RE: LSL Explanation for Colorado Citation from 2017

To Whom It May Concern:

This memo provides an explanation of the Colorado State Board of Pharmacy's citation and fine of Life Science Logistics in March 2017.

On April 27th, 2016, the Board received an Application for Change of Designated Representative (DR) from LifeScience Logistics, LLC. The form indicated the prior DR, Thomas Kennedy, disassociated November 16th, 2015, and that Henry Tillman took over as the new DR the same day. However, the resume for the Designated Representative was received July 18th, 2016. Therefore, approximately 180 days had transpired from the time the previous Designated Representative left the position until the time the application was received: and approximately 240 days had transpired from the time the previous Designated Representative left the position, and the new Designated Representative's resume was received.

This finding was determined to be a violation of Board Rule 15.01.14(c) states that any change in the designated representative of a wholesaler shall be reported to the Board on a form supplied by the Board within 30 calendar days of such change. An administrative fine was issued.

In response, the administrative fine was paid, and proof of abatement provided to the board for the citation. The payment and documentation were received and accepted as satisfactorily resolving the matter.

Please do not hesitate to contact us if there are any additional questions.

Sincerely,

Bozie Madison

RE: Case 2016-3687 concerning LifeScience Logistics, WHO 7828

Dear Mr. Tillman:

The Colorado State Board of Pharmacy ("Board") has received the attached complaint regarding the conduct of the Board-registered out-of-state prescription drug wholesaler detailed above. The Board is investigating this complaint. It is being sent to you as the designated representative of the above listed out-of-state prescription drug wholesaler. The first step in the process is to obtain your response to the allegations raised in the complaint. At this point, no assumption has been made about the truth or validity of any information provided to the Board.

Please send a written response within thirty (30) days of the date of this letter as indicated above. An earlier response may expedite the Board's review of this matter. To facilitate an efficient and timely review, please type your response. If this is not possible, please legibly print your response.

We encourage you to respond electronically. If you do, please submit the response to jean.rowcliffe@state.co.us. Please scan and attach any relevant documents. Address all correspondence to the Board.

Also, please be sure that any copies submitted with your response are legible. Be sure to include the case number listed above on all correspondences and address your response to my attention.

It is the policy of the Division of Professions and Occupations to copy your attorney (if you are represented) on all correspondences in order to assure that your attorney is aware of the developments in your case. If you are represented by an attorney in this matter, please provide the Board in writing with your attorney's contact information. If the Board already has your attorney's contact information, your attorney name should be identified below as a carbon copy of "cc," indicating that a copy of this

letter was sent to that attorney. If at any time it appears that the Board does not have the correct information regarding your legal representation, please update the Board and provide your attorney with a copy of all correspondences from the Board.

We strongly encourage you to begin preparing your response to the complaint as soon as possible, as extensions to the thirty day response time will not be granted except in very limited circumstances. Additionally, if you choose to be represented by an attorney, please contact him or her immediately. A delay in doing so will not be grounds for an extension.

Following receipt of your response, the Board will review the complaint and your response thereto. The Board will then determine what further action, if any, is warranted. Please note you will be advised in writing of the Board's disposition of this complaint.

Thank you for your cooperation and prompt attention to this matter. If you have any questions, please contact me at jean.rowcliffe@state.co.us or (303) 894-7897.

Sincerely,

FOR THE COLORADO STATE BOARD OF PHARMACY

RE: Final order

Dear Lifescience Logistics LLC,

Enclosed you will find a FINAL ORDER resulting from your hearing before the Board. While the entire order is important, I particularly direct your attention to the portion of the Order setting forth the mandatory obligation of your payment of a fine and costs. As you will see, those amounts are due within a specified period of time from the date of the Final Order and not the date of this letter. The order also states that your renewal will not be processed until the fine has been paid. Permit # 195184 renewal has already been issued so it has been placed on administrative hold until fine is paid.

If the referenced fine and costs are not received by the Board within the prescribed period of time, or special arrangements have not been made with the Secretary of the Board, additional charges will be brought against you.

Sincerely,

Wendy Passmore

Third Party Logistics Permit Number 195184	)	

FINAL ORDER

On October 16, 2018 this cause came before the Alabama State Board of Pharmacy (hereinafter also referred to as the "Board") on a Complaint against Lifescience Logistics, LLC (hereinafter also referred to as the "Respondent"). Evidence having been adduced thereon, the Board has determined that the following Findings of Fact and Conclusions of Law are supported by the preponderant weight of evidence and law.

Findings of Facts

1. The Respondent is a Wholesale Distributor which the Board issued permit number 193417 and also a Third Party Logistics facility which the Board issued permit number 195184.

2. The Respondent was notified of the charges by certified mail at the address provided to the Board by the Respondent, however, the notice was returned by the United States Postal Service with the indication "return to sender insufficient address unable to forward". (Board's Exhibits One and Two)

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges.

4. The Respondent's facility is located at 1105 East Northfield Drive, Brownsburg,

Indiana 46112.

5 On April 30, 2018 the Board of Pharmacy, Department of Consumer Affairs, State of California, issued a Citation and Fine to the Respondent for failure to designate a new representative in charge for a period of four hundred and twenty-eight (428) days. (Board's Exhibit One "A").

Conclusions of Law

1. The Alabama State Board of Pharmacy has jurisdiction of this cause pursuant to Code of Alabama (1975), § 34-23-32, Code of Alabama (1975), § 34-23-32.1, Code of Alabama (1975), § 34-23-92 (11) and (12), Code of Alabama (1975), § 41-22-12 and Board Rule 680-X-2.23.

2. The Respondent was properly notified of the charges, failed to appear, was not represented by counsel and did not contest the matter in any manner.

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges.

4. The Respondent's wholesale distributor permit and third party logistics permit in the state of Alabama are due to have disciplinary sanctions imposed in that it is guilty of violating Board Rule 680-X-2.23 (3) (k) (1) and Board Rule 680-X-2.23 (3) (k) (3) and it was not qualified to possess the permits, and/or its operation was not consistent with the public safety or endangers the public health of the citizens of this state based upon violating California law relating to non-resident wholesales as set out in the Citation and Fine entered by the California State Board of Pharmacy on April 30, 2018 and/or the failure to have a licensed designated representative in charge for Four Hundred Twenty-Eight (428) days as described in the referenced Citation and Fine.

ORDER

In accordance with the foregoing Findings of Fact and Conclusions of Law, it is hereby ORDERED as follows:

1. The Respondent shall pay the Board an administrative fine of One Thousand (\$1,000.00) Dollars within thirty (30) days of the date of this Final Order and future applications for renewal shall not be granted unless said fine has been paid; and

2. Any future violations of this Order, the Alabama Pharmacy Practice Act, the laws that regulate the sale and/or dispensing of prescription or legend drugs and/or narcotics or any Rule of the Alabama State Board of Pharmacy or the pharmacy law or rules of the Board of Pharmacy of another state may, upon hearing and proof thereof, result in further disciplinary sanctions.

DONE and ORDERED, this ²⁶ day of October 2018.

CONDUCT:

Failure to Notify within 30 Days – Business and Professions Code section 4161(j) requires a designated representative-in-charge to be responsible for compliance with state and federal laws governing wholesalers. Additionally, the section requires every nonresident wholesaler to notify the Board of a new designated representative-in-charge within 30 days of the date that the prior designated representative-in-charge ceases to be the designated representative-in-charge. Specifically, on December 23, 2021, the Board received an Application for Change of Designated Representative-In-Charge from LifeScience Logistics, LLC. The form indicated the prior designated representative-in-charge (DRIC), Nathaniel Roberts (EXC 25782), disassociated August 15, 2021 and that Alexander Bova (EXC 26331) took over as the new DRIC the same day. However, LifeScience Logistics, LLC's OSD license was not issued until September 22, 2021. Additionally, Alexander Bova was not licensed until April 9, 2022. According to the Board's records, Nathaniel Roberts (EXC 25782) association date is listed as the same date LifeScience Logistics, LLC's OSD license was issued, September 22, 2021. RE: LSL Explanation for Colorado Citation from 2017

To Whom It May Concern:

This memo provides an explanation of the Colorado State Board of Pharmacy's citation and fine of Life Science Logistics in March 2017.

On April 27th, 2016, the Board received an Application for Change of Designated Representative (DR) from LifeScience Logistics, LLC. The form indicated the prior DR, Thomas Kennedy, disassociated November 16th, 2015, and that Henry Tillman took over as the new DR the same day. However, the resume for the Designated Representative was received July 18th, 2016. Therefore, approximately 180 days had transpired from the time the previous Designated Representative left the position until the time the application was received; and approximately 240 days had transpired from the time the previous Designated Representative left the position, and the new Designated Representative's resume was received.

This finding was determined to be a violation of Board Rule 15.01.14(c) states that any change in the designated representative of a wholesaler shall be reported to the Board on a form supplied by the Board within 30 calendar days of such change. An administrative fine was issued.

In response, the administrative fine was paid, and proof of abatement provided to the board for the citation. The payment and documentation were received and accepted as satisfactorily resolving the matter.

Please do not hesitate to contact us if there are any additional questions.

Sincerely,

Bozie Madison

RE: Final order

Dear Lifescience Logistics LLC,

Enclosed you will find a FINAL ORDER resulting from your hearing before the Board. While the entire order is important, I particularly direct your attention to the portion of the Order setting forth the mandatory obligation of your payment of a fine and costs. As you will see, those amounts are due within a specified period of time from the date of the Final Order and not the date of this letter. The order also states that your renewal will not be processed until the fine has been paid. Permit # 195184 renewal has already been issued so it has been placed on administrative hold until fine is paid.

If the referenced fine and costs are not received by the Board within the prescribed period of time, or special arrangements have not been made with the Secretary of the Board, additional charges will be brought against you.

Sincerely,

Wendy Passmore

FINAL ORDER

On October 16, 2018 this cause came before the Alabama State Board of Pharmacy (hereinafter also referred to as the "Board") on a Complaint against Lifescience Logistics, LLC (hereinafter also referred to as the "Respondent"). Evidence having been adduced thereon, the Board has determined that the following Findings of Fact and Conclusions of Law are supported by the preponderant weight of evidence and law.

Findings of Facts

1. The Respondent is a Wholesale Distributor which the Board issued permit number 193417 and also a Third Party Logistics facility which the Board issued permit number 195184.

2. The Respondent was notified of the charges by certified mail at the address provided to the Board by the Respondent, however, the notice was returned by the United States Postal Service with the indication "return to sender insufficient address unable to forward". (Board's Exhibits One and Two)

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges.

4. The Respondent's facility is located at 1105 East Northfield Drive, Brownsburg,

Indiana 46112.

5 On April 30, 2018 the Board of Pharmacy, Department of Consumer Affairs, State of California, issued a Citation and Fine to the Respondent for failure to designate a new representative in charge for a period of four hundred and twenty-eight (428) days. (Board's Exhibit One "A").

Conclusions of Law

1. The Alabama State Board of Pharmacy has jurisdiction of this cause pursuant to Code of Alabama (1975), § 34-23-32, Code of Alabama (1975), § 34-23-32.1 , Code of Alabama (1975), § 34-23-92 (11) and (12), Code of Alabama (1975), § 41-22-12 and Board Rule 680-X-2.23.

2. The Respondent was properly notified of the charges, failed to appear, was not represented by counsel and did not contest the matter in any manner.

3. The Respondent made no objection to the timeliness of the Notice of Hearing or the specificity of the Statement of Charges.

4. The Respondent's wholesale distributor permit and third party logistics permit in the state of Alabama are due to have disciplinary sanctions imposed in that it is guilty of violating Board Rule 680-X-2.23 (3) (k) (1) and Board Rule 680-X-2.23 (3) (k) (3) and it was not qualified to possess the permits, and/or its operation was not consistent with the public safety or endangers the public health of the citizens of this state based upon violating California law relating to non-resident wholesales as set out in the Citation and Fine entered by the California State Board of Pharmacy on April 30, 2018 and/or the failure to have a licensed designated representative in charge for Four Hundred Twenty-Eight (428) days as described in the referenced Citation and Fine.

ORDER

In accordance with the foregoing Findings of Fact and Conclusions of Law, it is hereby ORDERED as follows:

1. The Respondent shall pay the Board an administrative fine of One Thousand (\$1,000.00) Dollars within thirty (30) days of the date of this Final Order and future applications for renewal shall not be granted unless said fine has been paid; and

2. Any future violations of this Order, the Alabama Pharmacy Practice Act, the laws that regulate the sale and/or dispensing of prescription or legend drugs and/or narcotics or any Rule of the Alabama State Board of Pharmacy or the pharmacy law or rules of the Board of Pharmacy of another state may, upon hearing and proof thereof, result in further disciplinary sanctions.

DONE and ORDERED, this ²⁶ day of October 2018.

 - D. The Defendant understands that the Court may take the defendant's criminal record into account when determining whether to accept or reject this plea agreement;
 - E. That her prior felony or misdemeanor convictions or juvenile delinquency adjudications, if any, may increase the possible sentence;
 - F. That her prior felony or misdemeanor convictions, if any, may prevent the Court from suspending all or a part of the sentence;
 - G. The Defendant acknowledges that the State's recommendation or agreement to make no recommendation is based upon the Defendant's criminal history known to the Prosecuting Attorney's Office at the time of making this agreement. In the event that such information is incomplete and that a more accurate criminal history is discovered prior to the entry of judgment, or if the Defendant is charged with the commission of another offense prior to the sentencing on this matter, the State reserves the right to unilaterally withdraw from this agreement;
 - H. The possibility that the Court may impose consecutive sentences if she pleads guilty to more than one (1) charge;
 - I. That if she was on bond, probation or parole at the time she committed the crime(s) to which she is pleading guilty, then this sentence must be served consecutively to the sentence for the crime(s) for which he was on bond, probation or parole;

 - L. At the time of the taking of the guilty plea and again at the time of sentencing, the State reserves the right to question witnesses and comment on any evidence presented upon which the Court may rely to determine the sentence to be imposed. The State may also present testimony or statements from the victim(s) or the victim(s) representatives;
 - M. That if she is pleading guilty to any traffic offense, the record of that conviction will be sent to

the Bureau of Motor Vehicles to be made a part of her permanent driving record, and that the conviction may later affect the imposition of a habitual traffic offender suspension against her;

- N. If pleading guilty to a sex offense, the Defendant understands and will abide by the requirements for registering as a Sex Offender under Indiana Law. The Defendant is aware that failure to abide by the registration requirements is itself a crime under Indiana Law;

The State reserves the right to argue against the Defendant's petition for AMS.
- Q. The Defendant understands that the sentence may be an aggravated sentence, which imposes a term above the statutory presumptive sentence, and hereby waives her constitutional right, as outlined in the case of Blakely v. Washington, 124 S. Ct. 2531(2004), to have a jury determine beyond a reasonable doubt the existence of the aggravating factors used to support this sentence, and requests that the Judge make the determination of the existence of any aggravating factors after consideration of the Pre-sentence Investigation report and the arguments and evidence presented at the sentencing hearing;
- R. The Defendant understands that she has the right to pursue post-conviction relief if there is a legal and factual basis for doing so, and that entering this guilty plea does not waive that right;
- S. The Defendant acknowledges satisfaction with defense counsel's representation and competency in this matter, and the Defendant believes that this agreement is in her best interests; and
- T. The Defendant hereby represents that by virtue of entering into this plea agreement he waives extradition from any other State in which he may be located or residing in the event he should fail to appear for any further proceedings in connection with the above captioned cause. Defendant further represents that this Waiver is being executed with full knowledge of the privileges which she is giving up by reason of such Waiver; and
- U. The Defendant agrees that this agreement embodies the entire agreement between the parties and no promises or threats have been made to induce the Defendant to plead guilty in this case and
- V. The Defendant hereby waives the right to appeal or challenge the sentence imposed by the Court, under any standard of review, including but not limited to, an abuse of discretion standard and the appropriateness of the sentence under Indiana Appellate Rule 7(B), so long as the Court sentences the Defendant within the terms of the plea agreement; and
- W. The Defendant understands that as a result of her criminal conviction pursuant to this plea agreement, she may suffer additional legal consequences beyond prison, jail, community corrections, probation, and fines. These consequences may include:
- Being unable to get or keep some licenses, permits, or jobs;
 - Being unable to get or keep benefits such as public housing or education;

RE: LSL Explanation for California Citation from 2023

To Whom It May Concern:

This memo provides an explanation of the California State Board of Pharmacy's citation and fine of Life Science Logistics in March 2023.

On December 23, 2021, the Board received an Application for Change of Designated Representative-In-Charge (DRIC) from LifeScience Logistics, LLC. The form indicated the prior DRIC, Nathaniel Roberts (EXC 25782), disassociated August 15, 2021, and that Alexander Bova (EXC 26331) took over as the new DRIC the same day. However, LifeScience Logistics, LLC's OSD license was not issued until September 22, 2021.

Additionally, Alexander Bova was not licensed until April 9, 2022. According to the Board's records, Nathaniel Roberts (EXC 25782) association date is listed as the same date LifeScience Logistics, LLC's OSD license was issued, September 22, 2021. Nathaniel Roberts (EXC 25782) dissociation date is listed as the following day, September 23, 2021. LifeScience Logistics, LLC operated inadvertently without a licensed DRIC from September 24, 2021 to April 8, 2022, 196 days.

This finding was determined to be a violation of Bus. & Prof. Code 4161 (j). A nonresident wholesaler or nonresident third-party logistics provider shall identify and notify the board of a new designated representative In charge ceases to be the designated representative In charge. An administrative fine was issued.

In response, the administrative fine was paid, and proof of abatement provided to the board for the citation. The payment and documentation were received and accepted as satisfactorily resolving the matter.

Please do not hesitate to contact us if there are any additional questions.

Sincerely,

Bozie Madison

Case # 2023-1064		Governing, licensing, Arresting Presiding Body/Agency/Court Oregon Board of Pharmacy

Name of Business/Industry/Entity Aytu BioPharma Inc / Pharmaceutical Manufacturing				

Provide explanation below:

In December 2023, the Oregon Board of Pharmacy notified Aytu BioPharma Inc of an incorrect response within the OR BOP 2019 renewal application. Specifically, in 2018, the State of Colorado Board of Pharmacy issued Aytu BioPharma Inc a Stipulation for a non-current Designated Representative, and this stipulation was not disclosed on the 2019 OR renewal application. The error in submission was an oversight and in no way an attempt to mislead the OR BOP. Aytu took full accountability for the inaccuracy and paid a fine. The case was finalized with the OR BOP on 3/13/2024.

Explanation of disciplinary action.

In December 2023, Aytu BioPharma Inc was informed that an error had been made on its 2019 renewal application with the State of Oregon. The issue stemmed from a 2018 stipulation from the State of Colorado, which resulted from outdated Designated Representative information. This oversight was unintentional, and there was no attempt to withhold information from the Board.

Aytu BioPharma Inc took full responsibility for the mistake, promptly addressed the issue, and paid the associated fine. The matter was officially finalized with Oregon on March 13, 2024.

Under the authority granted pursuant to ORS 689.135, 689.145, 689.335, 689.405 and 689.445, the Oregon Board of Pharmacy (Board) proposes to take disciplinary action against your Certificate of Registration No. M-0002804 because Aytu Biopharma Inc (Registrant) violated the Oregon Pharmacy Act and the Board of Pharmacy rules as set forth below:

On or about 8/7/2019, Registrant submitted their Manufacturer drug outlet registration renewal application. The renewal application asked, "Since the date of your last renewal, has disciplinary action been taken, or is any such action currently pending or proposed, against any of the persons or establishments listed on the application, by any State or Federal Authority in connection with a violation of any federal or state drug law or regulation?" to which the Registrant answered "No."

Registrant failed to disclose their 12/21/2018 Colorado Board of Pharmacy Stipulation and Final Agency Order (2018 CO Order) on the 8/7/2019 renewal application.

By answering "No" to the question regarding disciplinary action on an application, you failed to answer all questions fully and truthfully on the application for licensure, which is a failure to cooperate under OAR 855-001-0035(1). By not providing information regarding the 2018 CO Order, you failed to provide accurate, honest, and complete information in response to a Board request, which is a failure to cooperate under OAR 855-001-0035(1). Failure to cooperate is unprofessional conduct under OAR 855-006-0020(k), which is grounds for discipline under ORS 689.405(1)(a) and (i), ORS 689.445(1)(d)(B), and 689.832(1).

Based on these alleged violations, the Board proposes to impose a civil penalty in the amount of \$2,000 for 1 violation.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Aytu Bioscience Inc ("Respondent Outlet") to resolve all matters pertaining to Board Case Number 2018-7371, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Outlet, its registration as an in-state wholesaler outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2018).
2. Respondent Outlet was originally registered in the State of Colorado on or about April 3, 2017, being issued registration number WHI 6109, and has been so registered at all times relevant to this disciplinary action.

The Board did not receive an application for a change of designated representative and fee in either occurrence.

6. On or about September 27, 2018, the Board initiated a complaint against Respondent Outlet because of the failure to submit an application for change in designated representative and fee on two (2) occasions.

Respondent Outlet shall therefore pay a total amount of One Thousand One Hundred Fifty Dollars and No Cents (\$1,150.00). The total amount shall be payable to the State of Colorado and shall be remitted in one (1) lump sum to be included when Respondent Outlet submits this signed Final Agency Order to the Board.  - a. to have formal notice of hearing and charges served upon it;
 - b. to respond to said formal notice of charges;

Date of Event/Arrest 2019	Disposition Date 3/13/2024	State OR	City Portland	County Multnomah

Reason/Charge Failure to disclose 12/21/2018 CO BOP Stipulation and Final Agency Order on OR BOP 8/7/2019 renewal application

Provide explanation below:

In December 2023, the Oregon Board of Pharmacy notified Aytu BioPharma Inc of an incorrect response within the OR BOP 2019 renewal application. Specifically, in 2018, the State of Colorado Board of Pharmacy issued Aytu BioPharma Inc a Stipulation for a non-current Designated Representative, and this stipulation was not disclosed on the 2019 OR renewal application. The error in submission was an oversight and in no way an attempt to mislead the OR BOP. Aytu took full accountability for the inaccuracy and paid a fine. The case was finalized with the OR BOP on 3/13/2024.

Explanation of disciplinary action.

In December 2023, Aytu BioPharma Inc was informed that an error had been made on its 2019 renewal application with the State of Oregon. The issue stemmed from a 2018 stipulation from the State of Colorado, which resulted from outdated Designated Representative information. This oversight was unintentional, and there was no attempt to withhold information from the Board.

Aytu BioPharma Inc took full responsibility for the mistake, promptly addressed the issue, and paid the associated fine. The matter was officially finalized with Oregon on March 13, 2024.

Under the authority granted pursuant to ORS 689.135, 689.145, 689.335, 689.405 and 689.445, the Oregon Board of Pharmacy (Board) proposes to take disciplinary action against your Certificate of Registration No. M-0002804 because Aytu Biopharma Inc (Registrant) violated the Oregon Pharmacy Act and the Board of Pharmacy rules as set forth below:

On or about 8/7/2019, Registrant submitted their Manufacturer drug outlet registration renewal application. The renewal application asked, "Since the date of your last renewal, has disciplinary action been taken, or is any such action currently pending or proposed, against any of the persons or establishments listed on the application, by any State or Federal Authority in connection with a violation of any federal or state drug law or regulation?" to which the Registrant answered "No."

Registrant failed to disclose their 12/21/2018 Colorado Board of Pharmacy Stipulation and Final Agency Order (2018 CO Order) on the 8/7/2019 renewal application.

By answering "No" to the question regarding disciplinary action on an application, you failed to answer all questions fully and truthfully on the application for licensure, which is a failure to cooperate under OAR 855-001-0035(1). By not providing information regarding the 2018 CO Order, you failed to provide accurate, honest, and complete information in response to a Board request, which is a failure to cooperate under OAR 855-001-0035(1). Failure to cooperate is unprofessional conduct under OAR 855-006-0020(k), which is grounds for discipline under ORS 689.405(1)(a) and (i), ORS 689.445(1)(d)(B), and 689.832(1).

Based on these alleged violations, the Board proposes to impose a civil penalty in the amount of \$2,000 for 1 violation.

BEFORE THE BOARD OF PHARMACY
OF THE STATE OF OREGON

In the Matter of the) Case No. 2023-1064
Manufacturer Registration)
AYTU BIOPHARMA INC) NOTICE OF PROPOSED
CIVIL PENALTY
Registrant)

Under the authority granted pursuant to ORS 689.135, 689.145, 689.335, 689.405 and 689.445, the Oregon Board of Pharmacy (Board) proposes to take disciplinary action against your Certificate of Registration No. M-0002804 because Aytu Biopharma Inc (Registrant) violated the Oregon Pharmacy Act and the Board of Pharmacy rules as set forth below:

On or about 8/7/2019, Registrant submitted their Manufacturer drug outlet registration renewal application. The renewal application asked, "Since the date of your last renewal, has disciplinary action been taken, or is any such action currently pending or proposed, against any of the persons or establishments listed on the application, by any State or Federal Authority in connection with a violation of any federal or state drug law or regulation?" to which the Registrant answered "No."

Registrant failed to disclose their 12/21/2018 Colorado Board of Pharmacy Stipulation and Final Agency Order (2018 CO Order) on the 8/7/2019 renewal application.

By answering "No" to the question regarding disciplinary action on an application, you failed to answer all questions fully and truthfully on the application for licensure, which is a failure to cooperate under OAR 855-001-0035(1). By not providing information regarding the 2018 CO Order, you failed to provide accurate, honest, and complete information in response to a Board request, which is a failure to cooperate under OAR 855-001-0035(1). Failure to cooperate is unprofessional conduct under OAR 855-006-0020(k), which is grounds for discipline under ORS 689.405(1)(a) and (i), ORS 689.445(1)(d)(B), and 689.832(1).

Based on these alleged violations, the Board proposes to impose a civil penalty in the amount of \$2,000 for 1 violation.

HEARING RIGHTS

The corporation is entitled to a hearing as provided by the Administrative Procedures Act (ORS chapter 183). An attorney must represent the corporation. If the corporation wishes to have a hearing, the corporation must file a written request for hearing with the Board within 21 days from the date this notice was mailed, and if the hearing request is not filed by the corporation's attorney, it must be ratified by the corporation's attorney within 28 days of Board's receipt of the hearing request. The corporation's attorney may send or deliver a request for hearing to:

Oregon Board of Pharmacy
800 NE Oregon Street, Suite 150

Portland, OR 97232
Fax: (971) 673-0002

If a request for hearing is not received within this 21-day period, the corporation's right to a hearing shall be considered waived.

If the corporation requests a hearing, the corporation's attorney will be notified of the time and place of the hearing. Before the commencement of the hearing, the corporation will be given information on the procedures, right of representation and other rights of parties relating to the conduct of the hearing.

If the corporation does not request a hearing within 21 days, or if it withdraws a hearing request, notifies the Board or Administrative Law Judge that it will not appear, or fails to appear at a scheduled hearing, the Board may issue a final order by default imposing discipline. If the Board issues a final order by default, it designates its file on this matter as the record.

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE IN-STATE WHOLESALER REGISTRATION IN THE STATE OF COLORADO OF AYTU BIOSCIENCE INC, REGISTRATION NO. WHI 6109,

Respondent Outlet.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Aytu Bioscience Inc ("Respondent Outlet") to resolve all matters pertaining to Board Case Number 2018-7371, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Outlet, its registration as an in-state wholesaler outlet, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2018).
2. Respondent Outlet was originally registered in the State of Colorado on or about April 3, 2017, being issued registration number WHI 6109, and has been so registered at all times relevant to this disciplinary action.
3. Respondent Outlet's address of record with the Board and current location is 373 Inverness Pkwy., Ste., 206, Englewood, CO 80112-5898.
4. Respondent Outlet admits these findings and hereby waives any further proof in this proceeding before the Board regarding the following facts.
5. Respondent Outlet failed to submit an application on two (2) occasions to the Board detailing a change in designated representative and fee. On December 20, 2017, an inspection of Respondent Outlet listed a new designated representative for the wholesaler. The previous designated representative had been in the position for more than 30 days. On September 4, 2018, an inspection of Respondent Outlet discovered the new designated representative left the position on January 5, 2018. The Board did not receive an application for a change of designated representative and fee in either occurrence.

6. On or about September 27, 2018, the Board initiated a complaint against Respondent Outlet because of the failure to submit an application for change in designated representative and fee on two (2) occasions.
7. Respondent Outlet's conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board Regulations:

Colorado Revised Statutes

12-42.5-123. Unprofessional conduct - grounds for discipline.

(1) The board may suspend, revoke, refuse to renew, or otherwise discipline any license or registration issued by it, after a hearing held in accordance with the provisions of this section, upon proof that the licensee or registrant:

(c) Has violated:

(II) The lawful rules of the board;

(k) Has failed to meet generally accepted standards of pharmacy practice.

12-42.5-303. Wholesaler license requirements.

(5) The designated representative of an applicant for a wholesaler license shall:

(i) Update all of the information required in this part 3 whenever changes occur.

Pharmacy Board Rules and Regulations

15.01.11. Minimum required information for registration.

b. Changes in any information in section 15.01.11 shall be submitted to the Board within thirty calendar days thereof.

15.01.14. Change of name, location, or ownership, or designated representative.

c. Any change in the designated representative of a wholesaler shall be reported to the Board on a form supplied by the Board within thirty (30) calendar days of such change. The incoming designated representative must undergo the required background check.

TERMS OF DISCIPLINE

8. **Fine with Surcharge.** Pursuant to section 12-42.5-124(5)(a)(I), C.R.S., Respondent Outlet shall pay a fine of One Thousand Dollars and No Cents (\$1,000.00). Respondent Outlet understands and acknowledges that, pursuant to section 24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies shall impose an additional surcharge of 15% of this fine. Respondent Outlet shall therefore pay a total amount of One Thousand One Hundred Fifty Dollars and No Cents (\$1,150.00). The total amount shall be payable to the State of Colorado and shall be remitted in one (1) lump sum to be included when Respondent Outlet submits this signed Final Agency Order to the Board. Respondent Outlet shall write its registration number (WHI 6039) and the case number (2018-6336) on the check.
9. **Compliance.** Respondent Outlet shall report all future applications and appropriate fees to the Board detailing changes in designated representative within the required time frame specified by Board rule or statute in effect at the time of such change in designated representative.
10. **Other Requirements.** Respondent Outlet acknowledges and agrees that, as a condition of this Final Agency Order, Respondent Outlet shall:
 - a. promptly pay all Respondent Outlet's own fees and costs associated with this Final Agency Order;
 - b. comply fully with this Final Agency Order; and
 - c. comply fully with the Pharmacists, Pharmacy Businesses and Pharmaceuticals Act, all Board rules and regulations, and any other state and federal laws and regulations related to pharmacists and pharmaceuticals in the State of Colorado.
11. **Advisements and Waivers.** Through its undersigned Authorized Representative, Respondent Outlet enters into this Final Agency Order freely and voluntarily, after having the opportunity to consult with legal counsel and/or choosing not to do so. Respondent Outlet acknowledges its understanding that it has the following rights:
 - a. to have formal notice of hearing and charges served upon it;
 - b. to respond to said formal notice of charges;
 - c. to have a formal disciplinary hearing pursuant to sections 12-42.5-123 and 12-42.5-124, C.R.S.; and
 - d. to appeal this Final Agency Order.

Respondent Outlet freely waives these rights, and acknowledges that such waiver is made voluntarily in consideration for the Board's limiting the action taken against Respondent Outlet to the sanctions imposed herein.

12. **Acknowledgments.** The undersigned Authorized Representative of Respondent Outlet has read this Final Agency Order in its entirety and acknowledges, after having the opportunity to consult with legal counsel and/or choosing not to do so, that Respondent Outlet understands the legal consequences and agrees that none of the terms or conditions herein is unconscionable. Respondent Outlet is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Outlet further acknowledges that it is not entering into this Final Agency Order under any duress.
13. **Violations.** Time is of the essence in this Final Agency Order. It is the responsibility of Respondent Outlet to take all appropriate steps to comply fully with this Final Agency Order. Respondent Outlet acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under section 12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of Respondent Outlet's registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Outlet to comply with all terms and conditions of this Final Agency Order.
14. **Completion of Terms.** Upon satisfactory completion of all terms and conditions set forth in this Final Agency Order, the Board shall release Respondent Outlet from the Final Agency Order, and Respondent Outlet's registration will be restored to active and unencumbered status.
15. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.
16. **Public Record.** Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.
17. **Board Order.** This Final Agency Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative.
18. **Effective Date.** This Final Agency Order shall become effective upon (a) mailing by first-class mail to Respondent Outlet at Respondent Outlet's address of record with the Board, or (b) service by electronic means on Respondent Outlet at Respondent Outlet's electronic address of record with the Board. Respondent Outlet hereby consents to service by electronic means if Respondent Outlet has an electronic address on file with the Board.

SUMMARY ORDER OF DENIAL

NOW, on this 28th day of September 2021, comes before the Kansas Board of Pharmacy (the "Board"), through its Executive Secretary, the matter of Patheon Manufacturing Services, LLC ("Applicant").

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the provisions of the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board enters this Summary Order of Denial in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, the Board makes the following findings, conclusions, and order:

FINDINGS OF FACT

1. On February 15, 2021, the Board received Applicant's application for registration as a wholesale distributor in the State of Kansas ("Applicant's Application").
2. On May 12, 2021, the Board sent Applicant an email requesting several required information items that were missing from Applicant's Application.
3. On July 27, 2021, the Board sent Applicant a second email requesting required information which was still missing from Applicant's Application, specifically information concerning Applicant's status as a manufacturer and products, a copy of the current DEA registration, and detailed ownership information.

4. On August 24, 2021, the Board sent a final letter to Applicant's address of record requesting the above information and providing a response deadline of September 15, 2021.

5. To date, the Board has not received the required application documents or any further correspondence from Applicant.

CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1627(f)(8), the Board may deny the application of any wholesale distributor upon a finding that the wholesale distributor has failed to furnish to the Board any information legally requested by the Board.

2. Pursuant to K.S.A. 65-1645(a) application for registration or permits under K.S.A. 65-1643, and amendments thereto, shall be made on a form prescribed and furnished by the Board. Applications for registration shall contain such information as may be required by the Board in accordance with the provisions of K.S.A. 65-1655, and amendments thereto.

3. Pursuant to K.S.A. 65-1643(c), it shall be unlawful for any person to distribute at wholesale any drugs or devices without first obtaining a registration from the Board.

4. Pursuant to K.S.A. 65-1655(a), the Board shall require an applicant for registration as a wholesale distributor or an applicant for renewal of such a registration to provide the following information: (1) the name, full business address and telephone number of the applicant; (2) all trade or business names used by the applicant; (3) addresses, telephone numbers, and the names of contact persons for all facilities used by the applicant for the storage, handling and distribution of prescription drugs; (4) the type of ownership or operation of the applicant; (5) the name of the owner or operator, or both; and (6) such other information as the Board deems appropriate.

5. Pursuant to K.S.A. 65-1655(c), the Board may deny an initial application for registration or application for renewal of a registration of a wholesale distributor if the Board

determines that the granting of such registration would not be in the public interest.

6. The Board's application for registration as a wholesale distributor requires Applicant provide the most recent inspection report conducted within the past three years by the state of residence or the National Association of Boards of Pharmacy, detailed ownership information, information concerning any disciplinary history for the facility, proof of valid registration in the state of residence, information concerning any permits held in other states, and a copy of the products intended to be shipped into Kansas.

7. Applicant failed to provide the following in conjunction with Applicant's Application: Applicant's status as a manufacturer and products, a copy of the current DEA registration, and detailed ownership information.

8. Applicant's failure to provide the Board with the required application information is a basis to deny Applicant's Application pursuant to K.S.A. 65-1645(a) and 65-1655(a) and (c).

9. Applicant failed, after multiple emails and letters from the Board, to provide the lawfully requested application information.

10. Applicant's failure to supply the Board with the requested documentation is a basis to deny Applicant's Application pursuant to K.S.A. 65-1627(f)(8).

ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application is hereby DENIED.

Good evening, Maria,

Apologies for the delay in responding. Attached please find the following documents, NJ inspection report, NJ home state license w/3PL licensure, including DEA registration attached, NJ licensure verification and DE Certificate of Good Standing.

For the Woodcliff Lake facility, as we have gone to a permanent remote office policy, the only individual on-site daily is me as the Designated Site Rep. **Andrew Adams**, who works with our CMOs in Supply Chain comes in the office about twice a week. We do have contractors on-site but, they are not employees of Par Health, and their roles are restricted to support functions such as the main reception area, mailroom, and facility maintenance. As we are currently undergoing a corporate restructuring, we have had a significant reduction in staff at all our facilities and only essential personnel are required in the office. As such, this facility has only 2 Par Health employees on-site currently.

Let me know if you have any questions or require any additional documentation.

Thanks, and have a GREAT evening!

M-L

Hello!!

I wanted to revisit the question around inspections. Will your agency conduct an inspection of a virtual manufacturer facility if requested? Or a remote regulatory assessment? If a remote regulatory assessment could be conducted, would the report be the same as a regulator inspection?

Thank you in advance for any assistance.

DIGIFAB[®] DIGOXIN IMMUNE FAB (OVINE)

FULL PRESCRIBING INFORMATION

1 INDICATIONS AND USAGE

DIGIFAB is indicated for the treatment of patients with life-threatening or potentially life-threatening digoxin toxicity or overdose, including:

- Known suicidal or accidental consumption of fatal doses of digoxin (10 mg or more of digoxin in healthy adults, or 4 mg (or more than 0.1 mg/kg) in healthy children, or ingestion of an amount that can cause steady state serum concentrations of ≥ 10 ng/mL_t;
- Chronic ingestions causing steady-state serum digoxin concentrations >6 ng/mL in adults or 4 ng/mL in children;
- Manifestations of life-threatening toxicity of digoxin overdose such as severe ventricular arrhythmias, progressive bradycardia, and second or third degree heart block not responsive to atropine, serum potassium levels exceeding 5.5 mEq/L in adults or 6 mEq/L in children with rapidly progressive signs and symptoms of digoxin toxicity.

2 DOSAGE AND ADMINISTRATION

For Intravenous Use Only

2.1 Dosage

General Guidelines:

Adjust the dosage of DIGIFAB according to the amount of digoxin to be neutralized.

Summary of Dosing Guidelines

Clinical Conditions	Dosage
Acute ingestion of unknown amounts of digoxin and toxicity in the absence of a serum digitalis concentration or estimated ingestion amount	Administer 20 vials of DIGIFAB. Monitor for volume overload in small (< 20 Kg) children. Start with 10 vials followed by an additional 10 vials, if needed, to avoid a febrile reaction.
Chronic digoxin toxicity in the absence of a serum digitalis concentration	Administer 6 vials of DIGIFAB in Adults and Children ≥ 20 Kg. Administer 1 vial of DIGIFAB in Infants and Children < 20 Kg.
Acute ingestion of known amounts of digoxin	Dose (in vials) = $\frac{\text{Amount of digoxin ingested (in mg)}}{0.5 \text{ mg/vial}}$
Chronic digoxin toxicity and known serum digitalis concentration	Dose (in vials) = $\frac{(\text{Serum digoxin ng/mL}) \times (\text{weight in kg})}{100}$

Failure of the patient to respond to DIGIFAB should alert the physician to the possibility that the clinical problem may not be caused by digitalis toxicity.

DOSAGE CALCULATION

General

Methods for calculating a neutralizing dose of DIGIFAB, based on a known or estimated amount of digoxin or digitoxin in the body, are provided below. When using the dose calculation methods provided, the following guidelines should be considered:

- Inaccurate estimates of the amount of digitalis ingested or absorbed may occur due to non-steady state serum concentrations or due to digitalis assay limitations. Most serum digoxin assay kits are designed to measure concentrations less than 5 ng/mL; therefore, sample dilution is required to accurately measure serum concentrations > 5 ng/mL.
- Dosage calculations are based on a steady state volume of distribution of approximately 5 L/kg for digoxin, which is used to convert serum

digoxin concentrations to total body burden of digoxin in milligrams. The volume of distribution is a population average and may vary among individuals. Many patients may require higher doses for complete neutralization and doses should usually be rounded up to the nearest whole vial.

- If toxicity has not adequately reversed after several hours, or appears to recur, re-administration of DIGIFAB, at a dose guided by clinical judgment, may be necessary. If a patient is in need of re-administration of DIGIFAB due to recurrent toxicity, or to a new toxic episode that occurs soon after the first episode, measurement of free (unbound) serum digitalis concentrations should be considered since Fab may still be present in the body.
- Failure of a patient to respond to DIGIFAB treatment may indicate that the clinical problem is not caused by digitalis intoxication. If there is no response to an adequate dose of DIGIFAB, the diagnosis of digitalis toxicity should be questioned.

Calculation for Ingestion of Known Amount:

- Each vial of DIGIFAB (40 mg of purified digoxin-specific Fab) binds approximately 0.5 mg of digoxin.
- The total number of vials required can be calculated by dividing the total body load of digoxin in milligrams (mg) by 0.5 mg per vial (see Formula 1).
- Following an acute ingestion, total body load will be approximately equal to the amount ingested in milligrams for either digoxin capsules or digitoxin.
- In case of digoxin tablet ingestion, the total body load will be approximately equal to the amount ingested (in mg) multiplied by the bioavailability of the tablet preparation, which is 0.8.

Table 1 gives dosage estimates in number of vials for adults and children who have ingested a single large dose of digoxin and for whom the approximate number of tablets or capsules is known. The dose of DIGIFAB (in number of vials) represented in Table 1 can be approximated using the following formula:

$$\text{Formula 1} \quad \text{Dose (in \# of vials)} = \frac{\text{total digitalis body load in mg}}{0.5 \text{ mg of digitalis bound/vial}}$$

Table 1 Approximate Dose of DIGIFAB for Reversal of a Single Large Digoxin Overdose

Number of Digoxin Tablets or Capsules Ingested*	Dose of DIGIFAB # of vials
25	10
50	20
75	30
100	40
150	60
200	80

* 0.25 mg tablets with 80% bioavailability or 0.2 mg capsules with 100% bioavailability

If, after several hours, toxicity is not adequately reversed, or appears to recur, additional administration of DIGIFAB at a dose guided by clinical judgment may be required.

Calculations Based on Steady-State Serum Digoxin Concentrations:

Adults

Table 2 gives dosage estimates in number of vials for adult patients for whom a steady-state serum digoxin concentration is known. The dose of DIGIFAB (in number of vials) represented in Table 2 can be approximated using the following formula:

DIGIFAB® DIGOXIN IMMUNE FAB (OVINE)

Formula 2 (see Table 2)

$$\text{Dose (in \# of vials)} = \frac{\text{Serum digoxin concentration in ng/mL} \times (\text{weight in kg})}{100}$$

Table 2 Adult Dose Estimate of DIGIFAB (in # of vials) from Steady-State Serum Digoxin Concentration

Children:

- Table 3 gives dosage estimates in milligrams for infants and small (< 20 Kg) children based on the steady-state serum digoxin concentration.
- The dose of DIGIFAB represented in Table 3 can be estimated by multiplying the dose (in number of vials) calculated from Formula 2 by the amount of DIGIFAB contained in a vial (40 mg/vial) (see Formula 3).
- Administer smaller doses in children < 20 Kg requiring doses < 1 mL with a tuberculin syringe after reconstituting 40 mg.
- For very small doses, a reconstituted vial can be diluted with 36 mL of sterile isotonic saline to achieve a concentration of 1 mg/mL.

Formula 3 (see Table 3)

$$\text{Dose (in mg)} = (\text{Dose in \# of vials}) (40 \text{ mg/vial})$$

Table 3 Infants and Small (< 20 Kg) Children Dose Estimates of DIGIFAB (in mg) from Steady State Serum Digoxin Concentration

Patient Weight (kg)	Serum Digoxin Concentration (ng/mL)						
	1	2	4	8	12	16	20
1	0.4 mg*	1 mg*	1.5 mg*	3 mg*	5 mg	6.5 mg	8 mg
3	1 mg*	2.5 mg*	5 mg	10 mg	14 mg	19 mg	24 mg

20	8 mg	16 mg	32 mg	64 mg	96 mg	128 mg	160 mg

* dilution of reconstituted vial to 1 mg/mL may be desirable

Calculation Based on Steady-State Digoxin Concentrations:

The dose of DIGIFAB for digoxin toxicity can be approximated by using the following formula (which differs from Formula 2 in the denominator due to a 10-fold decrease in the volume of distribution of digoxin as compared to digoxin).

Formula 4

$$\text{Dose (in \# of vials)} = \frac{\text{Serum digoxin concentration in ng/mL} \times (\text{weight in kg})}{1000}$$

If in any case, the dose estimated based on ingested amount (Formula 1) differs substantially from that calculated based on the serum digoxin or digoxin concentration (Formulas 2 and 4), it may be preferable to use the higher dose estimate.

2.2 Preparation and Administration

- Each vial contains 40 mg of digoxin immune Fab protein and is intended for one time use only as it contains no preservatives.
- Reconstitute each vial of DIGIFAB with 4 mL of Sterile Water for Injection USP and gently mix to provide a solution containing approximately 10 mg/mL of digoxin immune Fab protein.

- Use the reconstituted product promptly. If not used immediately, store under refrigeration at 2° to 8°C (36° to 46°F) for up to 4 hours. Add the reconstituted product to an appropriate volume of 0.9% sodium chloride for injection.
- Visually inspect reconstituted vials for particulate matter and discoloration prior to administration, whenever solution and container permit. Do not use if the solution is cloudy, turbid or if it contains particulates.
- Administer DIGIFAB slowly as an intravenous infusion over at least 30 minutes. Stop the infusion if infusion rate-related anaphylactoid-type reactions occur, such as hypotension, wheezing, or urticaria. The infusion can be re-started at a slower rate. Give DIGIFAB by bolus injection, if cardiac arrest is imminent. An increased incidence of infusion-related reactions may be expected with bolus injection.
- For infants and small children who may require very small doses, reconstitute the 40 mg vial as directed and administer undiluted using a tuberculin syringe. For very small doses, a reconstituted vial can be diluted with an additional 36 mL of isotonic saline to achieve a concentration of 1 mg/mL.

3 DOSAGE FORMS AND STRENGTHS

DIGIFAB is supplied as a sterile, purified, lyophilized preparation containing 40 mg of digoxin immune Fab protein per vial.

4 CONTRAINDICATIONS

There are no known contraindications to the use of DIGIFAB.

5 WARNINGS AND PRECAUTIONS

5.1 General

Suicidal ingestion may result from more than one drug. Toxic effects of other drugs or poisons should not be overlooked, especially in cases where signs and symptoms of digitalis toxicity are not relieved by administration of DIGIFAB.

Rapid drop in serum potassium concentration may occur after treatment with DIGIFAB. Monitor frequently, especially after the first several hours of DIGIFAB administration (see 5.4 Laboratory Tests).

Patients with poor cardiac function may deteriorate secondary to the withdrawal of the inotropic action of digoxin by DIGIFAB. If needed, provide additional support by using other intravenous inotropes such as dopamine, dobutamine or vasodilators. However, take additional care not to aggravate the digitalis induced rhythm disturbances. Postpone re-digitalization, if possible, until the Fab fragments have been eliminated from the body, which may require several days, and patients with impaired renal function may require a week or longer.

5.2 Hypersensitivity Reactions

Anaphylaxis and hypersensitivity reactions are possible. Carefully monitor all patients treated with DIGIFAB for signs and symptoms of an acute allergic reaction (e.g., urticaria, pruritus, erythema, angioedema, bronchospasm with wheezing or cough, stridor, laryngeal edema, hypotension, tachycardia) and treat immediately with appropriate emergency medical care (e.g., oxygen, diphenhydramine, corticosteroids, volume expansion and airway management), if one occurs.

If an anaphylactic reaction occurs during the infusion, terminate DIGIFAB administration at once and administer appropriate treatment. Balance the need for epinephrine against its potential risk in the setting of digitalis toxicity. Patients with known allergies to sheep protein are particularly at risk for an anaphylactic reaction, as are individuals who have previously received intact ovine antibodies or ovine Fab.

Do not administer DIGIFAB to patients with a known history of hypersensitivity to papaya or papain unless the benefits outweigh the risks and appropriate management for anaphylactic reactions is readily available.

DIGIFAB[®] DIGOXIN IMMUNE FAB (OVINE)

Prior treatment with digoxin-specific ovine immune Fab carries a theoretical risk of sensitization to ovine serum protein and possible diminution of the efficacy of the drug due to the presence of human antibodies against ovine Fab. To date, there have been no clinical reports of human anti-ovine immunoglobulin antibodies causing a reduction in binding of ovine digoxin immune Fab or neutralization response to ovine digoxin immune Fab.

5.3 Use of DIGIFAB in Renal Failure

The elimination half-life of DIGIFAB in renal failure has not been clearly defined. Monitor patients with severe renal failure who receive DIGIFAB for digitalis toxicity for a prolonged period for possible recurrence of toxicity.

Monitoring of free (unbound) digoxin concentrations after the administration may be appropriate in order to establish recrudescence toxicity in renal failure patients.²

5.4 Laboratory Tests

DIGIFAB may interfere with digitalis immunoassay measurements. Thus, standard serum digoxin concentration measurements may be clinically misleading until the Fab fragments are eliminated from the body. This may take several days or a week or more in patients with markedly impaired renal function. Therefore, serum samples for digoxin concentration should be obtained before DIGIFAB administration, if at all possible. Such measurements would establish the level of serum digoxin at the time of diagnosis of digitalis intoxication.

At least 6 to 8 hours are required for equilibration of digoxin between serum and tissue, so absorption of the last dose may continue from the intestine. Therefore, serum measurements may be difficult to interpret if samples are drawn soon after the last digitalis dose.

The total serum digoxin concentration may rise precipitously following administration of DIGIFAB, but this will be almost entirely bound to the Fab fragment and therefore not able to react with receptors in the body.

Patients should be closely monitored, including temperature, blood pressure, electrocardiogram, and potassium concentration, during and after administration of DIGIFAB. Digoxin causes a shift of potassium from inside to outside the cell, such that severe intoxication can cause a life-threatening elevation of serum potassium. This may lead to increased urinary excretion of potassium so that a patient may have hyperkalemia but a whole body deficit of potassium. When the toxic effects of digoxin are reversed by DIGIFAB, potassium shifts back into the cell with a resulting decline in serum potassium concentration. This hypokalemia may develop rapidly. For these reasons, serum potassium concentration should be followed closely, especially during the first several hours after DIGIFAB administration. Cautious potassium supplementation should then be given when necessary.

ADVERSE REACTIONS

The most common adverse reactions (> 7%) related to DIGIFAB administration are worsening congestive heart failure (11%), hypokalemia (13%) and worsening atrial fibrillation (7%).

6.1 Clinical Trial Experience

Because clinical trials are conducted under widely varying conditions, adverse reaction rates observed in the clinical trials of a drug cannot be directly compared to rates in the clinical trials of another drug and may not reflect the rates observed in clinical practice.

In the clinical trials of DIGIFAB, 6 of 15 patients in the digoxin overdose study had a total of 17 adverse events. Three events occurred in one patient and consisted of the following: pulmonary edema, bilateral pleural effusion and renal failure. The events were determined to be likely due to the loss of digoxin inotropic support in combination with the patient's underlying medical condition. Of 8 healthy volunteers who received DIGIFAB, two experienced an adverse reaction that was considered to be related to DIGIFAB. The reactions were, one episode of phlebitis of the infusion-site vein and one episode of transient postural hypotension.

8 USE IN SPECIFIC POPULATIONS

8.1 Pregnancy

Risk Summary

Animal reproduction studies have not been conducted with DIGIFAB. It is also not known whether DIGIFAB can cause fetal harm when administered to a pregnant woman or can affect reproduction capacity. DIGIFAB should be given to a pregnant woman only if clinically needed.

8.2 Lactation

Risk Summary

It is not known whether DIGIFAB is excreted in human breast milk. Because many drugs are excreted in human milk, caution should be exercised when DIGIFAB is administered to a nursing woman. DIGIFAB should be given to nursing mothers only if clinically needed.

8.4 Pediatric Use

Safety data in pediatric population is limited. The pediatric dosing estimation is based on calculations for adult dosing.

8.5 Geriatric Use

Specific studies in elderly patients have not been conducted. Of the 15 patients given DIGIFAB for digoxin toxicity in one clinical trial, the average age of all patients was 64 years and over half of the patients (8 of the 15) were 65 years of age or older. The oldest patient studied was 86 years old. There is no evidence that the efficacy of DIGIFAB would be altered due to advanced age alone; however, elderly patients have a higher chance of having impaired renal function and therefore should be monitored more closely for recurrent toxicity (See 5.3 Use of DIGIFAB in renal failure).

11 DESCRIPTION

DIGIFAB [Digoxin Immune Fab (Ovine)] is a sterile, lyophilized preparation of digoxin-immune ovine Fab (monovalent) immunoglobulin fragments. These fragments are obtained from the blood of healthy sheep immunized with a digoxin derivative, digoxin-dicarboxymethylamine (DDMA), a digoxin analogue which contains the functionally essential cyclopentapyrrophenanthrene lactone ring moiety coupled to keyhole limpet hemocyanin (KLH).

The final product is prepared by isolating the immunoglobulin fraction of the ovine serum, digesting it with papain and isolating the digoxin-specific Fab fragments by affinity chromatography. These antibody fragments have a molecular weight of approximately 46,000 Da.

Each vial of DIGIFAB, which will bind approximately 0.5 mg digoxin, contains 40 mg of digoxin immune Fab, 75 mg (approx) of mannitol USP, and 2 mg (approx) sodium acetate USP as a buffering agent.

The product contains no preservatives and is intended for intravenous administration after reconstitution with 4 mL of Sterile Water for Injection USP.

12 CLINICAL PHARMACOLOGY

12.1 Mechanism of Action

DIGIFAB has an affinity for digoxin in the range of 10^9 to 10^{10} M⁻¹, which is greater than the affinity of digoxin for its sodium pump receptor, the presumed receptor for its therapeutic and toxic effects. When administered to the intoxicated patient, DIGIFAB binds to molecules of digoxin reducing free digoxin levels, which results in a shift in the equilibrium away from binding to the receptors, thereby reducing cardio-toxic effects. Fab-digoxin complexes are then cleared by the kidney and reticuloendothelial system.

12.3 Pharmacokinetics

The pharmacokinetics and pharmacodynamics of DIGIFAB were assessed in a randomized and controlled study of DIGIFAB and Digibind[®] (comparator Fab product for treatment of digoxin toxicity). Sixteen healthy subjects were given 1 mg of intravenous digoxin followed by an approximately equimolar neutralizing dose of either DIGIFAB (n=8) or Digibind[®] (n=8). The objective of the pharmacokinetic and pharmacodynamic study was to compare

DIGIFAB® DIGOXIN IMMUNE FAB (OVINE)

parameters for DIGIFAB to those for Digibind®.⁷ The pharmacokinetics of both digoxin and Fab were determined and found to be similar for both products. The similar volumes of distribution (0.3 L/kg and 0.4 L/kg for DIGIFAB and Digibind®, respectively) indicate considerable penetration from the circulation into the extracellular space and are consistent with previous reports of ovine Fab distribution, as are the elimination half-life values (15 hours and 23 hours for DIGIFAB and Digibind®, respectively).⁸⁻¹² The elimination half-life of 15-20 hours in patients with normal renal function appears to be increased up to 10 fold in patients with renal impairment, although volume of distribution remains unaffected.¹²

The primary outcome measure for this study was the serum level of free (unbound) digoxin. The results demonstrated that both products reduced the level of free digoxin in the serum to below the limit of assay quantitation for several hours after Fab administration. Cumulative urinary excretion of digoxin was comparable for both products and exceeded 40% of the administered dose by 24 hours. These results demonstrate that DIGIFAB and Digibind® have equivalent pharmacodynamic effects on the digoxin parameters that are relevant to the treatment of digoxin toxicity.

13 NONCLINICAL TOXICOLOGY

13.1 Carcinogenesis, Mutagenesis, Impairment of Fertility

Animal carcinogenicity and reproduction studies have not been conducted with DigiFab.

13.2 Animal Toxicology and/or Pharmacology

No toxic effects were observed when DIGIFAB was administered to healthy male Sprague Dawley rats in equimolar doses sufficient to neutralize a 1 mg/kg dose of digoxin. In these studies, the physiologic changes produced by toxic serum concentrations of digoxin were ameliorated rapidly by the administration of DIGIFAB or comparator product Digibind®. Statistically equivalent responses were observed with both DIGIFAB and Digibind® to the following variables: PTQ index, heart rate, mean arterial pressure, ventilation, arterial blood gases, and serum potassium concentrations.

14 CLINICAL STUDIES

One prospective multi-center safety, efficacy and pharmacokinetic study in patients presenting with life-threatening digoxin toxicity was conducted in U.S. and Finland.

The objective of the study was to demonstrate safety, pharmacokinetics, and clinical response of DIGIFAB in patients. Results were compared to historical data on Digibind®. Fifteen patients received doses of DIGIFAB based on its theoretical binding capacity for digoxin, and based on the known amount of digoxin ingested or on blood concentrations of digoxin at the time of admission.

Serum free digoxin concentrations fell to undetectable concentrations in all patients following DIGIFAB administration. Ten of the 15 patients studied who had baseline ECG abnormalities improved within 4 hours after the DIGIFAB infusion. The remaining 5 patients who had baseline ECG abnormalities remained unchanged throughout the 24-hour assessment period, and in one case through the 30-day follow up period. Seven out of the 15 patients (47%) studied had complete resolution of digoxin toxicity within 4 hours of DIGIFAB administration, and 14 patients (93%) were classified as having resolved their digoxin toxicity by 20 hours. In this study, where 2/15 patients had serum available for human anti-ovine antibody determination, there was no measurable immune response.

Disciplinary Actions in Other States

Company Background

Xttrium Laboratories is a manufacturing company in existence in Chicago since 1939. For the last 25 years, Xttrium's products have been surgical setting antiseptics with an active ingredient of Chlorhexidine Gluconate (CHG), classified as a drug by the FDA. These antiseptic products have been sold in Illinois to all major hospital supply wholesalers in the US. Foreign state licenses were not required

In 2004, Xttrium began marketing a prescription Oral Rinse product for gum disease with the same CHG active ingredient, a product similar to Peridex. Customers were originally the same wholesale hospital suppliers. Over the last four years, Xttrium began selling prescription Oral Rinse to the major retail drug chains. Delivery sites mushroomed to all states. With the expansion, the management error was committed of not systematically and comprehensively applying for all required state licenses. Consequently, some state applications were filed late.

State Disciplinary Actions Results

Due to the late filings, the states of Missouri, Colorado and Alabama began disciplinary actions. In a settlement, Missouri issued a probationary license in 2007 for which probation expires in June 2010. The Colorado action was dropped and the state issued an unrestricted license upon the expiration of the Missouri probation in June 2010. There is no disciplinary history in Colorado. The Alabama action was settled with payment of a \$500 fine in April 2009. A consent order stemming from a Rhode Island complaint was signed in December, 2011.

Current Procedures

Xttrium has since initiated a formal process of state license preparation. An outside firm, specializing in the application and maintenance of state licenses, State Licensing Servicing, LLC, has been hired to prepare the needed forms within due dates. An attorney who specializes in state licensing has been retained to review the filings on a recurring basis. The Vice-President of Finance has been given the specific responsibility for state licenses and permits.

FDA Regulation

Xttrium is inspected by the FDA on a nearly annual basis. For each inspection, any remedies required were completed on time and then approved by the FDA. The last FDA inspection in December 2009 required only two minor changes to contractor review procedures. The changes were completed and approved by the FDA.

Licensed by Home State of Illinois

Xttrium has been licensed as a manufacturer and wholesaler in its home state of Illinois at all times since the company began production and sale of regulated drugs.

Pursuant to the terms of §536.060, RSMo 2000, the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri and, additionally, the right to a disciplinary hearing before the Board under §621.110, RSMo Cum. Supp. 2006, and stipulate and agree that a final disposition of this matter may be effectuated as described below.

Xttrium acknowledges that it understands the various rights and privileges afforded it by law, including the right to a hearing of the charges against it; the right to appear and be represented by legal counsel; the right to have all charges against it proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against it; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against it and, subsequently, the right to a disciplinary hearing before the Board at which time it may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against its license. Supp. 2006, and Chapter 338, RSMo Cum. Supp. 2006.

Joint Stipulation of Facts

1. The State Board of Pharmacy ("Board") is an agency of the state of Missouri created and established pursuant to § 338.110, RSMo 2000,¹ for the purpose of executing and enforcing the provisions of Chapter 338, RSMo.

During this inspection, the FDA made the following observations:

- A. Strict control is not exercised over labeling issued for use in drug product labeling operations. Specifically, the keys were kept in an office that is accessible to all personnel, resulting in unauthorized access to the control area and incorrect labeling of over 28,000 bottles of product.
- B. On March 12, 2004, the FDA observed labels left on Packaging Lines #4 and 6. Both lines were not scheduled for production until 3/15/04.
- C. Batch production and control records did not include complete and accurate information relating to the production and control of each batch. Specifically, on March 12, 2004 and again on March 15, 2004, Line Weight Check Forms contained the signature of the supervisors before the operations processes, for which the signatures signified a check, were completed.
- D. Drug product production and control records are not reviewed and approved by the quality control unit to determine compliance with all established approved written procedures before a batch is released or distributed.
- E. Master production and control records lack manufacturing and control instructions sampling and testing procedures and precautions to be followed.
- F. No written procedure or production and process control are assigned to assure that the drug products have the identity strength, quality, and purity they purport or are represented to possess.

- G. Written procedures are not established and followed that describe the in-process controls and tests to be conducted on appropriate samples of in-process materials of each batch.
 - H. Procedures describing the handling of all written and oral complaints regarding a drug product are not followed.
 - I. Written complaint records do not include where known, the name and strength of the drug product, lot number, name of complainant, nature of complaint and reply to complainant.
 - J. Written procedures for cleaning and maintenance fail to include descriptions in sufficient detail of methods equipment and materials used and parameters relevant to the operation.
 - K. Laboratory records do not include the source or location from where a sample was obtained, the date the sample was taken and the date the sample was received for testing. The FDA observed a failure to thoroughly review any unexplained discrepancy whether or not the batch has been thoroughly distributed.

Joint Agreed Disciplinary Order

Based upon the foregoing, the parties mutually agree and stipulate that the following shall constitute the disciplinary order entered by the Board in this matter under the authority of §621.045.3, Cum. Supp. 2006, RSMo.

1. Xttrium's drug distributor registration number 2005006347 is placed on **PROBATION** for a period of three (3) years ("disciplinary period") effective immediately upon the date the Board enters and finalizes this Settlement Agreement. During Xttrium's probation, Xttrium shall be entitled to engage in the practice of pharmacy under Chapter 338, RSMo, provided it adheres to all the terms of this Agreement. The TERMS of Probation shall be:

- A. Xttrium shall pay all required fees for licensing to the Board and shall renew its license prior to October 31 of each licensing year.
- B. Xttrium shall comply with all provisions of Chapter 338, Chapter 195, and all applicable federal and state drug laws, rules and regulations and with all federal and state criminal laws. "State" here includes the State of Missouri and all other states and territories of the United States.
- C. If, after disciplinary sanctions have been imposed, Xttrium fails to keep its Missouri license current, the period of unlicensed status shall not be deemed or taken as any part of the time of discipline so imposed.
- D. The parties to this Order/Agreement understand that the Board of Pharmacy will maintain this Order/Agreement as an open record of the Board as provided in Chapters 338, 610, and 620, RSMo.
- E. Xttrium's failure to comply with any condition of discipline set forth herein constitutes a violation of this disciplinary Order/Agreement.

2. The terms of this settlement agreement are contractual, legally enforceable, and binding, not merely recital. Except as otherwise contained herein, neither this settlement agreement nor any of its provisions may be changed, waived, discharged, or terminated, except by an instrument in writing signed by the party against whom the enforcement of the change, waiver, discharge, or termination is sought.

3. Upon the expiration of said disciplinary period, Xttrium's registration as a drug distributor in Missouri shall be fully restored if all other requirements of law have been satisfied; provided, however, that in the event the Board determines that Xttrium has

violated any term or condition of this settlement agreement, the Board may, in its discretion, after an evidentiary hearing, vacate and set aside the discipline imposed herein and may suspend, revoke, or otherwise lawfully discipline Xttrium.

4. No order shall be entered by the Board pursuant to the preceding paragraph of this settlement agreement without notice and an opportunity for hearing before the Board in accordance with the provisions of Chapter 536, RSMo.

5. If the Board determines that Xttrium has violated a term or condition of this settlement agreement, which violation would also be actionable in a proceeding before the Administrative Hearing Commission or the circuit court, the Board may elect to pursue any lawful remedies or procedures afforded it and is not bound by this settlement agreement in its determination of appropriate legal actions concerning that violation. If any alleged violation of this settlement agreement occurred during the disciplinary period, the Board may choose to conduct a hearing before it either during the disciplinary period, or as soon thereafter as a hearing can be held to determine whether a violation occurred and, if so, it may impose further discipline. The Board retains jurisdiction to hold a hearing to determine if a violation of this settlement agreement has occurred.

6. Xttrium hereby waives and releases the Board, its members and any of its employees, agents, or attorneys, including any former Board members, employees, agents, and attorneys, of, or from, any liability, claim, actions, causes of action, fees, costs and expenses, and compensation, including, but not limited to, any claims for attorney's fees

and expenses, including any claims pursuant to §536.087, RSMo, or any claim arising under 42 U.S.C. §1983, which may be based upon, arise out of, or relate to any of the matters raised in this litigation, or from the negotiation or execution of this settlement agreement. The parties acknowledge that this paragraph is severable from the remaining portions of this settlement agreement in that it survives in perpetuity even in the event that any court of law deems this settlement agreement or any portion of it void or unenforceable.

7. Xttrium understands that it may, either at the time the settlement agreement is signed by all parties, or within fifteen (15) days thereafter, submit the agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties constitute grounds for disciplining Xttrium's registration. If Xttrium desires the Administrative Hearing Commission to review this Agreement, Xttrium may submit its request to: Administrative Hearing Commission, Truman State Office Building, Room 640, 301 W. High Street, P.O. Box 1557, Jefferson City, Missouri 65101.

8. If Xttrium requests review, this settlement agreement shall become effective on the date the Administrative Hearing Commission issues its order finding that the settlement agreement sets forth cause for disciplining Xttrium's registration. If Xttrium does not request review by the Administrative Hearing Commission, the settlement agreement goes in to effect 15 days after the document is signed by the Executive Director of the Board.

9. All parties to bear their own attorneys' fees and costs with no Commission fees or costs being assessed against Xttrium.

LGM Pharma LLC

Disciplinary Summary

State

On December 3, 2019 LGM Pharma, LLC received a Statement of Charges and Notice of Hearing from the Alabama State Board of Pharmacy. The Statement of Charges alleged that LGM Pharma, LLC was not qualified to possess a permit based upon an FDA Form 483 issued on December 4, 2018. As a result, LGM Pharma, LLC agreed to pay an administrative fine and have its facility operations and quality systems inspected by a third-party approved by the Alabama State Board of Pharmacy prior to resuming full business activities in the state. LGM Pharma, LLC was allowed to continue to conduct limited business in the state while the inspection was pending. The third-party inspection report found that the facility operations and quality systems to be compliant. Upon submission to the Alabama State Board of Pharmacy, it found the inspection satisfactory. At this time, LGM Pharma, LLC has satisfied the requirements of the Final Order has been resumed full business in the state and has successfully renewed its Alabama permits to date.

FDA Consent Decree

LGM Pharma, LLC entered into a settlement agreement with the U.S. Food and Drug Administration effective January 30, 2023, which finalizes previous FDA Form 483 observations and related actions. Notably, LGM Pharma LLC admits no wrongdoing and is committed to continuous quality improvement via periodic audits by an independent monitor. On February 19, 2025, LGM Pharma, LLC received written notification from the FDA that it appears to be in compliance with the Decree, the Federal Food, Drug, and Cosmetic Act, and its implementing regulations. Nonetheless, out of an abundance of caution and in the spirit of full transparency, LGM Pharma, LLC is reporting this non-disciplinary settlement agreement.

v.

ANIMAL HEALTH INTERNATIONAL, INC.

Criminal No. 1:20-cr-00007

PLEA AGREEMENT

ANIMAL HEALTH INTERNATIONAL, INC. (EIN: 84-0575063) ("AHI") has entered into a Plea Agreement with the United States of America, by counsel, pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure ("Fed. R. Crim. P."). The terms and conditions of this Plea Agreement are as follows:

1. CHARGE TO WHICH AHI IS PLEADING GUILTY AND WAIVER OF RIGHTS

AHI will enter a plea of guilty to Count One of the Information charging it with violating Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1) in the Western District of Virginia by introducing and delivering for introduction, and causing the introduction and delivery for introduction, into interstate commerce of veterinary prescription drugs that were misbranded.

AHI understands, and the parties agree and stipulate, the maximum statutory penalty is a fine of \$14,855,856 (fourteen million eight hundred fifty-five thousand eight hundred fifty-six dollars), pursuant to Title 18, United States Code, Section 3571(d), and a period of probation of five (5) years, pursuant to Title 18, United States Code, Section 3561(c)(2). In addition, AHI's assets are subject to forfeiture. AHI understands fees may be imposed to pay for probation and there will be a \$125 (one hundred twenty-five dollars) special assessment for Count One, pursuant to Title 18, United States Code, Section 3013(a)(1)(B)(iii). AHI's attorneys have informed it of the nature of the charge and the elements of the charge that must be proved by the United States beyond a reasonable doubt before AHI could be found guilty as charged.

AHI admits and agrees that all of the statements and allegations in the Information are true and correct.

AHI acknowledges AHI has had all of its rights explained to it. AHI expressly recognizes that, as a corporation, AHI may have the following constitutional rights and by voluntarily pleading guilty AHI knowingly waives and gives up these valuable constitutional rights:

The right to plead not guilty and persist in that plea.

The right to a speedy and public jury trial.

The right to assistance of counsel at that trial and in any subsequent appeal.

The right to remain silent at trial.

The right to testify at trial.

The right to confront and cross-examine witnesses.

The right to present evidence and witnesses.

Plea Agreement

United States v. Animal Health International, Inc.

Authorized Corporate Officer's Initials: 

The right to compulsory process of the court.
The right to compel the attendance of witnesses at trial.
The right to be presumed innocent.
The right to a unanimous guilty verdict.
The right to appeal a guilty verdict.

AHI is pleading guilty as described above because AHI is in fact guilty and because AHI believes it is in its best interest to do so and not because of any threats or promises, other than the terms of this Plea Agreement, described herein, in exchange for its plea of guilty. AHI agrees all of the matters set forth in the Information are true and correct.

AHI understands the plea is being entered in accordance with Fed. R. Crim. P. 11(c)(1)(C).

2. SENTENCING PROVISIONS

The parties agree the 2018 version of the United States Sentencing Commission Guidelines Manual ("U.S.S.G.") is the appropriate Guidelines Manual to utilize. According to U.S.S.G. § 8C2.1, the organizational fine provisions do not apply to the count of conviction in this case, which is a misdemeanor under 21 U.S.C. § 333(a)(1).

The parties agree and stipulate:

- a. the fine shall be \$5,000,000 (five million dollars);
- b. AHI shall pay \$1,000,000 (one million dollars) to the Virginia Department of Health Professions ("DHP") in recognition of direct assistance provided by DHP to the United States during the investigation;
- c. AHI shall forfeit \$46,802,203 (forty-six million eight hundred two thousand two hundred three dollars); and
- d. AHI shall serve a term of probation of one to three years, as determined by the Court.

The Court will determine what terms and length of probation are appropriate and the parties will be free to argue for which terms and length of probation they believe are appropriate. AHI understands and agrees if its probation is revoked, it may be resentenced and a total aggregate fine up to the statutory maximum may be imposed.

The parties agree if the Court refuses to accept this Plea Agreement with the agreed-upon sentence, AHI will be free to withdraw its guilty plea. In the event the Court refuses to accept this Plea Agreement and AHI withdraws its guilty plea within ten days of being notified of the Court's refusal, nothing in this Plea Agreement shall be deemed a waiver of the provisions of Federal Rule of Evidence ("Fed. R. Evid.") 410. Under these circumstances, the United States will move to dismiss the Information without prejudice and the United States may file any charges it could have filed in the absence of the plea agreement. AHI agrees to toll the statute of limitations between the date of the plea and the filing of any such charges.

3. FINANCIAL OBLIGATIONS

AHI agrees and understands any of the money paid pursuant to this Plea Agreement will be returned if, and only if, the Court refuses to accept this Plea Agreement with the agreed-upon sentence and, as a result, AHI withdraws its guilty plea. If the Court rejects this Plea Agreement and AHI withdraws its guilty plea, the United States will return all money paid by AHI, without

interest, not more than thirty (30) days after AHI withdraws its guilty plea and notifies the United States Attorney's Office for the Western District of Virginia ("USAO"), in writing, it wishes to have the money returned.

In addition, in accordance with 18 U.S.C. § 3572(d)(3), AHI will notify the Court of any material change in AHI's economic circumstances that might affect AHI's ability to pay any amounts payable under this Plea Agreement.

a. Payments

Within 7 days of the entry of AHI's guilty plea, AHI will make the following disbursements:

(1) \$125 (one hundred twenty-five dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the special assessment.

(2) \$5,000,000 (five million dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the fine;

(3) \$1,000,000 (one million dollars) to the Virginia Department of Health Professions. These funds must be remitted in the form of certified funds made payable to the "Treasurer of Virginia." The comment section of the check should note "DHP-Enforcement" in recognition of direct assistance provided to the United States during the investigation; and

(4) \$46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) made payable to the United States Marshals Service, as directed by the USAO as payment of a forfeiture money judgment.

b. Forfeiture

AHI agrees to the entry of a forfeiture money judgment in the amount of \$46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency ("Forfeiture Money Judgment") pursuant to 21 U.S.C. §§ 334 and 853(p), and 28 U.S.C. § 2461(c). AHI agrees that the value of the quantities of prescription drugs which were misbranded in violation of 21 U.S.C. § 331(a) totaled at least \$46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency.

AHI acknowledges and agrees the quantities of the drugs which were misbranded in violation of 21 U.S.C. § 331(a) cannot be located upon exercise of due diligence, or have been transferred or sold to, or deposited with, a third party, placed beyond the jurisdiction of the Court, substantially diminished in value, or commingled with other property which cannot be divided without difficulty. Accordingly, AHI agrees the government is entitled to forfeit as substitute assets any other assets of AHI up to the value of the now missing directly forfeitable assets, pursuant to

21 U.S.C. § 853(p). Payment in full of the Forfeiture Money Judgment shall satisfy any and all forfeiture obligations that AHI may have as a result of this guilty plea. AHI consents to the entry of an Order of Forfeiture pursuant to Rule 32.2 of the Federal Rules of Criminal Procedure forfeiting the above-referenced Forfeiture Money Judgment.

AHI agrees to sign any documentation necessary and to cooperate fully with the United States to accomplish the forfeiture. AHI agrees to forfeit all interest in these funds and to take whatever steps are necessary to pass clear title of these funds to the United States.

AHI agrees not to file a claim in any forfeiture proceeding or to contest, in any manner, the forfeiture of said assets. AHI agrees not to file or interpose any claim or to assist others to file or interpose any claim to any property against which the government seeks to execute the Forfeiture Money Judgment in any administrative or judicial proceeding.

AHI understands and agrees forfeiture of this property is proportionate to the degree and nature of the offense. AHI freely and knowingly waives any and all constitutional and statutory challenges to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including, but not limited to, that the forfeiture constitutes an excessive fine or punishment. AHI further understands and agrees this forfeiture is separate and distinct from, and is not in the nature of, or in lieu of, any monetary penalty or other monetary judgment that may be imposed by the court.

c. Restitution

The parties agree and stipulate, pursuant to 18 U.S.C. § 3663(a)(1)(B)(ii), that no restitution will be ordered.

4. ADDITIONAL OBLIGATIONS

Unless the Court rejects this Plea Agreement and, as a result, AHI withdraws its plea, AHI agrees to: (1) accept responsibility for its conduct; (2) not attempt to withdraw its guilty plea; (3) not deny it committed the crime to which it has pled guilty; (4) comply with any reasonable request of the United States Attorney's Office and (5) not make or adopt any arguments or objections to the presentence investigation report that are inconsistent with this Plea Agreement.

Neither AHI, nor its corporate parent (Patterson Companies, Inc. ["Patterson"]), will (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If Patterson or AHI makes a public statement that in whole or in part contradicts any such statement or provision, AHI may avoid being in violation of this Plea Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by Patterson's and AHI's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) Patterson or AHI websites. Notwithstanding the above, Patterson and AHI may avail themselves of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by

any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

5. WAIVER OF RIGHT TO APPEAL AND COLLATERALLY ATTACK THE JUDGMENT AND SENTENCE IMPOSED BY THE COURT

If the Court accepts this Plea Agreement, AHI agrees AHI will not appeal the conviction or sentence imposed. AHI is knowingly and voluntarily waiving any right to appeal and is voluntarily willing to rely on the Court in sentencing it, pursuant to the terms of Fed. R. Crim. P. 11(c)(1)(C). AHI expressly waives its right to appeal as to any and all issues in this matter and waives any right it may have to collaterally attack, in any future proceeding, any order issued in this matter, unless such appeal or collateral attack cannot be waived, by law. AHI understands the United States expressly reserves all of its rights to appeal, but if the United States initiates a direct appeal of the sentence imposed, AHI may file a cross appeal of that same sentence. AHI agrees and understands if it files any court document (except for an appeal or collateral attack based on an issue that cannot be waived, by law) seeking to disturb, in any way, any order imposed in the case such action shall constitute a failure to comply with a provision of this Plea Agreement.

6. INFORMATION ACCESS WAIVER

AHI agrees to waive all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a. However, if a third party obtains any records pertaining to the investigation or prosecution of this case under the Freedom of Information Act, AHI shall have the right to request copies of such disclosed records.

7. ADMISSIBILITY OF STATEMENTS

AHI understands any statements made on its behalf (including, but not limited to, this Plea Agreement and its admission of guilt) during or in preparation for any guilty plea hearing, sentencing hearing, or other hearing and any statements made, in any setting, may be used against AHI by the United States in this or any other proceeding. AHI knowingly waives any right it may have under the Constitution, any statute, rule or other source of law to have such statements, or evidence derived from such statements, suppressed or excluded from being admitted into evidence in this or any other proceeding. If, and only if, the Court rejects this Plea Agreement, and, as a result, AHI withdraws its plea, AHI will not be bound by the waivers set forth in this section of the Plea Agreement.

8. COMPLETION OF PROSECUTION

Pursuant to Fed. R. Crim. P. 11(c)(1)(A), so long as AHI complies with all of its obligations under this Plea Agreement, the United States agrees, other than the charge in the attached Information, it shall not further criminally prosecute AHI for any additional federal criminal

charges or forfeiture action with respect to any offenses set forth in the Information or Non-Prosecution Agreement with Patterson (Attached as Attachment B).

Nothing in this Plea Agreement affects the administrative, civil, criminal, or other tax liability of any entity or individual and this Plea Agreement does not bind the Internal Revenue Service of the Department of Treasury, the Tax Division of the United States Department of Justice, or any other government agency with respect to the resolution of any tax issue.

9. LIMITATION OF PLEA AGREEMENT

This Plea Agreement is limited to the United States Department of Justice and does not bind any other federal, state, or local authority.

10. COMPLIANCE AND REMEDIAL MEASURES

AHI agrees to comply with the Corporate Compliance Program Agreement attached hereto as Attachment C.

11. COOPERATION

AHI acknowledges that its ongoing and future cooperation is important and a material fact underlying the United States' decision to enter into this Plea Agreement. AHI agrees to continue to cooperate fully and actively with the United States regarding any matter, including, but not limited to, matters involving (a) current and former AHI personnel, and (b) other entities who operate in the same commercial segment as AHI and/or Patterson during the Term of the Non-Prosecution Agreement with Patterson, provided however that any cooperation in an ongoing investigation or prosecution shall continue until such investigation or prosecution is concluded.

Nothing in this Plea Agreement shall be construed to require Patterson or AHI to waive any attorney-client privilege or work-product protection.

12. REMEDIES FOR FAILURE TO COMPLY WITH ANY PROVISION OF THIS PLEA AGREEMENT

AHI understands if: (1) AHI attempts to withdraw its plea (in the absence of the Court refusing to accept this Plea Agreement); (2) AHI fails to comply with any provision of this Plea Agreement; (3) AHI's conviction is set aside, for any reason; and/or (4) AHI fails to execute all required paperwork prior to the imposition of judgment, the United States may, at its election, pursue any or all of the following remedies: (a) declare this Plea Agreement void; (b) file, by indictment or information, any charges which were filed and/or could have been filed concerning the matters involved in the instant investigation; (c) refuse to abide by any stipulations and/or recommendations contained in this Plea Agreement; (d) not be bound by any obligation of the United States set forth in this Plea Agreement, including, but not limited to, those obligations set forth in the section of this Plea Agreement titled "COMPLETION OF PROSECUTION;" and (e) take any other action provided for under this Plea Agreement or by statute, regulation or court rule.

The remedies set forth above are cumulative and not mutually exclusive. If the United States pursues any of its permissible remedies as set forth in this Plea Agreement, AHI will still be bound by its obligations under this Plea Agreement. AHI hereby waives its right under Fed. R. Crim. P. 7 to be proceeded against by indictment and consents to the filing of an information against it concerning any charges filed pursuant to this section of this Plea Agreement. AHI hereby waives any statute of limitations argument as to any such charges.

13. EFFECTIVE REPRESENTATION

AHI has discussed the terms of this Plea Agreement and all matters pertaining to the charges against it with its attorneys and is fully satisfied with its attorneys and its attorneys' advice. At this time, AHI has no dissatisfaction or complaint with its attorneys' representation. AHI agrees to make known to the Court no later than at the time of sentencing any dissatisfaction or complaint AHI may have with its attorneys' representation.

14. EFFECT OF AHI'S SIGNATURE

AHI understands its Authorized Corporate Officer's signature on this Plea Agreement constitutes a binding offer by it to enter into this Plea Agreement. AHI understands the United States has not accepted AHI's offer until the authorized representative of the United States has signed this Plea Agreement.

15. GENERAL UNDERSTANDINGS

AHI understands a presentence investigation will be conducted and sentencing recommendations independent of the USAO will be made by the presentence preparer.

AHI understands the United States and AHI retain the right, notwithstanding any provision in this Plea Agreement, to inform the probation office and the Court of all facts, to address the Court with respect to the nature and seriousness of the offense and the offender, to respond to any questions raised by the Court, to correct any inaccuracies or inadequacies in the presentence report, and to respond to any statements made to the Court.

AHI willingly stipulates there is a sufficient factual basis for the Court to accept the plea.

AHI understands this Plea Agreement does not apply to any crimes or charges not addressed in this Plea Agreement.

AHI has not been coerced, threatened, or promised anything other than the terms of this Plea Agreement, described above, in exchange for its plea of guilty. AHI understands its attorneys will be free to argue any mitigating factors on its behalf to the extent they are not inconsistent with the terms of this Plea Agreement. AHI understands AHI will have an opportunity to have a representative address the Court prior to sentence being imposed.

This writing, the Non-Prosecution Agreement with Patterson (attached as Attachment B), the Corporate Compliance Program Agreement (attached as Attachment C), and the Agreed Order of Forfeiture (attached as Attachment D) are the complete and only agreements between the United States and AHI concerning resolution of this matter. In addition, AHI has no objection to the filing of the Information.

The agreements and documents listed in this section set forth the entire understanding between the parties and constitute the complete agreement between the United States Attorney for the Western District of Virginia and AHI and no other additional terms or agreements shall be entered except and unless those other terms or agreements are in writing and signed by the parties. These agreements supersede all prior understandings, promises, agreements, or conditions, if any, between the United States and AHI. AHI consents to public disclosure of all of the agreements and other documents referenced in this section.

AHI has consulted with its attorneys and fully understands its rights. AHI has read this Plea Agreement and carefully reviewed every part of it with its attorneys. AHI understands this Plea Agreement and AHI voluntarily agrees to it. Being aware of all of the possible consequences of its plea, AHI has independently decided to enter this plea of its own free will and is affirming that agreement on this date by the signature of its Authorized Corporate Officer ("Officer") below.

The Officer, by signing below, hereby certifies to the following:

- (1) The Officer is fully authorized to enter into this Plea Agreement on behalf of AHI;
- (2) The Officer has read the entire Plea Agreement and documents referenced herein and discussed them with AHI's Board of Directors;

- (5) AHI is freely and voluntarily pleading guilty in this case;
- (6) AHI is pleading guilty as set forth in this Plea Agreement because it is guilty of the crime to which it is entering its plea; and
- (7) AHI understands it is waiving its right to appeal the judgment and conviction in this case.

AHI acknowledges its acceptance of this Plea Agreement by the signature of its counsel and Officer. A copy of a certification by AHI's Board of Directors authorizing the Officer to execute this Plea Agreement and all other documents to resolve this matter on behalf of AHI is attached as Attachment A.

INFORMATION

INTRODUCTION

1. Defendant Animal Health International, Inc. ("AHI") is a Colorado corporation with its principal place of business in Colorado. AHI is comprised of two legacy organizations, Lextron, Inc. ("Lextron") and Walco International, Inc. ("Walco"). In June 2011, Lextron acquired all outstanding stock of the parent company of Walco and changed its name to AHI. Walco continued operations as a subsidiary of AHI until December 2011 when Animal Health Holdings, Inc. and each of its wholly-owned subsidiaries, including Walco, were merged with and into AHI and no longer had separate corporate existences. AHI, and its predecessor entities, dispense, distribute and sell, among other products, veterinary prescription drugs to customers in the production animal industry across the United States. Specifically, AHI obtains prescription drugs for production animals from manufacturers for further distribution to veterinarians, farms, feedlots, and other distribution facilities.

2. The Food and Drug Administration ("FDA") of the United States Department of Health and Human Services regulates the distribution and labeling of all drugs, including animal drugs, shipped or received in interstate commerce through enforcement of the Federal Food, Drug, and Cosmetic Act, 21 U.S.C § 301, *et seq.* ("FDCA"). Veterinary prescription drugs are drugs intended for use by animals that, because of their toxicity or other potentiality for harmful

effect, or the method of their use, or the collateral measures necessary for their use, are not safe for animal use except under the professional supervision of a licensed veterinarian. 21 U.S.C. § 353(f)(1)(A).

3. Under the FDCA, a drug is misbranded if, among other things, its labeling does not bear “adequate directions for use.” 21 U.S.C. § 352(f)(1). Adequate directions for use is defined as “directions under which the *layman* can use a drug safely and for the purposes for which it is intended.” 21 C.F.R. § 201.5 (emphasis added). Prescription veterinary drugs by definition can only safely be used under the professional supervision of a licensed veterinarian and therefore they must qualify for an exemption to this requirement in order to move in interstate commerce. These exemptions are set out in 21 C.F.R. Part 201, Subpart D (“Exemptions from Adequate Directions for Use”).

4. Veterinary prescription drugs are exempt from the requirement that their labeling contain adequate directions for use if they meet all enumerated conditions, including that they be distributed through a closed supply chain in which every entity that possesses a prescription drug must have legal authorization to do so. *See* 21 C.F.R. § 201.105 (a)(1) (a veterinary prescription drug must be in the possession of: a person lawfully engaged in the manufacture, transportation, storage or wholesale distribution of drugs; a retail pharmacy or other person authorized under state law to dispense veterinary prescription drugs; or a licensed veterinarian for use in the course of his professional practice). Moreover, the veterinary prescription drug must be dispensed in accordance with 21 U.S.C. § 353(f), i.e., pursuant to a lawful order of a licensed veterinarian in the course of the veterinarian’s professional practice. 21 U.S.C. § 353(f)(1) & 21 C.F.R. § 201.105 (a)(2).

5. The FDCA's restrictions on veterinary prescription drugs are not primarily to protect animals from the potential harms of prescription drugs, but are to protect the human food supply from unsafe drug residues in the edible tissues of animals sold for slaughter. Common causes of illegal residues include: (1) exceeding the drug's approved dose; (2) using a shorter withdrawal period than what is stated on the drug's label (if a higher than approved dose is given, the labeled withdrawal period may not be enough to allow the drug in the edible tissues to deplete to levels that are at or below the tolerance); (3) using a drug in an extra-label manner (for indications and dosages outside the approved labeling) without a veterinarian's involvement; (4) giving a drug not approved for that species; and (5) using an unapproved route of administration. Drug residues in the nation's drug supply are concerning because: (1) they may contribute to antibiotic resistance in the human population, rendering human drugs less effective to treat human disease and contributing to the mutations of "superbugs"; and (2) they may cause allergic reactions in individuals with certain drug allergies.

6. Certain legacy customers of AHI, namely Marlin Webb and Billy K. Groce, were not properly licensed to receive, transport, store, distribute, or dispense veterinary prescription drugs in the Commonwealth of Virginia from January 2012 through April 2015.

7. Webb was the store manager of a cooperative in Hillsville, Virginia. The cooperative was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Webb operated a side business from the cooperative's location in which he illegally circumvented the FDA's regulation of veterinary prescription drugs by illegally obtaining from Billy K. Groce and AHI and reselling veterinary prescription drugs using unlawful prescriptions written by a veterinarian who was licensed in Tennessee but who was not properly licensed to

practice veterinary medicine in Virginia and who did not have a veterinarian-patient relationship with the animals in question. That veterinarian died in 2015.

8. Groce was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Groce operated an unlicensed veterinary prescription drug distribution business. Groce worked with the same veterinarian as did Webb.

9. Webb and Groce obtained veterinary prescription drugs from AHI in interstate commerce without valid prescriptions, and, on many occasions, with no prescription at all.

10. On April 29, 2015, the government executed search warrants at locations in Virginia and Tennessee associated with Groce and Webb. In 2016 and 2017, respectively, Groce and Webb pled guilty to illegally conspiring to defraud the FDA by obtaining and distributing veterinary prescription drugs from July 2009 through April 29, 2015 in a manner that circumvented the FDA's regulation of veterinary prescription drugs.

11. Groce and Webb were legacy customers of, among others, Lextron and Walco, and continued to be customers after the companies merged to form AHI in 2012 until May 2015. Neither Lextron, Walco, nor AHI performed adequate customer diligence processes, nor adequately trained sales representatives to raise questions regarding Groce's, Webb's or the veterinarian's activities in Virginia and Tennessee. For example, Groce operated a business that stored and distributed veterinary prescription drugs out of a storefront called "Goin' Postal" and his personal residence. Neither of those locations resembled a veterinarian establishment and should have raised questions for sales representatives who personally visited them. After learning of search warrants executed on each of the customers' locations, AHI took some steps to block the sale of veterinary prescription drugs to these customers on May 4, 2015.

12. Furthermore, between January 2012 and May 2015, AHI did not maintain the proper licenses to ship from its Memphis, Tennessee, facility into Virginia or from its Wolcott, Indiana, facility into Virginia or Tennessee, but, despite this deficiency, shipped products from those locations to Virginia and Tennessee.

13. All veterinary prescription drugs distributed by AHI to Groce and Webb were misbranded because, neither recipient was licensed to possess or distribute veterinary prescription drugs, and the prescribing veterinarian was not properly licensed to practice veterinary medicine in Virginia and consequently none of the drugs he caused to be dispensed were prescribed pursuant to lawful orders.

14. From the illegal shipments to and on behalf of Groce and Webb, AHI received \$7,427,928 (seven million four hundred twenty-seven thousand nine hundred twenty-eight dollars) and made a profit of \$558,309 (five hundred fifty-eight thousand three hundred nine dollars) by unlawfully distributing veterinary prescription drugs to or on behalf of Groce and Webb.

15. From 2012 through on or about 2018, AHI caused additional misbranded veterinary prescription drug shipments to be made throughout the United States by distributing veterinary prescription drugs from its wholesale locations directly to end users in states where such shipments were illegal and, in some instances, by shipping veterinary prescription drugs to locations in states in which AHI did not have legal authority to make such shipments. AHI obtained not less than \$46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) from such shipments. Its profits from such shipments were a small percentage of the amount received.

COUNT ONE

Introduction of Misbranded Drugs into Interstate Commerce
21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1)

The United States Attorney charges that:

16. The Information is realleged and incorporated by reference into this Count.

17. From about January 2012 to April 2015, in the Western District of Virginia, Animal Health Incorporated ("AHI") introduced and delivered for introduction, and caused the introduction and delivery for introduction, into interstate commerce, of veterinary prescription drugs that were misbranded in that the drugs' labeling did not bear adequate directions for the use of such drugs.

18. The offense conduct included, but was not limited to, the following:

a. AHI distributed veterinary prescription drugs directly to Billy K. Groce and Marlin Webb, notwithstanding that neither Groce nor Webb was legally authorized to possess or distribute the drugs; and

b. AHI distributed veterinary prescription drugs to customers of Billy K. Groce and Marlin Webb without a lawful prescription having been issued for those drugs.

19. Since these veterinary prescription drugs were not lawfully distributed or prescribed, they failed to qualify for the exemption from the requirement that they bear labeling containing adequate directions for lay use. All in violation of Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1).

NOTICE OF FORFEITURE

20. Upon conviction of the offense alleged in this Information, AHI shall forfeit to the United States veterinary prescription drugs that were misbranded or became misbranded as a result of AHI's conduct, pursuant to 21 U.S.C. § 334 and 28 U.S.C. § 2461.

21. Because the above-described forfeitable property has been transferred and sold to third parties and cannot be located upon the exercise of due diligence, the United States intends to seek forfeiture of \$46,802,203 pursuant to 21 U.S.C. § 853(p).

NON-PROSECUTION AGREEMENT

1. The United States Attorney's Office for the Western District of Virginia ("USAO-WDVA") and Patterson Companies, Inc. ("Patterson"), and any and all current and former affiliated entities including, but not limited to, Animal Health International, Inc. ("AHI") (collectively referred to as the "Company") enter into this Non-Prosecution Agreement ("Agreement") to resolve the investigation by the USAO-WDVA of the Company related to possible violations of federal laws relating to the licensing, dispensing, distribution, or sale of veterinary prescription drugs.

2. This Agreement, in conjunction with the Plea Agreement with AHI ("Plea Agreement"), resolves all of the Company's potential federal criminal liability for the offenses covered herein and in the Plea Agreement.

3. The USAO-WDVA enters into this Agreement based on the individual circumstances presented by this case including:

a. Patterson's cooperation with the USAO-WDVA investigation since June 2018, and AHI's subsequent cooperation under the direction of Patterson, as well as the Company's continued cooperation under the direction of the Special Investigation Committee of the Board of Directors of Patterson ("SIC") which was formed in April 2019. Since 2018, the Company has conducted a thorough and robust internal investigation; proactively brought information to the USAO-WDVA's attention, remediated noncompliant activity and implemented control enhancements, including certain licensing, dispensing, distribution and related sales practices company-wide; made factual presentations to the USAO-WDVA; timely and fully produced all requested documents; entered into agreements tolling relevant statutes of limitations; and collected, analyzed, and organized voluminous data and information for the USAO-WDVA.

b. Patterson's voluntary disclosure to the USAO-WDVA of non-compliant licensing, dispensing, distribution, and sales at AHI and Patterson beyond AHI's conduct set forth in the Information and Plea Agreement, and its timely efforts to remediate non-compliant activity and enhance controls and processes to mitigate against future reoccurrence. The additional non-compliant activity involved wholesale distribution of veterinary prescription drugs: (i) without verifying the continued validity of all practitioners' licenses in the receiving state; (ii) without verifying that an alternate location requested by the customer was authorized by state law to receive veterinary prescription drugs; (iii) without verifying that veterinarians licensed in Virginia were also associated with a veterinary establishment registered with the Virginia Board of Veterinary Medicine, (iv) without valid licensure to ship to the state to which the drugs were shipped, and/or (v) to end users in states where drop shipments by wholesalers to end users is not allowed. The additional non-compliant activity was due to prior weaknesses and inconsistencies among AHI and Patterson regulatory functions and processes, as well as system challenges presented by the Company's enterprise resource planning implementation. The Company has since taken extensive

proactive steps to enhance its regulatory function, capabilities and support to guide the business and other control functions on regulatory compliance matters. It has also enhanced its regulatory system controls to address the issues disclosed in the investigation and to verify that veterinary prescription drugs are shipped from facilities with required state licenses and to customers and locations authorized by state law to receive veterinary prescription drugs. Consistent with its approach to the USAO-WDVA, Patterson also disclosed the pending federal investigation to state regulators in all 50 states and continues to engage with state regulators, as appropriate, on matters related to the USAO-WDVA investigation.

c. The Company's enhanced regulatory compliance processes and commitment to implement a compliance program that meets the minimum elements set forth in Attachment C to the Plea Agreement ("Corporate Compliance Program Agreement").

d. The Company's agreement to comply with the terms of the Agreement and Plea Agreement.

e. AHI's admission to and the Company's agreement with the facts and allegations set forth in the Plea Agreement.

f. Although the investigation did not involve controlled substances, the Company's recognition that diversion of controlled substances, including drugs of the type that are prescribed and dispensed by veterinarians, such as buprenorphine and hydrocodone, should be a concern of all distributors and dispensers of those drugs and the Company's ongoing commitment to be proactive in deterring diversion and identifying and notifying authorities of suspicious ordering.

4. The Company agrees it will not take any tax deduction or seek or accept directly or indirectly reimbursement or indemnification from any source for any payments made pursuant to the Plea Agreement.

5. No money paid by the Company will be returned, and the Company expressly agrees to release any and all claims it may have to the money. The Company will not file any claim or otherwise contest the payment of money set forth in this Plea Agreement, and it will not assist anyone in asserting a claim to the money.

6. Nothing in this Agreement or any related documents is an admission by the United States that the amounts paid by the Company are the maximum amounts that could be recovered from the Company in the absence of an accepted plea agreement. If the Company does not comply with all of its obligations under this Agreement, the United States is not precluded from arguing or presenting evidence that the total amount to be paid by the Company should be higher.

7. The Company's obligations under this Agreement shall have a term of 42 months from the date on which the Agreement is executed (the "Term").

8. During the Term, the Company will fully cooperate with the USAO-WDVA.

9. During the Term, the Company shall undertake and abide by the terms of the Corporate Compliance Program Agreement in Attachment C to the Plea Agreement.

10. If the Company complies with all of the terms of this Agreement and the Plea Agreement, the USAO-WDVA will not prosecute the Company for any criminal conduct occurring prior to the entering of this agreement concerning:

a. The subject matter of the Information to which AHI is pleading guilty; or

b. Facts disclosed by the Company to the USAO prior to entering this agreement related to the Company's licensing, dispensing, distribution, or sale of veterinary prescription drugs.

11. However, if the USAO-WDVA, in its sole discretion, determines the Company (a) provided deliberately false, incomplete, or misleading information at any time in connection with this Agreement or (b) violated any provision of this Agreement, then the USAO-WDVA will not be bound to their agreement not to prosecute the Company for the matters covered in paragraph 10. Should the USAO-WDVA determine that the Company has violated any provision of this Agreement, the USAO-WDVA shall provide prompt written notice to the Company addressed to its General Counsel, and to its outside counsel, Amy Conway-Hatcher, Baker Botts LLP, 1299 Pennsylvania Avenue NW, Washington, DC, or to any successor the Company may designate, of the alleged violation and provide the Company with a 45 (forty-five) day period from the date of receipt of notice in which to make a presentation to the USAO-WDVA to demonstrate that no violation occurred, or, to the extent applicable, that the violation should not result in adverse action, including because the violation has been cured by the Company. In the event of a violation, the Company will not assert any claim under the United States Constitution, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other rule or law, that any statements or testimony made by or on behalf of the Company prior or subsequent to this Agreement, or any leads derived therefrom, should be suppressed or are otherwise inadmissible in any proceeding brought by the Department of Justice. If, as a result of a violation, the United States charges the Company, the Company hereby waives any statute of limitations defense for any offense not time-barred by the applicable statute of limitations on the date this Agreement is signed, including time protected as the result of existing agreements to toll the applicable statute of limitations.

12. The Company will not, through its present or future directors, officers, employees, agents, (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If the Company makes a public statement that in whole or in part contradicts any such statement or provision, the Company may avoid being in violation of this Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by the Company's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) the Company's

*Attachment B – Non-Prosecution Agreement with Patterson Companies, Inc.
United States v. Animal Health International, Inc.*

websites. Notwithstanding the above, the Company may avail itself of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

13. The terms of this Agreement bind the USAO-WDVA and other divisions of the Department of Justice (collectively referred to as the "United States"), except that they do not bind the Tax Division of the Department of Justice or any state, local, or foreign law enforcement or regulatory agencies, or any other authorities. The USAO-WDVA will bring the cooperation of the Company and its compliance with its other obligations under this Agreement to the attention of such agencies and authorities if requested to do so by the Company.

14. The Company and the United States may disclose this Agreement and any other documents used to effectuate the objectives of this Agreement to the public.

15. Nothing in this Agreement resolves, in any way, any liability of any individual.

16. This Agreement and the Plea Agreement set forth all the terms of the agreement between the Company and the USAO-WDVA. No amendments, modifications, or additions to this Agreement will be valid unless they are in writing signed by the USAO-WDVA, the attorneys for the Company, and a duly authorized representative of the Company.

The Company acknowledges its acceptance of this Agreement by the signature of its counsel and Officer. A copy of a resolution by the Company's Board of Directors authorizing the Officer to execute this Agreement and all other documents to resolve this matter on behalf of the Company is attached as Addendum 1.

CORPORATE COMPLIANCE PROGRAM AGREEMENT

The following Patterson Companies, Inc. ("Patterson" or the "Company") Corporate Compliance Program Agreement ("Corporate Compliance Program Agreement") has been prepared pursuant to the Non-Prosecution Agreement dated this same date between Patterson and the United States Attorney's Office for the Western District of Virginia ("USAO-WDVA"). Compliance with all the terms and standards of the Corporate Compliance Program Agreement is a condition of the Non-Prosecution Agreement and shall continue for the Term of the Non-Prosecution Agreement ("Term").

Applicability and Purpose

1. This Corporate Compliance Program Agreement shall be incorporated into the Non-Prosecution Agreement by reference, and compliance with the terms of the Corporate Compliance Program Agreement will be a condition of the Non-Prosecution Agreement. The USAO-WDVA acknowledges that the Company has already implemented many of these terms as of the date of the resolution.

2. Any proposed modifications to this Corporate Compliance Program Agreement must be made in writing and signed by the Company and the designated signatory for the USAO-WDVA.

3. The Corporate Compliance Program Agreement does not in any way release the Company from complying with any applicable federal or state statutes and/or regulations, and does not limit the imposition of any sanctions, penalties or any other actions available under those state or federal statutes and regulations.

The Corporate Compliance Program Agreement

4. The Company and the USAO-WDVA agree that the Company shall undertake the following voluntary compliance measures. The Corporate Compliance Program Agreement does and will continue to contain policies and procedures designed to prevent, detect, and correct violations of federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the Food, Drug, and Cosmetic Act ("FDCA"), 21 U.S.C. § 301 *et seq.* and FDA requirements. These policies and procedures shall be designed to ensure that the Company complies with, among other things, the FDCA's prohibitions against causing the introduction into interstate commerce of a drug that is misbranded or otherwise violates the FDCA.

5. *Compliance Officer.* Prior to the effective date of the Non-Prosecution Agreement, the Company established the position of Chief Compliance Officer ("Compliance Officer") and appointed an individual to serve in the role on an interim basis until such time as the Company can fill the role on a permanent basis. The Company shall maintain a Compliance Officer for the Term. During the Term, the Compliance Officer shall be authorized to oversee compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA, FDA requirements, and the requirements of the Corporate

Compliance Program Agreement. The Compliance Officer is, and shall continue to be, responsible for developing and implementing policies, procedures and practices designed to address compliance with the requirements set forth in this Corporate Compliance Program Agreement, with federal and state statutes and/or regulations concerning federal prescription drug distribution and FDA requirements. The Compliance Officer shall be a member of senior management of the Company, and shall report directly to the Chief Executive Officer of the Company. The Compliance Officer shall make periodic (at least quarterly) reports regarding compliance matters directly to the Patterson Company's Board of Directors (hereinafter the "Board") or any authorized committee thereof, and shall be authorized to report on such matters to the Board at any time. The Compliance Officer shall not be subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by the Company as well as for any obligations created under the Corporate Compliance Program Agreement. Any non-compliance job responsibilities of the Compliance Officer must not interfere with the Compliance Officer's ability to perform the duties outlined in the Corporate Compliance Program Agreement.

6. *Compliance Committee.* Prior to the effective date of the Non-Prosecution Agreement, the Company formed a Compliance Committee (hereafter "Compliance Committee") which, in conjunction with the Compliance Officer, assists in the implementation and enhancement of the compliance program. The Company shall maintain the Compliance Committee for the Term. The Compliance Committee shall include, at a minimum, the Compliance Officer and other members of senior management necessary to meet the requirements of the Corporate Compliance Program Agreement (e.g., senior executives of relevant departments, such as legal, regulatory, audit, human resources, and operations.) The Compliance Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of the Company's risk areas and shall oversee monitoring of internal and external compliance-related audits and investigations). The Compliance Committee shall meet at least quarterly.

7. *Board of Directors Compliance Obligations.* Prior to the effective date of the Non-Prosecution Agreement, the Board formed a committee responsible for overseeing the Company's compliance program ("Board Committee"). The Company shall maintain the Board Committee for the Term. The Board Committee shall consist of no less than three (3) non-employee directors, including at least one (1) member of the Special Investigation Committee formed in response to the USAO-WDVA investigation for a minimum of twelve (12) months from the date of this Non-Prosecution Agreement. The Board Committee shall oversee the Company's compliance program, including at a minimum:

- a. the Company's obligations under the Corporate Compliance Program Agreement
- b. receiving updates about adoption and implementation of policies, procedures and practices designed to ensure compliance with the FDCA and FDA requirements, and
- c. evaluating the effectiveness of the compliance program.

8. The Company shall continue to evaluate its current business to ensure that it is not currently receiving, distributing or handling misbranded or unapproved federal prescription drugs. Should the Company find it is receiving, distributing, or handling misbranded or unapproved federal prescription drugs, it shall take necessary steps to remediate any such conduct.

9. The Company shall continue to enhance its current training program to ensure that pertinent employees are familiar with the requirements of the FDCA and FDA requirements that could potentially apply to the Company's conduct.

10. The Company will put in place processes to (a) encourage employees to report suspected non-compliant activities by the Company, customers, or others and to (b) acknowledge or otherwise recognize employees for reporting confirmed non-compliant activity, as appropriate.

11. The Company will maintain, or as necessary establish, policies and procedures designed to ensure effective investigation of any complaints and/or potential deficiencies relating to compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA and FDA requirements. Such policies and procedures shall include, but are not limited to:

a. Training and providing guidance to all pertinent employees as to the requirement to report all information regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to the Compliance Officer, who in turn will review and determine whether corrective actions are required; and

b. Tracking allegations and remediation action plans regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to identify issues that may require corrective actions.

12. Within 60 days of the end of the Company's fiscal year, the Company's Chief Executive Officer will certify, under oath, to (a) the United States Attorney's Office during the Term and (b) the United States Probation Office for any period during which Animal Health International, Inc. is on probation, that (1) the Company fully complied with all federal laws and regulations pursuant to the Food, Drug, and Cosmetic Act ("FDCA") in the preceding year (or, in the instance of the first such certification, the period from execution of the Non-Prosecution Agreement through the end of the Company's fiscal year 2020), or in the alternative, (2) list all non-compliant activity and the steps taken by the company to remedy such non-compliant activity. Any listing of non-compliant activity shall not be considered by the government or the Probation Officer as a *per se* violation of the terms of probation or the Non-Prosecution Agreement. Instead, other factors will be taken into account, including whether the conduct violated policies the Company has adopted, whether the Company provided training addressing the subject matter of the reported conduct, whether it was an isolated or systemic occurrence, the Company's response, and any remedial actions taken after the Company learned of the conduct reported.

Non-Compliance

13. The Corporate Compliance Program Agreement is part of the Non-Prosecution Agreement and adherence to it will be an enforceable condition. Deliberate, intentional or knowing failure to comply with any part of the Corporate Compliance Program Agreement is a violation of the Non-Prosecution Agreement.

To Whom It May Concern,

Exel Inc. d/b/a DHL Supply Chain (USA) ("DHL") submits this correspondence in connection with its Initial application and as the detailed explanation required when the question pertaining to disciplinary action is answered "Yes."

Exel Inc. d/b/a DHL Supply Chain (USA) ("DHL") is a part of Deutsche Post DHL Group, the world's leading contract logistics provider, and has tens of thousands of employees across North America. At any given time, DHL is a named defendant in civil matters, including employment cases. Based on knowledge and belief of the respondent completing this application after reasonable inquiry, DHL is not involved in any pending criminal proceedings. Nor is DHL part of any pending malpractice claims, civil claims, or lawsuits in connection with drugs/devices.

Attached are notices from the State Board for the following items:

1. April 12, 2023: DHL received a notice from the California State Board of Pharmacy indicating that the Board issued a fine against DHL for its failure to notify the Board of a change in its Designated Representative. Please note that the issuance of a fine by the Board is not considered a disciplinary action or reportable and the fine was paid in full within the allotted time.
2. November 30, 2023: The Alabama Board of Pharmacy issued a complaint alleging that DHL's renewal applications failed to disclose a Stipulation and Final Agency Order DHL received from the Colorado Board of Pharmacy in 2019. The Colorado Board of Pharmacy's Stipulation and Final Agency Order alleged DHL had provided a late notice of change in its Designated Representative. Upon further review, it was discovered that DHL had made the proper disclosure to the Alabama Board of Pharmacy and the parties entered into a Deferral Agreement which is not considered a discipline.

DHL timely responded to all notices and has not received any response from the applicable Boards.

Please be assured that DHL takes these matters very seriously and has implemented corrective actions to prevent similar issues from occurring in the future. If you have any concerns regarding the matters set forth in this notice, please do not hesitate to contact DHL Regulatory Affairs at regulatory@dhl.com.

Respectfully,

Respondent Outlet acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under section 12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of Respondent Outlet's registration. The pendency of any suspension

or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Outlet to comply with all terms and conditions of this Final Agency Order.

14. Integration and Severability. Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. B. The parties hereto desire to provide certain agreements governing the business and affairs of the Company.

AGREEMENTS

1. **Name.** The name of the Company is Excelsior Medical, LLC; provided that the Manager may, from time to time, change the name of the Company to any name permitted by the Illinois Limited Liability Company Act, as the same may be amended from time to time (the "Act").

The name and address of the Company's registered agent is Richard M. Horwood, 500 W. Madison Street, Suite 3700, Chicago, Illinois 60661. The Manager may, from time to time, change the location of the Company's principal office, the location of the registered office and the name of the registered agent of the Company.

3. **Term.** The term of the Company commenced as of the filing of Articles of Organization with the Secretary of State of Illinois on September 1, 2015, and shall be perpetual, unless the Company is earlier dissolved in accordance with the provisions of this Agreement. The filing of the Articles of Organization of the Company by Kenneth A. Goldstein as an authorized person is hereby ratified, confirmed, and approved.

4. **Business of the Company.** The business of the Company shall be to engage in any lawful businesses and activities for which limited liability companies may be organized under the Act.

5. **Ownership.** As of the date hereof, the Manager owns all of the limited liability company interests in the Company. The Manager may transfer all or any portion of the limited liability company interests in the Company, and, unless the transfer document expressly provides otherwise, such assignee or transferee shall automatically be admitted as a member of the Company.

6. Distributions and Holding of Assets. The Manager may make distributions of the Company's assets to the Manager at any time and from time to time, upon dissolution and liquidation of the Company or otherwise. The Company's assets may be held in such accounts as are designated by the Manager from time to time, which accounts may also hold assets of other affiliates of the Company or the Manager for purposes of consolidating cash management or otherwise. The holding of Company assets in accounts that also hold assets of other affiliates of the Company or the Manager shall not change their character as assets of the Company.

7. Manager-Managed. The business and affairs of the Company shall be managed exclusively by the Manager. The Manager shall have full and complete authority, power and discretion to direct, manage and control the business, affairs and properties of the Company. Only the Manager, and those officers and agents of the Company authorized by the Manager, shall have the authority to bind the Company.

8. Powers and Authority of the Manager. Without limiting the generality of Paragraph 7, all decisions relating to the management and control of the conduct of the business of the Company and its affairs shall be made by the Manager, including, but not limited to, decisions relating to any of the following: (i) the selection of representatives of the Company to serve on the management, supervisory or other governing boards or bodies of any company or other organization in which the Company owns an interest; (ii) the hiring and termination of employees of the Company; (iii) distributions to the Manager as a member of the Company; (iv) the opening of bank accounts, the making of loans to any third party, the incurrence or refinancing of indebtedness of the Company, and the encumbering of Company property; (v) the selection of attorneys, accountants, appraisers and agents; and (vi) the entry into or performance of, on behalf of the Company, all other contracts, agreements and other undertakings and the taking of any other action as may be necessary or advisable in the judgment of the Manager or incident to carrying out the business of the Company. Any contract, agreement, instrument or other document to which the Company is a party and which is duly authorized by the Manager may be signed by the Manager or an authorized officer of the Company, and no other signatures shall be required.

9. Compensation to Manager. The Manager shall be reimbursed for all reasonable expenses incurred in managing the Company and shall be entitled to reasonable compensation for all services rendered on behalf of the Company.

10. Officers. The Manager, in the Manager's sole discretion, may appoint such officers and agents as it shall deem necessary, who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Manager.

11. No Exclusive Duty to the Company. The Manager shall not be required to manage the Company as its sole and exclusive business, and the Manager may have other business interests and engage in other activities in addition to those relating to the Company. The creation of the Company and the assumption by the Manager of its duties hereunder shall be without prejudice to the rights of the Manager and its affiliates to maintain such other interests and activities, and to receive and enjoy profits or compensation from such other interests and activities.

12. Conflicts of Interest. The Manager shall be entitled to enter into transactions that may be considered competitive with, or a business opportunity that may be beneficial to, the Company. The Manager may enter into transactions similar to transactions into which the Company may enter. The Manager may lend money to, or transact business with, the Company, in which case its rights and obligations shall be the same as a person who is not a member, subject to applicable law. No transaction shall be voidable solely because the Manager has a direct or indirect interest in the transaction.

13. Indemnification and Exculpation. The Company (to the extent of all of its assets and without any obligation on the part of any member to contribute funds to the Company, but subject to any lien or security interests held by any person) shall indemnify the Manager and hold the Manager harmless from any loss or damage incurred by the Manager by reason of any act performed by the Manager for and on behalf of the Company and in furtherance of the Company's interest, provided such act or acts were done in good faith and without malfeasance, gross negligence or willful misconduct on the part of the Manager. Except as otherwise expressly and specifically provided herein, a Manager shall have no obligation or liability to any member or, except as otherwise expressly provided by the Act, to any other person or entity, in such Manager's capacity as a Manager.

14. Dissolution. The Company shall be dissolved at the written direction of the Manager.

15. Inconsistencies. In the event of any inconsistency between this Agreement and the Act, to the extent permitted by applicable law, the terms of this Agreement shall govern.

16. Applications of Illinois Law. This Agreement and its interpretation shall be governed exclusively by its terms and by the laws of the State of Illinois (without respect to its conflict of laws principles).

**SETTLEMENT AGREEMENT BETWEEN STATE BOARD OF
PHARMACY AND MEDLINE INDUSTRIES, INC.**

Come now Medline Industries, Inc. ("Respondent") and the Missouri Board of Pharmacy ("Board" or "Petitioner") and enter into this Settlement Agreement for the purpose of resolving the question of whether Respondent's license as a drug distributor will be subject to discipline.

Pursuant to the terms of § 536.060, RSMo (2000), the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri and, additionally, the right to a disciplinary hearing before the Board under § 621.110, RSMo (2000), and stipulate and agree that a final disposition of this matter may be effectuated as described below.

Respondent acknowledges that it understands the various rights and privileges afforded it by law, including the right to a hearing of the charges against it; the right to appear and be represented by legal counsel; the right to have all charges against it proved upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against it; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against it and, subsequently, the right to a disciplinary hearing before the Board at which time it may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against its license. Being aware of these rights provided it by operation of law, Respondent knowingly and voluntarily waives each and every one of these rights and freely enters into this Settlement Agreement and agrees to abide by the terms of this document, as they pertain to it.

Respondent acknowledges that it has received a copy of the draft complaint to be filed with the Board, the investigative report, and other documents relied upon by the Board in determining there was cause for discipline against Respondent's license. For the purpose of settling this dispute, Respondent stipulates that the factual allegations contained in this

Settlement Agreement are true and stipulates with the Board that Respondent's temporary license as a drug distributor, License Number DD2003031660, is subject to disciplinary action by the Board in accordance with the provisions of Chapter 621 and Chapter 338, RSMo 2000. The parties agree that this Settlement Agreement and any statements contained herein may not be used for or constitute an admission for any purposes other than to settle the disputes between the parties.

On or about September 3, 1997, the Board received a written response dated August 27, 1997, from Lara Simmons, Respondent's Director of Regulatory Affairs, explaining that a temperature and humidity monitoring device was being purchased and the temperature and humidity will be recorded daily during days of operation.

8. Ms. Simmons indicated that she anticipated the temperature and humidity monitoring device would be in place and the recordkeeping started by the first of September, 1997.

9. On or about July 31, 1998, Inspector Tom Glenski conducted an inspection at the facility located at 1250 N. Southern, Kansas City, Missouri.

26. Inspector Van Fleet's digital thermometer registered a range from 89.1 degrees in one area where Respondent stored bulk prescription hydrating/electrolyte solutions to as high as 94.5 degrees in Respondent's over the counter storage area, but Respondent's temperature log records a temperature of 89 degrees for this date.

27. Inspector Van Fleet presented at the 4700 Deramus facility on March 2, 2004 for the purpose of conducting a new facility inspection.

(B) if it is a drug and the methods used in, or the facilities or controls used for, its manufacture, processing, packing, or holding do not conform to or are not operated or administered in conformity with current good manufacturing practice to assure that such drug meets the requirements of this chapter as to the safety and has the identity and strength, and meets the quality and purity characteristics, which it purports or is represented to possess . . .

38. Respondent's failure to maintain a facility where temperature is controlled and humidity is maintained is in violation of 4 CSR 220-5.030(3)(B) which states in pertinent parts:

(3) Minimum standards of practice for drug distributors shall include the following:

(B) The temperature of the facility where drugs are stored must be maintained within temperature requirements as provided for by the manufacturer or the latest edition of the *United States Pharmacopeia* (USP). Appropriate manual, electromechanical, or electronic temperature and humidity recording equipment, devices, logs, or all of these, shall be utilized to document proper storage of prescription drugs.

(C) Appropriate housekeeping, sanitation, lighting, ventilation and humidity of all areas where drugs are stored must be maintained.

39. On or about April 16, 1997, Inspector Winch attempted an inspection at the facility located at 1691 N. Topping, Kansas City, Missouri and observed that Respondent had changed locations without notifying the Board.

40. Respondent's failure to timely notify the Board of its change of location and continue its operation as a wholesale drug distributor is in violation of 4 CSR 220-5.020(6) which states:

(6) If an individual or business entity operating a drug distributor facility changes the location of the facility either within the existing facility (structure) or to a new facility (structure), the facility shall not open for business at the new location until the board, its duly authorized agent or the Food and Drug Administration has inspected the premises of the new location and approved it and the facility has been in compliance with all state and federal drug laws pertaining to drug distribution. Upon the approval and receipt of a change of location fee, the board shall issue a permit authorizing operation of a facility at the new location and the permit shall bear the same number as the previous license. However, the license remains valid if the facility address changes, but not the location, and an amended license will be issued without charge under these circumstances.

41. On or about August 8, 1997, Inspector Glenski conducted an inspection at the facility.

42. The inspector noted on the Drug Distributor Inspection Observation Report that Respondent needed a complete policy and procedure manual.

47. Respondent failed to renew its license by the renewal deadline of November 30, 2003.

48. Respondent's license became null and void on November 30, 2003.

49. The Board received a new application from Respondent on or about December 16, 2003.

57. Respondent continued to distribute prescription only product while its license was expired.

58. Respondent's failure to renew its license by the renewal deadline of November 30, 2003 and to continue to distribute prescription only product while its license was expired is in violation of Section 338.333.1, RSMo (2000) states in pertinent part:

1. No person or distribution outlet shall act as a wholesale drug distributor or pharmacy distributor without first obtaining license to do so from the Missouri board of pharmacy and paying the required fee. . . . No license shall be issued or renewed for a wholesale drug distributor or pharmacy distributor to operate unless the same shall be operated in a manner prescribed by law and according to the rules and regulations promulgated by the board of pharmacy with respect thereto. Separate licenses shall be required for each distribution site owned or operated by a wholesale drug distributor or pharmacy distributor.

59. Respondent's opening for business its operation as a wholesale drug distributor in a new location prior to inspection and approval of the Board is in violation of 4 CSR 220-5.020(6) which states:

(6) If an individual or business entity operating a drug distributor facility changes the location of the facility either within the existing facility (structure) or to a new facility (structure), the facility shall not open for business at the new location until the board, its duly authorized agent or the Food and Drug Administration has inspected the premises of the new location and approved it and the facility has been in compliance with all state and federal drug laws pertaining to drug distribution. 61. Cause exists to discipline Respondent's license as a drug distributor pursuant to the

provisions of § 338.055, RSMo (Supp. 2002) which provides in pertinent part:

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any certificate of registration or authority, permit or license required by this chapter or any person who has failed to renew or has surrendered his certificate of registration or authority, permit or license for any one or any combination of the following causes:

A. Respondent shall report to the Board, on a preprinted form supplied by the Board office, once every six (6) months, beginning six (6) months after this Order/Agreement becomes effective, stating truthfully whether or not it has complied with all terms and conditions of this disciplinary order.

B. Respondent shall pay all required fees for licensing to the Board and shall renew its license prior to October 31 for each licensing year.

C. Respondent shall comply with all provisions of Chapter 338, Chapter 195, and all applicable federal and state drug laws, rules and regulations and with all federal and state criminal laws. "State" here includes the State of Missouri and all other states and territories of the United States.

If any alleged violation of this Settlement Agreement occurred during the disciplinary period, the Board may choose to conduct a hearing before it either during the disciplinary period, or as soon thereafter as a hearing can be held to determine whether a violation occurred and, if so, it may impose further discipline. The Board retains jurisdiction to hold a hearing to determine if a violation of this Settlement Agreement has occurred.

CERTIFIED MAIL/RETURN RECEIPT REQUESTED

December 7, 2006

Andrew Stolarski
Vice President of Operations
Medline Industries, Inc.
9101 Riverside Parkway
Lithia Springs, GA 30122

RE: Prescription Drug Wholesaler Permit No. 23:01470

Dear Mr. Stolarski:

This letter serves as notification that the department intends to suspend permit no. 23:01470 issued to Medline Industries, Inc. as an Out of State Prescription Drug Wholesaler based upon the following facts, grounds and considerations:

Section 499.067(1)(a), Florida Statutes (F.S.), authorizes the department to deny, suspend, or revoke a permit if it finds that there has been substantial failure to comply with § 499.001-499.081, F.S., or Chapter 465, Chapter 501, or Chapter 893, the rules adopted under any of those sections or chapters, any final order of the department, or applicable federal laws or regulations or other state laws or rules governing drugs, devices, or cosmetics. The department may also suspend a permit if the applicant has not met the requirements for the permit.

Pursuant to s. 499.012(11)(a), F.S., each establishment that is issued an initial or renewal permit as a prescription drug wholesaler or an out-of-state prescription drug wholesaler must designate in writing to the department at least one natural person to serve as the designated representative of the wholesaler. Such person must have an active certification as a designated representative from the department and must also meet the requirements of Section 499.012 (11) (d) F.S.

Pursuant to s. 499.012(11)(f), F.S., a wholesale distributor may not operate under a prescription drug wholesaler permit or an out-of-state prescription drug wholesaler permit for more than 10 business days after the designated representative leaves the employ of the wholesale distributor, unless the wholesale distributor employs another designated representative and notifies the department within 10 business days of the identity of the new designated representative. Mr. David L. Magruder, the designated representative identified for permit no. 23:01470 has resigned his position. We have not received a "Notification of Designated Representative" form identifying a certified individual to replace him. As a result Medline Industries, Inc. does not have a designated representative as required by s. 499.012(11), F.S.

Pursuant to s. 499.012(11)(b)4., F.S., to be certified as a designated representative, a person must receive a passing score of at least 75 percent on an examination given by the department regarding federal laws governing distribution of prescription drugs and ss. 499.001-499.081 and the rules adopted by the department governing the wholesale distribution of prescription drugs.

Accordingly, and pursuant to the above referenced facts and law, the department hereby intends to suspend permit no. 23:01470 issued to Medline Industries, Inc. as an Out of State Prescription Drug Wholesaler because you have not complied with s. 499.012(11)(f), F.S. and otherwise do not have a designated certified representative on file with the Department that meets the requirements of Section 499.012 (11) F.S. which is a substantial failure to comply with ss. 499.001 – 499.081, F.S. and is a failure to meet the requirements for the permit, for which the suspension is authorized pursuant to Sections 499.067 (1) (a); 499.067 (1) (b) 2. F.S.

Therefore, the department concludes that Medline Industries, Inc. no longer meets the requirements to continue to operate as an Out of State Prescription Drug Wholesaler in Florida and the permit will be suspended until you have designated in writing to the department a person with an active certification to serve as a designated representative who meets the requirements of Section 499.012 (11) F.S.

NOTICE OF RIGHTS TO HEARING AND APPEAL

You have the right to request an administrative hearing pursuant to sections 120.569 and 120.57, F.S., if you wish to challenge the intended agency action to suspend your permit. Such proceedings are governed by sections 120.569 and 120.57, F.S., and Rules 28-106 and 28-107, Florida Administrative Code. Request for a hearing, formal or informal, must comply with Rule 28-107.004, Florida Administrative Code.

You have the right to be represented by counsel or other qualified representative, at your expense; to present evidence and argument; to call and cross-examine witnesses; and to have subpoena and subpoena duces tecum issued on your behalf if a hearing is requested.

A petition for administrative hearing must be in writing and must be received by the Agency Clerk for the Department, within twenty-one (21) days from the receipt of this complaint. The address of the Agency Clerk is 4052 Bald Cypress Way, BIN # A02, Tallahassee FL 32399-1703. The Agency Clerk's facsimile number is 850-410-1448.

Mediation is not available as an alternative remedy.

Your failure to submit a petition for hearing within 21 days from receipt of this complaint will constitute a waiver of your right to an administrative hearing, under Florida Administrative Code Rule 28-106.111 and this complaint shall become a "final order".

December 7, 2006

Should this correspondence become a final order, a party who is adversely affected by it is entitled to judicial review pursuant to s 120.68, F.S. Review proceedings are governed by the Florida Rules of Appellate Procedure. Such proceedings may be commenced by filing one copy of a Notice of Appeal with the Agency Clerk of the Department of Health and a second copy, accompanied by the filing fees required by law, with the Court of Appeal in the appropriate District Court. The notice must be filed within 30 days of rendition of the final order.

NO. 2008006

In review of evidence presented to the Louisiana Board of Wholesale Drug Distributors (the "Board") addressing specific violation(s) of the Louisiana Revised Statutes and Louisiana Administrative Codes for Wholesale Drug Distributors by MEDLINE INDUSTRIES, INC., Covington LA facility (the "Respondent", "Licensee"), acting herein by its authorized agent, to-wit: "Copies of current licenses for customers who are authorized by law or regulation to procure or possess drugs or devices shall be maintained for all customers that are shipped or sold drugs or devices. If customer licenses are maintained off site, a list of customer names, addresses, licenses numbers, and license expiration dates shall be maintained for all customers that are shipped or sold drugs or devices.", La. R.S. Title 37, Chapter 54, Section 3467, and LAC Title 46, Part XCI, Section 311.D and "violating provisions of the Louisiana Revised Statutes and Louisiana Administrative Codes for Wholesale Drug Distributors", La. R.S. Title 37, Chapter 54, Section 3474.1 and LAC Title 46, Part XCI, Section 101.

Upon consideration of the evidence presented to the Board, this Consent Order is voluntarily entered into by and between Respondent and the Board. Respondent acting through its authorized agent, hereby waives formal Notice of and its attendance at the Evidentiary Hearing for presentation of the Consent Order to the Board. However, as a condition precedent to submission of the proposed Consent Order to the Board, Respondent hereby acknowledges and understands that information may be presented to the Board with regards to the details of the case for the Board to understand the circumstances. It is further acknowledged and understood by Respondent that in the event the Board is not agreeable to enter into the proposed Consent Order and an Administrative Hearing is ultimately conducted, the Board which will be presiding over the case will possibly have heard information which may later be submitted at the scheduled hearing. If such hearing occurs, Respondent waives any right that it may have to recuse or remove any or all members of the Board for the purposes of an Administrative Hearing in the event the proposed Consent Order is not accepted by the Board, or if Respondent withdraws his consent to the proposed Consent Order prior to its final approval by the Board. Furthermore, Respondent has had the opportunity to, or has in fact consulted with, legal counsel with regards to the Consent Order and the waivers contained herein.

FINDINGS OF FACTS

1. Respondent possesses Louisiana License No. 4318 issued by the Board to wholesale distribute legend drugs and devices in the State of Louisiana. Such license was in effect on 3/5/2008 through the date of the evidentiary hearing in this matter.

2. Pursuant to LAC 46:XCI.311.D, a licensee is required to maintain copies of current licenses for customer who are authorized by law or regulation to procure or possess legend drugs or devices for all customers that are shipped or sold legend drugs or devices; if these license copies are maintained off site, a list of customers with customer names, addresses, license number, and license expiration dates shall be maintained on site for all customers shipped or sold legend drugs or devices.
3. On 3/5/2008, an inspection was conducted by the Board's representative which revealed that copies of customer licenses were not at the Covington LA facility. A verbal request to provide a customer listing which should be maintained at the Covington LA facility was made. The customer license list was not available.
4. Information was thereafter submitted by Respondent to the Board's inspector as per the inspector's request. In review of a customer listing ("Pedigree List") as provided by the Respondent, the inspector requested copies of customer licenses for 15 of the customers listed. Verbal explanation was given was that customer licenses are verified and the customer is entered electronically into the system as an authorized recipient but that no hard copy of the customer license is being maintained.
5. Respondent's conduct in failing to maintain customer license documents and/or a customer listing at the Covington LA site is in violation of the Louisiana Revised Statutes and Louisiana Administrative Codes for Wholesale Drug Distributors, specifically LAC 46:XCI.311.D.
6. Disciplinary sanctions and/or fines are applicable against Respondent in accordance with the Louisiana Revised Statutes and Louisiana Administrative Codes for Wholesale Drug Distributors.

CONCLUSIONS OF LAW

1. It is unlawful for Respondent, as a licensee to wholesale distribute legend drugs and devices, to not maintain current customer license documents and/or a current customer listing on-site. LAC 46:XCI.311.D.
2. It is unlawful for Respondent, as a licensee to wholesale distribute legend drugs and devices, to violate any of the provisions of the Louisiana Revised Statutes and Louisiana Administrative Codes for Wholesale Drug Distributors. La. R.S. 37:3474.1 and LAC 46:XCI.101
3. Respondent's violations of the provisions of the Louisiana Revised Statutes and Louisiana Administrative Codes for Wholesale Drug Distributors constitute lawful grounds for the Louisiana Board of Wholesale Drug Distributors, upon due notice of hearing and proof of such violations, to assess a fine, revoke, suspend, or otherwise discipline Respondent's license as provided by law. La. R.S. 37:3474.1 and LAC 46:XCI.701 et seq.

DECISION

4. Respondent is hereby assessed a fine in the amount of \$2,000 for its failure to properly maintain copies of current licenses for customers shipped or sold legend drugs or devices and/or a customer listing on site. Said fine to be paid on the effective date of

this Consent Order. No practice restrictions are placed on Respondent's license issued by the Board.

5. The existence and terms of this Consent Order will not be confidential or privileged information in accordance with the laws regarding public records.
6. Respondent hereby releases the Board, its representative, and attorney from any obligations or liability in their endeavors to administer this Consent Order.
7. The effective date of this Consent Order shall be such date it is accepted by the Board.
8. Respondent, through its authorized agent, declares that, before signing this Consent Order, it has carefully read this document, and it knows and understands the contents thereof, it signs it as an act of its own free will, it understands its meaning and effect, it has been given the opportunity to consult with an attorney, it voluntarily waives all rights to formal notice and a formal public hearing, as well as its appearance at the proceedings, and it consents to this Consent Order.

THIS DONE AND PASSED, on the 1 date of May, 2008, at the City of Metairie, Parish/County of Iberville, Louisiana/Illinois, in the presence of the two undersigned competent witnesses, who hereunto sign their names with Appearer and me, Notary, after due reading of the whole.

RE: Louisiana License No. 4318
Administrative Docket No. 2008006

CERTIFIED MAIL
No. 1009 3020 ECCC 1431 0031
Return Receipt Requested

Dear Lara Simmons:

As you may recall, the Board is mandated by law to license and regulate the wholesale distribution of legend drugs and devices in Louisiana in accordance with the Louisiana Revised Statutes and Louisiana Administrative Codes for wholesale drug distributors. This letter will acknowledge receipt of your response dated 4/3/2008. This letter is also intended to respond to any inquiries you may have regarding the deficiencies found during the inspection which occurred on 3/5/2008 at MEDLINE INDUSTRIES, INC.'s Covington LA distribution facility.

Pursuant to the Louisiana Revised Statutes and Louisiana Administrative Codes, specifically LAC 46:XCL311.D, a licensee should maintain copies of current licenses which authorizes a customer to procure and possess legend drugs and devices. If these customer licenses are maintained off-site, a list of customers including customer names, addresses, license number, and the license expiration dates shall be maintained for all customers that are shipped or sold drugs or devices.

On 3/5/2008, the Board's inspector discovered that copies of customer licenses which authorize the customer to procure and possess legend drugs/devices or a listing of customers' license information were not being maintained at the Covington LA facility.

A verbal request was made by the inspector of a customer list which should have been maintained at the Covington LA facility. After receiving and reviewing a copy of the customer list, as referred to by Medline as their "Pedigree List", the inspector requested copies of 30 customer licenses from the listing. Of the requested customer license copies, the inspector found that 70% of the licenses requested were either not acceptable licenses or were not available.

It is evident that MEDLINE INDUSTRIES, INC. was in violation of LAC 46:XCL311.D at the time of the inspection on 3/5/2008. The Louisiana Revised Statutes and Louisiana Administrative Codes for wholesale drug distributors, more particularly LA RS 37:3474.1, provides that, after due notice and hearing, MEDLINE INDUSTRIES, INC.'s license may be sanctioned and/or it may be assessed a fine for its actions or omissions. Fines alone may include an assessment of \$1,000 per violation

per day. It is the Board's objective to regulate the industry by correcting behavior. Such is accomplished by imposing sanctions for wrongful conduct.

It is hoped that the above detailed violation(s) as corrected will not occur in the future. Therefore, in an effort to amicably resolve the issues regarding the violation(s) which did occur, I, as the Board's appointed investigating/compliance officer, extend an offer to you which would impose a total fine of \$2,000. This proposed sanction does not impose any restrictions on MEDLINE INDUSTRIES, INC.'s license.

If MEDLINE INDUSTRIES, INC. is agreeable to these terms, I have enclosed a Consent Order for your review and execution. Please have an authorized representative for your company sign the Consent Order in front of a Notary and two witnesses. Return the original, executed Consent Order along with a check made to the Louisiana Board of Wholesale Drug Distributors in the amount of the \$2,000 fine to the Board's office within fifteen (15) days of receipt of this letter. You and/or a company representative will not be required to attend the evidentiary hearing at which the executed Consent Order will be presented to the full Board for acceptance, however, you and/or another representative are welcome to attend.

In the event MEDLINE INDUSTRIES, INC. is not agreeable to this amicable resolution and wishes to contest the investigative findings in a hearing before the full Board, it has the right to do so. If such occurs, the current offer being proposed in this letter will no longer be viable.

We would like to bring this matter to disposition either by this amicable resolution or the pursuit of a formal hearing against MEDLINE INDUSTRIES, INC. before the Board at the next scheduled Board meeting. To do so, either way, we will need to prepare the necessary paperwork with all resolution documents. Again, please respond to this offer either by returning the executed Consent Order and fine payment or by written request for an administrative hearing. If your response is not received at the Board office within fifteen (15) days of receipt of this letter, the Board will begin steps towards the formal hearing with the issuance of subpoenas for witnesses and records.

We wish to keep an open line of communication with you. Please contact the Board office in the event you have any questions. Thank you for your cooperation in this matter.

Respectfully

Wayne Gremillion

Provide explanation below:

Medline Industries' license (#1116-045) was cited and fined by the Wisconsin Dept. of Regulation & Licensing during an inspection. Medline managed a portion of a Wisconsin hospital's warehouse. The inspector cited Medline for failure to have a dividing fence between the Medline managed portion of the facility and the hospital portion of the facility - even though all of the products were owned by the hospital. Medline was also cited for failure to access several policies and procedures during the inspection.

Corrections were made and the facility was re-inspected, to the satisfaction of the state.

Re: 08 PHM 037

Dear Ms. Hornick:

As you know, an inspector for the Department of Regulation and Licensing inspected Medline Industries on May 9, 2008. He found that several policies were missing, and the facility was storing prescription drugs in a non-secure location. It has been determined that these violations are grounds for discipline. I am the prosecuting attorney assigned to the case.

I have enclosed a proposed stipulation and order, which would resolve this matter without a hearing. If you are willing to resolve this case by agreement, please sign and return the stipulation and order by **December 9, 2008**. I will then present it to the Pharmacy Examining Board at its next meeting. The stipulation and order is not binding unless and until it is accepted by the board.

If you do not return the signed stipulation and order by December 9, 2008, I will file a formal complaint and initiate the hearing process. Please be aware that it is the policy of the Department to assess costs against respondents whenever any discipline is imposed. Your costs are presently \$100. If we have to take this matter through a hearing, they will escalate quickly and could reach several thousand dollars.

Please call if you have any questions.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jeanette Lytle".

Petitioner, DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS'
REGULATED INDUSTRIES COMPLAINTS OFFICE (hereinafter "RICO" or "Petitioner"),
through its undersigned attorneys, and Respondent MEDLINE INDUSTRIES INC. (hereinafter
"Respondent"), enter into this Settlement Agreement on the terms and conditions set forth
below.

A. UNCONTESTED FACTS

1. At all relevant times herein, Respondent was licensed by the Board of Pharmacy
(hereinafter the "Board") as a wholesale prescription drug distributor under License Number
PWD 115. The license was issued on or about October 3, 2005. The license will expire on or
about December 31, 2009.

I HEREBY CERTIFY THAT THE ATTACHED
IS A TRUE AND CORRECT COPY OF THE
ORIGINAL ON FILE IN THE DEPARTMENT
OF COMMERCE & CONSUMER AFFAIRS.

[Signature]

2. Respondent's mailing address for purposes of this action is Dianna Wolfe, Corporate Regulatory Affairs Specialist, Medline Industries, Inc., One Medline Place, Mundelein, Illinois 60060.

3. Respondent timely reported that disciplinary action had been taken against Respondent by the State of Wisconsin. Respondent had entered into a Stipulation with the State of Wisconsin's Pharmacy Examining Board. Pursuant to the terms of a Final Order, Respondent was reprimanded and ordered to pay a forfeiture in the amount of \$2,000.00. This action was based on the results of an inspection which revealed that certain policies were missing and that Respondent was storing pre-packaged kits for surgeries (which included various types and quantities of prescription drugs) in a warehouse that was shared with another company. These kits were not secured and employees of the other company had access to the kits. A true and correct copy of the Stipulation and Final Decision and Order which was approved on February 4, 2009 is attached as Exhibit "1."

4. RICO alleges that Respondent was disciplined by another state for a reason provided by the licensing laws in Hawaii. Specifically, the Respondent was disciplined for professional misconduct.

5. The foregoing allegations, if proven at an administrative hearing before the Board, would constitute violations of the following statute(s) and/or rule(s): Hawaii Revised Statutes ("HRS") § 436B-19(13) (disciplinary action by another state) and § 461-21(a)(2) (professional misconduct). Per Hawaii Administrative Rules §§ 16-95-30(c)(6) and (9), a licensee's facility must be secure from unauthorized entry and entry into areas where prescription drugs are held must be limited to authorized personnel.

6. The Board has jurisdiction over the subject matter herein and over the parties hereto.

B. REPRESENTATIONS BY RESPONDENT:

1. Respondent is fully aware that Respondent has the right to be represented by an attorney and voluntarily waives that right.

2. Respondent enters into this Settlement Agreement freely, knowingly, voluntarily, and under no coercion or duress.

3. Respondent is aware of the right to have a hearing to adjudicate the issues in the case. Pursuant to HRS § 91-9(d), Respondent freely, knowingly, and voluntarily waives the right to a hearing and agrees to dispose of this case in accordance with the terms and conditions of this Settlement Agreement.

4. Respondent being at all times relevant herein licensed as a wholesale prescription drug distributor by the Board acknowledges that Respondent is subject to penalties including but not limited to, revocation, suspension or limitation of the license and administrative fines, if the foregoing allegations are proven at hearing.

5. Respondent does not admit to violating any law or rule, but acknowledges that RICO has sufficient cause to file a Petition for Disciplinary Action against Respondent's license.

6. Respondent enters into this Settlement Agreement as a compromise of the claims and to conserve on the expenses of proceeding with an administrative hearing on this matter.

7. Respondent agrees that this Settlement Agreement is intended to resolve the issues raised in RICO's investigation in RICO Case No. PHA 2009-7-L.

C. TERMS OF SETTLEMENT:

1. Administrative fine. Respondent agrees to pay a fine in the amount of ONE THOUSAND AND NO/100 DOLLARS (\$1,000.00). Payment shall be made by **cashier's check, company check, or money order made payable to "DCCA - Compliance Resolution Fund"** and mailed to the Regulated Industries Complaints Office, Attn: Bobbi Lum-Mew, Esq., 235 S. Beretania Street, 9th Floor, Honolulu, Hawaii 96813. Payment of the fine shall be due within thirty (30) days after this Settlement Agreement is approved by the Board.
2. Failure to Comply with Settlement Agreement. If Respondent fails to fully and timely comply with the terms of this Settlement Agreement as set forth in paragraph C.1 above, Respondent's license shall be automatically revoked upon RICO's filing of an affidavit with the Board attesting to such failure. In case of such revocation, Respondent shall turn in all indicia of the license to the Executive Officer of the Board within ten (10) days after receipt of notice of the revocation. In case of such revocation, Respondent understands Respondent cannot apply for a new license until the expiration of at least five (5) years after the effective date of the revocation. Respondent understands that if Respondent desires to become licensed again, Respondent must apply to the Board for a new license pursuant to and subject to HRS §§ 92-17, 436B-21, and all other applicable laws and rules in effect at the time.
3. Possible further sanction. The Board, at its discretion, may pursue additional disciplinary action as provided by law to include further fines and other sanctions as the Board may deem appropriate if Respondent violates any provision of the statutes or rules governing the conduct of wholesale prescription drug distributors in the State of Hawaii, or if Respondent fails to abide by the terms of this Settlement Agreement.

4. Approval of the Board. Respondent agrees that, except for the representations, agreements and covenants contained in Paragraphs C.5, C.6, C.7 and C.8 below, this Settlement Agreement shall not be binding on any of the parties unless and until it is approved by the Board.

5. No Objection if Board Fails to Approve. If the Board does not approve this Settlement Agreement, does not issue an order pursuant thereto, or does not approve a lesser remedy, but instead an administrative hearing is conducted against Respondent in the Board's usual and customary fashion pursuant to the Administrative Procedure Act, Respondent agrees that neither Respondent nor any attorney that Respondent may retain, will raise as an objection in any administrative proceeding or in any judicial action, to the Board's proceeding against Respondent on the basis that the Board has become disqualified to consider the case because of its review and consideration of this Settlement Agreement.

6. Any Ambiguities Shall be Construed to Protect the Consuming Public. It is agreed that any ambiguity in this Settlement Agreement is to be read in the manner that most completely protects the interests of the consuming public.

7. No Reliance on Representations by RICO. Other than the matters specifically stated in this Settlement Agreement, neither RICO nor anyone acting on its behalf has made any representation of fact, opinion or promise to Respondent to induce entry into this Settlement Agreement, and Respondent is not relying upon any statement, representation or opinion or promise made by RICO or any of its agents, employees, representatives or attorneys concerning the nature, extent or duration of exposure to legal liability arising from the subject matter of this Settlement Agreement or concerning any other matter.

8. Complete Agreement. This Settlement Agreement is a complete settlement of the rights, responsibilities and liabilities of the parties hereto with respect to the subject matter hereof; contains the entire agreement of the parties; and may only be modified, changed or amended by written instrument duly executed by all parties hereto.

IN WITNESS WHEREOF, the parties have signed this Settlement Agreement on the date(s) set forth below.

Case No. 2010-002994

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE LICENSE TO PRACTICE AS A OUT-OF-STATE WHOLESALER IN THE STATE OF COLORADO OF MEDLINE INDUSTRIES, INC.,

Wholesaler Applicant.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Medline Industries, Inc. ("Wholesaler Applicant") to resolve all matters pertaining to Board Case Number 2010-002994 as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Wholesaler Applicant, its application for registration as an out-of-state wholesaler and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the provisions of the Pharmaceuticals and Pharmacists Act at Title 12, Article 22, C.R.S.
2. Wholesaler Applicant admits these findings and hereby waives any further proof in this proceeding before the Board regarding the following facts.
3. Wholesaler Applicant entered into a Settlement Agreement with the Missouri State Board of Pharmacy, which was effective on August 3, 2005 ("Missouri Settlement Agreement").
4. In the Missouri Settlement Agreement, Wholesaler Applicant was placed on probation for five (5) years for various violations of Missouri state and federal law involving recordkeeping, storage of prescription drugs, change of location without informing the Missouri Board of Pharmacy, lack of a policy and procedure manual, and distribution of prescription drugs under a lapsed registration.
5. Wholesaler Applicant's conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes:

12-22-125. Unprofessional conduct - grounds for discipline.

(1) The board may suspend, revoke, refuse to renew, or otherwise discipline any license or registration issued by it, after a hearing held in accordance with the provisions of this section, upon proof that the licensee or registrant:

(c) Has violated:

(III) Any state or federal law pertaining to drugs.

12-22-125.2. Disciplinary actions.

(1) The board may deny or discipline an applicant, licensee, or registrant when the board determines that such applicant, licensee, or registrant has engaged in activities that are grounds for discipline.

6. On January 14, 2010, Wholesaler Applicant submitted an out-of-state wholesaler application, which application was denied by the Board.
7. On March 1, 2010, Wholesaler Applicant submitted a written request asking that the Board accept its application by granting a conditional license.
8. The Board finds and concludes, and Wholesaler Applicant agrees, that based upon Wholesaler Applicant's above-described violations of the Pharmaceuticals and Pharmacists Act and relevant rules and regulations, the following discipline is just and appropriate under the circumstances as a condition of its registration as an out-of-state wholesaler.

DISPOSITION

**Conditional Registration / Probation /
Compliance / Terms**

9. **Conditional Registration.** Wholesaler Applicant shall be granted a registration as an out-of-state wholesaler upon execution of this Final Agency Order and satisfaction of the terms and conditions set forth herein.
10. **Probation.** Wholesaler Applicant's registration shall be placed on probation for a period of time equal to the time of probation remaining under the Missouri Settlement Agreement. Credit toward satisfying the period of probation under this Final Agency Order shall be given only during such periods of time that Respondent is in total compliance with all provisions of this Final Agency Order and the Missouri Settlement Agreement.

11. **Compliance.** Wholesaler Applicant shall at all times remain in compliance with §§12-22-801, *et seq.* C.R.S. and shall not at any time distribute prescription drugs into Colorado without being registered as an out-of-state wholesaler in the State of Colorado at the time of distribution.
12. **Other Requirements.** Wholesaler Applicant acknowledges and agrees that, as a condition of this Final Agency Order and probation, Wholesaler Applicant shall:
 - a. promptly pay all Wholesaler Applicant's own fees and costs associated with this Final Agency Order;
 - b. comply fully with this Final Agency Order; and
 - c. comply fully with the Pharmacists and Pharmaceuticals Act, all Board rules and regulations, and any other state and federal laws and regulations related to pharmacists and pharmaceuticals in the State of Colorado.
13. **Discharge.** Discharge from the requirements of this Final Agency Order must be requested in writing by Wholesaler Applicant. The Board will consider any request for discharge during the ordinary course of business. In any request for discharge it shall be Wholesaler Applicant's sole responsibility to establish, through written and other documentation, that Wholesaler Applicant has met all terms and conditions of this Final Agency Order and, in addition, has been released from probation by the Missouri Board of Pharmacy under the Missouri Settlement Agreement. Wholesaler Applicant's probation under this Final Agency Order shall continue until formally discharged by the Board by way of Board order.
14. **Advisements and Waivers.** Wholesaler Applicant enters into this Final Agency Order freely and voluntarily, whether or not Wholesaler Applicant has consulted with legal counsel. Wholesaler Applicant acknowledges its understanding that it has the following rights:
 - a. To have a formal notice of hearing and charges served upon it;
 - b. To respond to said formal notice of charges;
 - c. To have a formal disciplinary hearing pursuant to §12-22-125, C.R.S.; and
 - d. To appeal this Board order.

Wholesaler Applicant freely **waives** these rights, and acknowledges that such waiver is made voluntarily in consideration for Board's limiting the action taken against it to the sanctions imposed herein.

15. **Acknowledgments.** The undersigned authorized agent of Wholesaler Applicant has read this Final Agency Order in its entirety and acknowledges, whether or not Wholesaler Applicant has consulted with legal counsel, that Wholesaler Applicant

understands the legal consequences and agrees that none of the terms or conditions herein are unconscionable.

16. **Violations.** Time is of the essence to this Final Agency Order. It is the responsibility of Wholesaler Applicant to take all appropriate steps to comply fully with this Final Agency Order. Wholesaler Applicant acknowledges and agrees that any violation of this Final Agency Order may be sanctioned as provided under §12-22-125.2(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of its registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Wholesaler Applicant to comply with all terms and conditions of this Final Agency Order.
17. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.
18. **Public Record.** Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.
19. **Effective Date.** This Final Agency Order shall become effective upon signature of a Board member or representative.

RE: Notice of Hearing /Settlement Agreement

Dear Mr. Ingalls,

Enclosed are two documents; review them carefully. The first document is a Notice of Opportunity for Hearing, the second is a Settlement Agreement. Your rights to an administrative hearing are set forth in the first. You may avail yourself of these rights by following the instructions therein. If you choose, you may execute the second document and resolve the issues according to the terms set forth therein. Whichever you choose, you should do so after careful consideration.

Please Note: If you choose to execute the Settlement Agreement, the document should either be scanned and emailed as a PDF to legal@pharmacy.ohio.gov or mailed to **State of Ohio Board of Pharmacy 77 South High Street, 17th Floor Columbus, Ohio 43215-6108**. The Board cannot accept photographs taken of the settlement that are then emailed; sending your document as a JPG will only delay acceptance and processing of the Settlement Agreement. The Settlement Agreement becomes effective upon the date of the Board President's signature, at which time the terms of the Settlement Agreement will also become effective, and the Board-imposed fine (if applicable) will be attached to your license.

If you have questions about your options, you may call the Board office. The office will not give you legal advice. However, we will answer questions you have about the documents.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Ashley Gilbert, Esq

Respondent Outlet shall write its registration number (WHO 7476) and the case number (2018-4829) on the check.

9. **Compliance.** Respondent Outlet shall report all future applications and appropriate fees to the Board detailing changes in designated representative within the required time frame specified by Board rule or statute in effect at the time of such change in designated representative.

13. **Violations.** Time is of the essence in this Final Agency Order. It is the responsibility of Respondent Outlet to take all appropriate steps to comply fully with this Final Agency Order. Respondent Outlet acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under section 12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of Respondent Outlet's registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Outlet to comply with all terms and conditions of this Final Agency Order.

17. **Board Order.** This Final Agency Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative.
18. **Effective Date.** This Final Agency Order shall become effective upon (a) mailing by first-class mail to Respondent Outlet at Respondent Outlet's address of record with the Board, or (b) service by electronic means on Respondent Outlet at Respondent Outlet's electronic address of record with the Board. FINDINGS OF FACT,
CONCLUSIONS OF LAW,
AND ORDER

PHILLIP W. BUSH, R.Ph.,
Certificate of Registration No. 13623,

Case No. 02-082-RPH-N

GOLDEN HEALTH PHARMACY,
Certificate of Registration No. PH01455,

Case No. 02-082-PH-N

Respondents.

THIS MATTER was heard by the Nevada State Board of Pharmacy (hereinafter Board) at its regular meeting on September 11, 2002, in Reno, Nevada. The Board was represented by Louis Ling, General Counsel for the Board. Respondent Phillip W. Bush appeared and represented himself, and Respondent Golden Health Pharmacy appeared through its representative Renee Meldrum. Board staff presented the testimony of Lora Vance. Based on the presentations of the parties, the admissions of the Respondents, and the public records in the possession and control of the Board, the Board issues the following Findings of Fact, Conclusions of Law, and Order:

FINDINGS OF FACT

1. On January 22, 2002, Ms. Vance's physician prescribed two medications for her. Both of the prescriptions were called in to Golden Health and were for Vivelle 0.05 mg. with three refills and Prometrium 100 mg. #90 with three refills.
2. Mr. Bush was the pharmacist at Golden Health who filled Ms. Vance's prescriptions. By the time of the hearing, Mr. Bush was no longer employed at Golden Health.
3. Ms. Vance testified that she had taken Prometrium before, so she had noticed that the tablets in the Prometrium vial dispensed by Mr. Bush and Golden Health were a different shape and color than the ones she had previously taken. Ms.

Vance explained that the Vivelle prescription had been changed to a generic, so she assumed that the Prometrium prescription had similarly been switched to a generic by her insurance. Ms. Vance testified that she took the medication out of the Prometrium vial for 40 days. During this period of time, Ms. Vance experienced weight gain, menstrual cycles, cramping, spotting, and noticeable, negative mood changes. Ms. Vance initially attributed the symptoms to the change in her Vivelle prescription, but she eventually concluded that the symptoms were attributable to the medications in the Prometrium vial.

4. On April 19, 2002, Ms. Vance telephone Golden Health to check on the difference between the pills she had previously taken and the new tablets she was given in the Prometrium prescription. During this conversation, Ms. Vance discovered that she had been given and had been taking Prometrium 200 mg. tablets, twice the strength of the Prometrium 100 mg. tablets ordered for her by her physician.

5. At hearing, Mr. Bush confirmed that the pharmacy's records showed that he was the pharmacist responsible for filling Ms. Vance's Prometrium prescription. Ms. Meldrum explained to the Board the policies and operational procedures in place at Golden Health that were intended to assure the accuracy of prescriptions filled by Golden Health. Under questioning, both Mr. Bush and Ms. Vance explained that Golden Health was adequately staffed for the considerable prescription volume filled by Golden Health.

CONCLUSIONS OF LAW

1. The Nevada State Board of Pharmacy has jurisdiction over this matter because Respondent Bush is a pharmacist licensed by the Board and Golden Health is a pharmacy licensed by the Board.

2. In filling and dispensing Ms. Vance's Prometrium 100 mg. prescription with Prometrium 200 mg. tablets, Mr. Bush violated NRS 639.210(4) and NAC 639.945(1)(b), (d), and (i).

3. In owning and operating the pharmacy in which Mr. Bush committed the error regarding Ms. Vance's Prometrium prescription, Golden Health violated NRS 639.210(4) and NAC 639.945(1)(b), (d), and (i) and (2).

ORDER

Based upon the foregoing, the Board hereby orders the following:

1. Mr. Bush shall pay a fine of \$500.00 by cashier's or certified check or money order made payable to "State of Nevada, Office of the Treasurer" to be received by the Board's Reno office within 60 days of the effective date of this Order. Also, Mr. Bush shall pay \$125.00, which is one-half the Board's administrative fee of \$250.00 by cashier's or certified check or money order made payable to "Nevada State Board of Pharmacy" to be received by the Board's Reno office within 60 days of the effective date of this Order.

2. Golden Health shall pay a fine of \$500.00 by cashier's or certified check or money order made payable to "State of Nevada, Office of the Treasurer" to be received by the Board's Reno office within 60 days of the effective date of this Order. Also, Golden Health shall pay \$125.00, which is one-half the Board's administrative fee of \$250.00 by cashier's or certified check or money order made payable to "Nevada State Board of Pharmacy" to be received by the Board's Reno office within 60 days of the effective date of this Order.

3. The failure by Mr. Bush to comply with any term in this order shall result in the immediate suspension of his license and will also result in further discipline, up to and including revocation of the his license. The failure by Golden Health to comply with any term in this order shall result in a fine of \$1,000 per day to a maximum of \$30,000 for

every day until the term is fully complied with and will also result in further discipline, up to and including revocation of its license.

Signed and effective this 25th day of September, 2002.

Respondents.

_____/

COMES NOW Keith W. Macdonald, in his official capacity as Executive Secretary of the Nevada State board of Pharmacy, and makes the following that will serve as both a notice of intended action under Nevada Revised Statutes (NRS) 233B.127(3) and as an accusation under NRS 639.241.

I.

The Nevada State Board of Pharmacy has jurisdiction over this matter because Respondent Phillip W. Bush is a pharmacist licensed by the Board and Respondent Golden Health Pharmacy is a pharmacy licensed by the Board, located at 247 Bluffs Avenue, Building #1, Elko, Nevada.

II.

On or about January 22, 2002, Patient V's physician prescribed two medications for her. Both of the prescriptions were called to the pharmacy by Patient V's physician or his staff. The prescriptions were for a three month supply 0.05 mg. of Vivelle with

three refills and 100 mg. of Prometrium #90 with three refills.

III.

Mr. Bush filled Patient V's prescriptions. Patient V had taken Prometrium before and noticed the contents of the prescription vial were a different shape and color than the ones she had previously taken, but assumed the prescription was filled with a generic or another product required by her insurance. Patient V noted that the prescription bottle was labeled correctly. Patient V was not counseled when she picked up the prescriptions, but Patient V had had these drugs dispensed by Golden Health Pharmacy to her before.

IV.

Patient V took the medication for 40 days. During this time Patient V experienced weight gain, three or four menstrual cycles, cramping, spotting, breast tenderness and her family noticed mood change, describing her as "crabby". On or about April 19, 2002, Patient V telephoned Golden Health Pharmacy to check on the difference between the pills she had taken previously and the new pills she was given in January. It was discovered that Patient V was given 200 mg. Prometrium tablets rather than the 100 mg. tablets her physician had prescribed.

FIRST CAUSE OF ACTION

V.

By filling and dispensing Patient V's prescription for 100 mg. Prometrium tablets incorrectly by dispensing Prometrium 200 mg. tablets, Mr. Bush violated NRS 639.210(4) and Nevada Administrative Code (NAC) 639.945 (1)(b), (d) and (i).

SECOND CAUSE OF ACTION

VI.

In owning and operating the pharmacy in which the error took place, Golden Health Pharmacy violated NRS 639.210(4) and NAC 639.945(1)(b), (d) and (l) and (2).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the licenses or registrations of the Respondents.

Signed this 7th day of August, 2002.

Keith W. Macdonald, Executive Secretary
Nevada State Board of Pharmacy

BEFORE THE NEVADA STATE BOARD OF PHARMACY

NEVADA STATE BOARD OF PHARMACY,

Petitioner,

v.

**RUSSELL E. SMITH, RPH
Certificate of Registration No. 16233**

**WALGREENS #04788
Certificate of Registration No. PH01306**

Respondents

**CASE NOS. 13-001-RPH-N
13-001-PH-N**

**NOTICE OF INTENDED ACTION
AND ACCUSATION**

Larry L. Pinson, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy makes the following that will serve as both a notice of intended action under Nevada Revised Statutes (NRS) 233B.127(3) and as an accusation under NRS 639.241.

I.

The Nevada State Board of Pharmacy (Board) has jurisdiction over this matter and these Respondents because Respondent Russell E. Smith is a pharmacist licensed by the Board. Respondent Walgreens #04788 is a pharmacy licensed by the Board, located at 1465 East Williams Street, Carson City, Nevada.

II.

On or about September 4, 2012, Patient BT was seen by Pamela Hassler, Physician's Assistant-Certified (PAC), and prescribed methadone 5 mg. tablets, to take one tablet by mouth every eight hours as needed. The prescription had a "Do Not Fill Until" date of October 2, 2012. On September 6, 2012, Patient BT presented the prescription to Walgreens #04788, at which time it was date-stamped and placed on hold. On October 2, 2012, Patient BT returned to the pharmacy and had the prescription filled.

III.

During a routine follow-up with PAC Hassler on October 31, 2012, Patient BT reported that the strength of the methadone dispensed to him was 10 mg. tablets, not

the 5 mg. strength prescribed. On or about October 29, 2012, he discarded the bottle after taking the last dose. Patient BT ingested ninety of the methadone 10 mg. tablets before the error was discovered. No ill effects were claimed or reported. PAC Hassler generated Patient BT's profile from the Prescription Monitoring Program (PMP) and verified that Walgreens had dispensed methadone 10 mg. tablets and not the 5 mg. strength which was prescribed.

IV.

During the investigation of this matter, the Board's Investigator learned that a pharmaceutical technician entered the original prescription into the pharmacy computer system. When entering the prescription data, the pharmaceutical technician selected methadone 10 mg., instead of methadone 5 mg. tablets as prescribed. The data was entered and sent to the pharmacist for Product Data Review. During Product Data Review, pharmacist Russell Smith failed to note the error in the strength. Pharmacist Smith filled, labeled, and verified the prescription and staged it for customer pick up. Pharmacist Smith failed to note the error in strength throughout the production sequence of the prescription, and he did not identify the error during patient counseling. In his written statement, Pharmacist Smith indicated that in reviewing the prescription, the image on the pharmacy computer screen was difficult to read and he verified the medication as methadone 10 mg.

V.

At its regularly scheduled Board meeting on June 4, 2008, in Reno, Nevada, the Board heard another matter (Case No. 08-017A-RPH-N) which involved Mr. Smith. Mr. Smith did not contest that he was responsible for verifying a prescription for Ortho-Cyclen that was filled with Ortho-Tri-Cyclen. The patient ingested the wrong medication for twenty-eight days. The error was discovered when the prescription was refilled.

VI.

At its regularly scheduled Board meeting on September 14, 2011, in Reno, Nevada, the Board heard another matter (Case No. 11-060-RPH-N) which involved Mr. Smith. Mr. Smith did not contest that he was responsible for not requiring positive identification from the person picking up a controlled substance prescription which resulted in the releasing of that medication to the wrong person. Walgreens' computer

system showed that the person who was dispensed the medication was counseled, but counseling did not transpire as Mr. Smith had overridden the computer system to allow the purchase. Mr. Smith was placed on probation for two years effective September 14, 2011.

FIRST CAUSE OF ACTION

VII.

By filling and dispensing Patient BT's prescription for methadone 5 mg. tablets with methadone 10 mg. tablets, Respondent Smith violated NRS 639.210(4) and/or NAC 639.945(1)(d) and/or (i).

SECOND CAUSE OF ACTION

VIII.

In being repeatedly negligent in Case 08-017A-RPH-N and in Case 11-060-RPH-N, Mr. Smith violated NRS 639.210(4) and/or (12) and/or (16) and/or NAC 639.945(1)(i) and/or (l).

THIRD CAUSE OF ACTION

IX.

In owning and operating the pharmacy in which Mr. Smith committed the above violations, Walgreens #04788 violated NRS 639.210(4) and/or (12) and/or (16) and NAC 639.945(1)(i) and (2).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificate of registration of the Respondent.

Signed this 24th day of February, 2013.

Larry L. Pinson, Pharm.D., Executive Secretary
Nevada State Board of Pharmacy

healing process. Patient B's mother, Ms. G, took the prescription to Walgreens #4788 on or about September 7, 2004 to be filled.

3. Patient B's father picked up the medication at the drive-through window at Walgreens #4788. Mr. G was not counseled for this new prescription. Ms. G began administering the medication to Patient B as directed on the label. Patient B took the first dose at approximately 5:30 p.m. and a second dose at approximately 10:45 p.m. At that time, Patient B told his mother that the medication burned his throat, made him feel sick, and numbed his mouth.

4. The next morning, Ms. G telephoned the pharmacy and questioned why the medication she received from Walgreens #4788 the previous day was pink and not clear as it had been in the past. Ms. G also telephoned Patient B's physician and was advised to take Patient B to the emergency room to determine what Patient B had ingested. The emergency room report indicated that Patient B had, in all probability, received Prednisolone 15 mg./5 ml. liquid. Board Staff subsequently tested the medication Patient B had taken, and it was determined that Patient B had received Prednisolone 15 mg./5 ml. liquid rather than the prescribed Prednisolone 5 mg./5 ml. liquid.

5. At hearing, Mr. Bergan testified that he was the pharmacist who was the "verifying" pharmacist on duty at the time that Patient B's prescription was filled. Being the "verifying" pharmacist meant that Mr. Bergan was responsible for the final verification of all prescriptions that were filled by other pharmacists and pharmaceutical technicians on duty at the time. Mr. Bergan stated that there were three pharmacists on duty at the time that Patient B's prescription was filled. Mr. Bergan explained that he

usually performs a "sniff test" on liquids to verify the correctness of the liquid, but he did not perform a "sniff test" regarding Patient B's prescription.

6. Mr. Bergan explained that Walgreens #4788 did not have any type of bar code scanning software or hardware: rather, verification of prescriptions at Walgreens #4788 was done by manual and visual means by double-checking the NDC code on the stock bottle with the NDC code on the prescription label. Mr. Bergan explained that it appeared from Patient B's prescription that he had, in fact, done the NDC code comparison, but that still did not reveal to him that the stock bottle and the prescription label did not match. Mr. Bergan could not explain why he did not catch the difference between the two NDC numbers when he verified Patient B's prescription.

7. Mr. Bergan explained that had Walgreens #4788 had the latest version of Walgreens' hardware and software system, the prescription could not have been "rung up" on the cash register until the prescription had been scanned, so the error regarding Patient B's prescription would have been discovered at the time of verification because the bar code scans of the stock bottle and the prescription label would not have matched.

8. Mr. Bergan testified that counseling was the responsibility for all pharmacists on duty when a new prescription is picked up. Mr. Bergan explained that the pharmacy's pharmaceutical technicians and clerks are trained to examine a filled prescription to determine whether it is new or a refill, and when it is new, the staff member is supposed to call a pharmacist for counseling before the prescription is dispensed. Mr. Bergan stated that he did not know which pharmacist would have been the one responsible for counseling Mr. G regarding Patient B's prescription, so he could

not state which pharmacist specifically was responsible for failing to counsel Mr. G. The pharmacy's counseling log contained no entry regarding Patient B's prescription, and the prescription should have been counseled because it was a new prescription.

CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter because Mr. Bergan is a pharmacist licensed by the Board and Walgreens #4788 is a pharmacy licensed with the Board.

2. In failing to strictly follow the prescription written for Patient B by filling his Prednisolone 5 mg./5 ml. prescription with Prednisolone 15 mg./5ml., Mr. Bergan violated NRS 639.210(4) and NAC 639.945(1)(d) and (i).

3. In owning and operating the pharmacy in which Mr. Bergan's misfilling of Patient B's prescription occurred and in which Patient B's father was not counseled regarding Patient B's prescription, Walgreens #4788 violated NRS 639.210(4) and NAC 639.707 and 639.945(1)(d) and (i) and (2).

4. The Second Cause of Action against Mr. Bergan is dismissed.

ORDER

Based upon the foregoing, the Board hereby orders the following:

1. Mr. Bergan shall pay a fine of \$150.00 by cashier's or certified check or money order made payable to "State of Nevada, Office of the Treasurer" to be received by the Board's Reno office within 60 days of the effective date of this Order.

2. Mr. Bergan shall successfully complete three hours of ACPE-approved continuing education regarding prescription errors and their prevention. Evidence of

the completion of the continuing education must be presented to the Board's office within 60 days of the effective date of this Order. The three hours of continuing education ordered in this paragraph shall be in addition to the 30 hours required of Mr. Bergan for the renewal of his license.

3. Walgreens #4788 shall pay a fine of \$900.00 (\$150.00 for the misfill and \$750.00 for the failure to counsel) by cashier's or certified check or money order made payable to "State of Nevada, Office of the Treasurer" to be received by the Board's Reno office within 60 days of the effective date of this Order.

4. Walgreens #4788 shall pay the costs incurred in the investigation and prosecution of this matter of \$1,751.80 plus the Board's administrative fee of \$250.00, for a total of \$2,001.80 by cashier's or certified check or money order made payable to "Nevada State Board of Pharmacy" to be received by the Board's Reno office within 60 days of the effective date of this Order.

5. Walgreens #4788 and other Walgreens personnel shall present to the Board at its regularly scheduled meeting on January 12 and 13, 2005 a plan by which it will implement in all of its pharmacies statewide an enhancement to its computer system by which a pharmacy's cash register will be unable to process a prescription transaction until a pharmacist has made an indication on the pharmacy's signature pad or in the pharmacy's computer at the counseling area that the pharmacist has counseled the patient or that the patient has declined to be counseled. The Board and personnel from Walgreens shall discuss the plan proposed by Walgreens #4788 and other Walgreens personnel at the meeting on January 12 and 13, 2005 to assure that the plan proposed

by Walgreens adequately addresses the Board's concerns raised at the hearing of this matter and that the time period proposed for implementation is reasonable.

6. The failure by Mr. Bergan to comply with any term in this order shall result in the immediate suspension of his license and will also result in further discipline, up to and including revocation of the license. The failure by Walgreens #4788 to comply with any term in this order shall result in a fine of \$1,000 per day for every day that Walgreens #4788 has failed to comply with the Order until the Order is fully complied with, up to a total fine not to exceed \$30,000, and will also result in further discipline, up to and including revocation of the its license.

Case No. 04-063-PH-N

_____/

COMES NOW Keith W. Macdonald, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, and makes the following that will serve as both a notice of intended action under Nevada Revised Statutes (NRS) 233B.127(3) and as an accusation under NRS 639.241.

I.

The Nevada State Board of Pharmacy has jurisdiction over this matter and these Respondents because Respondent Zachary W. Bergan, R.Ph, (Certificate Number 15889) is a registered pharmacist with the Board and Respondent Walgreens #4788 is a pharmacy licensed by the Board, located at 1465 East Williams Street, Carson City, Nevada.

II.

Patient B is a twelve-year-old male who had a tonsillectomy. Patient B's physician prescribed Prednisolone 5 mg./5ml. liquid for him to help with the healing process. Patient B's mother, Ms. G, took the prescription to Walgreen's #4788 on or about September 7, 2004 to be filled.

III.

Patient B's father picked up the medication at the drive through window. Mr. G was not counseled for this new prescription. Ms. G began administering it to Patient B.

Patient B took the first dose at approximately 5:30 p.m. and a second dose at approximately 10:45 p.m. At that time Patient B told his mother that the medication burned his throat, made him feel sick, and numbed his mouth.

IV.

The following morning, Ms. G telephoned the pharmacy and questioned why the medication she received from Walgreens #4788 the previous day was pink and not clear as it had been in the past. Ms. G also telephoned Patient B's physician and was advised to take Patient B to the emergency room to determine what Patient B had ingested. The emergency room report indicated that Patient B had, in all probability, received Prednisolone 15 mg./5 ml. The medication was tested and it was determined that Patient B received Prednisolone 15 mg./5 ml. rather than the prescribed Prednisolone 5 mg./5 ml.

FIRST CAUSE OF ACTION

V.

In failing to strictly follow the prescription written for Patient B by filling his Prednisolone 5 mg./5 ml. prescription with Prednisolone 15 mg./5 ml, Mr. Bergan violated Nevada Revised Statutes (NRS) 639.210(4) and Nevada Administrative Code (NAC) 639.945(1)(d) and (i).

SECOND CAUSE OF ACTION

VI.

In failing to counsel Patient B's father on his new prescription, even though Patient B had taken Prednisolone before, Mr. Bergan violated NRS 639.210(4) and 639.266(1) and NAC 639.707 and 639.945(1)(i).

THIRD CAUSE OF ACTION

VII.

In owning and operating the pharmacy in which Mr. Bergan committed the above violations, in particular in which Patient B's prescription was misfilled and in which Patient B's parents were not counseled regarding Patient B's prescription, Walgreens #4788 violated NRS 639.210(4) and NAC 639.707 and 639.945(1)(d) and (i) and (2).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificate of registration of the Respondent.

S. Paul Edwards, General Counsel for Petitioner the NEVADA STATE BOARD OF PHARMACY (Board), and Respondents BELINDA E. HUBKEY, RPH., Certificate of Registration No. 15310 and WALGREENS PHARMACY #4877, Certificate of Registration No. PH01306 ("Walgreens Pharmacy #4788") (collectively "Respondents"), represented by William J. Stilling of Parsons Behle & Latimer,

HEREBY STIPULATE AND AGREE THAT:

1. The Board has jurisdiction over these matters.
2. The Board served a Notice of Intended Action and Accusation (Accusation) on each of the Respondents on or about April 23, 2015.
3. Respondents filed their Answer and Notice of Defense (Answer) on or about May 28, 2015.

4. Respondents, and each of them, are fully aware of their right to seek the advice of counsel in this matter, and obtained the advice of counsel prior to entering into this Stipulation.

5. Respondents, and each of them, are fully aware of their right to a hearing on the matters alleged in the Accusation, their right to reconsideration, their right to appeal, and any and all other rights which may be accorded to them pursuant to the Nevada Administrative Procedure Act and the Nevada Pharmacy Act.

6. Conditioned on the Board's acceptance of this Stipulation, and with the exception of the right to challenge any determination that Respondents have failed to comply with the provisions of this Stipulation, Respondents, and each of them, hereby freely and voluntarily waive their rights to a hearing, reconsideration, appeal, and any and all other rights that may be accorded to them by the Nevada Administrative Procedure Act and the Nevada Pharmacy Act.

7. Respondents, and each of them, admit that evidence exists, and that such evidence could be presented at a hearing, to establish a factual basis for the violations alleged in the Accusation, *to wit*, that:

a. By failing to detect during counseling that the dosing instructions for the prescription for Focalin XR 10 mg. capsules was incorrectly labeled with instructions to take *four (4)* capsules by mouth daily, rather than *one (1)* capsule by mouth daily as prescribed, Ms. Hubkey provided inadequate counseling in violation of NRS 639.266(1) and NAC 639.707(1) and (2), as well as NAC 639.945(1)(i), which are grounds for discipline pursuant to Nevada Revised Statutes NRS 639.255.

b. As the owner of the pharmacy in which the foregoing violation(s), or any one of them, occurred, Respondent Walgreens #4788 is statutorily responsible for the actions of

its employees, and is therefore subject to discipline pursuant to NAC 639.945(2) and NRS 639.255.¹

8. The foregoing admissions are for the purposes of this proceeding only, and shall have no force or effect in any other case or proceeding before the Board.

9. Based upon the Accusation and the foregoing admissions, Respondents, and each of them, stipulate to the following penalties, which will become binding and enforceable upon approval of this agreement by the Board:

a. Belinda E. Hubkey, R.Ph.: Related to the violation alleged in the Third Cause of Action, Ms. Hubkey shall: (i) pay a fine of \$750.00, and (ii) complete two one-hour CE units on the topics of proper prescription verification techniques (1 CE) and elements of effective counseling (1 CE). These CE units are in addition to the CE units Ms. Hubkey is ordinarily required to complete to maintain her pharmacist license.

b. Walgreens #4788: Related to the allegations in the Fourth Cause of Action, Walgreens' Pharmacy #4788 will (i) review with and re-train each pharmacist in Walgreen #4788's district on Walgreens' policies and procedures regarding drug utilization review and counseling, and certify to Board Staff within sixty (60) days in a writing, signed by each pharmacist, that such training has been completed, and (ii) pay an administrative fee of \$495.00.

10. Board Counsel will present this Stipulation to the Board for approval at its meeting on June 10, 2015, in Reno, Nevada. Respondents, and each of them, will appear at that meeting to answer questions put to them by members of the Board and Board Staff. The Board

¹ Walgreens Pharmacy #4788 does not stipulate to have acted negligently in this matter.

may discuss and deliberate regarding the Stipulation even if one or more Respondent is absent. The Board has discretion to approve this Stipulation, but it has no obligation to do so.

11. If the Board adopts the recommendations set forth above, Respondents and the Board each agree to release the other from any and all claims arising from the facts set forth in the Accusation, whether known or unknown, which might otherwise have existed on or before the effective date of the Board's Order in this matter.

12. If the Board rejects any part or all of this Stipulation, the parties agree that a full hearing on the merits of this matter may be heard by the Board, and that the hearing shall occur at the Board's September 2-3, 2015 meeting in Reno, Nevada. The terms and admissions herein may not be used or referred to in a full hearing on the merits of this matter.

13. Respondents shall pay the *finest* agreed to herein by *cashier's check* or *certified check* or *money order* made payable to "State of Nevada, Office of the Treasurer" to be received by the Board's Reno office located at 431 W. Plumb Lane, Reno, NV 89509, within 90 days of the effective date of the Board's Order.

14. Respondents shall pay the *administrative fees* agreed to herein by *cashier's check*, *certified check* or *money order* made payable to the "Nevada State Board of Pharmacy" to be received by the Board's Reno office located at 431 W. Plumb Lane, Reno, NV 89509, within ninety (90) days of the effective date of the Board's Order.

15. Any failure by any Respondent to satisfy the obligations stated herein may result in additional discipline, up to and including suspension or revocation of each Respondent's respective registration/license, until all terms have been satisfied.

CASE NO. 14-061-PH-N

NOTICE OF INTENDED

ACTION AND ACCUSATION

Larry L. Pinson, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under Nevada Revised Statutes (NRS) 233B.127(3), and as an accusation under NRS 639.241.

I.

The Nevada State Board of Pharmacy (Board) has jurisdiction over this matter because, at the time of the events alleged herein, Respondent Jenae Jeppson Schroder (Ms. Schroder), Certificate of Registration No. 18541, and Respondent Belinda E. Hubkey (Ms. Hubkey), Certificate of Registration No. 15310, were pharmacists registered with the Board, and Respondent Walgreens Pharmacy #04788 (Walgreens), Certificate of Registration No. PH01306, was a pharmacy registered with the Board.

II.

On or about August 29, 2014, Jacob Vernon (Mr. Vernon) filed a complaint with the Board on behalf of his stepchild, thirteen-year-old S.G. In the complaint, Mr. Vernon alleged that Walgreens filled and dispensed a prescription for S.G. with the incorrect dosing instructions.

III.

On July 2, 2014, S.G. saw her physician who prescribed a quantity of thirty (30) Focalin XR 10 mg. capsules with instructions to take one capsule by mouth every day.

IV.

The prescription was tendered to Walgreens later that day. The following day, July 3, 2014, Walgreens filled the prescription and dispensed the medication to S.G.'s mother.

V.

During the subsequent administration of the Focalin XR to their daughter, the parents felt that the frequency of administration stated on the prescription label (one capsule four times per day) was excessive. They therefore modified the administration to one capsule two times daily.

VI.

S.G. ingested twenty-four (24) Focalin XR 10 mg. capsules over a fourteen (14) day period. Within days of the initial administration of the Focalin XR, SG became withdrawn and emotionally distraught.

VII.

On July 17, 2014, S.G.'s parents contacted the prescriber and learned that the dosing instructions on the prescription label generated by Walgreens were incorrect.

VIII.

According to pharmacy records, pharmaceutical technician Katherine Urrutia (Ms. Urrutia) scanned S.G.'s Focalin XR prescription (prescription number 1206263) into the pharmacy computer system on July 2, 2014, and sent it to a production queue for processing the next day.

IX.

On July 3, 2014, Ms. Urrutia retrieved the Focalin XR prescription from the production queue. During data entry, Ms. Urrutia inadvertently entered "QID" (four times per day) in the patient instructions rather than "QD" (once per day) as written by the prescriber.

X.

Ms. Urrutia sent the prescription data into the data entry verification queue for approval by the pharmacist prior to filling the medication.

XI.

Pharmacist Schroder performed data verification and filled the prescription. She approved the data entry, prescription label and contents of the bottle as accurate, and staged the final product for a pharmacist's final review. Ms. Schroder failed to detect the error in the patient dosing instructions throughout the entire filling and verification process.

XII.

Ms. Schroder performed the final product verification. At the final verification, a drug utilization review (DUR) alert displayed on the computer screen indicating that the dosage entered exceeds the recommended pediatric dosage. Ms. Schroder entered an override for the DUR within (1) second after performing data verification, and approved the final product as accurate and complete. Again, Ms. Schroder failed to identify the error in the patient dosing instructions.

XIII.

On July 3, 2014, S.G.'s mother picked up the prescription from Walgreens. Pharmacist Hubkey provided counseling to S.G.'s mother. Ms. Hubkey did not detect the error in the patient dosing instructions during counseling.

FIRST CAUSE OF ACTION

XIV.

In failing to strictly follow the instructions of S.G.'s physician by verifying and dispensing a prescription for Focalin XR 10 mg. capsules with instructions to take four (4) capsules by mouth daily rather than take one (1) capsule by mouth daily as prescribed by S.G.'s physician, Ms. Schroder violated NAC 639.945(1)(d) and/or (i), which violations are grounds for action pursuant to NRS 639.210(4), (11), and/or (12), and NRS 639.255.

SECOND CAUSE OF ACTION

XV.

By failing to act upon the DUR alert displayed on the computer screen indicating that the

dosage entered exceeds the recommended pediatric dosage, Ms. Schroder violated NRS 639.210(4) and/or NAC 639.945(1)(i), which is grounds for action under NRS 639.255.

THIRD CAUSE OF ACTION

XVI.

By failing to detect during counseling that the dosing instructions for the prescription for Focalin XR 10 mg. capsules was incorrectly labeled with instructions to take four (4) capsules by mouth daily rather than to take one (1) capsule by mouth daily as prescribed, Ms. Hubkey provided inadequate counseling in violation of NRS 639.266(1) and NAC 639.707(1) and (2), as well as NAC 639.945(1)(i), which violations are grounds for action pursuant to NRS 639.210(4), (11) and/or (12), and under NRS 639.255.

FOURTH CAUSE OF ACTION

XVII.

As the pharmacy in which the violations alleged above occurred, Walgreens is statutorily responsible for the actions of respondents Jenae Jeppson Schroder and Belinda E. Hubkey, as alleged herein, pursuant to NAC 639.945(2), which is grounds for discipline pursuant to NRS 639.210(4), (11) and/or (12), and NRS 639.255.

Wherefore, it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificates of registration of these respondents.

Signed this 22 day of April, 2015.

Nevada State Board of Pharmacy

BEFORE THE NEVADA STATE BOARD OF PHARMACY

NEVADA STATE BOARD OF PHARMACY, Petitioner, v. MOSTAQUL HUQ, RPH Certificate of Registration No. 18974, and WALGREENS PHARMACY #12488 Certificate of Registration No. PH02741, Respondents.	CASE NO. 16-041-RPH-N 16-041-PH-N STIPULATION
---	---

S. PAUL EDWARDS, General Counsel for Petitioner, the Nevada State Board of Pharmacy ("Board"), and Respondents Mostaqul Huq ("Mr. Huq"), Certificate of Registration No. 18974, and Walgreens Pharmacy #12488 ("Walgreens #12488"), Certificate of Registration No. PH02741 (collectively "Respondents"), represented by William J. Stilling of Parsons Behle & Latimer,

HEREBY STIPULATE AND AGREE THAT:

1. The Board has jurisdiction over these matters.
2. The Board served a Notice of Intended Action and Accusation ("Notice") on each of the Respondents on or about January 20, 2017, which each Respondent received.
3. Respondents' and Board's counsel agreed to attempt negotiating a resolution in lieu of a written Answer and Notice of Defense, and this Stipulation embodies their agreement for resolving this case.
4. Respondents, and each of them, are fully aware of their right to seek the advice of counsel in this matter and obtained the advice of counsel prior to entering into this Stipulation.

5. Respondents, and each of them, are aware of their right to a hearing on the matters alleged in the Notice, their right to a rehearing, their right to appeal, and any and all other rights that may be accorded to them pursuant to the Nevada Administrative Procedure Act and the Nevada Pharmacy Act.

6. Conditioned on the acceptance of this Stipulation by the Board, and with the exception of the right to challenge any determination that any one, or all, of them have failed to comply with the provisions of Paragraph 8 below, Respondents hereby freely and voluntarily waive their right to a hearing, rehearing, appeal and any and all other rights related to this action that may be accorded to them by the Nevada Administrative Procedure Act and the Nevada Pharmacy Act.

7. Respondents admit, to the best of their knowledge and belief, that the following factual allegations are true and accurate.

- a. Walgreens #12488 is a pharmacy licensed by the Board.
- b. Mr. Huq is a pharmacist licensed by the Board.
- c. Mr. Huq has been a practicing pharmacist in Nevada and other states since 2008 and has never had any actions or complaints related to his pharmacist license.
- d. On April 16, 2016, a prescription for Patient W. R. ("W. R.") was presented to Walgreens #12488 for sixty (60) niacinamide 500 mg. tablets with instructions to take one tablet by mouth twice a day.
- e. That same day, Mr. Huq, a pharmacist who worked at Walgreens #12488 filled and dispensed niacin 500 mg. instead of niacinamide.

f. Mr. Huq dispensed niacin because niacinamide was not in stock at the pharmacy and because he believed niacin to be the pharmacological equivalent of niacinamide and entered niacin in the data field.

g. Mr. Huq's belief was based on the following facts among others:

- i. Niacin and niacinamide are both forms of vitamin B3.
- ii. Niacin and niacinamide are both available without a prescription in 500 mg. dosages.
- iii. Niacin is readily converted to niacinamide in the body.
- iv. Niacinamide and niacin have similar side effects and niacinamide can produce, among other effects, headaches, nausea, cardiovascular changes, and muscle cramps.

8. Mr. Huq counseled W. R.'s friend, R. C., who picked up the prescription and explained that niacin and niacinamide are available without a prescription, he was dispensing niacin, and in the future a written prescription would not be needed to purchase either product.

9. Respondents, and each of them, admit that evidence exists, and that such evidence could be presented at a hearing, to establish a factual basis for the violations alleged in the Notice, *to wit*, that:

a. By filling and dispensing a prescription for niacin on April 16, 2016, rather than niacinamide, Mr. Huq violated Nevada Administrative Code (NAC) 639.945(1) (d), which violation is a ground for action pursuant to Nevada Revised Statute NRS 639.255.

b. As the owner of the pharmacy in which the foregoing violation occurred, Walgreens Pharmacy #12488 is responsible for the actions of its employees, and therefore subject to discipline pursuant to NAC 639.945(2), which is a ground for action pursuant to NRS 639.255.

10. Based on Respondents' admissions, cause for disciplinary action against Mr. Huq exists under the statutes and regulations cited above in paragraph 9.a.

11. Based on Respondents' admissions, Walgreens Pharmacy #12488 is responsible for the acts of its employees under NAC 639.945(2).¹

12. Said responsibility as owner of the pharmacy is a ground for discipline pursuant to Nevada Revised Statutes NRS 639.255.

14. Based upon the Notice and the foregoing admissions, Respondents, and each of them, stipulate to the following penalties, which will become binding and enforceable upon approval of this Stipulation by the Board:

15. Board Counsel will present this stipulation to the Board for approval at its meeting on March 1, 2017 in Reno, Nevada. Respondents, and each of them, will appear at that meeting to answer questions put to them by members of the Board and Board Staff. The Board may discuss

16. If the Board adopts the recommendations set forth above, Respondents and the Board each agree to release the other from any and all claims arising from the facts set forth in the Notice, whether known or unknown, that might otherwise have existed on or before the effective date of the Board's Order in this matter.

17. If the Board rejects any part or all of this Stipulation and Order, the parties agree that a full hearing on the merits of this matter may be heard by the Board, and that the hearing will occur at the Board's May 31, 2017 meeting in Reno, Nevada. The terms and admissions herein may not be used or referred to in a full hearing on the merits of this matter.

Respondents.	/	

Larry L. Pinson, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, makes the following that will serve as both a notice of intended action under Nevada Revised Statutes (NRS) 233B.127(3), and as an accusation under NRS 639.241.

JURISDICTION

I.

The Nevada State Board of Pharmacy (Board) has jurisdiction over this matter and these respondents because at the time of the alleged events, Respondent Mostaqul Huq (Mr. Huq) was a pharmacist licensed by the Board, and Respondent Walgreens Pharmacy #12488 (Walgreens) was a pharmacy licensed by the Board.

FACTUAL ALLEGATIONS

II.

Patient W.R. filed a complaint with the Board Office alleging that on or about April 16 2016, Walgreens filled and dispensed niacin 500 mg. tablets instead of the niacinamide 500 mg. tablets prescribed by his physician.

III.

On April 11, 2016, W.R. saw his physician for the treatment of recurring skin cancers, and subsequently prescribed sixty (60) niacinamide 500 mg. tablets with instructions to take one tablet by mouth twice a day.

IV.

W.R. presented the prescription to Walgreens on April 16, 2016, which filled and dispensed it that same day. A pharmaceutical technician scanned the prescription into the pharmacy's computer system in preparation for data entry.

V.

Mr. Huq retrieved the scanned prescription and began the data entry process. During data entry, Mr. Huq discovered that the niacinamide tablets prescribed were not in stock.

VI.

Mr. Huq assumed the niacinamide was prescribed as a vitamin supplement. He was not aware that the doctor prescribed it to reduce the incidence of nonmelanoma skin cancers.

VII.

Mr. Huq believed that niacin is the pharmacological equivalent of niacinamide and entered niacin in the data field.

VIII.

Mr. Huq approved the data entry and forwarded it to the fill queue. Mr. Huq did not contact the prescriber regarding the change to niacin.

IX.

Pharmaceutical technician Meghan Tolley retrieved the prescription and filled it with #60 500 mg. niacin tablets. She staged the prescription for product verification.

X.

Mr. Huq performed the final product verification and staged the prescription for customer pick-up.

XI.

At 4:55 p.m., W.R.'s friend R.C. arrived at the pharmacy to pick up the prescription. During counseling, Mr. Huq advised R.C. that in the future, a written prescription is not needed

to purchase over-the-counter drugs.¹ He did not inform R.C. that he dispensed niacin instead of niacinimide as prescribed.

XII.

On June 13, 2016, W.R. had a follow-up examination with his physician. W.C. reported that he was experiencing headaches, nausea, elevated blood pressure and muscle cramps.

XIII.

During that examination, the physician discovered that the pharmacy misfilled W.R.'s niacinimide prescription with niacin.

XIV.

At the time the error was discovered, W.C. had ingested fifty-six (56) of the wrong medication.

FIRST CAUSE OF ACTION

XV.

NAC 639.945(1)(d) defines unprofessional conduct to include the failure by a licensee to follow strictly the instructions of a prescriber when filling, labeling and dispensing a prescription. Unprofessional conduct also includes performing duties in an "incompetent, unskillful or negligent manner" See NAC 639.945(1)(i). Mr. Mostaqul Huq violated NAC 639.945(1)(d) and/or (i) by verifying, labeling and dispensing niacin 500 mg. tablets to W.R., when his prescriber prescribed niacinamide 500 mg. tablets.

SECOND CAUSE OF ACTION

XVI.

NRS 639.266 requires a pharmacist, on receipt of a prescription and after review of the patient's record, to communicate with the patient, or a person caring for the patient, matters that will enhance the patient's therapy through drugs. NAC 639.707(1) and (2) require that discussion to include, among other things, the name of the drug, dosage and administration instructions, the intended use of the drug, common side effects, and other information that is

¹ Niacin and/or niacinimide are available as over-the-counter products that do not require a prescription.

necessary for the safe and effective use of the drug. Further, NAC 639.945(1)(i) defines unprofessional conduct to include performing duties in an "incompetent, unskillful or negligent manner" See NAC 639.945(1)(i).

Here, Mr. Mostaqul Huq violated NRS 639.266, NAC 639.707(1) and (2), and NAC 639.945(1)(i), when he failed to adequately counsel by not informing W.R.'s friend R.C. at the time R.C. picked up the medication, that he dispensed niacin instead of niacinimide as prescribed.

THIRD CAUSE OF ACTION

XVII.

NAC 639.945(2) states that "[t]he owner of any business or facility licensed, certified or registered by the Board is responsible for the acts of all personnel in his or her employ". Repondent Mr. Mostaqul Huq is Walgreens's employee. As such, Walgreens is responsible for each of the violations alleged herein.

XVIII.

The violations alleged above, including in each cause of action, are grounds for discipline against the licenses of Mostaqul Huq and/or Walgreens #3680 pursuant to NRS 639.210(4), (11) and/or (12), as well as NRS 639.255.

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificates of registration of these respondents.

Signed this 19th day of January, 2017.

Larry L. Pinson, Pharm.D., Executive Secretary
Nevada State Board of Pharmacy

4. I certify that if the Pharmacy makes the decision to perform sterile compounding or to ship any sterile compounds into Nevada, the Pharmacy, through an authorized representative, will first notify the Board via a written request, and obtain written approval to perform sterile compounding or to ship any sterile compounds into Nevada.
5. I understand that if the Pharmacy seeks approval to perform sterile compounding or to ship any sterile compounds into Nevada, an authorized representative of the Pharmacy may be required to appear before the Board to answer questions before such approval is granted.

NEVADA STATE BOARD OF PHARMACY,

Petitioner,

STIPULATION AND ORDER

v.

**HEIDI WICKHAM, R.Ph.,
Certificate of Registration #16474,**

Case No. 11-030-RPH-S

**WALGREENS #05369
Certificate of Registration PH01485**

Case No. 11-030-PH-S

Respondents.

Carolyn J. Cramer, General Counsel for the Nevada State Board of Pharmacy,
and Respondent, Heidi Wickham and Walgreens #05369 and Rob Graham, Esq. of Rob
Graham & Associates, stipulate and agree as follows:

1. Respondent Walgreens #05369 admits the factual allegations made in the
Second Cause of Action in the Notice of Intended Action and Accusation.
2. Respondent Wickham shall be dismissed ~~missed~~ from the First Cause of
Action in the Notice of Intended Action and Accusation.
3. The Board Staff concluded after investigation that the error in this case was
made because a Walgreen's employee returned to stock a bottle that was labeled
metaxalone but was originally misfiled with Metformin but was placed on the shelf
behind the metaxalone and was used to fill [REDACTED] metaxalone prescription.
Preventive measures need to be implemented to ensure this does not happen again.
4. Respondent Walgreens #05369 fully recognizes the error that was made and
understands that it must take corrective action to avoid such an error in the future.

5. The parties shall present this Stipulation and Agreement to the Board at its meeting on October 12, 2011. The parties agree that the Board may ask questions of the parties' counsel, may discuss and deliberate regarding the presentations, and shall enter an Order that may impose discipline as recommended by the parties.

6. Board Staff and Respondent Walgreens #05369 will recommend that the Board impose discipline for the Second Cause of Action by requiring Walgreens #05369 to successfully complete the Your Success Rx program to be paid for by Respondent Walgreens #05369 with the managing pharmacist Heidi Wickham participating in the review on behalf of Respondent Walgreens #05369. The Your Success Rx program will emphasize the return to stock of medications that were not dispensed to patients and a review of any policies or procedures that could be implemented to prevent a return to stock error in the future. Additionally the program will include the following:

a. That Respondent Walgreens #05369 shall cooperate fully and genuinely with the needs, demands, and requirements of the program and contact the program within 10 days of the acceptance of the Stipulation and Order by the Board.

b. When Respondent Walgreens #05369 has completed the program, the program shall submit to Board Staff a final report regarding Respondent Walgreens #05369 participation in the program. Board Staff will set a meeting with Respondent Walgreens #05369 managing pharmacist, Heidi Wickham and Respondent Walgreens #05369 district manager and the program administrator to review and to discuss the report and whether any policies or changes could be adopted to address return to stock issues by Respondent Walgreens #05369.

7. Board Staff and Respondent Walgreens #05369 will recommend that the Board impose discipline for the Second Cause of Action by imposing a fine in the amount of \$1,000.00, by cashier's or certified check or money order made payable to "State of Nevada, Office of the Treasurer" to be received by the Board's Reno office within 90 days of the effective date of this Order.

8. If the Board rejects any part or all of this stipulation, the parties agree that a full hearing on the merits of this matter may be heard by the Board and that the Board would hear this matter at its meeting on January 18, 2012. The terms and admissions in this stipulation may not be used or referred to in the full hearing on the merits of this matter.

9. The Board and the Respondent shall each agree to release the other from any and all claims, whether known or unknown, that might otherwise have existed on or before the effective date of the Board's Order in this matter.

Signed this 12th day of October, 2011.

Petitioner,

v.

**NOTICE OF INTENDED ACTION
AND ACCUSATION**

**HEIDI WICKHAM, R.Ph.,
Certificate of Registration #16474,**

Case No. 11-030-RPH-S

**WALGREENS #05369
Certificate of Registration PH01485**

Case No. 11-030-PH-S

Respondents.

COMES NOW Larry L. Pinson, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, and makes the following that will serve as both a notice of intended action under Nevada Revised Statutes (NRS) 233B.127(3) and as an accusation under NRS 639.241.

I.

The Nevada State Board of Pharmacy has jurisdiction over this matter because Respondent Heidi Wickham is a pharmacist licensed by the Board and Respondent Walgreens #05369 is licensed by the Board, located at 1500 South Boulder Highway, Henderson, Nevada.

II.

On or about March 16, 2011, [REDACTED] had a prescription filled for metaxalone 800 mg. tablets. Ms. [REDACTED]'s husband picked up the prescription that evening. When he arrived home and gave his wife the medication that was dispensed to him, Ms. [REDACTED] noticed that there were two different pink tablets in the bottle. Mr. [REDACTED] returned

to the pharmacy and spoke with Heidi Wickham regarding the two different tablets in the prescription bottle. Ms. Wickham checked the Clinical Pharmacology program in the pharmacy's computer and could not identify the second tablets. Ms. Wickham then went to the shelf where metaxalone is stocked to see if there were different manufacturers. The only bottle present at the time was a previously deleted patient's bottle labeled metaxalone. Ms. Wickham checked the contents of the bottle and found the same pink tablets in question that she could not identify and presumed it was a different manufacturer and advised Mr. [REDACTED] that it was safe for his wife to take.

III.

Ms. [REDACTED] began taking the tablets that she was familiar with first for several days. Ms. [REDACTED] began taking the tablets that she was not familiar with and she became light headed, nauseous, had diarrhea and a headache for three days. On or about March 22, 2011 Mr. [REDACTED] received a telephone call from Heidi Wickham asking to speak with Ms. [REDACTED]. Ms. [REDACTED] was not available to come to the telephone and Ms. Wickham told Mr. [REDACTED] that the pink tablets in question in Ms. [REDACTED]'s prescription bottle were not metaxalone as previously thought, and that they were Metformin, a prescription medication used to treat diabetes. Ms. Wickham advised Mr. [REDACTED] to have Ms. [REDACTED] stop taking the medication dispensed to him and return it to the pharmacy for replacement.

IV.

During the investigation of this matter, it was learned that the prescription bottle that was returned to stock and was labeled metaxalone was originally misfilled with

Metformin but was placed on the shelf behind the metaxalone and was used to fill Ms. [REDACTED]'s prescription.

FIRST CAUSE OF ACTION

V.

In verifying and dispensing a combination of 800 mg. metaxalone tablets and Metformin tablets to Ms. [REDACTED] instead of only metaxalone tablets as prescribed, Ms. Wickham violated Nevada Revised Statutes (NRS) 639.210(4) and/or Nevada Administrative Code (NAC) 639.945(1)(d) and/or (i).

SECOND CAUSE OF ACTION

VI.

In owning and operating the pharmacy in which an unidentified employee misshelved the mislabeled returned to stock bottle of Metformin directly behind the metaxalone stock bottle and where Ms. Wickham misfiled Ms. [REDACTED]'s prescription with a combination of metaxalone tablets and Metformin tablets, Walgreens #05369 violated NRS 639.210(4) and/or NAC 639.945(1)(d) and/or (i) and/or (2).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificates of registration of the Respondents.

Signed this 8th day of September, 2011.

Nevada State Board of Pharmacy

Amoxicillin prescription. Though Patient MSG's penicillin allergy was contained in Walgreens #05862's computer system, Ms. Greeley failed to notice or act upon Patient MSG's penicillin allergy. At hearing, Ms. Greeley admitted that Walgreens #05862's computer system contained the penicillin allergy and would have alerted her to the allergy, she could not explain how or why she did not notice or act upon Ms. Greeley's penicillin allergy.

3. Patient MSG's boyfriend picked up the prescription on August 11, 2005 and took it to Patient MSG's house where she began taking the Amoxicillin as directed. Patient MSG ingested one capsule and thereafter broke out in a rash. Patient MSG contacted Dr. DeBelen in the afternoon of August 11, 2005, and Dr. DeBelen told her to come to his office the following Monday (August 15). Patient MSG's rash became worse, and she went to the emergency room at St. Rose where it was determined that she had been given Amoxicillin even though she had an allergy to penicillin. Patient MSG attributes her rash to taking one dosage unit of Amoxicillin.

4. At hearing, Ms. Greeley testified that she did not remember any specific facts regarding the incident involving Patient MSG. She testified that generally she counsels all new prescriptions, which Patient MSG's prescription was, and that she always reviews with the patient the name of the medication, what it is used for, how to take it, and possible side effects.

CONCLUSIONS OF LAW

1. The Nevada State Board of Pharmacy has jurisdiction over this matter because Respondent Greeley is a pharmacist licensed by the Board and Walgreens #05862 is a pharmacy licensed by the Board.

2. In dispensing a prescription to Patient MSG for Amoxicillin where Walgreens #05862's computer system contained Patient MSG's allergy to penicillin and in counseling inadequately regarding the allergy, Ms. Greeley violated NRS 639.210(4) and NAC 639.707(4)(d)(3) and 639.945(1)(i).

3. In owning and operating the pharmacy in which Ms. Greeley's violations occurred, Walgreens #05862 violated NRS 639.210(4) and NAC 639.945(1)(i) and (2).

ORDER

Based upon the foregoing, the Board hereby orders the following:

1. Ms. Greeley shall pay a fine of \$250.00 by cashier's or certified check or money order made payable to "State of Nevada, Office of the Treasurer" to be received by the Board's Reno office within 90 days of the effective date of this Order.

2. Ms. Greeley shall pay one-half of the Board's costs and attorney's fees of \$270.00 and the Board's administrative fee of \$250.00, for a total of \$260.00 ($\$270.00 + \$250.00 / 2 = \$260.00$) by cashier's or certified check or money order made payable to "Nevada State Board of Pharmacy" to be received by the Board's Reno office within 90 days of the effective date of this Order.

3. Walgreens #05862 shall pay a fine of \$250.00 by cashier's or certified check or money order made payable to "State of Nevada, Office of the Treasurer" to be received by the Board's Reno office within 90 days of the effective date of this Order.

4. Walgreens #05862 shall pay one-half of the Board's costs and attorney's fees of \$270.00 and the Board's administrative fee of \$250.00, for a total of \$260.00 ($\$270.00 + \$250.00 / 2 = \$260.00$) by cashier's or certified check or money order made payable to "Nevada State Board of Pharmacy" to be received by the Board's Reno office within 90 days of the effective date of this Order.

5. The failure by Ms. Greeley to comply with any term in this order shall result in the immediate suspension of her license and will also result in further discipline, up to and including revocation of the her license. The failure by Walgreens #05862 to comply with any term in this order shall result in a fine of \$1,000 per day for every day that it has failed to comply with the Order until the Order is fully complied with, up to a total fine not to exceed \$30,000, and will also result in further discipline, up to and including revocation of the its license.

Signed this 8th day of February, 2006.

Nevada State Board of Pharmacy

Patient MSG attributes her rash to taking one dosage unit of Amoxicillin.

IV.

Ms. Greeley admits that she filled Patient MSG's prescription, however she does not recall seeing an allergy warning on her computer. Ms. Greeley stated that she would have called the prescribing physician had she seen the warning for confirmation and clarification.

V.

Ms. Greeley does not specifically remember counseling Patient MSG's boyfriend, however the counseling log indicates that she did counsel because her initials are on the counseling log. Ms. Greeley stated that during counseling on a new prescription she always reviews the name of the medication, what it is used for, how to take the medication, and possible side effects. Patient MSG's boyfriend does not recall being counseled.

FIRST CAUSE OF ACTION

VI.

In dispensing a prescription to Patient MSG for amoxicillin where Walgreens #05862's computer system contained Patient MSG's allergy to penicillin and in counseling inadequately, Ms. Greeley violated NRS 639.210(4) and NAC 639.707(4)(d)(3) and 639.945(1)(i).

SECOND CAUSE OF ACTION

VII.

In owning and operating the pharmacy in which Ms. Greeley's violation occurred, Walgreens #05862 violated NRS 639.210(4) and NAC 639.945(1)(i) and (2).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificates of registration of the Respondents.

Respondents.

COMES NOW Keith W. Macdonald, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, and makes the following that will serve as both a notice of intended action under Nevada Revised Statutes (NRS) 233B.127(3) and as an accusation under NRS 639.241.

I.

The Nevada State Board of Pharmacy has jurisdiction over this matter because Respondent Geoffrey S. Sheinin is a pharmacist licensed by the Board and Walgreens #05862 is a pharmacy licensed by the Board, located at 401 North Arroyo Grande, Henderson, Nevada.

II.

Patient H was being treated for glaucoma by her physician and had been taking methazolamide 50 mg. tablets. Patient H had her prescription for methazolamide tablets filled on or about June 25, 2003. Patient H received the medication from Walgreens #05862 and mentioned to her husband that they looked different and he told her that medications change all the time. Patient H ingested 19 or 20 tablets and

noticed that her eyes were irritated and had begun burning and tearing.

III.

Patient H contacted Walgreens #05862 and was asked to describe the tablets she had been taking. At that time it was discovered that Patient H had been dispensed methimazole 5 mg. tablets that were for the treatment of a thyroid condition. It was also determined that Mr. Sheinin was the pharmacist that filled the prescription. Fortunately, Patient H suffered no harm beyond her discomfort previously described.

FIRST CAUSE OF ACTION

IV.

In failing to follow the order of Patient H's physician, namely by filling Patient H's prescription with methimazole 50 mg. tablets rather than methazolamide 50 mg. tablets that had been ordered, Mr. Sheinin violated NRS 639.210(4) and NAC 639.945(1)(d) and (i).

SECOND CAUSE OF ACTION

V.

In owning and operating the pharmacy in which Mr. Sheinin's violation occurred and from which Patient H's prescription was dispensed incorrectly, Walgreens #05862 violated NRS 639.210(4) and NAC 639.945(1)(d) and (i) and (2).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificates of registration of the Respondents.

Signed this 3rd day of March, 2004.

NOTICE TO RESPONDENT

FINDINGS OF FACT,
CONCLUSIONS OF
LAW, AND ORDER

TRAC T. NGUYEN, R.Ph.,
Certificate of Registration No. 16159,

WALGREENS #05862,
Certificate of Registration No. PH01560,

Respondents.

THIS MATTER was heard by the Nevada State Board of Pharmacy (hereinafter Board) at its regular meeting on October 25, 2006, in Las Vegas, Nevada. The Board was represented by Louis Ling, General Counsel to the Board, and Respondents Trac T. Nguyen and Walgreens #05862 were represented by Rob Graham of Rob Graham & Associates. Based on the presentations of the parties and the public records in the possession and control of the Board, the Board issues the following Findings of Fact, Conclusions of Law, and Order:

FINDINGS OF FACT

1. At hearing, the parties agreed that the facts as plead in the Notice of Intended Action and Accusation were true and correct. Consequently, Board Staff presented no evidence or testimony. Mr. Nguyen appeared and testified on his behalf. Based upon the presentation of Board Staff, the Board finds the following to be the facts of this matter.

2. On March 27, 2006, James M. took a prescription for HalfLyte to Walgreens #5862 to be filled. Mr. Nguyen called "James" to the counter when Mr. Nguyen believed the prescription to be filled. Mr. M went to the counter, purchased the prescription, and went home. Approximately five hours later, Mr. M. decided to begin

taking the medication he had been provided by Mr. Nguyen and Walgreens #05862. When Mr. M. examined the prescription, he discovered that it was for a drug called NuLYTELY and that the patient's name on the prescription was James H., not James M.

3. Mr. M. telephoned Walgreens #05862 and advised the pharmacy of the mistake. Mr. M. traveled back to the pharmacy and obtained the correct prescription and returned Mr. H.'s prescription. Mr. M. was told that the pharmacy had tried to reach him to advise him of the mistake, but the attempted contact was by means of paging him on the store intercom to return to the pharmacy after Mr. M. had already left.

4. At hearing, Mr. Nguyen explained that he had discovered the error approximately an hour after Mr. M. had picked up Mr. H.'s prescription when Mr. H. called to check on his prescription and Mr. Nguyen discovered that Mr. H.'s prescription had already been sold. Because Mr. Nguyen could not locate the pertinent information regarding Mr. M., he could not call him to inform him of the error, so he did all he could, which was to page Mr. M. in the hope that Mr. M. had not yet left the store.

5. Mr. Nguyen admitted that when he dispensed Mr. H.'s prescription to Mr. M., he did not ask Mr. M. for his last name. Mr. Nguyen explained to the Board that he has changed his practice at time of counseling so that he now always ascertains the patients full name when he commences counseling. Mr. Nguyen also stated that he would accept the Board's recommendations that he also get a birth date or address from the patient as an additional check to assure that he was providing the proper prescription to the proper patient.

6. At hearing, Mr. Nguyen admitted that he had failed to notify the Board when he had moved to Nevada to begin working as a pharmacist. He explained that he has now properly notified the Board of his present address in Nevada.

CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter because Mr. Nguyen is a pharmacist licensed by the Board and because Walgreens #05862 is a pharmacy licensed by the Board.
2. In dispensing Mr. H.'s prescription to Mr. M. so that Mr. M. received a drug not prescribed for him, Mr. Nguyen violated NRS 639.210(4) and NAC 639.945(1)(i).
3. In failing to adequately counsel Mr. M. regarding his new prescription by failing to ascertain Mr. M.'s identity and thereby dispensing to Mr. M. a prescription for another patient with the same first name of James, Mr. Nguyen violated NRS 639.210(4) and NAC 639.707(1) and 639.945(1)(i).
4. In failing to notify the Board's office of his change of address when he moved and began working in Nevada, Mr. Nguyen violated NRS 639.210(4) and NAC 639.225 and 639.945(1)(i).
5. In owning and operating the pharmacy in which Mr. Nguyen's violations occurred, Walgreens #05862 violated NRS 639.210(4) and NAC 639.945(1)(i) and (2).

ORDER

Based upon the foregoing, the Board hereby orders the following:

1. Mr. Nguyen shall pay a fine of \$500.00 by certified or cashier's check or money order made payable to "State of Nevada, Office of Treasurer" to be received by the Board's Reno office within 60 days from the effective date of this Order.
2. Mr. Nguyen shall pay the Board's administrative fee of \$295.00 by certified or cashier's check or money order made payable to "Nevada State Board of Pharmacy" to be received by the Board's Reno office within 60 days of the effective date of this Order.
3. Mr. Nguyen shall obtain one hour of continuing education in Nevada jurisprudence within 60 days of the effective date of this Order. The additional hour of continuing education in Nevada jurisprudence shall be in addition to and may not be

counted towards the mandatory continuing education hours needed by Mr. Nguyen to renew his license in 2007.

4. Walgreens #05862 shall be on probation for a period of two years from the effective date of this Order. During the period of probation, Walgreens #05862 shall comply with all laws related to the practice and operation of a pharmacy, whether state or federal and whether statutory or regulatory.

5. The failure by Mr. Nguyen to comply with any term in this order shall result in the immediate suspension of his license and will also result in further discipline, up to and including revocation of the license. The failure by Walgreens #05862 to comply with any term in this order shall result in a fine of \$1,000 per day for every day that Walgreens #05862 has failed to comply with the Order until the Order is fully complied with, up to a total fine not to exceed \$30,000, and will also result in further discipline, up to and including revocation of the its license.

Signed and effective this 21 day of November, 2006.

7. Respondent Severance admits that evidence exists, and that the Board staff prosecuting this case could present such evidence at an administrative hearing, to establish a factual basis for the violation alleged in Count One of the Accusation. In the interest of compromise, the parties agree that as it relates to Respondent Severance, Count Two of the Accusation shall be dismissed with prejudice upon approval of this Stipulation by the Board.

8. In the interest of compromise, the parties agree that as it relates to Respondent Walgreens, Count Two of the Accusation shall be dismissed with prejudice upon approval of this Stipulation by the Board.

9. To resolve this matter without incurring any further costs or the expenses associated with a hearing, the Board and Respondent Severance agree to the imposition of the following penalties:

11. This Stipulation constitutes a full and final resolution of the Accusation in Case No. 23-310-RPH-S as to Respondent Severance, and a full and final resolution of the Accusation in Case No. 22-310-PH-S as to Respondent Walgreens. However, failure by either Respondent to comply with the terms stated herein may result in issuance by the Executive Secretary of an order to show cause, pursuant to NAC 639.965, directing the noncompliant Respondent to appear before the Board at the next regularly scheduled meeting for a show cause hearing. If such a hearing results in a finding of a

violation by that Respondent, the Board may impose additional discipline not inconsistent with the provisions of NRS Chapter 639.

12. The Board's Senior General Counsel will present this Stipulation to the Board for approval pursuant to NRS 622.330 at the Board's regularly scheduled public meeting on September 4, 2024, in Las Vegas, Nevada. 14. If the Board rejects any part or all this Stipulation, and unless the parties reach an alternative agreement on the record during the hearing, the parties agree that the Board may hear a full contested hearing on the merits of all alleged violations as stated in the Accusation. The terms and admissions herein may not be used, relied upon, or referred to by any party during any such hearing.

15. Subject to the approval of this Stipulation by the Board, the Board and Respondents agree to release each other from any or all additional claims arising from the facts set forth in the Accusation on file herein, whether known or unknown that might otherwise have been asserted by the Board on or before the effective date of this Order.

Respondents have fully considered the charges and allegations contained in the *Notice of Intended Action and Accusation* in this matter, and the terms of this Stipulation, and have freely and voluntarily agreed to the terms set forth herein, and waived certain rights, as stated herein.

NEVADA STATE BOARD OF PHARMACY,

Petitioner,

v.

**WALGREENS PHARMACY #06424,
Pharmacy License No. PH01628, and**

**SANETTE SEVERANCE, RPH,
Certificate of Registration No. 20772,**

Respondents.

**Case Nos. 23-310-PH-S
23-310-RPH-S**

**NOTICE OF INTENDED ACTION
AND ACCUSATION**

J. David Wuest, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, files the following document that will serve as both a notice of intended action under NRS 233B.127(3) and an accusation under NRS 622A.300(1) and NRS 639.241.

JURISDICTION

1. The Nevada State Board of Pharmacy (Board) has personal jurisdiction over Pharmacist Sanette Severance (RPH Severance) because RPH Severance is registered by the Board to practice pharmacy in Nevada. RPH Severance has held Certificate of Registration No. 20772 since January 20, 2021. RPH Severance has not previously been disciplined by the Board.

2. The Board has personal jurisdiction over Walgreens Pharmacy #06424 (Walgreens), because Walgreens holds Pharmacy License No. PH01628, issued by the Board pursuant to NRS 639.230. Walgreens has held Pharmacy License No. PH01628 since August 21, 2001. On March 12, 2024, the Board issued a citation to Walgreens concerning a dispensing error committed by a pharmacist other than RPH Severance. Walgreens paid the applicable \$500 fine.

3. The Board has jurisdiction over the subject matter of this accusation because the alleged violations involve the dispensing of dangerous drugs and the regulation of the practice of pharmacy. NRS 639.070.

FACTUAL ALLEGATIONS

4. Walgreens operates a pharmacy on West Horizon Ridge Parkway in Henderson, Nevada. In August 2023, Walgreens employed RPH Severance as a staff pharmacist at that pharmacy location.

5. On or about August 8, 2023, patient G.J. arrived at the pharmacy before his prescription was ready for pick-up. RPH Severance filled the prescription for patient G.J. while he waited.

6. Patient G.J.'s health care provider had prescribed cough syrup with codeine, specifically codeine-guaifenesin. This was a new prescription for patient G.J., such that it required patient G.J. to be counseled by a pharmacist before the sale.

7. As she began to fill the prescription, RPH Severance noted that the prescription called for 560ml of cough syrup. This was too large of a quantity to be dispensed in a single store bottle.

8. To save time while patient G.J. waited for his prescription, RPH Severance dispensed a portion of the codeine syrup in the manufacturer's stock bottle and poured the balance of the prescription into a store bottle.

9. RPH Severance affixed a label with instructions to each of the bottles. The stock bottle was also labeled with the manufacturer's instructions for use. The two bottles were enclosed in a bag before being delivered to patient G.J.

10. Before delivering the bag to patient G.J., RPH Severance asked patient G.J. whether he had any questions about his new prescription. Patient G.J. stated that he had no questions, and he left the pharmacy with the bag containing two bottles of codeine cough syrup.

11. Aside from asking whether patient G.J. had any questions, RPH Severance communicated no information to patient G.J. concerning his prescription for codeine-guaifenesin, its use, possible side effects, drug interactions, or contraindications.

12. After patient G.J. left the pharmacy, RPH Severance made an entry in pharmacy records indicating that she had counseled patient G.J. concerning his prescription for codeine-guaifenesin.

13. When, at home, patient G.J. opened his prescription bag and discovered two bottles of medication, he mistakenly concluded that he had received two different kinds of medication. Patient G.J. found it confusing that one of the bottles was labeled with two sets of instructions.

14. Concerned by an apparent lack of professionalism by Walgreens and/or RPH Severance, patient G.J.'s spouse made a complaint to the Board.

APPLICABLE LAW

15. The Board may discipline the holder of a license or registration issued by the Board if the holder engages in unprofessional conduct or conduct contrary to the public interest. NRS 639.210(4).

16. Unprofessional conduct includes performing one's duties as the holder of a certificate or registration issued by the Board in an "incompetent, unskillful or negligent manner." NAC 639.945(1)(i).

17. A pharmacist is required to communicate with the patient or a person caring for the patient all matters that will enhance therapy through drugs. NRS 639.266(1). The communication must include appropriate elements of counseling for the patient, as established by the Board. NRS 639.266(1).

18. A pharmacist has a duty to counsel patients and supply all information required by the Board pursuant to NAC 639.707. The information may include, among other things, the name and a description of the drug, the form of dosage, dose, route of administration and duration of drug therapy, the intended use of the drug or device and expected responses from that use, and any common severe side effects, interactions and contraindications that may occur, and recommendations to avoid these side effects, interactions or contraindications, and the action required if they occur. *Id.*

19. A pharmacist has a duty to keep accurate records of whether counseling was given to or refused by a patient. See NAC 639.707(6).

20. The owner of any business or facility licensed, certified or registered by the Board is responsible for the acts of its employees. NRS 639.230(5), NAC 639.702 and NAC 639.945(3).

COUNT ONE

**Failure by Pharmacist to Counsel
(RPH Severance and Walgreens)**

21. Although RPH Severance asked patient G.J. if he had any questions about his medication, RPH Severance failed to communicate matters which would enhance therapy through drugs. Nevada law requires a pharmacist to affirmatively counsel a patient by communicating all matters which will enhance therapy through drugs. Nevada law explicitly lists many of the subjects that a pharmacist should address when counseling a patient. See NRS 639.266(1) and NAC 639.707(2). RPH Severance did not discuss a single relevant topic with patient G.J.

22. Having neglected to counsel patient G.J. in a manner that enhances drug therapy, RPH Severance performed her duties in an incompetent, unskillful or negligent manner. This constitutes unprofessional conduct for which RPH Severance may be disciplined. NRS 639.210(4); NAC 639.945(1)(i).

23. As the pharmacy/pharmacy owner at which the violations of law alleged herein occurred, Walgreens is responsible for those violations, including all errors and omissions of RPH Severance. NRS 639.230(5), NAC 639.702, and NAC 639.945(2).

///

///

///

///

COUNT TWO
Failure to Make an Accurate Record of Counseling
(RPH Severance and Walgreens)

24. RPH Severance made an entry in pharmacy records indicating that patient G.J. had been counseled even though she did not properly counsel him. Counseling records should only indicate that a patient has been counseled if the patient was counseled properly. See NAC 639.707(6). In this case, patient G.J. was not properly counseled.

25. Having made a false, misleading, or incomplete record of counseling, RPH Severance performed her duties in an incompetent, unskillful or negligent manner. This constitutes unprofessional conduct for which RPH Severance may be disciplined. NRS 639.210(4); NAC 639.945(1)(i).

26. As the pharmacy/pharmacy owner at which the violations of law alleged herein occurred, Walgreens is responsible for those violations, including all errors and omissions of RPH Severance. NRS 639.230(5), NAC 639.702, and NAC 639.945(2).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificate of registration of Respondent Sanette Severance and the pharmacy license of Respondent Walgreens Pharmacy #06424.

DATED this 24th day of JULY 2024.

Nevada State Board of Pharmacy

Pharmacy Application 7 of 10

2. On May 17, 2005, Patient O had her prescription for hydromorphone 2 mg./ml. injectable, 20 ml. qty. #32 vials filled at Walgreens #6545. Ms. Parikh filled the prescription. Patient O picked up the prescription and took it home. When Patient O arrived home, she received a telephone call from Ms. Parikh advising Patient O that Ms. Parikh had mislabeled her prescription with the wrong directions for use. Ms. Parikh indicated to Patient O that Patient O's physician had written the wrong directions for use on the prescription. Patient O examined the prescription she had received from Walgreens #6545 and discovered that the directions for use on the label were, "Use 2-6 vials every 2-4 hours as needed as directed."

3. Patient O was a nurse and was, therefore, medically knowledgeable, so she did not inject any of the hydromorphone according to the incorrect directions for use.

4. At hearing, Ms. Parikh explained that she bypassed a high dosage warning that was created by Walgreens #6545's computer system. Ms. Parikh offered as an explanation for bypassing the warning that Patient O had been taking hydromorphone for some time and that she believed that such a high dose (2-6 vials), even though very high, might be correct.

5. At hearing, Ms. Parikh testified that she spoke with Patient O for 30-40 minutes when Patient O picked up the hydromorphone prescription at issue. Though the records maintained by Walgreens #6545 showed that Ms. Parikh generally kept good records regarding her counseling of patients, in this matter of Patient O's hydromorphone prescription Ms. Parikh made no record of having counseled Patient O. Mr. Forster testified that new technological advances in Walgreens' computer systems would have required and captured all counseling transactions, including the transaction

with Patient O, so that in the near future a failure to counsel as occurred in this matter would not occur again.

CONCLUSIONS OF LAW

1. The Nevada State Board of Pharmacy has jurisdiction over this matter because Respondent Parikh is a pharmacist licensed by the Board and Walgreens #06545 is a pharmacy licensed by the Board.

2. By filling and dispensing Patient O's prescription for hydromorphone injectable with incorrect directions for use, Ms. Parikh violated NRS 649.210(4) and NAC 639.945(1)(d) and (i).

3. In failing to make or provide any record regarding the prescription for Patient O in the pharmacy's counseling log, Ms. Parikh violated NRS 639.210(4) and NAC 639.707(6) and 639.945(1)(i).

4. In failing to have any record regarding the prescription for Patient O in the pharmacy's counseling log, Walgreens #6545 violated NRS 639.210(4) and NAC 639.707(6) and 639.945(1)(i) and (2).

5. In owning and operating pharmacies that are repeatedly negligent as evidenced by the Board's orders in Case Nos. 04-006-S, 04-029-S, and 05-020-S by repeatedly failing to document patient counseling, Walgreens Co. violated NRS 639.210(4) and (16) and 639.266(1) and NAC 639.707 and 639.945(1)(i) and (2).

6. The Fourth Cause of Action is dismissed.

ORDER

Based upon the foregoing, the Board hereby orders the following:

1. Ms. Parikh shall receive a letter of admonition.

2. Walgreens #06545 shall pay the Board's costs and attorney's fees of \$360.00 and the Board's administrative fee of \$250.00, for a total of \$610.00 by cashier's or certified check or money order made payable to "Nevada State Board of Pharmacy" to be received by the Board's Reno office within 90 days of the effective date of this Order.

3. The Fourth Cause of Action is dismissed.

4. The failure by Walgreens #06545 to comply with any term in this order shall result in a fine of \$1,000 per day for every day that it has failed to comply with the Order until the Order is fully complied with, up to a total fine not to exceed \$30,000, and will also result in further discipline, up to and including revocation of the its license.

Certificate of Registration No. PH01627,

Case No. 05-037-PH-S

WALGREEN CO.

Case No. 05-037-PH-S

Respondents.

COMES NOW Larry L. Pinson, in his official capacity as Executive Secretary of the Nevada State Board of Pharmacy, and makes the following that will serve as both a notice of intended action under Nevada Revised Statutes (NRS) 233B.127(3) and as an accusation under NRS 639.241.

I.

The Nevada State Board of Pharmacy has jurisdiction over this matter because Respondent Poorva M. Parikh is a pharmacist licensed by the Board, Walgreens #06545 is a pharmacy licensed by the Board, located at 11001 South Eastern Avenue, Henderson, Nevada.

II.

On or about May 17, 2005, Patient O had her prescription for hydromorphone 2 mg./ml. injectable, 20 ml. qty. #32 vials from filled at Walgreens #6545. Walgreens #6545 and Ms. Parikh filled the prescription, and Patient O picked up her prescription

and took it home. When she arrived home, Patient O received a telephone call from Ms. Parikh advising Patient O that she had mislabeled her prescription with the wrong directions for use. Ms. Parikh indicated to Patient O that Patient O's physician had written the wrong directions for use on the prescription. Patient O examined the medication she had been given at Walgreens #6545 and discovered the directions for use on the label was "Use 2-6 vials every 2-4 hours as needed as directed."

III.

Patient O contacted Mike Eastman, the physician's assistant who had written the prescription and advised him that the prescription she had received for her Dilaudid injectable was written with incorrect directions. PA Eastman obtained a copy of the prescription from Walgreens #6545 and found the directions for use were written correctly. PA Eastman told the pharmacist he spoke with at Walgreens #6545 that had Patient O followed the directions on the prescription label by injecting 2-6 vials rather than ml., Patient O could have been severely harmed or that a dosage that high could possibly have caused death. It was determined that Ms. Parikh had not followed the directions of the physician's assistant and had mislabeled Patient O's prescription.

IV.

Ms. Parikh admitted in a written statement that she bypassed a high dosage warning so she could complete the processing of the prescription. Ms. Parikh also stated that she had spoken with Patient O for approximately 30 to 40 minutes regarding her health, her prescription use, her weight gain issues, and had even reviewed her patient profile to discuss her medication usage. It was found during the investigation of

this matter that Ms. Parikh had failed to enter the prescription for Patient O on the counseling log.

FIRST CAUSE OF ACTION

V.

By filling and dispensing Patient O's prescription for Dilaudid injectable with incorrect directions for use, Respondent Parikh violated NRS 639.210(4) and NAC 639.945(1)(d) and (i).

SECOND CAUSE OF ACTION

VI.

In failing to make or provide any record regarding the prescription for Patient O in the pharmacy's counseling log, Respondent Parikh violated NRS 639.210(4) and NAC 639.707(6) and 639.945(1)(i).

THIRD CAUSE OF ACTION

VII.

In failing to have any record regarding the prescription for Patient O in the pharmacy's counseling log, Walgreens #6545 violated NRS 639.210(4) and NAC 639.707(6) and 639.945(1)(i) and (2).

FOURTH CAUSE OF ACTION

VIII.

On July 21, 2004, Board President Larry L. Pinson accepted and signed a stipulated agreement that was offered and accepted by Walgreens #4755 (*Nevada State Board of Pharmacy v. Walgreens #4755*, Case No. 04-006-S). Walgreens #4755 was charged in case number 04-006-PH-S with failing to counsel on a new prescription

for Mexiletine and failing to have any record regarding the prescription in the pharmacy's counseling log.

X.

On February 3, 2005, the Board entered Findings of Fact, Conclusions of Law, and Order in a case entitled *Nevada State Board of Pharmacy v. Walgreens #03845 and Walgreen Co.* (Case No. 04-029-PH-S). The facts of that case were that Ms. Griego lacerated her index finger while working. Ms. Griego was directed to Walgreens #03845 to handle her industrial accident prescription needs. Ms. Griego was allergic to penicillin. The physician's assistant that treated her for her cut finger wrote a prescription for a product written as "Amox." Walgreen's #03845 did not take any information from Ms. Griego nor was she asked if she had allergies. The prescription was filled and dispensed at the drive-up window and Ms. Griego did not receive any counseling from a pharmacist, nor was there any record or entry on Walgreens #03845's counseling log regarding Ms. Griego's prescription. The Board found that Walgreens #03845 had failed to counsel the patient and had failed to document the counseling. The Board placed Walgreens #03845 on probation for a period of one year while Walgreens studied how to improve its counseling at its Nevada pharmacies.

XI.

On August 18, 2005, the Board entered Findings of Fact, Conclusions of Law, and Order in a case entitled *Nevada State Board of Pharmacy v. Walgreens #03845 and Walgreen Co.* (Case No. 05-020-PH-S). Ms. Mensah appeared at hearing and described the spontaneous fainting episodes she experienced after receiving a prescription for Diltiazem HCL 90 mg. tablets that was not prescribed for her. She

ingested Diltiazem HCL 90 mg. tablets for approximately two months before it was discovered that she had been taking this medication in error. The prescription was filled and dispensed to Ms. Mensah at Walgreens #03845. The Board found that Walgreens #03845 had failed to counsel Ms. Mensah and had failed to document the counseling.

XII.

In being repeatedly negligent as evidenced by the Board's Orders in Case No. 04-006-S, Case No. 04-029-PH-S and Case No. 05-020-PH-S by failing to provide counseling and to document counseling, Walgreens #6545 violated NRS 639.210(4) and (16) and 639.266(1) and NAC 639.707 and 639.945(1)(i) and (2).

FIFTH CAUSE OF ACTION

XIII.

In owning pharmacies that are repeatedly negligent as evidenced by the Board's Orders in Case No. 04-006-S, Case No. 04-029-PH-S and Case No. 05-020-PH-S by failing to document patient counseling, Walgreens Co. violated NRS 639.210(4) and (16) and 639.266(1) and NAC 639.707 and 639.945(1)(i) and (2).

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificates of registration of the Respondents.

Signed this 14th day of October, 2005.

4/15/15
DATED

Kamlesh Gandhi, President
Nevada State Board of Pharmacy

1. **PRESCRIPTION NO. 580970 – OXYCODONE-ACETAMINOPHEN 7.5-325 MG. TABLETS**

III.

On July 29, 2014, J.H. saw Dr. Goldman, who prescribed a quantity of ninety (90) oxycodone acetaminophen 7.5-325 mg. oral tablets with instructions to take one tablet twice to three times daily.

IV.

Walgreens accepted the prescription and dispensed J.H.'s medication later that day.

V.

On August 27, 2014, J.H. returned to Walgreens to pick up a subsequent prescription for oxycodone-acetaminophen 7.5-325 mg. tablets. At that time, pharmacy staff discovered that Walgreens filled and dispensed J.H.'s July 29, 2014 prescription incorrectly. Rather than dispensing the oxycodone-acetaminophen 7.5-325 mg. tablets J.H.'s doctor prescribed, it dispensed oxycodone-acetaminophen 10-325 mg. tablets.

VI.

J.H. ingested ninety (90) of the erred medication with no reported adverse effects.

VII.

Pharmacist Ms. Quach performed the data entry of prescription number 580970. During data entry, Ms. Quach inadvertently selected oxycodone-acetaminophen 10-325 mg. tablets, rather than the oxycodone-acetaminophen 7.5-325 mg. tablets as prescribed.

VIII.

Ms. Quach performed data entry verification by reviewing the pharmacy computer screens to validate patient, prescriber and drug/product information at 09:10:53 a.m.

IX.

During data input, five Drug Utilization Review (DUR) warnings appeared on the computer screen. Two DUR warnings related to the patient's insurance plan. The other three DUR warnings identified potential drug related problems, including; caution in elderly use, therapeutic duplication

and drugs that interact or are affected by previously dispensed medications. Those warnings were indicated as follows:

- DUR Type: DRUG/HLTH COND
DUR Description: ELDERLY INDICATES USING CAUTION WITH OXYCODONE/ACETAMINOPHEN 10-325MG TB
- DUR Type: DUPLICATE THERAPY
DUR Description: SIGNIFICANCE: ABUSE/DEPENDENCY POTENTIAL
DUPLICATION ALLOWANCE: 0
OXYCODONE/ACETAMINOPHEN 10-325MG TB AND OXYCODONE/ACETAMINOPHEN 7.5-325MG TB ARE MEMBERS OF THE SHORT ACTING NARCOTIC ANALGESICS CLASS AND MAY REPRESENT DUPLICATE THERAPY
- DUR Type: DRUG DOSAGE CONDITION ENCOUNTERED
DUR Description: 181 DAYS OF OXYCODONE/ACETAMINOPHEN 10-325MG TB AND PREVIOUS PRESCRIPTIONS FOR THIS GENERIC ENTITY(IES) MAY EXCEED THE RECOMMENDED GERIATRIC DURATION: 1-30 DAYS

X.

Per Walgreens' records, Ms. Quach overrode all five DUR warnings at 09:10:54 a.m., one second after performing data verification. During the investigation, Jaclyn Latteri, Walgreens District Pharmacy Supervisor, explained to the Board Investigator that the pharmacist has the option of overriding each DUR warning individually or to override multiple DUR warnings simultaneously.

XI.

Ms. Quach failed to detect the error in the strength of the oxycodone-acetaminophen tablets throughout the data entry and data verification process.

XII.

Ms. Quach was the verifying and dispensing pharmacist for J.H.'s prescription. Ms. Quach failed to detect the error when verifying the final product.

XIII.

Ms. Quach explained to the Board Investigator that when she performs the final product review, she does not always view the scanned image of the hard-copy of the prescription. That process is performed at data entry. Ms. Quach indicated that at the final verification, she validates the color, shape and markings on the drug against the image of the drug on the computer screen.

XIV.

Prescription No. 580970 was a new prescription. Pharmacy records indicate that counseling was declined as J.H. had received the same medication in the past.

2. **PRESCRIPTION NO. 603948 – OXYCODONE-ACETAMINOPHEN 7.5-325 MG. TABLETS**

XV.

On December 22, 2014, J.H. again saw Dr. Goldman, who prescribed a quantity of ninety (90) oxycodone-acetaminophen 7.5-325 mg. oral tablets, with instructions to take one tablet twice to three times daily.

XVI.

Walgreens accepted the prescription and dispensed the medication the same day.

XVII.

After ingesting eighteen (18) doses of the dispensed medication, J.H. contacted Dr. Goldman indicating that the medication was not working. During that call, J.H. identified the medication dispensed by Walgreens as hydrocodone-acetaminophen 7.5-325 mg. tablets, rather than the oxycodone-acetaminophen 7.5-325 mg. tablets the doctor prescribed.

XVIII.

Pharmaceutical technician Lena Roybal (Ms. Roybal) performed the data entry of prescription number 603948. During data entry, Ms. Roybal inadvertently selected hydrocodone-acetaminophen 7.5-325 mg. tablets.

XIX.

Ms. Quach performed data entry verification by reviewing three pharmacy computer screens to validate patient, prescriber and drug/product information. Ms. Quach failed to identify the error during data entry verification.

XX.

Pharmacy records indicate that Ms. Quach did not sufficiently review the screens as the documented time of review for each individual screen was 02:59:47 p.m. There was no time lapse between the screens reviewed. During data input, a DUR alert displayed on the computer screen as

follows: DUR Type: DRUG/HLTH COND
 DUR Description: ELDERLY INDICATES USING CAUTION WITH
 HYDRODCODONE/ACETAMINOPHEN 7.5-325 T

XXI.

According to pharmacy records, Ms. Quach entered an override for the DUR warnings at 02:59:48 p.m., a one second time lapse between data entry verification and the DUR override.

XXII.

Ms. Quach was the pharmacist who filled, verified and dispensed J.H.'s prescription. She failed to detect the error during the entire filling and verification process.

XXIII.

Ms. Quach stated during the investigation that she recalls focusing on the strength of the medication (7.5-325 mg.) because of the past error that she made on a prescription for the same patient. In doing so, she glanced at the drug name on the prescription and saw "acetaminophen" and thought she was dispensing the correct medication.

XXIV.

During the final product review, Ms. Quach does not always view the scanned image of the hard-copy of the prescription.

XXV.

Prescription number 603948 was a new prescription. Pharmacy records indicate that counseling was declined, as J.H. had received the same medication previously.

FIRST CAUSE OF ACTION

(Prescription No. 580970 – Oxycodone-Acetaminophen 7.5-325 Mg. Tablets)

XXVI.

In failing to strictly follow the instructions of J.H.'s physician by verifying and dispensing oxycodone-acetaminophen 10-325 mg. tablets, rather than the oxycodone-acetaminophen 7.5-325 mg. tablets that were prescribed, Ms. Quach violated Nevada Administrative Code (NAC) 639.945(1)(d) and/or (i), which violations are grounds for action pursuant to NRS 639.210(4), (11), and/or (12), and NRS 639.255.

SECOND CAUSE OF ACTION

(Prescription No. 603948 – Oxycodone-Acetaminophen 7.5-325 mg. Tablets)

XXVII.

In failing to strictly follow the instructions of J.H.'s physician by verifying and dispensing hydrocodone-acetaminophen 7.5-325 mg. tablets, rather than the oxycodone-acetaminophen 7.5-325 mg. tablets Dr. Goldman prescribed, Ms. Quach violated NAC 639.945(1)(d) and/or (i), which violations are grounds for action pursuant to NRS 639.210(4), (11), and/or (12), and NRS 639.255.

THIRD CAUSE OF ACTION

(Prescription Nos. 580970 and 603948 – Oxycodone-Acetaminophen 7.5-325 Mg. Tablets)

XXVIII.

As the pharmacy in which the violations alleged above occurred, Walgreens is statutorily responsible for the actions of respondent Nancy Quach, as alleged herein, pursuant to NAC 639.945(2), which is grounds for discipline pursuant to NRS 639.210(4), (11) and/or (12), and NRS 639.255.

WHEREFORE it is requested that the Nevada State Board of Pharmacy take appropriate disciplinary action with respect to the certificates of registration of these respondents.

Signed this 10th day of March, 2015.

Nevada State Board of Pharmacy
