BEFORE THE NEVADA STATE BOARD OF PHARMACY

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **RYAN P. ZELLER, D.O.,** **Certificate of Registration No. CS11127,** **Respondent.**	**Case No. 23-013-CS-N** **NOTICE OF INTENDED ACTION AND ACCUSATION**

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, files the following document that will serve as both a notice of intended action under NRS 233B.127(3) and an accusation under NRS 622A.300(1) and NRS 639.241.

JURISDICTION

1. The Nevada State Board of Pharmacy (Board) has personal jurisdiction over Respondent Ryan P. Zeller, D.O. (Respondent), because Respondent holds a certificate of registration issued by the Board pursuant to NRS 453.231, authorizing him to dispense controlled substances.

2. The Board has jurisdiction over the subject matter of this accusation because the alleged violations involve the unregistered dispensing of controlled substances. *See* NRS 639.070. Under Nevada law, the term "dispense" is defined to include the act of prescribing controlled substances. *See* NRS 453.056(1); NRS 639.0065(1).

FACTUAL ALLEGATIONS

3. At all times relevant to this accusation, Respondent was licensed to practice osteopathic medicine in Nevada. At the time of the violations alleged herein, Respondent was a "practitioner" as that term is defined at NRS 639.0125(1) and NRS 453.126(1).

4. Between November 1, 2020, and October 31, 2022, Respondent held a certificate of registration issued by the Board pursuant to NRS 453.226, authorizing him to prescribe controlled substances.

5. Pursuant to NRS 453.226, Respondent was required to renew his certificate of registration for the period from November 1, 2022, to October 31, 2024. Although the renewal was due on or before November 1, 2022, Respondent did not renew his certificate of registration until January 20, 2023.

6. Between November 1, 2022, and January 19, 2023, during which time Respondent did not hold a valid certificate of registration to prescribe controlled substances, Respondent issued one hundred thirty-three (133) prescriptions for controlled substances. Respondent issued these prescriptions to seventy-nine (79) patients.

7. Between October 9 and October 29, 2022, Board staff sent to Respondent, via email, four (4) separate notices reminding Respondent to renew his certificate of registration. On November 29, 2022, Board staff sent to Respondent, via email, a notice advising him that he had failed to timely renew his certificate of registration.

8. On January 19, 2023, Respondent discovered that he was unable to access Nevada's prescription monitoring program (PMP) database. When Respondent telephoned Board staff to inquire about his inability to access the database, he was told that his certificate of registration had expired. At that point, Respondent renewed his certificate of registration.

9. On February 8, 2023, Respondent responded to an inquiry from Board Investigator Monica Segedy regarding allegations that he had prescribed controlled substances without a certificate of registration. Respondent stated that because renewal notices were delivered to the spam folder on his email browser, he did not see them.

10. In his response to Investigator Segedy, Respondent noted that he had timely renewed his registration with the Drug Enforcement Administration (DEA) of the U.S. Department of Justice. Respondent explained that the DEA had mailed him a letter, as opposed to sending him email correspondence. Respondent stated that had he been mailed a letter, he would have timely renewed his certificate of registration with the Board.

APPLICABLE LAW

11. In Nevada, it is unlawful to dispense a controlled substance except as authorized by NRS Chapter 453. *See* NRS 453.321(1)(a). "Dispense" is defined to include the act of prescribing a controlled substance. *See* NRS 453.056.

12. Every practitioner who intends to prescribe controlled substances in Nevada must first apply for and obtain a certificate of registration from the Board. NRS 453.226(1); NRS 453.231(3). Such a practitioner must renew the certificate of registration on a biennial basis. *Id.* A practitioner who fails to so register or renew may be subject to criminal and/or civil penalties for prescribing controlled substances without a registration. *See* NRS 453.232; NRS 453.553; NRS 453.5531.

13. In addition to any criminal or civil penalties that may apply, the Board may revoke or suspend the registration of any practitioner who has been guilty of unprofessional conduct or conduct contrary to the public interest. *See* NRS 639.210(4).

14. A practitioner's conduct is deemed unprofessional and/or contrary to the public interest if the practitioner performs, without the required registration, any task or operation for which registration is required, or performs his or her duties in an incompetent, unskillful or negligent manner. *See* NAC 639.945(1)(i) and (k).

15. A practitioner's conduct is deemed unprofessional and/or contrary to the public interest if the practitioner performs or is in any way a party to any fraudulent or deceitful practice or transaction. See NAC 639.945(1)(h).

16. The Board may revoke or suspend the registration of any practitioner who has violated any provision of the Federal Food, Drug and Cosmetic Act or any other federal law or regulation relating to prescription drugs, *see* NRS 639.210(11), or who has violated any Nevada statute or regulation relating to drugs, the manufacture or distribution of drugs or the practice of pharmacy, *see* NRS 639.210(12).

17. In addition to or in lieu of revoking or suspending a practitioner's certificate of registration due to any violation described herein, the Board may impose an administrative fine upon such practitioner. The fine may not exceed $10,000 for each offense. *See* NRS 639.255(1)(f) and (3).

COUNT ONE
Prescribing Without a Valid Registration

18. Between November 1, 2022, and January 19, 2023, Respondent prescribed controlled substances in Nevada without having renewed his certificate of registration to prescribe controlled substances. This constitutes a violation of Nevada law for which the Board may impose administrative discipline. *See* NRS 453.321(1)(a); NRS 639.210(12). It also constitutes unprofessional conduct for which the Board may impose administrative discipline. *See* NRS 639.210(4); NAC 639.945(1)(k).

COUNT TWO
False Representations Regarding Authority to Prescribe

19. By prescribing controlled substances without a valid certificate of registration, Respondent represented to dispensing pharmacists and/or patients that he was authorized by the Board to write prescriptions for controlled substances. Having been notified that his certificate of registration was due to expire and/or had expired, Respondent knew or should have known that such representation was untrue.

20. By falsely representing to dispensing pharmacists and/or patients that he was a practitioner authorized to prescribe controlled substances, Respondent violated NRS 638.2813. This constitutes a violation of state law for which the Board may impose administrative discipline. See NRS 639.210(12). It also constitutes unprofessional conduct for which the Board may impose administrative discipline. *See* NRS 639.210(4); NAC 639.945(1)(h).

COUNT THREE
Performing Duties in Negligent Manner

21. By prescribing controlled substances without a valid registration as alleged herein, Respondent exposed patients and/or dispensing pharmacists to potential criminal and/or civil liability for violating state and/or federal laws governing the distribution, use, and/or possession of controlled

substances. For this reason, Respondent performed his duties as the holder of a certificate issued by the Board in an incompetent, unskillful or negligent manner. This constitutes unprofessional conduct for which the Board may impose administrative discipline. *See* NRS 639.210(4); NAC 639.945(1)(i).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificate of registration of this respondent.

DATED this 2nd day of MARCH 2023.

J. David Wuest, R.Ph., Executive Secretary
Nevada State Board of Pharmacy

Response:

COUNT ONE

I admit to the fact that I did not renew my license with The Nevada State Board of Pharmacy (NSBOP) until I was made aware that it had expired. At which time I renewed it immediately.

COUNT TWO

The false representation allegation hinges on the claim "Having been notified that his certification of registration was due to expire, Respondent knew or should have known that such representation was untrue." I have looked through my "junk folder" and have recovered and moved all emails from the NSBOP to my priority inbox. There were numerous attempts from the NSBOP to communicate the expiring status of my certification. But those emails were attempts to notify me. I did not see those attempts and therefore I was not notified. Since I was not notified, I could not have known any representations were untrue. Furthermore, an unanswered email does not qualify as legal notification.

As the NSBOP understands, I learned that I was not certified through the blocked access to the state PMP site. That site prompted me to contact NSBOP, that was when I was actually notified. That was when I took immediate action to restore my license.

COUNT THREE

Count three claims that I am prescribing controlled substances without a valid registration. Then claims that "Respondent performed his duties as the holder of a certificate issued by the Board in an incompetent, unskillful or negligent manner." I could not use a certificate issued by the NSBOP in an incompetent, unskilled or negligent manner if I did not have a certificate.

Also, my skill as a physician, level of competence and the manner in which I practice do not deteriorate based on the status of the process of the renewal of my certification with NSBOP.

BEFORE THE NEVADA STATE BOARD OF PHARMACY

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **RYAN P. ZELLER, D.O.,** **Certificate of Registration No. CS11127,** **Respondent.**	**Case No. 23-013-CS-N** **DECLARATION OF MARK SEDAR**

I, Mark Sedar, hereby state the following:

1. Since January of 2020, I have held the position of Chief Operating Officer for the Nevada State Board of Pharmacy ("Board"). Pursuant to NRS 53.045, I have made this declaration at the request of Gregory L. Zunino, Senior General Counsel, for his use in the above-entitled administrative action. At Mr. Zunino's request, I have examined Exhibits 1 through 4 that he assembled with my assistance for the hearing in the above-entitled action. I make this declaration for the purpose of authenticating Exhibits 1 through 4, each of which is identified and discussed below.

2. In my capacity as the Board's Chief Operating Officer, I am responsible for licensing and/or registering all persons who are subject to the Board's regulatory jurisdiction. I am knowledgeable about the Board's business processes and information systems as they pertain to the licensure and/or registration of persons who are subject to the Board's regulatory jurisdiction.

3. Persons subject to the Board's regulatory jurisdiction include physicians, advance practice registered nurses, pharmacists, pharmacy technicians, dispensing technicians, pharmacies, wholesalers, manufacturers, and other persons who prescribe, dispense, sell, and/or distribute dangerous drugs and/or controlled substances.

4. Pursuant to the NRS 453.226, the Board issues certificates of registration to physicians and advance practice registered nurses who prescribe and/or dispense controlled substances to their patients (hereinafter "prescribing practitioners"). The Board issues certificates of registration to prescribing practitioners on a biennial basis. The current two-year registration period runs from

November 1, 2022, to October 31, 2024. The previous registration period ran from November 1, 2020, to October 31, 2022. Every prescribing practitioner must renew his or her certificate of registration on or before October 31 of the year in which it expires. There is no grace period for renewals.

5. The Board maintains a database containing licensure and registration information, as well as records pertaining to prescribing practitioners and other persons who are subject to the Board's regulatory jurisdiction. I regularly use and retrieve information and records from this database.

6. The Board also maintains an on-line portal through which the Board's licensees and registrants may obtain, renew, and/or update their licenses and/or registrations. The system generates a record of all on-line transactions and stores it in the database. I am familiar with operation of this system and the way in which the Board's registrants and licensees may access the system's portal to conduct business with the Board.

7. I am also familiar with the way in which the Board's employees upload, input, maintain, update, and/or retrieve records and information from the database. Records and information are entered in the regular course of the Board's business at or near the time by, or from information transmitted by, persons with knowledge of such information and/or the contents of such records.

8. As relevant to this case, I have examined the records and registration information pertaining to Dr. Ryan P. Zeller. The Board's records indicate that Dr. Zeller is a Nevada physician who currently holds a certificate of registration issued by the Board authorizing Dr. Zeller to prescribe controlled substances in the State of Nevada. Dr. Zeller held a certificate of registration that was effective from November 1, 2020, to October 31, 2022. **Exhibit 1** is a true and correct copy of Dr. Zeller's expired certificate of registration for the 2020/2022 biennial registration period.

9. Prior to the expiration of Dr. Zeller's certificate of registration on October 31, 2022, the Board's automated system sent several electronic renewal notices to Dr. Zeller's last-known e-mail address. This e-mail address is listed in the Board's system as ryanzeller@hotmail.com. **Exhibit 2** is a screenshot of the correspondence log that was generated by the Board's automated renewal system between August 31, 2022, and November 29, 2022. The correspondence log indicates that automated

renewal notices were sent to Dr. Zeller's e-mail address on August 31, 2022, September 25, 2022, October 9, 2022, October 21, 2022, and October 24, 2022. Additionally, a late renewal notice was sent to Dr. Zeller's e-mail address on November 29, 2022. **Exhibit 3** contains true and correct copies of the renewal notices that relate to the correspondence log entries dated October 21, 2022 (10-Day Notice), October 24, 2022 (7-Day Notice), and November 29, 2022 (Late Renewal Notice).

10. The biennial registration period beginning November 1, 2022, was the first registration period for which the Board did not send renewal notices using regular mail. In 2022, the Board made the decision to send renewal notices via e-mail as opposed to regular mail because, in 2020, too many renewal notices were returned by the U.S. Postal Service as undeliverable. This occurred because many practitioners did not update their mailing addresses when they moved to a new address. In 2022, the Board changed the method of delivery to e-mail with the expectation that practitioners would retain their e-mail address even if they changed their physical address.

11. For the registration period beginning November 1, 2022, the Board's records show that Dr. Zeller did not renew his certificate of registration until January 19, 2023. The Board's automated system contemporaneously generated a record of that transaction together with a current certificate of registration for Dr. Zeller. **Exhibit 4** is a true and correct copy of the record of the transaction with the corresponding certificate of registration assigned to Dr. Zeller.

12. I have searched the Board's registration records and have found no record that Dr. Zeller attempted to renew his certificate of registration for the 2022/2024 biennial registration period at any time prior to January 19, 2023.

I, Mark Sedar, declare under penalty of perjury that the foregoing is true and correct.

Executed this 21 day of March 2023.

Mark Sedar, Chief Operating Officer
Nevada State Board of Pharmacy

BEFORE THE NEVADA STATE BOARD OF PHARMACY

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **RYAN P. ZELLER, D.O.,** **Certificate of Registration No. CS11127,** **Respondent.**	**Case No. 23-013-CS-N** **DECLARATION OF MONICA SEGEDY**

I, Monica Segedy, hereby state the following:

1. I am an investigator employed by the Nevada State Board of Pharmacy ("Board"). Pursuant to NRS 53.045, I have made this declaration at the request of Gregory L. Zunino, Senior General Counsel, for his use in the above-entitled administrative action. At Mr. Zunino's request, I have examined Exhibit 5 that he identified with my assistance for use in the hearing in the above-entitled action. I make this declaration for the purpose of summarizing my investigation of Dr. Ryan P. Zeller, and for the additional purpose of authenticating Exhibit 5 as discussed below.

2. As an investigator for the Board, I am responsible for investigating administrative disciplinary cases involving alleged violations of chapters 453 and 639 of the Nevada Revised Statutes (NRS). In this regard, I investigate persons who are subject to the Board's regulatory jurisdiction, including physicians, advance practice registered nurses, pharmacists, pharmacy technicians, dispensing technicians, pharmacies, wholesalers, manufacturers, and other persons who prescribe, dispense, sell, and/or distribute dangerous drugs and/or controlled substances.

3. I have access to information contained within the database established by the Board pursuant to NRS 453.162. The database is part of the Board's Prescription Monitoring Program (PMP). Pharmacists and dispensing practitioners must report prescribing activity to the database in accordance with NRS 453.163. Additionally, each physician who prescribes controlled substances in Nevada must establish an account with the PMP pursuant to NRS 453.164. An account with the PMP enables the

physician to access the PMP database for the purpose of monitoring the physician's prescribing activity and that of other practitioners relative to the physician's patients.

4. On or about January 19, 2023, I learned that Dr. Zeller had telephoned Jenine Davis, the PMP administrator, to inquire why his access to the PMP database had been terminated. Ms. Davis advised me that Dr. Zeller's access to the PMP database had been terminated because he did not have a current certificate of registration to prescribe controlled substances. Based upon my conversation with Ms. Davis, I opened an investigation of Dr. Zeller relative to the period from November 1, 2022, through January 19, 2023. The purpose of my investigation was to determine whether Dr. Zeller had prescribed controlled substances during that time frame.

5. A query of the PMP database indicated that between November 1, 2022, and January 19, 2023, Dr. Zeller wrote one hundred thirty-three (133) prescriptions for controlled substances. The query further indicated that Dr. Zeller had written these prescriptions for seventy-nine (79) different patients, who filled them at thirty-five (35) different pharmacies in Nevada.

6. Based upon the PMP query as described above, I contacted the Safeway Pharmacy, located at 5150 Mae Anne Avenue in Reno, Nevada. My objective was to obtain a documentary sample of a prescription that had been written by Dr. Zeller between November 1, 2022, and January 19, 2023. In response to my inquiry, a Safeway pharmacist provided a copy of a prescription written by Dr. Zeller on November 15, 2022. **Exhibit 5** is a true and correct copy of that prescription. The prescription has been redacted to protect the identity of the patient.

I, Monica Segedy, declare under penalty of perjury that the foregoing is true and correct.

Executed this 22nd day of March 2023.

COMES NOW, Respondent WESLEY ROBERTSON, M.D. ("Dr. Robertson"), as a licensed Medical Doctor and holder of a controlled substance registration, subject to the jurisdiction of the Nevada State Board of Pharmacy ("Board"), based upon information, belief, and personal knowledge, by and through his counsel of record, and responds the Board's Notice of Intended Action and Accusation ("Complaint"), as follows:

JURISDICTION

1. Dr. Robertson admits that at all times relative to the Complaint he was a medical doctor holding a controlled substance registration issued by the Board (Cert. of Registration No. CS07810);

FACTUAL ALLEGATIONS

2. Dr. Robertson admits that he owned and operated Sunshine Valley Pediatrics located at 9091 W. Post Road, Las Vegas, Nevada during the relevant time period.

3. Dr. Robertson does not have actual knowledge or possession of the May 1,

2021, complaint received by the Board against him, and on that basis denies the allegations contained in Paragraph 3 of the Board's Complaint.

4. Dr. Robertson admits that he submitted a written statement on June 17, 2021, to the Board indicating that he gave his secondary authenticator token to his MA K.S. However, Dr. Robertson denies that he delegated his signing authority to his MA K.S. Rather, he only provided her with the secondary authenticator token so MA K.S. could electronically enter the prescriptions that were prescribed and signed by Dr. Robertson only. Dr. Robertson denies any remaining allegations contained in Paragraph 4 of the Board's Complaint against Him.

APPLICABLE LAW

5. Dr. Robertson presently lacks sufficient information to determine the veracity of the allegations contained in Paragraphs 5-15 of the Board's Complaint, and on that basis denies the same.

COUNT ONE
(Unprofessional Conduct – Party to a Fraudulent/Deceitful Practice/Transaction)

6. Dr. Robertson denies the allegations contained in Paragraph 16 of the Board's Complaint.

COUNT TWO
(Unprofessional Conduct – Incompetent, Unskillful or Negligent Performance of Duties)

7. Dr. Robertson denies the allegations contained in Paragraph 17 of the Board's Complaint.

COUNT THREE
(Unprofessional Conduct – Aiding and Abetting Unlicensed Practice)

8. Dr. Robertson denies the allegations contained in Paragraph 18 of the Board's Complaint.

COUNT FIVE
(Commission of Acts that Render Registration Inconsistent with the Public Interest)

8. Dr. Robertson denies the allegations contained in Paragraph 20 of the Board's Complaint.

AFFIRMATIVE DEFENSES

1. Respondent denies he committed malpractice as defined in Nevada Administrative Code Section 630.040.

2. Respondent denies that he violated any other state or federal statute or regulation, including but not limited to NRS Chapters 453, 454, 639, 21 U.S.C. §§ 822, 823, 846, and 21 CFR §§ 1306, 1311.

3. Respondent contends that in all professional services rendered by Respondent, Respondent possessed and exercised that degree of skill ordinarily possessed and exercised by reasonably well-qualified pediatricians practicing in the same field and acting under the same or similar conditions. At no time was Respondent guilty of negligence or improper treatment.

4. The allegations in the Complaint with respect to Respondent and each and every purported cause for discipline fail to allege facts sufficient, or facts at all, to constitute a cause or causes for discipline against the Respondent.

5. By responding to this Complaint, Respondent does not stipulate to the authenticity or admissibility of any medical records as they are hearsay.

6. The Complaint, or portions thereof, should be dismissed on grounds of due process and equal protection, including the right to an unbiased investigation. *See Mishler v. Clift, M.D. et al*, 191 F.3d 998 (9th Cir. 1999).

7. Any scope of practice allegations should be dismissed, as the statutes and regulations are unconstitutionally vague and ambiguous as applied to the subject matter of this case, and do not clearly prohibit the conduct which the Board seeks to discipline.

8. Respondent objects to the Complaint on the ground that it does not state acts or omissions upon which the agency may proceed.

9. NRS 622.400 is unconstitutional on due process and/or equal protection grounds. Alternatively, if such provision is constitutional, the statute should be interpreted as mutual and reciprocal, and Respondent is entitled to and hereby prays for an award against the Complainant of the Respondent's costs and/or fees in his investigation, preparation and defense to the Board's charges herein, to the extent that he prevails. If not reciprocal, then Complainant should receive a cost recovery, if at all, proportionate to the extent it prevails.

10. The Nevada State Board of Pharmacy exceeded its regulatory function by proceeding to file a Complaint prior to meeting the statutory requirements.

11. This Complaint does not further the goal of public protection or protection of the public health, safety or morals as there is no allegation or evidence of injury to the patients.

12. The Complaint, or portions thereof, should be dismissed on grounds of equitable estoppel.

Based on the above, Respondent Dr. Robertson respectfully requests that he be assessed no administrative penalty or any sanctions.

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **CARRIE CHANEY, APRN** **Certificate of Registration No. CS17469** **Respondent.**	**Case Nos. 22-167-CS-N** **ANSWER AND NOTICE OF DEFENSE**

Respondent Carrie Chaney, APRN, hereby files with the Nevada State Board of Pharmacy ("Board"), her Answer and Notice of Defense to the Notice of Intended Action and Accusation ("Accusation") filed on December 8, 2022.

ANSWER TO ACCUSATION

Jurisdiction

Ms. Chaney contests that the Board has jurisdiction in this matter as set forth in Paragraph 1. First Ms. Chaney held a Controlled Substance Registration not a Registration to Dispense. Further, in accordance with NRS 639.180(6), Ms. Chaney's Controlled Substance Registration was forfeited when she failed to timely renew her Controlled Substance Registration on October 31, 2020. Ms. Chaney however, does concede that the Board has jurisdiction over matters involving the prescribing of controlled substances under NRS Chapters 453 and 639. Ms. Chaney further answers the Factual Allegations set forth in the Accusation as follows:

Factual Allegations: Paragraphs 2-5

Paragraph 2: Ms. Chaney agrees and acknowledges she applied for a Controlled Substance Registration, not a Certificate of Registration to Dispense Controlled Substances, in 2008, but does not have an independent recollection of the date it was submitted.

Paragraph 3: Ms. Chaney inadvertently allowed her Controlled Substance Registration to lapse in October 2020 during the height of the COVID 19 pandemic and acknowledges that she did write one or more prescriptions for controlled substances after it lapsed until she became aware that the registration had expired.

Paragraph 4: Ms. Chaney has no personal knowledge regarding any history search of her Prescription Monitoring Program (PMP) account as set forth in paragraph 4. Ms. Chaney however denies that she failed to review the PMP before writing prescriptions, however cannot further comment as no patient(s) are identified in paragraph 4.

Paragraph 5: Ms. Chaney has no personal knowledge regarding any history search of her Prescription Monitoring Program (PMP) account as set forth in paragraph 5. Ms. Chaney further denies that she failed to review the PMP at least every six months as set forth in paragraph 5.

Applicable Law: Paragraphs 6-15

Ms. Chaney acknowledges that Paragraphs 6-15 of the Accusation accurately reflect current Nevada and federal law.

Causes of Action: Paragraphs 16-20

Count One (paragraph 16): Ms. Chaney denies generally that she violated the laws cited in paragraph 16 of the Accusation as alleged.

Count Two (paragraph 17): Ms. Chaney denies generally that she engaged violated the laws cited in paragraph of the Accusation as alleged.

Count Three (paragraph 18): Ms. Chaney acknowledges that she prescribed one or more controlled substances after her controlled substance registration lapsed and acknowledges that this would constitute unprofessional conduct as described in NAC 639.945(1)(k).

Count Four (paragraph 19): Ms. Chaney generally denies that she violated the laws cited in paragraph 19 as alleged.

Count Five (paragraph 20): Ms. Chaney generally denies that she violated the laws cited in paragraph 20 as alleged and contends that she did review patient utilization reports as required. Ms. Chaney cannot further respond to the allegations in paragraph 20 as no patient(s) are identified.

NOTICE OF DEFENSE/MITIGATING INFORMATION

Mitigating Information

Ms. Chaney initially was licensed as a registered nurse in 1976 and in 1985 was licensed as an advanced practice registered nurse (APRN) and has practiced in Nevada since that time as an APRN. Ms. Chaney was working with the Stead Medical Clinic (SMC) at the time of the events alleged in the Accusation. Ms. Chaney had a long-standing relationship with SMC, originally working as an APRN at the clinic starting in the 1980's and eventually returning to the practice in 2006. In the last several years Ms. Chaney has worked on a part-time basis for SMC as she was semi-retired. She is fully retiring from practice in January 2023.

While at SMC, Ms. Chaney has always prescribed in accordance with state and federal laws. In 2020, during the height of the pandemic, Ms. Chaney acknowledges that the renewal of her controlled substance registration simply was overlooked while the clinic tried to provide care

to patients and keep its doors open. Ms. Chaney contends that neither she nor SMC were ever made aware that her controlled substance had lapsed until 2022.

Finally, Ms. Chaney contends that per SMC protocol, she checks PMP utilization reports before all patient encounters with patients that are currently prescribed controlled substances and always before initiating any new prescription for a controlled substance. Per SMC protocols, PMP utilization reports would be obtained by staff authorized to do so pursuant to NAC 453.070. Ms. Chaney reviewed the PMP reports obtained by staff. Ms. Chaney has subsequently learned that staff was obtaining PMP reports under the credentials of the primary physician at SMC, Dr. William Miyazaki rather than under her own credentials. However, Ms. Chaney always noted in the chart that the PMP had been reviewed.

Respectfully submitted this 28th day of December, 2022.

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **CARRIE LEE LAMBERT, DVM,** **Certificate of Registration No. DV00694,** **Respondent.**	**Case No. 22-484-DV-N** **NOTICE OF INTENDED ACTION AND ACCUSATION**

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under NRS 233B.127(3) and as an accusation under NRS 622A.300(1) and NRS 639.241.

JURISDICTION

1. The Nevada State Board of Pharmacy (Board) has jurisdiction over this matter because at the time of the events alleged herein, Respondent Carrie Lee Lambert, DVM, held a dispensing veterinarian registration, Certificate of Registration No. DV00694, issued by the Board.

FACTUAL ALLEGATIONS

2. On or about July 23, 2015, the Nevada State Board of Veterinary Medical Examiners (NSBVME) entered an order in Case No. 06-2016DVM-21 and imposed discipline on Respondent's License No. 1116 to practice veterinary medicine for engaging in conduct in violation of the standards of practice established by the NSBVME.

3. On or about February 13, 2019, the NSBVME entered an order in Case No. 06-2016DVM-21 allowing reinstatement of Respondent's License No. 1116 to practice veterinary medicine subject to certain conditions.

4. On or about October 15, 2020, Respondent appeared before the Board and was granted her dispensing veterinarian registration subject to the conditions that she remain in compliance with the NSBVME orders entered in Case No. 06-2016DVM-21 and that Pharmacist Recovery Network evaluations be submitted quarterly to the Board.

5. On or about December 12, 2022, the NSBVME suspended Respondent's License No. 1116 to practice veterinary medicine for non-compliance with the NSBVME orders entered in Case No. 06-2016DVM-21 arising from alcohol abuse.

6. On or about January 27, 2023, Board staff served Respondent with notice that the suspension of her License No. 1116 to practice veterinary medicine operates as an immediate suspension of her Certificate of Registration No. DV00694 with the Board.

7. Respondent has failed to comply with the conditions placed on her dispensing veterinarian registration by the Board.

APPLICABLE LAW

8. A veterinarian must hold an active license from the NSBVME to practice his or her profession in this State and be registered with the Board to dispense prescription drugs. NRS 639.100; NRS 639.23505; NAC 639.7423.

9. Performing any duties as the holder of a registration in an incompetent, unskillful or negligent manner constitutes unprofessional conduct or conduct contrary to the public interest pursuant to NAC 639.945(1)(i) and is grounds for suspension or revocation of any license or registration issued by the Board. NRS 639.210(4).

10. Violating any term or condition of an order issued by the Board constitutes unprofessional conduct or conduct contrary to the public interest pursuant to NAC 639.945(1)(l) and is grounds for suspension or revocation of any license or registration issued by the Board. NRS 639.210(4).

11. A substance use disorder is grounds for suspension or revocation of any license or registration issued by the Board. NRS 639.210(5).

COUNT ONE

13. The pre-hearing suspension of Respondent's Certificate of Registration No. DV00694 pursuant to NRS 233B.127(3) and/or NRS 639.2107 is subject to review by the Board. *Barry v. Barchi*, 443 U.S. 55, 99 S. Ct. 2642 (1979); *Spiegel v. Ryan*, 946 F.2d 1435, 1439 (9th Cir. 1991).

COUNT TWO

Respondent above named, in answer to the Notice of Intended Action and Accusation filed in the above-entitled matter before the Nevada State Board of Pharmacy, declares:

1. That his/her objection to the Notice of Intended Action and Accusation as being incomplete or failing to state clearly the charges against him/her, is hereby interposed on the following grounds: (State specific objections or insert "none").

2. That, in answer to the Notice of Intended Action and Accusation, he/she admits, denies and alleges as follows:

I admit I relapsed on alcohol after years of sobriety and notified the Nevada state Veterinary Board. Currently I am suspended with them pending a period of time of proven sobriety. Therefore, I am not disputing your accusations.

Please note that I never practiced or prescribed under the influence, nor have I abused or misused my license to prescribe. This matter was drawn to attention by me notifying them personally.

Currently I am back in AA and working with my sponsor to help identify where I went wrong and what I can do diffently. The other step I am taking is to attend out Patient Services with Step2. Through them I receive individual counseling along with several random tests a week. I will have them email a verification of my enrollment there. Additionally, I will sign a release of information so you may have access to my test results if desired.

I am kindly asking for suspension rather than revocation at this time and to appear before you April 12th to discuss this matter.

Thank you for your time and understanding,

Carrie Lambert, DVM

Subject: RE: Update

Hello Dr. Lambert,

I am following up on communication back in August. Below is a screenshot of the minutes from your appearance at the October 2020 Nevada State Board of Pharmacy meeting. As is stated in the minutes, your application for a Veterinarian Authority to Dispense Drugs Registration was approved with conditions that you comply with the Nevada State Board of Veterinary Medical Examiners' Stipulated Agreement, and that quarterly PRN-PRN evaluations be submitted to the Nevada State Board of Pharmacy Staff.

I understand that you no longer see Carol Shaye and you are now seeing CJ Gira at Step2Reno. I see that you have sent in a letter to me from Carol Shaye that you have "complied with all group, individual, and treatment recommendations while in treatment". **However, the condition that you provide the Board of Pharmacy with quarterly reports have not been met**. Reports regarding your progress from Carol Shaye have only been submitted on 6/24/2021, 9/16/2021, and 07/30/2022.

Please provide the Board of Pharmacy with the other quarterly reports to meet the conditions of your license by 11/08/2022. If you do not send the reports, the Board may take action against your license. For now, I cannot proceed with your controlled substance registration as we have this outstanding issue with the existing conditions on your current license.

10. Application for Veterinarian Authority to Dispense Drugs Registration – Appearance.

A. Carrie Lambert, DVM

Carrie Lambert appeared and was sworn by President Park prior to answering questions or offering testimony.

Mr. Wuest provided background that Ms. Lambert has been in treatment for alcohol abuse for the last three years and is currently in treatment. She is in compliance with her program and is applying for Veterinarian Authority to Dispense Dangerous Drugs.

Ms. Lambert stated that Mr. Wuest's summary is correct.

Ms. Lambert answered questions to the Board's satisfaction.

Board Action:

Motion: Wayne Mitchell moved that the application for Ms. Lambert be approved with conditions that she comply with the Nevada State Board of Veterinary Medical Examiners' Stipulated Agreement, and that quarterly PRN-PRN evaluations be submitted to the Nevada State Board of Pharmacy Staff.

Second: Jade Jacobo

Action: Passed unanimously.

Hi! I just wanted to let you know that I sent CJ Gira at step 2 an email asking her to update you. I see her in person tomorrow so I can discuss it with her then as well. Carol Schaye is now retired but I am still in contact with her. She is leaving for a trip tomorrow but if you need anything from Carol, I can ask her when she returns. CJ Giro has been my counselor since early May and I have been testing through step 2. The vet board was updated previously on my change in counseling. They have been updated through this process and I haven't been told it was a problem of any kind. There are no new legal or work issues to report. Please let me know if you need anything from Carol or if you don't receive the information you need from CJ.

Thank you!

Hi Jennifer,

Could you please tell me if Carrie Lambert has complied with the order imposed on her license by your Board?

As a condition of her dispensing registration, which was granted to her on October 2020, she is required to follow the order with your Board and provide quarterly reports regarding her sobriety to the Pharmacy Board. She has failed to provide us with quarterly reports but stated that she has been compliant with the Veterinary Board. So I just wanted to verify that she has been compliant with your Board. If she has been, could we get a copy of her quarterly reports for 2021 and 2022?

BEFORE THE NEVADA STATE BOARD OF VETERINARY MEDICAL EXAMINERS

NEVADA STATE BOARD OF VETERINARY MEDICAL EXAMINERS, v. CARRIE LAMBERT, D.V.M. License #1162.	Case No. 06-2016DVM-21 ORDER ALLOWNG REINSTATEMENT OF RIGHT TO PRACTICE

On July 23, 2015, the Board ordered effective an Agreement and Order of Probation involving Dr. Lambert. The Agreement and Order of Probation contained numerous terms and conditions intended to address Dr. Lambert's alcohol addiction.

On June 13, 2016, Dr. William Taylor, then Investigating Board Member on Dr. Lambert's matter, sent Dr. Lambert a letter informing her that he was invoking the remedial paragraph of the Agreement and Order of Probation and was suspending her license effective June 13, 2016.

On June 23, 2016, the Board's staff filed an Accusation in this matter, alleging a single cause of action based upon Dr. Lambert's alleged violating of the terms of an Agreement and Order of Probation. The hearing on the Accusation was scheduled for the Board's regular meeting on July 28, 2016.

On July 8, 2016, Dr. Lambert wrote a letter to the Board informing the Board that she would be entering an in-patient rehabilitation program commencing July 11, 2016 and that, thus, she would be unable to attend the Board's meeting on July 28, 2016. Included with the letter was a document dated July 5, 2016 by which Dr. Lambert provided a detailed recovery plan. In subsequent conversations with Board staff, Dr. Lambert indicated that she hoped the Board would consider lifting the suspension of her license and allow her to place her license in abeyance subject to conditions deemed appropriate by the Board.

On July 28, 2016, the Board considered a presentation made by Board staff and Dr. Lambert's friend, Mr. Henry Wacker, who appeared at the Board's meeting at Dr. Lambert's request and on her behalf. The Board's staff and Mr. Wacker both supported the notion of lifting Dr. Lambert's suspension and allowing her to place her license into abeyance subject to conditions. As a result of the presentation made to the Board, the Board determined to lift the suspension of Dr. Lambert's license and allowed her

NEVADA BOARD OF VETERINARY MEDICAL EXAMINERS • 4600 Kietzke Lane, Building O, Suite 265 • Reno, Nevada 89502 • (775) 688-1788

to place the license in abeyance subject to certain terms and conditions.

On July 28, 2016, the Board issued its Order Continuing Hearing and Granting Abeyance. By this Order, the Board continued the scheduled hearing of the matter, lifted the suspension of Dr. Lambert's license, and allowed Dr. Lambert to place her license into abeyance subject to several terms and conditions: (1) Dr. Lambert would continue with and successfully complete the in-patient rehabilitation that she entered on July 11, 2016; (2) Dr. Lambert would engage in such aftercare and treatment as she deemed needed to assure her sobriety and continued mental and physical health; (3) Dr. Lambert would continue to abide with all the terms and conditions of the Agreement and Order of Probation ordered July 23, 2016, including but not limited to compliance with her substance abuse treatment agreement with PRN; and (4) Dr. Lambert would not practice veterinary medicine unless and until she appeared before the Board with a treatment provider and if the Board was satisfied based upon Dr. Lambert's presentation that the health, safety, and welfare of the patients, clients, and public would be served by her return to the practice of veterinary medicine, the Board could allow Dr. Lambert's license to no longer be in abeyance and to allow her to return to the practice of veterinary medicine subject to such additional terms and conditions as the Board then deemed necessary.

On January 24, 2019, the Board considered a presentation made by Dr. Lambert by which Dr. Lambert sought to end the abeyance of her license and to allow her to practice veterinary medicine. Dr. Lambert presented her testimony and the testimonies of Carol Schaye, RN, LADC, Dr. Lambert's substance abuse treatment provider, and Susanne Byrne, RN, MSN, LADC, Dr. Lambert's AA sponsor. Dr. Lambert also supported her request with numerous documents that were reviewed by the Board. The presentation showed that after the July 28, 2016 Order, Dr. Lambert relapsed in November 2016, and thereafter entered a 30-day in-patient treatment program in March 2017. In the Fall of 2017, Dr. Lambert ceased complying with her substance abuse treatment contract with PRN, and she was suspended on December 11, 2017. On December 20, 2017, Dr. Lambert was arrested for DUI in Sparks, and since it was her third such arrest, it was a felony. Dr. Lambert's present sobriety started shortly after her arrest when she began again her treatment contract with PRN and entered a 90-day in-patient treatment program. Dr. Lambert was allowed by the Second Judicial District Court (Case No.

NEVADA BOARD OF VETERINARY MEDICAL EXAMINERS • 4600 Kietzke Lane, Building O, Suite 265 • Reno, Nevada 89502 • (775) 688-1788

CR18-1053) to participate in Felony DUI Court, and on September 18, 2018, Dr. Lambert was sentenced for her DUI. She was ordered to complete three years of strict probation – including continued treatment and meeting, the constant wearing of a SCRAM anklet, and the installation of an interlock device on her car – and if she successfully completed the probation, she would not be convicted of a felony DUI and would, instead, be convicted of a second misdemeanor DUI. Ms. Schaye was Dr. Lambert's treatment provider who provides monthly reports to the Court. Dr. Lambert, Ms. Schaye, and Ms. Byrne all confirmed that Dr. Lambert has been continuously free of alcohol and other prohibited substances for over one year. Ms. Schaye stated that Dr. Lambert's reinstatement to the practice of veterinary medicine would further Dr. Lambert's recovery. Based upon Dr. Lambert's presentation, the Board determined to allow Dr. Lambert to take her license off abeyance and to lift any pending suspension to allow Dr. Lambert to again practice veterinary medicine.

NOW THEREFORE, it is hereby ordered as follows:

1. Dr. Lambert's license shall no longer be in abeyance and is no longer suspended. Dr. Lambert may resume the practice of veterinary medicine subject to the following terms and conditions:

(a) Dr. Lambert shall comply with the terms and conditions in Agreement and Order of Probation entered July 23, 2015 as if all of the terms therein were set out herein;

(b) Dr. Lambert may not work as a veterinarian more than 30 hours in any one week, and any practice that employs Dr. Lambert shall not allow her work with animals without another veterinarian being present on the premises at all times that Dr. Lambert is working with animals;

(c) Dr. Lambert shall continue to comply with her substance abuse treatment agreement with PRN and shall continue to treat with Ms. Schaye and Ms. Byrne and shall comply with all terms and conditions imposed by the Second Judicial District Court, and Dr. Lambert, PRN, Ms. Schaye, and Ms. Byrne shall immediately report to the Board's office any relapses or any violations of any of the agreements or orders to which she is a party. Ms. Schaye shall provide quarterly reports to the Board's office related to Dr. Lambert's treatment. Any violations of this paragraph shall be deemed a violation of this Order and the preceding Agreement and Order of Probation;

(d) Dr. Lambert may petition to modify any of the terms of this Order or of the Agreement and

Order of Probation, and any such request for modification will require an appearance before the Board, at which appearance the Board may ask questions and seek information as it deems needed and may deny, grant, or grant with conditions any such petition based upon the Board's discretion and consistent with the protection of the health, safety, and welfare of Dr. Lambert and the clients and patients with whom she might interact;

(e) Dr. Lambert shall not be required to pay a fine or the Board's fees and costs.

(f) Dr. Lambert will complete a reinstatement application and proof of 20 hours of continuing education hours approved by the Board in the year immediately preceding the filing of the reinstatement application.

3. Should Dr. Lambert fail to comply with any of the terms and conditions set out above, her license will be immediately suspended pursuant to the terms of the Agreement and Order of Probation and the Board's staff and the Board will take such additional action as it deems necessary under the circumstances then occurring.

(a) Dr. Lambert shall continue with and successfully complete the in-patient rehabilitation that she entered on July 11, 2016.

(b) Dr. Lambert shall engage in such aftercare and treatment as she deems needed to assure her sobriety and continued mental and physical health.

Dear Dr. Lambert,

This letter is to notify you that effective immediately your license to practice veterinary medicine (#1162) is suspended pursuant to Paragraph 2 of the Agreement and Order of Probation entered by the Board on July 23, 2015. Paragraph 2 reads as follows:

> 2. The intent of this Agreement and Order of Probation is to allow Respondent the opportunity to address her substance abuse issues, but it is expressly acknowledged and understood by Respondent that should the Board enter into this Agreement and Order of Probation it is doing so on a zero-tolerance basis, meaning that any breach of this Agreement and Order of Probation – including any breach of her PRN contract – will result in immediate consequences. Therefore, upon receipt of credible information that the Respondent has failed to comply with any term of this Agreement and Order of Probation, the Board's President shall be authorized to immediately suspend the Respondent's license to practice veterinary medicine in the State of Nevada. The suspension shall remain in effect pending the outcome of a prompt administrative hearing.

Additionally, in Paragraph 3 of the Order Allowing Reinstatement of Right to Practice entered by the Board on February 13, 2019, the Board ordered:

> 3. Should Dr. Lambert fail to comply with any of the terms and conditions set out above, her license will be immediately suspended pursuant to the terms of the Agreement and Order for Probation and the Board's staff, and the Board

will take such additional action as it deems necessary under the circumstances then occurring.

The basis for the immediate suspension of your license was that on this date, December 12, 2022, you contacted the Board's Executive Director Jennifer Pedigo telephonically and in the course of the conversation you gave indications that you were actively inebriated. Later that same day, you did admit to Executive Director that you had relapsed. Consumption of alcohol violates your treatment agreements and constitutes a violation of this Board's orders.

Please be aware that your suspension will continue until your matter has been considered by an investigative committee of the Board has had an opportunity to review this matter further and determine what course of action to pursue in light of your relapse about which we became aware today. You will receive further notice from this office once a course of action has been determined.

KINEX MEDICAL COMPANY, LLC

Petitioner,

vs.

NEVADA STATE BOARD OF, PHARMACY,

Respondent.

Case No: 22 OC 00047 1B

Dept.: 2

ORDER AFFIRMING IN PART, SETTING ASIDE IN PART, AND REMANDING

PROCEDURAL BACKGROUND

This matter comes before the Court on a Petition for Judicial Review pursuant to NRS 233B.130 challenging an adverse administrative decision by Respondent, Nevada State Board of Pharmacy (Board) against Petitioner Kinex Medical Company, LLC (Kinex).

Kinex filed a timely Petition for Judicial Review on March 30, 2022, with a Corrected Petition for Petition for Judicial Review being filed April 5, 2022, challenging the Board's Findings of Fact, Conclusions of Law and Order (FOFCOL) filed on March 2, 2022 which made certain factual finding regarding Kinex as well as concluding Kinex committed three violations of NRS and NAC Chapters 639 and imposing disciplinary sanctions.

Kinex filed its Memorandum of Points and Authorities in Support of Petition for Judicial Review in accordance with NRS 233B.133 on June 29, 2022. The Board filed an Answering Brief on July 28, 2022 and Kinex filed a Reply Brief on August 29, 2022.

Oral argument was held in this matter on October 26, 2022. A Second Corrected Transcript of Proceedings ("SCTOP") was filed on November 3, 2022, which was submitted after a clearer, and more complete, audio recording of the March 2, 2022, hearing was located by the Board. Per this Court's Order of November 2, 2022, amended briefs were directed to be filed to address any new information in the SCTOP, and so that proper references to the record were made. Kinex filed its Amended Memorandum of Points and Authorities on December 5, 2022. The Board filed its Amended Answering Brief on December 22, 2022, and Kinex filed its Amended Reply Brief on January 23, 2023. The matter was then submitted to the Court for decision.

STANDARD OF REVIEW

NRS 233B.130 allows a party who is the subject of an adverse decision by a regulatory body in an administrative proceeding to seek judicial review of that decision. NRS 233B.135(1)(a) mandates that review of the decision of a regulatory body's decision must be confined to the record. In accordance with NRS 233B.135(3), this Court may not reverse or set aside the decision of the regulatory body unless the substantial rights of the petitioning party have been prejudiced due to the decision having been made: (a) in violation of constitutional or statutory provisions; (b) in excess of the statutory authority of the agency; (c) made upon unlawful procedure; (d) affected by other error of law; (e) clearly erroneous in view of the reliable, probative and substantial evidence on the whole record; or (f) arbitrary or capricious or characterized by abuse of discretion. While the Board is required to prove its administrative allegations by a preponderance of evidence (NRS 233B.125), in reviewing the regulatory body's decision, this Court must determine if the "factual determinations are reasonably supported by

evidence of sufficient quality and quantity" rather than the standard of proof that the administrative agency is bound by. *Nassiri v. Chiropractic Physicians' Board*, 130 Nev. 245 at 249, 327 P.3d 487 at 490 (2014).

DISCUSSION

Kinex has raised three challenges to the adverse action taken by the Board in its Petition: first, that the Board's factual findings are not supported by a preponderance of evidence and are made upon unlawful procedure and in violation of statutory provisions; second, that the decision of the Board was clearly erroneous in view of reliable, probative and substantial evidence on the whole record; and third, that the Board's decision and imposition of discipline was arbitrary and capricious.

This Court finds that some substantial rights of Kinex were prejudiced, and that the decision of the Board should be affirmed in part, set aside in part, and the matter remanded to the Board for further proceedings consistent with this order.

1. ***Paragraphs 6 and 7 of the Board's factual findings are not supported by evidence in the record.***

Kinex argued the Board's findings of fact made after adjudication of the matter were not supported by a preponderance of the evidence and that they were based upon unlawful procedure as set forth in NRS 233B.135(3)(c).

a. *The evidence in the record does not support the factual findings made in paragraph 6 of the FOFCOL.*

The Board found, as set forth in paragraph 6, that Kinex and/or its representatives, while under oath at an April 15, 2021 Board hearing, represented to the Board that Kinex had ceased operations at its Hauck Street location on March 30, 2021. Kinex contends that nothing in the record supports this finding. The Board did not direct the Court's attention to anything in the

record that supports the findings of fact stated in paragraph 6, or even argue any such evidence exists.

The Court concludes there is no evidence in the record that "on or about April 15, 2021, Kinex's authorized representatives . . . while under oath, represented to the Board in pertinent part that on or about April 15, 2021, [Kinex] and/or [Kinex's] employees had ceased operations" at the Hauck Street facility on March 30, 2021.

b. The evidence in the record does not support the factual findings made in paragraph 7 of the FOFCOL.

The Board found, as set forth in paragraph 7, that Board staff conducted a pre-inspection visit and obtained evidence that Kinex and/or its employees had engaged in the business of furnishing medical devices in Nevada from Wigwam Avenue from March 30, 2021 until at least April 16, 2021.

Kinex conceded that it stored medical devices at the Wigwam location which, in and of itself, may meet the definition of "furnishing" medical devices as described in NRS 639.233(2)(b). Accordingly, Kinex did not dispute the fact that Kinex violated NRS/NAC Chapter 639 as alleged in the First Cause of Action. But Kinex argued that the factual findings of paragraph 7 were not supported by a preponderance of the evidence in the record and that they were not accompanied by a concise and explicit statement of the evidence that supported the findings. This Court agrees. The Board did not dispute that no evidence was presented to support the findings made in paragraph 7.

2. The Board's decision was clearly erroneous in view of reliable, probative and substantial evidence on the whole record as it relates to causes of action two and three.

This Court may not substitute its judgment for that of the regulatory body as to the weight of evidence on a question of fact. NRS 233B.135(3). However, the Court may remand the matter or set aside the decision in part or whole if that decision was clearly erroneous in view of the

reliable, probative and substantial evidence on the whole record. NRS 233B.135(3)(e). "The substantial evidence standard of review thus refers to the quality and quantity of the evidence necessary to support factual determinations." Nassirri, 130 Nev. 245 at 249, 327 P.3d 487 at 490 (2014).

The Accusation filed against Kinex contains five causes of action. The Board found against Kinex on the First, Second, and Third Causes of Action. As discussed above, Kinex has conceded that a finding on the First Cause of Action could be supported by the evidence before the Board at the March 2, 2022 hearing. However, Kinex contends that the findings on the Second and Third Causes of Action were erroneous as they were not supported by reliable, probative and substantial evidence.

a.) Second Cause of Action

The Second Cause of Action alleges Kinex performed the duties of a licensed medical products provider in an "incompetent, unskillful, or negligent manner." Kinex argued that none of the findings of fact set forth in the FOFCOL support a finding that Kinex was incompetent, unskillful, or negligent in its performance of the duties of a licensed medical products provider.

The Board argued that it made specific factual findings supported by substantial evidence that collectively constitute unprofessional conduct as defined by Nevada law, specifically, NAC 639.6941(1)(a) and NAC 639.945(1)(i). The Board did not respond in its briefs, and did not otherwise provide convincing argument, that the Board performed of its duties as the holder of a license, certificate or registration issued by the Board, or as the owner of a business or an entity licensed by the Board, in an incompetent, unskillful or negligent manner.

This Court concludes there is no substantial evidence that Kinex acted in an incompetent, unskillful, or negligent manner.

b). *Third Cause of Action*

The Board also found against Kinex on the Third Cause of Action which alleged that Kinex had aided and abetted unlicensed activity in Nevada by furnishing medical devices from the Hauck Street and Wigwam Avenue locations without the appropriate licenses for those locations.

The Board found in the first paragraph of its FOFCL that Kinex was a medical products provider based in Waukesha, Wisconsin. The Board made no finding or conclusions that anyone other than Kinex and its employees or representatives engaged in unprofessional conduct.

As argued by Kinex, NRS Chapter 639 does not define aiding and abetting. Aiding and abetting is more fully discussed in the realm of criminal law. Kinex cited *Bolden v. State* which held in part, "[a] person aids and abets the commission of a crime if he aids, promotes, encourages or instigates, by act or advice, the commission of such a crime with the intention that the crime be committed." 121 Nev. 908, 914, 124 P.3d. 191, 195 (1995). Kinex was cited and fined by the Board on three occasions for unlicensed activity at the two locations in questions in 2021. The Court agrees that it would be a legal impossibility for Kinex to have to aided or abetted itself or its own employees to furnish medical devices without a license at the same time it was engaged in unlicensed activity at those locations; activity for which it was cited and fined.

This Court need not give deference to erroneous findings which are not supported by evidence. *Mishler v. State Bd. of Med. Exam'rs*, 109 Nev. 287, 296, 849 P.2d 291, 296 (1993).

The record does not contain substantial evidence under *Nassiri* to support the findings made as to the Second and Third Causes of Action. This Court finds that the violations found by Board on the Second and Third Causes of Action are clearly erroneous under NRS 233B.135(3)(e) as they were not supported by reliable, probative and substantial evidence.

3. Reconsideration of the discipline imposed by the Board

Kinex argued the Board is tasked in NRS 636.070(1)(a) with the protection of the public in part through the adoption of regulations pertaining to the practice of pharmacy and the performance of the Board's duties. These duties include the licensure and regulation of medical device providers in the state of Nevada. Kinex contends that the filing of the Accusation and the discipline imposed in this matter were not for the protection of the public, but rather was a punitive action against Kinex.

Kinex acknowledged that it was issued a Cease and Desist/Citation by the Board for continuing to conduct business at the Hauck Street location during the pendency of its second license application for that location. While Kinex paid the $5,000.00 fine it admitted during its appearance before the Board on April 15, 2021, that it had continued to fulfill orders for patients for medical devices that had already been previously ordered by physicians for post-surgical care after the issuance of the first Cease and Desist notice. The Board issued another Cease and Desist/Citation for servicing patients after the original Cease and Desist was issued for the Hauck location and another Cease and Desist/Citation for utilizing the Wigwam location for storing or receiving devices after March 30th. While the record reflects the Board was aware of the actions of Kinex in March, April and early May of 2021, the second and third cease and desist notices and citations were not issued until June 13, 2022, ten days after Kinex had again appeared before the Board on its pending application, despite no further activity occurring after April 16, 2021.

Kinex ultimately withdrew the pending application on June 29, 2021, notifying the Board that it had ceased all operations in Nevada; a fact that was reiterated at the time of the hearing on March 2, 2022. Kinex paid the additional $10,000.00 in fines on July 13, 2021. Subsequently, The Board filed the Accusation which initiated the contested administrative proceedings at issue in this matter on July 23, 2021.

There is no supporting evidence in the record that Petitioner Kinex engaged in any unlicensed activity after April 16, 2021; activity for which Kinex was cited and fined in June, 2021. Kinex paid all fines owing, withdrew its application, and notified the Board that it had ceased all operations in Nevada under its current license. Only subsequent to these events did Board file an Accusation initiating disciplinary action against Kinex.

Board argues that the initiation of disciplinary action in this matter and the imposition of the discipline imposed was for the purposes of protecting the public from the clandestine activities of Kinex. The record in this matter indicates that the Board was aware of the activities of Kinex in March, April and May 2021 and issued cease and desist notices and imposed fines on Kinex totaling $15,000. Kinex withdrew its pending application and left the state after doing business in Nevada for approximately twenty years in June 2021. The record in this matter does not support that Kinex was engaged in any on-going unlicensed activity at the time the Accusation was filed in July 2021 or any activity for which the public was in need of protection.

This Court will remand this matter to the Board for reconsideration of its imposition of disciplinary action in light of this order, specifically, setting aside the Boards' findings of fact 6 and 7, and setting aside the Board's conclusions regarding causes of action two and three.

CONCLUSION AND ORDER

Kinex's substantial rights were prejudiced by the Board as set forth above.

Findings of facts 6 and 7 are set aside.

The conclusion regarding cause of action one is affirmed.

The conclusions of law on causes of action two and three are set aside.

The Board is ordered to reconsider its imposition of discipline in light of this order.

The Board is ordered to issue amended findings of fact and conclusions of law consistent with this order.

Lyn E. Beggs, Esq., attorney for Kinex, shall serve a notice of entry of order of the foregoing Order upon all other parties within seven (7) days and shall file proof of such service with the Court.

DATED this 6 day of March 2023.

Hi Jessette, please see below for the explanation of charges:

I was charged with willful concealment of merchandise on January 18, 2011, due to unpaid merchandise valuing less than $100 being in my possession at the checkout stand. Merchandise was promptly and willfully paid for in full as I had not left the store premises but was issued a citation. No arrest was made. Idaho Madison County Court issued a ruling of withheld judgement. After fulfilling the requirements of the Court given an order of discharge from probation (backup sent in) and paying all assigned fines on time my case was dismissed in full by the courts. No conviction of the crime was issued. I have had no further exposure or incidents with any disciplinary or judicial system in the last twelve (12) years since that time. Thank you for your consideration.

Pharmacist-in-Charge
Non-Discipline Letter of Admonishment

Please be advised that the enclosed **admonishments** pertaining to Kristine Lowe are not considered "discipline" by the California Board of Pharmacy ("CA BOP"). Cal Bus & Prof Code § 4315(h) provides that "The issuance of a letter of admonishment pursuant to subdivision (b) shall not be construed as a disciplinary action or discipline for purposes of licensure or the reporting of discipline for licensure." As such, this information is being provided out of an abundance of precaution and desire for full transparency with the Board.

The California Board of Pharmacy (the "CA BOP) issued two citations and fines to the Pharmacist-in-Charge, Kristine Lowe related to routine pharmacy inspection findings. These citations are in correlation to the CA BOP citations issued to Vasco Rx and were reduced to letters of admonishment and no fines were assessed. California pharmacy regulations make clear that such letters are not discipline for purposes of licensure.

1. **October 11, 2018** - Citation Number CI 2017 81581 (in conjunction with pharmacy matter CI 2018 81580): After investigation, the action was dismissed as issued and reduced to a letter of admonishment.

CONDUCT:

California Code of Regulations section 1735.2 (i)(3)(A)(B)(C) states in pertinent part, extension of a beyond use date is only allowable when supported by the following (A) Method Suitability Test (B) Container Closure Test(C) Stability Studies. Kristine Lowe RPH 47156, while employed as a pharmacist at Vasco Rx located at 4045 E. Bell Road #163, Phoenix, AZ 85032 was not compliant. Specifically, in 2017 Vasco Rx shipped at least the 2,468 orders containing compounded leuprolide into California. Batch records reviewed showed a beyond use date of 180 day was assigned to at least 2,038 of these compounding leuprolide order. Vasco Rx had no stability study to allow this extension of the beyond use date. This was a violation of pharmacy law.

California Code of Regulations section 1751.7 (e)(1) states in pertinent part, Batch-produced sterile drug preparations compounded from one or more non-sterile ingredients, except as provided in paragraph (2), shall be subject to documented end product testing for sterility and pyrogens and shall be quarantined until the end product testing confirms sterility and acceptable levels of pyrogens. - Either (1) full payment of the assessed fine(s), or (2) $2,500.00 and

ACHC ACCREDITED PHARMACY

BASIC HOME INFUSION PHARMACY DISCIPLINES

This summary is inclusive of all disciplinary actions ever accrued by Basic Home Infusion (BHI). Please note that BHI's most recent disciplines stem from a clerical error when a former employee failed to report prior disciplines on state Board of Pharmacy applications and renewal applications. This clerical error was discovered in December 2014 and BHI self-reported this error to each state licensing board. **All below finalized disciplines have been previously reported to each Board of Pharmacy.**

Consent Order and Stipulation
Michigan Board of Pharmacy
10/18/19
BHI was in receipt of the State of Michigan Department of Licensing and Regulatory Affairs Bureau of Professional Licensing Board of Pharmacy Consent Order and Stipulation complaint/file number 53-17-149978 on October 18, 2019. The BHI Pharmacy was sanctioned by the Alabama State Board of Pharmacy on March 6, 2017 based on issues identified in a March 1, 2016 inspection and licensee's failure to notify the Alabama Board of disciplinary action taken in five other states (MI, SC, NJ, CO, and AK). These issues have already been corrected and reported to the State of Michigan Board of Pharmacy, and BHI has submitted an appeal that remains pending. Between March of 2004 and November of 2018, the State of New Jersey Board of Pharmacy took five other disciplinary actions all based on issues identified during inspections of the facility, and all of which have been corrected and reported to the State of Michigan Board of Pharmacy. A consent order for this action with BHI's signature was submitted to the Michigan Board of Pharmacy on October 28, 2019. This Consent Order has an effective date of January 10, 2020.

Warning
New Jersey State Board of Pharmacy
11/02/2018
The BHI Pharmacy was issued a warning in regards to Inspection Report #8-1526A-18-X dated February 14, 2018. BHI changed the label on dispensed container of a compounded sterile product (CSP) to "Beyond Use Date" to be in compliance with USP Chapter 797 standards and at the request of a California Inspector. NJ requires the label to have "Use By" phrase and time. A certification form was signed and corrective actions were submitted to the NJ Board of Pharmacy on November 16, 2018. Please note that there were no deficiencies noted on the inspection report. Upon Board Review, the NJ Board of Pharmacy deemed that the BHI Pharmacy did not have any violations and issued BHI a warning based on the inconsistency between USP Chapter 797 regulations and NJ regulations.

Consent Order
New Jersey State Board of Pharmacy
12/28/2016
The BHI Pharmacy had violations noted on an Inspection Report #8-1526A-15X dated July 20, 2015. A consent order and corrective actions were submitted to the NJ Board of Pharmacy and a fine was paid in the amount of $1100.00 on June 28, 2017.

Administrative Fine and Final Order
Alabama Board of Pharmacy
03/06/2017
The BHI non-resident pharmacy license was illegally placed on suspension until BHI was able to gain Verified Pharmacy Program (VPP) accreditation from the NABP due to deficiencies found on a 6/27/16 NABP inspection and prior failure to report disciplinary actions to multiple state Boards. *** Please note there is no such VPP accreditation given by the NABP.*** BHI subsequently appealed and filed a motion to stay the Board's action on or around June 2, 2017, which was granted, and has since continued the appeal process. On December 13, 2018, the Circuit Court entered into an Order affirming the Alabama

Board's Administrative Fine and Order. On April 16, 2019, BHI submitted an appeal to the Circuit Court of Alabama. The decision was still pending. On July 16, 2019, BHI obtained a new VPP inspection, which was submitted to the Alabama State Board of Pharmacy. On September 18, 2019, the Alabama State Board of Pharmacy reversed the suspension. The BHI license is now on probation. BHI requested that the lifted suspension be expunged from record. BHI contacted the Alabama Board of Pharmacy regarding next steps for this license. **It is important to note that all of the alleged claims by the Alabama BOP were clerical in nature only. Never was a patient in danger at any time, and none of the claims involved any clinical issues. In addition, all of the other 46 states in which BHI is licensed with were immediately notified of this matter and have either dismissed this case, closed this case or have otherwise not taken further action against BHI regarding this matter at this time. All 46 of these BHI state licenses remain in good and active standing.**

Stipulation and Final Agency Order
Alaska State Board of Pharmacy
11/01/2016
The BHI Pharmacy failed to report its disciplines incurred from the New Jersey Board of Pharmacy in 1999 and 2004 during an initial application for pharmacy licensure in Alaska, and failed to report later disciplines issued by the New Jersey Board upon licensure renewal in Alaska. BHI disclosed these disciplinary actions to the Alaska Board of Pharmacy in April of 2015 within a comprehensive disciplinary history notification, sent to all state pharmacy boards in which BHI held active licensure. As corrective action, a fine was paid and the BHI pharmacy now provides appropriate notification of all prior disciplinary actions to all state boards and agencies issuing current licensure.

Stipulation and Final Agency Order
Colorado State Board of Pharmacy
6/23/2016
The BHI Pharmacy failed to report its disciplines incurred from the New Jersey Board of Pharmacy in 1999 and 2004 during an initial application for pharmacy licensure in Colorado, and failed to report later disciplines issued by the New Jersey Board in 2009 and 2011 upon licensure renewal in Colorado. BHI disclosed these disciplinary actions to the Colorado Board of Pharmacy in April of 2015 within a comprehensive disciplinary history notification, sent to all state pharmacy boards in which BHI held active licensure. As corrective action, a fine was paid and the BHI pharmacy now provides appropriate notification of all prior disciplinary actions to all state boards and agencies issuing current licensure.

Consent Order and Stipulation
Michigan Department of Licensing and Regulatory Affairs
3/10/2016
The BHI pharmacy failed to disclose prior disciplines related to clerical errors (failing to disclose prior disciplines) from Colorado in 2010 and 2011, from Illinois in 2012, and from Alabama in 2015 until notifying the Michigan Board of Pharmacy in April of 2015; this pharmacy also failed to disclose a prior discipline related to inspection deficiencies from New Jersey in 2011. As corrective action, a fine was paid and the BHI pharmacy now provides appropriate notification of all prior disciplinary actions to all state boards and agencies issuing current licensure.

Consent Agreement
South Carolina Board of Pharmacy
1/13/2016
The BHI pharmacy failed to disclose to the South Carolina Board of Pharmacy prior disciplinary actions from Colorado in 2010 and 2011, from Illinois in 2012 until their inclusion with a comprehensive disciplinary history notification in April of 2015. As corrective action, BHI paid a fine and will be placed on a probationary status for a period of two years contingent upon compliance with state regulations.

Fine
Illinois Department of Public Health

1/7/2016
BHI is licensed to provide home nursing services under license #4000353 within Illinois and failed to submit an application for license renewal within the requisite time frame prior to license expiration per state regulations. As corrective action, BHI remitted payment for the imposed fine along with the application and fee for license renewal on 1/14/2015 and provided appropriate notification to all state boards and agencies issuing current active licensure.

Inspection Deficiencies
New Jersey Board of Pharmacy
10/26/2015
The Board issuing our resident license found, during an inspection on 11/19/2014 that our pharmacy failed to document whether our inventory (required on a biennial basis) was taken at the opening or closing of the business day and that our pharmacy failed to provide a nail cleaner to remove debris from underneath fingernails per state rules and regulations. As corrective action regarding our failure to provide a nail cleaner, the resultant monetary fine was paid and, on November 20, 2014, BHI purchased disposable cleaners; our policy has also been updated to reflect our present practice of keeping these nail cleaners on hand and their use is so reflected as part of our hand scrub procedure. Regarding our warning concerning the time of day at which inventory is taken, our pharmacy has updated policy to record inventory – performed on a quarterly basis because we work with powders – at the close of the business day.

Consent Order
Alabama Board of Pharmacy
4/14/2015
The BHI pharmacy failed to disclose prior disciplines per Alabama Board regulations until submitting subsequent pharmacy license renewal applications in 2011 and again in 2013. This clerical error was discovered in December 2014. As corrective action, the pharmacy made restitution to the Alabama Board in the form of the resultant monetary penalty and provides appropriate notification of all prior disciplines to all state boards where our pharmacy holds active licensure.

Consent Order
Illinois Department of Financial and Professional Regulation
8/14/2012
The BHI pharmacy failed to disclose past disciplines until submitting a change of location application in 2012. Corrective action included the subsequent full disclosure of past disciplines to licensing authorities and the continued application of all prior corrective actions.

Cease and Desist Order
New Jersey Board of Pharmacy
10/12/2011
After relocating in August of 2011, the BHI pharmacy was found deficient upon inspection for utilizing prescription labels that listed the previous address and not the new and current pharmacy address while the pharmacy awaited an updated copy of the facility license reflecting the new address. A letter of corrective action was provided to the New Jersey Board and prescription labels have since reflected the current pharmacy address.

Stipulation and Final Agency Orders
Colorado Board of Pharmacy
10/15/2010 and 8/18/2011
The BHI pharmacy failed to submit "zero" reports to indicate no dispensing transactions in Colorado during the relevant reporting period as required by the state's Prescription Drug Monitoring Program (PDMP). As corrective action, a fine was paid and the pharmacy has remained in full compliance with PDMP regulations in all states in which we are licensed since that time.

Inspection Deficiencies
New Jersey Board of Pharmacy
12/22/2009
During a routine inspection, this pharmacy was found to be missing a current reference text, missing documentation reflecting required PIC training, and missing required information in patient profile system. As corrective action, a fine was paid, the text *Handbook on Injectable Drugs* by the American Society of Health-System Pharmacists was purchased and placed in pharmacy, and the PIC was re-administered the QI Medical PATT 2 Personal Aseptic Technique Test (this documentation is currently on file). In addition, our pharmacy reviewed and revised all intake procedures and verified that no required information was omitted from patient profile system.

Inspection Deficiencies
New Jersey Board of Pharmacy
1/26/2006
It was determined during an inspection conducted by the New Jersey Board that not all pharmacy staff were wearing ID tags, the name of pharmacy was not displayed on the outside premises, not all entrances to the pharmacy were connected to a security device, and the policies and procedures manual was not reviewed on a biannual basis. In addition to the payment of the resultant monetary penalty, all pharmacy personnel wear nametags at all times, the pharmacy name is prominently displayed, all entrances to the pharmacy are secured appropriately, and the pharmacy holds weekly policy and procedure meetings.

Inspection Deficiencies
New Jersey Board of Pharmacy
2/10/2004
Inspection deficiencies were noted after relocation and remodeling. Three out-of-date containers were found, surface sampling was not performed twice annually in clean room, pharmacist training documentation was not on file, compounding procedure documentation was not on file, prescription labels were missing pertinent information, floors were missing covering to sidewalls, and there was no hot running water in the clean room. Fines were paid and relevant corrective actions were instituted as related to construction of clean the room: inventory reports are run monthly, expired medication is removed from shelves, compounding tracking sheets are utilized and filed in medical records software, pharmacy labels now include the time of compounding and the current name of pharmacy, the policy and procedure manual is continually updated to reflect current practices, surface sampling is performed monthly, floors were caulked to the sidewall, and a Board-approved hands-free sink was installed. Please note that we are no longer at this location.

Inspection Deficiencies
New Jersey Board of Pharmacy
9/17/1999
Inspection deficiencies found included a failure to display license of pharmacist in charge (PIC), a failure to obtain appropriate certification from Department of Weights and Measures within year prior, and a failure to disclose the name of the PIC on prescription labels. Mandatory air & surface sampling wasn't performed monthly and Trissel's *Handbook of Injectable Drugs* was not on hand in pharmacy. As corrective action, all required licenses and certifications for pharmacy, devices and all personnel are displayed and kept current; air and surface sampling is performed and recorded monthly; the *Handbook of Injectable Drugs* was purchased and is kept on hand in pharmacy; and prescription labels now disclose the name of the PIC.

Sterile Compounding Inspection Form

The Maryland Board of Pharmacy developed this inspection form in coordination with NABP and other state boards of pharmacies in an attempt to apply a uniformed approach to inspection of sterile compounding pharmacies, wherever located, for compliance of USP 797 standards. Thus, this form includes requirements of other states, items related to best practices, and informational questions related to the Board's health oversight functions. Final Comments:

Reviewed sterile inspection (virtual) with Mischelle Smoot, and Gina Cohenour. Requirements as listed above were observed through documented communication with the facility staff to ensure that this facility meets the minimum requirement by state law. Documents attached to this inspection were provided during virtual communication with Mischelle Smoot, and Gina Cohenour.

Pharmacy is not currently compounding due to COVID, only preparations for 1 patient have been prepared over the past year. Pharmacy sends medications in manufacturers vials to patients for preparation and administration. All patients have a nurse to assist with administration. Security includes card swipe, security alarm system, and cameras.

Cleanroom consists of a positive pressure anteroom and buffer room with 2 LAFWs. One hood is dedicated to compounding of biologics. ENV Services performed viable sampling and certification on 9/30/2021, next sampling scheduled 3/30/2022.

Recommend working with certifier to confirm environmental sampling is being performed correctly.

All documents can be sent to Jered Pasay by email at jered.pasay@maryland.gov or faxed to 410-384-4137. Unresolved matters will be brought to the Board for review.

I, Dulari Ketankumar Patel, am providing as much information regarding my citation by the California Board of Pharmacy as possible.

License No: RPH 00055546 Citation No: CI 2012 55342 Date of Issue: 1/31/2013

Receipt No: 33010835 Fine Amount: $500.00 Date of Incident: On or about 1/12/2012

Violation Code Section: CCR, Title 16, S 1716 Variation from Prescription

Reason for Citation:

An inquiry was made regarding Quality Assurance / Medication Error that was reported to the board by the consumer (patient), resulting in a formal investigation.

Error:

It was discovered that an error was made by the pharmacy, in which a patient received digoxin inside a bottle labeled hydralazine. The patient in question was taking both medications at the time. The caregiver noticed the mistake. Patient did not ingest the medication incorrectly, as the patient and the caregiver were familiar with the prescription regimen. I was the PIC, the dispensing pharmacist and the pharmacist on duty the night the event occurred. After the investigation was completed by the board, a citation was issued to the PIC.

I am not able to provide any documentation of the report submitted to the California Board of Pharmacy, as I am no longer employed at the stated pharmacy (Walgreens Pharmacy #10354) where the incident occurred and thus no longer have access to the case.

I, Dulari Ketankumar Patel, am providing as much information regarding an event that occurred while I was Pharmacist in Charge, which I came to know was settled out of court by Walgreens for an undisclosed amount. I was informed by the Inspector, Board of Pharmacy (California) Diann Potter, PharmD. The Inspector had notified me of the settlement out of court, as I had resigned from Walgreens Pharmacy prior to the settlement, and I was not privy to any of the proceedings. I separated from Walgreens Pharmacy #10354 on May 13, 2013, as a Retail Pharmacist and Pharmacist in Charge.

License No: PHY50221 Citation No: N/A Date of Incident: 1/30/2013

Error:

It was discovered that an error was made by a pharmacy staff member on 1/30/2013, in which a patient (K.M.) received another patients' (M.M.) medication. K.M. had ingested 1 tablet of M.M.'s medication. I had received a call from the local hospital ER nurse inquiring on the medication ingested that evening, as I was the pharmacist on duty that evening. I was the PIC, the dispensing pharmacist, and the pharmacist on duty the night the event occurred. I submitted any and all requested materials to the inspector through the end of my employment, May 13, 2013.

Dear PIC Patel,

As discussed, I am issuing a Written Notice of non-compliance with CCR 1764 (in combination with Civil Code 56.10) for unauthorized disclosure of M.M.'s prescription, in the medication incident of 1/30/13, involving patient K.M. Because K.M. did consume one tablet of M.M.'s prescription, a Written Notice of non-compliance with CCR 1716, variation from prescription, was also warranted.

I have also included Official Receipt #450026, for documents you sent to me.

Should you have further questions or need clarification on any of the items provided, please contact me.

California Board of Pharmacy Inquiry on March 15, 2013
Re: K.M.

1. Original copy of the prescription for Omnicef for K.M. from 1/30/2013, was sent electronically to the pharmacy.
   Attached

   Attached
3. The QA report on the medication.
   Attached
4. My internal audit of how error occurred.
   Attached
5. A "screen-shot" of the insurance billing timeline.

6. Consultation records.
   We do not have consultation records for any of our patients, unless it is blocked specifically by a Pharmacist to speak with patient. In addition, I did not speak with the person picking up the prescription for K.M.. Our policy is mandatory counselling on all NEW prescriptions, unless refused by the patient or caregiver. We do not know if the patient/caregiver refused consultation as again, we do not retain records for consultations unless a specific block is placed on the prescription by the pharmacist.
7. A statement from the dispensing pharmacist, on the incident.
   Attached
8. A QA report, if one was prepared, concerning the Atripla patient.
   A QA report was not prepared for M.M. the Atripla patient, as this patient did not recieve any incorrect medications/prescriptions.

Alabama State Board of Pharmacy Action
Re: Case No: 21-L-0071
Fast Access Specialty Pharmacy LLC dba InfuCare Rx of LA

On or about January 18, 2021 Sajal Roy, PharmD ("Roy"), the Alabama Supervising Pharmacist ("PIC") at Fast Access Specialty Pharmacy LLC dba InfuCare Rx of LA ("Pharmacy") submitted his resignation as AL PIC of the Pharmacy to the Alabama Board of Pharmacy ("Board"). His employment resignation was submitted to the Pharmacy on or about January 18th, and his last day of employment was March 4, 2021. Roy was asked by the Pharmacy to rescind his PIC resignation until such time as a replacement could be found, since his employment with the Pharmacy continued through March 4th. The Pharmacy believed that Roy had rescinded his resignation, and as a result, it mistakenly did not notify the Board within 10 days with an action plan to designate another PIC. A new PIC was designated March 3, 2021. The Board cited the Pharmacy for being unable to maintain a PIC and failing to notify the Board within 10 days with an action plan. The Pharmacy's license was not affected and remained and is in good standing.

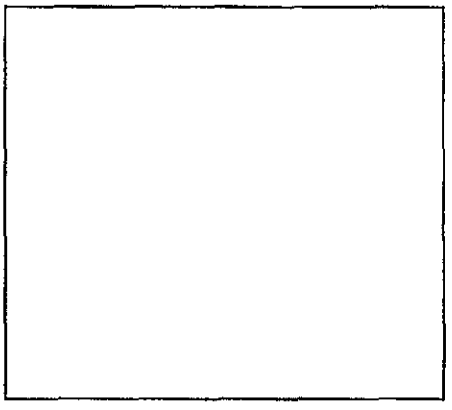
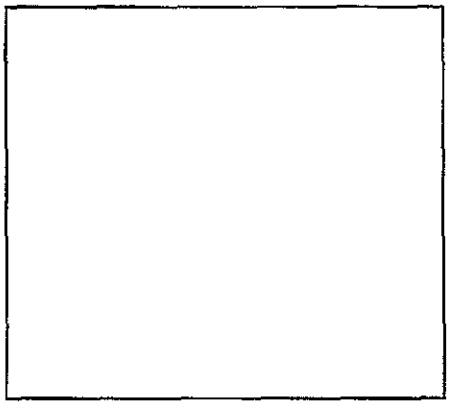
DIFFERENTIAL PRESSURE: A minimum differential pressure of 0.02 "W.C. positive from the Clean Room to the Ante room and all adjacent spaces is required.

See page 4 of the test report for the reported values. Pass: X Fail: _____ N/A: _____

DISPLACEMENT AIRFLOW: A minimum differential velocity of 40 FPM from the Clean Room to the Ante Room is required.

Pass: _____ Fail: _____ N/A: X





Smoke Pattern Test Results: N/A

AS PER CAG-008-2010 A VISUAL CONFIRMATION IN THE FORM OF AN AIRFLOW SMOKE PATTERN SHOWING THAT THE AIR IS FLOWING INTO HAZARDOUS COMPOUNDING ROOM. AIR MUST FLOW OUT OF NON HAZARDOUS ROOMS INTO ANTE ROOM AND OUT OF ANTE ROOM INTO AMBIENT.

HAZARDOUS COMPOUNDING

VISUAL SMOKE STUDY DURING DYNAMIC CONDITIONS

CHEMO ROOM ISO CLASS: 7

AIR FLOW: Hazardous sterile compounding rooms must maintain a minimum of 30 Air Changes Per Hour (ACPH). If a compounding aseptic containment isolator (CACI) is used, the room must maintain a minimum of 12 ACPH.

See page 2 of the clean room test report for reported values: Pass: X Fail: _____

DIFFERENTIAL PRESSURE: Rooms used for hazardous applications should be a minimum of 0.01 "W.C. negative relative to adjacent spaces.

See page 2 of the test report for the reported values. Pass: X Fail: _____

Smoke Pattern Test Results: N/A

AS PER CAG-008-2010 ALTHOUGH NOT REQUIRED, A VISUAL CONFIRMATION IN THE FORM OF AN AIRFLOW SMOKE PATTERN TEST THAT THE AIR IS FLOWING INTO A HAZARDOUS ROOM FROM THE ANTE ROOM IS RECOMMENDED.

REPORT NO.: 191354 P6 PAGE 8

BUFFER ROOM

NON-HAZARDOUS COMPOUNDING

VISUAL SMOKE STUDY DURING DYNAMIC CONDITIONS

BUFFER ROOM ISO CLASS: 7

AIR FLOW: Non-hazardous sterile compounding rooms must maintain a minimum of 30 Air Changes per Hour (ACPH) with at least 15 ACPH coming from the air supply through the room HEPA filters.

See page 2 of the clean room test report for reported values: Pass: Y Fail: _____

DIFFERENTIAL PRESSURE: A minimum differential pressure of 0.02 "W.C. positive from the Clean Room to the Ante room and all adjacent spaces is required.

See page 4 of the test report for the reported values. Pass: Y Fail: _____ N/A: _____

DISPLACEMENT AIRFLOW: A minimum differential velocity of 40 FPM from the Clean Room to the Ante Room is required.

Pass: _____ Fail: _____ N/A: Y

2. Respondent Pharmacy has been registered by the Board as a non-resident prescription drug outlet in the State of Colorado at all times relevant to this disciplinary action.

3. Respondent Pharmacy's address of record with the Board and current location is 1143 Highland Dr., Ste. D, Ann Arbor, MI 42108.

2. Failure to Comply with Settlement Agreement. If Respondent fails to fully and timely comply with the terms of this Settlement Agreement as set forth in paragraph(s) C.1 above, Respondent's permits shall be automatically revoked upon RICO's filing of an affidavit with the Board attesting to such failure. In case of such revocation, Respondent shall turn in all indicia of the permits to the Executive Officer of the Board within ten (10) days after receipt of notice of the revocation. In case of such revocation, Respondent understands Respondent cannot apply for new permits until the expiration of at least five (5) years after the effective date of the revocation. Respondent understands that if Respondent desires to become permitted again, Respondent must apply to the Board for new permits pursuant to and subject to HRS §§ 92-17, 436B-21, and all other applicable laws and rules in effect at the time.

4. Approval of the Board. Respondent agrees that, except for the representations, agreements and covenants contained in Paragraphs C.5, C.6, C.7 and C.8 below, this Settlement Agreement shall not be binding on any of the parties unless and until it is approved by the Board.

5. No Objection if Board Fails to Approve. If the Board does not approve this Settlement Agreement, does not issue an order pursuant thereto, or does not approve a lesser remedy, but instead an administrative hearing is conducted against Respondent in the Board's usual and customary fashion pursuant to the Administrative Procedure Act, Respondent agrees that neither Respondent nor any attorney that Respondent may retain, will raise as an objection in any administrative proceeding or in any judicial action, to the Board's proceeding against Respondent on the basis that the Board has become disqualified to consider the case because of its review and consideration of this Settlement Agreement.

6. Any Ambiguities Shall be Construed to Protect the Consuming Public. It is agreed that any ambiguity in this Settlement Agreement is to be read in the manner that most completely protects the interests of the consuming public.

7. No Reliance on Representations by RICO. Other than the matters specifically stated in this Settlement Agreement, neither RICO nor anyone acting on its behalf has made any representation of fact, opinion or promise to Respondent to induce entry into this Settlement Agreement, and Respondent is not relying upon any statement, representation or opinion or promise made by RICO or any of its agents, employees, representatives or attorneys concerning the nature, extent or duration of exposure to legal liability arising from the subject matter of this Settlement Agreement or concerning any other matter.

8. Complete Agreement. This Settlement Agreement is a complete settlement of the rights, responsibilities and liabilities of the parties hereto with respect to the subject matter hereof; contains the entire agreement of the parties; and may only be modified, changed or amended by written instrument duly executed by all parties hereto.

Case No. 2011-000522

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF THE DISCIPLINARY PROCEEDING REGARDING THE NON-RESIDENT PRESCRIPTION DRUG OUTLET REGISTRATION OF WALGREENS SPECIALTY PHARMACY, LLC, REGISTRATION NO. OSP 5737,

RESPONDENT PHARMACY.

IT IS HEREBY STIPULATED by and between the Colorado State Board of Pharmacy ("Board") and Walgreen Specialty Pharmacy, LLC ("Respondent Pharmacy"), to resolve all matters pertaining to Board Case Number 2011-000522 as follows:

1. On February 19, 2008, Respondent Pharmacy became registered by the Board as a non-resident prescription drug outlet in the State of Colorado and was issued Registration No. OSP 5737 ("Colorado Registration").

2. The Board has jurisdiction over Respondent Pharmacy, its Colorado Registration, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the provisions of title 12, article 22, C.R.S. (2009), otherwise known as the Pharmaceuticals and Pharmacists Act.

3. Respondent Pharmacy's address of record with the Board and current location is 9775 SW Gemini Dr., Ste. 1, Beaverton, OR 97008.

4. Respondent Pharmacy neither admits nor denies these findings, but does not contest that the Board alleges these findings. Respondent Pharmacy hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. On April 14, 2010, Board staff initiated a Complaint against Respondent Pharmacy because it failed to comply with the data submission requirements of Colorado's Electronic Prescription Drug Monitoring Program ("PDMP") for the reporting period(s) of April 1 through April 10, 2010.

6. Respondent Pharmacy subsequently failed to submit the required data to the PDMP reporting dispensing transactions of controlled substances in the State of Colorado for the reporting period(s) of July 1 through July 10, 2010, and did not submit a "zero" report indicating no dispensing transactions for said reporting period(s) as required by Board rule.

7. Respondent Pharmacy does not contest that the conduct described above may constitute a violation of §§12-22-125(1)(c) and 12-22-708, C.R.S. and that such conduct provides grounds for disciplinary action against Respondent Pharmacy's Colorado Registration pursuant to Board Policy 30-8.

DISPOSITION

$5,000.00 Fine with 10% Surcharge and Terms

8. **Fine with Surcharge.** Respondent Pharmacy accepts the following discipline: Pursuant to §12-22-125.2(5), C.R.S. Respondent Pharmacy shall pay a fine of **Five Thousand Dollars and No Cents ($5,000.00).** Respondent Pharmacy understands and acknowledges that, pursuant to §24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies shall impose an additional surcharge of 10% of this fine. Respondent Pharmacy shall therefore pay a total amount of **Five Thousand, Five Hundred Dollars and No Cents ($5,500.00).** The total amount shall be payable to the State of Colorado and shall be remitted in one lump sum to be included when Respondent Pharmacy submits this signed Final Agency Order to the Board.

9. **Compliance with PDMP.** At all times Respondent Pharmacy is registered with the Colorado State Board of Pharmacy, it shall comply with the data submission requirements of the PDMP. Respondent Pharmacy understands and acknowledges that future violations of PDMP reporting requirements, including failure to submit a "zero" report in the event of no dispensing transactions in Colorado during the relevant reporting period, shall lead to additional penalties pursuant to Board Policy 30-8.

10. **Advisements and Waivers.** Respondent Pharmacy enters into this Final Agency Order freely and voluntarily, after having had the opportunity to consult with its own legal counsel and/or choosing not to do so. Respondent Pharmacy acknowledges its understanding that it has the following rights:

    a. To have a formal notice of hearing and charges served upon it;

    b. To respond to said formal notice of charges;

    c. To have a formal disciplinary hearing pursuant to §12-22-125, C.R.S.; and

    d. To appeal this Board order.

    Respondent Pharmacy freely **waives** these rights, and acknowledges that such waiver is made voluntarily in consideration for the Board's limiting the action taken against it to the sanctions imposed herein.

11. **Acknowledgments.** The undersigned authorized agent of Respondent Pharmacy has read this Final Agency Order in its entirety and acknowledges, after having had the opportunity to consult with its own legal counsel and/or choosing not to do so, that Respondent Pharmacy understands the legal consequences and agrees that none of the terms or conditions herein is unconscionable. Respondent Pharmacy is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Pharmacy further acknowledges that it is not entering into this Final Agency Order under any duress.

12. **Violations.** Time is of the essence to this Final Agency Order. It is the responsibility of Respondent Pharmacy to take all appropriate steps to comply fully with this Final Agency Order. Respondent Pharmacy acknowledges and agrees that any violation of this Final Agency Order may be sanctioned as provided under §12-22-125.2(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of its registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Pharmacy to comply with all terms and conditions of this Final Agency Order.

13. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties in this case. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

RESPONDENT PHARMACY.

IT IS HEREBY STIPULATED by and between the Colorado State Board of Pharmacy ("Board") and Walgreens Specialty Pharmacy, LLC, DBA Walgreens Specialty Pharmacy #13625 ("Respondent Pharmacy"), to resolve all matters pertaining to Board Case Number 2011-000518 as follows:

1. On August 7, 1998, Respondent Pharmacy became registered by the Board as a non-resident prescription drug outlet in the State of Colorado and was issued Registration No. OSP 5004 ("Colorado Registration").

2. The Board has jurisdiction over Respondent Pharmacy, its Colorado Registration, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the provisions of title 12, article 22, C.R.S. (2009), otherwise known as the Pharmaceuticals and Pharmacists Act.

3. Respondent Pharmacy's address of record with the Board and current location is 7164 Technology Dr., #100, Frisco, TX 75034.

4. Respondent Pharmacy neither admits nor denies these findings, but does not contest that the Board alleges these findings. Respondent Pharmacy hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. On April 14, 2010, Board staff initiated a Complaint against Respondent Pharmacy because it failed to comply with the data submission requirements of Colorado's Electronic Prescription Drug Monitoring Program ("PDMP") for the reporting period(s) of April 1 through April 10, 2010.

6. Respondent Pharmacy subsequently failed to submit the required data to the PDMP reporting dispensing transactions of controlled substances in the State of Colorado for the reporting period(s) of July 1 through July 10, 2010, and did not submit a

"zero" report indicating no dispensing transactions for said reporting period(s) as required by Board rule.

7. Respondent Pharmacy does not contest that the conduct described above may constitute a violation of §§12-22-125(1)(c) and 12-22-708, C.R.S. and that such conduct provides grounds for disciplinary action against Respondent Pharmacy's Colorado Registration pursuant to Board Policy 30-8.

DISPOSITION

Respondent Pharmacy shall therefore pay a total amount of **Five Thousand, Five Hundred Dollars and No Cents ($5,500.00).** The total amount shall be payable to the State of Colorado and shall be remitted in one lump sum to be included when Respondent Pharmacy submits this signed Final Agency Order to the Board.

9. **Compliance with PDMP.** At all times Respondent Pharmacy is registered with the Colorado State Board of Pharmacy, it shall comply with the data submission requirements of the PDMP. Respondent Pharmacy understands and acknowledges that future violations of PDMP reporting requirements, including failure to submit a "zero" report in the event of no dispensing transactions in Colorado during the relevant reporting period, shall lead to additional penalties pursuant to Board Policy 30-8.

    d. To appeal this Board order.

Respondent Pharmacy freely **waives** these rights, and acknowledges that such waiver is made voluntarily in consideration for the Board's limiting the action taken against it to the sanctions imposed herein.

Respondent Pharmacy acknowledges and agrees that any violation of this Final Agency Order may be sanctioned as provided under §12-22-125.2(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of its registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Pharmacy to comply with all terms and conditions of this Final Agency Order.

13. **Integration and Severability**. Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties in this case. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

Re: Notification of a Report in the Data Bank(s)

This notice is to inform you that the enclosed report of an action taken against you was recently submitted to the Healthcare Integrity and Protection Data Bank (HIPDB).

What is the HIPDB? Section 1128E of the Social Security Act as added by Section 221(a) of the Health Insurance Portability and Accountability Act of 1996, established the HIPDB. Section 1128E mandates that information on certain final adverse actions (e.g., licensure, civil judgment and criminal convictions related to health care, exclusions from Federal or State health care programs and certain other adjudicated actions and decisions) taken against health care practitioners, providers and suppliers be reported to the HIPDB. Federal and State government agencies and health plans are authorized to query the HIPDB.

Confidentiality.

All information in the HIPDB is considered confidential and is disclosed only to legally authorized queriers for specified uses. Disclosure or use of confidential information for other purposes is a violation of Federal law. Health care practitioners, providers and suppliers may query the Data Bank about themselves (self-query) and may share their self-query results with anyone they choose. Information in the Data Bank is NOT available to the public.

What does the report mean to you?

The enclosed report summarizes an action taken against you. The HIPDB may contain more than one report on a particular incident, if two or more actions were taken that related to that one incident, e.g., an adverse licensure action and an exclusion from the Medicare and Medicaid programs. A report in the Data Bank does not necessarily reflect adversely on your professional competence or conduct. Those entities authorized to access the HIPDB use the information in conjunction with information from other sources, including you, when granting clinical privileges or making employment, affiliation or licensure decisions. This report is being sent to you so that you can check its accuracy. This is important because the Data Bank is a clearinghouse for reports, which are maintained exactly as submitted.

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF THE DISCIPLINARY PROCEEDING REGARDING THE NON-RESIDENT PRESCRIPTION DRUG OUTLET REGISTRATION OF WALGREENS SPECIALTY PHARMACY, LLC, REGISTRATION NO. OSP 5737,

RESPONDENT PHARMACY.

IT IS HEREBY STIPULATED by and between the Colorado State Board of Pharmacy ("Board") and Walgreen Specialty Pharmacy, LLC ("Respondent Pharmacy"), to resolve all matters pertaining to Board Case Number 2011-000522 as follows:

1. On February 19, 2008, Respondent Pharmacy became registered by the Board as a non-resident prescription drug outlet in the State of Colorado and was issued Registration No. OSP 5737 ("Colorado Registration").

2. The Board has jurisdiction over Respondent Pharmacy, its Colorado Registration, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the provisions of title 12, article 22, C.R.S. (2009), otherwise known as the Pharmaceuticals and Pharmacists Act.

3. Respondent Pharmacy's address of record with the Board and current location is 9775 SW Gemini Dr., Ste. 1, Beaverton, OR 97008.

4. Respondent Pharmacy neither admits nor denies these findings, but does not contest that the Board alleges these findings. Respondent Pharmacy hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. On April 14, 2010, Board staff initiated a Complaint against Respondent Pharmacy because it failed to comply with the data submission requirements of Colorado's Electronic Prescription Drug Monitoring Program ("PDMP") for the reporting period(s) of April 1 through April 10, 2010.

6. Respondent Pharmacy subsequently failed to submit the required data to the PDMP reporting dispensing transactions of controlled substances in the State of Colorado for the reporting period(s) of July 1 through July 10, 2010, and did not submit a "zero" report indicating no dispensing transactions for said reporting period(s) as required by Board rule.

EXHIBIT "1"

7. Respondent Pharmacy does not contest that the conduct described above may constitute a violation of §§12-22-125(1)(c) and 12-22-708, C.R.S. and that such conduct provides grounds for disciplinary action against Respondent Pharmacy's Colorado Registration pursuant to Board Policy 30-8.

DISPOSITION

$5,000.00 Fine with 10% Surcharge and Terms

8. **Fine with Surcharge.** Respondent Pharmacy accepts the following discipline: Pursuant to §12-22-125.2(5), C.R.S. Respondent Pharmacy shall pay a fine of **Five Thousand Dollars and No Cents ($5,000.00).** Respondent Pharmacy understands and acknowledges that, pursuant to §24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies shall impose an additional surcharge of 10% of this fine. Respondent Pharmacy shall therefore pay a total amount of **Five Thousand, Five Hundred Dollars and No Cents ($5,500.00).** The total amount shall be payable to the State of Colorado and shall be remitted in one lump sum to be included when Respondent Pharmacy submits this signed Final Agency Order to the Board.

9. **Compliance with PDMP.** At all times Respondent Pharmacy is registered with the Colorado State Board of Pharmacy, it shall comply with the data submission requirements of the PDMP. Respondent Pharmacy understands and acknowledges that future violations of PDMP reporting requirements, including failure to submit a "zero" report in the event of no dispensing transactions in Colorado during the relevant reporting period, shall lead to additional penalties pursuant to Board Policy 30-8.

10. **Advisements and Waivers.** Respondent Pharmacy enters into this Final Agency Order freely and voluntarily, after having had the opportunity to consult with its own legal counsel and/or choosing not to do so. Respondent Pharmacy acknowledges its understanding that it has the following rights:

    a. To have a formal notice of hearing and charges served upon it;

    b. To respond to said formal notice of charges;

    c. To have a formal disciplinary hearing pursuant to §12-22-125, C.R.S.; and

    d. To appeal this Board order.

    Respondent Pharmacy freely **waives** these rights, and acknowledges that such waiver is made voluntarily in consideration for the Board's limiting the action taken against it to the sanctions imposed herein.

11. **Acknowledgments.** The undersigned authorized agent of Respondent Pharmacy has read this Final Agency Order in its entirety and acknowledges, after having had the opportunity to consult with its own legal counsel and/or choosing not to do so, that Respondent Pharmacy understands the legal consequences and agrees that none of the terms or conditions herein is unconscionable. Respondent Pharmacy is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Pharmacy further acknowledges that it is not entering into this Final Agency Order under any duress.

12. **Violations.** Time is of the essence to this Final Agency Order. It is the responsibility of Respondent Pharmacy to take all appropriate steps to comply fully with this Final Agency Order. Respondent Pharmacy acknowledges and agrees that any violation of this Final Agency Order may be sanctioned as provided under §12-22-125.2(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of its registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Pharmacy to comply with all terms and conditions of this Final Agency Order.

13. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties in this case. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

14. **Public Record.** Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.

Case Number: 203205

CONSENT ORDER

JURISDICTION AND PROCEDURAL HISTORY

The Virginia Board of Pharmacy ("Board") and Thomas J. Matthews, Pharmacist-in-Charge of Walgreens Specialty Pharmacy, LLC DBA AllianceRX Walgreens Prime #15443 ("AllianceRX"), Frisco, Texas, as evidenced by their signatures hereto, in lieu of proceeding to informal conference, enter into the following Consent Order affecting AllianceRX's permit to conduct a non-resident pharmacy delivering in the Commonwealth of Virginia.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. On July 16, 1998, the Board issued Permit Number 0214-000307 to AllianceRX to conduct a non-resident pharmacy delivering in the Commonwealth of Virginia. Said permit is scheduled to expire on July 31, 2021. At all times relevant hereto, said permit was in full force and effect.

2. AllianceRX violated Virginia Code § 54.1-3316(1) and (13) in that it failed to provide Patient A's physician with a prescription for a life-saving medication, Revlimid, on or before April 10, 2019, as requested by Patient A on April 2, 2019. When Patient A requested shipment of a prescription for Revlimid to his physician's office for April 10, 2019 administration, a hold, which had previously been placed on the prescription due to side effects reported by Patient A, was not removed from the prescription, causing the prescription not to be processed.

3. AllianceRX reported that it has changed the process for placing these types of prescriptions on hold to prevent this situation from happening again.

CONSENT

AllianceRX, by affixing the signature of a representative hereon to this Order, agrees to the following:

1. AllianceRX has been advised to seek advice of counsel prior to signing this document;

2. AllianceRX is fully aware that without its consent, no legal action can be taken against it or its permit except pursuant to the Virginia Administrative Process Act, Virginia Code § 2.2-4000 *et seq.*;

3. AllianceRX acknowledges that it has the following rights, among others: the right to an informal fact-finding conference before the Board; and the right to representation by counsel;

4. AllianceRX waives its right to an informal conference;

5. AllianceRX admits to the Findings of Fact and Conclusions of Law contained herein and waives its right to contest such Findings of Fact and Conclusions of Law and any sanction imposed hereunder in any future judicial or administrative proceeding in which the Board is a party;

6. AllianceRX consents to the entry of the following Order affecting its right to conduct a non-resident pharmacy delivering in the Commonwealth of Virginia.

ORDER

Based on the foregoing Findings of Fact and Conclusions of Law, the Virginia Board of Pharmacy hereby ORDERS as follows:

1. AllianceRX is assessed a MONETARY PENALTY of $500.00. This penalty shall be paid to the Board by certified check or money order made payable to the Treasurer of Virginia within 60 days from the date of entry of this Order. Failure to pay the full monetary penalty by the due date may cause the matter to be sent for collection and constitutes grounds for an administrative proceeding and further discipline.

2. AllianceRX shall comply with all laws and regulations governing the practice of non-resident pharmacies delivering in the Commonwealth of Virginia.

3. Any violation of the foregoing terms and conditions of this Order or any statute or regulation governing the practice of non-resident pharmacies delivering in the Commonwealth of Virginia shall constitute grounds for further disciplinary action.

Pursuant to Virginia Code §§ 2.2-4023 and 54.1-2400.2, the signed original of this Order shall remain in the custody of the Department of Health Professions as a public record, and shall be made available for public inspection and copying upon request.

April 15, 2014

The purpose of this letter is to clarify a sanction against my Michigan pharmacist license (which is no longer active) in May 1999. As a result of the sanction, the Michigan Board of Pharmacy placed a reprimand on my license, which by Michigan law is required to stay as part of a record permanently.

I was working for CVS Pharmacy and was transferred to Michigan to help transition the acquisition of Arbor Drugs, which CVS had purchased. There was a tremendous pharmacist shortage throughout the state at this time, so instead of placing me in a store equipped with CVS software, I was placed in an Arbor store with software that was brand new to me. I was told I would be trained on the new software for 3 weeks before working on my own.

After only two days of training, the pharmacist that was training me was pulled from my store to prevent closure of another store due to the pharmacist shortage. Ultimately, I was only pharmacist in charge of a store filling 400-500 prescriptions per day on my own, with software that was unfamiliar to me. As a result, I dispensed a prescription for Lorabid 200 mg, instead of Slobid 200 mg. The patient was unharmed as a result of the error.

I was essentially forced to sign a form from the Board of Pharmacy admitting guilt. I filed a grievance with the Board stating that I was put in an unsafe situation by CVS, but to no avail. My grievance remains on file with the Board.

Since this incident, I have successfully obtained pharmacist licenses in Massachusetts, Maine, California, Virginia and Maryland. I have not been reported to the Board of Pharmacy in any of these states for any reason whatsoever.

Sincerely,
Steven Brown

RECEIVED

ORDER

IT IS THEREFORE ORDERED that:

(b) Respondent shall continue compliance with the treatment and/or after-care recommended by his/her approved Mental Health Professional (MHP) and shall authorize the MHP and/or representative of the after-care program to furnish written reports to the ARPSG on a quarterly basis or as requested concerning the status of Respondent's recovery and compliance with treatment.

(f) Respondent shall notify the Board in writing with the name and address of his IPPE and/or APPE sites or any other intern sites and provide a signed statement from the pharmacist in charge or supervising pharmacist that he/she has reviewed and understands the terms of this Order, that he/she agrees to be the supervising pharmacist for Respondent, and that he/she agrees to provide written quarterly reports to the ARPSG and, upon request, to the Board. If Respondent ceases to be employed as a pharmacist intern/or pharmacist at any time, he shall notify the Board within 10 days of the last day he practiced in Arkansas.

(h) During the period of Respondent's probated suspension, he shall complete 100 hours of community service per year for total of 500 hours during the 5 year period of probation. Within 30 days of the date of this Consent Order, Respondent shall submit in writing a written plan to the Executive Director for fulfilling the required hours of community service and Respondent shall provide written documentation of completed service if requested to the Board office.

7. Respondent acknowledges and agrees that if any drug test is found to be positive for any prohibited substance or chemicals while she is a licensed pharmacist, Respondent will voluntarily surrender his license for summary suspension, pending a formal hearing.

IT IS FURTHER ORDERED that the Board shall retain jurisdiction to enforce this Consent Order and certain terms and conditions of this agreement shall be binding on Respondent beyond the probationary term of this Consent Order and Respondent's failure to comply with any provision herein shall constitute gross unprofessional or dishonorable conduct for which the Board may impose disciplinary action pursuant to A.C.A.§ 17-92-311(a)(7).

"Individualized Therapies Designed to be as Unique as **YOU** are !"

RE: Explanation of Disciplinary Action

To Whom It May Concern,

This letter is written in an effort to serve as an explanation of disciplinary action for an officer in our company.

My name is James Sheets and I am a clinical pharmacist and serve as an officer with CSI Pharmacy. I am registered as a pharmacist with the Arkansas State Board of Pharmacy under license number PD09124.

In June of 2013, I contacted the executive director of the State Board of Pharmacy and reported that I had a substance abuse problem. I had become addicted to opiates and had failed many attempts to quit on my own. The Board of Pharmacy referred me to Dr. Kim Light with the Arkansas Pharmacist Support Group. The support group directed me to Palmetto Addiction Recovery, which is an inpatient treatment center near Monroe, LA. I underwent 91 days of intensive addiction treatment and graduated from Palmetto in October 2013. AT this time, I signed a 5 year contract with the Arkansas Pharmacist Support Group which includes random testing, scheduled support group meetings, and addiction counseling. In April of 2014, I met with the Arkansas State Board of Pharmacy who granted me the ability to return to the practice of pharmacy via a 5 year probationary consent order.

Since June 2014, I have successfully returned to the practice of pharmacy with North Heights Pharmacy in Texarkana, Arkansas. I am thankful for the State Board and the Pharmacist Support Group for helping me find treatment and return to practice. More Importantly, I am grateful for the gift of a life in recovery in which I am free from the chains of addiction.

My role as an officer with CSI Pharmacy (Texarkana, Arkansas) would include overseeing contracts, business development, creation of clinical programs, and working when needed as a pharmacist. I am still an active member of the Arkansas Pharmacist Support Group and am compliant with my contracts with the support group and the Arkansas State Board of Pharmacy. I have included a recent letter of good standing from the Arkansas Pharmacist Support Group.

Sincerely,

James L. Sheets, Pharm.D.

4. During the probated suspension:

RE: Explanation of Disciplinary Action

To Whom It May Concern,

This letter is written in an effort to serve as an explanation of disciplinary action for an officer in our company.

My name is James Sheets and I am a clinical pharmacist and serve as an officer with CSI Pharmacy. I am registered as a pharmacist with the Arkansas State Board of Pharmacy under license number PD09124.

In June of 2013, I contacted the executive director of the State Board of Pharmacy and reported that I had a substance abuse problem. I had become addicted to opiates and had failed many attempts to quit on my own. The Board of Pharmacy referred me to Dr. Kim Light with the Arkansas Pharmacist Support Group. The support group directed me to Palmetto Addiction Recovery, which is an inpatient treatment center near Monroe, LA. I underwent 91 days of intensive addiction treatment and graduated from Palmetto in October 2013. AT this time, I signed a 5 year contract with the Arkansas Pharmacist Support Group which includes random testing, scheduled support group meetings, and addiction counseling. In April of 2014, I met with the Arkansas State Board of Pharmacy who granted me the ability to return to the practice of pharmacy via a 5 year probationary consent order.

Since June 2014, I have successfully returned to the practice of pharmacy with North Heights Pharmacy in Texarkana, Arkansas. I am thankful for the State Board and the Pharmacist Support Group for helping me find treatment and return to practice. More Importantly, I am grateful for the gift of a life in recovery in which I am free from the chains of addiction.

My role as an officer with CSI Pharmacy (Texarkana, Arkansas) would include overseeing contracts, business development, creation of clinical programs, and working when needed as a pharmacist. I am still an active member of the Arkansas Pharmacist Support Group and am compliant with my contracts with the support group and the Arkansas State Board of Pharmacy. I have included a recent letter of good standing from the Arkansas Pharmacist Support Group.

Sincerely,

James L. Sheets, Pharm.D.

Provide explanation below:

Regarding question numbers four, and five, please be advised that NaphCare, Inc. contracts with governmental entities to provide health care services to incarcerated individuals in jails and prisons throughout the United States. Relating to my capacity with NaphCare, Inc. as reported in Section 7, NaphCare, Inc., and I have been party to prisoner civil rights actions, employment related litigation, and contract related litigation. Please find attached NaphCare, Inc.'s litigation history list which would include any lawsuit where I may have been named a party, as well.

Regarding question number 6, and as reported in the Pharmacy Application, the Ohio State Board of Pharmacy (OBOP) initiated an investigation of NaphCare's Terminal Distributor of Dangerous Drugs License Numbers 02-2124750 & 02-1450450, related to allegations regarding NaphCare's failure to maintain compliance with proper record keeping, security and control of dangerous drugs, and improper retention of expired medications within a jail facility in Dayton, Ohio. NaphCare denied and disputed all claims by the OBOP. On July 11, 2017, NaphCare agreed to provide a nominal payment to the Board in the amount of $7,000 and the OBOP agreed to dismiss its pending investigation. Further, NaphCare agreed to provide refresher training to its staff, biannually, on proper handling and removal of expired drugs, timely preparation of end of day reports, and maintenance of refrigerator logs. We have enclosed an explanation, and certified documentation regarding this matter.

Explanation

The Ohio State Board of Pharmacy (OBOP) initiated an investigation of NaphCare's Terminal Distributor of Dangerous Drugs License Numbers 02-2124750 & 02-1450450, related to allegations regarding NaphCare's failure to maintain compliance with proper record keeping, security and control of dangerous drugs, and improper retention of expired medications within a jail facility in Dayton, Ohio. NaphCare denied and disputed all claims by the OBOP. On July 11, 2017, NaphCare agreed to provide a nominal payment to the Board in the amount of $7,000 and the OBOP agreed to dismiss its pending investigation. Further, NaphCare agreed to provide refresher training to its staff, biannually, on proper handling and removal of expired drugs, timely preparation of end of day reports, and maintenance of refrigerator logs.

I want to start of by explaining and disclosing information regarding my pass records

Case #: 21-PC-007272

I had a girl's night out with some of my high school friends that I hadn't seen in a long time. This occurred on **2/21/2021**. We went out for dinner, drinks, and had plans to go clubbing in order to enjoy the evening. When we finished dinner, we went to the bar, where we had drinks and conversed with each other and people at the bar. Unfortunately, my friends had different intentions then I was aware of and were making different plans then to go to the club. My friends had got up to leave and I followed them to make sure they were okay. I was always told to stay in groups whenever being out since people are likely not to bother you in group.What ended up happening as soon as we started moving as a group we were then arrested my police officers who were under cover. I had no idea what was going on until everything occurred. My friends started getting arrested, and then they decdied to take me as well since I was just following in the background. I was definitely in the wrong place and the wrong time. They had booked and held me for about 7 hours and eventually let me go. Since then, I have not seen these friends since the incident occured. I would hate to be surrounded by people who did not care to tell me what was going on. I was in the booking area for about 7 hours and let go after that.The appointed lawyer to my case went to court for me and got my case closed. After seeking legal advice I was also told to begin to get my record seal and am in the process of doing that as well.

The friends that I was with did not allow me the chance to decide for myself if I wanted to hang out with them considering what they were involved in. Now I am having to defend myself for a situation that was the repercussions of hanging out and catching up with friends I hadn't seen in a while. I ask that you give me empathy in that I am trying to be of service to my community and myself. Since attending NorthWest Career College, it has become more and more clear to me that I want to pursue my education and continue to develop myself as a pharmacy technician, if given the opportunity. Since then the case had been closed and denied and was put under DA Denial which means they did not have enough information to move forward with the case.

Case #: 21-CR-028933

Following this incident another misunderstanding had occured. I ended up going back to the establishment a few months later to grab dinner with my auntie, when I was approached by security guards who informed me that I was trespassing. This occurred on **06/18/2021**. Since the case was closed, I was not made aware that I was banned from being on the premises still. I assumed nothing ever went through, I thought going to the premises once more to celebrate with my auntie would not be an issue. Since the establishment was not made aware of my case being closed, they ended up arresting me for that misunderstanding. I was booked and kept at jail for about 7 hrs where they official closed the case after I pleaded that I was not made aware that this case was even open anymore or that there was any restraining order that involved me not stepping into the establishment.

Since then, I have learned my lesson and have since gotten legal advice on how to handle the situation so that this doesn't happen again. I got myself caught up in an incident that could potentially mess up my life. I know to make sure I do not surround myself with people who might put me in a bad situation

No matter what I am so excited to jump start my career in Pharmacy and continue my education. My intentions are to create a beautiful life and make my family proud. I enrolled myself into NCC in order to make a future for myself. The school helped me believe in myself and find what it is I want to do in life. I intend on living up to that expectation, because I believe everyone deserves a second chance to become a better person. I have been diligently working as a retail associate to keep up with bills, but will continue to aspire to become a pharmacy technician so that I can better myself

Kind Regards,
Amazi Harris

CAREER COLLEGE

To Whom It May Concern ,

I have known Amazi for some time now, she has excelled tremendously since attending school with us here at Northwest Career College in the Pharmacy Technician program. Amazi graduated with us with a 3.54 GPA. She went to class everyday and aspired to become pharmacy technician as this was something she wanted to do better serve her community.

Amazi is an amazing individual who strives to become better every day. Through meeting her I have learned that she has had some difficulties and misunderstands in the pass, which is why she decided to turn over a new leaf with us here at NCC . Amazi has remained in good contact with me as her graduate advisor so that we may seek potential opportunities for job placement as a Pharmacy Technician. One of the more remarkable things she mentioned to me when we had our introductory meeting was the fact that she learned a lot during her time at her externship and is so excited to jump into a new career field. Amazi Harris completed 240 hours of externship hours during her time at Well Care Closed Door Pharmacy .

Since then we found out there were some misunderstandings occurring between getting her license and her dream job. She has remained in good contact with us to make sure she is doing everything on her end to ensure she can be a step closer to her dream to be pharmacy technician. Amazi and I still talk constantly about the future job she will have one day once she sorts all of this out. Even when faced with challenges, Amazi continues to persevere through it all.

Please do not hesitate to contact me with any additional questions regarding Amazi

On that day I was 19 years old and drinking an ungodly amount, my parents were out of town and my boyfriend Tyler and I were partying. At this time in my life, I was grieving the loss of my girlfriend Shannon, who passed away Halloween 2017 and I was abusing alcohol from that day forward. My brother is 15 years older than I am, we have never had the best relationship as he has always struggled with drug and alcohol addiction and has been violent with me since I was 12. He has lived with me and my parents since I was born and I have many memories of him physically hurting me, it does not excuse my actions for my charge because violence is never the answer, but I thought I would provide a little background in our brother sister relationship. He was withdrawing from meth that night and he got in my face while I was heavily intoxicated and that's when I started to lash out. I was blackout drunk and my boyfriend Tyler got inbetween my brother and I, that's when I lashed out at him too. Tyler was also living at my parents place with my brother and I, they were difficult times for everyone... Tyler came to my court case to show that he is not threatened by me and that he just wants to see me get help for my addiction. I am very embarrassed and ashamed of my actions and would hate to see this damper my license from the Board. Years of alcohol abuse, actions and consequences, loss of family and friends have taught me my lesson. That's why I am happy to say, that I am 23 years old now and as of August 19, 2021, I am alcohol free and my relationship with my brother and Tyler has been blossoming and improved a great deal! Quiting drinking has been the best decision I have made so far in my life! Although my brother still struggles with his own addictions I love him very much and he's MY big brother. My friends and family have told me they are proud of the changes I have made for myself and my stability I now possess.

Dear Jorge Ysacc Burgos:

On November 15, 2017, the U.S. Office of Personnel Management (OPM) proposed your debarment for a period concurrent with your U.S. Department of Health and Human Services (DHHS) exclusion. OPM's debarment became effective on December 21, 2017.

DHHS has notified us that they have modified your exclusion. Accordingly, I have terminated OPM's debarment effective October 17, 2022, and all Federal Employees Health Benefit Program (FEHBP) carriers will be notified of the change in your status. In addition, your OPM debarment will be removed from the General Services Administration's government wide System for Award Management (SAM), formerly, Excluded Parties List System or EPLS.

Re: *Dr. Jorge Burgos - Withdrawal Of Application For Controlled Substance License*

Dear Mr. Edwards:

I am writing pursuant to our telephone calls on April 8, 2019 and our brief discussion at the Board of Pharmacy's (the "Board") public meeting on April 11, 2019. As I explained, on or about January 14, 2019, my client, Jorge Burgos, submitted his Controlled Substance Application (the "Application") with the Board. When he submitted the Application, Dr. Burgos was operating under the misapprehension that he required a controlled substance license from the Board to prescribe dangerous drugs. He does not currently have a DEA license to prescribe controlled substances and does not prescribe them as part of his practice. You explained to me that, because of his active medical license, he does not need a separate controlled substance license from the Board to prescribe dangerous drugs.

As a result, Dr. Burgos respectfully seeks to withdraw his Application. He may resubmit an Application once he reapplies for his DEA license and such license is reinstated. Please let me know if this letter suffices to withdraw Dr. Burgos' application or some further action is necessary.

I am very appreciative of your continued courtesy in this matter. Please contact me with any questions or requests for any further information the Board requires.

Very truly yours,

Crane M. Pomerantz

To Whom It May Concern:

I have received a letter sent to a former place of employment, BeXtreme Weight :Loss and Wellness. I've not worked there for several years and am now almost completely retired, practicing only very occasionally. The document requests that I cease and desist prescribing controlled substances, and I have done so. I'm embarrassed to admit this, but I believe what I failed to do is renew my state license to prescribe controlled substances. My only excuse is that my life, along with all my fellow Americans, has been changed with this pandemic and I simply forgot. Please advise me as to how I can get back in your good graces.

Sincerely,

Re: Physician's and Surgeon's Certificate No. G 59845

Dear Dr. Kidney,

This letter is one I wish I did not have to write. On December 7, 2012, the Medical Board of California ("MBC") revoked your license to practice in this state. On April 12, 2013, you asked me to help you get that revocation overturned. I regret to report that after considerable effort, I am unable to accomplish that task.

This is all the more unfortunate because the MBC is well-aware the revocation of your license was not the result of any discipline imposed for medically-related reason. Instead, the revocation of your license resulted from application of a series of laws and regulations that generally preserve the rights of licensed physicians within this state. Fortunately, you will be permitted to reapply for licensure in two years. It is my hope this letter will explain the causes of the revocation and explain the steps I took to have your license immediately reinstated. Make no mistake - not even the MBC believes you are guilty of a serious offense. Rather, by waiting until after your license was taken in a default proceeding, the MBC found it lacked the jurisdiction to rectify what even it concedes should have been a minor administrative matter.

Allow me to elaborate. The underlying case upon which the revocation was based concerns your failure to disclose two different privilege suspensions to the Nevada Board of Medical Examiners when you renewed your license to practice medicine in Nevada in 2007 and 2009. The Nevada State Board of Medical Examiners reprimanded you and ordered you to pay a fine of $1,000.00. As far as you were aware, that was the end of the story.

However, that was not the case. Because you maintained an active California license through 2010,[1] California maintained jurisdiction over that license because your ability to practice could be reinstated any time you chose to bring yourself current with the state's requirements. Then, in 2012, California discovered you had been disciplined by the state of Nevada. On or about March 19, 2012, the Board sent you a certified letter offering to settle the

[1] In 2010 you allowed your California license to expire as you were neither living nor practicing in California.

matter for a Public Letter of Reprimand. (See enclosed.) Unfortunately, you never received that letter as the original was eventually returned to the Board unopened and unclaimed.[2]

On or about June 20, 2012 the Board served an Accusation by both Certified and First Class Mail to your address of record with the Board, which was P.O. Box 93358, Las Vegas, Nevada. On or about August 17, 2012 the Board also served copies of the Accusation to an address at 2245 N. Green Valley Parkway, Suite 441, Henderson, Nevada, 89074, and to an address at 2300 Prometheus Court., Henderson, Nevada, 89074. You did not receive a copy of that Accusation either.

Although the Board received a signed green certified mail receipt for the Accusation Packet mailed to the Green Valley Parkway address on or about August 22, 2012, the Accusation Packet sent by First Class Mail to that address was returned to the Board by the U.S. Postal Service. The Accusation Packet sent to the Prometheus Court address was returned by the U.S. Postal Service on or about August 27, 2012 with the notation that the addressee had "moved, left no address, return to sender." In any event, the Board knew you never received actual notice of its Accusation.

On or about September 26, 2012, the MBC sent a Courtesy Notice of Default by both First Class and Certified mail apparently advising you that an Accusation had been served, that your failure to respond had resulted in a default and that you had an opportunity to request relief from that default. However, you never received that letter and on or about October 12, 2012, the Notice of Default sent to the Prometheus Court address and the Green Valley Parkway address were returned by the U.S. Postal Service.

On or about November 7, 2012, the Board sent you notice of its decision to revoke your medical license effective December 7, 2012. However, the Notice of Revocation was returned by mail. In fact, you did not learn your license was revoked until mid-March, 2013, when you returned to the U.S. from an extended stay abroad where you had been attending your mother's funeral and wrapping up her affairs.

We sought reconsideration of the Board's action by filing a Motion for Reconsideration *Nunc Pro Tunc*, suggesting that revocation of your license for an administrative oversight was too severe a punishment. We suggested a remedy, that the revocation could be rectified by the Board extending, post hoc, the time it had initially offered you to respond to its offer of a public letter of reprimand. Because the 30-days initially offered by the MBC was not statutorily limited, the Board could best correct the situation by, in effect, turning back the clock, to permit you to accept the plea you would have accepted had you actually been notified of its offer.

[2] Clearly, the Board would not have made the offer in the first place had it believed the underlying discipline was anything other than a de minimis oversight. (See enclosed letter from Medical Board of California.)

Unfortunately, the MBC declined to review the Motion, stating simply that it lacked the jurisdiction to reconsider the matter.

We then filed a Petition for Writ of Mandamus with the Superior Court, asking it to direct the MBC to hear your case. That matter was set for a hearing in October 2013. Had your case been heard by a hearing officer, we believed the revocation would not stand. However, in order to speed up the proceedings we started to supplement the Petition with an Ex Parte Application requesting the Court to order the MBC to show cause why it should not stay the revocation of your license until the October 2013 hearing. First, we had hoped to demonstrate to the Court that the MBC's service of the Accusation by Certified Mail did not meet the more stringent requirement that Accusations must be served by "Registered Mail." We argued that your failure to receive any actual notice of the proceedings against you violated your due process because use of Certified Mail, without a Registered Return Receipt did not guarantee that the method of service employed was reasonably certain to reach you. We believed our argument would have required the MBC to retain jurisdiction over your matter. However, subsequent review revealed that accusations served by State Agencies are exempt from the requirement that accusations must be served by Registered Mail.

Next, we argued that there was an excusable reason for your failure to receive actual notice of the actions against you. This argument of "excusable neglect" would have permitted the court to overturn the default within a period of six months. Unfortunately, the excusable neglect argument, although valid in that it is the policy of the law that every case should be heard upon the merits where possible, could not create jurisdiction once it had been lost, even if the jurisdiction in the matter was lost unfairly. And the time for challenging a default in a licensing decision is far shorter that is the time allowed to challenge defaults in other matters.

As a result, we are left to deal with the fallout of an unfair decision. The revocation of your California license resulted from a default, which resulted from your failure to have actual notice that there was a proceeding against you. That proceeding was a derivative matter, arising out of the discipline you received in Nevada. The discipline you received in Nevada was the result of your failure to report two different privilege suspensions, although neither of those privilege suspensions were the result of any medical lapses.

In two years, you will be permitted to reapply for a new California license. I do not anticipate that you will have any difficulty. In the interim, it is important that any agency, board or administrative body reviewing your record fully understand that the only discipline you have ever faced arose out of your failure to report the 2007 and 2009 Nevada privilege suspensions. No other allegations have ever been made or sustained against you.

The reason your license was revoked in California has nothing to do with your medical skills or ethics. Rather, your license was revoked because the law that permits the state to claim you had constructive notice of the proceeding against you although you had no actual notice of any proceeding.

RE: Physician's and Surgeon's Certificate No. G 59845
Case Number 16-2011-219814

Dear Dr. Kidney:

Pursuant to California Business and Professions Code (B&P) section 2234, the Medical Board of California (Board) is authorized to investigate and take action against any licensee charged with unprofessional conduct. The Board's investigation revealed that on December 2, 2011, the Nevada Board of Medical Examiners approved a Settlement, Waiver and Consent Agreement. You received a Public Reprimand, and was ordered to pay $1,187.62 for the cost incurred by the Nevada Board to investigate and prosecute this matter, and a fine in the amount of $1,000. The Nevada Board found that you failed to disclose two (2) different privilege suspensions by Sunrise Hospital on successive renewal applications, 2007 and 2009, in Nevada.

These actions are in violation of California B&P Code sections 141(a), 2234 and 2305.

The Board's investigation concludes that cause and evidence exist to file an Accusation against your California license. However, pursuant to the authority granted in B&P Code section 2233, we are offering you the disciplinary alternative of accepting a Public Letter of Reprimand in lieu of formal Accusation and hearing. The Public Letter of Reprimand is considered disciplinary action and is a public document.

You have 30 days from the date of this notification to respond in writing. If you do not respond within 30 days or elect not to accept the Public Letter of Reprimand, the Board will immediately file a formal Accusation to revoke or suspend your license. Please indicate your decision below, sign and return in the self-addressed envelope provided. If you agree to a Public Letter of Reprimand, the Letter will be issued to you upon receipt of the signed copy of this agreement. A draft copy of the Letter is enclosed for your review. If you have any questions concerning this offer, please contact Brenda Allen at (916) 263-2624.

Sincerely,

A. RENEE THREADGILL
Chief of Enforcement

In 4/2015, I appealed the decision and the State Board of Licensure in Maine suspended the restriction.

In 9/2012, I applied for licensure in the State of Nevada, which imposed a restriction for 1 year for the Board of Medicine to review my records of selected patient from my practice at the Elko Medical Clinic in Elko, NV. After completing the review of medical records, the state of Nevada issued a full unrestricted license to continue to practice in NV.

STATE OF MAINE
BOARD OF LICENSURE IN MEDICINE

IN RE:	)	
	)	FIRST AMENDMENT TO CONSENT
JOHN S. TKACH, M.D.	)	AGREEMENT DATED APRIL 23, 2012
	)	
Complaint No. CR08-256	)	

This document is the First Amendment to the Consent Agreement entered into between John S. Tkach, M.D. ("Dr. Tkach"), the Board of Licensure in Medicine ("the Board") and the Office of the Attorney General, which Consent Agreement imposed discipline against Dr. Tkach's license to practice as a physician in the State of Maine effective April 23, 2013. A copy of the Consent Agreement is attached hereto as Attachment A. This First Amendment will not become effective unless and until signed by all parties. This First Amendment is entered into pursuant to 10 M.R.S. § 8003(5)(B) and 32 M.R.S. § 3282-A and paragraphs 15(c) and 18 of the Consent Agreement.

FACTS

1. The Board first issued Dr. Tkach a license (MD13903) to practice as a physician in the State of Maine on November 15, 1994. Dr. Tkach specializes in internal medicine.

2. Effective April 23, 2012, Dr. Tkach, the Board, and the Office of the Attorney General entered into the Consent Agreement, which imposed discipline against Dr. Tkach's license to practice as a physician in the State of Maine as a result of Dr. Tkach prescribing controlled medications in an unprofessional manner.

3. Specifically, the Consent Agreement: (1) imposed a reprimand; (2) required Dr. Tkach to reimburse the Board for the cost of its investigation; and (3) imposed restrictions on the manner in which Dr. Tkach could prescribe controlled medications.

4. Paragraph 15(c) of the Consent Agreement reads as follows:

> 15. As discipline for the conduct admitted above, Dr. Tkach agrees to:
>
> . . .
>
> c. Accept the following license restriction, which shall remain in effect unless or until this Consent Agreement is rescinded or amended by all of the parties hereto: Dr. Tkach shall immediately cease prescribing any controlled medications, including all opiates and benzodiazepines, for the treatment of chronic pain except for:
>
> (i) Patients in skilled nursing facilities or long-term care facilities;
>
> (ii) Patients in hospice care; or
>
> (iii) Patients with metastatic cancer.
>
> In complying with this restriction, Dr. Tkach shall ensure that any and all prescriptions that he issues for the three excepted categories of patients identified above are annotated with the words "skilled nursing facility/long-term care" or "hospice care" or "metastatic cancer" as applicable to each patient.

5. Paragraph 16 of the Consent Agreement reads as follows:

> 16. Dr. Tkach may prescribe controlled substances for no more than ten (10) consecutive days to treat acute conditions. In addition, to the extent that Dr. Tkach prescribes any controlled drugs to patients for acute pain, Dr. Tkach agrees that he shall comply with Board Rule, Chapter 21, "Use of Controlled Substances For Treatment of Pain."

6. Following the effective date of the Consent Agreement, Dr. Tkach departed from Maine and relocated to Nevada.

7. On September 7, 2012, the Nevada State Board of Medical Examiners issued Dr. Tkach a license to practice medicine (License No. 14538) which imposed prescribing limitations on that license for a period of one year.

8. On December 9, 2013, Dr. Tkach's Maine license lapsed as a result of his failure to renew the license.

9. Dr. Tkach now holds an unrestricted license to practice medicine in Nevada and practices at Northeastern Nevada Regional Hospital in Elko, Nevada.

10. Pursuant to correspondence dated January 8, 2015, Dr. Tkach requested that the Board modify the Consent Agreement so that it would no longer impose restrictions on his

license.

11. On March 10, 2015, following its review of Dr. Tkach's request to modify the Consent Agreement, the Board instructed its assigned legal counsel to propose to Dr. Tkach this First Amendment to the Consent Agreement.

12. By signing this First Amendment, Dr. Tkach waives any and all objections to, and hereby consents to allow the Board's legal counsel to present this proposed First Amendment to the Board for possible ratification. Dr. Tkach also forever waives any arguments of bias or otherwise against any of the Board members in the event that the Board fails to ratify this proposed First Amendment.

13. Absent Dr. Tkach's acceptance of this First Amendment by signing and dating it before a notary and mailing it to Maine Board of Licensure in Medicine, 137 State House Station, Augusta, Maine 04333-0137 on or before April 17, 2015, the Consent Agreement shall remain in effect in its entirety as effective on April 23, 2012, and without modification.

COVENANTS

Dr. Tkach and the Board agree to the following:

14. Dr. Tkach admits to the facts as stated above.

15. Provided that Dr. Tkach does not apply for licensure or otherwise practice health care in any capacity in the State of Maine, the provisions of paragraphs 15(c) and 16 of the Consent Agreement, which impose restrictions on Dr. Tkach's Maine license, shall be suspended. In the event that Dr. Tkach applies for licensure or otherwise practices health care in any capacity in the State of Maine, which determination shall be at the sole discretion of the Board, the Board shall have the discretion to unilaterally lift the suspension and reactivate these provisions of the Consent Agreement.

16. Violation by Dr. Tkach of any of the terms or conditions of the Consent Agreement as modified by this First Amendment shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of re-licensure.

17. Pursuant to 10 M.R.S. § 8003(5) the Board and Dr. Tkach agree that the Board has the authority to issue an order, following notice and hearing, imposing further discipline, including revocation or suspension of his license, in the event that he fails to comply with any of the terms or conditions of the Consent Agreement as modified by this First Amendment.

18. Dr. Tkach waives his right to a hearing before the Board or any court regarding all findings, terms, and conditions of this First Amendment. This First Amendment is not appealable and is effective until modified or terminated in writing by agreement of all of the parties hereto.

19. The Board and the Office of the Attorney General may communicate and cooperate regarding Dr. Tkach or any other matter relating to this First Amendment or the Consent Agreement.

20. This First Amendment and the Consent Agreement are a public records within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408.

21. Nothing in the Consent Agreement as modified by this First Amendment shall be construed to affect any right or interest of any person not a party hereto.

22. The Board and Dr. Tkach agree that no further agency or legal action will be initiated against him by the Board based upon the facts admitted to or found herein except or unless he fails to comply with the terms and conditions of the Consent Agreement as modified by

this First Amendment. The Board may however consider the conduct described in the Consent Agreement as evidence of a pattern of misconduct in the event that similar allegations are brought against Dr. Tkach in the future. The Board may also consider the fact that discipline was imposed by the Consent Agreement in determining appropriate discipline in any further complaints against Dr. Tkach's Maine physician license.

23. Dr. Tkach acknowledges by his signature hereto that he has read this First Amendment, that he has had an opportunity to consult with an attorney before executing this First Amendment, that he executed this First Amendment of his own free will, and that he agrees to abide by all terms and conditions set forth herein.

24. The effective date of this First Amendment shall be the date on which the final signature is affixed to this First Amendment.

I, JOHN S. TKACH, M.D., HAVE READ AND UNDERSTAND THE FOREGOING FIRST AMENDMENT AND AGREE WITH ITS CONTENTS AND TERMS. I FURTHER UNDERSTAND THAT BY SIGNING THIS FIRST AMENDMENT, I WAIVE CERTAIN RIGHTS, INCLUDING THE RIGHT TO A HEARING BEFORE THE BOARD. I SIGN THIS FIRST AMENDMENT VOLUNTARILY, WITHOUT ANY THREAT OR PROMISE. I UNDERSTAND THAT THE CONSENST AGREEMENT AS MODIFIED BY THIS FIRST AMENDMENT CONTAINS THE ENTIRE AGREEMENT AND THERE IS NO OTHER AGREEMENT OF ANY KIND, VERBAL, WRITTEN, OR OTHERWISE.

IN RE:	)	CONSENT AGREEMENT
JOHN S. TKACH, M.D.	)	FOR DISCIPLINE AND
Complaint No. CR08-256	)	RESTRICTED/CONDITIONAL
	)	LICENSURE

This document is a Consent Agreement For Discipline and Restricted/Conditional Licensure, effective when signed by all parties, regarding discipline imposed upon and the issuance of an active conditional license to practice medicine in the State of Maine to John S. Tkach, M.D. The parties to this Consent Agreement are: John S. Tkach, M.D. ("Dr. Tkach"), the State of Maine Board of Licensure in Medicine (the "Board") and the Maine Office of the Attorney General.

STATEMENT OF FACTS

1. The Board first issued Dr. Tkach a medical license on November 15, 1994. Dr. Tkach specializes in Internal Medicine.

2. On July 8, 2008, the Board reviewed information received from St. Croix Regional Family Health Center (St. Croix) indicating that it had concerns regarding Dr. Tkach's prescribing of controlled substances. Following its review of this information, the Board voted to initiate a complaint against Dr. Tkach's Maine medical license for alleged unprofessional conduct and incompetence regarding his prescribing of controlled substances. The Board docketed the complaint as CR 08-256, and sent it to Dr. Tkach for a response.

3. On October 8, 2008, the Board received a written response to

complaint CR08-256. In his response, Dr. Tkach stated that he exercised appropriate care when prescribing controlled substances to the patients at St. Croix, including reviewing the prescription monitoring program (PMP), conducting pill counts and ordering urine drug screens. Dr. Tkach then explained the basis for his prescribing of controlled drugs to the patients identified in the complaint information.

4. On December 9, 2008, the Board reviewed complaint CR08-256, and voted to further investigate it by ordering an outside expert review of Dr. Tkach's prescribing of controlled substances to 74 patients identified in the complaint.

5. On November 9, 2009, the Board discussed the outside expert review of Dr. Tkach's prescribing of controlled substances to 74 patients identified in the materials of Complaint No. CR08-256. The opinions of the outside expert included:

a. There was a clear violation of the standard of care in the documentation of the 74 patients due to: "a very substandard evaluation process for the general assessment of a medical patient"(which should include a history, review of systems, review of studies and laboratory findings, physical examinations, assessment of the date, and proposed diagnoses); and "the violation of basic evaluations principles for pain" (which should include a risk of abuse, nature and intensity of the pain, current and past treatment successes/failures, and the effect of pain on current functioning).

b. Dr. Tkach violated the standard of care of prescribing controlled drugs to the patients for the treatment of nonmalignant pain by: failing to document that other treatment modalities/adjuvant therapies had been considered; failing to document the medical explanation for the treatment choices; and failing to document the

progress of medication along the usual continuum prior to prescribing controlled substances. In addition, none of the patient records contained any objectives of the treatment or the patients' responses to any of the medications.

c. Dr. Tkach violated the standard of care for prescribing controlled drugs by not having written pain contracts with the patients.

d. Dr. Tkach violated the standard of care with regard to medical record keeping by: failing to record subjective and objective data to support any of his decision making; and failing to consistently document the discontinuation and/or initiation of medications.

Following its review of the foregoing information, the Board voted to direct that Dr. Tkach undergo a Special Purpose Examination (SPEX), which is designed to evaluate a physician's current general medical knowledge. The minimum passing score for SPEX is 75.

6. On June 8, 2010, the Board reviewed Complaint No. CR08-256, including the test results of Dr. Tkach's SPEX. The minimum passing score for SPEX is 75. Dr. Tkach received a SPEX score of 76. Following its review of this information, the Board voted to invite Dr. Tkach to attend an informal conference to discuss Complaint No. CR08-256, including the following specific issues in addition to the SPEX score:

a. Medical Record Documentation, including but not limited to:
   - lack of subjective or objective data to support decision making
   - lack of consistent documentation about starting/stopping medications
   - lack of review of studies, laboratory findings, physical examination, assessment of all medical problems

b. Prescribing Practices, including but not limited to:
   - rationale for prescribing

- lack of written pain contracts
- lack of monitoring

c. Clinical Competency, including but not limited to:
- diagnosis
- treatment planning/modalities

7. On September 14, 2010, the Board held an informal conference with Dr. Tkach regarding Complaint No. CR08-256. Following the informal conference, the Board requested that Dr. Tkach provide it with an educational plan for the improvement of his medical practice, and subpoenaed an additional ten (10) patients records to review Dr. Tkach's prescribing practices and medical record keeping.

8. On November 23, 2010, the Board received Dr. Tkach's educational plan, which included continuing medical education for primary care physicians and taking the Internal Medicine Board certification examination in August 2011.[1]

9. On December 14, 2010, the Board reviewed Dr. Tkach's educational plan and the additional ten (10) patient records involving Dr. Tkach's prescribing of controlled substances. Following its review of this information, the Board voted to send Dr. Tkach a letter requesting that he voluntarily cease prescribing controlled substances, and that he voluntarily take a course on narcotic prescribing by July 1, 2011. In addition, the Board voted to revisit Complaint No. CR08-256 in six (6) months. Dr. Tkach

[1] As of March 23, 2012, Dr. Tkach has not been certified by the American Board of Internal Medicine.

subsequently voluntarily ceased prescribing controlled drugs and agreed to take a course regarding the prescribing of controlled medications.

10. On July 12, 2011, the Board met with Dr. Tkach in an informal conference to discuss Complaint No. CR08-256, the course he took regarding prescribing controlled medications, and the additional (10) patient records. Following that informal conference, the Board noted that there had been improvement in Dr. Tkach's medical record keeping. However, the Board was still concerned about Dr. Tkach's prescribing of controlled medications. The Board advised Dr. Tkach about its concerns, agreed that he could resume prescribing controlled substances, and that it would review an additional ten (10) medical records in six (6) months time.

11. On January 10, 2012, the Board met with Dr. Tkach in an informal conference to discuss Complaint No. CR08-256, and the additional (10) patient records involving Dr. Tkach's prescribing of controlled medications. During the informal conference, the Board reviewed deficiencies with the ten patient records, including: lack of random urine screens, lack of pill counts, early refills for medications, failure to document violations of pain contracts and the rationale for resuming or continuing to prescribe controlled medications, treating fibromyalgia with escalating dosages of narcotics, and failure to consider alternative treatment modalities. The Board noted that Dr. Tkach's medical records were more complete, that he had tried to work with the Board, but that issues still remained regarding his prescribing of controlled

substances for chronic pain. The Board noted that of the 10 charts reviewed, 60% showed pain contract violations. Therefore, following his informal conference, the Board voted to offer Dr. Tkach this Consent Agreement to resolve Complaint No. CR08-256 without further proceedings.

12. This Consent Agreement has been negotiated by and between legal counsel for Dr. Tkach and the Maine Office of the Attorney General in order to resolve complaint CR08-256 without an adjudicatory hearing. Absent Dr. Tkach's acceptance of this Consent Agreement by signing it, dating it, having it notarized, and returning it to the Maine Board of Licensure in Medicine, 137 State House Station, Augusta, Maine 04333-0137 on or before April 26, 2012, the Board will resolve this matter by holding a consolidated adjudicatory hearing at a later date.

13. By signing this Consent Agreement, Dr. Tkach waives any and all objections to, and hereby consents to allow the Board's legal counsel to present this proposed Consent Agreement to the Board for possible ratification. Dr. Tkach also forever waives any arguments of bias or otherwise against any of the Board members in the event that the Board fails to ratify this proposed Consent Agreement.

COVENANTS

In lieu of proceeding to an adjudicatory hearing the Board and Dr. Tkach agree to the following disposition.

14. Dr. Tkach concedes that based upon the facts described in

paragraphs 1 to 14 above that the Board has sufficient evidence from which it could conclude that he violated the standard of care of prescribing controlled drugs to the patients for the treatment of nonmalignant chronic pain. Dr. Tkach concedes that such conduct, if proven, could constitute grounds for discipline of and the denial of his application to renew his Maine medical license pursuant to 32 M.R.S.A. § 3282-A(2)(F).

15. As discipline for the conduct admitted above, Dr. Tkach agrees to:

a. Accept a REPRIMAND. As a medical professional, Dr. Tkach was responsible for being aware of and complying with accepted standards of care for the diagnosis and treatment of chronic pain with narcotics and benzodiazepines.

b. Reimburse the Board Two Thousand Seven Hundred Five Dollars and Zero Cents ($2,705.00) as the actual costs of the investigation of this matter. Dr. Tkach shall ensure that he makes full payment of reimbursement to the Board within twenty-four (24) months following the execution of this Consent Agreement. Payment shall be made by certified check or money order made payable to "Maine Board of Licensure in Medicine," and be remitted to Maria MacDonald, Investigator, Maine Board of Licensure in Medicine, 137 State House Station, Augusta, Maine 04333-0137.

c. Accept the following license restriction, which shall remain in effect unless or until this Consent Agreement is rescinded or amended by all of the parties hereto: Dr. Tkach shall immediately cease prescribing any

controlled medications, including all opiates and benzodiazepines, for the treatment of chronic pain except for:

(i) Patients in skilled nursing facilities or long-term care facilities;

(ii) Patients in hospice care; or

(iii) Patients with metastatic cancer.

In complying with this restriction, Dr. Tkach shall ensure that any and all prescriptions that he issues for the three excepted categories of patients identified above are annotated with the words "skilled nursing facility/long-term care" or "hospice care" or "metastatic cancer" as applicable to each patient.

16. Dr. Tkach may prescribe controlled substances for no more than ten (10) consecutive days to treat acute conditions. In addition, to the extent that Dr. Tkach prescribes any controlled drugs to patients for acute pain, Dr. Tkach agrees that he shall comply with Board Rule, Chapter 21, "Use of Controlled Substances For Treatment of Pain."

17. In order to ensure his compliance with the restriction on his ability to prescribe controlled drugs for the treatment of chronic pain, Dr. Tkach agrees to fully cooperate with the Board and to permit the Board or its agent(s) to inspect his medical practice, including allowing the Board or its agents full access to and copying of the patient medical records of his medical practice without subpoena.

18. Dr. Tkach waives his right to a hearing before the Board or any court regarding all findings, terms, restrictions and conditions of this Consent Agreement. Dr. Tkach agrees that this Consent Agreement is a final order resolving complaints CR08-256. This Consent Agreement is not appealable and is effective until or unless modified or rescinded in writing by the parties hereto. This Consent Agreement cannot be amended orally. It can only be amended by a writing signed by the parties hereto and approved by the Office of Attorney General.

19. The Board and the Maine Office of the Attorney General may communicate and cooperate regarding Dr. Tkach or any other matter relating to this Consent Agreement.

20. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408. This Consent Agreement constitutes disciplinary and adverse licensing action that is reportable to the Federation of State Medical Boards (FSMB), the National Practitioner Date Bank (NPDB), and the Healthcare Integrity and Protection Data Bank (HIPDB).

21. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

22. The Board and Dr. Tkach agree that no further agency or legal action will be initiated against him by the Board based upon complaint CR08-256, except or unless he fails to comply with the terms and conditions of this

Consent Agreement.

23. Dr. Tkach acknowledges that, pursuant to Title 10 M.R.S. § 8003(5)(B), his failure to comply with any of the terms or conditions of this Consent Agreement shall constitute grounds for additional disciplinary action against his Maine medical license, including but not limited to an order, after hearing, imposing additional fines and costs.

24. Dr. Tkach acknowledges and agrees that, pursuant to Title 10 M.R.S. § 8003(5), the Board has the authority to suspend or revoke his medical license in the event that he fails to comply with any terms or conditions of this Consent Agreement.

25. Dr. Tkach has been represented by David C. King, Esq., who has participated in the negotiation of this Consent Agreement.

26. Dr. Tkach acknowledges by his signature hereto that he has read this Consent Agreement, that he has had an opportunity to consult with an attorney before executing this Consent Agreement, that he executed this Consent Agreement of his own free will and that he agrees to abide by all terms and conditions set forth herein.

I, JOHN S. TKACH, M.D., HAVE READ AND UNDERSTAND THE FOREGOING CONSENT AGREEMENT AND AGREE WITH ITS CONTENTS AND TERMS. I FURTHER UNDERSTAND THAT BY SIGNING IT, I WAIVE CERTAIN RIGHTS, INCLUDING THE RIGHT TO A HEARING BEFORE THE BOARD. I SIGN THIS CONSENT AGREEMENT VOLUNTARILY, WITHOUT ANY THREAT OR PROMISE. I UNDERSTAND THAT THIS CONSENT AGREEMENT CONTAINS THE ENTIRE AGREEMENT AND THERE IS NO OTHER AGREEMENT OF ANY KIND, VERBAL, WRITTEN OR OTHERWISE.

[2] On July 23rd & 24th of 2011, Dr. Alexis was forced to sign a confession under duress by former Syracuse special agent Sean Boutot.

[3] This confession was then immediately used against Dr. Alexis, and quickly events unfolded which made it impossible for him to mount a proper defense.

Vincent P. Alexis, DVM Petitioner, v. State of Texas Secretary of State, Texas Board of Veterinary Medical Examiners Respondants.	Texas DVM Lic. # 11628 November 1, 2018

Affidavit of Petitioner: Alexis, in support of complaint against the Texas Board of Veterinary Medical Examiners, signed under 28 U.S.C. §1746 under penalties of perjury the above & the following to be true, correct, & complete. Pro-se.

PETITIONER: ALEXIS RESPECTFULLY REQUESTS THAT THE TEXAS SECRETARY OF STATE VACATE THE JANUARY 2013 GUILTY VERDICT HANDED DOWN BY THE TEXAS BOARD OF VETERINARY MEDICAL EXAMINERS AGAINST ALEXIS FOR A PRACTICE ACT VIOLATION, BECAUSE OF HIS WORKING FOR A NON-DVM OWNED ANIMAL HOSPITAL.

Background

[1] In January of 2011, Dr. Alexis signed on as a relief veterinarian with Relief Services for the Veterinary Practitioner (RSVP), operating out of Denton, Texas.

[2] Dr. Alexis was routinely called upon by RSVP to work fill-in (relief) shifts at various Texas animal hospitals. His work with/for RSVP lasted through April of 2013.

[3] Dr. Alexis was called upon to work throughout Texas, while residing fifteen minutes East of Austin. His work called upon him to commute as far North as Dallas/Ft. Worth, & as far South as Harlingen.

Exhibit: 1

[4] It was common for Dr. Alexis to receive a work assignment just days before the shift (that's the nature of relief work, as you cannot easily predict when a hospital's staff veterinarian becomes ill, or cannot work their shift).

[5] When RSVP asked Dr. Alexis to cover a shift, he always agreed to do so. He quickly became one of RSVP's "go to" veterinarians, & took pride in his work ethic and availability.

[6] In 2011, RSVP placed Dr. Alexis at two different non-DVM owned animal hospitals - one in Houston, & one in LaMarque. No incidents or concerns arose from his relief work at these hospitals.

[7] Approximately three days after Christmas 2011, Dr. Alexis was asked to work at Furry Friends Animal Hospital (FFAH), located in Harlingen, Texas. This relief work was to last approximately one month, & was scheduled to begin on the first work-day of 2012.

[8] A few days into the first week of work at FFAH, the receptionist (Alina Scovell) mentioned to Dr. Alexis that the Texas State Board of Veterinary Medical Examiners (TXBVME) had visited the hospital, un-announced, in mid-November, 2011. They met with Christine (Chris) Morris, the owner, & with Dr. Hayes, another RSVP veterinarian who was providing coverage.

[9] Ms. Scovell elaborated that at that meeting, the TXBVME informed Ms. Morris & Dr. Hayes that the Board believed that the operation of FFAH was illegal/in violation of TXBVME practice laws, since the hospital was not "owned by a veterinarian." The TXBVME stated that they would issue a decision, within 10 days, by certified mail.

Exhibit: 1

[10] Obviously, Dr. Alexis was concerned to hear about the State Board's visit, & their concerns about the legality of Ms. Morris's venture. He spoke about this with Ms. Morris & she assured Dr. Alexis that her attorney had contacted the TXBVME, & that "Everything was in order." Furthermore, Ms. Morris was quick to point out that the TXBVME never did send the certified mailing instructing her to cease & desist operation of FFAH.

[11] Later that same day, Ms. Morris called her attorney. She wanted to assure Dr. Alexis that he would be able to practice at her hospital without concerns, so she asked him to speak with her attorney. Dr. Alexis did speak to Ms. Morris's attorney at that time. He informed Dr. Alexis that Ms. Morris & FFAH were in full compliance with all TXBVME rules & regulations, & that the TXBVME never did send a certified mailing or issue a cease & desist order.

[12] Ms. Scovell, who as the only receptionist received all the mail, also verified to Dr. Alexis that there was no certified mailing sent to FFAH from the TXBVME, after that mid-November 2011 visit/meeting.

[13] After speaking with Ms. Scovell, Ms. Morris, & her attorney, Dr. Alexis obtained Dr. Hayes' phone number & called him. Dr. Hayes verified that the TXBVME had visited the hospital, unannounced, in mid-November 2011. He also verified to Dr. Alexis that there was no certified mailing sent to FFAH from the TXBVME, after that visit. Dr. Hayes further commented that he hadn't heard from the TXBVME at all since mid-November.

Exhibit: 1

[14] Dr. Alexis also discussed this concern with Monica Hughes at RSVP. She informed Dr. Alexis that they had no knowledge of any TXBVME action or concerns regarding FFAH.

[15] Since RSVP had provided services to FFAH, without concerns, prior to his coverage, & since Ms. Morris, her attorney, Ms. Scovell, & Dr. Hayes all verified that the TXBVME never did issue a cease & desist order, Dr. Alexis continued to provide relief services to FFAH. He had made a commitment to RSVP and to FFAH (a one doctor practice) & its clients, and had no reason to abruptly cancel his coverage.

[16] Ms. Morris had been looking for a full-time staff veterinarian, without success. For this reason, she turned to RSVP for coverage, & in early February 2012 she asked Dr. Alexis to extend his stay. Dr. Alexis agreed to stay for up to one year, so that Ms. Morris would have more time to hire a staff veterinarian.

[17] Approximately eight weeks later, while working at FFAH, Dr. Alexis received a phone call from his brother (& attorney) Drew L. Alexis. Drew informed Dr. Alexis that he had just received a phone call from the TXBVME's attorney. That attorney informed Drew that FFAH was operating illegally, & that Dr. Alexis needed to immediately stop working there. Drew was told by the TXBVME that they wanted to stop Ms. Morris, & that they "Had no interest in pursuing charges against Dr. Alexis, as long as he cooperated & left the practice right away." The TXBVME did not contact Dr. Alexis directly (either by U.S. mail or by phone).

Exhibit: 1

[18] Dr. Alexis agreed to leave the practice. He immediately informed Drew Alexis, RSVP, & Ms. Morris of his intention to comply with the TXBVME order.

[19] Dr. Alexis was now faced with a few acute problems:

[A] Dr. Alexis had just finished up with an OHE (spay) surgery on a dog who was in dystocia & unable to give birth. The queen & her pups needed his care. Dr. Alexis was not willing to depart from Harlingen until these patients were doing well.

[B] Dr. Alexis was not willing to leave behind the controlled drugs which he had ordered under his DEA license (there were no controlled drugs in the hospital upon Dr. Alexis's arrival).

[20] Within 48 hours, Dr. Alexis departed Harlingen & headed North for his home. He took all of the controlled drugs which he had ordered/purchased with him. He did not take any other biologicals or pharmaceuticals which were stocked at FFAH - Dr. Alexis did not purchase/own these items, & therefore had no legal right to remove the items from the premesis (to do so would have been grand theft).

[21] Dr. Alexis is unsure if a cease & desist order was issued to Ms. Morris & FFAH. It does appear, however, that FFAH did not close when the TXBVME ordered Dr. Alexis to leave on/about mid/late April 2012.

Exhibit: 1

[22] Many months later, Dr. Alexis received notice (by U.S. mail) that the TXBVME was pursuing charges against him. The charges included:

[A] Violations of a Practice Act by working for a non-DVM owned hospital.

[B] Violations resulting from Dr. Alexis's decision to leave behind the biologicals/pharmaceuticals which were stocked at FFAH when he departed (see points 19 & 20 above).

[23] On/about January 2013 Dr. Alexis & his San Antonio attorney Keith O'Connell met with the TXBVME in Austin. At that hearing, Dr. Alexis was found **Guilty** of a Practice Act Violation, stemming from his relief work at Furry Friends Animal Hospital from January 3, 2012 through mid/late April 2012.

Conclusion

[24] The TXBVME did not perform their duty in a timely & appropriate manner. The TXBVME was clearly aware of Ms. Morris & her venture, Furry Friends Animal Hospital, in **mid-November 2011.** Nevertheless, the TXBVME failed to act in 2011. The Board waited five full months before taking appropriate action, in **mid/late April 2012.**

Exhibit: 1

[25] Had the TXBVME performed their duty in a timely manner, RSVP would have been aware of their concerns. In turn, Dr. Alexis would also have been aware of the TXBVME's concerns, & never would have agreed to provide relief services at Furry Friends Animal Hospital.

Relief Requested

[26] Dr. Alexis is requesting, for the above stated reasons, that the **Guilty** verdict handed down by the TXBVME in January of 2013, for the above mentioned Practice Act Violation, be **Vacated.** The TXBVME was well aware of Ms. Morris & her illegal venture in mid-November 2011. A five month delay in acting is unconscionable, & is a clear failure by the Texas Board of Veterinary Medical Examiners to protect its veterinarians & the public from unscrupulous business owners like Ms. Morris.

Vincent P. Alexis, DVM Petitioner, v. Nevada State Board of Veterinary Medical Examiners Respondent.	Date_____ Nevada License #1109

VINCENT P. ALEXIS, DVM REQUESTS THE NEVADA STATE BOARD OF VETERINARY MEDICAL EXAMINERS REINSTATE HIS LICENSE TO PRACTICE VETERINARY MEDICINE IN THE STATE OF NEVADA (#1109) TO ACTIVE STATUS, ON A PROVISIONAL BASIS, FOR THE FOLLOWING CONSIDERATIONS, & WITH THE FOLLOWING STIPULATIONS APPROVED BY THE BOARD

Affidavit of Petitioner: Vincent P. Alexis, hereinafter referred to as Alexis, via 28 U.S.C. §1746, states as follows:

Background

[1] Alexis was issued Nevada license #1109, a license to practice veterinary medicine in the State of Nevada, in 1997.

[2] Alexis practiced veterinary medicine in Nevada, on a full-time basis, from 1997-2011, with no State Board actions against him during those 15 years.

Exhibit:3

[3] Alexis practiced veterinary medicine in New York State from 1994-1997, with no State Board actions against him during those 3 years.

[4] Alexis practiced veterinary medicine in the State of Utah for 5 months during 2008, with no State Board actions against him during that time.

[5] Alexis practiced veterinary medicine in the State of Colorado for 4 months during 1994, with no State Board actions against him during that time.

[6] Alexis practiced veterinary medicine as a relief veterinarian in the State of Texas from 2011-April 2013. Alexis did receive a State Board incident/sanction, resulting in discipline in 2013 (please see Exhibit:1 for a thorough explanation of this issue).

[7] Alexis has been incarcerated since April of 2013, & has been unable to participate in CE conferences/meetings.

[8] Alexis understands the importance of a veterinarian's responsibility to obtain regular CE in order to expand his/her knowledge and to stay updated on current topics & developments.

[9] Alexis has, from 1994 through 2012, religiously attended CE conferences. During this time period, he has amassed twice as many CE credits as required by the states in which he is/was licensed.

Exhibit: 3

[10] Alexis will attend the first available CE conference upon his return to Nevada. He will also immediately complete the maximum amount of online CE, which has been approved by the Board. A second CE conference will be attended within 3-5 months of Alexis's first conference. With this course of action, Alexis should quickly amass enough CE credits to cover 2019 & 2020.

Status of State Licenses

[11] **Colorado**
License #5835

Alexis did not renew his Colorado license. The license expired in/around 2012 (Alexis is unsure of the precise date).

[12] **Utah**
License #6959488-2801

Alexis did not renew his Utah license. Alexis is unsure of the date when the license expired.

[13] **New York**
License #7242

Alexis did not renew his New York license. The license expired in/around 2013 (Alexis is unsure of the precise date).

Exhibit:3

[14] **Texas License #11628**

"Texas Attorney General Opinion #GA-0064 states that under §53.021 of the Occupations Code, a license holder's license is revoked by operation of law upon the license holder's imprisonment following a felony conviction..." (Exhibit:2). Alexis's Texas license was "Automatically revoked by operation of law on December 4, 2013."

[15] Alexis has requested a "Letter of Good Standing" from New York, Colorado, Utah, & Texas be sent to the Nevada Board of Veterinary Medical Examiners.

Discussion

[16] Alexis is asking for help & understanding, as he strives to put his life, and career, back on track.

[17] Alexis will almost certainly be restricted from traveling outside of the Southern Nevada region for an extended period of time, upon his release from Fort Dix. This will clearly limit his CE options to Las Vegas Conferences (such as Western States), and online CE.

[18] Obviously, it's extremely important that Alexis is able to earn a living immediately upon his release from Fort Dix. This, clearly centers around his ability to practice veterinary medicine in Nevada.

Exhibit 3

[19] So, Alexis has an obvious dilemma - there might be a significant delay before Alexis has the required amount of CE credits for the Nevada Board of Veterinary Medical Examiners to reinstate his license to practice veterinary medicine.

Relief Requested

[20] WHEREFORE, for the above stated reasons, Dr. Alexis respectfully requests that the Nevada Board of Veterinary Medical Examiners reinstates his license to practice veterinary medicine in Nevada immediatley upon receipt of his application and the $200 fee.

[21] Dr. Alexis will (at the first opportunity approved by U.S. Probation) immediately complete the maximum amount of online CE, which has been approved by the Board.

[22] Dr. Alexis will attend the first available CE conference upon his return to Nevada.

[23] A second CE conference will be attended within 3-5 months of the first conference (with the approval of U.S. Probation).

[24] With this course of action, Dr. Alexis should quickly amass enough CE credits to cover the Board's requirement for his license reinstatement.

Exhibit:3

Conclusion

[25] Dr. Alexis has a proven history of 15 years of active, full-time, practice in Nevada with no state disciplinary actions. During that time, one client filed a complaint against Dr. Alexis. The Board quickly dismissed that sole complaint (Dr. Alexis had not treated the dog in question, an employee of Paw Prints Animal Hospital/Alexis Veterinary Services, LLC [Dr. Paguyo] had treated the client's pet and apparently missed its splenic neoplasia).

[26] Dr. Alexis is asking for help & understanding, as he strives to put his life, and career, back on track. He has employment waiting for his return to Las Vegas, with Dr. Julie Ylarde at East Charleston Animal Hospital.

[27] Dr. Alexis has been accepted into a Las Vegas release program called Hope for Prisoners (Exhibit:5). This program will provide support, so that he can have the best chance of success in the future.

[28] Other than the one charge that resulted in his incarceration, Dr. Alexis has had no prior criminal history/arrests/convictions. He's a first-time, non-violent, offender, and is no threat to anyone, (Exhibits:3 & 4).

[29] Dr. Alexis would like very much to move forward with life. There's a lot that he has to offer to the pets, people, & wildlife of Southern Nevada.

PETITIONER, VINCENT P. ALEXIS DVM, HEREBY SUBMITS AN ADDENDUM TO HIS APRIL 18, 2019 PETITION TO THE NEVADA STATE BOARD OF VETERINARY MEDICAL EXAMINERS FOR REINSTATEMENT OF HIS LICENSE TO PRACTICE VETERINARY MEDICINE IN THE STATE OF NEVADA

Affidavit of Applicant Vincent P. Alexis DVM,
Via 28 U.S.C §1746, States as Follows:

General Background

[1] On April 18, 2019, Petitioner: Vincent P. Alexis, DVM submitted a Petition for license reinstatement with the Nevada State Board of veterinary Medical Examiners.

Exhibit: 4

[2] Today, Dr. Alexis submits an addendum to that Petition. The purpose of this addendum is to update the State Board of events which transpired since the initial submission, and to provide additional letters of reference in support of Dr. Alexis's Petition for license reinstatement.

Factual Statement

[3] Dr. Alexis attended the February, 2020 Western States Veterinary Conference, and completed 5 hours of online continuing education. He now has 38 Continuing Education credits.

[4] Dr. Alexis was released from FCI Fort Dix on September 18, 2019 and returned to Las Vegas, Nevada.

[5] Dr. Alexis is now under the authority of U.S. Probation Officer Steven M. Goldner {300 Las Vegas Blvd. South, Suite 1200, Las Vegas, Nevada 89101, (702) 591-0895}.

Exhibit: 4

[6] Dr. Alexis graduated into the Hope for Prisoners program in January of 2020. This program offers an amazing amount of support for people returning to society. The program has a record-low recidivism rate (approximately 7%), which is far below the national average (approximately 90%).

[7] The evidence before The Board shows that Dr. Alexis has taken many positive steps, and has done everything asked and required of him, since July of 2011. Dr. Alexis has served his debt to society. Dr. Alexis has been patient throughout this license reinstatement process (having applied 18 months ago). Dr. Alexis poses no threat to society. In fact, he is an asset to society.

Relief Requested

[8] Dr. Alexis respectfully requests that The Nevada Board of Veterinary Medical Examiners reinstitute his license to practice veterinary medicine (Lic. No. 1109).

Exhibit: 4

Dr. Alexis.

Thank you for your time on the phone last week.

In order to proceed with processing your application to dispense drugs in Nevada, we will need the supporting documentation regarding your disclosures listed on page 2 of the application. Under Section 4: Personal and Professional History you answered in the affirmative to questions #2 and #3. You have supplied a detailed summary of your disclosures, but Board staff needs the final orders/dispensations from the courts and/or licensing boards. We need the court order (criminal court) and/or administrative order (regulatory board – i.e., Texas, Nevada...) for each of your disclosures. You have included as "exhibit 2" the December 4, 2013 order from the Texas Board of Veterinary Medical Examiners.

Alternatively, we can place you on the next (April) Board Meeting.

Respectfully,

Dave

APPROVED REGULATION OF THE

STATE BOARD OF PHARMACY

LCB File No. R013-21

Filed June 13, 2022

EXPLANATION – Matter in ***italics*** is new; matter in brackets **[**~~omitted material~~**]** is material to be omitted.

AUTHORITY: § 1, NRS 639.070; §§ 2-5, NRS 639.070 and 639.2655.

A REGULATION relating to pharmacy; requiring a license to distribute drugs through certain mechanical means; prescribing fees for such licensure; proscribing requirements governing the use of such mechanical means to distribute drugs; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the State Board of Pharmacy to adopt regulations: (1) relating to the practice of pharmacy as necessary for the protection of the public; and (2) governing the dispensing, recordkeeping, storage and handling of drugs. Additionally, existing law authorizes the Board to charge and collect fees for any incidental service the Board provides. (NRS 639.070) Existing law further authorizes the use of computerized mechanical equipment to perform work that a pharmacist is authorized to perform by law in accordance with the regulations adopted by the Board. (NRS 639.2655)

Existing regulations authorize pharmacies and medical facilities to use mechanical devices to dispense drugs to a patient. (NAC 639.718, 639.720) **Section 3** of this regulation: (1) requires a pharmacy that uses an automated drug dispensing system to obtain a license from the Board; and (2) establishes certain requirements that a pharmacy must follow when using an automated drug dispensing system. **Section 3** requires an automated drug dispensing system to track who uses the system, what drugs are in the system, the temperature of the system and other information to ensure that the drugs in the system are safely stored and only dispensed to a person authorized to receive the dispensed drug. **Section 2** of this regulation prohibits the sale, offer for sale or dispensing of a controlled substance, medication, chemical or poison through an automated drug dispensing system that is unlicensed or otherwise does not comply with the requirements of **section 3**. **Section 5** of this regulation provides that an automated drug dispensing system is not a computerized system to fill prescriptions, and is thus not subject to requirements governing such a computerized system.

Section 4 of this regulation requires a pharmacy to obtain a license to operate a mechanical device, other than an automated drug dispensing system, to furnish drugs and medications for administration to patients in a medical facility. **Section 4:** (1) authorizes the use of such a mechanical device only for drugs that will be administered to patients at the medical

facility; and (2) removes provisions authorizing the use of such a mechanical device to dispense drugs directly to patients at a medical facility.

Existing regulations prescribe a schedule of fees for certain applications, licenses and registrations issued by the Board. (NAC 639.220) **Section 1** of this regulation prescribes fees for the issuance and renewal of a license to operate: (1) an automated drug dispensing system; and (2) a mechanical device to furnish drugs and medications for administration to patients in a medical facility. **Section 1** also removes a reference to a previously deleted fee.

Subject: Transfer Rx Out by Facsimile Authorization

Nevada Board of Pharmacy,

I would like to apply to the Nevada Board of Pharmacy on behalf of Smith's Food and Drug, to authorize our pharmacies to transfer out prescriptions by facsimile machine to another pharmacy without having to comply with provisions set forth in **NAC 639.7145 Section (1)(a)(2) (I, II)** which would require the pharmacist license number or copy of the original prescription be included.

We feel that our system would meet the requirements of **639.7145 (2) (a &b)**,

(a) The pharmacy's computer system will accurately represent the identity of the pharmacist responsible for the transfer; and
(b) The identity of the pharmacist responsible for the transfer cannot be falsified, modified, added or otherwise provided without the knowledge and assent of that pharmacist.

I have attached a copy of our Transfer Rx Out Best Practice for your review.

Thanks,
Rich
