Senior Director, Product Development and Operations, Vista Site Leader	Leica Biosystems	11/21/2022		Overall site responsibility for Leica Biosystems in Vista, CA including Operations, R&D, Program Management, Field Support, and Facilities. Through my tenure in this role, we have increased production output by double digits while keeping direct labor flat. In this same time period, product failure rates in the field have reduced by over 50%. On the R&D front, our New Product Development velocity has more than doubled with the introduction of our new Innovation Engine and robust PPG Standard Work.

Global Marketing Growth Leader	Leica Biosystems	06/14/2021	11/21/2022	Own and drive the continued optimization and integration of the various commercialization growth processes and tools (MMP, LEx, CI) that enable LBS to achieve its incremental Revenue Achievement targets. Focusing on innovation, strengthening Leica Biosystems' vision through strong cross-functional and customer-centric standard work within the commercialization process.		
DBS Leader - Quality, Regulatory, and Clinical Affairs	Leica Biosystems	03/25/2019	06/04/2021	Global role responsible for leading DBS and Project Management within Leica Biosystems' quality, regulatory, and clinical (QRAC) organization. Architecting and delivering against a 3 year QRAC strategic plan including global quality system simplification, EU In Vitro Diagnostic Regulation (IVDR) compliance, and DBS integration and execution with the QRAC space.		
Operations Manager	Radiometer / SenDx Medical	11/01/2016	03/22/2019	Responsible for all manufacturing operations at Radiometer Carlsbad / SenDx Medical, a team of 125 associates. Direct management of 4 value stream managers, 1 process engineering manager, and 1 facilities staff to deliver $60MUSD annually of blood gas analyzer instruments and consumables (thick film sensors, solution packs, and service parts) supported through safety initiatives (4E + Kamishibai), internal and external quality improvements (PSP + VM/DM + FMEA), increased OTD (PSP + SW + Capacity Modelling), inventory reduction and control (Kanban + 5S), and increased productivity (SW + SMED).

Value Stream Manager	Radiometer / SenDx Medical	11/01/2015	11/01/2016	Responsible for managing a team of 25 direct labor associates, 1 process engineer, 1 value stream buyer, and 1 engineering technician in the thick film manufacturing Substrate Value Stream. Responsible for meeting safety, quality, delivery, inventory, and productivity goals. During this 12 month assignment, yields increased from 79% to 82% for our N&W production lines and from 78% to 83% for our SC80 production line. Enabled through a 35% productivity increase, our value stream was able to fully meet customer demand and build critical safety stock for the first time in company history. These improvements were accomplished without adding headcount or purchasing capital equipment, but through DBS deployment and effective talent management.		

Job Title	Company	Start Date	End Date	Responsibilities and Achievements	Edit Job History	Remove Job History
Senior Engineering Project Manager	Radiometer / SenDx Medical	03/01/2013	11/01/2015	Responsible for managing all aspects of new product development, specifically for the ABL9, a new blood gas analyzer platform targeting emerging markets. Successful management from TG2 through TG4 resulted in a project release that was on time and under budget, meeting all product design and cost requirements. The ABL9 is now released for global sales and meeting all field quality and reliability targets. Regarding reliability, I presented a paper at the Danaher Conference on Innovation in 2014 on the implementation of the DSB tool Design for Reliability on the ABL9 project. This role required the management of project schedules, design reviews, NPD metrics, and budgets. This required a hands-on working knowledge of IEC 61010, IEC 61326, IEC 62304, ISO 14971, ISO 13485, CE marking, and CFDA (China) regulations and processes. Coordinate and align project deliverables with Marketing, Engineering, Software, Manufacturing, Quality, and Regulatory Affairs. Actively involved in global launch and marketing activities. Broad experience with lean management principled, tiered daily management, failure mode effects analysis (FMEA), risk management, speed design review, visual management, reliability engineering, user experience (UX), voice of customer, market needs and wants analysis, and usability engineering.

The Food and Drug Administration (FDA) has assigned the above Labeler Code to your firm. **The number cannot be used until you have confirmed the assignment. Please revise and resubmit your Labeler Code Request SPL to include the assigned number above to complete the process. To do this, open the previous Labeler Code Request SPL file and fill in the new information (your assigned Labeler Code) without changing the other existing information. Fill in a new root id and new version number with the original set id and the appropriate effective time.**

For CDER Direct Users: Open the previously submitted and accepted Labeler Code Request, click Create New Version, enter the Labeler Code assigned in the field for "Labeler Code", and Submit SPL.

This Labeler Code should be used to create the NDC (National Drug Code) assigned to all drugs you manufacture or distribute for U.S. commercial distribution. The assignment of NDC is extensively discussed in Title 21 of Code of Federal Regulations (CFR) 207.35. The NDC for each drug must be submitted as part of drug listing information submitted to FDA. Per 21 CFR Part 207, owners or operators of an establishment entering into the manufacture or processing of a drug or drugs shall drug list, every drug in commercial distribution within 5 days after the beginning of operation. Labeler Codes are assigned by FDA and may be inactivated at any time upon violation of the Federal Food, Drug and Cosmetic Act.

Note that receipt of this letter is not to be construed as Federal Government endorsement or approval of the establishment or its products.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 17th day of June, 2024.

Observation
*This document only addresses compliance with the rules or laws specifically identified above.

As the person in charge at the time of this inspection, I affirm that I have reviewed this inspection report with the Specialist/Agent/Inspector, and understand its content.

If this inspection report requires a written response, I understand, per OAC 4729:5-3-03, that either of the following must be submitted to the State of Ohio Board of Pharmacy within 30 days of this inspection:

(1) The action(s) the licensee or applicant has taken to correct the violation(s) and the date of implementation of the corrective action(s); or
(2) An explanation disputing the observed violations.

I understand that if I am not the responsible person documented on this site's Ohio terminal distributor of dangerous drugs license, I will ensure the responsible person is provided a complete copy of this inspection report in a timely manner.

I further acknowledge that a written response does not release the licensee listed in this inspection report from potential disciplinary action.

Responses must be either emailed (with a copy of the inspection report) to writtenresponse@pharmacy.ohio.gov or mailed to 77 South High Street, 17th Floor, Columbus, Ohio 43215.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 0754159

Application/License No. _____

Rising Pharma Holdings, Inc. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 650 Randolph Road, Somerset, NJ 08873 (Address of Applicant/Principal), as PRINCIPAL, and International Fidelity Insurance Company (Surety Company), a corporation organized under the laws of the state of New Jersey (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 1 Riverfront Plaza, Suite 920, Newark, NJ 07102 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on June 19, 2019 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 19th day of June, 2019.

(Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 4602 E Elwood Street, Suite 11 Phoenix, AZ 85040 (Address of Applicant/Principal), as PRINCIPAL, and Merchants Bonding Company (Mutual) (Surety Company), a corporation organized under the laws of the state of Iowa (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 6700 Westown Parkway, West Des Moines, IA 50266 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on June 12, 2025 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statue (NRS) 639.515 and Nevada Administrative Code (NAC) 639.5937 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $25,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 12th day of June, 2025.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 83BSBJI1637

Application/License No. _____

TSC LIFE US, INC. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 6400 S Fiddlers Green Circle, Suite 305 Greenwood Village, CO 80111 (Address of Applicant/Principal), as PRINCIPAL, and HARTFORD FIRE INSURANCE COMPANY (Surety Company), a corporation organized under the laws of the state of CT (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is One Hartford Plaza Hartford, CT 06155 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on March 20, 2025 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statue (NRS) 639.515 and Nevada Administrative Code (NAC) 639.5937 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $25,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 20th day of March, 2025.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 800011503

Application/License No. _____

VitalCare Health Services, Inc dba VitalCare Health Services (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 5301 Longley Lane, Bldg. E, Unit 189 & 190, Reno, NV 89511 (Address of Applicant/Principal), as PRINCIPAL, and Atlantic Specialty Insurance Company (Surety Company), a corporation organized under the laws of the state of New York (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 601 Carlson Parkway, Minnetonka, MN 55345 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on February 7, 2025 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 7th day of February, 2025.

PLEA AGREEMENT

ANIMAL HEALTH INTERNATIONAL, INC. (EIN: 84-0575063) ("AHI") has entered into a Plea Agreement with the United States of America, by counsel, pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure ("Fed. R. Crim. P."). The terms and conditions of this Plea Agreement are as follows:

1. CHARGE TO WHICH AHI IS PLEADING GUILTY AND WAIVER OF RIGHTS

AHI will enter a plea of guilty to Count One of the Information charging it with violating Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1) in the Western District of Virginia by introducing and delivering for introduction, and causing the introduction and delivery for introduction, into interstate commerce of veterinary prescription drugs that were misbranded.

AHI understands, and the parties agree and stipulate, the maximum statutory penalty is a fine of $14,855,856 (fourteen million eight hundred fifty-five thousand eight hundred fifty-six dollars), pursuant to Title 18, United States Code, Section 3571(d), and a period of probation of five (5) years, pursuant to Title 18, United States Code, Section 3561(c)(2). In addition, AHI's assets are subject to forfeiture. AHI understands fees may be imposed to pay for probation and there will be a $125 (one hundred twenty-five dollars) special assessment for Count One, pursuant to Title 18, United States Code, Section 3013(a)(1)(B)(iii). AHI's attorneys have informed it of the nature of the charge and the elements of the charge that must be proved by the United States beyond a reasonable doubt before AHI could be found guilty as charged.

AHI admits and agrees that all of the statements and allegations in the Information are true and correct.

AHI acknowledges AHI has had all of its rights explained to it. AHI expressly recognizes that, as a corporation, AHI may have the following constitutional rights and by voluntarily pleading guilty AHI knowingly waives and gives up these valuable constitutional rights:

The right to plead not guilty and persist in that plea.
The right to a speedy and public jury trial.
The right to assistance of counsel at that trial and in any subsequent appeal.
The right to remain silent at trial.
The right to testify at trial.
The right to confront and cross-examine witnesses.
The right to present evidence and witnesses.

The right to compulsory process of the court.
The right to compel the attendance of witnesses at trial.
The right to be presumed innocent.
The right to a unanimous guilty verdict.
The right to appeal a guilty verdict.

AHI is pleading guilty as described above because AHI is in fact guilty and because AHI believes it is in its best interest to do so and not because of any threats or promises, other than the terms of this Plea Agreement, described herein, in exchange for its plea of guilty. AHI agrees all of the matters set forth in the Information are true and correct.

AHI understands the plea is being entered in accordance with Fed. R. Crim. P. 11(c)(1)(C).

2. SENTENCING PROVISIONS

The parties agree the 2018 version of the United States Sentencing Commission Guidelines Manual ("U.S.S.G.") is the appropriate Guidelines Manual to utilize. According to U.S.S.G. § 8C2.1, the organizational fine provisions do not apply to the count of conviction in this case, which is a misdemeanor under 21 U.S.C. § 333(a)(1).

The parties agree and stipulate:

a. the fine shall be $5,000,000 (five million dollars);
b. AHI shall pay $1,000,000 (one million dollars) to the Virginia Department of Health Professions ("DHP") in recognition of direct assistance provided by DHP to the United States during the investigation;
c. AHI shall forfeit $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars); and
d. AHI shall serve a term of probation of one to three years, as determined by the Court.

The Court will determine what terms and length of probation are appropriate and the parties will be free to argue for which terms and length of probation they believe are appropriate. AHI understands and agrees if its probation is revoked, it may be resentenced and a total aggregate fine up to the statutory maximum may be imposed.

The parties agree if the Court refuses to accept this Plea Agreement with the agreed-upon sentence, AHI will be free to withdraw its guilty plea. In the event the Court refuses to accept this Plea Agreement and AHI withdraws its guilty plea within ten days of being notified of the Court's refusal, nothing in this Plea Agreement shall be deemed a waiver of the provisions of Federal Rule of Evidence ("Fed. R. Evid.") 410. Under these circumstances, the United States will move to dismiss the Information without prejudice and the United States may file any charges it could have filed in the absence of the plea agreement. AHI agrees to toll the statute of limitations between the date of the plea and the filing of any such charges.

3. FINANCIAL OBLIGATIONS

AHI agrees and understands any of the money paid pursuant to this Plea Agreement will be returned if, and only if, the Court refuses to accept this Plea Agreement with the agreed-upon sentence and, as a result, AHI withdraws its guilty plea. If the Court rejects this Plea Agreement and AHI withdraws its guilty plea, the United States will return all money paid by AHI, without

interest, not more than thirty (30) days after AHI withdraws its guilty plea and notifies the United States Attorney's Office for the Western District of Virginia ("USAO"), in writing, it wishes to have the money returned.

In addition, in accordance with 18 U.S.C. § 3572(d)(3), AHI will notify the Court of any material change in AHI's economic circumstances that might affect AHI's ability to pay any amounts payable under this Plea Agreement.

a. Payments

Within 7 days of the entry of AHI's guilty plea, AHI will make the following disbursements:

(1) $125 (one hundred twenty-five dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the special assessment.

(2) $5,000,000 (five million dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the fine;

(3) $1,000,000 (one million dollars) to the Virginia Department of Health Professions. These funds must be remitted in the form of certified funds made payable to the "Treasurer of Virginia." The comment section of the check should note "DHP-Enforcement" in recognition of direct assistance provided to the United States during the investigation; and

(4) $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) made payable to the United States Marshals Service, as directed by the USAO as payment of a forfeiture money judgment.

b. Forfeiture

AHI agrees to the entry of a forfeiture money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency ("Forfeiture Money Judgment") pursuant to 21 U.S.C. §§ 334 and 853(p), and 28 U.S.C. § 2461(c). AHI agrees that the value of the quantities of prescription drugs which were misbranded in violation of 21 U.S.C. § 331(a) totaled at least $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency.

AHI acknowledges and agrees the quantities of the drugs which were misbranded in violation of 21 U.S.C. § 331(a) cannot be located upon exercise of due diligence, or have been transferred or sold to, or deposited with, a third party, placed beyond the jurisdiction of the Court, substantially diminished in value, or commingled with other property which cannot be divided without difficulty. Accordingly, AHI agrees the government is entitled to forfeit as substitute assets any other assets of AHI up to the value of the now missing directly forfeitable assets, pursuant to

21 U.S.C. § 853(p). Payment in full of the Forfeiture Money Judgment shall satisfy any and all forfeiture obligations that AHI may have as a result of this guilty plea. AHI consents to the entry of an Order of Forfeiture pursuant to Rule 32.2 of the Federal Rules of Criminal Procedure forfeiting the above-referenced Forfeiture Money Judgment.

AHI agrees to sign any documentation necessary and to cooperate fully with the United States to accomplish the forfeiture. AHI agrees to forfeit all interest in these funds and to take whatever steps are necessary to pass clear title of these funds to the United States.

AHI agrees not to file a claim in any forfeiture proceeding or to contest, in any manner, the forfeiture of said assets. AHI agrees not to file or interpose any claim or to assist others to file or interpose any claim to any property against which the government seeks to execute the Forfeiture Money Judgement in any administrative or judicial proceeding.

AHI understands and agrees forfeiture of this property is proportionate to the degree and nature of the offense. AHI freely and knowingly waives any and all constitutional and statutory challenges to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including, but not limited to, that the forfeiture constitutes an excessive fine or punishment. AHI further understands and agrees this forfeiture is separate and distinct from, and is not in the nature of, or in lieu of, any monetary penalty or other monetary judgment that may be imposed by the court.

c. Restitution

The parties agree and stipulate, pursuant to 18 U.S.C. § 3663(a)(1)(B)(ii), that no restitution will be ordered.

4. ADDITIONAL OBLIGATIONS

Unless the Court rejects this Plea Agreement and, as a result, AHI withdraws its plea, AHI agrees to: (1) accept responsibility for its conduct; (2) not attempt to withdraw its guilty plea; (3) not deny it committed the crime to which it has pled guilty; (4) comply with any reasonable request of the United States Attorney's Office and (5) not make or adopt any arguments or objections to the presentence investigation report that are inconsistent with this Plea Agreement.

Neither AHI, nor its corporate parent (Patterson Companies, Inc. ["Patterson"]), will (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If Patterson or AHI makes a public statement that in whole or in part contradicts any such statement or provision, AHI may avoid being in violation of this Plea Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by Patterson's and AHI's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) Patterson or AHI websites. Notwithstanding the above, Patterson and AHI may avail themselves of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by

any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

5. WAIVER OF RIGHT TO APPEAL AND COLLATERALLY ATTACK THE JUDGMENT AND SENTENCE IMPOSED BY THE COURT

If the Court accepts this Plea Agreement, AHI agrees AHI will not appeal the conviction or sentence imposed. AHI is knowingly and voluntarily waiving any right to appeal and is voluntarily willing to rely on the Court in sentencing it, pursuant to the terms of Fed. R. Crim. P. 11(c)(1)(C). AHI expressly waives its right to appeal as to any and all issues in this matter and waives any right it may have to collaterally attack, in any future proceeding, any order issued in this matter, unless such appeal or collateral attack cannot be waived, by law. AHI understands the United States expressly reserves all of its rights to appeal, but if the United States initiates a direct appeal of the sentence imposed, AHI may file a cross appeal of that same sentence. AHI agrees and understands if it files any court document (except for an appeal or collateral attack based on an issue that cannot be waived, by law) seeking to disturb, in any way, any order imposed in the case such action shall constitute a failure to comply with a provision of this Plea Agreement.

6. INFORMATION ACCESS WAIVER

AHI agrees to waive all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a. However, if a third party obtains any records pertaining to the investigation or prosecution of this case under the Freedom of Information Act, AHI shall have the right to request copies of such disclosed records.

7. ADMISSIBILITY OF STATEMENTS

AHI understands any statements made on its behalf (including, but not limited to, this Plea Agreement and its admission of guilt) during or in preparation for any guilty plea hearing, sentencing hearing, or other hearing and any statements made, in any setting, may be used against AHI by the United States in this or any other proceeding. AHI knowingly waives any right it may have under the Constitution, any statute, rule or other source of law to have such statements, or evidence derived from such statements, suppressed or excluded from being admitted into evidence in this or any other proceeding. If, and only if, the Court rejects this Plea Agreement, and, as a result, AHI withdraws its plea, AHI will not be bound by the waivers set forth in this section of the Plea Agreement.

8. COMPLETION OF PROSECUTION

Pursuant to Fed. R. Crim. P. 11(c)(l)(A), so long as AHI complies with all of its obligations under this Plea Agreement, the United States agrees, other than the charge in the attached Information, it shall not further criminally prosecute AHI for any additional federal criminal

charges or forfeiture action with respect to any offenses set forth in the Information or Non-Prosecution Agreement with Patterson (Attached as Attachment B).

Nothing in this Plea Agreement affects the administrative, civil, criminal, or other tax liability of any entity or individual and this Plea Agreement does not bind the Internal Revenue Service of the Department of Treasury, the Tax Division of the United States Department of Justice, or any other government agency with respect to the resolution of any tax issue.

9. LIMITATION OF PLEA AGREEMENT

This Plea Agreement is limited to the United States Department of Justice and does not bind any other federal, state, or local authority.

10. COMPLIANCE AND REMEDIAL MEASURES

AHI agrees to comply with the Corporate Compliance Program Agreement attached hereto as Attachment C.

11. COOPERATION

AHI acknowledges that its ongoing and future cooperation is important and a material fact underlying the United States' decision to enter into this Plea Agreement. AHI agrees to continue to cooperate fully and actively with the United States regarding any matter, including, but not limited to, matters involving (a) current and former AHI personnel, and (b) other entities who operate in the same commercial segment as AHI and/or Patterson during the Term of the Non-Prosecution Agreement with Patterson, provided however that any cooperation in an ongoing investigation or prosecution shall continue until such investigation or prosecution is concluded.

Nothing in this Plea Agreement shall be construed to require Patterson or AHI to waive any attorney-client privilege or work-product protection.

12. REMEDIES FOR FAILURE TO COMPLY WITH ANY PROVISION OF THIS PLEA AGREEMENT

AHI understands if: (1) AHI attempts to withdraw its plea (in the absence of the Court refusing to accept this Plea Agreement); (2) AHI fails to comply with any provision of this Plea Agreement; (3) AHI's conviction is set aside, for any reason; and/or (4) AHI fails to execute all required paperwork prior to the imposition of judgment, the United States may, at its election, pursue any or all of the following remedies: (a) declare this Plea Agreement void; (b) file, by indictment or information, any charges which were filed and/or could have been filed concerning the matters involved in the instant investigation; (c) refuse to abide by any stipulations and/or recommendations contained in this Plea Agreement; (d) not be bound by any obligation of the United States set forth in this Plea Agreement, including, but not limited to, those obligations set forth in the section of this Plea Agreement titled "COMPLETION OF PROSECUTION;" and (e) take any other action provided for under this Plea Agreement or by statute, regulation or court rule.

The remedies set forth above are cumulative and not mutually exclusive. If the United States pursues any of its permissible remedies as set forth in this Plea Agreement, AHI will still be bound by its obligations under this Plea Agreement. AHI hereby waives its right under Fed. R. Crim. P. 7 to be proceeded against by indictment and consents to the filing of an information against it concerning any charges filed pursuant to this section of this Plea Agreement. AHI hereby waives any statute of limitations argument as to any such charges.

13. EFFECTIVE REPRESENTATION

AHI has discussed the terms of this Plea Agreement and all matters pertaining to the charges against it with its attorneys and is fully satisfied with its attorneys and its attorneys' advice. At this time, AHI has no dissatisfaction or complaint with its attorneys' representation. AHI agrees to make known to the Court no later than at the time of sentencing any dissatisfaction or complaint AHI may have with its attorneys' representation.

14. EFFECT OF AHI'S SIGNATURE

AHI understands its Authorized Corporate Officer's signature on this Plea Agreement constitutes a binding offer by it to enter into this Plea Agreement. AHI understands the United States has not accepted AHI's offer until the authorized representative of the United States has signed this Plea Agreement.

15. GENERAL UNDERSTANDINGS

AHI understands a presentence investigation will be conducted and sentencing recommendations independent of the USAO will be made by the presentence preparer.

AHI understands the United States and AHI retain the right, notwithstanding any provision in this Plea Agreement, to inform the probation office and the Court of all facts, to address the Court with respect to the nature and seriousness of the offense and the offender, to respond to any questions raised by the Court, to correct any inaccuracies or inadequacies in the presentence report, and to respond to any statements made to the Court.

AHI willingly stipulates there is a sufficient factual basis for the Court to accept the plea.

AHI understands this Plea Agreement does not apply to any crimes or charges not addressed in this Plea Agreement.

AHI has not been coerced, threatened, or promised anything other than the terms of this Plea Agreement, described above, in exchange for its plea of guilty. AHI understands its attorneys will be free to argue any mitigating factors on its behalf to the extent they are not inconsistent with the terms of this Plea Agreement. AHI understands AHI will have an opportunity to have a representative address the Court prior to sentence being imposed.

This writing, the Non-Prosecution Agreement with Patterson (attached as Attachment B), the Corporate Compliance Program Agreement (attached as Attachment C), and the Agreed Order of Forfeiture (attached as Attachment D) are the complete and only agreements between the United States and AHI concerning resolution of this matter. In addition, AHI has no objection to the filing of the Information.

The agreements and documents listed in this section set forth the entire understanding between the parties and constitute the complete agreement between the United States Attorney for the Western District of Virginia and AHI and no other additional terms or agreements shall be entered except and unless those other terms or agreements are in writing and signed by the parties. These agreements supersede all prior understandings, promises, agreements, or conditions, if any, between the United States and AHI. AHI consents to public disclosure of all of the agreements and other documents referenced in this section.

AHI has consulted with its attorneys and fully understands its rights. AHI has read this Plea Agreement and carefully reviewed every part of it with its attorneys. AHI understands this Plea Agreement and AHI voluntarily agrees to it. Being aware of all of the possible consequences of its plea, AHI has independently decided to enter this plea of its own free will and is affirming that agreement on this date by the signature of its Authorized Corporate Officer ("Officer") below.

The Officer, by signing below, hereby certifies to the following:

(1) The Officer is fully authorized to enter into this Plea Agreement on behalf of AHI;

(2) The Officer has read the entire Plea Agreement and documents referenced herein and discussed them with AHI's Board of Directors;

(3) AHI understands all the terms of this Plea Agreement and those terms correctly reflect the results of plea negotiations;

(4) AHI is fully satisfied with AHI's attorneys' representation during all phases of this case;

(5) AHI is freely and voluntarily pleading guilty in this case;

(6) AHI is pleading guilty as set forth in this Plea Agreement because it is guilty of the crime to which it is entering its plea; and

(7) AHI understands it is waiving its right to appeal the judgment and conviction in this case.

AHI acknowledges its acceptance of this Plea Agreement by the signature of its counsel and Officer. A copy of a certification by AHI's Board of Directors authorizing the Officer to execute this Plea Agreement and all other documents to resolve this matter on behalf of AHI is attached as Attachment A.

Date: 2/13/2020 Keri M. Tolman

AHI

Counsel has fully explained to the Board of Directors of AHI the facts and circumstances of the case; all rights with respect to the offense charged in the Information; possible defenses to the offense charged in the Information; all rights with respect to the applicability of the Sentencing Guidelines; and the consequences of entering into this Plea Agreement and entering a guilty plea. Counsel has reviewed this entire Plea Agreement and documents referenced herein with the client, through its Officer. AHI understands the terms and conditions of this Plea Agreement, and AHI's decision to enter into this Plea Agreement is knowing and voluntary. AHI's execution of and entry into the Plea Agreement is done with Counsel's consent.

INFORMATION

INTRODUCTION

1. Defendant Animal Health International, Inc. ("AHI") is a Colorado corporation with its principal place of business in Colorado. AHI is comprised of two legacy organizations, Lextron, Inc. ("Lextron") and Walco International, Inc. ("Walco"). In June 2011, Lextron acquired all outstanding stock of the parent company of Walco and changed its name to AHI. Walco continued operations as a subsidiary of AHI until December 2011 when Animal Health Holdings, Inc. and each of its wholly-owned subsidiaries, including Walco, were merged with and into AHI and no longer had separate corporate existences. AHI, and its predecessor entities, dispense, distribute and sell, among other products, veterinary prescription drugs to customers in the production animal industry across the United States. Specifically, AHI obtains prescription drugs for production animals from manufacturers for further distribution to veterinarians, farms, feedlots, and other distribution facilities.

2. The Food and Drug Administration ("FDA") of the United States Department of Health and Human Services regulates the distribution and labeling of all drugs, including animal drugs, shipped or received in interstate commerce through enforcement of the Federal Food, Drug, and Cosmetic Act. 21 U.S.C § 301, *et seq.* ("FDCA"). Veterinary prescription drugs are drugs intended for use by animals that, because of their toxicity or other potentiality for harmful

1304

effect, or the method of their use, or the collateral measures necessary for their use, are not safe for animal use except under the professional supervision of a licensed veterinarian. 21 U.S.C. § 353(f)(1)(A).

3. Under the FDCA, a drug is misbranded if, among other things, its labeling does not bear "adequate directions for use." 21 U.S.C. § 352(f)(1). Adequate directions for use is defined as "directions under which the *layman* can use a drug safely and for the purposes for which it is intended." 21 C.F.R. § 201.5 (emphasis added). Prescription veterinary drugs by definition can only safely be used under the professional supervision of a licensed veterinarian and therefore they must qualify for an exemption to this requirement in order to move in interstate commerce. These exemptions are set out in 21 C.F.R. Part 201, Subpart D ("Exemptions from Adequate Directions for Use").

4. Veterinary prescription drugs are exempt from the requirement that their labeling contain adequate directions for use if they meet all enumerated conditions, including that they be distributed through a closed supply chain in which every entity that possesses a prescription drug must have legal authorization to do so. *See* 21 C.F.R. § 201.105 (a)(1) (a veterinary prescription drug must be in the possession of: a person lawfully engaged in the manufacture, transportation, storage or wholesale distribution of drugs; a retail pharmacy or other person authorized under state law to dispense veterinary prescription drugs; or a licensed veterinarian for use in the course of his professional practice). Moreover, the veterinary prescription drug must be dispensed in accordance with 21 U.S.C. § 353(f), i.e., pursuant to a lawful order of a licensed veterinarian in the course of the veterinarian's professional practice. 21 U.S.C. § 353(f)(1) & 21 C.F.R. § 201.105 (a)(2).

5. The FDCA's restrictions on veterinary prescription drugs are not primarily to protect animals from the potential harms of prescription drugs, but are to protect the human food supply from unsafe drug residues in the edible tissues of animals sold for slaughter. Common causes of illegal residues include: (1) exceeding the drug's approved dose; (2) using a shorter withdrawal period than what is stated on the drug's label (if a higher than approved dose is given, the labeled withdrawal period may not be enough to allow the drug in the edible tissues to deplete to levels that are at or below the tolerance); (3) using a drug in an extra-label manner (for indications and dosages outside the approved labeling) without a veterinarian's involvement; (4) giving a drug not approved for that species; and (5) using an unapproved route of administration. Drug residues in the nation's drug supply are concerning because: (1) they may contribute to antibiotic resistance in the human population, rendering human drugs less effective to treat human disease and contributing to the mutations of "superbugs"; and (2) they may cause allergic reactions in individuals with certain drug allergies.

6. Certain legacy customers of AHI, namely Marlin Webb and Billy K. Groce, were not properly licensed to receive, transport, store, distribute, or dispense veterinary prescription drugs in the Commonwealth of Virginia from January 2012 through April 2015.

7. Webb was the store manager of a cooperative in Hillsville, Virginia. The cooperative was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Webb operated a side business from the cooperative's location in which he illegally circumvented the FDA's regulation of veterinary prescription drugs by illegally obtaining from Billy K. Groce and AHI and reselling veterinary prescription drugs using unlawful prescriptions written by a veterinarian who was licensed in Tennessee but who was not properly licensed to

practice veterinary medicine in Virginia and who did not have a veterinarian-patient relationship with the animals in question. That veterinarian died in 2015.

8. Groce was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Groce operated an unlicensed veterinary prescription drug distribution business. Groce worked with the same veterinarian as did Webb.

9. Webb and Groce obtained veterinary prescription drugs from AHI in interstate commerce without valid prescriptions, and, on many occasions, with no prescription at all.

10. On April 29, 2015, the government executed search warrants at locations in Virginia and Tennessee associated with Groce and Webb. In 2016 and 2017, respectively, Groce and Webb pled guilty to illegally conspiring to defraud the FDA by obtaining and distributing veterinary prescription drugs from July 2009 through April 29, 2015 in a manner that circumvented the FDA's regulation of veterinary prescription drugs.

11. Groce and Webb were legacy customers of, among others, Lextron and Walco, and continued to be customers after the companies merged to form AHI in 2012 until May 2015. Neither Lextron, Walco, nor AHI performed adequate customer diligence processes, nor adequately trained sales representatives to raise questions regarding Groce's, Webb's or the veterinarian's activities in Virginia and Tennessee. For example, Groce operated a business that stored and distributed veterinary prescription drugs out of a storefront called "Goin' Postal" and his personal residence. Neither of those locations resembled a veterinarian establishment and should have raised questions for sales representatives who personally visited them. After learning of search warrants executed on each of the customers' locations, AHI took some steps to block the sale of veterinary prescription drugs to these customers on May 4, 2015.

12. Furthermore, between January 2012 and May 2015, AHI did not maintain the proper licenses to ship from its Memphis, Tennessee, facility into Virginia or from its Wolcott, Indiana, facility into Virginia or Tennessee, but, despite this deficiency, shipped products from those locations to Virginia and Tennessee.

13. All veterinary prescription drugs distributed by AHI to Groce and Webb were misbranded because, neither recipient was licensed to possess or distribute veterinary prescription drugs, and the prescribing veterinarian was not properly licensed to practice veterinary medicine in Virginia and consequently none of the drugs he caused to be dispensed were prescribed pursuant to lawful orders.

14. From the illegal shipments to and on behalf of Groce and Webb, AHI received $7,427,928 (seven million four hundred twenty-seven thousand nine hundred twenty-eight dollars) and made a profit of $558,309 (five hundred fifty-eight thousand three hundred nine dollars) by unlawfully distributing veterinary prescription drugs to or on behalf of Groce and Webb.

15. From 2012 through on or about 2018, AHI caused additional misbranded veterinary prescription drug shipments to be made throughout the United States by distributing veterinary prescription drugs from its wholesale locations directly to end users in states where such shipments were illegal and, in some instances, by shipping veterinary prescription drugs to locations in states in which AHI did not have legal authority to make such shipments. AHI obtained not less than $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) from such shipments. Its profits from such shipments were a small percentage of the amount received.

COUNT ONE

Introduction of Misbranded Drugs into Interstate Commerce
21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1)

The United States Attorney charges that:

16. The Information is realleged and incorporated by reference into this Count.

17. From about January 2012 to April 2015, in the Western District of Virginia, Animal Health Incorporated ("AHI") introduced and delivered for introduction, and caused the introduction and delivery for introduction, into interstate commerce, of veterinary prescription drugs that were misbranded in that the drugs' labeling did not bear adequate directions for the use of such drugs.

18. The offense conduct included, but was not limited to, the following:

a. AHI distributed veterinary prescription drugs directly to Billy K. Groce and Marlin Webb, notwithstanding that neither Groce nor Webb was legally authorized to possess or distribute the drugs; and

b. AHI distributed veterinary prescription drugs to customers of Billy K. Groce and Marlin Webb without a lawful prescription having been issued for those drugs.

19. Since these veterinary prescription drugs were not lawfully distributed or prescribed, they failed to qualify for the exemption from the requirement that they bear labeling containing adequate directions for lay use. All in violation of Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1).

NOTICE OF FORFEITURE

20. Upon conviction of the offense alleged in this Information, AHI shall forfeit to the United States veterinary prescription drugs that were misbranded or became misbranded as a result of AHI's conduct, pursuant to 21 U.S.C. § 334 and 28 U.S.C. § 2461.

21. Because the above-described forfeitable property has been transferred and sold to third parties and cannot be located upon the exercise of due diligence, the United States intends to seek forfeiture of $46,802,203 pursuant to 21 U.S.C. § 853(p).

United States Attorney

NON-PROSECUTION AGREEMENT

1. The United States Attorney's Office for the Western District of Virginia ("USAO-WDVA") and Patterson Companies, Inc. ("Patterson"), and any and all current and former affiliated entities including, but not limited to, Animal Health International, Inc. ("AHI") (collectively referred to as the "Company") enter into this Non-Prosecution Agreement ("Agreement") to resolve the investigation by the USAO-WDVA of the Company related to possible violations of federal laws relating to the licensing, dispensing, distribution, or sale of veterinary prescription drugs.

2. This Agreement, in conjunction with the Plea Agreement with AHI ("Plea Agreement"), resolves all of the Company's potential federal criminal liability for the offenses covered herein and in the Plea Agreement.

3. The USAO-WDVA enters into this Agreement based on the individual circumstances presented by this case including:

a. Patterson's cooperation with the USAO-WDVA investigation since June 2018, and AHI's subsequent cooperation under the direction of Patterson, as well as the Company's continued cooperation under the direction of the Special Investigation Committee of the Board of Directors of Patterson ("SIC") which was formed in April 2019. Since 2018, the Company has conducted a thorough and robust internal investigation; proactively brought information to the USAO-WDVA's attention, remediated noncompliant activity and implemented control enhancements, including certain licensing, dispensing, distribution and related sales practices company-wide; made factual presentations to the USAO-WDVA; timely and fully produced all requested documents; entered into agreements tolling relevant statutes of limitations; and collected, analyzed, and organized voluminous data and information for the USAO-WDVA.

b. Patterson's voluntary disclosure to the USAO-WDVA of non-compliant licensing, dispensing, distribution, and sales at AHI and Patterson beyond AHI's conduct set forth in the Information and Plea Agreement, and its timely efforts to remediate non-compliant activity and enhance controls and processes to mitigate against future reoccurrence. The additional non-compliant activity involved wholesale distribution of veterinary prescription drugs: (i) without verifying the continued validity of all practitioners' licenses in the receiving state; (ii) without verifying that an alternate location requested by the customer was authorized by state law to receive veterinary prescription drugs; (iii) without verifying that veterinarians licensed in Virginia were also associated with a veterinary establishment registered with the Virginia Board of Veterinary Medicine, (iv) without valid licensure to ship to the state to which the drugs were shipped, and/or (v) to end users in states where drop shipments by wholesalers to end users is not allowed. The additional non-compliant activity was due to prior weaknesses and inconsistencies among AHI and Patterson regulatory functions and processes, as well as system challenges presented by the Company's enterprise resource planning implementation. The Company has since taken extensive

proactive steps to enhance its regulatory function, capabilities and support to guide the business and other control functions on regulatory compliance matters. It has also enhanced its regulatory system controls to address the issues disclosed in the investigation and to verify that veterinary prescription drugs are shipped from facilities with required state licenses and to customers and locations authorized by state law to receive veterinary prescription drugs. Consistent with its approach to the USAO-WDVA, Patterson also disclosed the pending federal investigation to state regulators in all 50 states and continues to engage with state regulators, as appropriate, on matters related to the USAO-WDVA investigation.

c. The Company's enhanced regulatory compliance processes and commitment to implement a compliance program that meets the minimum elements set forth in Attachment C to the Plea Agreement ("Corporate Compliance Program Agreement").

d. The Company's agreement to comply with the terms of the Agreement and Plea Agreement.

e. AHI's admission to and the Company's agreement with the facts and allegations set forth in the Plea Agreement.

f. Although the investigation did not involve controlled substances, the Company's recognition that diversion of controlled substances, including drugs of the type that are prescribed and dispensed by veterinarians, such as buprenorphine and hydrocodone, should be a concern of all distributors and dispensers of those drugs and the Company's ongoing commitment to be proactive in deterring diversion and identifying and notifying authorities of suspicious ordering.

4. The Company agrees it will not take any tax deduction or seek or accept directly or indirectly reimbursement or indemnification from any source for any payments made pursuant to the Plea Agreement.

5. No money paid by the Company will be returned, and the Company expressly agrees to release any and all claims it may have to the money. The Company will not file any claim or otherwise contest the payment of money set forth in this Plea Agreement, and it will not assist anyone in asserting a claim to the money.

6. Nothing in this Agreement or any related documents is an admission by the United States that the amounts paid by the Company are the maximum amounts that could be recovered from the Company in the absence of an accepted plea agreement. If the Company does not comply with all of its obligations under this Agreement, the United States is not precluded from arguing or presenting evidence that the total amount to be paid by the Company should be higher.

7. The Company's obligations under this Agreement shall have a term of 42 months from the date on which the Agreement is executed (the "Term").

8. During the Term, the Company will fully cooperate with the USAO-WDVA.

9. During the Term, the Company shall undertake and abide by the terms of the Corporate Compliance Program Agreement in Attachment C to the Plea Agreement.

10. If the Company complies with all of the terms of this Agreement and the Plea Agreement, the USAO-WDVA will not prosecute the Company for any criminal conduct occurring prior to the entering of this agreement concerning:

a. The subject matter of the Information to which AHI is pleading guilty; or

b. Facts disclosed by the Company to the USAO prior to entering this agreement related to the Company's licensing, dispensing, distribution, or sale of veterinary prescription drugs.

11. However, if the USAO-WDVA, in its sole discretion, determines the Company (a) provided deliberately false, incomplete, or misleading information at any time in connection with this Agreement or (b) violated any provision of this Agreement, then the USAO-WDVA will not be bound to their agreement not to prosecute the Company for the matters covered in paragraph 10. Should the USAO-WDVA determine that the Company has violated any provision of this Agreement, the USAO-WDVA shall provide prompt written notice to the Company addressed to its General Counsel, and to its outside counsel, Amy Conway-Hatcher, Baker Botts LLP, 1299 Pennsylvania Avenue NW, Washington, DC, or to any successor the Company may designate, of the alleged violation and provide the Company with a 45 (forty-five) day period from the date of receipt of notice in which to make a presentation to the USAO-WDVA to demonstrate that no violation occurred, or, to the extent applicable, that the violation should not result in adverse action, including because the violation has been cured by the Company. In the event of a violation, the Company will not assert any claim under the United States Constitution, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other rule or law, that any statements or testimony made by or on behalf of the Company prior or subsequent to this Agreement, or any leads derived therefrom, should be suppressed or are otherwise inadmissible in any proceeding brought by the Department of Justice. If, as a result of a violation, the United States charges the Company, the Company hereby waives any statute of limitations defense for any offense not time-barred by the applicable statute of limitations on the date this Agreement is signed, including time protected as the result of existing agreements to toll the applicable statute of limitations.

12. The Company will not, through its present or future directors, officers, employees, agents, (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If the Company makes a public statement that in whole or in part contradicts any such statement or provision, the Company may avoid being in violation of this Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by the Company's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) the Company's

websites. Notwithstanding the above, the Company may avail itself of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

13. The terms of this Agreement bind the USAO-WDVA and other divisions of the Department of Justice (collectively referred to as the "United States"), except that they do not bind the Tax Division of the Department of Justice or any state, local, or foreign law enforcement or regulatory agencies, or any other authorities. The USAO-WDVA will bring the cooperation of the Company and its compliance with its other obligations under this Agreement to the attention of such agencies and authorities if requested to do so by the Company.

14. The Company and the United States may disclose this Agreement and any other documents used to effectuate the objectives of this Agreement to the public.

15. Nothing in this Agreement resolves, in any way, any liability of any individual.

16. This Agreement and the Plea Agreement set forth all the terms of the agreement between the Company and the USAO-WDVA. No amendments, modifications, or additions to this Agreement will be valid unless they are in writing signed by the USAO-WDVA, the attorneys for the Company, and a duly authorized representative of the Company.

The Company acknowledges its acceptance of this Agreement by the signature of its counsel and Officer. A copy of a resolution by the Company's Board of Directors authorizing the Officer to execute this Agreement and all other documents to resolve this matter on behalf of the Company is attached as Addendum 1.

EXHIBIT A

RESOLUTION OF THE
BOARD OF DIRECTORS
OF
PATTERSON COMPANIES, INC.

NON-PROSECUTION AGREEMENT

WHEREAS, the Company, together with outside counsel reporting to the Special Investigation Committee of the Board ("SIC Counsel"), has been in discussions with the U.S. Attorney's Office for the Western District of Virginia ("USAO-WDVA") to resolve its investigation into Animal Health International, Inc. by, among other things, having the Company enter into a Non-Prosecution Agreement (the "Agreement");

WHEREAS, SIC Counsel has advised the Board of the terms of the Agreement and the consequences of entering into the Agreement; and

WHEREAS, the Board has determined that it is in the best interest of the Company to enter into the Agreement.

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby approves the Agreement and authorizes any executive officer of the Company (the "Authorized Officers") and SIC Counsel to execute and deliver the Agreement on behalf of the Company, with such changes thereto as the Authorized Officers may approve, such approval to be conclusively evidenced by the execution of the changed Agreement.

RESOLVED FURTHER, that the Authorized Officers and SIC Counsel are hereby authorized and directed to execute and deliver all other documents necessary to carry out the provisions of the Agreement.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to acknowledge on behalf of the Company that the Agreement and related documents fully set forth the agreement made between the Company and the USAO-WDVA, and that no additional promises or representations have been made to the Company by any officials of the USAO-WDVA in connection with the Agreement and related documents, other than those set forth in therein.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to make any payments required in connection with the Agreement.

RESOLVED FURTHER, that each Authorized Officer is authorized and empowered, in the name and on behalf of the Company, to make all such arrangements, to do and perform all such acts and things, and to execute and deliver all such documents, certificates and instruments as they may deem appropriate in order to effectuate fully the purpose of the foregoing resolutions, and that any actions taken heretofore and hereafter to accomplish such purposes be, and they hereby are approved, ratified and confirmed.

CERTIFICATE OF SECRETARY

I, Les B. Korsh, herby certify that I am now, and at all times mentioned herein have been, the duly elected, qualified, and acting Secretary of **PATTERSON COMPANIES, INC.**, a Minnesota corporation (the "Corporation") and, as such officer, I have access to the records of the Company, which records of the Company reflect that:

1. RESOLUTIONS. Attached hereto as **Exhibit A** is a true and correct copy of resolutions that have been duly adopted by the Board of Directors of the Corporation on February 4, 2020, in compliance with, and not in contravention of, the articles of organization and bylaws of the Corporation; none of such resolutions have been repealed or modified in any respect, and all of such resolutions are in full force and effect on and as of the date hereof, and constitute the only action taken by the Board of Directors of the Corporation with respect to the subject matter hereof.

IN WITNESS WHEREOF, I duly executed this Certificate this 10th day of February, 2020.

Les B. Korsh
Secretary of Patterson Companies, Inc.

CORPORATE COMPLIANCE PROGRAM AGREEMENT

The following Patterson Companies, Inc. ("Patterson" or the "Company") Corporate Compliance Program Agreement ("Corporate Compliance Program Agreement") has been prepared pursuant to the Non-Prosecution Agreement dated this same date between Patterson and the United States Attorney's Office for the Western District of Virginia ("USAO-WDVA"). Compliance with all the terms and standards of the Corporate Compliance Program Agreement is a condition of the Non-Prosecution Agreement and shall continue for the Term of the Non-Prosecution Agreement ("Term").

Applicability and Purpose

1. This Corporate Compliance Program Agreement shall be incorporated into the Non-Prosecution Agreement by reference, and compliance with the terms of the Corporate Compliance Program Agreement will be a condition of the Non-Prosecution Agreement. The USAO-WDVA acknowledges that the Company has already implemented many of these terms as of the date of the resolution.

2. Any proposed modifications to this Corporate Compliance Program Agreement must be made in writing and signed by the Company and the designated signatory for the USAO-WDVA.

3. The Corporate Compliance Program Agreement does not in any way release the Company from complying with any applicable federal or state statutes and/or regulations, and does not limit the imposition of any sanctions, penalties or any other actions available under those state or federal statutes and regulations.

The Corporate Compliance Program Agreement

4. The Company and the USAO-WDVA agree that the Company shall undertake the following voluntary compliance measures. The Corporate Compliance Program Agreement does and will continue to contain policies and procedures designed to prevent, detect, and correct violations of federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the Food, Drug, and Cosmetic Act ("FDCA"), 21 U.S.C. § 301 *et seq.* and FDA requirements. These policies and procedures shall be designed to ensure that the Company complies with, among other things, the FDCA's prohibitions against causing the introduction into interstate commerce of a drug that is misbranded or otherwise violates the FDCA.

5. *Compliance Officer.* Prior to the effective date of the Non-Prosecution Agreement, the Company established the position of Chief Compliance Officer ("Compliance Officer") and appointed an individual to serve in the role on an interim basis until such time as the Company can fill the role on a permanent basis. The Company shall maintain a Compliance Officer for the Term. During the Term, the Compliance Officer shall be authorized to oversee compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA, FDA requirements, and the requirements of the Corporate

Compliance Program Agreement. The Compliance Officer is, and shall continue to be, responsible for developing and implementing policies, procedures and practices designed to address compliance with the requirements set forth in this Corporate Compliance Program Agreement, with federal and state statutes and/or regulations concerning federal prescription drug distribution and FDA requirements. The Compliance Officer shall be a member of senior management of the Company, and shall report directly to the Chief Executive Officer of the Company. The Compliance Officer shall make periodic (at least quarterly) reports regarding compliance matters directly to the Patterson Company's Board of Directors (hereinafter the "Board") or any authorized committee thereof, and shall be authorized to report on such matters to the Board at any time. The Compliance Officer shall not be subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by the Company as well as for any obligations created under the Corporate Compliance Program Agreement. Any non-compliance job responsibilities of the Compliance Officer must not interfere with the Compliance Officer's ability to perform the duties outlined in the Corporate Compliance Program Agreement.

6. *Compliance Committee.* Prior to the effective date of the Non-Prosecution Agreement, the Company formed a Compliance Committee (hereafter "Compliance Committee") which, in conjunction with the Compliance Officer, assists in the implementation and enhancement of the compliance program. The Company shall maintain the Compliance Committee for the Term. The Compliance Committee shall include, at a minimum, the Compliance Officer and other members of senior management necessary to meet the requirements of the Corporate Compliance Program Agreement (e.g., senior executives of relevant departments, such as legal, regulatory, audit, human resources, and operations.) The Compliance Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of the Company's risk areas and shall oversee monitoring of internal and external compliance-related audits and investigations). The Compliance Committee shall meet at least quarterly.

7. *Board of Directors Compliance Obligations.* Prior to the effective date of the Non-Prosecution Agreement, the Board formed a committee responsible for overseeing the Company's compliance program ("Board Committee"). The Company shall maintain the Board Committee for the Term. The Board Committee shall consist of no less than three (3) non-employee directors, including at least one (1) member of the Special Investigation Committee formed in response to the USAO-WDVA investigation for a minimum of twelve (12) months from the date of this Non-Prosecution Agreement. The Board Committee shall oversee the Company's compliance program, including at a minimum:

a. the Company's obligations under the Corporate Compliance Program Agreement

b. receiving updates about adoption and implementation of policies, procedures and practices designed to ensure compliance with the FDCA and FDA requirements, and

c. evaluating the effectiveness of the compliance program.

8. The Company shall continue to evaluate its current business to ensure that it is not currently receiving, distributing or handling misbranded or unapproved federal prescription drugs. Should the Company find it is receiving, distributing, or handling misbranded or unapproved federal prescription drugs, it shall take necessary steps to remediate any such conduct.

9. The Company shall continue to enhance its current training program to ensure that pertinent employees are familiar with the requirements of the FDCA and FDA requirements that could potentially apply to the Company's conduct.

10. The Company will put in place processes to (a) encourage employees to report suspected non-compliant activities by the Company, customers, or others and to (b) acknowledge or otherwise recognize employees for reporting confirmed non-compliant activity, as appropriate.

11. The Company will maintain, or as necessary establish, policies and procedures designed to ensure effective investigation of any complaints and/or potential deficiencies relating to compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA and FDA requirements. Such policies and procedures shall include, but are not limited to:

a. Training and providing guidance to all pertinent employees as to the requirement to report all information regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to the Compliance Officer, who in turn will review and determine whether corrective actions are required; and

b. Tracking allegations and remediation action plans regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to identify issues that may require corrective actions.

12. Within 60 days of the end of the Company's fiscal year, the Company's Chief Executive Officer will certify, under oath, to (a) the United States Attorney's Office during the Term and (b) the United States Probation Office for any period during which Animal Health International, Inc. is on probation, that (1) the Company fully complied with all federal laws and regulations pursuant to the Food, Drug, and Cosmetic Act ("FDCA") in the preceding year (or, in the instance of the first such certification, the period from execution of the Non-Prosecution Agreement through the end of the Company's fiscal year 2020), or in the alternative, (2) list all non-compliant activity and the steps taken by the company to remedy such non-compliant activity. Any listing of non-compliant activity shall not be considered by the government or the Probation Officer as a per se violation of the terms of probation or the Non-Prosecution Agreement. Instead, other factors will be taken into account, including whether the conduct violated policies the Company has adopted, whether the Company provided training addressing the subject matter of the reported conduct, whether it was an isolated or systemic occurrence, the Company's response, and any remedial actions taken after the Company learned of the conduct reported.

Non-Compliance

13. The Corporate Compliance Program Agreement is part of the Non-Prosecution Agreement and adherence to it will be an enforceable condition. Deliberate, intentional or knowing failure to comply with any part of the Corporate Compliance Program Agreement is a violation of the Non-Prosecution Agreement.

WESTERN DISTRICT OF VIRGINIA
ABINGDON

UNITED STATES OF AMERICA	)	
	)	**Criminal No.**
v.	)	
	)	
ANIMAL HEALTH INTERNATIONAL, INC.	)	

AGREED ORDER OF FORFEITURE

IT IS HEREBY ORDERED THAT:

A. Pursuant to Rule 32.2(b)(1)(A) of the Federal Rules of Criminal Procedure, the evidence of record and the guilty plea to Count One of the Information, misbranding a drug, in violation of 21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1), the defendant shall forfeit to the United States quantities of prescription veterinary drugs that were misbranded when introduced into interstate commerce and/or when being held for sale in interstate commerce, pursuant to 21 U.S. C. § 334 and 28 U.S.C. § 2461.

B. Pursuant to the defendant's plea agreement, because the above-described forfeitable property, as a result of the defendant's acts, has been transferred or sold to third parties and cannot be located upon the exercise of due diligence, a money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) is hereby entered against the defendant as a substitute asset pursuant to 21 U.S.C. § 853(p).

C. On or before 7 days from the date of entry of a guilty plea, the defendant will voluntarily remit payment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in satisfaction of the money judgment by remitting certified funds made payable to the U.S. Marshals Service, Asset Forfeiture Unit, 247 Federal Building, 210 Franklin Road, S.W., Roanoke, Virginia 24011.

D. As payments are voluntarily being remitted to the United States, notice and publication are not required.

E. The Court shall retain jurisdiction to enforce this Order, and to amend it as necessary, pursuant to Fed. R. Crim. P. 32.2(e).

F. Pursuant to Fed. R. Crim. P. 32.2(b)(4), this Order of Forfeiture shall become final as to the defendant upon entry, and shall be made a part of the sentence and included in the judgment.

ENTERED THIS _____ DAY OF _____, 2020.

Animal Health International, Inc. (AHI) Disclosure Statement

a. On March 4, 2013, Animal Health International, Inc.'s (AHI) Mayo, Florida Veterinary Prescription Drug Wholesale Distributor license was disciplined by the Florida Department of Business and Professional Regulation (DBPR) related to allegations that AHI failed to report a change of ownership to the DBPR in a timely manner. AHI and the DBRP reached a settlement agreement and a fine, and AHI paid $41,250.

b. On April 18, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Visalia, California Veterinary Food- Animal Drug Retailer license for an alleged failure to affix labels to a product dispensed in California. AHI paid a fine of $500.

c. On June 18, 2013, the Missouri Division of Professional Regulation issued a drug distributor license to Animal Health International, Inc.'s (AHI) Salina, Kansas facility. The license was issued subject to probation due to allegations that this entity distributed legend drugs in Missouri without being licensed to do so. On June 17, 2015, the probation was terminated.

d. On August 30, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Ceres, California Veterinary Food Animal Drug Retailer license for alleged violations of allowing a non-pharmacist to receive an oral order from a veterinarian, furnishing medications without a valid prescription, and failing to comply with labeling requirements. AHI paid a fine of $3,500. Two AHI employees were also cited and fined a total of $3,000.

e. On March 13, 2017, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama Board of Pharmacy in which AHI agreed to pay a fine of $1,000 following allegations that AHI's Manchester, Iowa pharmacy had violated Alabama law by being disciplined by the Arkansas Board of Pharmacy. AHI had entered into a non-disciplinary agreement with the Arkansas Board of Pharmacy following allegations that it had not notified the Arkansas Board of a change of ownership in a timely manner and paid a non-disciplinary fine of $2,500 to the Arkansas Board. The Alabama Board made no misconduct allegations beyond the conduct in Arkansas, which led to the non-disciplinary order and fine.

f. In March 2017, the Colorado Board of Pharmacy issued a letter of admonishment to Animal Health International, Inc.'s (AHI) Greeley, Colorado wholesale distributor license following allegations that it failed to timely submit an application detailing a change in designated representative. AHI was required to pay the costs associated with the Board's order.

g. On February 14, 2020, Animal Health International, Inc. (AHI) entered a plea of guilty for introducing into interstate commerce misbranded veterinary prescription drugs to persons who were not licensed to possess or distribute veterinary prescription drugs on the order of a veterinarian who was not properly licensed in Virginia. AHI Paid a fine of $5,000,000.

h. On July 20, 2020, Animal Health International, Inc. (AHI) in Boaz, AL entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an

administrative fine of $2,000. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The facility in Boaz, Alabama facility, subject to discipline was AHI's Boaz, Alabama, wholesale drug distributor license.

i. On July 20, 2020, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an administrative fine of $2,500. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The specific facility subject to discipline was AHI's Springdale, Arkansas, wholesale drugdistributor license.

j. On December 15, 2022, Animal Health International, Inc. (AHI) entered into an agreement with the Florida State Board of Pharmacy in which AHI agreed to pay an administrative fine of $3,500 against the Wolcott, IN pharmacy license. This agreement was related to the Florida Board's investigation following AHI's criminal conviction on February 14, 2020, in the United States District Court for the Western District of Virginia and did not involve new conduct.

k. On December 31, 2024, Animal Health International's Sioux Center, Iowa Wholesale Distributor facility entered into a Consent Order with the Illinois Department of Financial and Professional Regulation in which the facility's Illinois Wholesale Distributor license was reprimanded and fined $10,000. This action was based entirely on the Department of Justice case against AHI related to distribution activities predating current ownership. The Federal case was reported to State Boards during the investigation in July 2019 and again in February 2020 once the case was resolved.

l. On January 9, 2025, Animal Health International's ("AHI") Ceres, California Wholesale Distributor Facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 6 days in 2016, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

m. On January 9, 2025, Animal Health International's ("AHI") Roanoke, Texas Wholesale Distributor facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 165 days in 2014, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil

penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

n. On January 9, 2025, Animal Health International's ("AHI") Twin Falls, Idaho pharmacy entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 3 days in 2016, the pharmacy dispensed prescriptions into Oregon without an active pharmacy license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $3,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. Please note that the activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice case was reported to the state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. A copy of the Oregon Consent Order is enclosed. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. K15388249

Application/License No. _____

Animal Health International, Inc. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 1908 Rockefeller Drive, Ceres, CA 95307 (Address of Applicant/Principal), as PRINCIPAL, and Westchester Fire Insurance Company (Surety Company), a corporation organized under the laws of the state of Pennsylvania (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 436 Walnut Street, Philadelphia, PA 19106 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on April 17, 2019 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 17th day of April, 2019.

ANIMAL HEALTH INTERNATIONAL, INC.	)	

PLEA AGREEMENT

ANIMAL HEALTH INTERNATIONAL, INC. (EIN: 84-0575063) ("AHI") has entered into a Plea Agreement with the United States of America, by counsel, pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure ("Fed. R. Crim. P."). The terms and conditions of this Plea Agreement are as follows:

1. CHARGE TO WHICH AHI IS PLEADING GUILTY AND WAIVER OF RIGHTS

AHI will enter a plea of guilty to Count One of the Information charging it with violating Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1) in the Western District of Virginia by introducing and delivering for introduction, and causing the introduction and delivery for introduction, into interstate commerce of veterinary prescription drugs that were misbranded.

AHI understands, and the parties agree and stipulate, the maximum statutory penalty is a fine of $14,855,856 (fourteen million eight hundred fifty-five thousand eight hundred fifty-six dollars), pursuant to Title 18, United States Code, Section 3571(d), and a period of probation of five (5) years, pursuant to Title 18, United States Code, Section 3561(c)(2). In addition, AHI's assets are subject to forfeiture. AHI understands fees may be imposed to pay for probation and there will be a $125 (one hundred twenty-five dollars) special assessment for Count One, pursuant to Title 18, United States Code, Section 3013(a)(1)(B)(iii). AHI's attorneys have informed it of the nature of the charge and the elements of the charge that must be proved by the United States beyond a reasonable doubt before AHI could be found guilty as charged.

AHI admits and agrees that all of the statements and allegations in the Information are true and correct.

AHI acknowledges AHI has had all of its rights explained to it. AHI expressly recognizes that, as a corporation, AHI may have the following constitutional rights and by voluntarily pleading guilty AHI knowingly waives and gives up these valuable constitutional rights:

The right to plead not guilty and persist in that plea.
The right to a speedy and public jury trial.
The right to assistance of counsel at that trial and in any subsequent appeal.
The right to remain silent at trial.
The right to testify at trial.
The right to confront and cross-examine witnesses.
The right to present evidence and witnesses.

The right to compulsory process of the court.
The right to compel the attendance of witnesses at trial.
The right to be presumed innocent.
The right to a unanimous guilty verdict.
The right to appeal a guilty verdict.

AHI is pleading guilty as described above because AHI is in fact guilty and because AHI believes it is in its best interest to do so and not because of any threats or promises, other than the terms of this Plea Agreement, described herein, in exchange for its plea of guilty. AHI agrees all of the matters set forth in the Information are true and correct.

AHI understands the plea is being entered in accordance with Fed. R. Crim. P. 11(c)(1)(C).

2. SENTENCING PROVISIONS

The parties agree the 2018 version of the United States Sentencing Commission Guidelines Manual ("U.S.S.G.") is the appropriate Guidelines Manual to utilize. According to U.S.S.G. § 8C2.1, the organizational fine provisions do not apply to the count of conviction in this case, which is a misdemeanor under 21 U.S.C. § 333(a)(1).

The parties agree and stipulate:

a. the fine shall be $5,000,000 (five million dollars);
b. AHI shall pay $1,000,000 (one million dollars) to the Virginia Department of Health Professions ("DHP") in recognition of direct assistance provided by DHP to the United States during the investigation;
c. AHI shall forfeit $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars); and
d. AHI shall serve a term of probation of one to three years, as determined by the Court.

The Court will determine what terms and length of probation are appropriate and the parties will be free to argue for which terms and length of probation they believe are appropriate. AHI understands and agrees if its probation is revoked, it may be resentenced and a total aggregate fine up to the statutory maximum may be imposed.

The parties agree if the Court refuses to accept this Plea Agreement with the agreed-upon sentence, AHI will be free to withdraw its guilty plea. In the event the Court refuses to accept this Plea Agreement and AHI withdraws its guilty plea within ten days of being notified of the Court's refusal, nothing in this Plea Agreement shall be deemed a waiver of the provisions of Federal Rule of Evidence ("Fed. R. Evid.") 410. Under these circumstances, the United States will move to dismiss the Information without prejudice and the United States may file any charges it could have filed in the absence of the plea agreement. AHI agrees to toll the statute of limitations between the date of the plea and the filing of any such charges.

3. FINANCIAL OBLIGATIONS

AHI agrees and understands any of the money paid pursuant to this Plea Agreement will be returned if, and only if, the Court refuses to accept this Plea Agreement with the agreed-upon sentence and, as a result, AHI withdraws its guilty plea. If the Court rejects this Plea Agreement and AHI withdraws its guilty plea, the United States will return all money paid by AHI, without

interest, not more than thirty (30) days after AHI withdraws its guilty plea and notifies the United States Attorney's Office for the Western District of Virginia ("USAO"), in writing, it wishes to have the money returned.

In addition, in accordance with 18 U.S.C. § 3572(d)(3), AHI will notify the Court of any material change in AHI's economic circumstances that might affect AHI's ability to pay any amounts payable under this Plea Agreement.

a. Payments

Within 7 days of the entry of AHI's guilty plea, AHI will make the following disbursements:

(1) $125 (one hundred twenty-five dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the special assessment.

(2) $5,000,000 (five million dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the fine;

(3) $1,000,000 (one million dollars) to the Virginia Department of Health Professions. These funds must be remitted in the form of certified funds made payable to the "Treasurer of Virginia." The comment section of the check should note "DHP-Enforcement" in recognition of direct assistance provided to the United States during the investigation; and

(4) $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) made payable to the United States Marshals Service, as directed by the USAO as payment of a forfeiture money judgment.

b. Forfeiture

AHI agrees to the entry of a forfeiture money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency ("Forfeiture Money Judgment") pursuant to 21 U.S.C. §§ 334 and 853(p), and 28 U.S.C. § 2461(c). AHI agrees that the value of the quantities of prescription drugs which were misbranded in violation of 21 U.S.C. § 331(a) totaled at least $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency.

AHI acknowledges and agrees the quantities of the drugs which were misbranded in violation of 21 U.S.C. § 331(a) cannot be located upon exercise of due diligence, or have been transferred or sold to, or deposited with, a third party, placed beyond the jurisdiction of the Court, substantially diminished in value, or commingled with other property which cannot be divided without difficulty. Accordingly, AHI agrees the government is entitled to forfeit as substitute assets any other assets of AHI up to the value of the now missing directly forfeitable assets, pursuant to

21 U.S.C. § 853(p). Payment in full of the Forfeiture Money Judgment shall satisfy any and all forfeiture obligations that AHI may have as a result of this guilty plea. AHI consents to the entry of an Order of Forfeiture pursuant to Rule 32.2 of the Federal Rules of Criminal Procedure forfeiting the above-referenced Forfeiture Money Judgment.

AHI agrees to sign any documentation necessary and to cooperate fully with the United States to accomplish the forfeiture. AHI agrees to forfeit all interest in these funds and to take whatever steps are necessary to pass clear title of these funds to the United States.

AHI agrees not to file a claim in any forfeiture proceeding or to contest, in any manner, the forfeiture of said assets. AHI agrees not to file or interpose any claim or to assist others to file or interpose any claim to any property against which the government seeks to execute the Forfeiture Money Judgement in any administrative or judicial proceeding.

AHI understands and agrees forfeiture of this property is proportionate to the degree and nature of the offense. AHI freely and knowingly waives any and all constitutional and statutory challenges to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including, but not limited to, that the forfeiture constitutes an excessive fine or punishment. AHI further understands and agrees this forfeiture is separate and distinct from, and is not in the nature of, or in lieu of, any monetary penalty or other monetary judgment that may be imposed by the court.

c. Restitution

The parties agree and stipulate, pursuant to 18 U.S.C. § 3663(a)(1)(B)(ii), that no restitution will be ordered.

4. ADDITIONAL OBLIGATIONS

Unless the Court rejects this Plea Agreement and, as a result, AHI withdraws its plea, AHI agrees to: (1) accept responsibility for its conduct; (2) not attempt to withdraw its guilty plea; (3) not deny it committed the crime to which it has pled guilty; (4) comply with any reasonable request of the United States Attorney's Office and (5) not make or adopt any arguments or objections to the presentence investigation report that are inconsistent with this Plea Agreement.

Neither AHI, nor its corporate parent (Patterson Companies, Inc. ["Patterson"]), will (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If Patterson or AHI makes a public statement that in whole or in part contradicts any such statement or provision, AHI may avoid being in violation of this Plea Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by Patterson's and AHI's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) Patterson or AHI websites. Notwithstanding the above, Patterson and AHI may avail themselves of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by

any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

5. WAIVER OF RIGHT TO APPEAL AND COLLATERALLY ATTACK THE JUDGMENT AND SENTENCE IMPOSED BY THE COURT

If the Court accepts this Plea Agreement, AHI agrees AHI will not appeal the conviction or sentence imposed. AHI is knowingly and voluntarily waiving any right to appeal and is voluntarily willing to rely on the Court in sentencing it, pursuant to the terms of Fed. R. Crim. P. 11(c)(1)(C). AHI expressly waives its right to appeal as to any and all issues in this matter and waives any right it may have to collaterally attack, in any future proceeding, any order issued in this matter, unless such appeal or collateral attack cannot be waived, by law. AHI understands the United States expressly reserves all of its rights to appeal, but if the United States initiates a direct appeal of the sentence imposed, AHI may file a cross appeal of that same sentence. AHI agrees and understands if it files any court document (except for an appeal or collateral attack based on an issue that cannot be waived, by law) seeking to disturb, in any way, any order imposed in the case such action shall constitute a failure to comply with a provision of this Plea Agreement.

6. INFORMATION ACCESS WAIVER

AHI agrees to waive all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a. However, if a third party obtains any records pertaining to the investigation or prosecution of this case under the Freedom of Information Act, AHI shall have the right to request copies of such disclosed records.

7. ADMISSIBILITY OF STATEMENTS

AHI understands any statements made on its behalf (including, but not limited to, this Plea Agreement and its admission of guilt) during or in preparation for any guilty plea hearing, sentencing hearing, or other hearing and any statements made, in any setting, may be used against AHI by the United States in this or any other proceeding. AHI knowingly waives any right it may have under the Constitution, any statute, rule or other source of law to have such statements, or evidence derived from such statements, suppressed or excluded from being admitted into evidence in this or any other proceeding. If, and only if, the Court rejects this Plea Agreement, and, as a result, AHI withdraws its plea, AHI will not be bound by the waivers set forth in this section of the Plea Agreement.

8. COMPLETION OF PROSECUTION

Pursuant to Fed. R. Crim. P. 11(c)(1)(A), so long as AHI complies with all of its obligations under this Plea Agreement, the United States agrees, other than the charge in the attached Information, it shall not further criminally prosecute AHI for any additional federal criminal

charges or forfeiture action with respect to any offenses set forth in the Information or Non-Prosecution Agreement with Patterson (Attached as Attachment B).

Nothing in this Plea Agreement affects the administrative, civil, criminal, or other tax liability of any entity or individual and this Plea Agreement does not bind the Internal Revenue Service of the Department of Treasury, the Tax Division of the United States Department of Justice, or any other government agency with respect to the resolution of any tax issue.

9. LIMITATION OF PLEA AGREEMENT

This Plea Agreement is limited to the United States Department of Justice and does not bind any other federal, state, or local authority.

10. COMPLIANCE AND REMEDIAL MEASURES

AHI agrees to comply with the Corporate Compliance Program Agreement attached hereto as Attachment C.

11. COOPERATION

AHI acknowledges that its ongoing and future cooperation is important and a material fact underlying the United States' decision to enter into this Plea Agreement. AHI agrees to continue to cooperate fully and actively with the United States regarding any matter, including, but not limited to, matters involving (a) current and former AHI personnel, and (b) other entities who operate in the same commercial segment as AHI and/or Patterson during the Term of the Non-Prosecution Agreement with Patterson, provided however that any cooperation in an ongoing investigation or prosecution shall continue until such investigation or prosecution is concluded.

Nothing in this Plea Agreement shall be construed to require Patterson or AHI to waive any attorney-client privilege or work-product protection.

12. REMEDIES FOR FAILURE TO COMPLY WITH ANY PROVISION OF THIS PLEA AGREEMENT

AHI understands if: (1) AHI attempts to withdraw its plea (in the absence of the Court refusing to accept this Plea Agreement); (2) AHI fails to comply with any provision of this Plea Agreement; (3) AHI's conviction is set aside, for any reason; and/or (4) AHI fails to execute all required paperwork prior to the imposition of judgment, the United States may, at its election, pursue any or all of the following remedies: (a) declare this Plea Agreement void; (b) file, by indictment or information, any charges which were filed and/or could have been filed concerning the matters involved in the instant investigation; (c) refuse to abide by any stipulations and/or recommendations contained in this Plea Agreement; (d) not be bound by any obligation of the United States set forth in this Plea Agreement, including, but not limited to, those obligations set forth in the section of this Plea Agreement titled "COMPLETION OF PROSECUTION;" and (e) take any other action provided for under this Plea Agreement or by statute, regulation or court rule.

The remedies set forth above are cumulative and not mutually exclusive. If the United States pursues any of its permissible remedies as set forth in this Plea Agreement, AHI will still be bound by its obligations under this Plea Agreement. AHI hereby waives its right under Fed. R. Crim. P. 7 to be proceeded against by indictment and consents to the filing of an information against it concerning any charges filed pursuant to this section of this Plea Agreement. AHI hereby waives any statute of limitations argument as to any such charges.

13. EFFECTIVE REPRESENTATION

AHI has discussed the terms of this Plea Agreement and all matters pertaining to the charges against it with its attorneys and is fully satisfied with its attorneys and its attorneys' advice. At this time, AHI has no dissatisfaction or complaint with its attorneys' representation. AHI agrees to make known to the Court no later than at the time of sentencing any dissatisfaction or complaint AHI may have with its attorneys' representation.

14. EFFECT OF AHI'S SIGNATURE

AHI understands its Authorized Corporate Officer's signature on this Plea Agreement constitutes a binding offer by it to enter into this Plea Agreement. AHI understands the United States has not accepted AHI's offer until the authorized representative of the United States has signed this Plea Agreement.

15. GENERAL UNDERSTANDINGS

AHI understands a presentence investigation will be conducted and sentencing recommendations independent of the USAO will be made by the presentence preparer.

AHI understands the United States and AHI retain the right, notwithstanding any provision in this Plea Agreement, to inform the probation office and the Court of all facts, to address the Court with respect to the nature and seriousness of the offense and the offender, to respond to any questions raised by the Court, to correct any inaccuracies or inadequacies in the presentence report, and to respond to any statements made to the Court.

AHI willingly stipulates there is a sufficient factual basis for the Court to accept the plea.

AHI understands this Plea Agreement does not apply to any crimes or charges not addressed in this Plea Agreement.

AHI has not been coerced, threatened, or promised anything other than the terms of this Plea Agreement, described above, in exchange for its plea of guilty. AHI understands its attorneys will be free to argue any mitigating factors on its behalf to the extent they are not inconsistent with the terms of this Plea Agreement. AHI understands AHI will have an opportunity to have a representative address the Court prior to sentence being imposed.

This writing, the Non-Prosecution Agreement with Patterson (attached as Attachment B), the Corporate Compliance Program Agreement (attached as Attachment C), and the Agreed Order of Forfeiture (attached as Attachment D) are the complete and only agreements between the United States and AHI concerning resolution of this matter. In addition, AHI has no objection to the filing of the Information.

The agreements and documents listed in this section set forth the entire understanding between the parties and constitute the complete agreement between the United States Attorney for the Western District of Virginia and AHI and no other additional terms or agreements shall be entered except and unless those other terms or agreements are in writing and signed by the parties. These agreements supersede all prior understandings, promises, agreements, or conditions, if any, between the United States and AHI. AHI consents to public disclosure of all of the agreements and other documents referenced in this section.

AHI has consulted with its attorneys and fully understands its rights. AHI has read this Plea Agreement and carefully reviewed every part of it with its attorneys. AHI understands this Plea Agreement and AHI voluntarily agrees to it. Being aware of all of the possible consequences of its plea, AHI has independently decided to enter this plea of its own free will and is affirming that agreement on this date by the signature of its Authorized Corporate Officer ("Officer") below.

The Officer, by signing below, hereby certifies to the following:

(1) The Officer is fully authorized to enter into this Plea Agreement on behalf of AHI;

(2) The Officer has read the entire Plea Agreement and documents referenced herein and discussed them with AHI's Board of Directors;

(3) AHI understands all the terms of this Plea Agreement and those terms correctly reflect the results of plea negotiations;

(4) AHI is fully satisfied with AHI's attorneys' representation during all phases of this case;

(5) AHI is freely and voluntarily pleading guilty in this case;

(6) AHI is pleading guilty as set forth in this Plea Agreement because it is guilty of the crime to which it is entering its plea; and

(7) AHI understands it is waiving its right to appeal the judgment and conviction in this case.

AHI acknowledges its acceptance of this Plea Agreement by the signature of its counsel and Officer. A copy of a certification by AHI's Board of Directors authorizing the Officer to execute this Plea Agreement and all other documents to resolve this matter on behalf of AHI is attached as Attachment A.

Date: 2/13/2020

Authorized Corporate Officer
AHI

Counsel has fully explained to the Board of Directors of AHI the facts and circumstances of the case; all rights with respect to the offense charged in the Information; possible defenses to the offense charged in the Information; all rights with respect to the applicability of the Sentencing Guidelines; and the consequences of entering into this Plea Agreement and entering a guilty plea. Counsel has reviewed this entire Plea Agreement and documents referenced herein with the client, through its Officer. AHI understands the terms and conditions of this Plea Agreement, and AHI's decision to enter into this Plea Agreement is knowing and voluntary. AHI's execution of and entry into the Plea Agreement is done with Counsel's consent.

INFORMATION

INTRODUCTION

1. Defendant Animal Health International, Inc. ("AHI") is a Colorado corporation with its principal place of business in Colorado. AHI is comprised of two legacy organizations, Lextron, Inc. ("Lextron") and Walco International, Inc. ("Walco"). In June 2011, Lextron acquired all outstanding stock of the parent company of Walco and changed its name to AHI. Walco continued operations as a subsidiary of AHI until December 2011 when Animal Health Holdings, Inc. and each of its wholly-owned subsidiaries, including Walco, were merged with and into AHI and no longer had separate corporate existences. AHI, and its predecessor entities, dispense, distribute and sell, among other products, veterinary prescription drugs to customers in the production animal industry across the United States. Specifically, AHI obtains prescription drugs for production animals from manufacturers for further distribution to veterinarians, farms, feedlots, and other distribution facilities.

2. The Food and Drug Administration ("FDA") of the United States Department of Health and Human Services regulates the distribution and labeling of all drugs, including animal drugs, shipped or received in interstate commerce through enforcement of the Federal Food, Drug, and Cosmetic Act. 21 U.S.C § 301, *et seq.* ("FDCA"). Veterinary prescription drugs are drugs intended for use by animals that, because of their toxicity or other potentiality for harmful

effect, or the method of their use, or the collateral measures necessary for their use, are not safe for animal use except under the professional supervision of a licensed veterinarian. 21 U.S.C. § 353(f)(1)(A).

3. Under the FDCA, a drug is misbranded if, among other things, its labeling does not bear "adequate directions for use." 21 U.S.C. § 352(f)(1). Adequate directions for use is defined as "directions under which the *layman* can use a drug safely and for the purposes for which it is intended." 21 C.F.R. § 201.5 (emphasis added). Prescription veterinary drugs by definition can only safely be used under the professional supervision of a licensed veterinarian and therefore they must qualify for an exemption to this requirement in order to move in interstate commerce. These exemptions are set out in 21 C.F.R. Part 201, Subpart D ("Exemptions from Adequate Directions for Use").

4. Veterinary prescription drugs are exempt from the requirement that their labeling contain adequate directions for use if they meet all enumerated conditions, including that they be distributed through a closed supply chain in which every entity that possesses a prescription drug must have legal authorization to do so. *See* 21 C.F.R. § 201.105 (a)(1) (a veterinary prescription drug must be in the possession of: a person lawfully engaged in the manufacture, transportation, storage or wholesale distribution of drugs; a retail pharmacy or other person authorized under state law to dispense veterinary prescription drugs; or a licensed veterinarian for use in the course of his professional practice). Moreover, the veterinary prescription drug must be dispensed in accordance with 21 U.S.C. § 353(f), i.e., pursuant to a lawful order of a licensed veterinarian in the course of the veterinarian's professional practice. 21 U.S.C. § 353(f)(1) & 21 C.F.R. § 201.105 (a)(2).

5. The FDCA's restrictions on veterinary prescription drugs are not primarily to protect animals from the potential harms of prescription drugs, but are to protect the human food supply from unsafe drug residues in the edible tissues of animals sold for slaughter. Common causes of illegal residues include: (1) exceeding the drug's approved dose; (2) using a shorter withdrawal period than what is stated on the drug's label (if a higher than approved dose is given, the labeled withdrawal period may not be enough to allow the drug in the edible tissues to deplete to levels that are at or below the tolerance); (3) using a drug in an extra-label manner (for indications and dosages outside the approved labeling) without a veterinarian's involvement; (4) giving a drug not approved for that species; and (5) using an unapproved route of administration. Drug residues in the nation's drug supply are concerning because: (1) they may contribute to antibiotic resistance in the human population, rendering human drugs less effective to treat human disease and contributing to the mutations of "superbugs"; and (2) they may cause allergic reactions in individuals with certain drug allergies.

6. Certain legacy customers of AHI, namely Marlin Webb and Billy K. Groce, were not properly licensed to receive, transport, store, distribute, or dispense veterinary prescription drugs in the Commonwealth of Virginia from January 2012 through April 2015.

7. Webb was the store manager of a cooperative in Hillsville, Virginia. The cooperative was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Webb operated a side business from the cooperative's location in which he illegally circumvented the FDA's regulation of veterinary prescription drugs by illegally obtaining from Billy K. Groce and AHI and reselling veterinary prescription drugs using unlawful prescriptions written by a veterinarian who was licensed in Tennessee but who was not properly licensed to

practice veterinary medicine in Virginia and who did not have a veterinarian-patient relationship with the animals in question. That veterinarian died in 2015.

8. Groce was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Groce operated an unlicensed veterinary prescription drug distribution business. Groce worked with the same veterinarian as did Webb.

9. Webb and Groce obtained veterinary prescription drugs from AHI in interstate commerce without valid prescriptions, and, on many occasions, with no prescription at all.

10. On April 29, 2015, the government executed search warrants at locations in Virginia and Tennessee associated with Groce and Webb. In 2016 and 2017, respectively, Groce and Webb pled guilty to illegally conspiring to defraud the FDA by obtaining and distributing veterinary prescription drugs from July 2009 through April 29, 2015 in a manner that circumvented the FDA's regulation of veterinary prescription drugs.

11. Groce and Webb were legacy customers of, among others, Lextron and Walco, and continued to be customers after the companies merged to form AHI in 2012 until May 2015. Neither Lextron, Walco, nor AHI performed adequate customer diligence processes, nor adequately trained sales representatives to raise questions regarding Groce's, Webb's or the veterinarian's activities in Virginia and Tennessee. For example, Groce operated a business that stored and distributed veterinary prescription drugs out of a storefront called "Goin' Postal" and his personal residence. Neither of those locations resembled a veterinarian establishment and should have raised questions for sales representatives who personally visited them. After learning of search warrants executed on each of the customers' locations, AHI took some steps to block the sale of veterinary prescription drugs to these customers on May 4, 2015.

12. Furthermore, between January 2012 and May 2015, AHI did not maintain the proper licenses to ship from its Memphis, Tennessee, facility into Virginia or from its Wolcott, Indiana, facility into Virginia or Tennessee, but, despite this deficiency, shipped products from those locations to Virginia and Tennessee.

13. All veterinary prescription drugs distributed by AHI to Groce and Webb were misbranded because, neither recipient was licensed to possess or distribute veterinary prescription drugs, and the prescribing veterinarian was not properly licensed to practice veterinary medicine in Virginia and consequently none of the drugs he caused to be dispensed were prescribed pursuant to lawful orders.

14. From the illegal shipments to and on behalf of Groce and Webb, AHI received $7,427,928 (seven million four hundred twenty-seven thousand nine hundred twenty-eight dollars) and made a profit of $558,309 (five hundred fifty-eight thousand three hundred nine dollars) by unlawfully distributing veterinary prescription drugs to or on behalf of Groce and Webb.

15. From 2012 through on or about 2018, AHI caused additional misbranded veterinary prescription drug shipments to be made throughout the United States by distributing veterinary prescription drugs from its wholesale locations directly to end users in states where such shipments were illegal and, in some instances, by shipping veterinary prescription drugs to locations in states in which AHI did not have legal authority to make such shipments. AHI obtained not less than $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) from such shipments. Its profits from such shipments were a small percentage of the amount received.

COUNT ONE

Introduction of Misbranded Drugs into Interstate Commerce
21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1)

The United States Attorney charges that:

16. The Information is realleged and incorporated by reference into this Count.

17. From about January 2012 to April 2015, in the Western District of Virginia, Animal Health Incorporated ("AHI") introduced and delivered for introduction, and caused the introduction and delivery for introduction, into interstate commerce, of veterinary prescription drugs that were misbranded in that the drugs' labeling did not bear adequate directions for the use of such drugs.

18. The offense conduct included, but was not limited to, the following:

a. AHI distributed veterinary prescription drugs directly to Billy K. Groce and Marlin Webb, notwithstanding that neither Groce nor Webb was legally authorized to possess or distribute the drugs; and

b. AHI distributed veterinary prescription drugs to customers of Billy K. Groce and Marlin Webb without a lawful prescription having been issued for those drugs.

19. Since these veterinary prescription drugs were not lawfully distributed or prescribed, they failed to qualify for the exemption from the requirement that they bear labeling containing adequate directions for lay use. All in violation of Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1).

NOTICE OF FORFEITURE

20. Upon conviction of the offense alleged in this Information, AHI shall forfeit to the United States veterinary prescription drugs that were misbranded or became misbranded as a result of AHI's conduct, pursuant to 21 U.S.C. § 334 and 28 U.S.C. § 2461.

21. Because the above-described forfeitable property has been transferred and sold to third parties and cannot be located upon the exercise of due diligence, the United States intends to seek forfeiture of $46,802,203 pursuant to 21 U.S.C. § 853(p).

NON-PROSECUTION AGREEMENT

1. The United States Attorney's Office for the Western District of Virginia ("USAO-WDVA") and Patterson Companies, Inc. ("Patterson"), and any and all current and former affiliated entities including, but not limited to, Animal Health International, Inc. ("AHI") (collectively referred to as the "Company") enter into this Non-Prosecution Agreement ("Agreement") to resolve the investigation by the USAO-WDVA of the Company related to possible violations of federal laws relating to the licensing, dispensing, distribution, or sale of veterinary prescription drugs.

2. This Agreement, in conjunction with the Plea Agreement with AHI ("Plea Agreement"), resolves all of the Company's potential federal criminal liability for the offenses covered herein and in the Plea Agreement.

3. The USAO-WDVA enters into this Agreement based on the individual circumstances presented by this case including:

a. Patterson's cooperation with the USAO-WDVA investigation since June 2018, and AHI's subsequent cooperation under the direction of Patterson, as well as the Company's continued cooperation under the direction of the Special Investigation Committee of the Board of Directors of Patterson ("SIC") which was formed in April 2019. Since 2018, the Company has conducted a thorough and robust internal investigation; proactively brought information to the USAO-WDVA's attention, remediated noncompliant activity and implemented control enhancements, including certain licensing, dispensing, distribution and related sales practices company-wide; made factual presentations to the USAO-WDVA; timely and fully produced all requested documents; entered into agreements tolling relevant statutes of limitations; and collected, analyzed, and organized voluminous data and information for the USAO-WDVA.

b. Patterson's voluntary disclosure to the USAO-WDVA of non-compliant licensing, dispensing, distribution, and sales at AHI and Patterson beyond AHI's conduct set forth in the Information and Plea Agreement, and its timely efforts to remediate non-compliant activity and enhance controls and processes to mitigate against future reoccurrence. The additional non-compliant activity involved wholesale distribution of veterinary prescription drugs: (i) without verifying the continued validity of all practitioners' licenses in the receiving state; (ii) without verifying that an alternate location requested by the customer was authorized by state law to receive veterinary prescription drugs; (iii) without verifying that veterinarians licensed in Virginia were also associated with a veterinary establishment registered with the Virginia Board of Veterinary Medicine, (iv) without valid licensure to ship to the state to which the drugs were shipped, and/or (v) to end users in states where drop shipments by wholesalers to end users is not allowed. The additional non-compliant activity was due to prior weaknesses and inconsistencies among AHI and Patterson regulatory functions and processes, as well as system challenges presented by the Company's enterprise resource planning implementation. The Company has since taken extensive

proactive steps to enhance its regulatory function, capabilities and support to guide the business and other control functions on regulatory compliance matters. It has also enhanced its regulatory system controls to address the issues disclosed in the investigation and to verify that veterinary prescription drugs are shipped from facilities with required state licenses and to customers and locations authorized by state law to receive veterinary prescription drugs. Consistent with its approach to the USAO-WDVA, Patterson also disclosed the pending federal investigation to state regulators in all 50 states and continues to engage with state regulators, as appropriate, on matters related to the USAO-WDVA investigation.

c. The Company's enhanced regulatory compliance processes and commitment to implement a compliance program that meets the minimum elements set forth in Attachment C to the Plea Agreement ("Corporate Compliance Program Agreement").

d. The Company's agreement to comply with the terms of the Agreement and Plea Agreement.

e. AHI's admission to and the Company's agreement with the facts and allegations set forth in the Plea Agreement.

f. Although the investigation did not involve controlled substances, the Company's recognition that diversion of controlled substances, including drugs of the type that are prescribed and dispensed by veterinarians, such as buprenorphine and hydrocodone, should be a concern of all distributors and dispensers of those drugs and the Company's ongoing commitment to be proactive in deterring diversion and identifying and notifying authorities of suspicious ordering.

4. The Company agrees it will not take any tax deduction or seek or accept directly or indirectly reimbursement or indemnification from any source for any payments made pursuant to the Plea Agreement.

5. No money paid by the Company will be returned, and the Company expressly agrees to release any and all claims it may have to the money. The Company will not file any claim or otherwise contest the payment of money set forth in this Plea Agreement, and it will not assist anyone in asserting a claim to the money.

6. Nothing in this Agreement or any related documents is an admission by the United States that the amounts paid by the Company are the maximum amounts that could be recovered from the Company in the absence of an accepted plea agreement. If the Company does not comply with all of its obligations under this Agreement, the United States is not precluded from arguing or presenting evidence that the total amount to be paid by the Company should be higher.

7. The Company's obligations under this Agreement shall have a term of 42 months from the date on which the Agreement is executed (the "Term").

8. During the Term, the Company will fully cooperate with the USAO-WDVA.

9. During the Term, the Company shall undertake and abide by the terms of the Corporate Compliance Program Agreement in Attachment C to the Plea Agreement.

10. If the Company complies with all of the terms of this Agreement and the Plea Agreement, the USAO-WDVA will not prosecute the Company for any criminal conduct occurring prior to the entering of this agreement concerning:

a. The subject matter of the Information to which AHI is pleading guilty; or

b. Facts disclosed by the Company to the USAO prior to entering this agreement related to the Company's licensing, dispensing, distribution, or sale of veterinary prescription drugs.

11. However, if the USAO-WDVA, in its sole discretion, determines the Company (a) provided deliberately false, incomplete, or misleading information at any time in connection with this Agreement or (b) violated any provision of this Agreement, then the USAO-WDVA will not be bound to their agreement not to prosecute the Company for the matters covered in paragraph 10. Should the USAO-WDVA determine that the Company has violated any provision of this Agreement, the USAO-WDVA shall provide prompt written notice to the Company addressed to its General Counsel, and to its outside counsel, Amy Conway-Hatcher, Baker Botts LLP, 1299 Pennsylvania Avenue NW, Washington, DC, or to any successor the Company may designate, of the alleged violation and provide the Company with a 45 (forty-five) day period from the date of receipt of notice in which to make a presentation to the USAO-WDVA to demonstrate that no violation occurred, or, to the extent applicable, that the violation should not result in adverse action, including because the violation has been cured by the Company. In the event of a violation, the Company will not assert any claim under the United States Constitution, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other rule or law, that any statements or testimony made by or on behalf of the Company prior or subsequent to this Agreement, or any leads derived therefrom, should be suppressed or are otherwise inadmissible in any proceeding brought by the Department of Justice. If, as a result of a violation, the United States charges the Company, the Company hereby waives any statute of limitations defense for any offense not time-barred by the applicable statute of limitations on the date this Agreement is signed, including time protected as the result of existing agreements to toll the applicable statute of limitations.

12. The Company will not, through its present or future directors, officers, employees, agents, (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If the Company makes a public statement that in whole or in part contradicts any such statement or provision, the Company may avoid being in violation of this Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by the Company's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) the Company's

websites. Notwithstanding the above, the Company may avail itself of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

13. The terms of this Agreement bind the USAO-WDVA and other divisions of the Department of Justice (collectively referred to as the "United States"), except that they do not bind the Tax Division of the Department of Justice or any state, local, or foreign law enforcement or regulatory agencies, or any other authorities. The USAO-WDVA will bring the cooperation of the Company and its compliance with its other obligations under this Agreement to the attention of such agencies and authorities if requested to do so by the Company.

14. The Company and the United States may disclose this Agreement and any other documents used to effectuate the objectives of this Agreement to the public.

15. Nothing in this Agreement resolves, in any way, any liability of any individual.

16. This Agreement and the Plea Agreement set forth all the terms of the agreement between the Company and the USAO-WDVA. No amendments, modifications, or additions to this Agreement will be valid unless they are in writing signed by the USAO-WDVA, the attorneys for the Company, and a duly authorized representative of the Company.

The Company acknowledges its acceptance of this Agreement by the signature of its counsel and Officer. A copy of a resolution by the Company's Board of Directors authorizing the Officer to execute this Agreement and all other documents to resolve this matter on behalf of the Company is attached as Addendum 1.

EXHIBIT A

RESOLUTION OF THE
BOARD OF DIRECTORS
OF
PATTERSON COMPANIES, INC.

NON-PROSECUTION AGREEMENT

WHEREAS, the Company, together with outside counsel reporting to the Special Investigation Committee of the Board ("SIC Counsel"), has been in discussions with the U.S. Attorney's Office for the Western District of Virginia ("USAO-WDVA") to resolve its investigation into Animal Health International, Inc. by, among other things, having the Company enter into a Non-Prosecution Agreement (the "Agreement");

WHEREAS, SIC Counsel has advised the Board of the terms of the Agreement and the consequences of entering into the Agreement; and

WHEREAS, the Board has determined that it is in the best interest of the Company to enter into the Agreement.

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby approves the Agreement and authorizes any executive officer of the Company (the "Authorized Officers") and SIC Counsel to execute and deliver the Agreement on behalf of the Company, with such changes thereto as the Authorized Officers may approve, such approval to be conclusively evidenced by the execution of the changed Agreement.

RESOLVED FURTHER, that the Authorized Officers and SIC Counsel are hereby authorized and directed to execute and deliver all other documents necessary to carry out the provisions of the Agreement.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to acknowledge on behalf of the Company that the Agreement and related documents fully set forth the agreement made between the Company and the USAO-WDVA, and that no additional promises or representations have been made to the Company by any officials of the USAO-WDVA in connection with the Agreement and related documents, other than those set forth in therein.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to make any payments required in connection with the Agreement.

RESOLVED FURTHER, that each Authorized Officer is authorized and empowered, in the name and on behalf of the Company, to make all such arrangements, to do and perform all such acts and things, and to execute and deliver all such documents, certificates and instruments as they may deem appropriate in order to effectuate fully the purpose of the foregoing resolutions, and that any actions taken heretofore and hereafter to accomplish such purposes be, and they hereby are approved, ratified and confirmed.

CERTIFICATE OF SECRETARY

I, Les B. Korsh, herby certify that I am now, and at all times mentioned herein have been, the duly elected, qualified, and acting Secretary of **PATTERSON COMPANIES, INC.**, a Minnesota corporation (the "Corporation") and, as such officer, I have access to the records of the Company, which records of the Company reflect that:

1. RESOLUTIONS. Attached hereto as **Exhibit A** is a true and correct copy of resolutions that have been duly adopted by the Board of Directors of the Corporation on February 4, 2020, in compliance with, and not in contravention of, the articles of organization and bylaws of the Corporation; none of such resolutions have been repealed or modified in any respect, and all of such resolutions are in full force and effect on and as of the date hereof, and constitute the only action taken by the Board of Directors of the Corporation with respect to the subject matter hereof.

IN WITNESS WHEREOF, I duly executed this Certificate this 10th day of February, 2020.

Les B. Korsh
Secretary of Patterson Companies, Inc.

CORPORATE COMPLIANCE PROGRAM AGREEMENT

The following Patterson Companies, Inc. ("Patterson" or the "Company") Corporate Compliance Program Agreement ("Corporate Compliance Program Agreement") has been prepared pursuant to the Non-Prosecution Agreement dated this same date between Patterson and the United States Attorney's Office for the Western District of Virginia ("USAO-WDVA"). Compliance with all the terms and standards of the Corporate Compliance Program Agreement is a condition of the Non-Prosecution Agreement and shall continue for the Term of the Non-Prosecution Agreement ("Term").

Applicability and Purpose

1. This Corporate Compliance Program Agreement shall be incorporated into the Non-Prosecution Agreement by reference, and compliance with the terms of the Corporate Compliance Program Agreement will be a condition of the Non-Prosecution Agreement. The USAO-WDVA acknowledges that the Company has already implemented many of these terms as of the date of the resolution.

2. Any proposed modifications to this Corporate Compliance Program Agreement must be made in writing and signed by the Company and the designated signatory for the USAO-WDVA.

3. The Corporate Compliance Program Agreement does not in any way release the Company from complying with any applicable federal or state statutes and/or regulations, and does not limit the imposition of any sanctions, penalties or any other actions available under those state or federal statutes and regulations.

The Corporate Compliance Program Agreement

4. The Company and the USAO-WDVA agree that the Company shall undertake the following voluntary compliance measures. The Corporate Compliance Program Agreement does and will continue to contain policies and procedures designed to prevent, detect, and correct violations of federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the Food, Drug, and Cosmetic Act ("FDCA"), 21 U.S.C. § 301 *et seq.* and FDA requirements. These policies and procedures shall be designed to ensure that the Company complies with, among other things, the FDCA's prohibitions against causing the introduction into interstate commerce of a drug that is misbranded or otherwise violates the FDCA.

5. *Compliance Officer.* Prior to the effective date of the Non-Prosecution Agreement, the Company established the position of Chief Compliance Officer ("Compliance Officer") and appointed an individual to serve in the role on an interim basis until such time as the Company can fill the role on a permanent basis. The Company shall maintain a Compliance Officer for the Term. During the Term, the Compliance Officer shall be authorized to oversee compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA, FDA requirements, and the requirements of the Corporate

Compliance Program Agreement. The Compliance Officer is, and shall continue to be, responsible for developing and implementing policies, procedures and practices designed to address compliance with the requirements set forth in this Corporate Compliance Program Agreement, with federal and state statutes and/or regulations concerning federal prescription drug distribution and FDA requirements. The Compliance Officer shall be a member of senior management of the Company, and shall report directly to the Chief Executive Officer of the Company. The Compliance Officer shall make periodic (at least quarterly) reports regarding compliance matters directly to the Patterson Company's Board of Directors (hereinafter the "Board") or any authorized committee thereof, and shall be authorized to report on such matters to the Board at any time. The Compliance Officer shall not be subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by the Company as well as for any obligations created under the Corporate Compliance Program Agreement. Any non-compliance job responsibilities of the Compliance Officer must not interfere with the Compliance Officer's ability to perform the duties outlined in the Corporate Compliance Program Agreement.

6. *Compliance Committee.* Prior to the effective date of the Non-Prosecution Agreement, the Company formed a Compliance Committee (hereafter "Compliance Committee") which, in conjunction with the Compliance Officer, assists in the implementation and enhancement of the compliance program. The Company shall maintain the Compliance Committee for the Term. The Compliance Committee shall include, at a minimum, the Compliance Officer and other members of senior management necessary to meet the requirements of the Corporate Compliance Program Agreement (e.g., senior executives of relevant departments, such as legal, regulatory, audit, human resources, and operations.) The Compliance Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of the Company's risk areas and shall oversee monitoring of internal and external compliance-related audits and investigations). The Compliance Committee shall meet at least quarterly.

7. *Board of Directors Compliance Obligations.* Prior to the effective date of the Non-Prosecution Agreement, the Board formed a committee responsible for overseeing the Company's compliance program ("Board Committee"). The Company shall maintain the Board Committee for the Term. The Board Committee shall consist of no less than three (3) non-employee directors, including at least one (1) member of the Special Investigation Committee formed in response to the USAO-WDVA investigation for a minimum of twelve (12) months from the date of this Non-Prosecution Agreement. The Board Committee shall oversee the Company's compliance program, including at a minimum:

a. the Company's obligations under the Corporate Compliance Program Agreement

b. receiving updates about adoption and implementation of policies, procedures and practices designed to ensure compliance with the FDCA and FDA requirements, and

c. evaluating the effectiveness of the compliance program.

8. The Company shall continue to evaluate its current business to ensure that it is not currently receiving, distributing or handling misbranded or unapproved federal prescription drugs. Should the Company find it is receiving, distributing, or handling misbranded or unapproved federal prescription drugs, it shall take necessary steps to remediate any such conduct.

9. The Company shall continue to enhance its current training program to ensure that pertinent employees are familiar with the requirements of the FDCA and FDA requirements that could potentially apply to the Company's conduct.

10. The Company will put in place processes to (a) encourage employees to report suspected non-compliant activities by the Company, customers, or others and to (b) acknowledge or otherwise recognize employees for reporting confirmed non-compliant activity, as appropriate.

11. The Company will maintain, or as necessary establish, policies and procedures designed to ensure effective investigation of any complaints and/or potential deficiencies relating to compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA and FDA requirements. Such policies and procedures shall include, but are not limited to:

a. Training and providing guidance to all pertinent employees as to the requirement to report all information regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to the Compliance Officer, who in turn will review and determine whether corrective actions are required; and

b. Tracking allegations and remediation action plans regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to identify issues that may require corrective actions.

12. Within 60 days of the end of the Company's fiscal year, the Company's Chief Executive Officer will certify, under oath, to (a) the United States Attorney's Office during the Term and (b) the United States Probation Office for any period during which Animal Health International, Inc. is on probation, that (1) the Company fully complied with all federal laws and regulations pursuant to the Food, Drug, and Cosmetic Act ("FDCA") in the preceding year (or, in the instance of the first such certification, the period from execution of the Non-Prosecution Agreement through the end of the Company's fiscal year 2020), or in the alternative, (2) list all non-compliant activity and the steps taken by the company to remedy such non-compliant activity. Any listing of non-compliant activity shall not be considered by the government or the Probation Officer as a per se violation of the terms of probation or the Non-Prosecution Agreement. Instead, other factors will be taken into account, including whether the conduct violated policies the Company has adopted, whether the Company provided training addressing the subject matter of the reported conduct, whether it was an isolated or systemic occurrence, the Company's response, and any remedial actions taken after the Company learned of the conduct reported.

Non-Compliance

13. The Corporate Compliance Program Agreement is part of the Non-Prosecution Agreement and adherence to it will be an enforceable condition. Deliberate, intentional or knowing failure to comply with any part of the Corporate Compliance Program Agreement is a violation of the Non-Prosecution Agreement.

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF VIRGINIA
ABINGDON

UNITED STATES OF AMERICA	)	
	)	Criminal No.
v.	)	
	)	
ANIMAL HEALTH INTERNATIONAL, INC.	)	

AGREED ORDER OF FORFEITURE

IT IS HEREBY ORDERED THAT:

A. Pursuant to Rule 32.2(b)(1)(A) of the Federal Rules of Criminal Procedure, the evidence of record and the guilty plea to Count One of the Information, misbranding a drug, in violation of 21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1), the defendant shall forfeit to the United States quantities of prescription veterinary drugs that were misbranded when introduced into interstate commerce and/or when being held for sale in interstate commerce, pursuant to 21 U.S. C. § 334 and 28 U.S.C. § 2461.

B. Pursuant to the defendant's plea agreement, because the above-described forfeitable property, as a result of the defendant's acts, has been transferred or sold to third parties and cannot be located upon the exercise of due diligence, a money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) is hereby entered against the defendant as a substitute asset pursuant to 21 U.S.C. § 853(p).

C. On or before 7 days from the date of entry of a guilty plea, the defendant will voluntarily remit payment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in satisfaction of the money judgment by remitting certified funds made payable to the U.S. Marshals Service, Asset Forfeiture Unit, 247 Federal Building, 210 Franklin Road, S.W., Roanoke, Virginia 24011.

D. As payments are voluntarily being remitted to the United States, notice and publication are not required.

E. The Court shall retain jurisdiction to enforce this Order, and to amend it as necessary, pursuant to Fed. R. Crim. P. 32.2(e).

F. Pursuant to Fed. R. Crim. P. 32.2(b)(4), this Order of Forfeiture shall become final as to the defendant upon entry, and shall be made a part of the sentence and included in the judgment.

Animal Health International, Inc. (AHI) Disclosure Statement

a. On March 4, 2013, Animal Health International, Inc.'s (AHI) Mayo, Florida Veterinary Prescription Drug Wholesale Distributor license was disciplined by the Florida Department of Business and Professional Regulation (DBPR) related to allegations that AHI failed to report a change of ownership to the DBPR in a timely manner. AHI and the DBRP reached a settlement agreement and a fine, and AHI paid $41,250.

b. On April 18, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Visalia, California Veterinary Food- Animal Drug Retailer license for an alleged failure to affix labels to a product dispensed in California. AHI paid a fine of $500.

c. On June 18, 2013, the Missouri Division of Professional Regulation issued a drug distributor license to Animal Health International, Inc.'s (AHI) Salina, Kansas facility. The license was issued subject to probation due to allegations that this entity distributed legend drugs in Missouri without being licensed to do so. On June 17, 2015, the probation was terminated.

d. On August 30, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Ceres, California Veterinary Food Animal Drug Retailer license for alleged violations of allowing a non-pharmacist to receive an oral order from a veterinarian, furnishing medications without a valid prescription, and failing to comply with labeling requirements. AHI paid a fine of $3,500. Two AHI employees were also cited and fined a total of $3,000.

e. On March 13, 2017, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama Board of Pharmacy in which AHI agreed to pay a fine of $1,000 following allegations that AHI's Manchester, Iowa pharmacy had violated Alabama law by being disciplined by the Arkansas Board of Pharmacy. AHI had entered into a non-disciplinary agreement with the Arkansas Board of Pharmacy following allegations that it had not notified the Arkansas Board of a change of ownership in a timely manner and paid a non-disciplinary fine of $2,500 to the Arkansas Board. The Alabama Board made no misconduct allegations beyond the conduct in Arkansas, which led to the non-disciplinary order and fine.

f. In March 2017, the Colorado Board of Pharmacy issued a letter of admonishment to Animal Health International, Inc.'s (AHI) Greeley, Colorado wholesale distributor license following allegations that it failed to timely submit an application detailing a change in designated representative. AHI was required to pay the costs associated with the Board's order.

g. On February 14, 2020, Animal Health International, Inc. (AHI) entered a plea of guilty for introducing into interstate commerce misbranded veterinary prescription drugs to persons who were not licensed to possess or distribute veterinary prescription drugs on the order of a veterinarian who was not properly licensed in Virginia. AHI Paid a fine of $5,000,000.

h. On July 20, 2020, Animal Health International, Inc. (AHI) in Boaz, AL entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an

administrative fine of $2,000. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The facility in Boaz, Alabama facility, subject to discipline was AHI's Boaz, Alabama, wholesale drug distributor license.

i. On July 20, 2020, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an administrative fine of $2,500. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The specific facility subject to discipline was AHI's Springdale, Arkansas, wholesale drugdistributor license.

j. On December 15, 2022, Animal Health International, Inc. (AHI) entered into an agreement with the Florida State Board of Pharmacy in which AHI agreed to pay an administrative fine of $3,500 against the Wolcott, IN pharmacy license. This agreement was related to the Florida Board's investigation following AHI's criminal conviction on February 14, 2020, in the United States District Court for the Western District of Virginia and did not involve new conduct.

k. On December 31, 2024, Animal Health International's Sioux Center, Iowa Wholesale Distributor facility entered into a Consent Order with the Illinois Department of Financial and Professional Regulation in which the facility's Illinois Wholesale Distributor license was reprimanded and fined $10,000. This action was based entirely on the Department of Justice case against AHI related to distribution activities predating current ownership. The Federal case was reported to State Boards during the investigation in July 2019 and again in February 2020 once the case was resolved.

l. On January 9, 2025, Animal Health International's ("AHI") Ceres, California Wholesale Distributor Facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 6 days in 2016, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

m. On January 9, 2025, Animal Health International's ("AHI") Roanoke, Texas Wholesale Distributor facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 165 days in 2014, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil

penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

n. On January 9, 2025, Animal Health International's ("AHI") Twin Falls, Idaho pharmacy entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 3 days in 2016, the pharmacy dispensed prescriptions into Oregon without an active pharmacy license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $3,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. Please note that the activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice case was reported to the state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. A copy of the Oregon Consent Order is enclosed. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. K41888441

Application/License No. _____

Animal Health International, Inc. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 1906 East Cedar Avenue, Ontario, CA 91761 (Address of Applicant/Principal), as PRINCIPAL, and Federal Insurance Company (Surety Company), a corporation organized under the laws of the state of Indiana (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 202B Halls Mill Road, Whitehouse Station, NJ 08889-3454 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on February 25, 2025 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 25 day of February, 2025.

CERTIFICATION

Resolutions adopted by the Boards of Directors of FEDERAL INSURANCE COMPANY, VIGILANT INSURANCE COMPANY, and PACIFIC INDEMNITY COMPANY on August 30, 2016; WESTCHESTER FIRE INSURANCE COMPANY on December 11, 2006; and ACE AMERICAN INSURANCE COMPANY on March 20, 2009:

"RESOLVED, that the following authorizations relate to the execution, for and on behalf of the Company, of bonds, undertakings, recognizances, contracts and other written commitments of the Company entered into in the ordinary course of business (each a "Written Commitment"):

(1) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise.

(2) Each duly appointed attorney-in-fact of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise, to the extent that such action is authorized by the grant of powers provided for in such person's written appointment as such attorney-in-fact.

(3) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to appoint in writing any person the attorney-in-fact of the Company with full power and authority to execute, for and on behalf of the Company, under the seal of the Company or otherwise, such Written Commitments of the Company as may be specified in such written appointment, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.

(4) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to delegate in writing to any other officer of the Company the authority to execute, for and on behalf of the Company, under the Company's seal or otherwise, such Written Commitments of the Company as are specified in such written delegation, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.

(5) The signature of any officer or other person executing any Written Commitment or appointment or delegation pursuant to this Resolution, and the seal of the Company, may be affixed by facsimile on such Written Commitment or written appointment or delegation.

FURTHER RESOLVED, that the foregoing Resolution shall not be deemed to be an exclusive statement of the powers and authority of officers, employees and other persons to act for and on behalf of the Company, and such Resolution shall not limit or otherwise affect the exercise of any such power or authority otherwise validly granted or vested."

I, Rupert HD Swindells, Assistant Secretary of FEDERAL INSURANCE COMPANY, VIGILANT INSURANCE COMPANY, PACIFIC INDEMNITY COMPANY, WESTCHESTER FIRE INSURANCE COMPANY and ACE AMERICAN INSURANCE COMPANY (the "Companies") do hereby certify that

PLEA AGREEMENT

ANIMAL HEALTH INTERNATIONAL, INC. (EIN: 84-0575063) ("AHI") has entered into a Plea Agreement with the United States of America, by counsel, pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure ("Fed. R. Crim. P."). The terms and conditions of this Plea Agreement are as follows:

1. CHARGE TO WHICH AHI IS PLEADING GUILTY AND WAIVER OF RIGHTS

AHI will enter a plea of guilty to Count One of the Information charging it with violating Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1) in the Western District of Virginia by introducing and delivering for introduction, and causing the introduction and delivery for introduction, into interstate commerce of veterinary prescription drugs that were misbranded.

AHI understands, and the parties agree and stipulate, the maximum statutory penalty is a fine of $14,855,856 (fourteen million eight hundred fifty-five thousand eight hundred fifty-six dollars), pursuant to Title 18, United States Code, Section 3571(d), and a period of probation of five (5) years, pursuant to Title 18, United States Code, Section 3561(c)(2). In addition, AHI's assets are subject to forfeiture. AHI understands fees may be imposed to pay for probation and there will be a $125 (one hundred twenty-five dollars) special assessment for Count One, pursuant to Title 18, United States Code, Section 3013(a)(1)(B)(iii). AHI's attorneys have informed it of the nature of the charge and the elements of the charge that must be proved by the United States beyond a reasonable doubt before AHI could be found guilty as charged.

AHI admits and agrees that all of the statements and allegations in the Information are true and correct.

AHI acknowledges AHI has had all of its rights explained to it. AHI expressly recognizes that, as a corporation, AHI may have the following constitutional rights and by voluntarily pleading guilty AHI knowingly waives and gives up these valuable constitutional rights:

The right to plead not guilty and persist in that plea.
The right to a speedy and public jury trial.
The right to assistance of counsel at that trial and in any subsequent appeal.
The right to remain silent at trial.
The right to testify at trial.
The right to confront and cross-examine witnesses.
The right to present evidence and witnesses.

The right to compulsory process of the court.
The right to compel the attendance of witnesses at trial.
The right to be presumed innocent.
The right to a unanimous guilty verdict.
The right to appeal a guilty verdict.

AHI is pleading guilty as described above because AHI is in fact guilty and because AHI believes it is in its best interest to do so and not because of any threats or promises, other than the terms of this Plea Agreement, described herein, in exchange for its plea of guilty. AHI agrees all of the matters set forth in the Information are true and correct.

AHI understands the plea is being entered in accordance with Fed. R. Crim. P. 11(c)(1)(C).

2. SENTENCING PROVISIONS

The parties agree the 2018 version of the United States Sentencing Commission Guidelines Manual ("U.S.S.G.") is the appropriate Guidelines Manual to utilize. According to U.S.S.G. § 8C2.1, the organizational fine provisions do not apply to the count of conviction in this case, which is a misdemeanor under 21 U.S.C. § 333(a)(1).

The parties agree and stipulate:

a. the fine shall be $5,000,000 (five million dollars);
b. AHI shall pay $1,000,000 (one million dollars) to the Virginia Department of Health Professions ("DHP") in recognition of direct assistance provided by DHP to the United States during the investigation;
c. AHI shall forfeit $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars); and
d. AHI shall serve a term of probation of one to three years, as determined by the Court.

The Court will determine what terms and length of probation are appropriate and the parties will be free to argue for which terms and length of probation they believe are appropriate. AHI understands and agrees if its probation is revoked, it may be resentenced and a total aggregate fine up to the statutory maximum may be imposed.

The parties agree if the Court refuses to accept this Plea Agreement with the agreed-upon sentence, AHI will be free to withdraw its guilty plea. In the event the Court refuses to accept this Plea Agreement and AHI withdraws its guilty plea within ten days of being notified of the Court's refusal, nothing in this Plea Agreement shall be deemed a waiver of the provisions of Federal Rule of Evidence ("Fed. R. Evid.") 410. Under these circumstances, the United States will move to dismiss the Information without prejudice and the United States may file any charges it could have filed in the absence of the plea agreement. AHI agrees to toll the statute of limitations between the date of the plea and the filing of any such charges.

3. FINANCIAL OBLIGATIONS

AHI agrees and understands any of the money paid pursuant to this Plea Agreement will be returned if, and only if, the Court refuses to accept this Plea Agreement with the agreed-upon sentence and, as a result, AHI withdraws its guilty plea. If the Court rejects this Plea Agreement and AHI withdraws its guilty plea, the United States will return all money paid by AHI, without

interest, not more than thirty (30) days after AHI withdraws its guilty plea and notifies the United States Attorney's Office for the Western District of Virginia ("USAO"), in writing, it wishes to have the money returned.

In addition, in accordance with 18 U.S.C. § 3572(d)(3), AHI will notify the Court of any material change in AHI's economic circumstances that might affect AHI's ability to pay any amounts payable under this Plea Agreement.

a. Payments

Within 7 days of the entry of AHI's guilty plea, AHI will make the following disbursements:

(1) $125 (one hundred twenty-five dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the special assessment.

(2) $5,000,000 (five million dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the fine;

(3) $1,000,000 (one million dollars) to the Virginia Department of Health Professions. These funds must be remitted in the form of certified funds made payable to the "Treasurer of Virginia." The comment section of the check should note "DHP-Enforcement" in recognition of direct assistance provided to the United States during the investigation; and

(4) $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) made payable to the United States Marshals Service, as directed by the USAO as payment of a forfeiture money judgment.

b. Forfeiture

AHI agrees to the entry of a forfeiture money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency ("Forfeiture Money Judgment") pursuant to 21 U.S.C. §§ 334 and 853(p), and 28 U.S.C. § 2461(c). AHI agrees that the value of the quantities of prescription drugs which were misbranded in violation of 21 U.S.C. § 331(a) totaled at least $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency.

AHI acknowledges and agrees the quantities of the drugs which were misbranded in violation of 21 U.S.C. § 331(a) cannot be located upon exercise of due diligence, or have been transferred or sold to, or deposited with, a third party, placed beyond the jurisdiction of the Court, substantially diminished in value, or commingled with other property which cannot be divided without difficulty. Accordingly, AHI agrees the government is entitled to forfeit as substitute assets any other assets of AHI up to the value of the now missing directly forfeitable assets, pursuant to

21 U.S.C. § 853(p). Payment in full of the Forfeiture Money Judgment shall satisfy any and all forfeiture obligations that AHI may have as a result of this guilty plea. AHI consents to the entry of an Order of Forfeiture pursuant to Rule 32.2 of the Federal Rules of Criminal Procedure forfeiting the above-referenced Forfeiture Money Judgment.

AHI agrees to sign any documentation necessary and to cooperate fully with the United States to accomplish the forfeiture. AHI agrees to forfeit all interest in these funds and to take whatever steps are necessary to pass clear title of these funds to the United States.

AHI agrees not to file a claim in any forfeiture proceeding or to contest, in any manner, the forfeiture of said assets. AHI agrees not to file or interpose any claim or to assist others to file or interpose any claim to any property against which the government seeks to execute the Forfeiture Money Judgement in any administrative or judicial proceeding.

AHI understands and agrees forfeiture of this property is proportionate to the degree and nature of the offense. AHI freely and knowingly waives any and all constitutional and statutory challenges to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including, but not limited to, that the forfeiture constitutes an excessive fine or punishment. AHI further understands and agrees this forfeiture is separate and distinct from, and is not in the nature of, or in lieu of, any monetary penalty or other monetary judgment that may be imposed by the court.

c. Restitution

The parties agree and stipulate, pursuant to 18 U.S.C. § 3663(a)(1)(B)(ii), that no restitution will be ordered.

4. ADDITIONAL OBLIGATIONS

Unless the Court rejects this Plea Agreement and, as a result, AHI withdraws its plea, AHI agrees to: (1) accept responsibility for its conduct; (2) not attempt to withdraw its guilty plea; (3) not deny it committed the crime to which it has pled guilty; (4) comply with any reasonable request of the United States Attorney's Office and (5) not make or adopt any arguments or objections to the presentence investigation report that are inconsistent with this Plea Agreement.

Neither AHI, nor its corporate parent (Patterson Companies, Inc. ["Patterson"]), will (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If Patterson or AHI makes a public statement that in whole or in part contradicts any such statement or provision, AHI may avoid being in violation of this Plea Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by Patterson's and AHI's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) Patterson or AHI websites. Notwithstanding the above, Patterson and AHI may avail themselves of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by

any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

5. WAIVER OF RIGHT TO APPEAL AND COLLATERALLY ATTACK THE JUDGMENT AND SENTENCE IMPOSED BY THE COURT

If the Court accepts this Plea Agreement, AHI agrees AHI will not appeal the conviction or sentence imposed. AHI is knowingly and voluntarily waiving any right to appeal and is voluntarily willing to rely on the Court in sentencing it, pursuant to the terms of Fed. R. Crim. P. 11(c)(1)(C). AHI expressly waives its right to appeal as to any and all issues in this matter and waives any right it may have to collaterally attack, in any future proceeding, any order issued in this matter, unless such appeal or collateral attack cannot be waived, by law. AHI understands the United States expressly reserves all of its rights to appeal, but if the United States initiates a direct appeal of the sentence imposed, AHI may file a cross appeal of that same sentence. AHI agrees and understands if it files any court document (except for an appeal or collateral attack based on an issue that cannot be waived, by law) seeking to disturb, in any way, any order imposed in the case such action shall constitute a failure to comply with a provision of this Plea Agreement.

6. INFORMATION ACCESS WAIVER

AHI agrees to waive all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a. However, if a third party obtains any records pertaining to the investigation or prosecution of this case under the Freedom of Information Act, AHI shall have the right to request copies of such disclosed records.

7. ADMISSIBILITY OF STATEMENTS

AHI understands any statements made on its behalf (including, but not limited to, this Plea Agreement and its admission of guilt) during or in preparation for any guilty plea hearing, sentencing hearing, or other hearing and any statements made, in any setting, may be used against AHI by the United States in this or any other proceeding. AHI knowingly waives any right it may have under the Constitution, any statute, rule or other source of law to have such statements, or evidence derived from such statements, suppressed or excluded from being admitted into evidence in this or any other proceeding. If, and only if, the Court rejects this Plea Agreement, and, as a result, AHI withdraws its plea, AHI will not be bound by the waivers set forth in this section of the Plea Agreement.

8. COMPLETION OF PROSECUTION

Pursuant to Fed. R. Crim. P. 11(c)(1)(A), so long as AHI complies with all of its obligations under this Plea Agreement, the United States agrees, other than the charge in the attached Information, it shall not further criminally prosecute AHI for any additional federal criminal

charges or forfeiture action with respect to any offenses set forth in the Information or Non-Prosecution Agreement with Patterson (Attached as Attachment B).

Nothing in this Plea Agreement affects the administrative, civil, criminal, or other tax liability of any entity or individual and this Plea Agreement does not bind the Internal Revenue Service of the Department of Treasury, the Tax Division of the United States Department of Justice, or any other government agency with respect to the resolution of any tax issue.

9. LIMITATION OF PLEA AGREEMENT

This Plea Agreement is limited to the United States Department of Justice and does not bind any other federal, state, or local authority.

10. COMPLIANCE AND REMEDIAL MEASURES

AHI agrees to comply with the Corporate Compliance Program Agreement attached hereto as Attachment C.

11. COOPERATION

AHI acknowledges that its ongoing and future cooperation is important and a material fact underlying the United States' decision to enter into this Plea Agreement. AHI agrees to continue to cooperate fully and actively with the United States regarding any matter, including, but not limited to, matters involving (a) current and former AHI personnel, and (b) other entities who operate in the same commercial segment as AHI and/or Patterson during the Term of the Non-Prosecution Agreement with Patterson, provided however that any cooperation in an ongoing investigation or prosecution shall continue until such investigation or prosecution is concluded.

Nothing in this Plea Agreement shall be construed to require Patterson or AHI to waive any attorney-client privilege or work-product protection.

12. REMEDIES FOR FAILURE TO COMPLY WITH ANY PROVISION OF THIS PLEA AGREEMENT

AHI understands if: (1) AHI attempts to withdraw its plea (in the absence of the Court refusing to accept this Plea Agreement); (2) AHI fails to comply with any provision of this Plea Agreement; (3) AHI's conviction is set aside, for any reason; and/or (4) AHI fails to execute all required paperwork prior to the imposition of judgment, the United States may, at its election, pursue any or all of the following remedies: (a) declare this Plea Agreement void; (b) file, by indictment or information, any charges which were filed and/or could have been filed concerning the matters involved in the instant investigation; (c) refuse to abide by any stipulations and/or recommendations contained in this Plea Agreement; (d) not be bound by any obligation of the United States set forth in this Plea Agreement, including, but not limited to, those obligations set forth in the section of this Plea Agreement titled "COMPLETION OF PROSECUTION;" and (e) take any other action provided for under this Plea Agreement or by statute, regulation or court rule.

The remedies set forth above are cumulative and not mutually exclusive. If the United States pursues any of its permissible remedies as set forth in this Plea Agreement, AHI will still be bound by its obligations under this Plea Agreement. AHI hereby waives its right under Fed. R. Crim. P. 7 to be proceeded against by indictment and consents to the filing of an information against it concerning any charges filed pursuant to this section of this Plea Agreement. AHI hereby waives any statute of limitations argument as to any such charges.

13. EFFECTIVE REPRESENTATION

AHI has discussed the terms of this Plea Agreement and all matters pertaining to the charges against it with its attorneys and is fully satisfied with its attorneys and its attorneys' advice. At this time, AHI has no dissatisfaction or complaint with its attorneys' representation. AHI agrees to make known to the Court no later than at the time of sentencing any dissatisfaction or complaint AHI may have with its attorneys' representation.

14. EFFECT OF AHI'S SIGNATURE

AHI understands its Authorized Corporate Officer's signature on this Plea Agreement constitutes a binding offer by it to enter into this Plea Agreement. AHI understands the United States has not accepted AHI's offer until the authorized representative of the United States has signed this Plea Agreement.

15. GENERAL UNDERSTANDINGS

AHI understands a presentence investigation will be conducted and sentencing recommendations independent of the USAO will be made by the presentence preparer.

AHI understands the United States and AHI retain the right, notwithstanding any provision in this Plea Agreement, to inform the probation office and the Court of all facts, to address the Court with respect to the nature and seriousness of the offense and the offender, to respond to any questions raised by the Court, to correct any inaccuracies or inadequacies in the presentence report, and to respond to any statements made to the Court.

AHI willingly stipulates there is a sufficient factual basis for the Court to accept the plea.

AHI understands this Plea Agreement does not apply to any crimes or charges not addressed in this Plea Agreement.

AHI has not been coerced, threatened, or promised anything other than the terms of this Plea Agreement, described above, in exchange for its plea of guilty. AHI understands its attorneys will be free to argue any mitigating factors on its behalf to the extent they are not inconsistent with the terms of this Plea Agreement. AHI understands AHI will have an opportunity to have a representative address the Court prior to sentence being imposed.

This writing, the Non-Prosecution Agreement with Patterson (attached as Attachment B), the Corporate Compliance Program Agreement (attached as Attachment C), and the Agreed Order of Forfeiture (attached as Attachment D) are the complete and only agreements between the United States and AHI concerning resolution of this matter. In addition, AHI has no objection to the filing of the Information.

The agreements and documents listed in this section set forth the entire understanding between the parties and constitute the complete agreement between the United States Attorney for the Western District of Virginia and AHI and no other additional terms or agreements shall be entered except and unless those other terms or agreements are in writing and signed by the parties. These agreements supersede all prior understandings, promises, agreements, or conditions, if any, between the United States and AHI. AHI consents to public disclosure of all of the agreements and other documents referenced in this section.

AHI has consulted with its attorneys and fully understands its rights. AHI has read this Plea Agreement and carefully reviewed every part of it with its attorneys. AHI understands this Plea Agreement and AHI voluntarily agrees to it. Being aware of all of the possible consequences of its plea, AHI has independently decided to enter this plea of its own free will and is affirming that agreement on this date by the signature of its Authorized Corporate Officer ("Officer") below.

The Officer, by signing below, hereby certifies to the following:

(1) The Officer is fully authorized to enter into this Plea Agreement on behalf of AHI;

(2) The Officer has read the entire Plea Agreement and documents referenced herein and discussed them with AHI's Board of Directors;

(3) AHI understands all the terms of this Plea Agreement and those terms correctly reflect the results of plea negotiations;

(4) AHI is fully satisfied with AHI's attorneys' representation during all phases of this case;

(5) AHI is freely and voluntarily pleading guilty in this case;

(6) AHI is pleading guilty as set forth in this Plea Agreement because it is guilty of the crime to which it is entering its plea; and

(7) AHI understands it is waiving its right to appeal the judgment and conviction in this case.

AHI acknowledges its acceptance of this Plea Agreement by the signature of its counsel and Officer. A copy of a certification by AHI's Board of Directors authorizing the Officer to execute this Plea Agreement and all other documents to resolve this matter on behalf of AHI is attached as Attachment A.

INFORMATION

INTRODUCTION

1. Defendant Animal Health International, Inc. ("AHI") is a Colorado corporation with its principal place of business in Colorado. AHI is comprised of two legacy organizations, Lextron, Inc. ("Lextron") and Walco International, Inc. ("Walco"). In June 2011, Lextron acquired all outstanding stock of the parent company of Walco and changed its name to AHI. Walco continued operations as a subsidiary of AHI until December 2011 when Animal Health Holdings, Inc. and each of its wholly-owned subsidiaries, including Walco, were merged with and into AHI and no longer had separate corporate existences. AHI, and its predecessor entities, dispense, distribute and sell, among other products, veterinary prescription drugs to customers in the production animal industry across the United States. Specifically, AHI obtains prescription drugs for production animals from manufacturers for further distribution to veterinarians, farms, feedlots, and other distribution facilities.

2. The Food and Drug Administration ("FDA") of the United States Department of Health and Human Services regulates the distribution and labeling of all drugs, including animal drugs, shipped or received in interstate commerce through enforcement of the Federal Food, Drug, and Cosmetic Act. 21 U.S.C § 301, *et seq.* ("FDCA"). Veterinary prescription drugs are drugs intended for use by animals that, because of their toxicity or other potentiality for harmful

effect, or the method of their use, or the collateral measures necessary for their use, are not safe for animal use except under the professional supervision of a licensed veterinarian. 21 U.S.C. § 353(f)(1)(A).

3. Under the FDCA, a drug is misbranded if, among other things, its labeling does not bear "adequate directions for use." 21 U.S.C. § 352(f)(1). Adequate directions for use is defined as "directions under which the *layman* can use a drug safely and for the purposes for which it is intended." 21 C.F.R. § 201.5 (emphasis added). Prescription veterinary drugs by definition can only safely be used under the professional supervision of a licensed veterinarian and therefore they must qualify for an exemption to this requirement in order to move in interstate commerce. These exemptions are set out in 21 C.F.R. Part 201, Subpart D ("Exemptions from Adequate Directions for Use").

4. Veterinary prescription drugs are exempt from the requirement that their labeling contain adequate directions for use if they meet all enumerated conditions, including that they be distributed through a closed supply chain in which every entity that possesses a prescription drug must have legal authorization to do so. *See* 21 C.F.R. § 201.105 (a)(1) (a veterinary prescription drug must be in the possession of: a person lawfully engaged in the manufacture, transportation, storage or wholesale distribution of drugs; a retail pharmacy or other person authorized under state law to dispense veterinary prescription drugs; or a licensed veterinarian for use in the course of his professional practice). Moreover, the veterinary prescription drug must be dispensed in accordance with 21 U.S.C. § 353(f), i.e., pursuant to a lawful order of a licensed veterinarian in the course of the veterinarian's professional practice. 21 U.S.C. § 353(f)(1) & 21 C.F.R. § 201.105 (a)(2).

5. The FDCA's restrictions on veterinary prescription drugs are not primarily to protect animals from the potential harms of prescription drugs, but are to protect the human food supply from unsafe drug residues in the edible tissues of animals sold for slaughter. Common causes of illegal residues include: (1) exceeding the drug's approved dose; (2) using a shorter withdrawal period than what is stated on the drug's label (if a higher than approved dose is given, the labeled withdrawal period may not be enough to allow the drug in the edible tissues to deplete to levels that are at or below the tolerance); (3) using a drug in an extra-label manner (for indications and dosages outside the approved labeling) without a veterinarian's involvement; (4) giving a drug not approved for that species; and (5) using an unapproved route of administration. Drug residues in the nation's drug supply are concerning because: (1) they may contribute to antibiotic resistance in the human population, rendering human drugs less effective to treat human disease and contributing to the mutations of "superbugs"; and (2) they may cause allergic reactions in individuals with certain drug allergies.

6. Certain legacy customers of AHI, namely Marlin Webb and Billy K. Groce, were not properly licensed to receive, transport, store, distribute, or dispense veterinary prescription drugs in the Commonwealth of Virginia from January 2012 through April 2015.

7. Webb was the store manager of a cooperative in Hillsville, Virginia. The cooperative was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Webb operated a side business from the cooperative's location in which he illegally circumvented the FDA's regulation of veterinary prescription drugs by illegally obtaining from Billy K. Groce and AHI and reselling veterinary prescription drugs using unlawful prescriptions written by a veterinarian who was licensed in Tennessee but who was not properly licensed to

practice veterinary medicine in Virginia and who did not have a veterinarian-patient relationship with the animals in question. That veterinarian died in 2015.

8. Groce was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Groce operated an unlicensed veterinary prescription drug distribution business. Groce worked with the same veterinarian as did Webb.

9. Webb and Groce obtained veterinary prescription drugs from AHI in interstate commerce without valid prescriptions, and, on many occasions, with no prescription at all.

10. On April 29, 2015, the government executed search warrants at locations in Virginia and Tennessee associated with Groce and Webb. In 2016 and 2017, respectively, Groce and Webb pled guilty to illegally conspiring to defraud the FDA by obtaining and distributing veterinary prescription drugs from July 2009 through April 29, 2015 in a manner that circumvented the FDA's regulation of veterinary prescription drugs.

11. Groce and Webb were legacy customers of, among others, Lextron and Walco, and continued to be customers after the companies merged to form AHI in 2012 until May 2015. Neither Lextron, Walco, nor AHI performed adequate customer diligence processes, nor adequately trained sales representatives to raise questions regarding Groce's, Webb's or the veterinarian's activities in Virginia and Tennessee. For example, Groce operated a business that stored and distributed veterinary prescription drugs out of a storefront called "Goin' Postal" and his personal residence. Neither of those locations resembled a veterinarian establishment and should have raised questions for sales representatives who personally visited them. After learning of search warrants executed on each of the customers' locations, AHI took some steps to block the sale of veterinary prescription drugs to these customers on May 4, 2015.

12. Furthermore, between January 2012 and May 2015, AHI did not maintain the proper licenses to ship from its Memphis, Tennessee, facility into Virginia or from its Wolcott, Indiana, facility into Virginia or Tennessee, but, despite this deficiency, shipped products from those locations to Virginia and Tennessee.

13. All veterinary prescription drugs distributed by AHI to Groce and Webb were misbranded because, neither recipient was licensed to possess or distribute veterinary prescription drugs, and the prescribing veterinarian was not properly licensed to practice veterinary medicine in Virginia and consequently none of the drugs he caused to be dispensed were prescribed pursuant to lawful orders.

14. From the illegal shipments to and on behalf of Groce and Webb, AHI received $7,427,928 (seven million four hundred twenty-seven thousand nine hundred twenty-eight dollars) and made a profit of $558,309 (five hundred fifty-eight thousand three hundred nine dollars) by unlawfully distributing veterinary prescription drugs to or on behalf of Groce and Webb.

15. From 2012 through on or about 2018, AHI caused additional misbranded veterinary prescription drug shipments to be made throughout the United States by distributing veterinary prescription drugs from its wholesale locations directly to end users in states where such shipments were illegal and, in some instances, by shipping veterinary prescription drugs to locations in states in which AHI did not have legal authority to make such shipments. AHI obtained not less than $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) from such shipments. Its profits from such shipments were a small percentage of the amount received.

COUNT ONE

Introduction of Misbranded Drugs into Interstate Commerce
21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1)

The United States Attorney charges that:

16. The Information is realleged and incorporated by reference into this Count.

17. From about January 2012 to April 2015, in the Western District of Virginia, Animal Health Incorporated ("AHI") introduced and delivered for introduction, and caused the introduction and delivery for introduction, into interstate commerce, of veterinary prescription drugs that were misbranded in that the drugs' labeling did not bear adequate directions for the use of such drugs.

18. The offense conduct included, but was not limited to, the following:

a. AHI distributed veterinary prescription drugs directly to Billy K. Groce and Marlin Webb, notwithstanding that neither Groce nor Webb was legally authorized to possess or distribute the drugs; and

b. AHI distributed veterinary prescription drugs to customers of Billy K. Groce and Marlin Webb without a lawful prescription having been issued for those drugs.

19. Since these veterinary prescription drugs were not lawfully distributed or prescribed, they failed to qualify for the exemption from the requirement that they bear labeling containing adequate directions for lay use. All in violation of Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1).

NOTICE OF FORFEITURE

20. Upon conviction of the offense alleged in this Information, AHI shall forfeit to the United States veterinary prescription drugs that were misbranded or became misbranded as a result of AHI's conduct, pursuant to 21 U.S.C. § 334 and 28 U.S.C. § 2461.

21. Because the above-described forfeitable property has been transferred and sold to third parties and cannot be located upon the exercise of due diligence, the United States intends to seek forfeiture of $46,802,203 pursuant to 21 U.S.C. § 853(p).

NON-PROSECUTION AGREEMENT

1. The United States Attorney's Office for the Western District of Virginia ("USAO-WDVA") and Patterson Companies, Inc. ("Patterson"), and any and all current and former affiliated entities including, but not limited to, Animal Health International, Inc. ("AHI") (collectively referred to as the "Company") enter into this Non-Prosecution Agreement ("Agreement") to resolve the investigation by the USAO-WDVA of the Company related to possible violations of federal laws relating to the licensing, dispensing, distribution, or sale of veterinary prescription drugs.

2. This Agreement, in conjunction with the Plea Agreement with AHI ("Plea Agreement"), resolves all of the Company's potential federal criminal liability for the offenses covered herein and in the Plea Agreement.

3. The USAO-WDVA enters into this Agreement based on the individual circumstances presented by this case including:

a. Patterson's cooperation with the USAO-WDVA investigation since June 2018, and AHI's subsequent cooperation under the direction of Patterson, as well as the Company's continued cooperation under the direction of the Special Investigation Committee of the Board of Directors of Patterson ("SIC") which was formed in April 2019. Since 2018, the Company has conducted a thorough and robust internal investigation; proactively brought information to the USAO-WDVA's attention, remediated noncompliant activity and implemented control enhancements, including certain licensing, dispensing, distribution and related sales practices company-wide; made factual presentations to the USAO-WDVA; timely and fully produced all requested documents; entered into agreements tolling relevant statutes of limitations; and collected, analyzed, and organized voluminous data and information for the USAO-WDVA.

b. Patterson's voluntary disclosure to the USAO-WDVA of non-compliant licensing, dispensing, distribution, and sales at AHI and Patterson beyond AHI's conduct set forth in the Information and Plea Agreement, and its timely efforts to remediate non-compliant activity and enhance controls and processes to mitigate against future reoccurrence. The additional non-compliant activity involved wholesale distribution of veterinary prescription drugs: (i) without verifying the continued validity of all practitioners' licenses in the receiving state; (ii) without verifying that an alternate location requested by the customer was authorized by state law to receive veterinary prescription drugs; (iii) without verifying that veterinarians licensed in Virginia were also associated with a veterinary establishment registered with the Virginia Board of Veterinary Medicine, (iv) without valid licensure to ship to the state to which the drugs were shipped, and/or (v) to end users in states where drop shipments by wholesalers to end users is not allowed. The additional non-compliant activity was due to prior weaknesses and inconsistencies among AHI and Patterson regulatory functions and processes, as well as system challenges presented by the Company's enterprise resource planning implementation. The Company has since taken extensive

proactive steps to enhance its regulatory function, capabilities and support to guide the business and other control functions on regulatory compliance matters. It has also enhanced its regulatory system controls to address the issues disclosed in the investigation and to verify that veterinary prescription drugs are shipped from facilities with required state licenses and to customers and locations authorized by state law to receive veterinary prescription drugs. Consistent with its approach to the USAO-WDVA, Patterson also disclosed the pending federal investigation to state regulators in all 50 states and continues to engage with state regulators, as appropriate, on matters related to the USAO-WDVA investigation.

c. The Company's enhanced regulatory compliance processes and commitment to implement a compliance program that meets the minimum elements set forth in Attachment C to the Plea Agreement ("Corporate Compliance Program Agreement").

d. The Company's agreement to comply with the terms of the Agreement and Plea Agreement.

e. AHI's admission to and the Company's agreement with the facts and allegations set forth in the Plea Agreement.

f. Although the investigation did not involve controlled substances, the Company's recognition that diversion of controlled substances, including drugs of the type that are prescribed and dispensed by veterinarians, such as buprenorphine and hydrocodone, should be a concern of all distributors and dispensers of those drugs and the Company's ongoing commitment to be proactive in deterring diversion and identifying and notifying authorities of suspicious ordering.

4. The Company agrees it will not take any tax deduction or seek or accept directly or indirectly reimbursement or indemnification from any source for any payments made pursuant to the Plea Agreement.

5. No money paid by the Company will be returned, and the Company expressly agrees to release any and all claims it may have to the money. The Company will not file any claim or otherwise contest the payment of money set forth in this Plea Agreement, and it will not assist anyone in asserting a claim to the money.

6. Nothing in this Agreement or any related documents is an admission by the United States that the amounts paid by the Company are the maximum amounts that could be recovered from the Company in the absence of an accepted plea agreement. If the Company does not comply with all of its obligations under this Agreement, the United States is not precluded from arguing or presenting evidence that the total amount to be paid by the Company should be higher.

7. The Company's obligations under this Agreement shall have a term of 42 months from the date on which the Agreement is executed (the "Term").

8. During the Term, the Company will fully cooperate with the USAO-WDVA.

9. During the Term, the Company shall undertake and abide by the terms of the Corporate Compliance Program Agreement in Attachment C to the Plea Agreement.

10. If the Company complies with all of the terms of this Agreement and the Plea Agreement, the USAO-WDVA will not prosecute the Company for any criminal conduct occurring prior to the entering of this agreement concerning:

a. The subject matter of the Information to which AHI is pleading guilty; or

b. Facts disclosed by the Company to the USAO prior to entering this agreement related to the Company's licensing, dispensing, distribution, or sale of veterinary prescription drugs.

11. However, if the USAO-WDVA, in its sole discretion, determines the Company (a) provided deliberately false, incomplete, or misleading information at any time in connection with this Agreement or (b) violated any provision of this Agreement, then the USAO-WDVA will not be bound to their agreement not to prosecute the Company for the matters covered in paragraph 10. Should the USAO-WDVA determine that the Company has violated any provision of this Agreement, the USAO-WDVA shall provide prompt written notice to the Company addressed to its General Counsel, and to its outside counsel, Amy Conway-Hatcher, Baker Botts LLP, 1299 Pennsylvania Avenue NW, Washington, DC, or to any successor the Company may designate, of the alleged violation and provide the Company with a 45 (forty-five) day period from the date of receipt of notice in which to make a presentation to the USAO-WDVA to demonstrate that no violation occurred, or, to the extent applicable, that the violation should not result in adverse action, including because the violation has been cured by the Company. In the event of a violation, the Company will not assert any claim under the United States Constitution, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other rule or law, that any statements or testimony made by or on behalf of the Company prior or subsequent to this Agreement, or any leads derived therefrom, should be suppressed or are otherwise inadmissible in any proceeding brought by the Department of Justice. If, as a result of a violation, the United States charges the Company, the Company hereby waives any statute of limitations defense for any offense not time-barred by the applicable statute of limitations on the date this Agreement is signed, including time protected as the result of existing agreements to toll the applicable statute of limitations.

12. The Company will not, through its present or future directors, officers, employees, agents, (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If the Company makes a public statement that in whole or in part contradicts any such statement or provision, the Company may avoid being in violation of this Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by the Company's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) the Company's

websites. Notwithstanding the above, the Company may avail itself of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

13. The terms of this Agreement bind the USAO-WDVA and other divisions of the Department of Justice (collectively referred to as the "United States"), except that they do not bind the Tax Division of the Department of Justice or any state, local, or foreign law enforcement or regulatory agencies, or any other authorities. The USAO-WDVA will bring the cooperation of the Company and its compliance with its other obligations under this Agreement to the attention of such agencies and authorities if requested to do so by the Company.

14. The Company and the United States may disclose this Agreement and any other documents used to effectuate the objectives of this Agreement to the public.

15. Nothing in this Agreement resolves, in any way, any liability of any individual.

16. This Agreement and the Plea Agreement set forth all the terms of the agreement between the Company and the USAO-WDVA. No amendments, modifications, or additions to this Agreement will be valid unless they are in writing signed by the USAO-WDVA, the attorneys for the Company, and a duly authorized representative of the Company.

The Company acknowledges its acceptance of this Agreement by the signature of its counsel and Officer. A copy of a resolution by the Company's Board of Directors authorizing the Officer to execute this Agreement and all other documents to resolve this matter on behalf of the Company is attached as Addendum 1.

EXHIBIT A

RESOLUTION OF THE
BOARD OF DIRECTORS
OF
PATTERSON COMPANIES, INC.

NON-PROSECUTION AGREEMENT

WHEREAS, the Company, together with outside counsel reporting to the Special Investigation Committee of the Board ("SIC Counsel"), has been in discussions with the U.S. Attorney's Office for the Western District of Virginia ("USAO-WDVA") to resolve its investigation into Animal Health International, Inc. by, among other things, having the Company enter into a Non-Prosecution Agreement (the "Agreement");

WHEREAS, SIC Counsel has advised the Board of the terms of the Agreement and the consequences of entering into the Agreement; and

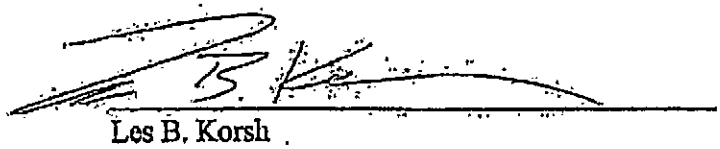
WHEREAS, the Board has determined that it is in the best interest of the Company to enter into the Agreement.

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby approves the Agreement and authorizes any executive officer of the Company (the "Authorized Officers") and SIC Counsel to execute and deliver the Agreement on behalf of the Company, with such changes thereto as the Authorized Officers may approve, such approval to be conclusively evidenced by the execution of the changed Agreement.

RESOLVED FURTHER, that the Authorized Officers and SIC Counsel are hereby authorized and directed to execute and deliver all other documents necessary to carry out the provisions of the Agreement.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to acknowledge on behalf of the Company that the Agreement and related documents fully set forth the agreement made between the Company and the USAO-WDVA, and that no additional promises or representations have been made to the Company by any officials of the USAO-WDVA in connection with the Agreement and related documents, other than those set forth in therein.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to make any payments required in connection with the Agreement.



RESOLVED FURTHER, that each Authorized Officer is authorized and empowered, in the name and on behalf of the Company, to make all such arrangements, to do and perform all such acts and things, and to execute and deliver all such documents, certificates and instruments as they may deem appropriate in order to effectuate fully the purpose of the foregoing resolutions, and that any actions taken heretofore and hereafter to accomplish such purposes be, and they hereby are approved, ratified and confirmed.

CERTIFICATE OF SECRETARY

I, Les B. Korsh, herby certify that I am now, and at all times mentioned herein have been, the duly elected, qualified, and acting Secretary of **PATTERSON COMPANIES, INC.**, a Minnesota corporation (the "Corporation") and, as such officer, I have access to the records of the Company, which records of the Company reflect that:

1. RESOLUTIONS. Attached hereto as **Exhibit A** is a true and correct copy of resolutions that have been duly adopted by the Board of Directors of the Corporation on February 4, 2020, in compliance with, and not in contravention of, the articles of organization and bylaws of the Corporation; none of such resolutions have been repealed or modified in any respect, and all of such resolutions are in full force and effect on and as of the date hereof, and constitute the only action taken by the Board of Directors of the Corporation with respect to the subject matter hereof.

IN WITNESS WHEREOF, I duly executed this Certificate this 10th day of February, 2020.

Les B. Korsh
Secretary of Patterson Companies, Inc.

CORPORATE COMPLIANCE PROGRAM AGREEMENT

The following Patterson Companies, Inc. ("Patterson" or the "Company") Corporate Compliance Program Agreement ("Corporate Compliance Program Agreement") has been prepared pursuant to the Non-Prosecution Agreement dated this same date between Patterson and the United States Attorney's Office for the Western District of Virginia ("USAO-WDVA"). Compliance with all the terms and standards of the Corporate Compliance Program Agreement is a condition of the Non-Prosecution Agreement and shall continue for the Term of the Non-Prosecution Agreement ("Term").

Applicability and Purpose

1. This Corporate Compliance Program Agreement shall be incorporated into the Non-Prosecution Agreement by reference, and compliance with the terms of the Corporate Compliance Program Agreement will be a condition of the Non-Prosecution Agreement. The USAO-WDVA acknowledges that the Company has already implemented many of these terms as of the date of the resolution.

2. Any proposed modifications to this Corporate Compliance Program Agreement must be made in writing and signed by the Company and the designated signatory for the USAO-WDVA.

3. The Corporate Compliance Program Agreement does not in any way release the Company from complying with any applicable federal or state statutes and/or regulations, and does not limit the imposition of any sanctions, penalties or any other actions available under those state or federal statutes and regulations.

The Corporate Compliance Program Agreement

4. The Company and the USAO-WDVA agree that the Company shall undertake the following voluntary compliance measures. The Corporate Compliance Program Agreement does and will continue to contain policies and procedures designed to prevent, detect, and correct violations of federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the Food, Drug, and Cosmetic Act ("FDCA"), 21 U.S.C. § 301 *et seq.* and FDA requirements. These policies and procedures shall be designed to ensure that the Company complies with, among other things, the FDCA's prohibitions against causing the introduction into interstate commerce of a drug that is misbranded or otherwise violates the FDCA.

5. *Compliance Officer.* Prior to the effective date of the Non-Prosecution Agreement, the Company established the position of Chief Compliance Officer ("Compliance Officer") and appointed an individual to serve in the role on an interim basis until such time as the Company can fill the role on a permanent basis. The Company shall maintain a Compliance Officer for the Term. During the Term, the Compliance Officer shall be authorized to oversee compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA, FDA requirements, and the requirements of the Corporate

Compliance Program Agreement. The Compliance Officer is, and shall continue to be, responsible for developing and implementing policies, procedures and practices designed to address compliance with the requirements set forth in this Corporate Compliance Program Agreement, with federal and state statutes and/or regulations concerning federal prescription drug distribution and FDA requirements. The Compliance Officer shall be a member of senior management of the Company, and shall report directly to the Chief Executive Officer of the Company. The Compliance Officer shall make periodic (at least quarterly) reports regarding compliance matters directly to the Patterson Company's Board of Directors (hereinafter the "Board") or any authorized committee thereof, and shall be authorized to report on such matters to the Board at any time. The Compliance Officer shall not be subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by the Company as well as for any obligations created under the Corporate Compliance Program Agreement. Any non-compliance job responsibilities of the Compliance Officer must not interfere with the Compliance Officer's ability to perform the duties outlined in the Corporate Compliance Program Agreement.

6. *Compliance Committee.* Prior to the effective date of the Non-Prosecution Agreement, the Company formed a Compliance Committee (hereafter "Compliance Committee") which, in conjunction with the Compliance Officer, assists in the implementation and enhancement of the compliance program. The Company shall maintain the Compliance Committee for the Term. The Compliance Committee shall include, at a minimum, the Compliance Officer and other members of senior management necessary to meet the requirements of the Corporate Compliance Program Agreement (e.g., senior executives of relevant departments, such as legal, regulatory, audit, human resources, and operations.) The Compliance Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of the Company's risk areas and shall oversee monitoring of internal and external compliance-related audits and investigations). The Compliance Committee shall meet at least quarterly.

7. *Board of Directors Compliance Obligations.* Prior to the effective date of the Non-Prosecution Agreement, the Board formed a committee responsible for overseeing the Company's compliance program ("Board Committee"). The Company shall maintain the Board Committee for the Term. The Board Committee shall consist of no less than three (3) non-employee directors, including at least one (1) member of the Special Investigation Committee formed in response to the USAO-WDVA investigation for a minimum of twelve (12) months from the date of this Non-Prosecution Agreement. The Board Committee shall oversee the Company's compliance program, including at a minimum:

a. the Company's obligations under the Corporate Compliance Program Agreement

b. receiving updates about adoption and implementation of policies, procedures and practices designed to ensure compliance with the FDCA and FDA requirements, and

c. evaluating the effectiveness of the compliance program.

8. The Company shall continue to evaluate its current business to ensure that it is not currently receiving, distributing or handling misbranded or unapproved federal prescription drugs. Should the Company find it is receiving, distributing, or handling misbranded or unapproved federal prescription drugs, it shall take necessary steps to remediate any such conduct.

9. The Company shall continue to enhance its current training program to ensure that pertinent employees are familiar with the requirements of the FDCA and FDA requirements that could potentially apply to the Company's conduct.

10. The Company will put in place processes to (a) encourage employees to report suspected non-compliant activities by the Company, customers, or others and to (b) acknowledge or otherwise recognize employees for reporting confirmed non-compliant activity, as appropriate.

11. The Company will maintain, or as necessary establish, policies and procedures designed to ensure effective investigation of any complaints and/or potential deficiencies relating to compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA and FDA requirements. Such policies and procedures shall include, but are not limited to:

a. Training and providing guidance to all pertinent employees as to the requirement to report all information regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to the Compliance Officer, who in turn will review and determine whether corrective actions are required; and

b. Tracking allegations and remediation action plans regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to identify issues that may require corrective actions.

12. Within 60 days of the end of the Company's fiscal year, the Company's Chief Executive Officer will certify, under oath, to (a) the United States Attorney's Office during the Term and (b) the United States Probation Office for any period during which Animal Health International, Inc. is on probation, that (1) the Company fully complied with all federal laws and regulations pursuant to the Food, Drug, and Cosmetic Act ("FDCA") in the preceding year (or, in the instance of the first such certification, the period from execution of the Non-Prosecution Agreement through the end of the Company's fiscal year 2020), or in the alternative, (2) list all non-compliant activity and the steps taken by the company to remedy such non-compliant activity. Any listing of non-compliant activity shall not be considered by the government or the Probation Officer as a per se violation of the terms of probation or the Non-Prosecution Agreement. Instead, other factors will be taken into account, including whether the conduct violated policies the Company has adopted, whether the Company provided training addressing the subject matter of the reported conduct, whether it was an isolated or systemic occurrence, the Company's response, and any remedial actions taken after the Company learned of the conduct reported.

Non-Compliance

13. The Corporate Compliance Program Agreement is part of the Non-Prosecution Agreement and adherence to it will be an enforceable condition. Deliberate, intentional or knowing failure to comply with any part of the Corporate Compliance Program Agreement is a violation of the Non-Prosecution Agreement.

AGREED ORDER OF FORFEITURE

IT IS HEREBY ORDERED THAT:

A. Pursuant to Rule 32.2(b)(1)(A) of the Federal Rules of Criminal Procedure, the evidence of record and the guilty plea to Count One of the Information, misbranding a drug, in violation of 21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1), the defendant shall forfeit to the United States quantities of prescription veterinary drugs that were misbranded when introduced into interstate commerce and/or when being held for sale in interstate commerce, pursuant to 21 U.S. C. § 334 and 28 U.S.C. § 2461.

B. Pursuant to the defendant's plea agreement, because the above-described forfeitable property, as a result of the defendant's acts, has been transferred or sold to third parties and cannot be located upon the exercise of due diligence, a money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) is hereby entered against the defendant as a substitute asset pursuant to 21 U.S.C. § 853(p).

C. On or before 7 days from the date of entry of a guilty plea, the defendant will voluntarily remit payment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in satisfaction of the money judgment by remitting certified funds made payable to the U.S. Marshals Service, Asset Forfeiture Unit, 247 Federal Building, 210 Franklin Road, S.W., Roanoke, Virginia 24011.

D. As payments are voluntarily being remitted to the United States, notice and publication are not required.

E. The Court shall retain jurisdiction to enforce this Order, and to amend it as necessary, pursuant to Fed. R. Crim. P. 32.2(e).

F. Pursuant to Fed. R. Crim. P. 32.2(b)(4), this Order of Forfeiture shall become final as to the defendant upon entry, and shall be made a part of the sentence and included in the judgment.

Animal Health International, Inc. (AHI) Disclosure Statement

a. On March 4, 2013, Animal Health International, Inc.'s (AHI) Mayo, Florida Veterinary Prescription Drug Wholesale Distributor license was disciplined by the Florida Department of Business and Professional Regulation (DBPR) related to allegations that AHI failed to report a change of ownership to the DBPR in a timely manner. AHI and the DBRP reached a settlement agreement and a fine, and AHI paid $41,250.

b. On April 18, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Visalia, California Veterinary Food- Animal Drug Retailer license for an alleged failure to affix labels to a product dispensed in California. AHI paid a fine of $500.

c. On June 18, 2013, the Missouri Division of Professional Regulation issued a drug distributor license to Animal Health International, Inc.'s (AHI) Salina, Kansas facility. The license was issued subject to probation due to allegations that this entity distributed legend drugs in Missouri without being licensed to do so. On June 17, 2015, the probation was terminated.

d. On August 30, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Ceres, California Veterinary Food Animal Drug Retailer license for alleged violations of allowing a non-pharmacist to receive an oral order from a veterinarian, furnishing medications without a valid prescription, and failing to comply with labeling requirements. AHI paid a fine of $3,500. Two AHI employees were also cited and fined a total of $3,000.

e. On March 13, 2017, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama Board of Pharmacy in which AHI agreed to pay a fine of $1,000 following allegations that AHI's Manchester, Iowa pharmacy had violated Alabama law by being disciplined by the Arkansas Board of Pharmacy. AHI had entered into a non-disciplinary agreement with the Arkansas Board of Pharmacy following allegations that it had not notified the Arkansas Board of a change of ownership in a timely manner and paid a non-disciplinary fine of $2,500 to the Arkansas Board. The Alabama Board made no misconduct allegations beyond the conduct in Arkansas, which led to the non-disciplinary order and fine.

f. In March 2017, the Colorado Board of Pharmacy issued a letter of admonishment to Animal Health International, Inc.'s (AHI) Greeley, Colorado wholesale distributor license following allegations that it failed to timely submit an application detailing a change in designated representative. AHI was required to pay the costs associated with the Board's order.

g. On February 14, 2020, Animal Health International, Inc. (AHI) entered a plea of guilty for introducing into interstate commerce misbranded veterinary prescription drugs to persons who were not licensed to possess or distribute veterinary prescription drugs on the order of a veterinarian who was not properly licensed in Virginia. AHI Paid a fine of $5,000,000.

h. On July 20, 2020, Animal Health International, Inc. (AHI) in Boaz, AL entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an

administrative fine of $2,000. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The facility in Boaz, Alabama facility, subject to discipline was AHI's Boaz, Alabama, wholesale drug distributor license.

i. On July 20, 2020, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an administrative fine of $2,500. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The specific facility subject to discipline was AHI's Springdale, Arkansas, wholesale drugdistributor license.

j. On December 15, 2022, Animal Health International, Inc. (AHI) entered into an agreement with the Florida State Board of Pharmacy in which AHI agreed to pay an administrative fine of $3,500 against the Wolcott, IN pharmacy license. This agreement was related to the Florida Board's investigation following AHI's criminal conviction on February 14, 2020, in the United States District Court for the Western District of Virginia and did not involve new conduct.

k. On December 31, 2024, Animal Health International's Sioux Center, Iowa Wholesale Distributor facility entered into a Consent Order with the Illinois Department of Financial and Professional Regulation in which the facility's Illinois Wholesale Distributor license was reprimanded and fined $10,000. This action was based entirely on the Department of Justice case against AHI related to distribution activities predating current ownership. The Federal case was reported to State Boards during the investigation in July 2019 and again in February 2020 once the case was resolved.

l. On January 9, 2025, Animal Health International's ("AHI") Ceres, California Wholesale Distributor Facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 6 days in 2016, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

m. On January 9, 2025, Animal Health International's ("AHI") Roanoke, Texas Wholesale Distributor facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 165 days in 2014, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil

penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

n. On January 9, 2025, Animal Health International's ("AHI") Twin Falls, Idaho pharmacy entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 3 days in 2016, the pharmacy dispensed prescriptions into Oregon without an active pharmacy license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $3,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. Please note that the activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice case was reported to the state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. A copy of the Oregon Consent Order is enclosed. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

Bond No. K09623152

Application/License No. _____

Animal Health International, Inc., doing or intending to do business as a
(Applicant/Principal)
pharmaceutical wholesaler, whose address for purposes of service is
804 Henrietta Creek Road, Roanoke, TX 76262, as
(Address of Applicant/Principal)
PRINCIPAL, and Westchester Fire Insurance Company, a
(Surety Company)
corporation organized under the laws of the state of Pennsylvania
(State of Incorporation)
and authorized to transact a general surety business in the State of

Nevada, whose address for purposes of service is
436 Walnut Street, Philadelphia, PA 19106 as
(Address of Surety)
SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on April 11, 2018.
(Effective Date)

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 11th day of April, 2018.

Power of Attorney

WESTCHESTER FIRE INSURANCE COMPANY

Know all men by these presents: That **WESTCHESTER FIRE INSURANCE COMPANY**, a corporation of the Commonwealth of Pennsylvania pursuant to the following Resolution, adopted by the Board of Directors of the said Company on December 11, 2006, to wit:

"RESOLVED, that the following authorizations relate to the execution, for and on behalf of the Company, of bonds, undertakings, recognizances, contracts and other written commitments of the Company entered into the ordinary course of business (each a "Written Commitment"):

(1) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise.

(2) Each duly appointed attorney-in-fact of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise, to the extent that such action is authorized by the grant of powers provided for in such persons written appointment as such attorney-in-fact .

(3) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to appoint in writing any person the attorney-in-fact of the Company with full power and authority to execute, for and on behalf of the Company, under the seal of the Company or otherwise, such Written Commitments of the Company as may be specified in such written appointment, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.

(4) Each of the Chairman, the President and Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to delegate in writing any other officer of the Company the authority to execute, for and on behalf of the Company, under the Company's seal or otherwise, such Written Commitments of the Company as are specified in such written delegation, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.

(5) The signature of any officer or other person executing any Written Commitment or appointment or delegation pursuant to this Resolution, and the seal of the Company, may be affixed by facsimile on such Written Commitment or written appointment or delegation.

FURTHER RESOLVED, that the foregoing Resolution shall not be deemed to be an exclusive statement of the powers and authority of officers, employees and other persons to act for and on behalf of the Company, and such Resolution shall not limit or otherwise affect the exercise of any such power or authority otherwise validly granted or vested.

Does hereby nominate, constitute and appoint Brittany D Clavin, Cynthia L Choren, Debra C Schneider, Heidi A Notheisen, JoAnn R Frank, Karen L Roider, Pamela A Beelman, Sandra L Ham all of the City of SAINT LOUIS, Missouri, each individually if there be more than one named, its true and lawful attorney-in-fact, to make, execute, seal and deliver on its behalf, and as its act and deed any and all bonds, undertakings, recognizances, contracts and other writings in the nature thereof in penalties not exceeding SEVENTY MILLION DOLLARS & ZERO CENTS ($70,000,000.00) and the execution of such writings in pursuance of these presents shall be as binding upon said Company, as fully and amply as if they had been duly executed and acknowledged by the regularly elected officers of the Company at its principal office.

PLEA AGREEMENT

ANIMAL HEALTH INTERNATIONAL, INC. (EIN: 84-0575063) ("AHI") has entered into a Plea Agreement with the United States of America, by counsel, pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure ("Fed. R. Crim. P."). The terms and conditions of this Plea Agreement are as follows:

1. CHARGE TO WHICH AHI IS PLEADING GUILTY AND WAIVER OF RIGHTS

AHI will enter a plea of guilty to Count One of the Information charging it with violating Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1) in the Western District of Virginia by introducing and delivering for introduction, and causing the introduction and delivery for introduction, into interstate commerce of veterinary prescription drugs that were misbranded.

AHI understands, and the parties agree and stipulate, the maximum statutory penalty is a fine of $14,855,856 (fourteen million eight hundred fifty-five thousand eight hundred fifty-six dollars), pursuant to Title 18, United States Code, Section 3571(d), and a period of probation of five (5) years, pursuant to Title 18, United States Code, Section 3561(c)(2). In addition, AHI's assets are subject to forfeiture. AHI understands fees may be imposed to pay for probation and there will be a $125 (one hundred twenty-five dollars) special assessment for Count One, pursuant to Title 18, United States Code, Section 3013(a)(1)(B)(iii). AHI's attorneys have informed it of the nature of the charge and the elements of the charge that must be proved by the United States beyond a reasonable doubt before AHI could be found guilty as charged.

AHI admits and agrees that all of the statements and allegations in the Information are true and correct.

AHI acknowledges AHI has had all of its rights explained to it. AHI expressly recognizes that, as a corporation, AHI may have the following constitutional rights and by voluntarily pleading guilty AHI knowingly waives and gives up these valuable constitutional rights:

The right to plead not guilty and persist in that plea.
The right to a speedy and public jury trial.
The right to assistance of counsel at that trial and in any subsequent appeal.
The right to remain silent at trial.
The right to testify at trial.
The right to confront and cross-examine witnesses.
The right to present evidence and witnesses.

The right to compulsory process of the court.
The right to compel the attendance of witnesses at trial.
The right to be presumed innocent.
The right to a unanimous guilty verdict.
The right to appeal a guilty verdict.

AHI is pleading guilty as described above because AHI is in fact guilty and because AHI believes it is in its best interest to do so and not because of any threats or promises, other than the terms of this Plea Agreement, described herein, in exchange for its plea of guilty. AHI agrees all of the matters set forth in the Information are true and correct.

AHI understands the plea is being entered in accordance with Fed. R. Crim. P. 11(c)(1)(C).

2. SENTENCING PROVISIONS

The parties agree the 2018 version of the United States Sentencing Commission Guidelines Manual ("U.S.S.G.") is the appropriate Guidelines Manual to utilize. According to U.S.S.G. § 8C2.1, the organizational fine provisions do not apply to the count of conviction in this case, which is a misdemeanor under 21 U.S.C. § 333(a)(1).

The parties agree and stipulate:

a. the fine shall be $5,000,000 (five million dollars);
b. AHI shall pay $1,000,000 (one million dollars) to the Virginia Department of Health Professions ("DHP") in recognition of direct assistance provided by DHP to the United States during the investigation;
c. AHI shall forfeit $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars); and
d. AHI shall serve a term of probation of one to three years, as determined by the Court.

The Court will determine what terms and length of probation are appropriate and the parties will be free to argue for which terms and length of probation they believe are appropriate. AHI understands and agrees if its probation is revoked, it may be resentenced and a total aggregate fine up to the statutory maximum may be imposed.

The parties agree if the Court refuses to accept this Plea Agreement with the agreed-upon sentence, AHI will be free to withdraw its guilty plea. In the event the Court refuses to accept this Plea Agreement and AHI withdraws its guilty plea within ten days of being notified of the Court's refusal, nothing in this Plea Agreement shall be deemed a waiver of the provisions of Federal Rule of Evidence ("Fed. R. Evid.") 410. Under these circumstances, the United States will move to dismiss the Information without prejudice and the United States may file any charges it could have filed in the absence of the plea agreement. AHI agrees to toll the statute of limitations between the date of the plea and the filing of any such charges.

3. FINANCIAL OBLIGATIONS

AHI agrees and understands any of the money paid pursuant to this Plea Agreement will be returned if, and only if, the Court refuses to accept this Plea Agreement with the agreed-upon sentence and, as a result, AHI withdraws its guilty plea. If the Court rejects this Plea Agreement and AHI withdraws its guilty plea, the United States will return all money paid by AHI, without

interest, not more than thirty (30) days after AHI withdraws its guilty plea and notifies the United States Attorney's Office for the Western District of Virginia ("USAO"), in writing, it wishes to have the money returned.

In addition, in accordance with 18 U.S.C. § 3572(d)(3), AHI will notify the Court of any material change in AHI's economic circumstances that might affect AHI's ability to pay any amounts payable under this Plea Agreement.

a. Payments

Within 7 days of the entry of AHI's guilty plea, AHI will make the following disbursements:

(1) $125 (one hundred twenty-five dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the special assessment.

(2) $5,000,000 (five million dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the fine;

(3) $1,000,000 (one million dollars) to the Virginia Department of Health Professions. These funds must be remitted in the form of certified funds made payable to the "Treasurer of Virginia." The comment section of the check should note "DHP-Enforcement" in recognition of direct assistance provided to the United States during the investigation; and

(4) $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) made payable to the United States Marshals Service, as directed by the USAO as payment of a forfeiture money judgment.

b. Forfeiture

AHI agrees to the entry of a forfeiture money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency ("Forfeiture Money Judgment") pursuant to 21 U.S.C. §§ 334 and 853(p), and 28 U.S.C. § 2461(c). AHI agrees that the value of the quantities of prescription drugs which were misbranded in violation of 21 U.S.C. § 331(a) totaled at least $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency.

AHI acknowledges and agrees the quantities of the drugs which were misbranded in violation of 21 U.S.C. § 331(a) cannot be located upon exercise of due diligence, or have been transferred or sold to, or deposited with, a third party, placed beyond the jurisdiction of the Court, substantially diminished in value, or commingled with other property which cannot be divided without difficulty. Accordingly, AHI agrees the government is entitled to forfeit as substitute assets any other assets of AHI up to the value of the now missing directly forfeitable assets, pursuant to

21 U.S.C. § 853(p). Payment in full of the Forfeiture Money Judgment shall satisfy any and all forfeiture obligations that AHI may have as a result of this guilty plea. AHI consents to the entry of an Order of Forfeiture pursuant to Rule 32.2 of the Federal Rules of Criminal Procedure forfeiting the above-referenced Forfeiture Money Judgment.

AHI agrees to sign any documentation necessary and to cooperate fully with the United States to accomplish the forfeiture. AHI agrees to forfeit all interest in these funds and to take whatever steps are necessary to pass clear title of these funds to the United States.

AHI agrees not to file a claim in any forfeiture proceeding or to contest, in any manner, the forfeiture of said assets. AHI agrees not to file or interpose any claim or to assist others to file or interpose any claim to any property against which the government seeks to execute the Forfeiture Money Judgement in any administrative or judicial proceeding.

AHI understands and agrees forfeiture of this property is proportionate to the degree and nature of the offense. AHI freely and knowingly waives any and all constitutional and statutory challenges to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including, but not limited to, that the forfeiture constitutes an excessive fine or punishment. AHI further understands and agrees this forfeiture is separate and distinct from, and is not in the nature of, or in lieu of, any monetary penalty or other monetary judgment that may be imposed by the court.

c. Restitution

The parties agree and stipulate, pursuant to 18 U.S.C. § 3663(a)(1)(B)(ii), that no restitution will be ordered.

4. ADDITIONAL OBLIGATIONS

Unless the Court rejects this Plea Agreement and, as a result, AHI withdraws its plea, AHI agrees to: (1) accept responsibility for its conduct; (2) not attempt to withdraw its guilty plea; (3) not deny it committed the crime to which it has pled guilty; (4) comply with any reasonable request of the United States Attorney's Office and (5) not make or adopt any arguments or objections to the presentence investigation report that are inconsistent with this Plea Agreement.

Neither AHI, nor its corporate parent (Patterson Companies, Inc. ["Patterson"]), will (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If Patterson or AHI makes a public statement that in whole or in part contradicts any such statement or provision, AHI may avoid being in violation of this Plea Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by Patterson's and AHI's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) Patterson or AHI websites. Notwithstanding the above, Patterson and AHI may avail themselves of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by

any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

5. WAIVER OF RIGHT TO APPEAL AND COLLATERALLY ATTACK THE JUDGMENT AND SENTENCE IMPOSED BY THE COURT

If the Court accepts this Plea Agreement, AHI agrees AHI will not appeal the conviction or sentence imposed. AHI is knowingly and voluntarily waiving any right to appeal and is voluntarily willing to rely on the Court in sentencing it, pursuant to the terms of Fed. R. Crim. P. 11(c)(1)(C). AHI expressly waives its right to appeal as to any and all issues in this matter and waives any right it may have to collaterally attack, in any future proceeding, any order issued in this matter, unless such appeal or collateral attack cannot be waived, by law. AHI understands the United States expressly reserves all of its rights to appeal, but if the United States initiates a direct appeal of the sentence imposed, AHI may file a cross appeal of that same sentence. AHI agrees and understands if it files any court document (except for an appeal or collateral attack based on an issue that cannot be waived, by law) seeking to disturb, in any way, any order imposed in the case such action shall constitute a failure to comply with a provision of this Plea Agreement.

6. INFORMATION ACCESS WAIVER

AHI agrees to waive all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a. However, if a third party obtains any records pertaining to the investigation or prosecution of this case under the Freedom of Information Act, AHI shall have the right to request copies of such disclosed records.

7. ADMISSIBILITY OF STATEMENTS

AHI understands any statements made on its behalf (including, but not limited to, this Plea Agreement and its admission of guilt) during or in preparation for any guilty plea hearing, sentencing hearing, or other hearing and any statements made, in any setting, may be used against AHI by the United States in this or any other proceeding. AHI knowingly waives any right it may have under the Constitution, any statute, rule or other source of law to have such statements, or evidence derived from such statements, suppressed or excluded from being admitted into evidence in this or any other proceeding. If, and only if, the Court rejects this Plea Agreement, and, as a result, AHI withdraws its plea, AHI will not be bound by the waivers set forth in this section of the Plea Agreement.

8. COMPLETION OF PROSECUTION

Pursuant to Fed. R. Crim. P. 11(c)(1)(A), so long as AHI complies with all of its obligations under this Plea Agreement, the United States agrees, other than the charge in the attached Information, it shall not further criminally prosecute AHI for any additional federal criminal

charges or forfeiture action with respect to any offenses set forth in the Information or Non-Prosecution Agreement with Patterson (Attached as Attachment B).

Nothing in this Plea Agreement affects the administrative, civil, criminal, or other tax liability of any entity or individual and this Plea Agreement does not bind the Internal Revenue Service of the Department of Treasury, the Tax Division of the United States Department of Justice, or any other government agency with respect to the resolution of any tax issue.

9. LIMITATION OF PLEA AGREEMENT

This Plea Agreement is limited to the United States Department of Justice and does not bind any other federal, state, or local authority.

10. COMPLIANCE AND REMEDIAL MEASURES

AHI agrees to comply with the Corporate Compliance Program Agreement attached hereto as Attachment C.

11. COOPERATION

AHI acknowledges that its ongoing and future cooperation is important and a material fact underlying the United States' decision to enter into this Plea Agreement. AHI agrees to continue to cooperate fully and actively with the United States regarding any matter, including, but not limited to, matters involving (a) current and former AHI personnel, and (b) other entities who operate in the same commercial segment as AHI and/or Patterson during the Term of the Non-Prosecution Agreement with Patterson, provided however that any cooperation in an ongoing investigation or prosecution shall continue until such investigation or prosecution is concluded.

Nothing in this Plea Agreement shall be construed to require Patterson or AHI to waive any attorney-client privilege or work-product protection.

12. REMEDIES FOR FAILURE TO COMPLY WITH ANY PROVISION OF THIS PLEA AGREEMENT

AHI understands if: (1) AHI attempts to withdraw its plea (in the absence of the Court refusing to accept this Plea Agreement); (2) AHI fails to comply with any provision of this Plea Agreement; (3) AHI's conviction is set aside, for any reason; and/or (4) AHI fails to execute all required paperwork prior to the imposition of judgment, the United States may, at its election, pursue any or all of the following remedies: (a) declare this Plea Agreement void; (b) file, by indictment or information, any charges which were filed and/or could have been filed concerning the matters involved in the instant investigation; (c) refuse to abide by any stipulations and/or recommendations contained in this Plea Agreement; (d) not be bound by any obligation of the United States set forth in this Plea Agreement, including, but not limited to, those obligations set forth in the section of this Plea Agreement titled "COMPLETION OF PROSECUTION;" and (e) take any other action provided for under this Plea Agreement or by statute, regulation or court rule.

The remedies set forth above are cumulative and not mutually exclusive. If the United States pursues any of its permissible remedies as set forth in this Plea Agreement, AHI will still be bound by its obligations under this Plea Agreement. AHI hereby waives its right under Fed. R. Crim. P. 7 to be proceeded against by indictment and consents to the filing of an information against it concerning any charges filed pursuant to this section of this Plea Agreement. AHI hereby waives any statute of limitations argument as to any such charges.

13. EFFECTIVE REPRESENTATION

AHI has discussed the terms of this Plea Agreement and all matters pertaining to the charges against it with its attorneys and is fully satisfied with its attorneys and its attorneys' advice. At this time, AHI has no dissatisfaction or complaint with its attorneys' representation. AHI agrees to make known to the Court no later than at the time of sentencing any dissatisfaction or complaint AHI may have with its attorneys' representation.

14. EFFECT OF AHI'S SIGNATURE

AHI understands its Authorized Corporate Officer's signature on this Plea Agreement constitutes a binding offer by it to enter into this Plea Agreement. AHI understands the United States has not accepted AHI's offer until the authorized representative of the United States has signed this Plea Agreement.

15. GENERAL UNDERSTANDINGS

AHI understands a presentence investigation will be conducted and sentencing recommendations independent of the USAO will be made by the presentence preparer.

AHI understands the United States and AHI retain the right, notwithstanding any provision in this Plea Agreement, to inform the probation office and the Court of all facts, to address the Court with respect to the nature and seriousness of the offense and the offender, to respond to any questions raised by the Court, to correct any inaccuracies or inadequacies in the presentence report, and to respond to any statements made to the Court.

AHI willingly stipulates there is a sufficient factual basis for the Court to accept the plea.

AHI understands this Plea Agreement does not apply to any crimes or charges not addressed in this Plea Agreement.

AHI has not been coerced, threatened, or promised anything other than the terms of this Plea Agreement, described above, in exchange for its plea of guilty. AHI understands its attorneys will be free to argue any mitigating factors on its behalf to the extent they are not inconsistent with the terms of this Plea Agreement. AHI understands AHI will have an opportunity to have a representative address the Court prior to sentence being imposed.

This writing, the Non-Prosecution Agreement with Patterson (attached as Attachment B), the Corporate Compliance Program Agreement (attached as Attachment C), and the Agreed Order of Forfeiture (attached as Attachment D) are the complete and only agreements between the United States and AHI concerning resolution of this matter. In addition, AHI has no objection to the filing of the Information.

The agreements and documents listed in this section set forth the entire understanding between the parties and constitute the complete agreement between the United States Attorney for the Western District of Virginia and AHI and no other additional terms or agreements shall be entered except and unless those other terms or agreements are in writing and signed by the parties. These agreements supersede all prior understandings, promises, agreements, or conditions, if any, between the United States and AHI. AHI consents to public disclosure of all of the agreements and other documents referenced in this section.

AHI has consulted with its attorneys and fully understands its rights. AHI has read this Plea Agreement and carefully reviewed every part of it with its attorneys. AHI understands this Plea Agreement and AHI voluntarily agrees to it. Being aware of all of the possible consequences of its plea, AHI has independently decided to enter this plea of its own free will and is affirming that agreement on this date by the signature of its Authorized Corporate Officer ("Officer") below.

The Officer, by signing below, hereby certifies to the following:

(1) The Officer is fully authorized to enter into this Plea Agreement on behalf of AHI;

(2) The Officer has read the entire Plea Agreement and documents referenced herein and discussed them with AHI's Board of Directors;

(3) AHI understands all the terms of this Plea Agreement and those terms correctly reflect the results of plea negotiations;

(4) AHI is fully satisfied with AHI's attorneys' representation during all phases of this case;

(5) AHI is freely and voluntarily pleading guilty in this case;

(6) AHI is pleading guilty as set forth in this Plea Agreement because it is guilty of the crime to which it is entering its plea; and

(7) AHI understands it is waiving its right to appeal the judgment and conviction in this case.

AHI acknowledges its acceptance of this Plea Agreement by the signature of its counsel and Officer. A copy of a certification by AHI's Board of Directors authorizing the Officer to execute this Plea Agreement and all other documents to resolve this matter on behalf of AHI is attached as Attachment A.

AHI

Counsel has fully explained to the Board of Directors of AHI the facts and circumstances of the case; all rights with respect to the offense charged in the Information; possible defenses to the offense charged in the Information; all rights with respect to the applicability of the Sentencing Guidelines; and the consequences of entering into this Plea Agreement and entering a guilty plea. Counsel has reviewed this entire Plea Agreement and documents referenced herein with the client, through its Officer. AHI understands the terms and conditions of this Plea Agreement, and AHI's decision to enter into this Plea Agreement is knowing and voluntary. AHI's execution of and entry into the Plea Agreement is done with Counsel's consent.

INFORMATION

INTRODUCTION

1. Defendant Animal Health International, Inc. ("AHI") is a Colorado corporation with its principal place of business in Colorado. AHI is comprised of two legacy organizations, Lextron, Inc. ("Lextron") and Walco International, Inc. ("Walco"). In June 2011, Lextron acquired all outstanding stock of the parent company of Walco and changed its name to AHI. Walco continued operations as a subsidiary of AHI until December 2011 when Animal Health Holdings, Inc. and each of its wholly-owned subsidiaries, including Walco, were merged with and into AHI and no longer had separate corporate existences. AHI, and its predecessor entities, dispense, distribute and sell, among other products, veterinary prescription drugs to customers in the production animal industry across the United States. Specifically, AHI obtains prescription drugs for production animals from manufacturers for further distribution to veterinarians, farms, feedlots, and other distribution facilities.

2. The Food and Drug Administration ("FDA") of the United States Department of Health and Human Services regulates the distribution and labeling of all drugs, including animal drugs, shipped or received in interstate commerce through enforcement of the Federal Food, Drug, and Cosmetic Act. 21 U.S.C § 301, *et seq.* ("FDCA"). Veterinary prescription drugs are drugs intended for use by animals that, because of their toxicity or other potentiality for harmful

effect, or the method of their use, or the collateral measures necessary for their use, are not safe for animal use except under the professional supervision of a licensed veterinarian. 21 U.S.C. § 353(f)(1)(A).

3. Under the FDCA, a drug is misbranded if, among other things, its labeling does not bear "adequate directions for use." 21 U.S.C. § 352(f)(1). Adequate directions for use is defined as "directions under which the *layman* can use a drug safely and for the purposes for which it is intended." 21 C.F.R. § 201.5 (emphasis added). Prescription veterinary drugs by definition can only safely be used under the professional supervision of a licensed veterinarian and therefore they must qualify for an exemption to this requirement in order to move in interstate commerce. These exemptions are set out in 21 C.F.R. Part 201, Subpart D ("Exemptions from Adequate Directions for Use").

4. Veterinary prescription drugs are exempt from the requirement that their labeling contain adequate directions for use if they meet all enumerated conditions, including that they be distributed through a closed supply chain in which every entity that possesses a prescription drug must have legal authorization to do so. *See* 21 C.F.R. § 201.105 (a)(1) (a veterinary prescription drug must be in the possession of: a person lawfully engaged in the manufacture, transportation, storage or wholesale distribution of drugs; a retail pharmacy or other person authorized under state law to dispense veterinary prescription drugs; or a licensed veterinarian for use in the course of his professional practice). Moreover, the veterinary prescription drug must be dispensed in accordance with 21 U.S.C. § 353(f), i.e., pursuant to a lawful order of a licensed veterinarian in the course of the veterinarian's professional practice. 21 U.S.C. § 353(f)(1) & 21 C.F.R. § 201.105 (a)(2).

5. The FDCA's restrictions on veterinary prescription drugs are not primarily to protect animals from the potential harms of prescription drugs, but are to protect the human food supply from unsafe drug residues in the edible tissues of animals sold for slaughter. Common causes of illegal residues include: (1) exceeding the drug's approved dose; (2) using a shorter withdrawal period than what is stated on the drug's label (if a higher than approved dose is given, the labeled withdrawal period may not be enough to allow the drug in the edible tissues to deplete to levels that are at or below the tolerance); (3) using a drug in an extra-label manner (for indications and dosages outside the approved labeling) without a veterinarian's involvement; (4) giving a drug not approved for that species; and (5) using an unapproved route of administration. Drug residues in the nation's drug supply are concerning because: (1) they may contribute to antibiotic resistance in the human population, rendering human drugs less effective to treat human disease and contributing to the mutations of "superbugs"; and (2) they may cause allergic reactions in individuals with certain drug allergies.

6. Certain legacy customers of AHI, namely Marlin Webb and Billy K. Groce, were not properly licensed to receive, transport, store, distribute, or dispense veterinary prescription drugs in the Commonwealth of Virginia from January 2012 through April 2015.

7. Webb was the store manager of a cooperative in Hillsville, Virginia. The cooperative was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Webb operated a side business from the cooperative's location in which he illegally circumvented the FDA's regulation of veterinary prescription drugs by illegally obtaining from Billy K. Groce and AHI and reselling veterinary prescription drugs using unlawful prescriptions written by a veterinarian who was licensed in Tennessee but who was not properly licensed to

practice veterinary medicine in Virginia and who did not have a veterinarian-patient relationship with the animals in question. That veterinarian died in 2015.

8. Groce was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Groce operated an unlicensed veterinary prescription drug distribution business. Groce worked with the same veterinarian as did Webb.

9. Webb and Groce obtained veterinary prescription drugs from AHI in interstate commerce without valid prescriptions, and, on many occasions, with no prescription at all.

10. On April 29, 2015, the government executed search warrants at locations in Virginia and Tennessee associated with Groce and Webb. In 2016 and 2017, respectively, Groce and Webb pled guilty to illegally conspiring to defraud the FDA by obtaining and distributing veterinary prescription drugs from July 2009 through April 29, 2015 in a manner that circumvented the FDA's regulation of veterinary prescription drugs.

11. Groce and Webb were legacy customers of, among others, Lextron and Walco, and continued to be customers after the companies merged to form AHI in 2012 until May 2015. Neither Lextron, Walco, nor AHI performed adequate customer diligence processes, nor adequately trained sales representatives to raise questions regarding Groce's, Webb's or the veterinarian's activities in Virginia and Tennessee. For example, Groce operated a business that stored and distributed veterinary prescription drugs out of a storefront called "Goin' Postal" and his personal residence. Neither of those locations resembled a veterinarian establishment and should have raised questions for sales representatives who personally visited them. After learning of search warrants executed on each of the customers' locations, AHI took some steps to block the sale of veterinary prescription drugs to these customers on May 4, 2015.

12. Furthermore, between January 2012 and May 2015, AHI did not maintain the proper licenses to ship from its Memphis, Tennessee, facility into Virginia or from its Wolcott, Indiana, facility into Virginia or Tennessee, but, despite this deficiency, shipped products from those locations to Virginia and Tennessee.

13. All veterinary prescription drugs distributed by AHI to Groce and Webb were misbranded because, neither recipient was licensed to possess or distribute veterinary prescription drugs, and the prescribing veterinarian was not properly licensed to practice veterinary medicine in Virginia and consequently none of the drugs he caused to be dispensed were prescribed pursuant to lawful orders.

14. From the illegal shipments to and on behalf of Groce and Webb, AHI received $7,427,928 (seven million four hundred twenty-seven thousand nine hundred twenty-eight dollars) and made a profit of $558,309 (five hundred fifty-eight thousand three hundred nine dollars) by unlawfully distributing veterinary prescription drugs to or on behalf of Groce and Webb.

15. From 2012 through on or about 2018, AHI caused additional misbranded veterinary prescription drug shipments to be made throughout the United States by distributing veterinary prescription drugs from its wholesale locations directly to end users in states where such shipments were illegal and, in some instances, by shipping veterinary prescription drugs to locations in states in which AHI did not have legal authority to make such shipments. AHI obtained not less than $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) from such shipments. Its profits from such shipments were a small percentage of the amount received.

COUNT ONE

Introduction of Misbranded Drugs into Interstate Commerce
21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1)

The United States Attorney charges that:

16. The Information is realleged and incorporated by reference into this Count.

17. From about January 2012 to April 2015, in the Western District of Virginia, Animal Health Incorporated ("AHI") introduced and delivered for introduction, and caused the introduction and delivery for introduction, into interstate commerce, of veterinary prescription drugs that were misbranded in that the drugs' labeling did not bear adequate directions for the use of such drugs.

18. The offense conduct included, but was not limited to, the following:

a. AHI distributed veterinary prescription drugs directly to Billy K. Groce and Marlin Webb, notwithstanding that neither Groce nor Webb was legally authorized to possess or distribute the drugs; and

b. AHI distributed veterinary prescription drugs to customers of Billy K. Groce and Marlin Webb without a lawful prescription having been issued for those drugs.

19. Since these veterinary prescription drugs were not lawfully distributed or prescribed, they failed to qualify for the exemption from the requirement that they bear labeling containing adequate directions for lay use. All in violation of Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1).

NOTICE OF FORFEITURE

20. Upon conviction of the offense alleged in this Information, AHI shall forfeit to the United States veterinary prescription drugs that were misbranded or became misbranded as a result of AHI's conduct, pursuant to 21 U.S.C. § 334 and 28 U.S.C. § 2461.

21. Because the above-described forfeitable property has been transferred and sold to third parties and cannot be located upon the exercise of due diligence, the United States intends to seek forfeiture of $46,802,203 pursuant to 21 U.S.C. § 853(p).

NON-PROSECUTION AGREEMENT

1. The United States Attorney's Office for the Western District of Virginia ("USAO-WDVA") and Patterson Companies, Inc. ("Patterson"), and any and all current and former affiliated entities including, but not limited to, Animal Health International, Inc. ("AHI") (collectively referred to as the "Company") enter into this Non-Prosecution Agreement ("Agreement") to resolve the investigation by the USAO-WDVA of the Company related to possible violations of federal laws relating to the licensing, dispensing, distribution, or sale of veterinary prescription drugs.

2. This Agreement, in conjunction with the Plea Agreement with AHI ("Plea Agreement"), resolves all of the Company's potential federal criminal liability for the offenses covered herein and in the Plea Agreement.

3. The USAO-WDVA enters into this Agreement based on the individual circumstances presented by this case including:

a. Patterson's cooperation with the USAO-WDVA investigation since June 2018, and AHI's subsequent cooperation under the direction of Patterson, as well as the Company's continued cooperation under the direction of the Special Investigation Committee of the Board of Directors of Patterson ("SIC") which was formed in April 2019. Since 2018, the Company has conducted a thorough and robust internal investigation; proactively brought information to the USAO-WDVA's attention, remediated noncompliant activity and implemented control enhancements, including certain licensing, dispensing, distribution and related sales practices company-wide; made factual presentations to the USAO-WDVA; timely and fully produced all requested documents; entered into agreements tolling relevant statutes of limitations; and collected, analyzed, and organized voluminous data and information for the USAO-WDVA.

b. Patterson's voluntary disclosure to the USAO-WDVA of non-compliant licensing, dispensing, distribution, and sales at AHI and Patterson beyond AHI's conduct set forth in the Information and Plea Agreement, and its timely efforts to remediate non-compliant activity and enhance controls and processes to mitigate against future reoccurrence. The additional non-compliant activity involved wholesale distribution of veterinary prescription drugs: (i) without verifying the continued validity of all practitioners' licenses in the receiving state; (ii) without verifying that an alternate location requested by the customer was authorized by state law to receive veterinary prescription drugs; (iii) without verifying that veterinarians licensed in Virginia were also associated with a veterinary establishment registered with the Virginia Board of Veterinary Medicine, (iv) without valid licensure to ship to the state to which the drugs were shipped, and/or (v) to end users in states where drop shipments by wholesalers to end users is not allowed. The additional non-compliant activity was due to prior weaknesses and inconsistencies among AHI and Patterson regulatory functions and processes, as well as system challenges presented by the Company's enterprise resource planning implementation. The Company has since taken extensive

proactive steps to enhance its regulatory function, capabilities and support to guide the business and other control functions on regulatory compliance matters. It has also enhanced its regulatory system controls to address the issues disclosed in the investigation and to verify that veterinary prescription drugs are shipped from facilities with required state licenses and to customers and locations authorized by state law to receive veterinary prescription drugs. Consistent with its approach to the USAO-WDVA, Patterson also disclosed the pending federal investigation to state regulators in all 50 states and continues to engage with state regulators, as appropriate, on matters related to the USAO-WDVA investigation.

c. The Company's enhanced regulatory compliance processes and commitment to implement a compliance program that meets the minimum elements set forth in Attachment C to the Plea Agreement ("Corporate Compliance Program Agreement").

d. The Company's agreement to comply with the terms of the Agreement and Plea Agreement.

e. AHI's admission to and the Company's agreement with the facts and allegations set forth in the Plea Agreement.

f. Although the investigation did not involve controlled substances, the Company's recognition that diversion of controlled substances, including drugs of the type that are prescribed and dispensed by veterinarians, such as buprenorphine and hydrocodone, should be a concern of all distributors and dispensers of those drugs and the Company's ongoing commitment to be proactive in deterring diversion and identifying and notifying authorities of suspicious ordering.

4. The Company agrees it will not take any tax deduction or seek or accept directly or indirectly reimbursement or indemnification from any source for any payments made pursuant to the Plea Agreement.

5. No money paid by the Company will be returned, and the Company expressly agrees to release any and all claims it may have to the money. The Company will not file any claim or otherwise contest the payment of money set forth in this Plea Agreement, and it will not assist anyone in asserting a claim to the money.

6. Nothing in this Agreement or any related documents is an admission by the United States that the amounts paid by the Company are the maximum amounts that could be recovered from the Company in the absence of an accepted plea agreement. If the Company does not comply with all of its obligations under this Agreement, the United States is not precluded from arguing or presenting evidence that the total amount to be paid by the Company should be higher.

7. The Company's obligations under this Agreement shall have a term of 42 months from the date on which the Agreement is executed (the "Term").

8. During the Term, the Company will fully cooperate with the USAO-WDVA.

9. During the Term, the Company shall undertake and abide by the terms of the Corporate Compliance Program Agreement in Attachment C to the Plea Agreement.

10. If the Company complies with all of the terms of this Agreement and the Plea Agreement, the USAO-WDVA will not prosecute the Company for any criminal conduct occurring prior to the entering of this agreement concerning:

a. The subject matter of the Information to which AHI is pleading guilty; or

b. Facts disclosed by the Company to the USAO prior to entering this agreement related to the Company's licensing, dispensing, distribution, or sale of veterinary prescription drugs.

11. However, if the USAO-WDVA, in its sole discretion, determines the Company (a) provided deliberately false, incomplete, or misleading information at any time in connection with this Agreement or (b) violated any provision of this Agreement, then the USAO-WDVA will not be bound to their agreement not to prosecute the Company for the matters covered in paragraph 10. Should the USAO-WDVA determine that the Company has violated any provision of this Agreement, the USAO-WDVA shall provide prompt written notice to the Company addressed to its General Counsel, and to its outside counsel, Amy Conway-Hatcher, Baker Botts LLP, 1299 Pennsylvania Avenue NW, Washington, DC, or to any successor the Company may designate, of the alleged violation and provide the Company with a 45 (forty-five) day period from the date of receipt of notice in which to make a presentation to the USAO-WDVA to demonstrate that no violation occurred, or, to the extent applicable, that the violation should not result in adverse action, including because the violation has been cured by the Company. In the event of a violation, the Company will not assert any claim under the United States Constitution, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other rule or law, that any statements or testimony made by or on behalf of the Company prior or subsequent to this Agreement, or any leads derived therefrom, should be suppressed or are otherwise inadmissible in any proceeding brought by the Department of Justice. If, as a result of a violation, the United States charges the Company, the Company hereby waives any statute of limitations defense for any offense not time-barred by the applicable statute of limitations on the date this Agreement is signed, including time protected as the result of existing agreements to toll the applicable statute of limitations.

12. The Company will not, through its present or future directors, officers, employees, agents, (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If the Company makes a public statement that in whole or in part contradicts any such statement or provision, the Company may avoid being in violation of this Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by the Company's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) the Company's

websites. Notwithstanding the above, the Company may avail itself of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

13. The terms of this Agreement bind the USAO-WDVA and other divisions of the Department of Justice (collectively referred to as the "United States"), except that they do not bind the Tax Division of the Department of Justice or any state, local, or foreign law enforcement or regulatory agencies, or any other authorities. The USAO-WDVA will bring the cooperation of the Company and its compliance with its other obligations under this Agreement to the attention of such agencies and authorities if requested to do so by the Company.

14. The Company and the United States may disclose this Agreement and any other documents used to effectuate the objectives of this Agreement to the public.

15. Nothing in this Agreement resolves, in any way, any liability of any individual.

16. This Agreement and the Plea Agreement set forth all the terms of the agreement between the Company and the USAO-WDVA. No amendments, modifications, or additions to this Agreement will be valid unless they are in writing signed by the USAO-WDVA, the attorneys for the Company, and a duly authorized representative of the Company.

The Company acknowledges its acceptance of this Agreement by the signature of its counsel and Officer. A copy of a resolution by the Company's Board of Directors authorizing the Officer to execute this Agreement and all other documents to resolve this matter on behalf of the Company is attached as Addendum 1.

EXHIBIT A

RESOLUTION OF THE
BOARD OF DIRECTORS
OF
PATTERSON COMPANIES, INC.

NON-PROSECUTION AGREEMENT

WHEREAS, the Company, together with outside counsel reporting to the Special Investigation Committee of the Board ("SIC Counsel"), has been in discussions with the U.S. Attorney's Office for the Western District of Virginia ("USAO-WDVA") to resolve its investigation into Animal Health International, Inc. by, among other things, having the Company enter into a Non-Prosecution Agreement (the "Agreement");

WHEREAS, SIC Counsel has advised the Board of the terms of the Agreement and the consequences of entering into the Agreement; and

WHEREAS, the Board has determined that it is in the best interest of the Company to enter into the Agreement.

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby approves the Agreement and authorizes any executive officer of the Company (the "Authorized Officers") and SIC Counsel to execute and deliver the Agreement on behalf of the Company, with such changes thereto as the Authorized Officers may approve, such approval to be conclusively evidenced by the execution of the changed Agreement.

RESOLVED FURTHER, that the Authorized Officers and SIC Counsel are hereby authorized and directed to execute and deliver all other documents necessary to carry out the provisions of the Agreement.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to acknowledge on behalf of the Company that the Agreement and related documents fully set forth the agreement made between the Company and the USAO-WDVA, and that no additional promises or representations have been made to the Company by any officials of the USAO-WDVA in connection with the Agreement and related documents, other than those set forth in therein.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to make any payments required in connection with the Agreement.

RESOLVED FURTHER, that each Authorized Officer is authorized and empowered, in the name and on behalf of the Company, to make all such arrangements, to do and perform all such acts and things, and to execute and deliver all such documents, certificates and instruments as they may deem appropriate in order to effectuate fully the purpose of the foregoing resolutions, and that any actions taken heretofore and hereafter to accomplish such purposes be, and they hereby are approved, ratified and confirmed.

CERTIFICATE OF SECRETARY

I, Les B. Korsh, herby certify that I am now, and at all times mentioned herein have been, the duly elected, qualified, and acting Secretary of **PATTERSON COMPANIES, INC.**, a Minnesota corporation (the "Corporation") and, as such officer, I have access to the records of the Company, which records of the Company reflect that:

1. RESOLUTIONS. Attached hereto as **Exhibit A** is a true and correct copy of resolutions that have been duly adopted by the Board of Directors of the Corporation on February 4, 2020, in compliance with, and not in contravention of, the articles of organization and bylaws of the Corporation; none of such resolutions have been repealed or modified in any respect, and all of such resolutions are in full force and effect on and as of the date hereof, and constitute the only action taken by the Board of Directors of the Corporation with respect to the subject matter hereof.

IN WITNESS WHEREOF, I duly executed this Certificate this 10th day of February, 2020.

Les B. Korsh
Secretary of Patterson Companies, Inc.

CORPORATE COMPLIANCE PROGRAM AGREEMENT

The following Patterson Companies, Inc. ("Patterson" or the "Company") Corporate Compliance Program Agreement ("Corporate Compliance Program Agreement") has been prepared pursuant to the Non-Prosecution Agreement dated this same date between Patterson and the United States Attorney's Office for the Western District of Virginia ("USAO-WDVA"). Compliance with all the terms and standards of the Corporate Compliance Program Agreement is a condition of the Non-Prosecution Agreement and shall continue for the Term of the Non-Prosecution Agreement ("Term").

Applicability and Purpose

1. This Corporate Compliance Program Agreement shall be incorporated into the Non-Prosecution Agreement by reference, and compliance with the terms of the Corporate Compliance Program Agreement will be a condition of the Non-Prosecution Agreement. The USAO-WDVA acknowledges that the Company has already implemented many of these terms as of the date of the resolution.

2. Any proposed modifications to this Corporate Compliance Program Agreement must be made in writing and signed by the Company and the designated signatory for the USAO-WDVA.

3. The Corporate Compliance Program Agreement does not in any way release the Company from complying with any applicable federal or state statutes and/or regulations, and does not limit the imposition of any sanctions, penalties or any other actions available under those state or federal statutes and regulations.

The Corporate Compliance Program Agreement

4. The Company and the USAO-WDVA agree that the Company shall undertake the following voluntary compliance measures. The Corporate Compliance Program Agreement does and will continue to contain policies and procedures designed to prevent, detect, and correct violations of federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the Food, Drug, and Cosmetic Act ("FDCA"), 21 U.S.C. § 301 *et seq.* and FDA requirements. These policies and procedures shall be designed to ensure that the Company complies with, among other things, the FDCA's prohibitions against causing the introduction into interstate commerce of a drug that is misbranded or otherwise violates the FDCA.

5. *Compliance Officer.* Prior to the effective date of the Non-Prosecution Agreement, the Company established the position of Chief Compliance Officer ("Compliance Officer") and appointed an individual to serve in the role on an interim basis until such time as the Company can fill the role on a permanent basis. The Company shall maintain a Compliance Officer for the Term. During the Term, the Compliance Officer shall be authorized to oversee compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA, FDA requirements, and the requirements of the Corporate

Compliance Program Agreement. The Compliance Officer is, and shall continue to be, responsible for developing and implementing policies, procedures and practices designed to address compliance with the requirements set forth in this Corporate Compliance Program Agreement, with federal and state statutes and/or regulations concerning federal prescription drug distribution and FDA requirements. The Compliance Officer shall be a member of senior management of the Company, and shall report directly to the Chief Executive Officer of the Company. The Compliance Officer shall make periodic (at least quarterly) reports regarding compliance matters directly to the Patterson Company's Board of Directors (hereinafter the "Board") or any authorized committee thereof, and shall be authorized to report on such matters to the Board at any time. The Compliance Officer shall not be subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by the Company as well as for any obligations created under the Corporate Compliance Program Agreement. Any non-compliance job responsibilities of the Compliance Officer must not interfere with the Compliance Officer's ability to perform the duties outlined in the Corporate Compliance Program Agreement.

6. *Compliance Committee.* Prior to the effective date of the Non-Prosecution Agreement, the Company formed a Compliance Committee (hereafter "Compliance Committee") which, in conjunction with the Compliance Officer, assists in the implementation and enhancement of the compliance program. The Company shall maintain the Compliance Committee for the Term. The Compliance Committee shall include, at a minimum, the Compliance Officer and other members of senior management necessary to meet the requirements of the Corporate Compliance Program Agreement (e.g., senior executives of relevant departments, such as legal, regulatory, audit, human resources, and operations.) The Compliance Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of the Company's risk areas and shall oversee monitoring of internal and external compliance-related audits and investigations). The Compliance Committee shall meet at least quarterly.

7. *Board of Directors Compliance Obligations.* Prior to the effective date of the Non-Prosecution Agreement, the Board formed a committee responsible for overseeing the Company's compliance program ("Board Committee"). The Company shall maintain the Board Committee for the Term. The Board Committee shall consist of no less than three (3) non-employee directors, including at least one (1) member of the Special Investigation Committee formed in response to the USAO-WDVA investigation for a minimum of twelve (12) months from the date of this Non-Prosecution Agreement. The Board Committee shall oversee the Company's compliance program, including at a minimum:

a. the Company's obligations under the Corporate Compliance Program Agreement

b. receiving updates about adoption and implementation of policies, procedures and practices designed to ensure compliance with the FDCA and FDA requirements, and

c. evaluating the effectiveness of the compliance program.

8. The Company shall continue to evaluate its current business to ensure that it is not currently receiving, distributing or handling misbranded or unapproved federal prescription drugs. Should the Company find it is receiving, distributing, or handling misbranded or unapproved federal prescription drugs, it shall take necessary steps to remediate any such conduct.

9. The Company shall continue to enhance its current training program to ensure that pertinent employees are familiar with the requirements of the FDCA and FDA requirements that could potentially apply to the Company's conduct.

10. The Company will put in place processes to (a) encourage employees to report suspected non-compliant activities by the Company, customers, or others and to (b) acknowledge or otherwise recognize employees for reporting confirmed non-compliant activity, as appropriate.

11. The Company will maintain, or as necessary establish, policies and procedures designed to ensure effective investigation of any complaints and/or potential deficiencies relating to compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA and FDA requirements. Such policies and procedures shall include, but are not limited to:

a. Training and providing guidance to all pertinent employees as to the requirement to report all information regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to the Compliance Officer, who in turn will review and determine whether corrective actions are required; and

b. Tracking allegations and remediation action plans regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to identify issues that may require corrective actions.

12. Within 60 days of the end of the Company's fiscal year, the Company's Chief Executive Officer will certify, under oath, to (a) the United States Attorney's Office during the Term and (b) the United States Probation Office for any period during which Animal Health International, Inc. is on probation, that (1) the Company fully complied with all federal laws and regulations pursuant to the Food, Drug, and Cosmetic Act ("FDCA") in the preceding year (or, in the instance of the first such certification, the period from execution of the Non-Prosecution Agreement through the end of the Company's fiscal year 2020), or in the alternative, (2) list all non-compliant activity and the steps taken by the company to remedy such non-compliant activity. Any listing of non-compliant activity shall not be considered by the government or the Probation Officer as a per se violation of the terms of probation or the Non-Prosecution Agreement. Instead, other factors will be taken into account, including whether the conduct violated policies the Company has adopted, whether the Company provided training addressing the subject matter of the reported conduct, whether it was an isolated or systemic occurrence, the Company's response, and any remedial actions taken after the Company learned of the conduct reported.

Non-Compliance

13. The Corporate Compliance Program Agreement is part of the Non-Prosecution Agreement and adherence to it will be an enforceable condition. Deliberate, intentional or knowing failure to comply with any part of the Corporate Compliance Program Agreement is a violation of the Non-Prosecution Agreement.

WESTERN DISTRICT OF VIRGINIA
ABINGDON

UNITED STATES OF AMERICA	)	
	)	Criminal No.
v.	)	
	)	
ANIMAL HEALTH INTERNATIONAL, INC.	)	

AGREED ORDER OF FORFEITURE

IT IS HEREBY ORDERED THAT:

A. Pursuant to Rule 32.2(b)(1)(A) of the Federal Rules of Criminal Procedure, the evidence of record and the guilty plea to Count One of the Information, misbranding a drug, in violation of 21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1), the defendant shall forfeit to the United States quantities of prescription veterinary drugs that were misbranded when introduced into interstate commerce and/or when being held for sale in interstate commerce, pursuant to 21 U.S. C. § 334 and 28 U.S.C. § 2461.

B. Pursuant to the defendant's plea agreement, because the above-described forfeitable property, as a result of the defendant's acts, has been transferred or sold to third parties and cannot be located upon the exercise of due diligence, a money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) is hereby entered against the defendant as a substitute asset pursuant to 21 U.S.C. § 853(p).

C. On or before 7 days from the date of entry of a guilty plea, the defendant will voluntarily remit payment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in satisfaction of the money judgment by remitting certified funds made payable to the U.S. Marshals Service, Asset Forfeiture Unit, 247 Federal Building, 210 Franklin Road, S.W., Roanoke, Virginia 24011.

D. As payments are voluntarily being remitted to the United States, notice and publication are not required.

E. The Court shall retain jurisdiction to enforce this Order, and to amend it as necessary, pursuant to Fed. R. Crim. P. 32.2(c).

F. Pursuant to Fed. R. Crim. P. 32.2(b)(4), this Order of Forfeiture shall become final as to the defendant upon entry, and shall be made a part of the sentence and included in the judgment.

Animal Health International, Inc. (AHI) Disclosure Statement

a. On March 4, 2013, Animal Health International, Inc.'s (AHI) Mayo, Florida Veterinary Prescription Drug Wholesale Distributor license was disciplined by the Florida Department of Business and Professional Regulation (DBPR) related to allegations that AHI failed to report a change of ownership to the DBPR in a timely manner. AHI and the DBRP reached a settlement agreement and a fine, and AHI paid $41,250.

b. On April 18, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Visalia, California Veterinary Food- Animal Drug Retailer license for an alleged failure to affix labels to a product dispensed in California. AHI paid a fine of $500.

c. On June 18, 2013, the Missouri Division of Professional Regulation issued a drug distributor license to Animal Health International, Inc.'s (AHI) Salina, Kansas facility. The license was issued subject to probation due to allegations that this entity distributed legend drugs in Missouri without being licensed to do so. On June 17, 2015, the probation was terminated.

d. On August 30, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Ceres, California Veterinary Food Animal Drug Retailer license for alleged violations of allowing a non-pharmacist to receive an oral order from a veterinarian, furnishing medications without a valid prescription, and failing to comply with labeling requirements. AHI paid a fine of $3,500. Two AHI employees were also cited and fined a total of $3,000.

e. On March 13, 2017, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama Board of Pharmacy in which AHI agreed to pay a fine of $1,000 following allegations that AHI's Manchester, Iowa pharmacy had violated Alabama law by being disciplined by the Arkansas Board of Pharmacy. AHI had entered into a non-disciplinary agreement with the Arkansas Board of Pharmacy following allegations that it had not notified the Arkansas Board of a change of ownership in a timely manner and paid a non-disciplinary fine of $2,500 to the Arkansas Board. The Alabama Board made no misconduct allegations beyond the conduct in Arkansas, which led to the non-disciplinary order and fine.

f. In March 2017, the Colorado Board of Pharmacy issued a letter of admonishment to Animal Health International, Inc.'s (AHI) Greeley, Colorado wholesale distributor license following allegations that it failed to timely submit an application detailing a change in designated representative. AHI was required to pay the costs associated with the Board's order.

g. On February 14, 2020, Animal Health International, Inc. (AHI) entered a plea of guilty for introducing into interstate commerce misbranded veterinary prescription drugs to persons who were not licensed to possess or distribute veterinary prescription drugs on the order of a veterinarian who was not properly licensed in Virginia. AHI Paid a fine of $5,000,000.

h. On July 20, 2020, Animal Health International, Inc. (AHI) in Boaz, AL entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an

administrative fine of $2,000. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The facility in Boaz, Alabama facility, subject to discipline was AHI's Boaz, Alabama, wholesale drug distributor license.

i. On July 20, 2020, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an administrative fine of $2,500. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The specific facility subject to discipline was AHI's Springdale, Arkansas, wholesale drugdistributor license.

j. On December 15, 2022, Animal Health International, Inc. (AHI) entered into an agreement with the Florida State Board of Pharmacy in which AHI agreed to pay an administrative fine of $3,500 against the Wolcott, IN pharmacy license. This agreement was related to the Florida Board's investigation following AHI's criminal conviction on February 14, 2020, in the United States District Court for the Western District of Virginia and did not involve new conduct.

k. On December 31, 2024, Animal Health International's Sioux Center, Iowa Wholesale Distributor facility entered into a Consent Order with the Illinois Department of Financial and Professional Regulation in which the facility's Illinois Wholesale Distributor license was reprimanded and fined $10,000. This action was based entirely on the Department of Justice case against AHI related to distribution activities predating current ownership. The Federal case was reported to State Boards during the investigation in July 2019 and again in February 2020 once the case was resolved.

l. On January 9, 2025, Animal Health International's ("AHI") Ceres, California Wholesale Distributor Facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 6 days in 2016, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

m. On January 9, 2025, Animal Health International's ("AHI") Roanoke, Texas Wholesale Distributor facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 165 days in 2014, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil

penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

n. On January 9, 2025, Animal Health International's ("AHI") Twin Falls, Idaho pharmacy entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 3 days in 2016, the pharmacy dispensed prescriptions into Oregon without an active pharmacy license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $3,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. Please note that the activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice case was reported to the state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. A copy of the Oregon Consent Order is enclosed. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

(Effective Date)

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 2nd day of April, 2018.

Power of Attorney

WESTCHESTER FIRE INSURANCE COMPANY

Know all men by these presents: That **WESTCHESTER FIRE INSURANCE COMPANY**, a corporation of the Commonwealth of Pennsylvania pursuant to the following Resolution, adopted by the Board of Directors of the said Company on December 11, 2006, to wit:

"RESOLVED, that the following authorizations relate to the execution, for and on behalf of the Company, of bonds, undertakings, recognizances, contracts and other written commitments of the Company entered into the ordinary course of business (each a "Written Commitment"):

(1) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise.

(2) Each duly appointed attorney-in-fact of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise, to the extent that such action is authorized by the grant of powers provided for in such persons written appointment as such attorney-in-fact .

(3) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to appoint in writing any person the attorney-in-fact of the Company with full power and authority to execute, for and on behalf of the Company, under the seal of the Company or otherwise, such Written Commitments of the Company as may be specified in such written appointment, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.

(4) Each of the Chairman, the President and Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to delegate in writing any other officer of the Company the authority to execute, for and on behalf of the Company, under the Company's seal or otherwise, such Written Commitments of the Company as are specified in such written delegation, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.

(5) The signature of any officer or other person executing any Written Commitment or appointment or delegation pursuant to this Resolution, and the seal of the Company, may be affixed by facsimile on such Written Commitment or written appointment or delegation.

FURTHER RESOLVED, that the foregoing Resolution shall not be deemed to be an exclusive statement of the powers and authority of officers, employees and other persons to act for and on behalf of the Company, and such Resolution shall not limit or otherwise affect the exercise of any such power or authority otherwise validly granted or vested.

ANIMAL HEALTH INTERNATIONAL, INC.	)	

PLEA AGREEMENT

ANIMAL HEALTH INTERNATIONAL, INC. (EIN: 84-0575063) ("AHI") has entered into a Plea Agreement with the United States of America, by counsel, pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure ("Fed. R. Crim. P."). The terms and conditions of this Plea Agreement are as follows:

1. CHARGE TO WHICH AHI IS PLEADING GUILTY AND WAIVER OF RIGHTS

AHI will enter a plea of guilty to Count One of the Information charging it with violating Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1) in the Western District of Virginia by introducing and delivering for introduction, and causing the introduction and delivery for introduction, into interstate commerce of veterinary prescription drugs that were misbranded.

AHI understands, and the parties agree and stipulate, the maximum statutory penalty is a fine of $14,855,856 (fourteen million eight hundred fifty-five thousand eight hundred fifty-six dollars), pursuant to Title 18, United States Code, Section 3571(d), and a period of probation of five (5) years, pursuant to Title 18, United States Code, Section 3561(c)(2). In addition, AHI's assets are subject to forfeiture. AHI understands fees may be imposed to pay for probation and there will be a $125 (one hundred twenty-five dollars) special assessment for Count One, pursuant to Title 18, United States Code, Section 3013(a)(1)(B)(iii). AHI's attorneys have informed it of the nature of the charge and the elements of the charge that must be proved by the United States beyond a reasonable doubt before AHI could be found guilty as charged.

AHI admits and agrees that all of the statements and allegations in the Information are true and correct.

AHI acknowledges AHI has had all of its rights explained to it. AHI expressly recognizes that, as a corporation, AHI may have the following constitutional rights and by voluntarily pleading guilty AHI knowingly waives and gives up these valuable constitutional rights:

The right to plead not guilty and persist in that plea.
The right to a speedy and public jury trial.
The right to assistance of counsel at that trial and in any subsequent appeal.
The right to remain silent at trial.
The right to testify at trial.
The right to confront and cross-examine witnesses.
The right to present evidence and witnesses.

The right to compulsory process of the court.
The right to compel the attendance of witnesses at trial.
The right to be presumed innocent.
The right to a unanimous guilty verdict.
The right to appeal a guilty verdict.

AHI is pleading guilty as described above because AHI is in fact guilty and because AHI believes it is in its best interest to do so and not because of any threats or promises, other than the terms of this Plea Agreement, described herein, in exchange for its plea of guilty. AHI agrees all of the matters set forth in the Information are true and correct.

AHI understands the plea is being entered in accordance with Fed. R. Crim. P. 11(c)(1)(C).

2. SENTENCING PROVISIONS

The parties agree the 2018 version of the United States Sentencing Commission Guidelines Manual ("U.S.S.G.") is the appropriate Guidelines Manual to utilize. According to U.S.S.G. § 8C2.1, the organizational fine provisions do not apply to the count of conviction in this case, which is a misdemeanor under 21 U.S.C. § 333(a)(1).

The parties agree and stipulate:

a. the fine shall be $5,000,000 (five million dollars);
b. AHI shall pay $1,000,000 (one million dollars) to the Virginia Department of Health Professions ("DHP") in recognition of direct assistance provided by DHP to the United States during the investigation;
c. AHI shall forfeit $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars); and
d. AHI shall serve a term of probation of one to three years, as determined by the Court.

The Court will determine what terms and length of probation are appropriate and the parties will be free to argue for which terms and length of probation they believe are appropriate. AHI understands and agrees if its probation is revoked, it may be resentenced and a total aggregate fine up to the statutory maximum may be imposed.

The parties agree if the Court refuses to accept this Plea Agreement with the agreed-upon sentence, AHI will be free to withdraw its guilty plea. In the event the Court refuses to accept this Plea Agreement and AHI withdraws its guilty plea within ten days of being notified of the Court's refusal, nothing in this Plea Agreement shall be deemed a waiver of the provisions of Federal Rule of Evidence ("Fed. R. Evid.") 410. Under these circumstances, the United States will move to dismiss the Information without prejudice and the United States may file any charges it could have filed in the absence of the plea agreement. AHI agrees to toll the statute of limitations between the date of the plea and the filing of any such charges.

3. FINANCIAL OBLIGATIONS

AHI agrees and understands any of the money paid pursuant to this Plea Agreement will be returned if, and only if, the Court refuses to accept this Plea Agreement with the agreed-upon sentence and, as a result, AHI withdraws its guilty plea. If the Court rejects this Plea Agreement and AHI withdraws its guilty plea, the United States will return all money paid by AHI, without

interest, not more than thirty (30) days after AHI withdraws its guilty plea and notifies the United States Attorney's Office for the Western District of Virginia ("USAO"), in writing, it wishes to have the money returned.

In addition, in accordance with 18 U.S.C. § 3572(d)(3), AHI will notify the Court of any material change in AHI's economic circumstances that might affect AHI's ability to pay any amounts payable under this Plea Agreement.

a. Payments

Within 7 days of the entry of AHI's guilty plea, AHI will make the following disbursements:

(1) $125 (one hundred twenty-five dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the special assessment.

(2) $5,000,000 (five million dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the fine;

(3) $1,000,000 (one million dollars) to the Virginia Department of Health Professions. These funds must be remitted in the form of certified funds made payable to the "Treasurer of Virginia." The comment section of the check should note "DHP-Enforcement" in recognition of direct assistance provided to the United States during the investigation; and

(4) $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) made payable to the United States Marshals Service, as directed by the USAO as payment of a forfeiture money judgment.

b. Forfeiture

AHI agrees to the entry of a forfeiture money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency ("Forfeiture Money Judgment") pursuant to 21 U.S.C. §§ 334 and 853(p), and 28 U.S.C. § 2461(c). AHI agrees that the value of the quantities of prescription drugs which were misbranded in violation of 21 U.S.C. § 331(a) totaled at least $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency.

AHI acknowledges and agrees the quantities of the drugs which were misbranded in violation of 21 U.S.C. § 331(a) cannot be located upon exercise of due diligence, or have been transferred or sold to, or deposited with, a third party, placed beyond the jurisdiction of the Court, substantially diminished in value, or commingled with other property which cannot be divided without difficulty. Accordingly, AHI agrees the government is entitled to forfeit as substitute assets any other assets of AHI up to the value of the now missing directly forfeitable assets, pursuant to

21 U.S.C. § 853(p). Payment in full of the Forfeiture Money Judgment shall satisfy any and all forfeiture obligations that AHI may have as a result of this guilty plea. AHI consents to the entry of an Order of Forfeiture pursuant to Rule 32.2 of the Federal Rules of Criminal Procedure forfeiting the above-referenced Forfeiture Money Judgment.

AHI agrees to sign any documentation necessary and to cooperate fully with the United States to accomplish the forfeiture. AHI agrees to forfeit all interest in these funds and to take whatever steps are necessary to pass clear title of these funds to the United States.

AHI agrees not to file a claim in any forfeiture proceeding or to contest, in any manner, the forfeiture of said assets. AHI agrees not to file or interpose any claim or to assist others to file or interpose any claim to any property against which the government seeks to execute the Forfeiture Money Judgement in any administrative or judicial proceeding.

AHI understands and agrees forfeiture of this property is proportionate to the degree and nature of the offense. AHI freely and knowingly waives any and all constitutional and statutory challenges to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including, but not limited to, that the forfeiture constitutes an excessive fine or punishment. AHI further understands and agrees this forfeiture is separate and distinct from, and is not in the nature of, or in lieu of, any monetary penalty or other monetary judgment that may be imposed by the court.

c. Restitution

The parties agree and stipulate, pursuant to 18 U.S.C. § 3663(a)(1)(B)(ii), that no restitution will be ordered.

4. ADDITIONAL OBLIGATIONS

Unless the Court rejects this Plea Agreement and, as a result, AHI withdraws its plea, AHI agrees to: (1) accept responsibility for its conduct; (2) not attempt to withdraw its guilty plea; (3) not deny it committed the crime to which it has pled guilty; (4) comply with any reasonable request of the United States Attorney's Office and (5) not make or adopt any arguments or objections to the presentence investigation report that are inconsistent with this Plea Agreement.

Neither AHI, nor its corporate parent (Patterson Companies, Inc. ["Patterson"]), will (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If Patterson or AHI makes a public statement that in whole or in part contradicts any such statement or provision, AHI may avoid being in violation of this Plea Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by Patterson's and AHI's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) Patterson or AHI websites. Notwithstanding the above, Patterson and AHI may avail themselves of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by

any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

5. WAIVER OF RIGHT TO APPEAL AND COLLATERALLY ATTACK THE JUDGMENT AND SENTENCE IMPOSED BY THE COURT

If the Court accepts this Plea Agreement, AHI agrees AHI will not appeal the conviction or sentence imposed. AHI is knowingly and voluntarily waiving any right to appeal and is voluntarily willing to rely on the Court in sentencing it, pursuant to the terms of Fed. R. Crim. P. 11(c)(1)(C). AHI expressly waives its right to appeal as to any and all issues in this matter and waives any right it may have to collaterally attack, in any future proceeding, any order issued in this matter, unless such appeal or collateral attack cannot be waived, by law. AHI understands the United States expressly reserves all of its rights to appeal, but if the United States initiates a direct appeal of the sentence imposed, AHI may file a cross appeal of that same sentence. AHI agrees and understands if it files any court document (except for an appeal or collateral attack based on an issue that cannot be waived, by law) seeking to disturb, in any way, any order imposed in the case such action shall constitute a failure to comply with a provision of this Plea Agreement.

6. INFORMATION ACCESS WAIVER

AHI agrees to waive all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a. However, if a third party obtains any records pertaining to the investigation or prosecution of this case under the Freedom of Information Act, AHI shall have the right to request copies of such disclosed records.

7. ADMISSIBILITY OF STATEMENTS

AHI understands any statements made on its behalf (including, but not limited to, this Plea Agreement and its admission of guilt) during or in preparation for any guilty plea hearing, sentencing hearing, or other hearing and any statements made, in any setting, may be used against AHI by the United States in this or any other proceeding. AHI knowingly waives any right it may have under the Constitution, any statute, rule or other source of law to have such statements, or evidence derived from such statements, suppressed or excluded from being admitted into evidence in this or any other proceeding. If, and only if, the Court rejects this Plea Agreement, and, as a result, AHI withdraws its plea, AHI will not be bound by the waivers set forth in this section of the Plea Agreement.

8. COMPLETION OF PROSECUTION

Pursuant to Fed. R. Crim. P. 11(c)(l)(A), so long as AHI complies with all of its obligations under this Plea Agreement, the United States agrees, other than the charge in the attached Information, it shall not further criminally prosecute AHI for any additional federal criminal

charges or forfeiture action with respect to any offenses set forth in the Information or Non-Prosecution Agreement with Patterson (Attached as Attachment B).

Nothing in this Plea Agreement affects the administrative, civil, criminal, or other tax liability of any entity or individual and this Plea Agreement does not bind the Internal Revenue Service of the Department of Treasury, the Tax Division of the United States Department of Justice, or any other government agency with respect to the resolution of any tax issue.

9. LIMITATION OF PLEA AGREEMENT

This Plea Agreement is limited to the United States Department of Justice and does not bind any other federal, state, or local authority.

10. COMPLIANCE AND REMEDIAL MEASURES

AHI agrees to comply with the Corporate Compliance Program Agreement attached hereto as Attachment C.

11. COOPERATION

AHI acknowledges that its ongoing and future cooperation is important and a material fact underlying the United States' decision to enter into this Plea Agreement. AHI agrees to continue to cooperate fully and actively with the United States regarding any matter, including, but not limited to, matters involving (a) current and former AHI personnel, and (b) other entities who operate in the same commercial segment as AHI and/or Patterson during the Term of the Non-Prosecution Agreement with Patterson, provided however that any cooperation in an ongoing investigation or prosecution shall continue until such investigation or prosecution is concluded.

Nothing in this Plea Agreement shall be construed to require Patterson or AHI to waive any attorney-client privilege or work-product protection.

12. REMEDIES FOR FAILURE TO COMPLY WITH ANY PROVISION OF THIS PLEA AGREEMENT

AHI understands if: (1) AHI attempts to withdraw its plea (in the absence of the Court refusing to accept this Plea Agreement); (2) AHI fails to comply with any provision of this Plea Agreement; (3) AHI's conviction is set aside, for any reason; and/or (4) AHI fails to execute all required paperwork prior to the imposition of judgment, the United States may, at its election, pursue any or all of the following remedies: (a) declare this Plea Agreement void; (b) file, by indictment or information, any charges which were filed and/or could have been filed concerning the matters involved in the instant investigation; (c) refuse to abide by any stipulations and/or recommendations contained in this Plea Agreement; (d) not be bound by any obligation of the United States set forth in this Plea Agreement, including, but not limited to, those obligations set forth in the section of this Plea Agreement titled "COMPLETION OF PROSECUTION;" and (e) take any other action provided for under this Plea Agreement or by statute, regulation or court rule.

The remedies set forth above are cumulative and not mutually exclusive. If the United States pursues any of its permissible remedies as set forth in this Plea Agreement, AHI will still be bound by its obligations under this Plea Agreement. AHI hereby waives its right under Fed. R. Crim. P. 7 to be proceeded against by indictment and consents to the filing of an information against it concerning any charges filed pursuant to this section of this Plea Agreement. AHI hereby waives any statute of limitations argument as to any such charges.

13. EFFECTIVE REPRESENTATION

AHI has discussed the terms of this Plea Agreement and all matters pertaining to the charges against it with its attorneys and is fully satisfied with its attorneys and its attorneys' advice. At this time, AHI has no dissatisfaction or complaint with its attorneys' representation. AHI agrees to make known to the Court no later than at the time of sentencing any dissatisfaction or complaint AHI may have with its attorneys' representation.

14. EFFECT OF AHI'S SIGNATURE

AHI understands its Authorized Corporate Officer's signature on this Plea Agreement constitutes a binding offer by it to enter into this Plea Agreement. AHI understands the United States has not accepted AHI's offer until the authorized representative of the United States has signed this Plea Agreement.

15. GENERAL UNDERSTANDINGS

AHI understands a presentence investigation will be conducted and sentencing recommendations independent of the USAO will be made by the presentence preparer.

AHI understands the United States and AHI retain the right, notwithstanding any provision in this Plea Agreement, to inform the probation office and the Court of all facts, to address the Court with respect to the nature and seriousness of the offense and the offender, to respond to any questions raised by the Court, to correct any inaccuracies or inadequacies in the presentence report, and to respond to any statements made to the Court.

AHI willingly stipulates there is a sufficient factual basis for the Court to accept the plea.

AHI understands this Plea Agreement does not apply to any crimes or charges not addressed in this Plea Agreement.

AHI has not been coerced, threatened, or promised anything other than the terms of this Plea Agreement, described above, in exchange for its plea of guilty. AHI understands its attorneys will be free to argue any mitigating factors on its behalf to the extent they are not inconsistent with the terms of this Plea Agreement. AHI understands AHI will have an opportunity to have a representative address the Court prior to sentence being imposed.

This writing, the Non-Prosecution Agreement with Patterson (attached as Attachment B), the Corporate Compliance Program Agreement (attached as Attachment C), and the Agreed Order of Forfeiture (attached as Attachment D) are the complete and only agreements between the United States and AHI concerning resolution of this matter. In addition, AHI has no objection to the filing of the Information.

The agreements and documents listed in this section set forth the entire understanding between the parties and constitute the complete agreement between the United States Attorney for the Western District of Virginia and AHI and no other additional terms or agreements shall be entered except and unless those other terms or agreements are in writing and signed by the parties. These agreements supersede all prior understandings, promises, agreements, or conditions, if any, between the United States and AHI. AHI consents to public disclosure of all of the agreements and other documents referenced in this section.

AHI has consulted with its attorneys and fully understands its rights. AHI has read this Plea Agreement and carefully reviewed every part of it with its attorneys. AHI understands this Plea Agreement and AHI voluntarily agrees to it. Being aware of all of the possible consequences of its plea, AHI has independently decided to enter this plea of its own free will and is affirming that agreement on this date by the signature of its Authorized Corporate Officer ("Officer") below.

The Officer, by signing below, hereby certifies to the following:

(1) The Officer is fully authorized to enter into this Plea Agreement on behalf of AHI;

(2) The Officer has read the entire Plea Agreement and documents referenced herein and discussed them with AHI's Board of Directors;

(3) AHI understands all the terms of this Plea Agreement and those terms correctly reflect the results of plea negotiations;

(4) AHI is fully satisfied with AHI's attorneys' representation during all phases of this case;

(5) AHI is freely and voluntarily pleading guilty in this case;

(6) AHI is pleading guilty as set forth in this Plea Agreement because it is guilty of the crime to which it is entering its plea; and

(7) AHI understands it is waiving its right to appeal the judgment and conviction in this case.

AHI acknowledges its acceptance of this Plea Agreement by the signature of its counsel and Officer. A copy of a certification by AHI's Board of Directors authorizing the Officer to execute this Plea Agreement and all other documents to resolve this matter on behalf of AHI is attached as Attachment A.

Counsel has fully explained to the Board of Directors of AHI the facts and circumstances of the case; all rights with respect to the offense charged in the Information; possible defenses to the offense charged in the Information; all rights with respect to the applicability of the Sentencing Guidelines; and the consequences of entering into this Plea Agreement and entering a guilty plea. Counsel has reviewed this entire Plea Agreement and documents referenced herein with the client, through its Officer. AHI understands the terms and conditions of this Plea Agreement, and AHI's decision to enter into this Plea Agreement is knowing and voluntary. AHI's execution of and entry into the Plea Agreement is done with Counsel's consent.

INFORMATION

INTRODUCTION

1. Defendant Animal Health International, Inc. ("AHI") is a Colorado corporation with its principal place of business in Colorado. AHI is comprised of two legacy organizations, Lextron, Inc. ("Lextron") and Walco International, Inc. ("Walco"). In June 2011, Lextron acquired all outstanding stock of the parent company of Walco and changed its name to AHI. Walco continued operations as a subsidiary of AHI until December 2011 when Animal Health Holdings, Inc. and each of its wholly-owned subsidiaries, including Walco, were merged with and into AHI and no longer had separate corporate existences. AHI, and its predecessor entities, dispense, distribute and sell, among other products, veterinary prescription drugs to customers in the production animal industry across the United States. Specifically, AHI obtains prescription drugs for production animals from manufacturers for further distribution to veterinarians, farms, feedlots, and other distribution facilities.

2. The Food and Drug Administration ("FDA") of the United States Department of Health and Human Services regulates the distribution and labeling of all drugs, including animal drugs, shipped or received in interstate commerce through enforcement of the Federal Food, Drug, and Cosmetic Act. 21 U.S.C § 301, *et seq.* ("FDCA"). Veterinary prescription drugs are drugs intended for use by animals that, because of their toxicity or other potentiality for harmful

effect, or the method of their use, or the collateral measures necessary for their use, are not safe for animal use except under the professional supervision of a licensed veterinarian. 21 U.S.C. § 353(f)(1)(A).

3. Under the FDCA, a drug is misbranded if, among other things, its labeling does not bear "adequate directions for use." 21 U.S.C. § 352(f)(1). Adequate directions for use is defined as "directions under which the *layman* can use a drug safely and for the purposes for which it is intended." 21 C.F.R. § 201.5 (emphasis added). Prescription veterinary drugs by definition can only safely be used under the professional supervision of a licensed veterinarian and therefore they must qualify for an exemption to this requirement in order to move in interstate commerce. These exemptions are set out in 21 C.F.R. Part 201, Subpart D ("Exemptions from Adequate Directions for Use").

4. Veterinary prescription drugs are exempt from the requirement that their labeling contain adequate directions for use if they meet all enumerated conditions, including that they be distributed through a closed supply chain in which every entity that possesses a prescription drug must have legal authorization to do so. *See* 21 C.F.R. § 201.105 (a)(1) (a veterinary prescription drug must be in the possession of: a person lawfully engaged in the manufacture, transportation, storage or wholesale distribution of drugs; a retail pharmacy or other person authorized under state law to dispense veterinary prescription drugs; or a licensed veterinarian for use in the course of his professional practice). Moreover, the veterinary prescription drug must be dispensed in accordance with 21 U.S.C. § 353(f), i.e., pursuant to a lawful order of a licensed veterinarian in the course of the veterinarian's professional practice. 21 U.S.C. § 353(f)(1) & 21 C.F.R. § 201.105 (a)(2).

5. The FDCA's restrictions on veterinary prescription drugs are not primarily to protect animals from the potential harms of prescription drugs, but are to protect the human food supply from unsafe drug residues in the edible tissues of animals sold for slaughter. Common causes of illegal residues include: (1) exceeding the drug's approved dose; (2) using a shorter withdrawal period than what is stated on the drug's label (if a higher than approved dose is given, the labeled withdrawal period may not be enough to allow the drug in the edible tissues to deplete to levels that are at or below the tolerance); (3) using a drug in an extra-label manner (for indications and dosages outside the approved labeling) without a veterinarian's involvement; (4) giving a drug not approved for that species; and (5) using an unapproved route of administration. Drug residues in the nation's drug supply are concerning because: (1) they may contribute to antibiotic resistance in the human population, rendering human drugs less effective to treat human disease and contributing to the mutations of "superbugs"; and (2) they may cause allergic reactions in individuals with certain drug allergies.

6. Certain legacy customers of AHI, namely Marlin Webb and Billy K. Groce, were not properly licensed to receive, transport, store, distribute, or dispense veterinary prescription drugs in the Commonwealth of Virginia from January 2012 through April 2015.

7. Webb was the store manager of a cooperative in Hillsville, Virginia. The cooperative was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Webb operated a side business from the cooperative's location in which he illegally circumvented the FDA's regulation of veterinary prescription drugs by illegally obtaining from Billy K. Groce and AHI and reselling veterinary prescription drugs using unlawful prescriptions written by a veterinarian who was licensed in Tennessee but who was not properly licensed to

practice veterinary medicine in Virginia and who did not have a veterinarian-patient relationship with the animals in question. That veterinarian died in 2015.

8. Groce was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Groce operated an unlicensed veterinary prescription drug distribution business. Groce worked with the same veterinarian as did Webb.

9. Webb and Groce obtained veterinary prescription drugs from AHI in interstate commerce without valid prescriptions, and, on many occasions, with no prescription at all.

10. On April 29, 2015, the government executed search warrants at locations in Virginia and Tennessee associated with Groce and Webb. In 2016 and 2017, respectively, Groce and Webb pled guilty to illegally conspiring to defraud the FDA by obtaining and distributing veterinary prescription drugs from July 2009 through April 29, 2015 in a manner that circumvented the FDA's regulation of veterinary prescription drugs.

11. Groce and Webb were legacy customers of, among others, Lextron and Walco, and continued to be customers after the companies merged to form AHI in 2012 until May 2015. Neither Lextron, Walco, nor AHI performed adequate customer diligence processes, nor adequately trained sales representatives to raise questions regarding Groce's, Webb's or the veterinarian's activities in Virginia and Tennessee. For example, Groce operated a business that stored and distributed veterinary prescription drugs out of a storefront called "Goin' Postal" and his personal residence. Neither of those locations resembled a veterinarian establishment and should have raised questions for sales representatives who personally visited them. After learning of search warrants executed on each of the customers' locations, AHI took some steps to block the sale of veterinary prescription drugs to these customers on May 4, 2015.

12. Furthermore, between January 2012 and May 2015, AHI did not maintain the proper licenses to ship from its Memphis, Tennessee, facility into Virginia or from its Wolcott, Indiana, facility into Virginia or Tennessee, but, despite this deficiency, shipped products from those locations to Virginia and Tennessee.

13. All veterinary prescription drugs distributed by AHI to Groce and Webb were misbranded because, neither recipient was licensed to possess or distribute veterinary prescription drugs, and the prescribing veterinarian was not properly licensed to practice veterinary medicine in Virginia and consequently none of the drugs he caused to be dispensed were prescribed pursuant to lawful orders.

14. From the illegal shipments to and on behalf of Groce and Webb, AHI received $7,427,928 (seven million four hundred twenty-seven thousand nine hundred twenty-eight dollars) and made a profit of $558,309 (five hundred fifty-eight thousand three hundred nine dollars) by unlawfully distributing veterinary prescription drugs to or on behalf of Groce and Webb.

15. From 2012 through on or about 2018, AHI caused additional misbranded veterinary prescription drug shipments to be made throughout the United States by distributing veterinary prescription drugs from its wholesale locations directly to end users in states where such shipments were illegal and, in some instances, by shipping veterinary prescription drugs to locations in states in which AHI did not have legal authority to make such shipments. AHI obtained not less than $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) from such shipments. Its profits from such shipments were a small percentage of the amount received.

COUNT ONE

Introduction of Misbranded Drugs into Interstate Commerce
21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1)

The United States Attorney charges that:

16. The Information is realleged and incorporated by reference into this Count.

17. From about January 2012 to April 2015, in the Western District of Virginia, Animal Health Incorporated ("AHI") introduced and delivered for introduction, and caused the introduction and delivery for introduction, into interstate commerce, of veterinary prescription drugs that were misbranded in that the drugs' labeling did not bear adequate directions for the use of such drugs.

18. The offense conduct included, but was not limited to, the following:

a. AHI distributed veterinary prescription drugs directly to Billy K. Groce and Marlin Webb, notwithstanding that neither Groce nor Webb was legally authorized to possess or distribute the drugs; and

b. AHI distributed veterinary prescription drugs to customers of Billy K. Groce and Marlin Webb without a lawful prescription having been issued for those drugs.

19. Since these veterinary prescription drugs were not lawfully distributed or prescribed, they failed to qualify for the exemption from the requirement that they bear labeling containing adequate directions for lay use. All in violation of Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1).

NOTICE OF FORFEITURE

20. Upon conviction of the offense alleged in this Information, AHI shall forfeit to the United States veterinary prescription drugs that were misbranded or became misbranded as a result of AHI's conduct, pursuant to 21 U.S.C. § 334 and 28 U.S.C. § 2461.

21. Because the above-described forfeitable property has been transferred and sold to third parties and cannot be located upon the exercise of due diligence, the United States intends to seek forfeiture of $46,802,203 pursuant to 21 U.S.C. § 853(p).

NON-PROSECUTION AGREEMENT

1. The United States Attorney's Office for the Western District of Virginia ("USAO-WDVA") and Patterson Companies, Inc. ("Patterson"), and any and all current and former affiliated entities including, but not limited to, Animal Health International, Inc. ("AHI") (collectively referred to as the "Company") enter into this Non-Prosecution Agreement ("Agreement") to resolve the investigation by the USAO-WDVA of the Company related to possible violations of federal laws relating to the licensing, dispensing, distribution, or sale of veterinary prescription drugs.

2. This Agreement, in conjunction with the Plea Agreement with AHI ("Plea Agreement"), resolves all of the Company's potential federal criminal liability for the offenses covered herein and in the Plea Agreement.

3. The USAO-WDVA enters into this Agreement based on the individual circumstances presented by this case including:

a. Patterson's cooperation with the USAO-WDVA investigation since June 2018, and AHI's subsequent cooperation under the direction of Patterson, as well as the Company's continued cooperation under the direction of the Special Investigation Committee of the Board of Directors of Patterson ("SIC") which was formed in April 2019. Since 2018, the Company has conducted a thorough and robust internal investigation; proactively brought information to the USAO-WDVA's attention, remediated noncompliant activity and implemented control enhancements, including certain licensing, dispensing, distribution and related sales practices company-wide; made factual presentations to the USAO-WDVA; timely and fully produced all requested documents; entered into agreements tolling relevant statutes of limitations; and collected, analyzed, and organized voluminous data and information for the USAO-WDVA.

b. Patterson's voluntary disclosure to the USAO-WDVA of non-compliant licensing, dispensing, distribution, and sales at AHI and Patterson beyond AHI's conduct set forth in the Information and Plea Agreement, and its timely efforts to remediate non-compliant activity and enhance controls and processes to mitigate against future reoccurrence. The additional non-compliant activity involved wholesale distribution of veterinary prescription drugs: (i) without verifying the continued validity of all practitioners' licenses in the receiving state; (ii) without verifying that an alternate location requested by the customer was authorized by state law to receive veterinary prescription drugs; (iii) without verifying that veterinarians licensed in Virginia were also associated with a veterinary establishment registered with the Virginia Board of Veterinary Medicine, (iv) without valid licensure to ship to the state to which the drugs were shipped, and/or (v) to end users in states where drop shipments by wholesalers to end users is not allowed. The additional non-compliant activity was due to prior weaknesses and inconsistencies among AHI and Patterson regulatory functions and processes, as well as system challenges presented by the Company's enterprise resource planning implementation. The Company has since taken extensive

proactive steps to enhance its regulatory function, capabilities and support to guide the business and other control functions on regulatory compliance matters. It has also enhanced its regulatory system controls to address the issues disclosed in the investigation and to verify that veterinary prescription drugs are shipped from facilities with required state licenses and to customers and locations authorized by state law to receive veterinary prescription drugs. Consistent with its approach to the USAO-WDVA, Patterson also disclosed the pending federal investigation to state regulators in all 50 states and continues to engage with state regulators, as appropriate, on matters related to the USAO-WDVA investigation.

c. The Company's enhanced regulatory compliance processes and commitment to implement a compliance program that meets the minimum elements set forth in Attachment C to the Plea Agreement ("Corporate Compliance Program Agreement").

d. The Company's agreement to comply with the terms of the Agreement and Plea Agreement.

e. AHI's admission to and the Company's agreement with the facts and allegations set forth in the Plea Agreement.

f. Although the investigation did not involve controlled substances, the Company's recognition that diversion of controlled substances, including drugs of the type that are prescribed and dispensed by veterinarians, such as buprenorphine and hydrocodone, should be a concern of all distributors and dispensers of those drugs and the Company's ongoing commitment to be proactive in deterring diversion and identifying and notifying authorities of suspicious ordering.

4. The Company agrees it will not take any tax deduction or seek or accept directly or indirectly reimbursement or indemnification from any source for any payments made pursuant to the Plea Agreement.

5. No money paid by the Company will be returned, and the Company expressly agrees to release any and all claims it may have to the money. The Company will not file any claim or otherwise contest the payment of money set forth in this Plea Agreement, and it will not assist anyone in asserting a claim to the money.

6. Nothing in this Agreement or any related documents is an admission by the United States that the amounts paid by the Company are the maximum amounts that could be recovered from the Company in the absence of an accepted plea agreement. If the Company does not comply with all of its obligations under this Agreement, the United States is not precluded from arguing or presenting evidence that the total amount to be paid by the Company should be higher.

7. The Company's obligations under this Agreement shall have a term of 42 months from the date on which the Agreement is executed (the "Term").

8. During the Term, the Company will fully cooperate with the USAO-WDVA.

9. During the Term, the Company shall undertake and abide by the terms of the Corporate Compliance Program Agreement in Attachment C to the Plea Agreement.

10. If the Company complies with all of the terms of this Agreement and the Plea Agreement, the USAO-WDVA will not prosecute the Company for any criminal conduct occurring prior to the entering of this agreement concerning:

a. The subject matter of the Information to which AHI is pleading guilty; or

b. Facts disclosed by the Company to the USAO prior to entering this agreement related to the Company's licensing, dispensing, distribution, or sale of veterinary prescription drugs.

11. However, if the USAO-WDVA, in its sole discretion, determines the Company (a) provided deliberately false, incomplete, or misleading information at any time in connection with this Agreement or (b) violated any provision of this Agreement, then the USAO-WDVA will not be bound to their agreement not to prosecute the Company for the matters covered in paragraph 10. Should the USAO-WDVA determine that the Company has violated any provision of this Agreement, the USAO-WDVA shall provide prompt written notice to the Company addressed to its General Counsel, and to its outside counsel, Amy Conway-Hatcher, Baker Botts LLP, 1299 Pennsylvania Avenue NW, Washington, DC, or to any successor the Company may designate, of the alleged violation and provide the Company with a 45 (forty-five) day period from the date of receipt of notice in which to make a presentation to the USAO-WDVA to demonstrate that no violation occurred, or, to the extent applicable, that the violation should not result in adverse action, including because the violation has been cured by the Company. In the event of a violation, the Company will not assert any claim under the United States Constitution, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other rule or law, that any statements or testimony made by or on behalf of the Company prior or subsequent to this Agreement, or any leads derived therefrom, should be suppressed or are otherwise inadmissible in any proceeding brought by the Department of Justice. If, as a result of a violation, the United States charges the Company, the Company hereby waives any statute of limitations defense for any offense not time-barred by the applicable statute of limitations on the date this Agreement is signed, including time protected as the result of existing agreements to toll the applicable statute of limitations.

12. The Company will not, through its present or future directors, officers, employees, agents, (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If the Company makes a public statement that in whole or in part contradicts any such statement or provision, the Company may avoid being in violation of this Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by the Company's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) the Company's

websites. Notwithstanding the above, the Company may avail itself of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

13. The terms of this Agreement bind the USAO-WDVA and other divisions of the Department of Justice (collectively referred to as the "United States"), except that they do not bind the Tax Division of the Department of Justice or any state, local, or foreign law enforcement or regulatory agencies, or any other authorities. The USAO-WDVA will bring the cooperation of the Company and its compliance with its other obligations under this Agreement to the attention of such agencies and authorities if requested to do so by the Company.

14. The Company and the United States may disclose this Agreement and any other documents used to effectuate the objectives of this Agreement to the public.

15. Nothing in this Agreement resolves, in any way, any liability of any individual.

16. This Agreement and the Plea Agreement set forth all the terms of the agreement between the Company and the USAO-WDVA. No amendments, modifications, or additions to this Agreement will be valid unless they are in writing signed by the USAO-WDVA, the attorneys for the Company, and a duly authorized representative of the Company.

The Company acknowledges its acceptance of this Agreement by the signature of its counsel and Officer. A copy of a resolution by the Company's Board of Directors authorizing the Officer to execute this Agreement and all other documents to resolve this matter on behalf of the Company is attached as Addendum 1.

EXHIBIT A

RESOLUTION OF THE
BOARD OF DIRECTORS
OF
PATTERSON COMPANIES, INC.

NON-PROSECUTION AGREEMENT

WHEREAS, the Company, together with outside counsel reporting to the Special Investigation Committee of the Board ("SIC Counsel"), has been in discussions with the U.S. Attorney's Office for the Western District of Virginia ("USAO-WDVA") to resolve its investigation into Animal Health International, Inc. by, among other things, having the Company enter into a Non-Prosecution Agreement (the "Agreement");

WHEREAS, SIC Counsel has advised the Board of the terms of the Agreement and the consequences of entering into the Agreement; and

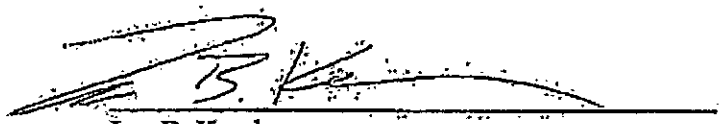
WHEREAS, the Board has determined that it is in the best interest of the Company to enter into the Agreement.

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby approves the Agreement and authorizes any executive officer of the Company (the "Authorized Officers") and SIC Counsel to execute and deliver the Agreement on behalf of the Company, with such changes thereto as the Authorized Officers may approve, such approval to be conclusively evidenced by the execution of the changed Agreement.

RESOLVED FURTHER, that the Authorized Officers and SIC Counsel are hereby authorized and directed to execute and deliver all other documents necessary to carry out the provisions of the Agreement.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to acknowledge on behalf of the Company that the Agreement and related documents fully set forth the agreement made between the Company and the USAO-WDVA, and that no additional promises or representations have been made to the Company by any officials of the USAO-WDVA in connection with the Agreement and related documents, other than those set forth in therein.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to make any payments required in connection with the Agreement.



RESOLVED FURTHER, that each Authorized Officer is authorized and empowered, in the name and on behalf of the Company, to make all such arrangements, to do and perform all such acts and things, and to execute and deliver all such documents, certificates and instruments as they may deem appropriate in order to effectuate fully the purpose of the foregoing resolutions, and that any actions taken heretofore and hereafter to accomplish such purposes be, and they hereby are approved, ratified and confirmed.

CERTIFICATE OF SECRETARY

I, Les B. Korsh, herby certify that I am now, and at all times mentioned herein have been, the duly elected, qualified, and acting Secretary of **PATTERSON COMPANIES, INC.**, a Minnesota corporation (the "Corporation") and, as such officer, I have access to the records of the Company, which records of the Company reflect that:

1. RESOLUTIONS. Attached hereto as **Exhibit A** is a true and correct copy of resolutions that have been duly adopted by the Board of Directors of the Corporation on February 4, 2020, in compliance with, and not in contravention of, the articles of organization and bylaws of the Corporation; none of such resolutions have been repealed or modified in any respect, and all of such resolutions are in full force and effect on and as of the date hereof, and constitute the only action taken by the Board of Directors of the Corporation with respect to the subject matter hereof.

IN WITNESS WHEREOF, I duly executed this Certificate this 10th day of February, 2020.

Les B. Korsh
Secretary of Patterson Companies, Inc.

CORPORATE COMPLIANCE PROGRAM AGREEMENT

The following Patterson Companies, Inc. ("Patterson" or the "Company") Corporate Compliance Program Agreement ("Corporate Compliance Program Agreement") has been prepared pursuant to the Non-Prosecution Agreement dated this same date between Patterson and the United States Attorney's Office for the Western District of Virginia ("USAO-WDVA"). Compliance with all the terms and standards of the Corporate Compliance Program Agreement is a condition of the Non-Prosecution Agreement and shall continue for the Term of the Non-Prosecution Agreement ("Term").

Applicability and Purpose

1. This Corporate Compliance Program Agreement shall be incorporated into the Non-Prosecution Agreement by reference, and compliance with the terms of the Corporate Compliance Program Agreement will be a condition of the Non-Prosecution Agreement. The USAO-WDVA acknowledges that the Company has already implemented many of these terms as of the date of the resolution.

2. Any proposed modifications to this Corporate Compliance Program Agreement must be made in writing and signed by the Company and the designated signatory for the USAO-WDVA.

3. The Corporate Compliance Program Agreement does not in any way release the Company from complying with any applicable federal or state statutes and/or regulations, and does not limit the imposition of any sanctions, penalties or any other actions available under those state or federal statutes and regulations.

The Corporate Compliance Program Agreement

4. The Company and the USAO-WDVA agree that the Company shall undertake the following voluntary compliance measures. The Corporate Compliance Program Agreement does and will continue to contain policies and procedures designed to prevent, detect, and correct violations of federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the Food, Drug, and Cosmetic Act ("FDCA"), 21 U.S.C. § 301 *et seq.* and FDA requirements. These policies and procedures shall be designed to ensure that the Company complies with, among other things, the FDCA's prohibitions against causing the introduction into interstate commerce of a drug that is misbranded or otherwise violates the FDCA.

5. *Compliance Officer.* Prior to the effective date of the Non-Prosecution Agreement, the Company established the position of Chief Compliance Officer ("Compliance Officer") and appointed an individual to serve in the role on an interim basis until such time as the Company can fill the role on a permanent basis. The Company shall maintain a Compliance Officer for the Term. During the Term, the Compliance Officer shall be authorized to oversee compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA, FDA requirements, and the requirements of the Corporate

Compliance Program Agreement. The Compliance Officer is, and shall continue to be, responsible for developing and implementing policies, procedures and practices designed to address compliance with the requirements set forth in this Corporate Compliance Program Agreement, with federal and state statutes and/or regulations concerning federal prescription drug distribution and FDA requirements. The Compliance Officer shall be a member of senior management of the Company, and shall report directly to the Chief Executive Officer of the Company. The Compliance Officer shall make periodic (at least quarterly) reports regarding compliance matters directly to the Patterson Company's Board of Directors (hereinafter the "Board") or any authorized committee thereof, and shall be authorized to report on such matters to the Board at any time. The Compliance Officer shall not be subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by the Company as well as for any obligations created under the Corporate Compliance Program Agreement. Any non-compliance job responsibilities of the Compliance Officer must not interfere with the Compliance Officer's ability to perform the duties outlined in the Corporate Compliance Program Agreement.

6. *Compliance Committee.* Prior to the effective date of the Non-Prosecution Agreement, the Company formed a Compliance Committee (hereafter "Compliance Committee") which, in conjunction with the Compliance Officer, assists in the implementation and enhancement of the compliance program. The Company shall maintain the Compliance Committee for the Term. The Compliance Committee shall include, at a minimum, the Compliance Officer and other members of senior management necessary to meet the requirements of the Corporate Compliance Program Agreement (e.g., senior executives of relevant departments, such as legal, regulatory, audit, human resources, and operations.) The Compliance Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of the Company's risk areas and shall oversee monitoring of internal and external compliance-related audits and investigations). The Compliance Committee shall meet at least quarterly.

7. *Board of Directors Compliance Obligations.* Prior to the effective date of the Non-Prosecution Agreement, the Board formed a committee responsible for overseeing the Company's compliance program ("Board Committee"). The Company shall maintain the Board Committee for the Term. The Board Committee shall consist of no less than three (3) non-employee directors, including at least one (1) member of the Special Investigation Committee formed in response to the USAO-WDVA investigation for a minimum of twelve (12) months from the date of this Non-Prosecution Agreement. The Board Committee shall oversee the Company's compliance program, including at a minimum:

a. the Company's obligations under the Corporate Compliance Program Agreement

b. receiving updates about adoption and implementation of policies, procedures and practices designed to ensure compliance with the FDCA and FDA requirements, and

c. evaluating the effectiveness of the compliance program.

8. The Company shall continue to evaluate its current business to ensure that it is not currently receiving, distributing or handling misbranded or unapproved federal prescription drugs. Should the Company find it is receiving, distributing, or handling misbranded or unapproved federal prescription drugs, it shall take necessary steps to remediate any such conduct.

9. The Company shall continue to enhance its current training program to ensure that pertinent employees are familiar with the requirements of the FDCA and FDA requirements that could potentially apply to the Company's conduct.

10. The Company will put in place processes to (a) encourage employees to report suspected non-compliant activities by the Company, customers, or others and to (b) acknowledge or otherwise recognize employees for reporting confirmed non-compliant activity, as appropriate.

11. The Company will maintain, or as necessary establish, policies and procedures designed to ensure effective investigation of any complaints and/or potential deficiencies relating to compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA and FDA requirements. Such policies and procedures shall include, but are not limited to:

a. Training and providing guidance to all pertinent employees as to the requirement to report all information regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to the Compliance Officer, who in turn will review and determine whether corrective actions are required; and

b. Tracking allegations and remediation action plans regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to identify issues that may require corrective actions.

12. Within 60 days of the end of the Company's fiscal year, the Company's Chief Executive Officer will certify, under oath, to (a) the United States Attorney's Office during the Term and (b) the United States Probation Office for any period during which Animal Health International, Inc. is on probation, that (1) the Company fully complied with all federal laws and regulations pursuant to the Food, Drug, and Cosmetic Act ("FDCA") in the preceding year (or, in the instance of the first such certification, the period from execution of the Non-Prosecution Agreement through the end of the Company's fiscal year 2020), or in the alternative, (2) list all non-compliant activity and the steps taken by the company to remedy such non-compliant activity. Any listing of non-compliant activity shall not be considered by the government or the Probation Officer as a per se violation of the terms of probation or the Non-Prosecution Agreement. Instead, other factors will be taken into account, including whether the conduct violated policies the Company has adopted, whether the Company provided training addressing the subject matter of the reported conduct, whether it was an isolated or systemic occurrence, the Company's response, and any remedial actions taken after the Company learned of the conduct reported.

Non-Compliance

13. The Corporate Compliance Program Agreement is part of the Non-Prosecution Agreement and adherence to it will be an enforceable condition. Deliberate, intentional or knowing failure to comply with any part of the Corporate Compliance Program Agreement is a violation of the Non-Prosecution Agreement.

ANIMAL HEALTH INTERNATIONAL, INC.	)	

AGREED ORDER OF FORFEITURE

IT IS HEREBY ORDERED THAT:

A. Pursuant to Rule 32.2(b)(1)(A) of the Federal Rules of Criminal Procedure, the evidence of record and the guilty plea to Count One of the Information, misbranding a drug, in violation of 21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1), the defendant shall forfeit to the United States quantities of prescription veterinary drugs that were misbranded when introduced into interstate commerce and/or when being held for sale in interstate commerce, pursuant to 21 U.S. C. § 334 and 28 U.S.C. § 2461.

B. Pursuant to the defendant's plea agreement, because the above-described forfeitable property, as a result of the defendant's acts, has been transferred or sold to third parties and cannot be located upon the exercise of due diligence, a money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) is hereby entered against the defendant as a substitute asset pursuant to 21 U.S.C. § 853(p).

C. On or before 7 days from the date of entry of a guilty plea, the defendant will voluntarily remit payment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in satisfaction of the money judgment by remitting certified funds made payable to the U.S. Marshals Service, Asset Forfeiture Unit, 247 Federal Building, 210 Franklin Road, S.W., Roanoke, Virginia 24011.

D. As payments are voluntarily being remitted to the United States, notice and publication are not required.

E. The Court shall retain jurisdiction to enforce this Order, and to amend it as necessary, pursuant to Fed. R. Crim. P. 32.2(e).

F. Pursuant to Fed. R. Crim. P. 32.2(b)(4), this Order of Forfeiture shall become final as to the defendant upon entry, and shall be made a part of the sentence and included in the judgment.

Animal Health International, Inc. (AHI) Disclosure Statement

a. On March 4, 2013, Animal Health International, Inc.'s (AHI) Mayo, Florida Veterinary Prescription Drug Wholesale Distributor license was disciplined by the Florida Department of Business and Professional Regulation (DBPR) related to allegations that AHI failed to report a change of ownership to the DBPR in a timely manner. AHI and the DBRP reached a settlement agreement and a fine, and AHI paid $41,250.

b. On April 18, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Visalia, California Veterinary Food- Animal Drug Retailer license for an alleged failure to affix labels to a product dispensed in California. AHI paid a fine of $500.

c. On June 18, 2013, the Missouri Division of Professional Regulation issued a drug distributor license to Animal Health International, Inc.'s (AHI) Salina, Kansas facility. The license was issued subject to probation due to allegations that this entity distributed legend drugs in Missouri without being licensed to do so. On June 17, 2015, the probation was terminated.

d. On August 30, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Ceres, California Veterinary Food Animal Drug Retailer license for alleged violations of allowing a non-pharmacist to receive an oral order from a veterinarian, furnishing medications without a valid prescription, and failing to comply with labeling requirements. AHI paid a fine of $3,500. Two AHI employees were also cited and fined a total of $3,000.

e. On March 13, 2017, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama Board of Pharmacy in which AHI agreed to pay a fine of $1,000 following allegations that AHI's Manchester, Iowa pharmacy had violated Alabama law by being disciplined by the Arkansas Board of Pharmacy. AHI had entered into a non-disciplinary agreement with the Arkansas Board of Pharmacy following allegations that it had not notified the Arkansas Board of a change of ownership in a timely manner and paid a non-disciplinary fine of $2,500 to the Arkansas Board. The Alabama Board made no misconduct allegations beyond the conduct in Arkansas, which led to the non-disciplinary order and fine.

f. In March 2017, the Colorado Board of Pharmacy issued a letter of admonishment to Animal Health International, Inc.'s (AHI) Greeley, Colorado wholesale distributor license following allegations that it failed to timely submit an application detailing a change in designated representative. AHI was required to pay the costs associated with the Board's order.

g. On February 14, 2020, Animal Health International, Inc. (AHI) entered a plea of guilty for introducing into interstate commerce misbranded veterinary prescription drugs to persons who were not licensed to possess or distribute veterinary prescription drugs on the order of a veterinarian who was not properly licensed in Virginia. AHI Paid a fine of $5,000,000.

h. On July 20, 2020, Animal Health International, Inc. (AHI) in Boaz, AL entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an

administrative fine of $2,000. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The facility in Boaz, Alabama facility, subject to discipline was AHI's Boaz, Alabama, wholesale drug distributor license.

i. On July 20, 2020, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an administrative fine of $2,500. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The specific facility subject to discipline was AHI's Springdale, Arkansas, wholesale drugdistributor license.

j. On December 15, 2022, Animal Health International, Inc. (AHI) entered into an agreement with the Florida State Board of Pharmacy in which AHI agreed to pay an administrative fine of $3,500 against the Wolcott, IN pharmacy license. This agreement was related to the Florida Board's investigation following AHI's criminal conviction on February 14, 2020, in the United States District Court for the Western District of Virginia and did not involve new conduct.

k. On December 31, 2024, Animal Health International's Sioux Center, Iowa Wholesale Distributor facility entered into a Consent Order with the Illinois Department of Financial and Professional Regulation in which the facility's Illinois Wholesale Distributor license was reprimanded and fined $10,000. This action was based entirely on the Department of Justice case against AHI related to distribution activities predating current ownership. The Federal case was reported to State Boards during the investigation in July 2019 and again in February 2020 once the case was resolved.

l. On January 9, 2025, Animal Health International's ("AHI") Ceres, California Wholesale Distributor Facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 6 days in 2016, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

m. On January 9, 2025, Animal Health International's ("AHI") Roanoke, Texas Wholesale Distributor facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 165 days in 2014, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil

penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

n. On January 9, 2025, Animal Health International's ("AHI") Twin Falls, Idaho pharmacy entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 3 days in 2016, the pharmacy dispensed prescriptions into Oregon without an active pharmacy license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $3,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. Please note that the activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice case was reported to the state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. A copy of the Oregon Consent Order is enclosed. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. K41888453

Application/License No. _____

Animal Health International, Inc. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 203 Fourth Avenue West, Twin Falls, ID 83301 (Address of Applicant/Principal), as PRINCIPAL, and Federal Insurance Company (Surety Company), a corporation organized under the laws of the state of Indiana (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 202B Halls Mill Road, Whitehouse Station, NJ 08889-3454 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on February 25, 2025 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 25 day of February, 2025.

ANIMAL HEALTH INTERNATIONAL, INC.	)	

PLEA AGREEMENT

ANIMAL HEALTH INTERNATIONAL, INC. (EIN: 84-0575063) ("AHI") has entered into a Plea Agreement with the United States of America, by counsel, pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure ("Fed. R. Crim. P."). The terms and conditions of this Plea Agreement are as follows:

1. CHARGE TO WHICH AHI IS PLEADING GUILTY AND WAIVER OF RIGHTS

AHI will enter a plea of guilty to Count One of the Information charging it with violating Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1) in the Western District of Virginia by introducing and delivering for introduction, and causing the introduction and delivery for introduction, into interstate commerce of veterinary prescription drugs that were misbranded.

AHI understands, and the parties agree and stipulate, the maximum statutory penalty is a fine of $14,855,856 (fourteen million eight hundred fifty-five thousand eight hundred fifty-six dollars), pursuant to Title 18, United States Code, Section 3571(d), and a period of probation of five (5) years, pursuant to Title 18, United States Code, Section 3561(c)(2). In addition, AHI's assets are subject to forfeiture. AHI understands fees may be imposed to pay for probation and there will be a $125 (one hundred twenty-five dollars) special assessment for Count One, pursuant to Title 18, United States Code, Section 3013(a)(1)(B)(iii). AHI's attorneys have informed it of the nature of the charge and the elements of the charge that must be proved by the United States beyond a reasonable doubt before AHI could be found guilty as charged.

AHI admits and agrees that all of the statements and allegations in the Information are true and correct.

AHI acknowledges AHI has had all of its rights explained to it. AHI expressly recognizes that, as a corporation, AHI may have the following constitutional rights and by voluntarily pleading guilty AHI knowingly waives and gives up these valuable constitutional rights:

The right to plead not guilty and persist in that plea.
The right to a speedy and public jury trial.
The right to assistance of counsel at that trial and in any subsequent appeal.
The right to remain silent at trial.
The right to testify at trial.
The right to confront and cross-examine witnesses.
The right to present evidence and witnesses.

The right to compulsory process of the court.
The right to compel the attendance of witnesses at trial.
The right to be presumed innocent.
The right to a unanimous guilty verdict.
The right to appeal a guilty verdict.

AHI is pleading guilty as described above because AHI is in fact guilty and because AHI believes it is in its best interest to do so and not because of any threats or promises, other than the terms of this Plea Agreement, described herein, in exchange for its plea of guilty. AHI agrees all of the matters set forth in the Information are true and correct.

AHI understands the plea is being entered in accordance with Fed. R. Crim. P. 11(c)(1)(C).

2. SENTENCING PROVISIONS

The parties agree the 2018 version of the United States Sentencing Commission Guidelines Manual ("U.S.S.G.") is the appropriate Guidelines Manual to utilize. According to U.S.S.G. § 8C2.1, the organizational fine provisions do not apply to the count of conviction in this case, which is a misdemeanor under 21 U.S.C. § 333(a)(1).

The parties agree and stipulate:

a. the fine shall be $5,000,000 (five million dollars);
b. AHI shall pay $1,000,000 (one million dollars) to the Virginia Department of Health Professions ("DHP") in recognition of direct assistance provided by DHP to the United States during the investigation;
c. AHI shall forfeit $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars); and
d. AHI shall serve a term of probation of one to three years, as determined by the Court.

The Court will determine what terms and length of probation are appropriate and the parties will be free to argue for which terms and length of probation they believe are appropriate. AHI understands and agrees if its probation is revoked, it may be resentenced and a total aggregate fine up to the statutory maximum may be imposed.

The parties agree if the Court refuses to accept this Plea Agreement with the agreed-upon sentence, AHI will be free to withdraw its guilty plea. In the event the Court refuses to accept this Plea Agreement and AHI withdraws its guilty plea within ten days of being notified of the Court's refusal, nothing in this Plea Agreement shall be deemed a waiver of the provisions of Federal Rule of Evidence ("Fed. R. Evid.") 410. Under these circumstances, the United States will move to dismiss the Information without prejudice and the United States may file any charges it could have filed in the absence of the plea agreement. AHI agrees to toll the statute of limitations between the date of the plea and the filing of any such charges.

3. FINANCIAL OBLIGATIONS

AHI agrees and understands any of the money paid pursuant to this Plea Agreement will be returned if, and only if, the Court refuses to accept this Plea Agreement with the agreed-upon sentence and, as a result, AHI withdraws its guilty plea. If the Court rejects this Plea Agreement and AHI withdraws its guilty plea, the United States will return all money paid by AHI, without

interest, not more than thirty (30) days after AHI withdraws its guilty plea and notifies the United States Attorney's Office for the Western District of Virginia ("USAO"), in writing, it wishes to have the money returned.

In addition, in accordance with 18 U.S.C. § 3572(d)(3), AHI will notify the Court of any material change in AHI's economic circumstances that might affect AHI's ability to pay any amounts payable under this Plea Agreement.

a. Payments

Within 7 days of the entry of AHI's guilty plea, AHI will make the following disbursements:

(1) $125 (one hundred twenty-five dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the special assessment.

(2) $5,000,000 (five million dollars) to the Clerk, U.S. District Court, Abingdon, Virginia, as payment of the fine;

(3) $1,000,000 (one million dollars) to the Virginia Department of Health Professions. These funds must be remitted in the form of certified funds made payable to the "Treasurer of Virginia." The comment section of the check should note "DHP-Enforcement" in recognition of direct assistance provided to the United States during the investigation; and

(4) $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) made payable to the United States Marshals Service, as directed by the USAO as payment of a forfeiture money judgment.

b. Forfeiture

AHI agrees to the entry of a forfeiture money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency ("Forfeiture Money Judgment") pursuant to 21 U.S.C. §§ 334 and 853(p), and 28 U.S.C. § 2461(c). AHI agrees that the value of the quantities of prescription drugs which were misbranded in violation of 21 U.S.C. § 331(a) totaled at least $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in United States currency.

AHI acknowledges and agrees the quantities of the drugs which were misbranded in violation of 21 U.S.C. § 331(a) cannot be located upon exercise of due diligence, or have been transferred or sold to, or deposited with, a third party, placed beyond the jurisdiction of the Court, substantially diminished in value, or commingled with other property which cannot be divided without difficulty. Accordingly, AHI agrees the government is entitled to forfeit as substitute assets any other assets of AHI up to the value of the now missing directly forfeitable assets, pursuant to

21 U.S.C. § 853(p). Payment in full of the Forfeiture Money Judgment shall satisfy any and all forfeiture obligations that AHI may have as a result of this guilty plea. AHI consents to the entry of an Order of Forfeiture pursuant to Rule 32.2 of the Federal Rules of Criminal Procedure forfeiting the above-referenced Forfeiture Money Judgment.

AHI agrees to sign any documentation necessary and to cooperate fully with the United States to accomplish the forfeiture. AHI agrees to forfeit all interest in these funds and to take whatever steps are necessary to pass clear title of these funds to the United States.

AHI agrees not to file a claim in any forfeiture proceeding or to contest, in any manner, the forfeiture of said assets. AHI agrees not to file or interpose any claim or to assist others to file or interpose any claim to any property against which the government seeks to execute the Forfeiture Money Judgement in any administrative or judicial proceeding.

AHI understands and agrees forfeiture of this property is proportionate to the degree and nature of the offense. AHI freely and knowingly waives any and all constitutional and statutory challenges to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including, but not limited to, that the forfeiture constitutes an excessive fine or punishment. AHI further understands and agrees this forfeiture is separate and distinct from, and is not in the nature of, or in lieu of, any monetary penalty or other monetary judgment that may be imposed by the court.

c. Restitution

The parties agree and stipulate, pursuant to 18 U.S.C. § 3663(a)(1)(B)(ii), that no restitution will be ordered.

4. ADDITIONAL OBLIGATIONS

Unless the Court rejects this Plea Agreement and, as a result, AHI withdraws its plea, AHI agrees to: (1) accept responsibility for its conduct; (2) not attempt to withdraw its guilty plea; (3) not deny it committed the crime to which it has pled guilty; (4) comply with any reasonable request of the United States Attorney's Office and (5) not make or adopt any arguments or objections to the presentence investigation report that are inconsistent with this Plea Agreement.

Neither AHI, nor its corporate parent (Patterson Companies, Inc. ["Patterson"]), will (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If Patterson or AHI makes a public statement that in whole or in part contradicts any such statement or provision, AHI may avoid being in violation of this Plea Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by Patterson's and AHI's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) Patterson or AHI websites. Notwithstanding the above, Patterson and AHI may avail themselves of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by

any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

5. WAIVER OF RIGHT TO APPEAL AND COLLATERALLY ATTACK THE JUDGMENT AND SENTENCE IMPOSED BY THE COURT

If the Court accepts this Plea Agreement, AHI agrees AHI will not appeal the conviction or sentence imposed. AHI is knowingly and voluntarily waiving any right to appeal and is voluntarily willing to rely on the Court in sentencing it, pursuant to the terms of Fed. R. Crim. P. 11(c)(1)(C). AHI expressly waives its right to appeal as to any and all issues in this matter and waives any right it may have to collaterally attack, in any future proceeding, any order issued in this matter, unless such appeal or collateral attack cannot be waived, by law. AHI understands the United States expressly reserves all of its rights to appeal, but if the United States initiates a direct appeal of the sentence imposed, AHI may file a cross appeal of that same sentence. AHI agrees and understands if it files any court document (except for an appeal or collateral attack based on an issue that cannot be waived, by law) seeking to disturb, in any way, any order imposed in the case such action shall constitute a failure to comply with a provision of this Plea Agreement.

6. INFORMATION ACCESS WAIVER

AHI agrees to waive all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a. However, if a third party obtains any records pertaining to the investigation or prosecution of this case under the Freedom of Information Act, AHI shall have the right to request copies of such disclosed records.

7. ADMISSIBILITY OF STATEMENTS

AHI understands any statements made on its behalf (including, but not limited to, this Plea Agreement and its admission of guilt) during or in preparation for any guilty plea hearing, sentencing hearing, or other hearing and any statements made, in any setting, may be used against AHI by the United States in this or any other proceeding. AHI knowingly waives any right it may have under the Constitution, any statute, rule or other source of law to have such statements, or evidence derived from such statements, suppressed or excluded from being admitted into evidence in this or any other proceeding. If, and only if, the Court rejects this Plea Agreement, and, as a result, AHI withdraws its plea, AHI will not be bound by the waivers set forth in this section of the Plea Agreement.

8. COMPLETION OF PROSECUTION

Pursuant to Fed. R. Crim. P. 11(c)(1)(A), so long as AHI complies with all of its obligations under this Plea Agreement, the United States agrees, other than the charge in the attached Information, it shall not further criminally prosecute AHI for any additional federal criminal

charges or forfeiture action with respect to any offenses set forth in the Information or Non-Prosecution Agreement with Patterson (Attached as Attachment B).

Nothing in this Plea Agreement affects the administrative, civil, criminal, or other tax liability of any entity or individual and this Plea Agreement does not bind the Internal Revenue Service of the Department of Treasury, the Tax Division of the United States Department of Justice, or any other government agency with respect to the resolution of any tax issue.

9. LIMITATION OF PLEA AGREEMENT

This Plea Agreement is limited to the United States Department of Justice and does not bind any other federal, state, or local authority.

10. COMPLIANCE AND REMEDIAL MEASURES

AHI agrees to comply with the Corporate Compliance Program Agreement attached hereto as Attachment C.

11. COOPERATION

AHI acknowledges that its ongoing and future cooperation is important and a material fact underlying the United States' decision to enter into this Plea Agreement. AHI agrees to continue to cooperate fully and actively with the United States regarding any matter, including, but not limited to, matters involving (a) current and former AHI personnel, and (b) other entities who operate in the same commercial segment as AHI and/or Patterson during the Term of the Non-Prosecution Agreement with Patterson, provided however that any cooperation in an ongoing investigation or prosecution shall continue until such investigation or prosecution is concluded.

Nothing in this Plea Agreement shall be construed to require Patterson or AHI to waive any attorney-client privilege or work-product protection.

12. REMEDIES FOR FAILURE TO COMPLY WITH ANY PROVISION OF THIS PLEA AGREEMENT

AHI understands if: (1) AHI attempts to withdraw its plea (in the absence of the Court refusing to accept this Plea Agreement); (2) AHI fails to comply with any provision of this Plea Agreement; (3) AHI's conviction is set aside, for any reason; and/or (4) AHI fails to execute all required paperwork prior to the imposition of judgment, the United States may, at its election, pursue any or all of the following remedies: (a) declare this Plea Agreement void; (b) file, by indictment or information, any charges which were filed and/or could have been filed concerning the matters involved in the instant investigation; (c) refuse to abide by any stipulations and/or recommendations contained in this Plea Agreement; (d) not be bound by any obligation of the United States set forth in this Plea Agreement, including, but not limited to, those obligations set forth in the section of this Plea Agreement titled "COMPLETION OF PROSECUTION;" and (e) take any other action provided for under this Plea Agreement or by statute, regulation or court rule.

The remedies set forth above are cumulative and not mutually exclusive. If the United States pursues any of its permissible remedies as set forth in this Plea Agreement, AHI will still be bound by its obligations under this Plea Agreement. AHI hereby waives its right under Fed. R. Crim. P. 7 to be proceeded against by indictment and consents to the filing of an information against it concerning any charges filed pursuant to this section of this Plea Agreement. AHI hereby waives any statute of limitations argument as to any such charges.

13. EFFECTIVE REPRESENTATION

AHI has discussed the terms of this Plea Agreement and all matters pertaining to the charges against it with its attorneys and is fully satisfied with its attorneys and its attorneys' advice. At this time, AHI has no dissatisfaction or complaint with its attorneys' representation. AHI agrees to make known to the Court no later than at the time of sentencing any dissatisfaction or complaint AHI may have with its attorneys' representation.

14. EFFECT OF AHI'S SIGNATURE

AHI understands its Authorized Corporate Officer's signature on this Plea Agreement constitutes a binding offer by it to enter into this Plea Agreement. AHI understands the United States has not accepted AHI's offer until the authorized representative of the United States has signed this Plea Agreement.

15. GENERAL UNDERSTANDINGS

AHI understands a presentence investigation will be conducted and sentencing recommendations independent of the USAO will be made by the presentence preparer.

AHI understands the United States and AHI retain the right, notwithstanding any provision in this Plea Agreement, to inform the probation office and the Court of all facts, to address the Court with respect to the nature and seriousness of the offense and the offender, to respond to any questions raised by the Court, to correct any inaccuracies or inadequacies in the presentence report, and to respond to any statements made to the Court.

AHI willingly stipulates there is a sufficient factual basis for the Court to accept the plea.

AHI understands this Plea Agreement does not apply to any crimes or charges not addressed in this Plea Agreement.

AHI has not been coerced, threatened, or promised anything other than the terms of this Plea Agreement, described above, in exchange for its plea of guilty. AHI understands its attorneys will be free to argue any mitigating factors on its behalf to the extent they are not inconsistent with the terms of this Plea Agreement. AHI understands AHI will have an opportunity to have a representative address the Court prior to sentence being imposed.

This writing, the Non-Prosecution Agreement with Patterson (attached as Attachment B), the Corporate Compliance Program Agreement (attached as Attachment C), and the Agreed Order of Forfeiture (attached as Attachment D) are the complete and only agreements between the United States and AHI concerning resolution of this matter. In addition, AHI has no objection to the filing of the Information.

The agreements and documents listed in this section set forth the entire understanding between the parties and constitute the complete agreement between the United States Attorney for the Western District of Virginia and AHI and no other additional terms or agreements shall be entered except and unless those other terms or agreements are in writing and signed by the parties. These agreements supersede all prior understandings, promises, agreements, or conditions, if any, between the United States and AHI. AHI consents to public disclosure of all of the agreements and other documents referenced in this section.

AHI has consulted with its attorneys and fully understands its rights. AHI has read this Plea Agreement and carefully reviewed every part of it with its attorneys. AHI understands this Plea Agreement and AHI voluntarily agrees to it. Being aware of all of the possible consequences of its plea, AHI has independently decided to enter this plea of its own free will and is affirming that agreement on this date by the signature of its Authorized Corporate Officer ("Officer") below.

The Officer, by signing below, hereby certifies to the following:

(1) The Officer is fully authorized to enter into this Plea Agreement on behalf of AHI;

(2) The Officer has read the entire Plea Agreement and documents referenced herein and discussed them with AHI's Board of Directors;

(3) AHI understands all the terms of this Plea Agreement and those terms correctly reflect the results of plea negotiations;

(4) AHI is fully satisfied with AHI's attorneys' representation during all phases of this case;

(5) AHI is freely and voluntarily pleading guilty in this case;

(6) AHI is pleading guilty as set forth in this Plea Agreement because it is guilty of the crime to which it is entering its plea; and

(7) AHI understands it is waiving its right to appeal the judgment and conviction in this case.

AHI acknowledges its acceptance of this Plea Agreement by the signature of its counsel and Officer. A copy of a certification by AHI's Board of Directors authorizing the Officer to execute this Plea Agreement and all other documents to resolve this matter on behalf of AHI is attached as Attachment A.

Counsel has fully explained to the Board of Directors of AHI the facts and circumstances of the case; all rights with respect to the offense charged in the Information; possible defenses to the offense charged in the Information; all rights with respect to the applicability of the Sentencing Guidelines; and the consequences of entering into this Plea Agreement and entering a guilty plea. Counsel has reviewed this entire Plea Agreement and documents referenced herein with the client, through its Officer. AHI understands the terms and conditions of this Plea Agreement, and AHI's decision to enter into this Plea Agreement is knowing and voluntary. AHI's execution of and entry into the Plea Agreement is done with Counsel's consent.

INFORMATION

INTRODUCTION

1. Defendant Animal Health International, Inc. ("AHI") is a Colorado corporation with its principal place of business in Colorado. AHI is comprised of two legacy organizations, Lextron, Inc. ("Lextron") and Walco International, Inc. ("Walco"). In June 2011, Lextron acquired all outstanding stock of the parent company of Walco and changed its name to AHI. Walco continued operations as a subsidiary of AHI until December 2011 when Animal Health Holdings, Inc. and each of its wholly-owned subsidiaries, including Walco, were merged with and into AHI and no longer had separate corporate existences. AHI, and its predecessor entities, dispense, distribute and sell, among other products, veterinary prescription drugs to customers in the production animal industry across the United States. Specifically, AHI obtains prescription drugs for production animals from manufacturers for further distribution to veterinarians, farms, feedlots, and other distribution facilities.

2. The Food and Drug Administration ("FDA") of the United States Department of Health and Human Services regulates the distribution and labeling of all drugs, including animal drugs, shipped or received in interstate commerce through enforcement of the Federal Food, Drug, and Cosmetic Act. 21 U.S.C § 301, *et seq.* ("FDCA"). Veterinary prescription drugs are drugs intended for use by animals that, because of their toxicity or other potentiality for harmful

effect, or the method of their use, or the collateral measures necessary for their use, are not safe for animal use except under the professional supervision of a licensed veterinarian. 21 U.S.C. § 353(f)(1)(A).

3. Under the FDCA, a drug is misbranded if, among other things, its labeling does not bear "adequate directions for use." 21 U.S.C. § 352(f)(1). Adequate directions for use is defined as "directions under which the *layman* can use a drug safely and for the purposes for which it is intended." 21 C.F.R. § 201.5 (emphasis added). Prescription veterinary drugs by definition can only safely be used under the professional supervision of a licensed veterinarian and therefore they must qualify for an exemption to this requirement in order to move in interstate commerce. These exemptions are set out in 21 C.F.R. Part 201, Subpart D ("Exemptions from Adequate Directions for Use").

4. Veterinary prescription drugs are exempt from the requirement that their labeling contain adequate directions for use if they meet all enumerated conditions, including that they be distributed through a closed supply chain in which every entity that possesses a prescription drug must have legal authorization to do so. *See* 21 C.F.R. § 201.105 (a)(1) (a veterinary prescription drug must be in the possession of: a person lawfully engaged in the manufacture, transportation, storage or wholesale distribution of drugs; a retail pharmacy or other person authorized under state law to dispense veterinary prescription drugs; or a licensed veterinarian for use in the course of his professional practice). Moreover, the veterinary prescription drug must be dispensed in accordance with 21 U.S.C. § 353(f), i.e., pursuant to a lawful order of a licensed veterinarian in the course of the veterinarian's professional practice. 21 U.S.C. § 353(f)(1) & 21 C.F.R. § 201.105 (a)(2).

5. The FDCA's restrictions on veterinary prescription drugs are not primarily to protect animals from the potential harms of prescription drugs, but are to protect the human food supply from unsafe drug residues in the edible tissues of animals sold for slaughter. Common causes of illegal residues include: (1) exceeding the drug's approved dose; (2) using a shorter withdrawal period than what is stated on the drug's label (if a higher than approved dose is given, the labeled withdrawal period may not be enough to allow the drug in the edible tissues to deplete to levels that are at or below the tolerance); (3) using a drug in an extra-label manner (for indications and dosages outside the approved labeling) without a veterinarian's involvement; (4) giving a drug not approved for that species; and (5) using an unapproved route of administration. Drug residues in the nation's drug supply are concerning because: (1) they may contribute to antibiotic resistance in the human population, rendering human drugs less effective to treat human disease and contributing to the mutations of "superbugs"; and (2) they may cause allergic reactions in individuals with certain drug allergies.

6. Certain legacy customers of AHI, namely Marlin Webb and Billy K. Groce, were not properly licensed to receive, transport, store, distribute, or dispense veterinary prescription drugs in the Commonwealth of Virginia from January 2012 through April 2015.

7. Webb was the store manager of a cooperative in Hillsville, Virginia. The cooperative was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Webb operated a side business from the cooperative's location in which he illegally circumvented the FDA's regulation of veterinary prescription drugs by illegally obtaining from Billy K. Groce and AHI and reselling veterinary prescription drugs using unlawful prescriptions written by a veterinarian who was licensed in Tennessee but who was not properly licensed to

practice veterinary medicine in Virginia and who did not have a veterinarian-patient relationship with the animals in question. That veterinarian died in 2015.

8. Groce was neither a licensed wholesaler, a licensed pharmacy, nor a licensed veterinary clinic. Groce operated an unlicensed veterinary prescription drug distribution business. Groce worked with the same veterinarian as did Webb.

9. Webb and Groce obtained veterinary prescription drugs from AHI in interstate commerce without valid prescriptions, and, on many occasions, with no prescription at all.

10. On April 29, 2015, the government executed search warrants at locations in Virginia and Tennessee associated with Groce and Webb. In 2016 and 2017, respectively, Groce and Webb pled guilty to illegally conspiring to defraud the FDA by obtaining and distributing veterinary prescription drugs from July 2009 through April 29, 2015 in a manner that circumvented the FDA's regulation of veterinary prescription drugs.

11. Groce and Webb were legacy customers of, among others, Lextron and Walco, and continued to be customers after the companies merged to form AHI in 2012 until May 2015. Neither Lextron, Walco, nor AHI performed adequate customer diligence processes, nor adequately trained sales representatives to raise questions regarding Groce's, Webb's or the veterinarian's activities in Virginia and Tennessee. For example, Groce operated a business that stored and distributed veterinary prescription drugs out of a storefront called "Goin' Postal" and his personal residence. Neither of those locations resembled a veterinarian establishment and should have raised questions for sales representatives who personally visited them. After learning of search warrants executed on each of the customers' locations, AHI took some steps to block the sale of veterinary prescription drugs to these customers on May 4, 2015.

12. Furthermore, between January 2012 and May 2015, AHI did not maintain the proper licenses to ship from its Memphis, Tennessee, facility into Virginia or from its Wolcott, Indiana, facility into Virginia or Tennessee, but, despite this deficiency, shipped products from those locations to Virginia and Tennessee.

13. All veterinary prescription drugs distributed by AHI to Groce and Webb were misbranded because, neither recipient was licensed to possess or distribute veterinary prescription drugs, and the prescribing veterinarian was not properly licensed to practice veterinary medicine in Virginia and consequently none of the drugs he caused to be dispensed were prescribed pursuant to lawful orders.

14. From the illegal shipments to and on behalf of Groce and Webb, AHI received $7,427,928 (seven million four hundred twenty-seven thousand nine hundred twenty-eight dollars) and made a profit of $558,309 (five hundred fifty-eight thousand three hundred nine dollars) by unlawfully distributing veterinary prescription drugs to or on behalf of Groce and Webb.

15. From 2012 through on or about 2018, AHI caused additional misbranded veterinary prescription drug shipments to be made throughout the United States by distributing veterinary prescription drugs from its wholesale locations directly to end users in states where such shipments were illegal and, in some instances, by shipping veterinary prescription drugs to locations in states in which AHI did not have legal authority to make such shipments. AHI obtained not less than $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) from such shipments. Its profits from such shipments were a small percentage of the amount received.

COUNT ONE

Introduction of Misbranded Drugs into Interstate Commerce
21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1)

The United States Attorney charges that:

16. The Information is realleged and incorporated by reference into this Count.

17. From about January 2012 to April 2015, in the Western District of Virginia, Animal Health Incorporated ("AHI") introduced and delivered for introduction, and caused the introduction and delivery for introduction, into interstate commerce, of veterinary prescription drugs that were misbranded in that the drugs' labeling did not bear adequate directions for the use of such drugs.

18. The offense conduct included, but was not limited to, the following:

a. AHI distributed veterinary prescription drugs directly to Billy K. Groce and Marlin Webb, notwithstanding that neither Groce nor Webb was legally authorized to possess or distribute the drugs; and

b. AHI distributed veterinary prescription drugs to customers of Billy K. Groce and Marlin Webb without a lawful prescription having been issued for those drugs.

19. Since these veterinary prescription drugs were not lawfully distributed or prescribed, they failed to qualify for the exemption from the requirement that they bear labeling containing adequate directions for lay use. All in violation of Title 21, United States Code, Sections 331(a), 333(a)(1), and 352(f)(1).

NOTICE OF FORFEITURE

20. Upon conviction of the offense alleged in this Information, AHI shall forfeit to the United States veterinary prescription drugs that were misbranded or became misbranded as a result of AHI's conduct, pursuant to 21 U.S.C. § 334 and 28 U.S.C. § 2461.

21. Because the above-described forfeitable property has been transferred and sold to third parties and cannot be located upon the exercise of due diligence, the United States intends to seek forfeiture of $46,802,203 pursuant to 21 U.S.C. § 853(p).

NON-PROSECUTION AGREEMENT

1. The United States Attorney's Office for the Western District of Virginia ("USAO-WDVA") and Patterson Companies, Inc. ("Patterson"), and any and all current and former affiliated entities including, but not limited to, Animal Health International, Inc. ("AHI") (collectively referred to as the "Company") enter into this Non-Prosecution Agreement ("Agreement") to resolve the investigation by the USAO-WDVA of the Company related to possible violations of federal laws relating to the licensing, dispensing, distribution, or sale of veterinary prescription drugs.

2. This Agreement, in conjunction with the Plea Agreement with AHI ("Plea Agreement"), resolves all of the Company's potential federal criminal liability for the offenses covered herein and in the Plea Agreement.

3. The USAO-WDVA enters into this Agreement based on the individual circumstances presented by this case including:

a. Patterson's cooperation with the USAO-WDVA investigation since June 2018, and AHI's subsequent cooperation under the direction of Patterson, as well as the Company's continued cooperation under the direction of the Special Investigation Committee of the Board of Directors of Patterson ("SIC") which was formed in April 2019. Since 2018, the Company has conducted a thorough and robust internal investigation; proactively brought information to the USAO-WDVA's attention, remediated noncompliant activity and implemented control enhancements, including certain licensing, dispensing, distribution and related sales practices company-wide; made factual presentations to the USAO-WDVA; timely and fully produced all requested documents; entered into agreements tolling relevant statutes of limitations; and collected, analyzed, and organized voluminous data and information for the USAO-WDVA.

b. Patterson's voluntary disclosure to the USAO-WDVA of non-compliant licensing, dispensing, distribution, and sales at AHI and Patterson beyond AHI's conduct set forth in the Information and Plea Agreement, and its timely efforts to remediate non-compliant activity and enhance controls and processes to mitigate against future reoccurrence. The additional non-compliant activity involved wholesale distribution of veterinary prescription drugs: (i) without verifying the continued validity of all practitioners' licenses in the receiving state; (ii) without verifying that an alternate location requested by the customer was authorized by state law to receive veterinary prescription drugs; (iii) without verifying that veterinarians licensed in Virginia were also associated with a veterinary establishment registered with the Virginia Board of Veterinary Medicine, (iv) without valid licensure to ship to the state to which the drugs were shipped, and/or (v) to end users in states where drop shipments by wholesalers to end users is not allowed. The additional non-compliant activity was due to prior weaknesses and inconsistencies among AHI and Patterson regulatory functions and processes, as well as system challenges presented by the Company's enterprise resource planning implementation. The Company has since taken extensive

proactive steps to enhance its regulatory function, capabilities and support to guide the business and other control functions on regulatory compliance matters. It has also enhanced its regulatory system controls to address the issues disclosed in the investigation and to verify that veterinary prescription drugs are shipped from facilities with required state licenses and to customers and locations authorized by state law to receive veterinary prescription drugs. Consistent with its approach to the USAO-WDVA, Patterson also disclosed the pending federal investigation to state regulators in all 50 states and continues to engage with state regulators, as appropriate, on matters related to the USAO-WDVA investigation.

c. The Company's enhanced regulatory compliance processes and commitment to implement a compliance program that meets the minimum elements set forth in Attachment C to the Plea Agreement ("Corporate Compliance Program Agreement").

d. The Company's agreement to comply with the terms of the Agreement and Plea Agreement.

e. AHI's admission to and the Company's agreement with the facts and allegations set forth in the Plea Agreement.

f. Although the investigation did not involve controlled substances, the Company's recognition that diversion of controlled substances, including drugs of the type that are prescribed and dispensed by veterinarians, such as buprenorphine and hydrocodone, should be a concern of all distributors and dispensers of those drugs and the Company's ongoing commitment to be proactive in deterring diversion and identifying and notifying authorities of suspicious ordering.

4. The Company agrees it will not take any tax deduction or seek or accept directly or indirectly reimbursement or indemnification from any source for any payments made pursuant to the Plea Agreement.

5. No money paid by the Company will be returned, and the Company expressly agrees to release any and all claims it may have to the money. The Company will not file any claim or otherwise contest the payment of money set forth in this Plea Agreement, and it will not assist anyone in asserting a claim to the money.

6. Nothing in this Agreement or any related documents is an admission by the United States that the amounts paid by the Company are the maximum amounts that could be recovered from the Company in the absence of an accepted plea agreement. If the Company does not comply with all of its obligations under this Agreement, the United States is not precluded from arguing or presenting evidence that the total amount to be paid by the Company should be higher.

7. The Company's obligations under this Agreement shall have a term of 42 months from the date on which the Agreement is executed (the "Term").

8. During the Term, the Company will fully cooperate with the USAO-WDVA.

9. During the Term, the Company shall undertake and abide by the terms of the Corporate Compliance Program Agreement in Attachment C to the Plea Agreement.

10. If the Company complies with all of the terms of this Agreement and the Plea Agreement, the USAO-WDVA will not prosecute the Company for any criminal conduct occurring prior to the entering of this agreement concerning:

a. The subject matter of the Information to which AHI is pleading guilty; or

b. Facts disclosed by the Company to the USAO prior to entering this agreement related to the Company's licensing, dispensing, distribution, or sale of veterinary prescription drugs.

11. However, if the USAO-WDVA, in its sole discretion, determines the Company (a) provided deliberately false, incomplete, or misleading information at any time in connection with this Agreement or (b) violated any provision of this Agreement, then the USAO-WDVA will not be bound to their agreement not to prosecute the Company for the matters covered in paragraph 10. Should the USAO-WDVA determine that the Company has violated any provision of this Agreement, the USAO-WDVA shall provide prompt written notice to the Company addressed to its General Counsel, and to its outside counsel, Amy Conway-Hatcher, Baker Botts LLP, 1299 Pennsylvania Avenue NW, Washington, DC, or to any successor the Company may designate, of the alleged violation and provide the Company with a 45 (forty-five) day period from the date of receipt of notice in which to make a presentation to the USAO-WDVA to demonstrate that no violation occurred, or, to the extent applicable, that the violation should not result in adverse action, including because the violation has been cured by the Company. In the event of a violation, the Company will not assert any claim under the United States Constitution, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other rule or law, that any statements or testimony made by or on behalf of the Company prior or subsequent to this Agreement, or any leads derived therefrom, should be suppressed or are otherwise inadmissible in any proceeding brought by the Department of Justice. If, as a result of a violation, the United States charges the Company, the Company hereby waives any statute of limitations defense for any offense not time-barred by the applicable statute of limitations on the date this Agreement is signed, including time protected as the result of existing agreements to toll the applicable statute of limitations.

12. The Company will not, through its present or future directors, officers, employees, agents, (1) make any public statement or (2) make any statement or take any position in litigation in which any United States department or agency is a party, contradicting any statement or provision set forth in the Plea Agreement or its attachments. If the Company makes a public statement that in whole or in part contradicts any such statement or provision, the Company may avoid being in violation of this Agreement by promptly publicly repudiating such statement. For the purposes of this paragraph, the term "public statement" means any statement made or authorized by the Company's directors, officers, employees, or attorneys and includes, but is not limited to, a statement in (1) a press release, (2) public relations material, or (3) the Company's

websites. Notwithstanding the above, the Company may avail itself of any legal or factual arguments available (1) in defending litigation brought by a party other than the United States or (2) in any inquiry, complaint, notice of violation, investigation or proceeding brought by a state entity or by the United States Congress. This paragraph does not apply to any statement made by any individual in the course of any actual or contemplated criminal, regulatory, administrative, or civil case initiated by any governmental or private party against such individual.

13. The terms of this Agreement bind the USAO-WDVA and other divisions of the Department of Justice (collectively referred to as the "United States"), except that they do not bind the Tax Division of the Department of Justice or any state, local, or foreign law enforcement or regulatory agencies, or any other authorities. The USAO-WDVA will bring the cooperation of the Company and its compliance with its other obligations under this Agreement to the attention of such agencies and authorities if requested to do so by the Company.

14. The Company and the United States may disclose this Agreement and any other documents used to effectuate the objectives of this Agreement to the public.

15. Nothing in this Agreement resolves, in any way, any liability of any individual.

16. This Agreement and the Plea Agreement set forth all the terms of the agreement between the Company and the USAO-WDVA. No amendments, modifications, or additions to this Agreement will be valid unless they are in writing signed by the USAO-WDVA, the attorneys for the Company, and a duly authorized representative of the Company.

The Company acknowledges its acceptance of this Agreement by the signature of its counsel and Officer. A copy of a resolution by the Company's Board of Directors authorizing the Officer to execute this Agreement and all other documents to resolve this matter on behalf of the Company is attached as Addendum 1.

EXHIBIT A

RESOLUTION OF THE
BOARD OF DIRECTORS
OF
PATTERSON COMPANIES, INC.

NON-PROSECUTION AGREEMENT

WHEREAS, the Company, together with outside counsel reporting to the Special Investigation Committee of the Board ("SIC Counsel"), has been in discussions with the U.S. Attorney's Office for the Western District of Virginia ("USAO-WDVA") to resolve its investigation into Animal Health International, Inc. by, among other things, having the Company enter into a Non-Prosecution Agreement (the "Agreement");

WHEREAS, SIC Counsel has advised the Board of the terms of the Agreement and the consequences of entering into the Agreement; and

WHEREAS, the Board has determined that it is in the best interest of the Company to enter into the Agreement.

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby approves the Agreement and authorizes any executive officer of the Company (the "Authorized Officers") and SIC Counsel to execute and deliver the Agreement on behalf of the Company, with such changes thereto as the Authorized Officers may approve, such approval to be conclusively evidenced by the execution of the changed Agreement.

RESOLVED FURTHER, that the Authorized Officers and SIC Counsel are hereby authorized and directed to execute and deliver all other documents necessary to carry out the provisions of the Agreement.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to acknowledge on behalf of the Company that the Agreement and related documents fully set forth the agreement made between the Company and the USAO-WDVA, and that no additional promises or representations have been made to the Company by any officials of the USAO-WDVA in connection with the Agreement and related documents, other than those set forth in therein.

RESOLVED FURTHER, that each Authorized Officer is hereby authorized and directed to make any payments required in connection with the Agreement.

RESOLVED FURTHER, that each Authorized Officer is authorized and empowered, in the name and on behalf of the Company, to make all such arrangements, to do and perform all such acts and things, and to execute and deliver all such documents, certificates and instruments as they may deem appropriate in order to effectuate fully the purpose of the foregoing resolutions, and that any actions taken heretofore and hereafter to accomplish such purposes be, and they hereby are approved, ratified and confirmed.

CERTIFICATE OF SECRETARY

I, Les B. Korsh, herby certify that I am now, and at all times mentioned herein have been, the duly elected, qualified, and acting Secretary of **PATTERSON COMPANIES, INC.**, a Minnesota corporation (the "Corporation") and, as such officer, I have access to the records of the Company, which records of the Company reflect that:

1. RESOLUTIONS. Attached hereto as **Exhibit A** is a true and correct copy of resolutions that have been duly adopted by the Board of Directors of the Corporation on February 4, 2020, in compliance with, and not in contravention of, the articles of organization and bylaws of the Corporation; none of such resolutions have been repealed or modified in any respect, and all of such resolutions are in full force and effect on and as of the date hereof, and constitute the only action taken by the Board of Directors of the Corporation with respect to the subject matter hereof.

IN WITNESS WHEREOF, I duly executed this Certificate this 10th day of February, 2020.

Les B. Korsh
Secretary of Patterson Companies, Inc.

CORPORATE COMPLIANCE PROGRAM AGREEMENT

The following Patterson Companies, Inc. ("Patterson" or the "Company") Corporate Compliance Program Agreement ("Corporate Compliance Program Agreement") has been prepared pursuant to the Non-Prosecution Agreement dated this same date between Patterson and the United States Attorney's Office for the Western District of Virginia ("USAO-WDVA"). Compliance with all the terms and standards of the Corporate Compliance Program Agreement is a condition of the Non-Prosecution Agreement and shall continue for the Term of the Non-Prosecution Agreement ("Term").

Applicability and Purpose

1. This Corporate Compliance Program Agreement shall be incorporated into the Non-Prosecution Agreement by reference, and compliance with the terms of the Corporate Compliance Program Agreement will be a condition of the Non-Prosecution Agreement. The USAO-WDVA acknowledges that the Company has already implemented many of these terms as of the date of the resolution.

2. Any proposed modifications to this Corporate Compliance Program Agreement must be made in writing and signed by the Company and the designated signatory for the USAO-WDVA.

3. The Corporate Compliance Program Agreement does not in any way release the Company from complying with any applicable federal or state statutes and/or regulations, and does not limit the imposition of any sanctions, penalties or any other actions available under those state or federal statutes and regulations.

The Corporate Compliance Program Agreement

4. The Company and the USAO-WDVA agree that the Company shall undertake the following voluntary compliance measures. The Corporate Compliance Program Agreement does and will continue to contain policies and procedures designed to prevent, detect, and correct violations of federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the Food, Drug, and Cosmetic Act ("FDCA"), 21 U.S.C. § 301 *et seq.* and FDA requirements. These policies and procedures shall be designed to ensure that the Company complies with, among other things, the FDCA's prohibitions against causing the introduction into interstate commerce of a drug that is misbranded or otherwise violates the FDCA.

5. *Compliance Officer.* Prior to the effective date of the Non-Prosecution Agreement, the Company established the position of Chief Compliance Officer ("Compliance Officer") and appointed an individual to serve in the role on an interim basis until such time as the Company can fill the role on a permanent basis. The Company shall maintain a Compliance Officer for the Term. During the Term, the Compliance Officer shall be authorized to oversee compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA, FDA requirements, and the requirements of the Corporate

Compliance Program Agreement. The Compliance Officer is, and shall continue to be, responsible for developing and implementing policies, procedures and practices designed to address compliance with the requirements set forth in this Corporate Compliance Program Agreement, with federal and state statutes and/or regulations concerning federal prescription drug distribution and FDA requirements. The Compliance Officer shall be a member of senior management of the Company, and shall report directly to the Chief Executive Officer of the Company. The Compliance Officer shall make periodic (at least quarterly) reports regarding compliance matters directly to the Patterson Company's Board of Directors (hereinafter the "Board") or any authorized committee thereof, and shall be authorized to report on such matters to the Board at any time. The Compliance Officer shall not be subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by the Company as well as for any obligations created under the Corporate Compliance Program Agreement. Any non-compliance job responsibilities of the Compliance Officer must not interfere with the Compliance Officer's ability to perform the duties outlined in the Corporate Compliance Program Agreement.

6. *Compliance Committee.* Prior to the effective date of the Non-Prosecution Agreement, the Company formed a Compliance Committee (hereafter "Compliance Committee") which, in conjunction with the Compliance Officer, assists in the implementation and enhancement of the compliance program. The Company shall maintain the Compliance Committee for the Term. The Compliance Committee shall include, at a minimum, the Compliance Officer and other members of senior management necessary to meet the requirements of the Corporate Compliance Program Agreement (e.g., senior executives of relevant departments, such as legal, regulatory, audit, human resources, and operations.) The Compliance Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of the Company's risk areas and shall oversee monitoring of internal and external compliance-related audits and investigations). The Compliance Committee shall meet at least quarterly.

7. *Board of Directors Compliance Obligations.* Prior to the effective date of the Non-Prosecution Agreement, the Board formed a committee responsible for overseeing the Company's compliance program ("Board Committee"). The Company shall maintain the Board Committee for the Term. The Board Committee shall consist of no less than three (3) non-employee directors, including at least one (1) member of the Special Investigation Committee formed in response to the USAO-WDVA investigation for a minimum of twelve (12) months from the date of this Non-Prosecution Agreement. The Board Committee shall oversee the Company's compliance program, including at a minimum:

a. the Company's obligations under the Corporate Compliance Program Agreement

b. receiving updates about adoption and implementation of policies, procedures and practices designed to ensure compliance with the FDCA and FDA requirements, and

c. evaluating the effectiveness of the compliance program.

8. The Company shall continue to evaluate its current business to ensure that it is not currently receiving, distributing or handling misbranded or unapproved federal prescription drugs. Should the Company find it is receiving, distributing, or handling misbranded or unapproved federal prescription drugs, it shall take necessary steps to remediate any such conduct.

9. The Company shall continue to enhance its current training program to ensure that pertinent employees are familiar with the requirements of the FDCA and FDA requirements that could potentially apply to the Company's conduct.

10. The Company will put in place processes to (a) encourage employees to report suspected non-compliant activities by the Company, customers, or others and to (b) acknowledge or otherwise recognize employees for reporting confirmed non-compliant activity, as appropriate.

11. The Company will maintain, or as necessary establish, policies and procedures designed to ensure effective investigation of any complaints and/or potential deficiencies relating to compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution, including but not limited to the FDCA and FDA requirements. Such policies and procedures shall include, but are not limited to:

a. Training and providing guidance to all pertinent employees as to the requirement to report all information regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to the Compliance Officer, who in turn will review and determine whether corrective actions are required; and

b. Tracking allegations and remediation action plans regarding potential non-compliance with federal and state statutes and/or regulations concerning federal prescription drug distribution or FDA requirements to identify issues that may require corrective actions.

12. Within 60 days of the end of the Company's fiscal year, the Company's Chief Executive Officer will certify, under oath, to (a) the United States Attorney's Office during the Term and (b) the United States Probation Office for any period during which Animal Health International, Inc. is on probation, that (1) the Company fully complied with all federal laws and regulations pursuant to the Food, Drug, and Cosmetic Act ("FDCA") in the preceding year (or, in the instance of the first such certification, the period from execution of the Non-Prosecution Agreement through the end of the Company's fiscal year 2020), or in the alternative, (2) list all non-compliant activity and the steps taken by the company to remedy such non-compliant activity. Any listing of non-compliant activity shall not be considered by the government or the Probation Officer as a per se violation of the terms of probation or the Non-Prosecution Agreement. Instead, other factors will be taken into account, including whether the conduct violated policies the Company has adopted, whether the Company provided training addressing the subject matter of the reported conduct, whether it was an isolated or systemic occurrence, the Company's response, and any remedial actions taken after the Company learned of the conduct reported.

Non-Compliance

13. The Corporate Compliance Program Agreement is part of the Non-Prosecution Agreement and adherence to it will be an enforceable condition. Deliberate, intentional or knowing failure to comply with any part of the Corporate Compliance Program Agreement is a violation of the Non-Prosecution Agreement.

WESTERN DISTRICT OF VIRGINIA
ABINGDON

UNITED STATES OF AMERICA	)	
	)	Criminal No.
v.	)	
	)	
ANIMAL HEALTH INTERNATIONAL, INC.	)	

AGREED ORDER OF FORFEITURE

IT IS HEREBY ORDERED THAT:

A. Pursuant to Rule 32.2(b)(1)(A) of the Federal Rules of Criminal Procedure, the evidence of record and the guilty plea to Count One of the Information, misbranding a drug, in violation of 21 U.S.C. §§ 331(a), 333(a)(1), and 352(f)(1), the defendant shall forfeit to the United States quantities of prescription veterinary drugs that were misbranded when introduced into interstate commerce and/or when being held for sale in interstate commerce, pursuant to 21 U.S. C. § 334 and 28 U.S.C. § 2461.

B. Pursuant to the defendant's plea agreement, because the above-described forfeitable property, as a result of the defendant's acts, has been transferred or sold to third parties and cannot be located upon the exercise of due diligence, a money judgment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) is hereby entered against the defendant as a substitute asset pursuant to 21 U.S.C. § 853(p).

C. On or before 7 days from the date of entry of a guilty plea, the defendant will voluntarily remit payment in the amount of $46,802,203 (forty-six million eight hundred two thousand two hundred three dollars) in satisfaction of the money judgment by remitting certified funds made payable to the U.S. Marshals Service, Asset Forfeiture Unit, 247 Federal Building, 210 Franklin Road, S.W., Roanoke, Virginia 24011.

D. As payments are voluntarily being remitted to the United States, notice and publication are not required.

E. The Court shall retain jurisdiction to enforce this Order, and to amend it as necessary, pursuant to Fed. R. Crim. P. 32.2(e).

F. Pursuant to Fed. R. Crim. P. 32.2(b)(4), this Order of Forfeiture shall become final as to the defendant upon entry, and shall be made a part of the sentence and included in the judgment.

ENTERED THIS _____ DAY OF _____, 2020.

Animal Health International, Inc. (AHI) Disclosure Statement

a. On March 4, 2013, Animal Health International, Inc.'s (AHI) Mayo, Florida Veterinary Prescription Drug Wholesale Distributor license was disciplined by the Florida Department of Business and Professional Regulation (DBPR) related to allegations that AHI failed to report a change of ownership to the DBPR in a timely manner. AHI and the DBRP reached a settlement agreement and a fine, and AHI paid $41,250.

b. On April 18, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Visalia, California Veterinary Food- Animal Drug Retailer license for an alleged failure to affix labels to a product dispensed in California. AHI paid a fine of $500.

c. On June 18, 2013, the Missouri Division of Professional Regulation issued a drug distributor license to Animal Health International, Inc.'s (AHI) Salina, Kansas facility. The license was issued subject to probation due to allegations that this entity distributed legend drugs in Missouri without being licensed to do so. On June 17, 2015, the probation was terminated.

d. On August 30, 2013, the California Board of Pharmacy cited Animal Health International, Inc.'s (AHI) Ceres, California Veterinary Food Animal Drug Retailer license for alleged violations of allowing a non-pharmacist to receive an oral order from a veterinarian, furnishing medications without a valid prescription, and failing to comply with labeling requirements. AHI paid a fine of $3,500. Two AHI employees were also cited and fined a total of $3,000.

e. On March 13, 2017, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama Board of Pharmacy in which AHI agreed to pay a fine of $1,000 following allegations that AHI's Manchester, Iowa pharmacy had violated Alabama law by being disciplined by the Arkansas Board of Pharmacy. AHI had entered into a non-disciplinary agreement with the Arkansas Board of Pharmacy following allegations that it had not notified the Arkansas Board of a change of ownership in a timely manner and paid a non-disciplinary fine of $2,500 to the Arkansas Board. The Alabama Board made no misconduct allegations beyond the conduct in Arkansas, which led to the non-disciplinary order and fine.

f. In March 2017, the Colorado Board of Pharmacy issued a letter of admonishment to Animal Health International, Inc.'s (AHI) Greeley, Colorado wholesale distributor license following allegations that it failed to timely submit an application detailing a change in designated representative. AHI was required to pay the costs associated with the Board's order.

g. On February 14, 2020, Animal Health International, Inc. (AHI) entered a plea of guilty for introducing into interstate commerce misbranded veterinary prescription drugs to persons who were not licensed to possess or distribute veterinary prescription drugs on the order of a veterinarian who was not properly licensed in Virginia. AHI Paid a fine of $5,000,000.

h. On July 20, 2020, Animal Health International, Inc. (AHI) in Boaz, AL entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an

administrative fine of $2,000. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The facility in Boaz, Alabama facility, subject to discipline was AHI's Boaz, Alabama, wholesale drug distributor license.

i. On July 20, 2020, Animal Health International, Inc. (AHI) entered into an agreement with the Alabama State Board of Pharmacy, in which AHI agreed to pay an administrative fine of $2,500. This agreement was related to the Alabama Board's investigation following AHI's criminal conviction in the United States District Court for the Western District of Virginia and did not involve new conduct. The specific facility subject to discipline was AHI's Springdale, Arkansas, wholesale drugdistributor license.

j. On December 15, 2022, Animal Health International, Inc. (AHI) entered into an agreement with the Florida State Board of Pharmacy in which AHI agreed to pay an administrative fine of $3,500 against the Wolcott, IN pharmacy license. This agreement was related to the Florida Board's investigation following AHI's criminal conviction on February 14, 2020, in the United States District Court for the Western District of Virginia and did not involve new conduct.

k. On December 31, 2024, Animal Health International's Sioux Center, Iowa Wholesale Distributor facility entered into a Consent Order with the Illinois Department of Financial and Professional Regulation in which the facility's Illinois Wholesale Distributor license was reprimanded and fined $10,000. This action was based entirely on the Department of Justice case against AHI related to distribution activities predating current ownership. The Federal case was reported to State Boards during the investigation in July 2019 and again in February 2020 once the case was resolved.

l. On January 9, 2025, Animal Health International's ("AHI") Ceres, California Wholesale Distributor Facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 6 days in 2016, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

m. On January 9, 2025, Animal Health International's ("AHI") Roanoke, Texas Wholesale Distributor facility entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 165 days in 2014, the facility distributed prescription drugs into Oregon without an active wholesale distributor license. Pursuant to the Consent Order, AHI is required to pay a civil

penalty in the amount of $10,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. The activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice cases were reported to the appropriate state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

n. On January 9, 2025, Animal Health International's ("AHI") Twin Falls, Idaho pharmacy entered into a Consent Order with the Oregon Board of Pharmacy to resolve allegations that for approximately 3 days in 2016, the pharmacy dispensed prescriptions into Oregon without an active pharmacy license. Pursuant to the Consent Order, AHI is required to pay a civil penalty in the amount of $3,000. However, payment of the civil penalty is stayed for one year on the condition that AHI does not commit any similar violations. Please note that the activity at issue occurred shortly after AHI's current owners acquired the business in June 2015 and was included within the scope of the conduct considered by the Department of Justice in its case against AHI related to distribution activities that predated the current ownership. The Department of Justice case was reported to the state boards during the investigation in July 2019 and again in February 2020 once the case was resolved. A copy of the Oregon Consent Order is enclosed. Note also that the new owners addressed all licensure issues of the previous owner, and the licensure gaps were fully addressed by the end of 2016.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. KO9121055

Application/License No. _____

Animal Health International (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 8711 West Doe Avenue, Visalia, CA 93291 (Address of Applicant/Principal), as PRINCIPAL, and Westchester Fire Insurance Company (Surety Company), a corporation organized under the laws of the state of Pennsylvania (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 436 Walnut Street, Philadelphia, PA 19106 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on September 1, 2015 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this **24th** day of **August**, 20**15**.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. PR2761224

Application/License No. _____

API EXPEDITORS LLC (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 40 SW 13TH ST STE 201 MIAMI, FL 33130 (Address of Applicant/Principal), as PRINCIPAL, and PLATTE RIVER INSURANCE COMPANY (Surety Company), a corporation organized under the laws of the state of NEBRASKA (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is PO BOX 5900 MADISON, WI 53705 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on MAY 6, 2025 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 13TH day of MAY, 2025.

Provide explanation below:

On November 6, 2024, a charge of disorderly conduct in the State of Rhode Island was resolved through a nolo contendere plea and placed on file pursuant to Rhode Island General Laws § 12-10-12(a). This was a non-domestic matter. After meeting all statutory conditions, the record was formally expunged under § 12-10-12(c) by court order. The expungement order sealed the record from public view, and there is no resulting conviction.

Reason/Charge				
Disorderly Conduct				
Plaintiff/Defendant/Claimant/Respondent		**Lawsuit/Arbitration/Bankruptcy**		
State of Rhode Island				
Name of Business/Industry/Entity				

Provide explanation below:

On November 6, 2024, a charge of disorderly conduct in the State of Rhode Island was resolved through a nolo contendere plea and placed on file pursuant to Rhode Island General Laws § 12-10-12(a). This was a non-domestic matter. After meeting all statutory conditions, the record was formally expunged under § 12-10-12(c) by court order. The expungement order sealed the record from public view, and there is no resulting conviction.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 15th day of May, 2025.

CAPITOL INDEMNITY CORPORATION
POWER OF ATTORNEY

CIC1962408
Bond Number

KNOW ALL MEN BY THESE PRESENTS, That the **CAPITOL INDEMNITY CORPORATION,** a corporation of the State of Wisconsin, having its principal offices in the City of Middleton, Wisconsin, does make, constitute and appoint

----------MICHAEL NESCHKE----------

its true and lawful Attorney(s)-in-fact, to make, execute, seal and deliver for and on its behalf, as surety, and as its act and deed, any and all bonds, undertakings and contracts of suretyship, provided that no bond or undertaking or contract of suretyship executed under this authority shall exceed in amount the sum of

---------- ALL WRITTEN INSTRUMENTS IN AN AMOUNT NOT TO EXCEED $20,000,000.00 ----------

This Power of Attorney is granted and is signed and sealed by facsimile under and by the authority of the following Resolution adopted by the Board of Directors of **CAPITOL INDEMNITY CORPORATION** at a meeting duly called and held on the 15th day of May, 2002.

"**RESOLVED**, that the President, Executive Vice President, Vice President, Secretary or Treasurer, acting individually or otherwise, be and they hereby are granted the power and authorization to appoint by a Power of Attorney for the purposes only of executing and attesting bonds and undertakings, and other writings obligatory in the nature thereof, one or more resident vice-presidents, assistant secretaries and attorney(s)-in-fact, each appointee to have the powers and duties usual to such offices to the business of this company; the signature of such officers and seal of the Company may be affixed to any such power of attorney or to any certificate relating thereto by facsimile, and any such power of attorney or certificate bearing such facsimile signatures or facsimile seal shall be valid and binding upon the Company, and any such power so executed and certified by facsimile signatures and facsimile seal shall be valid and binding upon the Company in the future with respect to any bond or undertaking or other writing obligatory in the nature thereof to which it is attached. Any such appointment may be revoked, for cause, or without cause, by any of said officers, at any time."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner – Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

IN WITNESS WHEREOF, the **CAPITOL INDEMNITY CORPORATION** has caused these presents to be signed by its officer undersigned and its corporate seal to be hereto affixed duly attested, this 1st day of September, 2022.

INSPECTOR'S COMMENTS:

This distributor is located inside of a 3PL warehouse. 3PL company is Eekay Logistics formally Zeek Logistics which ships medical and dental supplies. Prescription medications are received directly from the manufactures and only distributed to dentist offices. No controlled medications at this location. Prescriptions are shipped through UPS and do not require overnight shipping. No refrigerated medications in stock. Electric shredder on site that is used to shred HIPPA and PHI documents.

Reviewed the prescription and quarantine areas; prescriptions are traced by lot numbers. The facility uses FIFO with in stock products. The room has security key pad to enter with motion detector and door sensor. The room is climate controlled. There are currently 6 prescription drugs on hand at the time of inspection.

Reviewed SOPs: 1.0-Back-up & Recovery; 2.0-Counterfiet or Misbranded Product Reporting; 3.0-Distribution Hold; 4.0-Drug Recalls; 5.0-Drug Rejection, Destruction or Disposal; 6.0-Good Documentation Practices; 7.0-Inventory Control; 8.0-Inventory Management; 9.0-Preventative Pest Control Program; 10.0-Product Returns; 11.0-Record Retention; 12.0-Reprocessing; 15.0-Emergency Plan; 18.0-Inventory disposal form.

During invoice review, prescriptions are being shipped into Ohio, Florida, New York and New Jersey. Ohio license was obtained and is current. Please ensure before shipping into another state that a license is required. Please provide the Board of Pharmacy with that information.

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE IN-STATE WHOLESALER REGISTRATION IN THE STATE OF COLORADO OF MEDTRONIC LOGISTICS, LLC, REGISTRATION NO. WHI 6007,

Respondent Outlet.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Medtronic Logistics, LLC ("Respondent Outlet") to resolve all matters pertaining to Board Case Number 2017-3679, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Outlet, its registration as an in-state wholesaler, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2017).

2. Respondent Outlet was originally registered in the State of Colorado on or about December 7, 2006, being issued registration number WHI 6007, and has been so registered at all times relevant to this disciplinary action.

3. Respondent Outlet's address of record with the Board and current location is 18501 Plaza Dr., Parker, CO 80134.

4. Respondent Outlet admits these findings and hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. Respondent Outlet failed to timely submit an application to the Board detailing a change in designated representative and fee. In this case, thirteen (13) months transpired between May 31, 2016, date the previous designated representative ceased the position, and June 27, 2017, the date the application and fee were received.

6. Respondent Outlet was required to report a change of designated representative to the Board within thirty (30) days of such change.

7. Respondent Outlet's conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board Regulations:

Colorado Revised Statutes

12-42.5-123. Unprofessional conduct - grounds for discipline.

(1) The board may suspend, revoke, refuse to renew, or otherwise discipline any license or registration issued by it, after a hearing held in accordance with the provisions of this section, upon proof that the licensee or registrant:

(c) Has violated:

(II) The lawful rules of the board;

(k) Has failed to meet generally accepted standards of pharmacy practice.

12-42.5-303. Wholesaler license requirements.

(5) The designated representative of an applicant for a wholesaler license shall:

(i) Update all of the information required in this part 3 whenever changes occur.

Pharmacy Board Rules and Regulations

15.01.11 Minimum required information for registration.

b. Changes in any information in section 15.01.11 shall be submitted to the Board within thirty calendar days thereof.

15.01.14 Change of name, location, or ownership, or designated representative.

c. Any change in the designated representative of a wholesaler shall be reported to the Board on a form supplied by the Board within thirty calendar days of such change. The incoming designated representative must undergo the required background check.

TERMS OF DISCIPLINE

8. Fine with Surcharge. Pursuant to §12-42.5-124(5)(a)(I), C.R.S., Respondent Outlet shall pay a fine of One Thousand Dollars and No Cents ($1,000.00). Respondent Outlet understands and acknowledges that, pursuant to §24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies shall

impose an additional surcharge of 15% of this fine. Respondent Outlet shall therefore pay a total amount of One Thousand One Hundred Fifty Dollars and No Cents ($1,150.00). The total amount shall be payable to the State of Colorado and shall be remitted in one (1) lump sum to be included when Respondent Outlet submits this signed Final Agency Order to the Board. Respondent Outlet shall write its registration number (WHI 6007) and the case number (2017-3679) on the check.

9. Compliance. Respondent Outlet shall submit all future applications and appropriate fees to the Board detailing changes in designated representative within the required time frame specified by Board rule or statute in effect at the time of such designated representative change.

10. Other Requirements. Respondent Outlet acknowledges and agrees that, as a condition of this Final Agency Order, Respondent Outlet shall:

a. promptly pay all Respondent Outlet's own fees and costs associated with this Final Agency Order;

b. comply fully with this Final Agency Order; and

c. comply fully with the Pharmacists, Pharmacy Businesses and Pharmaceuticals Act, all Board rules and regulations, and any other state and federal laws and regulations related to pharmacists and pharmaceuticals in the State of Colorado.

11. Advisements and Waivers. Through its undersigned Authorized Representative, Respondent Outlet enters into this Final Agency Order freely and voluntarily, after having the opportunity to consult with legal counsel and/or choosing not to do so. Respondent Outlet acknowledges its understanding that it has the following rights:

a. to have formal notice of hearing and charges served upon it;

b. to respond to said formal notice of charges.

c. to have a formal disciplinary hearing pursuant to §§12-42.5-123 and 12-42.5-124, C.R.S.; and

d. to appeal this Final Agency Order.

Respondent Outlet freely waives these rights, and acknowledges that such waiver is made voluntarily in consideration for the Board's limiting the action taken against Respondent Outlet to the sanctions imposed herein.

12. Acknowledgments. The undersigned Authorized Representative of Respondent Outlet has read this Final Agency Order in its entirety and acknowledges, after having the opportunity to consult with legal counsel and/or choosing not to do so, that Respondent Outlet understands the legal consequences and agrees that none

of the terms or conditions herein is unconscionable. Respondent Outlet is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Outlet further acknowledges that it is not entering into this Final Agency Order under any duress.

13. Violations. Time is of the essence in this Final Agency Order. It is the responsibility of Respondent Outlet to take all appropriate steps to comply fully with this Final Agency Order. Respondent Outlet acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under §12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of Respondent Outlet's registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Outlet to comply with all terms and conditions of this Final Agency Order.

14. Completion of Terms. Upon satisfactory completion of all terms and conditions set forth in this Final Agency Order, the Board shall release Respondent Outlet from the Final Agency Order, and Respondent Outlet's registration will be restored to active and unencumbered status.

15. Integration and Severability. Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

16. Public Record. Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.

17. Board Order. This Final Agency Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative

18. Effective Date. This Final Agency Order shall become effective upon (a) mailing by first-class mail to Respondent Outlet at Respondent Outlet's address of record with the Board, or (b) service by electronic means on Respondent Outlet at Respondent Outlet's electronic address of record with the Board. Respondent Outlet hereby consents to service by electronic means if Respondent Outlet has an electronic address on file with the Board.

MEDTRONIC LOGISTICS LLC	)	CONSENT AGREEMENT
	)	
Case No. 2021-PHA-17242	)	

PARTIES

This document is a Consent Agreement regarding the pending application of Medtronic Logistics LLC, for the renewal of its pharmaceutical wholesaler license. The parties to this Consent Agreement are: Medtronic Logistics LLC ("Medtronic"), the Maine Board of Pharmacy ("the Board"), and the Office of the Maine Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

STATEMENT OF FACTS

1. Since February 27, 2013, Medtronic has been licensed in Maine as a pharmaceutical wholesaler with a registered location of 18501 Plaza Drive, Parker, Colorado (license number WH70002083).

2. On April 3, 2018, the Colorado State Board of Pharmacy imposed discipline against Medtronic's Colorado registration (WHI 6007) pursuant to a Stipulation and Final Agency Order in Case No. 2017-3679.

3. Medtronic failed to report the Colorado discipline to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

4. On December 12, 2018, the Board received Medtronic's renewal application.

5. On that application, Medtronic responded "No" to the following question: "Since your last renewal, has any jurisdiction taken disciplinary action against any professional license you hold (except this license) or have held or denied your application for licensure?"

6. The Board accordingly renewed Medtronic's pharmaceutical wholesaler license.

7. On June 19, 2019, the Alabama State Board of Pharmacy imposed discipline against Medtronic's Alabama permit (194466) pursuant to a Consent Order in Case No.19-L-0013.

8. Medtronic failed to report the Alabama discipline to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

9. On July 18, 2019, Medtronic reported to the Board for the first time that the Alabama State Board of Pharmacy had disciplined its permit.

10. On February 3, 2020, Medtronic reported to the Board for the first time that the Colorado State Board of Pharmacy had disciplined its registration.

11. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C), the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to report a license disciplinary action to the Board within 10 days of that action.

12. At its meeting on January 7, 2021, the Board reviewed the above information and voted to preliminarily deny Medtronic's application for renewal of its license to be a pharmaceutical wholesaler. In lieu of the denial, the Board also voted to offer Medtronic this Consent Agreement. Unless Medtronic either requests, in writing, a hearing regarding the appeal of the preliminary denial within thirty (30) days of receipt of the Notice of Preliminary Denial, or accepts this Consent Agreement by signing and dating it and returning it to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, ME

04333-0035, by **July 12, 2021,** the preliminary denial of Medtronic's application for licensure as a pharmaceutical wholesaler will become final.

COVENANTS

13. Medtronic admits to the facts above and admits that such conduct constitutes grounds for denial of or refusal to renew its license and for the imposition of discipline as follows:

a. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C) for failing to report disciplinary action taken against a license in another jurisdiction within 10 days after the action was taken; and

b. Pursuant to 10 M.R.S. § 8003(5-A)(A)(1), for making a misrepresentation to the Board on its December 12, 2018 application for renewal of licensure.

14. As discipline for the violation admitted to in paragraph 13 above, Medtronic agrees to accept the following DISCIPLINARY ACTION:

a) A REPRIMAND; and

b) A CIVIL PENALTY in the amount of two thousand dollars ($2,000.00), which penalty is comprised of $1,500.00 for misrepresentation on its application and $500.00 for failing to report discipline within 10 days, payment of which shall be made payable to the "Treasurer, State of Maine" and delivered to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035, and must be submitted with the signed Consent Agreement.

15. Upon receipt of this signed Consent Agreement with the enclosed payment of the civil penalty from Medtronic, the Board will renew Medtronic's license contingent upon it meeting all other eligibility criteria.

16. Violation of any of the terms or conditions of this Consent Agreement by Medtronic shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

17. The Board and Medtronic agree that no further agency action will be initiated against its license by the Board based upon the specific violations admitted to herein, except or unless Medtronic fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct if other allegations are brought against Medtronic, and this Consent Agreement will be admitted into evidence in any future adjudicatory hearing involving Medtronic. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining appropriate discipline in any further complaints against Medtronic.

18. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

19. The Board and the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

REMARKS: On 4/3/2025, the Division received notification of a change in Designated Representative (DR) from the above facility. The previous DR on the submitted form was one that had not been reported to the Division. Upon investigation it was discovered that the previous DR, who associated with the company on 1/19/2021, in Division records left the company in 2/2023, with the previous DR on the submitted form starting in 2/2023. This means that the above facility failed to report the change in DR 762 days outside of the 30-day reporting window.

Hi Kay,

Arthur Ave. rolls up under the campus of: FDA Registration # 1000517638, 200 Medtronic Dr., Lafayette CO.

In January 2023 they moved from 826 Coal Creek, Louisville CO to a new building in Lafayette. Previously Arthur Ave. rolled up under the 826 Coal Creek address and establishment registration, we have just carried that same structure over for the new Lafayette address since this facility is actually closer to Arthur Ave. than 826 Coal Creek was and still meets the FDAs proximity requirements for a campus.

Does this help?

Thanks Jennifer, for the explanation.

Here's my problem with Maryland..... 1480 Arthur St, Louisville CO has been licensed in Maryland since 2012. The state now requires proof of FDA registration to renew the license. When I search the FDA medical device manufacturer website, I only find 2 sites in Colorado registered with the FDA. Neither is for Arthur St.

FDA Registration # 1000517638 is related to 200 Medtronic Dr., Lafayette CO. I need to be able to explain how this registration is related to 1480 Arthur St, Louisville CO.

Hi Kay,

1480 Arthur St, Louisville CO 80027: This is for **Mfg & Distribution** supporting Medtronic OUs: **CST, ENT, and NM.** Half of the inventory is already at Airways and we will move the rest in June. It will remain open as a Mfg after that but I believe they want to keep their DC Licensing to assist in Quarter Ends in the future.
1000517638 – Medtronic Navigation, Inc.

200 Medtronic Dr, Lafayette CO 80026: This is a new site I am told. And it is for **Covidien** – 1717344 & 3026612481.

I would consider these separate registrations due to separate businesses operating there. Not sure if that helps.

Hello,

I need help understanding the FDA registration for Louisville CO so I can explain it to state Boards of Pharmacy, particularly Maryland.

The site I have been licensing has a street address 1480 Arthur St, Louisville CO 80027

Besides the Parker CO FDA registration, the only other FDA registration I find online in CO has the street address listed as 200 Medtronic Dr, Lafayette CO 80026.

Do these 2 sites fall under the same FDA similar to the one for Swinnea Rd and Airways Blvd?

Memo to File

Author: Kay Knox

Date: May 24, 2024

Subject: Colorado Medical Device Manufacturer license not required.

To whom it may concern,

Medtronic has reviewed Colorado regulations and has determined licensure is not required for manufacture of medical devices within this state.

12-280-103. Definitions - rules

(13) "Device" means an instrument, apparatus, implement, machine, contrivance, implant, or similar or related article that is required under federal law to bear the label, "Caution: federal law requires dispensing by or on the order of a physician." "Device" also includes any component part of, or accessory or attachment to, any such article, whether or not the component part, accessory, or attachment is separately so labeled..

(16) (a) "Drug" means: (I) Substances recognized as drugs in the official compendia; (II) Substances intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in individuals or animals;..... (b) "Drug" does not include devices or their components, parts, or accessories.

(27) "Manufacturer" or "manufacturing drug outlet" means a person who manufactures drugs and includes a resident 503B outsourcing facility.

12-280-109. Drugs, devices, and other materials. (1) The board is responsible for the control and regulation of drugs, including the following: (a) The regulation of the sale at retail and the ispensing of drugs; (b) The specification of minimum professional and technical equipment, environment, supplies, and procedures for the compounding or dispensing of medications and drugs; (c) The control of the purity and quality of drugs. (2) The board is responsible for the control and regulation of the sale of devices at retail; except that the board shall not regulate the sale of any disposable veterinary device. The board may also exempt from regulation veterinary devices: (a) That are regulated by the FDA; or (b) For which the board determines regulation is unnecessary.

The Medtronic facility located at 1480 Coal Creek, Louisville CO manufactures medical devices which do not contain prescription drugs in the device or device packaging. The facility is registered with the FDA (# 1723170, FEI # 1000517638).

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII - Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes Nathan J. Zangerle, Assistant Secretary to appoint such attorneys-infact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, of Liberty Mutual Insurance Company, The Ohio Casualty Insurance Company, and West American Insurance Company do hereby certify that this power of attorney executed by said Companies is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 26th day of November, 2024.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 190054165

Application/License No. _____

Medtronic USA Inc. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 5300 Airways Blvd., Memphis, TN 38116 (Address of Applicant/Principal), as PRINCIPAL, and Liberty Mutual Insurance Company (Surety Company), a corporation organized under the laws of the state of Massachusetts (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 175 Berkeley Street, Boston, MA 02116 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on October 5, 2023 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statue (NRS) 639.515 and Nevada Administrative Code (NAC) 639.5937 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $25,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 5th day of October, 2023.

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE IN-STATE WHOLESALER REGISTRATION IN THE STATE OF COLORADO OF MEDTRONIC LOGISTICS, LLC, REGISTRATION NO. WHI 6007,

Respondent Outlet.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Medtronic Logistics, LLC ("Respondent Outlet") to resolve all matters pertaining to Board Case Number 2017-3679, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Outlet, its registration as an in-state wholesaler, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2017).

2. Respondent Outlet was originally registered in the State of Colorado on or about December 7, 2006, being issued registration number WHI 6007, and has been so registered at all times relevant to this disciplinary action.

3. Respondent Outlet's address of record with the Board and current location is 18501 Plaza Dr., Parker, CO 80134.

4. Respondent Outlet admits these findings and hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. Respondent Outlet failed to timely submit an application to the Board detailing a change in designated representative and fee. In this case, thirteen (13) months transpired between May 31, 2016, date the previous designated representative ceased the position, and June 27, 2017, the date the application and fee were received.

6. Respondent Outlet was required to report a change of designated representative to the Board within thirty (30) days of such change.

7. Respondent Outlet's conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board Regulations:

Colorado Revised Statutes

12-42.5-123. Unprofessional conduct - grounds for discipline.

(1) The board may suspend, revoke, refuse to renew, or otherwise discipline any license or registration issued by it, after a hearing held in accordance with the provisions of this section, upon proof that the licensee or registrant:

(c) Has violated:

(II) The lawful rules of the board;

(k) Has failed to meet generally accepted standards of pharmacy practice.

12-42.5-303. Wholesaler license requirements.

(5) The designated representative of an applicant for a wholesaler license shall:

(i) Update all of the information required in this part 3 whenever changes occur.

Pharmacy Board Rules and Regulations

15.01.11 Minimum required information for registration.

b. Changes in any information in section 15.01.11 shall be submitted to the Board within thirty calendar days thereof.

15.01.14 Change of name, location, or ownership, or designated representative.

c. Any change in the designated representative of a wholesaler shall be reported to the Board on a form supplied by the Board within thirty calendar days of such change. The incoming designated representative must undergo the required background check.

TERMS OF DISCIPLINE

8. **Fine with Surcharge.** Pursuant to §12-42.5-124(5)(a)(I), C.R.S., Respondent Outlet shall pay a fine of One Thousand Dollars and No Cents ($1,000.00). Respondent Outlet understands and acknowledges that, pursuant to §24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies shall

impose an additional surcharge of 15% of this fine. Respondent Outlet shall therefore pay a total amount of One Thousand One Hundred Fifty Dollars and No Cents ($1,150.00). The total amount shall be payable to the State of Colorado and shall be remitted in one (1) lump sum to be included when Respondent Outlet submits this signed Final Agency Order to the Board. Respondent Outlet shall write its registration number (WHI 6007) and the case number (2017-3679) on the check.

9. **Compliance.** Respondent Outlet shall submit all future applications and appropriate fees to the Board detailing changes in designated representative within the required time frame specified by Board rule or statute in effect at the time of such designated representative change.

10. **Other Requirements.** Respondent Outlet acknowledges and agrees that, as a condition of this Final Agency Order, Respondent Outlet shall:

a. promptly pay all Respondent Outlet's own fees and costs associated with this Final Agency Order;

b. comply fully with this Final Agency Order; and

c. comply fully with the Pharmacists, Pharmacy Businesses and Pharmaceuticals Act, all Board rules and regulations, and any other state and federal laws and regulations related to pharmacists and pharmaceuticals in the State of Colorado.

11. **Advisements and Waivers.** Through its undersigned Authorized Representative, Respondent Outlet enters into this Final Agency Order freely and voluntarily, after having the opportunity to consult with legal counsel and/or choosing not to do so. Respondent Outlet acknowledges its understanding that it has the following rights:

a. to have formal notice of hearing and charges served upon it;

b. to respond to said formal notice of charges.

c. to have a formal disciplinary hearing pursuant to §§12-42.5-123 and 12-42.5-124, C.R.S.; and

d. to appeal this Final Agency Order.

Respondent Outlet freely waives these rights, and acknowledges that such waiver is made voluntarily in consideration for the Board's limiting the action taken against Respondent Outlet to the sanctions imposed herein.

12. **Acknowledgments.** The undersigned Authorized Representative of Respondent Outlet has read this Final Agency Order in its entirety and acknowledges, after having the opportunity to consult with legal counsel and/or choosing not to do so, that Respondent Outlet understands the legal consequences and agrees that none

of the terms or conditions herein is unconscionable. Respondent Outlet is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Outlet further acknowledges that it is not entering into this Final Agency Order under any duress.

13. **Violations.** Time is of the essence in this Final Agency Order. It is the responsibility of Respondent Outlet to take all appropriate steps to comply fully with this Final Agency Order. Respondent Outlet acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under §12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of Respondent Outlet's registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Outlet to comply with all terms and conditions of this Final Agency Order.

14. **Completion of Terms.** Upon satisfactory completion of all terms and conditions set forth in this Final Agency Order, the Board shall release Respondent Outlet from the Final Agency Order, and Respondent Outlet's registration will be restored to active and unencumbered status.

15. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

16. **Public Record**. Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.

17. **Board Order.** This Final Agency Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative

18. **Effective Date**. This Final Agency Order shall become effective upon (a) mailing by first-class mail to Respondent Outlet at Respondent Outlet's address of record with the Board, or (b) service by electronic means on Respondent Outlet at Respondent Outlet's electronic address of record with the Board. Respondent Outlet hereby consents to service by electronic means if Respondent Outlet has an electronic address on file with the Board.

CONSENT ORDER

THIS MATTER comes before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on a complaint against Medtronic Logistics LLC (hereinafter referred to as "Medtronic") which resulted in the filing of a Statement of Charges and Notice of Hearing ("Statement") alleging violations of the Alabama Pharmacy Practice Act. These allegations with particularity are set out in the Statement which is attached hereto as **Exhibit "A."**

Pursuant to Code of Alabama (1975) Section 41-22-12(f) the parties have agreed to informally resolve this matter by the entry of this Consent Order the terms of which are as follows:

1. The Board finds that Medtronic violated the applicable provisions based upon the conduct set out in each and every Count of the Statement.

2. Medtronic shall pay to the Board an administrative fine in the amount of Two Thousand dollars ($2,000.00) within thirty (30) days of the effective date of this Order which is the date it is executed on behalf of the Board. This obligation of payment to the Board shall not be dischargeable in bankruptcy and Medtronic shall not attempt to discharge the same in any bankruptcy proceeding.

3. That Medtronic expressly waives its rights pursuant to the Alabama Pharmacy Practice Act, the Alabama Administrative Procedures Act and the Alabama Uniform Controlled Substances Act, including but not limited to the Code of Alabama

BOARD OF PHARMACY

IN RE:	)	
	)	
MEDTRONIC LOGISTICS LLC	)	CONSENT AGREEMENT
	)	
Case No. 2021-PHA-17242	)	

PARTIES

This document is a Consent Agreement regarding the pending application of Medtronic Logistics LLC, for the renewal of its pharmaceutical wholesaler license. The parties to this Consent Agreement are: Medtronic Logistics LLC ("Medtronic"), the Maine Board of Pharmacy ("the Board"), and the Office of the Maine Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

STATEMENT OF FACTS

1. Since February 27, 2013, Medtronic has been licensed in Maine as a pharmaceutical wholesaler with a registered location of 18501 Plaza Drive, Parker, Colorado (license number **WH70002083).**

2. On April 3, 2018, the Colorado State Board of Pharmacy imposed discipline against Medtronic's Colorado registration (WHI 6007) pursuant to a Stipulation and Final Agency Order in Case No. 2017-3679.

3. Medtronic failed to report the Colorado discipline to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

4. On December 12, 2018, the Board received Medtronic's renewal application.

5. On that application, Medtronic responded "No" to the following question: "Since your last renewal, has any jurisdiction taken disciplinary action against any professional license you hold (except this license) or have held or denied your application for licensure?"

6. The Board accordingly renewed Medtronic's pharmaceutical wholesaler license.

7. On June 19, 2019, the Alabama State Board of Pharmacy imposed discipline against Medtronic's Alabama permit (194466) pursuant to a Consent Order in Case No.19-L-0013.

8. Medtronic failed to report the Alabama discipline to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

9. On July 18, 2019, Medtronic reported to the Board for the first time that the Alabama State Board of Pharmacy had disciplined its permit.

10. On February 3, 2020, Medtronic reported to the Board for the first time that the Colorado State Board of Pharmacy had disciplined its registration.

11. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C), the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to report a license disciplinary action to the Board within 10 days of that action.

12. At its meeting on January 7, 2021, the Board reviewed the above information and voted to preliminarily deny Medtronic's application for renewal of its license to be a pharmaceutical wholesaler. In lieu of the denial, the Board also voted to offer Medtronic this Consent Agreement. Unless Medtronic either requests, in writing, a hearing regarding the appeal of the preliminary denial within thirty (30) days of receipt of the Notice of Preliminary Denial, or accepts this Consent Agreement by signing and dating it and returning it to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, ME

04333-0035, by **July 12, 2021,** the preliminary denial of Medtronic's application for licensure as a pharmaceutical wholesaler will become final.

COVENANTS

13. Medtronic admits to the facts above and admits that such conduct constitutes grounds for denial of or refusal to renew its license and for the imposition of discipline as follows:

a. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C) for failing to report disciplinary action taken against a license in another jurisdiction within 10 days after the action was taken; and

b. Pursuant to 10 M.R.S. § 8003(5-A)(A)(1), for making a misrepresentation to the Board on its December 12, 2018 application for renewal of licensure.

14. As discipline for the violation admitted to in paragraph 13 above, Medtronic agrees to accept the following DISCIPLINARY ACTION:

a) A REPRIMAND; and

b) A CIVIL PENALTY in the amount of two thousand dollars ($2,000.00), which penalty is comprised of $1,500.00 for misrepresentation on its application and $500.00 for failing to report discipline within 10 days, payment of which shall be made payable to the "Treasurer, State of Maine" and delivered to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035, and must be submitted with the signed Consent Agreement.

15. Upon receipt of this signed Consent Agreement with the enclosed payment of the civil penalty from Medtronic, the Board will renew Medtronic's license contingent upon it meeting all other eligibility criteria.

16. Violation of any of the terms or conditions of this Consent Agreement by Medtronic shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

17. The Board and Medtronic agree that no further agency action will be initiated against its license by the Board based upon the specific violations admitted to herein, except or unless Medtronic fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct if other allegations are brought against Medtronic, and this Consent Agreement will be admitted into evidence in any future adjudicatory hearing involving Medtronic. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining appropriate discipline in any further complaints against Medtronic.

18. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

19. The Board and the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

20. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

21. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

22. Medtronic acknowledges by its duly authorized representative's signature hereto that it has had an opportunity to consult with an attorney before executing this Consent Agreement, that it executes this Consent Agreement voluntarily, and that it agrees to abide by all terms and conditions set forth herein.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII - Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes Nathan J. Zangerle, Assistant Secretary to appoint such attorneys-infact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechenically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, of Liberty Mutual Insurance Company, The Ohio Casualty Insurance Company, and West American Insurance Company do hereby certify that this power of attorney executed by said Companies is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 26th day of November, 2024.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 190054165

Application/License No. _____

Medtronic USA Inc. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 5300 Airways Blvd., Memphis, TN 38116 (Address of Applicant/Principal), as PRINCIPAL, and Liberty Mutual Insurance Company (Surety Company), a corporation organized under the laws of the state of Massachusetts (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 175 Berkeley Street, Boston, MA 02116 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on October 5, 2023 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statue (NRS) 639.515 and Nevada Administrative Code (NAC) 639.5937 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $25,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 5th day of October, 2023.

Due to the sudden departure of Medtronic's licensing specialist, CEVA Logistics US, Inc. assumed responsibility for management of Medtronic licenses in July 2023. As part of the due diligence in this project, CEVA reviewed all state license verification sites to determine the extent of Medtronic licenses and to identify reportable disciplinary sanctions against the company. The below listed actions were revealed.

In an effort to establish and maintain an open dialogue, we are reporting the below actions.

Medtronic Logistics LLC has experienced the below disciplinary actions:

- Case # 2017-3679 (Colorado) CLS Stipulation and fine ($1150) , Medtronic Logistics LLC, Parker CO, Lic # WHI.0006007
    - Failure to report change of designated representative for 13 months when required to do so within 30 days.
- Case # 19-L-0013 (Alabama) Consent Order with administrative fine $2000, Medtronic Logistics LLC, Parker CO, Lic # 194466
    - CO Case # 2017-3679 CLS Stipulation issued
    - Failure to disclose the Colorado case # 2017-3679 when renewing the 2019-2020 application.
- Case # 2021-PHA-17242 (Maine) Consent Agreement with reprimand and civil penalty $2000 issued to Medtronic Logistics LLC, Parker CO, Lic # WH70002083
    - Failure to report the Colorado case # 2017-3679 within 10 days of final disposition.
    - Failure to report the Colorado case # 2017-3679 on the Maine 2019-2020 renewal application
    - Failure to report the Alabama Case # 19-L-0013 to Maine within 10 days as required by 10 MRS 8003-G(2)(C)

After the original disciplinary action was implemented, Medtronic implemented processes to ensure states were notified as required when a change of designated representatives occurred. Medtronic recently initiated a contractual agreement with CEVA Logistics US, Inc. (CEVA) to assume management responsibility of Medtronic licenses. CEVA follows established procedures to perform continued regulatory review of state regulations pertaining to manufacture and distribution of medical devices.

CEVA procedures and training documents may be provided upon request.

BEFORE THE STATE BOARD OF PHARMACY

STATE OF COLORADO

Case No. 2017-3679

STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE IN-STATE WHOLESALER REGISTRATION IN THE STATE OF COLORADO OF MEDTRONIC LOGISTICS, LLC, REGISTRATION NO. WHI 6007,

Respondent Outlet.

IT IS HEREBY STIPULATED AND AGREED by and between the Colorado State Board of Pharmacy ("Board") and Medtronic Logistics, LLC ("Respondent Outlet") to resolve all matters pertaining to Board Case Number 2017-3679, as follows:

FINDINGS AND CONCLUSIONS

1. The Board has jurisdiction over Respondent Outlet, its registration as an in-state wholesaler, and the subject matter of this Stipulation and Final Agency Order ("Final Agency Order") pursuant to the Pharmacists, Pharmacy Businesses, and Pharmaceuticals Act at Title 12, Article 42.5, C.R.S. (2017).

2. Respondent Outlet was originally registered in the State of Colorado on or about December 7, 2006, being issued registration number WHI 6007, and has been so registered at all times relevant to this disciplinary action.

3. Respondent Outlet's address of record with the Board and current location is 18501 Plaza Dr., Parker, CO 80134.

4. Respondent Outlet admits these findings and hereby waives any further proof in this proceeding before the Board regarding the following facts.

5. Respondent Outlet failed to timely submit an application to the Board detailing a change in designated representative and fee. In this case, thirteen (13) months transpired between May 31, 2016, date the previous designated representative ceased the position, and June 27, 2017, the date the application and fee were received.

6. Respondent Outlet was required to report a change of designated representative to the Board within thirty (30) days of such change.

7. Respondent Outlet's conduct, as set forth above, constitutes violations of the following sections of the Colorado Revised Statutes and Board Regulations:

Colorado Revised Statutes

12-42.5-123. Unprofessional conduct - grounds for discipline.

(1) The board may suspend, revoke, refuse to renew, or otherwise discipline any license or registration issued by it, after a hearing held in accordance with the provisions of this section, upon proof that the licensee or registrant:

(c) Has violated:

(II) The lawful rules of the board;

(k) Has failed to meet generally accepted standards of pharmacy practice.

12-42.5-303. Wholesaler license requirements.

(5) The designated representative of an applicant for a wholesaler license shall:

(i) Update all of the information required in this part 3 whenever changes occur.

Pharmacy Board Rules and Regulations

15.01.11 Minimum required information for registration.

b. Changes in any information in section 15.01.11 shall be submitted to the Board within thirty calendar days thereof.

15.01.14 Change of name, location, or ownership, or designated representative.

c. Any change in the designated representative of a wholesaler shall be reported to the Board on a form supplied by the Board within thirty calendar days of such change. The incoming designated representative must undergo the required background check.

TERMS OF DISCIPLINE

8. **Fine with Surcharge.** Pursuant to §12-42.5-124(5)(a)(I), C.R.S., Respondent Outlet shall pay a fine of One Thousand Dollars and No Cents ($1,000.00). Respondent Outlet understands and acknowledges that, pursuant to §24-34-108, C.R.S., the Executive Director of the Department of Regulatory Agencies shall

impose an additional surcharge of 15% of this fine. Respondent Outlet shall therefore pay a total amount of One Thousand One Hundred Fifty Dollars and No Cents ($1,150.00). The total amount shall be payable to the State of Colorado and shall be remitted in one (1) lump sum to be included when Respondent Outlet submits this signed Final Agency Order to the Board. Respondent Outlet shall write its registration number (WHI 6007) and the case number (2017-3679) on the check.

9. **Compliance**. Respondent Outlet shall submit all future applications and appropriate fees to the Board detailing changes in designated representative within the required time frame specified by Board rule or statute in effect at the time of such designated representative change.

10. **Other Requirements**. Respondent Outlet acknowledges and agrees that, as a condition of this Final Agency Order, Respondent Outlet shall:

a. promptly pay all Respondent Outlet's own fees and costs associated with this Final Agency Order;

b. comply fully with this Final Agency Order; and

c. comply fully with the Pharmacists, Pharmacy Businesses and Pharmaceuticals Act, all Board rules and regulations, and any other state and federal laws and regulations related to pharmacists and pharmaceuticals in the State of Colorado.

11. **Advisements and Waivers**. Through its undersigned Authorized Representative, Respondent Outlet enters into this Final Agency Order freely and voluntarily, after having the opportunity to consult with legal counsel and/or choosing not to do so. Respondent Outlet acknowledges its understanding that it has the following rights:

a. to have formal notice of hearing and charges served upon it;

b. to respond to said formal notice of charges.

c. to have a formal disciplinary hearing pursuant to §§12-42.5-123 and 12-42.5-124, C.R.S.; and

d. to appeal this Final Agency Order.

Respondent Outlet freely **waives** these rights, and acknowledges that such waiver is made voluntarily in consideration for the Board's limiting the action taken against Respondent Outlet to the sanctions imposed herein.

12. **Acknowledgments**. The undersigned Authorized Representative of Respondent Outlet has read this Final Agency Order in its entirety and acknowledges, after having the opportunity to consult with legal counsel and/or choosing not to do so, that Respondent Outlet understands the legal consequences and agrees that none

of the terms or conditions herein is unconscionable. Respondent Outlet is not relying on any statements, promises or representations from the Board other than as may be contained in this Final Agency Order. Respondent Outlet further acknowledges that it is not entering into this Final Agency Order under any duress.

13. **Violations.** Time is of the essence in this Final Agency Order. It is the responsibility of Respondent Outlet to take all appropriate steps to comply fully with this Final Agency Order. Respondent Outlet acknowledges and agrees that any violation of this Final Agency Order shall constitute a willful violation of a lawful Board order, may be sanctioned as provided under §12-42.5-124(4), C.R.S., and may be sufficient grounds for additional discipline, including but not limited to revocation of Respondent Outlet's registration. The pendency of any suspension or disciplinary action arising out of an alleged violation of this Final Agency Order shall not affect the obligation of Respondent Outlet to comply with all terms and conditions of this Final Agency Order.

14. **Completion of Terms.** Upon satisfactory completion of all terms and conditions set forth in this Final Agency Order, the Board shall release Respondent Outlet from the Final Agency Order, and Respondent Outlet's registration will be restored to active and unencumbered status.

15. **Integration and Severability.** Upon execution by all parties, this Final Agency Order shall represent the entire and final agreement of and between the parties. In the event any provision of this Final Agency Order is deemed invalid or unenforceable by a court of law, it shall be severed and the remaining provisions of this Final Agency Order shall be given full force and effect.

16. **Public Record.** Upon execution by all parties, this Final Agency Order shall be a public record, maintained in the custody of the Board.

17. **Board Order.** This Final Agency Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative

18. **Effective Date.** This Final Agency Order shall become effective upon (a) mailing by first-class mail to Respondent Outlet at Respondent Outlet's address of record with the Board, or (b) service by electronic means on Respondent Outlet at Respondent Outlet's electronic address of record with the Board. Respondent Outlet hereby consents to service by electronic means if Respondent Outlet has an electronic address on file with the Board.

CONSENT ORDER

THIS MATTER comes before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on a complaint against Medtronic Logistics LLC (hereinafter referred to as "Medtronic") which resulted in the filing of a Statement of Charges and Notice of Hearing ("Statement"), alleging violations of the Alabama Pharmacy Practice Act. These allegations with particularity are set out in the Statement which is attached hereto as **Exhibit "A."**

Pursuant to Code of Alabama (1975) Section 41-22-12(f) the parties have agreed to informally resolve this matter by the entry of this Consent Order, the terms of which are as follows:

1. The Board finds that Medtronic violated the applicable provisions based upon the conduct set out in each and every Count of the Statement.

2. Medtronic shall pay to the Board an administrative fine in the amount of Two Thousand dollars ($2,000.00) within thirty (30) days of the effective date of this Order which is the date it is executed on behalf of the Board. This obligation of payment to the Board shall not be dischargeable in bankruptcy and Medtronic shall not attempt to discharge the same in any bankruptcy proceeding.

3. That Medtronic expressly waives its rights pursuant to the Alabama Pharmacy Practice Act, the Alabama Administrative Procedures Act and the Alabama Uniform Controlled Substances Act, including but not limited to the Code of Alabama

STATEMENT OF CHARGES AND NOTICE OF HEARING

TO: **Medtronic Logistics LLC**
18501 E Plaza Drive
Parker, Colorado 80134

Pursuant to the provisions of Code of Alabama (1975), § 34-23-32, § 34-23-32.1, § 34-23-34, § 34-23-92(11) and (12) and Code of Alabama (1975), § 41-22-12, you are hereby notified and requested to appear before the Alabama State Board of Pharmacy (hereinafter referred to as the "Board") on July 15, 2019 at 9:00 a.m. at the State Board of Pharmacy Conference Room, 111 Village Street, Birmingham, Alabama 35242 and from time to time thereafter as may be required by the Board for the purpose of a hearing to determine why the permit to operate Medtronic Logistics LLC (Medtronic) as a Wholesale Distributor should not be revoked, suspended or placed on probation or a monetary penalty imposed and/or a renewal of the same should be granted in that it is alleged that Medtronic has been guilty of the following, to-wit:

1. Board Rule 680-X-2.23 is entitled Drug Manufacturers, Wholesale Distributors.

2. Board Rule 680-X-2.23(3) provides that the Board of Pharmacy shall consider, at a minimum, certain factors in reviewing the qualifications of those who engage in the wholesale distribution of drugs within Alabama. Those minimum factors

include:

(a) Compliance with licensing requirements under previously granted license, if any.

(b) Compliance with the requirements to maintain records required to be maintained.

(c) The furnishing by the applicant of false or fraudulent material in any application made in connection with drug manufacturing or distribution.

(d) Any other factors or qualifications the Board of Pharmacy considers relevant to and consistent with public health and safety.

3. Board Rule 680-X-2.23(3)(k)(1) provides that it shall be a violation of this Rule to operate in such a manner as to endanger public health.

4. Board Rule 680-X-2.23(3)(k)(2) provides any violation of this Rule may be grounds for the revocation, suspension, probation or refusal to issue the permit and/or to impose a fine not to exceed the sum of One Thousand and no/100 Dollars ($1,000) for each violation.

5. Board Rule 680-X-2.23(3)(k)(3) provides that must operate in compliance with applicable Federal and State law.

6. Code of Alabama (1975), § 34-23-32 requires a current and valid permit in order to engage in the activities set out therein.

COUNT ONE

The Board alleges you have violated the above referenced provisions and you are not qualified to possess the permit, and/or your operation is not consistent with the

public safety or endangers the public health of the citizens of this state based upon the entry of a Stipulation and Final Agency Order by the Colorado State Board fo Pharmacy on April 3, 2018 attached hereto as Exhibit "A" and/or your failure to notify the Colorado Board of a change in your designated representative for thirteen (13) months when required to do so in thirty (30) days

COUNT TWO

The Board alleges you have violated the above referenced provisions and you are not qualified to possess the permit, and/or your operation is not consistent with the public safety or endangers the public health of the citizens of this state based upon your failure to disclose when required to do so on your 2019-2020 Renewal Application the Colorado discipline referenced above.

At the aforesaid time and place and from time to time thereafter as may be directed by the Board, you may be represented by an attorney, if you so desire, cross-examine all witnesses who testify against you and present such evidence in your own behalf in response to these charges as you consider necessary and appropriate.

BOARD OF PHARMACY

IN RE:	)	
	)	
MEDTRONIC LOGISTICS LLC	)	CONSENT AGREEMENT
	)	
Case No. 2021-PHA-17242	)	

PARTIES

This document is a Consent Agreement regarding the pending application of Medtronic Logistics LLC, for the renewal of its pharmaceutical wholesaler license. The parties to this Consent Agreement are: Medtronic Logistics LLC ("Medtronic"), the Maine Board of Pharmacy ("the Board"), and the Office of the Maine Attorney General ("the Attorney General"). This Consent Agreement is entered into pursuant to 10 M.R.S. § 8003(5-A).

STATEMENT OF FACTS

1. Since February 27, 2013, Medtronic has been licensed in Maine as a pharmaceutical wholesaler with a registered location of 18501 Plaza Drive, Parker, Colorado (license number **WH70002083**).

2. On April 3, 2018, the Colorado State Board of Pharmacy imposed discipline against Medtronic's Colorado registration (WHI 6007) pursuant to a Stipulation and Final Agency Order in Case No. 2017-3679.

3. Medtronic failed to report the Colorado discipline to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

4. On December 12, 2018, the Board received Medtronic's renewal application.

5. On that application, Medtronic responded "No" to the following question: "Since your last renewal, has any jurisdiction taken disciplinary action against any professional license you hold (except this license) or have held or denied your application for licensure?"

6. The Board accordingly renewed Medtronic's pharmaceutical wholesaler license.

7. On June 19, 2019, the Alabama State Board of Pharmacy imposed discipline against Medtronic's Alabama permit (194466) pursuant to a Consent Order in Case No.19-L-0013.

8. Medtronic failed to report the Alabama discipline to the Board within 10 days as required by 10 M.R.S. § 8003-G(2)(C).

9. On July 18, 2019, Medtronic reported to the Board for the first time that the Alabama State Board of Pharmacy had disciplined its permit.

10. On February 3, 2020, Medtronic reported to the Board for the first time that the Colorado State Board of Pharmacy had disciplined its registration.

11. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C), the Board may deny, refuse to renew, suspend, or revoke a license and impose other discipline for failing to report a license disciplinary action to the Board within 10 days of that action.

12. At its meeting on January 7, 2021, the Board reviewed the above information and voted to preliminarily deny Medtronic's application for renewal of its license to be a pharmaceutical wholesaler. In lieu of the denial, the Board also voted to offer Medtronic this Consent Agreement. Unless Medtronic either requests, in writing, a hearing regarding the appeal of the preliminary denial within thirty (30) days of receipt of the Notice of Preliminary Denial, or accepts this Consent Agreement by signing and dating it and returning it to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, ME

04333-0035, by **July 12, 2021,** the preliminary denial of Medtronic's application for licensure as a pharmaceutical wholesaler will become final.

COVENANTS

13. Medtronic admits to the facts above and admits that such conduct constitutes grounds for denial of or refusal to renew its license and for the imposition of discipline as follows:

a. Pursuant to 10 M.R.S. § 8003(5-A)(A)(11) and 10 M.R.S. § 8003-G(2)(C) for failing to report disciplinary action taken against a license in another jurisdiction within 10 days after the action was taken; and

b. Pursuant to 10 M.R.S. § 8003(5-A)(A)(1), for making a misrepresentation to the Board on its December 12, 2018 application for renewal of licensure.

14. As discipline for the violation admitted to in paragraph 13 above, Medtronic agrees to accept the following DISCIPLINARY ACTION:

a) A REPRIMAND; and

b) A CIVIL PENALTY in the amount of two thousand dollars ($2,000.00), which penalty is comprised of $1,500.00 for misrepresentation on its application and $500.00 for failing to report discipline within 10 days, payment of which shall be made payable to the "Treasurer, State of Maine" and delivered to Maine Board of Pharmacy, Compliance Division, Office of Professional and Occupational Regulation, 35 State House Station, Augusta, Maine 04333-0035, and must be submitted with the signed Consent Agreement.

15. Upon receipt of this signed Consent Agreement with the enclosed payment of the civil penalty from Medtronic, the Board will renew Medtronic's license contingent upon it meeting all other eligibility criteria.

16. Violation of any of the terms or conditions of this Consent Agreement by Medtronic shall constitute grounds for discipline, including but not limited to modification, suspension, or revocation of licensure or the denial of licensure or re-licensure.

17. The Board and Medtronic agree that no further agency action will be initiated against its license by the Board based upon the specific violations admitted to herein, except or unless Medtronic fails to comply with the terms and conditions of this Consent Agreement. The Board may however consider the conduct described above as evidence of a pattern of misconduct if other allegations are brought against Medtronic, and this Consent Agreement will be admitted into evidence in any future adjudicatory hearing involving Medtronic. The Board may also consider the fact that discipline was imposed by this Consent Agreement in determining appropriate discipline in any further complaints against Medtronic.

18. This Consent Agreement is not appealable and is effective until modified or terminated by the parties hereto.

19. The Board and the Attorney General may communicate and cooperate regarding any matter related to this Consent Agreement.

20. This Consent Agreement is a public record within the meaning of 1 M.R.S. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. § 408-A.

21. Nothing in this Consent Agreement shall be construed to affect any right or interest of any person not a party hereto.

22. Medtronic acknowledges by its duly authorized representative's signature hereto that it has had an opportunity to consult with an attorney before executing this Consent Agreement, that it executes this Consent Agreement voluntarily, and that it agrees to abide by all terms and conditions set forth herein.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII - Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes Nathan J. Zangerle, Assistant Secretary to appoint such attorneys-infact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, of Liberty Mutual Insurance Company, The Ohio Casualty Insurance Company, and West American Insurance Company do hereby certify that this power of attorney executed by said Companies is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 26th day of November, 2024.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 190054165

Application/License No. _____

Medtronic USA Inc. (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 5300 Airways Blvd., Memphis, TN 38116 (Address of Applicant/Principal), as PRINCIPAL, and Liberty Mutual Insurance Company (Surety Company), a corporation organized under the laws of the state of Massachusetts (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 175 Berkeley Street, Boston, MA 02116 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on October 5, 2023 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statue (NRS) 639.515 and Nevada Administrative Code (NAC) 639.5937 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $25,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and NAC 639.5937 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS 639.515 and NAC 639.5937. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 5th day of October, 2023.

Address of Surety
SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on October 16, 2024.
Effective Date

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 18th day of October, 2024.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. 0867858

Application/License No. _____

Silver State Medical Supply LLC DBA Towbin Cadey Medical (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 10428 Pacific Sageview Ln, Las Vegas, NV 89144-6564 (Address of Applicant/Principal), as PRINCIPAL, and Harco National Insurance Company (Surety Company), a corporation organized under the laws of the state of IL (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 702 Oberlin Road Raleigh, NC 27605 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on 03/17/2025 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 17th day of March, 2025.

(Address of Applicant/Principal)
PRINCIPAL, and Endurance Assurance Corporation, a
(Surety Company)
corporation organized under the laws of the state of Delaware
(State of Incorporation)
and authorized to transact a general surety business in the State of

Nevada, whose address for purposes of service is
4 Manhattanville Road Purchase NY 10577 as
(Address of Surety)
SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on 05/23/2025.
(Effective Date)

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 23 day of May, 2025.

PHARMACEUTICAL WHOLESALER SURETY BOND

Bond No. GM246620

Application/License No. _____

EDF Holdings LLC (Applicant/Principal), doing or intending to do business as a pharmaceutical wholesaler, whose address for purposes of service is 1131 N WARSON RD., ST. LOUIS, MO 63132 (Address of Applicant/Principal), as PRINCIPAL, and Great Midwest Insurance Company (Surety Company), a corporation organized under the laws of the state of Texas (State of Incorporation) and authorized to transact a general surety business in the State of Nevada, whose address for purposes of service is 800 Gessner, Suite 600, Houston, TX 77024 (Address of Surety) as SURETY, are held and firmly bound unto the State of Nevada and to the Nevada State Board of Pharmacy for the penal sum of ONE HUNDRED THOUSAND DOLLARS ($100,000.00), for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns jointly and severally, by these presents. This bond term shall become effective on 04/15/2025 (Effective Date).

WHEREAS, the provisions of Nevada Revised Statutes (NRS) 639.515 require that the Applicant/Principal file or have on file with the Nevada State Board of Pharmacy (Board) a bond in the sum of $100,000.00 payable to the Nevada State Board of Pharmacy and this bond is executed and tendered in accordance therewith. This bond secures payment of any administrative fines imposed by the Board pursuant to NRS 639.255 and any costs incurred by the Board regarding the license of Applicant/Principal that are impose pursuant to NRS 622.400 or 622.410 which the Applicant/Principal fails to pay.

THIS BOND is subject to the following conditions:

(1) This bond shall be deemed continuous in form and shall remain in full force and effect and shall run concurrently with the license period for which the license is granted and each and every succeeding license period or periods for which said Applicant/Principal may be licensed, after which liability hereunder shall cease except as to any liability or indebtedness therefore incurred or accrued hereunder.
(2) This bond is executed by the Applicant/Principal and the Surety to comply with the provisions of NRS 639.515 and said bond shall be subject to all of the terms and provisions thereof.
(3) The Surety, its successors and assigns, are jointly and severally liable on the obligations of the bond.
(4) The limitations of the liability of the Surety and the conditions of the bond are set forth in NRS
639.515. Any claim by the Board may be made directly to the Surety and need not be preceded by the filing of any action in a proper court. Payment of any such claim shall be payable to the Nevada State Board of Pharmacy.
(5) The aggregate liability of the Surety hereunder on all claims whatsoever shall not exceed the penal sum of this bond in any event.
(6) This bond may not be cancelled by the Surety without first giving the Board written notice at least thirty days in advance of any intent to cancel the bond.
(7) The Applicant/Principal and Surety may be served with notices, papers and other documents at the addresses given above.

I certify or declare under penalty of perjury, under the laws of the State of Nevada, that I have executed the foregoing bond on behalf of the Surety under an unrevoked power of attorney.

In witness whereof, each party to this bond has caused it to be executed on this 23rd day of April, 20 25.
