or sell (or make any payment in respect of the value of) any equity interests (or securities convertible into or exchangeable for equity interests) or to redeem or otherwise acquire any of its outstanding equity interests or (z) authorized or outstanding bonds, debentures, notes or other indebtedness the holders of which have the right to vote (or convertible into, exchangeable for, or evidencing the right to subscribe for or acquire securities having the right to vote) with the holders of the equity interests of any Target Company on any matter. The Purchased Securities will be free and clear of all Liens and Restrictions at Closing. Such Subsidiaries are legally qualified to transact business as a foreign entity in all jurisdictions where the nature of their properties or the conduct of their business as now conducted requires such qualification, except where the failure to be so qualified has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(c) Each of LSL GP and LSL Holdings was formed solely for the purpose of effecting the transactions contemplated by this Agreement and has not engaged in any business or other activities or conducted any operations other than in connection with the transactions contemplated by this Agreement. Each of the LSL Opcos maintain systems of internal accounting controls that are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP in all material respects. There are no material weaknesses or significant deficiencies (as such terms are defined in Regulation S-X) in any of the LSL Opcos' internal controls likely to adversely affect in any material respect such LSL Opco's ability to record, process, summarize and report financial information. Since January 1, 2018, there has not been any fraud, whether or not material, that involves management or other employees of any of the LSL Opcos who have a significant role in such LSL Opco's internal control over financial reporting.

(b) The Buyer Parties shall promptly, upon request by the Target Companies, reimburse the Target Companies, their Subsidiaries and their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives for all reasonable out-of-pocket and documented costs and expenses incurred by them in connection with the cooperation of the Target Companies, their Subsidiaries, and their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives contemplated by

this Section 5.09. The Buyer Parties shall indemnify, defend, and hold harmless the Target Companies, their Subsidiaries and their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives from and against any and all damages, liabilities, claims, actions or other actual losses arising in whole or in part out of actions or omissions undertaken by the Target Companies, their Subsidiaries and their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives pursuant to this Section 5.09; provided, that the Buyer Parties shall not have any obligation to indemnify and hold harmless any such party to the extent that any such damages, liabilities, claims, actions or other actual losses suffered or incurred arose from (A) information provided by the Target Companies, their Subsidiaries or their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives; or (B) the gross negligence, bad faith or willful misconduct by any of the Target Companies, their Subsidiaries or their respective officers, directors, managers, employees, accountants, consultants, agents, and other representatives.

5.10. Termination of Affiliate Agreements. Except as set forth on Schedule 5.10, the Owner Parties and the Target Companies shall, prior to the Closing, terminate or settle in full (without any payments by any Buyer Party or any Target Company or any of its Subsidiaries) all Related Party Arrangements, pursuant to documentation that is reasonably acceptable to Buyer such that as of the Closing, all such contracts, transactions, or other obligations or liabilities shall be of no further force or effect and without any liability to any Buyer Party or any Target Company or any of its Subsidiaries notwithstanding any terms thereof to the contrary.

ARTICLE VI
POST-CLOSING COVENANTS

The Parties agree as follows with respect to the period following the Closing:

6.01. Further Assurances. From and after the Closing, upon the reasonable request of the other Party and at such requesting Party's expense, each of the Buyer Parties, the Target Companies, the Owner Parties and the Representative shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, all such further documents and instruments and shall take, or cause to be taken, all such further actions as the requesting Party may reasonably deem necessary or desirable to evidence and effectuate the transactions contemplated by this Agreement.

6.02. Director and Officer Liability and Indemnification.

(a) For a period of six (6) years after the Closing, Parent shall not, and shall not permit the Target Companies or any of their Subsidiaries to, amend, repeal or modify any provision in the Target Companies' or any of their Subsidiaries' organizational documents relating to the exculpation or indemnification of any officers, directors or managers (unless required by Law), it being the intent of the Parties that the officers, directors and managers of the Target Companies and their Subsidiaries shall continue to be entitled to such exculpation and indemnification to the full extent of the Law (it being expressly agreed that the officers, directors and managers to whom this Section 6.02 applies shall be third party beneficiaries of this Section 6.02, each of whom may enforce the provisions of this Section 6.02). Parent shall pay all reasonable costs and expenses,

including attorney's fees that may be incurred by any such officer, director or manager in enforcing this Section 6.02.

(b) Parent shall, or shall cause the Target Companies and their Subsidiaries, as applicable, to, at Parent's expense, at the Closing obtain and fully pay for, and following the Closing, maintain in effect, a director and officer liability run-off policy, providing coverage for a coverage period of at least six (6) years from the Closing Date to the individuals who were officers, directors or managers of the Target Companies or their Subsidiaries prior to Closing, comparable to the coverage provided as of the date hereof under the policy or policies maintained by the Target Companies or their Subsidiaries, as applicable, for the benefit of such individuals; provided that Parent shall not be required to pay for such "tail" insurance policies an aggregate amount in excess of 250% of the last annual premium paid by the Target Companies for directors' and officer's liability insurance; provided, further, that if the aggregate cost of such "tail" insurance policies would exceed such amount, Parent shall only be required to obtain "tail" insurance policies with the greatest coverage available for a cost not exceeding such amount. Parent will not, and will cause the Target Companies and their Subsidiaries not to, cancel or change such insurance policies in any respect. Parent will make available to the Sellers and any officers, directors or managers covered under such policies, upon request, proof of compliance with this Section 6.02(b).

(c) In the event that all or substantially all of the equity or assets of the Target Companies or their Subsidiaries are sold, or the Target Companies or any of their Subsidiaries merges or otherwise combines with another Person, in each case whether in one transaction or a series of transactions, then Parent will cause the successors and assigns of the Target Companies or their Subsidiaries, as applicable, to assume the obligations set forth in this Section 6.02 (to the extent not assumed by operation of law). The provisions of this Section 6.02(c) will apply to all of the successors and assigns of the Target Companies and their Subsidiaries.

6.03. Access to Books and Records. From and after the Closing, Parent shall, and shall cause the Target Companies and their Subsidiaries to, provide the Owner Parties and its authorized representatives with reasonable access (for the purpose of examining and copying), during normal business hours, to the books and records of the Target Companies and their Subsidiaries with respect to periods prior to the Closing Date to the extent reasonably required for its accounting, Tax or legal defense needs. Nothing herein shall require the Buyer Parties, the Target Companies or their Subsidiaries to furnish to the Owner Parties or its authorized representatives with access to information that legal counsel for Parent or the Target Companies reasonably concludes may give rise to antitrust or competition Law issues or that is subject to attorney-client privilege; provided, that Parent and the Target Companies will reasonably cooperate with the Owner Parties to attempt to find a way to allow disclosure of such information to the extent doing so would not (in the reasonable judgment of Parent and the Target Companies after consultation with counsel) reasonably be likely to violate any Law or result in the loss of any attorney-client privilege. Unless otherwise consented to in writing by the Representative, Parent shall not permit the Target Companies or their Subsidiaries, for a period of seven (7) years following the Closing Date (or for such longer period that may be required under applicable Law), to destroy or otherwise dispose of any books and records of the Target Companies or their Subsidiaries, or any portions thereof, relating to periods prior to the Closing Date without first giving reasonable prior written notice to the Representative (on behalf of the Sellers) and offering to surrender to the Owner Parties such books and records or such portions thereof.

6.04. Employees; Benefits.

(a) Parent shall not, at any time prior to ninety (90) days after the Closing Date, effectuate a "mass layoff" as that term is defined in the WARN Act, affecting in whole or in part any persons who were employed by the Target Companies or any of their Subsidiaries immediately preceding the Closing Date, including those on vacation, leave of absence or disability (the "Company Employees") or any facility, site of employment or operating unit of the Target Companies or any of their Subsidiaries without complying fully with the requirements of the WARN Act.

(b) For all purposes under the employee benefit plans of Parent providing benefits after the Closing Date, each Company Employee shall be credited with his or her years of service with the Target Companies or the applicable Subsidiary of the Target Companies before the Closing Date, to the same extent as such Company Employee was entitled, before the Closing Date, to credit for such service under any similar Plans, except (x) to the extent such credit would result in a duplication of benefits or (y) for benefit accruals under any defined benefit pension plan or for purposes of qualifying for subsidized early retirement benefits. In addition, and without limiting the generality of the foregoing: (i) Parent shall use commercially reasonable efforts to cause each Company Employee to be immediately eligible to participate, without any waiting time, in any and all employee benefit plans sponsored by Parent and its Subsidiaries for the benefit of employees (such plans, collectively, the "New Plans") to the extent coverage under such New Plan replaces coverage under a comparable Plan in which such Company Employee participated immediately before the Closing Date (such Plans, collectively, the "Old Plans"), and (ii) for purposes of each New Plan providing medical, dental, pharmaceutical or vision benefits to any Company Employee, Parent shall use commercially reasonable efforts to cause all pre-existing condition exclusions and actively-at-work requirements of such New Plan to be waived for such Company Employee and his or her covered dependents, and Parent shall use commercially reasonable efforts to cause any eligible expenses incurred by such Company Employee and his or her covered dependents during the portion of the plan year of the Old Plan ending on the date such Company Employee's participation in the corresponding New Plan begins to be taken into account under such New Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Company Employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Plan.

(c) Before the Closing, the Target Companies shall use commercially reasonable efforts to seek, prior to the initiation of the approval by the stockholders described in the next sentence, from each Person to whom any payment or benefit is required or proposed to be made that could constitute "parachute payments" under Section 280G(b)(2) of the Code, a written agreement waiving such Person's right to receive or retain some or all of such payment or benefit (such amounts, the "Waived Benefits"), to the extent necessary so that all remaining payments and benefits applicable to such Person shall not be deemed a parachute payment, and accepting in substitution for the Waived Benefits, the right to receive the Waived Benefits only if approved by the stockholders in a manner that complies with Section 280G(b)(5) of the Code (the "280G Stockholder Vote"). Before the Closing, with respect to each "disqualified individual" (as defined in Section 280G(c) of the Code) (each, a "Disqualified Individual") from which the Target Companies have obtained any necessary waivers and consents, the Target Companies will take all necessary actions to submit for approval by the members of such Target Companies, in a manner

that satisfies Section 280G(b)(5) of the Code, the right of each such Disqualified Individual to receive or retain, as applicable, that portion of any payments and benefits (whether in cash or property or the vesting of property) that, together with any other payments and benefits the applicable Disqualified Individual may become entitled to receive that may be considered "parachute payments" under Section 280G(b)(2) of the Code ("Section 280G Payments"), exceeds 299% of such Disqualified Individual's "base amount" (as defined in Section 280G(b)(3) of the Code) such that the deduction of such Section 280G Payments will not be limited by the application of Section 280G(a) of the Code. The Target Companies shall make available to the Buyer Parties, prior to submission to the stockholders, copies of all documents prepared by the Target Companies in connection with this Section 6.04(c) for its review and comment and shall consider in good faith any reasonable comments thereon. Prior to the Closing, the Target Companies shall deliver to the Buyer Parties and their counsel evidence that an effective 280G Stockholder Vote was solicited and that either (i) the requisite number of stockholder votes was obtained and the Waived Benefits shall be made or retained or (ii) the requisite number of stockholder votes was not obtained and no Waived Benefits shall be made or retained.

(d) The provisions of this Section 6.04 are solely for the benefit of the Parties and no provision of this Section 6.04, express or implied, is intended or shall be construed to create any third party beneficiary or other rights in any current or former Company Employee (including any dependent or beneficiary thereof) in respect of the terms and conditions of employment with, or any benefits that may be provided by, Parent or any of its Subsidiaries.

6.05. Investment Intent of Buyer. Buyer will refrain from transferring or otherwise disposing of any of the Purchased Securities acquired by it, or any interest therein, in such manner as to violate the Securities Act or any applicable state or foreign securities Law regulating the disposition thereof. Buyer agrees that any certificates representing the Purchased Securities may bear legends to the effect that the Purchased Securities have not been registered under the Securities Act or such other state or foreign securities Laws, and that no interest therein may be transferred or otherwise disposed of in violation of the provisions thereof.

ARTICLE VII
TAX COVENANTS

7.01. Responsibility for Filing Income Tax Returns.

(a) Buyer shall prepare and file or cause to be prepared and filed all Tax Returns for the Target Companies and their Subsidiaries (other than Flow-Through Tax Returns for taxable periods ending on or before the Closing Date) that are filed after the Closing Date. Any such Tax Return described in the preceding sentence that is a Flow-Through Tax Return for any taxable period that includes (but does not end on) the Closing Date (a "Seller Review Return") shall be prepared, and all elections with respect to such Flow-Through Tax Returns shall be made, in a manner consistent with the prior practice of the Target Companies and their Subsidiaries, except as otherwise required by applicable Law. Buyer shall provide the Representative with completed drafts of any Seller Review Returns for Representative's review and comment at least twenty (20) days prior to the due date for filing thereof (or with respect to any such Tax Return that is due within twenty (20) days of Closing, as soon as reasonably practicable), and shall make such revisions to such Tax Returns as are reasonably requested by the Representative.

(b) The Representative shall be responsible for preparing and filing or causing to be prepared and filed, at its sole expense, all Flow-Through Tax Returns for the Target Companies and their Subsidiaries for taxable periods ending on or before the Closing Date that are filed after the Closing Date. The Representative shall provide Buyer with completed drafts of such Flow-Through Tax Returns for Buyer's review, comment at least twenty (20) days prior to the due date for filing thereof (or with respect to any such Tax Return that is due within twenty (20) days of Closing, as soon as reasonably practicable) and no such Tax Return shall be filed without the prior written consent of Buyer (not to be unreasonably withheld, conditioned or delayed).

(c) For the avoidance of doubt, all Transaction Tax Deductions shall be reflected as deductions in a taxable period (or portion thereof) ending on or before the Closing Date (assuming, for this purpose, that the safe harbor election provided for in IRS Revenue Procedure 2011-29 is made with respect to any Transaction Tax Deduction that constitutes a "success-based fee"), in each case, to the maximum extent permitted by applicable Law.

(d) The Target Companies and any applicable Subsidiaries of the Target Companies shall make an election under Section 754 of the Code (and any corresponding state and local elections) for the Tax year that includes the Closing Date.

7.02. Amendments, Elections, Etc. Without the consent of the Representative, which consent shall not be unreasonably withheld, conditioned or delayed, except as otherwise required by applicable Law, none of Buyer or any of its Affiliates shall (or shall cause or permit any other Person to) (a) file any Flow-Through Tax Return of a Target Company or any Subsidiary of a Target Company for a taxable period ending on or before the Closing Date other than in accordance with Section 7.01 or amend, re-file or otherwise modify any Flow-Through Tax Return relating in whole or in part to the Target Companies or any Subsidiary of the Target Companies with respect to any taxable period (or portion thereof) ending on or before the Closing Date, (b) make any Tax election or change any material Tax accounting method of the Target Companies or their Subsidiaries that has retroactive effect to any taxable period (or portion thereof) ending on or before the Closing Date or (c) file any ruling or request for a ruling with any Taxing Authority that relates to Taxes or Tax Returns of the Target Companies or any Subsidiary of the Target Companies for any taxable period (or portion thereof) ending on or before the Closing Date, in each case, (i) with respect to a Flow-Through Tax Return of the Target Companies or any Subsidiary of the Target Companies for a Pre-Closing Tax Period or (ii) to the extent such action would reasonably be expected to result in incremental Tax liability to the Sellers in respect of Covered Taxes for which the Sellers are responsible pursuant to Section 7.07.

7.03. Cooperation on Tax Matters. Buyer shall provide to the Representative, and the Representative shall provide to Buyer, such material documents and other relevant information, without charge (except for out-of-pocket costs in accordance with this Section 7.03) and in a reasonably timely fashion, as each may reasonably request of the other, in connection with the filing of Tax Returns pursuant to Section 7.01(a) and Section 7.01(b) and any audit, litigation or other proceeding with respect to Taxes imposed on the Target Companies or their Subsidiaries. Such cooperation shall include the retention and, upon the other Party's request, the provision of records and information that are reasonably relevant to any such audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Buyer agrees (A) to retain all

books and records with respect to Tax matters pertinent to the Target Companies and their Subsidiaries relating to any taxable period (or portion thereof) ending on or before the Closing Date, and to abide by all record retention arrangements entered into with any Taxing Authority with respect thereto, and (B) to give the Representative reasonable written notice and receive the consent of Representative, which consent shall not be unreasonably withheld, prior to transferring, destroying or discarding any such books and records. The party requesting such cooperation shall bear the reasonable out-of-pocket costs of the other party.

7.04. Transfer Taxes. Buyer will pay, or cause to be paid, one hundred percent (100%) of any stamp tax, real property transfer tax, stock transfer tax, or other similar Tax (collectively, the "Transfer Taxes") imposed on the Target Companies or their Subsidiaries, as a result of the sale of the Sellers' Purchased Securities. The Representative agrees to cooperate with Buyer in the filing of any Tax Returns with respect to Transfer Taxes, including promptly supplying any information in its possession that is reasonably necessary to complete such Tax Returns and the payment of such amounts due under this Section 7.04. The Representative shall be responsible for any Transfer Taxes resulting from the Reorganization.

7.05. Intended Tax Treatment; Allocation of Purchase Price. The Parties agree that for U.S. federal Income Tax purposes, it is intended that (i) Parent shall be treated as a continuation of LSL Holdings (or, if LSL Holdings is treated as a continuation of another LSL Holdco, of such LSL Holdco), (ii) if the acquisition of the Sellers' Purchased Securities is treated in whole or in part as an "assets-over form" merger under Treasury Regulation Section 1.708-1(c)(3), then any such Purchased Securities acquired for cash shall be treated as acquired through a sale of partnership interests for cash in accordance with Treasury Regulation Section 1.708-1(c)(4), and (iii) the sale of the Sellers' Purchased Securities shall be treated as a sale of partnership interests (such treatment, the "Intended Tax Treatment"). The Parties agree that the amounts paid pursuant to Section 1.08 (as adjusted pursuant to Section 1.09 and as increased by the amounts treated as assumed liabilities of the Target Companies and their Subsidiaries for federal Income Tax purposes and other amounts treated as taxable sale consideration for federal Income Tax purposes) shall be allocated among the assets of the Target Companies and their Subsidiaries for purposes of Sections 743, 751, 755 and 1060 of the Code in a manner consistent with the methodology set forth on Schedule 7.05 (the "Purchase Price Allocation Schedule"). Within ninety (90) days after the Closing Statement is finalized pursuant to Section 1.09, the Representative will provide Buyer with a draft allocation prepared in a manner consistent with the methodology set forth on Schedule 7.05 (the "Draft Purchase Price Allocation"). The Draft Purchase Price Allocation will be binding upon Buyer, the Target Companies and their Subsidiaries, and the Representative unless Buyer, within thirty (30) days of delivery of the Draft Purchase Price Allocation to Buyer, provides to the Representative written notice of its objection to the Draft Purchase Price Allocation and the reasons therefor, in which event Buyer and the Representative shall endeavor in good faith to agree upon an allocation schedule. If Buyer and the Representative cannot resolve such objection within thirty (30) days of Buyer's notice of objection, the items in question shall be resolved by the Independent Auditor in accordance with Section 1.09, it being understood that the Independent Auditor is to resolve any such items in question in accordance with the methodology set forth on Schedule 7.05. None of Buyer, the Target Companies or their Subsidiaries, nor the Owner Parties shall take a position for federal and all applicable state Income Tax purposes on any Tax Return, before any Taxing Authority or in any judicial proceeding that is inconsistent with the allocation as finally determined in accordance with this Section 7.05 (the "Final Purchase Price Allocation")

or the Intended Tax Treatment, in each case, unless specifically required pursuant to a determination within the meaning of Section 1313(a) of the Code by an applicable Taxing Authority. If the Final Cash Payment is adjusted pursuant to this Agreement, the Final Purchase Price Allocation shall be adjusted as appropriate and Buyer and the Representative shall cooperate in good faith in making any such adjustments.

7.06. Income Tax Contests.

(a) If Buyer, the Target Companies or any Subsidiary of the Target Companies, the Representative or any Owner Party receives notice of any deficiency, proposed adjustment, assessment, audit, examination, suit, dispute or other claim by a Taxing Authority with respect to Income Taxes of, or attributable to, the Target Companies or any of their Subsidiaries for a Pre-Closing Tax Period or Straddle Period with respect to a Flow-Through Tax Return (an "Income Tax Contest"), such party will notify (within thirty (30) days of the receipt of such notice) the other parties in writing of such Income Tax Contest; provided that failure to timely provide notice will not impact the responsibility of the Sellers or any other Owner Parties for any such Taxes except to the extent such failure actually and materially prejudices the Sellers or Owner Parties.

(b) The Representative shall have the right to control the proceedings in connection with an Income Tax Contest with respect to any taxable period ending on or before the Closing Date (such Income Tax Contest, a "Representative Income Tax Contest") at its sole expense; provided that (i) the Representative shall keep Buyer reasonably informed with respect to the status and progress of such Representative Income Tax Contest, (ii) Buyer may participate in the conduct of such Representative Income Tax Contest at its own expense, and (iii) the Representative may not settle or compromise such Representative Income Tax Contest without the prior written consent of Buyer, which consent shall not be unreasonably withheld or delayed. Buyer shall control any Income Tax Contest for a Straddle Period or which Representative does not timely elect to control (such Income Tax Contest, a "Buyer Income Tax Contest") at its sole expense; provided that (i) Buyer shall keep the Representative reasonably informed with respect to the status and progress of such Buyer Income Tax Contest, (ii) the Representative may participate in the conduct of such Buyer Income Tax Contest at its own expense, and (iii) Buyer may not settle or compromise such Buyer Income Tax Contest without the prior written consent of the Representative, which consent shall not be unreasonably withheld or delayed.

(c) To the maximum extent permitted by Law, the parties hereto agree that the Target Companies and their Subsidiaries, if applicable, shall make a timely election under Section 6226(a) of the Code with respect to any Pre-Closing Tax Period or Straddle Period of the Target Companies and their Subsidiaries, and the Representative and the Owner Parties shall cooperate with respect to the foregoing.

7.07. Covered Taxes.

(a) Indemnification for Covered Taxes. Each Seller shall jointly and severally indemnify, defend and hold harmless each of Parent, Buyer, the Target Companies, their Subsidiaries and their Affiliates (each hereinafter referred to individually as an "Indemnified Party" and collectively as the "Indemnified Parties") from and against any and all liabilities, losses, damages, claims, interest, awards, judgments, Taxes, penalties, costs, and expenses (including

reasonable legal, accounting and other professional fees and expenses and other out-of-pocket expenses incurred in investigating, preparing or defending any of the foregoing) (collectively, "Losses") incurred by the Indemnified Parties, directly or indirectly, arising out of, relating to or resulting from the Covered Taxes (including any Covered Taxes required to be paid to a Governmental Authority in connection with the final settlement of a VDA and any reasonable out-of-pocket costs incurred in connection with such VDA). The obligations of the Sellers pursuant to this Section 7.07 shall survive until the date that is thirty (30) days following the expiration of the statute of limitations for any Covered Taxes.

(b) VDA Process. Notwithstanding anything to the contrary in this Agreement, Buyer may, in its sole discretion, cause the Target Companies or their Subsidiaries to initiate, pursue or enter into any voluntary disclosure programs, voluntary compliance programs, or other similar programs or agreements with the relevant Governmental Authority (a "VDA") with respect to Covered Taxes and the Representative will cooperate with any reasonable request of Buyer in connection with the foregoing; provided that (i) prior to initiating any VDA with respect to Covered Taxes, Buyer will consult with the Representative and shall consider in good faith the Representative's comments regarding the decision to initiate a VDA, and (ii) if any such VDA is initiated with respect to Covered Taxes, the Representative may participate in such VDA process at its own expense.

(c) Covered Tax Claims. If, following the Closing, Buyer, the Target Companies or any Subsidiary of the Target Companies receives notice from a Governmental Authority that it is initiating an audit or litigation in respect of Covered Taxes for which the Sellers are responsible pursuant to this Agreement (a "Covered Tax Claim"), then Buyer shall, within thirty (30) days after receipt of such notice, give written notice to the Representative of such Covered Tax Claim; provided, however, that no delay on the part of Buyer in notifying the Representative will relieve any Seller from any obligation under this Section 7.07 except to the extent such failure actually and materially prejudices the Seller or Owner Parties. The Buyer shall control the defense of any Covered Tax Claim; provided that (i) Representative may participate in the conduct of such Covered Tax Claim at its own expense, and (ii) the Buyer may not settle or compromise such Covered Tax Claim without the prior written consent of the Representative, which consent shall not be unreasonably withheld or delayed.

(iii) by Parent pursuant to Section 12.01(b)(ii) or by the Representative pursuant to Section 12.01(c)(ii), if (x) all of the conditions set forth in Article VIII

Buyer shall, promptly and in any event within five (5) Business Days after such termination, pay the Representative (on behalf of the Owner Parties), by wire transfer in immediately available funds, a non-refundable termination fee in an amount equal to $25,100,000 (the "Reverse Termination Fee").

(c) Notwithstanding anything to the contrary in this Agreement, the Representative's right (on behalf of the Owner Parties) to terminate this Agreement and the Representative's right (on behalf of the Owner Parties) to receive the Reverse Termination Fee pursuant to this Section 12.03(a) shall be the sole and exclusive remedy of the Representative and the Owner Parties and their Affiliates for any loss suffered as a result of any breach of any covenant or agreement in this Agreement or the failure of the transactions contemplated by this Agreement to be consummated, in each case, in any circumstance in which the Representative or the Owner Parties are permitted to terminate this Agreement and receive the Reverse Termination Fee pursuant to Section 12.03(a), and Buyer shall have no further liability or obligation relating to or arising out of this Agreement or the transactions contemplated by this Agreement; provided, however, nothing in this Section 12.03(c) shall limit the ability of the Owner Parties to pursue a

grant of specific performance to the extent permitted by Section 13.10 prior to the termination of this Agreement.

(d) For the avoidance of doubt, (i) while the Representative or the Owner Parties may pursue a grant of specific performance to the extent permitted by Section 13.10, under no circumstances shall the Representative or the Owner Parties be permitted or entitled to receive both a grant of specific performance to require Buyer to consummate the Closing and payment of the Reverse Termination Fee and (ii) in no event shall the Representative or the Owner Parties be entitled to receive the Reverse Termination Fee more than once. Notwithstanding the foregoing, in the event this Agreement is terminated and the Reverse Termination Fee is paid, the Owner Parties and the Target Companies shall be entitled to receive any amounts reimbursable by Buyer pursuant to Section 5.09. Notwithstanding anything to the contrary set forth in this Agreement, each of the parties to this Agreement expressly acknowledges and agrees that under no circumstances shall (i) the maximum aggregate liability of the Buyer Parties (and the Guarantors in accordance with, and subject to the limitations in, the Guaranty) for all claims, actions or liabilities arising out of or related to this Agreement (including any breach of this Agreement, whether willful or material) and the transactions contemplated hereby (the "Transaction-Related Matters") exceed an amount equal to the Reverse Termination Fee (the "Cap"), (ii) any Person seek to recover any money damages against the Buyer Parties in excess of the Cap, (iii) any Person bring any proceeding or action or otherwise seek to recover any losses against any Buyer Financing Party or any Debt Financing Source or its representatives for any Transaction-Related Matter (other than against Buyer or against the Guarantors pursuant to, and subject to the terms of, the Guaranty) or (iv) any Buyer Financing Party or any Debt Financing Source or its representatives have any liability or obligation of any nature whatsoever to any Person for any Transaction-Related Matter (other than Buyer or the Guarantors pursuant to, and subject to the terms of, the Guaranty).

(e) The Parties acknowledge and agree that the agreements contained in this Section 12.03 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, neither Party would enter into this Agreement.

References to any Contract (including this Agreement) or organizational document are to the Contract or organizational document as amended, modified, supplemented or replaced from time to time, unless otherwise stated. References to any Person include such Person's predecessors or successors, whether by merger, consolidation, amalgamation, reorganization or otherwise, and permitted assigns. Any information set forth in one section of the Disclosure Schedule will be deemed to apply to other sections of the Disclosure Schedule to which its relevance is reasonably apparent from the face of such disclosure (notwithstanding the omission of a reference or cross-reference thereto, but without reference to any document actually referenced in such disclosure). The specification of any dollar amount in the representations and warranties contained in this Agreement or the inclusion of any specific item in the Schedules hereto is not intended to imply that such amounts, or higher or lower amounts, or the items so included, are or are not required to be disclosed, and neither Party shall use the fact of the setting of such amounts or the fact of the inclusion of any such item in the Schedules in any dispute or controversy with any Party as to whether any obligation, item or matter not described herein or included in a Schedule hereto is or is not required to be disclosed (including, without limitation, whether such amounts or items are required to be disclosed as material). The information contained in the Schedules hereto is disclosed solely for the purposes of this Agreement, and no information contained therein shall be deemed to be an admission by any Party to any third party of any matter whatsoever, including of any violation of Law or breach of any agreement. If the date specified for giving any notice or taking any action is not a Business Day (or if the period during which any notice is required to be given or any action taken expires on a date which is not a Business Day), then the date for giving such notice or taking such action (and the expiration date of such period during which notice is required to be given or action taken) shall be the next date which is a Business Day. With respect to all dates and time periods set forth or referred to in this Agreement, time is of the essence. In the event a conflict between the Escrow Agreement and any agreement of the parties hereto in this Agreement, such agreement of the parties hereto in this Agreement shall govern.

13.08. Governing Law; Interpretation. This Agreement shall be construed in accordance with and governed for all purposes by the internal substantive Laws of the State of Delaware applicable to contracts executed and to be wholly performed within the State of Delaware.

13.09. Forum Selection and Consent to Jurisdiction.

(a) Any suit, action or proceeding against the Buyer Parties, the Target Companies, the Owner Parties or the Representative arising out of, or with respect to, this Agreement or any judgment entered by any court in respect thereof shall be brought exclusively in the Delaware Court of Chancery (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or proceeding, in the United States District Court for the Southern District of New York) (together, the "Designated Courts"), and the Parties irrevocably and unconditionally submit to the exclusive jurisdiction of the Designated Courts for the purpose of any suit, action or proceeding. Each Party agrees that service of any process, summons, notice or document by U.S. registered mail addressed to such Party in accordance with Section 13.01 shall be effective service of process for any action, suit or proceeding brought against such Party

in any such court. The Buyer Parties hereby designates the individuals listed in Section 13.01(a) to whom notice may be given on behalf of the Buyer Parties as their true and lawful agent upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Target Companies, the Representative or any Owner Party. The Target Companies, the Representative and the Owner Parties hereby designate the individual(s) listed in Section 13.01(b) to whom notice may be given on behalf of the Target Companies, the Representative and the Owner Parties as their true and lawful agent upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Buyer Parties.

(b) In addition, each Party hereby (i) irrevocably waives, to the fullest extent permitted by Law, any objection which it may now or hereafter have to, or any defense of, the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any judgment entered by any of the Designated Courts, (ii) irrevocably waives any claim or defense that any suit, action or proceedings brought in the Designated Courts has been brought in an inconvenient forum, (iii) agrees that all claims with respect to any such action or proceeding shall be heard and determined in the Designated Courts and agrees not to commence any action or proceeding relating to this Agreement or the transactions contemplated hereby (whether based on contract, tort or other theory) except in such courts and (iv) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

(c) Notwithstanding the foregoing, each party hereto agrees that any action or proceeding of any kind or nature (whether based on contract, tort or other theory) against any Debt Financing Source relating to this Agreement, the Debt Financing or any of the transactions contemplated hereby shall be subject to the exclusive jurisdiction of the Supreme Court of the State of New York, County of New York, Borough of Manhattan or if under applicable Law exclusive jurisdiction is vested in Federal courts, the United States District Court for the Southern District of New York (and the appellate courts thereof). The parties hereto agree that any violation of this Section 13.09 shall constitute a material breach of this Agreement and shall constitute irreparable harm.

(d) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE OUT OF, OR WITH RESPECT TO, THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT (INCLUDING ANY ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM INVOLVING ANY DEBT FINANCING SOURCE AND THEIR RESPECTIVE AFFILIATES) (IN EACH CASE WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OR ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) EACH PARTY MAKES THIS WAIVER

VOLUNTARILY AND (IV) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS OF THIS SECTION 13.09. EITHER PARTY MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

13.10. Specific Performance. Each of the Parties agrees that this Agreement is intended to be legally binding and specifically enforceable pursuant to its terms, and that the Buyer Parties, the Target Companies, the Owner Parties and the Representative would be irreparably harmed if any of the provisions of the Agreement are not performed in accordance with their specific terms and that monetary damages would not provide adequate remedy in such event. Accordingly, in addition to any other remedy to which a non-breaching Party may be entitled at Law, a non-breaching Party shall be entitled to injunctive relief without the posting of any bond or other security to prevent breaches of this Agreement and to specifically enforce the terms and provisions hereof. Each Party further waives any defense that a remedy at Law would be adequate in any action, suit or proceeding for specific performance or injunctive relief hereunder.

13.11. Arm's Length Negotiations; Drafting. Each Party herein expressly represents and warrants to the other Parties that before executing this Agreement, said Party has fully informed itself of the terms, contents, conditions and effects of this Agreement; said Party has relied solely and completely upon its own judgment in executing this Agreement; and said Party has had the opportunity to seek and has obtained the advice of counsel before executing this Agreement, which is the result of arm's length negotiations conducted by and among the Parties and their respective counsel. This Agreement shall be deemed drafted jointly by the Parties and nothing shall be construed against one Party or another as the drafting Party.

13.12. Confidentiality; Publicity. No Owner Party or its respective Affiliates, employees, agents and representatives shall disclose to any third party the existence of this Agreement or the subject matter or terms hereof without the prior consent of Parent; provided, however that the Owner Parties and their Affiliates shall be permitted to disclose such information (a) to their attorneys, advisors, representatives, members or investors who are reasonably required to receive such information, (b) in connection with enforcing their rights and fulfilling their obligations under this Agreement or any other agreement entered into in connection with this Agreement and (c) as may be requested or required pursuant to applicable Law. No press release or public announcement related to this Agreement or the transactions contemplated herein, or, prior to the Closing, any other announcement or communication to the employees, customers or suppliers of the Target Companies and their Subsidiaries, shall be issued or made by any Party without the joint approval of the Buyer Parties and the Sellers, unless required by Law (in the reasonable opinion of counsel) in which case Buyer and the Sellers shall have the right to review and reasonably approve such press release, announcement or communication prior to its issuance, distribution or publication. Notwithstanding the foregoing, nothing in this Agreement shall restrict the ability of (i) the Owner Parties or any of its Affiliates from communicating or disclosing the financial results achieved by Owner Parties and its Affiliates with respect to its beneficial interest in the Target Companies and their Subsidiaries, (ii) any Party or any of its Affiliates from communicating or disclosing a general description of the Target Companies and their Subsidiaries (including their financial performance), and the Owner Parties' and their Affiliates' investment

and role therein, to the current or prospective limited partners or other business affiliates of such Party or its Affiliates and their advisors in the ordinary course of business or (iii) the Buyer Parties and their Affiliates from communicating or disclosing any information relating to this Agreement to any third party in connection with the Buyer Parties' or their Affiliate(s)' normal fund raising, marketing, informational or reporting activities.

13.13. Made Available. The phrase "made available to the Buyer Parties" or similar phrases as used in this Agreement shall mean that the subject documents were either posted to the "Project Paradigm" data room hosted by Datasite or delivered to the Buyer Parties or their accountants, attorneys or other agents at least one (1) Business Day prior to the date of this Agreement.

13.14. Company Representation. Each of the Parties agree, on its own behalf and on behalf of its directors, managers, members, partners, equity holders, officers, employees and Affiliates, that, McDermott Will & Emery LLP may serve as counsel to the Owner Parties and their Affiliates (individually and collectively, the "Seller Group"), on the one hand, and the Target Companies, on the other hand, in connection with the negotiation, preparation, execution and delivery of this Agreement and the consummation of the transactions contemplated hereby, and that, following consummation of the transactions contemplated hereby, McDermott Will & Emery LLP (or any successor) may serve as counsel to the Seller Group or any director, manager, member, partner, equity holder, officer, employee or Affiliate of the Seller Group, in connection with any litigation, claim or obligation arising out of or relating to this Agreement or the transactions contemplated by this Agreement notwithstanding such representation or any continued representation of the Target Companies, and each of the Parties consents thereto and waives any conflict of interest arising therefrom, and each of such Parties shall cause any Affiliate thereof to consent to waive any conflict of interest arising from such representation. The Buyer Parties also further agree that, as to all communications subject to attorney-client privilege among McDermott Will & Emery LLP and the Owner Parties, the Target Companies and their Subsidiaries that relate to the transactions contemplated by this Agreement (including the negotiation, preparation, execution and delivery of this Agreement), the attorney-client privilege and the expectation of client confidence belongs to the Owner Parties and may be controlled by the Owner Parties and shall not pass to or be claimed by the Buyer Parties or any of their Affiliates and such communications would not be subject to disclosure to the Buyer Parties in connection with any process relating to a dispute arising under or in connection with, this Agreement or the transactions contemplated hereby. The Parties acknowledge that McDermott Will & Emery LLP has represented and performed services for the Owner Parties, the Target Companies and their Subsidiaries prior to the Closing and consent to the sharing by McDermott Will & Emery LLP (or any successor) with the Owner Parties of all information obtained during such past representation that McDermott Will & Emery LLP (or any successor) believes to be relevant to any future dispute or litigation with respect to this Agreement.

13.15. Severability. Whenever possible, each term or other provision of this Agreement shall be interpreted in such manner as to be effective, valid and enforceable under applicable law, but if any term or other provision of this Agreement is or becomes invalid, illegal or incapable of being enforced in any respect by any rule of Law or public policy, all other terms, conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in

any manner materially adverse to the any Party against which enforcement is being sought thereto; provided, that the economic and legal substance of the transactions contemplated by this Agreement shall be deemed to be affected in a manner materially adverse to the Parties hereto if Section 13.16 is invalid, void or incapable of being enforced. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Owner Parties and the Buyer Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the fullest extent possible.

13.16. No Recourse. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby may only be brought against, the entities that are expressly named as Parties hereto and then only with respect to the specific obligations set forth herein with respect to such Party. Except to the extent a named Party to this Agreement, (i) no past, present or future director, officer, employee, incorporator, member, partner, equityholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any named Party to this Agreement and (ii) no past, present or future director, officer, employee, incorporator, member, partner, equityholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of the Owner Parties, Target Companies or the Buyer Parties under this Agreement (whether for indemnification or otherwise) of or for any claim based on, arising out of, or related to this Agreement or the transactions contemplated hereby.

13.17. Designation of the Representative.

(a) Designation. Life Science Logistics Corporation, a Delaware corporation, is hereby designated by the Owner Parties and the Target Companies (collectively, "Designated Parties") to serve as the representative of the Designated Parties with respect to the matters expressly set forth in this Agreement and the Escrow Agreement to be performed by the Representative.

(b) Authority. The Representative is hereby irrevocably appointed as the agent, proxy and attorney-in-fact for each Designated Party for all purposes of this Agreement, the Escrow Agreement and any other agreement entered into in connection herewith (including the full power and authority on such Person's behalf) (i) to execute the Escrow Agreement and otherwise to consummate the transactions contemplated herein and therein, (ii) to pay the expenses incurred by such Person or the Representative in connection with the negotiation and performance of this Agreement, the Escrow Agreement and any other agreement entered into in connection herewith (whether incurred on or after the date hereof), (iii) to disburse any funds received hereunder or under the Escrow Agreement to each other Seller, (iv) to endorse and deliver any certificates or instruments representing the Purchased Securities and execute such further agreements or instruments of assignment as the Buyer Parties shall reasonably request or which the Representative shall consider necessary or proper to effectuate the transactions contemplated by this Agreement and the Escrow Agreement, all of which shall have the effect of binding the Owner Parties as if such Owner Parties had personally executed such agreement or instrument,

(v) to resolve any adjustments or issues relating to any component of the LSL Holdings Cash Payment or the LSL NY Cash Payment, as applicable, (vi) to receive notices and other deliverables hereunder on behalf of such Person, (vii) to execute and deliver on behalf of such Person any amendment or waiver hereto or to any other agreement contemplated hereunder, (viii) to take all other actions to be taken by or on behalf of such Person in connection herewith including under the Escrow Agreement, (ix) to dispute, compromise, settle and pay any claims made in connection with this Agreement or the Escrow Agreement and the transactions contemplated hereunder and thereunder, (x) to retain legal and other professional advisors on behalf of, and at the expense of the Sellers in connection with its actions hereunder, (xi) to dispense funds from the Escrow Amount (or direct the Escrow Agent to do so) to the Owner Parties pursuant to the terms of this Agreement and to retain from such funds an amount sufficient to satisfy the reasonable out-of-pocket expenses incurred by the Representative in fulfilling its obligations hereunder, (xii) to make any calculations required under this Agreement (including calculations with respect to the distribution of the LSL Holdings Cash Payment or the LSL NY Cash Payment, as applicable), and (xiii) to do each and every act and exercise any and all rights which such Person or the Owner Parties collectively are permitted or required to do or exercise under this Agreement or the Escrow Agreement. Each Designated Party agrees that such agency, proxy and attorney-in-fact and all authority granted hereunder are coupled with an interest, are therefore irrevocable without the consent of the Representative and shall survive the death, incapacity, bankruptcy, dissolution or liquidation of any Person. If, after the execution of this Agreement, any Designated Party dies, dissolves or liquidates or becomes incapacitated or incompetent, then the Representative is nevertheless authorized, empowered and directed to act in accordance with this Agreement as if that death, dissolution, liquidation, incapacity or incompetency had not occurred and regardless of notice thereof. All decisions and actions by the Representative (to the extent authorized by this Agreement) shall be binding upon all Designated Parties, and no Designated Party shall have the right to object, dissent, protest or otherwise contest the same.

(c) Authority; Indemnification. Each Designated Party agrees that the Buyer Parties shall be entitled to rely on any action taken by the Representative, on behalf of the Sellers, pursuant to this Section 13.17 (each, an "Authorized Action"), and that each Authorized Action shall be binding on each Designated Party as fully as if such Person had taken such Authorized Action. The Buyer Parties agrees that the Representative, as the Representative, shall have no liability to the Buyer Parties for any Authorized Action, except to the extent that such Authorized Action is found by a final order of a court of competent jurisdiction to have constituted fraud or willful misconduct. Each Designated Party hereby severally, for itself only and not jointly, agrees to indemnify and hold harmless the Representative against all expenses (including reasonable attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the Representative in connection with any action, suit or proceeding to which the Representative is made a party by reason of the fact it is or was acting as the Representative pursuant to the terms of this Agreement.

(d) Duties of the Representative. The Representative hereby accepts its obligations under this Agreement. The Representative shall have only the duties expressly stated in this Agreement and the Escrow Agreement, and shall have no other duty, express or implied. The Representative is not, by virtue of serving as Representative, a fiduciary of the Designated Parties or any other Person. The Representative, in its capacity as such, has no responsibility or liability for any representation, warranty or covenant of the Target Companies or their Subsidiaries.

(e) Exculpation. The Representative shall not be liable to any Designated Party for any action taken or omitted by it or any agent employed by it hereunder or under any other document entered into in connection herewith, except that the Representative shall not be relieved of any liability imposed by Law for fraud or willful misconduct. The Representative shall not be liable to the Designated Parties for any apportionment or distribution of payments made by the Representative in good faith, and, if any such apportionment or distribution is subsequently determined to have been made in error, the sole recourse of any Person to whom payment was due, but not made, shall be to recover from other Designated Parties any payment in excess of the amount to which they are determined to have been entitled. The Representative shall not be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement. Neither the Representative nor any agent employed by it shall incur any liability to any Designated Party by virtue of the failure or refusal of the Representative for any reason to consummate the transactions contemplated hereby or relating to the performance of its other duties hereunder, except for actions or omissions constituting fraud or willful misconduct.

(f) No Fees to or Compensation of the Representative. The Representative shall receive no compensation for service as such but shall receive reimbursement from, and be indemnified from, the Representative Expense Fund, by the Designated Parties for any and all expenses, charges and liabilities, including, but not limited to, reasonable attorneys' fees (collectively, the "Representative Expenses"), incurred by the Representative in the performance or discharge of its duties set forth in this Section 13.17. If the amount of the Representative Expense Fund is less than the Representative Expenses, each Designated Party shall be severally, for itself only and not jointly, responsible for paying the difference between (x) the Representative Expenses and (y) the Representative Expense Fund.

(g) Replacement of the Representative. If the Representative resigns or is otherwise unable or unwilling to serve in such capacity, then the Designated Parties will appoint a new Person to serve as the Representative and will provide prompt written notice thereof to the Buyer Parties. Until such notice is received, the Buyer Parties will be entitled to rely on the actions and statements of the previous Representative.

13.18. Debt Financing Sources. Notwithstanding anything in this Agreement to the contrary, each party hereto, on behalf of itself and each of its Affiliates, hereby: (i) agrees that any proceeding or action involving any Debt Financing Source arising out of or relating to this Agreement, the Debt Financing or any of the agreements entered into in connection with the Debt Financing or any of the transactions contemplated hereby or thereby or the performance of any services thereunder shall be subject to the exclusive jurisdiction of any federal or state court in the Borough of Manhattan, New York, New York, so long as such forum is and remains available, and any appellate court thereof and each party hereto irrevocably submits itself and its property with respect to any such proceeding or action to the exclusive jurisdiction of such court, and such proceeding or action (except to the extent relating to the interpretation of any provisions in this Agreement) shall be governed by the laws of the State of New York (without giving effect to any conflicts of law principles that would result in the application of the laws of another jurisdiction), (ii) agrees not to bring or support any proceeding or action of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any Debt Financing Source in any way arising out of or relating to, this Agreement, the Debt Financing or any of the trans

proceeding or action s contemplated hereby or thereby or the performance of any services thereunder in any forum other than any federal or state court in the Borough of Manhattan, New York, New York, (iii) agrees that service of process upon any party or any of their respective subsidiaries or Affiliates in any such proceeding or action shall be effective if notice is given in accordance with Section 13.01, (iv) irrevocably waives, to the fullest extent that it may effectively do so, the defense of an inconvenient forum to the maintenance of such proceeding or action in any such court, (v) KNOWINGLY, INTENTIONALLY AND VOLUNTARILY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHTS OF TRIAL BY JURY IN ANY PROCEEDING OR ACTION BROUGHT AGAINST THE DEBT FINANCING SOURCES IN ANY WAY ARISING OUT OF OR RELATING TO, THIS AGREEMENT, THE DEBT FINANCING OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY OR THE PERFORMANCE OF ANY SERVICES THEREUNDER, AND EACH PARTY HERETO CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH PARTY WOULD NOT, IN THE EVENT OF ANY PROCEEDING OR ACTION, SEEK TO ENFORCE THE FOREGOING WAIVER AND ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS CONTAINED HEREIN, (vi) agrees that no Debt Financing Source shall be subject to any special, consequential, punitive or indirect damages or damages of a tortious nature, (vii) agrees that no Debt Financing Source will have any liability to the Target Companies, any of their Subsidiaries or their respective Affiliates in connection with this Agreement, the Debt Financing or any of the transactions contemplated hereby or thereby or the performance of any services thereunder, whether in law or in equity, whether in contract or in tort or otherwise (provided that, notwithstanding the foregoing, nothing herein shall affect the rights of the Buyer Parties against the Debt Financing Sources with respect to the Debt Financing or any of the transactions contemplated hereby or any services thereunder), and (viii) agrees that the Debt Financing Sources are express third party beneficiaries of, and may enforce any of the provisions in this Agreement reflecting the foregoing agreements in this Section 13.17 and the proviso contained in the first sentence of Section 13.04, and such provisions and the definitions of "Debt Financing Sources" (and any other provision of this Agreement to the extent an amendment, supplement, waiver or other modification of such provision would modify the substance of such Sections) shall not be amended in any way materially adverse to the Debt Financing Sources without the prior written consent of such Debt Financing Sources (such consent not to be unreasonably withheld, conditioned or delayed). For purposes of this Section 13.17, "Debt Financing Sources" includes all officers, employees, consultants, accountants, agents and other representatives of the Debt Financing Sources.

STATE OF COLORADO

Case No. 2016-3687

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE NON-RESIDENT WHOLESALER REGISTRATION IN THE STATE OF COLORADO OF LIFESCIENCE LOGISTICS, REGISTRATION NO. WHO 7828,

Respondent Outlet.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and LifeScience Logistics ("Respondent Outlet") to resolve all matters pertaining to Board Case Number 2016-3687, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Outlet, its registration as a non-resident wholesaler outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2016).

2. Respondent Outlet was originally registered in the State of Colorado on or about June 29, 2011, being issued registration number WHO 7828, and has been so registered at all times relevant to this disciplinary action.

3. Respondent Outlet's address of record with the Board and current location is 1105 E Northfield Dr., Ste. 300-400, Brownsburg, IN 46112.

4. Respondent Outlet admits these findings and hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. Respondent Outlet failed to timely submit an application to the Board detailing a change in designated representative and fee. In this case, approximately 100 days transpired between November 16, 2015, the date the previous designated representative ceased the position, and February 29, 2016, the date the application and fee were received.

6. On or about July 19, 2016, the Board initiated a complaint against Respondent Outlet because of the delay of approximately 100 days in submitting an application detailing a change in designated representative and fee.

7. Respondent Outlet's conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board Regulations:

Colorado Revised Statutes

12-42.5-123. Unprofessional conduct – grounds for discipline.

Respondent Outlet acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under §12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of Respondent Outlet's registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Outlet to comply with all terms and conditions of this Final Agency Order.

14. **Completion of Terms.** Upon satisfactory completion of all terms and conditions set forth in this Final Agency Order, the Board shall release Respondent Outlet from the Final Agency Order, and Respondent Outlet's registration will be restored to active and unencumbered status.

15. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

16. **Public Record.** Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.

17. **Board Order.** This Final Agency Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative

RE: Final order

Dear Lifescience Logistics LLC,

Enclosed you will find a FINAL ORDER resulting from your hearing before the Board. While the entire order is important, I particularly direct your attention to the portion of the Order setting forth the mandatory obligation of your payment of a fine and costs. As you will see, those amounts are due within a specified period of time from the date of the Final Order and not the date of this letter. The order also states that your renewal will not be processed until the fine has been paid. Permit # 195184 renewal has already been issued so it has been placed on administrative hold until fine is paid.

If the referenced fine and costs are not received by the Board within the prescribed period of time, or special arrangements have not been made with the Secretary of the Board, additional charges will be brought against you.

Sincerely,

Wendy Passmore

	)	
Third Party Logistics Permit Number 195184	)	

FINAL ORDER

On October 16, 2018 this cause came before the Alabama State Board of Pharmacy (hereinafter also referred to as the "Board") on a Complaint against Lifescience Logistics, LLC (hereinafter also referred to as the "Respondent"). Evidence having been adduced thereon, the Board has determined that the following Findings of Fact and Conclusions of Law are supported by the preponderant weight of evidence and law.

Findings of Facts

1. The Respondent is a Wholesale Distributor which the Board issued permit number 193417 and also a Third Party Logistics facility which the Board issued permit number 195184.

2. The Respondent was notified of the charges by certified mail at the address provided to the Board by the Respondent, however, the notice was returned by the United States Postal Service with the indication "return to sender insufficient address unable to forward". (Board's Exhibits One and Two)

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges.

4. The Respondent's facility is located at 1105 East Northfield Drive, Brownsburg,

Indiana 46112.

5 On April 30, 2018 the Board of Pharmacy, Department of Consumer Affairs, State of California, issued a Citation and Fine to the Respondent for failure to designate a new representative in charge for a period of four hundred and twenty-eight (428) days. (Board's Exhibit One "A").

Conclusions of Law

1. The Alabama State Board of Pharmacy has jurisdiction of this cause pursuant to Code of Alabama (1975), § 34-23-32, Code of Alabama (1975), § 34-23-32.1 , Code of Alabama (1975), § 34-23-92 (11) and (12), Code of Alabama (1975), § 41-22-12 and Board Rule 680-X-2.23.

2. The Respondent was properly notified of the charges, failed to appear, was not represented by counsel and did not contest the matter in any manner.

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges.

4. The Respondent's wholesale distributor permit and third party logistics permit in the state of Alabama are due to have disciplinary sanctions imposed in that it is guilty of violating Board Rule 680-X-2.23 (3) (k) (1) and Board Rule 680-X-2.23 (3) (k) (3) and it was not qualified to possess the permits, and/or its operation was not consistent with the public safety or endangers the public health of the citizens of this state based upon violating California law relating to non-resident wholesales as set out in the Citation and Fine entered by the California State Board of Pharmacy on April 30, 2018 and/or the failure to have a licensed designated representative in charge for Four Hundred Twenty-Eight (428) days as described in the referenced Citation and Fine.

ORDER

In accordance with the foregoing Findings of Fact and Conclusions of Law, it is hereby ORDERED as follows:

1. The Respondent shall pay the Board an administrative fine of One Thousand ($1,000.00) Dollars within thirty (30) days of the date of this Final Order and future applications for renewal shall not be granted unless said fine has been paid; and

2. Any future violations of this Order, the Alabama Pharmacy Practice Act, the laws that regulate the sale and/or dispensing of prescription or legend drugs and/or narcotics or any Rule of the Alabama State Board of Pharmacy or the pharmacy law or rules of the Board of Pharmacy of another state may, upon hearing and proof thereof, result in further disciplinary sanctions.

DONE and ORDERED, this 26 day of October 2018.
