STATUTORY AND REGULATORY PROVISIONS

8. Section 4301 of the Code provides, in pertinent part, that the Board shall take action against any holder of a license who is guilty of "unprofessional conduct," defined to include, but not be limited to, any of the following:

You may, but need not, be represented by counsel at any or all stages of these proceedings.

The enclosed Notice of Defense, if signed and filed with the Board, shall be deemed a specific denial of all parts of the Accusation, but you will not be permitted to raise any objection to the form of the Accusation unless you file a further Notice of Defense as provided in section 11506 of the Government Code within fifteen (15) days after service of the Accusation on you.

If you file any Notice of Defense within the time permitted, a hearing will be held on the charges made in the Accusation.

The hearing may be postponed for good cause. If you have good cause, you are obliged to notify the Office of Administrative Hearings, 1515 Clay Street, Suite 206, Oakland, CA 94612, within ten (10) working days after you discover the good cause. Failure to notify the Office of Administrative Hearings within ten (10) days will deprive you of a postponement.

Copies of sections 11507.5, 11507.6, and 11507.7 of the Government Code are enclosed.

If you desire the names and addresses of witnesses or an opportunity to inspect and copy the items mentioned in section 11507.6 of the Government Code in the possession, custody or control of the Board you may send a Request for Discovery to the above designated Supervising Deputy Attorney General.

NOTICE REGARDING STIPULATED SETTLEMENTS

It may be possible to avoid the time, expense and uncertainties involved in an administrative hearing by disposing of this matter through a stipulated settlement. A stipulated settlement is a binding written agreement between you and the government regarding the matters charged and the discipline to be imposed. Such a stipulation would have to be approved by the Board of Pharmacy but, once approved, it would be incorporated into a final order.

Any stipulation must be consistent with the Board's established disciplinary guidelines; however, all matters in mitigation or aggravation will be considered. A copy of the Board's Disciplinary Guidelines will be provided to you on your written request to the state agency bringing this action.

If you are interested in pursuing this alternative to a formal administrative hearing, or if you have any questions, you or your attorney should contact Supervising Deputy Attorney General Joshua A. Room at the earliest opportunity.

UpScript Pharmacy, LLC

The UpScript Pharmacy, LLC pharmacy platform utilizes the Mckesson EnterpriseRx System along with UpScript Health's proprietary E-Commerce platform

UpScript Pharmacy, LLC makes extensive use of electronic record keeping via a well-established pharmacy software vendor, Mckesson EnterpriseRx. This software stores all data in two redundant databases with Azure. Both databases meet the highest encryption and security standards.

UpScript Pharmacy, LLC adheres to all state and federal laws pertaining to pharmacy regulations. The pharmacy also maintains prescription hard-copies for a seven-year period.

UpScript Pharmacy, LLC does not have a DEA number and therefore does not stock or dispense controlled substances.

UpScript Health E-Commerce Platform:

The UpScript Health (USH) E-Commerce system runs parallel to the EnterpriseRx pharmacy systems. The UpScript platform is hosted at Amazon Web Services (AWS) and employs multiple redundant data systems to ensure that data will survive virtually any disaster event.

The primary AWS region pushes all data to a Disaster Recovery environment in real-time. This serves as the primary and main backup. In addition, USH employs another real-time data-push to a system hosted in the Lumen cloud environment. Multiple daily snapshots are taken of the data in the Lumen cloud environment and are stored in yet another Lumen datacenter.

INSPECTOR'S COMMENTS:

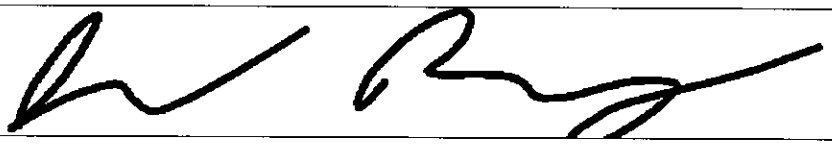
Reviewed sterile inspection (virtual) with Gina Cohenour, Mischelle Smoot, and Angela Garcia, and shadowed by Trina Leak. Requirements as listed above were observed through documented communication with the facility staff to ensure that this facility meets the minimum requirement by state law. Documents attached to this inspection were provided during virtual communication with Gina Cohenour.

Pharmacy compounds low to medium risk CSPs. Pharmacy does not wholesale distribute or outsources medications. Pharmacy does not extend BUDs, and does not batch compound. Pharmacy compounds IVIG and provides medication pump services. Pharmacy is permitted in AK, AZ, AR, CA, CO, CT, DE, FL, GA, HI, IL, IN, IA, KY, ME, MI, MN, MS, MO, MT, NE, NV, NH, NJ, NM, NY, NC, ND, OH, OK, PA, RI, SC, SD, TN, UT, VT, VA, WA, DC, WV, WI, and WY.

Due to COVID19, pharmacy temporarily ceased compounding in March 2020 in efforts to avoid any wasted product in the event that a patient or Nurse had to delay or cancel an infusion after shipment. Manufacturer medication vials being shipped to patients to eliminate the 9 day BUD of compounded items. The clean room is still being cleaned at appropriate intervals. On June 3 a patient requested her infusion to be mixed by the pharmacy, fingertip testing was performed after compounding as part of QA.

Technicians pull components and perform compounding. Pharmacist check vials for correctness, drug and dose.

Clean room consists of a positive pressure anteroom and buffer room and 2 LAFWs. ENV Services performed environmental sampling and certification on 3/10/2020. Pharmacy conducts monthly in-house surface and air sampling (settling plates), and weekly fingertip sampling.



Cleaning of room and hoods is performed by pharmacy staff. Pharmacy uses Cavicide and Sterile Alcohol for the daily, TexQ for the weekly, and Peridox RTU for the monthly cleanings.

Discussed/Recommend
Adding a policy/procedure on reporting AERs to the Board of Pharmacy.

Unresolved matters will be brought to the Board for review.

Pentec Health, Inc. Summary of Federal and State Disciplinary History

FEDERAL

DOJ Settlement (February 2019)

On February 1, 2019, Pentec announced the closure and settlement with the Eastern District of Pennsylvania's office of the Department of Justice for a matter dating back to 2013 (the "DOJ Settlement"). The DOJ Settlement fully resolves a number of alleged claims involving Pentec's drug compounding practices and patient billing procedures, and resulted in a full dismissal of the case that was pending in Federal Court. Simultaneously, Pentec had entered into a five-year Corporate Integrity Agreement ("CIA") with the Department of Health and Human Services. Pentec believes that all government payors were billed appropriately and did not admit any fault as part of the settlement and dismissal.

Neither the DOJ Settlement nor the Corporate Integrity Agreement imposes any restrictions on Pentec's ability to provide pharmacy services to any Medicare or Medicaid beneficiary. Further, the Settlement and CIA do not involve any compounding quality issues relating to licensure or other drug compounding requirements, such as those adopted by the FDA or any State's Board of Pharmacy.

STATE REGULATORY SANCTIONS

Colorado Disciplinary Action (March 24, 2010)

On February 17, 2010, The Colorado Board of Pharmacy issued a Letter of Complaint (Case No. 2010-002886) alleging Pentec (license OSP0005533) failed to submit required data into Colorado's Prescription Drug Monitoring Program (PDMP) for the January 16 through January 25 reporting period. Pentec, located in Pennsylvania, was not dispensing controlled substances until May 2012 however, the Colorado Board of Pharmacy alleged that Pentec should have reported that it had dispensed "zero" controlled substances regardless. Pentec and the Colorado Board of Pharmacy settled the dispute by entering into a Stipulation and Final Agency Order, dated March 24, 2010 and Pentec paid $5,500 as part of the Stipulation.

Kentucky Board of Pharmacy Settlement & Order (August 2019)

On August 26, 2019, Pentec Health received a Settlement Agreement and Agreed Order from the Kentucky Board of Pharmacy that was signed on August 16, 2019 ("Kentucky Settlement"). The Kentucky Settlement arose after the Kentucky Board of Pharmacy ("KY BOP") alleged that Pentec's entry into the DOJ Settlement and CIA formed the basis of a violation of Kentucky pharmacy laws. Pentec disagrees with the KY BOP's characterization of the DOJ Settlement and denies any allegation that Pentec violated Kentucky state laws. However in the interest of resolving this matter, Pentec entered into a settlement pursuant to which we (1) agree to abide by the terms of the CIA and (2) will be on probation in Kentucky during the term of the CIA. The 'probation' in this matter does not impact the company's pharmacy license – 'probation' only gives the KY BOP the ability to revisit this issue in the event Pentec is found, at some later date in time during its probation, to have violated the terms of the CIA. The Kentucky Settlement does not impose any restrictions on Pentec's ability to provide pharmacy services, nor does it impact Pentec's ability to provide drug therapies in Kentucky.

Alabama Disciplinary Action (October 2019)
On March 14, 2019 the Alabama State Board of Pharmacy issued a Statement of Charges (Case No: 19-L-0055) alleging that the conduct settled in the DOJ Settlement and execution of the CIA in February of 2019 constituted a separate violation of Alabama pharmacy laws. Pentec strongly disagreed with the allegations and the Board's characterization of the DOJ Settlement as the settlement does not pertain to compliance with any state pharmacy laws nor did the settlement involve any payment to the Alabama State Medicaid program.

Although Pentec denies any allegation in violation of state law, on October 15, 2019, Pentec entered into a consent order with the Alabama State Board of Pharmacy pursuant to which Pentec agreed to pay stipulated costs of resolution to avoid further disputes on this matter. The Alabama Settlement does not impose any restrictions on Pentec's ability to provide pharmacy services in Alabama.

California Board of Pharmacy Settlement & Disciplinary Order (October 2021)
Pentec Health was notified on October 7, 2021 that a Stipulated Settlement and Disciplinary Order for Public Reproval (the "California Settlement") was adopted by the California Board of Pharmacy, Department of Consumer Affairs on October 4, 2021, to become effective as of November 3, 2021. The California Settlement arose solely out of the 2019 disciplinary actions issued by the Alabama and Kentucky Boards of Pharmacy. Pentec denies any accusation of unprofessional conduct in violation of California state law, but has entered into the California Settlement, pursuant to which Pentec will pay stipulated costs of resolution, in order to resolve this matter. The California Settlement does not impose any restrictions on Pentec's ability to provide pharmacy services in California.

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF THE DISCIPLINARY PROCEEDING REGARDING THE NON-RESIDENT PRESCRIPTION DRUG OUTLET REGISTRATION OF PENTEC HEALTH, INC., REGISTRATION NO. OSP 5533,

RESPONDENT PHARMACY.

IT IS HEREBY STIPULATED by and between the Colorado State Board of Pharmacy ("Board") and Pentec Health, Inc. ("Respondent Pharmacy"), to resolve all matters pertaining to Board Case Number 2010-002886 as follows:

1. The Board has jurisdiction over Respondent Pharmacy, its registration as a non-resident prescription drug outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the provisions of title 12, article 22, C.R.S. (2009), otherwise known as the Pharmaceuticals and Pharmacists Act.

2. Respondent Pharmacy has been registered by the Board as a non-resident prescription drug outlet in the State of Colorado at all times relevant to this disciplinary action.

3. Respondent Pharmacy's address of record with the Board and current location is 4 Creek Pkwy, Ste. A, Boothwyn, PA 19061.

4. Respondent Pharmacy does not contest these findings and hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. Respondent failed to submit required data into Colorado's Prescription Drug Monitoring Program (PDMP) for the January 16, 2010, through January 25, 2010, reporting period.

6. On January 28, 2010, the Board initiated a complaint against Respondent Pharmacy because Respondent Pharmacy failed to comply with the data submission requirements of the PDMP.

7. Respondent Pharmacy does not contest that the conduct described above constitutes a violation of section 12-22-125(1)(c)(I), (II) and (III) and 12-22-708, C.R.S., and that such conduct provides grounds for disciplinary action against Respondent Pharmacy's non-resident prescription drug outlet registration.

DISPOSITION

$5,000.00 Fine with Surcharge and Terms

8. **Fine with Surcharge.** Pursuant to section 12-22-125.2(5), C.R.S., Respondent Pharmacy shall pay a fine of Five Thousand Dollars and No Cents ($5,000.00). Respondent Pharmacy understands and acknowledges that, pursuant to section 24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies shall impose an additional surcharge of 10% of this fine. Respondent Pharmacy shall therefore pay a total amount of Five Thousand, Five Hundred Dollars and No Cents ($5,500.00). The total amount shall be payable to the State of Colorado and shall be remitted in one lump sum to be included when Respondent Pharmacy submits this signed Final Agency Order to the Board.

9. **Compliance.** Respondent Pharmacy shall at all times comply with the data submission requirements of the PDMP.

10. **Advisements and Waivers.** Respondent Pharmacy enters into this Final Agency Order freely and voluntarily, whether or not Respondent Pharmacy has consulted with legal counsel. Respondent Pharmacy acknowledges its understanding that it has the following rights:

    a. To have a formal notice of hearing and charges served upon it;
    b. To respond to said formal notice of charges;
    c. To have a formal disciplinary hearing pursuant to section 12-22-125, C.R.S.; and
    d. To appeal this Board order.

    Respondent Pharmacy freely **waives** these rights, and acknowledges that such waiver is made voluntarily in consideration for Board's limiting the action taken against it to the sanctions imposed herein.

11. **Acknowledgments.** The undersigned authorized agent of Respondent Pharmacy has read this Final Agency Order in its entirety and acknowledges, whether or not Respondent Pharmacy has consulted with legal counsel, that Respondent Pharmacy understands the legal consequences and agrees that none of the terms or conditions herein are unconscionable. Respondent Pharmacy is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Pharmacy further acknowledges that it is not entering into this Final Agency Order under any duress.

12. **Violations.** Time is of the essence to this Final Agency Order. It is the responsibility of Respondent Pharmacy to take all appropriate steps to comply fully with this Final Agency Order. Respondent Pharmacy acknowledges and agrees that any violation of this Final Agency Order may be sanctioned as provided under

section 12-22-125.2(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of its registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Pharmacy to comply with all terms and conditions of this Final Agency Order.

13. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties in this case. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

KENTUCKY BOARD OF PHARMACY
Case No. 19-0015

IN RE: PHARMACY PERMIT NO. PA1197 HELD BY PENTEC HEALTH, INC

Agreed Order

Come the parties, the Kentucky Board of Pharmacy ("Board"), and Pentec Health, Inc ("Respondent"), and all parties having been fully informed regarding the matter set forth herein, state as follows:

(1) Pursuant to Chapter 315 of the Kentucky Revised Statutes, the Board is authorized to regulate and control all matters related to pharmacists not delegated to another agency of the Commonwealth. The matter herein has not been delegated to another agency of the Commonwealth.

(2) Respondent is a pharmacy licensed by the Commonwealth of Kentucky, having been assigned permit no. PA1197.

(3) (a) On or about February 8, 2019, Respondent notified the Kentucky Board of Pharmacy that, on February 4, 2019, Respondent entered into a settlement with the Eastern District of Pennsylvania's office of the Department of Justice relating to the company's alleged billing for Proplete, an intradialytic parenteral nutrition supplement (the "Settlement Agreement"). The Settlement Agreement does not impose any restriction on Respondent's ability to provide pharmacy services, Respondent's pharmacy licenses, nor does the settlement impact Respondent's ability to provide renal drug therapies to Medicare beneficiaries. The Settlement Agreement states that settlement was "*made in compromise of the disputed claims. It is neither an admission of liability by Pentec nor a concession by the [US] that their claims are not well founded. Pentec denies the Relator's allegations and the contentions of the United States.*"

Simultaneously, Respondent entered into a Corporate Integrity Agreement with the DHHS/OIG.

(b) As a result of Respondent's entering into the Settlement Agreement, the Board alleges that the Respondent violated KRS 315.121 (1)(c)(2), and is subject to discipline pursuant to KRS 315.121(1)(h).

(4) Respondent denies any act in violation of Pharmacy laws; however, the Respondent desires to settle fully this matter without proceeding to hearing or further dispute between the parties. Therefore, the parties agree to address this matter by entering into this Agreed Order, in lieu of the filing of a formal Complaint.

WHEREFORE, IT IS HEREBY AGREED AND ORDERED THAT:

(A) Respondent is on probation and shall abide by the terms of the Corporate Integrity Agreement with the Department of Health and Human Services, Office of Inspector General which will require regular monitoring of Respondents billing practices for a period of five years.

(B) By entering into this Agreed Order, Respondent expressly acknowledges that they were fully and completely informed of Respondent's right to due process that Respondent fully understands those rights, and that Respondent knowingly, voluntarily, and willingly agrees to waive those rights and to enter into this Agreed Order.

(C) The above information shall be reported to the National Association of Boards of Pharmacy ("NABP"), and is subject to disclosure under the Kentucky Open Records Act.

RE: Case No. 19-0015

Dear Permit Holder:

This letter follows a recent investigation by Katie Busroe, R..Ph, Pharmacy and Drug Inspector. The investigative report was reviewed by the Case Review Committee. The Committee adopted a recommendation as follows:

> Issuance of a formal Complaint, Order and Notice of Hearing against your license. Attempt by Board Staff to resolve through Agreed Order.

The Committee recommendation was placed before the Board of Pharmacy. The Board accepted the recommendation. Acceptance occurred without benefit of the disclosure of the subject of the complaint or evidentiary review so as to prevent bias and preserve the integrity of the Board in the event a full Board hearing becomes necessary.

The purpose of this letter is to offer you an opportunity to informally resolve this matter through an Agreed Order prior to the filing of a formal Complaint. Find enclosed a proposed Agreed Order setting forth the terms I believe the Board will accept.

Review the proposed Agreed Order carefully. Feel free to consult with legal counsel. If acceptable, sign and return the Agreed Order to the Board office by May 30, 2019. Upon receipt, the proposed Agreed Order will be executed by the President of the Board.

If this proposed Agreed Order is unacceptable and you in good faith believe this matter can be resolved through an Agreed Order, please feel free to contact me during normal business hours.

Should you fail to respond by returning the proposed Agreed Order or contacting me by May 30, 2019, your case will be referred to the Office of the Attorney General to conduct an administrative hearing.

Sincerely,

Larry Hadley, R.Ph.

Come the parties, the Kentucky Board of Pharmacy ("Board"), and Pentec Health, Inc ("Respondent"), and all parties having been fully informed regarding the matter set forth herein, state as follows:

CONSENT ORDER

THIS MATTER comes before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on a complaint against the Pentec Health Inc. (hereinafter referred to as "Pentec") which resulted in the filing of a Statement of Charges and Notice of Hearing ("Statement") alleging violations of the Alabama Pharmacy Practice Act. These allegations with particularity are set out in the Statement, which is attached hereto as **Exhibit "A."**

Prior to the scheduled hearing in this cause, and pursuant to Code of Alabama (1975) §41-22-12(f), the parties through counsel have entered into an agreement the terms of which are set forth in this Consent Order as follows:

1. Counsel for the Board and counsel for Pentec stipulate that Pentec denies for all legal purposes other than this proceeding the allegations set forth in the Statement but stipulates that for the purposes of this proceeding the Board may introduce sufficient evidence to meet its required burden of proof. Accordingly, the Board finds Pentec has violated the provisions of the Alabama Pharmacy Practice Act based upon the conduct set forth in all Counts of the Statement.

2. Pentec agrees to pay costs to the Board in the amount of Thirty Thousand and No/100 Dollars ($30,000) within thirty (30) days of the effective date of this consent order that being the day the same is signed on behalf of the Board. 3. Pentec expressly waives its rights pursuant to the Alabama Pharmacy Practice Act, the Alabama Administrative Procedure Act and the Alabama Uniform Controlled Substances Act, including but not limited to the Code of Alabama (1975), §34-23-34 and §34-23-92(12), Code of Alabama (1975), §41-22-12 and §40-22-20 and Code of Alabama (1975), § 20-2-50 et seq., and including but not limited to the opportunity for a hearing before the Board in connection with any charges against it and any judicial review. Pentec further waives any objection to the attorney for the Board preparing, drafting or making this Order, including the waiver of any objection or right pursuant to Code of Alabama (1975), §41-22-18.

4. By execution of this Consent Order, Pentec hereby releases the Board, its members, agents, representatives, servants and employees from any and all liability, claims, damages, fees or expenses arising out of or made in connection with the matters relating to this Consent Order and Statement.

5. Pentec acknowledges and agrees that any future violation of the Alabama Pharmacy Practice Act, the laws that regulate the sale and/or dispensing of prescription or legend drugs and/or narcotics or any Rules and regulations of the Alabama State Board of Pharmacy or the pharmacy law or rules of the Board of Pharmacy of another state or any other applicable laws may, upon proof and hearing thereof, result in further disciplinary sanctions against Pentec's permit, including, but not limited to revocation.

6. Pentec acknowledges and agrees that it has read this Consent Order and that it fully understand the terms, conditions and contents of the same. Pentec acknowledges and agrees that it voluntarily and of its own free will accepts the terms and conditions set out in this Consent Order and is signing this Consent Order on the advice of its attorney.

8. Code section 4307 states:

(a) Any person who has been denied a license or whose license has been revoked or is under suspension, or who has failed to renew his or her license while it was under suspension, or who has been a manager, administrator, owner, member, officer, director, associate, partner, or any other person with management or control of any partnership, corporation, trust, firm, or association whose application for a license has been denied or revoked, is under suspension or has been placed on probation, and while acting as the manager, administrator, owner, member, officer, director, associate, partner, or any other person with management or control had knowledge of or knowingly participated in any conduct for which the license was denied, revoked, suspended, or placed on probation, shall be prohibited from serving as a manager, administrator, owner, member, officer, director, associate, partner, or in any other position with management or control of a licensee as follows:

(1) Where a probationary license is issued or where an existing license is placed on probation, this prohibition shall remain in effect for a period not to exceed five years.

(2) Where the license is denied or revoked, the prohibition shall continue until the license is issued or reinstated.

		Finding	Notes
82.00	**High-Risk Sterile Compounding:** There is documentation that a media fill test procedure is performed for each compounding employee at least every six (6) months for individuals that prepare high risk-level products. *The test conditions must closely simulate the most challenging or stressful conditions encountered during compounding of the highest risk level product and include any automation used in compounding. Media-filled vials are generally incubated at 20° to 25° or at 30° to 35° for a minimum of 14 days. If two temperatures are used for incubation of media-filled samples, then these filled containers should be incubated for at least 7 days at each temperature.*	Compliant	
83.00	**Failed testing:** Employees who have failed any testing are prohibited from compounding until training is performed/reviewed and subsequent testing is performed successfully.	Compliant

Re: Colorado State Board of Pharmacy, Case No. 2019-3051

Dear Pharmacy Manager:

The Colorado State Board of Pharmacy ("Board") The Colorado State Board of Pharmacy ("Board") has reviewed the available material concerning the complaint noted above. Upon thorough review and discussion, the Board found reasonable cause that the pharmacy violated section 12-280-126(1)(c)(II) and C.R.S., and Board Rule 5.00.70, as described in the attached document. As such, the Board decided to initiate disciplinary action against the pharmacy's registration. In order to promptly resolve the complaint, the Board has referred this disciplinary action to the Expedited Settlement Process ("ESP") along with settlement terms.

The Board would prefer to settle this disciplinary complaint rather than initiating formal legal proceedings. In lieu of a hearing, the Board is willing to resolve this case by means of a stipulated agreement pursuant to the following terms:

- $1,000 fine (plus surcharge)

I have enclosed the document that can be signed in order to resolve this case. The above settlement terms and consequences are more fully explained in the enclosed Stipulation and Final Agency Order ("Order"). By signing the Order, the pharmacy agrees to the Board's settlement terms and avoids formal disciplinary proceedings.

If the pharmacy wishes to accept the terms of this Order, please do the following:

- **READ** the entire Order;
- **CONSULT** with legal counsel if so desired;
- **SIGN** the enclosed Order;
- **RETURN** the signed Order by **November 21, 2019, to:**

This correspondence has been sent to the Respondent and Attorney of Record. If you are represented by counsel, you may want to contact them to discuss this matter. This correspondence is not intended to interfere with any attorney-client relationship.

1560 Broadway, Suite 1350
Denver, CO 80202
Fax: (303) 869-0349
Email: melissa.garner@state.co.us

In reviewing the Order, please be aware that the burden of proof in a disciplinary proceeding is not "beyond a reasonable doubt." Rather, disciplinary proceedings are similar to civil trials where the burden is "by a preponderance of the evidence." This means that the Board must only present sufficient evidence to prove that "more likely than not" the pharmacy violated the practice act.

Please be advised that during this process, the pharmacy has the right to either represent itself or to be represented by legal counsel of its choice at its own expense. Additional documentation regarding your case may be available upon request. Please contact me for further information. Also, if the pharmacy chooses not to sign the Order, be aware that the representations in the Order do not limit the Board's case if this case should be filed for formal disciplinary proceedings. The Colorado Office of the Attorney General may add additional violations that it deems appropriate.

Finally, this letter and the Expedited Settlement Process fall under the protection of CRE 408 which excludes evidence at hearing of compromise and offers of compromise to prove liability.

If you have any questions about this matter or wish to discuss the offer of settlement or the presentation of a counteroffer to the Board, please contact me by email or at (303) 894-7698.

Sincerely,

Melissa Garner

BEFORE THE STATE BOARD OF PHARMACY

STATE OF COLORADO

Case No. 2019-3051

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE NON-RESIDENT PRESCRIPTION DRUG OUTLET REGISTRATION IN THE STATE OF COLORADO OF VILLAGE LANE APOTHECARY, REGISTRATION NO. OSP 6929,

Respondent Pharmacy.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Village Lane Apothecary ("Respondent Pharmacy") to resolve all matters pertaining to Board Case Number 2019-3051 as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Pharmacy, its registration as a non-resident prescription drug outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to provisions of the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 280, C.R.S. (2019).

2. Respondent Pharmacy was originally registered in the State of Colorado on or about March 22, 2017, being issued registration number OSP 6929, and has been so registered at all times relevant to this disciplinary action.

3. Respondent Pharmacy's address of record with the Board and current location is 60 Village Ln., Colleyville, Texas 76034-2993.

4. Respondent Pharmacy admits these findings and hereby waives any further proof in this or any other proceeding before the Board regarding the following facts.

5. Respondent Pharmacy's pharmacist manager in whose name the registration was issued ceased to be engaged as the manager on or around January 16, 2019. 90 days elapsed between the time the manager ceased being the pharmacist manager and the application to transfer the registration to the new pharmacist manager and fee were received.

6. Respondent Pharmacy admits that its conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board

Rules, and provides grounds for disciplinary action against Respondent Pharmacy's Colorado registration as a prescription drug outlet:

Colorado Revised Statutes

12-280-126. Unprofessional conduct - grounds for discipline. (1) The board may take disciplinary or other action as authorized in section 12-20-404, after a hearing held in accordance with the provisions of sections 12-20-403 and 12-280-127, upon proof that the licensee or registrant:

(c) Has violated:

(II) The lawful rules of the board.

* * *

Pharmacy Board Rules and Regulations

5.00.70 Change in Pharmacist manager.

a. An in-state and non-resident prescription drug outlet shall be under the direct charge of a pharmacist manager. A proprietor who is not a pharmacist shall comply with this requirement and shall provide a manager who is a pharmacist.

b. The registration of any in-state and non-resident prescription drug outlet shall become void if the pharmacist manager in whose name the registration was issued ceases to be engaged as the manager, and the owner shall close the outlet unless such owner has employed a pharmacist manager and, within thirty days after termination of the former manager's employment, has made application to transfer the registration to the new pharmacist manager and has paid the transfer fee therefor.

12-280-127. Disciplinary actions. (1) The board may take disciplinary or other action as authorized in section 12-20-404 when the board determines that the applicant, licensee, or registrant has engaged in activities that are grounds for discipline under section 12-280-126.

* * *

7. The Board finds and concludes, and Respondent Pharmacy agrees, that based upon Respondent Pharmacy's above-described violations of the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act and relevant rules and regulations, the following discipline is just and appropriate under the circumstances.

DISPOSITION

8. Fine with Surcharge. Pursuant to section 12-280-127(5)(a), C.R.S., Respondent Pharmacy shall pay a fine of One Thousand Dollars and No Cents ($1,000.00).

Respondent Pharmacy understands and acknowledges that, pursuant to section 24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies may impose an additional surcharge of 15% of this fine. Respondent Pharmacy shall therefore pay a total amount of One Thousand One Hundred Fifty Dollars and No Cents ($1,150.00). The total amount shall be payable to the State of Colorado and shall be remitted in one lump sum to be included when Respondent Pharmacy submits this signed Final Agency Order to the Board.

9. Other Requirements. Through its undersigned Authorized Representative, Respondent Pharmacy acknowledges and agrees that, as a condition of this Final Agency Order and probation, Respondent Pharmacy shall:

   a. promptly pay all its own fees and costs associated with this Final Agency Order;

   b. comply fully with this Final Agency Order; and

Re: Colorado State Board of Pharmacy, Case No. 2019-3051

Dear Pharmacy Manager:

The Colorado State Board of Pharmacy ("Board") The Colorado State Board of Pharmacy ("Board") has reviewed the available material concerning the complaint noted above. Upon thorough review and discussion, the Board found reasonable cause that the pharmacy violated section 12-280-126(1)(c)(II) and C.R.S., and Board Rule 5.00.70, as described in the attached document. As such, the Board decided to initiate disciplinary action against the pharmacy's registration. In order to promptly resolve the complaint, the Board has referred this disciplinary action to the Expedited Settlement Process ("ESP") along with settlement terms.

The Board would prefer to settle this disciplinary complaint rather than initiating formal legal proceedings. In lieu of a hearing, the Board is willing to resolve this case by means of a stipulated agreement pursuant to the following terms:

- $1,000 fine (plus surcharge)

I have enclosed the document that can be signed in order to resolve this case. The above settlement terms and consequences are more fully explained in the enclosed Stipulation and Final Agency Order ("Order"). By signing the Order, the pharmacy agrees to the Board's settlement terms and avoids formal disciplinary proceedings.

If the pharmacy wishes to accept the terms of this Order, please do the following:

- **READ** the entire Order;
- **CONSULT** with legal counsel if so desired;
- **SIGN** the enclosed Order;
- **RETURN** the signed Order by **November 21, 2019, to:**

This correspondence has been sent to the Respondent and Attorney of Record. If you are represented by counsel, you may want to contact them to discuss this matter. This correspondence is not intended to interfere with any attorney-client relationship.

Email: melissa.garner@state.co.us

In reviewing the Order, please be aware that the burden of proof in a disciplinary proceeding is not "beyond a reasonable doubt." Rather, disciplinary proceedings are similar to civil trials where the burden is "by a preponderance of the evidence." This means that the Board must only present sufficient evidence to prove that "more likely than not" the pharmacy violated the practice act.

Please be advised that during this process, the pharmacy has the right to either represent itself or to be represented by legal counsel of its choice at its own expense. Additional documentation regarding your case may be available upon request. Please contact me for further information. Also, if the pharmacy chooses not to sign the Order, be aware that the representations in the Order do not limit the Board's case if this case should be filed for formal disciplinary proceedings. The Colorado Office of the Attorney General may add additional violations that it deems appropriate.

Finally, this letter and the Expedited Settlement Process fall under the protection of CRE 408 which excludes evidence at hearing of compromise and offers of compromise to prove liability.

If you have any questions about this matter or wish to discuss the offer of settlement or the presentation of a counteroffer to the Board, please contact me by email or at (303) 894-7698.

Sincerely,

Melissa Garner

STATE OF COLORADO

Case No. 2019-3051

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE NON-RESIDENT PRESCRIPTION DRUG OUTLET REGISTRATION IN THE STATE OF COLORADO OF VILLAGE LANE APOTHECARY, REGISTRATION NO. OSP 6929,

Respondent Pharmacy.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Village Lane Apothecary ("Respondent Pharmacy") to resolve all matters pertaining to Board Case Number 2019-3051 as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Pharmacy, its registration as a non-resident prescription drug outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to provisions of the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 280, C.R.S. (2019).

2. Respondent Pharmacy was originally registered in the State of Colorado on or about March 22, 2017, being issued registration number OSP 6929, and has been so registered at all times relevant to this disciplinary action.

3. Respondent Pharmacy's address of record with the Board and current location is 60 Village Ln., Colleyville, Texas 76034-2993.

4. Respondent Pharmacy admits these findings and hereby waives any further proof in this or any other proceeding before the Board regarding the following facts.

5. Respondent Pharmacy's pharmacist manager in whose name the registration was issued ceased to be engaged as the manager on or around January 16, 2019. 90 days elapsed between the time the manager ceased being the pharmacist manager and the application to transfer the registration to the new pharmacist manager and fee were received.

6. Respondent Pharmacy admits that its conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board

Rules, and provides grounds for disciplinary action against Respondent Pharmacy's Colorado registration as a prescription drug outlet:

Colorado Revised Statutes

12-280-126. Unprofessional conduct - grounds for discipline. (1) The board may take disciplinary or other action as authorized in section 12-20-404, after a hearing held in accordance with the provisions of sections 12-20-403 and 12-280-127, upon proof that the licensee or registrant:

(c) Has violated:

(II) The lawful rules of the board.

* * *

Pharmacy Board Rules and Regulations

5.00.70 Change in Pharmacist manager.

a. An in-state and non-resident prescription drug outlet shall be under the direct charge of a pharmacist manager. A proprietor who is not a pharmacist shall comply with this requirement and shall provide a manager who is a pharmacist.

b. The registration of any in-state and non-resident prescription drug outlet shall become void if the pharmacist manager in whose name the registration was issued ceases to be engaged as the manager, and the owner shall close the outlet unless such owner has employed a pharmacist manager and, within thirty days after termination of the former manager's employment, has made application to transfer the registration to the new pharmacist manager and has paid the transfer fee therefor.

12-280-127. Disciplinary actions. (1) The board may take disciplinary or other action as authorized in section 12-20-404 when the board determines that the applicant, licensee, or registrant has engaged in activities that are grounds for discipline under section 12-280-126.

7. The Board finds and concludes, and Respondent Pharmacy agrees, that based upon Respondent Pharmacy's above-described violations of the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act and relevant rules and regulations, the following discipline is just and appropriate under the circumstances.

DISPOSITION

8. Fine with Surcharge. Pursuant to section 12-280-127(5)(a), C.R.S., Respondent Pharmacy shall pay a fine of One Thousand Dollars and No Cents ($1,000.00).

Respondent Pharmacy understands and acknowledges that, pursuant to section 24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies may impose an additional surcharge of 15% of this fine. Respondent Pharmacy shall therefore pay a total amount of One Thousand One Hundred Fifty Dollars and No Cents ($1,150.00). The total amount shall be payable to the State of Colorado and shall be remitted in one lump sum to be included when Respondent Pharmacy submits this signed Final Agency Order to the Board.

9. Other Requirements. Through its undersigned Authorized Representative, Respondent Pharmacy acknowledges and agrees that, as a condition of this Final Agency Order and probation, Respondent Pharmacy shall:

   a. promptly pay all its own fees and costs associated with this Final Agency Order;

   b. comply fully with this Final Agency Order; and

   c. comply fully with the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act, all Board rules and regulations, and any other state and federal laws and regulations related to pharmaceuticals and pharmacists in the State of Colorado.

10. Violations. Time is of the essence to this Final Agency Order. It is the responsibility of Respondent Pharmacy to take all appropriate steps to comply fully with this Final Agency Order. Respondent Pharmacy acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under section 12-280-127(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of its registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Pharmacy to comply with all terms and conditions of this Final Agency Order.

11. Completion of Terms. Upon satisfactory completion of all terms and conditions set forth in this Final Agency Order, the Board shall release Respondent Pharmacy from the Final Agency Order, and Respondent's registration will be restored to active and unencumbered status.

12. Advisements and Waivers. Through its undersigned Authorized Representative, Respondent Pharmacy enters into this Final Agency Order freely and voluntarily, after having the opportunity to consult with legal counsel and/or choosing not to do so. Respondent Pharmacy acknowledges its understanding that it has the following rights:

   a. To have a formal notice of hearing and charges served upon it;

b. To respond to said formal notice of charges;

c. to have a formal disciplinary hearing pursuant to sections 12-20-403, 12-280-126, and 12-280-127, C.R.S.; and

d. To appeal this Board order.

Respondent Pharmacy freely waives these rights, and acknowledges that such waiver is made voluntarily in consideration for Board's limiting the action taken against it to the sanctions imposed herein.

13. Acknowledgments. The undersigned Authorized Representative of Respondent Pharmacy has read this Final Agency Order in its entirety and acknowledges, after having the opportunity to consult with legal counsel and/or choosing not to do so, that Respondent Pharmacy understands the legal consequences and agrees that none of the terms or conditions herein is unconscionable. Respondent Pharmacy is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Pharmacy further acknowledges that it is not entering into this Final Agency Order under any duress.

14. Integration and Severability. Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties in this case. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

15. Public Record. Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.

16. Effective Date. This Final Agency Order shall become effective upon (a) mailing by first-class mail to Respondent Pharmacy at Respondent Pharmacy's address of record with the Board, or (b) service by electronic means on Respondent Pharmacy at Respondent Pharmacy's electronic address of record. Respondent Pharmacy hereby consents to service by electronic means if Respondent Pharmacy has an electronic address on file with the Board.

3. Has the corporation, any owner(s), shareholder(s) or partner(s) with any interest, ever been subject of an administration action, board citation, cite fine, or proceeding relating to the pharmaceutical industry?

First, the applicant, Wickliffe LLC d/b/a Wickliffe Veterinary Pharmacy ("*Applicant*"), wishes to clarify that, as a new entity, it has never had a professional license disciplined by any board or agency in any jurisdiction. Accordingly, the answer to the above question is "No." However, out of an abundance of caution, we have elected to disclose the below disciplinary history for the predecessor entity, Wickliffe Veterinary Pharmacy (the "*Predecessor Entity*"). Please note, all of the Predecessor Entity's licenses are currently unrestricted, active and in good standing.

- **Kentucky Board of Pharmacy** (Case No. 03-0036A): Agreed Order executed on July 9, 2003 wherein the Predecessor Entity agreed to pay a fine and accept a discipline.

- **Kentucky Board of Pharmacy** (Case No. 11-0196A): Agreed Order executed on November 5, 2011 wherein the Predecessor Entity agreed to pay a fine and accept a discipline. This discipline led to a sister-state discipline by the Michigan Board of Pharmacy (Case No. 53-12-123396), which fined the facility.

- **Kentucky Board of Pharmacy** (Case No. 14-0250A and 15-0279A): Agreed Order executed on October 23, 2015 wherein the Predecessor Entity agreed to a fine and a three (3) year probation. This discipline led to sister-state disciplines in the following states[1]:

    - **Oregon Board of Pharmacy** (Case No. 2015-0594): Predecessor Entity's license was placed on probation for the duration of the probation with the Kentucky BOP. Probation was terminated on October 24, 2018 and the Oregon license is currently unencumbered and in good standing.
    - **Alabama Board of Pharmacy** (No Case No): Predecessor Entity paid a fine and its Alabama license was placed on probation for the same length of time that it remained under Kentucky's probation. Probation has since been terminated and the Alabama license is currently unencumbered and in good standing.
    - **Iowa Board of Pharmacy** (Case No. 2014-181): Predecessor Entity paid a fine and and its Iowa license was placed on probation until its Kentucky probation was lifted. On February 7, 2019, the Iowa Board terminated the probation. The Iowa license is currently unencumbered and in good standing.
    - **Colorado Board of Pharmacy** (Case No. 2015-4608): Predecessor Entity's Colorado license was placed on probation until its Kentucky probation was lifted. The Colorado probation has since been terminated and its license is currently unencumbered and in good standing.
    - **Texas Board of Pharmacy** (Case No. L-14-055): Predecessor Entity's license was placed on probation for three (3) years and it was ordered to pay a fine. That probation has since been terminated and Predecessor Entity's Texas license is currently unencumbered and in good standing.

[1]As these matters are all sister-state actions arising from the 2015 Kentucky discipline, we have only attached the Kentucky orders for 2003, 2011 and 2015. If you would like copies of the sister-state actions stemming from the 2015 Kentucky discipline, please let us know.

- **Wisconsin Board of Pharmacy** (Case No. 0004737): Predecessor Entity was reprimanded and fined.
- **Maryland Board of Pharmacy** (Case No. PI-15-052): Predecessor Entity's Maryland license was placed on a three (3) year probation. That probation has since been terminated and the Maryland license is currently unencumbered and in good standing.
- **Florida Board of Pharmacy** (Case No. 2014-07670): Predecessor Entity's Florida license was placed on probation and fined. Probation was later lifted and its Florida license is currently unencumbered and in good standing.
- **Rhode Island Board of Pharmacy** (Case No. C-16-418): Predecessor Entity was placed on probation for three (3) years running concurrently with the Kentucky Order probation period. The probation was later lifted and the Rhode Island license is currently unencumbered and in good standing.
- **Louisiana Board of Pharmacy** (Case No. 2016-60): Predecessor Entity's Louisiana license was placed on probation for two years and fined. The probation ended on October 23, 2018 and its Louisiana license is currently unencumbered and in good standing.
- **Utah Board of Pharmacy** (Case No. DOPL 2016-684): Predecessor Entity was reprimanded and fined by the Utah BOP.
- **Missouri Board of Pharmacy** (No Case No): Predecessor Entity's Missouri license was placed on probation until October 23. The Missouri license is currently unencumbered and in good standing.
- **California Board of Pharmacy** (Case No. 5856): Predecessor Entity's California licenses were placed on probation for three (3) years and Predecessor Entity paid administrative costs. The probation has since been terminated and the California licenses are unencumbered and in good standing.
- **Michigan Board of Pharmacy** (Case No. 53-17-145600): Predecessor Entity was fined.
- **Illinois Board of Pharmacy** (Case No. 2015010771): Predecessor Entity was reprimanded and fined.

COMMONWEALTH OF KENTUCKY
KENTUCKY BOARD OF PHARMACY
Case No. 14-0250A and 15-0279A

IN RE: PHARMACY PERMIT NO. P06568 HELD BY WICKLIFFE PHARMACEUTICAL INC.

Agreed Order

Come the parties, the Kentucky Board of Pharmacy ("the Board") and Wickliffe Pharmaceutical Inc. ("Respondent"), and the parties having been fully informed regarding the matter set forth herein, state as follows:

(1) Pursuant to Chapter 315 of the Kentucky Revised Statutes, the Board is authorized to regulate and control all matters related to pharmacists and pharmacies not delegated to another agency of the Commonwealth. The matter herein has not been delegated to another agency of the Commonwealth.

(2) Respondent is a pharmacy in the Commonwealth of Kentucky, having been assigned pharmacy permit no. P06568.

Case 14-0250A

(3) (a) On or about April 25, 2014, Kathleen Culver (Culver) from the Food and Drug Administration (FDA) advised Steve Hart, the Board's Inspections and Investigations Coordinator at the time, that two horses in Kentucky had died after being administered a paste compounded by Respondent.

(b) The toltrazuril 227mg/pyrimethamine 340mg/ml paste was dispensed on or about March 24, 2014 by pharmacist Kelly Zaccarelli (Zaccarelli).

(c) On or about April 29-30, 2014, Katie Busroe (Busroe), a Pharmacy and Drug Inspector for the Board, investigated the incident with Culver at Respondent's site. Culver removed samples of the active pharmaceutical ingredients (APIs) that were used to compound the paste.

(d) FDA lab analysis indicated there was no contamination of the APIs. The FDA determined that the dose of paste administered to the horses resulted in an overdose of pyrimethamine. Two tubes of paste were tested for potency with the results being:

- **Tube 1**: pyrimethamine 82% of declared potency and toltrazuril 83% of declared potency; and

- **Tube 2**: pyrimethamine 80% of declared potency and toltrazuril 82% of declared potency.

(e) The potency testing indicated that the compounded preparation was adulterated, in violation of KRS 217.055 and KRS 315.121(1)(h).

(4) (a) On or about May 8, 2014, Jackie Bernard, Owner of Wickliffe, advised Busroe and Culver that a horse in Florida died after being administered toltrazuril 416mg/pyrimethamine 17mg/ml suspension compounded by Wickliffe.

(b) The suspension was compounded by Respondent on or about March 28, 2014. Tyler Hill was the responsible pharmacist for the compounded suspension.

(c) Altogether, two horses died and six additional horses were hospitalized after they received the compounded suspension.

(d) On or about May 9, 2014, Hart traveled to Wickliffe with Culver to investigate the incident. The same APIs that were used to compound the above-referenced paste were used to compound the suspension.

(e) FDA lab testing indicated the pyrimethamine was 2380% of the declared potency and the toltrazuril was 3.74% of the declared potency.

(f) The potency testing indicated that the compounded preparation was adulterated, in violation of KRS 217.055 and KRS 315.121(1)(h).

(5) (a) On or about November 5, 2014, Busroe inspected Wickliffe with two other Pharmacy and Drug Inspectors, Phil Losche and Amanda Harding. On this date, Zaccarelli served as the Pharmacist-in-Charge (PIC).

(b) During the day long inspection the general operations of Wickliffe were observed. Respondent dispenses to animals. Approximately 99% of dispensed prescriptions are compounded and 1% is commercially available product. Of the compounded preparations, approximately 75% are nonsterile and 25% are sterile. Of the sterile compounds, approximately 98% are injectibles and 2% are ophthalmic preparations; all are high risk. Respondent advised it had 754 compounding formulas. Respondent employed 5 pharmacists (4 present on the day of the inspection) and 27 technicians. The PIC performed mostly administrative and some dispensing functions. One pharmacist was preparing to go on maternity leave, two pharmacists worked in the nonsterile compounding area, two technicians (one full-time and one part-time) worked in the sterile compounding area, eight technicians worked in the nonsterile compounding area, and multiple technicians answered telephones and provided customer service functions. Respondent had one sterile compounding room and three nonsterile compounding rooms; each with at least two work stations. At any time, there may be eight nonsterile preparations being made. The week of the inspection, Respondent averaged 267 prescriptions per day, and filled 284 the day of the inspection. The following issues were discovered:

1. Technicians were performing functions without the immediate supervision of a pharmacist, in violation of 201 KAR 2:045, Section 3 and KRS 315.020(1).
2. There was no documented stability data to substantiate the extended beyond use date (BUD) of various compounded sterile preparations (CSPs) and compounded nonsterile preparations (CNSPs), in violation of KRS 315.121(1)(a). [*See* STORAGE AND BEYOND-USE DATING, USP 797; and STABILITY CRITERIA AND BEYOND-USE DATING, USP 795]
3. Hazardous drugs were improperly stored and handled, in violation of KRS 315.121(1)(a). [*See* HAZARDOUS DRUGS AS CSPs, USP 797]
4. A container of Phenylbutazone alfalfa flavor did not have a tight fitting lid in violation of KRS 315.121(1)(a). [*See* ELEMENTS OF QUALITY CONTROL, USP 797]
5. Respondent transfers Active Pharmaceutical Ingredients (APIs) into smaller containers that are not identified with the component name, original supplier, lot or control number, transfer date and expiration date, in violation of KRS 315.121(1)(a). [*See* COMPONENT SELECTION, HANDLING AND STORAGE, USP 795]
6. Some hazardous drugs had not been prepared in a Biological Safety Cabinet or Compounding Aseptic Containment Isolator in violation of KRS 315.121(1)(a). [*See* HAZARDOUS DRUGS AS CSPs, USP 797]
7. Prescription labels do not always correctly identify the identity of the dispensing pharmacist as required by 201 KAR 2:076, Section 4; and KRS 315.121(1)(a) and (h).
8. Prescription labels do not contain adequate directions for use as required by 201 KAR 2:076, Section 4; and KRS 315.121(1)(a) and (h).
9. A person known as "Sylvia," who was not registered as a technician nor licensed as a pharmacist or pharmacist intern, made an over-the-counter product for another company in a nonsterile compounding room in the pharmacy, in violation of 201 KAR 2:100, Section 1 and KRS 315.121(1)(h).
10. Drug Utilization Review was not performed by a pharmacist on all prescriptions as required by 201 KAR 2:210, Section 4, and in violation of KRS 315.121(1)(h).
11. CSPs were dispensed utilizing a prescriber whose license and/or DEA number was/were not current, in violation of 201 KAR 2:076, Section 4(1)(f) and (g); and KRS 315.121(1)(a) and (h).
12. Respondent permits prepared prescription medications to be left outside the pharmacy for pickup, in violation of 201 KAR 2:100, Section 4; and KRS 315.121(1)(a) and (h).

Case No. 15-0279A

(6) (a) Marhonda Goldey worked from March 31, 2013 through May 27, 2015 without being appropriately registered with the Board. Consequently, the Respondent was in violation of KRS 315.121(1)(g).

(b) The above facts subject Respondent to discipline pursuant to KRS 315.121(1) (h).

(7) In lieu of the filing of a formal Complaint and hearing on the above-referenced two cases, the Board and Respondent have agreed to address this matter by entering into this Agreed Order.

WHEREFORE, IT IS HEREBY AGREED AND ORDERED THAT:

(A) Respondent is fined $100,000. The fine is payable in four installments. The first payment of $50,000.00 is due on or before December 1, 2015. The second payment of $16,666.67 is due on or before December 1, 2016. The third payment of $16,666.67 is due on or before December 1, 2017. The fourth and final payment of $16,666.66 is due on or before December 1, 2018. Respondent agrees that a missed, late or insufficient payment shall result in the full balance of the fine being due and payable; Respondent's license shall be suspended without a 13B hearing until the fine is paid in full;

(B) Respondent shall be placed on probation for a minimum of three (3) years from the date this Agreed Order is finally executed by the President of the Board, or until the last installment payment is made should Respondent choose to make the fourth and final installment payment as late as December 1, 2018. Respondent agrees to the following terms of probations:

C/O
Nevada State Board of Pharmacy
Statement to BOP Investigator Kenneth Scheuber

To whom it may concern,

I was notified in approximately December or January of this year by Yenh with the Nevada State Board of Pharmacy via phone conference with Charles Grohs that our current MDEG license does not cover the distribution of medical gases to the customers that we currently supply. During the phone call we discussed what types of customers Airtec Gases supplies to include dental offices, surgery centers, small medical offices, skilled nursing facilities, veterinary clinics, fire departments and homecare companies. Yenh explained we would need to apply for a wholesaler license as soon as possible. I explained that we have always supplied these types of customers going back to the start of our business in 2004. We discussed what time frame we would have to get the wholesaler application complete and mailed in. She stated that a fairly liberal time frame would be given since this was a licensing issue that has been identified with several license holders in the state of Nevada. We immediately started the application process to include contacting our insurance company to obtain the bond required. As of today we have completed the entire application and it is currently being reviewed by our corporate attorney. The review is expected to be completed and the application should be mailed out next week.

Please contact me directly if you have further questions.

Thank you.

C/O
Nevada State Board of Pharmacy

To whom it may concern,

In 2003 Airtec Gases was incorporated in Nevada as and LLC by myself and Carey R. Grohs. Both of us previously worked in the medical gas industry and started as a small company out of a 500 SF office. Working in the medical gas industry for Air Liquide Healthcare I was familiar with Ron Shockey and asked him many questions on starting up a Medical Gas company. We were directed to the Nevada State Board of Pharmacy website and I applied for an MDEG license to supply medical gases to local Medical and Dental Offices. After the review process we were granted a temporary license and ordered our first shipment of gases from a local manufacture. In approximately 2004 we had our first inspection by Ron Shockey in the office to confirm that all compliance matters were met to start distributing medical compressed gases. We have had our annual inspections each year moving forward and have kept our license active.

On or about Dec/Jan 2022 I made a phone call to the Nevada State Board of Pharmacy Office and spoke with Yenh about Airtec Gases potentially selling Sevoflurane to some of our local surgery centers. Yenh and I discussed what type of licensing that would take and how that process works. During the conversation she asked about our current license and I told her we supply medical gases to Hospitals, Dental Offices, Veterinary Clinics and Skilled Nursing Centers. She immediately informed me that our license was incorrect and that we need to be registered as a wholesaler. I contacted our company compliance department and informed them of the new information that I received. We initiated a conference call to Yenh to confirm all of the details and find out what we needed to do to get started with the wholesaler application.

Thank you.

Nevada Board of Pharmacy
Statement for Question 1

On 2/19/2016 I had an altercation with a neighboring limousine business owner over several issues to include his large dog running off leash throughout the property as well as several vehicles/limos being parked outside of the designated parking areas blocking access for our employees and delivery vehicles. The situation quickly got out hand and multiple employees from the limousine company came onto our property and refused to leave and threatened physical violence. I pulled my firearm in an attempt to make them leave. When they refused I fired a round in the air which ended the altercation and everyone left. As a result of a firearm being discharged the police were notified and I was arrested.

The case has been closed out and is in the process of being sealed. See attached documents and original notification to the Board in reference to this incident.

Please contact me directly at (702) 613-8002 if you have any further questions or if I may be of assistance to you.

Thank you.

****NOTICE TO PHARMACEUTICAL TECHNICIANS ONLY****

Employment is **NOT** required to renew your Technician registration. Renewing technicians are required to **complete one hour of an approved Nevada Law program** prior to renewal and a copy must be maintained. If employed, a copy must be on file in the pharmacy. Trainees are required to be registered at **EACH** work location. There has been confusion expressed regarding requirements for technicians and "continuing education". Nevada law requires that you perform 12-hours of *in-service training* during the 2-year period immediately preceding the renewal of your registration. Your managing pharmacist must approve and maintain a written record of your training and those records are to be maintained in the pharmacy and will be checked during the annual pharmacy inspection. Nevada law also provides that a technician may substitute the completion of the continuing education necessary for recertification by the Pharmacy Technician Certification Board for the biennial in-service training. Should this option be chosen, documentation must be maintained in the pharmacy for inspection. The Nevada Law program may **NOT** be substituted by any other program. **DO NOT SEND YOUR RECORDS TO THE BOARD WITH YOUR RENEWAL FORM. ANY SUCH RECORDS WILL BE DISCARDED.**

****NOTICE TO ALL PRACTITIONERS****

Please be aware that SB 459 was signed into law by Governor Sandoval in 2015. It requires prescribers of narcotics to review the Prescription Monitoring Program's profile for each patient prior to prescribing the medication in most cases.

Statement for Questions 4 and 5

On September 22nd 2008 we hired Tamarah Zermeno (aka Tamarah Prachar) at Airtec Gases to work in our office. Her main duties included answering the phone and taking customer orders. Over time she was entrusted with processing all customer payments received in our office. On 6/22/2013 it was noticed that money was missing from our cash box. Upon reviewing the camera footage on 6/18/2013 it showed that Tamarah placed the missing money inside her purse along with a customer check that was received earlier in the day.

On the next business day 6/24/2013 Tamarah was confronted and she confessed to the theft. A police report was filed the next day and charges were filed. During the investigation we discovered that she had been taking customer checks made out to our company and depositing them into her personal bank account via a teller machine. Felony charges were filed.

Shortly after that we learned that the bank could be liable for business checks being deposited into a personal account. We then filed a civil case against Tamarah and the bank she used. The bank settled with us through mediation. We were also awarded restitution from both the civil and criminal cases.

Please contact me directly at (702) 613-8002 if you have any further questions or if I may be of assistance to you.

Thank you.

This report is important for you to keep since it is the only way you will have to refer to your particular case and event number. If you need a copy of your report, it can be obtained during the hours of 8 a.m. to 5 p.m., Monday through Friday, 8 a.m. to 3 p.m. on weekends from the LVMPD Police Records Section, 400 S. Martin L. ATTENTION: IT IS YOUR RESPONSIBILITY TO IMMEDIATELY NOTIFY THE LVMPD IF YOU SHOULD RECOVER YOUR STOLEN VEHICLE YOURSELF

The department relies on a number of factors available in any report to assign a follow-up investigator. Experience has proven that certain information must normally be determined at the time of the initial investigation before a case has the potential for being solved. Without suspects, witnesses, evidence, or other investigative leads, a case cannot be solved except under special circumstances. For example, a suspect caught committing another crime is found with evidence linking him to this one, or he may confess to other crimes including this one. **If you have any questions or additional information, please contact the detective handling your case at the appropriate telephone number listed below or complete an Additional Crime Information report. (Refer to the Event Number listed above.)**

Narrative

ON TODAY'S DATE CHARLES GROHS CAME INTO THE LVMPD HQ TO REPORT EMBEZZLEMENT AND RELAYED THE FOLLOWING:

GROHS IS THE OWNER OF AIRTEC GASES. ON 06/18/13 GROHS DISCOVERED THAT A $90 CASH INVOICE NEVER MADE IT INTO HIS CASH BOX. GROHS REVIEWED VIDEO SURVEILLANCE AND DISCOVERED THAT HIS OFFICE MANAGER, TAMARAH PRACHAR, HAD RECEIVED THE MONEY FROM THE CUSTOMER. THE MONEY IS UNABLE TO BE LOCATED AFTER THAT POINT.

UPON DISCOVERING THIS GROHS REVIEWED OTHER RECORDS AND DISCOVERED THAT HIS COMPANY HAD RECEIVED THREE CHECKS FROM A CUSTOMER WHICH WERE CASHED HOWEVER THE FUNDS WERE NEVER RECEIVED BY THE COMPANY. GROHS REVIEWED THE CHECKS AND DISCOVERED THE ENDORSEMENTS HAD BEEN ALTERED. GROHS CONFIRMED WITH THE CUSTOMER, TLC HOLDINGS, THAT THE CHECKS HAD BEEN WRITTEN AND CASHED. TLC IS BILLED MONTHLY AND THE CHECKS FOR JANUARY, FEBRUARY AND APRIL OF 2013 FOR A TOTAL AMOUNT OF $10,685.51. AIRTEC GASES REFLECTS THE CHECKS BEING RECEIVED.

GROHS CONFRONTED PRACHAR WHO ADMITTED TO THE EMBEZZLEMENT AND ESTIMATED THE TOTAL AMOUNT OF THE THEFTS TO BE GREATER THAN $20,000. THE ADMISSION IS RECORDED ON VIDEO SURVEILLANCE. PRACHAR'S ONLY EXPLANATION WAS THAT SHE WANTED MATERIAL THINGS. PRACHAR HAS SINCE BEEN FIRED. THE COMPLETE SCOPE OF THE EMBEZZLEMENT HAS YET TO BE DISCOVERED.

C/O
Nevada State Board of Pharmacy

On September 22nd 2008 we hired Tamarah Zermeno (aka Tamarah Pracher) at Airtec Gases to work in our office. Her main duties including answering the phone and taking customer orders then she began processing all the customer payments. On 6/22/2013 it was noticed that money was missing from our cash box. Upon reviewing the camera footage on 6/18/2013. It showed that Tamarah had placed the missing money inside of her purse along with a customer check that was received earlier in the day.

On the next business day (6/24/2013) Tamarah was confronted, and she confessed to the theft. A police report was filed the next day and charges were filed. During the investigation, we had discovered that she had been taking the customer checks that were made out to the company. Then depositing it into her own personal bank account via a teller machine. Felony charges were filed the next day.

Shortly after we had learned that the bank could be liable for business checks being able to be deposited into a personal account. We then filed a civil case to include Tamarah Zermeno and the bank she used. The bank settled with us through mediation and we were awarded restitution from Tamarah's criminal case upon completion of her sentence.

Please contact me directly at 702.604.6596 if you have any questions or if I may be of any assistance to you.

Thank you.

C/O
Nevada State Board of Pharmacy

On September 22nd 2008 we hired Tamarah Zermeno (aka Tamarah Pracher) at Airtec Gases to work in our office. Her main duties including answering the phone and taking customer orders then she began processing all the customer payments. On 6/22/2013 it was noticed that money was missing from our cash box. Upon reviewing the camera footage on 6/18/2013. It showed that Tamarah had placed the missing money inside of her purse along with a customer check that was received earlier in the day.

On the next business day (6/24/2013) Tamarah was confronted, and she confessed to the theft. A police report was filed the next day and charges were filed. During the investigation, we had discovered that she had been taking the customer checks that were made out to the company. Then depositing it into her own personal bank account via a teller machine. Felony charges were filed the next day.

Shortly after we had learned that the bank could be liable for business checks being able to be deposited into a personal account. We then filed a civil case to include Tamarah Zermeno and the bank she used. The bank settled with us through mediation and we were awarded restitution from Tamarah's criminal case upon completion of her sentence.

Please contact me directly at 702.604.4592 if you have any questions or if I may be of any assistance to you.

Thank you.

Narrative

DN TODAY'S DATE CHARLES GROHS CAME INTO THE LVMPD HQ TO REPORT EMBEZZLEMENT AND RELAYED THE FOLLOWING:

GROHS IS THE OWNER OF AIRTEC GASES. ON 06/18/13 GROHS DISCOVERED THAT A $90 CASH INVOICE NEVER MADE IT INTO HIS CASH BOX. GROHS REVIEWED VIDEO SURVEILLANCE AND DISCOVERED THAT HIS OFFICE MANAGER, TAMARAH PRACHAR, HAD RECEIVED THE MONEY FROM THE CUSTOMER. THE MONEY IS UNABLE TO BE LOCATED AFTER THAT POINT.

UPON DISCOVERING THIS GROHS REVIEWED OTHER RECORDS AND DISCOVERED THAT HIS COMPANY HAD RECEIVED THREE CHECKS FROM A CUSTOMER WHICH WERE CASHED HOWEVER THE FUNDS WERE NEVER RECEIVED BY THE COMPANY. GROHS REVIEWED THE CHECKS AND DISCOVERED THE ENDORSEMENTS HAD BEEN ALTERED. GROHS CONFIRMED WITH THE CUSTOMER, TLC HOLDINGS, THAT THE CHECKS HAD BEEN WRITTEN AND CASHED. TLC IS BILLED MONTHLY AND THE CHECKS FOR JANUARY, FEBRUARY AND APRIL OF 2013 FOR A TOTAL AMOUNT OF $10,685.51. AIRTEC GASES REFLECTS THE CHECKS BEING RECEIVED.

GROHS CONFRONTED PRACHAR WHO ADMITTED TO THE EMBEZZLEMENT AND ESTIMATED THE TOTAL AMOUNT OF THE THEFTS TO BE GREATER THAN $20,000. THE ADMISSION IS RECORDED ON VIDEO SURVEILLANCE. PRACHAR'S ONLY EXPLANATION WAS THAT SHE WANTED MATERIAL THINGS. PRACHAR HAS SINCE BEEN FIRED. THE COMPLETE SCOPE OF THE EMBEZZLEMENT HAS YET TO BE DISCDVERED.

C/O
Nevada State Board of Pharmacy

To whom it may concern,

In 2003 Airtec Gases was incorporated in Nevada as and LLC by myself and Carey R. Grohs. Both of us previously worked in the medical gas industry and started as a small company out of a 500 SF office. Working in the medical gas industry for Air Liquide Healthcare I was familiar with Ron Shockey and asked him many questions on starting up a Medical Gas company. We were directed to the Nevada State Board of Pharmacy website and I applied for an MDEG license to supply medical gases to local Medical and Dental Offices. After the review process we were granted a temporary license and ordered our first shipment of gases from a local manufacture. In approximately 2004 we had our first inspection by Ron Shockey in the office to confirm that all compliance matters were met to start distributing medical compressed gases. We have had our annual inspections each year moving forward and have kept our license active.

On or about Dec/Jan 2022 I made a phone call to the Nevada State Board of Pharmacy Office and spoke with Yenh about Airtec Gases potentially selling Sevoflurane to some of our local surgery centers. Yenh and I discussed what type of licensing that would take and how that process works. During the conversation she asked about our current license and I told her we supply medical gases to Hospitals, Dental Offices, Veterinary Clinics and Skilled Nursing Centers. She immediately informed me that our license was incorrect and that we need to be registered as a wholesaler. I contacted our company compliance department and informed them of the new information that I received. We initiated a conference call to Yenh to confirm all of the details and find out what we needed to do to get started with the wholesaler application.

Thank you.

C/O
Nevada State Board of Pharmacy
Statement to BOP Investigator Kenneth Scheuber

To whom it may concern,

I was notified in approximately December or January of this year by Yenh with the Nevada State Board of Pharmacy via phone conference with Charles Grohs that our current MDEG license does not cover the distribution of medical gases to the customers that we currently supply. During the phone call we discussed what types of customers Airtec Gases supplies to include dental offices, surgery centers, small medical offices, skilled nursing facilities, veterinary clinics, fire departments and homecare companies. Yenh explained we would need to apply for a wholesaler license as soon as possible. I explained that we have always supplied these types of customers going back to the start of our business in 2004. We discussed what time frame we would have to get the wholesaler application complete and mailed in. She stated that a fairly liberal time frame would be given since this was a licensing issue that has been identified with several license holders in the state of Nevada. We immediately started the application process to include contacting our insurance company to obtain the bond required. As of today we have completed the entire application and it is currently being reviewed by our corporate attorney. The review is expected to be completed and the application should be mailed out next week.

Please contact me directly if you have further questions.

Thank you.

Nevada Board of Pharmacy
Statement for Question 1

On 2/19/2016 I had an altercation with a neighboring limousine business owner over several issues to include his large dog running off leash throughout the property as well as several vehicles/limos being parked outside of the designated parking areas blocking access for our employees and delivery vehicles. The situation quickly got out hand and multiple employees from the limousine company came onto our property and refused to leave and threatened physical violence. I pulled my firearm in an attempt to make them leave. When they refused I fired a round in the air which ended the altercation and everyone left. As a result of a firearm being discharged the police were notified and I was arrested.

The case has been closed out and is in the process of being sealed. See attached documents and original notification to the Board in reference to this incident.

Please contact me directly at (702) 613-8002 if you have any further questions or if I may be of assistance to you.

Thank you.

****NOTICE TO PHARMACEUTICAL TECHNICIANS ONLY****

Employment is **NOT** required to renew your Technician registration. Renewing technicians are required to **complete one hour of an approved Nevada Law program** prior to renewal and a copy must be maintained. If employed, a copy must be on file in the pharmacy. Trainees are required to be registered at **EACH** work location. There has been confusion expressed regarding requirements for technicians and "continuing education". Nevada law requires that you perform 12-hours of *in-service training* during the 2-year period immediately preceding the renewal of your registration. Your managing pharmacist must approve and maintain a written record of your training and those records are to be maintained in the pharmacy and will be checked during the annual pharmacy inspection. Nevada law also provides that a technician may substitute the completion of the continuing education necessary for recertification by the Pharmacy Technician Certification Board for the biennial in-service training. Should this option be chosen, documentation must be maintained in the pharmacy for inspection. The Nevada Law program may **NOT** be substituted by any other program. **DO NOT SEND YOUR RECORDS TO THE BOARD WITH YOUR RENEWAL FORM. ANY SUCH RECORDS WILL BE DISCARDED.**

****NOTICE TO ALL PRACTITIONERS****

Please be aware that SB 459 was signed into law by Governor Sandoval in 2015. It requires prescribers of narcotics to review the Prescription Monitoring Program's profile for each patient prior to prescribing the medication in most cases.

Statement in reference to Questions 4 and 5

airtec gases LLC

C/O
Nevada State Board of Pharmacy
Statement for Questions 4 and 5

On September 22nd 2008 we hired Tamarah Zermeno (aka Tamarah Prachar) at Airtec Gases to work in our office. Her main duties included answering the phone and taking customer orders. Over time she was entrusted with processing all customer payments received in our office. On 6/22/2013 it was noticed that money was missing from our cash box. Upon reviewing the camera footage on 6/18/2013 it showed that Tamarah placed the missing money inside her purse along with a customer check that was received earlier in the day.

On the next business day 6/24/2013 Tamarah was confronted and she confessed to the theft. A police report was filed the next day and charges were filed. During the investigation we discovered that she had been taking customer checks made out to our company and depositing them into her personal bank account via a teller machine. Felony charges were filed.

Shortly after that we learned that the bank could be liable for business checks being deposited into a personal account. We then filed a civil case against Tamarah and the bank she used. The bank settled with us through mediation. We were also awarded restitution from both the civil and criminal cases.

Please contact me directly at (702) 613-8002 if you have any further questions or if I may be of assistance to you.

Thank you.

The department relies on a number of factors available in any report to assign a follow-up investigator. Experience has proven that certain information must normally be determined at the time of the initial investigation before a case has the potential for being solved. Without suspects, witnesses, evidence, or other investigative leads, a case cannot be solved except under special circumstances. For example, a suspect caught committing another crime is found with evidence linking him to this one, or he may confess to other crimes including this one. **If you have any questions or additional information, please contact the detective handling your case at the appropriate telephone number listed below or complete an Additional Crime Information report. (Refer to the Event Number listed above.)**

GROHS IS THE OWNER OF AIRTEC GASES. ON 06/18/13 GROHS DISCOVERED THAT A $90 CASH INVOICE NEVER MADE IT INTO HIS CASH BOX. GROHS REVIEWED VIDEO SURVEILLANCE AND DISCOVERED THAT HIS OFFICE MANAGER, TAMARAH PRACHAR, HAD RECEIVED THE MONEY FROM THE CUSTOMER. THE MONEY IS UNABLE TO BE LOCATED AFTER THAT POINT.

UPON DISCOVERING THIS GROHS REVIEWED OTHER RECORDS AND DISCOVERED THAT HIS COMPANY HAD RECEIVED THREE CHECKS FROM A CUSTOMER WHICH WERE CASHED HOWEVER THE FUNDS WERE NEVER RECEIVED BY THE COMPANY. GROHS REVIEWED THE CHECKS AND DISCOVERED THE ENDORSEMENTS HAD BEEN ALTERED. GROHS CONFIRMED WITH THE CUSTOMER, TLC HOLDINGS, THAT THE CHECKS HAD BEEN WRITTEN AND CASHED. TLC IS BILLED MONTHLY AND THE CHECKS FOR JANUARY, FEBRUARY AND APRIL OF 2013 FOR A TOTAL AMOUNT OF $10,685.51. AIRTEC GASES REFLECTS THE CHECKS BEING RECEIVED.

GROHS CONFRONTED PRACHAR WHO ADMITTED TO THE EMBEZZLEMENT AND ESTIMATED THE TOTAL AMOUNT OF THE THEFTS TO BE GREATER THAN $20,000. THE ADMISSION IS RECORDED ON VIDEO SURVEILLANCE. PRACHAR'S ONLY EXPLANATION WAS THAT SHE WANTED MATERIAL THINGS. PRACHAR HAS SINCE BEEN FIRED. THE COMPLETE SCOPE OF THE EMBEZZLEMENT HAS YET TO BE DISCOVERED.

C/O
Nevada State Board of Pharmacy

On September 22nd 2008 we hired Tamarah Zermeno (aka Tamarah Pracher) at Airtec Gases to work in our office. Her main duties including answering the phone and taking customer orders then she began processing all the customer payments. On 6/22/2013 it was noticed that money was missing from our cash box. Upon reviewing the camera footage on 6/18/2013. It showed that Tamarah had placed the missing money inside of her purse along with a customer check that was received earlier in the day.

On the next business day (6/24/2013) Tamarah was confronted, and she confessed to the theft. A police report was filed the next day and charges were filed. During the investigation, we had discovered that she had been taking the customer checks that were made out to the company. Then depositing it into her own personal bank account via a teller machine. Felony charges were filed the next day.

Shortly after we had learned that the bank could be liable for business checks being able to be deposited into a personal account. We then filed a civil case to include Tamarah Zermeno and the bank she used. The bank settled with us through mediation and we were awarded restitution from Tamarah's criminal case upon completion of her sentence.

Please contact me directly at 702.604.6596 if you have any questions or if I may be of any assistance to you.

Thank you.

Narrative

ON TODAY'S DATE CHARLES GROHS CAME INTO THE LVMPD HQ TO REPORT EMBEZZLEMENT AND RELAYED THE FOLLOWING:

GROHS IS THE OWNER OF AIRTEC GASES. ON 06/18/13 GROHS DISCOVERED THAT A $90 CASH INVOICE NEVER MADE IT INTO HIS CASH BOX. GROHS REVIEWED VIDEO SURVEILLANCE AND DISCOVERED THAT HIS OFFICE MANAGER, TAMARAH PRACHAR, HAD RECEIVED THE MONEY FROM THE CUSTOMER. THE MONEY IS UNABLE TO BE LOCATED AFTER THAT POINT.

UPON DISCOVERING THIS GROHS REVIEWED OTHER RECORDS AND DISCOVERED THAT HIS COMPANY HAD RECEIVED THREE CHECKS FROM A CUSTOMER WHICH WERE CASHED HOWEVER THE FUNDS WERE NEVER RECEIVED BY THE COMPANY. GROHS REVIEWED THE CHECKS AND DISCOVERED THE ENDORSEMENTS HAD BEEN ALTERED. GROHS CONFIRMED WITH THE CUSTOMER, TLC HOLDINGS, THAT THE CHECKS HAD BEEN WRITTEN AND CASHED. TLC IS BILLED MONTHLY AND THE CHECKS FOR JANUARY, FEBRUARY AND APRIL OF 2013 FOR A TOTAL AMOUNT OF $10,685.51. AIRTEC GASES REFLECTS THE CHECKS BEING RECEIVED.

GROHS CONFRONTED PRACHAR WHO ADMITTED TO THE EMBEZZLEMENT AND ESTIMATED THE TOTAL AMOUNT OF THE THEFTS TO BE GREATER THAN $20,000. THE ADMISSION IS RECORDED ON VIDEO SURVEILLANCE. PRACHAR'S ONLY EXPLANATION WAS THAT SHE WANTED MATERIAL THINGS. PRACHAR HAS SINCE BEEN FIRED. THE COMPLETE SCOPE OF THE EMBEZZLEMENT HAS YET TO BE DISCOVERED.

Narrative

ON TODAY'S DATE CHARLES GROHS CAME INTO THE LVMPD HQ TO REPORT EMBEZZLEMENT AND RELAYED THE FOLLOWING:

GROHS IS THE OWNER OF AIRTEC GASES. ON 06/18/13 GROHS DISCOVERED THAT A $90 CASH INVOICE NEVER MADE IT INTO HIS CASH BOX. GROHS REVIEWED VIDEO SURVEILLANCE AND DISCOVERED THAT HIS OFFICE MANAGER, TAMARAH PRACHAR, HAD RECEIVED THE MONEY FROM THE CUSTOMER. THE MONEY IS UNABLE TO BE LOCATED AFTER THAT POINT.

UPON DISCOVERING THIS GROHS REVIEWED OTHER RECORDS AND DISCOVERED THAT HIS COMPANY HAD RECEIVED THREE CHECKS FROM A CUSTOMER WHICH WERE CASHED HOWEVER THE FUNDS WERE NEVER RECEIVED BY THE COMPANY. GROHS REVIEWED THE CHECKS AND DISCOVERED THE ENDORSEMENTS HAD BEEN ALTERED. GROHS CONFIRMED WITH THE CUSTOMER, TLC HOLDINGS, THAT THE CHECKS HAD BEEN WRITTEN AND CASHED. TLC IS BILLED MONTHLY AND THE CHECKS FOR JANUARY, FEBRUARY AND APRIL OF 2013 FOR A TOTAL AMOUNT OF $10,685.51. AIRTEC GASES REFLECTS THE CHECKS BEING RECEIVED.

GROHS CONFRONTED PRACHAR WHO ADMITTED TO THE EMBEZZLEMENT AND ESTIMATED THE TOTAL AMOUNT OF THE THEFTS TO BE GREATER THAN $20,000. THE ADMISSION IS RECORDED ON VIDEO SURVEILLANCE. PRACHAR'S ONLY EXPLANATION WAS THAT SHE WANTED MATERIAL THINGS. PRACHAR HAS SINCE BEEN FIRED. THE COMPLETE SCOPE OF THE EMBEZZLEMENT HAS YET TO BE DISCOVERED.

BEFORE THE ARIZONA STATE BOARD OF PHARMACY

In the Matter of **VALLEY OF THE SUN,** Permit No. Y006311 As a Licensed Pharmacy In the State of Arizona	Board Case No. 18-0147 **CONSENT AGREEMENT FOR CIVIL PENALTY**

In the interest of a prompt and judicious settlement of this case, consistent with the public interest, statutory requirements and the responsibilities of the Arizona State Board of Pharmacy ("Board") under A.R.S. § 32-1901, *et. seq.* Valley of the Sun ("Respondent"), holder of permit no. Y006311 as a licensed pharmacy in the State of Arizona and the Board enter into the following Recitals, Findings of Fact, Conclusions of Law and Order ("Consent Agreement") as a final disposition of this matter.

RECITALS

1. Respondent has read and understands this Consent Agreement and has had the opportunity to discuss this Consent Agreement with an attorney, or has waived the opportunity to discuss this Consent Agreement with an attorney.

2. Respondent understands that it has a right to a public administrative hearing concerning this matter at which hearing it could present evidence and cross examine witnesses. By entering into this Consent Agreement, Respondent knowingly and voluntarily relinquishes all right to such an administrative hearing, as well as rights of rehearing, review, reconsideration, appeal, judicial review or any other administrative and/or judicial action, concerning the matters set forth herein.

3. Respondent affirmatively agrees that this Consent Agreement shall be irrevocable.

4. Respondent understands that this Consent Agreement or any part of the agreement may be considered in any future disciplinary action by the Board against it.

5. Respondent understands this Consent Agreement deals with Board Complaint No. 18-0147 involving allegations of unprofessional conduct against Respondent. The investigation into these allegations against Respondent shall be concluded upon the Board's adoption of this Consent Agreement.

6. Respondent understands that this Consent Agreement does not constitute a dismissal or resolution of any other matters currently pending before the Board, if any, and does not constitute any waiver, express or implied, of the Board's statutory authority or jurisdiction regarding any other pending or future investigation, action or proceeding.

7. Respondent also understands that acceptance of this Consent Agreement does not preclude any other agency, subdivision, or officer of this State from instituting any other civil or criminal proceedings with respect to the conduct that is the subject of this Consent Agreement.

8. Respondent acknowledges and agrees that, upon signing this Consent Agreement and returning this document to the Board's Executive Director, it may not revoke acceptance of the Consent Agreement or make any modifications to the document

regardless of whether the Consent Agreement has been signed by the Executive Director. Any modification to this original document is ineffective and void unless mutually agreed by the parties in writing.

9. This Consent Agreement is subject to the approval of the Board and is effective only when accepted by the Board and signed by the Executive Director. In the event that the Board does not approve this Consent Agreement, it is withdrawn and shall be of no evidentiary value and shall not be relied upon nor introduced in any action by any party, except that the parties agree that should the Board reject this Consent Agreement and this case proceeds to hearing, Respondent shall assert no claim that the Board was prejudiced by its review and discussion of this document or any records relating thereto.

10. If a court of competent jurisdiction rules that any part of this Consent Agreement is void or otherwise unenforceable, the remainder of the Consent Agreement shall remain in full force and effect.

11. Respondent understands that this Consent Agreement is a public record that may be publicly disseminated as a formal action of the Board and may be reported as required by law to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

12. Respondent understands that any violation of this Consent Agreement constitutes unprofessional conduct and may result in disciplinary action. A.R.S. §§ 32-1901.01(A)(19) and A.R.S. §32 – 1927.02(A) (1).

13. Respondent agrees that the Board will adopt the following Findings of Fact, Conclusions of Law and Order.

ACCEPTED AND AGREED BY RESPONDENT

Dated: 9/21/2018

On Behalf of Valley of The Sun Pharmcy

2018 OCT -3 PM 12:06

FINDINGS OF FACT

1. The Board is the duly constituted authority for licensing and regulating the practice of pharmacy in the State of Arizona.

2. Respondent is the holder of permit no. Y006311. Respondent's physical address is 15600 Black Canyon Highway, Phoenix, AZ 85053.

3. On or about April 5, 2018, the Board received a complaint alleging, *inter alia*, that a pharmacy technician was practicing at Respondent's location without a license.

4. According to the PIC, Paula Beougher (S017717), the technician in question, Melissa Moore, passed the PTCB exam on February 29, 2018, and became employed by Respondent on March 26, 2018. At the time, she did not possess either a technician trainee or technician licensed issued by the Arizona Board of Pharmacy. Ms. Moore applied for her technician license on March 27, 2018.

5. According to Ms. Beougher, stated that she believed because Ms. Moore had passed the PTCB exam and was awaiting licensure, that she was permitted to perform clerical duties, including prescription data entry.

6. While Ms. Moore was awaiting licensure, Respondent's pharmacy staff was received training on the dispensing system that resulted in Ms. Moore's initials

appearing on documentation showing she filled prescriptions. Staff continued to train Ms. Moore in the duties of a technician while she was unlicensed.

CONCLUSIONS OF LAW

1. The Board possesses jurisdiction over the subject matter and over Respondent pursuant to A.R.S. § 32-1901 *et seq.*

2. The Board may discipline a permittee who has engaged in unprofessional conduct. A.R.S. § 32-1927.02(A) (1).

3. The conduct and circumstances described above constitutes unprofessional conduct pursuant to A.R.S. § 32-1927.02(A)(5), authorizing the Board to discipline a permittee if a permittee or a permittee's employee allows a person who does not possess a current license issued by the board to work as a pharmacist, pharmacy intern, graduate intern, pharmacy technician or pharmacy technician trainee.

ORDER

Based upon the above Findings of Fact and Conclusions of Law, IT IS HEREBY ORDERED THAT:

1. Respondent shall pay to the Board as a civil penalty the sum of **$1,000.00.** The civil penalty shall be paid in full to the Board within **ninety (90) days** of the effective date of this Consent Agreement and Order. The effective date of this Consent Agreement is the date it is signed by the Board's Executive Director.

2. If the Board determines that Respondent has not complied with **all** the requirements of this Consent Agreement, the Board, in its sole discretion, may institute proceedings for noncompliance with this Consent Agreement, which may result in the

suspension or revocation of Respondent's license. Failing to abide by this Consent Agreement and Order is a violation of A.R.S. §32-1901.01(A)(19), which is violating a formal order, terms of probation, a consent agreement or a stipulation issued or entered into by the board it its executive director."

3. Respondent understands that this Consent Agreement is a public record that may be publicly disseminated as a formal action.

4. If Respondent violates this Order in any way or fails to fulfill the requirements of this Order, the Board, after giving the Respondent notice and the opportunity to be heard, may revoke, suspend or take other disciplinary actions against Respondent's license. The issue at such a hearing will be limited solely to whether this Order has been violated.

This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

DURING AN INSPECTION OF YOUR FIRM I OBSERVED:

OBSERVATION 1

Written records of investigations into unexplained discrepancies do not always include the conclusions and follow-up.

For example:

a) Visual inspection results of filled vials were found to contain extraneous unidentified visible materials (particles and fibers) during 100% visual inspection processes, but no investigation was opened to identify the foreign materials, determine root cause as to how visible substances are found in a drug that is sterile filtered and containerized/filled in a HEPA filtered (ISO 5) environment, and prevent recurrence. For example, the following lots were found with some vials containing foreign substances:

i) Ketamine HCL Injection Lot 2012007 found 5 vials with white particles and 3 vials with glass particles in December 2020.

ii) Calcium Chloride Injection Lot 2011004 found 49 vials containing glass particles, 143 vials with white particles, and 33 vials with fibers in November 2020.

iii) Lidocaine HCL Injection Lot 2103002 found 3 vials with fibers and one vial with a particle in March 2021.

b) An OOS investigation (OOS 21003, January 2021 Ketamine HCL Inj Lot 2012007) concerning the analysis of Ketamine HCL Injection for sterility found a failing result but did not fully pursue root cause to determine adequacy of testing procedures. "Analyst believes that colony formation is likely due to inadvertent contamination during sample preparation" but what precisely went wrong with the method was not investigated and no corrective/preventative actions were implemented. An additional sample preparation was

analyzed and found meeting specifications. Results from the retest were used as the final analytical result with no data supporting laboratory errors identified in the first test and without scientific basis for invalidating initial OOS results in favor of passing retest results. For example, 50 vials of Ketamine HCL Inj for Lot 2012007 were shipped in June 2021 to a customer in TX and in May 2021 25 vials were shipped to a customer in CO.

c) An OOS investigation (OOS 21008, March 2021 Calcium Chloride Injection Lot 2011002) concerning the analysis of 3 month stability of Calcium Chloride Injection for sterility found a failing result but did not fully pursue root cause to determine adequacy of testing procedures. Growth was found in both TSB and FTM. "The Analyst believes that contamination may have occurred during sample preparation, since there was no microbial growth observed at earlier time points..." but what precisely went wrong with the method was not investigated and no corrective/preventative actions were implemented. An additional sample preparation was analyzed and found meeting specifications. Results from the retest were used as the final analytical result with no data supporting laboratory errors identified in the first test and without scientific basis for invalidating initial OOS results in favor of passing retest results.

d) An OOS investigation (OOS 21005, February 2021 Lidocaine HCL Injection Lot 2007004 and Calcium Chloride Injection Lot 2011002) concerning the analysis of 6 month stability of Lidocaine Injection and 3 month stability of Calcium Chloride Injection for sterility found failing results but did not fully pursue root cause to determine adequacy of testing procedures. "The Analyst believes that contamination may have occurred during sample preparation, since none of the other previous time points for either product had shown any microbial growth." What precisely went wrong with the method was not investigated and no corrective/preventative actions were implemented. Additional sample preparations were analyzed and found meeting specifications. Results from the retests were used as the final analytical result with no data supporting laboratory errors identified in the first tests and without scientific basis for invalidating initial OOS results in favor of passing retest results. For example, 4800 vials of Lidocaine HCL Inj Lot 2007004 were shipped from your facility to a customer in LA.

e) An OOS investigation (OOS 20022, November 2020 Calcium Chloride Injection Lot 2011004) concerning the analysis of Calcium Chloride Injection for sterility found failing results but did not fully pursue root cause to determine adequacy of testing procedures. What precisely went wrong with the method was not investigated and no corrective/preventative actions were implemented. Additional sample preparations were analyzed and found meeting specifications. Results from the retests were used as the final analytical result with no data supporting laboratory errors identified in the first test and without scientific basis for invalidating initial OOS results in favor of passing retest results.

OBSERVATION 2

Laboratory controls do not include the establishment of scientifically sound and appropriate test procedures designed to assure that drug products conform to appropriate standards of identity, strength, quality and purity.

a) When there is no scientific basis found for invalidating initial out-of-specification (OOS) test results and no assignable cause for the OOS is determined, procedures (SOP.CH.0002 Investigating Out-of-Specification Test Results) allow re-testing, which permits reporting four additional analyses that meet specifications, averaged, as the final result. Procedures in section 4.5.7.1.4. read in part, "If the investigation cannot determine any readily identifiable sources of analyst error and cannot invalidate the original result the following retest methodology should be implemented: " And continues in section 4.5.7.1.4.4. "Based on this analysis, the original sample can either be confirmed as OOS or rejected." [See Observation 1 concerning retesting]

b) Cleaning verification performed to provide evidence that the cleaning methods utilized are effective in removing drug residue in preventing cross contamination from shared equipment used in production of preparations such as Ketamine HCL Injection, Lidocaine HCL Injection and Calcium Chloride Injection incorporated rinse and swab sampling followed by analysis. Your firm does not have data, such as swab and rinse recovery studies, to show that residues on surfaces sampled by swabbing and rinsing are recovered, and at what level, to fully verify effective cleaning. Shared equipment includes a 240 liter formulation tank.

c) Container closure integrity for drug preparations, such as Ketamine HCL, Lidocaine HCL and Calcium Chloride Injection, packaged in 5 and 10 ml stoppered glass vials, is not verified to show containers are appropriate for maintaining sterility and quality of the products.

d) Software validation for HPLC is not conducted (Agilent OpenLab Chemstation version 1.9.0 used for assay analysis of Lidocaine HCL Injection) to ensure the computer system consistently fulfills intended purposes and produces accurate and reliable results. For example, 50 vials of Lidocaine HCL Inj Lot 2101006 were shipped in May 2021 to customers in TX.

e) WFI produced at your firm, used as an ingredient in Calcium Chloride, Ketamine HCL and Lidocaine HCL Injections, is not tested for bacteria, nor are specifications established by your firm for microbial requirements of WFI (conductivity, bacterial endotoxins and TOC are included in your testing program).

f) Method suitability for the sterility method used (in the presence of drugs such as Lidocaine, Ketamine and Calcium Chloride) was not performed. Sterility testing is conducted on finished drug preparations, labeled as sterile, but the analytical method (SOP.MC.008 Microbiological Testing of Pharmaceutical Products by Membrane Filtration Method) used is not verified for suitability in the recovery and detection of potential microbes in the presence of drug products prepared at your facility.

OBSERVATION 3
Equipment for adequate control over micro-organisms is not provided when appropriate for the manufacture, processing, packing or holding of a drug product.

S.C.R.I.P.T Program (Supportive Care Recognizing Individualized Prescribed Treatment) Proposal

Program Objective:
To develop and implement a pharmacy led program that integrates Medication Therapy Management with the goal of medication adherence for newly diagnosed patients and those with uncontrolled HIV management.

HIV MTM Adherence and Community Support Protocol:

1. Identification and referral of eligible patients from CAREWare and/or RWise that are newly diagnosed or demonstrating uncontrolled signs/symptoms of medication therapy.
2. Eligible participants will be contacted by a pharmacy intern, or pharmacist, who will collect data and information utilizing an adherence screening form.
3. Patients that are not identified for MTM medication review are encouraged to attend the bi-weekly support group provided by the MTM pharmacy team that focuses on health education topics relevant to the needs of the participants (detailed health education topics are to be determined at a later date).
4. Patients that demonstrate risk for medication adherence, medication education needs, or disease state compliance and understanding will be referred for Medication Therapy Management (MTM) services and an appointment will be made with the MTM pharmacy team.
5. The MTM pharmacy team will contact the patient and conduct a comprehensive medication review.
6. Objectives of MTM include understanding the patient's personal medication experience/history and preferences/beliefs. Identify actual use patterns of all medication, including OTC, supplements, herbals, and prescribed medications.
7. Goals for MTM include employing intensive patient education efforts aimed at addressing adherence barriers, including a comprehensive understanding of why each medication is prescribed. Additional goals of MTM include assessing each medication for appropriateness, effectiveness, safety, and adherence with a focus on achievement of clinical goals for each therapy.
8. Results from MTM identify the opportunities that were addressed with the patient, including any gaps in therapy preventing optimal outcomes. Addressing financial barriers to adherence such as high drug costs by potentially switching to generics or less expensive formulary alternatives will be addressed by the MTM pharmacy team.
9. After the MTM appointment, the MTM pharmacy team will develop a care plan addressing recommendations, including therapeutic changes needed to achieve optimal outcomes. The care plan will document the quality and safety of prescribing as part of the MTM intervention and provide patients with a complete list of prescribed medications.
10. Participants will acknowledge their understanding of the care plan which is communicated through the electronic records to the care team (CAREWare) following the MTM appointment.
11. Follow-up evaluation with patients is critical to determine the effects of changes, reassess actual outcomes and recommend further therapeutic changes to achieve desired clinical goals/outcomes: allow 2 weeks for recommended therapy interventions, allow 1 month for evaluating patient-centered clinical/educational goals/outcomes.
12. Participants will be followed with monthly follow-up calls by the MTM pharmacy team for either a 3-month or 6-month tracking based on their medication adherence needs. At the end of

6-months, all remaining participants will be referred back to the CAREWare system for additional support service beyond that of the MTM pharmacy team services.

13. Use of efficient communication methods to convey medication recommendations to participants may include video/tele-communications utilizing Doxmitry.com and electronic medical records from Aprexis.com and HealtHie Nevada. All contacts with participants will be documented in CAREWare for each participant.
14. The MTM Pharmacy Team will utilize all available data sources (EHR, registries, claim data) to determine whether gaps in medical care are present, including preventive care and maintenance related to the participant's specific medication condition based on standards of care.

Deliverables:
PMR - Patient Medication Review provides a patient with a complete list of their medications
MAP - Medication Action Plan provides a patient-centered document containing a list of actions for the patient to track progress and self-management.
Intervention and/or Referral - consultative services for pharmacy interventions for drug related problems.

Evaluation of Program Goals:
Participant's improved health outcomes based on medication adherence, medication understanding and improved health outcomes will be determined at entry into the program and assessed during each monthly follow-up call. Participant's that were unable to improve their medication adherence at the end of the program will be referred back to CAREWare.

Program Incentive:
Participants will have access to Emocha Mobile Health app. This HIPAA compliant smart phone application makes Direct Observed Therapy scalable and would allow the pharmacist team to view patient information and make patient engagement convenient. Built in the Emocha will be a reward program where patients who utilizes the application and report on key metrics will receive gift cards. The pharmacist team will lead this reward program, which will be based on the meeting the patient's individualized care plan.

Community Healthy Hearts Initiative: Church parishioners with high blood pressure

Project Goal: To identify ten participants with high blood pressure for the enrollment in Medication Therapy Management (MTM) services provided by a licensed community pharmacist to include medication review, blood pressure measurement and education on reducing blood pressure through lifestyle choices and prescribed therapies.

Protocol:

1. Identify an underserved community church with ten parishioners that have self-identified as having high blood pressure to enroll and participate in MTM services.
2. Choose date and time to meet for MTM services to be provided at the community church location.
3. Each participant will receive a blood pressure monitor to monitor blood pressure and track readings for the specified time of the project. The pharmacist will educate the participant on the recommended method per American Heart Association (AHA) on measuring blood pressure. The participant will demonstrate knowledge by performing a self-administered blood pressure measurement. The readings will be tracked on the AHA blood pressure tracking form.
4. Each participant will receive education material on high blood pressure management, how to lower salt intake and the importance of blood pressure medication. A medication weekly reminder pill container will be given to each participant to encourage adherence to prescribed therapies.
5. Each participant will complete an MTM enrollment form for the purpose of completing a medication review with the licensed community pharmacist that will employ the following processes:
    a. Understand the patient's personal medication experience/history and preferences/beliefs. Identify actual use patterns of all medication, including OTC, supplements, herbals, and prescribed medications.
    b. Employ intensive patient education efforts aimed at addressing adherence, barriers, including a comprehensive understanding of why each medication is prescribed. Assess each medication for appropriateness, effectiveness, safety, and adherence. Focus on achievement of clinical goals for each therapy.
    c. Document the opportunities that were addressed with the patient, including any gaps in therapy preventing optimal outcomes. Address financial barriers to adherence such as high drug costs by potentially switching to generics or less expensive formulary alternatives.
    d. Develop a care plan addressing recommendations, including therapeutic changes needed to achieve optimal outcomes. Document the quality and safety of prescribing as part of the MTM intervention. Provide patient with a complete list of prescribed medications.
6. Return for a follow-up with participants on their blood pressure tracking forms, review medication adherence, and answer any questions regarding medication therapy.

7. Upon completion of followup appointment and review of blood pressure tracking form, the participants will be given the information on how to receive a heart healthy food basket as an incentive to continue healthy lifestyle choices.
8. The collected information (non-patient identified) will be submitted as part of the outcomes of the program. All materials will be in compliance with HIPAA privacy rules.

Participants Receive:
PMR - Patient Medication Review provides a patient with a complete list of their medications
MAP - Medication Action Plan provides a patient-centered document containing a list of actions for the patient to track progress and self-management.

Medication Therapy Management Protocol:
Developed by: KayLynn Bowman, PharmD

1. Identify and recruit eligible patients that have not achieved clinical goals of therapy. Rely on hospital discharge, in addition screening for usual MTM criteria.
2. Coordinate care with a network of providers and prescribers for referral of eligible MTM candidates and to make recommendations and discuss identified drug related problems.
3. Understand the patient's personal medication experience/history and preferences/beliefs. Identify actual use patterns of all medication, including OTC, supplements, herbals, and prescribed medications.
4. Employ intensive patient education efforts aimed at addressing adherence, barriers, including a comprehensive understanding of why each medication is prescribed. Assess each medication for appropriateness, effectiveness, safety, and adherence. Focus on achievement of clinical goals for each therapy.
5. Document the opportunities that were addressed with the patient, including any gaps in therapy preventing optimal outcomes. Address financial barriers to adherence such as high drug costs by potentially switching to generics or less expensive formulary alternatives.
6. Develop a care plan addressing recommendations, including therapeutic changes needed to achieve optimal outcomes. Document the quality and safety of prescribing as part of the MTM intervention. Provide patients with a complete list of prescribed medications.
7. Patient agrees and understands the care plan which is communicated to the care team (providers, prescribers) for his or her consent/support within 72 hours post-visit.
8. Follow-up evaluation with patients is critical to determine the effects of changes, reassess actual outcomes and recommend further therapeutic changes to achieve desired clinical goals/outcomes: allow 2 weeks for recommended therapy interventions, allow 1 month for evaluating patient-centered clinical/educational goals/outcomes.
9. Use efficient communication methods to convey medication recommendations to prescribers, including e-prescribing and electronic medical records.
10. Leverage all available data sources (EHR, registries, claim data) to determine whether gaps in medical care are present, including preventive care and maintenance related to the patient's specific medication condition.

Deliverables:
PMR - Patient Medication Review provides a patient with a complete list of their medications
MAP - Medication Action Plan provides a patient-centered document containing a list of actions for the patient to track progress and self-management.
Intervention and/or Referral - consultative services for pharmacy interventions for drug related problems.

Evaluation of Program Goals:
Therapy Goals are individualized based on measurable standards of care such as A1C, BMI, blood pressure etc. Economic measures include hospitalization prevention, emergency room visits eliminated, clinical visits avoided, fewer sick days used, and any impact on drug costs.

MTM is a reiterative process: Care is coordinated with other team members and personalized (patient unique) goals of therapy and understood by all team members.

APPLICATION BY RECIPROCATION AS A PHARMACIST

This application cannot be returned by fax or email. We must have an original signature and fee to process

If you are requesting licensure by reciprocation (i.e. you have a current pharmacist license from another state and wish to transfer license information and only need to take the Nevada MPJE), complete this application:

As of July 1, 2008, Nevada will accept reciprocation of pharmacists licensed in all states, including California and Florida.

Pharmacists reciprocating from California will need to have been issued a license by taking and passing the NAPLEX exam. Therefore, we can only accept California pharmacists who were licensed after January 1, 2004. There are no restrictions for pharmacists reciprocating from Florida, so all Florida pharmacists may apply.

Download application (3 pages) and mail to the address on the top of the application with the required $250.00 fee. The fee is payable by check or credit card.

Fee is made payable to: **Nevada State Board of Pharmacy.**

Before calling with questions, please read all information carefully

- You are required to access NABP's website at www.nabp.net to register on-line for the MPJE exam.

  - Required to get approval for MPJE: The Nevada application and $250 fee. The application will not be accepted and will be returned if incomplete. Make sure the application is signed and dated.

  - Once your application has been received and approved, and you have registered for the MPJE through NABP, you can then be approved to sit for the examination.

  - You will receive an authorization to test (ATT) along with all information needed to schedule your MPJE from NABP. The MPJE is given Monday through Saturday, excluding holidays. Allow 30 days for your application to be received and processed.

- The Nevada Pharmacy Laws are available on the website under the tab "Nevada Statutes & Regulations." The "Nevada Statutes & Regulations" are the only study guide available for the Nevada MPJE exam. http://bop.nv.gov/board/ALL/Regulations/ An email will be sent within 30 days of the receipt your application.

- The MPJE exam can be taken once every 30 days (retake fee required for NABP). They are NABP's rules, not Nevada's. You can reapply to NABP at any time after you fail them exam. You do not need to wait for anything official from Nevada. NABP has a new requirement for how many times an exam may be taken. Please refer to www.nabp.net for current information.

- You can access your scores at nabp.net.

Just a reminder: You will be required to access NABP's website at www.nabp.net to obtain the Preliminary Application for Transfer of Pharmaceutic Licensure for NABP. Also referred to as the official NABP application.

To receive license as a pharmacist in Nevada by reciprocation, the following needs to be on file:

Nevada application and fee
Passage of the MPJE exam
Official NABP application

You have one (1) year from the date we receive the Nevada application to complete the process of licensure. The $250.00 fee includes all required fees including the $200 registration fee. The $250.00 fee does NOT include the fee for the MPJE exam or the fee for NABP preliminary application. All pharmacist's license in Nevada expire October 31 of the odd-numbered years. Fees are not pro-rated.

PROPOSED REGULATION OF THE

STATE BOARD OF PHARMACY

LCB File No. R007-21

February 28, 2022

EXPLANATION – Matter in *italics* is new; matter in brackets [omitted material] is material to be omitted

AUTHORITY: §§1-3, NRS 639.070.

A REGULATION relating to pharmacy; establishing the requirements for an oncology group practice to obtain a certificate of registration from the State Board of Pharmacy to maintain a single inventory of dangerous drugs received at a site of practice; prescribing the procedure for renewing such a certificate; prescribing certain powers and duties of the dispensing practitioners of such a registered oncology group practice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes an exclusive list of persons, including practitioners, to possess and administer a dangerous drug in this State. (NRS 454.213) Existing law authorizes the State Board of Pharmacy to adopt regulations governing the dispensing of poisons, drugs, chemicals and medicines. (NRS 639.070) **Section 2** of this regulation defines "oncology group practice" to mean two or more dispensing practitioners who practice oncology in a group practice. **Section 1** of this regulation requires such a practice that wishes to maintain a single inventory of dangerous drugs received at a site of practice in lieu of maintaining separate inventories for each dispensing practitioner of the practice to apply to the Board for a certificate of registration and submit the applicable fee. **Section 1** provides that the Board will issue a certificate of registration to an oncology group practice upon receipt of a completed application and fee. **Section 1** provides that a certificate: (1) entitles the oncology group practice to maintain a single inventory of dangerous drugs at the site of practice for which the oncology group practice received certification; (2) is a revocable privilege; and (3) is valid for 2 years after the date on which the certificate is issued. **Section 1** additionally prescribes the procedure for renewing such a certificate and requires an oncology group practice registered with the Board to notify the Board of the addition or removal of a dispensing practitioner of the practice.

Existing regulations require a practitioner who wishes to dispense dangerous drugs to obtain a certificate of registration from the Board. (NAC 639.742) Existing regulations require a practitioner who is registered with the Board to perform certain duties concerning dispensing of dangerous drugs. (NAC 639.742, 639.745) **Section 1**: (1) authorizes a dispensing practitioner of an oncology group practice registered with the Board to dispense any dangerous drug accounted for in the inventory of the oncology group practice; and (2) requires such a dispensing practitioner to maintain separate records of each dangerous drug dispensed by him or her.

Section 3 of this regulation provides that the dispensing practitioners of an oncology group practice registered with the Board are jointly responsible for ensuring compliance with certain requirements relating to dispensing dangerous drugs.

Section 1. Chapter 639 of NAC is hereby amended by adding thereto a new section to read as follows:

1. An oncology group practice that wishes to maintain a single inventory of dangerous drugs received at a site of practice in lieu of maintaining separate inventories for each dispensing practitioner of the oncology group practice must apply to the Board on an application provided by the Board for a certificate of registration and submit the fee prescribed in NAC 639.220 for authorization of a practitioner, other than a licensed veterinarian, to dispense dangerous drugs. An oncology group practice must submit a separate application and fee for each site of practice at which the oncology group practice wishes to maintain a single inventory of dangerous drugs.

2. Upon receipt of a completed application and fee, the Board will issue a certificate of registration to an oncology group practice. A certificate of registration is valid for 2 years after the date on which the certificate is issued by the Board, unless an oncology group practice renews its registration.

3. To renew a certificate of registration, an oncology group practice must submit to the Board another completed application and the fee prescribed in NAC 639.220 for biennial renewal of authorization of a practitioner, other than a licensed veterinarian, to dispense dangerous drugs.

4. A certificate of registration issued pursuant to this section:

(a) Entitles the oncology group practice to maintain a single inventory of dangerous drugs at the site of practice for which the oncology group practice received certification.

(b) Is a revocable privilege, and no holder of such a certificate of registration acquires any vested right therein or thereunder.

5. An oncology group practice registered pursuant to this section shall provide written notice to the Board of the addition to or removal of a dispensing practitioner from the oncology group practice not later than 15 days after the addition or removal, as applicable.

6. A dispensing practitioner of an oncology group practice registered pursuant to this section:

(a) May dispense any dangerous drug accounted for in the single inventory of the oncology group practice.

A REGULATION relating to pharmaceutical technicians; revising provisions governing the registration of pharmaceutical technicians and pharmaceutical technicians in training; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Pharmacy to adopt regulations establishing the required qualifications for registration as a pharmaceutical technician. (NRS 639.1371) Existing regulations establish such qualifications, which include multiple possible combinations of education and experience. (NAC 639.240) **Section 1** of this regulation removes provisions authorizing the issuance of registration as a pharmaceutical technician to an applicant who: (1) is registered as a pharmaceutical technician in another state that has equivalent requirements for registration to this State and has certain experience; (2) has certain experience in another state that does not offer registration; or (3) is certified by the Pharmacy Technician Certification Board or the National Healthcareer Association and has certain education and experience in another state. Instead, **section 1** authorizes the issuance of registration to any applicant who is actively registered in good standing in another state. **Section 1** also removes a requirement that an applicant who attended a school outside of the United States must submit to the Board a copy of an evaluation of his or her academic transcript as to whether his or her grades are equivalent to the grades required for an applicant who attended a school or program of training in the United States. **Section 1** additionally: (1) prescribes the documentation required to prove that an applicant meets certain qualifications; and (2) revises the conditions for the issuance of registration.

Section 2 of this regulation similarly revises the conditions for the issuance of registration as a pharmaceutical technician in training. **Section 2** additionally revises the expiration date of such registration from 24 months after the date of issuance to October 31 of each even-numbered year. **Section 2** also revises certain documentation that a managing pharmacist of a pharmacy where a pharmaceutical technician in training is employed is required to submit to the Board.

Section 1. NAC 639.240 is hereby amended to read as follows:

639.240 1. No person may perform the duties of a pharmaceutical technician until the person has been issued a certificate of registration.

SECOND REVISED PROPOSED REGULATION OF

THE STATE BOARD OF PHARMACY

LCB File No. R120-21

April 7, 2022

EXPLANATION – Matter in *italics* is new; matter in brackets [omitted material] is material to be omitted

AUTHORITY: §§ 1-8, NRS 639.070 and 639.2176.

A REGULATION relating to pharmacy; revising certain requirements governing continuing education for pharmacists; eliminating the Advisory Committee on Continuing Education; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the State Board of Pharmacy to adopt regulations relating to the practice of pharmacy in this State. (NRS 639.070) Existing law also requires the Board to adopt regulations which set forth continuing education requirements for pharmacists registered by the Board. (NRS 639.2176)

Existing regulations provide that the Board will not issue a certificate as a registered pharmacist, or renew the certificate of any registered pharmacist, until the applicant submits proof to the Board of receipt of 30 continuing education units within the biennium immediately preceding the current renewal period, which must include at least 15 continuing education units in accredited programs. (NAC 639.330) Existing regulations: (1) define "accredited material" as material for continuing education which has been endorsed by the Board after review by the Board, by its Advisory Committee on Continuing Education, by the Accreditation Council for Pharmacy Education or by a board of pharmacy of another state; (2) require any person seeking recognition from the Board as a provider of continuing education to apply to the Board for recognition; and (3) set forth requirements for a provider to seek accreditation for any material, course or program. (NAC 639.310, 639.340, 639.360) **Section 4** of this regulation eliminates the requirement that not less than 15 of the 30 continuing education units required per biennium be units in accredited programs. Instead, **section 4** requires all continuing education units to be obtained through a course or program for continuing education provided by certain schools or governmental entities or endorsed by the Accreditation Council for Pharmacy Education. **Section 8** of this regulation eliminates: (1) the requirement that a provider of continuing education obtain recognition from the Board; (2) the process for accreditation of materials by the Board; (3) certain associated definitions; and (4) the Advisory Committee on Continuing Education, which advises the Board concerning the accreditation of continuing education. **Sections 2, 3 and 7** of this regulation make conforming changes to reflect the elimination of the accreditation of continuing education. **Section 5** of this regulation exempts an applicant who is residing and practicing outside of this State, including an applicant who is on active duty in the Armed Forces

of the United States and stationed outside of this State, from certain requirements relating to continuing education units. **Section 5** exempts from all requirements to complete continuing education an applicant who is a student of a health profession and has attended at least 30 hours of instruction relating to health care during a biennial renewal period.

Existing regulations require a provider of continuing education to: (1) keep certain records and transmit to the Board certain information relating to continuing education courses or programs provided; and (2) furnish to each participant who completes a course or program a certificate of completion which contains certain information. (NAC 639.345, 639.350) **Section 6** of this regulation revises the information that a provider of continuing education is required to include on such a certificate of completion. **Section 8** eliminates requirements that providers keep certain records and transmit to the Board certain information relating to continuing education courses or programs provided. **Section 8** also eliminates certain requirements relating to the format, presentation and content of material for continuing education.
