PHARMACY EXAMINING BOARD

PHARMACY SELF-INSPECTION INFORMATIONAL SHEET

The Board no longer requires the Department of Safety and Professional Services to send inspectors to conduct on-site inspections prior to licensure.

The Board does require the Managing Pharmacist to complete this "Pharmacy Self-Inspection Report" (Form #2550). Please complete each line indicating the date of compliance, either actual or anticipated, but in no event later than the proposed opening date indicated on the cover page. If the Pharmacy is in non-compliance with any portions of the "Pharmacy Self-Inspection Report" please indicate why the pharmacy is in non-compliance and when the pharmacy will be in compliance. Return the entire "Pharmacy Self-Inspection Report" to the Board office when completed. Please make a copy for your files.

After the "Pharmacy Self-Inspection Report" has been reviewed and is found to be in order, a license number will be issued if all other requirements have been satisfied.

The Department, on behalf of the Board, will conduct an unannounced audit of the pharmacy location within one year after the date the license was issued to verify that the pharmacy is in compliance with the "Pharmacy Self-Inspection Report" as well as the Wisconsin Statutes and Administrative Code relating to the practice of pharmacy.

This procedure will also be used for remodeling.

Notice To Credential Holders Conducting Self-Inspections

The Division of Legal Services and Compliance in the Department of Safety and Professional Services conducts a follow-up inspection to the self-inspection done by new Pharmacies prior to their opening for business.
Below is a list of the most frequently occurring problems we found during our follow-up inspections. The reference is to the Pharmacy Board Rule or Statute. This list is being provided to assist new businesses in conducting their self-inspections:

- Prescription labels – Not having the correct address of the facility or using the name of the previous pharmacy (Phar 7.02).
- Records – Inadequate recordkeeping of Schedule V substances (Phar 8.02(3)(e)(2)).
- Alarm systems – All facilities must have a functioning alarm system or alternate board approved security system at all times to detect entry after hours. Some facilities were found to have opened without an alarm system in place or the alarm system was not working at various times (Phar 13.10(4)).

Procedure for Reporting Theft or Loss of Controlled Substances

The Managing Pharmacist is responsible for reporting any theft or significant loss of controlled substances to the U.S. Department of Justice, DEA Kluczynski Building, Ste. 1200, 230 S. Dearborn Street, Chicago, IL 60604 (312-353-1236, or 1-800-478-7642 toll free 24 hours). Report the theft or loss on DEA Form #106 (Report of Theft or Loss of Controlled Substances), obtainable from DEA at www.deadiversion.usdoj.gov. In any instance, that a pharmacy, practitioner or other DEA registrant authorized to possess controlled substances is required to file with the DEA a report of theft or loss of controlled substances, the pharmacy, practitioner, or other DEA registrant shall also send a copy to the board within 2 weeks of filing with the DEA.

Procedure for Destroying Controlled Substances

Contact the US Department of Justice, 1000 N. Water Street, Room 1010, Milwaukee, WI 53202, or www.deadiversion.usdoj.gov for the proper forms.

CHAPTER PHAR 10 WISCONSIN ADMINISTRATIVE CODE (STANDARDS OF PROFESSIONAL CONDUCT)

282. 3/13/24 All pharmacists at this pharmacy are aware of the specific practices enumerated in Wis. Admin. Code Phar 10.03.
283. 3/13/24 The pharmacist avoids dispensing or **causing to be dispensed** a drug, which is outdated or contaminated or known by the pharmacist to be unsafe for consumption.
Note: While it is not the objective of this self-inspection project to enumerate conduct considered unprofessional, as listed in Wis. Admin. Code Phar 10, there is a need to identify problems created when a pharmacy's inventory includes examples of long-outdated and/or unacceptable numbers of outdated pharmaceuticals and chemicals. Reasonable effort should be demonstrated to remove such items from regular inventory and expedite their return or destruction. In the opinion of the Pharmacy Examining Board, antique containers and display pieces containing crude drugs are not viewed as violations. But good faith requires the removal of chemicals (undated or outdated) from containers in the professional service area unless they are conspicuously set apart in display containers.

284. 3/13/24 Pharmacists are required to report to the Board any information that reasonably suggests there is a probability that a prescription drug or device dispensed by a pharmacist has caused or contributed to substantial bodily injury or death of a patient.

Pharmacy business model is primarily focused on dispensing specialty medications. In addition, pharmacy conducts nonsterile compounding (hazardous and non-hazardous). Currently, all compounding is conducted within one GermFree CVE that is not vented to the outside (or redundant HEPA filter) and is not located within a negative pressure room see photo01. However, according to the PIC, effective 04/01/2023, all nonsterile compounding operations will be conducted at a new licensed pharmacy space to be located in Suite A of the current building, (see photo02). The new licensed pharmacy will have an externally vented hood located within a proposed negative pressure room and will operate as a separate business entity, in addition to the current pharmacy. Pharmacy holds non-resident licenses in all required states and DC, except California (CA).

License No. 0202-011625

CONSENT ORDER

Now comes the Virginia Board of Pharmacy ("Board") and Vincent E. Jackson and as evidenced by their signatures affixed below, enter into this Consent Order affecting the license of Mr. Jackson to practice pharmacy in the Commonwealth of Virginia.

FINDINGS OF FACT

1. Vincent E. Jackson holds License No. 0202-011625 issued by the Board to practice pharmacy in the Commonwealth of Virginia.

2. On October 1, 1997, an inspection was conducted at Mr. Jackson's principal place of practice, CVS/pharmacy #1377, 9871 Georgetown Turnpike, Great Falls, Virginia, and he was not able to provide documentation for having obtained continuing pharmacy education for 1996.

3. Subsequently, Mr. Jackson provided the Board office with continuing pharmacy education documentation for 13.5 hours for 1996.

4. On the 1997 renewal notice processed by the Board on January 2, 1997, Mr. Jackson indicated "Yes" to the statement, "I certify that I have met all continuing education requirements to renew this license".

CONCLUSIONS OF LAW

The Board concludes that Findings of Fact #2 and #3 constitute a violation of § 54.1-3314.1(A), § 54.1-3316(5), (7) and (10) of the Code of Virginia, (1950), as amended, and 18 VAC 110-20-90(A), (F) and (G) of the Board of Pharmacy Regulations.

CONSENT

Vincent E. Jackson, by affixing his signature hereon, agrees to the following:

1. He has been advised specifically to seek the advice of counsel prior to signing this document;

2. He is fully aware that without his consent, no legal action can be taken against his except pursuant to the Virginia Administrative Process Act, § 9-6.14:1 et seq of the Code of Virginia;

3. He has the following rights, among others:

a. the right to a informal fact-finding conference before the Board;
b. the right to representation by counsel; and
c. the right to cross-examine witnesses against his.

4. He waives all rights to an informal hearing;

5. He admits the truth of the above Findings of Fact; and

6. He consents to the following Order affecting his license to practice pharmacy in the Commonwealth of Virginia.

ORDER

WHEREFORE, on the basis of the foregoing Findings of Fact, Conclusions of Law, and with the consent of the licensee, it is hereby ORDERED that Mr. Jackson is REPRIMANDED. It is further ORDERED that Mr. Jackson complete an additional one and one-half contact hours of continuing pharmacy education prior to December 31, 1998, with the one and one-half contact hours being applied to the 1996 year for a total of 15 contact hours. Mr. Jackson shall provide original documentation of said contact hours of continuing pharmacy education to the Board office prior to January 15, 1999. Further, Mr. Jackson shall be assessed a monetary penalty of TWO HUNDRED FIFTY DOLLARS ($250.00). If said monetary penalty is not received within the prescribed deadline, an additional $100.00 late fee shall be assessed weekly, up to a maximum of $1,000.00. Failure to complete the contact hour of continuing pharmacy education as indicated above and/or pay the full monetary penalty plus any additional assessment within 100 days of the date of entry of this Consent Order shall constitute grounds for an administrative proceeding.

Pursuant to § 9-6.14:14 of the Code of Virginia, the signed original of this Consent Order shall remain in the custody of the Department of Health Professions as a public record and shall be made available for public release, inspection and copying upon request.

Active Pharmaceutical Ingredient (API)	Any substance or mixture of substances intended to be used in the compounding of a preparation, thereby becoming the active ingredient in that preparation and furnishing pharmacological activity or other direct effect in the diagnosis, cure, mitigation, treatment, or prevention of disease in humans or animals or affecting the structure and function of the body. Also referred to as a bulk drug substance. A conventionally manufactured drug product is not an API but is typically manufactured from an API(s).
Added Substance	An ingredient that is necessary to compound a preparation but is not intended or expected to cause a pharmacologic response if administered alone in the amount or concentration contained in a single dose of the compounded preparation. The term is used synonymously with inactive ingredient, excipient, and pharmaceutical ingredient.
Administration	The preparation of a nonsterile pharmacologic or other therapeutic agent for ingesting, inserting, applying, or otherwise providing a nonsterile medication in its final form to a single patient. This includes crushing a tablet(s) or opening a capsule(s) to mix with food or liquids to facilitate patient dosing.
Alcohol-based hand rub	An alcohol-containing preparation (liquid, gel, or foam) designed for application to the hands of health care personnel to inactivate microorganisms and/or temporarily suppress their growth. Such preparations may contain one or more types of alcohol, other active ingredients, excipients, and humectants.
Assigned trainer	One or more individuals assigned by the designated person(s) to be responsible and accountable for directly providing the training, observation, and/or evaluation of personnel for the preparation of CNSPs.
Beyond-use date (BUD)	The date, or hour and date, after which a CNSP must not be used, stored, or transported. The date is determined from the date or time the preparation is compounded.
Biological Safety Cabinet (BSC)	A ventilated cabinet that may be used for compounding. These cabinets are divided into three general classes (Class I, Class II, and Class III). Class II BSCs are further divided into types (Type A1, Type A2, Type B1, Type B2, and Type C1).
Bulk drug substance	See the entry for Active Pharmaceutical Ingredient.
Certificate of analysis (COA)	A report from the supplier of a component, container, or closure that accompanies the supplier's material and contains the specifications and results of all analyses and a description of the material.
Cleaning	The process of removing substances (eg, organic and inorganic material) from objects and surfaces, normally accomplished by manually or mechanically using water with detergents or enzymatic products.
Cleaning agent	An agent, usually containing a surfactant, used for the removal of substances (eg, dirt, debris, microbes, and residual drugs or chemicals) from surfaces.
Closed-system processing device	A device designed to reduce the potential exposure to personnel or contamination of the facility or CNSPs. Examples include CVEs, BSCs, or single-use containment glove bags.

If the assigned BUD of the final CNSP exceeds the BUD of the compounded components, the physical, chemical, and microbiological quality of the final CNSP must not be negatively impacted." Another example of these "acceptable instances" (similar to pH-altering components mentioned above) inspectors may see are stock solutions (and other formulas within a formula) such as methocel 1%.*** ***If no, inspector should describe the observations, including the name of the component whose BUD was shorter than the assigned BUD of the final CSP.***	Yes		10.4

IN THE MATTER OF DISCIPLINARY PROCEEDINGS AGAINST	:	
	:	FINAL DECISION AND ORDER
TRIAD RX, INC.	:	
RESPONDENT.	:	ORDER0019890

Division of Legal Services and Compliance Case No. 22 PHM 120

The parties to this action for the purpose of Wis. Stat. § 227.53 are:

Triad Rx, Inc.
Daphne, AL 36526

Wisconsin Pharmacy Examining Board
P.O. Box 8366
Madison, WI 53708-8366

Division of Legal Services and Compliance
Department of Safety and Professional Services
P.O. Box 7190
Madison, WI 53707-7190

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Pharmacy Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Triad Rx, Inc. (Respondent), is licensed in the state of Wisconsin as an Out-of-State Pharmacy, having license number 774-43, first issued on May 29, 2012, and current through May 31, 2024. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Daphne, Alabama 36526.

2. At all times relevant to this proceeding, Respondent was an Out-of-State Pharmacy located in Daphne, Alabama (Facility).

3. On August 19, 2022, Respondent notified the Department of a disciplinary action taken against Respondent by the Alabama Board of Pharmacy (Alabama Board).

4. In 2017 the FDA conducted an inspection at Respondent's facility. In 2019, the FDA issued a warning letter to Respondent for using ineligible drug products in compounding. The ineligible products were intended for conditions not amenable to self-diagnosis and treatment by individuals who were not medical practitioners. Respondent did not alert the Board to the warning letter.

5. Some of the medications which were referenced by the FDA in their warning letter as using ineligible products included Sermorelin Acetate 9mg/GHRP-2 9mg Lyophilized, Sermorelin Acetate 3mg/GHRP-2 3mg Lyophilized, L-Carnitine 250 mg/ml, and Chromium Picolinate.

6. Following the FDA inspection, Respondent shipped Sermorelin Acetate 9mg/GHRP-2 9mg Lyophilized to Wisconsin on 11 occasions, and L-Carnitine 250 mg/ml to Wisconsin on five occasions.

7. Respondent did not report the FDA warning letter to the Board because "(i) it was published on FDA's website and does not constitute final agency action, (ii) none of the allegations in the Warning Letter involved or implicated patient harm of any kind; (iii) [Respondent] did not consider the Warning Letter to describe any pharmacy practices constituting a realistic danger to the health, safety, or welfare of a patient or the public."

8. On July 7, 2022, the Alabama Board issued a consent order ordering Respondent to pay a $15,000 fine based upon findings that the Respondent used bulk drug substances which were not the subject of an applicable USP or NF monograph, were not components of an FDA approved human drug, and which did not appears on the 503A bulks list. Further, Respondent violated the FDCA Adulterated Drug Product on at least eleven occasions, compounded unapproved new drug products, and misbranded the unapproved compounded drug products.

9. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

Triad Rx, Inc. ("Triad"), Nevada License No PH02913 hereby reports disciplinary action against Triad's Wisconsin Out-of-State Pharmacy License Number 774-43. Enclosed is a "Final Decision and Order" and "Stipulation" for Wisconsin Pharmacy Examining Board Case No. **22 PHM 120, Order 0019890**.

The Wisconsin Pharmacy Examining Board appears to have taken final agency action on February 29, 2024, and these documents were provided to Triad by regular first-class U.S. Mail postmarked March 1, 2024. Triad received these documents on March 11, 2024.

On the merits, this Wisconsin case is a "sister state" action involving reciprocal discipline. There are no new facts or substantive allegations relative to previously-reported disciplinary matters. Culpability in the Wisconsin case is derived solely from the outcome of a 2017 sterile compounding inspection and the resulting 2022 disciplinary action against Triad by its home state of Alabama. Again, the underlying facts of this matter were reported to your agency no later than approximately a year-and-a-half ago.

Sincerely,

Triad Rx, Inc.

Re: TrustedMedRx Disciplinary Action Summary

Ladies and Gentlemen:

Brown & Fortunato, P.C. has been asked to assist TrustedMedRx, LLC ("TMRx") in preparing its application to the Nevada Board of Pharmacy.

Under the previous ownership, TrustedMedRx, LLC ("TMRx") received the following disciplinary actions:

1. On May 5, 2021, the Alabama State Board of Pharmacy, TMRx, and former TMRx Pharmacist In Charge ("PIC") executed a Consent Order resolving the Board's finding that TMRx failed to notify the Board within 10 days of PIC ceasing to be the Supervising Pharmacist (Alabama defines the PIC as "Supervising Pharmacist"). Pursuant to the Consent Order, TMRx paid an administrative fine of $2,000, and PIC paid an administrative fine of $1,000.

2. On May 19, 2022, the Hawaii Department of Commerce and Consumer Affairs and TMRx executed a Settlement Agreement resolving a finding that TMRx failed to notify the Hawaii Board of Pharmacy within 30 days of the execution of the Consent Order between TMRx and the Alabama State Board of Pharmacy (see item 1. above). Pursuant to the Settlement Agreement, TMRx paid an administrative fine of $1,000.

3. On September 29, 2022, the Maine Board of Pharmacy, the Office of the Maine Attorney General, and TMRx executed a Consent Agreement resolving the Board's findings that (i) TMRx failed to notify the Board within 7 days of a change in the individual designated as the PIC for purposes of TMRx's Maine pharmacy license and (ii) TMRx failed to notify the Board within 10 days of the execution of the Consent Order between TMRx and the Alabama State Board of Pharmacy (see item 1. above). Pursuant to the Consent Agreement, TMRx accepted a reprimand and paid a civil penalty of $1,000.

Complete copies of these actions are attached for your reference.

Please note that the above transpired with previous ownership, supervision, and PIC(s); all of whom have since been replaced. The incoming ownership of TMRx recognizes the importance of, and is committed to, complying with the requirements imposed by all states in which TMRx is licensed, including requirements to notify state licensing agencies of changes or actions taken by other state agencies in a timely manner.

Sincerely,

Colleen T. Byrom

IN RE:	)	
	)	
TRUSTEDMEDRX, LLC	)	CONSENT AGREEMENT
	)	
Case No. 2022-PHA-18250	)	

PARTIES

This document is a Consent Agreement regarding the pending application of Trustedmedrx, LLC for the renewal of its mail order prescription pharmacy license. The parties to this Consent Agreement are: Trustedmedrx, LLC ("Trustedmedrx"), the Maine Board of Pharmacy ("the Board"), and the Office of the Maine Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

STATEMENT OF FACTS

1. Since September 13, 2019, Trustedmedrx has been licensed in Maine as a mail order prescription pharmacy with a registered location of 1200 S Rogers Circle, Suite 4A, Boca Raton, Florida (license number MO40002707).

2. On October 29, 2020, Carline Applys replaced David Levi Steinberg as the pharmacist in charge ("PIC"), thereby requiring Trustedmedrx to submit a change of PIC application to the Board within 7 days after the PIC change.

3. Trustedmedrx, however, did not file a change of PIC application with the Board until November 16, 2021.

4. Under Board Rules Chapter 11, § 3, upon a change of PIC, a mail order prescription pharmacy must file a change of PIC application with the Board by registered mail no later than seven (7) days after the change.

5. On May 5, 2021, the Alabama State Board of Pharmacy entered a consent order with Trustedmedrx that resolved Case No. 20-L-0144 and imposed discipline against Trustedmedrx's Alabama permit (# 114947).

6. Trustedmedrx then failed to report the Alabama disciplinary action to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

7. On December 13, 2021, Trustedmedrx applied for the renewal of its license and reported to the Board for the first time that the Alabama State Board of Pharmacy had imposed discipline upon Trustedmedrx's Alabama permit.

8. Pursuant to 10 M.R.S. § 8003(5-A)(A)(5) and Board Rules Chapter 11, § 3, the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to file a new application with the Board no later than 7 days after the change of PIC.

9. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C), the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to report a license disciplinary action to the Board within 10 days of that action.

10. At its meeting on September 1, 2022, the Board reviewed the above information and voted to preliminarily deny Trustedmedrx's application for renewal of its license to be a mail order prescription pharmacy. In lieu of the denial, the Board also voted to offer Trustedmedrx this Consent Agreement. Unless Trustedmedrx either requests, in writing, a hearing regarding the appeal of the preliminary denial within thirty (30) days of receipt of the Notice of Preliminary Denial, or accepts this Consent Agreement by signing and dating it and returning it to Maine Board of Pharmacy,

Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035, by October 6, 2022, the preliminary denial of Trustedmedrx's application for renewal of licensure as a mail order prescription pharmacy will become final.

COVENANTS

11. Trustedmedrx admits to the facts above and admits that such conduct constitutes grounds for denial of or refusal to renew its license and for the imposition of discipline as follows:

a. Pursuant to 10 M.R.S. § 8003(5-A)(A)(5) for violating a rule of the Board, specifically Board Rules Chapter 11, § 3 for failing to file a new application with the Board no later than 7 days after a change of PIC; and

b. Pursuant to 10 M.R.S. § 8003(5-A)(A) (11) and 10 M.R.S. § 8003-G(2)(C) for failing to report a disciplinary action taken against a license in another jurisdiction within 10 days after the action was taken.

12. As discipline for the violations admitted to in paragraph 11 above, Trustedmedrx agrees to accept the following DISCIPLINARY ACTION:

a) A REPRIMAND; and

b) A CIVIL PENALTY in the amount of one thousand dollars ($1,000.00), which penalty is comprised of a $500.00 for failing to timely report a PIC change and $500.00 for failing to report discipline within 10 days, payment of which shall be made to the "Treasurer, State of Maine" and delivered to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035, and must be submitted with the signed Consent Agreement.

13. Violation of any of the terms or conditions of this Consent Agreement by Trustedmedrx shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

14. The Board and Trustedmedrx agree that no further agency action will be initiated against its license by the Board based upon the specific violations admitted to herein, except or unless Trustedmedrx fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct if other allegations are brought against Trustedmedrx, and this Consent Agreement will be admitted into evidence in any future adjudicatory hearing involving Trustedmedrx. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining appropriate discipline in any further complaints against Trustedmedrx.

15. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

16. The Board and the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

17. Upon receipt of the signed Consent Agreement and the civil penalty payment, the Board will renew Trustedmedrx's license contingent upon it meeting all other eligibility criteria.

18. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

19. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

20. This Consent Agreement may be signed in counterparts, with all counterparts together constituting one original instrument. Signatures below may be applied and/or saved

electronically, and such electronic signatures will be given the same effect as a paper document signed in ink.

21. Trustedmedrx acknowledges by its duly authorized representative's signature hereto that it has had an opportunity to consult with an attorney before executing this Consent Agreement, that it executes this Consent Agreement voluntarily, and that it agrees to abide by all terms and conditions set forth herein.

Respondent Samuel Yu Ph.D. FNP APRN ("Respondent Yu"), in answer to the Notice of Intended Action and Accusation filed in the above-entitled matter before the Nevada State Board of Pharmacy, declares:

1. That his objection to the Notice of Intended Action and Accusation as being incomplete or failing to state clearly the charges against him, is hereby interposed on the following grounds:

   a. Respondent Yu was hired as a medical director in May 2022. As stated in the Medical Director Agreement dated May 5, 2022, one of Respondent Yu's stated duties were to perform remote telehealth services to consult with patients utilizing electronic video communication. As such, he did not physically work inside the clinic located at 68750 W Spring Mountain Rd #102, Las Vegas, Nevada 89146 prior to the June 23, 2022, inspection, but only worked remotely.

b. Respondent Yu was unaware of this Nevada requirement to keep the dangerous drugs independently inaccessible to RNs until the Board inspection of the facility on June 23, 2022.

c. After the Board's inspection on June 23, 2022, when Respondent Yu first became aware of Nevada's locked access requirements, he immediately took steps to ensure that all dangerous drugs were kept in locked storage that only he had access to, that no one could independently access, and he prepared written protocols and guidelines to be followed.

d. Respondent Yu did not authorize the purchase of illegal drugs from non-US entities; this was put into practice by the medical director Mee Han ("Han"), who convinced the owner, Lee, that these practices were legal, when in fact they were not.

e. Respondent Yu was unaware Opus Face and Body ("Opus") was using or purchasing illegal drugs, the owner was also unaware of it because she relied upon Mee Han for this information. Because Respondent Yu was operating remotely as the medical director from May 5, 2022 until June 23, 2022, he was unaware of any of this illegal activity until June 23, 2022, at which time the use of these items ceased.

f. Opus was closed permanently after the June 23, 20222 incident, so no more Opus medical spa business has been operating since then.

g. The accusations fail to distinguish between the actions or inactions of Respondent Yu and Respondent Han, making the accusations appear that Respondent Yu consented to and participated equally and/or jointly in

continuation or furtherance of the illegal and/or improper activities with the prior medical director, Respondent Mee Han.

h. The accusation is incomplete in that it fails to enumerate the things Respondent Yu did after learning about Nevada requirements on June 23, 2022, and the illegal activities of former medical director Han.

2. That, in answer to the Notice of Intended Action and Accusation, he admits, denies and alleges as follows:

a. Respondent Yu admits paragraph 1.

b. As to paragraph 2, Respondent Yu does not know the commencement of Han's tenure as medical director therefore denies this part; Respondent Yu admits that Han's tenure continued through May 26, 2022; Respondent Yu and admits that his appointment as medical director was effective on May 5, 2022, and overlapped Han's tenure;

c. Respondent Yu admits this occurred until June 23, 2022. Respondent Yu denies this continued to occur after that date.

d. As to paragraph 3, Respondent Yu admits the allegations occurred until June 23, 2022.

e. As to paragraph 4, Respondent Yu denies all allegations contained therein as to himself, except he admits the RNs had independent access to the dangerous drugs set forth therein until June 23, 2022.

f. As to paragraph 5, Respondent Yu admits that these allegations, up to June 23, 2022.

g. Respondent Yu admits paragraph 6, and also states that Opus has been is permanently closed.

h. As to paragraphs 7 through 16, Respondent Yu does not dispute the express wording of the United States Code ("U.S.C."), the Nevada Revised Statutes ("NRS"), or the Nevada Administrative Code ("NAC") as set forth in these paragraphs but is without sufficient legal knowledge to comment as to their interpretation or application as set forth in this Notice of Intended Action and Accusation, therefore must deny to that extent, and will rely on his attorney for counsel and advice.

i. Respondent Yu denies intentionally or knowingly committing any violations of State or Federal law set forth in paragraphs 17 through 21.

I hereby declare, under penalty of perjury, that the foregoing Answer and Notice of Defense, and all facts therein stated, are true and correct to the best of my knowledge.

Respondent Mathew Dikin, D.O. hereby files with the Nevada State Board of Pharmacy ("Board"), his Answer and Notice of Defense to the Notice of Intended Action and Accusation ("Accusation") filed on March 22, 2024.

ANSWER TO ACCUSATION

Jurisdiction

Dr. Dikin agrees that the Board has jurisdiction in this matter as set forth in Paragraph 1 of the Accusation. Dr. Dikin further answers the Factual Allegations set forth in the Accusation as follows:

Factual Allegations: Paragraphs 2-9

Paragraph 2: Dr. Dikin acknowledges the factual allegations set forth in Paragraph 2.

Paragraph 3: Dr. Dikin is without sufficient personal knowledge to respond to the factual assertions set forth in Paragraph 3.

Paragraph 4: Dr. Dikin denies the factual allegations set forth in Paragraph 4that the summary suspension of his license was based in part on criminal charges initiated against him in 2020 and 2022; rather it was Dr. Dikin's unintentional failure to disclose his interaction with law enforcement that was partially at issue in the summary suspension.

Paragraph 5: Dr. Dikin acknowledges that he failed to disclose his 2020 misdemeanor criminal charges on his 2022 Board of Pharmacy renewal application. Dr. Dikin utilized a third party to submit the renewal and acknowledges he did not fully vet the renewal application.

Paragraph 6: Dr. Dikin acknowledges that he did not advise the Board of Pharmacy of the summary suspension of his NSBOM license as he was unaware of the requirement to do so and was not advised by his then legal counsel of the requirement.

Paragraph 7: Dr. Dikin acknowledges that he did issue a controlled substance prescription in October 2023 but asserts that he was unaware at the time that his Nevada controlled substance registration was suspended.

Paragraph 8: Dr. Dikin does not have sufficient personal knowledge to substantively respond to the factual allegations set forth in Paragraph 8 but asserts that he was informed by the locums agency that he was working for during the period in question that they had taken care of the legal requirements for him to prescribe in Nevada.

Paragraph 9: Dr. Dikin acknowledges that the NSBOM lifted the summary suspension of his license on December 5, 2023. Dr. Dikin was unaware of the requirement to petition for the reinstatement of his Nevada controlled substance registration and notes that his registration shows as active on the Board of Pharmacy's website.

Applicable Law: Paragraphs 10-19

Dr. Dikin acknowledges that paragraphs 10 through 19 generally reflect the applicable laws.

Counts: Paragraphs 20-26

Paragraph 20/Count I: Dr. Dikin denies the allegations contained in Paragraph 20.

Paragraph 21/Count II: Dr. Dikin denies the allegations in paragraph 21.

Paragraph 22/Count III: Dr. Dikin denies the allegations in paragraph 22.

Paragraph 23/Count IV: Dr. Dikin denies the allegations in paragraph 23

Paragraph 24/Count V: Dr. Dikin denies the allegations contained in Paragraph 24.

Paragraph 25/Count VI: Dr. Dikin denies the allegation contained in Paragraph 25.

Paragraph 26/Count VII: Dr. Dikin denies the allegation contained in Paragraph 26.

NOTICE OF DEFENSE/MITIGATING INFORMATION

During the relevant periods of time at issue in the Accusation, Dr. Dikin was working primarily as a locums physician in various states. The locums agency with whom Dr. Dikin was employed took care of most administrative tasks on his behalf, as related to his locums assignments; Dr. Dikin assumed this to also include the transfer of his DEA registration to the appropriate state.

Additionally, Dr. Dikin was utilizing a third party private secretary to assist in license renewals and submission of required disclosures to his various boards.

Unfortunately, Dr. Dikin later learned that these parties had not properly handled these matters on his behalf. Dr. Dikin fully understands that it is ultimately his responsibility to ensure that disclosures are properly made to his various licensing entities and that he holds a DEA registration in each state that he practices. Dr. Dikin has taken proactive steps to ensure that going

forward he ensures that all information provided on renewal applications is accurate and any required disclosures are timely provided.

Respectfully submitted this 20th day of September, 2024.

NEVADA STATE BOARD OF PHARMACY, Petitioner, vs. LAUGHLIN PHARMACY & WELLNESS CENTER, Pharmacy License No. PH04520, Respondent.	Case No. 24-289-PH-S ANSWER AND NOTICE OF DEFENSE

Respondent, LAUGHLIN PHARMACY & WELLNESS CENTER, ("LPWC"), by and through its counsel, Michael M Lin, Esq of Lin Law Group, in answer to the Notice of Intended Action and Accusation filed in the above-entitled matter before the Nevada State Board of Pharmacy, declares:

1. With respect to Board's Notice of Intended Action and Accusation and the allegations contained in Paragraphs 1, 2, 4, 5, and 6, Respondent admits said allegations.

2. With respect to Board's Notice of Intended Action and Accusation and the allegations contained in Paragraphs 3 and 7, Respondent denies said allegations.

3. With respect to Board's Notice of Intended Action and Accusation and the allegations contained in Paragraphs 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18 and 19, this Answering Respondent states that the allegations in these paragraphs appear to be an alleged statement of law as opposed to

factual allegations pertaining to this Answering Respondent, therefore, no answer by this Answering Respondent is required.

COUNT ONE

Violation of Federal Law- Dispensing Adulterated or Misbranded Drugs.

4. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 20, the Respondent states and acknowledges that Laughlin Pharmacy began offering weight loss injections after repeated requests from local patients, many of whom had previously traveled to Deeflat Pharmacy in Bullhead City, AZ. With only a small number of patients, purchasing large quantities directly from a vendor was impractical. To address this need, Ms. Vo sourced a limited supply from Deeflat Pharmacy to minimize the inconvenience for patients in underserved areas. Unaware of the regulatory implications, she instructed her staff to dispense the medication into insulin syringes, not realizing it could be considered a compounding activity or result in labeling issues. Laughlin Pharmacy dispensed 41 syringes and 4 vials of sterile products as "weight loss injections" to five different patients between January 3, 2024 to May 24, 2024. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

4 vials of sterile products as "weight loss injections" to five different patients between January 3, 2024 to May 24, 2024. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

COUNT THREE

Violations of State Law- Unlawful Administration of Drug

6. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 22, the Respondent states and acknowledges that Laughlin Pharmacy provided direct administration of weight loss medications upon patient request, particularly when patients expressed discomfort with self-injection. Ms. Vo (PIC) did not provide specific instructions on administration; thus, these actions were taken based on the individual pharmacist's professional judgment and evaluation. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

COUNT FOUR

Violation of State Law- Recordkeeping

7. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 23, the Respondent acknowledges that Laughlin Pharmacy does not have compounding logs for weight-loss injections. Both pharmacists were new to handling this compounded product and were unaware that dispensing the injection into a syringe qualified as compounding, leading to unintentional omissions in the required documentation. These omissions reflect a misunderstanding and lack of familiarity rather than any intentional non-compliance. Additionally, Laughlin Pharmacy does not possess purchase invoices for the weight-loss injection. At the time of the transaction, Ms. Vo served as the pharmacist in charge and was responsible for providing the invoices for each purchase from Deeflat Pharmacy. However, Ms. Vo failed to deliver these invoices to Laughlin Pharmacy, resulting in their unavailability. As to the remaining allegations, the Answering Respondent respectfully denies each and every allegation therein. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

Unprofessional Conduct- Selling or Dispensing Substandard Drugs

8. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 24, the Respondent acknowledges that at the time of dispensing, both pharmacists at Laughlin Pharmacy were unaware that the weight loss injections did not meet required standards. When concerns about medication quality arose, Laughlin Pharmacy immediately halted dispensing these products. Although no official recall was issued, Ms. Vo proactively decided to stop carrying the medication, informing staff accordingly. Affected patients were notified of the discontinuation by phone at the end of May 2024, and all compounding activities ceased as of May 25, 2024, with no affected products remaining at the pharmacy. Follow-up calls with updated quality information were conducted in July 2024, along with voluntary refunds beginning on July 12, 2024. In September 2024, a further risk assessment, prompted by the board investigator, confirmed no adverse effects among affected patients. All affected patients verbally confirmed no harm, with four of five providing written statements attesting to this and confirming no remaining medication in their possession. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

COUNT SIX

Unprofessional Conduct- Fraudulent/Deceitful Practice/Transaction

1. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 25, the Respondent acknowledges the circumstances surrounding the unexpected closure of Deeflat Pharmacy. After Deeflat's closure, Laughlin Pharmacy faced a high volume of patient transfers, leading to the temporary hiring of Darren, a former Deeflat technician, for clerical support. Despite long hours and an extended commute, Ms. Seo, a dedicated pharmacist and co-owner, prioritized patient care over financial concerns. When Darren suggested that patient M.M-S cover part of the cost of Dexcom sensors, Ms. Seo immediately rejected the idea as unethical. Acting without her knowledge, Darren then attempted to charge the patient an additional $90, which led the patient to refuse the medication and request a transfer. On June 8th, Ms. Seo noticed the Dexcom boxes in the Return Bin and, upon confirming Darren's unauthorized action, promptly arranged to transfer the prescription to

Riverside Pharmacy by June 10th. Darren subsequently resigned. Given Ms. Seo's dedication to patient welfare in challenging circumstances, the Respondent respectfully requests the Board's understanding. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

COUNT SEVEN

Unprofessional Conduct- Incompetent, Unskillful or Negligent Performance of Duties

2. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 26, the Respondent states and acknowledges that from January to May 2024, Laughlin Pharmacy provided weight loss injections to support local patients who previously received similar treatment from Deeflat Pharmacy. Laughlin Pharmacy never intended to compromise patient safety and regrets these procedural missteps. When quality concerns arose, the pharmacy promptly informed patients, ceased dispensing, and in July, offered full refunds to ensure transparency. Thankfully, no patients experienced adverse effects, and those affected chose to continue their care with Laughlin Pharmacy, reaffirming their trust in the pharmacy's dedication to patient well-being. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

WHEREFORE, Respondent prays this Board's understanding and compassion to take appropriate actions based on the facts and circumstances surrounding the responses.

NEVADA STATE BOARD OF PHARMACY, Petitioner, vs. YOUJIN SEO, RPH Certificate of Registration No. 18704 Respondent.	Case No. 24-289-RPH-A-S ANSWER AND NOTICE OF DEFENSE

Respondent, YOUJIN SEO ("SEO"), by and through her counsel, Michael M Lin, Esq of Lin Law Group, in answer to the Notice of Intended Action and Accusation filed in the above-entitled matter before the Nevada State Board of Pharmacy, declares:

1. With respect to Board's Notice of Intended Action and Accusation and the allegations contained in Paragraphs 1, 2, 4, 5, and 6, Respondent admits said allegations.

2. With respect to Board's Notice of Intended Action and Accusation and the allegations contained in Paragraphs 3 and 7, Respondent denies said allegations.

3. With respect to Board's Notice of Intended Action and Accusation and the allegations contained in Paragraphs 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18 and 19, this Answering Respondent states that the allegations in these paragraphs appear to be an alleged statement of law as opposed to factual allegations pertaining to this Answering Respondent, therefore, no answer by this Answering Respondent is required.

COUNT ONE

Violation of Federal Law- Dispensing Adulterated or Misbranded Drugs.

4. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 20, the Respondent states and acknowledges that at the time of dispensing, Ms. Vo was the Pharmacist in Charge, solely responsible for managing the purchase and inventory of compounded weight-loss medications. Although SEO held an ownership role, Ms. Vo did not involve SEO in the decision-making process regarding these purchases, and SEO was not informed of the medication's actual source until July 6, 2024. Given their longstanding mentor-student relationship from Valley View Medical Center, SEO regarded Ms. Vo as a trusted supervisor and mentor and had full faith in her clinical expertise. SEO thus had no reason to question Ms. Vo's professional judgment or the source of the medications. In light of SEO's sincere reliance on a trusted colleague and lack of knowledge regarding the details of these transactions, we respectfully ask for the Board's understanding and compassion. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

COUNT TWO

Violations of State Law- Dispensing Adulterated or Misbranded Drugs

5. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 21, the Respondent states and acknowledges the extraordinary pressures SEO faced from the very beginning of the pharmacy's operations. As a single mother solely responsible for her son with serious emerging medical issues, SEO was stretched beyond her limits, balancing caretaking with a grueling three-hour daily commute. Understanding SEO's personal burdens, Ms. Vo offered to assume responsibility for major business decisions, easing SEO's heavy load. Consequently, Ms. Vo, as the Pharmacist in Charge, independently managed purchasing and inventory for compounded weight-loss injections, while SEO trusted her clinical judgment based on their mentor-student relationship from Valley View Medical Center. SEO looked up to Ms. Vo as both a superior and mentor, relying on her guidance without question. SEO was unaware that the instructed dispensing practices might unintentionally involve

Docusign Envelope ID: 71245F8F-FCC5-451D-80D1-7E59F4C6E995

compounding activity in a non-sterile environment. In light of SEO's sincere efforts to manage her many responsibilities under challenging circumstances, we ask for the Board's understanding and compassion. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

COUNT THREE

Violations of State Law- Unlawful Administration of Drug

6. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 22, the Respondent states and acknowledges that an elderly patient expressed discomfort with self-administering a weight-loss injection, ultimately requesting SEO's assistance. Understanding the patient's struggles—having previously received injections at another pharmacy and continuing to face challenges with self-injection—SEO was genuinely concerned that self-administration posed a significant risk to the patient's well-being. Driven by empathy and a sincere desire to ensure the patient's safety, SEO made the decision to administer the injection, an action taken in a moment of human compassion but acknowledged as a lapse in judgment. In light of the circumstances and the patient-centered motivation behind this decision, we ask for the Board's understanding and consideration. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

COUNT FOUR

Violation of State Law- Recordkeeping

7. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 23, the Respondent states and acknowledges that SEO was genuinely unaware that dispensing the weight-loss injection as directed constituted compounding. Ms. Vo independently managed the inventory and record for the weight-loss injection, without SEO's involvement in the recordkeeping process. Ms. Vo assured SEO she would generate the necessary invoices based on purchase history, but SEO never received them. Given this unintentional oversight and SEO's commitment to compliance, we respectfully request the Board's understanding and consideration. As to all remaining allegations, the Respondent respectfully denies each.

COUNT FIVE

Unprofessional Conduct- Selling or Dispensing Substandard Drugs

8. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 24, the Respondent states and acknowledges that, at the time of dispensing, SEO was genuinely unaware that the compounded medication did not meet the necessary standards. Acting in good faith and with a commitment to patient care, SEO dispensed the medication, completely unaware that it was substandard. This action was taken without any intent to compromise quality or patient safety. Given SEO's sincere efforts to fulfill responsibilities and the unintentional nature of this oversight, we respectfully ask for the Board's understanding and consideration. As to all remaining allegations, this Answering Respondent respectfully denies each allegation therein.

COUNT SIX

Unprofessional Conduct- Fraudulent/Deceitful Practice/Transaction

9. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 25, the Respondent acknowledges the circumstances that led to this unfortunate outcome. After Deeflat Pharmacy's sudden closure, SEO hired Darren, a former Deeflat technician, to handle the increased patient transfer volume as a clerk. Despite her demanding shifts and lengthy commute, SEO remained focused on patient care over financial concerns. When Darren proposed that patient M.M-S help cover additional costs for Dexcom sensors, SEO immediately deemed the idea unethical and declined. Unbeknownst to her, Darren later attempted to impose an extra charge, prompting the patient to request a transfer. On June 8th, SEO found the Dexcom boxes in the Return Bin and promptly arranged the patient's transfer to Riverside Pharmacy. Shortly afterward, Darren resigned. Given SEO's dedication to patient welfare during difficult conditions, the Respondent respectfully requests the Board's understanding. As to all remaining allegations, this Answering Respondent denies each allegation therein.

COUNT SEVEN

Unprofessional Conduct- Incompetent, Unskillful or Negligent Performance of Duties

Docusign Envelope ID: 71245F8F-FCC5-451D-80D1-7E59F4C6E995

10. With respect to the Board's Notice of Intended Action and Accusation, and the allegations in Paragraph 26, the Respondent asserts that since becoming a registered pharmacist in 2013, SEO has consistently adhered to state regulations and maintained high standards of professionalism. Over her nine-year tenure as a pharmacy manager in major retail chains, SEO has prioritized patient safety and had no prior concerns regarding medication sources or compounded injectable quality in a retail setting. Having observed her peers disciplined for non-compliance, SEO relied on her supervisor, Ms. Vo, for guidance on dispensing protocols, including those for weight-loss injections. When product quality concerns surfaced in late May, SEO promptly contacted affected patients, and upon discovering additional issues in July, she proactively reached out to each patient to provide full disclosure, a sincere apology, and offered full refunds to those who requested them. Many patients appreciated her transparency and expressed a desire to remain under her care. In light of SEO's genuine efforts to prioritize patient well-being and her swift response to concerns, she respectfully requests the Board's understanding and compassion. As to the remaining allegations, the Respondent denies each.

WHEREFORE, Respondent prays this Board's understanding and compassion to take appropriate actions based on the facts and circumstances surrounding the responses.

SETTLEMENT AGREEMENT

The Investigative Committee (IC) of the Nevada State Board of Medical Examiners (Board), by and through Alexander J. Hinman, Deputy General Counsel for the Board and attorney for the IC, and John Timothy Katzen, M.D. (Respondent), a licensed physician in Nevada, hereby enter into this Settlement Agreement (Agreement) based on the following:[1]

A. BACKGROUND

1. Respondent is a medical doctor currently licensed in active status by the Board pursuant to Chapter 630 of the Nevada Revised Statutes (NRS) and Chapter 630 of the Nevada Administrative Code (NAC) (collectively, the Medical Practice Act) to practice medicine in Nevada. His license was originally issued on June 23, 2014 (License No. 15386).

2. On June 28, 2024, in Case No. 24-34676-1, the IC filed a formal Complaint (Complaint) charging Respondent with violating the Medical Practice Act. Specifically, the Complaint alleges one (1) violation of NRS 630.301(3), Disciplinary Action by Another Licensing Board (Count I). By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

[1] All agreements and admissions made by Respondent are solely for final disposition of this matter and any subsequent related administrative proceedings or civil litigation involving the Board and Respondent. Therefore, Respondent's agreements and admissions are not intended or made for any other use, such as in the context of another state or federal government regulatory agency proceeding, state or federal civil or criminal proceeding, any state or federal court proceeding, or any credentialing or privileges matter.

4. Respondent is hereby advised of his rights regarding this administrative matter, and of his opportunity to defend against the allegations in the Complaint. Specifically, Respondent has certain rights in this administrative matter as set out by the United States Constitution, the Nevada Constitution, the Medical Practice Act, the Nevada Open Meeting Law (OML), which is contained in NRS Chapter 241, and the Nevada Administrative Procedure Act (APA), which is contained in NRS Chapter 233B and 622A. 5. Respondent understands that, under the Board's charge to protect the public by regulating the practice of medicine, the Board may take disciplinary action against Respondent's license, including license probation, license suspension, license revocation and imposition of administrative fines, as well as any other reasonable requirement or limitation, if the Board concludes that Respondent violated one or more provisions of the Medical Practice Act.

6. Respondent understands and agrees that this Agreement, by and between Respondent and the IC, is not with the Board, and that the IC will present this Agreement to the Board for consideration in open session at a duly noticed and scheduled meeting. Respondent understands that the IC shall advocate for the Board's approval of this Agreement, but that the Board has the right to decide in its own discretion whether or not to approve this Agreement. Respondent further understands and agrees that if the Board approves this Agreement, then the terms and conditions enumerated below shall be binding and enforceable upon him and the Board.

7. **Effect of Acceptance of Agreement by Board**. In the event the Board accepts, approves and adopts this Agreement, the Board shall issue a final order, making this Agreement an order of the Board, and, pending full compliance with the terms herein, the case shall be closed

and all remaining claims arising out of the Complaint shall be dismissed with prejudice.

8. **Effect of Rejection of Agreement by Board**. In the event the Board does not accept, approve and adopt this Agreement, this Agreement shall be null, void and of no force and effect except as to the following agreement regarding adjudications: (1) Respondent agrees that, notwithstanding rejection of this Agreement by the Board, nothing contained in this Agreement and nothing that occurs pursuant to efforts of the IC to seek the Board's acceptance of this Agreement shall disqualify any member of the adjudicating panel of the Board from considering this Complaint and from participating in disciplinary proceedings against Respondent, including adjudication of this case; and (2) Respondent further agrees that he shall not seek to disqualify any such member absent evidence of bad faith.

9. **Binding Effect**. If approved by the Board, Respondent understands that this Agreement is a binding and enforceable contract upon Respondent and the Board.

10. **Forum Selection Clause**. The parties agree that in the event either party is required to seek enforcement of this Agreement in district court, the party's consent to such jurisdiction and agree that exclusive jurisdiction shall be in the Second Judicial District Court, State of Nevada, Washoe County.

11. **Attorneys' Fees and Costs**. The parties agree that in the event an action is commenced in district court to enforce any provision of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs.

12. **Failure to Comply with Terms**. Should Respondent fail to comply with any term or condition of this Agreement once the Agreement has been accepted, approved and adopted by the Board, the IC shall be authorized to immediately suspend Respondent's license to practice medicine in Nevada pending an Order to Show Cause Hearing, which will be duly noticed. Failure to comply with the terms of this Agreement, including failure to pay any fines, costs, expenses or fees owed to the Board, is a failure to comply with an order of the Board, which may result in additional disciplinary action being taken against Respondent. J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under NRS 233B.127(3) and as an accusation under NRS 622A.300 and NRS 639.241.

JURISDICTION

1. The Nevada State Board of Pharmacy (Board) has jurisdiction over this matter because, at the time of the events alleged herein, Respondent Jon Siems, MD, held a Nevada controlled substance registration, Certificate of Registration No. CS09874, issued by the Board.

FACTUAL ALLEGATIONS

2. On or about September 16, 2024, the Nevada State Board of Medical Examiners (NSBME) entered an order in Case No. 24-13009-1, suspending Respondent's NSBME License No. 9250 to practice medicine for cause.

3. On or about September 25, 2024, Board staff served Respondent with notice that the suspension of his NSBME License No. 9250 to practice medicine operated as an immediate suspension of his Certificate of Registration No. CS09874 with the Board pursuant to NRS 639.2107, and that Respondent must immediately cease and desist possessing, administering and/or prescribing controlled substances for Nevada patients.

APPLICABLE LAW

4. A practitioner must hold a license to practice his or her profession in this State and be registered with both the DEA and the Board to possess, administer, prescribe and/or otherwise dispense any controlled substance. 21 U.S.C. § 822(a)(2); 21 U.S.C. § 823(f); 21 CFR § 1306.03(a)(1); NRS 453.226(1); NRS 453.321(1)(a); NRS 639.100(1); NRS 639.235(1).

5. The Board may suspend or revoke a registration to prescribe a controlled substance upon a finding that the registrant has committed an act that would render registration inconsistent with the public interest as determined pursuant to NRS 453.231. NRS 453.236(1)(e) and NRS 453.241(1).

6. The surrender, revocation or a suspension that has not been stayed of any certificate, license or registration of a practitioner, as defined in NRS 453.126, NRS 454.00958 or NRS 639.0125, by a licensing board or the Drug Enforcement Administration operates as an immediate suspension of a certificate, license, registration or permit issued by the Board pursuant to NRS chapters 453, 454 or 639 to possess, administer, prescribe or dispense drugs. NRS 639.2107.

7. The pre-hearing suspension of any certificate, license or registration of a practitioner pursuant to NRS 233B.127(3), NRS 453.241(3) and/or NRS 639.2107 is subject to review by the Board. *Barry v. COUNT ONE

Suspension of NSBME License for Cause

8. By the suspension of his NSBME License No. 9250 to practice medicine for cause, Respondent no longer qualifies as a practitioner for registration to dispense controlled substances under federal or state law and is subject to discipline pursuant to NRS 453.236(1) and NRS 453.241(1).

COUNT TWO

Commission of Acts that Render Registration Inconsistent with the Public Interest

9. As detailed in the NSBME Order entered an order in Case No. 24-13009-1, Respondent has committed acts that render his registration inconsistent with the public interest and is subject to discipline pursuant to NRS 453.236(1)(e) and NRS 453.241(1).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificate of registration of this respondent.

ORDER OF SUSPENSION AND NOTICE OF HEARING

The Investigative Committee[1] (IC) of the Nevada State Board of Medical Examiners (Board) hereby **IMMEDIATELY SUSPENDS** the license of Jon Lane Siems, M.D. (Respondent) from the practice of medicine, pursuant to the Board's authority to regulate the practice of medicine in the State of Nevada pursuant to Nevada Revised Statutes (NRS) Chapter 630.

The IC issues this Order of Suspension (Order) based on its determination that Respondent violated a Board Order when he did not satisfy all of the conditions contained in the discipline issued by the Board after adjudication at the Board meeting on December 1, 2023. *See* **Exhibit 1**.

Prior to the preparation of this Order, Board Staff presented to the IC the following:

1. Respondent is a medical doctor licensed to practice medicine in the State of Nevada (License No. 9250). The Board issued his license on December 20, 1999.

2. On December 27, 2022, in Case No. 19-13009-2, the IC suspended Respondent's license to practice medicine in the State of Nevada pending a show cause hearing regarding the subject of that summary suspension via an Order of Summary Suspension.

3. On January 30, 2023, the IC filed a formal Complaint against Respondent in Case No. 23-13009-1 which facts relate directly back to an Order issued in Case No. 19-13009-2.

Reno, Nevada 89521

4. On February 2, 2023, a show cause hearing was held regarding Respondent's suspension.

5. After attempts to serve Respondent with the formal Complaint on a previous date, Respondent was served with the formal Complaint in Case 23-13009-1 on March 3, 2023.

6. On April 13, 2023, a formal hearing was held in Case No. 23-13009-1.

7. On December 1, 2023, the Board adjudicated the matter and found that Respondent did indeed violate the single count of Knowing or Willful Failure to Comply with a Board Order, as provided by NRS 630.3065(2)(a), and imposed discipline.

8. The discipline the Board imposed was a written public reprimand, that Respondent's license be suspended for a period of one (1) year from December 28, 2022 to December 27, 2023, and on December 28, 2023, Respondent's license status shall be reinstated to an active-probation status; Respondent shall complete the University of San Diego Physician Assessment and Competency Evaluation Program (PACE), Competency Assessment, or substantially similar assessment by another entity approved by the Board within six (6) months of issuance of the Order; that any continuing medical education received for attending the program shall be in addition to the requirements that are regularly imposed upon Respondent as a condition of licensure in the State of Nevada pursuant to NAC 630.153(1); and Respondent was required to reimburse the Board the reasonable and necessary costs and expenses actually incurred in the investigation and prosecution of this case in the amount of seven thousand four hundred and ninety-nine dollars, and twenty cents ($7,499.20) within six (6) months of service of the Order.

9. Respondent received a deadline of June 1, 2024, to pay the fines and costs in Case No. 23-13009-1.

10. Johnna LaRue, CMBI, Compliance Officer for the Board sent Respondent a letter dated December 19, 2023, containing helpful instructions and deadlines to assist Respondent in complying with the Board Order. *See* **Exhibit 2**.

11. As of today's date, Respondent has not paid the costs in the amount of seven thousand four hundred and ninety-nine dollars, and twenty cents ($7,499.20) and is therefore in violation of the Board's Order.

12. NRS 630.3065(2)(a) states in pertinent part that [e]xcept as otherwise provided in NRS 630.2672, knowingly or willfully failing to comply with: (a) [a] regulation, subpoena or order of the Board or a committee designated by the Board to investigate a complaint against a physician, constitutes grounds for initiating disciplinary action.

13. Based on the foregoing, the IC finds that Respondent has willfully and knowingly violated the Board Order and is immediately suspended from the practice of medicine in the State of Nevada. *See* NRS 630.326(1).

ORDER

IT IS HEREBY ORDERED that the License of Jon Lane Siems, M.D. (9250) is immediately **SUSPENDED** until further order of the IC or Board, and Respondent is prohibited from engaging in any acts that constitute the practice of medicine pursuant to NRS 630.020; and

Jon Lane Siems, M.D., (Respondent), was properly served with a notice of the adjudication, including the date, time and location, and was present and not represented by counsel. The adjudicating members of the Board participating in these Findings of Fact, Conclusions of Law, and Order (FOFCOL) were: Nick M. Spirtos M.D., F.A.C.O.G., Ms. Maggie Arias-Petrel, Ms. Pamela Beal, Irwin B. Simon, M.D., FACS, Joseph Olivarez, P.A.-C, and Jason B. Farnsworth, RRT, MBA. Chricy E. Harris, Esq., Deputy Attorney General, served as legal counsel to the Board.

The Board, having received and read the Complaint and exhibits admitted at the hearing of this matter, the Hearing Officer's Findings and Recommendations[1], and the transcript of the hearing, made its decision pursuant to its authority and provisions of the Nevada Revised Statutes (NRS) Chapter 630 and Nevada Administrative Code (NAC) Chapter 630 (collectively, the Medical Practice Act), NRS Chapter 622A, and NRS Chapter 233B, as applicable.

///

///

[1] The Hearing Officer's Findings and Recommendations were prepared by Charles Woodman, Esq., who was appointed as Hearing Officer under NRS 630.106 in this matter and presided over the hearing.

The Board, after due consideration of the record, evidence, and law, and being fully advised in the premises, makes its FINDINGS OF FACT, CONCLUSIONS OF LAW, AND ORDER in this matter, as follows:

FINDINGS OF FACT

I.

Respondent held an Active-Probation license to practice medicine in the State of Nevada issued by the Board from December 3, 2021, until December 27, 2022. An Order for Summary Suspension of Respondent's license was filed on December 27, 2022, served on December 27, 2022, which immediately suspended Respondent's license until a show cause hearing could be held to determine if his medical license would be reinstated during the regular hearing process. On February 2, 2023, a show cause hearing was held at the office of the Nevada State Board of Medical Examiners and the Hearing Officer entered his order during the hearing that continued the suspension of Respondent's medical license throughout the hearing process.

II.

On January 30, 2022, the Investigative Committee filed its formal Complaint in Case No. 23-13009-1, alleging Respondent violated the Medical Practice Act. Respondent was personally served with the Complaint by a USPS Certified mail on March 3, 2023. The Complaint alleges as follows: Count I, a violation of NRS 630.3065(2)(a) Knowing or Willful Failure to Comply with a Board Order.

Respondent did not answer or file a response to the allegations set forth in the Complaint. Pursuant to NAC 630.460(4), the allegations of the Complaint are deemed generally denied if an answer is not filed.

III.

An Early Case Conference was held at the conclusion of the show cause hearing. Donald K. White, Senior Deputy General Counsel was present on behalf of the Investigative Committee (IC) of the Board, with Hearing Officer Charles Woodman, Esq., Respondent participated in the Early Case Conference and show cause hearing but was not represented by an attorney.

In compliance with NAC 630.465 an Order After Prehearing and Order Confirming Hearing Date was filed March 1, 2023, setting dates for the formal hearing calendared to commence on April 13, 2023, at the Office of the Nevada State Board of Medical Examiners, 9600 Gateway Drive, Reno, Nevada 89521 video conferenced to the Board's Las Vegas Office, located at 325 E. Warm Springs Road, Suite 225, Las Vegas, NV 89119. All documents intended to be introduced as evidence in the case were to be exchanged on or before March 13, 2023. Respondent was served this Order via USPS Certified Mail on March 6, 2023, at his address of record.

IV.

On April 13, 2023, as duly noticed and ordered, a hearing was held before the Hearing Officer to receive evidence and to hear arguments of both parties. Legal counsel for the Investigative Committee, Donald K. White, Senior Deputy General Counsel appeared, along with Respondent, without legal counsel, and Hearing Officer Charles Woodman, Esq. Mr. White presented the IC's case, offered documentary evidence, and presented witness testimony. Exhibits one (1) through (4) from the IC and several of Respondent's exhibits, were marked and admitted into evidence.

The Hearing Officer provided the Synopsis and Analysis of Record, filed May 9, 2023. This matter was scheduled for final adjudication on December 1, 2023, at a regularly scheduled Board meeting.

The notice of the adjudication was sent via USPS Certified Mail on October 30, 2023, and was delivered to Respondent on November 3, 2023, at 10:14 a.m.

A copy of the adjudication materials along with a copy of the Hearing Officer's Synopsis and Analysis of Record were mailed via Fed Ex 2-Day and were delivered to Respondent's address of record on November 10, 2023.

V.

Pursuant to NRS 622A.300(5)(a), the Findings and Recommendations of the Hearing Officer are hereby approved by the Board in their entirety, with modification to the discipline, and

///

are hereby specifically incorporated and made part of this Order by reference and are attached hereto as **Exhibit 1**.

VI.

In accordance with the Synopsis and Analysis of Record, the Board hereby finds that the count set forth in the Complaint, and as recapitulated in Paragraph II above, have been established by a preponderance of the evidence.

VII.

If any of the foregoing Findings of Fact is more properly deemed a Conclusion of Law, it may be so construed.

CONCLUSIONS OF LAW

I.

The Board has jurisdiction over Respondent and the Complaint, and an adjudication of this matter by the Board members as set forth herein is proper.

II.

Respondent was timely and properly served with the Complaint, and all notices and orders in advance of the hearing and adjudication thereon, in accordance with NRS and NAC Chapters 630, NRS Chapters 241, 622A and 233B, and all legal requirements of due process.

III.

With respect to the allegations of the Complaint, the Board concludes that Respondent has violated NRS 630.3065(2)(a) Knowing or Willful Failure to comply with a Board Order, as alleged in Count I. Accordingly, Respondent is subject to discipline pursuant to NRS 630.352.

IV.

The Board finds that, pursuant to NRS 622.400, recovery from Respondent of reasonable attorneys' fees and costs incurred by the Board as part of its investigation and disciplinary proceedings against Respondent is appropriate. The Board has reviewed the Investigative Committee's Memorandum of Costs and Disbursements and Attorneys' Fees, and the Board finds them to be the actual fees and costs incurred by the Board as part of its investigative, administrative and disciplinary proceedings against Respondent, and finds them to be reasonable,

In the Matter of Charges and Complaint Against JON L. SIEMS, M.D., Respondent.	Case No.: 23-13009-1 (Case No.:19-13009-2)

SYNOPSIS AND ANALYSIS OF THE RECORD

Hearing Officer Charles B. Woodman, having heard a formal pre-hearing conference, as well as the formal Hearing of this matter, hereby presents the Nevada State Board of Medical Examiners with his formal Analysis of this case. This Analysis is based upon all evidence adduced at the formal Hearing, this Hearing Officer's findings of facts and conclusions of law, which findings include the credibility of the witnesses who gave evidence.

RELEVANT BACKGROUND

This is a combined case as shown in the caption, whereby the Investigative Committee ("IC") of the Board of Medical Examiners of the State of Nevada ("Board") alleged that Dr. Jon Lane Siems, M.D., ("Dr. Siems") failed to comply with the Settlement Agreement he entered into as resolution to Board Case 19-13009-2. The final page of that Settlement Agreement contains the Board's order mandating compliance with the Agreement. A duly noticed formal hearing of the matter was held before the undersigned Hearing Officer on April 13, 2023 at the Northern Nevada office of the Board in Reno. Mr. Donald K. White, Esq., Senior Deputy General Counsel appeared on behalf of the Board's IC. Dr. Siems appeared via videoconference from the Board's Southern Nevada office representing himself in pro se. The matter was duly recorded by a licensed reporter and is a matter of public record.

The formal Complaint in Board Case 23-13009-1 alleges a single count of Knowing or Willful Failure to Comply with a Board Order, a violation of NRS 630.3065(2)(a), which states that:

> The following acts, among others, constitute grounds for initiating disciplinary action or denying licensure:
> * * *
> 2. Except as otherwise provided in NRS 630.2672, knowingly or willfully failing to comply with:
> (a) A regulation, subpoena or order of the Board or a committee designated by the Board to investigate a complaint against a physician;

More specifically, the IC alleges at paragraphs 8-9 of the Complaint that:

> 8. Respondent [Dr. Siems] knowingly or willfully failed to comply with an order of the Board when he failed to complete 20 hours of CMEs or the PACE Program by or within the deadline he agree to with the Board [in Case 19-13009-2].
> 9. Additionally, the Settlement Agreement [in Case 19-13009-2] that Respondent signed and was subsequently approved by the Board clearly states that Respondent agreed to be placed on stayed suspension and that if he violated any terms of the agreement that the IC shall be authorized to immediately suspend Respondent's license to practice medicine in Nevada pending an Order to Show Cause hearing.

Accordingly, the two cases are inextricably linked inasmuch as Dr. Siems' alleged violation of the Order at the final page of the Settlement Agreement entered into in Case 19-13009-2 makes up the entirety of the basis for Case 23-13009-1. Further, it appears that the Board may determine to take formal action in both such cases.

At commencement of the formal Hearing of this matter, Dr. Siems was again advised of his right to be represented by counsel, as this Hearing Officer has so advised him in prior proceedings. The Hearing proceeded with Dr. Siems electing to represent himself. See Transcript at page 5 ("T.5").

It is noted very significantly here that the Board has already determined that Dr. Siems "willfully and knowingly violated his Settlement Agreement" via the Board's Order of Suspension And Notice of Hearing filed December 27, 2022. That Order was issued summarily based on evidence proffered by the IC. A duly noticed formal Order to Show

Cause hearing to determine whether that summary suspension should continue was heard before the undersigned on February 2, 2023, with Dr. Siems in attendance, also representing himself at that time. After that hearing and in light of evidence provided by the IC and by Dr. Siems, this Hearing Officer confirmed the suspension pending further decisions by the Board and pending adjudication of the new complaint in Case 23-13009-1. The April 13 hearing was held to formally adjudicate Case 23-13009-1. At the hearing, the IC's burden was to prove by a preponderance of the evidence that Dr. Siems committed the violation alleged in the Complaint in Case 23-13009-1, i.e. that he knowingly or willingly failed to comply with the Board's order confirming his Settlement Agreement.

THE EVIDENCE

The evidence adduced at the April 13 hearing is summarized as follows (bold and italics are inserted by the Hearing Officer):

The IC's Deputy Chief of Investigations and Compliance Officer Johnna LaRue testified that:

Following the Board's approval of the Settlement Agreement entered into between Dr. Siems and the IC, Ms. LaRue mailed notice of the Board's decision to Dr. Siems' then counsel on December 14, 2021. T.15-17;

Ms. LaRue's letter, including a copy of the Settlement Agreement, disclosed the specific requirements with which Dr. Siems would have to comply to meet his obligations under the Settlement Agreement, and the fact that he would have one year from the date of the Board hearing to so comply, which would allow Dr. Siems until December 3, 2022 to meet all the conditions outlined in the Settlement Agreement, and required by the Board's Order thereon. T.18-20;

Receipt of Ms. LaRue's letter containing the Settlement Agreement and Board Order by Dr. Siems' then counsel[1] was confirmed via documentary evidence showing that it was received on December 18, 2021. T.21-22, 26, IC Exhibit 4;

[1] As noted, Dr. Siems was not represented by counsel at the formal Hearing in Case 19-13009-2. However, he retained counsel after the Hearing which culminated in execution of the Settlement Agreement.

Dr. Siems and his counsel both signed the Settlement Agreement. T.28;

Via a November 18, 2022 email to the IC's counsel Mr. White, Dr. Siems' counsel advised Mr. White that he was no longer representing Dr. Siems. T.29-30;

At no time did Dr. Siems' counsel or any other person ever contact Ms. LaRue or anyone else at the Board to request an extension of time for Dr. Siems to complete his requirements under the Settlement Agreement. T.31-33;

Extensions of time to comply with settlement agreement conditions are routinely given under reasonable circumstances. T.33-34;

Dr. Siems did not complete all his CMEs required by the Settlement Agreement within the mandated one-year period, nor did he complete the PACE program. T.34-35. Rather, the last required CMEs were completed within a few days following the February 2, 2023 hearing on the license suspension, (which would have been approximately two months late) . T.35;

Dr. Siems pressed Ms. LaRue on whether the Board should have required him (Dr. Siems) to complete the PACE program when he discovered that the program could not accommodate him. However, Ms. LaRue responded by saying that the Board would have amended the Settlement Agreement had Dr. Siems contacted the Board within the one-year period to advise that PACE could not accommodate him. T.38-43;

In response to Dr. Siems raising the issue of possibly not receiving a copy of the Settlement Agreement from his counsel, Ms. LaRue advised that she had worked a number of times in the past with the same attorney who represented Dr. Siems, and she has never had any issues with practitioners not receiving documents from that attorney. T.45-46;

Had the IC known at any time prior to expiration of his one-year timeline that the PACE program could not presently accommodate Dr. Siems, arrangements would have been made to take the matter back to the Board to alter the terms of the Settlement Agreement. T.47-48;

Dr. Siems recognized a copy of the Settlement Agreement and acknowledged that he signed it. T.51-52;

Dr. Siems acknowledged that he knew his deadline for complying with the terms of the Settlement Agreement was December 3, 2022. T.54;

At some time during December, 2022, Dr. Siems had his manager Isabella call the IC to provide an update on his process of complying with the Settlement Agreement, but not to request an extension of time. T.55-56;

Dr. Siems confirmed that while he does not recall receiving the IC's letter via his counsel following the approval of the Settlement Agreement, that does not mean that he does not remember the "settlement demands." "That's not my claim. I was aware of what the settlement demands were." On questioning by Mr. White, Dr. Siems acknowledged he was aware of the settlement demands as of the date he signed the document, i.e. November 24, 2021. T.57;

Email correspondence between Dr. Siems and the PACE program showed that Dr. Siems was not yet enrolled with PACE as of December 20, 2022, as his outstanding balance due for participation was $10,000.00. The balance due check was dated December 30, 2022, three days after service of the suspension order. T.61, 63-65, Respondent's Exhibits p.0003, 00095;

The first time that Dr. Siems, or his office personnel, contacted the PACE program was October 31, 2022 (or approximately 33 days prior to the compliance deadline in the Settlement Agreement). T.63;

When asked directly if he complied with the terms of the Settlement Agreement, Dr. Siems answered "No." T.65;

Dr. Siems was advised that he had the opportunity to present a defense case, but as the Board and its IC have the burden of proof, he (Dr. Siems) had no obligation to do so. Dr. Siems chose to provide a defense case. T.67-68;

Beginning at page 75 of the transcript, Dr. Siems provided a quite thorough history of some highly traumatic personal crises which began happening in his life in November, 2022, i.e. approximately one month or less before the December 3, 2022 deadline for complying with the Settlement Agreement. Those circumstances include a November 22, 2022 trip to Europe for approximately two weeks due to family medical emergencies,

ongoing emergent care of a young man that Dr. Siems refers to as his step-son upon return to the United States from Europe, and the necessity of a restraining order on December 23, 2022. The undersigned Hearing Officer declines to include details of those matters here to protect the privacy of Dr. Siems' and his family members. Suffice it to say that circumstances involving the mother of his children, and the young man whom Dr. Siems refers to as his step-son, were in crisis stage, which, according to sworn testimony, were physically and emotionally consuming. T.75-141;

Dr. Siems received a letter from the PACE program advising that the program could not accommodate Dr. Siems. That letter was dated April 6, 2023. T.82, Respondent's Exhibits p.0147;

Dr. Siems believes it is the Board's responsibility to determine whether or not the PACE program could accommodate him. Dr. Siems does not feel it is his responsibility to make that determination. T.84;

Dr. Siems testified that he waited four months, i.e. until the PACE program letter of April 6, 2023, to discover / confirm that PACE could not accommodate him. T.89;

Dr. Siems asked his witness Amel Youssef, O.D., if the trauma they jointly experienced because of her son's medical emergencies could distract a person "enough that mundane parts of life, perhaps, were ignored and made oblivious?" She testified in the affirmative. T.114-115;

ANALYSIS

This Hearing Officer did not find any witness who testified at the hearing to have credibility issues. While the witnesses called by Dr. Siems could be argued to be self-serving, those witnesses presented as genuine and factual. This Hearing Officer takes their testimony, along with all of that elicited by the IC, at full face value.

Dr. Siems executed the Settlement Agreement on November 24, 2021. He soon thereafter learned that pursuant to an Order of the Board, he had until December 3, 2022, to complete the conditions of his resolution. He first contacted the PACE program on October 31, 2022, one month and three days before his deadline for full completion of all conditions. That deadline came and went without Dr. Siems handling his CME or PACE

obligations. On December 27, 2022, Dr. Siems' license was summarily suspended for his failure to comply with the conditions of the Settlement Agreement. A formal noticed hearing confirming the suspension was held February 2, 2023. It was after that hearing that Dr. Siems completed his CME requirements, which was more than two months out of compliance. Dr. Siems received a letter confirming that the PACE program could not accommodate him on or after April 6, 2023, just a week prior to the formal Hearing on the Complaint alleging his failure to comply. And while Dr. Siems had his office manager contact the IC with a status update on his compliance at some time in December, 2022, (most likely after his December 3 deadline), at no time – either before or after the deadline - did Dr. Siems or his staff ever request additional time to complete his requirements under the Settlement Agreement.

Dr. Siems offered what is genuinely a compassion-evoking explanation of a series of unfortunate and even tragic events in his life - not the results of his doing - and which no doubt required a great deal of his time and attention. The evidence is clear that he responded well to loved ones in need. His actions were indeed admirable.

Unfortunately, Dr. Siems' defense is measured against three harsh realities. First, as he readily acknowledged, Dr. Siems failed to comply with the terms of his Settlement Agreement and the Board's Order mandating such. Second, Dr. Siems made no contact with the PACE program till he was only thirty-three days away from his deadline. Third, Dr. Siems did not reach out to the IC until after his deadline passed, and even when he had his office manager call, it was to provide a status update and not to seek additional time to comply. Further, it is apparent from the record that the great majority of the challenges that occurred in Dr. Siems' personal life arose either just prior to his compliance deadline – and some even occurred thereafter (such as the necessity of obtaining a restraining order).

Dr. Siems also offers as part of his defense that it should have been the Board's responsibility to ensure that the PACE program could accommodate his area of specialty / expertise before including such in the Settlement Agreement. While not fully articulated in the record, it appears to the Hearing Officer that those involved in crafting the Settlement Agreement had ample cause to believe based on past experience that the PACE program

could serve a physician of Dr. Siems' specialty. It is also apparent from the record that Covid-19 had impacted the ability of the PACE program to accommodate some specialties. Accordingly, the Hearing Officer does not recognize a basis to leave upon the Board sole responsibility for the potential availability of the PACE program to function for Dr. Siems. As stated repeatedly by the IC's counsel Mr. White, had Dr. Siems not waited 333 days to initiate contact with PACE, this case could have been quite different. Ms. LaRue made sufficiently clear that timely notice of any deficiency in the ability of the PACE program to serve in this case would have allowed the Board to amend its requirements. Finally, there is the logical reality that the party on the hook, i.e. the one with his licensure at stake, ought to engage in sufficient due diligence to ensure he is doing all that is required to preserve his valuable practice. Dr. Siems offered no explanation as to why he did not reach out to PACE until October 31, 2022, or why he did not complete his CMEs from the time he signed the Settlement Agreement in November, 2021, until his personal challenges arose in late November 2022. Finally, it must be recognized that Dr. Siems' counsel – who was an extension of Dr. Siems, participated in the negotiating and crafting of the Settlement Agreement. And it was Dr. Siems who executed that Agreement. And accordingly, Dr. Siems shares responsibility for what that Agreement contains.

It is also significant that the statute at issue here is one of strict liability. While Dr. Siems argues that the statute does not prohibit consideration of extenuating circumstances, that does not obviate the plain language of the law that "knowingly or willfully failing to comply with . . . [an] order of the Board constitutes grounds for initiating disciplinary action. The Settlement Agreement became an Order of the Board when the Board approved it. The Order is the final page of the Agreement. Dr. Siems candidly admitted he knew that he did not comply with that Order. The knowing prong of the statute is thus satisfied. And while not a necessary finding or conclusion since either a knowing *or* willful violation will trigger the ramifications of the statute, it can reasonably be determined that Dr. Siems' failure to comply was willful considering the long delay before he took any action whatsoever. The Hearing Officer finds Dr. Siems' passive description of the Board's Order as a "mundane part of life" as a reflection of the amount of concern

he had for the Order, which is further reflected in the long delay before any action was taken whatsoever. In any event, the knowing violation is clear and convincing, thus exceeding the IC's burden of proving their case by a preponderance of the evidence.

CONCLUSION

This Hearing Officer, while readily acknowledging the significant trying life events experienced by Dr. Siems and his family, must recommend that the Board find that Respondent Dr. Jon Lane Siems, M.D., violated the statute as alleged in the Complaint, in that he knowingly failed to comply with the terms of the Order contained within the Settlement Agreement. There is no doubt room for compassion for Dr. Siems in all he experienced in his personal life right around the compliance deadline. But those extenuating circumstances do not negate the knowing failure to meet his mandated obligations, especially when he took no action to inform the Board of those circumstances and/or to seek additional time to comply, or to have the requirements duly amended.

Respectfully submitted this 8th day of May, 2023.

NEVADA STATE BOARD OF PHARMACY, **Petitioner,** **v.** **MATTHEW OKEKE, M.D.,** **Certificate of Registration No. CS10935,** **Respondent.**	**Case No. 19-013-CS-S** **FIRST AMENDED NOTICE OF INTENDED ACTION AND ACCUSATION**

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, files the following document that will serve as both a first amended notice of intended action under NRS 233B.127(3) and a first amended accusation under NRS 622A.300(1) and NRS 639.241.

JURISDICTION

1. The Nevada State Board of Pharmacy (Board) has jurisdiction over Respondent Matthew Okeke, M.D. (Respondent), because Respondent, at the time of the violations alleged herein, held a Nevada controlled substance registration, Certificate of Registration No. CS10935.

2. Respondent is a physician licensed by the Nevada State Board of Medical Examiners to practice psychiatry in Nevada. During the time periods discussed herein, Respondent was a "practitioner" as that term is defined at NRS 453.126.

FACTUAL ALLEGATIONS

3. Between February 28, 2017, and November 21, 2018, Respondent maintained a psychiatric practice in Las Vegas, Nevada. During that time frame, while engaged at various times in overseas travel, Respondent issued or caused to be issued at least one hundred twenty (120) prescriptions for controlled substances. These included prescriptions for alprazolam, clonazepam, diazepam, lacosamide, pregabalin, lisdexamfetamine, and buprenorphine.

4. Respondent was located outside of the United States during the periods from: 1) February 26 to March 11, 2017; 2) September 27 to October 2, 2017; 3) June 30 to July 17, 2018; and 4) November 9 to November 23, 2018.

5. While engaged in overseas travel as alleged above, Respondent employed the following methods of issuing prescriptions for controlled substances: 1) Respondent pre-signed certain of the prescriptions and supplied then to persons under his supervision or control for subsequent distribution to consumers; 2) Respondent authorized or directed one or more persons under his supervision or control to issue prescriptions to consumers by affixing Respondent's signature to those prescriptions via a rubber stamp imprinted with Respondent's signature; and 3) Respondent authorized or directed one or more persons under his supervision or control to telephonically issue prescriptions for consumers using Respondent's name and controlled substances registration number.

6. During the periods described herein, Respondent intentionally failed to maintain patient treatment charts and/or records from which a person could reasonably determine whether Respondent had a bona fide therapeutic relationship with the persons to whom prescriptions for controlled substances were issued under Respondent's name and controlled substances registration number.

7. Respondent caused, directed, or permitted one or more persons under his supervision or control to issue prescriptions for controlled substances even though such person(s) were not licensed or registered under state or federal law to prescribe controlled substances. Respondent knew or should have known that such person(s) were not licensed or registered under state or federal law to prescribe controlled substances.

8. On or about March 9, 2020, the Nevada State Board of Medical Examiners disciplined Respondent for malpractice and for failure to maintain proper medical records.

9. On or about September 7, 2022, Respondent entered a guilty plea pursuant to a plea agreement of committing the offense of intentional failure to maintain adequate records, a gross misdemeanor violation of NRS 422.510(1).

10. On or about September 7, 2022, Discovery Mind Center Ltd. (Discovery Mind Center), a Nevada limited-liability company, entered a guilty plea pursuant to a plea agreement of submitting false claims to defraud Medicaid, a felony violation of NRS 422.540; and of using the identifying information of an older person for unlawful purposes, a felony violation of NRS 205.463.

11. At the time of the offenses described in paragraph 10 above, Respondent owned, controlled, and/or managed Discovery Mind Center. Respondent entered guilty pleas on behalf of Discovery Mind Center.

12. On or about December 8, 2022, the Nevada State Board of Medical Examiners disciplined Respondent for failure to maintain proper medical records.

13. On or about January 17, 2023, Respondent and Discovery Mind Center were sentenced for the criminal offenses described in paragraph 10 above. Discovery Mind Center was ordered to pay $330,000 in restitution, and Respondent was sentenced to probation and ordered to pay $300,000 in costs and penalties.

14. On or about February 21, 2023, Matthew Okeke, M.D., Ltd., a Nevada limited-liability company, was convicted pursuant to a plea agreement of one count of submitting false claims: Medicaid fraud, a category D felony in violation of NRS 422.540(1)(a) and NRS 422.540(2)(a), and one count of obtaining and using personal identifying information of an older person for unlawful purposes, a category D felony in violation of NRS 205.463(1) and NRS 205.463(3)(a).

15. At the time of the offenses described in paragraph 14 above, Respondent owned, controlled, and/or managed Matthew Okeke, M.D., Ltd., a Nevada limited-liability company. Respondent entered guilty pleas on behalf of the company.

16. On or about February 21, 2023, Matthew Okeke, M.D., Ltd., a Nevada limited-liability company, was sentenced for the offenses described in paragraph 14 above. The company was ordered to pay a fine of $100,000, among other fees and assessments.

17. Respondent was charged individually with the offenses described in paragraphs 9, 10, and 14 above. However, Respondent entered into plea agreements whereby he avoided individual convictions for all offenses except the gross misdemeanor offense described in paragraph 9 above.

18. On or about October 25, 2022, Respondent submitted to the Board his application to renew his certificate of registration to prescribe controlled substances. The application specifically directed Respondent to disclose any charges, arrests, or convictions. Respondent disclosed the

JURISDICTION

1. The Nevada State Board of Pharmacy ("Board") has personal jurisdiction over Respondent Jack Kelton Thomas, Jr., DVM ("Respondent"). At the time of the events alleged below, Respondent held: i) a certificate of registration to prescribe controlled substances in Nevada; and ii) a certificate of registration to dispense dangerous drugs and controlled substances in Nevada. These certificates of registration are identified as Certificate of Registration No. CS08932 and Certificate of Registration No. DV00496, respectively, and they were issued by the Board pursuant to NRS 453.226, NRS 453.231, NRS 454.215, and NAC 639.7423.

2. The Board has jurisdiction over the subject matter of this accusation because the allegations below concern the procurement, possession, storage, and distribution of dangerous drugs and/or controlled substances. *See* NRS 639.070.

FACTUAL ALLEGATIONS

3. Between 2015 and June 2022, Respondent was a Doctor of Veterinary Medicine licensed by the Nevada Board of Veterinary Medical Examiners. As such, Respondent was a "practitioner" as that term is defined at NRS 639.0125 and NRS 453.126.

4. Between 2015 and June 2022, Respondent practiced veterinary medicine at the Animal Care Center of Pahrump, located at 6981 North Highway 160, in Pahrump, Nevada. Respondent owned and managed the practice until November 2019, at which time he transferred ownership and management responsibilities to AmeriVet Veterinary Partners ("AmeriVet").

5. Between November 2019 and June 2022, Respondent practiced veterinary medicine as an employee of AmeriVet. Respondent signed an employment contract with AmeriVet that purportedly relieved Thomas of any responsibility for managing the business of Animal Care Center of Pahrump.

6. Between November 2019 and June 2022, Kristin Rastella ("Rastella"), a veterinary technician, routinely ordered and/or accepted delivery of controlled substances that were administered and/or dispensed by Respondent within the scope of his veterinary practice. Drugs ordered by Rastella included buprenorphine, a Schedule III controlled substance. Rastella ordered buprenorphine using Respondent's credentials.

7. In May and June 2022, AmeriVet audited the books and records of Animal Care Center of Pahrump. The auditors were unable to reconcile purchase records and dispensing records. The auditors estimate that during the 24-month period covered by the audit, approximately 270 10ml vials of buprenorphine were diverted from the Animal Care Center of Pahrump. Ultimately, the auditors concluded that Rastella had diverted the missing buprenorphine. Rastella denied having diverted the missing buprenorphine.

8. On or about July 11, 2022, Kenneth R. Merrell, a senior management employee with AmeriVet, submitted to the Board a report of loss or theft of controlled substances. Respondent did not assist with the preparation, drafting, and/or submission of the report.

9. In a written statement to Board Investigator Kenneth Scheuber, Respondent denied any responsibility to supervise Rastella and/or to ensure the secure storage and tracking of controlled substances. Respondent stated that his employment contract with AmeriVet relieved him of management responsibilities.

10. Between November 2019 and June 2022, Respondent failed to designate or otherwise identify another practitioner with the responsibility to supervise Rastella and/or to ensure the secure storage and tracking of controlled substances at the Animal Care Center of Pahrump.

11. Between November 2019 and June 2022, Respondent was one of only three licensed veterinarians at the Animal Care Center of Pahrump with authority to procure and dispense controlled substances.

12. Between November 2019 and June 2022, as the former owner of the Animal Care Center of Pahrump, Respondent was the person most knowledgeable about the facility's practices and procedures related to the procurement, possession, storage, and dispensing of buprenorphine.

13. In November 2019, Respondent abdicated any responsibility for supervising the procurement, possession, storage, and dispensing by others of dangerous drugs and controlled substances.

14. In November 2019, upon abdicating his supervisory responsibilities at the Animal Care Center of Pahrump, Respondent failed to take reasonable steps to ensure that another practitioner assumed responsibility for supervising the procurement, possession, storage, and dispensing of dangerous drugs and controlled substances.

15. In November 2019, upon abdicating his supervisory responsibilities at the Animal Care Center of Pahrump, Respondent failed to take reasonable steps to notify Amerivet management that Rastella was ordering and handling controlled substances without meaningful supervision.

16. Despite his knowledge and familiarity with operations at the Animal Care Center of Pahrump, and despite having abdicated his supervisory responsibilities at the facility, Respondent did

not take reasonable steps to ensure that buprenorphine was ordered under some other practitioner's credentials.

17. As a result of Respondent's acts and/or omissions as described above, Amerivet failed to adequately supervise the receipt, possession, storage, and/or distribution of dangerous drugs and/or controlled substances at or from the Animal Care Center of Pahrump.

18. As a result of Respondent's acts and/or omissions as described above, Amerivet failed to adequately supervise non-practitioner employees with access to dangerous drugs and/or controlled substances at the Animal Care Center of Pahrump.

19. As a result of Respondent's acts and/or omissions as described above, Amerivet failed to properly secure dangerous drugs and/or controlled substances at the Animal Care Center of Pahrump.

20. As a result of Respondent's acts and/or omissions as described above, Amerivet failed to maintain accurate and/or complete inventory records of dangerous drugs and/or controlled substances at the Animal Care Center of Pahrump.

21. As a result of Respondent's acts and/or omissions as described above, one or more persons diverted approximately 270 10ml vials of buprenorphine from the Animal Care Center of Pahrump.

22. When Respondent became aware of the diversion as described above, Respondent advised, directed, and/or encouraged other AmeriVet employees to delay reporting the diversion to the Board and/or to the federal Drug Enforcement Administration (DEA). Respondent informed them that he would handle the reporting himself.

23. Respondent never reported the loss or theft of controlled substances to the Board and/or to the DEA.

24. Given his position, tenure, and responsibilities at the Animal Care Center of Pahrump, Respondent knew or reasonably should have known as early as February 2022 that one or more persons were diverting buprenorphine from the facility. Yet, Respondent failed to take reasonable steps to prevent the continued diversion of controlled substances from the Animal Care Center of Pahrump.

APPLICABLE LAW

25. The Board may revoke or suspend the registration of any practitioner who has violated, attempted to violate, assisted, or abetted in the violation of, or conspired to violate any of the provisions of NRS chapter 639 or any state or federal law or regulation relating to drugs, the manufacture or distribution of drugs, or the practice of pharmacy. *See* NRS 639.210(12); NRS 453.231(1)(b); NRS 453.236(1)(e).

Subj: Response to Notice Of Intended Action and Accusation regarding Jack Thomas, Jr and Case No. 22-187-CS-S.

To: Nevada State Board of Pharmacy,

Respondent above named, in answer to the Notice of Intended Action and Accusation filed in the above-entitled matter before the Nevada State Board of Pharmacy, declares:

1. That his/her objection to the Notice of Intended Action and Accusation as being incomplete or failing to state clearly the charges against him/her, is hereby interposed on the following grounds: Incorrect, incomplete, and/or false allegations.

2. That, in answer to the Notice of Intended Action and Accusation, he/she admits, denies, and alleges as follows:

On Thursday September 19, 2024, I was advised by the current Practice Manager at Animal Care Center of Pahrump that an employee had signed for certified mail addressed to me. I personally paid to have this sent to my current mailing address and received the mail approximately 6 days later. I was not advised of the date of the signing by the employee. I strongly object to this action being delivered to my former place of employment when this office had my current mailing address per my 2022 interview with the board investigator. This action was mailed to Animal Care Center of Pahrump in Pahrump, Nevada. I have not worked or lived in Pahrump, Nevada since mid 2022 as was discussed during my conversation with the Nevada State Board of Pharmacy investigator in mid 2022. In response to the above listed action, I submit the following:

1. Under Factual Allegations, the following are not factual or are misleading:

   A. (8) I was never contacted nor given the opportunity to "cooperate with the.....of the report."
   B. (9) Between November of 2019 and June of 2022, there was "another practitioner with the responsibility of supervising Rastella.....Animal Care Center of Pahrump." This allegation is false.
   C. (10) Between November of 2019 and June of 2022, Respondent was not the only practitioner who regularly practiced veterinary medicine at the Animal Care Center of Pahrump. Respondent was not "the only employee on site.....without supervision. " This allegation is false.
   D. (16) (17) Respondent never advised, directed, and/or encouraged other Amerivet employees not to report the loss of theft of the controlled substances to the Board and/or DEA. Respondent recollection is these two bodies were never discussed with employees. The allegations regarding "the Board and/or DEA" are false.

2. In response to Count One:

   A. (34) All veterinarians at Animal Care Center of Pahrump "ensured that all controlled substances and dangerous drugs received by the veterinary facility were verified by a veterinarian or with knowledge of the veterinarian". The diversion was apparently done during the ordering and prior to the receiving of the products by the veterinarian. No product was diverted after verification by the veterinarian. Kristin Rastella, apparently, removed the product prior to verification.

   B. (36) As in my previous statement, I had no knowledge that my license or credientials were being used to purchase or maintain buprinorphine from an Amerivet distributer for Animal Care Center of Pahrump. That information was never advised to me in either verbal or written form. Amerivet Veterinary Partners purchased Animal Care Center of Pahrump in November 2019 and removed the entirety of my management or administrative duties per my employment contract at that time.

   C. (37) I maintained impeccable records in my duties as an employed veterinarian at Animal Care Center of Pahrump. Each of my uses of dangerous or controlled drugs was noted in both patient medical records and in applicable controlled substance logs. This was done in great detail in both medical and surgical records.

   D. (38) I was meticulous, as with any other veterinarians working at Animal Care Center of Pahrump, in "maintaining accurate inventory and dispensing logs.....added or removed from inventory".

   E. (39) I was not responsible for maintaining all "medical records, inventory logs, and/or dispensing logs for at least 4 years". Amerivet Veterinary Partners purchased Animal Care Center of Pahrump as a business and the facility in which it was located in November 2019. Per my employment contract, I was relieved of any and all management and administrative duties. It was reported to me that Kristin Rastella had destroyed some or all paperwork and records shortly after I retired or while I was on vacation prior to my retirement.

3. In response to Count Two:

   A. (43) (44) I never "advised, directed, and/or encouraged other AmeriVet employees to "conceal the diversion" or "not report the theft of controlled substances to the Board and/or the DEA." Those are both false.

I am unable to attend the hearing scheduled on October 16, 2024, and submit this statement as my response. Amerivet Veterinary Partners is the company that owned Animal Care Center of Pahrump (business and facility) and was responsible for all protocols. I had no management or administrative responsibilities from November 2019 to my retirement in July 2022. I retired my Nevada State Board of Veterinary Examiners license and my Nevada State Board of Pharmacy license shortly after my retirement in July of 2022.

I, hereby declare, under penalty of perjury, that the foregoing Answer and Notice of Defense, and all facts therein stated are true and correct to the best of my knowledge.

Dated this third day of October 2024.

Please contact me at this email address regarding any further communication.

Respectfully submitted,

Dr. Jack K Thomas, Jr BS, DVM

17. In 2007, Respondent applied for and obtained a license to practice medicine in Wyoming.

18. In January 2012, Respondent applied for and obtained a license to practice medicine in New Mexico.

19. In 2012, Respondent applied for and obtained a license to practice medicine in Pennsylvania.

20. On October 2, 2012, Respondent applied for a license to practice medicine in Virginia.

21. In support of his application for a license to practice medicine in Virginia, Respondent submitted two letters of recommendation that were ostensibly drafted and signed by supervisors for whom he had allegedly worked while practicing medicine in Wyoming. The letters of recommendations were fakes and/or forgeries.

22. In 2014, Respondent applied for and obtained a license to practice medicine in Connecticut.

23. In 2015, Respondent applied for and obtained a license to practice medicine in Florida.

24. On July 15, 2015, after investigating Respondent's background, the Virginia Board of Medicine denied Respondent's application for a license to practice medicine in Virginia.

25. In support of its decision to deny licensure, the Virginia Board of Medicine noted Respondent's dismissal from the Floyd Program, his dismissal from the LSU Program, the incident at the USMLE testing center, and his submission of fake and/or forged letters of recommendation in support of his application for licensure.

26. The 2015 action by the Virginia Board of Pharmacy prompted regulators to initiate administrative disciplinary actions in the various jurisdictions where Respondent was then licensed to practice medicine.

27. For example, after having been denied licensure in Virginia, Respondent was formally disciplined by medical licensing authorities in New York, Pennsylvania, New Mexico, Florida, Connecticut, Delaware, Nevada, and Wyoming. In some cases, Respondent's license to practice medicine was revoked or suspended. In other cases, Respondent was reprimanded and/or fined.

28. Generally, in any given jurisdiction, the discipline was related to one or more of the following factors: i) Respondent's dismissal from the Floyd Program and/or his failure to disclose the same; ii) Respondent's dismissal from the LSU program and/or his failure to disclose the same; iii) the incident at the USMLE testing center and/or Respondent's failure to disclose the same; iv) Respondent's submission of fake and/or forged letters of recommendation in support of his application for licensure in Virgina; v) Respondent's failure to disclose that he was denied licensure in Virginia; and, vi) Respondent's failure to disclose that he was disciplined by one or more medical licensing authorities due to the foregoing.

29. The disciplinary actions taken against Respondent by New York, Pennsylvania, New Mexico, Florida, Connecticut, Delaware, Nevada, and Wyoming became final and enforceable at various points in time between March 2016 and January 2018; Respondent did not file any licensure applications with the Board during that time frame.

30. On or about September 12, 2018, Respondent filed with the Board his application for Certificate of Registration No. CS27754. In that application, Respondent disclosed the disciplinary actions taken against him by New York, Pennsylvania, New Mexico, Florida, Connecticut, Delaware, Nevada, and Wyoming.

31. In March 2022, Respondent was disciplined in Oklahoma for one or more of the same reasons that he was disciplined in New York, Pennsylvania, New Mexico, Florida, Connecticut, Delaware, Nevada, and Wyoming. Respondent disclosed the Oklahoma discipline in his 2022 renewal application for Certificate of Registration No. CS27754. The 2022 disclosure prompted an investigation by the Board.

32. In his renewal applications dated September 18, 2020, and October 5, 2022, Respondent stated that he had never served on active duty in the military. The application forms submitted by Respondent prior to 2020 did not pose questions about military service.

34. A certificate of registration to prescribe controlled substances expires on October 31 of each even-numbered year. NAC 453.210. The registration must be renewed on a form prescribed by the Board. 35. The holder of any certificate, license, or permit issued by the Board must report to the Executive Secretary of the Board any "administrative action taken against the holder by any professional licensing board or any state or federal agency not later than 30 days after the final disposition of the administrative action and provide any documentation of the administrative action requested by the Executive Secretary." NAC 639.229.

36. The Board may revoke or suspend the registration of any practitioner who "[h]as had a certificate, license or permit suspended or revoked in another state on grounds which would cause suspension or revocation of a certificate, license or permit in this State." NRS 639.210(14).

37. The Board may revoke or suspend the registration of any practitioner who has obtained any certificate, certification, license or permit by the filing of an application, or any record, affidavit or other information in support thereof, which is false or fraudulent. NRS 453.236(1)(a); NRS 639.210(9)-(10).

38. The Board may revoke or suspend the registration of any practitioner who is guilty of unprofessional conduct or conduct contrary to the public's interest. *See* NRS 639.210(4); NRS 453.231(1)(h); NRS 453.236(1)(e). COUNT ONE
Engaging in Deceitful Transactions

39. As noted above, on October 2, 2012, Respondent applied for a license to practice medicine in Virginia. In support of his application, Respondent submitted two letters of recommendation that were ostensibly drafted and signed by supervisors for whom he had allegedly worked while practicing medicine in Wyoming. The letters of recommendations were fakes and/or forgeries.

40. By submitting faked and/or forged letters of recommendation in support of his application for licensure in Virginia, Respondent engaged in a deceitful or fraudulent practice or transaction.

41. By virtue of his misconduct in Virginia as described above, Respondent is subject to discipline in Nevada for unprofessional conduct and/or conduct contrary to the public interest. *See* NRS 639.210(4), (9)-(10); NRS 453.236(1)(e): NAC 639.945(1)(h).

COUNT TWO
Suspension or Revocation of License in Another Jurisdiction

42. As noted above, on October 2, 2012, Respondent applied for a license to practice medicine in Virginia. In support of his application, Respondent submitted two letters of recommendation that were ostensibly drafted and signed by supervisors for whom he had allegedly worked while practicing medicine in Wyoming. The letters of recommendations were fakes and/or forgeries.

43. On the basis of the conduct described above, Respondent's licenses to practice medicine were either revoked or suspended in New Mexico, Connecticut, Delaware and/or Wyoming.

44. Respondent's licenses to practice medicine in New Mexico, Connecticut, Delaware and/or Wyoming were suspended or revoked on grounds which would cause suspension or revocation of a certificate, license or permit in Nevada. *See* NRS 453.231(1)(f); NRS 453.236(1)(a).

45. Respondent is subject to discipline in Nevada by virtue of the suspension and/or revocation actions in New Mexico, Connecticut, Delaware and/or Wyoming. NRS 639.210(14); NRS 453.231(1)(f); NRS 453.236(1)(a).

COUNT THREE
Making False Statements on Renewal Applications

46. For Certificate of Registration No. CS27754, Respondent submitted renewal applications dated September 18, 2020, and October 5, 2022. In those renewal applications, Respondent falsely stated that he had never served on active duty in the military.

47. As noted above, Respondent served in the U.S. Army during some unknown period of time between 1991 and 2002.

48. On information and belief, Respondent was dismissed, discharged, or administratively separated from the U.S. Army under other than honorable conditions.

49. On information and belief, Respondent denied having served in the military in order to conceal the facts and circumstances surrounding his discharge, dismissal, or administrative separation from the U.S. Army. These facts and circumstances were material to the Board's decision whether to renew Certificate of Registration No. CS27754.

50. By falsely stating that he had never served in the military, Respondent submitted renewal applications to the Board that were false or fraudulent.

51. By falsely stating that he had never served in the military, Respondent engaged in fraudulent or deceitful practices or transactions.

52. Respondent may be disciplined for any one or more of the acts and/or omissions described above. NRS 453.236(1)(a); NRS 639.210(4), (9) and (10); NAC 639.945(1)(h).

Subject: Appeal of Citation for Prescribing Controlled Substances
Heath G. DeHart, PA (CS33956) Case No. 22-351-CS-N

Dear Members of the Nevada Board of Pharmacy,

I am writing to appeal the decision to issue a citation to me, Heath Gabriel DeHart, Physician Assistant, for prescribing controlled substances between January 10, 2022, and June 3, 2022. I am a licensed physician assistant, and I believed that my prescribing authority for controlled substances had been transferred to fully approved status during the timeframe mentioned above.

As you are aware, I was initially approved under COVID-19 status, and my license was later converted to a fully approved physician assistant license. Unfortunately, I was not fully aware of the intricacies of Nevada State Board of Pharmacy approval process, and I mistakenly believed that my prescribing authority for controlled substances had also been transferred to fully approved status.

I want to emphasize that I did not intend to prescribe controlled substances without proper authorization or maliciously. My sole intention was to provide adequate pain management to patients who were experiencing traumatic injuries, or severe conditions causing pain. There was no monetary gain for me in prescribing these medications, and the only benefit was to ensure the well-being and comfort of my patients.

I deeply regret any misunderstanding , or oversight on my part. and I immediately took steps to rectify the situation and ensure compliance with all regulations and guidelines once I was made aware of the situation. I am committed to upholding the highest standards of healthcare and serving the people of Nevada with integrity and professionalism.

I respectfully request that you reconsider the decision to issue a citation to me and take into account the circumstances outlined in this appeal. I am willing to provide any additional information or documentation that may assist in your review of this matter.

Thank you for your attention to this appeal, and I look forward to a favorable resolution.

Sincerely,

Heath DeHart, PA-C

To whom it may concern:

I am writing to formally request that the Nevada Board of Pharmacy reconsider the decision rendered against me regarding the alleged prescribing without a controlled substance certificate. I believe that there is new, relevant evidence that was not previously taken into account and may directly affect the outcome of my case.

The new information pertains to the Board's responsibility to provide timely notice to practitioners about any controlled substance licensing restrictions imposed on them. In my case, I did not receive such notice, which I believe is a significant procedural oversight. Additionally, there may be applicable provisions under Nevada law concerning emergency dispensing of medications and the licensure requirements for locum tenens practitioners, which were not fully explored. The provisionary Covid license had overlap until May 2022. I also hold a valid DEA license in other states, that was active at the time of this occurrence, which may have bearing on my case. In exploring other options, I found in the bylaws, the board also has power to retroactively date the effective date of my controlled substance certificate to reflect the date the certificate was applied for, this would allow for compliance.

In light of this new evidence, I respectfully request the opportunity to have my case reheard and to provide this additional information for your review.

I am confident that a reconsideration of the facts, with the inclusion of this new evidence, will result in a more accurate and fair decision.

Thank you for your time and attention to this matter. I look forward to your favorable response and am available at your convenience to discuss any further details or to provide documentation as needed.

Sincerely,
Heath DeHart

<Case No. 22-351-CS-N DeHart STRNOH.docx>

Heath DeHart
[redacted] E 2840 S Cir.
St. George, UT 84790
[redacted]

11/18/2024

Dear Members of the Nevada State Board of Pharmacy,

I am writing to formally request the board to vacate and amend the citation and fine imposed upon me regarding a violation related to the expiration of the COVID-19 controlled substance waiver.

The citation and fine of $5,000, along with the associated reporting to the National Provider Data Bank, are penalties, I respectfully believe are disproportionately severe given the circumstances of this case. I would like to present new evidence demonstrating that I did, in fact, complete the COVID-19 Prescribing Registration Waiver for controlled substance. Furthermore, I unknowingly prescribed one controlled substance prescription outside of the waiver period, and this error was not due to negligence, but rather the absence of any notification from the Nevada State Board of Pharmacy that the waiver had expired.

Throughout my career, I have been committed to upholding the highest standards of medical practice, particularly in my prescribing practices. I have a conservative approach when prescribing controlled substances and only prescribe when absolutely necessary and in small quantities. I have consistently adhered to all laws and regulations governing controlled substances. This singular incident was an unintentional oversight, and I humbly ask the Board to consider my exemplary track record and dedication to my patients.

Given the extraordinary challenges and rapid changes brought about by the COVID-19 pandemic, the expiration of the waiver occurred without proper notification. The board did not have on file my COVID-19 Prescribing Registration Waiver for controlled substance, even though I had completed the form and had been approved by the board to prescribe controlled substances, this may be why I was not properly notified of expiration of the waiver; however, this was an error on the part of the Nevada board of Pharmacy, as I have provided the completed waiver and provided email confirmation that it was approved by the Nevada board of Pharmacy. I was relying on the waiver to address patients' needs in good faith. I am confident that had I been made aware of its expiration, I would have promptly discontinued prescribing controlled substances. While applying for permanent licensing I had sent several emails to the board asking to know the status of my controlled substance prescribing, and at no time was I given a response that I was not registered and that I did not have controlled substance prescribing authority.

I respectfully request that the Board vacate and amend the citation and fine in light of this new evidence and the mitigating circumstances. Reporting this incident to the National Provider Data Bank will unjustly impact my professional reputation, credentialing, and employment opportunities.

I deeply regret any oversight on my part and assure the Board that I have since implemented additional measures to ensure such a situation does not occur again. My sole intent has always been to provide the highest standard of care to my patients while fully adhering to all legal and professional guidelines.

Sincerely,

Heath DeHart

IT IS HEREBY ORDERED THAT:

SECTION 1: The waiver of licensing provision of NRS 414.110 is hereby invoked. Professional licensing boards regulating providers of medical services shall temporarily waive certain licensing requirements to allow the practice of currently unlicensed skilled medical professionals during the pendency of the COVID-19 crisis. SECTION 2: The waiver and exemption of professional licensing requirements shall apply to qualified providers of medical services during this declared emergency who currently hold a valid license in good standing in another state, providers of medical services whose licenses currently stand suspended for licensing fee delinquencies, providers of medical services whose licenses currently stand suspended for failure to meet continuing medical education requirements, and providers of medical services who have retired from their practice in any state with their license in good standing. These waivers and exemptions shall not apply to persons whose licenses have been revoked or voluntarily surrendered as a result of disciplinary proceedings.

SECTION 3: The Chief Medical Officer is authorized to approve the wavier and exemption of professional licensing requirements for any provider of medical services who has received training in another country but is not currently licensed in the United States, subject to verification of their credentials.

SECTION 4: Individuals seeking waiver and exemption of professional licensing requirements are required to notify the applicable Nevada licensing board or agency and provide any requested information. Any medical facility as defined by NRS 449.0151, laboratory, or pharmacy employs or contracts with a provider of emergency medical services who is not licensed in Nevada during this declared emergency must ensure that the provider has notified the applicable Nevada license board or agency.

SECTION 5: The Chief Medical Officer and, to the extent necessary, the appropriate professional licensing board shall expedite the processing and final disposition of all applications to practice under the terms of this Directive.

SECTION 6: A provider of medical services during this emergency is authorized to supervise students in their profession to provide any emergency medical services as is appropriate to the student's knowledge and skill level without further licensure or certification.

SECTION 7: All providers of medical services in the State of Nevada are authorized to practice outside the scope of their specialization, within the limits of their competency, to the extent necessary to augment and bolster Nevada's healthcare system during the COVID-19 crisis.

SECTION 8: The Governor authorizes the Chief Medical Officer or his designee to review and approve the Crisis Standards of Care Guidance for COVID-19 promulgated by the State of Nevada Department of Health and Human Services, Division of Public and Behavioral Health, and the Governor's COVID-19 Medical Advisory Team.

SECTION 12: No license for a provider of medical services shall be suspended for any administrative reasons, including without limitation, continuing education requirements while this Directive is in effect, and for a period of 60 days thereafter. SECTION 13: This Directive shall remain in effect until specifically modified or terminated by a subsequent Directive promulgated pursuant to the March 12, 2020 Declaration of Emergency to facilitate the State's response to the COVID-19 pandemic.

CEASE-AND-DESIST and CITATION-AND-FINE: Case No. 24-354-PH-O – Unlicensed Operation of a Pharmacy and Practice of Pharmacy in Nevada

To Whom it May Concern:

The Nevada State Board of Pharmacy (hereinafter "Board") has determined that you own and serve as the managing pharmacist of Echo Health LLC, dba Nova Specialty Pharmacy (hereinafter "Nova"). The Board has also found that Nova is operating an unlicensed pharmacy in the state of Nevada. Nova sold or dispensed prescriptions to Nevada-based patients at least 103 times. Additionally, according to an inspection report obtained from the Texas State Board of Pharmacy, Nova failed to maintain quality standards for the compounded drugs that it dispensed to its Nevada-based patients. Failure to adhere to proper quality standards when compounding drugs may result in patient harm.

Under Nevada law, no person (including a pharmacy or pharmacist) may manufacture, engage in wholesale distribution, compound, sell or dispense, or permit to be manufactured, distributed at wholesale, compounded, sold or dispensed, any drug, poison, medicine or chemical, or to dispense or compound, or permit to be dispensed or compounded, any prescription of a practitioner, unless the person holds the appropriate license and complies with the regulations adopted by the Board. NRS 639.100(1). Any person who violates NRS 639.100(1) may be charged with a felony. *See* NRS 639.100(2). Additionally, any person engaged in the unlicensed practice of pharmacy in Nevada may be subject to administrative fines and/or claims for injunctive relief. NRS 639.2895. By shipping prescriptions into the state of Nevada at least 103 times, Nova has sold or dispensed a drug without the appropriate license (a pharmacy license) at least 103 times. Further, as Nova's owner and managing pharmacist, you caused or permitted Nova to sell or dispense drugs on each of these occasions, thereby engaging in the unlicensed practice of pharmacy.

In addition to being properly licensed, a pharmacy and/or pharmacist must comply with all applicable regulations adopted by the Board. Based on the Texas report noted above, Nova failed to comply with compounding regulations adopted by the Board at least 28 times. *See* NRS

639.210(4); NRS 639.210(15); NAC 639.482; NAC 639.485; NAC 639.670; NAC 639.6705; NAC 639.67037; NAC 639.67069; NAC 639.67077; NAC 639.67079; NAC 639.6701; NAC 639.67013; NAC 639.67019; NAC 639.6702; NAC 639.67055; NAC 639.707; NAC 639.708; NAC 639.751; NAC 639.945(1)(a); NAC 639.945(1)(f); NAC 639.945(1)(j); and NAC 639.945(1)(k). Please note that some of the regulations listed previously have been purportedly violated in multiple ways and/or more than once. Finally, the Board also has evidence that Nova failed to employ a Nevada licensed pharmacist during the period of time they shipped drugs into Nevada, in violation of Nevada law. NRS 639.2328.

As noted previously, the Board may seek injunctive relief and/or impose administrative fines against any person engaged in the unlicensed practice of pharmacy in Nevada. In this case, you and/or your employer, Echo Health LLC, dba Nova Specialty Pharmacy, are jointly and severally liable for a fine of up to $5,000 for each of the 131 violations identified above. NRS 639.100(3). NRS 639.2895.

Accordingly, the Board hereby orders you to immediately **CEASE and DESIST** your operation of an unlicensed pharmacy in the state of Nevada. Do not ship any more drugs or fill any more prescriptions for Nevada-based patients. Additionally, this letter shall serve as a **CITATION** pursuant to NRS 639.2895(2) for operating a pharmacy and engaging in the practice of pharmacy in this state without having obtained the required pharmacy license and/or pharmacist registration issued by the Board. Based on the above evidentiary summary, the Board has assessed **administrative fines** against you and/or your employer in the total amount of **Six Hundred and Fifty-Five Thousand Dollars and 00/100 Cents ($655,000.00).**

If you do not intend to contest the above fines, please pay the amount listed above within 30 days of receipt of this citation, or otherwise contact Board staff to request an extension for good cause shown. Payment must be made by *certified check, cashier's check,* or *money order* payable to **"State of Nevada, Office of the Treasurer,"** and it must be received at the Board's Reno office, located at 985 Damonte Ranch Parkway – Suite 206, Reno, NV 89521.

You may appeal this citation by submitting a notice of appeal requesting a public hearing before the Board. You must submit any such notice of appeal not later than 30 days after receipt of this citation. NRS 639.2895(2). Please mail or personally deliver any notice of appeal to the Reno address listed on the letterhead.

Pursuant to the Nevada Public Records Act, this citation constitutes a public record that must be released to anyone who makes a proper request for it. Additionally, once it becomes a final determination in accordance with the Nevada Administrative Procedure Act, this matter will be reported to the National Practitioner Data Bank. If you have any questions, please contact the Board's General Counsel, Gustaf Vanderdonck, at 775-850-1440, ext. 132, or *via* email at gvanderdonck@pharmacy.nv.gov.

Sincerely,

Nevada State Board of Pharmacy
